ople funny? The NRA industry the right to printing estab-gotten together

tween January 1st and April 15th of this year. Walter ANOTHER DEAL Davenport, associate editor of Collier's Weekly, in a rough analysis of this yast correspondence, finds that a great majority of the letters deal with five subjects: demands for jobs, demands for money, demands for action, demands for redistribution of wealth, and demands for revises taxation scheme.

The majority of the letters, Mr. Davenport finds, are

not timid,—the writers in an overwhelming majority of cases use strong or mandatory language,—they either, pray, command, threaten, or entreat.

The majority of the letters show, according to Mr. Dav-

enport, that "while discontent is still actively provalent, and warnings of revolt appear in fifty percent of the letters, the masses are insistent that President Roosevelt carries the only banner they will follow."

From these letters, according to Mr. Davenport, Administration is finding a great deal of comfort for the hattan Co., told the Wharton next stages of its policy. "The problem which the White House ponders," Mr. Davenport sums up, "has become a He ureed immediate abandon. question of proceeding boldly along the trail already half ment of blazed, or proceeding cautiously with both eyes alert for and gove political expediency and economic dogma. For decades the business. country has been ruled by organized minorities; the spirit of the current Administration has been to turn this muchabused privilege over to an organized majority,-provided in the minds of most people re the majority can be organized.

"In the approaching elections there will be a hint of the answer to that, if not the whole answer. Analysis of what the populace says in the polling booths in November is going to furnish something of the answer to whether what the country is undergoing is social revolution or me people are taking Karl merely an emergency squirming.

#### A Health Code For Children

As a special feature of "Colld Health Day" which was that Roosevalt's recovery program delebrated throughout the country early this week, the not always perfect but the best tion of the City of New York, prepared a "special health about face in the direction of ents trying to raise normal, healthy children.

The child "health code" which has the endorsement of initiative should supplant private Ser'is a "gigolo." Those dancing some of the leading physicians in this country, reads as initiative.

Visit a family physician at least once a year, and dentist semi-annually, for periodic examinations of your We have it on good authority children and advice on how to rear them healthfully.

Seek treatment for your children early in life for cortion or alleviation of physical and mental defects. Obtain protection for them against smallpox and diph-

theria at six months of age or soon thereafter, and immunization against typhoid fever, measles, scarlet fever and whooping cough when necessary.

Serve your children the "protective foods" daily—a

quart of milk, fresh raw fruits and vegetables, eggs, and vitamin D in some convenient form, as aids to maintain good nutrition.

Reserve a rest hour daily, especially after school, Encourage children to play in the sunshine, appropri-

ately dressed; to maintain the benefits of exercise and recreation, and of healthful sun rays. Provide a healthful, cheerful and happy home environ-

ment for them.

Insist on ten hours sleep every night, in a quiet, well ventilated room.

#### FATHER COUGHLIN AND HIS LEAGUE

When Mr. Robert Harriss, a all right to gamble his radio to Diffinger war. He put a huge chief instigator of the present en league's funds, with a 10 percent thus across the rear of his trock thus iasms for "doing something margin, on "the President's word" for silver," was revealed a few that he will raise commodity days ago as a heavy holder of the prices! "Gentile silver" must be a metal, he explained that none of were for the account of clients Public interest in the matter will

arree look up his income cat other than the Radio League of the Little Tower—the personal sounding-board through which Father Coughlin himself issues his Alabama voters tied the tin can a Tour Heffin the other day. He powerful blasts for the salvation of the Huey Long of the Senate luring the boom days. Trying to the pountry, and of silver.

#### SmallAudience Hears uating circumstances. Candidates At Paola

An audience of not more than 50 persons, most of them from Sanford, gathered at Wilson School in Paola last night to attend the second of a series of 10 political niretings to be held in the county under the auspices of the Semmole County Democratic Executive Committee.

Acting postmaster R. J. Holly, Sr., presided over the meeting, and the speakers were the six men who are candidates for the state state-wide and district offices in Legislature representing Seminole County-Gordon Barnett of Fern Park, E. E. Brady, J. E. Jackson, L. P. Hagan, O. P. Herndon, and G. W. Spencer.
