

Sanford Cardinals Swipe 194 Bases Only 19 Short Of FSL Mark

Sanford's hustling Cardinals appear on the verge of forging a new Florida State League record for stolen bases. In the first game, including last Friday's 10-0 victory over the Red-Hats, the speed demons of Sanford had amassed 194 thefts to draw within 19 of the circuit record of 213 held by the Gainesville G-Men.

Back in 1937, Gainesville amazed the infant two-year-old State League by swiping 213 bases during the entire season. The following years proved how phenomenal this feat was as the record weathered 11 seasons of FSL competition spread over a span of 16 years.

Even the individual record on-aught of 81 thefts in 1948 by Harold Shiles, who divided his time with Daytona Beach and Gainesville, failed to materialize through stolen bases for either team to break the Gainesville record.

This year Sanford, profiting

from the influx of running youngsters recruited from the traditionally fast St. Louis Cardinal farm system, is within 20 thefts of a new stolen base record with 32 swipes left to play. By merely averaging a theft every other game, the Redbirds can equal the FSL precedent.

In the first 100 games Sanford has averaged almost two thefts per contest. At the present projected rate, Sanford will add 73 more stolen bases to their season's total before the campaign ends on Aug. 31. By racking up 73 more thefts, they will easily shatter the record and write in a new mark of 207.

Manager J. C. Dunn is the individual leader in the theft department with 30, closely followed by 19-year-old Bill Palmeri, 29, and Tommy Leonard, 27. Following fourth on the club is injured Bill Harris, 21, and Bill Silverthorne, 19. The top five

Sanford speed merchants have stolen a combined 120 bases, 12 more than any other club in the league.

Meanwhile, Manager J. C. Dunn's blazing bat has elevated him from the No. 10 position among the league's Top Ten hitters to No. 6 with a 16-point increase over the past week. How-

ever, Tommy Leonard fell from the third ranking spot to the fourth position, dropping six points from .376 to .369.

Official averages for the season thru midnight Thursday are based at league headquarters here today, reveal also that photo-finish is in prospect for the 1953 batting crown. Red-

Treadway of Jax Beach held a two-point lead Thursday night over Cocoa manager Bama Rowell, while DeLand's now sensational Jack Cade was in third place, only 10 points away, and Sanford's bustling Tommy Leonard was fourth with .360.

Cade can be credited with much of the Red-Hats' second half success to date. Aside from leading his club as a slugger, he has confounded the experts by coming off his regular third base position and winning ten straight games without a defeat! His teammate Jim Vickery, has also won ten straight thru midnight Thursday, and had 19 victories for the season against six defeats.

DeLand, Daytona did something it hasn't done since May 2 when, for the second time in the young season, it lost three straight. The Islanders, first half winners, still are safely out front as they

ggers, their rookie hurling staff has been taking its licks of late. Rowell zoomed from a fourth place .360 average to a second place .390 during the past two weeks. He still leads in hits with 150, in runs batted in with 111, and is second in stolen bases with 36. Dunn is top man with 19 homers to 11 by Ed Levy, Daytona manager.

Baller of Daytona lead a in stolen bases with 48, while Irvy of Daytona and O'Flynn of DeLand were tied with 15 triples each, and Treadway was leading with 20.

Best showings of the week were produced by DeLand, by Chuck Alano's Lakeland Pilot and by J. C. Dunn's Sanford Cardinals. The Hata won five of six Lakeland won four of six, while Sanford four of seven, in outpacing these straight to

Sanford Legion Battle St. Pete In Area Tomorrow

"Whiz Kids" Take 14-Game Winning Streak Into Clearwater Tourney

By KENT CHETAIN
Manager Al McMillan and his 16-man Junior Legion "Whiz Kids" from Sanford departed this afternoon for Clearwater in a Seminole County School bus hoping to annex the Legion Area tournament and win a free pass to the State championship finals in Wauchula next week. Also accompanying the Sanford phenoms on their dream excursion was past Commander of the Campbell-Lossing Post No. 83, R. Z. Johnson.

The undefeated Sanford platoon enters the big Area Tournament in Clearwater with a sensational 14-game winning streak. Tomorrow morning at 10:00 o'clock, Sanford will battle St. Petersburg, winners of the Seventh District title.

It will be the first big inter-sectional clash for the "Whiz Kids" who swept the Sixth District play-offs by shutting out Winter Park twice and Orlando once last week. The locals gained an Area berth by blanking Winter Park in the finals last Thursday night at Tinker Field in Orlando behind the brilliant two-hit hurling of Jimmy Krieger.

Manager Al McMillan took a philosophical view of Sanford's chances in the Impian Area next before he left. "Everyone says we haven't faced any real competition as yet and will find the going a lot tougher in Clearwater this week," McMillan stated. "I don't agree with this at all."

"We have faced real competition. Both Orlando and Winter Park were playing over their heads in the District last week and they were real tough, as tough as any team we will face," McMillan spoke from his knowledge of some of the other top Junior Legion teams in the state after a brief scouting trip.

"Of course I can't say we will win the Area next," he added. "But I will say this if our fielding and pitching continues to hold up no one can beat us. It naturally follows that if the other team doesn't score you can't lose."

An analysis of the Sanford club shows they have been undefeated in 14 games, all played within their District. They are a smooth fielding team with excellent pitching and a fair offensive attack which is bolstered by dinking base running.

In Jimmy Hawkins and Jimmy "Jack" Krieger, Sanford boasts of two outstanding hitters. Krieger is a veteran of state Legion play, having pitched for last year's final Sanford club at Starke. Hawkins is a strong armed youngster who has flashed into brilliance this summer, hurling six straight wins, including a brilliant no-hitter over Orlando last week.

Sanford's infield is bolstered by two veterans from last year's state team, third baseman Junior Metts and first sacker Hubba Bisbee. Both are potential long-ball swatters who can break up a game anytime and both are slick fielders with strong flippers.

Jimmy Butler at short gives the team that added extra spark. His dazzling fielding play and risky stick make him a good all-around man. Randy Reynolds, who can double on the mound in a pinch, is another of the peppy type hitters on the club. He has a good arm and can field with any of them. He has been playing at second.

In the outer garden, Larry Bates, Ross Hannum and "Pee Wee" McCall composed a good defensive outfield with a fair record of hitting. They all can hit that long ball. Bates has been the most consistent of late. Bates and Hannum are fast. Hannum is a daring base runner along the lines of the McMillan strategist. McCall is a good third pitcher.

Johnny Jones has been doing a great job behind the plate.

Cards Battle 2nd Place Daytona Here Tonite

JUNIOR METTS JOHNNY JONES

Clarence Ingram Seeks 13th Win; Redbirds-Islanders Rained Out

After being washed out at Daytona Beach last night the Sanford Cardinals will battle the Islanders here tonight in the final of the two-game series. Manager J. C. Dunn will probably send Clarence Ingram to the hill for the Redbirds this evening against the second place Islanders.

Ingram will be hurling in quest of his 13th victory of the season. After a brilliant first half beginning during which time Ingram annexed 10 victories and lost but five, the Albany Georgian has faded in the second half winning but three of eight games.

Ingram leads the Sanford mound crew in almost every department, most innings pitched, most games, and has fanned the most, 104. After appearing as though he would be the only Sanford hurler to annex 20 wins this year, Ingram has been passed by Eric Palmeri in the victory department. Palmeri has 13 wins already.

Over the week-end the Cardinals blasted Lakeland, 10-1, here on Merchants Night before a season's record 2,135 paid admissions. However, Saturday night they lost to the Pilots in Lakeland, 7-5. Dave Leonard started the game and lasted until the fifth when he was lifted for Paul Smith who lost the game.

Tommy Leonard blasted his season's first homer and collected one hit to boost his average to .374. Manager J. C. Dunn increased his season's mark to .347. Price Westbrook cameback off the injured list and played both games lowering his mark from .346 to .322. Sanford is one game out of fourth place.

Merchants Night Draws 2,135

Despite torrential downpours last Friday afternoon and the cancelling of the Sanford-Daytona Junior Legion clash, 2,135 fans turned out for the big Merchants Night game at the Memorial Stadium between Sanford and Lakeland.

The Cards treated the season's largest crowd to a 10-1 victory over the visiting Pilots. Lakeland committed seven errors as the Redbirds blasted out 11 hits. Jim Flannigan went the route for Sanford and had a one-hit shut-out until the ninth when Al Pille doubled, advanced to third on a wild pitch and scored on Manager Chuck Alano's infield grounder.

Flannigan's two-hitter was his second such feat since coming to Sanford one month ago. His now boasts of a 4-1 record. The largest Cardinal crowd previous to last Friday was opening night when 1,770 fans turnout. A total of 1,800 watched the All-Star game here last month.

The Sanford Herald

ESTABLISHED 1908 SANFORD, FLORIDA TUESDAY, JULY 28, 1953 Associated Press Lease Wire No. 241

THE WEATHER
Partly cloudy to occasionally
cloudy through Wednesday with
scattered local afternoon showers
and thunderstorms.

somertime
Postmaster Joel Field called us
at home last night to point out
there are 10 Sanforde in the United
States. He listed them alphabetically
as being in the following
states: Alabama, Colorado, Florida,
Idaho, Kansas, Maine, Michigan,
Mississippi, North Carolina, Texas,
and Virginia. He pointed out it
is possible that there are
additional "Sanforde" around, but
if there are, they are little com-
munities which have only a handful
of people. (Occasionally, the
regular postmaster added, mail
clerks around from our Sanford
to another until the proper city
is the recipient.)

Found—A dollar bill. The Some-
timer while walking down Mag-
dalen Avenue Saturday noon spotted
a piece of green in the gutter,
and upon closer inspection saw
the object was a mucky back. At
first he was an envelope with the
real words written thereon. If
the one who lost the currency
will drop in the Herald office
and give us those words, we will
gladly return it. If no one
claims the bill, it will be turned
over to the United Service Or-
ganization fund.

Thoughts While Shaving—Have
you noticed the beautiful sunsets
we've been having lately. Cloud
formations Sunday the 27th were
unique as we've seen in a long
while. And the sky was extremely
attractive last night also.
Wonder when the autumn is
going to break out the new set of
clubs he received for Christmas
year before last and take them
to the Country Club for a few rounds.
Visitors to the Herald office
shouldn't be too shocked when
this corner at least has a picture
around these days. We're like a
woman—we get tired of seeing
chairs and tables in the same
place for too long. The heavy
rain of two before midnight
on Friday night set a new record
for the month for Sanford. The
padding ground in the suddenly-
formed pools.

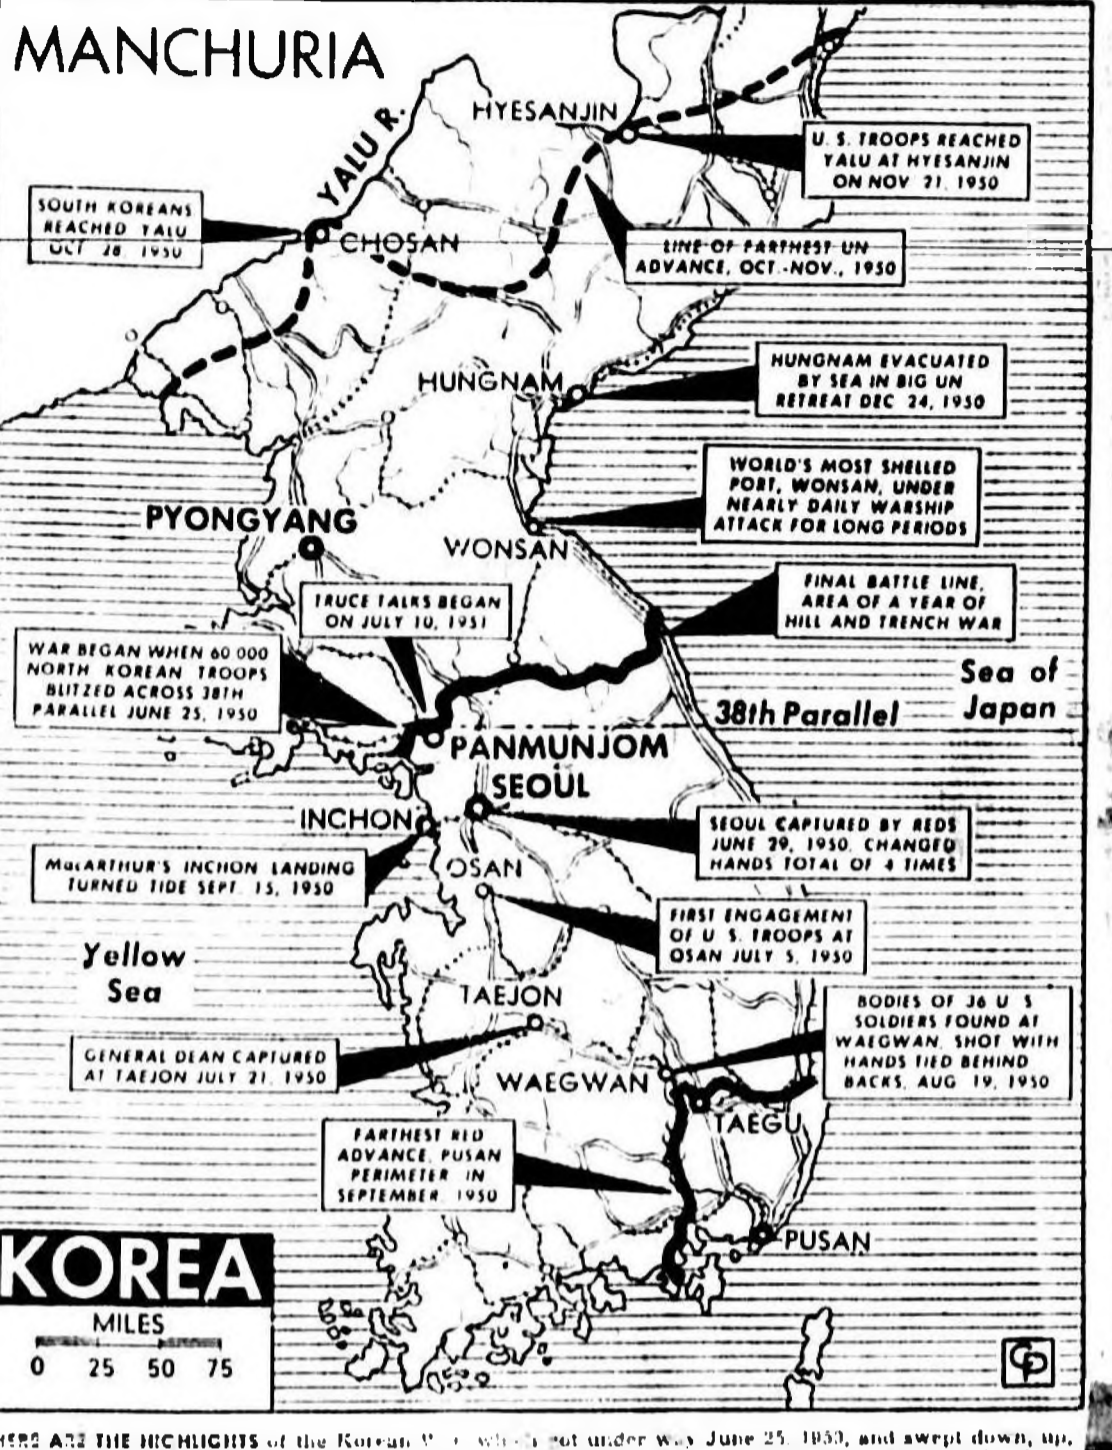

Ed Lane, long-time resident of
this City, brought us "proof posi-
tive" today that there used to be
plenty of sailing on Lake
Monroe. From his album he
showed a picture made about 1905
showing the lake dotted with sail-
boats in considerable number. And
there were also plenty of families
visiting for the holidays. Half
a dozen piers jutted out into the
lake in the picture. The harbor
appeared to be a busy busy place
with a host of all sizes and types
in evidence.

Some things are taken so much
for granted that we don't think
where credit is due. To us, it's
miraculous that the field crew
headed by Jim Dunn can whip the
crew up to a picture made about
1905. We're not even sure
what has "come" down all after-
noon. We'll bet in most other cities
the crew would be a long time
even start when similar rainfalls
hit those communities. So to Jim
and his crew, belated thanks for
this corner at least. Probably
Tom Lemon is behind it all—as he
is behind so many other things
while projects—so, to him, and to
all others concerned, we want to
tip our hat.

There are a couple of visitors
to Sanford who are living it
up. They are a variety of
variety in their attire. Two girls
came down here from Birmingham,
N. Y., for a two week stay, but
they had their luggage come not
to Sanford, but was shipped to
Sampson, N. Y. through an error.
However, their difficulties here
are not great as they would be
in some other vacation spot. For
here, shorts and halteres are the
"uniform of the day" for most
of them. That's one of the things
we like best about Sanford—informal-
ity of dress.

Perhaps some readers may have
noticed the bride cartoon in the
New York Herald Tribune on Sun-
day. It shows a foursome sitting
around a table and a female says
"I have three kisses—and they're
all in the same suit." Whereupon,
husby throws his cards into the
air and groans. I tell you
to keep those samsa cards out of
the bride drawer." The cartoon
was a matter of discussion as the
Sanford delegation of bridge
players consisting of the Munson,
Irv Feinberg, John Williams, and
Dave Muschle along with the
Brentlinger hit the road for the
Orlando tourney last night.

**Postal Rate Bill
Put On Shelf**
WASHINGTON (U. S. News)—The House
Postoffice Committee today
shelved indefinitely the adminis-
trative "must" bill for increased
postal rates.
The committee decision to place
no further consideration in the bill
at this session was taken in
light of strong opposition in the
Senate and the drive for adjourn-
ment this weekend.

HERE ARE THE HIGHLIGHTS of the Korean War, which started under the 38th Parallel, where it all started. (C. P.)

National Debt Ceiling Boost To Be Proposed

WASHINGTON (U. S. News)—Administration officials indicated today they almost certainly will ask Congress to raise the ceiling on the national debt.
The new ceiling would be \$40 billion, up from the present \$30 billion. The increase would be needed to cover the cost of the Korean War and other military operations.
The Treasury Department is expected to propose the increase in the next few weeks. The bill would also provide for a new system of financing the debt.

19-Year-Old Youth Jailed On Larceny Charges By Sheriff

A 19-year-old youth was being held in the County Jail today under bonds totaling \$2,500 on charges of grand larceny and breaking and entering, according to a spokesman for the Sheriff's office.
The youth, David G. Garvin, Lake Monroe, has confessed to the charges of breaking into the Lake Monroe grocery store, operated by Mrs. Sam Gardner, on July 23, and taking \$107.00 in cash, further information at the office is desired.

Former Sanford Resident Killed In Car Accident

Frank B. Kelly, about 33, a resident of Sanford all his life until moving to Tampa five years ago, was killed this morning in an automobile accident at Tampa.
Mr. Kelly was employed by the Bell Telephone Co. He leaves his parents, Mr. and Mrs. Albert Kelly, Tampa; brother, Claude, Daytona Beach; brother, Albert Jr., stationed with the Armed Forces in Germany; a sister, Mrs. Catherine Wadde, Tampa, and several nieces and nephews. His father formerly operated a barber shop here.
Funeral arrangements will be announced.

B47 Stratojet Crosses Atlantic In Record Time

FAIRFORD AIR BASE, England—An American B47 Stratojet bomber flashed across the Atlantic from the United States to England today in the record-shattering time of 4 hours and 45 minutes.
The sleek, sweeping jet atom bomber, called the world's fastest, was launched from the Maine, Air Base to Fairford—a distance of 3,120 miles nonstop—at an average speed of about 600 miles an hour.

Barkeep Held

TAMPA (U. S. News)—Philip M. Lino, Tampa bartender, was convicted yesterday of failing to file a federal gambling stamp.
Most of the evidence relied on by the government was the same as that used to convict him in Polk County Court recently of conspiring to operate a lottery, in that case, which is on appeal. Lino was a co-defendant with Harlan Blackburn, reputed bolita blagier from Orlando.
Federal Judge William J. Bark-er will pronounce sentence on Lino, 31, after a parole investigation.

Taft Relapses

NEW YORK (U. S. News)—Sen. Robert A. Taft's physical condition "has deteriorated," New York Hospital announced today.
The Ohio Republican recently underwent an exploratory operation of the abdominal wall to investigate a hip ailment.

Car Damaged

Fire caused minor damage to a 1941 sedan, owned by Gordon Bradley, 618 Oleander Avenue, yesterday afternoon at Second Street and Palmisto Avenue. The fire was caused by the cause of the blaze.
Clarence C. Welch will show films of his recent fishing trip to the Dry Tortugas at the regular meeting of the Seminole County Sportsmen's Association meeting in the Court House tonight at 8:00 o'clock.

New York Bound Dancers Give Lions Program

Three local dancing instructors New York-bound on Friday presented a program of tap and ballet techniques today at the regular weekly luncheon meeting of the Sanford Lions Club held at the Yacht Club.
Appearing on the program were Mrs. Doris Duxbury and Misses Ann Whitaker and Faye Harvey. Mrs. Duxbury, operator of the school of her own name, presented a fast tap routine. Miss Whitaker, who has been an instructor in Deland while attending Stetson University, presented an original tap number, while Miss Harvey, who will be employed by Mrs. Duxbury this fall, presented an acrobatic ballet.
King Lion Volte Williams presided at the meeting while Lion William White was the program. The dancers were accompanied at the piano by Mrs. Christine Blankenship.
Mrs. Duxbury announced that the three dancers would leave Friday for the Dance Masters of America convention in New York City, which starts Sunday and lasts five days. During this time, she said, the dancers will receive instructions from dance masters and professionals, ranking the highest in the dancing field.

Trout Derby Weekly Report

An eight pound, four ounce trout caught by Howard Freier of Holly Hill won the week's Jaycee Trout Derby award, a Fluorger Akron reel donated by a local sports shop.
Honorable mention went to Mrs. Harold Ellman of Atlanta, Ga., who caught a seven pound, five ounce trout.
Mr. Freier used a top water plug while fishing out of LePhi's camp in Oak Hill. Mrs. Ellman's catch was made while using the shrimp on a trip out of Jones camp in Oak Hill.
The Derby continues through Sept. 1 with a grand prize of a \$500.00 war bond to be awarded to the winner. Second prize is a \$50.00 bond, third prize is a \$25.00 bond.

POW Swap Starts Aug. 5

Beer Joints to Saw Mills Rezoning In South Section Is Opposed

"We heard they're going to open up beer joints to saw mills out there," Atty. Mack Cleveland Jr. exclaimed before the City Commission last night as he successfully sought relief for a group of interested citizens in the proposed rezoning of an area in the southeast section of Sanford from residential to commercial.
The rezoning would allow the area to be used for a commercial retail classification.
In other zoning action the Commission rezoned three parcels of property just south of Fort Mellon Park from multiple family to commercial retail classification. The rezoning would allow the area to be used for a commercial retail classification.
The area disputed last night for rezoning is located south of 25th St. between Sanford Ave. and Orlando Dr.
Following a discussion between Robert Brown, chairman of the Planning and Zoning Commission, and a delegation from the area, Mr. Brown requested a withdrawal of the Commission's rezoning recommendation for rezoning and we can have a public hearing with all of the people in the area at 8 o'clock.
He expressed the opinion that an agreement could be reached between the City and the residents which would afford the latter ample protection from undue rezoning. The rezoning would be in their area. His request was approved by the City Commission.
Atty. Cleveland in representing the rezoning stated, "Many of us have lived there over 25 years and we have made our investments."
He pointed out that people who have lived there for 25 years should be given every consideration.
"I brought out," he said, "it seems reasonable and feasible that if it is rezoned, the rezoning should be done in a way that would be people down presenting those who want to stay."
The rezoning would be in the area of 25th St. between Sanford Ave. and Orlando Dr. The rezoning would be in the area of 25th St. between Sanford Ave. and Orlando Dr. The rezoning would be in the area of 25th St. between Sanford Ave. and Orlando Dr.

Machinery Set Up To Enforce Terms Of Korean Truce

MUNSAN, S. Korea—The Allies and communists agreed today to start exchanging almost 50,000 prisoners of war Aug. 5 and the Joint Military Armistice Commission set in motion machinery for enforcing the day old Korean armistice.
Once the long-awaited prisoner exchange gets under way, the Allies will free about 100 men.
Additional information concerning the end of hostilities in Korea, exchange of prisoners, and the laying of groundwork for lasting peace in that nation will be found on Page 6.

Brumley Elected As One Of Five Leading Cadets

Second Lt. Rodman B. Brumley was elected as one of the five leading cadets of the Sanford High School Cadet Corps today at the annual election held at the school.
The other four leading cadets are: First Lt. Robert B. Brumley, Second Lt. Robert B. Brumley, Third Lt. Robert B. Brumley, and Fourth Lt. Robert B. Brumley.

\$150 Appropriated For Fishing Ads

The Commission appropriated \$150 for the purchase of fishing advertisements for the Sanford Lions Club. The advertisements will be placed in the Sanford Herald and other local newspapers.
The Lions Club is a charitable organization that provides a variety of services to the community. The fishing advertisements will help to raise funds for the club's activities.

Revamping Of City Ordinances Studied

Information concerning the revamping of city ordinances was studied by the City Commission today. The commission is considering changes to the city's zoning and building codes.
The City Manager, Tom Lemon, presented a report on the progress of the ordinance revision project. He stated that the commission has received many suggestions from the public and is working to incorporate them into the new ordinances.

Cod Desert

WOODS HOLE, Mass.—The cod have just about deserted Cape Cod.
The cod fishery has been in decline for several years, and the situation is expected to worsen. The cod population is estimated to be at a low level, and the fish are being caught in smaller numbers than in previous years.

New Brand Book Issued By Lamont

R. P. Lamont, president of the Seminole County Cattlemen's Association, has issued a new brand book. The book lists the names and addresses of all the cattlemen in the county.
The brand book is a valuable resource for cattlemen and is used to identify and protect their livestock. It is available to all members of the association for a nominal fee.

New Cattle Pens Being Constructed

Cattle pens are being constructed at the Farmer's Auction Market on Route 17-92, one mile south of Sanford. It was reported today by J. W. Jones, president of the association.
The pens are being built to accommodate the growing number of cattle being sold at the market. The construction is expected to be completed in the next few weeks.

U. S. Nominations

WASHINGTON (U. S. News)—The Senate Judiciary Committee yesterday announced 13 nominations by President Eisenhower for jobs as U. S. attorneys and marshals.

Beer Joints to Saw Mills

The City Commission is considering a rezoning of an area in the southeast section of Sanford from residential to commercial. The rezoning would allow the area to be used for a commercial retail classification.
The area is currently zoned residential and is used for saw mills and other commercial purposes. The rezoning would allow for the establishment of beer joints in the area.

Revamping Of City Ordinances Studied

Information concerning the revamping of city ordinances was studied by the City Commission today. The commission is considering changes to the city's zoning and building codes.
The City Manager, Tom Lemon, presented a report on the progress of the ordinance revision project. He stated that the commission has received many suggestions from the public and is working to incorporate them into the new ordinances.

Cod Desert

WOODS HOLE, Mass.—The cod have just about deserted Cape Cod.
The cod fishery has been in decline for several years, and the situation is expected to worsen. The cod population is estimated to be at a low level, and the fish are being caught in smaller numbers than in previous years.

New Brand Book Issued By Lamont

R. P. Lamont, president of the Seminole County Cattlemen's Association, has issued a new brand book. The book lists the names and addresses of all the cattlemen in the county.
The brand book is a valuable resource for cattlemen and is used to identify and protect their livestock. It is available to all members of the association for a nominal fee.

New Cattle Pens Being Constructed

Cattle pens are being constructed at the Farmer's Auction Market on Route 17-92, one mile south of Sanford. It was reported today by J. W. Jones, president of the association.
The pens are being built to accommodate the growing number of cattle being sold at the market. The construction is expected to be completed in the next few weeks.

U. S. Nominations

WASHINGTON (U. S. News)—The Senate Judiciary Committee yesterday announced 13 nominations by President Eisenhower for jobs as U. S. attorneys and marshals.

RODMAN B. BRUMLEY

Second Lt. Rodman B. Brumley was elected as one of the five leading cadets of the Sanford High School Cadet Corps today at the annual election held at the school.
The other four leading cadets are: First Lt. Robert B. Brumley, Second Lt. Robert B. Brumley, Third Lt. Robert B. Brumley, and Fourth Lt. Robert B. Brumley.

Sanford Legion Loses To Team From St. Pete

CLEARWATER, Fla.—St. Petersburg Baseball Sanford 19-1 today in the opening game of a Florida Legion Junior Baseball District Tournament.
The Sanford team was defeated by the Clearwater team. The game was a close contest, but the Clearwater team was able to score the winning runs in the bottom of the ninth inning.

Mrs. L. A. Phillips' Father Passes Away

Mr. L. A. Phillips, father of Mrs. L. A. Phillips, passed away today at his home in Sanford. He was 85 years old.
Mrs. Phillips is survived by her mother, Mrs. J. W. Phillips, and several other relatives. The funeral will be held at a later date.

Cod Desert

WOODS HOLE, Mass.—The cod have just about deserted Cape Cod.
The cod fishery has been in decline for several years, and the situation is expected to worsen. The cod population is estimated to be at a low level, and the fish are being caught in smaller numbers than in previous years.

Search For Peace Continues

Just 24 years ago, on July 24, 1920, the Kellogg-Briand Treaty went into effect. It was signed by 43 nations and all the signers renounced war as an instrument of national policy. Optimists hoped that men had at

Conquering Hogan Returns

It is hard to think of anyone more deserving of this year's award for the Athlete of the Year than Ben Hogan. The diminutive Texan has won the U. S. and the British open golf championships, as well as the Masters' tournament in Augusta, Georgia. His play during the British open set a new course record for tournament competition.

A few years ago the sports world had given up on Ben Hogan. At what seemed to be the peak of his career he was involved in an accident in which he was injured so seriously that there was doubt that he would ever walk again, much less play professional golf. But Hogan, quiet, determined and confident, came back to top all of his previous performances.

At the British open Hogan did more than win a golf championship. He won the affection of his competitors and of the galleries of Britons and Scots who followed him around the course as if he were some modern day piper with a golf bag. The British press played up the exploits of the "unperturbable little Yank" who went about his game as if it were a job of work. His gentlemanly manner and his sense of sportsmanship won him his country as well as himself many friends.

Ben Hogan came back from Europe and received an enthusiastic welcome in New York. He will undoubtedly go on playing golf for a long time and it will be surprising if he does not continue to succeed. But it is hard to see how he can ever have a better year than this one. There is no longer any question that he ranks with Bobby Jones as one of the greatest golfers of all time.

Employment At New High

According to a report by the United States Census Bureau there was less unemployment in this country last year than in any year since the end of World War I. Unemployment throughout the year averaged about 1,700,000. There were almost 2,000,000 more working wives last year than there were during the boom years of the war.

It is sure that a large part of our present production is for defense goods and a falling off in employment may be expected once our maximum defense strength is reached. But there is no reason why a smooth transition between defense production and peacetime production cannot be worked out. It is always wise to see ahead to possible future trouble but it is foolish to fail to appreciate present prosperity simply because there is possibility that it won't last forever.

Truly foresighted men will use the experience of past failures such as our depressions to help them avoid future failures. It is a hopeless and defeatist attitude to assume that because periods of great unemployment have always followed periods of boom in the past, that the pattern can never be broken.

Truce May Tumble Copper Demand

NEW YORK (AP)—Copper may be one of the first commodities to feel the downward price pull of the Korean truce.

That is because users of the metal expect military demand to become less pressing in the months ahead, and the urge of the government to stockpile copper to lose considerable of its edge.

Chile has on its hands large stocks of unsold and essentially unsaleable copper at the price it wants. Chile would like to move this copper into Uncle Sam's stockpile. Since Chile's asking price is a good five cents above the world price, the United States isn't showing much interest. The Korean truce will weaken further any pressing immediate need to buy the copper.

Copper users aren't looking for any big price drop in the present world price of 35 cents a pound. But many of them think it is bound to turn down, now that fewer shells are being expended. They are, therefore, cutting back a little on their forward ordering and showing little interest in building up inventories.

The construction industry is still using large amounts of copper, and showing no signs of slowing

down. But if, as many believe, consumer demand for goods will start leveling off now, the building of new plants and the buying of new machinery may top out soon. The demands for metal will level off, too.

If auto production slackens by the end of the year, that too would cut demand for copper.

This is the thinking, at any rate, of many copper users. They plan to go a little more cautiously in their advance ordering, while waiting the price drop they expect by fall.

Copper and brass mills still have good backlogs of orders, however. As they resume operations after their July shutdowns for mass vacations, they expect shipments to recover from the

run at a high rate through August at least. After that, they aren't so sure.

Chile has been able to sell some of its copper at its asking price of 40 cents a pound. Transportation to the United States adds another penny to that for American users.

While the defense program was winding up, manufacturers, users who

needed copper badly paid Chile's price. But the demand has slackened some in recent months. African copper became available at 30 cents, and occasionally for less. Chile's unsold copper has piled up to around 65,000 tons. This copper is produced at mines owned by two American companies, Anaconda and Kennecott. They get only part of that asking price. The Chilean government keeps a sizable slice. Moreover, it is talking about taking over all copper mining in the country.

Diplomatic relations of this country and Chile play a large part, therefore, in determining what the United States does about Chilean copper—just as international relations play a major part in what prices the United States will pay for sovietian tin.

American copper users are taking it as easy as possible just now, waiting to see if the Korean truce will change international policies enough to affect United States purchasing arrangements for South American metals. Businessmen are betting that the post truce will be a drop in the price of copper. Its prices have been weak for some time now.

THE DEVIL A SAINT WOULD BE!

Guns Grumble To Silence In Korea

NEW YORK (AP)—The twilight war in Korea has come to a twilight truce.

The guns grumbled into silence, like the distant muttering of thunder in a darkening sky. After a month of sound and fury, the "Land of the Morning Calm" is quiet.

The worn soldiers on both sides have handed the Korean problem over to the diplomats, something they have wanted to do for more than two years. For to the fighting men the action in Korea was less of a war than an endless game of checkers played with bomb and bullet.

And now the world stands like a troubled child looking down a lonesome road winding through a dusky forest and wondering where the road will lead him. He knows the road behind him, but he is unsure of the road ahead. What is it? They don't even dare use that word in crossword puzzles anymore, because nobody any longer is sure just what it is like the word war. It is hard to define today.

Nothing is quite as black or white as it used to be. We live in a gray time, where one thing merges inconspicuously into another. You don't know when war ends, because you don't know when peace begins.

At that is the point upon which the world teeter—tatters today. Both sides insist they want to preserve peace—a peace that (to show how gray even language has become) was known as "the cold war."

Now we are in another shade of gray that could best be termed "the hot truce." The human race is like Alice in Wonderland, but straggling along with an armload of hand grenades instead of pausing to pick daisies.

America will pick no daisies in Korea. It will probably pick up a multibillion dollar rehabilitation bill eventually. But is the new theory of warfare? First you blow up a country. Then if you end up financially solvent, you repair it.

Few bolts peeled here at the announcement of the truce signing.

to get ready. At the best it may have brought closer to realizing mankind's oldest dream—a warm and lasting peace, a world linked in friendship instead of locked in hatred.

It has taught us as a people to be more understanding of the plight of nations less fortunate than we are. It has given immortal proof that the young men of this generation are no less resolute and disciplined in defense of a principle that the generation which founded a free America.

Ad as a nation perhaps we have learned one thing more. In world politics, when you pick up the policeman's club—well, it isn't easy to put it down again, turn in your badge and retire from the force.

But Korea marked the successful effort of one group of people to keep their system intact from another group of people trying to extend their system by force. Communism certainly got a blacker eye than democracy from this bitter experiment.

At the worst the free world has gained from these three years time

joy was well earned. The feeling seemed to range from quiet thankfulness in the homes of soldiers to a wry dissatisfaction in the breasts of the fire-eating "Let's bomb" advocates with the-a-to-m.

The armistice of 1953 stirred none of the jubilation of the armistice of 1918 or the surrenders of 1945. But there is no reason why it should. In the first and second world wars our men fought in hatred and broke the power of the symbols of that hatred—the Kaiser and Adolf Hitler.

But they went to war in Korea regretfully. They fought for a principle rather than against a symbol. They haven't broken the back of communism, but they have made it retreat into its backyard—and kept it there.

No one can tell today whether the truce is only a breathing space or marks the slow withdrawal of the tidal wave of communism. It is hard to tell exactly the turning of a tide in human affairs.

But Korea marked the successful effort of one group of people to keep their system intact from another group of people trying to extend their system by force. Communism certainly got a blacker eye than democracy from this bitter experiment.

At the worst the free world has gained from these three years time

Honorary Texan

John B. Sheppard, Attorney General of the State of Texas, has named Walter L. Hays, president of the American Fire and Casualty Company, Orlando, with a certificate making him an honorary "Texan."

The certificate was accompanied by a bottle of precious water from Texas and a box of sacred Texas soil.

Many years ago, Hays lived in Texas and he has many friends throughout that State.

Toy Money Works In NYC Subway

NEW YORK (AP)—Toy money, selling at a handful for a dime, was working just as well in subway turnstiles as the new 15-cent fare tokens.

So the F. W. Woolworth Co. yesterday pulled the play money off its counters and said the toy coins won't be sold again until the New York City Transit Authority "perfects plans for preventing its use" in the subway.

Earthquake Rocks

LIMA, Peru (AP)—Press reports said a strong, 30-second earthquake rocked the city of Ica, 175 miles south of Lima, yesterday but there were no casualties.

Mountain Climbers Plummet To Deaths

HAMDEN, Conn. (AP)—Hamden's Sleeping Giant has claimed its second life this year. The Sleeping Giant, a range of hills with a contour resembling a prone human form, has many cliffs to lure the adventurous.

Saturday afternoon 16-year-old Thomas Beck of Bridgeport undertook to climb to the "Giant's Head," starting his ascent from the floor of an abandoned trap rock quarry. When within 30 feet of the top of the 300-foot cliff, the boy slipped, plummeting to the rocks below.

ATLANTA (AP)—A man trapped on the steep side of Stone Mountain disappeared in the darkness last night a few minutes after crying, "I can't hold on much longer," police reported.

A rescue party was organized and searched for the man but found no trace of him. The group planned to renew the search today.

One Can Of Beer One Man Drowned

DETROIT (AP)—Fully clothed and carrying a can of beer, Wisdom E. Phillips Jr. walked into nearby Edison Lake yesterday. He disappeared, a companion said still drinking from the can of beer.

Phillips' deputies found his body floating beyond a drop-off, 45 feet from shore.

JAMES MARLOW

Why Peace In Korea?

WASHINGTON (AP)—That the Communists wanted a truce in Korea was apparent. But why they wanted it, and what they hoped to get out of it, can only be guessed at. There has been a lot of guessing.

One thing is certain. Because they held North Korea, they have an ace card in the diplomatic poker game—the peace talks—which begin within 90 days of the signing of the truce.

The United States and the United Nations want both parts of Korea unified. They didn't feel they could do it themselves by taking North Korea from the Chinese on the battlefield.

What they couldn't make the Chinese yield by force, they will now ask the Chinese to give up by request, since there can be no unification unless the Red-Chinese withdraw from North Korea.

This would be quite a request. The Chinese could hardly be expected to grant it unless they got in return something they prized more than North Korea. It may be wishful thinking that they would consider it at all.

Here in Washington there has been a belief that the Chinese might agree to unification of Korea if, among other things, they were admitted to membership in the United Nations.

But this country, backing Nationalist China, which is a U. N. member, has consistently opposed membership for Red China. Both houses of Congress have expressed opposition to such a move.

And Secretary of State Dulles has said the question of Red China's membership in the U. N. has no place in the peace talks about Korea. That might seem to slam the door on China's chances.

Not necessarily. Even with the United States opposed, it may yet turn out that Red China will get into the U. N. It might be handled at the U. N. instead of at the peace talks.

Since there can be no unification of Korea until the Chinese—and the United Nations—withdraw their troops from all Korea, the peace talks could limit themselves to the question of withdrawal only.

After the foreign troops leave, the Koreans—North and South—could hold a national election to choose a single government. But this by itself is such a complicated problem that solution of it seems unlikely soon.

For one thing, the South Koreans far outnumber the North Koreans now. If the election were between the forces of South Korean President Syngman Rhee and pro-Communist North Koreans, there wouldn't be much doubt about the outcome of all-Korea elections.

With the Chinese forces withdrawn and South Koreans elected to control of the country, what would be the fate of those North Korean Communists who had been faithful allies of Red China and enemies of South Korea?

Would Rhee permit them to roam around, reorganizing their party, first in North Korea, then infiltrating South Korea, and eventually trying to take over the country once more by force or subversion?

If China abandoned its Korean Communist allies to the mercies of the South Koreans, it would be in with its Communist friends in the rest of Asia. It could, of course, give the Korean Communists asylum in China.

Even if these Korean Reds could filter back into Korea, set up an underground, and work for the overthrow of Rhee or, after his death, of his friends in control of the government.

Since the Chinese haven't tipped their hand yet, there can be nothing but guessing until they do.

Sister Of Iran Ruler Deported

TEHRAN, Iran (AP)—The Shah's court has ordered the monarch's twin sister, a foe of Premier Mossadegh, to leave the country following her unexpected return here from Europe.

The sister, Princess Ashraf, left the country in August 1952 under conditions of virtual house arrest. Mossadegh accused her of scheming against him. She returned to Tehran Saturday night.

Repeated Illness in a Family Calls for Thorough Check-Up

By HERMAN M. BUNDESEN, M.D.

NEARLY every doctor has seen instances where an entire family will have an outbreak of an infection such as the common cold, severe diarrhea or vomiting. Most of these infections are not too serious and do not bring serious complications.

The mother too often may ignore her own illness to go on caring for her family. She then may re-infect the other members of the family once she has supposedly cured them all back to well-being. This can result in a vicious cycle that never seems to end for her. She would be better off if sympathy were replaced by a healthy attitude toward her own health.

Family infections are caused, in some instances, by viruses, which are germs so small that they pass through normal porcelain filters that stop the larger bacteria or germs. Many of these infections may clear up by themselves without treatment.

However, more difficulty arises when there is a family outbreak of an infection due to a bacteria rather than a virus, because of the difficulty in permanently eradicating this type of infection, although in each case, the infection may be responsible to the antibiotic drugs and can be rapidly cured.

Recurrences Likely
If the infections that are present in members of the family are all not cured, it is very likely that

there will be recurrences of the infection within the family group. That is why certain children may have the same sort of throat or ear infections over a short period of time.

Many mothers will not worry about their own throats, but will call a doctor immediately for their children's throats. By doing this, the infection may continue within the mother, and she may re-infect her children before too much time passes.

Same Germ, Different Ills
It has been shown that the same kind of germ can cause a lung infection in one member of the family, boils in another, and an ear infection in a third. The same germ, then, can affect parts of the body that can be affected by the same kind of germ. A great variety of different diseases all exist because of the same germ may exist.

Therefore, when more than one member of the family is sick, it is often best to have the entire family treated with the proper antibiotic. In this way, repeated infections within the same family might be prevented.

QUESTION AND ANSWER
Mrs. J. K.: I had an operation to have my tubes taken out after my last child was born. Is there any way my ability to have children can be restored?
Answer: Yes, there is an operation now being performed to re-establish the tubes normally so that pregnancy can occur again.

Mr. and Mrs. C. C. Henderson and Robert have returned after spending a week at Fort Myers Beach.

Friends of P. F. Whigham will regret to learn that he is confined to the Orange Memorial Hospital because of illness.

Mrs. Townsend Shelly is spending her vacation in New York City, Boston, and Rochester, N. Y. visiting relatives.

Col. and Mrs. S. G. Harrison have left for Gloucester, Mass. where they will spend a month.

Mr. and Mrs. Roy Coleman have returned to Sanford after visiting with friends in Atlanta and North Carolina.

Mr. and Mrs. J. W. Altman and family have left to spend the summer in Georgia and New Jersey.

Roger and Glen Hodges have returned after spending six weeks at Baylor Camp in Chattanooga, Tenn.

Mr. and Mrs. Helen Hale are home from a nine days' trip during which time they visited friends and relatives in South Carolina, Georgia, and Tennessee.

Mr. and Mrs. T. A. Stiles left yesterday for Miami, Fla. From there they will cruise to Havana, Cuba for a week's tour of the island.

Mrs. Cecale Smith has left for San Francisco, Calif. to spend six months with her son and daughter-in-law, Mr. and Mrs. Edward Smith.

Calendar

THURSDAY
The Unity Truth Class will meet at the Valdez Hotel at 7:45 p. m. with Carolyn Parsons as teacher. The public is invited.

FRIDAY
The Prayer Meeting Service at the First Baptist Church will be held at 8:00 p. m.

The Sunday School Superintendents of the First Baptist Church will have their monthly cabinet meeting in the Chapel after the Prayer Meeting Service.

The Duplicate Bridge Club will meet at the Woman's Club. Seating will start at 7:45 p. m. and play will begin at 8:00 o'clock.

Weekly prayer meeting of the Sanford Assembly of God will be held at 8:00 p. m.

THURSDAY
The Junior and Intermediate Royal Ambassadors will meet at the First Baptist Church at 7:00 p. m.

The First Baptist Church Choir will hold rehearsal at 7:15 p. m.

The Junior Brotherhood of the First Baptist Church will meet at 7:30 p. m.

SUNDAY
A two weeks' series of special evangelistic meetings begins this Sunday at the Assembly of God, Twelfth Street and Laurel Avenue, with Dwight and Betty Dullock of Tulsa, Okla. as the evangelists.

Youth Camp Is At Lake Bonny

The annual youth camp of the South Florida District of the Assembly of God convenes this week at Lake Bonny Bible Camp, the district headquarters, at Lakeland. Nearly 200 young people from 14 to 26 have registered for the camp this year. The Rev. and Mrs. Otis Keener, pastors of the Assembly of God at New Kensington, Pa., are the special speakers for the camp.

The Rev. John Wilkerson of Lakeland is the district president of the Young People's Department (Christ's Ambassadors) and Mrs. H. E. Bullock of Sanford is the local sectional representative.

Holy Cross Circles Meet

The St. Mary and St. Monica Circles of the Holy Cross Episcopal Church were hostesses at the annual picnic supper which was given at the home of Mr. and Mrs. H. Ripley on Crystal Lake recently.

Those attending were: the Rev. and Mrs. H. L. Zimmerman, Mr. and Mrs. Fred Dyon, Mr. and Mrs. G. D. Bishop Jr., Mr. and Mrs. Gordon Bradley, Mr. and Mrs. Henry Tamm, Mr. and Mrs. Fred McMurray, Mr. and Mrs. L. Johnson, Mrs. H. J. Brown, Miss Carol Stone, Mrs. Willis DeBrie, Mr. and Mrs. Charles Vodopich, Mr. and Mrs. Ralph Wright, Mrs. Ava Davis, and Mr. and Mrs. Ripley.

Court Of Honor Planned By Scouts

Boy Scout Troop 345 of the First Presbyterian Church met in the Boy Scout room yesterday with Sidney Vihlen Jr. leading in the opening ceremonies. Plans were made for the court of honor scheduled for Aug. 1 to 3.

Discussion was held concerning the camping trip to Juniper Springs. It was decided to hold the trip from Aug. 7 through the 9.

Dues were collected and after a short business meeting the group was dismissed to go outside where the players were playing tennis.

The Scoutmaster's benediction around the camp fire concluded the meeting.

Bible Class Has Fish Fry

The R. W. Ware Bible Class of the First Methodist Church held its annual chicken fry at the Seminole Camp on Wekiva River last Tuesday.

Fishing, boating and various activities were enjoyed by the members and guests.

W. W. Tyre, president, held a short business meeting following the delicious and bountiful meal.

Those present were: Mr. and Mrs. R. W. Ware, Mr. and Mrs. W. W. Tyre, Mr. and Mrs. R. Hutchison, Mr. and Mrs. Jack Burney, Mr. and Mrs. L. T. Shepard, Mr. and Mrs. J. P. Hales, Harold Pate, Harry Bates, Roy Wall, Mr. and Mrs. W. A. Hunter, Mrs. J. F. Hiler, Mrs. L. H. Harvey, Miss Ethel Hiler, "Butch" Hiler, Mrs. Mary McKinney and Sandra, Mrs. R. T. Warren and guests, and Miss Ella Bolton.

Sportsmen Group Hosts At Pilau

Mr. and Mrs. James S. Ekrin, Mrs. Robert Z. Johnson, and Mrs. R. Z. Johnson Jr. accompanied Mr. and Mrs. L. L. Jacobs of Deland to Wildwood Friday night where they enjoyed a chicken pilau dinner as guests of the Pilau County Sportsmen Association.

Mr. Jacobs as master of ceremonies introduced officers of the Florida Wildlife Federation and employees of the Game and Fresh Water Commission. Other distinguished guests were also introduced.

Geneva News

Mrs. T. W. Prevatt and children Valleen and Carlton, and Layline Stone visited Mrs. Prevatt's sister, Mrs. G. A. Durance and sons Guy and Gary in New Smyrna, Wednesday.

Mr. and Mrs. Lewis Brademeyer had as their recent guests, Mr. and Mrs. Jessie Chapin of Dayton, Ohio.

Mr. and Mrs. Paul Maxwell and daughters, Ruth and Suzanne spent Sunday afternoon at New Smyrna Beach.

J. D. Stone left Monday for Methodist Youth Camp in Leeburg for a week.

Mr. and Mrs. E. H. Grant had as their guests recently Mrs. Grant's son-in-law and daughter, Mr. and Mrs. George Edwards of Jacksonville.

Mrs. W. M. Torres and children Charles and Carlo Sue of Havana, Cuba are spending a month with Mrs. Torres' brother-in-law and sister, Mr. and Mrs. Lester Brown, and her parents, Mr. and Mrs. C. F. Harrison.

Mr. and Mrs. Frank Pitts of Mount Dora spent Tuesday visiting Mrs. Pitts' brother and sister-in-law, Mr. and Mrs. E. H. Grant.

Lake Monroe

Mr. and Mrs. D. C. Stavey announced the birth of a daughter Tuesday at the Perinatal Lighthouse Memorial Hospital in Sanford.

Mrs. Ed Ogelsby, Mr. and Mrs. Jack Mann and sons, Robert and Gary, Mrs. Eva Mollis and sons, and Mrs. Mamm were the guests of Mr. and Mrs. Austin Ogelsby in Flagler Beach Thursday.

Mr. and Mrs. H. Z. Dunn had as their guests Sunday, Mr. and Mrs. Walter Hendrix and children of Oklawaha.

Pat and Mrs. P. H. Priebe of Daytona Beach are spending their vacation with their grandmother, Mrs. Emma Priebe. They are also attending the Duke Vacation Bible School at the Lake Monroe Baptist Church.

Mrs. Charles Warren returned this week from visiting relatives in Jacksonville.

Charles Bowlin of Detroit is visiting here with his wife and baby daughter.

Miss Joyce Taylor is visiting her grandmother, Mrs. Dinnie Warren here.

Mr. and Mrs. K. G. Soderblom had as their dinner guests Monday evening, Mr. and Mrs. R. E. Soderblom and children, Donald Ray and Linda Gail, of Elder Springs.

Bride-Elect Given Party

Miss Mary Helen Fite, August bride-elect of H. George Frank Bohman, was feted with a Coca Cola party Saturday morning given by Miss Niece Kirchhoff and Miss Mary Ann Callaway at the Kirchhoff home on East Second Street.

Roses, zinnias, and hibiscus were used in profusion throughout the rooms.

Miss Fite was presented with a gift of her china.

Refreshments were served to the following: the Misses Anna Corley, Margaret Dingfelder, Donna Lou Harper, Joanne Williams, Shirley Moreland, Barbara Chapman, Winona Miller, Arlene Jacobson, Carolyn Patrick, Carol Line Melonis, and Ann Lovell.

Also the Misses J. M. Cameron, Joe Corley, Robert Frisch, Harold Chapman, Stanley Rocky, Robert Melonis of Orlando, W. A. Adams, Tyler DeLaney of Jacksonville, Wallace Tyre, Halsey Brain, John Mesch, Wayne Rucker, W. A. Leffer, Hugh Duncan, Raymond Ball and F. T. Menzies.

Also the Misses J. M. Cameron, Walter Steele, Betty Sloan, Herman Brown, Harold Appleby, Ben Ayson, Donald Jones, Cullen Wright, Spencer Harlow and P. T. Tyre.

Elizabeth Hayes Feted On Birthday

Young Miss Elizabeth Faye Hayes, daughter of Mr. and Mrs. Charles Hayes, was honored last week on her sixth birthday with a party given by her mother who was assisted by Miss Pat Walker and Miss Nancy Robb.

The guests gathered at the home of Mrs. Hayes where they enjoyed games and contests with prizes being won by Miss Judy Robb, Paul Keith, and David Lowe.

All the conclusion of the party hour, the guests sang "Happy Birthday" to the honoree who then opened her many gifts.

Refreshments consisting of ice cream, cake, and a beverage were served by Miss Robb and Miss Walker.

The young guests enjoying the afternoon were: Judy and Sally Robb, Rev. Mar Wright, Gail Everage, Brenda Benton, Penny Pulver, Pat Spear, Paula Sumner, Bonnie Alford, Dottie Benton, Mary Lynn Thomas, Patty Benton, Junior Spear, Richard Sumner, Gill Benton, David Lowe, Dominic Hayes, Paul Keith, Aaron Keith, Jenny Goff, Gene Ballard, David Brown, and Glenn Gillyard.

Happy Birthday

Neil Stothoff, David White, Mrs. Lennie Gudwin, Alice Tyre, Thomas A. Cobb Sr.

G. L.'s are at a bus in combating Gargantuan "Invasions From Mars" in the new Twentieth Century Fox color adventure at the Ritz Theatre. Helen Carter, Arthur Franz and Jimmy Hunt star. Now playing at the Ritz Theatre.

Girls' Auxiliary Of First Baptist Church Holds Meet

The Intermediate Girls' Auxiliary of the First Baptist Church met in the Educational building on Thursday afternoon at 4:00 o'clock.

Janita Wayne led the group in giving the G. A. watchword and pledge. An interesting stewardship program was given and all girls participated in a question and answer period.

Five girls are to attend the Tampa Bay G. A. Camp to be held this week.

Mrs. C. W. Little announced that a rally is to be held in the Holy Hill Baptist Church on Tuesday.

Refreshments of hot dogs, cake, and punch were served to the following: Patricia Sykes, Hilda Erle, Laura Anderson, Frances Crump, Janita Wayne, Eva Jo Wayne, Marian Travis and coadjutor, Mrs. C. W. Little.

Birthday Party

E. D. Herring of Osteen was honored yesterday with a party given on his 26th birthday. The honoree received numerous gifts given by his many friends. The Rev. J. J. Little was the guest speaker at the party.

Ted Weems Band To Play At NAAS

Ted Weems and his orchestra will be featured at a stationery luncheon to be held Thursday from 1:00 p.m. until midnight according to information contained in the latest Sanfords publication at the Sanford Naval Auxiliary Air Station.

Although the dance was originally scheduled to be held in the outdoor patio atmosphere of the officers' tennis court, circumstances have made it necessary to change the site to the Chief Petty Officers' Club.

Admission to the dance will be free to all military personnel, who will be permitted to bring one civilian guest. An ID Card shown by a Navy man and his one guest, treated with Ted Weems Orchestra will be Glen West, vocalist; Bonnie Ann Shaw, vocalist; whistler and dancer, and Ray Sillencer, balladeer.

An extra added attraction will be the hilarious Red Ingle comedy show and variety show developed by his extensive musical knowledge in creating humorous original interpretations of well-known melodies.

The submerged Mid Pacific line, between Wake and Hawaii, has volcanic peaks 11,000 feet high.

Area Rent Director Closes Office Here

Area Rent Director W. R. Williams closed up his Florida office and transferred the official files to the General Services Administration in Atlanta for temporary storage of the rental unit, including the apartment or room number, when such units are involved.

Upon receipt of such information, he will request the custodian to "flag" the pertinent file so that it can be readily identified. Little rents or their attorneys should act promptly as otherwise the files may not be available.

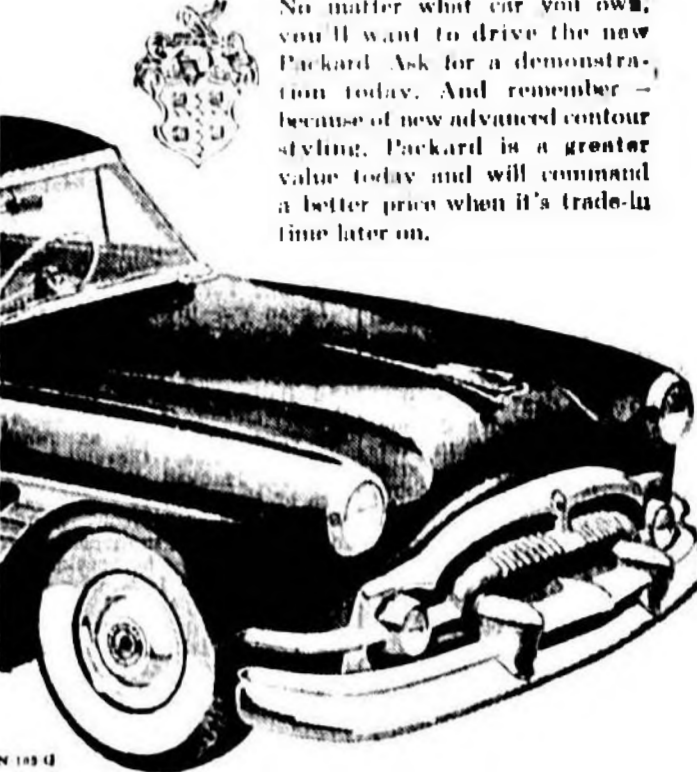

Mr. Lowrey cautions, however, that federal rent control will continue in effect in this area until July 31.

Some arising under the Housing and Rent Act of 1941 as amended should immediately notify him at 307 Georgia Savings Bank Building, Atlanta, of the exact address of the rental unit, including the apartment or room number, when such units are involved.

Mr. Lowrey cautions, however, that federal rent control will continue in effect in this area until July 31.

Palmieri Fans 11, Four-Hits Daytona As Sanford Cardinals Win, 7-4

Bill Batty Clouts 3rd Home Run; Birds Play In Leesburg Tonight

By KENT CHELAIN
"Ernest Emler" Palmieri poured more salt into the gaping Daytona fan's mouth today as he pitched just five to pace Sanford to a 7-4 victory over the visiting Islanders in the Memorial Stadium.

It was the fifth consecutive defeat for the once invincible Lets and their eighth setback in their last 10 outings. While Palmieri was chalking up his 14th success of the year against eight defeats, Sanford was winning its 15th game in the last 20.

It was a particularly good night for Sanford and its diamond followers. Tony Helton, flashy Daytona second sacker had his 21 game hitting streak snapped as he fanned twice and walked two times. Sanford now has won all of its games against the once mighty Lets here in the Memorial Stadium with the exception of last two games, however, has more than matched that pace by annexing every contest from Sanford in timely-like fashion.

Tonight, the Sanford Cardinals baseball machine invaded the confines of beautiful Venetian Gardens to open a two-game series with the last place Leesburg Lakers.

Manager J. C. Dunn will probably start his ace right-hander Jim Flannigan for this evening's fray, since Clarence Ingram is temporarily shelved with a sore arm.

Bill Batty, Huck Pardue, Flannigan, the 19-year-old rookie from Tucker, Ga., will carry a 4-1 record into this evening's entanglement. He will be called upon to pitch the first game of the year after having hurled a fifty-two-hitter at the expense of the seventh-place Lakeland Flots last Friday night before 2,135 paid customers at the Memorial Stadium on Merchants Night.

It was the combination of a blazing fast ball, sinker and a timely curve that was breaking which made Palmieri an effective agent against the Florida State League's only 300 hitting club last night.

Charmie success Tom Leonard, Palmieri's control is aptly illustrated when he first let to face him in order and twisted no-hit ball until Huck Pardue led off the fifth with a tremendous double over the center field fence.

The 19-year-old native of Elmhurst Long Island collected 10 hits in 20 times at bat last week (a four-point pickup) to dead-end tied second round of the St. Louis Cardinals for the lead, each with 33. Schindler was on the injured list with a gashed eye and a pulled abdominal muscle.

The Dodgers' Carl Furillo is third at 32 followed by teammate Jackie Robinson and the Giants' Hank Thompson, in a dead-end for fourth at 32.

The other New York player among the elite is Whitely Lockman. He's in a seventh place tie with Chicago's Frankie Baumholtz, with 317 apiece. Duke Snider of Brooklyn is ninth at 313.

In the American League, George Kell of the Boston Red Sox continues to set the pace, although he battled a mild slump last week. The hard-hitting third sacker dropped two points to 138 with only five hits in 33 trips.

Washington's Mickey Vernon gained seven points with 11 for 37 and cruised into second place with 133 average. Billy Goodman of Boston is third with 328.

All seven of the Cleveland Indians leads the junior circuit in home runs with 36 and runs batted in. Eddie Mueser of the Milwaukee Braves tops the National League in home runs with 33. Roy Campanella of Brooklyn has driven in the most runs, 69.

Frankie Robinson, Cincinnati relief pitcher, is the nominal pitching leader in the National League with a 2.00 record and Frank Shea of the Washington Senators, with 1.90 in the American.

The Sports Register

Ernie Palmieri Wins 11th From Daytona

Card Attendance Runs 15% Higher Than Last Year

With the season's record 2,135 admissions flocking to the Memorial Stadium last Friday night for Merchants Night, the Sanford Cardinals paid attendance hit the 31,401 mark for the first 47 home games to keep about 15 percent ahead of last year's gate pace.

In those first 47 games, Sanford has averaged 679 paid admissions nightly as compared to 591 last year. The Cards need to draw 9,950 fans in their remaining 10 home games to crack last year's Seminole Blue final total of 39,350 admissions.

By averaging only 368 paid customers from now on until the season ends, the Redbirds can break last year's record. At the present projected pace, Sanford will draw 13,350 fans through the Memorial Stadium turnstiles, or 5,190 more paid admissions than last season.

The total attendance for this year's Cardinals has hit the 30,530 point. By breaking last year's gate record at the Memorial Stadium, it will mark the second full attendance.

Utilizing the ultra-modern facilities of the Memorial Stadium for the first time last year, Sanford Giant totals catapulting from 19,289 to 39,350 paid.

Here are the Sanford attendance totals for this year and the last three years.

Table with columns: Year, Paid, Total. Rows for 1951, 1952, 1953, and Three Year Totals.

"Perfex" Setting Pace At VCKC
DAYTONA BEACH (Special)—Glen Chamberlain, who has raced such popular favorites as Sun Shy, Sun Master and Sun Song at the Volusia County Kennel Club in recent years, once again is sporting an impressive young greyhound at the VCKC.

That would be Perfex, who promises to be a familiar figure around this and other dog tracks for several seasons to come. In his first start, Perfex finished in the money nine times, picking up three wins, three seconds and three thirds.

The two-year-old Happy Son pup went on a hot streak recently that didn't cool until he ran up against Squad Leader, Marching King and company in the "hot box" affair. And then it took collision on the first turn to put Perfex out of the running.

An extremely fast breaker, Perfex has a tendency to swing wide on the turns, but this habit has been less obvious in his last few trips.

It appears that all the Chamberlain pouce needs is a little more experience and he will make even his most famous rivals flinch a step to beat him to the finish line.

Top Filly
WILMINGTON, Del. —Grecian Queen is well on her way to the championship of the three-year old filly division. She won the Coaching Club American Oaks, the Gazelle and the New Castle in succession. The last mentioned is the world's richest race for fillies and mares. The Queen's earnings over a two-year period total \$28,025, of which \$174,175 were secured this year.

Sanford Legion Plays St. Pete

Sanford's "White Kids" high-flying Campbell-Lossing American Legion Post No. 53 Junior Legion baseball contingent is now engaged in its most grueling test of the season—the State Area Tournament in Clearwater. With this band of 10 youngsters and Manager Al McMillan go all the hopes of Sanford fans for a state championship and possible National championship.

After passing the first step in their quest for a state and national title—the Sixth District tourney at Orlando—in brilliant fashion, Sanford is now faced with their initial intersection test in Florida. This morning the Junior Legion battled St. Petersburg in their opening game. Even a loss would not eliminate the Luc while still winning out. Two losses are necessary to be thrust out of the meet.

Only one team survives this Area tournament this week to advance and play in the state championship finals with the winners of the three other Areas. The four Area champs will converge on that tiny little baseball hamlet of Wauchula, located south of Lakeland, for the championship next month.

Now the winner of the State championship will advance to the national regional tourney to be held in some southwestern state to be designated later this month. Last year it was in North Carolina. The winner of the Regional will then play in the national championship finals at the colossal \$1,600,000 Miami Stadium from Sept. 1-5.

Rocky Mountain baseball center, Denver has outdrawn many major league teams at the gate during the last two years, averaging 450,000 paid admissions for their Class A Denver Bear games.

Postmaster Joel Field, past commander of the Campbell-Lossing Legion post and former two-time president of Sanford baseball clubs, sent a wire to Al Helfer, Gene Kirby and Dixey Dean last Friday afternoon during their "Game of the Day" broadcast emanating from Tulsa, Okla., informing the sportscasters of Sanford's Merchant Night game and the result. The Cardinals won the game in winning 14 straight games to annex the Sixth District championship in Orlando last week.

They read the telegram and George Barr, ex-National League umpire who conducts an arbiter's school at Longwood every year, was there to hear the news from Sanford. Barr conducted his school at the Sanford Navy Air Station before it was re-activated two years ago.

The Sanford Cardinals will not break any home run records like the Blue Bombers of Sanford last year, but the Redbirds have surpassed their Seminole Blue counterparts in several departments already. In the Junior Legion success in Florida, Sanford is in a new precedent for stolen bases this year. In the first 102 games, the Redbirds had stolen 195 sacks, just 18 short of the Florida State record of 213 set by the Gainesville G-Men in 1937.

The Blues stole 41 in the league. In the last 102 games, the Cardinals had stolen 13 to lead the club in 1952. The Cards have six players above that figure and one departed player who amassed 16. Manager J. C. Dunn and Bill Batty had 30 before last night's game. Tommy Leonard has 27, Jim Lewis, 21, Bill Silverthorn 19 and Tony Barone 14. In the earlier this year. The Cardinals will go down in the books as the greatest theft machine in the annals of State League history.

In other departments, the Cards have the individual leadership in double plays over last year's Blues. Bill Silverthorn in 24 two-buggers represent two more than last year's leader, Chuck Allen. Dunn and Batty with eight triples apiece have two more than Frank Smith's leading total for 1952. "Whoo!" Leonard has the most home runs in the league, 33, exclusive of last night's game. This year's Redbirds will be long remembered we have a feeling, despite the fact they didn't cup a pennant.

In spite of Sanford's fifth place finish last year and the current fifth place ranking in the second half, the Cards are going better than 600 ball for the season with an overall record of 41-60.

Florida Fish Commission Accepts Resignation Of Biologist Dequine
TALLAHASSEE (A)—A resignation handed in by Chief Fisheries Biologist John F. Dequine the day the controversial controlled seining program was approved by the State Game and Fresh Water Fish Commission.

Commission Director Charles F. Pace said action on the resignation, which is effective Sept. 20, was delayed because the commission met at Orlando last week. It was not announced until yesterday.

In a letter of resignation dated June 24, Dequine said he is quitting his \$2,000 a year job "for personal reasons."

The controlled seining program was abolished abruptly June 24 by Gov. McCarty's newly appointed game and fish commissioners. The program was approved by the commission in 1948. To date the number of game fish available for sports fishermen.

The program was financed with revenue gained by selling game fish taken in seining to participating commercial fishermen for resale. The experiment was undertaken to determine if seining out predatory and rough fish would benefit the game fish population. Game fish taken in the nets at the same time were sold.

Supporters of the plan—few in number compared with opponents—said game fishing had improved since Lake Okechobee since the controlled seining program had been instituted. Dequine, who directed the seining program, has been with the commission since 1948. To date the number of game fish available for sports fishermen.

Ted Williams Returns To Bosox

WASHINGTON (A)—Today, for the second time in eight years, the Marine Corps releases Ted Williams from active duty.

The 34-year-old jet pilot planned to return to Boston immediately to join the Red Sox if the Boston management wants it that way. Williams could play in tonight's game against Chicago, although he says he is not in condition.

Williams, who is a captain in the Marine Corps' volunteer reserve, was called up May 21, 1952, and sent to Korea. He flew 29 missions before an ear and nose ailment sent him into the sidelines.

Doctors at the naval hospital in suburban Bethesda, Md., put him through a treatment program and yesterday gave him a clean bill of health. That freed him for immediate separation from active duty, although his term of duty normally would not expire until Oct. 1.

It usually takes days or even weeks for the separation formalities to be completed. In Williams' case, it is taking less than 24 hours.

Asked whether he thought his ailment would interfere with his playing, Williams said, "I guess I can't hear as well as I used to, but I don't think that'll bother my ball playing."

Williams scoffed at published stories that he will be back in the Red Sox lineup by such and such a date. He said that personally he has no idea when he'll play.

"I'm stiff," he said, "I haven't swung a bat in nearly two years. I don't want to be in there and hurt the club because I'm not ready."

But he made it quite clear he wants to get back in action—and soon. He's looking forward to quite a few seasons of big league ball.

Mathews One HR Off Ruth's Pace
MILWAUKEE (A)—Eddie Mathews, Milwaukee's slugger third baseman, was only one hour shy behind Babe Ruth's record-breaking pace of 1927 today.

Mathews blasted his 31st and 32nd circuit blows of the year last night against the New York Giants in his 96th game. When the Hamilton hit his 60, he walloped his 32nd and 33rd in his 95th contest.

However, Eddie gets an extra game in which to add to his total, as the Braves were involved in a tie with the Giants, the one played off last night.

Nears Homer Mark
By The Associated Press
John Davis, 6-foot 3-inch 217-pound outfielder for the Ft. Lauderdale Lions, appears a cinch to set a new home run record for the Florida International League this season.

Big John slammed his 28th round tripper of the season at West Palm Beach last night to give the league-leading Lions a 5-1 victory over the Indians. Davis is now six short of tying the league record of 34 homers set in 1947 by Ned Harris of West Palm Beach.

Seagoing Deer
GLACE BAY (A)—Nova Scotia deer are almost as fond of the ocean as they are of the woods. Fisherman Bill Ford roped a swimming deer far offshore and hauled it to dry land to be released. Another fisherman noticed a deer taking a leisurely swim two miles at sea.

Ray Britt Hurls No-Hitter Over Cocoa For Jax

By The Associated Press
Ray Britt, Jacksonville Beach Sea Bird right-hander, pitched a no-hit, no-run game at Jacksonville Beach Stadium last night against the Cocoa Indians as 438 Florida State League fans perched on the edges of their seats.

Britt struck out five Indians and walked one as his teammates generated seven hits off Bill Leitch for a 4-0 victory which put the Sea Birds a game and a half behind the third-place Indians.

The Sea Birds scored their first run in the third, put two across in the fourth and the final tally in the seventh. Two Indians reached first base—Bama Rowell on an infield error and Domingo Velaz on Britt's only walk.

Orlando split a doubleheader with Lakeland, taking the first 1-0 and the 2-10 pitching of Vince Arena, but dropping the nightcap 10-4. At Deland the league-leading Red Hatters won a clean bill of four games by downing Leesburg 7-4. The game was played under protest from the eighth inning after umpire John Elex ruled a ground rule double was hit by Chico Fundera of Leesburg with the bases loaded.

At Sanford the Cardinals beat the Daytona Beach Islanders 7-4 behind the pitching of Ernie Palmieri, who fanned 11.

It usually takes days or even weeks for the separation formalities to be completed. In Williams' case, it is taking less than 24 hours.

Asked whether he thought his ailment would interfere with his playing, Williams said, "I guess I can't hear as well as I used to, but I don't think that'll bother my ball playing."

Williams scoffed at published stories that he will be back in the Red Sox lineup by such and such a date. He said that personally he has no idea when he'll play.

But he made it quite clear he wants to get back in action—and soon. He's looking forward to quite a few seasons of big league ball.

Johnson Is Left At Home Plate
COLUMBUS, O. —Billy Johnson, former infielder for the Yankees and Cardinals, is now doing his chores as player-catcher for the Columbus Red Birds of the American Association. In a recent contest he came to bat eight times—four of them counted. On two occasions Johnson was at bat as teammates were retired on attempted steals. Since the foiled steals made the third out, Johnson became the lead off man the following innings.

Communists Charge Allies With 8 Truce Violations

Sometime
Jay Beck, whose knowledge of this area and his ability to relate in an interesting style the old happenings, was recently honored by the University of Florida as one of the great old-time graduates. Jay attended the East Florida Seminary, the forerunner of the present university, from 1901 to 1904. In December of the year he graduated came the first of two "Big Freezes" which killed the citrus fruit on the trees. Two months later came the second "Big Freeze" which killed the trees and in so doing wiped out nearly 90 percent of the citrus in connection with the University of Florida. Mr. Beck stated that several private schools in various parts of Florida have in existence 100 years ago. The one in Ocala became the East Florida Seminary in 1851. In 1868 the Seminary was moved to Gainesville near the present White House Hotel. The school was educational and in 1881 became military in nature. The large Seminary hall was dedicated to the University of Florida today as a part of the First Methodist Church in downtown Gainesville.

Health Officials Advocate Sewage Treatment Plant

Reports from the state and local health departments, which last night were turned over at a general city commission meeting to the fiscal agent in the proposed water and sewer program, stipulate that a sewage treatment plant should be included in the plan. The report from the federal agency, signed by Paul W. Hill, chief engineer, who recommended an outfall in Lake Monroe to discharge raw sanitary sewage. Dr. Wolman has not indicated how he expects the sewage disposal and their possible concentration along the lake shore of the proposed outfall. The report states: "No mention has been made of the fact that the outfall of the untreated sewage into the lake would be a health hazard to the people in the lake." Dr. Wolman has not indicated how he expects the sewage disposal and their possible concentration along the lake shore of the proposed outfall. The report states: "No mention has been made of the fact that the outfall of the untreated sewage into the lake would be a health hazard to the people in the lake."

Florida Old Folk Will Find \$3 Cut In September Checks

TALLAHASSEE (AP)—Some 15,000 Florida old folk will find a \$3 reduction in their September old age assistance checks. State Welfare Board Chairman Charles O. Andrews told the Cabinet the cut was necessary because the welfare appropriation wouldn't stretch to cover the maximum authorized by the 1953 Legislature. Oldsters entitled to maximum benefits received some cut for July and will get the August because checks already have been processed for mailing. There are over 65,000 old age pensioners on the welfare rolls, but not all draw maximum benefits. Those who do not receive the maximum will not be affected by the cutback. The reduction means the legislature in effect only approved maximum payments by \$2 instead of \$5 as expected to do.

Chairman of House and Senate appropriations committees said they had expected the appropriation to be sufficient to meet the payments on the basis of figures presented by the welfare board. However, House Appropriations Committee Chairman James Moynihan said in a letter to the welfare officials that \$50 was just an estimate.

Fiscal Agents Urge Higher Water Rates

Recommendation was made last night to the City Commission that local water rates should be raised in order to provide sufficient funds for the construction of the proposed water and sewer improvement program. Carl Nelson of Sullivan, Nelson and Gross, Inc., Palm Beach, fiscal agent for the City in the project, told the Commission the City is selling water at a loss to its largest users and named federal housing and the Navy Auxiliary Air Station as prime examples. The representative of the fiscal agent presented three programs in which rejuvenation of the sewer system would be paid for by a new sewer service charge, which would be based on individual water rates. No action was taken by the Commission in the matter as additional programs were requested and the governing body also wanted more time to study the agent's proposal.

Biggest Money Bill Heads For Quick Congress Action

WASHINGTON (AP)—Congressional leaders driving for adjustment this weekend looked for quick approval in the House and Senate today of the biggest money bill of the session, a defense budget of \$34,371,511,000. The figure was a compromise reached late yesterday by a Senate House conference committee which ironed out some 50 differences in versions of the bill passed earlier by the two branches. The group accomplished the rare congressional feat of agreeing to a total that was about 62% million dollars below that originally voted by the House and nearly 400 million above that originally voted by the Senate.

Jones, Bisbee Pace Sanford Legion To 8-1 Victory

CLEARWATER (AP)—Sanford knocked Vera Beach out of the American Legion junior baseball area tournament today 8-1. John Jones and Arthur B. Jones led an eight-hit attack on Vera Beach pitchers, Jones hit a double and single in three times at bat and Arthur Jones a home run with one on base.

THE KOREAN truce has come too late to save him, but Capt. Hugh Smith, 27, of New York, a patient at Walter Reed Hospital in Washington, D.C., gives a review of his experience in the Korean War.

Accusations Made At Second Meeting Of Joint Korean Armistice Commission

GEN. MARK CLARK DENIES TOKYO (AP)—Gen. Mark Clark, U.S. and Far East commander, left today for the United States. As he boarded a plane he told armistice officials: "We haven't violated the armistice as far as I know."

By SAM SUMMERLIN
MUNSEAN (AP)—The Communists today charged the Allies with eight violations of the truce. The Allies made the charges in a second meeting of the Joint Korean Armistice Commission. The Communists charged that the Allies had violated the truce by: 1. Firing machine gun bullets into the air after the cease-fire became effective. 2. Firing machine gun bullets into the air after the cease-fire became effective. 3. Firing machine gun bullets into the air after the cease-fire became effective.

County Board Passes Budget For Next Year

The Seminole County commission passed the 1954 budget today for a total estimated expenditure of \$600,000. The budget was passed by a 4-2 vote. The budget for the proposed new county hospital has not yet been validated. The Commission voted in a three-hour session on property taxes for that purpose on an emergency vote of all five commissioners. The commission also approved a one mill increase on taxes for the road and bridge fund over the existing vote of Commissioner John W. Meisen, who maintained that the increase was not needed since the county will receive increased receipts from the new log truck law and \$1,000 more in railroad taxes.

Seminole Misses Out On Florida Mental Hospital

A Seminole County delegation was absent yesterday from a legislative session at Tallahassee in which four other counties voted in the formation of a proposed \$10 million state mental hospital. Extensive plans for a presentation by a joint delegation to the State Cabinet suddenly were canceled when Hilda H. Fagaberry withdrew an offer for the contribution of 200 acres of land in Casselberry as a site for the proposed institution.

Mother, Daughter Present Kiwanis Club Program

Miss J. L. Lee and her daughter Betty Allison, presented the program of today's meeting of the Kiwanis Club. Miss Lee gave a colorful reading which brought to life the life of a young girl who had lost her mother. The program was presented by the Kiwanis Club of Sanford.

Radio Is Shifted

The two-way radio taken out of Constable J. Q. "Slim" Gault's car by Seminole County Commissioners will be installed in the car of a deputy sheriff in Ocala. It was agreed upon by the County Commissioners at the Court House yesterday. The radio will work through the Sheriff's office. Sheriff J. L. Hobbs had not appointed a deputy Sheriff for Ocala as yet.

Lot Released

China's lot, 500 by 300 feet on West Park Street, which was owned by the late Mrs. J. L. Hobbs, has been released to the city. The lot was owned by the late Mrs. J. L. Hobbs, who died in 1951. The lot was released to the city by the County Commission.

Negro Jailed For Purse Snatching

A 26-year-old Georgetown Negro, Edward Brown Jr., confessed to stealing a purse containing \$350 from the C & C Liquor Store Monday night and throwing it into Lake Monroe off the handball pier, Sheriff J. L. Hobbs reported today. Brown admitted taking the purse belonging to Mrs. R. C. Russell, who was attending the store, last Monday evening. After an extensive search in which Brown was found, he was taken to jail. The purse in its original state was found.

Youth Group Meets

The Seminole County Youth Council, under the supervision of M. R. Strickland, chairman, will meet tonight at 8:00 o'clock at McKinley Hall of the First Methodist Church.

Rotary Club Sets For Visitation

A Rotary Club Assembly in preparation for the official visit of District Governor Malcolm R. Duggan of St. Petersburg scheduled for August 21 was held at the home of R. L. Perkins, St. 404 Magnolia, W. C. Holliston, Jr. Those present included R. L. Perkins, Jr., president of the local club; A. C. Stine, James Holtz, W. M. Haynes, Charles Morrison, W. C. Holliston, Jr., Jack Rutledge, J. L. Redding, Lowell Taylor, H. H. Coleman, J. V. Turner, William R. Bach, J. Best, and Homer A. Simpson.

Survey Renewed

The County Commission renewed its pact with the United States Geological Survey at yesterday's Commission meeting in the Court House. It was approved by the Commission last month, but was signed formally by Commission Chairman J. F. McClendon.
