SNAS' Gene Witzel Wins Sixth Naval District Championship

Gene Witsel, Chief Yeoman of Heavy Attack Squadron Eleven. has won the Sixth Naval District Open Golf Championship held at the Naval Air Station, Jacksonville. Witzel's score for the 72 hole tournament was 303. Second place honors were split between Ben Gennett, Aviation Structual Mechanic representing NAS Memphia, Tenn., and Ledr. Jim Kinder from NAS, Pensacola, Ens. Bruce Cadd, NS, Clarksville, Tenn, held third place with a 305. Cudd was a member of the U. S. Walker Team in 1985.

Participating in the Sixth Naval District Championship Tournament were the top Navy golfers from Tonnessee, North and Bouth Carolina, Mississippi, Alabama, Georgia and Florida. The winners are playing this week at NAS, Memphis in the All-Eastern

If Gene Witzel is successful in the All-Eastern his next big hurdle will be the All-Navy Tournament followed by the All-Service Tournament. The winner of the ALL-NAVY Tourrament will receive a one week, all-expense paid, invitation to participate in the Bing Crosby Tournament next January in California.

Chief WITZEL, a career Navy man with over sixteen years naval service, was a former runnerup in the Sixth Naval District Championship. He has also won the Amateur Trophy in the aity championship at Key West, and captured the NAS, Key

TALK ABOUT ECONOMY...

Fords cost less to buy!

No doubt about it! Model for model, Ford cars are the lowest priced* of the low price three. And don't be fooled to those "low prices" now being quoted for some "wripped down" models in the medium-price field. Remember, a '37 Ford equipped the way most people want a car sulay-with automatic transmission, heater and radio-costs hundreds of dollars less than these medium priced cars, similarly equipped.

Fords cost less to run!

In the only nationally recognized test of gausline economy, the 1957 Mobilgas Economy Run, a Ford 513 delivered more miles per gallon than any other car entered! This, remember, was no "private test" conducted for the benefit of a single manufacturer. This was grueling competition between 12 different makes of care . . . supervised by the United States Auto Club. And when the test was over, Ford led all other cars in the thing you want most-actual males per colloid

Fords cost less to trade!

Latest official suction role figures on med care there clearly that the new kind of Ford examined a higher price than either of its two low priced competitions. The men who had at these auctions are professional buyers-men whose very livelihood depends upon their expert knowledge of cars.
