### Altamonte Girl Victim Of Rape

An 18-year-old Altamonte Springs woman was raped at her home early Sunday by a man who broke into the sleeping woman's house and awakened her by placing a knife to her throat.

County Detective Johnny Wright reported the woman, who lives in a duplex apartment with her sister, was alone in the house when a man described as black, 245-250 pounds and over six feet tall, entered and assaulted her.

> According to Detective Wright's report, the man told the victim he had been watching her for sometime and promised he would be back. The woman was removed to Florida Hospital and later transferred to Seminole Memorial Hospital where

In other activity: Vandals tore down eight mail boxes and paper boxes on SR 434 early Friday between 2 a.m. and 5 a.m. and left them in the middle of the road. An outboard motor was reported missing off a boat in the yard of R. S. Palmer, 1612 South Bear Lake

a doctor, upon examination, confirmed the report.

Road. It was valued at \$550. C & F Equipment Company, SR 46 and Beardal! Avenue, east of Sanford was broken into, Entry W.s. gained at the back of the building through a bathroom window. A tool box and tools valued at \$250, PTO bearing valued at \$25 and a hydraulic pump.

valued at \$100, were reported missing. The Seminole County food stamp office was reported broken into but, according to authorities, nothing was missing.

Robert Williams, whose cows have been getting out along Highway 17-92 recently, reported that someone had cut the fence again Thursday night.

irecus with the American dollar may be a reastly before this decade is over. Finally, the Common Market now feels mature

There is ample reason for the confidence, When the Market is expanded to 10 nations, it will represent economically a population larger than that of the United States - 250 million persons compared to

reserves are \$26 billion compared with \$17.8 billion action would be to withdraw American troops from for the United States. Also, the enlarged Common Europe. Market would be able to move its goods on 78.5 milnon tons of its own shipping compared with only 19.5 to general isolationism as a prospect.

Many or all of these actions would be wrong. The

ing the economic dimensions of the United States itself - mostly through its own initiatives but in part because of the declining productivity of the United

political, social, scientific and business unity that it has failed to achieve through centuries of wars. The unity is exactly what the United States envisioned for the Western European nations at the conclusion of World War H. It is, in the last analy-

i lisk of appearing paranoli ... bout censu. ship, freedom of the press and all that sort of thing, we would venture that the Federal Communication Commission's vague threat about the "drug-oriented" lyrics of certain popular songs is misguided.

In a six-to-one ruling the agency said that a broadcast station "cannot properly follow a policy of playing such records without" someone in a management level position at least knowing what's in them. "It raises serious questions as to whether continued operation of the station is in the public interest." The ruling was aimed at lyrics "tending to promote or glorify the use of illegal drugs."

ieves contain more-or-less poetic references to drugs, then let it draft legislation precisely defining what people should, or should not, hear. If that is what the people want. — Charlotte (N. C.) News

#### Wrong Guess

In 1898, a popular writer predicted that because of the invention of the automobile cities of the future would be "almost as quiet as a country lane - all the crashes of horses' hoofs and rumbling of steel tires will be gone."

We hope that the present spate of doomslay forecasts will prove equally erroneous.

### Mr. and Mrs. Dennie E. Atkins Honored

Couple Observes Golden Anniversary

Mr. and Mrs. Dennie E. Atins celebrated their golden wedding anniversary at an open house reception given by members of the Church of Jesus Christ of Latter Day Saints in the Social Hall of the Church at 24th and Park Ave., Friday. April 2 from 7.30 to 9 p. m.

new and his wife, Mr. and Mrs. Roy Young, of Charleston, W. Va. and Bishop and Mrs. Julius Blackwelder, Mrs. Atkins were a gold and gray print dress with beige accessories and a dalsy corsage, a gift from Mr.

overlaid with a gold brocad cloth and centered with a beautifully decorated three-tiered wedding cake, topped with the numeral "50" in gold. Each tier was separated by angel columns with doves perched on the top and gold roses and leaves accented the fluffy white icing. The cake was baked and decorated by Mrs. Blackwelder.

Near the wedding cake was a sheet cake also decorated in the golden theme color with gold roses and green leaves. Pure orange fruit punch was served from a crystal punch bowl with

# Pathologist Ends

Pact At Hospital

Seminole Memorial Hospital trustees at Monday night's meeting voted to end its contract with Dr. Fred Ionata, hospital pathologist, in

The decision to terminate Ionata's contract came after a discussion over the amount of fees collected by the pathologist under the terms of a contract which started last Aug. 1 for a one-

> Dr. Ionata, in a letter to the hospital medical staff's executive committee, stated he was receiving 13.5 per cent of the gross charges in ender said that since the coun-February and added this was not enough,

> have received 22 per cent of the first \$15,000 and 10 Avenue it would be his recompercent of all income above \$20,000 a month. The trustees' action in ending lenata's contract came despite an effort by Dr John Johnson, hospital's medical staff head, who sought a compromise.

Gordon Frederick, hospital attorney, said he interpreted Dr. Ionata had resigned his position since in his letter to the board he had opined he did not want to be associated with the hospital. John Schirard Jr. moved to release the pathologist

to remove any doubt of the board's stand and this was

Sumptuous

# ...but it doesn't have the Gold Medallion.

The Ca'd Zan in Sarasota was once the sumptuous home of John Ringling. Today it's a fascinating museum visited by over half a million people a year. Within its Italian Renaissance walls are treasures like an Aeolian pipe organ, marble swimming pool and

gold fixtured bathrooms. Of course, if the Ca'd Zan were built today, it would have one more treasure: the Gold Medallion. For the Gold Medallion stands for the ultimate in Total Electric Living. And this is what everyone wantsfrom millionaire to working man. Discover

a renaissance, rich in the pleasures of electric living. Move to a Gold Medallion home or apartment.
