

ROVER won't recognize the 22 fire plugs in North Orlando now that Volunteer Fireman Bob Bailey has taken over the job of painting them yellow and dusting them with phosphorescent powder so that they glow when light hits them. Seriously, the project is being undertaken in order that the plugs can be quickly spotted should necessity for their use arise in fighting a fire.

SEEING THINGS? This is not trick photography, in the true sense. Charlie Blance is standing in a hole. Joe Blanco makes like he's holding only a "head." The twins, St. Petersburg Junior College students, work during the summers at Sunken Gardens . . . and were involved in building a waterfall when the photographer anapped this "gag" shot.

The former President kept of that argument, but told his news conference that he had said again and again that he supported Johnson in defending freedom and repelling Communist aggression in Viet Nam.

Richburg arranged for Porter and Marina to meet in his office. He said he left them alone for 20 minutes, locked up in his chambers. Then they die, they are mourned to reunite.

Helluva Business

Helluva Bu the truck was no differen than a snake bite. Fielder argued. So did crowd of neighbors which quickly gathered outside the Hamilton home, milling about the lawn, begging the parents to take the boy to the hos-

life," Mrs. Hamilton said. She gathered the boy in her arms, and walked into the house with him, gently laying him on a bed.

"Only force can make me give up the boy to a doctor," Hamilton said. Some-body called authorities. County Judge W. G. Haw-kins in Fort Payne, 25 miles from Kilpatrick, began pre-paring a court order. He was asked to do this by Richard funt, solicitor of DeKalb

County.

But before it could be delivered, the youngster died, clutching his mother's hand. She wept. So did her husband. The neighbors quietly left the yard.

"The possibility of preferring charges is very definitely being investigated," Hunt said. He did not say what the

charges might be. Solo Voyage Makes 'Sails' CLEVELAND (UPI) - Re bert Manry's sole veyage a-cross the Atlantic affected real estate prices in his suburban hometown in Willowick. A home for sale is advertis-

the space program isn't accurate and painstaking—look out, astronauts! ical error, see how clevely we have made our point? How Long Can It Last

Let's say you are making more ging feeling that if you keep on putmoney this year than ever before. (It's a happy thought, anyway.) If ever you have had it good, it's now. But to live the way you want to live, you are borrowing money and over fist.

The debts are piling up something awful, and every once in a while you have the horrible thought that may-be you should pull back a little and live within your income. Especially since you can remember the time you thought if you ever made this kind of dough you'd be laying away money like crazy.

But the people you think ought to know about such things tell you that I have learned, in whatever state I the only way to keep the economy going is to live it up, even if you have to spend more than you make. This is called deficit spending, getting out of any situation all that there is in it. — Gilbert K. Cheswhich sounds much nicer than say-ing you're up to your ears in debt. But somehow you have this nagterton, English author. Dick West's
