

More Than 500 Persons Assemble In Lake Mary To Hear County Candidates

Continued from Page Seven... The present State law which prohibits such distribution within 200 feet of the polls, agreed not to pass out any literature during the election day.

As speaker in behalf of Mark Wilcox, Mr. Witmer declared that he had made a number of trips to Washington in the past few years and that he had found Mr. Wilcox to be well liked in the capital.

Declaring that he was not a man of promises but a man of action, and pointing out some of his activities during his three terms as representative, as qualifications for elevation to the Senate seat, Mr. Witmer mentioned the support Mr. Wilcox had given the Social Security Act as showing his desire to assist in caring for persons in their declining years.

Mr. Brady, in speaking for Mr. Sholtz, declared that Sholtz in his campaign was not promising to do things he should have done while in office as was the case of the other two candidates.

Mr. Brady outlined accomplishments of Sholtz while Governor of the State, and declared that the people needed a duplication of this work in the United States Senate.

O. J. Pope, candidate for County Commissioner from District One, was the first of the candidates in this group to speak. He declared that he did not wish to make a speech but cited his slogan, "Vote for Pope and live happy ever after."

M. B. Smith also requested the support of the residents of Seminole County in his candidacy for the Commissioner seat, and was followed to the platform by D. L. Thrasher, seeking re-election in this district, who reiterated some of the accomplishments of the present Board. Declaring that he was running on a platform of merit for the services rendered during his two year term, he said it is his one ambition to be re-elected to the Board in order to render even greater service to the people of the County in which he said he has lived for the past 40 years.

F. A. Dyson, unopposed candidate in District Two, expressed appreciation for the support given him by the residents of the County two years ago and declared he would continue his best efforts in behalf of Seminole County.

W. R. Ballard, seeking re-election from District Three, told of the County's bond refunding program and the economical efforts of the Commission in operation of the County government in face of revenue reductions on a reduced

millage. He promised continued economies if re-elected.

Ross L. Huaparey, candidate for the Commission in District Three, stated that he had run for this office in the previous election and finished in third place. He asked support of residents of the County on May 3.

Advocating the advertisement of Seminole County, C. N. North, candidate in the same race, pointed out that at the present time there were even matters on the high seas leading into the County designating the boundaries. He pledged cooperation with other members of the Board in securing the greatest benefits for the County.

Candidates in District Four B. C. Dodd, J. E. Parlin, and W. R. Williams also requested support of voters and pledged to work for the best interests of the County.

Candidates for Commissioner from District Five, W. G. Kilbee and J. T. McLean also gave short talks. Mr. Kilbee, who is seeking re-election, told of accomplishments of the present Board and pledged continued support to measures for the interests of the County.

W. M. Tall, W. R. Dupree, and Samuel A. B. Wilkinson, speakers in behalf of their candidates for State Representative's Committee, U. W. Ebbel, president of the Lake Mary Chamber of Commerce, welcomed the visitors and the speakers to the meeting and the committee in charge of the meal.

Assisting in the arrangements were: E. W. Tomkinson, C. I. Jones, H. B. Fennell, E. W. Townsend and J. D. Evans.

W. D. Hoffman furnished his sound track to amplify the addresses of the speakers.

BREATHING SPELL for war-torn Europe may result from Italo-British agreement signed in Rome by England's ambassador, Lord Perth (white hair) and by Italy's foreign minister, Count Ciano (right). Agreement patched up British and Italy's African and Mediterranean quarrels and, some observers believe, may lead to a four or five-power peace line-up.

WORLD RECORD of 1:36 for mile was set by 280-lb Greyhound last fall. E. J. Baker, St. Charles, Ill., owns him. Trainer Ben Patis (above) thinks the gelding, now 270 pounds, will lower record.

Four counties: Flagler, Clay, Putnam and St. Johns, will combine to make the annual potato festival at Hastings on May 5, the largest in the history of this great potato-producing section of Florida. H. H. Bailey, member of the board of county commissioners, is general chairman of the committee in charge, and Don M. Harstow is general secretary.

United Front Of Workers Is Urged By Soviet Russia

Manifesto Asks Mass Demonstrations Against Aggressors On Labor's Holiday

New Anglo-French Peace Moves Made

30 Killed, 50 Injured In Rebel Air Attack On Barcelona

By Associated Press Moscow, on the eve of Labor's international holiday, prescribed for the world's illa while France and Britain concocted a salvo of compromise for Europe's sore spot—Czechoslovakia.

The Communist International, ussiling moderate labor leaders in Democratic countries, called on socialist and trade union internationalists to form "a united workers' front against Japanese, German and Italian aggression."

The manifesto by the International's executive committee urged mass demonstrations of workers, economic, political and other "strikes" and agitation for the withdrawal of German troops from Austria, Japanese from China and German and Italian from Spain.

Steps to be taken under the might alliance of France and Britain in their policies to avert a further European war included: a British approach to Germany to use her influence for modification of demands by Czechoslovakia; French pressure on Czechoslovakia to grant as many Nazi demands as possible without the sacrifice of national honor and independence; a conference of British and French diplomats with the Czechoslovakian government in an effort to complete a compromise between Prague and the 3,500,000 Sudetans led by Konrad Henlein.

Little Switzerland, precariously perched in the midst of nations talking peace but glaring for war, plopped a delicate question of neutrality in the League of Nations lap, a demand for freedom from obligations to help punish aggressor nations.

Bombs fell on Barcelona—the only outstanding development in otherwise bogged-down Spanish civil war.

Officials estimated 30 were killed and 50 injured in the last-mentioned attack.

In China, a Japanese force was reported to have occupied a village only five miles from the Lushan railway, the spinal column of the Chinese central front.

Italy's most prominent editorial spokesman, Virginia Gayda, upped the United States for "aggravating insults to Italy" and asked whether the American people were seeking "war" by such "offenses."

The authoritative editor's article, sharing front-page space with Il Giornale D'Italia with French recollections of preparations for Reichsfuhrer Hitler's visit May 2, was said by informed circles to reflect the growing Fascist irritation over "American criticism."

Gayda took particular exception to Representative Byron Scott's, Kellogg pact be identified as "aggressors."

\$124,000,000 Sought To Build Army Air Bases

May Asks Construction Of Five Bases; Alaska To Get One

WASHINGTON, Apr. 30.—(AP)—Chairman May (D-Ky) of the House Military Committee said today he had asked the House appropriations subcommittee to set aside \$124,000,000 of President Roosevelt's proposed new public works fund for construction of five major army air bases and improvement of existing army posts.

One of the new air bases would be located in Alaska, May said, and others would be established at strategic points in the United States proper.

May made the request while the movement developed within the subcommittee to appropriate funds directly rather than to the President.

That would end the system under which the relief money has been handed over to Mr. Roosevelt, who in turn has allocated it to the Works Progress Administration and other government bodies.

R. D. Baldwin Speaks At Shriners' Dinner

The foundations and aspirations of the Shrine Club were mentioned by the illustrious Pastmaster R. D. Baldwin in a short address at the dinner of the Shrine Club last night in the Valdes Hotel, according to Edward F. Lane, who introduced the entertainers for the evening.

Mr. Lane declared that attendance at the meeting was the largest since the re-organization of the club in Sanford. President George Weinstein presided over the meeting.

Frank Norris also of Jacksonville and Past Potentate of the Morocco Temple was introduced and told local Shriners of the plans being made for the Southeastern Convention of Shriners to be held in Jacksonville in September. A short talk was also given by Malcolm McCrory on the value of the Black Camel Fund for Shriners.

Local entertainers who were on the program for the evening were: Elaine Winn, Laurence Harold of Plant City, Nancy Rossetter and Mr. and Mrs. Evans McCoy.

Firemen Fight For 2 Hours To Put Out Fire

After extinguishing a great fire back of the Zachary Vasser Plant yesterday about noon, the Fire Department answered a call to the same place about 2:00 o'clock yesterday afternoon, Fire Chief Mack Cleveland said today.

The fire was burning fiercely, Chief Cleveland declared, adding that it took the Department well over two hours to extinguish the flames which spread over most of the territory between the Vasser Company and the highway.

Most of these great fires are set in defiance of a City ordinance requiring permission of the Fire Chief before setting such fires, Chief Cleveland stated.

Recession In Business Ended, Farley Declares

Postmaster General Defends New Deal In Whirlwind Trip

JACKSONVILLE, Apr. 30.—(AP)—Postmaster General James A. Farley, concluding a whirlwind swing through the South-east, said today "the business apical downward has been stopped."

He said he based his statement on the business of the Post Office Department which is regarded as a good barometer of the condition of business as a whole.

The April business of the department, he declared, will show a substantial increase over the same month of last year.

Farley came here from Tallahassee, where he spoke last night, and took a train for New York where he is to speak tonight.

In the past few days he has made a series of speeches, mostly at dedications of new post offices, in the Carolinas, Georgia, Alabama and Florida.

The Postmaster General and National Democratic Chairman, speaking at a breakfast gathering in Tallahassee yesterday, declared that, if the New Deal abandoned its recovery program "chaos" would result.

"I say without fear of contradiction that if the government took the advice of its critics and withdrew entirely from its present activities, the pile of chaos would come off fast that those self-same critics would be taking the first airplane to Washington to plead for Roosevelt's aid," he said.

Later Farley continued his defense of the New Deal in Tallahassee against charges of hostility to business.

He said it was "misconception" which "a partisan minority for its own selfish purposes has been trying to drive into the public consciousness."

"Far from endeavoring to cut off industrial profits," he said, "this administration has been at most moments, at all times, to set capital in obtaining a fair return in every legitimate way."

Farmers Ask No Limitation On Shipments

SCC Is Requested To Purchase 75 Cars Of Celery At \$1.10 For Coming Week

No restrictions on the shipment of Florida celery in interstate commerce for the coming week were recommended to the Secretary of Agriculture by members of the Control Committee last night.

In view of the adverse market conditions, committee members requested the Surplus Commodities Corporation to purchase 75 cars of the commodity this week at \$1.10 per crate.

According to information received late today, the SCC approved the purchase of 75 cars of celery of No. 2 grade or better at \$1.00 per crate.

A though shipments during the past two weeks have been light, demand for the product and market prices have fallen far below the expectations of the growers.

Members of the committee expressed belief that the heavy shipments to markets three weeks ago which skyrocketed track holdings at the terminal distribution points and the unseasonably warm weather which always results in a poor demand for the product, have been contributing factors in the downward trend of the prices and the poor demand.

The SCC was asked to purchase the 75 cars, in view of these factors, in order to facilitate a cleanup of all the holdovers in the terminal markets.

The bulk 241 cars estimated as available for shipment this week will be marketed from the Orlando meek lands where the quality of the celery is reported as "good" with estimated yields in 700 crates per acre.

Committee members asked for continuation of estimations for at least another week and the committee will meet in the usual places in the Mosch Building and in Sarasota next Friday.

May Day Parade Is Staged In New York

NEW YORK, Apr. 30.—(AP)—Led by veterans of the Abraham Lincoln brigade of the Spanish Loyalist army, New York's annual May Day parade moved through Manhattan—an uproar of shouted songs and slogans, blaring horns and slithering feet of thousands.

There was no suggestion of disorder but 250 mounted police and 1500 patrolmen on foot guarded the way.

Unapproved Methods Believed Blast Cause

WASHINGTON, Apr. 30.—(AP)—The Bureau of Mines said today that the use of "unapproved methods" in the firing of a blast was responsible for the Grunly, Va., mine disaster in which 45 lives were lost last week.

The Bureau in a preliminary report said the explosion was caused by what is termed a "bulldozing shot" for breaking up an accumulation of roof rock.

Large Crowd Turns Out For Political Candidates' Talks

Spencer, Sandefur, And Ayres Talk For Pepper, Sholtz And Wilcox Last Night

Speaking in favor of senatorial candidates at the political rally at the Court House last night were G. W. Spencer for Claude Pepper, Miss Mary Sandefur for Okechobee for Dave Sholtz, and Willard Ayres of Orlando for Mark Wilcox.

Mr. Spencer lauded Mr. Pepper's record and charged that Mr. Wilcox, and Mr. Sholtz were using the WPA as the background for political strategy.

Miss Sandefur reviewed Mr. Sholtz's record of public service and asserted he was the only real friend of the Townsend Pension Plan; and Mr. Ayres, taking issue with Mr. Spencer, declared WPA officials were spending taxpayers' money to put Mr. Pepper back in the United States Senate.

First of the speakers for the senatorial candidates, Mr. Spencer flayed the former governor's stand on the loan provision in the State pension law, insisting that Mr. Sholtz had signed the bill which places a lien on old person's homes who have found it necessary to seek old age assistance.

Mr. Spencer said that Senator Pepper had taken a definite position in favor of the Townsend Plan, occasionally known as House Resolution 1099, and that the Senator had declared that "I will vote for that bill even over the veto of the President."

Referring to what Mr. Wilcox had said here in his speech a few weeks ago about the Sugar Control Act, Mr. Spencer stated that Mr. Wilcox has been a member of the House for six years and has done nothing yet about the Sugar Control Act, whereas, he said, Mr. Pepper has been a member of the Senate only 14 months and already he has increased the sugar quota for Florida.

In reply to charges that Senator Pepper is a "rubberstamp," Mr. Spencer declared that Mr. Pepper ran on the Democratic platform as a member of the Democratic party and since going to Congress he has consistently voted for that platform—and that's what you sent him there to do.

Miss Sandefur, who claims the distinction of being the youngest active worker for Mr. Sholtz, was the second speaker of the evening for the senatorial candidates.

As one of the organizers of the Townsend Club in this State, Miss Sandefur devoted most of her time to explaining former Governor Sholtz's stand on the plan.

Miss Sandefur explained the purposes of the Townsend Recovery Act. There are three main purposes, she said. These are outlined as (1) To put more money in circulation. (2) To provide security for old persons. (3) To provide more jobs for young people.

Mr. Sholtz, the young orator continued, has denounced the Farm Control Act as the first move toward communism.

She heaped sarcasm on those who have accused the former head of the State of signing the law containing the loan provision. The legislature met in May, she declared, but Dave Sholtz left of.

SCC Buyer Comes To Oviedo For Celery

A buyer from the Surplus Commodities Corporation will be in Oviedo this afternoon to buy surplus celery. It was reported today by Mayer Edward Higgins. The information was sent to Mayer Higgins by Senator Pepper.

How much celery will be bought and how much will be paid for it, is not known. However, the Commodities Corporation has been paying \$1.00 per crate.

Herald To Flash Returns On Screen Opposite Office

The Herald will flash election returns on a screen across from the office on Magnolia Avenue, between First and Second streets, on Tuesday night.

Arrangements have been made with the Associated Press for state returns every 15 minutes and with precinct committeemen for returns throughout the county into the count in every race has been completed.

Providing these election returns in this manner is an old custom of The Herald.

Volunteers from Precincts 1 and 3 in Sanford will vote in the City Hall and the Court House. Polling place for Precinct 1 will be the City Hall while the Court House will be the polling place for Precinct 3.

Volunteers who have not yet registered must do so immediately as this is the last day for registration.

W. J. Higgins, supervisor of registration, said today. His office will remain open later than usual, Mr. Higgins said, for the convenience of those who have not been able to get in to town.

The weekly luncheon of the Rotary Club will be held in the Valdes Hotel Monday at 12:15 o'clock.

Violators of City ordinance will be tried before Judge Frank L. Miller in a session of the Municipal Court at the Police Station Monday afternoon at 4:00 o'clock.

Approximately 35 members of the Stetson Municipal group will be in charge of the exercises at the First Baptist Church Sunday night, at 8:00 o'clock, Rev. W. P. Brooks, pastor, said today.

C. C. Collins, who has been appointed chairman of fraternal activities committee in the Sanford-Orlando district, for National Fraternal Week, has called a meeting of representatives of all fraternal orders in this County to be held in the American Legion Club tomorrow afternoon at 3:00 o'clock. A program for observance of National Fraternal Week, May 2-8 will be arranged.

Mrs. Kendall Completes Celery Recipe Folder

A list of celery recipes has been compiled and edited by Mrs. Gladys Knecht, Home Demonstration Agent for Seminole County, and is now ready for distribution upon request. It was announced in the County Agents' office today.

The table of contents includes recipes for soups, appetizers, soups, salads, meats and poultry, for use of celery as a vegetable and in combination, sandwich fillings and relishes.

The recipe pamphlet states in the foreword that "requests for celery recipes are numerous and it seems expedient to assemble in one list some of the more popular ones from different sections of the country for the information of those interested."

It also requests those who have favorite celery recipes which are different from the present list, to send them to the County Agent's office for a later publication.

Herndon Presides At Rally Where Every Candidate For Office Has Inning

No Fireworks At This Meeting

Legislative And Commission Candidates Deliver Short Talks

One of the largest gatherings of Seminole County residents ever to assemble for a political rally, packed the court room at the Court House last night for the rally sponsored by the Junior Chamber of Commerce.

However, the fireworks which were anticipated following the charges hurled at the meeting in Lake Mary Thursday night failed to materialize.

O. P. Herndon acted as master of ceremonies introducing each of the more than 20 speakers who spoke in behalf of respective candidates.

The meeting was the last of its kind which will be held before voters go to the polls next Tuesday. Throughout the meeting, Mr. Herndon, in behalf of the Junior Chamber of Commerce reminded eligible voters that they still have today in which to register to vote.

In addition to the three who filled all available space in the court room, a large number of persons gathered in front of this building and heard the speakers deliver their addresses over a loudspeaker furnished by W. D. Huffman of the Huffman Electric Service.

James G. Sharon was the first of the candidates in the legislative race to speak in behalf of his candidacy. He cited his public record as qualification for the office and pledged every endeavor for economical operation of the State government and also his support to a satisfactory program for school.

He hit at a state law providing for pensions for elderly persons and containing a lien clause and pointed out that his opponent had supported this measure. He reiterated his statement that he was wholeheartedly in favor of the Townsend Plan and would support legislation for the benefit of the aged.

W. J. Higgins, who is seeking reelection to the House of Representatives in Group One, followed his opponent and pointed out that persons when voting for a representative are voting for a man to handle the biggest business in this state, which is the government.

In discussing his opposition to the marketing bill which he said his opponent has made a campaign issue, Mr. Lehman explained that the bill did not carry any specific appropriation for the local market here as had been intimated, that the bill provided for the creation of another board, which was against his platform for greater economy; and also provided for construction of state markets at any point designated by members of a commission which he said he knew, from experience as a member of the board of directors of the market here, would be ruinous.

He cited his platform in his previous campaign for pensioning elderly persons and his work in this regard in the last legislative session.

John G. Leonard was the first of the speakers in Group Two and reiterated his statement that he was not embroiled in any grievance in any section of the county and that he could represent the entire county.

He pledged his support for legislation benefiting the stock industry as well as any legislation.

Forecast: Fair to partly cloudy and continued mild tonight and Sunday.

George Bridge is a resident and property owner of Longwood. For some years it has been a custom in Seminole County to elect one representative from the county and one from the city of Sanford. In the other group both of the candidates are Sanford men. Hence it follows as a matter of fairness to your county friends that, in the group in which Mr. Bridge is, you should vote for a man living outside of Sanford.

# Sanford Theater News for the Coming Week

## PROGRAMME FOR WEEK OF MAY 1 AT THE RITZ

First show at one o'clock every day  
 Sunday, Monday—"GIRL OF THE GOLDEN WEST" with Jeanette MacDonald and Nelson Eddy.  
 Tuesday, Wednesday—"NURSE FROM BROOKLYN" with Sally Eilers, Paul Kelly. Also "BATTLE OF BROADWAY" with Victor McLaglen, Louise Hovick.  
 Thursday, Friday—"MERRILY WE LIVE" with Constance Bennett and Brian Aherne. "HAWAII CALLS" with Bobby Breen.  
 Saturday—"YODELING KID FROM PINE RIDGE" with Gene Autry, Betty Bronson.  
**AT THE PRINCESS**  
 Saturday, Sunday—"ROLLING CARAVANS," and Jack Holt in "FLIGHT TO NOWHERE."

## Bobby Breen Takes Part In Hawaiian Native Festival

Colorful scenes of an Hawaiian native festival are an interesting part of "Hawaii Calls" Bobby Breen's new musical starring vehicle, which comes to the Ritz Theatre next Thursday and Friday.  
 This native feast is an occasion of great ceremony in the Hawaiian Islands, and becomes a festive celebration which has no counterpart in any other section of the United States. In the picture, Bobby, Ned Sparks, Irvin S. Cobb, Gloria Holden, Warren Hall, Mame Clark, Juanita Quigley, Herbert Rawlinson, Pas Lani and many others are guests at a luncheon on the island of Maui, given by an Hawaiian dowager to celebrate the return of her young nephew from San Francisco.  
 The preparations of a luncheon in an interesting process. A whole dressed pig is the center of the feast, and the cooked meat is designated as "pig"—not "pork". Attendees first dig a deep pit in the ground, and in this is built a hot fire. For several hours it is maintained at a great heat, and in it are placed numbers of stones which eventually become red-hot. To prevent their explosion, these must be of a special variety, and beaches and beds of streams are searched for round volcanic rocks, very porous and slightly larger than a baseball.  
 When the proper degree of heat has been attained, the inside of the pit is filled with the rocks, and the fire is covered with a thick layer of banana skins, on which the pig is laid. Some of the stones are allowed to remain in the fire below, and others are placed around the pig and the steaming steaks clustered about it. These consist of sweet potatoes, yams, bananas, fish wrapped in ti leaves, lobsters, crabs and "lauau"—the latter the equivalent of the American tamales and made of salmon, pork and butter-fish with a wrapping of ti leaves.  
 This entire menu is covered with another thick layer of banana leaves, after which the pit is filled in with dirt. This is created a primitive fireless cooker and for several hours the feast is allowed literally to cook in its own juice.

## "GIRL OF THE GOLDEN WEST"

Nelson Eddy, the screen's golden voiced baritone, who plays the lead opposite lovely Jeanette MacDonald in the romantic musical "The Girl of the Golden West."

## Innocent Remark Causes Family To Make Long Voyage

When more laughs can be packed into a movie than will be crammed into "A Trip To Paris," showing at the Ritz Theatre next Saturday, 20th Century-Fox's famous Jones Family will do it.  
 For sheer fun-frenzy, America's favorite folks scramble off on the happiest, laughingest adventure they've ever conceived since some genius thought up this great group of actors.  
 They've been mixed up in politics, love, courtship and marriage—and more recently, we recall, in a "bride comes home" story.  
 But never anything as hilarious as the escapade which starts out innocently enough with Dad Jones (Jed Prouty) dropping the remark that he intends to take a vacation in Paris Falls. The next yard (gossip) wireless does an amusing bit of garbling the message to Garcia. It travels faster than Dad himself—so by the time he gets home, his overjoyed brood is half-packed and rarin' to go.  
 For Paris... FRANCE!  
 Ma Jones (Spring Byington) and Granny (Florence Roberts) bundle Lucy (June Carston), young Jack (Ken Howell), Roger (George Ernest) and Bobby (Billy Mahan) into traveling gear and make arrangements with the newswreeds (Shirley Deane and Russell Gleason) to take care of the Jones' "mount" while they're away.  
 Dad gets peevish. Ma learns the rumba, Granny views with alarm. Lucy joins the Latin quarter and Roger and Jack run afoul of a spy ring as the result of Jack's infatuation for Joan Valerie before cousin Willie (Harold Huber) gets them safely back on the boat for America. And Dad learns that the Rue de la Paix means "pay, and pay, and pay."  
 Hal Rosson, Chief, directed the film with Max Goldstein associate producer, Robert Ellis and Helen Logan based the original screen play on the characters created by Katharine Kavanaugh.

## Early California Days Portrayed In Musical

### LOVERS

Jeanette MacDonald and Nelson Eddy have reached their topmost heights to date as the screen's queen and king of songs in "The Girl of the Golden West," which opens tomorrow at the Ritz Theatre.  
 An excellent blending of charming music and the romance of California in her early, rugged gold camp and pastoral mission days (the new operetta is an inspiring picture recommended for theatergoers and music lovers of all ages. The picture is based on David Belasco's memorable stage play.  
 It is the story of the orphan girl, Mary, who owns the Palms Saloon and dance hall in Cloudy Mountain gold camp. She is loved by all the boys but the gambling sheriff, Jack Rammer, is the favored one.  
 On her way to Monterey, her stagecoach is held up by the masked bandit, Rammer, who is smitten by her beauty. He trails her and when a carriage arrives to convey her to the Governor's office it is Rammer, masquerading as a young army officer, who escorts her. They fall in love.  
 At the festival, where "The Marriage" is a colorful early California dance and feast is held, Rammer fees when he sees soldiers approaching. Rammer, dressed as an American, again appears in Cloudy Mountain at Mary's saloon. Suspicious, since immediately takes a dislike to the stranger.  
 Rammer, because he has forsaken her, Mary's native sweetheart, betrays him to Sheriff Ramer. In his pursuit, Rammer wounds the bandit and later captures him in Mary's cabin. He surrenders to the Sheriff's posse and plays cards with her for the life of Rammer. Mary wins, but Rammer catches her cheating. She pretends to marry the sheriff if he will free Rammer. Rammer does, but swears he will kill the bandit on sight.  
 At the mission, on the day of the wedding, Mary hears a familiar song in the patio. It is Rammer. Rammer finds them in an embrace, but offers to give Rammer an even chance for his life.

### "The Jones Family"

The Jones Family, on the vacation they've always dreamed about, "A Trip To Paris." Newest of the 20th Century-Fox series, the film features starring top left to right: Marvin Stephens, Joan Valerie, Ken Howell, Harold Huber, Florence Roberts, June Carston, Spring Byington, Jed Prouty, George Ernest and Billy Mahan.

The American Legion convention in New York City was something neither the Legionnaires nor New Yorkers will forget, and those who missed all the fun of the 20th Century-Fox comedy, "Battle of Broadway," re-enacted it Tuesday and Wednesday at the Ritz Theatre with Victor McLaglen, Brian Donlevy, Louise Hovick heading the cast.

## SITUATION'S WELL OUT OF HAND!

The hoisterous spirit of Capt. Plax and Sergeant Quirk, of "What Price Glory" and "The Cockeyed World," rises high in 20th Century-Fox's comedy of the American Legionnaires in New York, "Battle of Broadway," coming to the Ritz Theatre, Victor McLaglen and Brian Donlevy are the two toughest guys in the outfit, and Louise Hovick sings "The Daughter of Mademoiselle."

## Legion Convention In New York Is Background For New Comedy Film

The Army, Navy and Marines will land Tuesday at the Ritz Theatre.  
 The merry military onslaught by all branches of the service, of course, will be the robust and riotous "Battle of Broadway," which is based on the American Legion's "unconventional convention" in New York. Victor (Ben you) McLaglen and Brian (One punch) Donlevy arrive on the Gay White Way in the Legion company to see what makes the city tick. Village on the Hudson River so popular.  
 Not since Mademoiselle from Armentieres was a mere slip of a girl, not since "What Price Glory" and "The Cockeyed World" has there been such backslapping on the screen. McLaglen and Donlevy, both honest-off-screen veterans, lend more truth to this film than play-acting could ever devise.  
 These battle-scarred veterans know all the maneuvers... and when they lay siege to beautiful Louise Hovick, "Battle of Broadway," like the Battle of the Marne, becomes nothing more than a whole collection of fights conveniently filed under one heading.  
 The cast of the film includes Raymond Walburn, Lynn Bari, Jane Darwell and Robert Kellard.  
 The lusty screen play by Lou Brylaw and John Patrick combines business with pleasure for Vic and Brian. Walburn assigns them the task of breaking his son's romance with a chorus girl while they are in New York. Louise pretends to be Bob Kellard's fiancée, to save the real affair, and the boys have a grand time trying to steal her away from Bob, and each other.  
 A good deal of the fun may be credited to George Marshall, who directed, with Sol M. Wertzel executive producer.

Rumors have been spreading lately inferring that I was the author and "Daddy" of the 1937 Commercial Taxing Bill. The absurdity of such accusations can be clearly seen by anyone who turns to read Page 1711 of the Journal of the House of Representatives.  
 The same is true of the bill that relates to occupational license laws which have been on every every occasion, including the 1937 session.  
 The bill was introduced by me as follows: Year, 30; May, 14; by calling H. J. Lehman, of Seminole County.

### Fighting Stalemated On War Fronts In Shantung Province

The world waited anxiously today for the full portent of the impending Hitler-Mussolini rendezvous in Rome while tension in central Europe, of prime concern to both dictators, was heightened by the demand for a plebiscite among Czechoslovakia's restive German minority.

Berlin turned out cheering, a flag waving farewell to Hitler and his imposing entourage—the very site and composition of which foreshadowed the possibility of important adjustments in the Rome-Berlin axis.

The German public, however, was cautioned not to expect sensational announcements.

Italian troop trains rolled into Rome for a majestic reception to Hitler when he arrives tomorrow for a week in Italy.

Mud still clogged the wheels of war in Spain and the struggle on China's southern Shantung province front appeared to have sagged into a deadly stalemate.

International interest in the Chinese-Japanese war shifted to Shantung with reports that thousands of Chinese guerrilla warriors had slipped into the city to harass the Japanese.

In Czechoslovakia yesterday Nazi chiefs stumped the Sudeten German region renewing demands for concessions while anti-Nazi Germans attempted to offset their May Day demands with promises to join the Czechs in defending the nation.

The demonstrations passed off in a flood of oratory except at Troppau, near the German front.

## Higgins Appointed Head Of Committee For Air Mail Week

Mayor Edward Higgins was today appointed chairman of a honorary air mail week committee in connection with the city's participation in National Air Mail Week, May 15 through 22, according to an announcement of T. E. Simpson, president of the Seminole County Chamber of Commerce.

Other members of the committee appointed by Mr. Simpson are: G. D. Workman, commander of the Campbell-Leasing Post of the Boy Scouts; J. E. Rowland, Jr., president of the Junior Chamber of Commerce; S. J. Nix, president of the Kiwanis Club; C. E. Adams, president of the Lions Club and H. H. Coleman, president of the Rotary Club.

Sanford's activities in the Second National Air Mail Week observance are again being sponsored by the Seminole County Chamber of Commerce in co-operation with Postmaster E. J. Holly, Sr.

## Food Specialist To Give Demonstrations

The public was urged today by Mrs. Gladys Kendall, home demonstration agent for Seminole County, to attend the special demonstrations to be given by Miss Lillian Threlby on Tuesday and Wednesday.

Miss Threlby is the food conservation specialist of the State Home Demonstration Department.

## LaGuardia Asks Ken Guernsey Is Group To Study Main Speaker At Recovery Plan Rotary Luncheon

### Committee Would Report Suggestions At Special Session

WASHINGTON, May 2.—(AP)—Mayor Fiorello La Guardia of New York today proposed that Congress set up a "specimen" recovery committee, and instruct it to work out a program for submission to a special session in the fall.

Mayor La Guardia appeared before the House appropriations sub-committee in the capacity as president of the United States Conference of Mayors.

He said he had suggested the President's spending program but argued that it be made sufficiently flexible so that all parts of the country would benefit.

William Green, president of American Federation of Labor, endorsed the spending program plan earlier as a means of meeting conditions caused by the unemployment increase which he said had totaled 2,000,000 persons since September.

## Negro Is Arrested For Theft Of Auto

Theodore Eddy was arrested early Sunday morning by Deputy Jack Hickson of Sheriff C. M. Hinds' office on a charge of stealing a Ford V-8 automobile belonging to Henry Watson, president of the Sanford baseball club. It was announced today by Deputy Hickson.

The car was stolen from outside the Municipal hall park. Deputy Hickson said, adding that he received a radio call to be on the lookout for the car. Shortly afterward, he declared he saw the car on Geneva Avenue and immediately overtook it.

He made the driver pull over to the side of the road and ordered him to get out. As the man got out he attempted to escape by running but, Mr. Hickson said, he ordered him to stop by holding him by his arm.

The deputy sheriff said Eddy was headed toward the East Coast when he was apprehended. The man is now being held for trial, Mr. Hickson concluded.

## Vote On Wage, Hour Measure Asked By FDR

### Petition To Call Bill To House Floor To Be Drafted By Labor Group Chairman

WASHINGTON, May 2.—(AP)—The House Labor Committee today received a petition from the House Labor Group, which the President said he would like to see passed.

Chairman Norman New Jersey Democrat of the House Labor Committee made public a letter which the President sent her Sunday from Charleston, S. C., in which the full month since the bill, either by referendum or by direct action of the labor community.

Emphasizing that the House Labor Committee was within its rights when it voted to refer the bill, the President concluded the measure was of "undoubted national importance because it goes into the main policies of the government and affects the lives of millions of people."

Mr. Norton said she would draft a petition this week if it is signed by 218 House members, the bill would be considered on the floor regardless of committee action.

The impending adjustment bill, however, may block her plans. Legislators agreed there was a chance that the House Committee would change its mind.

## Annual Convention Of Red Cross Opens

SAN FRANCISCO, May 2.—(AP)—The American Red Cross, opening its annual convention, was opened today by speakers as a force for peace in a world where modern war's destruction has increased and endangered Red Cross workers' task.

Hundreds of delegates from all over the nation gathered for the opening session addressed by the national chairman, Norman H. Davis, America's ambassador at large, and James L. Poyer, vice-chairman in charge of domestic operations.

Declaring that in this day of recession, 1938, there is greater need than ever before for Rotary International, Mr. Guernsey outlined his four objectives as follows:

1. To promote the welfare of the community.

2. To promote the welfare of the nation.

3. To promote the welfare of the world.

4. To promote the welfare of the human race.

Mr. Guernsey said he was studying the question of criminal activities in relation for his "report" from Jersey City, N. J., last night.

## WILCOX IS ELATED BY FUND REQUEST FOR 5 AIR BASES

WEST PALM BEACH, May 2.—Returning here yesterday from Key West, where he addressed a great political rally Saturday night, Mark Wilcox, candidate for the United States Senate, was elated over the news contained in an Associated Press dispatch from Washington to the effect that Chairman Andrew Jackson May of the House Military Affairs Committee had requested that \$124,000,000 of the new four and a half billion dollar "pump priming" fund be earmarked for the construction of five Army air bases authorized under the Wilcox Air Defense Act.

Wilcox called attention to the fact that his air defense act calls for the establishment of five strategic air bases along the United States frontiers.

Wilcox declared Florida will get one of the air bases. "I am in touch with the situation," he said, "and the people of Florida may rest assured that this state will not be overlooked when locations for these bases are designated."

The Wilcox Air Defense Act, designed to provide the United States with an adequate defense against air attack, has been stamped by Wilcox for the campaign for the Senate as one of his major congressional achievements. Wilcox also has pointed out that his Municipal Bankruptcy Act, his bill creating the Everglades National Park and his amendment to the crop control measure appropriating \$1,000,000 to create new markets for Florida fruits and vegetables, are among legislation of national importance which he has passed during the time he has been in Congress.

## Chamber Official Says Business Can Meet Difficulties

### John O'Leary Warns Against Control Of Trade Associations

WASHINGTON, May 2.—(AP)—John W. O'Leary, official of the United States Chamber of Commerce, said today that business men could meet the difficulties of the present economic situation.

O'Leary, chairman of the Chamber's council, said the Chamber's council is studying the effect of government control of trade associations.

He said the "experience which we have all had through the NRA experiment is that government control of trade associations is not a good thing."

The Chamber's annual convention drew 2,000 business men from all parts of the country.

Among the speakers at the convention were: J. M. Coughlin, who said that the king and queen of England were whole's tooth necklaces from a European.

## National Interest Shown In Contest For Senate Seat

### Registration Over State Shows Large Increase Over '36

MIAMI, May 2.—(AP)—Florida's whitewash campaign for nomination of a Democrat to the United States Senate seat comes to a dramatic close tonight when four of the five candidates, speak from the same platform in Bayfront Park after a big torchlight parade sponsored by civic organizations to get out the vote.

Senator Claude Pepper in company, Representative J. Mark Wallace of the Fourth District, former Governor Dave Sholtz and Embury Moore of Lake City speak here.

The fifth candidate, J. C. McMillan of Maitland, is to close his bid in Tallahassee.

More than 100,000 Democrats and Republicans are believed qualified to vote for tomorrow's poll, open at 8:00 o'clock Eastern standard time and close at sundown.

Democrats also will nominate five congressmen, three supreme court justices, two state railroad commissioners.

## Seminole County Groups To Observe Fraternal Week

A joint meeting of the Seminole County fraternal groups will be held in the City Hall Friday night to observe the week of National Fraternal Week, May 2, which has been designated by the Grand Lodge, International Order of the Moose, as the week of National Fraternal Week.

The decision to hold the joint meeting in observance of the week followed a meeting of representatives of fraternal organizations of the county in the American Legion Hall yesterday afternoon, presided over by C. C. Collins who has been named chairman of the observance in this county by Herbert H. Tamm, of St. Petersburg, president of the State Fraternal Congress.

E. F. Housholder will be the guest speaker at the meeting Friday night which will be followed by a dance.

The committee in charge of arrangements for the affair is composed of program committee chairman from various fraternal organizations and their auxiliary.

Those named to date are: James G. Blanton, Woodmen; Mrs. Alice Andes, Woodmen; Mrs. J. B. Jones, Old Fellows; Mrs. M. H. Hubow, Hebekah; L. B. Hodgins, Modern Woodmen; Mrs. E. Smith, Royal Neighbors; and Andrew Caraway, Elks.

## Gun Is Missing From Union Soldier Statue

BROOKFIELD, Mo., May 2.—(AP)—Brookfield's statue of a Union soldier now lacks a gun. Officials are seeking a prankster or a gun thief.

The weapon the soldier held was a Civil War relic.

## Pepper Gratified Over Enthusiasm Shown In Campaign

### WEST PALM BEACH, May 2.—

With but one day left to campaign for the first primary, United States Senator Claude Pepper, in time here yesterday, expressed full confidence that he would win in the first primary.

"Interest and enthusiasm are gratifying," he said, "and I feel full well that the motorized, torchlight processions and numerous meetings are not so much individual but rather to the cause for which he fights and the principles of government he advocates."

"This fight is the people's fight and issues in the campaign are clear."

"On May 3, the people of this state will decide whether their representative in the United States Senate is to serve their cause or that of the selfish interests."

"During my 15 months in the Senate I have earnestly tried to support those measures that in my judgment were based on the great democratic principle of the greatest good to the greatest number."

"I have, at every opportunity fought for better wages and better hours, greater educational advantages, aid for the underprivileged, old age assistance, and in doing so have found myself upholding the hand of our great President in his fight to give the people of this Nation greater happiness and more abundant lives."

Poll will open at 8:00 o'clock tomorrow morning and will close at sunset, or 7:00 o'clock tomorrow evening. County Clerk H. P. Herndon said today.

The election will vote at the City Hall, Mr. Herndon said, and those in Precinct Three, will vote at the Court House.

Other polling places in various precincts throughout the county will be in the usual places as far as is known, Mr. Herndon stated, unless last minute changes are necessary in which case the public will be informed.

The Herald will provide election returns tomorrow night for voters of Sanford and Seminole County. The returns will be finished on a screen across from the Herald office.

A long as there is any doubt as to the outcome of any race returns will be given.

A total of 6,000 Democrats, 68 Republicans, 1 Independent and one Non-Partisan are registered to vote in this year's registration of voters announced today, after filing a report to State Secretary R. A. Gray. This makes a total of 6,169 qualified voters, he said.

At the last general election in 1936, Mr. Thompson, stated, there was a total registration of 1700, of which 1100 were qualified to vote. This year's registration shows an increase of 1041 qualified voters over the last election.

The increase in registration Mr. Thompson attributed largely to the fact that the poll tax was eliminated as a prerequisite to voting.
