

Joe Justice Raps Homer To Decide Fed-Senator Tilt

Zedalis Bests Kettles In Hurler's Duel To Cop 4 To 3 Game A's Here Tomorrow

ORLANDO, June 10. (Special)—Joe Justice's sailing home run in the seventh frame with Craig Lybrand resting on the keystone sack proved to be the needed margin of victory for the Orlando Senators in a hard fought 4 to 3 contest in which Stan Zedalis and Carl "Goose" Kettles tangled in a nip and tuck hurler's duel.

Justice's four ply poka was the second game deciding blow of its kind that the former Rollins College star has unleashed this year against the Casey Feds.

The Orlando infield gave Big Zedalis nearly perfect support and turned in four sparkling double plays, one of which proved to be fatal for the Feds. In the ninth canto with the tying tally on the third sack, a brilliant double play would be Fed uprising.

The Sanford aggregation outlit the locals 8 to 4, and the new Fed skipper paced the attack with three hits in five appearances at the plate.

The only Senator batter able to reach the offerings of Kettles, the Fed stellar mound ace, for more than one hit was Lybrand who blasted a single and a double in four appearances. Right fielder Ty Brazil hit one single and the bag cleaning round tripper by Justice were the only other hits by the Senators.

Jim Blalock made his first appearance in the Sanford lineup last night and played an excellent contest in the right field garden. Blalock also hit once in four trips.

Novelty—Sport—News

COMMENTS from the SIDELINES

By ARTHUR BECKWEEL, JR.

Jersey City We note that Arnold Finnefrack announced in his column in the Florida Times Union today that the Jersey City club will maintain the Spring training headquarters here in Sanford next year.

Jersey City is a farm club of the New York Giants, and is a mighty good aggregation to have in anyone's park for spring training, but the only catch is that there is not any confirmation in the City of Sanford that the team is going to be in Sanford next year.

It is true that the Giants have inspected the local facilities for the Jersey City outfit, but at 9:00 o'clock this morning there was no confirmation from official sources that negotiations have been completed.

Several central Florida towns are concerned over the change in training sites for the Jersey City club. DeLand is working for the team as well as Daytona Beach and Palatka.

Sanford has the best baseball park and the best hotel facilities in the state for a Spring training season for that matter, but that does not say that the Giants will send their team here.

We sincerely hope that Carl Stubbel and his associates see fit to send the International League club here for their Spring activity, but we are not getting too "pepped up" over the possibility until we are really sure that they have fully agreed to make this their headquarters.

Sanford certainly will welcome the Jersey City team if they come here for their pre-season activity next year. We want the New Jersey city aggregation to come here next Spring. Sanford needs the Giant farm club and the Giant farm team needs Sanford.

The Boston Red Sox led the American League in fielding in 1946 with a .877 mark, the same percentage posted by the Cleveland Indians in 1945, fielding leaders that year.

Ted Williams Tops Tribune Star Team

CHICAGO, June 10. (AP)—Ted Williams, lanky Boston Red Sox batting star, still was the top vote-getter as the second tabulation in the all-star baseball poll was released today.

Williams polled 948 votes from the 2,565 early ballots forwarded by a few centers. The fans' voting is being sponsored by the Chicago Tribune and 192 newspapers, radio stations and magazines.

The fans' votes will determine the starting lineups, with the exception of the pitchers—who will be selected by the rival managers for the National and American leagues in the 14th all-star encounter in Wrigley Field July 8.

The slugging Walker brothers, Dixie of the Brooklyn Dodgers, and Harry of the Philadelphia Phillies, also were among the favorites in the opening returns.

In the second-day tabulation, Lou Boudreau, Cleveland's manager and shortstop, dropped from first place to second as Luke Appling, Chicago White Sox veteran, surged ahead.

Eddie Miller of Cincinnati batted four home runs for his first four hits this season.

Dick Singletary To Play In Semi-Pro Baseball League

NORMAN PARK, Ga., June 10. (Special)—The Wrightsville, club of the Ogeechee League has been bolstered by the addition of three Florida members of the Norman Junior College baseball nine.

Catcher Gilbert Coleman of Haines City, Pitcher Dick Singletary of Sanford, and Secondbase-man Bob Hall of Apopka will perform with the semi-professional team until returning here for football practice September 1.

Aurelio Ibanez, the Bears' sensational Cuban shortstop, is on loan to Statesboro's entry in the Ogeechee loop. He will join a former Norman ace moundman, James D. Hall of Norman Park, in the Statesboro lineup.

NASHVILLE IN THIRD
ATLANTA, Ga., June 10. (AP)—Nashville, currently hitting .330 as a club, held third place in the Southern Association today after Rube Walker's 11th and 12th home runs gave the Vols a 4-1 victory at Atlanta last night.

Walker, the League pacesetter in circuit blows, poled one in the fourth to tie the score, drove in the winning run with a long fly in the sixth, and then hit his second roundtripper in the eighth for good measure and a victory for Pete Maltry. George Diehl was the loser.

Babe Didrikson Is In Fourth Round

GULLANE, Scotland, June 10. (AP)—Mrs. Babe Didrikson Zaharias of Denver and Miss Ruth Woodward of Fall River, Mass., fought their way into the fourth round of the British Women's Amateur Golf Championship today as their fellow American, Miss Helen Sigel of Philadelphia, bowed out in a third round match.

Playing true to form, the highly favored Babe had little difficulty in polishing off Mrs. Val Reddan, former Irish champion, by a score of six and four.

YESTERDAY'S STARS
NEW YORK CITY, June 10. (AP)—Walker Cooper, Giants, hit two home runs to drive in five runs in their 13-10 triumph over Pittsburgh yesterday; his second homer came in the bottom of the ninth inning with two on.

Un-American Activities Committee To Send Observers To Hear Wallace Talk

WASHINGTON, June 12 (AP)—Rep. J. Parnell Thomas (R-N.J.), chairman of the House Un-American Activities Committee, reported today he has received a letter threatening him with death and has turned it over to the FBI.

Thomas said the three-page letter, which he received from a man of death in June, and Rep. Rankin (D-Miss.), a committee member, of death in July.

The House Committee on Un-American Activities decided today to start hearings June 23 on what Chairman J. Parnell Thomas (R-N.J.) described as "infiltration of Communists into the labor unions."

Witnesses, Thomas announced, will be members of the CIO Electrical Workers Union from Bridgeport, Conn.; Schenectady, N. Y.; and New York City.

Thomas announced also that the committee unanimously approved a report on the Southern Conference for Human Welfare which will be released to newspapers Sunday.

The committee plans to send several observers to a meeting here Monday, sponsored by the conference, at which Henry Wallace will speak.

Thomas said Kravchenko will "tell us how Communism operates in Russia and what we can expect here under Communism."

LOS ANGELES, June 12 (AP)—The Los Angeles Times reported today that Henry Wallace will toss his hat in the ring for President within the next two months.

A story by Kyle Palmer, Times political editor, said that Wallace "will be a candidate for the Democratic presidential nomination in the presidential primaries of California and in at least a dozen other states."

"Machinery looking to the organization of a Wallace-for-President campaign here in operation with the knowledge and consent of the former Vice President and cabinet officer."

"Hoping to stir the fires of insurgency among 'progressive' Democrats throughout the nation."
