

Touchton's Open Fall Bargain Sales Thursday

Fall bargain days begin in earnest Thursday with the opening of the gigantic 10-day Rexall 1 cent sale at Touchton's Rexall Drug Store, 121 East First Street.

This famous "Penny Sale" was originated by Rexall in 1913, and always gives Rexall customers two sale items for the price of one, plus a penny.

"As American as apple pie," Glenn McCall explained. "Any tradition that survives for 51 years, as this Rexall 1 cent sale has, is not only a sound merchandising idea, it also attests to the success of the principle of free enterprise here in America. In this 1 cent sale, our customers can save nearly half on their needs, yet are assured of the same fine quality they know is guaranteed by Rexall."

"This year's 1 cent sale is no exception to his fine tradition. Besides offering items useful during the fall and winter seasons . . . items for all members of the family, as well as many products for the home, shoppers will find plus-values in our Money Savers and Surprise Buys which are not on our 1 cent sale plan but were purchased for this event to offer our customers special savings."

Touchton's Rexall Drug Store is now offering customers Advance Shopping Lists which permit them to check off needed items before the 1 cent sale starts. Lists may then be left with a salesperson, and the orders will be ready on the first day of the sale.

Inflated Tent-Church Seats 500 Persons

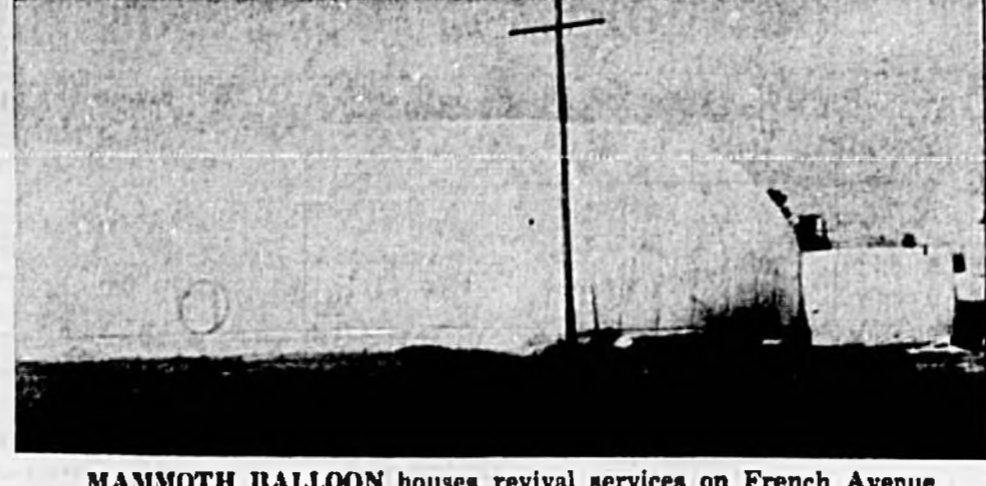

A new concept in religious revival meetings has been introduced here in a mammoth balloon tent on French Avenue where a six-week evangelistic service is underway.

The huge inflated enclosure, stretching 120 feet in length and standing 25 feet high, has a seating capacity of 500 persons for the revival being conducted by the Seventh Day Adventist Church of Sanford.

The balloon tent is in sharp contrast with the old circus type canvas revival tents with the familiar poles, guy wires and stakes.

The new type tent is inflated with air and is held secure by 50,000 to 60,000 pounds of sand ballast. Sand is laced in close at the bottom and the fireproof tent, of neoprene and nylon material is blown up. Some 2,500 cubic feet-per-minute is required to hold it up. Two blowers are constantly supplying air, although occupants of the tent can feel no breeze or draft.

Six men spent two days erecting the unique structure. The tent is especially sturdy, being able to withstand winds up to 100 miles-per-hour.

Monroe Girls Elect Officers

The Junior 4-B Girls Club of Lake Monroe elected officers at the meeting held last Thursday after school in the Community Building.

Named were Judy Bailey, president; Marlene Dorn, vice president; Karen Kirkpatrick, secretary-treasurer and Kathy Ryals, reporter.

Prior to the election Miss Myrtle Wilson, agent, gave a demonstration on measuring cooking ingredients assisted by Sarah Dyson and Yvonne Stripling.

Adult leaders working with Miss Wilson for the club are Mrs. Charles Stafford, Mrs. Robert Dorn and Mrs. Harry Wilson. Meetings are held on Thursday afternoons after school.

FBI Agents Seek Escapée From Mental Hospital

FBI agents and other law officers throughout Florida are conducting an intensive manhunt for Thomas Asbury Hadder, 22, described by J.F. Santoianna Jr., FBI special agent in charge at Tampa, as a "severe menace to society on the FBI's 10 most wanted men list."

Hadder had been in custody as a vagrant at Jacksonville Beach Sunday night but was released Monday. On Tuesday in a routine check of fingerprints the Jacksonville Beach police learned they had let this wanted fugitive "slip through their fingers."

Representative 'Opens Closet' Of Senator

WASHINGTON (UPI) — At the age of 59, Rep. Tom Steed has just discovered that sex is more interesting to people than government.

T. A. HADDER

The Shawnee, Okla., Democrat casually announced Wednesday that he had discovered two call girls on the payroll of a senator. He did not identify the senator, and said he would not do so, even if called before congressional investigators.

"I'm not taking a moralistic position about it," he said. "I only mention it to point up the fact that secrecy in congressional matters operates to the benefit of nobody but a few of the members. It certainly is not in the interest of the people."

Steed, a newspaperman for 20 years before his election to Congress in 1948, included the call girl report in his latest blast in the Senate for its insistence that House members give up the use of "so-called 'junk' or unaddressed mailings under their franking privilege."

"People who live in glass houses shouldn't throw stones," Steed said. "If the senators want to reform things around here they ought to start with the Senate."

Rev. Delmas Copeland, pastor of Caselberry Community Methodist Church, has devoted his lifetime endeavoring to "remove the devil" from people's souls. Herald reporter Jane Casselberry, at a Sunday School class party earlier this week, photographed that minister exemplifying that which he fights every day. Yes, that's Rev. Copeland in the devil's costume on the front page.

Overseas Yule Mailing Time Starts Friday

The period Nov. 1-20 has been designated for the mailing of Christmas parcels by surface transportation to members of the Armed Forces overseas, it was reported today by Postmaster Cecil Heard. For air mail parcels the period is Dec. 1-10.

Greeting cards for the Armed Forces overseas should be mailed within the periods designated for parcels if they are to have a reasonable expectation of delivery prior to Christmas, Miss Heard said. She explained the term "Armed Forces" includes personnel, members of their families and U. S. civilians who receive their mail through an Army post office (APO) or a Fleet post office (FPO).

All articles should be packed in boxes of wood, metal, solid fiberboard or strong double faced corrugated fiberboard. All fiberboard boxes should be wrapped in heavy paper and well tied with strong cord. Unless completely packed and tightly sealed, boxes are likely to be crushed.

Sufficient cushioning material should be used to prevent any rattling or loosening of articles within the package. A slip showing list of contents and the addressee should be enclosed in the parcel. In addition to articles normally prohibited in the mails, matches of all kinds and lighter fluid may not be mailed to overseas military addresses.

The visit by Mayo and two staff officers is part of a continuing Navy program to acquaint selected aviation officials with the needs and procedures of their deployed forces. Mayo commands six squadrons which regularly deploy with the Sixth Fleet.

North Orlando Approves Four Ordinances

By Mona Grinstead
Ordinances establishing a building code, a fire code, a curfew for minors and granting a 30-year franchise to Winter Park Telephone Company were approved Wednesday night by the North Orlando Village Council at a special meeting held in the Civic Building.

The building code ordinance adopts, by reference, the 1960-61 revised edition of the Southern Standard Building Code. The village clerk, Mrs. Edward W. (Barbara) Peters, has three copies of the rules and regulations for study.

The curfew ordinance regulates the presence of minors, under 17 years, in public places between 9:30 p. m. and 6 a. m. Exceptions will be allowed when a minor is in the company of his parents or guardian or has an acceptable reason for being out after the deadline.

The Fire Prevention Code, adopted by reference to code recommended by the National Board of Underwriters, 1960 edition including further revisions or editions, prescribes regulations governing conditions hazardous to life and property from fire or explosion. Authority is given the village fire chief to enforce this law.

The Winter Park Telephone Company franchise received the first reading and approval. The second and final reading will take place in December.

Beginning this year candidates will be required to file a written notice of intent to qualify 20 days before the election. A filing fee of five per cent of the total annual salary of office is established. However, no number of the presently elected council receives a salary.

The provision for re-registration will not affect this year's voting but after Jan. 1, 1964, books will be opened for a total re-registration and no person whose name does not appear in the new books will be allowed to vote in the 1964 elections.

Council announced that bids on a new pickup truck and certain tools and equipment for the water department will be accepted until 4 p. m. next Wednesday. Specifications for all items are available from the town clerk.

A resolution was read and approved endorsing the county's enabling proposal to appear on next Tuesday's ballot, which establishes methods for providing funds for the new state university site at a Seminole County location is selected.

No action was taken on the resolution endorsing constitutional amendment two which authorizes bonds for capital outlay for colleges, backed by the revenue from utility taxes, which also will be voted upon in next week's election.

Hot Time Given To Rattlesnakes
The dynamic nature of a fireman's duty came into sharp focus Wednesday afternoon.

The Sanford Fire Department was called out to 2906 Cedar Ave. to assist residents in — of all things — burning rattlesnakes out of clumps of palmettos.

There had been reports of snakes in the scrubby plants, and residents felt if they made things too hot for the reptiles, they would leave the area.

Allamonte OKs New Election Ordinance

The Allamonte Springs Town Council unanimously approved its new election ordinance upon first reading, adopting it on second and third readings by title only, at a reconvened session held Wednesday night.

The new law changes the methods through which candidates are to qualify and provides for re-registration of all municipal voters and for all municipal offices.

Beginning this year candidates will be required to file a written notice of intent to qualify 20 days before the election. A filing fee of five per cent of the total annual salary of office is established. However, no number of the presently elected council receives a salary.

The provision for re-registration will not affect this year's voting but after Jan. 1, 1964, books will be opened for a total re-registration and no person whose name does not appear in the new books will be allowed to vote in the 1964 elections.

To Ghoulies, Ghosties We'll All Play Hosties

Under moon-splashed skies and in darkened alleys, thousands of pint-sized spooks and goblins go on their haunts tonight to threaten "tricks or treats."

From Pumpkin Center, S. D., to the United Nations, it's the annual celebration of Halloween, the ancient rite that dates back to the Druids of earliest Britain.

From ghoulies and ghosties to the trick-or-treaters, the old Scottish poem goes, "and things that go bump in the night, good Lord, deliver us!"

More than 25,000 persons jammed the streets of Centennial, Ill., Wednesday night for the annual Halloween parade. A resident of tiny Pumpkin Center said Halloween nowadays isn't like old times when there were horse bugles to hoist atop the chicken coop or outposts to tip over.

Botted grocer Roy Hough of Newton, Iowa, passed out more than \$1,500 to the youngsters Wednesday night — in fake Confederate bills. Each had a penny taped to the back.

C. Of C. Backs 2 Amendments, County Issue

Support of two of three state constitutional amendments and the county proposal in Tuesday's election was urged of Seminole County voters today by the Chamber of Commerce.

In three resolutions signed by President Francis E. Boumillier Jr., the Chamber supports three issues.

Amendment No. 2 would permit the State to issue \$75 million in bonds to finance new universities and junior colleges.

Amendment No. 3 would permit the State to issue revenue bonds for recreation purposes and water conservation.

The county issue, to be voted on by all electors, would permit the County Commission to call a special election of freeholders only to pass on a bond issue if the State Board of Control selects a site in this county for a proposed four-year university. One site has been offered gratis. Four others must be purchased should the State select one. This bond issue would provide funds for the purchase of one of the four for presentation to the State.

Tiger Tales

By L. A. (M) Bill Falkner
We couldn't write "Hello Friends" in Arabic so we'll skip that part.
We just spent eight wonderful days in a little country called Lebanon. This country has a democratic government, a free enterprise system and no national debt. The climate is warm and balmy almost year around.

As far as vacationing is concerned, this country should head everybody's list; you can swim or water ski at the sunny beaches or drive for two hours to one of the many mountain resorts for a brisk alpine down one of the snow covered mountain sides.
For the sightseers the city of Baalbeck, which was one of the most sacred places of worship in antiquity, still has lost nothing of its grandeur. Another famous city, Byblos, or Jubail as it used to be called, is, according to tradition, the oldest continuously inhabited town in the world.

But to us the most beautiful of all attractions was the Cedars of Lebanon which today stand majestically at the foot of Lebanon's highest peak. There are only 400 trees left in the grove at Besharre but their history dates back to the First Dynasty Pharaohs who had their coffins carved from these trees. However, their fame was made eternal in the Old Testament for it was from these trees that Solomon built his temple and palace.

There were many other places that drew the interest of our Tigers and probably the most famous of all was the Holy City, Jerusalem. Many of our men took a tour of the city and were very impressed. Damascus also received a lot of attention from our erstwhile Marco Polo.
Our port of call was Beirut, a lovely modern city whose skyline give the impression of a miniature New York. Upon arrival in the city we found the people very affable with the greatest affinity for making you feel at home. Throughout the city new buildings are being constructed and the shopping district and the shopping district and bargains yielded a wealth of gifts for loved ones back home.

The beaches of Beirut were a wonderful spot for a party, so Heavy One had an all hands party that was a roaring success. The other major attraction in Beirut, which we were told catered to approximately 2,500 sailors a day, was the Navy canteen. This canteen was sponsored by the Americans living in Beirut, either in the foreign service or representatives of large companies.
Our hosts made cakes, pies, and sandwiches; all entertainment was free and all we could pay for were beverages. Due to their tireless efforts to show us that "Yes, somebody cares," the Tigers had a wonderful time.

Nobel Prize To Greek Poet

STOCKHOLM, Sweden (UPI)—Greek poet and diplomat Giorgos Sefirades won the 1963 Nobel Prize for literature.
Sefirades is the first Greek ever to win a Nobel prize, which this year carries a cash value of \$51,155.

The Swedish Academy of Letters gave the 63-year-old poet-diplomat the award for the "unique thought and style and beauty of his language, which has become a lasting symbol of all that is indelible in the Hellenic acceptance of life."

100 Cars Seen In Motorcade To Leesburg

One hundred cars are expected to join the motorcade of Seminole Boosters—headed for the Leesburg Hornet grid game—that will leave the high school parking lot promptly at 8:15 p. m. Friday, according to Dave MacGillis, chairman in charge.
The convoy to Daytona Beach for the football contest with Seabreeze high school two weeks ago approximated half the expected century mark for the Leesburg fracas, but will be only slightly larger than the "troop movement" that converged on Grenadier Field in Orlando for the Colonial game.

Dr. O. L. Barks, Seminole Boosters president, said that there has been an increasing interest in the Hornet game during the week. He surmised that this is brought about by two things: One, the local Indian tribe still has a perfect record of five wins, no losses, no ties, and the Sanford fans are eager to do all they can to see that the game Friday night lands in the Seminole win column. And they want to see it done, according to Dr. Barks.

The second stimulator is the fact that word from Leesburg is that the Yellow Jackets are in high gear to upset the invading Seminoles, break their tomahawks, give them a beating and send them back to Sanford to cry in their tepees. MacGillis feels sure that more and more Sanfordites will join the parade to Leesburg to make sure that this never happens. They want to be on hand to cheer the Indians onto the warpath of victory in the Lake county city, the convoy commander said.

Many cars arrive at the parking lot already decorated, others have the school colors added after they get to the high school. Some who do not have any identification may get streamers from MacGillis if they arrive in time to get them prior to the 8:15 take-off time.

Sheriff J. L. Hobby's staff will provide an escort. The Leesburg city police have promised to have a car or two at the city limits to take the motorcade to the football field. MacGillis suggests that drivers turn on their car's lights, not only for safety but to indicate the participation in the "parade of Seminoles."
He also urged that the cars stay in line and that proper spacing between vehicles be observed. The speed will be safe, but fans will get to the game faster in the convoy than if they drive alone because of the escort and the constant, uninterrupted rate of travel, MacGillis said.

Reorganization Planned By New Party Chairman

By Julia Morris
The desire to acquiesce each Democratic committee man and committeewoman with what is needed to benefit the party on county, state and national levels was expressed today by Mrs. J. D. Morrison, of Altamonte Springs, who moved up to the job as chairman of the Seminole County Democratic Executive Committee upon the resignation of R. S. Millhiser.

Mrs. Morrison advised that she will call a meeting in the very near future for the purpose of filling all precinct vacancies in the county and to elect a new vice chairman for the committee.
Long an active worker in civic organizations, Mrs. Morrison helped organize the Altamonte Library where she served two terms on the board of trustees and is presently chairman of the ways and means committee.
She has been president of the Altamonte Civic Club, of the Lyman School P.T.A., of the VFW Department of South Carolina and of the Southeastern Regional Auxiliary of the Fleet Reserve Association. She also has held office in the Seminole County Federation of Women's Clubs and in American Legion Unit 183.

Casselberry To Meet On Recreation

By Jane Casselberry
Casselberry residents will have an opportunity to voice their opinion as to what items should be included in the recreation budget for next year at a public meeting of the recreation commission to be held next Tuesday night at 8 o'clock at the recreation center on Overbrook Dr.

Larry Miller, chairman of the commission, urges all interested persons to attend so that the recreation program for next year can be set up according to the wishes of the people.

Those who have ideas on the subject but who will be unable to attend Tuesday night may contact Miller or any other member of the commission.

Scout-O-Rama To Be Held At Armory

Twenty Boy Scout Units consisting of some 450 boys will gather in Sanford Friday and Saturday for the annual St. John's District Scout-O-Rama to be held at the Armory under direction of B. F. Ganas of Sanford and Art Thoman of DeLand.

Ganas is chairman of camping and activities of the district and Thoman is chief of group of campers who promote camping and related activities.

Shows featuring demonstrations on various scouting skills, hobbies and crafts will be presented from 7 until 9 p. m. Friday and from 2 until 4 p. m. and 7 until 9 p. m. on Saturday. Participating will be Scout Troops from Sanford, DeLand, Orange City, DeLeon Springs and Lake Mary. Indian Dances will be presented by Lake Mary Troop 232 at all three programs.

Advance tickets for adults are being sold by the scouts and will also be available at the door. Children will be admitted free of charge.

Holy Cross Sets Special Services

Special services at Holy Cross Episcopal Church on Friday in observance of All Saint's Day, a day of obligation for members of the church, have been announced by Rev. John W. Thomas.

The services are scheduled for 8 a. m., 7 a. m., 10 a. m. and 5:30 p. m. The 5:30 p. m. service will be a celebration from behind the altar.

The United Thank offering of the women of the church will be received at all services during the day.

Oviedo Carnival Brings \$877.67

By Bernice Kelsey
Mrs. A. C. Christlieb, chairman of last Saturday's Oviedo PFO Halloween Carnival, reported today that the event was very successful bringing in gross proceeds to date in the amount of \$877.67.

Single highest amount turned in from any one booth was \$91.79 from the Farmer's Market.

Mrs. Christlieb expressed appreciation to all parents, teachers and citizens of the town who participated in any way to insure success of the carnival.

Oviedo Clinic Duties Explained At Coffee

By Bernice Kelsey
Mrs. Carl Fowler, chairman of the Oviedo High School Clinic, recently entertained with a coffee held in the school cafeteria with 17 mothers present for the occasion.

Mrs. Fowler explained duties of the mothers and stressed the importance of having someone on duty at all times. She advised that the clinic is a very essential part of the school program and needs the cooperation and moral support of every parent who has a child in school. This year there are 30 clinic mothers who give one day a month and eight substitute mothers who fill in upon emergency.

The duty of the mothers is not to act as a nurse but to give simple first aid or take care of the child until his parents can be reached.

This year the mothers have given a little homesick first grader just plain loving care, have taken high school students who were ill with temperatures to their homes,

have fixed many a cut, put on fresh bandages and have acted as seamstress when accidents happen to the clothing of a child.

Mrs. Fowler states that "Part of our job, too, is to help our county nurse with any projects she may have, since her time at the school in the county is very limited. This year we have tested the ears and eyes of all students in six different grades — audio, 366 students and visual, 110 students. After the preliminary screening of these students, the county school nurse rechecks those with whom there was any doubt and the next step is to advise the parents. The screening has saved the nurses much time.

"The clinic is staffed with mothers who are interested in the welfare and health of our children. The importance of it cannot be overemphasized. To those who give freely of their time, the Community of Oviedo owes a debt of gratitude."

Altamonte PTA Adopts Budget For Year

By Julia Bartos
The 1963-64 budget as recommended by the executive board of the Altamonte Springs PTA was adopted at a meeting of the general membership held Oct. 22 at the school.

Breakdown of the budget includes the following items: administrative work, \$13; national state and county meetings, \$50; Christmas classroom parties, \$90; beautification, \$20; clinic needs, \$30; printing of the year book, \$25 and contingency fund, \$263.

A study discussion on Communism to be held in the school auditorium at 7 p. m. Nov. 12, was announced by Mrs. Bea Baxter, study discussion chairman. It is expected that a special speaker will be present for this discussion with further plans to be announced.

Bill Segrist reported on progress of plans to air-condition the school and it was announced that a total of 229 paid memberships had been received to date.

Members voted to resume the roomcount.

Frank Gore, principal, spoke briefly on the coming election and urged all voters to go to the polls.

Following the business session a skill contest "Sandwich and the PTA" was presented.

The November meeting of the Bear Lake Elementary PTA will be held next Tuesday in the school auditorium. A social period at 7:30 p. m. will precede the business session scheduled for 8 p. m.

Pine Needle Work Displayed For DeBary Club Members

By Mrs. Adam Muller
A special showing of pine needle articles was presented by Mrs. M. Hatfield of St. Petersburg for this month's workshop of the DeBary Home Demonstration Club held last Thursday at the Community Center with 50 members and guests in attendance.

During the morning the ladies worked on various crafts and handwork which are being made in preparation for Christmas gifting.

Hostesses for the luncheon and social period at noon were Pauline Pettit, Mary McManus, Maude Hitter and Mrs. Ivan Walker.

Of special interest to the group was an 18-inch "dish rag" plant which was brought to the meeting by Mrs. Anthony Dypel and her sister, Mrs. Thomas Washick of Kansas City. This plant, taken from a seed in Florida, was grown in Kansas City and returned with Mrs. Washick on her present visit. When dried and pressed it makes an excellent cloth-type substance for cleaning pots and pans.

The afternoon lesson on "Paint Up-Spruce Up" was given by Mrs. George Wright, president, and Mrs. H. Vilt, vice president.

Firemen Plan Annual Dance

By Mrs. Adam Muller
The DeBary Volunteer Fire Association will sponsor the annual Halloween Dance this Saturday at the Recreation Hall of the Fire Station between the hours of 8:30 p. m. and 1 a. m.

Music will be provided by the Populafres. Costume will be optional.

Tickets are available from any member of the dance committee or any of the firemen.

The American Newspaper Publishers' Association was founded in 1897.

Tribe May Single-Wing Leesburg

Sanford football fans who are under the impression that the Sanford High School football machine is overlooking the Leesburg Yellow Jackets and pointing for next week's clash with Wildwood are dead wrong.

At this moment nobody realizes the potential of the Jackets any more than the Tribe's coaches and players.

Seminole meets the Leesburg eleven Friday night in the Lake County City in one of the top Central Florida contests of the week's grid slate.

Head Coach Jim Pigott revealed this morning that he and his assistants, back field coach Dick Williams and

line coach Jim McCoy, had instructed a series of plays to be run from the old single wing formation and Seminole fans will see it Friday.

Watching the Leesburg game will be the Wildwood Wildcats, the team Seminole will play in its annual homecoming clash a week from Friday night.

When the Indians go into the single wing Quarterback Ronnie Hinson will be the tail back, the right half will become the blocking back when they run to the left, and the left half will become the blocking back when they go to the right. Of course, the fullback will continue to

run from the fullback spot.

The purpose of this maneuver, according to Pigott, is to enable Hinson to get his passes off much quicker because of Leesburg's highly touted defense. Pigott admitted that all of his scouting reports indicate the toughness of the Yellow Jacket line and vowed that he'll stop at nothing to be ready to throw everything but the kitchen sink at the Leesburg crew if necessary.

During Wednesday's workout backfield coach Williams worked out the Seminole line while line coach Jim McCoy ran the Tribe's backfield through a spirited drill. The purpose of the unusual maneuver was to acquaint each of these categories of players with their cousins go through from time to time.

Commenting on the single wing, Pigott declared, "I'm of the opinion we've got the stuff to make the single wing go. Not only will we be passing from this formation, but we'll have the power plays as well as the up-the-middle stuff."

Also Wednesday, the Headhunters, Seminole's defensive unit, watched the Leesburg plays. McCoy is going all out to sharpen the defensive ball club's reaction to whatever offense the Jackets toss at the Tribe.

Pigott reported that Buddy Lawson's ailing calf muscle is improving and that he'll be ready for action. A few of the youngsters have colds, but other than that Pigott claims the entire ball club is ready for their sixth engagement of the season.

EARL BLACK, Seminole High halfback (No. 22) latches on to Ron Hinson's aerial on the initial play of the Sanford-Winter Park affair last Friday night at Memorial Stadium. Black went on to score on the 78-yard play for the Tribe's first touchdown in their 32 to 6 win over the Wildcats. (Herald Photo)

Gators Can't Stop Auburn In Practice

By United Press International

Coch Ray Graves left the Florida's practice field Wednesday grumbling because top defensive unit had been unable to stop the B-squad running Auburn plays.

The Gators play Auburn Saturday at Auburn.

"Our attempts to defend against Jimmy Sidis in practice were terrible," Graves said. "When we can't stop a B-team quarterback imitating Sidis, it will probably be a long afternoon Saturday when the real thing faces us."

The Louisiana State University Tigers concentrated on offense to prepare for their meeting Saturday with Mississippi, the leading defensive team in the nation.

Coach Charlie McClendon held an overtime practice Wednesday to stress the passing game and goal line offense and said his team would be in good physical condition.

Coach Johnny Vaught put his Ole Miss squad through a rough practice stressing defensive alignments against Tiger-type plays.

Most other Southeastern Conference teams held tapering off drills and polished game assignments for week-end encounters.

Hurricanes, Cubs In Rematch

The South Seminole Junior High School Hurricanes, with a three and one record thus far this season, clash tonight at Longwood's Lyman Field with the Oviedo Junior High Lion Cubs.

The Hurricanes have posted two of their victories this season over St. Cloud Junior High. The other win was recorded over the Lion Cubs earlier in the season. The one Hurricane loss was to the strong Sanford Junior High Braves.

The Hurricanes now have lost 12 members from their squad since the beginning of the season. The latest was Don Smith, a 160-pound tackle who sustained a serious eye injury last Monday while engaged in a touch football game.

Also lost to the Hurricanes for the remainder of the season is the outstanding South Seminole guard, Paul Lambert. Lambert came out of the St. Cloud affair last week with a bruised kidney.

Head Coach Jim Clark and his assistants, Dave Miller and Tom Barnes, will probably start ends Glenn Duncan and Charlie Newell, tackles Greg Danko and Bruce Stuart, guards Bob Herrington and Richard Kaiser, center Bob Olson, quarterback Jim Lucas, halfbacks Brent Helms and Dennis Garret, and fullback Richard Rubright.

This contest will close out the Hurricanes' home season. They will ring down the curtain on this season's campaign next week in the annual Peanut Bowl game with the Braves of Sanford Junior

High at Sanford's Memorial Stadium.

Thus far this season the Lion Cubs have dropped their four games—two of the defeats have been at the hands of the Braves, one to South Seminole and the other to the St. Cloud Junior High eleven.

About Sports

Thinking Out Loud

BY JULIAN STENSTROM

One of the basic reasons for the tremendous success enjoyed by Seminole High's recent football teams has been the junior high school program instituted several years ago in and around Sanford.

Recently we've heard questions as to the soundness of a junior high school football program. We talked to South Seminole Junior High's football coach, Jim Clark. Here are some of Jim's observations:

"I'm convinced that junior high football helps the kids who participate in the program. First of all he learns something besides football. For the first time in his life he realizes that to be eligible to participate in the sport he must pay closer attention to his studies and work ever so much harder on his scholastic standing to maintain his eligibility.

"Next, there's a strong safety factor involved. At the junior high level we teach the youngsters the basic fundamentals of the game. Generally speaking, injuries are fewer to those who grasp the fundamentals. When they reach the high school junior varsity and varsity levels those schooled in good fundamentals and actual game experience are less likely to be hit by serious injuries.

"But there's more to it than just that," Clark went on to explain. "If these youngsters want to play football—even junior high football, they realize that they have a responsibility to themselves, to the team and to the school to keep themselves physically fit. They also realize for the first time that they must function as a part of a unit to be successful.

"Finally," said Clark, "we generally find that we have less disciplinary problems with our junior high boys who play football than we do with sons who do not participate. Our kids, for example, know that any unsatisfactory conduct on their part, on or off the field or in or out of the classroom, can cause him to be removed from the squad.

"There's one junior high coach's opinion. We think he's hit the nail on the head.

From all of the reports received by The Herald's sports department we'd say that the number of girls participating in the various bowling leagues in this vicinity has reached an all time high. The girls are certainly going for the sport in a big way—not only here but throughout the country.

Evelyn Venstra, a Patterson, N. J., school teacher, recently finished the 1962-63 season with a 202 average to lead all the women bowlers in the country, according to the Women's International Bowling Congress.

It was the highest women's average since 1960. Evelyn says the WIBC, maintained her 202 during 102 league games. We'd say that was some pretty fair bowling in anybody's circuit.

But Evelyn's 202 was still not a record. The high record average is still held jointly by Floretta McCutcheon of Pasadena, Calif., and Sylvia Wene of Philadelphia. Their averages were 206.

After five games, Miami University's leading scorer is Don Cifra who goes into the game only to kick. Cifra has two field goals and one extra point conversation for seven points. Can you imagine that—a record for five games?

Speaking of the Hurricanes the University of Miami has played before a total audience of 195,300 during their four home tilts this season. This compares favorably with the 188,208 who saw them play their first four home engagements last year.

Tradition will be broken on at least one count in this year's Florida-FSU football clash when the game ball will not go to the winning coach. Instead, it will go to some hard-working, and perhaps working on behalf of State Amendment No. 2, commonly known as the College Building Amendment.

The county chairman who comes up with the highest percentage of "yes" votes in his county on the amendment will receive the ball, courtesy of the Gators' Ray Graves and the Seminoles' Bill Peterson.

'Canes May Be Seeking O'Boyle

NEW ORLEANS (UPI)—A New Orleans sportscaster said last night a group of Miami University alumni wanted Tulane Coach Tommy O'Boyle to replace Andy Gustafson when he retires at the end of this year.

Lynn Pharis, sports director of WVUE-TV, said Miami officials and O'Boyle refused comment. But he said O'Boyle's name has "definitely been dropped into the pot" as a contender for the job.

O'Boyle, head coach of the winless Green Wave for two years, was an assistant under Gustafson from 1959 to 1961.

O'Boyle was a standout lineman for the Greenies in the early 1940s.

Gustafson will retire as head football coach, but will continue in his post as athletic director.

Rudolph Rules As Favorite

ALMADEN, Calif. (UPI)—Mason Rudolph, an also-ran for most of his five years on golf's golden tour, goes to the tee today as the favorite to capture the \$25,000 Almaden Open tournament.

The bespectacled shotmaker from Clarksville, Tenn., won the Fig Garden Open at Fresno last week—and if he could win this one, he would be the first man in 1963 to win two tournaments in a row.

Falcons Over Cadets

By Major Ames B. Hoopie

Expert on Interference

Egad friends, we're headed for another exciting weekend of football.

The Big 10 standings are due for a shakeup as all 10 teams engage in intraleague warfare.

Elsewhere, such traditional foes as Louisiana State and Mississippi, Missouri and Nebraska, and Florida and Auburn are scheduled to bump heads. And a spanking new traditional battle gets its baptism by fire as the Air Force Academy and the Army meet for the first time on the football field.

The Air Force Falcons will be up for this one. In fact, they will be up in the air from the opening whistle on the good right arm of Terry Isaacson. Quarterback Isaacson is as fine a college passer as your humble correspondent has seen since he bunk time off to tutor Gus Dorais at Cedar Point one summer long ago.

Now go on with the forecast.

Halloween Party Held By Class

MRS. NOAH BOOTH, left back row, teacher of the Truthseekers Sunday School Class of First Baptist nine year old junior girls, with the group in Halloween costumes. From left are Donna Hunter, Debbie Warfield, Debbie RICHARDE and Vickie Patterson and in front, Jorie Rumney and Linda Seymour. (Herald Photo)

The Truthseekers Sunday School Class of the First Baptist Church met at the home of their teacher, Mrs. Noah Booth, for a Halloween party.

The group all dressed in colorful costumes and enjoyed a cook-out consisting of hamburgers, baked beans, potato chips, marshmallows and cold drinks. Games were enjoyed during the evening in the back yard of the Booth home.

Those attending were Robin Enos, Donna Hunter, Debbie Warfield, Jorie Rumney, Debbie RICHARDE, Linda Seymour and Vickie Patterson. Another member of the class, Edith Walker, was unable to attend.

Auxiliary To Meet Friday

The ladies Auxiliary to the Campbell Loring Post 53 American Legion, will meet this Friday at 7:30 p.m. at the Legion Hut on 17-92. Members are urged to attend as final plans will be made for the Legion Fair, scheduled for Nov. 4 through 9.

Mrs. Perkins Hostess For UDC Meeting

Members of Norman De Vere Howard Chapter, United Daughters of the Confederacy, met with Mrs. B. L. Perkins on Magnolia for the regular monthly meeting.

Following the ritual Mrs. W. L. Merritt, president, conducted the business meeting. Committee reports were read and additional plans made for the district meeting in Sanford in February. Members approved a motion to replace flags and markers for three Confederate veterans at the local cemetery.

Mrs. C. E. Jones of Clermont, district director, was guest speaker for the afternoon and gave a comprehensive report on the recent UDC convention in Pensacola.

Mmes. David Caldwell and Martin Bram were co-hostesses with Mrs. Perkins and served a variety of cakes with coffee from a table covered with an embroidered cloth and centered with an arrangement of fall flowers.

Other members attending were Mmes. L. A. Brumley, Richard Gleason, Claude Herndon, A. W. Lee Jr., G. E. McCall, H. B. McCall, R. B. Monroe, R. F. Robison, A. K. Rossetter, T. J. Taylor, J. St. Clair White, and R. H. Wright.

Luncheon Honors Janet Bauder

Seventeen guests were present for a luncheon in the private dining room of the Capri Restaurant when Mrs. M. V. Parry entertained in honor of Miss Janet Bauder, bride-elect of Leon Feagin, of Eagle Lake, Fla.

Sweetheart roses entwined in a rose trellis was the center arrangement at the honoree's table and each place card held a single sweetheart rose to complement the corsage of the bride-elect.

Those sharing the luncheon with the guest of honor were Mrs. Keith Bauder, the honoree's mother, Mrs. L. O. Feagin Jr., of Eagle Lake, mother of the groom-elect; Mrs. E. A. Fisher, Mrs. Earle Ward, and Mrs. Ernest Ward of Winter Park.

Other Sanford guests were Mrs. J. L. Hobby, Mrs. J. C. Davis, Mrs. George Chapman, Mrs. Dwight Blackwelder, Mrs. Roy Mann, Mrs. George Touhy, Mrs. James S. Ekern, Mrs. Grover Sewell, Mrs. Thomas Fulton and Mrs. Waldmar Dietrich.

Miss Bauder is the daughter of Mr. and Mrs. Keith J. Bauder, 2105 Cordova Drive and has chosen Nov. 20 as the date for the wedding.

His And Her Garden Club To Meet Monday

"Founders Day" will be celebrated by the Chuluota His and Her Garden Club on Monday, November 4, at 2 p.m. It is particularly significant that this meeting is to be held at the home of Mrs. Alfred Van Wormer of 471 Fifth Street who first conceived the idea of a Garden Club in this area, and who arranged for and conducted the organizational meeting in November, 1959.

The group usually assembles in the evening, but to commemorate the Club's birthday and to make it possible to meet at the Van Wormer home, the meeting has been called for 2 p.m.

The program will be based on "Hints and Short Cuts for Florida Gardeners." Members are urged to bring to the meeting any ideas for using unusual materials and any short-cuts they have found helpful in their gardening.

Catholic Club Plans Meeting Monday

The regular monthly meeting of the Catholic Women's Club of All Souls Parish will be held on Monday, Nov. 4 in the Parish Social Hall.

After the business meeting, Mrs. John Purdy, program chairman, has "Password" scheduled for the entertainment.

All ladies of the parish are cordially invited to attend. As usual, there will also be refreshments served during the social hour.

Mrs. Miller Honored With Welcome Tea, In DeBary

By Mrs. Adam Muller Seventy guests were present for a special welcome tea, honoring Mrs. Wilbert Miller, at the home of Mr. and Mrs. H. V. Baugh, on Jasmine Drive, DeBary.

Mrs. J. Barish was in charge of the guest book and Mrs. F. A. Moesel and Mrs. B. D. McNutt presided at the tea table which was overlaid with an antique lace cloth and centered with garden blooms in a silver container. Silver and china appointments completed the table.

Mr. Baugh, who made some of the cookies served with the refreshments, donned an apron and assisted the ladies with the serving.

The new Mrs. Miller, guest

of honor, is from Nutley, N. J., is an RN and interested in a warm welcome to the wife of the developer of Lake Maria Estates. DeBary residents extend

Musical Program Presented By DeBary Woman's Club

The Music Department of the DeBary Woman's Club presented a program on the life and works of Franz Schubert, recently, at the home of Mrs. Laura Platt Brown, on Alicante Road.

The program was arranged by Miss Adelaide Conte, chairman of the Music Department of the Woman's Club. Mrs. Ludwig Kueper gave a resume of the life of Schubert followed by a piano selection "Impromptu Op. 90 No. 4."

Mrs. A. MacNaughton, soprano, sang "Who Is Sylvia," "Hark, Hark, the Lark" and "The Trout." Mrs. W. Donaldson, violinist, played "Ave Maria" and "The Serenade" and Robert N. McGee, baritone, sang "The Wanderer," "Thou Art Repose" and "The Organ Grinder." Accompanists were Miss Conte and Mrs. L. Kueper. A tea and social hour followed.

Club Bazaar Schedules Visit From Santa

Mrs. L. E. Leeper, chairman of the Sanford Garden Club bazaar announces that plans are progressing well and everything will be ready by the scheduled date of Nov. 15 and 16.

"Harvest Time" is the theme chosen for the annual event and the place will be the Sanford Woman's Club Building, on Oak Ave.

A special feature of the two day event will be the appearance of Santa Claus on Saturday morning. He will be there from 10 a.m. to 12 noon, on that day all customers with children are invited to visit the bazaar during that time.

Mrs. E. D. Rinehart has donated a madonna and flower container which will be won by some lucky person. Mrs. C. M. Flowers, chairman of the refreshment committee, announces that sandwiches, cake, pie and coffee will be available during the two day program.

Osteen Personals

By Mrs. Clarence Snyder Mr. and Mrs. Edwin Judy of Columbus, Ohio, have returned to their home after a two weeks visit with his sister, Mrs. Mary Barnhart, of Enterprise Road.

Homemakers

By Mrs. E. L. Johnson

We seem to be getting in the holiday mood and have had several real nice recipes sent in.

Here is a fruit cake recipe from Mrs. B. H. Stone of Bevier Road.

LIGHT FRUIT CAKE
 1 lb. cow butter (no substitute)
 1 lb. white raisins
 1 lb. candied cherries, red and white mixed
 6 eggs
 2 tsp. lemon extract
 2 cups flour
 2 cups granulated sugar
 1 lb. pecans
 1/2 lb. candied pineapple
 Cut cherries in halves, cut up pineapple. Separate eggs, get the whites aside. Cream together egg yolks, butter and sugar. Add flour and mix well. Add lemon, nuts and fruit. Beat egg whites, not dry. Fold into batter. Grease pan and line with paper and grease paper. Bake 1 1/2 hours at 200 degrees. Increase heat to 300 degrees and bake for 30 more minutes.

GLAZE
 2 tbsps. brown sugar
 2 tbsps. water
 1 tbsps. syrup
 Boil 2 minutes and pour over cake.

This fruit cake recipe comes from Pearl Brewer of Xenia, Ohio.

1 lb. ground fresh fat pork
 3 cups boiling water
 3 cups brown sugar
 1 tsp. salt
 2 eggs beaten
 1 tbsps. soda in
 1/2 cup boiling water
 5 cups sifted flour
 1 lb. dates
 1 lb. raisins
 pkg. figs
 1 lb. English walnuts, broken
 1 lb. mixed candied fruit
 1 tsp. cinnamon
 1 tsp. cloves
 3/4 cups Concord Grape Wine

Four boiling water over meat and dissolve. Add sugar, beaten eggs, salt, then add soda water and flour. Beat. Add fruit, nuts and spices. Then beat in wine. Bake in 350 degree oven for 1 hour. Use either greased loaf pans or 1-lb. coffee cans.
 Mrs. Brewer says that "after they are cooled, wrap in foil and freeze, then two weeks before using take them out and defrost. Soak cheese cloth in wine and wrap, using foil again. Keep in cool place. Be sure to cut up the fruit. Whole candied cherries are pretty in the cakes."
 Of course its cranberry time again. Let's try this tube pan **CRANBERRY CAKE**.

3 tbsps. melted butter
 1 cup sugar
 3 cups fresh cranberries washed and dried
 1/2 cup shortening
 1 cup sugar
 3 eggs
 1 tsp. vanilla
 2 1/2 cups sifted flour
 1 tbsps. baking powder
 1/4 tsp. salt
 1 cup evaporated milk
 Combine butter, 1 cup sugar, and cranberries. Press mixture into bottom of a 9-inch tube pan. Combine shortening and 1 cup sugar and beat until light and fluffy. Stir in eggs and vanilla and beat thoroughly. Sift together flour, baking powder and salt. Stir flour mixture into egg mixture, alternately with milk, beginning and ending with flour mixture. Pour batter over cranberries in tube pan. Bake in moderate oven 350 degrees 30 minutes or until done. Invert pan on plate and let stand 1 minute. Remove pan. Cake may be served warm with a hard sauce or cool with ice cream. Serves 8 to 10.

EGGNOG PUNCH
 1 1/2 quarts dairy eggnog
 1 quart lime sherbet
 Pour eggnog into a small

punch bowl. Top with scoops of lime sherbet. For serving, ladle into punch cups. Serves 12.

MINCEMEAT ICE CREAM
 1/2 tsp. salt
 1 cup sifted enriched flour
 4 to 6 tbsps. lard
 2 to 4 tbsps. cold water
 Add salt to flour. Cut lard into flour until crumbs are about the size of small peas. Add cold water, a little at a time, mixing quickly and evenly until dough just holds into a ball. Use as little water as possible. Roll to about 1/4 inch in thickness. Line a 9-inch pie pan and ring the edges. Prick pastry with fork before baking. Bake in hot oven 450 degrees 8 to 10 minutes.

MINCEMEAT - ICE CREAM FILLING
 1 1/2 cups prepared mince meat
 1 quart vanilla ice cream
 Fold 1 cup of mince meat into 1 quart of softened vanilla ice cream. Pour mixture into baked pie shell and place in freezer to set. Shimmer remaining 1/2 cup mince meat in a saucepan for 5 minutes. Chill. Spoon mince meat around edge of filling.
 This is a perfect dessert for that holiday dinner. Use chilled plates when you serve it.

DIVINITY
 3 cups sugar
 1/2 cup light corn syrup
 1/4 cup hot water
 1/4 tsp. salt
 3 egg whites
 1 tsp. vanilla
 In 2-quart saucepan, combine sugar, corn syrup, hot water and salt. Cook and stir until sugar dissolves and mixture comes to a boil. Cook to hard-ball stage (250 degrees) without stirring. Wipe crystals from sides of pan now and then with fork wrapped in damp cloth. Remove from heat. Immediately beat egg whites stiff. Pour hot syrup slowly over beaten egg whites, beating constantly at high speed on mixer. Add vanilla and beat until mixture forms soft peaks and begins to lose its gloss. Drop divinity from spoon, pushing off with a second spoon, onto a baking sheet covered with wax paper. Twist tops. If divinity becomes too stiff for twisting add a few drops of hot water.

RED APPLES ON A STICK
 Wash and dry 8 medium red apples; remove stems. Insert a wooden skewer in stem end of each apple. Mix 3 cups sugar, 1/2 cup light corn syrup and 1/2 cup water in saucepan. Bring to a boil stirring until sugar is dissolved. Cook without stirring until a small amount of mixture separates in threads which are hard but not brittle when dropped in very cold water (285 on candy thermometer). Remove from heat, add 1 drop of oil of cinnamon and 1 tablespoon red food coloring, stirring only to mix. Hold each apple by skewer end and quickly swirl in syrup filling pan to cover apple completely. Remove from syrup, allow excess to drip off, then swirl to spread syrup smoothly. Cool on lightly buttered baking sheet.

CARROT AND ALMOND CONSERVE
 2 lbs. carrots

Corner

PECAN FRUIT CHEWS
 2 eggs
 1 cup sugar
 1 cup sifted flour
 2 tsp. baking powder
 1/4 tsp. salt
 1 tsp. vanilla
 1 cup broken pecans
 1/2 cup chopped dates
 1/4 cup candied cherries
 Beat eggs well, add sugar slowly. Sift dry ingredients and add alternately with vanilla, pecans and fruit. Place in large baking pan-greased so that batter will not be more than 1/2 inch thick. Bake in 350 degree oven for 30 minutes or until firm. Cut in squares.

Gamma Lambda Members Enjoy Art Program
 Mrs. Banks Golden was hostess for a recent meeting of the Gamma Lambda chapter of Beta Sigma Phi. Joseph E. Mathieux, Seminole Art Association president, was a guest speaker.
 Mr. Mathieux gave an interesting and informative discussion on painting and other arts. He also showed some of his paintings.
 During the business session the ladies decided that money would be sent to Sunland Training Center in order that the child being sponsored may have a birthday party. Plans for a November dance were discussed and committees appointed.
 Punch and brownies were served by the hostess during the social hour.
 Attending were Misses: Gil Daigle, Jo Kampf, Jimmy Jones, Jay Carter, LaMar Merkleith, Don Hammer, Jerry McCabe, Jim Blythe and Larry Mann.
