TWIN BILL TO ST. JOHNS J. C.)

What a difference a week makes!! Since our double loss to St. Johns on March 30th, the Raiders have added seven consecutive wins. During those seven games, the pitching staff did not give up an earned run. The pitchers now have 48 straight imaings without giving up any earned runs. While doing this they have only issued eight bases on balls and struckout 46. Pitching controls your game, and good pitching controls winning.

Students

The hitters were also making their bats talk during those seven games as they scored 32 earned runs on 72 hits. Jim Gruber from Edgewater High in Orlando and Carl Shumaker for Sanford Seminole are team leaders with averages of 365 and 262, respectively. Gruber has also hit home runs to lead the state in that category. We are now batting 301 as a team to rank us second in the state, behind St. Petersburg which with eight strikeouts and didn't walk a man.

Our conference record stands 9-5.

Steve Simpkins, our little lefty, from Lyman, has a 4-3 record. That is deceiving since he lost a 2-1 game to Indian River Junior College, and then lost a 1-0 game to St. Johns in extra innings. His third loss came at the hands of St. Petersburg Junior College when he relieved the starter and lost by one run. Simpkins not only has the lowest era on the pitching staff, but also has a hot but with a blistering 333. Simpkins and John Perry are the only Sophomores on the squad this year, and we will have everyone back next year plus some more good Freshmen.
