Secretary of Labor Davis Will Retire From Cabinet; Roosevelt Successor Named

WASHINGTON, Nov. 12.—Two developments in the reorganization of the official family of President Coolidge were made known today, but at the same time it was emphasized at the White House that no immediate changes are in contemplation.

Secretary Davis of the Labor Department, it was learned, has asked Mr. Coolidge to be relieved of his post on March 1 next. At the same time President Coolidge announced the selection of Theodore Douglas Robinson in New York, a nephew of President Roosevelt, to be assistant secretary of the Navy, an office made vacant late in September by the resignation of Theodore Roosevelt who then entered the gubernatorial race in New York.

It was stated officially at the White House that the president has not so far given any further consideration to the organization of his cabinet since he had received no intimations other than from Mr. Davis that any members wished to retire.

It was understood the president has expressed the hope that Secretary Davis will remain in the cabinet. Persistent reports, nevertheless, continue that one only member of the cabinet will signification of retiring to private life for one reason or another.

In connection with the vacancy in the cabinet caused by the death of Secretary Wallace of the department of agriculture it was stated today that the law requires that such a post may be filled by an acting secretary for only thirty days. White House officials explained, however, that the president may appoint Howard M. Gore, an assistant acting secretary to the cabinet of secretary of the interior, who will be acting secretary of the interior until March 1, when he will be appointed secretary of the interior.

Secretary Robinson's appointment is expected to be announced today. He is a nephew of President Roosevelt, and his appointment is expected to be announced today. He is a nephew of President Roosevelt, and his appointment is expected to be announced today.

Arrangements for funeral are being completed today.

Internal Revenue Hearings To Be Resumed Next Week By Senator James Couzens

WASHINGTON, Nov. 12.—The knowledge administration and there were some doubt as to how he would Independent Republics, who are in the presidential contest. Later he fell in line but made no attempt to delay the hearings. Mr. Couzens is a Republican and has been a vocal supporter of good behavior.

With the all investigation and the plausibility inquiry out of the way, Mr. Couzens can make a lot of trouble for the treasury officials. Frank C. Conroy, a member of the House of Representatives, and Mr. Couzens are both in Washington with a view to having him conduct a vigorous investigation into revenue affairs.

Administration officials are now wondering if Mr. Couzens will object to the services of another able attorney and put teeth in the law. A bill introduced by Mr. Couzens will be asked to include the prohibition unit in the budget and the prohibition unit in the budget and the prohibition unit in the budget.

Scores Take Part In Opening Events Armistice Program

(Continued on page 5)

Over all the world industry calls with its myriad hazards and hardships. More and more men turn their eyes to the sturdier life of the open, drawn by a hunger for the hills and soil.

"Not only do new regions and fields range summer their conquerors, but over all this half-explored earth great projects call for the pioneers of peace, the sappers of civilization to bridge the gulf or tunnel the mountains; to irrigate or drain; to seek out and conquer disease. Thus can we breed hardihood without war. Thus shall we achieve strength without destruction."

"Obedience to command and loyalty to a soldier" were stressed by Roy Chittenden, who declared that war teaches the lesson of obedience but does not teach discipline. He said in part:

"The spirit of obedience to command can be cultivated. Without it no nation can endure, no law is worth writing, no established order is secure. War teaches this lesson of obedience. Not always does it teach it lastingly. Some men emerged from service hating discipline. War had not taught them its necessity. Others returned to find that in civilian life they missed its constant pressure. War had not taught them the higher virtue of obedience to one's own will. Yet war does teach discipline.

"How in peace shall men learn this lesson? The spirit of discipline is no spirit of slavishness. It is the bigness to recognize that, for the time being and for the good of us all, some of us must exercise authority over the rest of us, and that the rest of us, for the good of all, are bound in honor to obey them. It is the spirit which recognizes that

"The game is more than the player of the game.

And the ship is more than the crew."

Following the address by Mr. Chittenden, Monroe B. Hutton spoke upon the subject of courage and devotion. No one can be drawn between sacrifice and valor, he said.

"The courage of war left all the world at once proud and humble, at once ashamed and inspired. It is for us to convert the martial courage into civil courage. We must convince ourselves that we can be brave at home as well as abroad. We must recognize that this civil courage is higher, rarer, more difficult, more needed. We must honor the courage of every day, the valor of clean, uncompromising lives lived in common honor and devotion.

"It is for us then to learn the valor that endures in peace as well as war, to know that

"The present needs our courage and our might.

Behold, on every hand new forces to fight.

And grim imperial wrongs that war with right.

Though gun be spiked and sheathed the blood-stained sword.

Forever sounds the bugle of the Lord."

George H. Everson, post commander of the American Legion post at Palatka, delivered a short oration in which he lauded the memory of those men who had laid down their lives that Democracy might not die but be everlasting.

Speakers following Mr. Everson were R. J. Holly and Mayor Ernest Lake, both of whom stressed the importance of the occasion. The mayor's address, concluding the memorial services, was a tribute to the fighting forces of America who answered the call to arms without a murmur, who fought valiantly on a foreign soil to pro-

Extent of Arctic Ice Is Largest In Captain's Memory

SEATTLE, Wash., Nov. 11.—How the ice in the Arctic Ocean, the worst this year that white men have ever known in the waters north of Alaska, worked to destroy two gasoline schooners, the Arctic of San Francisco and the Lady Kindersley of Vancouver, B. C., was related by Captain John Backland, master of the sailing schooner, C. S. Holmes, which is wintering here.

"I have been going into the Arctic since 1907," said Captain Backland, "but never before did I find the ice so extensive as this year. The bergs were not so large as I

have seen them, but the pack was tremendously more extensive.

"The cause of the great fields of ice along the northern Alaska coast this summer was the prevailing westerly winds. There is the same quantity of ice in the Arctic each year, but the winds determine where the fields will form. With easterly or northeasterly winds, it will be found off the coast of Siberia."

Captain Backland said the Lady Kindersley and the Arctic were lost by following leads through the ice, which closed upon them. Members of the crew of the Arctic made their way ashore to Point Barrow, Alaska, over the frozen sea. The men of the Lady Kindersley were taken aboard the steamer Boxer, of the United

States Bureau of Education, after a hard passage with canoes and skin boats over and through three miles of ice. The cargoes of the Arctic and the Lady Kindersley were abandoned.

"When I go into the Arctic ice," recalled the captain, "I always watch for a way to get my vessel out. I was 80 miles from Point Barrow while the Lady Kindersley was fast in the ice and her men were trying to get away from her. I was forced to go southwest in the ice, away from them, to keep from being caught myself."

William S. Lowry retired after 52 years' as letter carrier in Pittsburgh, walked 325,000 miles during his service.

New Minerals Are Arousing Interest In Saghalien Mines

TOKIO, Nov. 11.—Japan's determination to secure from Russia long-term exclusive concessions for oil wells and coal mines in northern Saghalien, a determination which has proved the chief stumbling block to agreement in the Russo-Japanese negotiations at Peking, is due to recent discoveries of richer fields in Saghalien than any the Japanese exploiters had hitherto been able to find, according to several of the leading Japanese newspapers.

The Hokushin oil company, first five years ago, Japanese enterprise in such joint venture with the Japanese army and navy to develop the rich fields in partnership with the Soviet regime. The concessions are being asked.

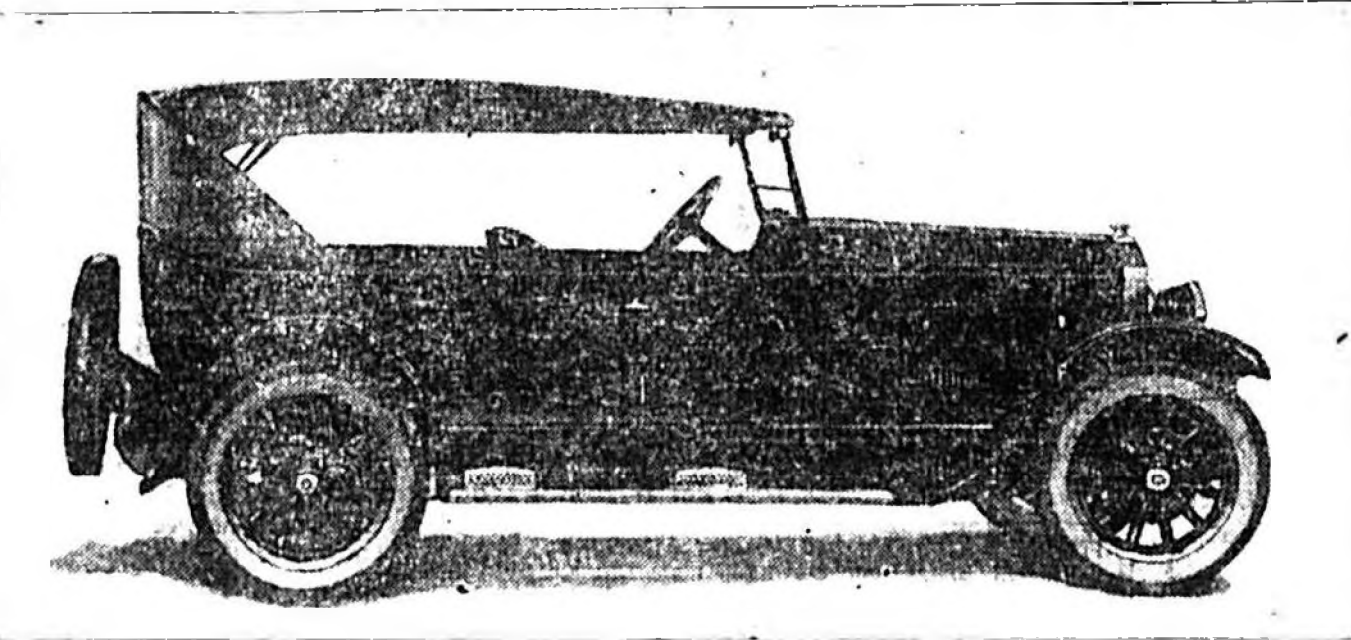

This Week and Next are Big Weeks of Contest

FINAL SPURT BEING MADE BY LADIES IN BIG SUBSCRIPTION CAMPAIGN

Last Chance to Win Only a Few Days Left

WILL BE GIVEN AWAY VERY SOON

Read These Rules CAREFULLY

The two biggest weeks of the campaign have begun to slip by. With less than eleven working days ahead of them contestants must exert every possible effort, if they would accumulate all the votes they should have.

Over-confidence here, ladies. Relaxation at this stage of the campaign is suicidal to success. Determination to win, coupled with relentless activity in vote gathering will make a winner out of a contestant.

This is not the time to hesitate. What is intended to be done must be done now. To postpone is to let some other contestant forge ahead and claim the prize that would have been yours.

The Herald's territory is being raked with a fine tooth comb, and the high of subscriptions will send votes totalling to almost colossal figures.

It now behooves every contestant to put his individuality into the work. There is no time to waste. The campaign will be the deciding factor in determining the winner.

Note the tremendous number of votes that will go to a five-year subscription. Present indications point to a half-million votes, and it looks certain that the prizes will be won by very small margins.

No one contestant can appear certain of victory, and there is abundant opportunity for the underdog. This final period will decide it is only those who hold the wave with a stiff upper lip, hunch and nerve, who stand that may arise that have the best chances of winning the Buick.

This final period will undoubtedly witness the most spirited battle that has yet taken place.

Victory is in the final voting schedule.

Work! Fight to the last ditch!

Birthday Party Given For Virginia Sellers

A merry group of young folks gathered at the home of Mrs. H. J. Flanagan at Ginderville, Saturday to help their little friend, Miss Virginia Lucille Sellers, celebrate her birthday.

In the spacious dining room two long tables were placed. These tables were decorated attractively in the national colors. Flags and red, white and blue paper were used to help carry out the appropriate color scheme.

After dainty refreshments were served, the guests spent two happy hours playing games. Late in the afternoon the guests returned home wishing the young honoree every happy return of the day.

The guests included Sue Hatch, Molly Fitzpatrick, Arto Flanagan, Edith Braxton, Lloyd Hatch, Joe Braxton and many others.

Many Spend Armistice Day on Wekiva River

The Wekiva River was the scene of one of the most enjoyable Armistice Day Celebrations when quite a number motored out and spent the day there. At noon a complete basket dinner and fish fry was enjoyed.

During the afternoon Rook and other games were played. At a late hour the tired but happy picnickers returned to their homes.

Church Members Entertained Monday

On Monday afternoon the Ladies Union of the Congregational Church met at the home of Mrs. John Meisch, with Mrs. Bender and Mrs. Meisch as hostesses. Besides the regular business of the Union several matters pertaining to the welfare of the church were discussed.

Mrs. Hanson of Mt. Dora, a clever impersonator, has consented to give a program in January and the Union hopes to be able to greet her with a full attendance.

After the business was disposed of the generous hostesses served a delightful refreshment of sand-wiches and cake, with coffee.

Propose New County Canal Point, Nov. 12

A new county carved from Palm Beach, the largest in the state, and to be named "Ginnery county" in honor of the Buffalo (N. Y.) newspaper publisher who has several millions dollars invested in this vicinity, is proposed. The dividing line as proposed would run along the line between ranges 39 and 40, which would make a north and south line about 20 miles back from the coast, the division striking West Palm Beach canal at the bend.

SANFORD HIGH SCHOOL GRID TEAM AND KISSIMMEE BATTLE TO 6-6 TIE ON ARMISTICE DAY

Peck and Byrd Star Performers In The Local's Backfield; Line Shows Up Well

Kissimmee Has 2 Backfield Stars

Both Teams Have Several Opportunities To Score But Fail

Approximately 1,000 spectators at Sanford High battle the fast Kissimmee eleven to a 6-6 tie yesterday afternoon at the municipal ball park in the most thrilling gridiron contest seen here this season.

The visitors were light but fast and the two teams were just about evenly matched as possible. Both lines almost impenetrable and most of the yardage was gained around the ends. Captain Peck of the locals repeatedly thrilling spectators with long sweeping runs.

The "Celery Feds" line again showed that Conches Hait and Helchel have one of the best trained sets of high school forwards in this section of the state, and the work of Pope at center and Whitfield at guard and Kennedy at tackle is especially deserving of mention.

Byrd and Peck were the shining lights in the local backfield. Byrd was a wonder defensively, and proved the most consistent ground signer on the field. In running back punts and bucking the line,

he showed some real class, and his work stands out prominently. Peck showed his usual flashiness and got off on several thrilling runs. Meisch was prevented from starting by an injured hip, but later got into the fray and displayed some of his old time form.

Both teams threatened to score several times, but apparently lacked the drive necessary to push the oval over. Sanford's most favorable opportunity to score came in the first quarter when Kissimmee kicked out of bounds on the 15-yard line.

Contrary to expectations, very few passes were attempted. Sanford completed six, and the visitors worked eight.

Snyder and McLean started for the visitors, both displaying some of the best football form seen here this year. Fast and flashy, these two backs caused the Sanford "rooters" many a score, and several times threatened to race for a touchdown.

Sanderson at tackle was a tower of strength in the line, and successfully broke up many plays that were intended to go over his position.

In the third period, he charged through the local's line, blocked Meisch's punt and fell on the ball back of the goal line for the initial marker of the game. Wines at half, and Bandy at quarter also showed up well.

First Quarter
Sanford won the toss and defeated the east goal. Kissimmee kicked off. Wallace returning the ball to midfield, where it was lost on downs.

Kissimmee failed to gain, and kicked, Byrd running back the punt to Sanford's 40 yard line. Byrd went over tackle for six yards and followed with eight, making first

down. Wallace fumbled but recovered. Byrd went over center for seven, and Barber make first down. A short pass, Peck to Wallace, made another first down. Wallace hit the line for two, Jeck failed to gain, a short pass was grounded and the ball went over.

Kissimmee failed to gain and kicked to Sanford's 35 yard line, Byrd returning to midfield. Meisch substituted for Wallace at fullback, Wallace shifting to tackle for Harrison. Peck raced 25 yards on a criss cross play and was downed on Kissimmee's ten yard line.

Byrd failed to gain, and a short pass, Peck to Meisch, placed the ball on the visitors' five yard line. Three tries failed to gain, and the ball was lost on downs. Kissimmee kicked out of danger, Byrd returning to Kissimmee's 45 yard line. Meisch went off tackle for four, and the quarter ended with the ball in Sanford's possession on Kissimmee's 40 yard line.

Second Quarter
Sanford was penalized five yards for being offside, and Meisch kicked to Kissimmee's ten yard line. The visitors failed to gain on three tries and kicked poorly, out of bounds. Sanford's ball on Kissimmee's 15 yard line.

Two tries netted but four yards and a Kissimmee player recovered a fumble on the visitors' 11 yard line. Kissimmee kicked out of danger on the first play, Byrd returning the ball four yards. Thompson substituted for Barber at left half. Peck fumbled but recovered. Two plays failed to gain and Sanford kicked to Kissimmee's 45 yard line. Coleman went in for Byrd at right half.

From a kick formation, Snyder, Kissimmee's back, shot a long pass to McLean which put the ball on Sanford's ten yard line. Snyder was thrown for a loss on the next play, two passes were grounded and the ball went over to Sanford.

Meisch kicked to midfield, Snyder returning four yards. On the first play Meisch recovered a fumble and got seven yards. Two line bucks failed to gain, and the half ended with the ball in Sanford's possession in the middle.

Third Quarter
Sanford kicked off, Snyder returning the ball to midfield. A

Kissimmee back fumbled, but recovered and raced 15 yards. Snyder went off tackle for 11. Two plays put the ball on Sanford's 12 yard line, and Snyder made first down with goal to go. Sanford recovered a fumble on her six yard line. Meisch attempted to kick out of danger. Sanderson, Kissimmee tackle broke through the line and blocked the punt, and fell on it for the initial touchdown of the game. Snyder failed to kick goal.

Sanford kicked to Kissimmee. The ball was returned to midfield where two line bucks failed to penetrate the local's line. A pass was grounded and the ball went over Sanford's ball on her 40 yard line. Meisch went over center for 15 yards, and Peck followed with 17 around left end.

Byrd took the oval four yards to Kissimmee's nine yard line. Peck was thrown for a loss on an attempted criss cross play and the quarter ended with the ball in Sanford's possession on Kissimmee's 12 yard line.

Fourth Quarter
Meisch went off tackle for two, and Byrd followed with four making first down, goal to go. Barber fumbled, but recovered. A pass, Peck to Meisch netted two yards. Two plays gained but three yards, and the ball was lost on downs. Kissimmee kicked, Byrd returning eight yards. A long pass, Peck to King, who substituted for Wilson, netted 28 yards, and an end run by Peck placed the oval on Kissimmee's eight yard line. Two short passes gained six yards, and Peck went over center for the marker. Meisch failed to kick goal.

Sanford kicked off, McLean returning to midfield. Two line bucks gained four yards. An off tackle play failed and the ball went over on downs. Peck gained six around end. Byrd followed with five, making first down. Two short passes placed the ball on Kissimmee's 14 yard line. The game ended with Sanford in possession of the ball almost in the shadow of the victor's goal posts.

DRINK WATER TO HELP WASH OUT KIDNEY POISON

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulate them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and you doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

Southern College Wins From Rollins Tars By Score 19-0

BARTOW, Fla., Nov. 12. — After playing three quarters without scoring, the Southern College Methodists of Lakeland staged a series of drives down the field that netted three touchdowns for a 10-0 victory over the Rollins College Tars from Winter Park. The Methodists kicked only one goal on the try for point after the touchdowns.

The game was witnessed by three thousand fans and was played as a part of the Polk County Armistice Day celebration program.

An intercepted pass, caught by substitute Halfback Marler, who ran 40 yards through a broken field for a touchdown, was a feature of the game.

REAL-ESTATE

We have some beautiful lake
front lots on Lake Wildmere one
half mile from the Dixie Highway in
a nest of beautiful clear lakes,
for sale.

We will build your home, land-
scape your grove, and relieve you
of trouble and worries incident to
building up a place.

In the meantime, you can go
fishing. You can fish in any one
of the dozen lakes, and if you don't
know how to fish, we have several
experts who will be glad to show
you. Mr. Scholfield who has been
singing at the Baptist Church will
vouch for the above.

For Sale

\$1000 Cash will buy one of the
finest lots to be found in this city.
This same lot can be resold at
present day market price for at
least \$1500. An opportunity for
someone. Phone 148.

Real Estate

FOR SALE REAL ESTATE
Five east front lots located on
Sanford Avenue in Lane's addition.
Each lot 56 feet wide. Two cor-
ners. This is one of the highest
points in the city and an ideal lo-
cation for some builder who is
looking for suitable lots on which
to construct homes. This section
of the city is known for its fine
homes. These lots at the price
they are offered will make a most
desirable for anyone to make big pro-
fits on the investment. Owners
have made other investments and
need money. On this account they
are offering these lots for sale at
a great reduction over the market
value of the property. But the
lots must be sold at once. Until
November 15 the price will be
\$2000 for the five lots. After that
time they will be increased. If
purchased now one third cash will
handle. Address Post Office Box
141, Sanford, Florida.
