

Sanford Wins Second Tilt From Azaleas By 9-7 Margin

Lookouts Gather Nine Hits From Four Palatka Hurlers

Atwater Is Blasted For 14 Scattered Hits In Fray On Local Field; Locals Go To Second

The Sanford Lookouts last night entered the second slot in the Florida State League standings by defeating the Palatka Azaleas 9 to 7 for the second time in close another two game series.

Charlie Atwater was on the mound for the locals and allowed the Azaleas 14 hits while the Lookouts secured nine safe hits off four Palatka hurlers.

Zoldin started on the hill for the Palatka nine and after allowing three hits which were good for three runs, he was relieved in favor of Ray Troy, who faced eight batters and gave up only two hits but walked three to tie the looking to be even to Jack Gaddy. Three runs were also gathered off Troy.

Gaddy pitched to eleven batters before Manager Andrews called him from the box and sent in Jack Royle to pitch. Gaddy gave up four singles which were good for only one run. Royle finished the game and was successful in holding the Lookouts hitless for the remainder of the game.

Leading the hitting for the contest was Trammell of the Azaleas. He gathered two singles and a double in four times at the plate while Joe Ruggerio and Punch McDaniel of the Lookouts secured two hits each along with El Turnbull, Herman Meeker and Herb Mosher.

The Azaleas started scoring in their portion of the initial frame when they combined three hits by Turnbull, Cunningham, and Lowe and one walk for two runs.

Sanford came back to overcome the two run lead when they combined three hits for three runs. Ruggerio singled to deep short, went to third on McDaniel's single to right field. Clark walked filling the bases. Brown grounded to Zoldin who forced Ruggerio to the plate and John Lacy flied out to right field. However, McDaniel scored on the play. Young walked filling the bases again and manager Lacy pounded out a single to center scoring Clark and Brown. Zoldin retired from the hill in favor of Ray Troy. Rodgers grounded out to end the inning.

Palatka retaliated with a lone tally in their half of the second to tie the score. A single by Troy, a walk by Blanchard and John Lacy's error of Trammell's grounder produced the run. A fast double play from John Lacy to Rodgers to Lacy retired the inning.

The Lookouts scored again in the second when Atwater led off with an infield hit and went to second when Ruggerio walked. McDaniel popped up to Turnbull. Clark singled to short center to fill the bases and Brown flied out to deep center. Atwater tagged up and scored on the play. Addy coming in the game in place of Lacy lined out to Andrews in center.

Palatka scored another run to tie the score in their half of the third when singles by Mosher, Andrews, and Blanchard netted the tying run.

Sanford scored two runs in their half of the third when a single by McDaniel was combined with one error and two walks to score Young and Lacy.

Sanford gathered three more runs to bring their total to nine in their portion of the fifth chapter. Rodgers singled to left field. Atwater was hit by a pitched ball and Ruggerio singled filling the bases. McDaniel fanned and Clark singled to right to score Rodgers. Brown was safe on a fielders choice scoring Atwater. On the second pitched ball to Addy the hurl was wild allowing Ruggerio to tally. Addy walked but Young flew out to short to end the inning.

Palatka scored three more in their half of the sixth when Trammell singled to left and went to second on an error by McDaniel. Lacy was safe on Ruggerio's error advancing Trammell to third. Turnbull flied out to McDaniel scoring Trammell. Mosher singled to right and Kettler reached field to score both Lacy and Mosher. O'Connell flied out to Rodgers and Blanchard popped up to Young to end the game.

Sanford's Pirates defeated the Azaleas' Senators in a 13-9 victory in the opening of the Junior League.

Orlando, Islets And Saints Take State Loop Wins

Kamp Hurls Daytona To 1st League Win; G-Men Lose Contest

ORLANDO The Orlando Senators gained their fourth straight win in Florida State League competition last night when they came from behind to down the DeLand Red-9 to 7 to remain undefeated in the league lead. Each team pounded out 12 hits in the game in which Orlando was forced to use three hurlers. Wolfberger hurled for the Reds while Jon Berry, Coon and McIntyre pitched for the victors.

ST. AUGUSTINE—The St. Augustine Saints tied the Sanford Lookouts for second berth in the league here last night when they downed the Gainesville G-Men by a score of 14 to 7. Hurling for the Saints were Sheridan, Fishback, and Hyder. Manager McShane used Savage, Flannigan and Fischer on the hill. The Saints pounded out 12 hits while the G-Men collected only six.

DAYTONA BEACH—Pete Kamp, 24-year-old Islander pitcher, hurled ten hit baseball on City Island Park last night to pick up the initial Islander win of the 1938 season. Kamp sent 10 of the Gondollers down via the strikeout route while his mates collected a total of only eight hits. Kamp kept the G-men batters separated in such a way that no damage was done. Travis and Gates saw action for the Leesburg crew.

For the first time in several years, the Seminole High School Celery Peds will not be represented by Florida's 20th annual State High School Track and Field meet to be staged in Gainesville Friday and Saturday of this week.

Coch Leonard L. McLain stated recently that local high school jads had not been sufficiently interested in track and field sports to warrant participation in the various meets during the season which climaxes with the State meet on the University of Florida campus.

Preliminaries will be held Friday, final events Saturday. Robert E. Lee High School of Jacksonville won the state title last year. Pensacola and West Palm Beach tied for second place.

Among the outstanding performers entered in the meet are Corrales of Hillsborough High at Tampa and Browning of Orlando High. Corrales holds the record for the 880 yard run by knocking holds the 120 yard high hurdles record.

President John J. Tietert of the University of Florida will be grand marshal. Judge H. S. Chickrell will be custodian of prizes. Col. W. S. Browning will be field marshal. Ulmer Hawkins will be announcer. Dr. O. F. Weber will be head finish judge. Prof. P. L. Reed will be head judge of field events. Prof. Frazier Rogers will be head timer. Percy Beard, university track and field coach, will be referee and director.

Baseball League, sponsored by the Lion's Club.

With a slight advantage on the mound backed by good fielding, the Pirates had little trouble holding the Seminoles in hand. The Junior League teams clash every afternoon at 6:00 o'clock on the Grammar School Ground.

Ben Cantwell is scheduled to take over mound duties for the Montreal Royals in the opener of the International League with the Syracuse Chiefs in the New York city today.

Cantwell, who was on the hurling staff of the Jersey City Giants last season, is all set for another big season with the Royals.

Locals And Saints Clash For Second Place In League

The Sanford Lookouts travel to St. Augustine today to open a two game series with the Ancient City crew. The game will be an important contest since both Sanford and St. Augustine will seek to retain second berth positions in the league standings.

Both clubs are tied for second place and Manager Lacy will place his hopes of winning in the hands of Johnny Rook or Bob Fisher. Babe Young will be behind the platter. Lyle Jody of the Saints has yet to announce his starting hurler.

The Lookouts line-up will be Joe Ruggerio on shortstop, Punch McDaniel in left field, Ray Clark in center field, Win Brown in right field, Leon Addy on third base, Manager Lacy on first base, Babe Young catching, Buck Rodgers on second base and Rook or Fisher doing the hurling.

The game will be played on St. Augustine's new San Marco Park and the two teams will play a return match here tomorrow night at the Municipal Park.

Full Term In U. S. Senate Is Urged By Senator Pepper

Cuban Trade Treaty And Sugar Control Denounced By Pepper In Talk Here

Pledges Aid To House Bill 4199

System Of Crop Insurance Endorsed To Assist Farmers

Declaring that he had tried to prevent the operation of the reciprocal trade treaty with Cuba, Senator Claude Pepper last night appealed to voters of Seminole County to give him a chance at a full term in the United States Senate, as thunder and lightning threatened at any moment.

Bringing his campaign into Seminole County for the first time in this campaign, the Senator spoke from a loud speaker system at the corner of First Street and Magnolia Avenue to a crowd equally as large as that which heard Congressman Wilcox here Monday night.

Senator Pepper said he had spoken in the Senate against limiting the amount of sugar which farmers of this state and nation may grow under the Sugar Control Act. The Everglades are more ideally suited to the production of sugar than any other place in this country, he stated.

"I will work for and support the General Welfare Act (H. R. Resolution No. 4199) to make it the law of the land," he said briefly referring to the Townsend Old Age Pension Plan without mentioning it by name.

Talking clearly and carefully, the speaker said that knowing the loss to the citrus growers of this State during the fruit fly eradication campaign several years ago, he had put forth every effort to force a fruit fly damage survey bill through the Senate and had succeeded in doing so. The Senator also told of asking and getting the President's help in behalf of the bill. Mr. Roosevelt requested a favorable report from a House committee and recently, Senator Pepper said, the committee did report the bill favorably and it is now on the House calendar.

"I favor," declared the Senator, "a plan of crop insurance for the farmers and growers of Florida. Not so long ago I put a resolution through the Senate requesting an appropriation to study a plan for some system of crop insurance for the farmers of this State." He added that \$50,000 had been allocated for such a purpose.

Mr. Pepper defended the relief bill, saying that the Administration (continued on page six)

P. Bayard Smith Elected Head Of Realtors Board

P. Bayard Smith was elected president of the Seminole County Real Estate Board at an organizational meeting held in the Chamber of Commerce building yesterday afternoon at 2:00 o'clock.

Other officers elected during the meeting were E. C. Deane, vice-president; and E. James Guilan, secretary-treasurer. These officers were elected for a term ending on Jan. 1, 1939.

Following the first meeting last week, the local organization applied for membership in the state organization during the convention of the state group in Orlando and was accepted.

Members of the newly formed organization will be held in the third week of every month and members expressed hope that all interested real estate owners and owners in Seminole County will become members of the board.

Those present at the meeting were A. P. Conroy, Mr. Deane, C. E. Ellis, Mr. James Guilan, F. L. G. Gorman, Mr. Guilan, Mr. Marshall, other interested persons who were not present at the meeting yesterday afternoon. Present were F. L. G. Gorman, Mr. Marshall and Walter Wilcox.

Man Power Is Vital Factor On War Fronts

Loyalists Stall Insurgent Advances; Chinese Recapture Territory In Hope

Despite technological advances in war-making, supply and demand of manpower assumed a new and perhaps pivotal importance in reports from the world's two main theaters today.

In Spain, the results of a government's almost total superiority in numbers apparently had balked the attempt to widen the gap which the insurgents, with superior equipment, had slashed in eastern Spain.

Japan, with a great advantage in weapons, was confronted by task of countering a vast reservoir of manpower in China's 400 million population.

The invaders were forced to sacrifice much of the territory they had gained in Hopei province, North China, to three more troops into the central China front to make up for recent losses.

The greatest concentration of Chinese forces since war started last July 7, bolstered by guerrilla raids, put the Japanese in a critical situation.

However, 5,000 Japanese, besieged for a week in Yihon, succeeded in escaping to rejoin the main forces. The Spanish insurgents seemed to have been blocked all the way from the Pyrenees front south to the Mediterranean. Solidification of the Government line forbade flank attacks and left the defenders with a strong hand in a numerical superiority and their most effective weapons, the automatic rifle and the machine gun.

Elsewhere on the international front, "Nizko" drafted a reiterated rejection of the British protest against expropriation of the oil industry, the French Premier Daladier sought to block new attacks on the shaky front, and Japan paid the United States \$2,100,000 as indemnity for the bombing of the gunboat Panay and the Yangtze River Dec. 12.

The insurgent war fleet today reported it captured or sunk a score of fishing boats in which Government fishermen were attempting to get from Catalonia to the coast farther south to join the forces of General Jose Miaja.

They had been caught in the Tortosa sector when insurgents drove through to the sea at Vinosos last Friday.

Five Guilty Pleas Heard By Circuit Judge M. B. Smith

Five guilty pleas were heard today by Circuit Judge Millard B. Smith and two sentences of three years were imposed.

J. B. Paul, charged with larceny of a hog, was sentenced to spend three years in the State Penitentiary in Raiford. Clarence Reed, charged with larceny of an auto, was also sentenced to spend three years in the State Penitentiary.

Charged with breaking and entering, with intent to commit a misdemeanor, Albert Johnson, was sentenced to one year in the State Penitentiary.

Judge Smith also sentenced George Bell, who pleaded guilty to breaking and entering with intent to commit a misdemeanor, to one year in the State Penitentiary.

Arthur Frank pleaded guilty to grand larceny and was sentenced by the Judge to the Florida Industrial School for Boys until he reaches the age of 31 or he is placed in the State Penitentiary for eight months.

FDR Defines Purpose Of Neutrality Pact

WASHINGTON, Apr. 22.—(AP)—President Roosevelt defined one of the purposes of the Neutrality Act by bringing this country from penalizing one warring nation and as favoring another.

He declared the law had been applied satisfactorily so far as possible. The declaration came at a press conference in connection with a talk at the White House yesterday with Secretary Stimson. (A-148b).

SHAMBLES IN WHICH 11 PERISHED

In this shambles, all that remains of a building that collapsed in the business section of the City, Ala. 11 men died and 26 others were injured, enough to require hospital treatment.

Seminole County To Get \$5,057 For Welfare In April

Monthly Assistance To State's Blind And Aged Neurs \$500,000

Residents of Seminole County will receive \$5,057 from old age assistance and aid to the blind in the month of April, according to an announcement received today from Clayton C. Washington, state welfare commissioner.

A total of 301 persons will receive \$1,205 as old age assist and 8 persons will receive \$152 aid to the blind in this county the announcement said.

Public assistance in these two active welfare phases is amounting the half million dollar monthly total in Florida. Mr. Washington stated.

April checks for old age assistance and aid to the blind will total \$418,379, he said. Of this sum, \$429,572 will go to 29,327 persons receiving old age assistance and \$14,757 to 965 recipients of aid to the blind.

The average grant for old age assistance is \$15.12 and for aid to the blind \$15.29.

According to estimates furnished the State Welfare Board, some 33,000 persons will be granted old age assistance before the list of eligible applicants will be exhausted, while approximately 1,500 will be granted aid to the blind. Legislative appropriations were based on a social security survey made by the former State Board of Social Welfare, which turned a case load of 27,301 in the old age assistance category and 1,280 in the aid to the blind category.

Celery Control Group To Hold Meet Tonight

The regular weekly meeting of the members of the Celery Control Committee will be held in the Meach Building tonight beginning at 7:30 o'clock with Chairman J. C. Hatcher as presiding. J. C. Lett, secretary-treasurer of the committee announced today.

Although the season is practically ended in the Sanford and Gainesville sections, the Committee will meet to discuss shipments from the uplands in districts now shipping and also to handle other routine matters.

Aid Is Offered Farmers On Debt Consolidations

1,877 Cases In Florida For Over \$5,000,000

A local Volunteer Day will be conducted in Longwood by the Girls I. O. O. tomorrow under the supervision of Home Demonstration Agent for Seminole County, Mrs. Gladys Kendall.

A building program has been initiated by E. J. Gustafson to erect a frame building at an estimated cost of \$1,000 on Summerlin Avenue in the Fort Mellon subdivision, records at the City Hall showed today.

All Scouts of Troop 11 are urged to be present at the Baptist Church Annex at 6:00 o'clock tomorrow evening to go to Orlando to attend the annual session of the Central Florida Council Scoutmaster W. E. Kauler said today.

Monroe Girls Hold Achievement Day

The Lake Monroe 4-H Girls Club held an Achievement Day Tuesday afternoon at 1:30 o'clock at the school house, Home Demonstration Agent for Seminole County, Mrs. Gladys E. Kendall, stated today. President Yonick, takes presided.

Two tables setting demonstrations were given, Mrs. Kendall said by Joyce Wardell and Wanda M. Wells. The same demonstration was given by two younger girls, Irma Lee Stansland, and Alice Ruth Whitley.

A dishwashing demonstration was given by Christine Fields and Lola Bell Swagerty.

A display of clothing, garden produce, and baked goods was one of the features of the Achievement Day, Mrs. Kendall said.

Refreshments were served by the girls. Mothers and friends were guests of the Club.

Wilcox Hits At Firing Of WPA Worker In Tampa

TAMPA, Apr. 22.—(AP)—Mark Wilcox, chairman of the United States Senate, today criticized the firing of a worker in Tampa, Fla., who had been employed by the WPA for several months.

Wilcox said that the firing of the worker was a "vicious act" and that the WPA should be held responsible for the action.

He said that the firing of the worker was a "vicious act" and that the WPA should be held responsible for the action.

Program Presented By Rollins College
The Rollins College Conservatory of music presented a musical program at the Seminole High School yesterday morning at 10:00 o'clock, under the personal direction of Professor Christopher O. Honans.

A group trio composed of violin, piano and soloists of the students and faculty presented fine performances which were received with much applause.

ENDEAVOR RALLY
The Christian Endeavor rally of the Orlando district will be held at the First Presbyterian Church of Sanford, Saturday afternoon at 4:30 o'clock.

Supper will be served in the church, and Dr. M. H. Lyon will have charge of the inspirational meeting at 7:30 o'clock.

Puppet Show Given By Girl Scout Group

A puppet show was presented by Girl Scouts at the chapel program of the Sanford Grammar School yesterday morning.

Mrs. Frances Stone, in charge of the program, and a group of the class representing various animals.

Miss Irene Hinton gave a talk on Girl Scouts in addition to the show offered by the scouts. The Girl Scouts presenting the puppet show were Miss Nellie Dean Baker, Miss Mary Ann Wheeler, and Miss Katherine Beam.

Those taking part in the puppet show were Bertie Stronover, hostess; Quada Carlton, pianist; Frank Robinson, pianist; Virginia Dilly, banjo; Lorraine Brown, violin; Carl Chopping, guitar; Harold Baker, who played; Earl Burnett, brown rabbit; and Joe Baker, horse.

Harmonies were offered by Frank Robinson, Sonny Brown, Carl Chopping, and Earl Burnett.

The scripture, Psalm 114:1-5, was read by Belle Gil, and prayer was offered by the entire group.

The flag salute was given and the band played a number. The two members of Mrs. Stone's room taking part in the band were Ralph Cowan, and George Horner.

Memorial Exercises To Be Held Tuesday
Southern Memorial Day exercises sponsored by the N. de V. Howard chapter of the United Daughters of the Confederacy will be held at the band shell on Tuesday afternoon at 4:00 o'clock. The public is invited to attend.

The program will be as follows: "America"—Seminole High School band.

Narration—Rev. Paul Freeman. "My Faith Looks Up to Thee"—quartet.

Address—S. J. Nix. "Savannah River"—Seminole High School band.

Roll Call of Deceased Veterans and U. D. C. Members—T. W. Lawton.

"Tenting Tonight"—quartet. "Dixie"—Seminole High School band.

Taps—Robert Herndon, Jr. The program will be concluded at the cemetery with the decorating of the graves of veterans and members of the N. de V. Howard chapter of the United Daughters of the Confederacy and the Robert E. Lee chapter of Children of the Confederacy.

The quartet is composed of Mrs. George Hardin, Mrs. H. R. Laing, S. O. Shinholser, and Dr. H. W. Rucker.

W. B. Williams

Candidate for County Commissioner, Dist. 4

Serving his Fifth year as County Commissioner, has served five years as City Manager of Sanford, and two years as Mayor of Oviedo.

A member of the Seminole County Chamber of Commerce, and the Oviedo Townsend Club.

He was formerly a Construction engineer with many years of practical experience in road and bridge and drainage construction, and in handling public affairs.

During the past two years on the County Board, he has been instrumental in securing seven mills reduction in County taxes, and a substantial reduction has been made in the counties bonded indebtedness.

If re-elected, he promises to serve honestly and efficiently his district and the entire county as he has done in the past.

Your vote and support in the Democratic Primary, May 3, will be greatly appreciated.

RFC Chairman Gives Reasons For New Loans

Jones Says Business And Government Cooperation Needed

By MORGAN M. BEATTY
WASHINGTON, Apr. 22.—The headlines tell you that congress is authorizing the Reconstruction Finance Corporation to fight the business slump by lending a billion and a half dollars to deserving states, cities, municipalities and business men.

But you can take it from the man Jesse Jones that the RFC isn't going to sling a billion and a half dollars across the nation's financial landscape, willy nilly and expect a quick harvest of prosperity.

In fact, Chairman Jones thinks it will lend a small fraction of a billion and a half dollars during the next year.

Then why did the administration back such a law? And why should congress put it with a "rainy day" fund?

Plain-spoken Jesse Jones tells you in his Texas drawl that the new law:

1. Responds to demands from all business for a more sympathetic attitude in Washington.
 2. Answers the recent plea of the little business men, confidence for long-term federal loans, from they can't swing in banks because such deals tie up money too long for the banks' purse of mind.
 3. Acts as a financial life preserver whose mere presence on the business boat may inspire the passengers with confidence.
- "If a going concern knows money is ready and waiting in Washington," explains Jones, "maybe a loan won't be as important as it seemed before the federal purse strings were loosened."
- "Then, again, the nation might snap out of the recession in a comparatively short time. After all, there's no true basis for a depression now, as there was in 1929."
- "We need government and business cooperation."
- Cooperation in the Jones view should help restore confidence, and confidence will lead people to buy what they want and need. And when people buy, business men will get orders for their goods.
- "As a matter of fact," says the man who has made several good-sized fortunes, "but this thing down, and your typical business man is worrying more tight now about orders than he is about loans."

"Unless a business has orders, a loan might prove to be a serious drag. Take a solvent business man without any orders. Give him a loan, put his people to work and turn out goods. He will pile up the goods on his shelves, and pay interest on the loans that produced the goods. What's missing in this picture is orders for goods."

"Now, take it the other way around. Give a man orders for his goods. The plant is there. The motors are ready to turn over, and the workers want a job. The logical thing to do is fill those orders and get a turnover started. Later in time enough to think of expansion, repairs, equipment, and the like."

And what about loans for public buildings?

"That was put in the loan bill to resume the kind of lend-lease PWA was doing a couple of years ago," Jones explains. "When PWA stopped making loans to states, municipalities and other subdivisions of government for self-liquidating projects, such as sewerage plants, and the like, many applications for loans were on file. We just thought some of these states or cities might want to renew their applications for loans. If they show up, they can pay us back in a reasonable time, they'll get the money."

"The whole idea of both types of loans is to get people back to work. Every little bit helps, even though I am quite sure we won't use up this year's bill and a half dollars we have available, because we're not lending money on hope. It takes a sound business to get RFC money under this law."

Plans are underway for the construction of a quick-freezing plant at Malabar this summer to handle next winter's parsnips and rutabagas.

The proposed plant will have a capacity of about 1,000 pounds per hour and will assure a good market and increased production.

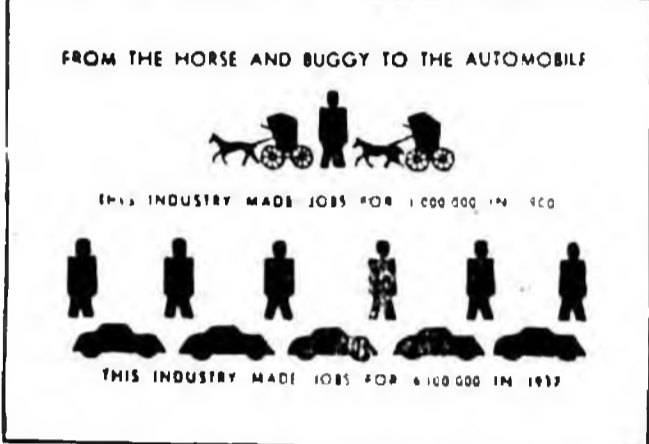

The sponge boat "Beak" was paddled to places last week when it lost its rudder and struck on a reef while attempting to navigate a small pass off Marco on the lower Gulf coast.

POLICE POLE RIVER FOR TORSO FRAGMENTS

Coast guardsmen and detectives are shown as they searched the upper river for fragments of the body of an 11-year-old killing victim whose dismembered leg was found there recently. Police officials said a case they found last January might provide a clue to the identity of the last victim.

Jobs Made by Auto Industry

Prepared by the National Association of Manufacturers

IN 1930, the horse and buggy industry employed a total of 1,000,000 people. In contrast, the automobile industry was responsible for an estimated 4,100,000 jobs last year. This is a striking answer to those who claim that the "Machine Age" has destroyed jobs.

LEGAL NOTICE

NOTICE OF SALE OF TAX CERTIFICATES

City Bankrupt Act Is Upheld By Judge Long

Federal Judge Rules Wilcox Law Is Constitutional As Applied To Cities

2 Florida Towns Aided By Ruling

Judge Holds Law Is No Invasion Of The Rights Of State

GAINESVILLE, Apr. 23.—(AP)—Federal Judge A. V. Long, in an opinion on the amended Municipal Bankruptcy Act, today held the act constitutional as applied to Florida municipalities.

Although the opinion was rendered on a petition of Fort Lauderdale for the composition of a plan to refund its bonded indebtedness, Judge Long asserted the decision also applied to a petition by the city of Hollywood.

He asserted the municipalities were not political subdivisions of the state and hence the act did not invade the sovereignty of the state.

The creditors had attacked the refunding petition on the ground that the act invaded the government of the state, impaired contracts, obligations and permitted property to be taken without due process of law.

The amended Municipal Bankruptcy Act was drafted and introduced in congress by Mark Wilcox of West Palm Beach of the original Municipal Bankruptcy Act had been declared unconstitutional by the Supreme Court.

The new act provides that over-burdened cities and counties may obtain relief from excessive indebtedness by going into bankruptcy and effecting settlements with bondholders on an ability to pay basis, subject to the approval of the court.

The decision of Judge Long upholding the amended act, it is expected will be appealed.

County Officers Press Campaign On 'Moonshiners'

Pressing a campaign against moonshiners, two men were arrested and a still destroyed near Chuluota Thursday afternoon, Sheriff C. A. Hand said today.

Deputies R. J. Hickson and C. E. Williams together with O. P. Sloan, Oviedo constable, conducted the raid Thursday afternoon at 4:30 o'clock, seizing the still and capturing the operators, Leroy and Leon Long, brothers.

The deputies and constable destroyed seven barrels of mash and the still which had about a 30 gallon capacity, Deputy Hickson reported. A small quantity of liquor was also confiscated, he said.

The still was located between Chuluota and Oviedo about two miles west of Chuluota, Deputy Hickson stated.

The Long brothers are being held pending trial.

Achievement Day Is Held By Chuluota Girls

An Achievement Day was held Wednesday at 8:00 o'clock by 4-H Club girls in Chuluota. Mrs. Gladys Kendall, Home Demonstration Agent for Seminole County said today.

One of the features of the day was a table setting by Ethel Simmons and Nancy Chesser. Another feature was a club washing demonstration by Madeline Bergard and Margaret Simmons. Blanche Hart and Marjorie gave a bad-making demonstration.

Members of the club repeated the club pledge and motto, and sang the club song "Dreaming." Refreshments were served by the girls. Mothers and friends were guests.

President Margaret Simmons presided. Mail stamps were not introduced into the mail until 1938.

WANTS TO BE INVESTIGATED

In fighting mood, Rep. Samuel Dickstein (D-N. Y.) chairman of the House Immigration committee, said he would speaker Bankhead would order a congressional investigation of his activities as requested by the German American Bund. "I am 100 percent for that," he said. The bund requested the investigation after a riot in New York during which a number of persons were injured.

Spending Hit As 41 Miners Killed Recovery Method By U.S. Chamber

Commerce Group Says Doubt On Program Born Of Experience

WASHINGTON, Apr. 23.—United States Chamber of Commerce today criticized public spending as a method of stimulating recovery. The organization suggested a revision of the labor relations act in its legislative program to combat recovery.

The Chamber declared its skepticism of spending was born of experience and said to expect more string spending pushed in the coming months.

It advocated encouragement of private spending and expenditures in the place of public spending and lending. It contended business was overtaxed and overregulated and laws more regulation and reform.

Pepper Pays Tribute To Dr. F. E. Townsend

BARTON, Apr. 23.—Praising through Polk county yesterday Senator Pepper assented to a resolution, passed at Daytona, James City, Ashburndale, Winter Haven, Mulberry and Bartow. A large percentage of his audience were Townsendites. Earlier in the day he spoke at Kissimmee and St. Cloud.

In all of Pepper's talk, he paid tribute to Dr. Francis E. Townsend and emphatically renewed his pledge of unqualified support of house bill 4199.

Questioned by a Townsend follower as to whether he would vote to override the president's veto, in the event the bill was passed by congress and vetoed by the president, Pepper shouted his answer for all to hear, it was "Yes," and brought a roar of applause from his audience.

Today Pepper will return to his Tallahassee home to spend Sunday, and will resume his campaign at Webster Monday morning. During the day he is scheduled to speak at Merano, Inverness, Crystal River and Mayno.

Monday night he will make his first Tallahassee speech.

Lithuanians in the twenty-ninth nation to recognize Ethiopia as part of the Italian Empire.

Celery Control Group Lifts Restrictions

350 Cars Estimated Ready To Harvest; Decline In Market Follows Holiday

Since only 300 cars of celery have been estimated as available for shipment from the state during the past week, members of the Celery Control committee last night recommended to the Secretary of Agriculture that the restriction be placed on shipments for next week.

However, at the request of growers and shippers in the Oklawaha region from which most of the celery will be shipped in the coming weeks, continuing of the available supply of the commodity will be continued through next week.

A sample of the top market prices for celery in principal terminals from \$1.25 last week to \$1.50 the latter part of the week was being reported by growers and shippers present as a normal reaction of the market following the holiday season. However, the light movement to market this week is expected to produce a favorable reaction in the price trend.

With stock holding reported as 200 cars in 16 principal cities yesterday, the market was reported as being in most markets at \$1.50, ranging from \$1.00 to \$2.00 in various districts. However, this market was seen as being below the normal conditions existing Wednesday when holdings totaled 300 cars and continued movement is anticipated next week.

A breakdown of celery shipments from various sections of the state showed Oklawaha to be by far the heaviest shipper next week. The estimated shipment from the Oklawaha in that section was 200 cars with 100 cars estimated as available in Bartow, Manatee and Highlands counties. It was estimated as available in the Oklawaha in the Sanford section.

Shipments in the Seminole-Monroe area are expected to be considerably less following the cleanup week for all celery growers there and will leave the Oklawaha district the sole shipper center besides the 200 cars of the Oklawaha in Oklawaha near Weirsdale.

The condition of the crops in the coming week were reported as fair to good since the late winds and lack of rain has not retarded the remaining market celery in a great extent. Approximately 150 cars of celery will fall from Florida this week, with the heaviest shipments expected for Tuesday when a total of 102 cars is to be marketed from the different sections, followed Wednesday by shipment of 60 cars. However, daily shipments toward the end of the week declined considerably.

There were a few f. o. b. shipments of muckland celery yesterday, prices ranging from \$1.40 to \$1.50, depending on the quality and size of the stock. Generally, the f. o. b. market was light and dull.

Wilcox Promises WPA Pay Padding Probe

UCALA, Apr. 23.—Congressman Mark Wilcox candidate for the United States senate, said here yesterday administration of relief in Florida "bordered even on criminal conduct."

He promised to ask in Washington for a congressional investigation of what he termed "WPA payroll padding."

"Administration of relief in this state in recent weeks has assumed scandalous proportions," he said. "I believe an investigation of the manipulation of relief funds would show a situation worse than the Teapot Dome."

Wilcox cited the case of the wife of a state official being appointed to a WPA job and the firing and rehiring of Carl T. Thayer, Tampa WPA photographer, after he had been for man of a grand jury investigating the Tampa gambling situation.

The congressman made four speeches yesterday at Dade City, Bushnell, Ocala and Daytona Beach. He will speak today at Fort Myers, Punta Gorda and Bradenton.

Mrs. Polston Dies In Gadsden County

Mrs. Margarine Polston, 28, died Thursday in Gadsden County. Her body arrived in Sanford at noon today accompanied by her husband, M. D. Polston, and her mother.

The funeral services are set for 2:00 o'clock tomorrow afternoon at the Evergreen Cemetery with Rev. C. H. Baker officiating.
