

## Navy News

Andrew F. Reno was recently promoted to Lieutenant (Junior Grade), United States Navy.

Lt. (jg) Reno, a native of Philadelphia, Pa., serves as a bombardier/navigator with Heavy Attack Squadron Nine which is currently on deployment with the United States Sixth Fleet in the Mediterranean Sea.

Lt. (jg) Reno graduated from Northeast High School in Philadelphia and enlisted in the Navy in 1948. He received his commission in the Navy in 1960. He is married to the former Suzanne Huart of Paris, France. They have two children and reside at 119 Lake Minnie Drive, Sanford.

Patrick V. Keas was recently promoted to Lieutenant (Junior Grade), United States Navy.

Lt. (jg) Keas, a native of Escondido, Calif., serves as a bombardier/navigator with Heavy Attack Squadron Nine which is currently on deployment with the U. S. Sixth Fleet in the Mediterranean Sea.

Lt. (jg) Keas graduated from Escondido High School and enlisted in the Navy in 1948. He received his commission in June of 1960. He is married to the former Tamia Rundell of Spencertown, N. Y. They have two children and reside in Longwood.

Edwin Leigh Ebbert was recently promoted to Lieutenant Commander, United States Navy. Lcdr. Ebbert serves as an aircraft commander with Heavy Attack Squadron Nine which is currently deployed to the United States Sixth Fleet in the Mediterranean.

Lcdr. Ebbert is a native of Springfield, Ore., and a 1952 graduate of the United States Naval Academy. He attended the United States Naval Post Graduate School in Monterey, Calif., and received his Masters Degree in Aeronautical Engineering from Princeton University. He is married to the former Jean A. Ineson, Babylon L. I., N. Y., and resides at 301 East 3rd Street, Sanford.

Raymond George Fox Jr. was recently promoted to Lieutenant Commander, United States Navy.

Lcdr. Fox, a native of Sanford, serves as an aircraft commander and aviation safety officer with Heavy Attack Squadron Nine which is currently on duty with the Sixth Fleet in the Mediterranean Sea.

Lcdr. Fox graduated from Seminole High School and received his Bachelor of Science degree from Auburn University. He has served with the Navy in World War II and Korea. He is married to the former Patricia Griffith of Pensacola, Fla. They have two sons and a daughter and reside on Lake View Avenue in Lake Mary.

Joby Goes Dramatic

HOLLYWOOD (UPI)—Joby Baker, who played a comedy role in "Gidget Goes Hawaiian," will turn to the serious side in his next picture. He'll portray an intern in Robert Cohn's "The Interns."

AN ELECTION of officers was held by the Naval Air Station Officers Wives Club at the Station Ballroom recently. Shown above are: left to right, Mrs. Susan Jones, Mrs. Marilyn Patterson, Mrs. Rusty Mosher, Mrs. Francis Reinhart, Mrs. Evelyn Antar, Mrs. Mallie Barlow (the new OWG president), Mrs. Margie Zimmerman (the past president), Mrs. Pat Fox, Mrs. Pat Thompson, and Mrs. Bobbie Erb.

FIVE NEW MEMBERS of the girl's Anchor Club at Seminole High were introduced at a meeting of the Club Wednesday. They are standing from left to right, Gers Dietrich, Jill West, Brenda Brown, Peggy Powell and Anne Crappa. Seated are the club officers, secretary Desti Horner, vice president, Linda Williams and treasurer, Sharron Riser. (Herald Photo)

## United Citizens Make Plans ACL Credit Union Elects Officers

More than 30 members and guests of the United Citizens of Casselberry met last Tuesday night at the home of Bill and Isabel Taylor to formulate plans for future activities of the group.

Plans also were made to enlarge membership of the organization in order that it may have a more active voice in civic affairs of the town.

Announcement was made that the United Citizens will elect officers at the March meeting while the February meeting will take the form of a social event to which all interested residents will be invited. The social meeting will be held at the home of Mr. and Mrs. Milton Lady, 10 Lotus Lake Dr., on Feb. 17 beginning at 7:30 p. m. Details of the program will be announced.

Mrs. Hope Bennett, member of the Casselberry Board of Aldermen, was program speaker for the group at last week's meeting. Touching briefly on many points of civic interest, Mrs. Bennett pointed out the importance of thoroughly checking property deeds which are subject to restrictions. She advised that some buyers found, after checking original deeds, that they had more or less bought "pigs in the poke" for, in some instances, restrictions prohibited the very uses for which the property had been purchased.

She told the Citizens of the effort underway to halt the Sunday sales of intoxicating beverages in the town and pointed out that bringing these businesses in line with county laws would not mean that Casselberry would lose its share of the license cuts which annually are returned to incorporated municipalities under state laws.

She said that she realized the town must have operating capital and would favor a property tax, only, however, if it were voted through referendum by the people.

Speaking of the importance of keeping up with rapid growth, Mrs. Bennett urged those present to attend the Feb. 14 dinner meeting sponsored by the South Seminole Democratic Women's Club at the Mid-Florida County Club. Former State Senator Dou-

glas Stenstrom, scheduled a guest speaker, will talk on the county's plans for future growth and of Seminole's relation to the Nova project, she reported.

She also urged attendance at the Howell Park Political Rally which was held last Friday night.

## Catholic Circle Plans Booths For Festival

The monthly meeting of the St. Anne's Circle of the Catholic Women's Club of the Lake Mary Church of Nativity was held at the home of Mrs. Jerry Rogers.

Plans were discussed for the forthcoming May Festival to be held by the church with members of the circle deciding to sponsor the fish pond and grocery basket booths. Mrs. Shirley Reeler will serve as St. Anne's representative to the Festival Committee.

An election of officers was announced for the February meeting which will be held at the Reeler home.

## ACL Credit Union Elects Officers

SANFORD—J. S. Tillis was re-elected president; O. K. Goff, first vice-president; E. W. Marcel, second vice president of Sanford ACL RR Employees' Federal Credit Union at the annual meeting of its members held in Assembly Room, ACL Passenger Station, recently.

Directors elected at the meeting were J. S. Tillis, O. S. Toler, T. Cobb and H. I. Cockman who with J. E. Blackman, H. H. Fortner, O. K. Goff, B. Johnson and E. W. Marcel complete the Board of Directors.

Mrs. A. F. Trus was re-appointed assistant-treasurer. Dividend of 5 per cent savings was paid Jan. 1 and July 1, 1961, and it is expected that dividend will be continued.

The Credit Union was organized in June, 1956. Treasurer's report now shows assets of \$204,754.00, savings deposits amounting to \$175,878.00, undivided profits \$12,503.00, reserves \$12,582.00. Loans to members amount to \$111,884.00.

My commission expires Oct. 1, 1964

## American Football Viewed Through English Eyes

By Harry Ferguson  
LONDON (UPI)—On some unspecified date on the campus of the University of Iowa a strange spectacle occurred. Some young men "padded and dressed for space travel dashed around brawling and fouling each other for no apparent reason."

Fortunately an Englishman named Nigel C. Cooper, who was on an exploration trip into the wilds of America, has recorded his impressions of the strange rites in a scholarly scientific paper that has been published in "The Quarterly Journal of the Central Council of Physical Recreation."

He identifies the rites as "gridiron football" and says some tribesmen from the Uni-

versity of Minnesota journeyed all the way to Iowa to participate. Cooper says it was a fascinating spectacle to him and also to 60,000 natives who paid 30 shillings (\$4.20) each for the privilege of observing the proceedings. But he was annoyed by the unseemly behavior of the spectators and describes their actions as "vulgar fanaticism."

They were screaming something that sounded like "Go, Iowa, go!"

Your correspondent leaped to the hasty conclusion that what Cooper has witnessed was a regularly scheduled Big Ten Conference game between Iowa and Minnesota. But as the description unfolded it became obvious that football and "gridiron football" are

different things entirely. "Gridiron football" scraps some of the basic rules of football.

The punt has been abolished: "The side which gains possession of the ball," writes Cooper, "must make ten yards ground forward in four moves. Whenever the forward momentum of the ball is stopped, it is a 'down.' If one side fails to make ten yards, the ball is handed over to the opponents who make their attempt."

When a quarterback finds himself in a situation where it is fourth down and several yards to go, he throws a forward pass as a defensive measure: "As soon as the ball is given to the quarterback the halves and fast end lines-

men bare off deep into their opponents' territory. The quarterback then throws a tremendous 40 or 50 yards overhead to one or the other of these players." Cooper describes this fourth-down strategy as "taking to the air."

In "gridiron football" there is no fullback. "The seven huge linesmen similar to Rugby forwards move up close together in the with the ball. . . . The center linesman flips the ball through his legs to the quarterback standing very close behind him. This is the signal for the whole line to charge forward to bring a breach in the opposing line. The quarterback has three halfbacks in close attendance and he hands the ball to one

of the halfbacks. . . . Many feints and fake moves are made to baffle the opposition as to the exact point of the attack."

Obviously many things make "gridiron football" inferior to Rugby, but there is space only to mention two matters that distress Cooper. The players are supposed to be amateurs but he understands they receive free board and room and each year there is a "national auction of high school stars." Once on the "playing pitch" the players are forbidden to think for themselves and the game degenerates into a "gigantic game of chess played by the two head coaches." Final score: Iowa 44, Minnesota 20.

## Snow Blankets California; Ice In Texas

By United Press International  
A crazy, mixed-up winter, which spread snow on Los Angeles and left New York balmy, spattered freezing rain across Dixie today and stabled most of the North with polar cold.

There were floods in Montana and Illinois, and a foot of snow in New Mexico. Fort Worth, Tex., had its hottest January day in history. It was 60 degrees in New York City Monday, Spokane, Wash., set a cold weather record for the second day in a row.

The death toll from the weather onslaught reached at least 48 persons. Texas had a dozen deaths and California 9. A shepherd's wife froze to death in Utah when her car stalled. A man apparently froze to death at Collinsville, Ill.

Jet stream winds of 100 miles an hour enable the Los Angeles-to-Chicago commercial air line speed record to be broken twice in the same day. Sixty-mile winds cut visibility to zero and closed highways with drifted snow in central Montana.

Fifty-mile winds howled through southern California mountains, creating near-blizzard conditions, piling snow into drifts and freezing roads.

Snow flurries whirled Monday around Los Angeles. Civic Center and accumulated in a 6-inch blanket in foothills suburbs. San Diego, Calif., had nearly a foot of snow on the ground, one-fourth of it falling Monday night. China Lake, Calif., measured five inches. Palmdale, Calif., had an inch of snow on the ground. Mount Hamilton, near San Francisco, had two inches.

THE BEAUTIFICATION OF PINCRENT SCHOOL, was enhanced recently when 250 red cedar seedlings were set out around the entire perimeter of the driveway and all around the parking lot of the school by Forest Rangers, working in conjunction with the P.T.A. beautification committee, Rangers Louis Williams, holding the dibble, Arthur Blanton, left and Jerry Laws right set out the seedlings for the school. Rangers said that the trees would eventually grow to a height of 80 or 40 feet. (Herald Photo)

## Jaycee Past Presidents Set Meet

A highlight of Jaycee Week, this week, will be the Past President's luncheon to be held at noon at the Civic Center, Thursday.

The former Jaycee leaders, who date from the oldest, Floyd Palmer, who served in 1927, always bring colorful historical anecdotes to add to the occasion, and recall the improvements and accomplishments which took place during their "regime," President Garnett White said today.

The list of men who formerly served the Junior Chamber of Commerce, which is limited

to men between the ages of 21 and 35, includes Hawkins, Connelly, John Benharik Jr., J. Bralley Odham, Herbert Rolter, Gordon Bradley, Mason Wharton, John T. Rutledge, Tom McDonald, Andrew Caraway, John Kader and E. D. Kirschhoff.

Others are G. Andrew Spear, A. B. Peterson Jr., Floyd Palmer, M. L. Kaborn Jr., Douglas Stenstrom, Clifford Ales, John Alexander and W. H. (Bill) Stemper.

## Milk Use Drop Reported

WASHINGTON (UPI) — Agriculture Secretary Orville L. Freeman said today an unexplained drop in milk consumption could have a serious effect on the health and vigor of the American people.

He said the drop had implications far beyond the immediate economic effect on agriculture. He said it affected those who handled milk and dairy products, and those who looked to the dairy farmer as a market for production machinery and material.

## Atty. General Turns Down Red Visit

WASHINGTON (UPI) — Atty. Gen. Robert F. Kennedy has turned down an informal invitation to visit Russia during his overseas trip next month.

"I will, however, look forward to visiting the Soviet Union in the future," the president's brother said Monday night.

Kennedy leaves Feb. 8 for a round-the-world trip with steps at Berlin and other European cities, the Middle East, Asia and the Far East.

He said in a statement that his travel plans have been completed for some time and he could not adjust them now to go to Russia.

He said the drop had implications far beyond the immediate economic effect on agriculture. He said it affected those who handled milk and dairy products, and those who looked to the dairy farmer as a market for production machinery and material.

## Backstairs At White House

WASHINGTON (UPI) — Backstairs at the White House: The public never sees much of the everyday drama that goes on behind the scenes when President Kennedy leaves the White House, even for a brief visit in a dinner meeting at a local hotel.

Agents of the U. S. Secret Service spend hours checking over rooms and corridors to be used by the Chief Executive. They examine elevator housings and cables. Under their direction, firemen check the last refill dates on fire extinguishers. The names of cooks, waiters and busboys are checked against master government files to make sure that no one with a past record of violent crime gets near the Chief Executive.

In an age of electronic eavesdropping, the Secret Service also has to be on the alert for hidden microphones and recording devices. The agents are assisted in this type of detection by specialists from the Army Signal Corps, assigned to the White House.

U. E. Baughman, former chief of the entire Secret Service, is bringing out a book, some of which has appeared serially in recent weeks. Baughman retired last year and in his book, appropriately called "Secret Service Chief," Baughman discloses some hitherto confidential operating techniques.

When the President goes out of the country, the Secret Service is diplomatically as possible made sure that living quarters assigned by the host nation are not wired for secret sound.

If the host thoughtfully provides a shelf of books for the visiting President, advance agents looking over the layout are supposed to take every book from its resting place and check it for hidden microphones. Baughman says toasters, clocks, radios, electric irons, gas and electric stoves also are taken apart sufficiently for specially trained agents to determine whether secret recording devices are hidden inside.

Experts on the White House detection and protection assignment carry special devices which enable them to determine whether eavesdropping radio waves are being circulated over ordinary household electrical systems. This process of detection is called "listening to the heater."

Baughman also reports: "Still another machine we use is called 'an electronic noise generator.' When an agent turns this on, it has the capacity to make a hidden microphone start to hum loudly—which would of course lead us to it and allow us to render it hors d'oeuvre."

Another machine we use is called 'an electronic noise generator.' When an agent turns this on, it has the capacity to make a hidden microphone start to hum loudly—which would of course lead us to it and allow us to render it hors d'oeuvre."

SCOUT TROOP 501 gets a lesson in bowling from Jet Lance Munger John Spolaki. White Spolaki instructs one scout in how to hold the ball, other members of the troop look on with interest. The manager also showed the boys how to walk, how to swing their arms and how to throw the ball, before they tried their skill. The bowling is a new phase of troop activities, according to Scoutmaster Phil Simpson. (Herald Photo)

## Collins To Speak To Retired Officers

General J. Lawton Collins of Washington, D. C., former Chief of Staff of the U. S. Army, now retired, will be the speaker at the meeting of the Central Florida Chapter of Retired Officers Assn. Thursday at McCoy Air Force Base.

A dinner meeting has been planned at the AFJ Officers Club, beginning at 8:30 p. m. with a social hour.

General Collins will speak on the experiences of a retired officer in international business, according to an announcement by Col. H. H. Ellison, (ret.), Public Relations Officer.

Reservations may be made by retired officers, their wives and guests living in Central Florida, by writing Col. H. H. Ellison, 1811 N. W. 17th Avenue, Orlando.

Among the guests of honor at the dinner will be Mayor and Mrs. Robert H. Carr of Orlando; Mayor and Mrs. Edward Turney Jr. of Winter Park; General and Mrs. Clifford H. Rees, Orlando; AFJ; General and Mrs. Charles H. Gardner and General and Mrs. Wm. C. McManis, Winter Park; Captain and Mrs.

Robert M. Ware, Sanford; NAA; and Col. and Mrs. William G. Walker Jr. of McCoy AFB.

Reservations may be made by retired officers, their wives and guests living in Central Florida, by writing Col. H. H. Ellison, 1811 N. W. 17th Avenue, Orlando.

Among the guests of honor at the dinner will be Mayor and Mrs. Robert H. Carr of Orlando; Mayor and Mrs. Edward Turney Jr. of Winter Park; General and Mrs. Clifford H. Rees, Orlando; AFJ; General and Mrs. Charles H. Gardner and General and Mrs. Wm. C. McManis, Winter Park; Captain and Mrs.

Robert M. Ware, Sanford; NAA; and Col. and Mrs. William G. Walker Jr. of McCoy AFB.

# Pink Ladies Preview New Spring Fashions At Mayfair Luncheon

Mrs. Gielow, Mrs. Purdy And Mrs. Housholder

Miss Judy Bentley

Mrs. Wells And Mrs. Stemper

Mrs. Stine, Mrs. Dennison And Mrs. Kirk

Mrs. Jones, Mrs. Bales And Mrs. Eichelberger

Mrs. Harvey And Mrs. Hook

A BREATH OF SPRING drifted into the ballroom of the Mayfair Inn Saturday when 14 of Sanford's loveliest ladies gave the members of the Seminole Memorial Hospital Auxiliary a peek at the latest thing in style, color and fabric, from six smart shops in town, Yowell's, Roday's, Hollywood Shop, Mary-Esther's, Cowan's and Penney's. At far left Mrs. Walter Gielow, Mrs. Kitty Purdy and Mrs. Lois Housholder pose in lovely spring styles in shades of white, orange and yellow. Next, Miss Judy Bentley strikes a golf pose in her plaid capris and blouse from Penney's. Mrs. George Wells and Mrs.

W. H. Stemper make a lovely mother and daughter setting for their smart fashions from the Hollywood Shop, and at far right, Mrs. Lida Stine, Mrs. Joe Dennison and Mrs. William Kirk are handsome and fashion-sure in ensembles from Yowell's. In the bottom left picture, Mrs. Gerald Jones, Mrs. Don Bales and Mrs. Harry Eichelberger model the latest thing from Cowan's, while in the next picture, Mrs. Barbara Harvey in a three piece outfit and Mrs. Florence Hook in a two piece suit look refreshing and spring-bright, in fashions from Mary-Esther's. (Herald Photos)

## Eustis Circle Sponsoring Flower Show

One of the highlights of the Eustis social season is planned for this Thursday when the Founders' Circle of the Eustis Garden Club will sponsor a flower show tea at the home of Mr. and Mrs. E. J. Burrell, Fahnestock Ave. The hours are from 3 to 8 p.m. continuous through the supper hour. In addition to the flower arrangements there will be a horticulture room with plants and specimen displayed in unique fashion. The purpose of the benefit is for maintenance and advancement of flowering plants for down town Eustis, a beautification project which the Founders' Circle is financing. Admission to the benefit is voluntary contributions. Orange arrows will direct the guests' way to the Burrell's home, which is situated on the shores of beautiful East Crooked Lake. The public is cordially invited to attend.

## VAH-11 Couples Honored At Party

Officers and wives of VAH-11 recently feted two departing members of their group at an elaborate cocktail party held in the Fin Room of the Orlando Air Force Base Club. The honored couples were Cdr. and Mrs. T. G. Klein who have been transferred to Corpus Christi, Texas, and Ledr. and Mrs. Joseph Bachman who have orders to San Francisco. The long buffet table was centered with a large bouquet of coral gladioli flanked by silver candelabra holding light blue tapers. The delectable buffet included Swedish meat balls and Mexican bean dip in chafing dishes, ham, turkey and roast beef cocktail sandwiches, a medley of vegetables with roufoulet dip and fresh boiled shrimp. The squadron presented Cdr. and Mrs. Klein with a large lead crystal pitcher, the silver top of which was appropriately inscribed. The Bach-

## Monroe Club To Sponsor Fashion Show

The Lake Monroe Home Demonstration Club will sponsor a fashion show, this Thursday at 7:30 p.m. at the HD Center, 401 East 23th St. Elmer Wantency of Yowell's will talk about Hates Disciplined Fabrics and models will show 17 dresses made by the Hates Co. of Tampa using McCall patterns. Scene for the show will be a member's sewing room and the dresses will be modeled as two club members chat in the room. Mrs. C. E. Hunter will be narrator and Mrs. Ed Fitzgerald and Mrs. H. L. Johnson will be in charge of the program. Mrs. J. E. Andrews is chairman of the refreshment committee and will be assisted by Mrs. J. H. Tindel and Mrs. J. C. Sapp. Music will be presented during the evening by the High School Glee Club, under the direction of Miss Ollie Reese Whittle. There is no admission charge and the public is invited to attend.

## Mrs. Patterson Wins High Score At Bridge

The spacious Maitland home of Mrs. D. E. Nichols was the scene of VAH-11 Officers wives monthly bridge Thursday. Mrs. Jerry Patterson held high score for the day. Mrs. Nichols served French pastries and coffee when her guests arrived. Later they enjoyed a "bring your own sandwich" lunch which was accompanied by cold drinks and custard pie. Others attending were Mrs. T. G. Klein, Mrs. Andrew Burkett, Mrs. William Yelinek, Mrs. Jerry Knutsen, Mrs. Wayne Robinson, Mrs. Charles Bone, Mrs. K. M. Bent, Mrs. Roger Smith and Mrs. H. K. Manship.

## Enterprise

### Personals

Mrs. Alma Goodwin entertained several children of the community with a party Sunday afternoon at the Full Gospel community church on Lincoln Ave. Following a period of Bible study and story telling refreshments were served. Mr. and Mrs. Nicholas DeCooon, Highland Mills, N. Y., and Mr. and Mrs. Richard Leizer of Bayshore Long Island are spending some time at the Cox home. Mr. and Mrs. DeCooon are former residents of Enterprise. Mr. and Mrs. Harvey L. Dunn and Mrs. Fred Foster attended the St. Johns River District annual meeting of Boys Scout directors and election of officers, Saturday night in Orlando. Mrs. Howard Nelson of Havana, Ill. is visiting her mother, Mrs. A. Anderson, this week. Mr. and Mrs. George Weing of Longwood and Mrs. Ida Padgett were dinner guests of Miss Doris Faber Thursday. Mrs. F. W. Glenister is visiting her mother in Schenectady, N. Y.

The Sanford Herald

Tues. Jan. 22, '62—Page 3

## Couple Entertains Friends At New Home In Casselberry

MR. AND MRS. WILLIAM CASS (Herald Photo)

## Casselberry Personals

By Jane Casselberry Mrs. Ethel Beebe of Plaza Oval, Casselberry, returned home last week from the Winter Park Memorial Hospital where she underwent surgery. Guests of the Leonard Casselberry family at their home on Lake Tony at a patio barbecue Sunday afternoon were Mr. and Mrs. Tom Herald and son Tommy and Mr. and Mrs. William Dempsey and sons Billy and Danny. Since 1944, there has been more than an 83 per cent decline in the U. S. death rate from acute rheumatic fever.

## Enlisted Wives Of VAH-1 Meet For Coffee

The VAH-1 Enlisted Men's Wives met, recently, for an informal morning meeting and coffee at the newly decorated and enlarged Acey Ducey Club. The main topic of the morning was plans for the redecorating program of the dispensary, which will get under way in the near future. Volunteers were secured to assist with the work. Plans were also discussed for a Spring fashion show to be presented at the Acey Ducey Club with styles from the Navy Exchange. Mrs. S. P. Burgess expressed thanks to the party committee for the complete success of the Christmas dinner and dance. Eighteen members were present for the business session and social. Refreshments of miniature (buttons and bows) rolls and coffee were served by hostesses, Mrs. Tony Hradziewicz and Mrs. Jean Whipple. All wives of VAH-1 Enlisted Men are invited to attend these meetings. The next one is scheduled for Feb. 14, at 9:30 a.m. in the Acey Ducey Club.

## Members Attend UPW Meeting

A Presbyterial Meeting of the district UPW Associations was held in Wierdale last week. Members attending from Lake Mary were Mrs. Ruby M. Linden, Mrs. Charles J. Sasmann, Mrs. John Reaves, Mrs. James M. Thompson and Mrs. E. J. Dowell from Upland.

## Garden Circles

**HIBISCUS CIRCLE**  
The Hibiscus Circle of The Sanford Garden Club met at the home of Mrs. R. T. Humphrey on E. 3rd St. for the January meeting. Mrs. John Fox and Mrs. R. F. Moulie served as co-hostesses. Following refreshments of lemon cheese cake and coffee, a regular business meeting was conducted by the president, Mrs. J. M. Fahey. Mrs. R. G. Brisson, horticulture chairman, gave an informative talk on the history

and origin of pineapples in Florida. An interesting discussion on planting pineapples was enjoyed. They will grow in ordinary soil in Florida. The process for getting quick roots for planting pineapple is as follows: Cut the rosettes (sharp pointed top) from the pineapple and let the rosette stand in water until roots appear. Roots will appear in a very few days. Plant these in sandy or other soils. To fertilize, pour the fertilizer in at the top of the rosette and not around the roots as in other plants. Dry or liquid fertilizer may be used. Average care will produce fine pineapples; lets try planting some. Other business included nomination of new officers. These will be voted on at the February meeting scheduled at the home of Mrs. Byron Fox. Speaker at that time will be Mrs. Frank Donahue, who will discuss "The Art of Caring Making at Home."

## Timesavers For A Tropical Vacation

(NEA)—On a winter vacation in the tropics, no girl wants to spend her precious time worrying about her wardrobe. So she shops for fabrics that suds out fast and dry in a wink. She'll find them readily this year. And will be able to hold them over for more wear on the beaches at home next summer. The newest swimsuits, for instance, are woven with nylon and an elastic yarn that makes for gossamer weight plus powerful control. And since it weighs mere ounces, it's a cinch to pack. Or to rinse out in a basin in the bath room. What goes over the swimsuit? This year, smart beach dresses and shirts are made in gorgeous, splashy prints in Dacron combined with silk crepe. They look beautiful but are practical to the core. But these fashions that look so right on a beach perform equally well when it comes to laundering. They wash in a flash, drip dry smoothly and are ready to go again. Touch-up pressing is a matter of choice and most girls will skip it in favor of more time spent on the sunny sands.

## The Venturas Visit Relatives In Lake Mary

Mr. and Mrs. Sal Ventura have been recent guests of Mr. and Mrs. Herbert J. Sahler, and Mr. and Mrs. Joe Cervone, Sr., in Lake Mary. Mrs. Ventura is the sister of Mrs. Cervone. The Venturas came to Florida a year ago and are now making their home in Brooksville. In their former home at Neptune, N. J., Mr. Ventura was head gardener for the grounds and conservatory at the Naval Base and is happily continuing his interest in growing plants in this tropical state.

More than 1 times as many persons died of cancer as of tuberculosis during 1957. Only 4 per cent of U. S. families have an annual income of between \$1,000 and \$1,400.

# Jaycees Work For Progress

The Jaycees are right now in the throes of a massive membership drive in conjunction with Jaycee Week.

The Jaycees have accomplished quite a good deal this year and they deserve the thanks of the entire community for sacrificing many hours to assure completion of designated projects.

We might mention the extensive community development program, improvements at Lake Mary and many other projects.

The scope of the Jaycee projects swings from beauty contests to Pancake Day to the staging of the annual Christmas parade, and to many other activities that help make Sanford a better place in which to live.

The local club will highlight its week of activities with the annual distinguished service award banquet Saturday night. At the dinner, the club will reveal the name of the young man who has contributed much during the past year toward the betterment of the community.

Many young men in Sanford between the ages of 21 and 25 will be approached soon and invited to join the Jaycees. We urge these individuals seriously to consider membership in the organization. They will find many hours of hard work, but these are blended with recreational and social activities that will make their stay in the Jaycees a memorable one.

## Dr. Crane's

### Worry Clinic

Mary had a perverted idea of sex, so she tried to beat her husband to the draw. This is a common device of dominant personalities who feel inferior. But they recognize that a vigorous offense is the best defense. The sex booklet below solved Mary's problem, so send for it.

CASE L-420: Mary M. aged 44, is the woman mem-

bered yesterday who insisted on having her husband's nose re-made by plastic surgery. Her surgeon refused to operate and tersely told Mary she had a hidden psychological problem. She was complaining about the wrong patient!

What her surgeon could readily have explained if he had taken more time was the common device of people to

project on somebody the complaints which they are afraid might be applied to themselves.

Mary thus tried, in effect to beat her husband to the draw and put him on the defensive.

For Mary herself felt inferior because she was in the menopause. Since she believed the false notion that the womb is an essential sex organ, her ego was deflated. "I can't hold my husband's love," she fearfully reasoned in her own mind.

"It is impossible for me to exert any physical charm on my husband, I'm nothing but a nothing and not a thing at all."

This panic is universal and has afflicted womankind since Eve reached the age of 45.

For women have misjudged their own anatomy. They think the womb is the barometer of their feminine charm, so when they pass 45, they wrongly imagine they are unattractive and on the shelf.

This organic inferiority complex can put its victim on the defensive.

But many people have subconsciously learned the psychological rule that you can divert attention from your own defect if you can beat your companions to the draw.

Pick on them and focus attention on some of their faults before they detect your own.

Then wage a constant attack, for this keeps them on the defense.

Thus, a man on the defense is not likely to see through this clever camouflage and accuse his wife of her defect.

Mary thus subconsciously reasoned, "If I pick on my husband's nose and threaten to divorce him, he will be so concerned about his nose that he will not threaten to divorce me because I have reached the menopause."

A good physician must thus be a Sherlock Holmes, plus a medical and surgical expert.

That's one reason why medicine is a lot of fun, but also very perplexing to the so-called "laboratory" doctors who think urinalysis, plus blood tests and an electrocardiogram, can make the diagnosis.

Medicine will never reach the "push button" stage where you can drop a coin in the slot, then punch buttons, and have an IBM machine do the diagnosing.

However, a lot of young modern medics are lately substituting machines for "horse sense." The latter quality is what separates the topnotch medics from the also-rans.

Mary's problem was thus a false notion about sex. But there are millions of women past 40 in the same boat with Mary.

So send for the booklet "Menopausal Complexes," and enclose a stamped, return envelope, plus 20 cents. And keep a scrapbook of these clinical cases.

(Always write to Dr. Crane in care of this newspaper, enclosing a long 4 cent stamped, addressed envelope and 20 cents to cover typing and printing costs when you send for one of his booklets.)

### Your Pocketbook

Q—My husband and I have just started a small order business and are anxious to obtain the best source of information in this connection. Where can we get it?—C. D. B.

A—Dear C. D. B.: When going into business for yourself first check with your state and city departments of commerce. Ask to see their directories of trade associations to see whether there is one serving your business.

Dun & Bradstreet, 99 Church St., New York, N. Y. have a series of booklets on small business. Inquire whether they have any that would be of interest to you.

Check, too, the field office of the Small Business Administration to see whether they can be of help either on financing or in helping you establish a market for your product or service. They act as consultants to many small businesses and can spare you much loss if they feel the venture is un sound.

Q—How does one know that a savings and loan association is insured? And what does it mean that people are trading in savings and loan company stocks?—I. H. S.

A—Dear I. H. S.: You can be certain that a savings and loan company is insured up to the \$10,000 limit if they display the FSILC (Federal Savings and Loan Insurance Corp.) emblem.

When you hear of trading in savings and loan company shares, this means that the public is buying or selling the shares of savings and loan

holding companies—companies that control savings and loan associations.

You can buy and sell these securities just as you would those of a manufacturing company, a utility or a railroad.

Q—My husband is worried. If something should happen to him he suggests I sell the house, valued at around \$20,000, and take out an annuity that will pay me so much every month for as long as I live. Do you agree? Or, have you a better suggestion?—H. B.

A—Dear H. B.: First, make sure your husband writes a will or the house may not be yours to sell.

Second, do you have any other assets—life and health insurance, Social Security, pension fund money?

If you do, you will not be wholly dependent upon the income of the \$20,000. Usually you can expect a 4 per cent return from an annuity. This would be around \$80 a month but your capital would not be growing if it were invested this way.

If you bought shares of a closed end investment company paying around a 5 per cent return including a capital gain, you could up your monthly income to around \$83 and your capital might grow, too. You would get professional management of your money plus diversification.

Say you had \$20,750, you could invest this in good quality common stocks and the chances are your capital might grow faster. With this amount you could buy around 120 shares of General Motors, around 50 shares of AT & T, around 140 shares of Standard Oil of New Jersey, get a monthly income of \$62.

No one can say that even the best common stocks and investment trusts won't decline in value, but no one is promising that the buying power of your dollar won't shrink, either. If you have other assets, it might pay you to invest conservatively.

### Marine Welcome Station Sought

TALLAHASSEE (UPI)—A fourth city has put in a bid for the State Development Commission to build a marine welcome station in its area.

Jacksonville Beach officials proposed Thursday that the facility be located on the Intracoastal Waterway near U. S. Highway 90 in Jacksonville Beach.

The cities of St. Augustine, Fernandina Beach and Fort Lauderdale also are making a pitch for the first Florida marine welcome station.

One of the largest concentrations of prostatic "cure" in the United States is Mesa Verde, in Colorado.

## Dear Abby:

By Abigail Van Buren

DEAR ABBY: I like a boy who is tall, dark and handsome. But he doesn't even know I'm alive. I am 14 and he is 17. He has a brother my age who is short, has freckles and wears glasses, and he likes me a lot. Both these boys are very nice but I sure would like to get the older one. Do you have any ideas? FUSSY

DEAR FUSSY: A bird—even a freckled one with glasses—in the hand is better than one in the bush.

DEAR ABBY: I don't agree with you that a hairdresser's "tips" are her bread and butter. Generally speaking, a hairdresser receives a salary, plus a commission. When an employer expects the public to pay his help, he is putting that much more into his own pocket. It used to be that a customer got a calendar for Christmas from the dairy. Now the milkman expects a present! Good night! MADISON

DEAR ABBY: The people I have reference to read your column. Both are professionals in the same line of work.

The man is a devoted husband and father and is respected in town. The woman is younger, married and attractive, and there has been some talk about her. This woman falls all over this man in public, calling him

"honey" and "darling." She also stands very close to him and man-ages to touch him all the time. She tries to give the impression that there is something between them. The man is too naive to realize what she is trying to do.

It would be too bad to have this man's home broken up through scandal. I am sure he isn't aware that this woman is hurting him by her actions. Who should tell this innocent man that people are noticing and talking? A FRIEND

DEAR FRIEND: A man would have to be extremely naive not to be aware of a woman "falling all over him" in the manner you describe. I would say the man is either cooperating or you are exaggerating. In any case, let the "innocent" man look out for himself.

CONFIDENTIAL TO "SEARCHING WITHOUT SUCCESS:" Matzo meal and potato starch can be found in any kosher delicatessen.

How is the world treating you? Unload your problems on Abby, care of this paper.

For Abby's booklet, "How To Have A Lovely Wedding," send 50 cents to Abby, Box 3365, Beverly Hills, Calif.

## Jacoby On Bridge By Oswald Jacoby

When this hand was played in the Houston tryouts, six of the eight North-South pairs reached six clubs. Against any lead but a trump, the play was fairly easy. South would win the trick, play ace and another heart for a ruff in dummy, get back to his hand by ruffing a spade or diamond, ruff another heart with dummy's queen of trumps, draw trumps and concede a heart trick.

It was against a club lead that real skill was required, yet it was forthcoming.

South would win in his own hand, play ace and another heart (ruffing in dummy), play dummy's ace of spades, ruff a spade, ruff another

NORTH		EAST	
♠ A8765	♠ 10983	♠ 10983	♠ 10983
♥ KJ76	♥ QJ85	♥ QJ85	♥ QJ85
♦ QJ109	♦ 10983	♦ 10983	♦ 10983
♣ 8765	♣ 8765	♣ 8765	♣ 8765

heart only to find out that the suit was not going to break.

South would think a white and then ruff another spade. Three rounds of trumps would follow and the two low diamonds would be discarded from dummy.

At this point dummy would be down to the ace and king of diamonds and two little spades. Declarer would hold three useless hearts and one diamond.

A diamond lead to dummy's ace and a low spade would give East a trick, but he would then have to lead a diamond, whereupon dummy would take the last two tricks.

## We The Women: By Ruth Millet

A business executive complains that unmarried women show lack of ambition because they shift from job to job, depending on the availability of eligible men.

Of course they want to work where there are eligible men around. But that's not lack of ambition. That's ambition of

the most fundamental kind, from a woman's point of view.

After all, the lifetime career that appeals to most women is marriage. So from an unmarried woman's point of view—no matter how well paid or how responsible her job—if she never comes in contact with an eligible man it is a futile job, no matter how good her chances of promotion.

So it is rather unfair for a man to judge a woman's ambition or lack of it from a purely masculine viewpoint.

The girls who leave jobs because they don't bring them contact with eligible men can't be compared to young men who change jobs frequently for reasons that have nothing to do with advancement. The men who keep on the move may be lacking in ambition.

But the girl who moves from job to job until she finds one where there are a few unmarried men around has plenty of ambition, from a feminine point of view.

She isn't letting anything—a pay check, the promise of advancement, or security—keep her from heading for her major goal of marriage.

So let's not call her "unambitious." Let's admit she is a smart girl who knows exactly what she wants out of life, one who isn't going to waste years in an office where she doesn't have a chance of finding a husband.

# Strikes . . . Spares

By JOHN A. SPOLSKI

Now let's see, in bowling thru the yellow sheets of the league record booklets for the bowling action of this past week, the following klegers and ettes have actually created the news by their bowling ability: Bahrens, Smith (now that's getting the column off to a rousing start, isn't it? How many Smiths do we have in this area?), DePalma (and for a change it's not the old man but rather one of his sons) Nicholas, Watson, Kaner, Grabarkiewicz (Brother, and I thought Spolski was hard on the tongue!), Kinard, Fox, Wright, Kostival, Anderson, Michalek and Parker.

If we were put onto the spot of selecting a real dark horse in someone of the many new klegers who has improved tremendously, one in this category would be Robert Parker (Wheelbarrow Fertilizer) in the Thursday eve Jet Lanes Keglers League.

Talkin' about the Klegler's League, Ed Michalek's 245 (Craig Cars) was his single for the nite.

On this same nite in the Douglas Aircraft Lg. it was the Murphy's, Kathy and Gerald who were flashing the "bowling form" for the group. Kathy led the women with a 190 477 set as hubby Gerald slashed the maples with a 222/606 series. Man, he has one of the most deceiving deliveries of anyone at the lanes.

Probably one of the most improved women bowlers in our midst is Mary Jane Gordon (Sanford Herald) of the "T League."

Seems like everytime I check the results, Mary Jane's up in the Charming Circle. This week's action found her poundin' on the door with games of 180, 196/503.

Rumor has it that Eustis is gonna bar Johnny Wright and Bobby Boradorf from competing in that area.

This past weekend, each of the local "pros" came back \$50.00 richer as a result of some superlative bowling. Understand that both averaged over the 200 mark for more than 12 games.

Johnny lead the All Stars & City Leagues this past Wednesday with series of 238/584 and 222, 208, 235/665. Mighty fine shootin', John.

Old Reliable Garry Fox is choppin' the pins again as he exploded with a 243 and his team-mate Al DePalma was one pin less with a 242 game in the Stars League.

The Hi Nooners League of Wednesday afternoon was treated to some exceptional bowling by Lil Donah of the C.P.O. Wives team with games of 178, 255, 214/642. THAT'S SCRATCH MENI SCRATCH!

Big Jack Kanner had games and series even bigger than he in the Monday Nite Charles Muehl/Mar Mac Singles Classic Lg. Jack's highest was a 246, followed by a 332/631 combo.

The other BIG ONE for the nite in this same lg was Harry Pentecosta's 239/625.

Beverly Grabarkiewicz bowled her first sanctioned game 200 in the Jet Bowler-ettes League on Wednesday morning. And Oh Boy was she ever proud of that game, too. Probably equally thrilled 'bout receiving her "200 Club" patch, too.

HOP SCOTCHING OTHER LEAGUE ACTIONS:

Midjet Foodmart—Martha Kinard 184/466.

Sandspurs—Midge Woods (McRoberts Tires) 189/512.

Thurs. Mixed—Virgil Anderson 220 & Dot Powell 546.

Bill Hemphill Motor-ettes—Jo Watson 174/480. Marge Sellers had a 176.

Saturday Junior Lg—Bantams, Johnny DePalma 178; Frank Dukes 408; Juniors, Don Nicholas 205/523.

# Bubba Davis Selected On All American 11

Sanford Halfback Bubba Davis has been selected as an All-American football player by the Wigwam Wisemen of America, sponsors of the National High School All-American All-Star Football Team, it was learned today.

Davis was notified by mail by Wigwam Chairman Mose Simms that he was named to the 14th Annual Wigwam All-American Football Team and that he will be eligible to take part in the 14th Annual All-American All-Star Football game to be played on May 19, 1962.

Nominating Davis for the award was Seminole High School Football Coach Jim Pigott who sent in names of several outstanding senior lettermen to the Wigwam Association to compete in the elimination.

The All-American Team is composed of 100 boys selected from prep teams from across the nation. Seven teams are included in the group and 13 honorable mentions in addition are awarded to the outstanding players.

Final selection of the team that will be invited to play in the All-Star game in May will be further determined from records and individual attainment gained by the individual player during his football career.

Coach Pigott said that he felt that the honor that was bestowed on Davis was a direct result of the great record that the Seminole High Football Team achieved in the 1961 gridiron season and is a tribute to the team as a whole.

One of the last Sanford football players to make the Wigwam All-American team was Bubba Blisbee, a gridiron player for Seminole High several years ago.

# Takes Loot

By United Press International

Johnny Podres received both credit and cash from the Los Angeles Dodgers Monday, and while both are nice the veteran southpaw will take the \$30,000, thank you.

George Boynton, a 5-11, 190-pound halfback, has signed a contract with the Oakland Raiders for the 1962 American Football League season. Boynton probably will be used as a defensive halfback by coach Marty Feldman.

# Oviedo Drops 13th Contest

Number 13 brought bad luck to Paul Mikler's Oviedo Lions in Mount Dora Friday night as the Oviedo team dropped their 13th cage action of the season to Mount Dora Bible 83-36, a game in which the Bulldogs devastated Oviedo's defenses.

Paul Haskins missed the school scoring record for the Bulldogs by only seven points as he scored 40 points for Mount Dora, making 13 field goals and 14 out of 15 foul shots for his 40 point total.

High scorer for Oviedo was Tommy Estes with one goal and seven foul shots for nine points. Second was John Courter with four field goals for an eight point total.

By halftime the Bulldogs had trampled the Lions to the tune of 38-18 with Mount Dora's Jimmy Liles and Haskins dropping in the two-pointers for the Bible School. Liles took number two scoring post with 13 points.

# Epps Captures Golf Tourney

Winner in the Mayfair Golf Association point Tournament held Sunday was Dr. Dub Epps in Class A with a plus nine. Tied for second place was Sonny Powell, Bill Hamilton, and Bill Fouk all with a plus three.

The Winner in Class "B" was Dr. M. Lipton with a plus seven. Mack Cleveland Jr. took second place with a plus three.

In Class "C" was Dean Reine with a plus six. Tied for second place was Herman Krenschke, Bill Hutchison and John Dickey with plus three.

Harry Cushing won the Closest-to-the-Pin Award on the 148 yard long 16th hole as his ball landed only five feet away from the hole.

The longest putt made was by Jim DeGanah, a 30 footer on the number nine hole.

The next event for the Mayfair Club will be Sunday with a Two-Ball Tourney. Drawing will be at 12 noon Sunday for partners, followed by a Bring-your-own-Steak dinner and dancing later.

# Sign Back

George Boynton, a 5-11, 190-pound halfback, has signed a contract with the Oakland Raiders for the 1962 American Football League season. Boynton probably will be used as a defensive halfback by coach Marty Feldman.

SANFORD'S Butch Riser prepares to dunk in a two-pointer for the Seminoles as Apopka's Goolsby and Sellers wait for a rebound. (Herald Sports Photo)

# Galen Hall Signs Pact

WASHINGTON (UPI) — Galen Hall, Penn State's "forgotten quarterback," signed a contract today with the Washington Redskins of the National Football League. Hall, who wasn't on anybody's All-American team and wasn't even on the draft list of a single NFL team, wound up as one of the outstanding stars of post-season bowl games.

# Postpones Bout

LIVERPOOL, England (UPI) — Promoter Mickey "Pat" has postponed Thursday night's scheduled bout between Dave Charnley, the British, Empire and European flyweight champion and Jose Stabile of Cuba. Charnley has been stricken with influenza but is expected to fit within a week.

# Blue Darters Trounce SHS Quint, 52-30

By Pete Leveque

Bud Laver's Seminoles took their fourth blow of the season Monday night as the Apopka Blue Darters wrought havoc with a final period thrashing to down the Sanford team 52-30 in the Seminoles' second defeat on their own court.

Adding the fourth defeat to the Seminole record, the Blue Darters racked up their 13th victory in 14 games to take the top rung in the Orange Belt Conference. Sanford now stands with a (2-4) conference record with each of its losses in conference competition. Overall record for the Seminoles is now (7-4) for the season.

The Seminoles got off to a slow start in the first quarter and scored seven points to the 11 by the Darters. But as the Sanford players picked up speed so did the Apopka boys who held Sanford to the same tally in the first two periods.

Sanford held its own in the third period with Sanford scoring eight points to Apopka's seven, but in the last quarter the Darters surprised Sanford by coming up with 23 points.

Top scorer for the Seminoles was Mike Woodruff who made good his comeback from a flu bout by dumping in five goals and two foul shots for a 12 point total and the only Sanford player to make double scoring figures for the night.

Harry Brown came in second in the scoring department for Sanford with two field goals and three free throws for a seven point total with Butch Riser taking a close third with two goals and a foul shot for five points.

# Antonelli Quits Game

ROCHESTER, N. Y. (UPI) — It was a happy \$10,000 night for Roger Maris and a rather sad one for Johnny Antonelli, who turned his back on \$27,000 and professional baseball for good.

Maris climaxed a winter of banquet - hopping Monday night by accepting the \$10,000 diamond-studded, gold-buckled belt annually awarded by S. Rae Hickok to the "Professional Athlete of the Year."

The New York Yankees' home run king received the belt at the Rochester Press and Radio Club dinner and among those in the audience was the 31-year-old Antonelli, a local resident whom the New York Mets had purchased from the Milwaukee Braves last fall.

# Favored In Race

AGUA CALIENTE, Mex. (UPI) — Four-and-Twenty has been made the 2-1 favorite for the Santa Anita Handicap Feb. 24 in the Caliente Future Book. A surprise victory by The A & H in Saturday's San Marcos reduced his odds from 100-1 to 30-1.

By Jack Trim

Two seasons ago, The Herald had a big black headline announcing that Sanford had become the shad fishing capital of the world.

The statistics to backup the headline were given at that time by Jim Crowe, operator of Crowe's Camp on SR 46. He later figured out other statistics on how much the shad season means to Seminole County and vicinity economically and the results were important. They still are.

About \$18 per day is the average spent by a tourist who comes here for shad fishing over an average stay of two or three weeks. The fishing camps handle about \$4.50 of that amount and the other \$13.50 is spent on lodging, gas and food. This spreads the visitors' money around pretty good.

An accountant could take this many steps further, but here are only a couple of current figures.

There were more than 800 people boating out of a single camp after shad last week. This probably is above the average, but multiply half of 800 by the five major camps in this area and that's 2,000 people on our river banks during the past seven days.

Where records have been kept, half of the visitors for shad fishing are from out of the state, many others from other counties of Florida.

And the shad have been responding.

Many catches of 15 shad were reported last week and new local record sizes were caught. Several weighing nearly five pounds were netted, and they always cause plenty of excitement.

Weather and water conditions have not been ideal for the shad run this year, so if this much good fishing, good fun and good business can be had in a sub-par situation, isn't Sanford truly the shad fishing capital of the world?

# Herold Express Shoots For 1st SOKC Win

Though Jack Herold's Herold Express has not yet posted a win in three tries, he goes to the post a 2 to 1 favorite on the morning line in the featured ninth race at the Sanford-Orlando Kennel Club tonight. The big 71-pound light brindle has a national A-2 rating and last season established a new record for the 5/16ths mile course here. His clocking of 30.60 has not yet been beaten.

Boots Wallace rates as the winningest entry in the main event. He recently took four-in-a-row to win in Grades D, C, B and A. Another wind-minded entry is Mrs. Mops, who recently took three-in-a-row. Others in tonight's top attraction are O. B.'s Irschman, Sandy Emma, Kasco Bossman, I'll Take Him and Bev's Shawl.

Winners of main events the early part of this week are very likely to land spots in the three big races Saturday, the evening having been designated "All Star Night." It is an entirely new attraction, in which 34 greyhound races will complete in three contests. The greyhound winning

# NEW SIZE DODGE DART-COMPARE IT 6 WAYS FROM SUNDAY

PRICE. Car sales are booming. It's a great year to get a great deal. But before you buy, check your Dodge Dealer.

PERFORMANCE. Dart has the most powerful standard six in the business. With its standard V8, the car has a phenomenal power-to-weight ratio.

SAFETY. Dart gives more braking power-per-pound than any car near its price. As much as 62% more lining area. Brakes adjust themselves.

DEPENDABILITY. Dart's body is completely rustproof. You can go 32,000 miles between grease jobs. A battery saving alternator is standard equipment for fast, sure starting.

COMFORT. Plenty of headroom and legroom. Chair-high seats. Man-size tires that put plenty of rubber on the road. Smooth Torsion-Air ride.

SIZE. The new size Dodge Dart is two feet shorter than America's largest car. Two feet bigger than the smallest. It's sized right in the middle.

**SIZED RIGHT IN THE MIDDLE OF THE BIG AND LITTLE DODGE DART!!**

FORD FAIRLANE	\$2079
MERCURY METEOR	\$2203
THE NEW SIZE DODGE DART	\$2241
CHEVY BISCAVNE Price includes dealer	\$2324
FORD GALAXIE	\$2378

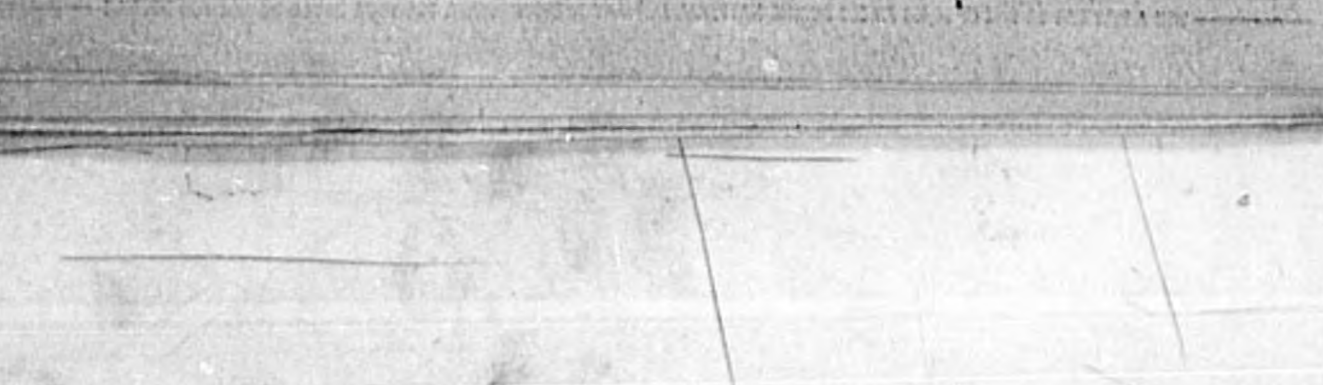

The comparison above is based on manufacturers' suggested retail price of no trailer door sedan. Daily while while tires, bumper guards, wheel optional equipment, state and local taxes if any and destination charge extra.

**SEMINOLE COUNTY MOTORS, INC.**

519 E. First St. SANFORD, FLA.

WIN A NEW CAR OR ONE OF 20,000 PRIZES DURING NATIONAL JANUARY TREASURE HUNT. SEE YOUR DODGE DEALER FOR DETAILS

SIDE GLANCES By Galbraith

"My husband is driving my compact today. Officer, as please make out the ticket in his name. I'd have been able to park my car in a space this size!"

TIZZY By Kate Osann

"Susan, you do! You couldn't have called at a better time!"

CARNIVAL By Dick Turner

"I said FORGET IT, LADY!"

FACT

# Aims Of Educational TV To Be Discussed Here

Al Edmonds, director of the Central Florida East Coast Television Corporation, will speak on the progress, aims and developments of ETV for this area, at Seminole High School Thursday at 8 p.m. The meeting is sponsored by

the Jaycee Wives Club in the public interest, and all interested persons are invited. Edmonds has 21 years experience in the field of education as a teacher, principal and college instructor, as well as other fields. He has served for the past nine years as Director of Education at Gainesville and Daytona Beach, before being appointed Director of ETV for Central Florida in July, 1961.

Edmonds pointed out in a recent interview with a Herald reporter that the nine county area of Central Florida is the only area not now covered by educational television. Two-thirds of the state now has educational TV advantages from the five present ETV stations, located at Jacksonville, Miami, Tampa, Tallahassee and Gainesville, he said. The Jaycees Wives have

taken this means of making developments of educational television for Central Florida known to the general public, and announce that a question and answer period will be held after Edmonds speaks, to give all interested persons an opportunity to learn more about what has been done, is being done and will be done. Seminole County members of the board of directors for the ETV Corp. are W. H. DeShazo, R. T. Milwee and Valda Robbins.

## Florida Power Gives Dinner In Enterprise

By Helen Snodgrass  
The annual safety dinner of the Florida Power Corp. for employees of the George E. Turner Plant at Enterprise was held at the Florida Power Club there on Jan. 15. Plant Supt. D. J. Parker served as master of ceremonies and a recorded talk was heard from President Bill Clapp, H. B. McMahan, safety director from St. Petersburg, gave a talk on safety and awards were presented employees and department supervisors. The steak dinner was prepared and served to 58 employees present by Ray Tryon of Winter Park, Jack Mogard of St. Petersburg and W. C. Ward, Fred Staffor and Mrs. Doris Nelms of DeLand. Out of town guests, other than McMahan, were W. R. Spencer, assistant safety director; M. F. Bunnell, vice president of Industrial Relations; Poe S. Hearnden and W. D. Coblentz, personnel department; R. B. Lee, assistant superintendent of production and A. T. Sims, building maintenance, all of St. Petersburg and W. C. Johnson of Winter Park.

## DeBary MYF Has Picnic

By Mrs. Adam Muller  
The Methodist Youth Fellowship of the DeBary Community Methodist Church met for a winner roast Friday evening at the picnic spot on the St. Johns River at the foot of W. Highbanks Rd. Rev. and Mrs. Damon Scott supervised the picnic which was attended by Carole Corson, Eddy Scott, Linda Sut Hart, Jane and Tommy Vaught, Donna Cole, Rita Peacock and Paula Mattison.

## Scouts' Art Show Paintings Depict Familiar Scenes Here

Seminole County Girl Scouts presented their impressions of the Holy Cross Episcopal Church, and Judy Smith depicted a historical sketch of an old blacksmith shop, such as used to stand across the street from the present Garrett's Dept. Store. Pat Leary's winner was a composite picture, showing a lake, orange groves and palm trees, some of the county's natural resources and crops. Cindy Leonard drew and colored a picture of the old fire engine in the Elka Playground, which is a special landmark to children.

An imaginative painting of Indian Mound, a site near the river, is peopled with Indians standing guard, in Deborah McLean's winning picture. Sally Deal presented a pencil sketch of the Girl Scout Camp at Silver Lake and Vivian McInvale, also pictured a lake, but did not clarify which of the many in the county had inspired her.

Connie DeJong pictured surroundings and activities at the Girl Scout campsite. Connie, Sally and Vivian are all sixth graders. A water color scene, which may well be called a landscape, though no particular site was named, was the winning picture of Jean Fletcher.

All 16 of these paintings, drawings and sketches will now go to the Citrus Council Art Festival to be held in Orlando, Feb. 17, and the Blue Ribbon winners there will be entered in the national competition at Button Bay, Vt. at the annual roundup in June. Judges for the Art Show were art teachers, Joseph Mathieux, Mrs. Mildred Babcock and Norman Reed.

The Spanish architecture of the Holy Cross Episcopal Church, and Judy Smith depicted a historical sketch of an old blacksmith shop, such as used to stand across the street from the present Garrett's Dept. Store.

Pat Leary's winner was a composite picture, showing a lake, orange groves and palm trees, some of the county's natural resources and crops. Cindy Leonard drew and colored a picture of the old fire engine in the Elka Playground, which is a special landmark to children.

An imaginative painting of Indian Mound, a site near the river, is peopled with Indians standing guard, in Deborah McLean's winning picture. Sally Deal presented a pencil sketch of the Girl Scout Camp at Silver Lake and Vivian McInvale, also pictured a lake, but did not clarify which of the many in the county had inspired her.

Connie DeJong pictured surroundings and activities at the Girl Scout campsite. Connie, Sally and Vivian are all sixth graders. A water color scene, which may well be called a landscape, though no particular site was named, was the winning picture of Jean Fletcher.

All 16 of these paintings, drawings and sketches will now go to the Citrus Council Art Festival to be held in Orlando, Feb. 17, and the Blue Ribbon winners there will be entered in the national competition at Button Bay, Vt. at the annual roundup in June. Judges for the Art Show were art teachers, Joseph Mathieux, Mrs. Mildred Babcock and Norman Reed.

## Rotary Magazine Highly Rated, Touhy Says

The Rotary Club at its meeting Monday noon at the Civic Center observed the 51st anniversary of The Rotarian, the magazine published by Rotary International. The speaker was past president George Touhy, magazine committee chairman. Local club members were reminded that their magazine is one of the most highly regarded and very frequently quoted in its field. Touhy underscored the international theme for Magazine Week, read it, use it, share it. Obviously, it was pointed out, value from the fine publication can come only if it is read. The material in it may be used to provide relaxation, broaden one's knowledge, increase information of Rotary, provide material for projects and programs. Most people find many items in The Rotarian that are interesting, so to get increased value from its publication it should be passed on to others, Touhy concluded. Kenneth Leffler presented the speaker. Pres. Phil Westgate presided.

## A HEARTY HANDCLASP is given to Mrs. Phillip Kessler, who worked more hours than any other Pink Lady at the hospital this year, by Robert Besserer, new hospital administrator, at the luncheon which climaxed the year's activities, Saturday. Mrs. Kessler had a total of 576 hours and she also received a silver tray. (Herald Photo)

## Good News For Youths Interested In Marine Corps

High school seniors — both boys and girls—can now enlist in the U. S. Marine Corps 120 days prior to going on active duty, Sgt. Ellison Smith announced today.

Sgt. Smith, local Marine Corps recruiter said this permits a young man or woman to complete his education and still be assured of active duty after graduation on a date of their selection without being confronted or held on a waiting list.

"There is no loss of school time except for the necessary trip to Jacksonville for complete physical and mental examinations, all expenses paid usually from Sunday afternoon through Monday evening," Sgt. Smith said. The 120 days delay which are used with this particular program are counted as actual service in determining future pay and promotions, plus time deducted from obligated service, the recruiter said.

Further information on this Marine Corps "delay program" can be obtained by contacting Sgt. Smith on his weekly visits to Sanford at the Post Office on Monday afternoons from 3 p.m., or write to the U. S. Marine Corps Recruiting Office, Executive Building, 2520 N. Orange Ave., Orlando.

## Coach Gives P-TC Program In Enterprise

By Helen Snodgrass  
Members of the Enterprise Elementary Parent-Teacher Council met for their January business session last Tuesday evening in the school cafeteria. Harold Wooten, physical education coordinator of the Enterprise School and boys' coach, was in charge of the program on "Physical Fitness." F. W. Glenister gave the opening devotion and Mrs. Pat Hatchett P-TC president, conducted the business meeting. Mrs. Bozeman's second grade won the room count and seventh grade mothers served refreshments at the close of the program.

## Hospital Auxiliary Reviews Extensive Year's Activity

The ladies of the Seminole Memorial Hospital Auxiliary climaxed a year of activity with an annual business meeting of the entire auxiliary, followed by a sumptuous luncheon and fashion show at the Mayfair Inn, Saturday. Retiring President Mrs. Frank Woodruff presided at the meeting and luncheon. Reports were heard from all committee chairmen and awards made for the longest number of hours served at the hospital.

Mrs. Frank A. Zib, Northeastern District Director of Hospital Auxiliaries, was an honored guest at the luncheon and also served as installing officer in the impressive candle-lighting ceremonies. She gave the oath of office to the new leaders of the local auxiliary, or "Pink Ladies" as they are known because of their colorful pink pinaflore uniforms.

Mrs. Phillip Kessler received the top award for having served the most hours this year, a total of 576, making a total of 3,751 accumulative hours spent in voluntary service to the hospital and its patients. She was presented a silver tray by Hospital Administrator Robert Besserer. Installed as new president for the coming year was Mrs. C. E. Butler of DeBary. Mrs. William Crabtree will be first vice president; Mrs. Reuel Robinson, second vice president; Mrs. W. R. Gramkow, recording secretary; Mrs. L. Anderson, corresponding secretary, and Mrs. Chester Rearick, treasurer.

Mrs. Zib announced that Mrs. Butler had been appointed Civil Defense Chairman for the state organization and Mrs. Woodruff had been named state historian. The luncheon consisted of citrus cocktail, baked ham in raisin sauce, toasted potato swirls, broccoli with cream sauce and ice cream with cherry nut sauce.

During the luncheon a showing of the newest spring fashions being displayed by local dress shops were shown by a bevy of charming and attractive local models, including Mrs. William Kirk, Mrs. William Stemper, Mrs. George Stine, Mrs. Gerald Jones, Mrs. Lois Housholder, Mrs. George Wells, Mrs. Don Bales, Mrs. Walter Gielow, Mrs. Carol Dennison, Mrs. Harry Echeberger, Mrs. Kitty Purdy, Miss Judy Bentley and Miss Barbara Harvey. The parade of fashions was accompanied by tuneful piano melodies by Mrs. Katherine Wheelchel.

## Vocal Group Draws Large Crowd

By Dottie Higginbotham  
To a community devoid of any real first-class entertainment these last few weeks, came the outstanding artistry of a distinguished vocal trio, the famous Rondoliers, three handsome young men with rich, well-trained voices and engaging personalities, to lift an almost capacity audience out of the doldrums in quick order, Friday night in the SHS auditorium.

## William Sloane Rites Wednesday

William Joseph Sloane, 46, Mobile Manor resident, died Sunday at 11:30 a.m. in Casseberry. Mr. Sloane came here from New York in 1933 and was engaged as a painting contractor. He is survived by his wife, Nancy; one son, Michael, 4; two daughters, Desiree, 3, Stephanie, 2, and one brother, Robert.

The funeral services will be held in Gramkow Funeral Home at 10 a.m. Wednesday. The elder members of the Crest Memorial Church will officiate. Interment will be in Longwood Cemetery. Pallbearers will include Bob Mullins, Jack Boyles, Olen Pullen, Roy Phillips and Carl Walker.

**Ferry Service**  
MERIDIA, Mexico (UPI)—Two Mexican companies are bidding for permits to start ferry boat service between the Yucatan Peninsula and Florida.

Resplendent in white tie and tails, tall, handsome, deep-cheated Edmond Karlsru, suave, dark hair, Mendenhall and boyish-looking David Kennedy, accompanied by Norman Johnson, Pianist, whose nimble fingers worked magic on the old SHS piano, poured out a feast of songs, folk tunes and operatic arias, with finesse and easy style. The special arrangements by Charles Touchette were uniquely suited to the considerable talents of the three young men, and the varied selection was chosen to please even the most critical taste. Proof of the enjoyment of the audience were the four encores that the group were called back to sing, and each encore was better than the last.

The second encore was just for fun, a song called "Johnny Sands," full of laughs. The third one was a smasher—the well-known "Figaro" from the Barber of Seville. Then they wound it all up with the old favorite of favorites, "Drink To Me Only With Thine Eyes."

Contemporary music included excerpts from the Broad-

# Board Starts Nova Ball Rolling In Seminole

## Commission Votes Survey Of Roads

By Larry Verhel  
It's a sure bet that Doug Stenstrom will be named by the County Commission Friday to serve on the regional planning council. . . . The other appointees will probably be from the Oviedo-Chuluota-Geneva area . . . Maybe Charles Lee.

One more item on this: The board will probably take \$3,200 out of the advertising budget to help finance Seminole's pro-rata share.

Zoning Director Robert Brown told us that he has started a complete survey on all rights of way for all roads leading into Nova.

Watch for an announcement soon of a 2,000 home development between Lake Mary and Longwood.

Senator Bernard Parrish, who will speak at the Jaycee Banquet Saturday night, has said publicly that next to Brevard County, Seminole will gain the most from the Nova impact.

Naval Air Station Commander Capt. Robert Ware has given the okay for a commercial airport in Seminole. Wrote the County Commission Tuesday that he finds no objection to any commercial facility.

Dynatronics will break ground on its new 30,000 square foot addition Saturday morning. By the way the facility is located in Seminole County and not Orlando. Every news release that comes across this desk says "Dynatronics of Orlando."

Nominations for the Distinguished Service Award may be received up to noon Thursday at the Jaycee office. Secretary Phyllis Chapman will take them all and they will be handed over to the committee of past presidents for their study and final selection, after the Past Presidents luncheon at the Civic Center at noon Thursday. Don't just think about it. . . . Do it now.

The dictionary defines civics as "the science of civic affairs" . . . with elections coming up and talk of incorporation in several Seminole County communities wouldn't this be a good time for interested citizens to take advantage of the free adult course in the subject offered at Seminole High School. Classes open Monday at 7 p. m.

Notice those sandpiles by City Hall. Well city officials are not playing in the sand . . . just checking samples for future clay pits.

There's a story going around City Hall that it takes so long to get outside phone lines these days with the new switchboard that one woman in a motherly way phoned for a doctor and by the time she reached him the child she had registered for kindergarten. . . .

The City has received word from the State Board of Health on the wage scale to be used on sewage treatment plant construction. City Manager W. E. Knowles says "this is one of the big steps."

Headline for auto tags is Feb. 20. . . .

Chamber of Commerce manager John Krider is walking with a big chest these days. He became a grandfather for the second time. Jimmy and Pat Krider of Ocala have a new baby girl.

THOUGHT FOR THE DAY: If property on W. First Street is so valuable that it cannot feasibly be worked into the shopping mall that we would mean so much to downtown Sanford and its merchants, maybe the county and city tax assessors can find a new source of revenue by taxing the parcel on the owner's valuation.

The County Commission Tuesday unanimously approved Seminole's participation, with five other counties, in obtaining a survey of road needs in conjunction with the Nova Moon project.

The board voted to pay its pro-rata share of the survey cost (\$4,600) which will be divided among Seminole, Volusia, Brevard, Osceola, Orange and Indian River counties.

At the same time the board tabled action until Friday to appoint two men from the county as members of a regional planning council for the six counties.

Several names were discussed by the board but Commissioner James P. Avery declared that "this is an important decision and we had better take time to think about it." Avery added that the two men appointed "would be the two

most important men in the county."

"These two must fight for Seminole County and all sectionalism must be avoided." In selecting the two men, Avery suggested that representatives from all municipalities and civic groups take a part in picking the two men but the rest of the board felt that it is the commission's decision and agreed to meet at 4 p. m. Friday.

In discussing the Nova Impact study, Avery, after giving a report of the recent meeting at Patrick Air Force Base between representatives of the six counties, declared that "if Seminole County fails to get representation it will be a mistake of the first magnitude."

"We have got to have adequate roads, drainage and schools for this Nova impact and this is the only solution," Avery also explained that this was not a one shot expense but would grow in scope and "it may be necessary to provide more funds."

Out of that fund, Seminole County paid out \$19,351; rehabilitation from the state, \$673 and State welfare, \$31,625.

Total cash receipts for the hospital total \$888,053 while patient receipts totaled \$637,270.

Despite protests from the Crystal Lake Waterways Assn., the County Commission Tuesday approved the dredging of two lots in the Isles of Pines sector of Loch Arbol.

Col. J. O. Gregory spokesman for the association, emphasized that he was not against anyone building a beach but felt that "it was not the proper time to dredge because of the condition of the lake."

However, Commissioner John Fitzpatrick, who is a resident of that area, said, "I've got my beach, you can't build one of your own."

At the "unofficial" public hearing on the matter, Mrs. F. E. Roumillat said that it would help the appearance of the lake.

In other business, Col. S. L. Jennings of the Seminole County Sportsman Club informed the commission that a boat ramp would be constructed at Mullet Lake Park and cited the need for channel markers in the Puzzle Lake Area.

The board also heard Commissioner Vernon Dunn express the need for a full-time health director. However, Fitzpatrick said that the board had already signed an agreement with Orange County to utilize one of their health officers to come over two days a week.

Dunn withdrew his motion. Dunn also proposed standardization of speed limits in sub-divisions throughout the county and in school zones.

However, James P. Avery questioned the legality of whether the board could accomplish this and said it could work a hardship on law enforcement officers.

Dunn withdrew his motion.

CAPE CANAVERAL (UPI) — The United States failed today in an attempt to orbit a record five satellites in one shot when the upper stage of the rocket launcher misfired.

An 80-foot Thor-Able-Star rocket was sent into the sky at 4:30 a. m. EST, with the five satellites attached like Christmas tree ornaments to a rack inside its nose. But about 25 minutes later, the Air Force said the upper stage of the gleaming white missile failed to build up thrust after it had ignited.

Crash Reported  
An Atlantic Coast Line freight train rammied into a car by Veino's Lumber Yard in Longwood, shortly before noon today. No one was believed injured in the crash.

PINECREST FOURTH GRADE STUDENTS, under the direction of Miss Lucille Campbell, follow their Spanish lesson over Channel Nine, taught by Senora Rosario Martinez. The teacher and children speak only in Spanish in class, and address each other with the Spanish equivalent of their names. This educational television class was made possible through the interest of the Navy father of one of the students. He is M. C. Prevo, who donated the use of the TV set for the school year. Well-advanced for fourth graders, this class has been studying Spanish with Miss Campbell since the beginning of school. (Herald Photo)

## Coffee Club To Fele 2 Groups

New members of the Seminole Chamber of Commerce and Navy officers newly assigned to the Sanford base will be welcomed at the meeting of the C. of C. Coffee Club Thursday at 10 a. m.

Heading the list of honored guests will be Capt. Robert M. Ware, commanding officer of N. A. S., and Major Ermer D. Bowen, commanding officer of the Marine barracks.

Expected to be present also are Cmdr. Stanley R. Stand, station executive officer; Cmdr. James R. Wilson, administrative officer; The Rev. Paul J. Antos, new Roman Catholic Chaplain; Lt. Cmdr. Frances Mitchell, station personnel officer; Lt. Cmdr. Richard Stolpe, Housing One, Public Information Officer, and Lt. (jg) Betty J. Honstein of the Waves who will soon take over as communications officer.

## Career Aviation Rotary Topic

Cdr. Silas R. Johnson, USN, Commanding Officer of Heavy Attack Squadron Three, and two of his officers, Ledr. James A. Detianah and Ledr. Donald C. Hamilton, will be the guest speakers at the weekly meeting of the Rotary Club Monday noon at the Sanford Civic Center.

The topic of the program will be Naval Career Aviation and how Heavy Attack Squadron Three trains the crews to fly the AS2 "Skywarrior" and ASJ "Vigilante" to meet the demanding precision necessary to fly and operate from an Aircraft Carrier.

Dr. Phil Westgate, President of the Sanford Rotary Club has announced this meeting is open to the public for a limited number of guests.

Reservations can be made by contacting Ken Laffer at FA 2-5842.

Among the guests who will attend are Capt. Robert Ware, commanding officer of NAS, and Capt. Joseph H. Tully, commander of Heavy Attack Wing One.

## Colombia Asks OAS Break With Castro Red Regime

PUNTA DEL ESTE, Uruguay (UPI)—Colombia called today on hemisphere nations for a collective break with Fidel Castro's Cuba and new measures of vigilance to preserve other countries from the spread of the Cuban socialist revolution.

Opening floor debate at the eighth inter-American conference, Colombian Foreign Minister Calcedo Castilla said his country considered these measures "indispensable" to preserve inter-American treaties and the mutual aid system against Cuban threats "to the autonomy, independence and sovereignty of American states and the peace of the hemisphere."

## P. O. Contractor Gets Ultimatum

The Post Office Department has given the low bidder for construction of a new Sanford Post Office an ultimatum to sign a contract with the department by Thursday or the bid will be voided and the bond forfeited, the Herald learned today.

It was also reported that if the low bidder, Brown, Mason and Meltugh, Inc. of Jacksonville does not give some assurance of contract agreement, the postal department will negotiate with the second bidder who has already promised to begin construction on the facility by Feb. 1.

The second low bidder is the Hellemead Corp. of Daytona Beach who is presently making plans to construct a new A and P food market off Hwy. 17-92.

The Jacksonville firm had been awarded the low bid on the contract Aug. 28. As of today no work has started clearing the property which is located between Sanford and Palmetto Aves. west of the Civic Center.

The contract calls for work to start in 30 days. The plans call for a building three times the size of the present post office on First St.

The city is attempting to lease the present building for a library.

news... BRIEFS

Awards Banquet  
TALLAHASSEE (UPI) — The annual Florida Conservation Awards Banquet will be held here Feb. 16, Dr. H. H. Wilber of DeLand said today.
