### St. Johns buys wastewater plant

The St. Johns River Water Management District Governing Board voted to buy the site of an abandoned wastewater treatment facility in southern Seminole County to convert into a stormwater project that will reduce pollutants draining into lakes Howell and Jesup.

The 10-acre property will collect and treat stormwater from a 500-acre area that now drains directly into Lake Howell, which flows into Lake Jesup. The Board voted to pay \$360,000 for the property, located east of U.S. 17/92 and Kewannee Trail, and west of Lake Howell and State Road 436.

"Using small parcels within the Lake Jesup basin for these types of projects will allow the agencies working together on the restoration of the lake to reduce the pollutants that continue to degrade water quality," sald William Kerr, chairman of the District Governing Board.

Plans are to use as many of the facility's existing structures as possible. The Board's vote is contingent upon approval of the city of Maitland, which owns the property in the unincorporated are of Seminole County. The Maitland City Council is scheduled to consider the contract at its Oct. 22 meeting. As a condition of the acquisition, the proceeds from the purchase are to be used for stormwater improvement projects in Maitland.

Lake Jesup has been degraded by decades of stormwater and agricultural runoff, and wastewater discharge. Efforts have been ongoing to reconnect the lake's floodplain to the lake, restore the lake's shoreline vegetation and to identify ways to improve the lake's circulation with the St. Johns River.

## Police investigate murder-suicide

Initial clues point to husband killing wife, then turning gun on himself

By Christopher Patton Staff Writer

LONGWOOD — A Seminole County probation officer for three years, was killed in an apparent murder-suicide late Monday.

At approximately 9:20 a.m. Tuesday, Seminole County claimed to hear screaming and

Sheriff's Office deputies responded to 222 Acom Lane in unincorporated Longwood. After breaking out a window in the tan duplex, deputies found the 29-year-old Amy Lohrmann and her husband, John, 35, with fatal gunshot wounds.

"One of the officers she worked with was aware she was in the process of leaving her husband," said Phil Stalvey director of the county's community services department. "When she didn't show up for work, he went to her place."

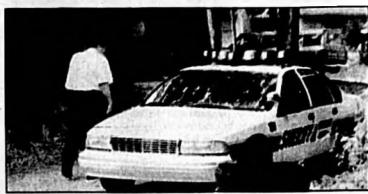

Several nearby residents

gunshots in the night, but never reported them to police. According to resident Diane Norton the string of duplexes have been a place of frequent disturbances.

"I know someone fights like crazy over there," Norton said.
"The police have been over there numerous times."

SCSO spokesman Steve Olson said investigators aren't sure who shot who, but suspicions are that John shot Amy and then himself. Initial investigations also point to John being an ex-

## Wal-Mart aims for a trifecta in Sanford

Sam's Club and two SuperCenters are either in the planning or construction phase

By Dan Ping

SANFORD - Throughout the years, Sanfordites have referred to their fair city by many monikers: Celery City, the Friendly City, the City Substantial. Perhaps it's time for a new one — Wal-Martville.

If all goes according to plans, the discount giant will operate three facilities — all within a 10-mile radius — in the city limits of Sanford.

"The real estate studies and research the company has done show the market can handle it," said Larry Wray, project manager for CPH Engineers Inc., the Sanford-based company handling the planning and permitting of all three projects.

## Jail escape thwarted

### III-fated plan called for breaking into jail before breaking out

By Christopher Patton Staff Writer

SANFORD — Seminole County deputies foiled a jail escape plan Sunday when an informant tipped them off to the potentially dangerous scheme.

Christopher Wysocki, 23, of Orlando was arrested Sunday night while sitting in a stolen green 1998 Ford Mustang outside of the jail in a restricted area. According to Seminole Sheriff's Office

spokesman Steve Wysocki was about to aid inmate John Kovacs, 46, of Titusville in a jail escape.

"With the help of his buddy, they were going to attack the correction officer," Olson said. Deputies learned of the

escape plan Sunday afternoon from e. "source inside the jail," said Olson. By knowing the exact day, a time-frame within a two-hour window and the possible method of the escape, a deputy was waiting for Wysocki's arrival.

## Lyman High plans Shakespeare production

Lyman High School's Lymlight Productions will perform William Shakespeare's "A Midsummer Night's Dream" in the Lyman High School

Auditorium from Nov. 1 to Nov. 3.
"A Midsummer Night's Dream" is a two-act comedy about two sets of lovers, mischlevous fairies, love potions and ill-trained actors. The play begins as Egeus, Hermia's father, refuses to let her wed Lysander, her one true love. He wants her to wed Demetrius, the one true love of

Hermia and Lysander agree to runaway in to the woods outside Athens. A lovesick Helena pursues Demetrius into the woods as he tries to woo

Hermia back to him. Meanwhile, an amateur group of actors practices a play in the woods for a royal wedding. Some misunderstood directions from an impish fairy cause the fairy queen and the actors' lives to

mingle. A comedic plot untangles.

The production of "A Midsummer Night's Dream" will mark the end of the 35-year old Lyman auditorium. The new Performing Arts Center adjacent to the campus will open in late November. The former auditorium will become a court-yard and outdoor amphitheater for use beginning the 2002-2003 school year.

The existing seats have already been relocated into the new facility. "A Midsummer Night's Dream" is being performed as an "environmental picnic theater." The entire space has been transformed into the magical forest

with set pieces interspersed throughout the temporary seating. Audience members have the opportunity to enjoy authentic Greek "picnic baskets" that include chicken sandwiches, pitas or gyros with chips, dessert and a drink for only \$4. Athena's Greek Restaurant is catering the event.

Tickets for the interactive environmental picnic production will be sold for \$5 in advance beginning Oct. 24, and \$6 at the door. All of the seats will be reserved. Food tickets will also be available for pre-sale, and only a limit-ed quantity will be available at the

All shows start at 7:30 p.m., and the box office opens at 7 p.m. Lyman High School is located at 865 South Country Road 427.

### Military Notes

Marine Corps Pfc. Grace E. Baio, daughter of Rebecca F. and Burke of Sanford, recently completed basic training at Marine Corps Recruit Depot, Parris Island, S. C.

Baio successfully completed 12 weeks of training designed to challenge new Marine recruits both physically and mentally.

Baio and fellow recruits began their training at 5 a.m., by running three miles and performing calisthenics. in addition to the physical conditioning program, Balo spent numerous hours in classroom and field assignments which included learning First Aid, uniform regulations, combat water survival, marksmanship, hand-to-hand combat and assorted weapons training. They performed close order drill and operated as a small infantry unit during field train-

Baio and other recruits also received instruction on the Marine Corps' core values — honor, courage and commitment, and what the words mean in guiding personal and professional conduct.

Baio and fellow recruits ended the training phase with the Crucible, a 54-hour team effort, problem solving evolution which ended with an emotional ceremony in which the recruits were the Marine Corps Emblem, and were addressed as "Marines" for the first time since boot camp began.

Baio is a 2000 graduate of Seminole ture and cuisine. High School.

Navy Midshipman Aaron A. Littles, son of Sharon L. Littles of Sanford, recently received an appointment to the United States Naval Academy, Annapolis, Md.

At the Naval Academy, Littles will be prepared to become one of the future leaders of the Navy. In addition to instilling the highest ideals of honor, courage and commitment, the Naval Academy will offer Littles a bachelor of science degree in one of 18 academic majors in engineering, math, science, social sciences and the humanities.

During the summers, Littles will receive on-the-job training on surface ships, submarines, aircraft and at the Marine Corps units. Upon graduation, Littles will be commissioned as a Navy or Marine Corps officer.

Littles is a 2001 graduate of Lake Mary High School.

rom Staff Reports

With the recent interest rate cuts by the Federal Reserve glushing yields on fixed investthents like certificates of deposit and bonds to their lowest levels in years, Florida securities reguitors issued a list of the Top 5 ivestments to be wary about.

With many investors, particuirly those who are dependent in interest income, worried by olatile stock markets and the terrorist attacks on the World Trade Center buildings and the Rentagon, Florida regulators warned against investing in blogus promissory notes, viaticals, exotic offshore investments and other high-risk or fraudulent investment promising high returns.

"When evaluating an investment, you should remember that risk and reward go together," said Don Saxon, director of securities for the Florida Department of Banking and Finance (DBF). If someone is promising you

questions and get it in writing." Here is a list of the five invest-

ments, ranked roughly in order of concern or prevalence:

• Promissory Notes — Promissory notes are short-term debt instruments. Investors should stay away from notes promising high returns — upwards of 12 percent monthly from little-known companies. Many of these high-risk notes are sold by independent insurance agents, state regulators warn. In Indiana, 18 elderly investors lost nearly \$1.4 million in a promissory note scam. An 80-year-old woman lost her life savings of \$324,000. Although praying with their victims to gain their trust, the perpetrators diverted their money to offshore bank accounts and used it to buy expensive cars and make first-class business trips to China, India and Greece.

• "Callable" CDs - Older investors beware: these higheryielding certificates of deposit, while appropriate for some, high returns with no risk, be won't mature for 10 to 30 years,

investor — "calls" or redeems them. Redeeming the CD early may result in a substantial loss, upwards of 25 percent of the principal. In Iowa, a retiree in her 70s invested more than \$100,000 of her 97-year-old mother's money in three callable CDs with 20-year maturities. Her intention, she told her broker, was to use the money to pay her mother's nursing home bills. State regulators say sellers don't always disclose the risks and restrictions of callable CDs.

• Internet Stock Pitches -Con artists frequently use the wide reach and relative anonymity of the Internet to "pump and dump" stocks in little-known companies, often claiming tragic events such as last month's terrorist attacks on the World Trade Center buildings and the Pentagon will push up the stock price. Many states have Internet surveillance programs that watch for fraud or investigate investor complaints. State securities regulators urge

financial advice on the Internet and in chat rooms.

• Prime Bank Schemes -Scam artists, often operating over the Internet, promise investors returns as high as 300 percent through access to the investment portfolios of the world's elite banks. Purveyors of these schemes often target conspiracy theorists, promising access to the "secret" investment used by the world's wealthiest families. In North, Dakota, state securities regulators say a small group of salesmen, including a local pastor, used religion and family ties to bilk investors out of \$2 million in a prime bank scheme.

 Viatical Settlements Originated as a way to help the gravely ill pay their bills, these interests in the death benefits of terminally ill patients are always high risk and sometimes fraudulent. It works like this: a gravely ill person sells his or her life insurance policy to a viatical broker for between 40 to 80 percent

very, very skeptical, ask lots of unless the bank — not the investors to ignore anonymous of the face value. The broker then questions and get it in writing." investor — "calls" or redeems financial advice on the Internet sells the policy to a pool of investors, with an estimate of when the insured will die. Investors' profits quickly dwindle if the insured fails to die "on time." In a new twist, state regulators say "senior settlements"interests in the death benefits of healthy older people — are now being offered to investors as "safe and guaranteed" alterna-tives to CDs and other fixed investments.

> Before purchasing any investment, DBF urges investors to ask

the following questions:

• Does the investment meet your personal investments goals? Whether you are invest-ing for long-term growth, investment income or other reasons, an investment should match your own investment goals.

· Are claims for the investment realistic? Some things really are too good to be true. Use common sense and get a profesopportunities that seem to offer at 1-800-848-3792.

parison to other investment options. Pie-in-the-sky promises often signal investment fraud.

• Has the seller given your written information that fully explains the investment? Make sure you get proper written information, such as a prospectus or offering circular, before you buy. The documentation should contain enough clear and accurate information to allow you or your adviser to evaluate and verify the particulars of the investment.

· Are the seller and investment licensed and registered in your state? Call your state securities regulator to find out. If they are not, they may be operating illegally. To get the name and number of your state regulator, visit www.nasaa.org or look in the white pages of your tele-phone directory under "government."

### Riggins-McCoy named employee of the month

Sanford City Manager Tony VanDerworp present Joyce Riggins-McCoy with the employee of the month for September. Riggins-McCoy was honored for her leadership-in coordinating the annual employee service awards program. Her boss, Joe Denaro said, "Joyce should be commended for her untiring effort and her team work in maiding the program a success."

### Lewis named to national committee

Chief Deputy Clerk of the Court Robert N. Lewis was recently named a member of the National Association of Counties' (NACo) Justice and Public Safety Steering Committee by NACo President Javier Gonzales.

NACo's 11 steering committees form the policy-making arm of the association. Each committee is comprised of approximately 60 to 100 county officials who meet several times during the year to examine issues critical to local government.

The Justice and Public Safety Steering Committee focuses on criminal justice and public safety systems, including criminal justice planning, law enforcement, courts, corrections, community crime prevention, juvenile justice and delinquency prevention and fire prevention.

Saturday night and Sunday. What the new tournament lacks in quantity, is more than made up in quality, as four of the top six teams in the nation, including the No. I and No. 2 ranked squads, will be in action.

Thursday's dedication ceremony begins at 7 p.m. There will be a 21-gun salute honoring the victims and the rescuers involved in the Sept. 11 tragedy. Members of the state champion American Legion Post 53 baseball team will be at the event, as will members of the Little League World Series USA Champion Apopka Little League. Sanford baseball legend Buddy Lake will help throw out the first pitch, followed by a 10minute fireworks display.

"I'm expecting a standing-room only crowd," Lessard said. This is a beautiful stadium. They've really done a fantastic job renovating it, and everyone should come see it. Plus, the fireworks show is going to be great. It's going to be a real community event."

Following the fireworks display, there will be an exhibition game between New Construction and Long Haul TPS, two of the teams that will participate in the ASA Super Slow Pitch Softball Tournament during the weekend.

The Historic Sanford Memorial Stadium was built in 1951 and replaced the city's earlier stadium that hosted baseball great Jackie Robinson. The new 1951 stadium was built at a cost of \$144,000 and was dedicated to the Sanford soldiers who lost their lives in World Wars I and II. It served as the spring training home for the New York

law enforcement officer from out of state, said Olson.

"The relationship has been strained from what I hear," Olson said. "We have to investigate this as a major crime, but we are not looking for any other suspects at this time."

Amy Lohrmann was seen the night before her death at about 6 p.m. by Olson. They both worked out in the same gym, he said. She was characterized by her coworkers as a compassionate and loving person.

"She cared about her work and would go that extra step to help people she supervised," said Judge John Sloop who worked closely with Amy. "She would go out in the evenings on her own time — to let them know she was there to help, which is pretty extraordinary. She was more than just a probation officer. She was a coun-

Centre on U.S. 17/92 to become a SuperCenter, a combination discount retail and grocery store. That project began after residents in the Lake Forest neighborhood successfully blocked Wal-Mart's plans to build a facility on SR 46.

In July, the City Commission annexed nearly 22 acres on Rinehart Road and rezoned the property PD (Planned Development) to allow a 132,000-square-foot Sam's Wholesale Club. The city's Zuning Planning and Commission will consider Thursday whether to approve site plans for the project.

Also on Thursday's agenda, commissioners will conduct a public hearing about whether to rezone a 32-acre tract from AG (Agriculture) to PD at 1601 Rinehart Road, allowing the Bentonville, Ark. company to construct a 212,000-square-foot SuperCenter. The project would

coincide with the extension of St. John's Parkway from Upsala Road to Rinehart Road.

"The St. John's extension is scheduled to be completed sometime in the first quarter of 2003," Wray said. "We lentatively hope to break ground in April or May of 2002."

## J.D.'s Restaurant -Home Style Cooking

Just as the American economy has been changing, so has the restaurant industry. Customers still demand good service, a clean environment, and high quality food. However, we feel they are demanding more variety of choices. People are becoming tired of eating everything between two slices of bread or buns with a similar taste.

This is the direction and concept of the new J.D.'s Restaurant. Our goal is to serve a more home style type of food along with sandwiches for those customers desiring it. Our hot plates are slow cooked with old time recipes. The service goal is quick food, not fast food. We retain our great breakfast biscuits.

We have a well balanced menu from expanded breakfast, to salads and cold plates. We serve home style fresh desserts. J.D.'s also has new kids meals that cater to children's taste like mac-cheese and beenie wienies.

We have an experienced group of owners, managers and employees. Previously, we owned the Hardees Restaurant here in Sanford for 20 years. We both have extensive food management experience prior to purchasing and owning the Hardee's Restaurant.

We invite ALL of Sanford to our new restaurant to experience a new concept in the restaurant industry.

chance someone can be hurt. That was the concern of the source, that someone might get Hurt."

! The plan allegedly had Wysocki getting into the fenced area of the jail and prying open a door with a crow bar. He would then help Kovacs overpower a corrections officer and flee. They Were going to try to leave the country, said Olson.

Unlike many planned escapes, this one was unconventional as Wysocki was allegedly planning to break in rather than Kovacs breaking out.

"It had many flaws, but you just can't dismiss it," Olson said. In their minds they probably thought it was laid out well."

Wysocki was charged with auto theft and aiding a prisoner escape. He had been in and out of the jail himself since March. He faced drug charges and dri-

ving on a suspended license, and

was just released on Friday. Kovacs has not yet been charged in the alleged escape plan, but the investigation continues. He has been detained in the Jail since May and is await-

ing a trial on a robbery charge.

stay away from officers, but if they see a car like that they flock to it," said Maitland Chief Ed

Also receiving new vehicles for their DARE programs were the Winter Springs and Maitland police departments. Bill Heard has now donated eight vehicles to local police agencies.

"It is kind of indescribable," said Doyle about the donated vehicle. "It allows us to do something we normally wouldn't have the budget money for."

"I can't tell you how much one vehicle will do for thousands in the DARE program," said Anita Evans, Bill Heard director of marketing for Florida.

Also part of the Community Caring Day was DNA LifePrint for children. By rubbing the inside of a child's cheek for a few seconds with a swap, a child's DNA can be captured and recorded. The method is now the number one preferred method of identification for the FBL said Evans.

Joe Mohr, school resource officer at Lyman High School, stands with Anita Evans of Bill Heard Chevrolet in front of the Camero the dealership donated to the Longwood Police Department.

The event also provided child fingerprinting and photo identification, bicycle helmet and child safety seat check, and plenty of free hotdogs, cotton candy

and snow cones.

"Bill Heard has been really supportive of us," Jackson said. "This is quite a contribution by him, and he really deserves

some recognition."

### By Dean Smith Sports Editor

### SANFORD — It's quality, not quantity, that counts.

When the rescheduled ASA (Amateur Softball Association) Super Slow Pitch Softball Championship gets started on Friday four of the top "Open" teams in the country will have local fans ooh-ing and aah-ing at the beautifully renovated Historic Sanford Memorial Stadium.

The tournament was originally supposed to be a 10-team double elimination event, but because of the delay to this week, several teams could not get enough players to attend because they could not get off of work or because their children are back in school and could not

in the national poll and four of the top six in the rankings are coming, which should eliminate a lot of the blow out games that can occur in larger tournaments and make for a very good allaround event.

The tournament, which will now feature Round-Robin games followed by a single elimination playoff, will not offi-cially begin until Friday, but the gala rededication ceremony for Historic Sanford Memorial Stadium will be held tomorrow (Thursday) starting at 7 p.m. In addition to the dedication ceremonles, there will be an exhibition game between Long Haul/Taylor Brothers/Shen Corporation/TPS and New Construction starting at approximately 8:15 p.m., and then a fireworks display. Admission is free to the public.

The tourney begins at 7 p.m. on Friday with New Construction facing Team Mizuno, followed by a 9 p.m. contest between Long Haul/Taylor Brothers/Shen Corporation/TPS and Team Mizuno.

Action starts early on Saturday with Hague/Resmondo/Specialty Tank/TPS playing a doubleheader against New Construction at 9 a.m. and Team Mizuno

Long Haul/Taylor Brothers/Shen Corporation/TPS then wraps up the round robin with a doubleheader against New Construction at 1 p.m. and Hague/Resmondo/Specialty Tank/TPS at 3 p.m.

The Single Elimination Tournament Is set to begin at 5 p.m. with the No. 2 seeded team taking on the No. 3 seeded team, followed by a 7 p.m. contest

between the No. 1 and No. 4 teams. The tourney is scheduled to wrap up on Sunday with the Third and Fourth Place Game at 9 a.m., followed by the Championship Game at 11 a.m.

For tournament ticket information call the City of Sanford Recreation and Parks Department at 407-330-5697.

## 6A and 4A take shape, but 5A still wide open

By Dean Smith Sports Editor

SANFORD \_ Just when things looked to be clearing up in the district football races for the local teams, the Class 5A-District 3 race became even more wide open.

Lake Brantley would have all but clinched a spot in the Class 6A-District 1 playoffs with a win over Oviedo on Thursday, but the Lions had other ideas and upset the Patriots on their home turf, making a five-way tie for the title a possibility.

But when DeLand eliminated Seminole with its first district win on Friday, the 6A-1 race was down to four teams and that number could be three or maybe even two after

this week. Mandarin (5-2 overall, 4-1 in district) finishes its 6A-1 schedule this Friday when it plays at Ed White (4-2 overall, 2-2 in 6A-1). A win by Mandarin would clinch at least a tie for the district title for the Mustangs and eliminate the Senators, while an Ed White upset would probably knock Mandarin out of the playoffs.

Lake Brantley (5-2 overall, 3-1 in district) is at Seminole this Friday and a win would probably secure at least a tie for the title as the Patriots only have a 6A-1 game left

Winter Springs' Chauncey Hampton (No. 24) ran for three touchdowns (39-, 88-, and 1-yards) in a 40-17 thumping of Lake Mary at Don T. ## Logjam in Flag Football Minor League

By Dean Smith Sports Editor

SANFORD — The City of Sanford Recreation and Parks Department Youth Flag Football League reached the mid-point of its season this past Saturday and the titles are still up for grabs.

The Minor League (7-through-9 year olds) continues to feature extremely tight games and the standings reflect that.

The day opened with Josh Smith scoring on a 14-yard touchdown run with 19-seconds left in the game to give the Bengals an 18-13 victory over the Raiders on the field across from Sanford Middle School.

The Cowboys then took a 14-12 lead late in the game with the undefeated Jaguars then got two excellent defensive plays from McCathorn Banks in the final 40 seconds of the contest with the Jaguars inside the Cowboys' 20-yard line to cap the upset.

The Bengals, Cowboys and Jaguars are all 2-1, while the Raiders are a hard-luck 0-3. The Major League (10-to-12 year olds) is not quite as close, but the games are still

going down to the wire.

The Cowboys remained undefeated with a 14-0 victory over the 49ers, who moved the ball well on offense, but could not penetrate the Cowboys goal-line. The Steelers moved into second place

### By Ina Haerens Special to the Herald

TAMPA - The sun was glaring, the heat was oppressive, and the competition was intense — but the Seminole Ice stayed cool and were able to claim the U-18 Girls Championship at the Black Watch Labor Day Invitational Soccer Tournament in Tampa.

The Ice, an Under-18 girls premier travel team out of the Seminole Soccer Club, were playing in its second out-oftown tournament of the new fall season.

Under the direction of head coach Bob Hurring and assistant coaches Tommy Hemphill and Karen McCuilen, the Ice had traveled to the Top Hat Invitational in Columbus, three wins in four games against top-level premier teams from Georgia and Alabama.

In anticipation of out-of-state tournament travel later this season, the team voted to stay in Central Florida for a Labor Day tournament. The squad knew there was

good competition to be had at the Black Watch Invitational, and the team was not disappointed.

Behind the solid defense of Lauren McIntosh, Alison Tradd, Mindy and Jenny Mulvihill, and goalkeeper Natalie Haerens, the ice only allowed one shot to find the back of the net in the three games of Round-Robin First Round play.

Offensively, the team got 10 goals from Lindsey Affolter, Jessica Zabel, Cristina Saenz, Courtney Van Dyke, and Judith Claessens.

The sun had barely risen on Labor Day morning when the Ice took the field for its semifinal match against the Mako

And the defense continued to play outstanding soccer, posting its third shutout in four games with a 3-0 victory over Mako.

Affolter, Zabel and Van Dyke scored the goals for the locals. With its fourth victory in hand, the Ice were now headed into the Championship Game where they would face the host U-18 Black Watch team, which was understandably eager to

win its own home tournament. In the final match, both teams put forth their best effort in a hard-fought battle.

The Ice went into halftime with a 1-0 lead as Affolter and Alicia Briggs assisted on a goal by Saenz.

Both teams began the second half with determination - the Black Watch were determined to equalize the score, and the Ice were determined not to let See Ice, Page 2B

## Pittsburgh Steelers @ Tampa Bay Bucs Free duck hunting workshops in Marion, Indian River counties

Special to the Herald

OCALA - The Florida Fish and Wildlife Conservation Commission (FWC) is presenting two free workshops for anyone interested in learning how and where to hunt ducks in Florida. The family-oriented events are designed for beginning through advanced duck hunters and those unfamiliar with duck hunting in Florida.

The first is scheduled for Saturday, Oct. 27, from 9 a.m. until 5 p.m., at the new Indian River County Public Shooting Range at 10455 102nd Terrace in Sebastian. To sign up contact the T.M. Goodwin Waterfowl Management Area at (407) 726-2862. If you call after hours please leave a

voice mail message or contact Ron Bielefeld by Email at bielefroiwc.state.fl.us.

The second workshop will be held in the Ocala National Forest at the FWC's Hunter Education Training Center (HETC) at 7325 NE 170th Ave. (CR 314) from 9 a.m. until 4:30 p.m., on Saturday, Nov. 3. To sign up call the HETC at (352) 625-

Registration is free but space is limited for both workshops.

"The Fish and Wildlife Conservation Commission has offered these workshops around the state for the past six years and they've been so successful that they have become annuals events," said Ron Bielefeld, FWC waterfowl biologist and

The one day workshops will be packed with just about all the information hunters need to get started duck hunting in Florida. By the time it's over, participants will know what to wear, what equipment to use, how to set up the hunting area, how to identify ducks, proper hunting ethics, where to go, how to get there, and more!

In addition, there will be a live retriever demonstration, as well as instruction on post-hunting activities such as how to legally transport birds, how to clean them, and even a few recipes on how to prepare them for the supper table.

"Duck hunting is a great way to get out and enjoy all the outdoors has to offer. I hope anyone

who has ever thought about duck hunting will take advantage of one of these workshop so they

can start enjoying this great sport," said Bielefeld.
The workshops will again be taught by hunters, and FWC biologists Ron Bielefeld and Rick Brust. Bielefeld has a masters degree in wildlife biology from Louisiana State University and a bachelors degree from the University of Wisconsin. His masters thesis was a study of canvasback ducks on the Mississippi Delta.

with winless Sandalwood. Oviedo (5-2 overall, 4-1 in 6At) plays its Homecoming game this Friday against non-district foe University in a tune-up for the Lions' final district contest with Seminole on Friday, October 25th.

The Class 4A-District 5 race took a bad turn for Lake Howell on Friday as the Silver Hawks dropped a 24-7 decision to No. 9 state-ranked New Smyrna Beach at Airport Field.

Even though it was just the first loss in district for Lake Howell ( 4-3 overall, 2-1 in district), the Silver Hawks dropped into a tie for second place in the 4A-5 standings on Monday when undefeated Palm Bay (6-0 overall, 3-0 in district) whipped New Smyrna Beach (5-2 overall, 2-1 in 4A-5), 27-14, in a twice rescheduled game.

The Silver Hawks must now go on the road to face Palm Bay, the defending Class 6A State Champions and currently ranked No. 2 in the state poll, this Friday and then return home to play a tough Merritt Island squad (4-2 overall, 2-1 in 5A-4) to finish its district schedule.

The biggest winners on Friday were Winter Springs and Lyman.

The Bears improved to 4-2 overall and 3-1 in Class 5A-District 3 with their mauling of Lake Mary and are now alone in second place in the district, behind Mainland, while the Greyhounds won for the second straight week, outscoring litusville 47-36, to get to 2-5 overall, but more importantly evened their district record at 2-

And things could get better for those two teams this week as Lyman will play Mainland (5-1)

overall, 3-0 in 5A-3) at Daytona Beach Municipal Stadium on Thursday (7:30 p.m.) and Winter Springs has Titusville and Mainland at home this weekend, the Terriers on Friday and the Buccaneers on Monday in a make-up from October 14th.

Even though it is still 2-2 in the 5A-3 race, Lake Mary (3-4 overall) was the big loser on Friday. The Rams have now lost to both Mainland and Winter Springs and must win their next two games, Pine Ridge at home this week and at Lyman next week, both of whom are tied in the district standings with Lake Mary, if it is to have any chance of earning a playoff spot.

Lyman found itself down 36-26 entering the fourth quarter Friday night, but scored 21 unanswered points with the help of a fumble recovery and defensive stand to defeat Titusville at Draa Field.

The Terriers scored with 1:29 left in the third quarter to build that 10-point advantage, but the Greyhounds came back quickly as Mark McNealy scored on a 25-yard run just 2:34 later.

Lyman then recovered a fumble on the ensuing kickoff and McNealy put the Greyhounds ahead to stay four plays later with a three-yard touchdown run with 9:24 showing on the clock.

Titusville tried to answer, driving to the Lyman 25 before the Greyhounds stiffened and stopped a fourth down and four yards to go play two yards short.

Travo Woods then put the game away with a 76-yard touchdown run with 1:57 to go. Junior quarterback Victor Johnson led a Lyman attack that rushed for 413 yards with 163 yards on 14 carries, including touchdown runs of 61- and fiveyards in the first half. McNealy, who missed several games early

five passes for a game-high 109 yards for Lake Howell.

Black Watch was able to penetrate deep into the defensive end of the Ice. The local fans in attendance held their breath as a Black Watch forward got off a beautifully-placed and powerful shot heading across the goal

toward the far upper front corner that seemed destined to tie the score.

But Haerens made her best save of the tournament as she lunged up and over to the far post corner and managed to send the ball back out into the playing field as she slammed into the post.

After a brief injury delay, play resumed and the Ice defense continued to deny the hosts into the net as it made Saenz's first half goal stand up and recorded its fourth shutout in five games to capture a well-earned First

## Local tracks get back to normal

Special to the Herald

BITHLO — Things are scheduled to get back to normal this week at the local FASCAR tracks.

This Friday night (October 19th), Orlando Speedworld will hold heats and features in all of the regular FASCAR classes of Super Late Model, Modified, Mini-Stock, Sportsman, Super Stock and Strictly Stock after being closed last week so competitors could practice for the Florida Governor's Cup at New Smyrna Speedway.

Gates open a 6 p.m. and racing begins at 8 p.m. every Friday night at the track located 17 miles east of Orlando between Orlando and Titusville on Highway 50 at the 520 Cocoa Cutoff.

### NEW SMYRNA SPEEDWAY

SAMSULA — This Saturday (October 20th), New Smyrna Speedway will also get back to regular division racing after several weeks of rainouts and hosting the Florida Governors Cup last week. On the schedule are heats and features in the regular FASCAR divisions of Super Late Model, Late Model, Mini-Stock, Sportsman, Super Stock and Strictly Stock.

Gates open at 5 p.m. and racing begins at 7:30 p.m. every Saturday night at the track located at the corner of SR. 44 and CR 419, between New Smyrna, DeLand and Daytona.

**TEST AND TUNE** BITHLO — Test and Tune will be held every Wednesday night from 6 p.m. to 10 p.m. at

Orlando Speedworld. Cost is \$20, which is good for the car and three people in the pits only, while individuals can enter for \$5.

Also you are invited to tune in to Daytona's WNDB-AM 1150 "The new "VOICE" of Stock Car Racing!" every Monday night from 8 p.m. to 9 p.m. following the Benny Parsons Show.

This is a radio show that is devoted to Short Track Stock Car Racing and is sponsored by New Smyrna Speedway and hosted by Randy Dye of Speedway Dodge and Don Nerone and Terry Roberts from New Smyma Speedway. They will take your calls and answer questions at 386-239-

You can listen to the radio show anywhere in the United States via the Internet!!! Log on to ....www.wndb.com. Give them a call and support-"your" radio show!

For more information on any local short track action, call the FASCAR offices at (407) 568-1367 (Orlando) or (386) 427-4129 (New Smyrna), or check the Internet site at WWW.NEWSMYR-NASPEEDWAY.COM, or E-Mail at FAS-CARNOW@AOL.COM.
