Young people are more easily ers to death by jumping out win-harmed than their elders by hal-dows or walking on highways in pills to start out each day, it lucinogenic and other drugs, the belief they could fly, or had college, or in their careers.

"The kids who shouldn't use don't see themselves accurately a gun wrecked his truck.

drugs are the ones most likely to do so and to become hurt," says one drug authority.

says Dr. Martin D. Kleber, Yale "It is inadvisable for an indi-

know but what one trip might cause damage." he adds. While most people who smoke not occasionally do so with no

apparent harm, physicians have reported some instances of bad reactions, such as "having the horrors" for several hours aft erward. Reactions also vary because the reefers available to most youngsters vary in potencysome are simply nothing but

some weed; others may be faced with a stronger drug. Pot is insidious because it creates a false sense of well-being due to impairment of critical judgment, says Dr. Abraham Wikler, University of Kentucky psychiatrist. Marijuana and SD make it possible to avoid problems, to evade reality, he says, but "real life requires critical judgment." "We don't know the answers to questions about the long-term

use of marijuana." says Dr. John C. Ball, sociologist formerly with the U.S. Public Health Service's Addiction Research Center in Lexington, Ky., and now at Temple University. "We don't have good information on college students who use it daily for four years or so." In some countries abroad, like North Africa where more pow-erful hashish is available, there

## U.S. Pays Tiny Store

NEON, Ky. (AP) - The sign on a narrow storefront in this "Clarke's Pharmacy." A curious visitor might wonder how co-owner William S. Clarke Jr. cratches out a living.

But Clarke needs no condo nces. That tiny store in the arthest reaches of poverty-saturated Appalachia received \$328,000 from the state last year in Medicaid payments, the largest amount dispensed to any medical vendor in the state. Without Medicaid. Clarke says, the pharmacy might do a total of \$10,000 in business an-

ceid payments raised eyebrows around the state, but did not perturb Clarke, 44, a soft-spoken, bespectacled businessman who came to Kentucky from his native South Carolina a decade ago "to enjoy the clean moun-

for Seminole County.

JIM STARKEY

The new diamond is located near Five Points, right in the

middle of the county. Well, that ends some of the arguements

anyhow; Now maybe they will build the courthouse right behind the new playing field.

It has taken a lot of work, especially from one gentleman.

C. L. Cooper, the 'Father of Little League Baseball' here in Seminole County. Mr. Cooper's diligent work has paid off in Ben Ward Agency 46 58

great rewards. Teams from all over the Seminole area compete. That's the word that makes sports, and Mr. Cooper continues, along with his fine associates to give each youngster between the ages of eight and twelve the opportunity to play baseball. The new field is a giant step forward in this fast
