Courtesy is lots of things.

It's giving friendly directions to out-of-towners. It's being patient with the sightseeing, visiting driver in front of you.

It's letting that car from the side street pull in front of you during the rush hours.

Sometimes, courtesy is just a smile...or a "thank you"...or a friendly wave of your hand.

Whatever form it takes, it's one of the things that keep visitors coming back to Florida...often to stay. Yes, courtesy is lots of things. Most of all, it's

just plain good sense.

Oviedo Traffic Record Good

POLICE CHIEF George Kelsey of Oviedo displays

certificates of merit presented to the city by the

Florida Highway Patrol for its record of no traffic

fatalities over the past 10 years. (Herald Photo)

Questions and Answers

Q. Somebody told me that if of a malformed body member, 2. Personals

Holy Land

traffic fatality within the city

theriff deputies. Services from

Kelsey attributes the al sence of traffic fatalities to saying, "strict law enforcement by the Florida Highway Patrol, Seminole County Sheriff's Department and the Oviedo Police Department have practically eliminated all accidents." Also good driving sense on the part of the people who realize the condition in which the roads

are in and compensate for it In addition to the excellent traffic record, there have been

few major crimes in Oviedo. Excluding the usual weekend barroom brawls, which are evident in all communities, the I don't actually retire when I will not be covered by Medimain problem is petty theft. become 65, I won't be eligible care. It has been three weeks since for Medicare if I get sick. Is

officials didn't like the sound

ligations. TO THE 50,000 - we queried some five or six officials about what went on . . . We didn't take a note because we were afraid they would "clam up" ... and so here we go.

The base definitely will b phased out by July of 1968.

There will not be a slow stepby-step phase out because Turner Air Force base will not be ready until May of 1968 . . . The word is that a week before the July date things will start to hum at the base.

Pentagon brass definitely favor an industrial commission . . . They suggest the top business leaders of the community run the show, "Industry wants to deal witth the best," economic adjustment brass says.

The City must make up its could turn over the runways to Sanford.

be very expensive . . . The only berants. way it can be financed is through revenue certificates . . . It will run well over \$1

. . . The Chamber of Commerce is currently conducting an "assessment" of the NAS property to determine how much they think it's worth.

> With any luck and pulling the area will get a priority rating area. under Economic Development ment will kick in some \$990,000 of the Sanford Chamber. for the barge terminal.

closed door meeting, but, as we reported earlier in "The Clock," There's also talk about a boat

works firm coming to Altamonte Springs . . . Will employ 25 to start . . . Ooops. Already there have been complaints about the firm relocating there . . . Trouble with rezoning.

Police Lieutenant first of next

Bucky Hayden will be named

meeting . . . Very little being done about condemned buildings . . . "slum lords" getting away with murder . . . Scores of refrigerators lying around in vacant lots . . . One "slum lord" ripped off a condemnation notice from a house and put a "for rent" sign there . . Nothing we can say can capture the disgust you feel looking at some homes people are forced to live in . . . and paying some \$6 to \$8 per week rent . . . Ask Pete Knowles to show you some of the slides . . But don't go on an empty stom-

> Still no word from the state on that "deadly" 27th Street and Highway 17-92 intersection . . . No safety signals there or anything. City Commissioner Dr. W. V. Roberts brought the matter up and . . . City is help-

Loans Sought To Aid Area

Close-out date definitely is July 1, 1968, for Sanford

This was impressed on a delegation of Sanford and Seminole County officials in a closed-to-the-press session by a Defense Department aide Monday afternoon

at the base. Donald F. Bradford, director of economic adjustment defense installations, who readily posed for news photographers, banned newsmen from Monday's and today's work sessions. He gave no reason.

Mack N. Cleveland Jr., chairman of the Seminole County Chamber of Commerce's air base utilization and acquisition committee, said today that Bradford and his fellow Pentagon officials merely "set up specifics" at Monday's meeting. These "specifica" included planning for the City of San-

ford purchase of the base prop- D. F. BRADFORD erty and inducing industry to take over space. It was brought out that the profile" of the community, in-It was brought out that the U.S. Housing and Urban Development (HUD) has financed eight completed regional studies which include Seminole County, and five completed studies to Sanford leaders, probably and five completed studies limited to Orange and Seminole Counties. The total cost of these terial on the oxidation ditch

18 studies is \$365,100. Two current requests to HUD for loans will add \$1,044,000 to the HUD total, if approved—
