THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and great chiannels. It is a storehouse of spiritual values. Without a strong Church, solther democracy nor civili-

zation can service. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sole. (2) For his children's sole. (3) For the sale of his community and sotion. (4) For the sale of the Church half, which souls his service and material support. Fire to go to church regularly and read your hible doily.

Seminole, Lake City, Ocala Central Florida, St. Johns of Paiatka, Lake-Sumter of Leesburg, Santa-Fe of Gainesville and Daytona Beach. This creates tremendous travel and expense problems plus cutting down on the rivarity and fan support because of the distance between the schools.

A redistricting would accomplish cutting down on expense, travel, more fan support and tighter competition.
