Reduction Proposal Han Been Drafter By Democrate Who Are Determined To Ask For Tax Revision At Once

Proposed Cut To Be 350 Million Annually

Republicana Draw Lines To Fight Every Effort Made By The Democratic Chiefs

WASHINGTON, Dec. 2 .- (A) .-With the reconvening of the Sixty- DE Ninth Congress only four days away, indications are rapidly multiplying that the principal battle of the short session will rage about the issue of tax reduction.

Already the battle lines have been clearly defined, with the Democrata determined to bring about immediate revision of the tax law and the Republican leaders equally determined that nothing of the sert shall be done until the present stat te has been given at least anothe, "ear of practical testing.

makes you healthy all over. It beautifies your skin — drives away plmples, black-heads, blotches, rash, bolls and permanis better than gas

That's the experience of Mrs. P. B. Haynes, 501 Peachtree St., Lakeland. Her letter follows-

> "Though I have gas in my house I use my Perfection stove by preference. I like it for cake baking especially. Better than gas because it gives such steady, even heat. It is fine for any kind of cooking."

POR BEST CAKE baking results, as most women know, steady heat and no disturbance are essential. Perfection Stoves with "Live Heat" Ovens fulfill these conditions. (And for the fast browning of cookies and meringues, they are

equally good;) Uniformly perfect baking is assured, for

freshly heated air circulates quickly around the food. Then it's forced out of the oven, carrying excess moisture and odors.

Flame Stays As Set

The same never varies, once you set it. Put in your cakes, and you need not glance at the flame again! It will not "creep up."

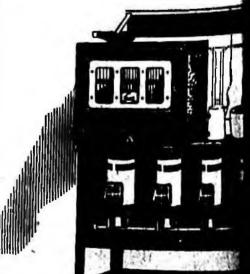

Have your dealer demonstrate the non Perfection Stoves with "Live Heat" On You'll probably agree with Mrs. Haynes "they are "better than gas."

See Them Today Perfections range in size from our finest burner stove with built-in oven to a one-built campstove. Priced from \$125 to \$7.00.
