

Red Martin, Tom Phillips Shine In Feds' Brilliant 10-1 Victory Over DeLand

By PETER MCHAAL

Before the largest crowd of the year, your Sanford Calceps yesterday afternoon established themselves as a formidable pennant-winning outfit by actually making monkeys of the once-powerful DeLand Reds, on their own field, scoring a 10 to 1 victory that left no doubt in the minds of even the most rabid DeLand fan that his team was thoroughly, hopelessly whipped.

It was the sweetest victory of many a year for the Feds, for DeLand had won two earlier games by narrow margins, and DeLand has been exulting over the fact ever since. It marked the end of the Central Florida Baseball League supremacy that has been resting on the shoulders of Daytona, Cocoa, and DeLand since last year, and it presages a record crowd here Thursday afternoon when the league-leading Cocoa Indians visit here for the first time.

While there were sensational after-sensations as the Feds' bats rang out to the tune of 41 solid base knocks, with old Red Martin, the "Mystery Man" of the 1931 baseball wars leading the way, old Tom Phillips' sensational pitching performance was easily the most impressive.

Phillips, working leisurely and with a smile on his face all the way, allowed the DeLand outfit, batting-headers of the league, one hit, and that a single by Robertson. It was the best pitching performance of the season, and once more established Phillips as one of this league's outstanding hurlers. He was in trouble only one inning, the third, when two errors put men on bases, one of whom scored. After that inning, only one man reached second, Phillips being the complete master of the situation, receiving spectacular support from his teammates, particularly Bach, Harrison, Chapman, and Moore.

Red Martin was the most colorful, and the lushest man on the field during the afternoon. He couldn't have made a better return to the hearts of the nearly 200 Sanford fans who were present, than he did in the first inning, when, with the bases full, he hit the first ball pitched to him for a single, scoring two men. Harry all Red did during the afternoon: Got two singles and a double in five tries, scored four runs; batted in two runs; stole three bases, and put more pep into the Feds' sweet victory than two players. His running fire of comment kept the Sanford bench in an uproar all afternoon, and for once Jack Reed, affectionately known as "Pete Humus" had to take a back seat in that respect.

The Feds scored four runs in the first inning, combining four hits and a walk. They continued their batting attack on Minor, DeLand ace who was off color, getting two hits but no runs in the second; a single and an unearned run in the third; a single, no runs in the fourth and fifth; a walk and Phillips' double, the longest hit of the day, at the start of the sixth, scoring one man. At this point, Gillispie, left hander, came into the game but the Feds didn't mind, Bach and Barnes reaching him for hits in two more runs, before the inning was over. Red Martin's double to right opened the seventh which produced another run and hit. The eighth saw the Feds go down, one-two-three for the first time, Robertson's great stop and throw of Pittman's ball to third being the deciding feature of the game in that inning. The Feds counted one more in the ninth on Martin's third hit, an out, a hit batsman and McRae's error, before Phillips hit into a double play, ending the inning.

Sharing batting honors with Martin was Houck Bach, who played a great game at second despite a single error and got three for five. Manager Barnes who also hit three for five, Jack Reed, who batted in a pair of runs; Moore and Pittman, classic infielders in the loop, and Bert Chapman, the veteran.

The game was protested in the first inning owing to the refusal of Manager Barnes to allow Umpire Dwight Smith, of Sanford, to be removed from the game. DeLand made the protest, but it is doubtful if it will stand in view of the fact that the Reds swept down thoroughly whipped. President J. T. Hogan, of the league, who witnessed the game, declared that he will not decide on the protest, since he saw the game. Instead, a committee of three men who do not reside in either Sanford or DeLand, the managers of both clubs, and the umpires will sit in judgment of the protest.

Under league rules, the protest must be made in a written form to President Hogan within 24 hours after the protest is made. Only the protest, and not the protest itself, is the responsibility on the part of De-

COMPANY D WINS SECOND STRAIGHT OVER SMYRNANS

Soldiers Capture Decisive 6 To 2 Victory At Diamond Ball

By E. H. CULLUM

Company D Diamond ball team made it two straight over the East Coast Shops team of New Smyrna in the latter city yesterday afternoon, by a decisive 6 to 2 score.

Errors by Hatch at right short for New Smyrna, coupled with Weaver's single gave the Sanford boys three runs in the first inning, which eventually proved enough to win the game. However, they added one more in the third, one in the fourth and one in the sixth to make doubly sure they had the game in the bag.

Murray Kanner was in the box for Company D and pitched superb ball, allowing only four hits for two runs, these four hits being equally divided between Heaton and Heaton, Beaumont getting a double in the third, followed by Heaton's triple in the same inning accounted for New Smyrna's first run. Again in the fifth inning, after Tindell had secured free passage to first, which by the way was the only walk issued by Kanner, Beaumont singled, Tindell going to third on the hit; Heaton next up, also got a single scoring Tindell, accounting for the second and last run for New Smyrna. With the exception of the third and fifth innings, the New Smyrna team was retired in one two, three order.

Islanders In Ninth Inning Rally Beat New Smyrna, 3 To 2

DAYTONA BEACH, May 23.—The Islanders snatched a game from the fire in the ninth inning here yesterday afternoon, beating New Smyrna 3 to 2, and going into a triple tie for second place with Sanford and DeLand.

It was a pitcher's battle all the way, with Ferrazzi equalling Huttle's fine hurling in almost every inning. O'Brien's double and Harrie's single, accounted for the victory in the last inning.

Score by Innings:
New Smyrna 001 000 001—2 5 3
Daytona Beach 000 011 001—3 6 4
Batteries: Ferrazzi and Strickland; Huttle and A. Mobley.

PURE from Start to Finish

Auction today! Chesterfield buys the best

Chesterfield tobaccos are aged right

Made in factories as clean as your kitchen

NOWADAYS, when so many people are talking about purity... pure food, pure milk, pure water... it's worth a minute to tell you something about the purity of Chesterfield cigarettes.

The materials that go into the making of Chesterfield cigarettes are tested again and again by expert research chemists. Just like the things you eat and drink.

The tobacco is pure—the right kinds, Domestic and Turkish both, mild, sweet, ripe. The paper is pure—clean, white, the best cigarette paper that money can buy. There is purity in every ingredient and cleanliness in every operation.

You can know, when you light a Chesterfield, that it is as pure as science can make a cigarette. And your taste will tell you it's milder, it tastes better.

Chesterfield

SANFORD BEATS CRACK ORLANDO DIAMOND TEAM

Eleven To Ten Victory Comes To Local Boys In 10th Inning

By E. H. CULLUM
The Cudby Pecking Company diamond ball team, the leading class A team of Orlando, and claimed to be the fastest team in the state, came over last night and got the surprise of their life when they stacked up against Wellborn's Sanford team, returning to their home later in the evening on the short end of a 11 to 10 score, although it took the Sanford boys 10 innings to secure the victory.

The Orlando team took an early lead, putting over four runs in the first inning, due to errors on the part of Sanford and added one more in the second inning. From then until the 8th inning only one Orlando man got as far as third base. In the 8th inning Paul Jochum singled, and stole second; Fleckenstein, next up, hit to third, who attempted to get Jochum coming into the bag, both safe; Cook also hit to third, Kelly freezing out the ball in an attempt to hold Jochum from going home, result bags filled with no outs.

Orane popped out; Shaw hit one to the American Legion Hut for three bases, scoring Jochum, Fleckenstein and Cook, and scored a moment later on Tice's sacrifice. As the Sanford team had forged ahead and got in a four-run lead in the sixth and seventh, this again tied up the score. In the first of the 9th, after two were out, Railback hit a double and attempted to stretch it into a triple. Buddy Lake, fielding the ball made a perfect peg to Kelly on third and it looked to everybody but the umpire that Kelly got Railback by a foot. However, the umpire is the arbiter and what he says goes and he called Railback safe. Railback scored a moment later.

This put Orlando one run to the good and seemingly the game, but Sanford came right back in their half of the game and tied up the score on Kelly's single and Bolly's out at first. In the tenth inning Orlando went down in one, two, three order. In the last half of the tenth, Hunter, first up, doubled and stole third. Bender, who had secured free passage to first his four previous trips to the bat, hit a sharp single to short right, Hunter scoring, thus ending the game and giving Sanford the victory.

Palmer pitched for Sanford and had it not been for errors in the first and 8th inning he would have had practically a shut out. Although he was nicked for 13 hits, he was invincible in the pitcher's box. In addition to hurling superb ball he was one of the main factors in Sanford's scoring, batting in and scoring three of Sanford's 11 runs. In the sixth inning he parked one far over center field which should have been a home run, but due to the fact the error left in center by the Redox, ground rules prevented him from getting but two bases.

Parks Hunter had a perfect night at the bat, getting two out of two times up, being given free passage to first his other three trips to the plate. Cook was the most consistent hitter for Orlando, getting three out of five, with Barker a close second, securing two out of four.

Barker pitched for Orlando, and although he struck out 15, and yielded up only seven hits, his wildness was the cause of his downfall, walking no less than 14.

Tonight the Truck Growers and Company D will play off last week's postponed game. The Sanford team will go to DeLand tomorrow night to play the St. Johns All Stars. Thursday night the Medical Detachment and Firestone will play and on Friday night the Orlando Girls will be here for a game with the Calo-Bandole Laundry girls. The Calo-Bandole girls lost their game in Orlando last night 19 to 14.

Babe Peckham Is Getting In Shape For Friday's Bout

Babe Peckham was in the office today and announced that he is getting in fine shape for his bout with Pal Robinson Friday night. Peckham is training at the Princeton, boxing every day with Kid Allen, K. O. Miller, and Jack Carroll. He says he will easily make the agreed weight of 137 pounds the day of the fight, at which weight Babe should be in tip top condition. He says that he is anxious to score a win over Robinson, the Orlando slugger, who knocked him down and held him to a draw 2 weeks ago.

Robinson is doing his training at the Punch Bowl in Orlando, where he is daily showing his usual punch. Matchmaker Hal Davis has promised Kid Allen that if he beats his opponent, Young Fitzsimmons, Friday night, he will get a chance in a main bout in the near future. This fight might steal the show, as Fitzsimmons is very fast and aggressive and will undoubtedly carry the fight to Allen.

Matchmaker Davis has announced that he has signed two mighty promising local high school boys in a supporting bout. They are Hubert Lawson, whom Davis thinks has a bright future as a boxer, and Stewart Gatchel, amateur light-weight. These boys have been putting on some whirlwind bouts every afternoon training. The promoters are finding it hard to obtain an opponent who will accept a fight with Jack Carroll, hard punching local light-weight.

The public is invited to witness the training bouts every afternoon at 3:30 at the Princess Theatre, where about twenty-five Sanford boxers work out daily.

\$25,000 REWARD IS OFFERED IN KIDNAP CASE

(Continued from Page One)
payer, and a detailed story from Governor Moore of how ambitious agents of Al Capone approached him personally with a proposal regarding the case.

Governor Moore said that while walking home near midnight a short time before the finding of the baby's body, four men suddenly appeared in front of him and "I had just passed a policeman I know," related the governor, "and that was a bit of comfort. I stopped where I was and decided to call him if necessary."

The quartet proposed to render assistance in obtaining the baby's return provided "full credit" should accrue to their imprisoned leader. The governor said he told them he would convey the offer to Colonel Lindbergh, which he did.

It had been known that the Capone gang had sought to intervene in the wide-flung search, but this was the first time the governor gave public confirmation of the direct approach made to him. Once the scarf-face chieftain had communicated a "guarantee" of results to Colonel Lindbergh if he could be freed temporarily from jail.

Traveling at high speed, which had characterized his motor journey into that section Saturday, Dr. Condon left his New York home in the morning and was driven to the summer home of a friend at Becket, Mass., where he said he planned to fish. He explained that he wished a short rest from the strain of recent days.

However, he found time to type and upon his arrival for a series of cryptic statements similar to the ones which have attended many of his activities.

GAINESVILLE — Williston Shell Rock Co. received \$4,602 contract for 3700 tons limestone for Road No. 2 between this place and Paradise.

OCEAN YIELDS RICHES

Treasure ships lying on the floor of the Pacific are being hunted by salvage companies and individuals. Many vessels are known to have been wrecked, going down with passengers millions in gold and jewels, and old maps are being searched for traces of the lost riches. Chinese found private maps describing the location of the lost ships in large pictures, making some salvage expeditions, such as the one now in progress, more sure.

Senators Clinch Second Place In Junior Standing

The Sanford team clinched second place in league standing by handing the Cards a 7 to 1 defeat at Ninth Street Park Friday afternoon in the concluding game this year.

The Senators scored five runs in the last inning, with fast fielding by Higgs, Laney, and Wright being features of the game in helping Evans out of many tight spots.

During the season just closed Wright, of the Athletics, made the most hits, 16; Brown of the Athletics made the most runs, 16; Burnett, of the Senators, drew the most walks, 12; and Metta, Allman and Wright tied in the number of extra base hits during the season, each scoring 5.

The Athletics won the pennant with seven wins and one defeat; the Senators were second with five wins and four defeats; the Cards third with four wins and five defeats, and the Indians last with one win and seven defeats.

The following boys were awarded merits for excellence in baseball and basketball at the Junior High School during the season:

Box score of the final game:	Ab	r	b
Stanley, 1b	4	0	0
Vickers, 3b	4	0	0
Metta, 1b	3	0	2
Pardon, c	2	0	1
Lawson, 2b	2	0	2
Humphrey, 1f	2	0	0
Squires, rf	2	1	0
Colbert, ss	2	0	0
NeSmith, cf	3	0	2
	26	1	7

Summary: Struck out, by Metta 6, by Evans 4. Bases on balls, off Metta 6, off Evans 3. Three base hit, NeSmith. Two base hit, Lawson, Metta.

ACTS IN FLORIDA CASE

WASHINGTON, May 24.—(A.P.)—The Supreme Court yesterday refused the plea of the Attorney General and the railroad commissioners of Florida to enjoin the Atlantic Coast Line to share the jurisdiction of the Interstate Commerce Commission in the case of the Florida Railway Commission.

ERA OF REFORM IN LAW ACTIONS IS SEEN BY TAFT

Changes In Judicial Procedure Aim Of Legal Organization

NEW YORK, May 24.—An era of reform in substantive law and judicial procedure was foretold recently by Henry W. Taft, retiring president of the New York County Lawyers' Association, in a report read before members of the association at their annual meeting. The main auditorium of the association building, at 14 Vesey Street, was crowded with lawyers, who applauded the report, as well as eulogies made of Mr. Taft, as he handed over his gavel of office to Charles A. Boston, who was elected to succeed him.

Mr. Taft reviewed the activities of various committees of the association for the year and stated that he dwelt upon them at such length because he "sought to modify, if not to remove, what Dr. Bitcham, president of the Carnegie Foundation, referred to as a widespread impression in the public mind that the members of the legal professions have not, through their organizations, contributed either to the betterment of legal education or to the improvement of justice to that extent which society has the right to expect."

Mr. Taft did not deny that there was a minority of the profession who came under this indictment, but he vigorously repelled the idea that organizations such as the County Lawyers' Association were to be included in it.

The lay public, the press and various legislative bodies, through their inertia and lack of co-operation with law associations, were held equally culpable with lawyers, by Mr. Taft, for not pushing comprehensive legal reforms.

"But I believe we are at the beginning of an era of the reform of our substantive law and judicial procedure," he said. There is a growing number of bar associations, city, county and state, all giving attention to the subject. He then proceeded to list the agencies in the state which were actively interested: The American Bar Association, the American Law Institute, the Commission on Administration of Justice and lay bodies, like chambers of commerce and the Merchants Association of the Hofstadter Committee.

"In view of the cumulative effect of such movements as these," Mr. Taft continued, "is there not a real measure of truth in my statement that we are entering upon an era of law reform? We need not be discouraged that our progress is slow. It always happens that, in a changing order marked by progressive developments in moral, political and economic conditions a system of justice, actuated as it should be by a spirit of conservatism, does not adjust itself to new conditions until they have assumed a reasonable permanent character."

Mr. Taft discussed the adoption, proposed in some quarters, of the judicial procedure of England. He doubted, he said, that "any phase of English procedure could be fitted into our social and political working out the problems arising under a form of civilization which has become crystallized in this country for over a century."

There was evidence, he pointed out, that the English system was now functioning with its wonted success in Great Britain.

Besides the election of Mr. Boston as president the following officers and directors were elected at the meeting: Edmond L. Moonsey, Robert C. Morris and Herbert R. Limberg, vice-presidents; Terence J. McManus, secretary; Benno Lewinson, treasurer; James W. Gerard, James Marshall and Frank L. Polk, directors until 1933; Jeremiah T. Mahoney and William M. K. Olcott, directors until 1934; William Dean Embury, Charles J. Hardy, I. Montefiore Levy, Morgan J. O'Brien, Clarence J. Sheari, Max D. Steuer, Charles Sitkus, Henry W. Taft, Archibald R. Watson and Henry D. Williams, directors until 1935.

DO YOU KNOW?

That although the pelican (famed in prose and poetry) is generally associated in the mind with sub-tropical regions, it is to be found as far north as Southern Saskatchewan? Each year large numbers of pelican migrate across the boundary to Saskatchewan and build their nests on the shores of the numerous lakes in that area. The photograph shows a pelican in the process of taking off from Last Mountain Lake, Saskatchewan.

2 MORE COPS WILL BE HIRED FOR CITY DUTY

L. Cooper, asking that his firm be given exclusive listings of the properties, and that the firm be allowed to add a small amount to the sale price of city property a site only remuneration;

Authorized Harry M. Papworth

Term Of Circuit Court Is Started Here This Morning

Spring term of the third Judicial Circuit court began this morning at 10:00 o'clock with Circuit Judge Millard B. Smith, of Titusville, presiding, and State Attorney Lloyd E. Boyle, of Sanford, ready to begin the investigation of criminal cases numbered nearly 25.

Following the roll call of jurors summoned for grand jury duty, the following were assigned to appear on this investigating body: L. H. Gore, T. W. Jones, T. A. Tice, S. R. Long, G. K. Phillips, Parks R. Hunter, R. C. Smith, Ed Randall, H. C. Myers, Sr., E. O. Mills, H. H. Geiger, A. J. Apple, Louis Melton, E. J. Meyer, W. B. Williams, R. W. Turner, H. P. Odham, and E. A. Williams. Mr. Jones was chosen as clerk, and W. B. Williams, foreman.

The following jurors stand ready for service as petit jurors: L. E. Jordan, G. C. Reddenburg, G. B. Yancy, Willie A. Nowell, Frank Pitts, E. F. Helzer, W. M. Hill, M. S. Wiggins, and R. C. Maxwell. Nine jurors failed to answer summonses or were excused.

Judge Smith opened the civil docket of five cases, but none were set for trial owing to the absence of defense attorneys. The cases were temporarily passed.

To select a committee of men who will assume the responsibility of taking care of the maintenance of the Band Shell and adjacent properties, and to Mr. Papworth, who has already aided in securing groups of men to take charge of the golf course and baseball park, to report his committee at the next meeting of the Commission.

ST. PETERSBURG — Bids asked for installation of gas and water mains beneath waters of Long Bayou to connect city mains with soldiers' home.

Bids asked for constructing four culverts on State Road No. 4 Jacksonville-St. Augustine Road.

Mr. and Miss Graduate

You Are Requested To Kindly Read This

We wish to make it quite clear that there is a distinct difference between engraved personal cards and printed cards.

One of the principal differences is the fact that the engraved ones are much higher in cost, then too, this type of card must be made elsewhere for no shop in Sanford is equipped to engrave cards.

Of course if you want more cards some time later it would be better to purchase engraved ones now because by doing so you will be given a plate, from which others may be made at a reasonable cost.

However, printed cards in Old English type on paneled cards are very dignified and suitable for the occasion. They may be printed right here in our office, and we are glad to give an unusually reasonable price. We will gladly show you samples and prompt delivery.

PERSONAL CARDS
Printed on Paneled Cards in Old English Type

50 Cards 75c
100 Cards \$1.00
