BAIGON (UPI) — U.S. Air Force and Navy jets struck targets across North Vietnam, including Hanoi, Dien Bien Phu, and other strategic points, as the second year of bombing commenced.

Cub Becomes Tenderfoot

By Jane Casselberry
Cub Herbert McKenna became a Tenderfoot Boy Scout in a special ceremony at a meeting of Pack 840 at the home of the parents.

Planes are being made for the annual Blue and Gold Banquet to be held Monday, Feb. 28, at South Seminole Elementary School.

Young McKenna received his Tenderfoot badge from Cubmaster Leonard D. Waters and having completed requirements for Tenderfoot, he received his Boy Scout pin and was welcomed into Troop 841 of Casselberry by Scoutmaster W. T. Daniel Jr.

Other awards for advancement were presented to Scott Fenton, bear; David Jamison, wolf; and Daniel Walter, Gery Smith, and Larry Smith, bobcat.

Receiving gold and silver awards were Steven Greenstein, and David McKenna; gold arrow, Steve Erbe and Steve Jamison; and silver, Michael Haynes.

Jaycees To Use Grant Building At Longwood

By Donna Estes
The Longwood City Council has granted special permission to the South Seminole Jaycees to use the former Longwood Jaycee building, a property which is owned by E. B. Grant.

NEIRO (right), at 21 years of age possibly Seminole County's oldest known dog, poses for camera with constant companion, Baby, Nero is pet of Mrs. Louise Rourke, 215 Belle Avenue.

21-Year-Old 'Nero' Oldest Dog In Area

Holy dog bacc! Nero is 168 years old and still hasn't filed for Medicare.

Nero is the pet of Mrs. Louise Rourke, 215 Belle Avenue, and he may be the oldest dog living in Seminole County today. Actually, of course, he isn't really 168 years old. He's only 21, but it is figured that one year of a dog's life is equal to eight years of a human's growth.

Dr. Raymond L. Bass, Sanford veterinarian and president of the Seminole Humane Association, says it is rare for a dog to live to be this old. "Average age for dogs is between 12-15 years," Dr. Bass says. "The oldest dog on record is a pit bull that lived to be 35 years old."

Mrs. Rourke, who has five other dogs in addition to Nero, adopted her — 21 years ago when he was only about six weeks old. Nero is mostly white with black spots.

Another session of council was announced for Feb. 17, when a representative of Glace Engineering Company has been invited to speak to the board on ways and means of obtaining government funds for a sewerage system and improvements on the water system.

On recommendation of the attorney, a work session was scheduled for 7 p.m. Thursday at city hall. At that time, rep-

Satellite Miss 'Junior Miss'

PENSACOLA (UPI) — Terry Ann Calland, 17, of Satellite Beach has a scholarship for college and will go to Mobile, Ala., next month because she was named Florida's Junior Miss.

Miss Calland was picked from 27 other contestants. First runner up in the Florida Jaycee sponsored event was Jane Daly, 17, of Coral Gables.

In addition to the scholarship and several other prizes, Miss Calland will represent Florida in March in the National Junior Miss contest in Mobile.

WOMEN OFTEN HAVE BLADDER IRRITATION

Bladder irritation among consummated clothing heads are the cause: Less than a change of color from old to new colors, examined under a microscope, revealed severe stains, damage from heat and pressure of ironing, and perspiration.

Even slight traces of home pressing equipment can cause staining, such as, glassing and fading. Finishing or steam-pressed equipment reduces these risks.

The fourth leading problem in perspiration damage. The Garment Analysis experts report that perspiration leaves the body as acid and decomposes into alkaline. The alkaline is slow acting but will permanently remove garment dye.

Carminated soap stains can also be removed. These stains are caused by fruit juices, soft drinks, beer, and coffee. When spilled they disappear into the garment. Heat or slow aging will make the spilled substance reappear as a permanent brown stain.

China's Bombs Loom

Long before Communist China exploded its first atomic bomb, the implications of such a capability in the hands of Peking were consistently minimized by Washington.

Even after the unjoyous event occurred in October 1964, the pool-boiling continued. One bomb does not an arsenal make, we were told, nor belligerent boasts a delivery system. The danger posed by a nuclear-armed China lay many years in the future.

All this, of course, was before the rapid escalation of the war in Vietnam that took place in 1965.

Now Secretary of Defense McNamara warns that within two years China will have 10 atomic weapons and ballistic missiles with a range great enough to blanket Asia. In 10 years she will probably have intercontinental missiles developed and deployed.

Accepting the accuracy of the government's information—and certainly the wisest course is to assume that it is accurate—the question whether many observers is how much the announcement of this revised estimate was inspired by the facts and how much by the sudden, changed nature of the fighting in Vietnam.

Undoubtedly one purpose of the secretary's warning, delivered at the recent NATO meeting in Paris, was to join our European allies in support of our unpopular involvement in Southeast Asia.

But the dark suspicion haunting some is that this is the beginning of a new phase of psychological conditioning for a war with China—a conditioning not just conceived yesterday by a handful of warhawks in Washington but one that has been gathering of its own momentum ever since the shock of the Communist take-over in China in 1949.

It is a combination of the old Western fear of "the yellow peril"; the cliché of the devious and "inscrutable Chinese"; the lessons learned—perhaps too well-learned—from the Korean war when Chinese territory was a sanctuary for aggression, and the superficial but tempting logic of the argument for a preventive war or direct blow at the "real" enemy.

Whether such an unconscious impulse now given added force because of the perplexing bind in which the United States finds itself in Viet Nam, or whether such an unconscious impulse toward war with Red China exists or not, it is perhaps the most compelling reason why the war in Viet Nam must somehow be terminated, or drastically de-escalated, within the coming year.

Dr. Crane's Worry Clinic

Need Louise's question and debate this topic both at Sunday School and in your high school classes, try all means memorize the quotes below from Horace Mann and Abraham Lincoln. And be sure to analyze Marshall Field's startling comment. Then send for the "Career Booklet" below.

CASE Y-41: Louise B., aged 14, is enrolled in a debating class.

"Dr. Crane," she smiled, "we are to have a class debate next week.

"And the topic concerns our career in life.

"Each of us is to try to persuade the rest of the class that our goal in life is best.

"One of the boys says his aim is to make one million dollars.

"Mine is to become a nurse.

"Since you are also a physician, can you give me any advice?"

One of the pioneers of our American public schools was Horace Mann, of Massachusetts. He might have made a million dollars.

But he preferred to help improve his minds via more schooling.

Please memorize his superb advice, when he said: "Be ashamed to die until you have won some victory for humanity!"

If you set your goal at merely earning a lot of money, chiefly to indulge your own selfish whims for sport cars, speed boats and playboy existence, what victory have you won for humanity?

But if you become a teacher or nurse or Y.M.C.A. secretary or doctor or producer and salesman of helpful merchandise or Scout and Camp Fire executive, then you have invested your life in aiding others.

Meanwhile, you will earn a fair income and be able to enjoy the luxuries of our splendid "free enterprise" system.

"Yes, Dr. Crane," you may argue, "but how can a person enjoy all these luxuries without being a millionaire?"

Just remember what Marshall Field Jr. is reported to have said to the gushing reporter who asked: "Mr. Field, what's it like to have a \$10 million inheritance suddenly dropped into your lap?"

To which he made this startling reply: "Well, I still wear only one suit of clothes at a time and eat only three meals per day!"

So pick a goal in life which will let you feel happy about having lifted your companions UP instead of tearing them DOWN.

"Plant roses where thistles grow before," as Lincoln said. And send for my "Vocational Guidance Kit," enclosing a long stamped, return envelope, plus 25c. Use it to select uplifting careers.

Letters To The Editor

Editor, Herald:
If I were gifted with words I could write an eloquent letter of praise to all the wonderful people who participated in "A World in Trouble" which was in the Jan. 14 paper advocating weekly church services.

In this article we are reminded of how powerful prayer is and without it we will have no peace.

I'd like to say "thank you" for permitting such an article to enter your paper.

Sincerely,
Mrs. John Werth

I feel it is my duty to write this letter as an American teen, due to certain draft-card-burning ceremonies and other rebellious actions taken by a small minority of teenagers.

You see, sir, most of us actually are quite proud of our country, and its policies, despite the fact that it appears to us that many adults aren't. I know it is a shameful thing to say that someone doesn't love his country, but after all, if the shoe fits, should one not wear it?

I was taught that our nation was founded on a system of government run by the people. But I ask you, sir, in order for an elected official to have the full capacities of his office, doesn't he need the full support of all the people, of all the times? Aren't the people responsible for action taken by that official? So, when a person participates in an officer of the government, he criticizes himself, the Constitution, and the entire American way of life.

Thus in conclusion, might I ask you, what kind of heritage are you and other adults leaving us, the future leaders?

Yours truly,
Fred Carter

Apollo Spaceship In Rehearsal
CAPE KENNEDY (UPI) — The first Apollo spaceship in America's \$2 billion drive to land men on the moon by 1969 underwent a launch rehearsal today in a key step toward an unmanned suborbital flight Feb. 22.

The 224-foot space machine, a duplicate of one that may carry three men, was launched into earth orbit late this year, was being put through a 24-hour delay.

"That's the reason for this demonstration test, to iron out anything that might develop," said test supervisor Paul Donnelly.

Paul VI Urges 'Understanding'
VATICAN CITY (UPI) — Pope Paul VI blessed the crowd in St. Peter's Square and urged the faithful, with the approach of the Lenten season, to seek in the teachings of the Catholic Church a better understanding of mankind and "the real aim of our existence."

"He made no direct mention of the Vietnam war but said there were "no major events that take our attention and await our prayers."

Now You Know
Of the five Great Lakes, only Lake Michigan is entirely within the United States.

New GI Bill Of Rights Approval Seen

WASHINGTON (UPI) — House approval was sought today for a new GI Bill of Rights providing college aid and other benefits for veterans of the cold war.

Approval was a expected, probably without dissent. The only complaint was from Republicans who said the benefits should have been larger, and that GOP efforts to amend the bill have been stalled.

The new bill, patterned after those following World War II and the Korean War, offers school aid of from \$3,000 to \$8,000. The two earlier bills brought training for 10 million veterans at a cost of \$12 billion. The latest was prompted primarily by the Vietnam war.

The new bill also would provide home loan guarantees, limited hospital rights, preference in federal jobs, job guarantees and job counseling. Unlike its predecessors, this bill would become permanent law.

Other congressional news: Appointments: The Senate foreign relations committee was to consider the appointment of Jack Hood Vaughn as director of the Peace Corps, and Lincoln Gordon as assistant secretary for inter-American affairs.

Military: Navy Secretary Paul Nitze and top military officials were to appear before the House armed services committee in hearings on supplemental appropriations for military construction and buying for fiscal 1966 which ends June 30.

Taxes: Closed hearings on the President's proposals to repeat tax cuts on automobiles and telephone calls, and tighten up collection of personal and corporate taxes were scheduled.

APPROPRIATIONS: Sub-committee meetings were set for consideration of money for various agencies, among them State, Justice, Labor, Health, Education and Welfare.

They Shall Not Pass

To make sure that aged Communists and superannuated subversives among them won't get their hands on any of Uncle Sam's largesse, about two million Americans over 65 who want to claim Free Medicare benefits must sign affidavits swearing to their unspotted patriotism.

Some 17 million other persons past 65 who contributed to Social Security or Railroad Retirement during their working lives are exempted from this provision, whether or not they mixed subversion with business, because they have "earned" their Medicare benefits.

That's the law, explains the Social Security Administration.

Clearly, Congress has struck another tremendous blow against the forces of un-Americanism, or something.

Political Notebook

WASHINGTON (NEA) — The stepped-up war between Moscow and Peking will bring the U. S. more headaches.

Some administration leaders had hoped that once Brezhnev's group in the Kremlin became convinced they couldn't get along with Mao, the door would be open for U. S.-Soviet cooperation on some knotty Asian problems and in preventing the spread of nuclear weapons to non-nuclear lands.

Some diplomats hoped that one thing might even lead to another and a handful of U.S. and Soviet tensions might be eased in Europe, the Middle East, Africa and in the arms race.

But it's not working out that way — even though, as in the India-Pakistan clash, Moscow and Washington seemed to be heading the same side (Delhi).

Brezhnev is now flirting with Pakistan, suggesting aid and support — in direct competition with Red China.

But at the same time Brezhnev is trying to pull Pakistan away from its U. S. ties.

The Kremlin men are now working to exploit the present wreckage of the Chinese Communist party in Indonesia.

Moscow diplomats are attempting to convince the Indonesian army men the Indonesian army men are "good" Communists and "bad" Communists, the "good" being Moscow-oriented and the "bad" Peking-oriented. The Russians offer more aid if the army will go easy on the Moscow types. The Russians have leverage here because of their past hefty army help to the Indonesians.

But the Moscow men in Europe are also spreading their time cutting down the Americans.

Moscow has just signed a new trade pact with Peking, one calculated to pull the North Koreans away from the Red Chinese and toward the Russians. But that's not all. They are also spreading their things for us on the 17th parallel.

In parts of Africa, the Russians are playing it carefully. They wait for the Chinese to trip up in a country, then they in with cautious aid played in a low key.

The Kremlin men have been saying it was Chinese blundering. If the Russians boggle, the Red Chinese move in. This is the Communist two doors where before they had one.

Neither the Soviet Union nor Red China is losing sight of this tactic in the midst of their feuding.

What's needed is to find a way to get Red China and Russia to trip each other up regularly.

Oviedo Trims Greyhounds For 14th Triumph, 69-55

The high-flying Lions from Oviedo captured two more victories this weekend. Friday night the Lions blasted the Florida Central Red Devils, 69-55, and then came back Saturday to down Lyman 69-55.

The two wins lifted Oviedo's season mark to 14-3. Oviedo completely dominated the Red Devils Friday. The Lions' full-court press caused Florida Central to make numerous fouls mistakes which the Lions turned into baskets. Oviedo also had control of the boards throughout the game, with Jim Harper, Tim Colbert and Al Jenson doing fine jobs.

Bobby Stewart's 14 points paved the way in the first quarter as the Lions jumped out to a 22-6 lead. Oviedo collected 19 more points in the second period and held the Red Devils to only nine.

Florida Central managed only five baskets in the first half and found itself 26 points behind at halftime, 41-15.

The Lions, well content to let their half-court defense do the heavy lifting, poured in 32 more points in the third quarter. Harper had 20 points, Colbert 14, Stewart 14 and Jenson 14.

Despite the effects of a tough defense and a surprisingly effective offensive attack, the Lyman Greyhounds failed to earn a notch in their sports win column this past weekend. Coach Dick Coppola's off-beat charges from Longwood fought the powerful DeLand Bulldogs on an even basis all the way on Friday at the Lyman gym, before losing in the final minute, 44-40. On Saturday evening, the homebound Lyman Greyhounds gave the Lions a hard-earned 69-55 triumph.

The sharpshooting of Jesse Grove, top scorer in the Orange Belt Conference, was all that saved the DeLand eagles from certain defeat on

Friday. The junior guard carried 26 points for the victory, including four free throws in the final two minutes which gave the Bulldogs their 14th win against only two losses.

Nine markers by Richard Moore sparked a Lyman effort which gave the Hounds a 22-22 margin at the half. DeLand came back strong in the third quarter, outscoring Lyman, 18-12. The final period was a defensive duel. The Hounds pulled up to a 49-40 lead with three minutes remaining, but Grove put the seal on another Lyman defeat with his charity shots.

Charlie Newell led Lyman scoring with 22 points, while Moore earned 11 markers. Grove topped all scorers with 26. Lyman's Bruce Stuart pulled down a season high of 20 rebounds.

Billy Miller and Simon Harper combined for 23 points in the game until the fourth period collapse. Let Roy led the Seminoles with 12 points, including eight of eight from the foul line, and won the game with a 19.9 first period lead and then slowly increased its margin in the

second two frames to build up a 20-20 lead going into the final frame.

The Seminoles, with Buddy Stump, regarding his shooting touch, outscored the Eagles 18-13 in the last period to close the final margin to 14 points.

Stump and Letoy led the Seminoles in scoring with 18 points each. All of Stump's points came in the last period.

Miles-Ruby Duo Drives Perfect Endurance Race

DAYTONA BEACH, (UPI) — Through the freezing night, two men and a car wrought a thing of flawless beauty.

They were delicately, like a tenuous tapestry amid the night sky, the duo of Miles and Ruby, driving a perfect endurance race.

Few of those who saw the

Daytona 24-hour Continental Saturday and Sunday will forget it.

To win the first 24-hour race in America—and to win a 168 m.p.h. With incredible skill, they set their pace and kept it, refusing to be pushed. They could have gone faster. But they went exactly fast enough. They finished with an average speed of 108.02 m.p.h. Right behind Miles and Ruby, throughout the race, roared the Ford prototypes of Walt Gurney - Jerry Grant and Walt Hagan - Mack Donohue. They kept a respectful distance between themselves and the leader, working up the pace of the pursuing

Shortly after noon, with the end only a few hours away, the Ferrari slowed and finally came in fourth behind the three Fords.

Miles and Ruby won this race last year when it was a 12-hour run. This weekend they averaged 8 m.p.h. faster than last year. They took the Ford top to around 128 m.p.h on the back straight, but always kept some power in hand.

Lyman Junior Varsity Back On Top In OBC

Coach Tom Barnes' Lyman Jayvee moved into the thick of the Orange Belt Conference title race this past weekend, hosting their OBC week at nine wins and only two losses with a 42-27 victory over the DeLand Bulldogs on Friday night in Longwood.

They captured their twelfth OBC title in a row, as opposed to eight defeats, on Saturday, edging the Oviedo Lions in an easy 42-27 triumph.

Lyman, DeLand, and Appleton had two conference games remaining, at Kissimmee at Kissimmee on Tuesday. The two teams with the best records will vie in a post-season game for the championship.

Miss Drenda Ranew, T.W. Ownby, Jr. Exchange Vows In Church Ceremony

Miss Drenda Ranew, daughter of Mr. and Mrs. Thomas J. Smith of Sanford, and Thomas W. Ownby, Jr., son of Capt. and Mrs. Thomas W. Ownby of Garden City, N. Y., were united in holy matrimony on Feb. 7, 1966, at 8 p.m. at the First Baptist Church of Sanford.

The bride was escorted by her brother, Fred B. Chance, a deacon of the church. The officiating clergyman at the candlelight and double ring ceremony before the altar was Rev. Fred B. Chance, assisted by a procession of bridesmaids and flower girls. The bride wore a white gown with a red velvet sash and carried a bouquet of white roses and lilies.

The groom wore a tuxedo and carried a boutonniere of white roses. The ceremony was held in the sanctuary of the church, which was filled with guests.

The bride and groom were accompanied by their parents and other family members. The reception followed the ceremony at the church.

Rebekahs Declare February Education Month

By Mrs. Clarence Snyder

The regular meeting of Rebekah Lodge was held with Mrs. Hazel Gibby, noble grand, presiding. Visitors were Mrs. Madeline Crowell of Cape Cod, Mass.; Mrs. and Mrs. Alex Goddes of Sanford, Conn.; and Lloyd Schiller of Marion, Ohio.

February was declared Educational Month.

A committee announced several calls on members that are now about.

The president of the Rebekah Assembly, Mrs. Flora Long of Port St. Joe, will make her official visit to the Leaning Lodge, Feb. 11. The meeting will be preceded by a banquet. All Rebekahs are invited to attend.

The next meeting of Seminole Lodge No. 41 will be Feb. 10 at the I.O.O.F. Hall.

Julie Ganas Entertains Chums At Patio Party

Miss Julie Ganas, ably assisted by her sister, Sharon, was hostess at her home on Hanna Lane for the "Just Because" party.

The group gathered at 5 p.m. for a patio cocktail party. The menu consisted of chicken, baked beans, assorted condiments and cold drinks followed by a lively evening of dancing, limbo and billiard games.

The five to ten party lasted a little longer with one guest from Orlando staying until Sunday evening.

Friends present were Mary Best, Lynda McWhorter, Jeanne Doyle, Julie Doyle, Justine Giry Stripling, Ralph Govecek, Mike Lee, Tommy Govecek, Chris Johnson, Mark Haula and Sherry Howell of Orlando.

Mr. and Mrs. Ralph Bedient of Lakewood Drive, entertained their daughter and son-in-law, Mr. and Mrs. Don Margot of Erwin, Pa. They visited Silver Springs with Mrs. Margot's sister, Miss Barbara Bedient, and other places of interest in this area.

Mr. and Mrs. John Williams of Plantation Road, entertained Miss Louise Bookchin of Neptune, N. J., and Mrs. Mary Hamilton of Cranford, N. J., this past weekend.

Beautiful Eyes Are Yours With Corrective Make-Up

With women recognize the need to avoid a black-looking face more than actresses and models. Eye color application also makes a difference in how your eyes appear. For example, deep-set eyes appear more vivid if the color is applied close to the lash. Then color the upper lid to brow on outer corners.

Narrow eyes look wider with the shadow deepened in tone on the outer sides of the lids. Lighten normally dark lids by applying a nude shade on the inner from lashline to brow.

If you have dark circles under your eyes while out the circles before applying other make-up. You can do this with a pure white underbase.

It seems what nature will reveal cosmetics can conceal.

Dear Abby: By Abigail Van Buren

DEAR ABBY: About a month ago I started at a place where there are other girls. During their lunch hour all the girls sit around and tell stories and use the name of the "Lord in vain." They laugh and giggle. I finally got my lunch and went to sit alone in the corner by myself as far away from them as I could get. One of the girls came over to me and asked if I thought I was "too good" to eat with them. I told her, "No, I just prefer to eat alone and read my Bible."

Everybody laughed at me. No nobody even speaks to me. Abby, I read this job. Must I pretend their language and use the name of the Lord in vain? What should I do? I don't want to eat alone and read my Bible.

DEAR ABBY: My husband is trying to make me, and other people, think I am insane. He takes things out of my drawers, hides them, and then after I have searched the house for days, he puts them back in their original places and tries to tell me they were there all the time. He sets all the clocks ahead, and then sets them back until I am sure they are not. He does this with other things. And all of this in front of the children. They know it's not true because I always have one or more of the four with me. He has even threatened to leave me if I don't leave him. I am so afraid of him that I don't know what to do. I don't know if I should leave him or not. I don't know if I should tell the police or not. I don't know if I should tell my friends or not. I don't know if I should tell my parents or not. I don't know if I should tell my doctor or not. I don't know if I should tell my lawyer or not. I don't know if I should tell my friends or not. I don't know if I should tell my parents or not. I don't know if I should tell my doctor or not. I don't know if I should tell my lawyer or not.

We're the Women:

By Ruth Millet

Before me is a trade journal with the intriguing name "Ideas for Better Living." That's something we all need and could use, isn't it? Some ideas for better living. Perhaps these will be a starter for some who aren't getting as much fun and satisfaction out of living as they could—and should.

ONE—How about being as watchful on television as you watch on the movies you go to or the books you read? That resolution alone just cut down considerably on the time you waste just sitting in front of a television set.

TWO—How about making it a rule to do at least one thing for someone not a member of your family every week? If you can't do more than that, do one thing.

THREE—How about giving up the bad habit of thinking "It's too much trouble," whenever a chance to do anything out of the ordinary comes along? You aren't living, just existing. If you aren't willing to do a little extra trouble to have new experiences.

FOUR—How about doing up of your life the things you do not longer enjoy doing and that serve no useful purpose? This would include anything that is not fun, interesting or helpful to the organizations in which you are no longer an interested member but just a hanger-on, and dropping any kind of busy work you began because you thought it was worth-while and have kept up out of habit.

FIVE—How about setting a side a little time each week for your own personal enjoyment.

Moon Surface Question Unsettled, Yank Says

ITHACA, N. Y. (UPI) — The head of Cornell University's lunar surface laboratory says the Luna-9 pictures sent back from the moon have not settled what the moon's surface is like.

But Dr. Bruce W. Hapke, senior research associate at Cornell's center for radio-physics and space research and head of the center's lunar surface laboratory, told United Press International the pictures do not disprove the dust theory.

AROUND THE CLOCK

The Oviedo Jayces will have their charter night banquet at the Rio Flor Country Club in Orlando Saturday night. This new club already has 35 members and is growing still.

Children's Home Society, an agency of the United Fund, reports that last year it placed 178 children in homes in the five county area served by the Central Florida Division. In handling the hundreds of cases that come to the Orlando office, the staff served 100 natural parents and 118 adoptive parents. The largest private adoption agency in Florida continues to grow from the start given it 64 years ago and sponsored as effectively by "Daddy" Farg during his life from his Jacksonville home.

Wear red or peellated! That is the decree for those attending the Thriftway Valentine Party Wednesday night at Lake Island Recreation Center in Winter Park. Many square dancers from the Forrest and Cassberry areas belong to the Thriftways.

The big boat, used to collect those cerebral palsy donations over the weekend, was supplied by Bobby Newman, Jr. It is called the "biggest boat in Florida."

Eight homeless pets were adopted last week following the appearance of "Pet of the Week" picture in The Herald. Seminole Humane Society officials called it a "wonderful response" to the photograph of Jill in last Tuesday's paper.

Good news for "Jurassic" Two boys have been suspended from Seminole High School for wearing their locks too long. Swim team members have been ordered to cut their hair.

Donations gathered by five departments in Seminole County for the weekend Central Palsy campaign amount to \$1,200, Tom Freeman, county CP chairman, says. Five departments participating included Sanford, Lake Mary, Altamonte Springs, Oviedo, Cassberry, North Orlando and Longwood.

"This is double the amount we got last year," says Freeman.

The puppy or "tree monkey" reportedly was found first in the U.S. apparently in the St. Johns River near Palatka and was even more abundant near where Sanford now is located. The cassberry when papayas were introduced into Florida is unknown.

It won't be long now, Bob Shelden, Southern Bell manager, says the new telephone books will be out in a few days.

Persons in the 25 to 34 age bracket were involved in the most injury accidents and most fatal accidents in Florida last year.

N. Orlando Election Set March 15

2 Council Seats, Mayorally Post Will Be Filled
By Barry Lawes

Village of North Orlando Council Monday night set March 15 as the date for a municipal election to name a mayor and councilman for Group 2 and Group 4 seats.

Registration books now open for voters and will close on Feb. 20. Voters may register at the village office and weekdays between 9 a.m. and noon, or on Wednesday night from 7 to 9 o'clock, Saturday, Feb. 19, the village office will be open from 10 a.m. until 3 p.m.

Eighteen qualified voters registered in the Village. Candidates may file for office from Feb. 19 through Feb. 28. Mayor David Tilson, who currently holds Group 2 seat, and George Fuller, Group 4, have not yet indicated if they will seek reelection. This will be the first general election to name a mayor.

Mayor Tilson issued this statement during the council session. "I am pleased to announce that the village will have a new mayor and councilman in March 1968. The village will have a new mayor and councilman in March 1968. The village will have a new mayor and councilman in March 1968."

Arrangement on a charge of manslaughter has been set for Feb. 21 in Volusia Circuit Court in the death of a Sanford sailor last June 27 at Daytona Beach.

State Attorney Dan Warren filed the charge against Leon Davis, 28, in connection with the death of Glenn David Murdy, 18, who succumbed to injuries received in a fight on the beach.

Police reports indicate the "jay" in the past few days has stolen a total of 31 cases of canned soda pop from the company. The thief apparently has been climbing over the fence behind the bottling plant, although in one instance a hole was dug under the fence.

Qualifying for state political offices begins Feb. 15. Filing for county offices begins March 1.

Personnel Will Be Doubled

By Dolie Austin
Plans for the \$300,000 expansion of the Alix of Miami plant on Hwy. 17-92 are "on again," with bids to be opened in about three weeks, it was reported today by Seminole County Chamber of Commerce officials.

A letter to John A. Burton IV, architect, confirming a telephone conversation authorizing him to proceed with advertising and receiving of bids, was received from Lashlan Hatt, general superintendent of the southern division of Jonathan Logan, Inc., owner of the Alix of Miami and Alix of Sanford plants.

Plans to expand the plant by 200,000 square feet were announced several months ago, but later cancelled. Further negotiations through the Chamber of Commerce resulted in the announcement that the project now will proceed as planned.

Jonathan Logan, Inc. of which Alix of Sanford is a fully-owned subsidiary, is the largest manufacturer of women's ready-to-wear clothing in the world.

Indications are that with the expansion, employment at the plant will increase from the present 130 employees to 250, with many benefits to the area, particularly through the increased payroll. Estimated that the payroll will be doubled from a present \$500,000 annually, to over \$1 million.

The present building on Hwy. 17-92, just south of the city limits, was opened in January 1963, manufacturing mainly swim wear. This has now been expanded to include all types of women's wear, including dresses and sportswear, including the famous Jonathan Hatt label.

Other construction projects in the area include the new \$1.5 million, 100-unit apartment building at the intersection of Hwy. 17-92 and Hwy. 17-92, just south of the city limits.

Speed limits on congested sections of U.S. 17-92 are being reduced to 35 miles per hour from 30 miles per hour. The speed limit through Cassberry will be maintained at 45 miles per hour.

The sections of the heavily-traveled Seminole County traffic artery are located in the Fern Park, Cassberry and Longwood areas.

County Engineer William (Bill) Bush told the board this morning that the State Road Department had given notification of the reduction in speed limits.

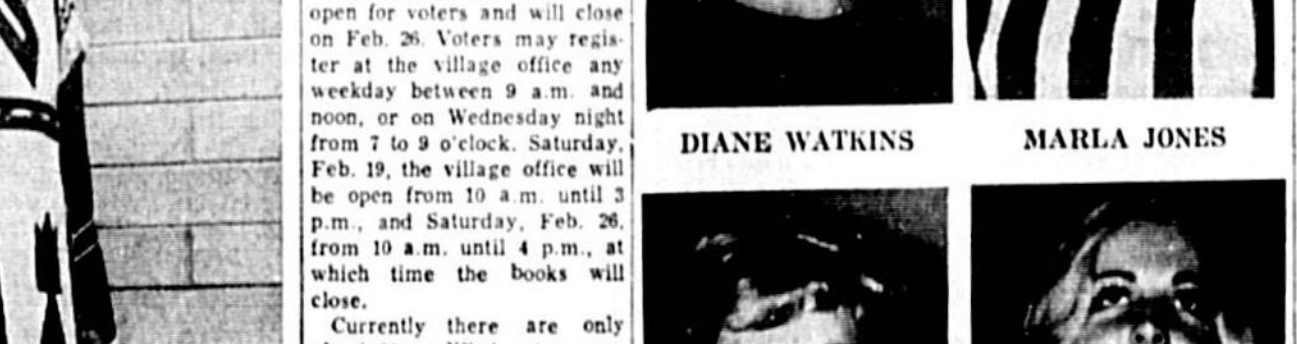

Speed limits will be trimmed from 70 to 55 miles per hour from the Orange County line to Ridge Road in Fern Park, from Ridge Road north to Seminole Plaza in Cassberry and from French to Sanford Avenues. The board said it would make inquiries into the speed limit with a view to it being raised. Budget hearings on Seminole County's post requests for the 1966-67 fiscal year will be heard at a meeting in Deland, March 8.

The board will adopt a priority list regarding primary and secondary road projects prior to that time. A work session is planned along with the county engineer in regard to traffic counts, funds available and status of current projects.

Longwood Postpones Police Budget Bid

By Donna Estes
The Longwood City Council meeting in special session Monday evening, again denied the request of the police department that its budget be increased from \$120,000 to \$140,000, until an opinion is received from City Attorney Gene H. Stephenson on advisability of amending the budget.

The request was first denied by council at its regular February session upon advice of Stephenson. Neither he nor Mayor B. E. Black were present for Monday's meeting. Breakdown of the present police department budget, as reported by temporary City

Chief Jack Bushor, shows salaries for 1968, \$1,000 for two patrolmen, \$1,500 each, uniforms and stationery, \$1,000; police clerk, \$600; reserve, \$400; gasoline, oil and repairs, \$1,000; and radio, \$1,000.

Councilman John Dalton H. Stephenson, who is reviewing all employees to be hired and fired by council by the end of the month, said he would have full control of the police department budget.

The board advised Bushor that in the event of incomplete final judgment as to whether the man should be fired, Council agreed to fire John J. Grudnick, of Longwood, as an additional patrolman at a salary of \$800 per month, retroactive to Feb. 1.

The boy, voided, unanimously to accept the insurance policy of Griffin and Harper, Agency, Hartford Insurance, for all the city's insurance at a cost of \$2,000.54, retroactive to Nov. 1, 1965, when it was included in the National Insurance policies had not been received as set by the city and in view of the fact that Griffin and Harper was threatening to cancel its policies by Thursday of this week if payment is not received. The city would be uninsured.

The action came following report by Council Chairman for an area newspaper for many years before moving to Dalton three years ago.

Survivors include his wife, Rebecca; daughters, Mrs. Kenneth Kahn, New York City; Mrs. Ben White, Winter Park; Miss Cheryl Ketter, a son, Kim, parents, Mr. and Mrs. Jim F. Ketter Sr.; sisters, Mrs. Fred Robson, Mrs. Douglas Mulligan, all of Dalton, and a brother, Jim Jr., of Tallahassee, Fla. He was slain in a heart attack. He was 34.
