Thrilling Finish Marks Lookouts' 5-4 Victory Over Visiting Combine

Hayes Mound Work Stands Out; Rookie Holds Nat's Hitless

Fighting an uphill battle practically all the way, Cal Griffith's Chattanooga Lookouts staged a thrilling last inning finish to win a 5-4 victory over Clark Griffith's Washington Senators in a hard-fought contest which took place last night at the local ball park.

During the first three innings, the Senators had what seemed an insurmountable lead, although the Lookouts talked one in the fourth to cut the advantage to two runs. A two run rally in the sixth tied the count but it remained for the last two innings to bring out the exciting moments that were replayed more than once last night by the carboene coaches as the Lookouts scored one run in the eighth to take the lead only to have Link, Senators' finishing pitcher, deliver a circuit blow which sent the leather over the left field wall to tie the count again.

The last half of the ninth, however, brought the thrilling finish and victory to Clyde Milan's prospect as McFarland, first man up, made a marvellous stop to hold him to first base. Benamiller then grounded to Link who made a throw to Travis to barely nab McFarland at second with Benamiller taking first on the fielder's choice. Miles then singled to centerfield to send Benamiller to third and on the ensuing play Jimmy Waddell hit a grounder to short which was followed by a play at the plate with Benamiller sliding in safely with the winning tally.

The Senators scored their three runs in the third when Hank Renner, starting Lookout hurler, walked two men and then put one in the groove for Joe Kubel, visiting first sacker, to send over the right field fence, embourcement, it was

Second Semi-Final Elimination Event Stated For Tonight

The second and last semi-final elimination for the Central Florida Derby will be the feature event of tonight's program at the Langwood track of the Sanford-Orlando Kennel Club when the first four dogs of the third preliminary race vie for the opportunity of entering the Second Annual Central Florida Derby next Wednesday evening.

Favored to win tonight is the champion, Ann Hope, whose track record of 22 seconds flat still stands for the 3-16 event, the distance over which the hounds will run in the feature tonight. Second choice is Ann Fatch with Red Pick chosen as show dog while Dirty Owen and Biome Meadows will fight it out for the fourth position.

Other selections include Noon Day Flyer, Ann Page and In-ception in the first; Rattle Dazzle, Ramona G and Was Howler in the second; All Eyes, Black Favorite and Jack's Mission in the third; Blue Maiden, Lucky Al and Andy Boyer in the fourth; U. S. Bonds, Raymond Warrior and Flash Play in the fifth; Rip Collins, Mack's Mission and Red Sentinel in the sixth; All Common, Speedy James and All Myrtle in the seventh; Commandant, Skyline Mahout and Disber in the eighth; and Night Laddie, True Ann and Speedy Karl in the tenth.

May Term Leeseburg Entry In Loop As 'The Gondoliers'

Orlando To Be Known As 'Gulls'; Others Retain Nicknames

ORLANDO, Apr. 2.—(Special)—Even though there's a chance that they might later be called the "Gulls," the young hopefuls who'll make up the Leeseburg entry in the Florida State League this summer were named "The Gondoliers" Friday.

Orlando, the other newcomer to the 1937 loop, will play under the name of "The Gulls." Officials of the club, happening to glance out their office window Thursday, hit upon the title when they saw scores of sea-gulls flying around a downtown lake.

The other six clubs will cling to their 1936 monikers, as follows: Deland, the Reds, after their Cincinnati sponsors, Daytona Beach, the Islanders, because they play on beautiful City Island; Palatka, the Anzars, because their field is a park of Palatka's gorgeous azalea gardens; Gainesville, the G-Men, because it best describes their deadly stick-work and firing from the mound; Sanford, the Celeryeds or Feds for obvious reasons; St. Augustine, the Saints, because they've been called that since 1901, even after the "Freddie Francis" has been their guardian angel.

2 Fierce Fights Rage On Fronts Of Spanish War

Government Sends Militiamen Up Mountain Peak To Halt Rebels

Cordoba Sector Sees Deadlock

Insurgent Campaign In North Spain Believed Crucial

Two of the bitterest, bloodiest, most important battles of the Spanish Civil War ranged on widely separated fronts today.

In the northern sector near Bilbao, the Spanish Government rushed mobilization of all available fighting men to repel a big insurgent advance and sent its militiamen up a 4,000-foot mountain peak to block one segment of the assault.

Far to the south in Cordoba Province, opposing armies still locked were in a furious struggle for possession of the rich mining country. But here, insurgents were on the defensive.

The success or failure of the insurgent drive in Northern Spain is expected to have a decisive effect on the future of Generalissimo Francisco Franco's Insurgent forces, particularly in view of recent losses in the Guadalupe sector, northeast of Madrid.

Drum And Bugle Corps Shapes Up For Convention

43-Piece Outfit To Represent Sanford At Lakeland Meet

Sanford's rapidly-rising drum and bugle corps, comprised of Sons of the Legion members, staged its first out-of-dress practice last night in preparation for its appearance at the Lakeland convention of the Florida American Legion on May 15.

Perry Mero, director of Legion boys' work, said the completed unit now boasts 43 pieces, including two color guards, two color bearers and one drum major.

All instruments are new, he said, although the latest shipment—which arrived this week—is yet to be paid for. Plans to produce the finances will be discussed at a Legion meeting Monday night.

Mr. Mero announced that the drummers and buglers are advanced sufficiently to play two pieces of music in their entirety. The corps will receive a third piece at a special practice Tuesday night and will have a repertoire of three numbers "down pat" for the convention.

The work director praised the formation drills of the Corps, declaring that it is "first rate" work considering the comparatively short time the youngsters have been drilling.

Frank Huzzard of Orlando, who instructs the unit, said the local Corps is the only one in Florida whose membership is made up wholly of Sons of the Legion.

Seminole Schools Receive \$31,982 From State Source

County School Superintendent T. W. Lawton today reported the receipt of \$31,982.50 from State Comptroller J. M. Lee, assuring Seminole County teachers of full salaries for the complete 1936-37 school term.

Mr. Lawton said there were indications that this County may receive an additional allocation of cash, although he added that this was yet uncertain.

Normally, the Seminole school system receives approximately \$17,000 per month for operating expenses. However, a new interpretation of the State disbursing law has revised the method so that eight payments are now made each year instead of the original nine distributions.

Superintendent Lawton declared that in any event—whether or not more funds are to be received—there will be sufficient cash on hand to finish the year in fine shape.

County Agent Ends Initial Phase Of 1937 Soil Program

County Agent C. R. Dawson yesterday concluded the first phase of his program to collect work sheets under the 1937 soil conservation program.

The agent and his office force spent two days in Alamo Springs figuratively musing the office to that community as a consequence for growers and farmers in the vicinity.

Next Tuesday and Wednesday the operation will be repeated in Oryetta when all agricultural interests in that section—that are planning on participating in the conservation plan—will be asked to file in work sheets.

Mr. Dawson next week probably will announce his office schedule as regards other communities.

3 Guard Officers Attend Conference At Jacksonville

Three officers of the Sanford National Guard unit will attend the second annual convention of the Florida National Guard in Jacksonville tonight and tomorrow.

They are Lt. Col. J. C. Hutchinson, Capt. George McRoy and Lt. Karl Nordgren.

Capt. McRoy, who returned in a week-end leave yesterday from Ft. Benning, Columbia, S. C., where he is attached for active duty until June, has as his guest, Capt. and Mrs. Fred N. Wimbler of Allendale, S. C. They will attend the convention with the Sanfordite.

Local Legislators Leave For Capital And 60-Day Confab

Gordon Barnett and H. J. Lehman, Seminole County representatives in the 1937 State Legislature, left early today for Tallahassee to prepare for the opening of the two-month term Tuesday, preceded by the regular caucus Monday.

Both public officials said they expected the term to run the full 60 days allowed under the State Constitution.

Each representative has certain proposed local legislation he plans to bring before the Legislature. These measures were suggested by County and City Government officials.

One of Mr. Barnett's principal objectives of the session is the passage of a general highway safety measure which would require all resident motorists to hold a State driver's license.

Jay Cees Schedule Election On Monday

Election of officers today was placed at the top of the program of the Sanford Junior Chamber of Commerce scheduled for Monday at 7:30 P. M. in the Mayfair Hotel.

President Andrew Carraway urged all members to make their plans to attend. The affair will be a dinner meeting.

Other matters coming up for discussion will be that of a membership drive tentatively slated to begin about the middle of the month, and plans for attending the State Jay Cee convention next week.

Senior Class Will Give Annual Play Here Friday Night

Mr. Maybelle Maxwell, Senior Class sponsor at Seminole High School, today announced the last-year unit will present its annual play Friday night at 8:15 o'clock in the school auditorium.

Ms. Maxwell is directing. Assistant student directors are Dorothy Mitchell and Amoret Peters.

Managing the business end of the drama are James Pearson, Brandon Hunley, Helen Garner and Virginia Sacher. Pages are Frances Johnson and Minnie Strange. Stage manager will be D. B. Hodges with Junior Whiteden as an assistant. Mikrod Hodges and Dorothy Warren are property custodians.

Deputy Collector To Arrive Tuesday

A deputy collector of the internal Revenue Department will be here Tuesday to assist Seminole County employers in filling out certain forms under the Social Security Act.

Normally, the collector uses speech donated by the Sanford Atlantic National Bank, although no arrangements had been made today for dog room there.

'WILD BUTTERFLY'S DAD GRILLED RELENTLESSLY'

Lengthy questioning of three men in connection with the slaying of Art Model "Ronnie" Gedon, her mother and their father, Frank Byrnes, was followed by the announcement of District Attorney William C. Dodge that New York police "have a definite suspect." Two of the men were released but Dodge (left) continued to question Joseph Gedon (right), father of the slain beauty, who described his daughter as "a butterfly—wild and willful." Future Farmers Entertain 125 At Annual Fete

Mewing Says Choose Likeable Profession As A Youth

American youth should choose only a profession which it likes regardless of financial income, Walter Mewing, sales manager of the Sanford-Oviedo Truck Growers Association, said last night in addressing 125 persons attending the annual picnic and banquet of the Seminole Chapter, Future Farmers of America, in the High School cafeteria.

He emphasized the point that satisfaction with one's work and a low salary is more to be desired than an unsatisfactory position with a higher salary.

The Rev. C. E. Elmer, pastor of the Christian Church, spoke briefly on "Conservation, Co-operation and Co-operation," asserting that "we must conserve what we have, must believe that everything we do is done the best possible, and we must cooperate with the other fellow."

Future Farmers who spoke, and their topics, are as follows: John R. Jones, supervised practice; Boyd Coleman, co-operative activities; Robert Thurston, community service; John Mauser, leadership activities; Howard Dague, earnings and savings; Royce Haly, conduct of meetings; Kenneth Gustafson, scholarship; Ernest Appleby, recreation; Robert Mauser, the FFA membership.

Alex R. Johnson, Chapter advisor, introduced all guests. Boyd Coleman delivered the welcome to parents and response was by his father, C. J. Coleman.

Entertainment for the evening was furnished by the FFA string band, and by Edwin Fridgen and Roscoe Whaley who presented a musical duet.

Audubon Membership Unit Beginning To Function

President Mason Says Half Of Group Has Accepted Appointments, Started Work In Own Counties

Visitor Remarks On Changes Since Last Local Visit

Approximately half of the newly-appointed Membership Committee of the Florida Audubon Society has accepted a one-year period of duty, President C. Russell Mason announced today.

The group was named shortly after the Society's convention in Winter Park last month when Mr. Mason was re-elected to head the organization for the second consecutive year. About 10 persons comprise the Committee.

President Mason said many of those who have accepted appointments already have begun work in their individual counties seeking to boost Society membership to 1,500 before the next annual convention in 1938.

Audubon activities throughout the State, Mr. Mason said, have seen an upturn, one of the most significant movements being the selection and placement of a full-time warden in the "Beverly" Air Brookers, an University of Florida land, in Gainesville.

Jury Finds Negro Woman Died From Too Much Alcohol

Death from excessive alcoholism and exposure was the verdict returned yesterday afternoon by a juror's jury, under the direction of Judge J. C. Roberts, that investigated the Thursday morning death of Ernestine Bouch, negro.

Three other negroes, James Duggan, Willie Mae White and James "Shorty" Johnson, who were held by officers on suspicion of murder, were released after the inquest.

Although police worked on a lead that Bouch had won about \$100 on Cuba on Wednesday, and "pitched" a party with the money, they found no evidence that would lead them to believe the possession of the money was the cause of a possible death.

The coroner's jury reported the finding of no evidence that would indicate the negroes had been beaten.

She was found unconscious and almost nude on the porch of her home Thursday morning after, police said, a night of carousing and drinking.

874 Citizens Pay Poll Taxes In City Election

Citizens in Seminole County last paid poll taxes on their property according to a report made at 10 P. M. today by Joe D. Dawson, County tax collector.

At 5:30 o'clock this afternoon, Mr. Atkins was to have closed his office at the deadline for receiving the poll tax payments that make a voter eligible to list in the special City Commission election of April 12.

Registration books also were to close this afternoon at 10 P. M. where slightly more than 1,200 were registered.

Thrasher Selected 1937-38 Director Of Commission Unit

Commissioner D. L. Thrasher of Seminole County, was elected yesterday a 1937-38 director of the State Association of County Commissioners, convening in St. Petersburg.

Stated to close this afternoon the conference was called primarily to discuss proposed legislation affecting County Government that probably will be introduced in the 1937 Legislature opening in Tallahassee next week.

Following are the Commissioners from this County who attended: Chairman W. B. Williams, Mr. Thrasher, W. H. Bradford, W. G. Kilber, and P. A. Ingram.

Jennings Concludes Baptist Services

Special week-day night services conducted at the First Baptist Church by the Rev. E. H. Jennings of Bradenton closed last night with a sermon, "Broken Vows."

The Rev. Jennings will be in charge of special evangelistic services during the Sunday School hour beginning at 10 A. M.—tomorrow and will preach at the 11 A. M. and 7:30 P. M. Church services.

The public is invited to attend.

Peace Negotiations Cover Wide Fronts In American Strikes

Watson Appeals Congress To Get For Cash To Run Baseball Club

President Says Money Necessary Or May Drop From League

Threat of Sanford's withdrawal from the Florida State League, a Class "D" organized baseball circuit, today followed the plea of Henry M. Watson, president of the Sanford Baseball Association, who, together with a group of local fans, seeks donations with which to cover the expenses of the Sanford club during the opening month of the campaign.

"Unless we have \$200 before Apr. 18, the opening date, we're going to forfeit our franchise in the league and withdraw from competition," Watson said yesterday.

"Although Chattanooga has been good enough to act as financially and materially, giving us \$200, our citizens will be forced to pledge an equal amount in order to make up the deficiency we are facing. Late receipts are expected to cover the remaining \$200."

"We are going to have \$200 before Apr. 18, the opening date, we're going to forfeit our franchise in the league and withdraw from competition," Watson said yesterday.

Success Or Failure Of Local Efforts Revealed Monday

The success or failure of Sanford's fight against the Florida Ship Canal will be known Monday, the Associated Press reports today from Washington.

Secretary of War Woodring told capital news reporters that the U. S. Army Engineering Corps report on the proposed waterway will be transmitted to Congress the first business day of next week.

Edward M. Ham, chief of the Army engineers yesterday filed his findings on the canal with Washington. Whatever the report contained was checked to the shipping agency and only officials know.

Delay the project comes to the attention of Congress the Congressional Rivers and Harbors Committee will inspect the data gathered and conclusions drawn by the engineers.

The committee was expected to hold major hearings in Washington by a majority of 100-0 on the canal project.

A special board of five Army engineers convened last fall that the canal was profitable and should be completed. The special board and General Markham must then report to the board for the study which is expected.

The major objection of Sanford and Seminole County to the canal is the canal would be a "canal" that would drain the soil, taking away the fertility. Limestone from the local water supply in the region would be lost to the growers.

The canal project, by uniting the two waterways, would result in a canal that would be a "canal" that would drain the soil, taking away the fertility. Limestone from the local water supply in the region would be lost to the growers.

Ford Officials And Sitdowners Confer But Keep Results Under Dark Cloak

Negotiators in widely separated localities sought peace today in the strike-beset automobile and other industries.

A committee of sitdowners met with Ford Motor Company officials in the Kansas City plant on differences that began late yesterday, but progress was kept secret behind barred gates.

At Wilmington, Delaware, a strike called by the Central Labor Union was cancelled, Mayor Walter W. Bacon announced. It was in protest against failure of owners to end a 10-day truck drivers' walkout, which continued the afternoon.

In Detroit, new conference between Walter P. Chrysler, (Continued on page five)

Scale Les Completed By WPA Workmen At Farmers' Market

WPA workers have completed installation of scales at the State Farmers' Market capable of weighing objects up to 30 tons, W. B. Earle, WPA work director of Seminole County, announced today.

The instrument is the largest of its kind in this section of the State, Mr. Earle said.

Mr. Earle reported workmen at the High School Athletic Field were spreading clay on three new tennis courts, and that three more weeks should complete all grading operations on the new football field.

Each week is being done on the grandstand at the Municipal Athletic Hall Park, workmen being pushed in when the park is not in use.

This week the WPA here employed 170 persons, 73 of which were women.

12 Citizens Approve Beautification Plan For Lakefront Here

A group of 12 Sanford citizens, interested in beautification and work of the City, yesterday expressed enthusiastic approval of the proposed lakefront plan drawn by Herbert Flynn, Water Park landscape architect.

Minutely inspecting the blueprint as prepared by Mr. Flynn, the group looked over details, then launched into a discussion of the types and species of plants and shrubbery to be placed at designated locations as proposed by the architect.

While no definite lakefront adopted by the City Commission, beautification program has been adopted by the City Commission, the governing body of the municipality is having out tentative plans for work "by stages" as finances become available.

Mr. Flynn's plan calls for the project to extend from Sanford Avenue to the Mayfair Hotel, all involved property lying to the north of First Street.

Miss Takach Wins Second Place With Violin At Rollins

Miss Barbara Takach, one of the outstanding musicians in Seminole High School yesterday was awarded a silver medal in class A violin competition in which she placed second at the Rollins College Memorial Festival in Winter Park.

In final performance she played the violin concerto, Beethoven's Sonata, Opus 47, Number 1.

Miss Takach probably will represent Sanford in the State Music Festival to be held in the middle of the month at the University of Florida.

At Winter Park today, high school girls are competing for first honors in the Rollins Festival, although Seminole High School girls entered in the event.

School Boards Will Propose Principals

The Seminole County Board of Public Instruction will meet Wednesday morning at 10 A. M. in Superintendent E. W. Lawton's office to receive recommendations for nomination or reappointment of principals in the County schools.

Mr. Lawton has urged that all district boards have such recommendations ready to submit at that time.

Five-Day Bride Grabs Newsman, Flees Husband

SAN FRANCISCO, Apr. 3.—(AP)—A beautiful New York heiress bride, Mrs. Nan Pierson Brooks Macy Brill, today made a wild 40-mile flight without money or clothes from her husband of five days who had been hiding from her.

Informed of plans to annul her wedding, she jumped into the biggest, fastest auto of her husband's with a newspaper reporter and a photographer, and roared northward from Hollywood to San Francisco, explaining an intention of eluding service of papers.

The trio pooled 80 cents, bought gas but no food. William H. Brill, millionaire sportsman, and his bride met yesterday after he had been hiding five days. His mother, Mrs. Mary Brill, appeared and there was a stormy scene.

Columbus Battles Chattanooga Here Tomorrow

Contest With American Association Team Will Begin At Three O'clock

Lookouts Drop Game To Montreal Royals, 3-1, At Orlando Park

After losing their second contest of the spring training season by dropping a 3-1 decision to Montreal at Orlando yesterday, the Columbus Lookouts were preparing today for the invasion of the Columbus Red Birds of the American Association who battle the Lookouts at the local field tomorrow afternoon at 3 o'clock.

The Canadians scored their two runs in the third inning when Lauri Myllkangas, Royal hurler, tripped to score Kies ahead of him and then tallied himself when Bell singled a few moments later.

The Lookouts scored their lone run in the ninth inning when Hank Fruit crossed the plate after having walked, going to second on a pitcher's choice, advancing to third on a wild pitch and then scoring on a ball.

Two State Loop Clubs To Sanford, Daytona Have Night Ball This Year

Other Six Clubs Will Ann Hope Wins In Semi-Final Trial To Place In Derby

When officials of the Daytona Beach Florida State League entry this week decided against lights for night baseball they made one thing certain—night baseball will be played in but two cities this season—DeLand and Gainesville.

Hailed as the feature which will save the DeLand Reds from a reputation of their 1933 attendance struggle, what is expected to be the most powerful lighting plant in the State is now being installed on Central Field.

The order has been taken and the contract let for the Gainesville enclosure and both it and the one at DeLand are to be rushed to completion in time for opening games.

City Commissioners in each city got behind the night lighting project, and their little club but that if they help attendance at the two spots other club moguls will follow suit.

Before the end of next week, all of the eight clubs enrolled will be off on the training grind leading to opening day games Sunday, Apr. 18.

Slated to start work Monday morning are squads at Daytona, St. Augustine, DeLand and Gainesville. Orlando must wait until the Washington Senators quit Tinker Field, next Thursday night, before it can start its grind, while Leesburg, with Les Meadows wisely pulling the strings, starts on Saturday.

Ann Hope winner of the 1933 derby, last night assured herself of a place in the running of the 1937 Central Florida Derby next Wednesday night at the Longwood track of the Sanford-Orlando Kennel Club as the speedy female won the second semifinal elimination with Dirty Ocean placing and Chance Charlie showing as Ann Faith came in fourth to also win herself a place in the final race.

Sanford, Daytona Lose Track Meet To Orlando Team

Victory is Second For Tigers; Locals Win Four First Places

Inexperienced but fighting hard, the representatives of the Seminole High School at the three-day track and field meet held yesterday afternoon in Orlando placed last night with the Daytona Beach High school team a poor second to the Orlando Tigers.

The Tigers rolled up 81 points in winning their second meet of the season while Daytona accumulated 54 1/2 and Sanford's crew took 33 1/2 points.

Lawson, local 100-yard dash man, won that event in 11:04 and then topped the 200 in 23 seconds. His teammate, Phillipa placed second in that event while Johnny Morgan placed third in the 400 to add to the Sanford quota. Jack Pardon took third in the 200 low hurdles while Dal Yorgensen was fourth in the shot put event.

Hickson took a second in the high jump with Waltis tying for third. Johnny Morgan took the broad jump with a jump of 19 feet 9 3/4 inches while Yorgensen took fourth in the same event.

The Sanford half-mile relay team topped honors in that event in 1:42 1/2 to complete the local school's scoring for the day.

More than 22,000 spectators were present at the meet last night in Nanking.

FLORIDA BOYS ENJOY CAMP

The Florida Forest and Park Service provides a Forestry Training Camp on the Santa Fe River, nine miles north of High Springs, where Florida boys spend two weeks studying forestry practices to be used in the management of the farm woodlands. The award is made each year to the 125 boys, out of 2,000 enrolled in the projects, who perform outstanding work in the forestry programs in 60 vocational agricultural schools and 30 Boy Scout troops in the State. The dining hall pictured above is one of the 22 buildings on the 160-acre forest.

Kelly did the mound work for the Lookouts in the first five innings and held the Royals to two hits during that time, his wildness in the third causing enough damage to lose the ball game. Kelly walked five men in all.

Pittcolas, who relieved Kelly, gave but one hit during the final innings while the Lookouts garnered a total of five from the two Royal pitchers.

The box score of the contest follows:

Farm Home Surveys Show Many Are Old

URBANA, Ill., Apr. 8.—(AP)—A survey of Illinois farm houses, says Prof. W. A. Foster of the University of Illinois, shows 90,000 of the 231,000 in this state were built before 1885 and only 54,000 were erected since 1912.

Prof. Foster found 185,000 of these farm dwellings using kerosene lamps and without piped water or sanitary fixtures. Only 18,000 have modern sewer or telephone connections.

Prof. Foster says many of the surveys houses, "built when materials were good and plentiful and craftsmen were skilled," are still in better condition than some houses built in recent years.

Professor Predicts Dreadnaught Planes

ANN ARBOR, Mich., Apr. 8.—(AP)—Milton J. Thompson, University of Michigan aeronautical engineer, says the airplane of the near future will be a dreadnaught capable of 300 miles an hour, rather than the flyer type which can be set down on a dime.

The trend, which Prof. Thompson attributed to rapid development of the modern air transport, will open a new vocational field, he says, since each of the big planes will require a crew and, like an ocean liner, must be in charge of a competent officer, especially trained for his duties.

Prof. Thompson says the 300-mile speed would be faster than any present plane can now travel, and because it is becoming increasingly difficult to develop faster pursuit ships because of their relatively small size, he predicts bombing raids in future wars will be conducted by anti-aircraft batteries on the ground.

Caught in Mexico

Alexander Pompey (above), a native of Key West, Fla., was arrested in Mexico City and held for extradition by New York authorities regarding Hamilton's airplane "bombing" racket. Check Bird Habits In Northern States

MAQUETTE, Mich., Apr. 8.—(AP)—Michigan, Wisconsin and several other north central states plan to keep a check on migratory habits of grouse by giving them colored tail feathers.

In Michigan green, pink and white feathers will be inserted in the tails of birds caught by live trapping. The different colors will designate the districts from which the birds originate. Hunters are expected to report to authorities the colors carried by bird shot or seen.

Crosby, Burns, Raye, In 'Waikiki Wedding' Sunday

Radio Artists Provide Comedy And Songs In Feature Show

Bing Crosby, Bob Burns and Marjorie Raye, the trio who made "Rhythm on the Range" one of last year's outstanding comedies with music, are together again in "Waikiki Wedding," a gay comedy of love and music under tropical skies which opens tomorrow at the Ritz Theater.

Beautiful Shirley Ross, who won with Bob and Marjorie in "The Broadway Melody of 1937," carries the feminine romantic lead of the comedy. The cast also includes George Barbier, Lief Erikson, M. J. Rei, the Tahitian dancer who was the sensation of the Ziegfeld Follies recently; Evelyn and Nelson De Grey, native Hawaiian dancing team, and over two hundred native dancers, musicians and other performers.

"Waikiki Wedding" is the story of a press agent, played by Crosby, whose job it is to keep Miss Ross thrilled with the glamour of Hawaii. He does a thorough job of it falling in love with her in the process and it is when he is forced to extricate himself from an entirely synthetic Hawaii that he had created that some of the comedy high spots are reached.

Bob Burns and Marjorie Raye also have a romance very much like the one they had in "Rhythm on the Range," and Miss Raye sings a number of "swing" songs in the manner which has lifted her from obscurity to fame in less than eight months.

"Clarence" Comedy At Ritz Theater On Tuesday Only

There's an old saying about home being the abode of love. But there can be such a thing as too much love—and "Clarence," the latest comedy of family life by Booth Tarkington which shows Tuesday at the Ritz Theater proves it.

Almost everybody in the Wheeler family, whose concerns are chronicled in "Clarence," is in love—with the wrong person—and as a result Eugene Pallette, the father of the madcap family,

"North Of Nome" Scheduled To Be Shown Saturday

Alaska is coming in for its share of popularity next Saturday at the Ritz Theater, where Columbia's "North of Nome" will play. Jack Holt, hardy veteran of many a gun fight and much fist-cuffing, plays the stellar role, while Evelyn Verable is his leading lady.

The film deals with the activities of one John Raglan, stalwart peacher, who is being sorely troubled by a hijacking thug named Haaga.

A shipwreck in the vicinity enables Raglan to show his heroism, and he rescues Judge Brille, a director in the company that controls the island; his niece, Camilla; and her wealthy suitor, Dawson, among others. Brille, despite the fact that Raglan has saved his life, is incensed at the man's approaching activities.

Raglan henceforth attempts to protect himself by holding the party communitarian on the island. During the adventurous time that follows, a romance springs up between Raglan and Camilla. Dawson, desperately trying to leave the island, signals to a passing boat.

In an exciting finish, however, Raglan fights the hijacker and wins freedom for the group.

is slowly going nuts.

His daughter, lovely Eleanore Whitney, is in love with a fat, bald-headed fortune hunter. His son, Johnny Downs, is in love with his sister's companion, Charlotte Winters, who is old enough to be—well, his big sister.

Th, butler is in love with the maid, but he thinks Johnny is also in love with her, and Spring Ryeington, Pallette's wife, is convinced that her husband is in love with Winters.

Into this scene comes Roscoe Karns as "Clarence" and everybody falls in love with him! And he falls in love, too, in a way which works out the scrambled affairs of all connected to everybody's satisfaction and keeps Pallette from going to the big house.

ALL IN FUN

The coz little miss is Marjorie Raye and the jolly tar is Bing Crosby, two of the funmakers in "Waikiki Wedding," the gay romance with music which opens on Sunday at the Ritz Theater. Bob Burns, Shirley Ross, a pig named "Wafford," and some two hundred and fifty dancing girls are also in the cast.

"Time Out For Romance" Shows Here Two Days

Hilarity and adventure run riot on the highways in "Time Out for Romance," the thrillingly amusing Twentieth Century-Fox production which shows Wednesday and Thursday at the Ritz Theater, with Claire Trevor and Michael Whalen having new fun in romantic comedy as a renegade bride and a highway Romeo involved with a cross-country auto caravan.

As the daughter of a millionaire sportsman, Claire Trevor feels home when she learns from her father that the titled foreigner she has just wed had secured a half-million-dollar settlement through her socially ambitious mother. Hoping to meet her father in California, Claire starts hitchhiking across the continent.

At the approach of a caravan of cars, being driven from the factory to the Pacific Coast, the weary ride-humber feigns collapse, and one of the drivers, Michael Whalen, takes her aboard his car, although he knows that it means the loss of his job if she is discovered.

With police on the trail both of the missing heiress and of stolen diamonds which have been hidden in Michael's car, complications ensue thick and fast, with Michael and Claire each suspecting the other. A whirlwind flight from the police serves to reveal the real thief, and brings the couple together in the realization that it's time they both took time out for romance.

EX-CHAPLIN DIRECTS

"Murder Goes to College," a breezy story with Lynne Overman and Roscoe Karns, coming to the Ritz Theater on Tuesday was directed by Charles "Chuck" Riener, who was once Charlie Chaplin's co-director and author. Larry Crabbe, Marjorie Hunt and Harvey Stephens also are in the cast of this comedy of the police racket, the underworld and college professors.

The common fly has a heart and complete circulatory system.

The kumquat, small citrus fruit, is highly prized in China.

COMES BACK HERE

The amazing versatility and talent of diminutive but dynamic "Ginger" Jane Withers was never so apparent as in the musical laugh riot, "Can This Be Dixie," which returns to the Ritz screen next Friday.

NOT IN BOOK

Army regulations fail to provide for emergencies like this, Roscoe Karns explains when it happens in "Clarence," movie adaptation of Booth Tarkington's famous comedy, at the Ritz Theater Tuesday. Eleanore Whitney's the girl.

Frank Tuttle, who directed the musical success "College Holiday," was in charge of the megaphone work of "Waikiki Wedding," a gay comedy of love and music under tropical skies, with Bing Crosby, Bob Burns, Marjorie Raye and Shirley Ross, which opens Sunday at the Ritz Theater.

Overman, Karns Comedy Team In College Mystery

Lynne Overman and Roscoe Karns, popular screen funny men, are teamed as a comedy pair in "Murder Goes To College," a brisk, light-hearted mystery comedy which shows on Friday at the Ritz Theater.

Cracked-voiced Overman is the detective in the new film, and Karns, the man who made the polka-dotted bow-tie famous, is a crackpot newspaper man who helps him. Both are after the murderer of a college professor who mixed mathematics with the polky racket. Overman gets his man and Karns gets the girl—beautiful Marjorie Hunt.

"Murder Goes To College" was directed by Charles "Chuck" Riener, at one time co-director and author for Charlie Chaplin. The cast also includes Larry Crabbe, Astrid Allwyn, Harvey Stephens and Anthony Pace.

Comedy, Action Heads Latest Joe E. Brown Film

Side-splitting comedy situations, thrilling adventures and a swift succession of hilarious incidents feature "When's Your Birthday?" Joe E. Brown's new laughing success which shows at the Ritz Wed. and Thursday.

First seen as a young man following a highly unsuccessful pugilistic career in order to pay for a course in astrology, and collecting black eyes with monotonous regularity, Brown finally secures a job as a soothsayer in a Midway concession, and thenceforth leads such a hectic existence that his disastrous ring career seems mild by comparison. The climax is one long roar of laughter. This David L. Loew production for RKO Radio was directed by Harry Beaumont, and Brown's supporting cast includes Marian Marsh, Fred Keating, Mimi Watson and Edgar Kennedy.

The bureau of chemistry of the department of agriculture has developed a new process for making calcium gluconate, used for treating many diseases, resulting from calcium deficiency, at a cost of less than 25 cents a pound.

EDITOR 'COVERS' OWN SLAYING—WIFE IS NURSE

Here are the three principal figures in a strange newspaper feud, a faithful editor who "covered" his own slaying, and a nurse who was assigned to care for her dying husband. A coroner's jury blamed Harry French (left), state employe and son of a rival publisher, with the slaying of Claude L. McCracken (right), Alturas, Calif., editor and correspondent for the Associated Press. On duty as a special nurse, Mrs. McCracken (center) was assigned to care for her husband as he lay dying from five bullet wounds in a hospital. McCracken's last act was to dictate a story of the shooting. (Associated Press Photos)
