## Good Samaritans help cops thwart purse snatching

By **RUSS WHITE**  
Herald Staff Writer

The response time was five minutes. That's all it took for three angry citizens and a couple of Sanford Police officers to apprehend a suspected purse snatcher on Monday morning.

Police say Henry Mitchell, 14, knocked down and injured 80-year-old Willie Sharp and stole her purse outside Big Lots at West End Galleria.

He didn't get far as he was chased and captured by the owner and two employees from Tire City at 2921 Orlando Ave.

"It's nice to do something," said 35-year-old John Sellers, who has owned and operated the Sanford tire store for nine years. "I'm tired of crime like this. This guy picked the wrong place to do what he did."

Margaret Clevenger, the receptionist at Tire City, was walking toward the mail box when she heard the commotion just before 10 a.m. Monday. She ran back to the store, calling for help.

Sellers, assistant manager Bruce Sellers (31) and mechanic Douglas Atkinson (25) got into two pickup trucks and chased down the suspect, who crossed U.S. Highway 17-92 and ran into a wooded area beyond the old Zayre's.

# Clamoring for water

## Residents ask why some get reclaimed water, others don't

By **MARIA OREM**  
Herald Staff Writer

Sanford residents in the Groveview Village subdivision want to know why they can't get

access to reclaimed water, a resource the city has in abundance.

At the city commission meeting Monday, Nancy Kennedy, chairman of the Groveview Village Neighborhood Watch, asked why reclaimed water lines were being installed

through and around the subdivision, but not to homeowners desiring the service.

Kennedy also questioned the city's earlier decision to provide water to the county and Lake Mary. She referred to Sanford's joint See Water, Page 5A

## County's call: Can adult club serve booze?

By **RUSS WHITE**  
Herald Staff Writer

House of Babes in unincorporated Seminole County will find out today if the Seminole County Board of Commissioners will approve its latest bid to sell alcoholic beverages (beer and wine).

It would be a step toward the establishment getting a license from the State of Florida Department of Alcohol and Tobacco.

County Planning and Development staff has withdrawn its opposition to the granting of a special exception and is not going to oppose the granting of an appeal to overturn a decision by the Board of Adjustment.

Whether the commissioners agree will be based on advice from the county's legal staff rather than that of the planning and development.

Lt. Sammy Gibson from the Seminole County Sheriff's Office assigned to the City County Investigative Bureau, says that the Sheriff Don Eslinger "adamantly opposes" the special exception. The county may have no other choice but to allow the House Of Babes to apply for a state license.

Gibson said the sheriff's office would give its background check to the state. Previous management at the House of Babes had a license

See Babes, Page 5A

## Well-traveled champs

Bill White of the Sanford Post 53 American Legion was one of many guests who attended a victory party Sunday for the national champion Post 53 baseball team. Seminole's Chris Louwsma, who hit the game-winning home run in the championship game sets down the title trophy. The team recently got back to Game 2 of the World Series where it was honored on the field prior to the game. Coach Rod Ferguson presented the Baseball Hall of Fame with a uniform which will be displayed at the museum in Cooperstown, N.Y. for the next year. The team was comprised of players from Lake Mary, Seminole and Oviedo high schools.

## City manager eager to talk to cop committee

By **RUSS WHITE**  
Herald Staff Writer

He's waited, he's observed and he's ready to share his opinions about the Sanford Police Department with the city's Law Enforcement Options Committee when it meets at 5 p.m. today.

Yes, Sanford City Manager Bill Simmons believes he soon should to be the go-to man for the police and fire chiefs.

He will say so to the Law Enforcement Options Committee today, and recommend there be a referendum to change the city charter as soon as possible after the coming Thanksgiving, Christmas and New Year's holidays.

"Changing the charter is the appropriate and preferable procedure," said Simmons, who has been the city's manager for nearly seven years following 5 1/2 as city engineer.

"I am not aware of any other city that splits the responsibilities the way we have - having the police and fire chiefs report to five bosses (the city commissioners) rather than to the city manager."

"The manager system is preferable because it is quicker and more efficient. These are fast-moving, highly volatile agencies of public service. Other departments have hours, days and weeks to address issues. The police and fire

departments have precious few minutes."

A 1958 Naval Academy graduate who retired as a Commander with 22 years of Naval duty, Simmons also has a Bachelor of Engineering Degree from RPI and a Masters of Civil Engineering from Stanford. He's 61 years old and well aware of chain-of-command procedures and properties.

Simmons said Monday that he See Simmons, Page 5A

## Homecoming Week in full swing at Lake Mary High

By **MARIA OREM**  
Herald Staff Writer

A host of events is planned at Lake Mary High School during Homecoming Week including daily themes, a parade, a bonfire, wacky activities, a dance and football.

On Monday students dressed up for Tacky Tourist Day and participated in a wall decorating contest. During lunch there was a choir performance and appreciations were held throughout the day.

Today students will don country and western clothes for Cowboy Day. A hip sync competition sponsored by the Spanish Club will be held during lunch in the multi-purpose room.

Wednesday is Mismatch Day for students, who will also participate in a banana eating contest at lunch. After school, the Homecoming Parade will begin at 3:30 p.m. and proceed down Greenway Boulevard.

Florts, designed and built by students will be displayed and later judged for creativity and

## Deputy arrested on DUI charge will retire

By **DAVID FRAZIER**  
Herald Staff Writer

A 28-year veteran of the Seminole County Sheriff's Office was arrested by the Florida Highway Patrol early Sunday morning on DUI charges. James Leroy "Roy" Hughey was arrested on State Road 46 at approximately 3:37 a.m.

Hughey, 50, ran his 93 Ford four door patrol car off the road over the north shoulder as he was traveling eastbound on State Road 46.

According to the police report, Hughey traveled on the shoulder for approximately 75 yards until he came back onto the roadway.

Hughey then was traveling in both traffic lanes until his car went

off the road again over the south shoulder of 46. The report said that he lost control spinning counter clockwise in the grass and then striking several trees until it came to a stop facing north. The arresting officer observed Hughey as having "bloodshot and glazed" eyes, slurred speech, poor balance and a strong odor of alcohol. He also failed several roadside tests

and refused to take a breath test.

In the years that Hughey has served with the sheriff's office, he has played an integral part in the inception of the S.W.A.T. team and has been serving as director of neighborhood policing.

Hughey has recently announced his resignation with the department and should retire some time in January.

**Today: Mostly sunny and cooler. Highs in the low-70s. Lows in the low-50s.**

# Water

Continued from Page 1A

agreement where Sanford would share in the cost of installing water lines in conjunction with upcoming road projects for Lake Mary Boulevard. Under the agreement, Sanford made an initial payment to Lake Mary and will also share in expenses to maintain the water lines.

"How can we give this stuff away and not have it go through to us," Kennedy said. "Why is this being freely given to outsiders and not to us?"

division said the water lines were so close to his house that he could dig a ditch and connect the line himself. He also said the city did not make a strong enough effort to get residents of Groveview connected to the water lines.

This is a matter of cost. We can't do this for 12 houses," said Commissioner Whitey Eckstein.

Reclaimed water is used only for irrigation and is not suitable for drinking. Eligible sites must have an underground sprinkler system. Sanford pro-

vides reclaimed water through its waste water treatment plant near Lake Monroe, to City Hall, portions of Seminole Community College, the cemetery, the golf course, major parks, and some residential neighborhoods.

The water line runs from the plant, loops around Sanford, to Springview Drive in Groveview to Lake Mary Boulevard to the new Seminole Community College access road.

"It was never our intent to get reclaimed water to all Sanford residents," said Paul Moore, director of utilities for the city. "We try to provide the service where it is most cost effective."

Moore said of the 350 lots in the Groveview subdivision, 130 have pipes and water meters. Of those, he added, only four are hooked up. There are currently 23 residents there desiring the service on the city's list. The 130 homeowners received letters from the city explaining the program, which has been made available only in the past few months, he said.

The program was instituted in Sanford in response to Environmental Protection Agency requirements. The city had to find properties for the excess water of Lake Monroe. Moore said. When the reclaimed water program was funded to residents in 1988-89, the city got its best response from the Kaywood subdivision, which is about 100 percent on reclaimed water. Today, it is about 50 percent on.

The city has about 500 people hooked up. In addition, Moore said, any new developments are required to have reclaimed water lines built into the system at the expense of the developer. Such lines exist at the Pamela Oaks and Country Club subdivisions off U.S. 17.

Moore said he hopes to extend water lines to the remainder of the homes in Groveview within the next few years through a grant which the city has already applied for. His ballpark estimate for connecting the about 100 properties is about \$300,000.

# Simmons

Continued from Page 1A

expects the city of Sanford will respond to a new referendum that would enable the manager to be in charge of the police and fire departments. "Much has changed since a year ago when there was not as much awareness in the community," he said.

"I'm going to urge the committee to move as quickly as possible to bring the issue to a vote," he said. "This is something that can be moved on before other decisions are made. Something that gets to the very root of the problem."

In essence, Simmons has already been a chief administrator for the police and fire departments in the personnel, insurance and related matters. When Ralph Russell decided to resign as police chief in May 1996 (effective Jan. 3, 1997), his notification was addressed to Bill Simmons.

The city manager is not overwhelmed by the added responsibilities of dealing in all police and fire issues. It is possible that an assistant city manager be appointed in the future if there was need and the proper resources. There is such a position in the city charter but has not been filled for a good many years.

Simmons does not believe that establishing a position of Public Safety Director is a viable plan, either. Few if any candidates for this position would have expert knowledge in both police and fire agency work," he said.

The \$53,000 the new commission approved to conduct the study of the SPD was "money well spent," Simmons said. "We'll still have the basic status quo if this study didn't get things moving," he said. "We're moving in the right direction. There's dialogue and high-level cooperation."

The recent plans for a SPD/Sheriff's Office partnership in the Lockhart/Goldstone section of the city please Simmons, who believes Sanford must explore all opportunities to use resources from the sheriff's office.

"There's been emphasis on Option A and Option B - the all or nothing options," he said. "I'd certainly advise the options committee to explore the best it can how Option B could be utilized."

Simmons said that he expects SPD Chief Joe Dillard to continue to initiate significant changes that will help the department operate at its maximum potential. "We're seeing

positive change now," he said. The city manager is confident desirable changes within the city's fire department. Two of the three stations being out dated and a new ladder truck (cost \$500,000) needed soon. The old truck, a 1983 model, is in need of costly and tricky repairs.

The law enforcement committee's fifth weekly session not only includes the first in put from Simmons, but includes an interview process with Mayor Larry Dale.

Next Tuesday, Sheriff Don Estimer will talk to the committee, whose recommendations will go to the City Commissioners.

Bill Simmons, for one, says he is encouraged by the diligent work by the committee. He is a key figure in the newest chapter of the mission. Today's his day to shed new insights. The public is welcome to attend but there will be no public input at this meeting.

Universal Studios Horror Nights VII: Frightmares

# Halloween at the theme parks

BY DAVID FRAZIER  
Herald Staff Writer

Ghost luck trying to survive this week at the area attractions. Unsettling images and horrible nightmares are giving attraction goers goosebumps. Here is a slice of what some area attractions are serving up.

In addition to the new **Goosebumps HorrorLand** attraction based on the R. L. Stine children's books at Disney-MGM Studios, **Mickey Mouse** and the gang will celebrate a fright-free Halloween on two nights this year at **"Mickey's Not So Scary Halloween Party"**, which is a new Disney autumn tradition.

From 7 p.m. to midnight, Oct. 30 and 31 the **Magic Kingdom** will be transformed into a spooky haven for trick-or-treating, specially designed Halloween fireworks, and a potpourri of popular Disney characters who will appear in an all-new "Mickey's Not So Scary Halloween Parade."

Children will be encouraged to model their own costumes alongside Disney characters in the "Boo to You!" kids costume parade that passes through Frontierland, Fantasyland and Tomorrowland several times nightly. Characters will meet and greet guests at the end of each parade, and throughout the evening at designated locations throughout the park.

Young guests will have the opportunity to make their own masks and help Disney cast members decorate for the Mickey and Minnie's Halloween Barn party by creating ornaments and decorations in Fantasyland. Mickey's Not So Scary Halloween Party tickets are \$18.50 in advance and \$20 at the gate on the day of the event, if available. Tickets can be purchased in advance by calling (407) W-DISNEY or

ticketmaster, or by visiting select Central Florida locations of the Disney Store.

**Halloween Horror Nights VII** Frightmares continues tonight thru the 31 and November 1 at Universal Studios Florida. Florida residents pay \$24.75 in advance at Ticketmaster with a Pepsi 2 liter label or a coupon from Taco Bell. Weekdays is 7 p.m. to 12 a.m. and Fridays and Saturdays the event will be from 7 p.m. to 2 a.m.

And if you're not willing to travel to the theme parks, depart to the scariest street party at Terror on Church Street in downtown Orlando. From 6 p.m. until 2 a.m. on Friday, Oct. 31 and Saturday, Nov. 1, a deadly dozen of ghastly ghouls will be unleashed from the Terror dungeon to ravage the streets of Orlando. Terror players will terrorize the evening's rituals and set the stage for a Wake the Dead Scram Contest, where the best blood-curdling scream wins a \$50 first prize. Orlando's deadliest display will spin a selection of macabre music by such groups as **10,000 Maniacs**, the **Smashing Pumpkins** and the **Beastie Boys**. The **Wicked Warlock** will fire up the cast iron cauldron to boil a batch of ready-to-kill hot dogs, and creatures of the night will pose for a bloody portrait with their latest victims.

Admission for the party and attraction, if you date, is \$13.75 per body. Beat the deadline by purchasing tickets in advance at Terror on Church Street during box office hours.

And the themed restaurant Planet Hollywood will feature **Hunted Hollywood**, all month long for diners. You can enter to win prizes like a life-size Terminator, and you can watch clips from old and recent horror movies while enjoying the Planet's cuisine.

ticketmaster, or by visiting select Central Florida locations of the Disney Store.

# Babes

Continued from Page 1A

but lost it because of infractions.

The CCB is a county-wide drug and vice task force responsible for the violations as well as adult entertainment and vice violations. He said that in the 17 years he has been with the Sheriff's Office, there have been hundreds of arrests at the House of Babes for violation of state laws and county ordinances.

He said that in 1996, CCB made 74 arrests at House of Babes, of which 38 dealt with entertainers and 36 arrests were of customers. He said that of the 74 arrests, all of the individuals pled no contest in county court. They were sentenced to court costs and \$100 fines.

Nine of the entertainers were arrested on two or more occasions and returned their employment in the establishment to continue the unlawful activity, Gibson said.

Because of the past violations and arrests and the flagrant disregard for serving beer without a license, serving beer to a minor and the sale of a T-shirt which depicts masked CCB agents, arresting a dancer, the sheriff's office was opposing to the House of Babes getting a license to sell alcoholic beverages.

# Homecoming

Continued from Page 1A

originally said student Brad Abell, an activities coordinator at Lake Mary.

Abell said following the parade, there will be the Sem-down Homecoming in the Don T. Reynolds Stadium where students participate in wacky competitions. A feature featuring the Pop Band will end the night's activities.

Student will travel into the past for 80s Day on Thursday. At lunch time there will be a performance by the cheerleaders and pep boys.

Friday is School Spirit Day, where students are encouraged to wear the school colors of red and black to show their support of the Rams. The homecoming court ceremony will begin Friday at 7 p.m. where the king and queen will be

named. At 7:30 p.m. the varsity football teams of Lake Mary and Jacksonville Ed White High School will play at the Don T. Reynolds Stadium.

The theme for the Homecoming Dance to be held on Saturday from 8 p.m. to midnight will be "One Enchanted Evening." Dress is semi-formal. Cost is \$12 in advance and \$15 at the door.

# Snatch

Continued from Page 1A

Plaza. The three men caught Mitchell, wrestled him to the ground and John Sellers held him until officers Kevin Moss and Andy Callazo arrived.

The episode was over in five minutes according to SPD Information Officer Tom Skiba, who said the department would like to initiate a recognition for the three men who aided the capture of the purse snatcher.

Mrs. Snipe, Skiba said, suffered head and facial injuries and had to be taken to Columbia Medical Center Sanford. Her granddaughter, Tiffany Gray (9) was with her but not injured.

Mitchell was charged with robbery, aggravated battery to the elderly and possession of marijuana.

He was trying hard to get loose to dump the stuff, John Sellers said. "I wasn't about to let him

# OBITUARIES

## O. KENNETH ANDERSON

O. Kenneth Anderson, 83, West Airport Boulevard, died Saturday, Oct. 25, 1997. Born in Woodbury, N.J., he moved to Central Florida in 1991. Mr. Anderson was a retired owner operator of a men's store in Putman, N.J. He was a veteran of the U.S. Army during World War II and a Presbyterian.

Survivors include wife, Alice Jean; sons, G. Kenneth Jr., Coral Springs, Alan New Orleans; step-daughters, Sara Van Stone, Lawrenceville, Ga., Karen Slade, Sanford.

Beacon's National Cremation Society, Winter Park, in charge of arrangements.

## WILLIE M. GRAHAM

Willie M. Graham, 55, West Street, Eatonville, died Wednesday, Oct. 22, 1997. Mr. Graham was born in Tusculum, Tenn. He was the manager of a night club and a Baptist.

Survivors include daughters, Sonia Hooker, New York, Lisa Graham, Eatonville; sons, Anthony, Winter Park, Kemy McKnight, Eatonville; parents, John and Rosie, Maitland; sis-

ters, Erma Smith, Maitland, Carolyn Lowe, Orlando, Betty Bailey, Altamonte Springs, Johnnie Morgan, Maitland; 11 grandchildren.

Golden's Funeral Home, Winter Park, in charge of arrangements.

## DOLORES M. HARMAN

Dolores M. Harman, 77, Briarwood Drive, Winter Springs, died Sunday, Oct. 26, 1997, at Florida Hospital Orlando. Born Nov. 16, 1919, in East St. Louis, Ill. she moved to Central Florida from Lighthouse Point, Fla. in 1975. Mrs. Harman was a homemaker. She was a member of the Prairie Lake Baptist Church, Fern Park.

Survivors include husband, Dewey E.; sons, Jim, Altamonte Springs, Dave, Winter Springs; daughter, Beth Dome, Palm Harbor; four grandchildren.

Gaines Carey Hand Funeral Home, Longwood, in charge of arrangements.

## MAUDE T. OURSLER

Maude T. Oursler, 96, Massachusetts Avenue, DeLand, died Monday, Oct. 27, 1997,

in DeLand. Born in Clayborn County, Miss., she moved to Central Florida from Sreubenville, Ohio in 1966. Mrs. Oursler was a school teacher in Jefferson County, Miss. She was a Methodist.

## NOTICE OF PUBLIC HEARING NOTICE OF A PROPOSED CHANGE TO A PREVIOUSLY APPROVED DEVELOPMENT OF REGIONAL IMPACT (DRI) LAKE FOREST DRI

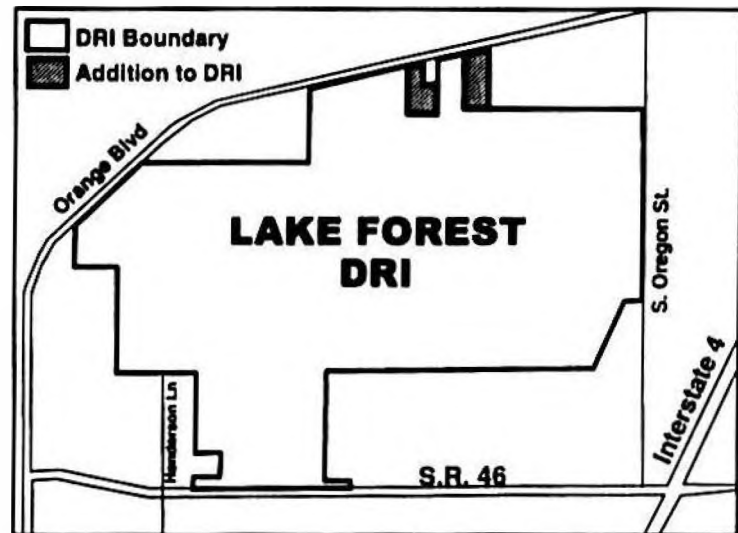

On November 25, 1997, the Seminole County Board of County Commissioners (the "Board") will conduct a public hearing in the County Services Building, 1101 East First Street, Sanford, FL, Room 102B (Board Chambers) beginning at 1:30 P.M., or as soon thereafter as possible.

**Purpose of Public Hearing:** The purpose of the hearing is to receive public input, and input from any local government or other agency, on a Development of Regional Impact (DRI) Substantial Deviation Determination for the Lake Forest DRI. The Board will determine if the applicant's requested changes (see Request below) in the notice of proposed change constitute a substantial deviation to the DRI development order.

**Applicant:** Orlando Lake Forest Joint Venture.

**Request:** The applicant is requesting to amend the existing DRI development order for the Lake Forest DRI project to create a First Amended and Restated Development Order. The proposed Development Order will: (1) add an additional nine acres (approximately) to the project (see map below); (2) extend the buildout date for Phase I and Phase II from 1997 to 2000 and from 1999 to 2002 respectively; (3) delete those conditions that are more appropriate in a planned unit development developers commitment agreement, and (4) other miscellaneous amendments and clarifications to the text of the Development Order.

**Location of Project:** North side of SR 46, just west of the I-4/SR 46 Interchange, containing approximately 538 acres (see map below) (BCC District 5).

Citizens are encouraged to appear at this hearing and present input regarding the notice of proposed change in accordance with the procedures used by the Board, or submit timely comments to the Comprehensive Planning Division, 1101 East First Street, Sanford, FL 32771, telephone (407) 321-1130, extension 7371; FAX (407) 324-4818.

This hearing may be continued from time to time as found necessary by the Board. Additional information regarding the proposal and any comments received, are available for public review at the address above, Room 3167, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, excluding holidays. Persons with disabilities needing assistance to participate in any of these proceedings should contact the Human Resources Department ADA Coordinator 48 hours in advance of the meeting at (407) 321-1130, extension 7941. Persons are advised that if they decide to appeal any decisions made at this hearing, they will need a record of the proceedings, and for such purpose they may need to ensure a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is based (Florida Statutes, Section 286.0105).

*Herald Sports Editor*

## Come on Sanford, it's time to honor our own

SANFORD — Maybe we consider ourselves to big time, but why don't we honor the accomplishments of our local heroes?

In almost any small or medium sized community, you see signs posted at the City Limits that say, The Home of...

We have at least two entities that are deserving of such recognition...Tim Raines and the 1997 Sanford Post 53 American Legion team.

If you go into Lake Wales you will see Pat Borders' name on their City Limit signs. As some will remember, Borders was the catcher on the Toronto Blue Jays' teams that won the back-to-back World Series titles and was the back-up for the Cleveland Indians this year.

Borders is a Lake Wales High School grad and I guess the city saw fit to honor him.

New Smyrna Beach honors a High School Dance Team that won a National Championship.

It would be nice to see Tim so honored because he has been a star for so long and he has never forgotten Sanford.

And as far as the Post 53 team goes, its championship is of world-wide acclaim and the team even has one of its uniforms in the Baseball Hall of Fame.

And I also have not heard where our City or County commission's have honored the team. They honored the Lake Mary and Oviedo basketball team's for just getting to the state tournament and we even bent over backwards to acknowledge that Jackie Robinson played here.

While there is nothing wrong with honoring the great name of Jackie Robinson, and I greatly admire the Mayor and Commission for doing so, let's not forget our local heroes.

Was anybody surprised that Edgar Renteria drove in the World Series winning run for the Florida Marlins in the game seven the  
*See Dean, Page 2B*

## An upsetting morning Flag championships still up for grabs after unusual day

**From Staff Reports**

SANFORD — It took overtime to decide the Seniors champion, but the other two divisions are very much up for grabs after action in the Sanford Recreation Department Fall Flag Football League at Sanford Middle School on Saturday.

After battling to a 14-14 tie in regulation, that saw no scoring in the second half, the 49ers and Bears went to an 18-minute overtime period.

For 17 minutes there was no scoring and things still looked bleak as the 49ers faced a fourth down and long. The 49ers were able to keep a drive alive as Vernon Taylor made a great catch on a throw by David Beehner for 23 yards.

Then with only six-seconds left on the clock, Curk Scott hauled in an 18-yard touchdown throw from Lazarus Mitchell to claim the victory.

But everything else is as clear as mud.

In the Minors, the top two teams were both upset to set up a playoff for the championship. The Bengals edged the Golden Knights 21-20 and the Rattlers won their first game of the season with a 12-8 victory over the Bulldogs.

The Majors also saw a huge upset as the Dolphins handed the Cowboys their first loss of the season 12-7. That decision, coupled with the Falcons' 7-6 triumph over the Bears, all but assured a playoff unless their is an upset on the final weekend.

In other games on Saturday, the Jaguars won their first game in the Majors with a 27-6 victory over the winless Bears and the Cowboys topped the Colts 20-6 in Senior play.

In results from October 18th:

Minors — the Golden Knights trimmed the Rattlers 14-6 and the Bulldogs swamped the Bengals 24-0.

Majors — the Cowboys edged the Falcons 8-6; the 49ers blanked the Bears 18-0; and the

Steelers nipped the Jaguars 14-12.

Seniors — the Bears whitewashed the Colts 28-0 and the 49ers took down the Cowboys 20-8.

In games this Saturday at the field across from Sanford Middle School, the Golden Knights and Bulldogs will meet for the Minors Division championship at 9 a.m., and the Rattlers will take on the Bengals at 10:15 a.m. in a make-up game from September 20 and, in the Majors, the Steelers play the Dolphins at 11:30 a.m.; the Falcons take on the Bears at 12:45 p.m.; the Cowboys face the Jaguars at 2 p.m.; and the 49ers have completed their regular season schedule.

If the Cowboys and Falcons both win, they would meet in a championship game on November 8th. If the Cowboys and Falcons both lose, there would be a three-way tie between the Cowboys, Falcons and 49ers. Or if either the Cowboys or Falcons lose, the other would win the title.

## Girls' volleyball districts begin tonight

**By DEAN SMITH**  
*Herald Sports Editor*

SANFORD — The Seminole High School girls' volleyball team will get the first opportunity to the Fall Tournament season started tonight when it hosts the Class 5A-District 5 Tournament at Bill Fleming Memorial Gymnasium.

The Fighting Seminoles of head coach Beth Corso, who advanced to the Regionals last year, have been slow to come around in what has been a rebuilding year. The Tribe has won just six of 21 matches this season, but most have come in the last two weeks.

This evening at Bill Fleming, Deltona takes on Mainland at 5 p.m. and Seminole hosts Deltona-Pine Ridge at 7 p.m.

The winners of those two matches will advance to Wednesday's semifinals with  
*See Districts, Page 2B*

*Herald Photo by Denise E. Moore*

The Lake Mary girls will be the top-seeded team, and hosts, for the Class 5A-District 3 Tournament that will be played on Wednesday and Thursday.

## Majesty outlasts Flames

**From Staff Reports**

SANFORD — It was a game for the annals.

The two teams that have dominated the Sanford Recreation Department Church Slowpitch Softball League for the past several years hooked up in a memorable match on Saturday at Chase Park.

In the end, undefeated Majesty from Trinity Assembly of God Church in Deltona scored a run with one out in the bottom of the seventh inning to survive a scare from the Flames from First United Methodist Church in Sanford, 10-9, to all but clinch the regular-season championship.

The Flames took a 1-0 lead in the top of the second inning on consecutive two-out singles by Chris Storms, Robert Jones and Donnie Hinson.

But Majesty answered back with two runs in each of the second and third innings. Singles by Ike Mendoza and winning pitcher Steve Jarrett, an error and a sacrifice fly by Jeff Pandoff accounted for the second inning runs, while Mendoza's two-out single scored Toody Rosas and Smokie Slabodnik in the third inning.

Now it was the Flames' turn to rally. RBI singles by Storms, Hinson

## Magic obtain Mark Price

**Special to the Herald**

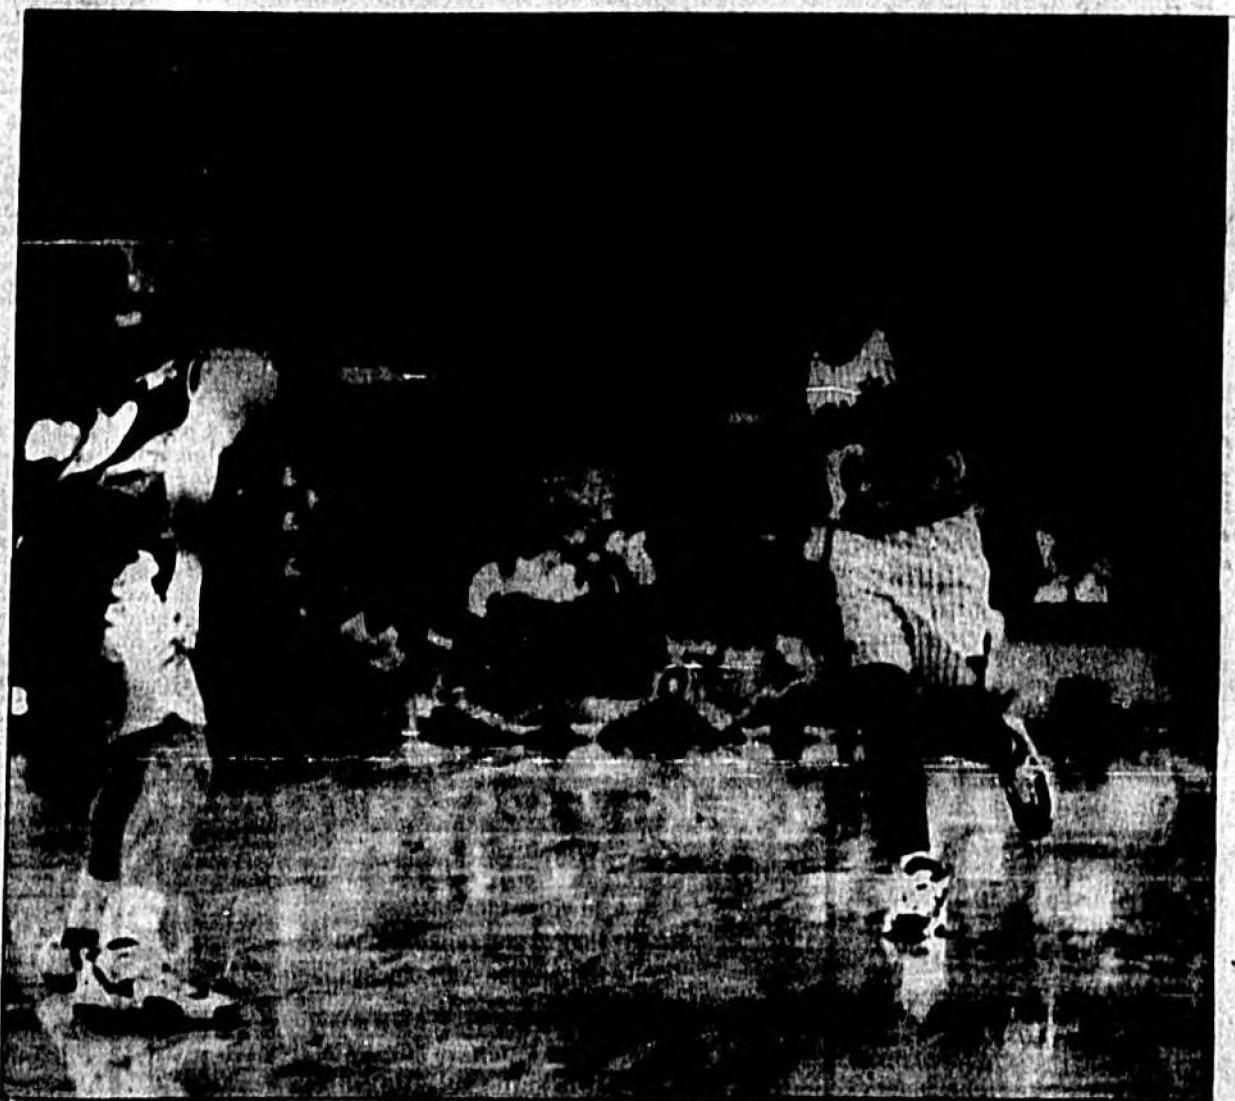

ORLANDO — Orlando Magic General Manager John Gabriel announced today that the Magic have obtained 11-year veteran guard Mark Price from the Golden State Warriors in exchange for guard Brian Shaw and center David Vaughn.

"We're excited to get a player of Mark's experience," said Gabriel. "He is an excellent shooter and will add to our offensive attack. He is a consummate professional and we look forward to him continuing his career in Orlando."

"We're sorry to see Brian and David move on," added Gabriel. "Brian played a significant role for us in our run to the 1995 NBA Finals and David still has the potential to develop in our league."

Price (6-foot, 180-pounds), the NBA's all-time leader in free throw percentage (.907), has averaged 15.8 points per game, 6.9 assists

*See Magic, Page 2B*

*File Photo*

The Orlando Magic on Monday traded back-up point guard along with center David Vaughn on Monday for veteran Brian Shaw (No. 20, above) to the Golden State Warriors shooting guard Mark Price.

# IN BRIEF

## Halloween Spooktacular

**SANFORD** - The Sanford Recreation Department will be sponsoring a HALLOWEEN SPOOKTACULAR this Wednesday (Oct. 29) from 6:30 p.m. to 8 p.m. at the Downtown Youth Center, first floor of Sanford City Hall on Park Avenue.

The event is open to all kids ages 0 to 12 and the admission is a canned good.

Awards will be given for the best costume in each age division. Come and join the fun! And there will be food and prizes for everyone.

For more information, call 330-5697.

## SAC C. C. Championships

**WINTER SPRINGS** - The Seminole Athletic Conference Cross Country Championships will be hosted by Winter Springs High School this Thursday (Oct. 30) at Central Winds Park on SR 434.

The Girls' Junior Varsity race is at 4 p.m.; the Girls' Varsity race at 4:30 p.m.; the Boys' Varsity race at 5 p.m.; and the Boys' Junior

Varsity race at 5:30 p.m. Admission will be \$3 with children 10 and under free.

## Golf cart needed

**WINTER SPRINGS** - The Winter Springs High School softball team is in urgent need of a golf cart to drag the ball field. Old or new, running or not.

Please make your tax deductible contribution today. Call 695-5750.

## Recreation Volleyball

**SANFORD** - Results from the seventh week of the City of Sanford Recreation Department Fall Recreational Volleyball League season Monday night in the Dan Pelham Gymnasium at Sanford Middle School.

A League: Ladies of the Court (4-0), Westview Baptist Church #1 (3-1), Kathy's Baby Shop (2-2), Beer #30 (1-3), Sanford Church of God (0-4) and the Yknots had the week off.

B League: Don Menley's Seminole Ford, the Unknowns and Westview Baptist Church #2 (all 4-1), Family Matters (2-3), C.E.S. (1-4) and Seminole Community College (0-5).

Overall Standings:  
A League: Kathy's Baby Shop (22-3), Ladies of the Court (18-7), the Yknots and

Westview Baptist Church #1 (both 13-12), Beer #30 (7-18) and Sanford Church of God (2-23).

B League: Don Menley's Seminole Ford (29-8), Family Matters (20-9), the Unknowns (23-12), Westview Baptist Church #2 (16-10), C.E.S. (0-20) and Seminole Community College (3-32).

The league plays every Monday night at Sanford Middle School starting at 6 p.m.

## Youth hoop registration

**SANFORD** - The Sanford Recreation Department, through Winning Ways Basketball Academy at Sanford, is now offering youth basketball to children in grades Kindergarten through 12.

For the first time the Recreation Department will offer two divisions: a Recreation Division and a Prime Time Division, and will also allow players to register individually or as a team.

The Recreation Division will be for grades kindergarten through eighth, while the Prime Time Division will consist of a Blue Division and White Division, a High School Division and a Girls' Division for players in grades six through eight.

Registrations will be accepted at the Downtown Youth Center in the Lower Level

of Sanford City Hall.  
For additional information, call 330-5697.

## Support Seminole golf

Mayfair golf professional Rich Cleary announced that the fourth annual golf tournament to benefit the Seminole High School boys' and girls' golf team will be held Nov. 1-2 at Mayfair.

Over \$2,800 in prizes will be awarded and a banquet will be held after the first round on Saturday.

The event will be a two-day, two ball match and, after a banquet following the first day's play, the field will be refilled into four groups for Sunday's final.

Bobby Lundquist and Mike Lenry are the three-time defending champions.

## Fastpitch players needed

**SANFORD** - The Sanford Recreation Department is looking for girls ages 9-12 to play in the Fall Fastpitch Softball League.

All games will be played at Roy Hoffer Field.  
Please call 330-5697 for more information.

# Dean

Continued from Page 1B

other night? It has become a habit with Renteria to drive in the winning run in clutch situations. He did it seven times this year.

Sunday night's game was a microcosm of the Marlins season.

Fall behind early, stay close until late, then tie the game until Renteria could drive in the winning run.

And I have to differ with my fellow sports writers on the choice of Livon Hernandez as

## World Series Most Valuable Player.

While Hernandez did have a great series, he was not outstanding. I think maybe the writers got caught up in the emotion of the moment. You know, young kid, escaping from Castro and pitching his team to the title. Not to mention, his mother finally being allowed to come and visit him.

But if it was not for the heroics of Moises Alou, the Marlins would not have made it to game seven, let alone won the series. His

two three-run home runs off Orel Hershiser came just when it appeared the old pro was starting to take command of the game and his lead-off single in the ninth inning and hustle to third base in game seven allowed Florida to get into extra innings.

But no matter, being as big a baseball fan that I am, this was a great series that cost me a lot of sleep.

I would also like to commend the Indians' John Hart. The former Seminole Community College All-America did a great job of putting the team back together after Albert Belle left for Chicago. And if the Indians had won, it would have been the second straight World Series ring acquired by a person with a lot of Seminole County ties.

The proverbial "book" bent the Miami Dolphins Monday night.

I know a fumble in overtime led to the winning field goal, but if the Dolphins kick an extra point after two of their early touchdowns in stead of going for two points, Miami wins in regulation.

It's absolutely amazing that somewhere along the line, there is this unwritten law that all professional coaches live by that you do certain things in certain situations.

All coaches, in football, have this chart that says when you are behind, or ahead, by a certain amount, you go for two. Don't think for yourself.

And everyone in the NFL plays a prevent defense. I absolutely hate it. What does it prevent? Your team from winning.

Why do you think that after 50 or so minutes of a game that all of a sudden your opponent is going to turn into the Oakland Raiders from the 1970's and 80's?

Oh, no, they might complete a bomb and beat us. If it was that easy, wouldn't you do it (throw the bomb) if the whole game? If your defense has been good enough to hold the other team to that point, why not keep playing your regular defense? If you want to stop the deep threat, just play your safeties a little deeper, don't back up everyone and give the opponent an easy way down field.

# Districts

Continued from Page 1B

the Seminole-Pine Ridge winner taking on Oak Ridge at 5 p.m. and the Deltona-Maitland winner playing Spruce Creek at 7 p.m. The winner's of these matches will automatically qualify for next week's sub-regionals.

The championship match will be held at 7 p.m. on Thursday.

On Wednesday, the Class 6A-District 3 Tournament will begin at Lake Mary High School.

This tournament figures to come down to another battle between perennial finalists Lake Mary and Oviedo, with Lake Brantley as a potential dark horse.

On Wednesday, DeLand (seeded No. 4 with a 5-5 district record) will play Lake

Howell (No. 5 seed, 1-9 record) at 6 p.m. and Lake Brantley (No. 3 at 6-4) will take on Lyman (No. 6 at 1-9) at 7:30 p.m.

The winner's of those contests will advance to Thursday's final night of action.

At 4:30 p.m., the Lake Brantley-Lyman winner will challenge No. 2 Oviedo (8-2 in district play and ranked No. 9 in the state) and at 6 p.m. the DeLand-Lake Howell survivor will battle No. Lake Mary (25-3 overall, 9-1 in 6A-3 and ranked No. 4 in the state).

The winner's of those matches will then meet for the 6A-3 championship and seeding for next week's sub-regionals at 7 p.m. The district champion will be at home next week to play the 6A-4 (Orlando runner-up, while the runner-up will play the 6A-4 champion on

its home court.

One team that already knows that it will still be playing next week is Winter Springs.

The Bears (19-9) and ranked No. 7 in the state is the top seed in the three-team Class 3A-District 13 Tournament and has an automatic bid to the sub-regionals.

Winter Springs, under head coach Kin Vach, will not be in action until Thursday afternoon. The Bears will take on the winner of a match between Cocoa and Melbourne (1 p.m.) at 3 p.m. at Melbourne Central Catholic High School.

If the Bears win their match they would host the District 13 runner-up next Tuesday, while a loss would force them to go on the road to play the District 14 champion.

# Church

Continued from Page 1B

son and Leonard Richardson in the fourth inning tied the game at 4-4 and a three-run home run by W.L. Oracey, a triple by Tony Blaine and an RBI single by Storms in the fifth inning gave the Flames an 8-4 advantage.

Back came Majesty again as Rosas singled in one run and Slabodnik plated two runs in the bottom of the fifth inning to cut the deficit to 8-7 and a double by Rob Mullett, an RBI single by Marc Viret and an error in the sixth inning put Majesty back on top 9-8.

Mike McCoy led off the seventh for the Flames with a single, but he was erased on a ground out, after a pop up, to give the Flames a runner on first with two out. Blaine then came through with a booming double to center to tie the game at 9-9.

Rosas led off the Majesty seventh with a looping liner that bounced off a Flames defender's glove for a single. After a fly out, Larry Hartman singled and then Mendoza singled sharply to right to bring home Rosas with the game-winner.

The other game saw Buen Samaritano Church from Sanford beat Sanford Christian Church 7-0.

Majesty is now 6-0 with three games remaining, while Buen Samaritano is 4-2, the Flames are 2-4 and Sanford Christian is 0-6.

There will be no games this Saturday because of the Golden Age Games. Action picks up again on November 8th, with the Flames battling Buen Samaritano at 9 a.m. and Majesty taking on Sanford Christian at 10 a.m.

Providing the offense were: Majesty: four hits - Ike Mendoza (run, three RBI); three hits - Toody Rosas (three runs, RBI); two hits - Smokic Slabodnik (run, two RBI); Brad Budd (run); one hit - Rob Mullett (double, run), Marc Viret, Jeff Pandoff (one run and one RBI each), Steve Jarrett (run), Larry Hartman, Ron Silva.

Flames: three hits - Chris Storms (two runs, two RBI); two hits - W.L. Gracy (home run, three runs, three RBI), Tony Blaine (triple, double, run, RBI), Donnie Hinson (two RBI), Mike McCoy; one hit - Jack Eltonhead and Robert Jones (one run each), Leonard Richardson (RBI), Andrew Diemer; one run - Jack Diemer.

# Magic

Continued from Page 1B

per game, 6.9 assists per game and 2.6 rebounds per game over the course of his career.

Price has also seen action in 17 playoff games, averaging 17.4 points, 7.0 assists and 3.0 rebounds per game in postseason action. Last season with Golden State, he averaged 11.3 points, 4.9 assists and 2.6 rebounds per game and scored a season-high 32 points on 11-of-14 shooting, including five-of-six from three-point range, against Houston last November 23rd.

Price, who was named to the All-NBA First Team in 1993, while also being the NBA's Long Distance Shootout winner in 1993 and 1994, was originally selected by the Dallas Mavericks in the second round (25th pick overall) of the 1988 NBA Draft out of Georgia Tech.

His draft rights were traded to Cleveland where he played the first nine years of his career. Price also played for Washington (1995-96) and with the Warriors.

1989, 1992 and 1994. He is a four-time All-Star (1989, 1992-94).

"Mark shoots the ball extremely well," said Magic head coach Chuck Daly. "His addition will give us increased depth in the backcourt and he has the ability to score, which has been a deficiency of ours."

Shaw originally signed with the Magic back on September 22, 1994. He averaged 6.7 points, 4.6 assists and 2.9 rebounds per game over his

three-year Magic career. Last season, he averaged 7.2 points, 4.1 assists and 2.5 rebounds in 77 contests. Over his eight-year NBA career, Shaw has averaged 8.4 points, 5.0 assists and 3.7 rebounds per game.

Vaughn has seen action in 66 games through his first two seasons in the NBA, averaging 2.8 points and 2.1 rebounds in 8.3 minutes per game. He was originally selected by the Magic in the first round (25th pick overall) of the 1995 NBA Draft.

# People

## Take Off Pounds Sensibly

Member of Take Off Pounds Sensibly, TOPS, invite the public to join them on Tuesday evenings from 7 to 8 p.m. at the First Christian Church, 1607 Sanford Ave., Sanford. For more information about the club, call 321-4484.

## Toastmasters

Seminole Community College (SCC) Toastmasters Club #6581 will meet every Tuesday of the month, at 7:30 p.m., at the old Lake Mary City Hall on Country Club Road. Contact Rosella Bonham at 323-8284 for more information.

## Blood Bank seeks donors

Central Florida Blood Bank is asking donors of all types blood - especially O-type donors - to donate at its Sanford branch, 1302 E. Second St. For information, call 322-0822.

## Optimist Club

The Sanford Optimist Club meets every Wednesday at noon at the colonial room in downtown Sanford. Visitors are welcome. Call 323-2194 or 322-0298.

## Kiwanis Club

Effective Oct. 1, the Kiwanis Club of Sanford is moving the weekly Wednesday luncheon meeting from the Sanford Civic Center to the Lakeside Landing at the Marina Motel on Lake Monroe. Visiting Kiwanians are welcome. For information call Walt Smith, 323-5088.

## Dancing for Seniors

The Over 50 Dance Club dance is held every Wednesday, from 2:30 -4:30 p.m. at the Sanford Civic Center. Live music by the Deltonians 13-piece band. Donation \$3.00.

## Al-Anon

A support group for friends or relatives of alcoholics (Al-Anon) meets every Wednesday, at 8 p.m., at 111 E. 27th St., just west of Sanford Avenue in Sanford. New visitors or members are welcome to this 12-step group.

## Volunteer of the Week

# Retiree takes his services seriously

By **SUSAN WENNER**  
Herald Staff Writer

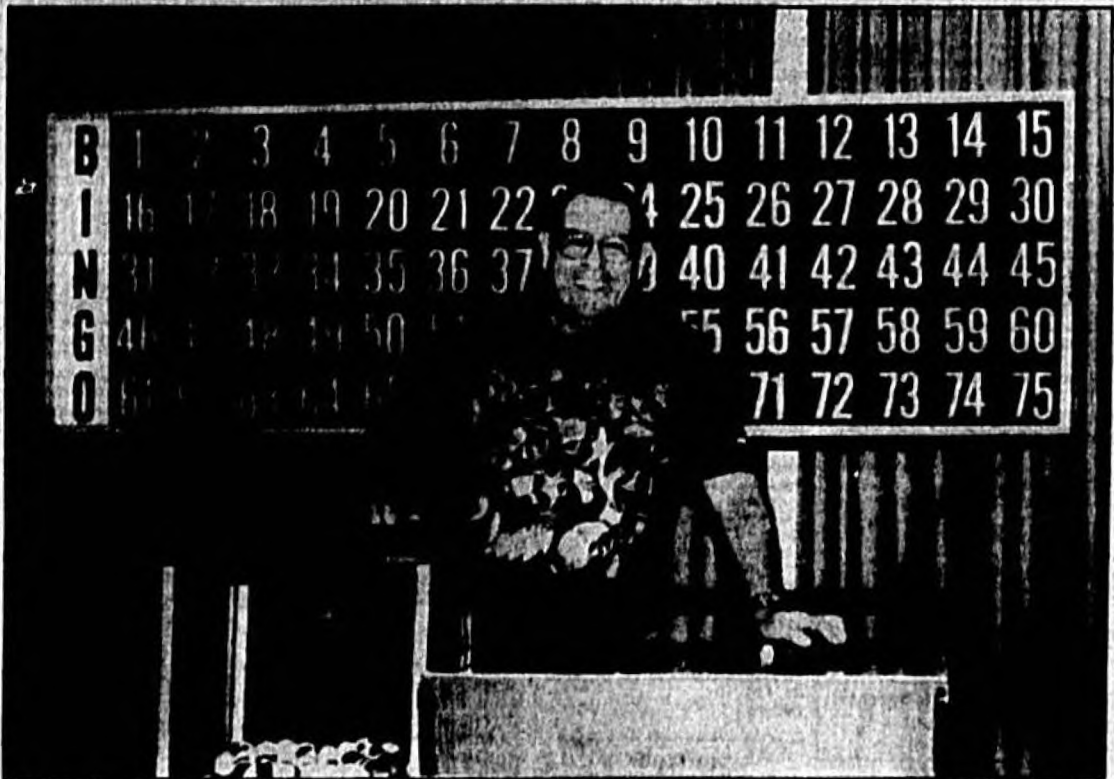

Don Kaplan is so active in his many volunteer efforts that he has little time to relax and kick back a bit. From as close as Sanford to as far away as Orlando he helps the needy, cares for animals and loves the children.

From his work with RSVP, the Central Florida Zoological Park to bus driving and bingo he stays busy night and day sometimes not getting home until well past dark. He says he loves it all.

Here in Sanford, Kaplan has been a docent for five years with over 5,000 hours worked during that time. "I work with the butterfly garden, a serval, a llama, snakes, alligators and parrots," he said. "I do carpentry, plumbing, landscaping and I repaired the education building. I actually work with about 80 animals in the education department and can handle all the animals. I go on the 'outreaches.' We have taken 25 animals to Disney and the Omni Rosen Hotel. Every Tuesday I take animals to the beach to a time-share. There are people there from England, Canada and New Zealand and other places. I bring animals to the different nursing homes too. I love it most when we work with the animals and children."

He credits his love of animals to a time when his children were growing up and the family had over 300 animals. He also raised exotic birds then.

Kaplan is active in bingo as a "fill-in" for Flea World, with his home owners association in Winter Springs, one day a week for Eastbrook Gardens Nursing Home and once a week at Kinneret Apartments.

Don Kaplan has been the 'bingo man' at a co-op for some 25 years. Herald Photo by Susan Wenner

He also acts as Santa Claus for about a dozen nursing homes.

While his boys were still living at home he served as a scoutmaster for 19 years. He is now involved with Congregation Ohav Shalom as an usher on High Holy Days and he brings animals for the Senior Club club and cooks meals at various gatherings. He also collects stuffed toys to give to Alzheimer patients at various nursing homes.

His most recent honor came when he was chosen as RSVP's 1997 volunteer of the year. He received two tickets to Sea World and a framed certificate while being honored at a special ceremony. He commented that his vol-

unteer positions "keep me off the streets." Yet, when he is on the streets he can also be found shopping for the co-op at Kinneret where he has been the "bingo man" for some 25 years. "I do banking for the people there too," he said. "I spend about six to eight hours a week clipping coupons for the co-op. It's kind of a little store for the people to go to in the apartment building so they don't have to go out to the store if they only need to pick up a few items."

Kaplan shared that the reason he is so involved is that he has been retired for over 25 years from the Amway business. "Thanks to the Amway business I got financially independent," he said. "I can

now give back some of what I got. I love working with animals and kids. There's a need out there with the nursing homes and the retirement apartments too. One day someone will offer to help me when I need it so I can help others now."

He continued as encouragement to other senior citizens by saying, "the secret is that if you don't use it you will lose it. That also includes the mind. I use my body physically and mentally and it keeps me going."

Kaplan and his wife, Marilyn, have been married for 46 years. They have two sons, Craig and Kevin and three grandchildren.

# How to deal with Halloween candy

**DEAR ABBY:** For several years I have wanted to share this little trick for parents whose small children consume too much candy at Halloween. Finally, I've found the time to write, and it's actually before Halloween.

I have always told my children, thanks to Linus in the "Peanuts" comic strip by Charles M. Schulz, that the Great Pumpkin comes on Halloween night and brings a gift for the children who leave him candy. The more of their candy they leave, the bigger the gift is. To make this work - and my children have never kept more than five pieces of candy - you must begin when the children are very young, and keep reminding them that the more candy they leave, the bigger the gift. When my children keep only five pieces and turn the rest over to the Great Pumpkin, they get a substantial gift that they really want.

It's worth it to me. My kids have never had a cavity. And my husband and his co-workers are more than happy to eat what the Great Pumpkin reaps. I hope this works for other families.

NO SUGAR IN SEATTLE

**DEAR NO SUGAR:** What a "sweet" idea for parents who try to limit their children's sugar intake. It's a suggestion I'm sure many parents will welcome this Halloween.

And while I'm on the subject of Halloween, may I add a few more tips from the National Citizens' Crime Prevention Campaign, which is substantially funded by the U.S. Department

ADVICE

ABIGAIL VAN BUREN

of Justice. **1. Trick-or-treat children not to eat any treats until they get home. Feed them a meal or snack before they go out to keep them from digging in while they're out. Parents should inspect all the treats.**

**2. Allow children to eat only those treats that are in unopened and original wrappers. Carefully inspect fruits and homemade goodies.**

**3. Make sure children wear light colors or put reflective tape on their flame-retardant costumes, which should be short to prevent trips and falls.**

**4. Try makeup instead of masks, which can obstruct a child's vision.**

**5. Children should trick-or-treat in groups, and stop only at familiar homes where the outside lights are on. Young children should always be accompanied by an adult.**

**6. Map out a safe route to familiar homes for older trick-or-treaters, and make sure the children have flashlights, and that they stay on well-lit streets.**

# Florida leader in grapefruit production

Grapefruit were first reported growing in Barbados about 1750 and introduced into Florida in 1823. Known as 'Pomelo' and 'Toronja', it was also called 'the forbidden fruit' in the Caribbean region. It is believed that the grapefruit originated in the West Indies since it was unknown in Europe or the Orient prior to its discovery in the New World. It probably arose as a mutation of a pummelo tree. Florida, the world leader in grapefruit production, now produces almost two million metric tons of grapefruit annually, which represents about 63 percent of the world production.

Distribution: Grapefruit are grown throughout tropical and subtropical regions, particularly in the Western Hemisphere. The top five grapefruit-producing countries in their order of importance are: The United States, Israel, Cuba, Argentina and South Africa.

GARDENING

AL FERRER

Grapefruit are widely grown throughout central and south Florida.

Trees: The grapefruit tree is moderately large, often 22 to 30 feet in commercial orchards, larger if unpruned. Grapefruit leaves are light green at emergence, darkening as they mature and are approximately 3 to 5 inches long.

Varieties: 'Duncan', a white-fleshed variety and 'Foster' is a pink-fleshed cultivar. Seedless cultivars include 'Murah', a white-fleshed fruit, and 'Thompson', 'Burgundy', 'Redblush', 'Star Ruby', 'Flame' and 'Ray Ruby' which are pink or red cultivars.

Harvest: Grapefruit mature in Florida as early as October but are not considered to be of good eating quality until after Thanksgiving. Fruit can be "stored" on the tree for several months without appreciable loss of quality, extending the harvest season into the spring months. There is very little difference in dates of maturity among the several Florida cultivars with the exception of 'Burgundy'. 'Burgundy' is a late-maturing cultivar that ripens in April-May in most years.

Propagation: Most grapefruit will develop true-to-type from seed, but they will remain in the 'juvenile' state which may last 6 to 15 years, during this time the tree will not flower. Grapefruit can be propagated by budding or grafting. Budding is usually most easily done in the spring. Budded or grafted trees will usually produce some fruit within three years, if properly cared for.

Climate and cold tolerance: Grapefruit is a cold-sensitive plant grown in tropical and subtropical regions throughout the world. Grapefruit do not enter a true state of dormancy during the winter and as cooler temperatures develop, growth slows. Site selection should be considered carefully in areas where there is a high probability of damaging winter cold. Planting on the south side of

and near buildings may offer some cold protection during the winter.

Cultural practices: Fertilization, irrigation and pruning

practices are the same as those recommended for sweet oranges. Never mulch a citrus tree because it can lead to root rot diseases.

**What is blood pressure?**

**DEAR DR. GOTT:** Before having major surgery, I had my blood pressure taken by a nurse who commented that my "diastolic" was low (in the 50s). I was having no symptoms. Would you explain blood pressure?

**DEAR READER:** In order to circulate blood to various body tissues, the blood vessels contract, thereby increasing the pressure of the blood within them. This propels blood against gravity, from the heart to the brain, and forces blood into the tiny capillaries in the tissues, where oxygen and nutrients are exchanged for carbon dioxide and waste products. Using appropriate devices, health professionals can measure this pressure.

Because the heart is basically a two-cycle pump, the blood pressure is reported as two numbers. The first is the systolic value, which is the pressure when the heart contracts; the second, the diastolic reading, reflects the pressure between heartbeats when the heart fills with blood in preparation for the next cycle.

Thus, the normal (systolic/diastolic) blood pressure is recorded as 120/80 millimeters of mercury or less, depending on age and state of health. (As we grow older, the blood pressure ordinarily rises.)

If the pressure is abnormally low — say, 100/50 — a person may feel tired, weak and lightheaded. If the pressure is too high (sustained above 130/90), a patient risks complications such as heart attack or stroke.

As a general rule, the lower the blood pressure, the better. Your diastolic value, in the 50s, caused you no symptoms, so it can be ignored. There is enormous variation in blood pressure from one person to another — even, in fact, in each of us from one minute to the next. Therefore, in assessing the presence or absence of high blood pressure, doctors usually obtain more than one reading.

Blood pressure can be affected by stress, worry, fatigue, obesity and a host of diseases. Because blood pressures are so easy to measure (and treatment for high blood pressure so effective using modern drugs), this testing should be performed regularly on all adults.

**DEAR DR. GOTT:** Could a serious auto accident involving a pregnant woman cause her to have continuous vaginal bleeding and cramps, finally ending in premature labor?

**DEAR READER:** Absolutely, especially if she were wearing a lap-type seat belt in too high a position — or not wearing a seat belt at all. The trauma of the sudden impact could have led to premature separation of the placenta (with bleeding and cramps), resulting in early labor. Even though the fetus and placenta are bathed in amniotic fluid (which absorbs most shocks), a violent blow

could certainly cause damage. It is important for pregnant women to wear suitable safety restraints in a moving vehicle. Federal authorities recommend that safety belts be worn over the pelvic area, below the pregnant uterus.

**DEAR DR. GOTT:** I must commute long distances by auto. I have the habit of carrying my wallet in my back pocket. For the past month, my behind under the billfold has been extremely sensitive and painful. Is there a relation?

**DEAR READER:** Yes, there is.

When a wallet is carried in a back pocket, it is easily compressed by seats and chairs. In turn, this pressure is transmitted to the nerves and tissues of the buttock, leading to significant pain and nerve damage that

may, in some instances, resemble sciatica. Known medically as a "compression neuropathy," billfold-bottom (as I prefer to call it) is common in men who sit (or drive) for extended periods.

The treatment is simple and effective: When there is external pressure on your wallet, take it out of your back pocket. Within days, your symptoms should disappear.

**WIN AT BRIDGE**

**Where have the deals gone?**

By Phillip Alder

Internet daily bulletin nine from Albuquerque contained a deal featuring an excellent defensive unblock. See if you can decide how declarer could have done better.

Afterward, I suspect North wished he had settled for four spades, a contract he would surely have made. Against three no-trump, West, Wayne Stuart, led the heart seven. (I don't know why he selected this card rather than the traditional 10.) Taking East's queen with the king, declarer immediately cashed his four club tricks. West discarded a discouraging spade and the heart eight (not the two). South could have got home easily by continuing with the ace and another

spade. But taking West's first discard at face value and not wanting East on lead, South ran the spade queen. After winning with the king, West switched to a diamond, East taking dummy's queen with his king. Now East, Wafik Abdou, returned the heart six.

Declarer was history. If he covered with the jack, West would run the suit. But when South played the three, West underplayed his carefully preserved two. Another heart from East left the contract two down.

(Obviously, declarer might have played West for the spade king, but did you notice another possibility? Suppose he had cashed only three club tricks before taking the losing spade finesse. Now, when a diamond comes back, declarer can win with dummy's ace and cash the club 10, on which he discards the spade ace! He wins 10 tricks via four spades, one heart, one diamond and four clubs.

**HOROSCOPE**

**Your Birthday**

Wednesday, Oct. 29, 1997

Do not be hesitant or fearful of pioneering fresh fields in the year ahead. New possibilities could develop for you in ways you'd least expect. **SCORPIO** (Oct. 24-Nov. 22) Situations that are changing smoothly shouldn't be interfered with today. Unwarranted changes might create problems where none existed previously. Scorpio, treat yourself to a birthday gift. Send for your Astro-Graph predictions for the year ahead by making \$2 and B&SE to Astro-Graph, c/o this newspaper, P.O. Box 1758, Murray Hill Station, New York, NY 10158. Be sure to state your zodiac sign. **SAGITTARIUS** (Nov. 23-Dec. 21) Today, it is important to properly acknowledge people who have helped you recently. Signs will prompt an evaporation of their

support. **CAPRICORN** (Dec. 22-Jan. 19) All eyes will be upon you today, so conduct yourself in a manner that will attract and sustain admirers. Do not tarnish your image severely. **AQUARIUS** (Jan. 20-Feb. 18) Even though you might be better informed than your peers about certain situations, don't flaunt your knowledge in order to appear superior. **PISCES** (Feb. 20-March 20) Take nothing for granted in your business dealings today, because you might be lulled into a false sense of security and end up with the short straw. **ARIES** (March 21-April 19) Propositions brought to you by others today should be studied very carefully, or you might agree to something that benefits the promoter but not you. **TAURUS** (April 20-May 20) Keep your priorities in order today and give equal and adequate attention to all duties. Anything you neglect could come back to

haunt you later. **GEMINI** (May 21-June 20) Friends and co-workers might want to do something today that you'll reject automatically. Do not be the lone dissenter disrupting everyone's plans. **CANCER** (June 21-July 22) Do not buckle under pressure or setbacks today. Assume and maintain a positive attitude that can turn defeat into victory. **LEO** (July 23-Aug. 22) Be kind and compassionate to others today, but also be careful not to do anything foolish that might cause you to have giver's remorse later. **VIRGO** (Aug. 23-Sept. 22) Alliances that are based upon material concerns could get complicated today if you become selfish. Do not set a bad example. **LIBRA** (Sept. 23-Oct. 23) If you are assertive enough, there is no doubt that you can have your way today. However, it may not be worth the price you'll have to pay. © 1997 by NEA, Inc.
