

Palatka Club Defeats Sanford Lookouts.

Sixteen Safeties Combined With Six Errors By Locals Give Azaleas 16 To 2 Win

Sanford Club Limited To Four Hits By Gibbs Miller Who Gains First Victory Of Season

The Sanford Lookouts dropped their fourth game of the last five series last night when the Palatka Azaleas defeated them 16 to 2 in Palatka. The Palatka club, behind the four hit pitching of Gibbs (Slim) Miller, smashed out sixteen safeties off the combined efforts of Crisfield and Phillips, new catcher obtained by Sanford. The Lookouts made six errors in the field.

This was Miller's first victory of the season although he has pitched several low hit ball games only to lose them by loose fielding on the part of his mates. The Lookouts were able to secure only four hits off Miller and were held scoreless until the seventh inning when they drove across the run. The other tally score by the Azaleas is the work.

"The Best of Crisfield" was driven from the mound in the seventh by the raging Azaleas and was replaced by Phillips. In the eighth, Palatka homered eight runs across the plate on four walks, scored by Phillips, three safeties, two sacrifice hits, and several errors by the Sanford outfit.

The Palatka club played errorless ball and smashed out sixteen hits to give their pitcher a good lead to work behind.

In the other Florida State League game, St. Augustine defeated Deland 5-4. The Saints combined seven hits off the efforts of McIntyre and three errors by the Deland players to beat them in the sixth and eighth innings. The Reds got to the outfielders of Bledsoe and Davis for nine hits but were unable to hit in the pitcher.

Robert Padgett went in quest of his twenty first victory last night but was removed after pitching one inning. The Gainesville star pitcher yielded no hits but was out. Bloom replaced him and received credit for the win. The G-Men pounded out fifteen hits off Orlando pitchers, good for seven runs. The Ouls secured only three hits off Padgett and Bloom for two runs.

The Daytona-Leeburg game was postponed because of wet grounds.

Cleveland at Boston—Harder vs Grove.

Detroit at Philadelphia—Higgett vs Weaver.

St. Louis at Washington—Higgett vs Weaver.

SAVED THE DAY. Gene Mako, teamed with his fellow-Californian, Don Hedger, in the Interstate Davis cup football play with Germany, was credited with the most spectacular performance. His sharp, overhand returns frustrated this vicious attack.

EARL GOES FADING. Gov. George E. Hearn of Pennsylvania, rising figure in Democratic politics, and Mrs. Earle are shown at New York as they called for a European vacation. He had just announced pay increases for a large group of state employes.

American Pilots To Man Chinese Planes

LOS ANGELES, Aug. 3.—(AP)—Mystery surrounded preparations of 182 American pilots, each of them with a mechanic or two, to sail soon for China to man combat planes.

The Times today quoted Russell L. Hearn, soldier of fortune and former general staff officer with Marshal Chang Tso Lin, as telling Mr. Tao Heng Chin, here on a lecture tour, that 182 pilots had signified their willingness to go to China and that each had his own mechanics.

Hearn said he had a report the Chinese central government had 392 planes for which it had no pilots, but declared it a violation of federal law to recruit them here.

"However," Hearn stated, "Americans wish to go to China and then enlist, there's nothing to stop them."

Eamon de Valera, Irish Free State president, was born in New York in 1882.

Clym of the Clough, legendary English archer, is said to have lived one generation before Robin Hood.

Joe DeMaggio Big Threat To Babe Ruth's Home Run Record Of 60 Set In 1927

Bombarding Italian Says He Hasn't Any Particular Ambition To Break Record

NEW YORK, Aug. 3.—(AP)—Joining Joe DeMaggio, who insists he hasn't any particular ambition to break Babe Ruth's all-time home run record, is challenging the Bambino's mark whether he wants to or not.

GOING SOUTH. Lincoln Klumpp, New York year explorer, is back from Spitzbergen with plans for an Antarctic trip from South Africa.

Although it's improbable that any better can duplicate Ruth's runaway through the last month of the 1927 season, when he clubbed 17 out of the lot, the deadpan dynamite of the New York Yankees may have a chance to come within shouting distance of the Babe's 60-homer mark for a season.

At any rate, he's in front of the Bambino's record right now, for the same period of play. The Babe hit his thirtieth homer in the eighty-second game of the '27 campaign, and then went without one for nearly two weeks, finally breaking the ice with his thirty-first in the ninety-third contest.

DeMaggio, despite a late start in which he missed the season's first 10 games hit his thirty-first Sunday, in what was officially the Yankee's eighty-ninth game or the ninety-first if two ties are included.

In the 21 games in which he has been action, DeMaggio has clubbed one round-tripper on an average of every 27 innings. In Ruth's big year, his average up to the time he belted No. 61, was every 27 innings.

However, even should DeMaggio keep up his present pace, he would still fall short of the big Ruth year. And he would have to quicken that pace by 100 percent during the last month of the season to hang onto the listening bellies the Babe did in his September slugger 10 years back.

But regardless of his chances of eclipsing Ruth's record—and they're slim at best—DeMaggio has been doing a lot of pretty fair country clubbing so far in his sophomore year. Except for three instances, his longest lapse in games between homers was four contests. Twice he hit at least one each day, three days in succession. On four occasions, he has hit two homers in one game, and once he whacked three in a single contest.

His job, particularly at home in Yankee stadium, is harder than was Ruth's. The Babe, a left-handed hitter, found the shorter right-field bleachers in the stadium an easy target. DeMaggio, a right-hander, has the more distant left and center field stands to shoot at, both at home and on tour through the circuit.

Jarring Joe has clubbed at least one "four-bagger in every park in the league, with the single exception of Boston.

Florida Markets Are Results Of Improved Stock

GAINESVILLE, Fla., Aug. 3.

The development of Florida's fine system of livestock markets is the direct result of improvement in cattle and hogs produced in this state during the past few years, according to Walter J. Sibley, animal husbandry agent with the State Agricultural Extension Service.

Not many years ago, he pointed out, there were few markets where farmers could "dispose of their cattle and hogs. The cattle were inferior in size and quality and the small "pinner-backed, parasite-infested hogs were not wanted on the market. Most of the stock sold by the farmer during those days were sold to local consumers and very few were shipped from the state.

Elimination of ticks enabled farmers to import good bulls and the adoption of advanced methods of feeding, breeding, and management were responsible for steady improvement of cattle. The razor-back gave way to his high class brother—the pure-bred Poland China, Duroc Jersey, Hampshire, and other good breeds—and Florida

hogs began improving in size and quality.

"When a farmer produces what the public wants, he can sell it and this was the case with Florida livestock," Mr. Sibley said. "Co-operative sales and the establishment of markets for Florida livestock began. Buyers began coming to Florida for meat animals and Florida stock began competing with stock of other states on the big markets. Today, much of our livestock is shipped to large Eastern markets, where it holds its own with beef and pork from other sections. In short, the market system available to our farmers today resulted from the farmer's efforts to improve his stock."

Indian corn, or maize, has been used experimentally as a source of sugar.

Schedule Of Coming Games	
Tuesday, August 2—Palatka at Sanford, 8:15 P. M.	Wednesday, August 3—Sanford at Leeburg, 8:15 P. M.
Thursday, August 4—Leeburg at Sanford, 8:15 P. M.	Friday, August 5—Orlando at Sanford, 8:15 P. M.
Saturday, August 6—Sanford at Orlando, 8:15 P. M.	Sunday, August 7—Sanford at Orlando, 8:15 P. M.

Lindbergh And Carrel Seek Way To Prolong Life On Lonely Isle

PORT BLANC, Brittany, Aug. 3.—(AP)—Col. Charles A. Lindbergh and Dr. Alexis Carrel of the Rockefeller Institute peered over their scientific data today in Dr. Carrel's secret laboratory on isolated Saint Gildas island where they are seeking a way to prolong human life.

The New York scientist called the flyer here from England to show him the latest results of their joint efforts to maintain life in organs removed from bodies and connected with the "human heart" of glass which Lindbergh and Dr. Carrel created.

Dr. Carrel was expected to report the progress of their research when he returns to the United States in the fall. The experiments are being made in an effort to prolong life by preventing degeneration of the tissues.

The island's only contact with the mainland is by boat. Cabin class in the national ferry may be booked but not bought.

Kidnaped Child Is Found Safe And His Abductors Seized

Couple Which Had 2-Year Old Baby Say It Is Their Own But Records Disprove It

Driver Of Car Is Sought By Police

Kidnapers Had Sent Telephone Message Demanding Ransom

CHICAGO, Aug. 4.—(AP)—Assistant State Attorney Wilbert F. Crowley announced today that Donald Horst, two, snatched last night from his parent's home, had been found and was safe in Crowley's office. The prosecutor did not immediately give the details of how and where the child was located. Crowley left his office about 9:40 A. M. with a large statement he expected to be back within an hour with "important information."

Child Finds Mother Slain, Father Dying

Grim fate chose Colleen Sweeney (above), 4, to discover a terrible tragedy in her home at Hollywood. In a bedroom the child found the body of her mother, Mrs. Gilbert Sweeney, 21, apparently strangled to death. Aid nearby she discovered her father, L. A. Sweeney, 25, near death with his wrists slashed.

Crowley returned about 10:30 A. M. and announced the child, son of Mr. and Mrs. Otto Horst, was safe.

Crowley said Mr. and Mrs. John Regan told him that the Regans told him they were Donald's natural parents. The Regans were questioned at Crowley's office.

A birth certificate filed with a board of health showed Donald Otto Horst was born Jan. 4, 1936 at a residence on the corner of 4th and the Regans. The certificate gave the name of Otto Horst and his mother's as Mrs. Martha Elizabeth Horst and attending physician as Dr. John A. Ross.

Crowley said Regan and his wife, Lydia, told him they took the baby from Mrs. Horst and drove away with him in an automobile they said was driven by Fred Ewert for whom a search by police of seven states was launched. Ewert was the chauffeur for Dr. Ross, partner of Horst in the sound equipment manufacturing business. Crowley said he expected Ewert to appear shortly at his office.

Police reported it was not until 35 minutes after the kidnaping that they got the alarm. This was the story told by Mrs. Horst to the police.

Donald was playing in a sand (Continued on Page Two)

Cowan Returns To City After Tour Of Many U.S. Sections

E. T. Cowan, owner of the Cowan Company stores here who returned recently from a buying trip which took him through 13 states, brought back very optimistic reports of business conditions in the manufacturing centers of the nation.

Manufacturing centers, Mr. Cowan reported, are more flourishing this year than they have been in a number of years, and because of the lack of surplus which now will guarantee immediate delivery on orders, a condition which exists mainly because of a steady increase in the sale of their goods. However, Mr. Cowan stated that in a few instances prolonged strikes were the cause of the shortage of stock at the present time.

He also stated that he was surprised to find that most of the manufacturers he contacted had become more or less reconciled to the prospects of governmental regulation of wages and hours of their employees.

Nation's Richest Grain Harvest Is Foreseen For '37

Wheat, Corn, Oats And Rye, Almost Double Last Year's Crops

CHICAGO, Aug. 4.—(AP)—The Nation's richest grain harvest since 1929 was envisioned yesterday by Chicago crop experts.

They predicted in their monthly forecast that the United States would reap 4,312,000 bushels of major grains—wheat, corn, oats and rye—this year compared with 2,964,000 bushels in 1936. At current market prices this large grain harvest would have a value of \$2,114,700,000 or 14 percent greater than last year.

Six private crop authorities recognized wherever grain is grown or traded, predicted domestic crop production would total 2,771,000,000 bushels, the largest crop since 1922, while the indicated wheat harvest was 151,000,000 bushels, the largest since 1931. This crop yield, however, has the highest market value of any crop since 1929 while the wheat crop's value is the highest in a decade.

The estimate of the experts—E. O. Crowell, Nat. Murray, E. W. Ross, E. C. Donovan, E. H. Miller and James E. Bennett—were based on personal field inspection trips and on reports from thousands of farmers, elevator men and millers. The grain trade experts an average of their figures as a reliable indication of crop prospects.

Various estimates today on crops, considering about ideal growing weather the last month, ranged from 2,715,000,000 to 2,824,000,000 bushels but the average was 2,964,000,000 greater than the best government estimate released early in July. Current prices give this potential crop a market value of \$1,564,100,000. The 1936 crop was set by drought to only 1,584,212,000 bushels.

The average on September wheat was 142,000,000 bushels, indicating a loss of approximately 50,000,000 during July as a result of rust damage in the Northwest. The experts admit that because of rust, actual production was uncertain and could be determined only by harvest. The 1936 crop was set by drought to only 158,212,000 bushels.

Celery Pact Gets Partial Approval

Tentative Approval In Given Federal Marketing Agreement By Officials Of AAA

WASHINGTON, Aug. 4.—(AP)—The Agricultural Adjustment Administration announced tentative approval yesterday of a Federal marketing agreement regulating the handling of celery grown in Florida.

M. L. Wilson, acting secretary of Agriculture approved the program which will be submitted to the industry for signature. The AAA will conduct a referendum among growers to determine whether they favor issuance of an order based on the marketing agreement.

Officials said the agreement contained provisions similar to the Florida celery marketing agreement that operated in 1934.

The AAA said unusually heavy shipment of celery during the 1937 season resulted in over-supply on markets which depressed prices received by growers.

Major provisions of the proposed Federal marketing program are: "Regulation of certain shipments on a volume basis; establishment of a control committee; consent to provide funds for operation of the agreement; and termination."

The control committee could enforce, with approval of the Secretary of Agriculture, provisions of shipment among shippers and growers.

This committee would consist of eight shippers and an equal number of growers appointed by the Secretary of Agriculture.

Sanford district, four shippers, three growers; Ocala district, one grower and grower; Sebring district, two shippers, two growers; Maitland and Sebring districts combined, one shipper.

R. J. Holly, Jr., gets post as editor of Municipal Record.

Eckersons To Spend Big Sum O.K. By Board For Expansion

Improvements Will Make Plant One Of Largest In Florida Employing Over 100

Improvements which will make the Eckerson Canning plant one of the largest in the state and provide for employment of more than double last year's payroll are being launched under the direction of Earl G. Eckerson, president of the plant.

In addition to modernizing the plant which will be completed in approximately 1939, Eckerson said the company will be installed in a new plant which is under construction.

Social And Personal Activities

ELIZABETH BRIGHAM JORDAN, Society Editor

Social Calendar

THURSDAY
Members of the Methodist church People's League meet at the church at 8:00 o'clock to go to New Bayona for supper.

FRIDAY
The Girl Scouts will meet at the Little House at 3:45 o'clock. The regular meeting of the Sanford Township Club will meet at 8:00 o'clock in their club rooms in the Welaka Building.

MONDAY
The daughters of Wesley class will have a business and social meeting at 8:00 o'clock at the home of Mrs. W. A. McMullen, 42 West Eighteenth Street.

Mrs. Dekle Hostess To Her Church Circle

Mrs. W. C. Dekle was hostess to Circle Number One of the First Methodist Church which met at her home yesterday afternoon.

Mrs. T. E. Wilson presided over the business session. Mrs. F. R. Mitchell led in prayer after which the fifth chapter of the Bible study book, "Radiant Heart" was given by Mrs. W. D. Holden.

Mrs. D. C. Barcliff, superintendent of supplies, asked for donations of clothing, pieces of goods or money to be sent to the Boca Valdes Settlement House in Tampa.

Refreshments were served by Mrs. Dekle assisted by Mrs. Wilson to the following: Mrs. W. L. Clark, Mrs. J. E. Courier, Mrs. T. E. Wilson, Mrs. W. D. Holden, Mrs. W. E. Wells, Mrs. G. A. Haddix, Mrs. John Rumbley, Mrs. F. R. Mitchell, Mrs. A. C. Starks, Mrs. R. P. Crenshaw, Mrs. C. F. Branan, Mrs. T. M. Dekle, Mrs. Elise Kirchoff, Mrs. D. C. Barcliff, Mrs. C. R. Russell, Mrs. W. C. Dekle, and Miss Lucille Dekle.

Fields Home Scene Of Circle Meeting
Mrs. W. P. Fields and Miss Lola Evans were hostesses to Circle Number Three of the First Methodist Church which met Monday afternoon at the home of Mrs. Fields.

Mrs. Thornton, the circle leader, opened the meeting with some thoughts taken from the "Outlook" after which Mrs. W. M. McKim led in prayer. Mrs. J. P. Hill gave a few chapters of the mission study book, "Radiant Heart," in connection with the Bible Study.

Following the devotional period was the regular business session. At the conclusion of the business, refreshments were served to the guests.

An invitation was extended the circle by Mrs. W. M. Tillis to have the next meeting at her home at 1120 Elm Avenue.

Townsend Club Will Have Meeting Friday
An entertainment and covered dish supper has been arranged for the meeting of the Sanford Townsend Club to be held Friday night in the Welaka Building. It was announced today.

The meeting will begin at 7:00 o'clock, which will be followed by a musical program headed by the Russel sisters accompanied at the piano by Miss Mildred Nix.

The public is cordially invited to attend.

Destroyers Collide In Battle Maneuvers
VALLEJO, Calif., Aug. 4. (AP)—After colliding during battle maneuvers, the destroyers Warden and Reid hurried to the Mare Island navy yard yesterday for a survey of damages.

The collision occurred off Point Conception, about 150 miles south of San Francisco, during a heavy haze Monday night, navy officials said.

The Warden arrived here with a seven-foot hole in her stern and reports said the Reid, enroute with a convoy, had a hole in her bow above the water line.

Neither vessel was believed badly damaged and navy officials indicated repairs would be made at the dock.

Montana County Has Legalized Gambling
HAMILTON, Mont., Aug. 4. (AP)—Shades of Poker Palace and Blind Jack Hill!

A board of trustee trustees of Hamilton telling the people that a poker game is in progress at each and each a boot-licker. And there's a great of boot-lickers with each of them.

Former Sanford Man Weds Mississippian

Mr. and Mrs. W. W. Chestnut of Yasco City, Miss., announce the marriage of their daughter, Miss Bertha May Bankhead, of New Orleans to Charles Henry Smith, formerly of this city.

The wedding took place in New Orleans on July 30, with only immediate members of the family present.

The bride was attired in a chic Paris sport model of black and white shantung. Her accessories were black and she wore a corsage of tallman roses and lilies of the valley.

Mr. and Mrs. Smith will make their home at 1055 Government Street, Baton Rouge, La.

Mrs. Fletcher Leads Church Circle Meet
Mrs. F. B. Fletcher presided over the meeting of Circle Number Two of the First Methodist Church which was held Monday afternoon at the church annex.

Mrs. Fletcher opened the meeting with a prayer after which Mrs. Rosa Davis gave the last chapter of "Out of Africa."

Hostesses for the meeting were Mrs. C. C. Priest, Mrs. F. B. Fletcher and Miss June Waddell.

Those attending were: Mrs. A. D. Shoemaker, Mrs. J. B. Crawford, Mrs. Bessie Hutchison, Mrs. A. D. Zachary, Mrs. C. A. Haines, Mrs. Rosa Davis, Mrs. J. E. Preston, Mrs. F. B. Fletcher, Mrs. Brodie Williams, Mrs. M. L. Squires, Miss Bessie Zachary, and Miss June Waddell.

The Rev. and Mrs. E. D. Brownlee and Harry Brownlee have returned from an extended trip through the Western states and North Carolina where they have been spending the past month.

Mr. and Mrs. Richard G. Burton of Philadelphia, Pa. arrived yesterday to visit Mrs. Burton's parents, Mr. and Mrs. A. W. Smith, for about two weeks.

Mrs. A. E. Raburn, Miss Ruby Raburn, Miss Mona Raburn and Albert Raburn left Monday for Atlanta, Ga., where they will spend about a month.

HELD FOR CALIFORNIA AUTHORITIES

John M. Hayes (left) and his daughter, Patricia Ann, 28-months old, are shown with Detective S. Carrier (right), after Hayes was detained in Chicago by request of Chief William Quinn of San Francisco for allegedly taking the girl from the home of her grandmother. Pending further word from California police, the girl was placed in an orphanage.

Mrs. Eddie Duchin, Onetime Socialite, Is Victim Of Death

NORFOLK, Va., Aug. 4. (AP)—Mrs. Eddie Duchin, wife of the orchestra leader, died at 4:20 A. M. yesterday in Harbor Sanitarium from complications following the birth of a son last Wednesday.

Duchin was at his wife's bedside at the time of death. He had flown here by airplane Monday night from Chicago where he is playing an engagement.

The baby, who weighed nine pounds at birth, is well and strong, according to attaches of the sanitarium.

Mrs. Duchin, the former Miss Marjorie Oelrichs, a society beauty, underwent a series of blood transfusions in an effort to save her life. She and Duchin were married June 5, 1935.

Mrs. Duchin was 29 years old, a year older than her husband. Before her marriage, she was one of the most active society belles in New York. Her mother, Mrs. Marjorie Oelrichs, gave her full scope to her energies. She encouraged her in operating an exclusive dress shop and in writing.

In 1937, Miss Oelrichs created practically an international controversy through a magazine article under her name in which it was asserted that the foreigner who marries an American girl for money is an exhibition.

After the publication of the article Miss Oelrichs said American men are handsome and healthier than foreigners and that everything in the article was not just as she had written it.

When her engagement to Duchin was announced, she explained she had fallen in love while watching him, night after night, play the piano in his orchestra. They were married in her mother's suite in the Hotel Pierre.

President Will Make Talk On Constitution
WASHINGTON, Aug. 4. (AP)—President Roosevelt agreed yesterday to observe the 15th birthday of the Constitution with an outdoor address here the night of Sept. 17.

The speech will be delivered in the Rivina Theater, a tree-bordered green at the foot of the Washington monument.

The engagement was announced by White House officials and Representative Bloom, Democrat, New York, director general of the United States Constitution sesquicentennial commission.

The president's remarks will be broadcast.

At his press conference yesterday afternoon, Roosevelt said he will spend the Saturday and Sunday at his family home at Hyde Park, N. Y., if the congressional and War Eastern situations permit.

San Francisco's 1937 World's Fair is called a \$60,000,000 fair.

LEGAL NOTICE
Opening of the Midway Exposition on the Midway at the Exposition grounds on Saturday morning, August 7, 1937. Seated for the purpose of the time.

He mixed honey and distilled water, added a few drops of brandy and put the mixture in glass feeding cups. The little birds were wabby but they got the idea when Plath dropped them against the cage. They slipped and eventually fluttered down and took interest in their new home.

Negro Is Arrested For Volusia County

John Wesley Mitchell, negro, wanted by Volusia county authorities for highway robbery at Daytona Beach, was arrested early this morning in Goldsboro by Deputies Jack Hickson and Lewis Tate, Sheriff C. M. Hand reported today.

The negro was hiding out in Goldsboro and made no attempt to resist arrest when found by the County officials. It was indicated. Shortly after the arrest the alleged robber was bound over to Volusia county authorities.

Crippled Warship Is Brought To Norfolk

NORFOLK, Va., Aug. 4. (AP)—The cruiser Omaha reached the Norfolk Navy Yard yesterday for inspection of damage done in 12 days aground a coral reef in the Bahamas.

She was conveyed into Hampton Roads by the battleship Texas, which will go on to New York with a group of naval reservists on Thursday, and by tug which helped refloat the cruiser.

The Navy Department has announced that a board of investigation will try to determine why the ship went aground off Castle Island Light.

Brutality Charge Made By Negro At Boston Hearing

BOSTON, Aug. 4. (AP)—Charges of brutality in a Southern prison camp similar to those voiced by a negro whom Gov. Charles F. Hurley recently refused to turn over to Georgia, were made yesterday by Forest Hill, 34-year-old negro, fighting extradition to Florida.

Testifying at a hearing before Assistant Attorney General Stuart J. Acaluppo, Hill said he was put in "sweat boxes" and one time when he became ill working on a convict road gang he was chained to a tree and denied medical attention.

Appearing for Gov. Fred P. Cone of Florida, who requested Hill's rendition, F. W. Wiggins, denied Hill's charges, declaring food fed convicts in these road gangs was "better than the average citizen of Florida enjoys."

"I have often wondered about this chain-gang talk," Wiggins said, "but after listening to this convict's story I can understand why people of this state wonder about our prison system."

"I have never seen a man, white or black, treated in a manner to which this man testified he was treated. There are chains put on prisoners who have escaped or tried to escape when they are captured, but they won't be allowed to run away."

"Out of 1,441 convicts in 31 convict road gangs in Florida there aren't 20 inmates with chains on."

Governor Hurley last week refused to extradite James Cunningham, wanted in Georgia, on grounds of "cruel and abusive brutality in the Georgia penal system."

Hill, alias Mayo Collins, said he was a native of Bangor, Maine. He admitted escaping from a Florida road gang on July 4, 18 days after he was given a 10-year sentence for robbery.

Hill was picked up recently in Boston on suspicion and fingerprinted, which led to his identification.

Acaluppo continued the hearing until tomorrow.

Hope Is Seen For Air Route To Link Tampa, Mid-West

(Continued From Page One) merit," and a start toward this establishment might be made by the first of the year.

McKellar said earlier he believed the department might be ready to advertise for bids by October.

Branch said a definite start on the line would depend on three things:

1. Action by Congress to permit extension of existing air mail mileage. (McKellar, chairman of the Senate Postoffice Committee, said his group would approve such legislation, already passed by the House).

2. Establishment of other lines already having tentative approval of the department.

3. Availability of funds, depending on the terms for other new lines.

Among routes on the department tentative program, Branch said, are the following: Washington to Buffalo, Chicago to New Orleans, Jacksonville to New Orleans, Brownsville, Texas to Houston, Houston to San Antonio, either Kansas City to Denver or Wichita to Pueblo, Detroit to Sault Ste. Marie, Winslow, Ariz., to San Francisco, and Dayton to Chicago.

Branch said, "The whole West side of Florida has been hammering for a direct air line North," and their arguments were supported by interests in Alabama, Tennessee and Missouri who have been advocating a Kansas City to Tampa line.

However, he said, the lines already on the tentative program do not include this particular route. The tentative program and proposals to add facilities to existing lines will have to be considered, he added.

printed, which led to his identification.

Acaluppo continued the hearing until tomorrow.

Sanford Club Defeats Palatka Azaleas.

Come From Behind In Fifth To Push Across Four Runs In Five To Three Victory

Al Kasso's Long Triple Scoring Two Men In The Fifth Inning Is Feature Of Game

The Sanford Lookouts came from behind to defeat the Palatka Azaleas 5 to 3 last night at the Sanford Municipal Athletic Field.

Coming into the fifth inning the Lookouts were three runs behind. The Azaleas scored once in the seventh, eighth and fourth innings. Early in the fifth inning, Al Kasso's long triple scoring two men in the fifth inning. Kasso allowed four hits to the Sanford club but errors by the Sanford infield figured in the victory. Kasso pitched the remainder of the game for the Lookouts and allowed the Azaleas but one

Dykes Says White Sox Are Baffling Puzzle To Him

Chicago Opens Four Game Series With New York Today

NEW YORK, Aug. 4.—The distinguished feature of the Chicago White Sox, most surprising club of the 1937 major league season, is their thoroughness. There's no middle road for them. They go all the way one way or the other. Manager Jimmy Dykes even finds the club a baffling puzzle.

"I never know what they're going to do," he says. "I only know that they don't go halfway on anything."

Let's look over the personnel of the White Sox in town to challenge the Yankees supremacy in a crucial four-game series opening today:

Jimmy Dykes—Bombastic and energetic. No master mind but keeps players hustling to limit foul hits. Strives for results and doesn't stress any magic formula for getting them. Always carries a dozen cigars with him.

Luke Sewell—Handsome, affable Alabama boy. Clever story teller, specializing in tales about Sgt. George Connolly. Has caught three no-hit games (Ferland, Dietrich, Kennedy) and now a teammate of Ted Lyons, who also pitched a no-hitter. Reached peak after critics said he was through.

Zeke Bonura—Most irrepressible athlete in majors. After goes to mound-and-pitcher-on-back and gives him a flight talk. champion banana and spaghetti eater. Looks clumsy and slow but really extremely agile for a big man. Once stole home on Yanks to win game.

Jack Hays—Southern gentleman type. Moody at times, but likes to kid. One of best pivots on double plays and ranks a shark at snaring pop flies.

Luke Appling—Pleasant mounter. Nicknamed "Libby Holman" because of his incessant "moaning low." Complains of his aches and pains but couldn't keep him out of game with strait-jacket. A whiz at making plays and throws off balance.

Tony Piet—Stolid Polish boy. Stooze for Zeke Bonura. Always pleasant. Great fielder but erratic thrower. Makes worst throws when has most time.

Rip Radcliff—Nemesist of the

HITLESS WONDERS. Here are four "dream game" barriers, each of whom pitched a no-hit game, with the catcher who caught three of them. Left to right: Wes Ferrell of Washington (with Cleveland against St. Louis in 1911); Luke Sewell, Chicago catcher (against Kennedy, Ferrell and Dietrich); Bill Dietrich, White Sox (beat St. Louis on June 1); Vernon Kennedy, White Sox (beaten Cleveland in 1936), and Ted Lyons, White Sox (beat out Boston in 1926).

Yanks with a batting average of .533 against them this season. One of baseball's most graceful hitters. Great wrist action and beautiful follow through. Friendly but not talkative.

Mike Kreevich—Sturdy, taciturn tiny man. Great fly chaser and dangerous hitter in clutch.

Dizie Walker—The player the Yanks sold the White Sox for a lemon who turned into a star after having a delicate shoulder operation performed. Sincere, hard worker who was so happy to get away from Yankees he not only tried the day he left camp. Resigned to go elsewhere was better.

Monte Stratton—Gawky, gangling Texan who has everything except a change of pace. Very boyish. Pitched only one bad game all year.

Thornton Lee—Another Yankee linx, who's beat them five straight times. Tough on left-handed hitters.

Johnny Whitehead—Smart on mound. Snappy dresser but inclined to blubbery side. Should be one of league's greatest pitchers.

John Dietrich—Quiet and studious. Wears glasses on and off field. Author of no-hitter this season.

Ted Lyons—One of league's most popular players. Handsome and well-groomed. Great prankster.

Vernon Kennedy—Lives in trail-

er when in Chicago. Angular fellow with sharp features. Former deacon, champion. Penn relay. Slumped from 1936 form, when he won 20 games, because of wildness. Duncan Rigney—A big kid with a great deal of ability. Destined to become star with a little more experience.

The law absolutely says it is impossible to get intoxicated on such a beverage.

Harold Irwin, assistant county attorney, argued that the legislature placed no such interpretation in the 3.3 beer law.

"Were such a ruling made, a person could drink a quart of whiskey and then testify he drank nothing but beer of 3.3 alcoholic content or less and beat the case," he declared.

Leifheit contended that if he appeared drunk, it was because he suffered four broken ribs in a crash with another transport which led to the charge against him.

Judge Murray, in overruling a demurrer, held that each case would have to be considered on its own merits.

Madden has indicated he will carry the case to the supreme court if he loses.

Kansas Still At Sea As To When Person Is Drunk

WICHITA, Kan., Aug. 4.—(AP)—Kansas' latest prohibition question, "can a man drink a barrel of 3.3 beer and not become legally intoxicated," will be put to a city court jury here again in 10 days.

Four men and two women jurors failed to agree yesterday in the trial of William Leifheit, transport driver, charged with driving while under the influence of intoxicating liquor. They stood four to two for acquittal.

John Madden, Jr., defense attorney, cited a law passed by the last legislature defining any beverage of 3.3 percent alcohol as not intoxicating. Therefore, he asserted, "a man can drink a barrel of 3.3 beer and still not be guilty of intoxication."

Summer Beats Retreat Boise, Idaho, Aug. 4

BOISE, Idaho, Aug. 4.—(AP)—Dense summer heat and a nasty retreat from Southern Idaho yesterday.

Hail and snow drove temperatures as low as 35 degrees—seven below freezing—at Cascade and caused some damage to pines. The temperature at Idaho Falls was 44, ending two weeks of heat.

Yankees Defeat White Sox Twice Before Large Crowd; Stretch Lead To 7 Games

Lou Gehrig Celebrates 1900th Straight Game With Home Run In First Inning

NEW YORK, Aug. 4.—(AP)—Bill Dickey's four-run homer in the eighth inning of the second game clinched a Yankee doubleheader victory over the White Sox, yesterday, 7 to 2, and 5 to 3, before a paid attendance of 66,767, largest week-day crowd of the season.

The victories jumped the Yankees lead to seven full games over the Sox and insured the New Yorkers an even break in the four-game series.

All the Yankee runs were scored on homers. Lou Gehrig's twenty-second in the first inning of the opener with two on gave the champions a three run lead. Later Tony Lazerri hit one with the socks clear and Joe DiMaggio added No. 22 in the seventh with two mates on base. Behind this impressive slugging Charlie Ruffing breezed to his fourteenth victory of the year.

Dickey's homer broke up a game the Sox apparently had won by ousting Vernon Gomez with a two-run attack in the eighth. Tony Lazerri's homer had scored the only other Yankee run, when after Red Rolfe singled, DiMaggio doubled, and Gehrig had bunted, Dickey's pitched into the right field stand. It was his nineteenth straight since the season.

Gehrig's homer in the first inning of the first game celebrated his 1,900th consecutive game for the Yankees. Between games the iron man was presented with a watch by George M. Cohan, actor. The watch was awarded Gehrig for his selection as the league's most valuable player, last season.

Johnny Murphy relieved Gomez in the eighth inning of the second game and received credit for his ninth victory, after the Sox had broken a 1-1 deadlock, on the three singles and Bob Rosary's double, yesterday.

The first motion picture with sound was shown in 1926.

Ad Fund Refused By Sarasota Commission

SARASOTA, Aug. 4.—(AP)—The Sarasota county commission recently followed Hillsborough county's example and refused to contribute to the all Florida advertising program as sponsored by Governor Coss.

The commission instructed Deputy Clerk William A. Wynne to inform the governor that no funds were available for the purpose.

"You might add," said one member of the board, "that he didn't veto the Murphy bill, which has helped so much in building up county funds through collection of taxes." He referred to the Florida land recovery act now pending before the supreme court.

Schedule Of Coming Games

Wednesday, August 4—Sanford at Leesburg, 8:15 P. M. Thursday, August 5—Leesburg at Sanford, 8:15 P. M. Friday, August 6—Orlando at Sanford, 8:15 P. M. Saturday, August 7—Sanford at Orlando, 8:15 P. M.

"Fight To The Death" Is Cry Of Kai-Shek

U. S. Consul Officials Mobilize American Population For Exigency Of Evacuation

Missionary Work Feared Menaced

Japanese Troops Roll North To Halt Advance Of Chinese

SHANGHAI, Aug. 5.—(AP)—United States consular officials in all China organized the whole American population for the exigency of evacuation tonight while Generalissimo Chiang Kai-Shek suddenly proclaimed "We will fight to the death."

By nightfall, unannounced Japanese troops rolled north to halt the Chinese advance from behind China's great wall.

Two Generalissimo Chiang Kai-Shek, China's "strong man" leader of the central government flew to Kuling to tell the nation's chief educators that China will resist the Japanese advance "even though it means fighting to the death."

Three American missionaries residing in Japanese-occupied North China would wipe out missionary and education dollars in American investments and years of hardest toil.

Four, Consul General Clarence Gauss at Shanghai directed the formation of an American relief committee to minister to the lives of 4,000 American missionaries.

Commission O. K.'s Specifications For Proposed Hospital

Revised blue-prints and specifications for the proposed county-owned hospital here, presented by architect Elton J. Moughton, were approved at the special meeting of the Seminole County Commissioners in the Court House this morning, according to O. P. Herndon, clerk of the Circuit Court.

Dr. H. D. Smith, speaking for the Seminole County Medical Society, also told the Commissioners that the Society expected the County to provide a full-time physician to care for county cases during the next fiscal year. He indicated, however, that members of the Society would furnish a rotating service to patients after entering the hospital and that his service would be furnished without charge to the county.

During the session the Commissioners also agreed to pay one-half of the county's portion of the cost of litigation in connection with the railroad withholding payment of certain taxes. The School Board, it was indicated, agreed to pay a similar amount.

Storm Nears Coast Of North Carolina

JACKSONVILLE, Aug. 5.—(AP)—The weather bureau said today "a slight Atlantic disturbance" probably would pass over or near the North Carolina coast this afternoon or early tonight "without damaging winds." Observers said the storm was, which never has developed into a full tropical disturbance, continued to be a hazard for small boats.

HISTORIC PLANE JUNKED

LONDON, Aug. 5.—(AP)—Searching for curves in the California market, "Trolley" Cole, secretary of the Collectors' club, came to a halt this afternoon when he saw an exhibition mounted in honor of the "Mallory" plane, which on Sept. 19, 1902, made history by flying from Kitty Hawk to the ocean.

Missing In Plane Tragedy On Ocean

C. Q. Caldwell (above) of Miami, Fla., a line inspector for the United States Commerce Department's bureau of airways navigation, was among 14 persons believed lost in the crash of a Pan American-Greece liner into the sea off Cristobal, Canal Zone. Caldwell formerly lived in Atlanta, Ga.

Lee Splits With Board Refusing To Distribute Tax

Says He Will Not Pay Out Sums Under Act He Thinks Invalid

TALLAHASSEE, Aug. 5.—(AP)—State Comptroller Lee split with the board of administration yesterday, refusing to pay an order that gasoline tax money be distributed to the counties under terms of special legislative acts.

Governor Cone and State Treasurer Knott, the other members of the board voted to make payments as the legislation directed, even though the special acts may be considered invalid.

Lee said that for his own protection, he would not disburse the money under laws that he felt were unconstitutional.

"It takes a valid act to get money into the state treasury," Lee said, "and I'm going to insist upon a valid act to get it out again."

Cone and Knott said the comptroller would be adequately protected by following the legislature's directions until ordered to do otherwise by the courts.

Knott's office said at least 28 counties were affected now by Lee's decision, and Attorney General Landis said about 36 of the 67 counties eventually would be.

The general gasoline tax law of 1931 provided that proceeds from three cents of the levy should be used to pay the counties for helping to build the state highway system. The law directed that when each county had received its share, that county's portion should go to the state road department to build roads within the county's boundaries.

In 1933, 1935 and 1937, the legislature passed at least 28 special acts, each of which provides some other disposition of a county's share of the gas tax money.

"Delegations from these counties have been coming to me for money under these acts," Lee told the board.

"I suggested to each delegation that it bring a mandamus in the (Continued on Page Five)

Chrysler Has To Shut Plant Due To Riots

Fighting Between Rival Unions Forces Cessation Of Work In Plymouth Plant

DETROIT, Aug. 5.—(AP)—Chrysler Corporation's Plymouth plant remained closed today pending the settlement of differences which led to fighting between rival unions yesterday.

Ten men were injured and a riot call for police was sent out. Only a few men appeared for work this morning.

The gates were not opened and from the United Automobile Workers' sound truck circling the plant came instructions for the men to return to their homes.

Conferees between representatives of the UAWA and the management were resumed today.

The UAWA demanded the reinstatement of four men discharged for alleged participation in an attack yesterday noon on two officials of the Independent Association of Chrysler employees whose claims of 26,000 members are disputed by United Automobile Workers.

In a scoreless deadlock for seven innings, the Senators and the Georgia Crackers finally terminated their game yesterday morning at the Sanford Ball Park with a 7 to 1 victory for the Senators.

The tilt was another of a series sponsored by Eugene Warren, recreational supervisor of the WPA.

Exceptional field work was attributed to Frank Johnson, middle guard; George Oricker, and Kenneth Echols, Huffing for the Senators was Hubert Hayes, while on the mound for the Crackers was John Carter.

Lineups for the Crackers included: Billy Tippins, shortstop; Ed Edger, third base; Glenn Odham, first base; H. Robinson, catcher; James Carter, right field; Charles Gormly, left field; Kenneth Echols, second base; Frank Johnson, center field; and John Carter, pitcher. Substitutes were M. Edger and B. McMullen.

The following lineup was given for the Senators: F. Griffin, shortstop; N. Kenis, first base; G. Kenis, catcher; H. Hayes, pitcher; L. Barneau, third base; G. Griffin, second base; B. Barneau, center field; M. Hayes, left field; and E. Griffin, right field.

Democratic Leaders Plan 'Harmony' Meet

WASHINGTON, Aug. 4.—(AP)—Democratic senators, badly split in recent legislative quarrels, arranged yesterday a "harmony" dinner for next Tuesday night at a local hotel, and invited President Roosevelt to attend.

The dinner will be a stag affair, Mrs. Cartaway, the Arkansas senator, was not invited, but those in charge said virtually all other Democratic senators had accepted.

Vice President Garner will preside at the affair, which was described as purely social.

KIDNAPED BABY FOUND SAFE

The day after Donald Horst, 30 months old, was taken from the back yard of his home in Chicago, he was found safe in the home of John Regan, a machinist, and his wife who claim they are the child's real parents.

They admitted snatching the boy from Mrs. Otto Horst's arms but denied they demanded \$5,000 ransom. The Regans are shown with Donald who seems quite unperturbed about the whole affair.

Brownlee Tells Off Tour Through Western Areas

An account of a 7,000-mile Western tour which carried him through many of America's most famous show places was related this morning by Dr. E. D. Brownlee, pastor of the First Presbyterian Church.

Dr. Brownlee made the entire trip by automobile and was accompanied by his wife and son, Harry.

He began his trip by journeying through North Carolina to Louisville, Ky., where he saw the territory which was recently plagued with a devastating flood.

"Although nearly all damage has been repaired, there are still marks which indicate the intensity of the flood waters. On some houses, the water marks stood out plainly on the paint," he said.

From Louisville, Dr. Brownlee went to Kansas City and Colorado Springs where he traveled over dizzy roads in the ascension of Pikes Peak. He then went to Jackson Hole, which is one of the most famous big game hunting sections.

He saw the Grand Canyon, Zion National Park, and Grand Teton containing "the most beautiful mountains I have ever seen," and bathed in the Great Salt Lake.

Many pictures were taken of the great varieties of animals in Yellowstone Park, he said, and an exhibition "feeding" of black and grizzly bears was featured for the entertainment of tourists.

"We were told of a sure method to determine whether a bear was a black or grizzly," Dr. Brownlee said. "It was stated that after first finding a suitable climbing tree, we should sneak up behind the animal in question and give him a good, hard kick, and climb the tree as rapidly as possible. If it were a black bear, it would climb the tree after us, and if it were a grizzly, it would camp at the base and wait for us to come down. We didn't care to try it!"

He traveled through Albuquerque, New Mexico, to Tennessee and North Carolina before he returned to Sanford.

Dr. Brownlee seemed to echo the words of nearly all weary vacationists when he said, "We had a wonderful time, but are glad to be home again."

SENATE CONFIRMS

WASHINGTON, Aug. 5.—(AP)—The Senate confirmed yesterday the nomination of James L. Houghtaling, of Illinois, to be commissioner of immigration and naturalization.

Hard Fighting Is Reported In Spanish War

Government Soldiers Rally To Defend "Life Line" Road Linking Two Cities

By The Associated Press Spanish government forces, rallying to defend the Madrid Valencia "life line" road, took intensive positions today north of the highway to Coenca and announced they had won a skirmish from insurgent Moorish forces.

A government column was said to have fought a 10-mile southwest of Trucel, base of the insurgent Aragon drive, ended with bodies of turbulent Moors strewn over the battlefield.

In Northern Spain, insurgents reported gains in a decisive defeat of their enemy near Cuera. The insurgent gumbast Dabo was reported to have sunk a small trailer of unidentified nationalities as it attempted to cut a blockade of government-held Santander on the Bay of Biscay.

The evacuation of Santander, reduced to serious straits by crowding and lack of food, was reported under consideration.

Atlanta Banker's Kidnaper Escapes Prison In Georgia

MILLEDGEVILLE, Ga., Aug. 5.—(AP)—Kidnaper Randolph DeWind was housed on an escaped convict last night in the latest of a series of developments centered about the Georgia penal system.

While prison officers sought the man sentenced to a 15 to 20 year term for the kidnaping of John E. Otley, Atlanta banker, and Governor Eaves recommended fingerprinting of applicants for executive clemency, police announced the capture of two fugitives and a legislative commission headed for Pearson to investigate the death of an 18-year-old prisoner.

Vivian Stanley, prison commissioner, said he believed DeWind, who escaped from the Milledgeville state prison kitchen Tuesday, was bound for Massachusetts.

Governor Eaves and the state commission said the refusal of Governor Bailey to extradite a Georgia fugitive from Massachusetts started a wave of escapes from Georgia prisons.

Eaves suggested the fingerprinting process to curb parole evasions. He said the prints would be forwarded to the federal bureau of investigation for detailed reports of criminal records clemency applicants might have.

CITY NEWS BRIEFS

The weekly meeting of the Sanford Sea Scout Troop will be held tonight at 7:30 o'clock at the Junior High School.

Although all materials for the concrete gutter to be laid on Magnolia Avenue have not yet arrived, pouring was begun today with city materials.

The regular meeting of the Seminole County Public Officers' Association will be held in the Seminole High School tonight at 8:00 o'clock. It was reported today. Preparation of Public for the Lacing House will be the topic of discussion.

A fire in Warner recently destroyed a home belonging to Mrs. Elizabeth Bryant which at the time of the fire was occupied by her sister, Mrs. Edith Carter. Nothing was saved from the blaze, it was learned, and the cause of the fire could not be ascertained.

TOKYO, Aug. 5.—(AP)—To determine if there is an ethnic link between the North American and Japanese aboriginal races, a group of Japanese scientists is to make an expedition to the Kuril Islands, south of Kamoshaka Peninsula.

Chauffeur Sought For 'Kidnaping'

Although Donald Horst, 30 months old, was found safe in the home of Mr. and Mrs. John Regan several hours after he was taken from the back yard of his home in Chicago, police launched a wide search for Fred Horst (above), a chauffeur, on the theory he was the central figure in the strange case.

The Regans, who admitted taking the child, claim they are his real parents. They said Horst never by drive of the automobile in which they took away with Donald.

Opening Dates Of Schools Are Set By School Board

The opening date of the Lake Mary, Ocala, Longwood, and Chuluota schools on Sept. 7 and Sanford, Geneva, Avonlea, Lake Monroe and Proctor schools on Sept. 14 was approved at the meeting of the Seminole County School Board in the office of the Superintendent of Public Instruction, W. W. Lawford, yesterday.

The County Superintendent's proposed schedule for the County that will have the schools open here for two weeks prior to being admitted to the schools or until parents can be notified from a physician in the City which was stated during the session in that schools.

The School Board also voted to join the Seminole County Commissioners in the adoption of the bill of the railroad corporation to be authorized to take possession of the right-of-way for the proposed road.

The bill, which was introduced in the House, which may result in the collection of the delinquent taxes in full.

Members of the Board also voted to issue their first and third purchase orders on all county-owned school buses with J. C. French representing the American Fire and Casualty Company and to issue their purchase orders on all buses owned by private individuals with the Sanford Fire Insurance Association.

The annual report for the last school year was presented to the Board.

Landis Gives Ruling In Employment Row

TALLAHASSEE, Aug. 5.—(AP)—A ruling of Attorney General C. C. Landis that Florida's 27,000-approximate jobless unemployment benefits be suspended until an agreement with the federal government, who made public today. The statute has been discontinued and employees placed on furlough by John Emerson, State director, after Governor Cane appointed Fred B. West above as Emerson's successor until the federal service resumed to recognize the agreement.

Mr. West has been made by Governor Cane to set up a temporary State service to place the federal State employees.

Dr. O. J. Miller loses Finger by Infection

Dr. O. J. Miller, well known physician and operator of a shoe store on Park Avenue, was taken to a hospital in Ocala Tuesday where one of the fingers of his right hand was amputated because of an infection which developed about four months ago when a tooth of a certain plant penetrated the flesh.

Yesterday he was reported as being satisfactorily. Dr. Miller is a brother of City Judge Frank Miller.

Palm Beach Collects Full Amount Of Taxes

PALM BEACH, Aug. 5.—(AP)—Tax Collector Joseph Burton reported yesterday this county's total estate taxes were 100 percent paid for the first time in its history.

OF \$25,211 on its books, only \$2,821 was delinquent, Burton said. A delinquent tax sale Tuesday brought this amount in full.
