SANFORD, FLORIDA, FRIDAY, OCTOBER 14, 1921

NUMBER 9

CONSTRUCTION IN FLORIDA SHOWS REMARKABLE GAINS ALL OVER THE GREAT STATE

Jacksonville Leads the State With Miami Close Second

SANFORD'S RECORD

WAS SEVEN TIMES AS GREAT AS SAME MONTH LAST YEAR

(By The Associated Press)
JACKSONVILLE, Oct. 13.—New construction authorized in 12 of the principal cities and towns of Florida during the month of September totaled \$2,137,200, while the aggregate for the same cities during the first nine months of the current year was in excess of \$19,571,700, according to building statistics compiled by The Associated Press from official records of municipal buildings, inspectors and commissioners. Real estate, building material and financial interests here declare that an estimate of approximately \$40,000,000 worth of new construction in Florida for the 12 months of 1921, would not be far from the mark, as the 12 cities reporting in September almost touched the \$20,000,000 figure the first nine months of the year alone. Throughout the state new construction on a large scale has been in progress since January 1 and it is regarded as certain that the 12 places with almost \$20,000,000 worth of new building thus far do not account for half of the state's total.

Jacksonville again led the state during September with permits aggregating \$465,851 while Miami was second with \$407,500, St. Petersburg third with \$385,535 and Tampa fourth with \$366,531. For the first nine months of the year, Miami held first place with a total of \$3,948,900. Jacksonville was second with \$3,595,200 and St. Petersburg third, less than \$100,000 behind the runner-up, with a total of \$3,497,695. Tampa's total for the same period was \$3,173,716 with the triple cities of Daytona, Daytona Beach and Seabreeze and Orlando following with \$1,430,000 and \$1,387,000 respectively.

Jacksonville's total for the first nine months of 1920 was only \$2,712,500, approximately \$800,000 less than for the same period this year.

Miami's September record was almost \$100,000 more than for the same month last year while the total for the first nine months was more than \$800,000 in excess of the figure for the same period in 1920. The total for the 12 months of 1920 was \$4,556,365. The largest single permit last month was for an apartment house to cost \$30,000.

St. Petersburg, which with Jacksonville, Miami and Tampa, is one of the four cities leading the state in building, showed a gain of approximately \$120,000 last month over the same month last year, permits in September, 1920, totalling \$265,850. Building for the first nine months of this year showed a remarkable increase over the same period last year, the 1921 figure being \$3,478,695 as against \$1,922,720 for 1920. During the 12 months of 1920 permits aggregated only \$2,801,000, or more than \$600,000 less than for the first nine months of the current year. The largest single permit last month was for construction of a store building at a cost of \$20,000. Several large building projects are contemplated before the end of the year.

Tampa's September permits were more than double those for the same month last year, when the total was only \$150,785. The September figure was \$306,531. The total for the first nine months of 1921 lacked only \$2,000 of being \$1,000,000 greater than for the same period last year while the aggregate for all of 1920 was only \$2,564,322 and for 1919, \$1,202,534. The largest single project authorized last month was a grammar school, to cost \$74,000. Commenting on the building situation in Tampa, the city building commissioner declared that construction activities were "booming" and that in all probability they would continue indefinitely.

Cost estimates on permits during September in the Triple Cities, Daytona, Daytona Beach and Seabreeze, were \$180,100. Daytona Beach led the three corporations with permits aggregating \$123,055. The September total for the city of Daytona was \$34,

ARBUCKLE'S CASE IS UP IN COURT AT SAN FRANCISCO.

(By The Associated Press)
SAN FRANCISCO, Oct. 13.—The case of Arbuckle, charged with manslaughter, is on the calendar of the Superior Court here today. Arbuckle left Los Angeles last night to appear.

SUBMARINE R-6 HAS BEEN BROUGHT TO THE SURFACE.

(By The Associated Press)
LOS ANGELES, Oct. 13.—The Submarine R-6, which sank in San Pedro Harbor on September 26, with the loss of two of her crew, was brought to the surface last night.

BRITISH CABINET AND SINN FEIN ARE MEETING

IN LONDON TODAY AND LOOKS LIKE PEACE.

(By The Associated Press)
LONDON, Oct. 13.—Members of the British cabinet and Sinn Fein leaders conferring here today, adjourned at one-thirty this afternoon after a session of one hour and a half. Arthur Griffith, Sinn Fein foreign minister, and head of the Irish delegation, was asked when the delegation was coming back. "We are not coming back here," he replied, when he added, "we are coming back at 11 o'clock tomorrow."

005, and for Seabreeze \$13,000. The largest single project was that undertaken by J. W. Canine of Daytona Beach, who is building a \$75,000 three story structure. On the ground floor will be an automobile sales and service garage. Within the ell will be two stores. A modern hotel of 50 rooms will compose the two upper floors of this building. Permits for the Triple Cities during the first nine months of the year were in excess of \$1,430,000.

Orlando's total for September was only \$83,327, as against \$113,910 for September, 1920, but the slight decrease cannot be taken as an indication of a falling off in construction for the year. The 1921 nine months total is \$1,387,650 as against \$1,358,545 for the same period last year. Several large projects are in prospect for the last three months of this year, one of them a hotel to cost \$1,000,000. A temporary permit for this structure already has been taken out but has not been included in the total permits actually issued, the builders awaiting the receipt of the first shipments of steel for its construction before obtaining the formal permit. The total of permits issued during all of 1920 was \$1,841,712 and in 1919, \$633,367. The largest single project authorized in September was an apartment house to cost \$10,000.

Lakeland's September permits amounted to \$79,105 and the total for the first nine months of the year was \$879,955. Prospects for a boom in construction the last three months of the year are bright, one of the projects including the buildings for Southern College, which will cost several hundred thousand dollars.

Permits issued in DeLand during September aggregated approximately \$56,000 and there is every indication that building during the last three months of the year will be more brisk than heretofore. It is estimated that construction this year already has amounted to approximately \$2,050,000. The largest single project authorized in September was a \$30,000 brick garage.

St. Augustine's permits in September involved almost double the amount of those issued the same month last year, last month's figure being \$30,835 as against \$16,680 a year ago. This total for the first nine months of this year was \$180,195 as against \$99,465 the first nine months of 1920 while the total for all of 1920 was only \$110,635, and for 1919, \$85,780. The largest single project authorized in September was a residence to cost \$5,500. It is expected that permits issued the last three months of the year will exceed in value those issued the first nine months as the Florida East

SHERIFF HAND REPLIES TO AUBURDALE SQUAWKERS SAYS WERE HUNTING HERE

The writer is today in receipt of a marked copy of the Tampa Tribune of October 10, 1921, presumably sent by one H. P. Walker, of Auburndale, Fla., one of a party of twelve men and twenty dogs, who had invaded the confines of Seminole county on a pretense of bear hunting; coming as they did, all the way from Polk and other counties, to do so.

However, the writer being a subscriber of the Tampa Tribune, and a close reader of its columns, had read the article before and was touched with a feeling of sorrow for Mr. Walker in his exhibition of ignorance in his statement of a dead law resurrected in order to frame up. The fact is that a law on the statute books is never dead until repealed, and I have never heard of this law being repealed. The fact of the matter is, Mr. Walker and his party of twelve men and twenty dogs came from Polk and other counties to hunt, out of hunting season, of course, as he says. They might not have had any intention of killing anything other than a bear, and I do not charge that they would, for I take them all to be gentlemen and good sports, but who is it that can control twelve men with twenty dogs in the woods at one time, and keep them from disturbing other game, save a bear that they might by chance cross the trail of? The fact is, some of the dogs were running deer on that day, as seen by citizens of this county. That being true, I would like to ask, were the people citizens of Seminole county, the Game Protective Association say nothing of the officers of the law, who are trying so hard to protect and save what little game there is left, treated with due consideration by the

parties who were hunting out of season, notwithstanding they did not shoot a gun that we know of, but did violate the statute law by carrying repeating rifles without first having obtained permits, and for this violation, seven of them were arrested and brought before the court and fined by the county judge, who was not invited to Polk county to hunt with a promise of should he come with a repeating rifle, without having first obtained a permit, as Mr. Walker stated in his article in the Tribune. I again ask Mr. Walker with all due respect, does he think the citizens of Seminole county were being treated right, when he, with others, came from other counties out of hunting season to turn loose a bunch of dogs, and men with guns, on a pretense of bear hunting, knowing that the dogs, at least, were bound to disturb other game, which they did do? Does he think for a moment, that twelve men with guns and twenty dogs, could go into Polk county to hunt out of season and the party not be investigated by the officers of the law, and under such circumstances that any law that came to their notice that was being violated, would be overlooked by the officers? I do not think so; not John Logan and his deputies, for they are not that kind of officers. In conclusion, would say that the party was shown every courtesy and respect by the officers of this county, and I believe Mr. Walker will bear me out in this statement, and must admit they were violating the law for which they were brought before the courts, plead guilty and fined.

C. M. HAND,
Sheriff Seminole County, Florida.

FUNERAL OF SENATOR KNOX WILL BE ARRANGED TODAY BY FAMILY

KANSAS DISTRICT UNITED MINE WORKERS HAS BEEN SUSPENDED.

(By The Associated Press)
PITTSBURG, Kan., Oct. 13.—The Kansas district of the United Mine Workers of America has been suspended by John L. Lewis, international president, it was announced today. Alexander Hoyt and all other district officers was summarily relieved.

MANY ARE KILLED IN RAILROAD WRECK AT BADAJOSE, SPAIN.

(By The Associated Press)
BADAJOSE, Spain, Oct. 13.—Many persons were killed or injured in a wreck of a mail train near Merida. The train was derailed by a washout.

LOYD GEORGE WILL ATTEND CONFERENCE

ON LIMITATION OF ARMAMENT TO BE HELD AT WASHINGTON

(Continued on Page 11)
LONDON, Oct. 13.—Prime Minister Lloyd George is preparing to go to Washington to attend the impending conference on limitations of armaments and Far Eastern questions and it is understood that unless unforeseen difficulties arise he will be there for the opening session.

BIG DIRIGIBLE WRECKED TODAY AT LANGLEY FIELD.

(By The Associated Press)
NEWPORT NEWS, Oct. 13.—The big dirigible from Langley Field was wrecked in Hampton roads this morning probably with a total loss. Three men were aboard when she left the flying station. Two jumped when the blimp descended almost to the ground before drifting over water while the third was rescued by harbor tugs.

FIRE WIPES OUT ELIASVILLE, TEXAS. FOUR BUILDINGS LEFT.

(By The Associated Press)
FOR WORTH, Oct. 13.—Fire virtually wiped out the old town of Eliasville, in Young county, this morning. Only four or five buildings remain in the business section of the town, according to telephone messages from Southland.

GERMAN EXCHANGE DROPS LOWEST QUOTATION IN HISTORY.

(By The Associated Press)
NEW YORK, Oct. 13.—The German exchange dropped to the lowest quotation in its history today; seventy and one-half cents for one hundred marks. Previous low record was seventy-eight cents.

WEALTHY RESIDENT DIES AT MIAMI WAS FROM CHICAGO.

(By The Associated Press)
MIAMI, Oct. 13.—W. B. Ogden, a member of a wealthy Chicago family, died here today with acute indigestion, at the age of fifty-six.

Divergent Views Regarding Relief of Unemployed

(By The Associated Press)
WASHINGTON, Oct. 13.—Divergent views as to need economic readjustment for relief of unemployment presented at the National Unemployment conference today by its manufacturers committee. Majority members recommended several sweeping measures including the repeal of the Adamson eight-hour railroad law and denunciation of any group seeking its own interests "to resist economic adjustment." Minority members thru Samuel Gompers strongly emphasized that "there must be adopted no policy of wage reduction."

Philander Knox, Prominent Republican Senator Died Yesterday SUFFERED STROKE

OF APOPLEXY AND DIED VERY SUDDENLY AT WASHINGTON

(By The Associated Press)
WASHINGTON, Oct. 13.—Arrangements for the funeral of Senator Knox, of Pennsylvania, who died suddenly last night at his home here after a stroke of apoplexy are expected to be made today upon the arrival of out-of-town members of the family.

WASHINGTON, Oct. 13.—Philander Chase Knox, senator from Pennsylvania and secretary of state under President Taft, died suddenly at 6:30 o'clock last evening at his home here. He was stricken with paralysis after descending the stairway on his way to the dining room for dinner and passed away fifteen minutes later without regaining consciousness.

Mrs. Knox and the senator's secretary, W. F. Martin, were near the senator and hurried to his aid. Dr. Samuel Adams was summoned immediately, but he found Mr. Knox beyond medical aid.

Senator Knox returned to Washington only last Monday night, from a trip to Europe with Mrs. Knox and he attended the sessions of the senate Tuesday and Wednesday. Leaving the chamber about 6 o'clock yesterday afternoon, the senator took an automobile ride through Potomac Park and stopped on his way home to purchase tickets for a theatre performance last night.

Reaching home the senator went to his library where he remained until summoned to dinner.

President Harding, Chief Justice Taft, Senator Lodge of Massachusetts, the Republican leaders, Senator Penrose, of Pennsylvania, and other friends and close associates of Mr. Knox were soon notified of the senator's death.

The news came as a shock to all official Washington, for the senator, thru his services first as attorney-general under Presidents McKinley and Roosevelt and later as secretary of state under President Taft, had a wide circle of friends in all walks of public life, congressional, diplomatic and legal.

The senate met today and adjourned out of respect to the late senator and with the house will name a committee to attend the funeral. Senator Knox's home is in Pittsburgh and he also had a summer home at Valley Forge. The place of interment has not yet been decided upon.

Senator Knox was sixty-eight years old and was serving in the senate for a second time, having first been appointed in 1904 to succeed the late Senator Matthew Stanley Quay. He was elected to succeed himself in 1905, but resigned four years later to become secretary of state.

Water Traffic League Met at Tavares Met All of Lake County

The Water Traffic League held one of the best and most enthusiastic meetings of the year at Tavares last night when over 200 Lake county growers and shippers met to discuss the water traffic problem and hear the questions of freight rates discussed. Vice-President G. W. Knight, J. G. Brill and A. P. Connelly, of the Water Traffic committee of the Sanford Chamber of Commerce represented this city at the meeting and gave a talk to those assembled and the address of A. P. Connelly made such a hit that they have invited the Sanford delegation and all the others assembled to meet at Leesburg next Monday night when an even larger delegation will be present to hear the freight rates and water transportation discussed. The people of Lake county are aroused and they will meet the members of the Water Traffic League more than half way in this idea of using the St. Johns river instead of the railroads in shipping fruits this winter.

SELECT JURY FOR RAWLINGS FOR MURDER

ANOTHER PHASE IN JACKSONVILLE KILLING OPENS UP TODAY

(By The Associated Press)
JACKSONVILLE, Oct. 12.—Work of selecting the jury to try Frank Rawlings began in circuit court today. Two hundred names for venire were drawn and the sheriff's office for several days has been serving summons. The trial of Hickman's slayer is expected to proceed rapidly after the jury is selected, which may take one or two days.

TRANSPORTATION TAXES DUMPED BY SENATE VOTE

CHEWING GUM LEVIES HALT PROGRESS FOR DAY.

(By The Associated Press)
WASHINGTON, Oct. 13.—Adoption by the senate of the republican compromise plan for repeal of all the transportation taxes on next January 1, was completed today with the acceptance without a dissenting vote of an amendment removing the tax on parcel post packages. Senator Reed, Democrat, sought to extend the repeal to levies on messages by telegraph, telephone, cable and radio, but his motion was voted down, 32 to 35.

Coast Railroad Company is to effect an office building at a cost of \$250,000 and St. Johns county expects to authorize the construction of a \$350,000 bridge across Mantanzas Bay.

Permits issued in September in Sanford involved an expenditure almost seven times as great as those issued the same month last year, the figure this year being \$28,560 as against \$4,200 in September, 1920. The total for the year, to date also showed a great increase, permits issued the first nine months of 1921 totalling \$256,853 as against \$81,945 for the same period in 1920. The total for all 1920 was only \$130,095.

SUITS STARTED IN ILLINOIS RECOVER MONEY

ALLEGED TO BE DUE BY THE STATE TREASURERS

(By The Associated Press)
CHICAGO, Oct. 13.—Suits to recover a sum of money alleged due the state of Illinois will be filed at Springfield next week against the state treasurers for several years back, it was announced today by Attorney General Brundage. Suits will charge interest on public funds has been withheld.

BIG MEETING FLA. GROWERS AT ORLANDO

WILL MEET WITH REPRESENTATIVES OF ROADS TO REDUCE RATES.

JACKSONVILLE, October 13.—A meeting of representatives of the railroads and vegetable and citrus fruit growers and shippers, will be held in Orlando, Thursday, October 27th, to discuss means of reducing freight rates on Florida fruits and vegetables, it was announced here today. The meeting is being arranged by the shippers, and notice of the conference are being mailed to shippers and growers throughout the state urging a large attendance.

of the current year was \$265,000 as against about \$40,000 for the same period in 1920. The total for all 1920 was approximately \$71,000 and for 1919, \$21,000. The largest single project authorized last month was a residence to cost \$12,500. Building here this year has been steadily on the increase and there is every indication that the pace will be continued during the next few months.

Gainesville's record for September was almost double that for the same month last year. Permits last month totalled \$25,405 as compared with \$14,130 last year. The total for the year to October 1, was \$361,005 as against \$185,970 for the same period last year and \$181,800 for all of 1920. A frat house for Delta Epsilon to cost \$15,000 was the largest project launched last month.

HALF MILLION DOLLARS FOR CITRUS INDUSTRY AND FLORIDA GROWERS

In Shape of Loan From
Government to
Growers
AID TO INDUSTRY

AND WILL BE LOANED ON CITRUS FRUITS AS SOON AS POSSIBLE.

WASHINGTON, Oct. 4.—Florida is to get half a million dollars from the recently enacted agricultural credits bill, which will be loaned to citrus fruits growers in that state.

This was the statement made here today by Dr. L. A. Bize of Tampa, president of the Citizens-American Band and Trust Co., of that city, after he and Dr. J. H. Ross president of the Florida Citrus Exchange; C. H. Walker of Bartow, and W. F. Miller, also of Tampa, and head of the Exchange Supply Co., had conferred with members of the War Finance Corporation regarding the matter.

"Florida will have \$50,000 available to be loaned on citrus fruits as soon as the usual formalities incident to the matter can be gone through with," Dr. Bize said.

"It is necessary, under the recently enacted legislation, for the agricultural and livestock interests to handle these matters through the committees from the different sections recently named by the War Finance Corporation," Dr. Bize continued. "As soon as this is complied with the money will be available for the purposes named."

This is one of the most important statements which has gone to Florida regarding the citrus fruit industry in many years, and means that with this half million dollars to be loaned on citrus fruits, that state is to profit immediately from recent legislation. This does not take into account anything to be loaned on livestock and other farms of agriculture, but simply on citrus fruit products.

Dr. Bize, Dr. Ross and Mr. Miller reached Washington last night and got in touch with the War Finance Corporation early this morning. They had no trouble in placing the matter before the corporation, certain important steps having been taken previously in the matter. The three Floridians believe that this money will go a long way toward assisting and stimulating the citrus fruit industry in Florida and it makes the outlook for this great enterprise even more promising than at any time in the recent past.

About two weeks ago Senator Fletcher arranged for the appointment of W. F. Coachman of Jacksonville, D. M. Lowry of Tallahassee, and T. L. Wilson of Bartow as the Florida members of the committee to act with the banks on these loans. Today he expressed great satisfaction that Florida was to receive half a million dollars for her citrus fruit industry alone.

"It should be understood," Senator Fletcher said, "that this money will be loaned to all citrus fruit growers, irrespective of whether they belong to the citrus exchange or not. It is a great thing for this industry, and I am glad that the state is to be so well provided for by the War Finance Corporation."

THE TEMPLE PIPE ORGAN.

(From Wednesday's Daily)

The Temple Pipe Organ Club had its regular weekly meeting Monday afternoon at the home of Mrs. Forest McAlister, 516 West First street, and twenty-two members were present, it being the first meeting with Mrs. Ryan, as president, several new plans were adopted. Next came the handing out of material for different articles to be made for the Christmas Bazaar. A rummage sale was then proposed, moved and seconded but no definite time as to just where or when this is to be, so all members keep your eyes open for next week's item and bring your part of the rummage. The hour of meeting was changed to 3:30. Announcement for next meeting to be with Mrs. G. M. McGahagan, 613 Magnolia. Social hour was much enjoyed by all while delicious refreshments of pineapple sherbet and cake was served by the hostess with Mrs. Pitts as her assistant.

Delegates to the Disarmament Conference will do a great good if they don't waste too much energy trying to do one another.

—Get your Scratch Pads from The Herald—by the pound—15c.

LONGWOOD

Mr. and Mrs. Bill Satcher are receiving congratulations upon the birth of a son. The young man has been named Charles Winfield after his grandfather Entzinger.

After many months of waiting, work has been commenced in the West Longwood road. This will be one of the great improvements which is certainly needed and will be appreciated by all.

School opened Monday morning with Prof. Miller principal and Miss Helen Moran as primary teacher.

Mrs. J. S. Dinkel and Miss Olive Dinkel were visitors in Sanford Friday.

Mr. Newell and Frederick Grist were visitors in Orlando Friday.

It behooves you to look out for sneak thieves. Some one entered Bill Satcher's house some time last Friday or Friday night, and stole Mrs. Satcher's diamond ring and Mr. Satcher's revolver.

Mr. Partin and family of Oviedo were the guest of Mr. and Mrs. Geo. LeVigne Sunday.

Maurice and Clyde Clouser were visitors in town Sunday.

There was church at the Baptist church Sunday, Rev. Burr, officiating.

Mr. and Mrs. A. Y. Fuller and daughters, Leila, Francis and Emma, spent the day in Orlando Sunday, the guests of Mr. and Mrs. Frank Topliff.

Miss Florence Taylor has returned to her home in Fort Valley, Ga., after several weeks' visit with her aunt, Miss Florence Lovell.

A. Y. Fuller is attending the Citrus Seminar which is being held at Gainesville.

Mr. Hayden Miller, of Jacksonville, was the guest of J. E. Phipps, for a couple of days this week.

Mrs. Robinson and Miss Ora Welmer stopped in town Monday enroute to Orlando.

Mr. and Mrs. Robson, of West Longwood, left Monday for their future home Jacksonville, having sold their place to T. G. Roebuck.

Mr. Levi Dunbar has returned from Coronado Beach where he spent the summer.

Mayor Henk and wife, arrived home Tuesday night after a six week's visit to New York, the mayor's former home.

Mrs. Caldwell and Miss Dorothy Duffield spent the day Tuesday the guests of Mr. and Mrs. Reiter.

Mrs. J. R. Newell was a visitor in Orlando Tuesday.

Mrs. B. J. Overstreet and Mrs. Payne were visitors in Winter Park Monday afternoon.

S. C. Dickson spent the week-end in Sanford with his daughter, Mrs. Chris Mathews.

Miss Omah and Louise Allen are attending the Sanford high school this year.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1918.

Of the Sanford Herald, published weekly at Sanford, Fla., for Oct. 1, 1921.

STATE OF FLORIDA,
COUNTY OF SEMINOLE, ss.

Before me, a notary public, in and for the State and county aforesaid, personally appeared N. J. Lillard, who having been duly sworn, according to law, deposes and says that he is the Secretary-Treasurer of the Sanford Herald, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1918, embodied in section 1103, Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1.—That the names and addresses of the publisher, editor, managing editor, and business managers are:

Name of Publisher: Herald Printing Co., Sanford, Florida.
Editor: N. J. Lillard, Sanford, Florida.
Managing Editor: R. J. Holly, Sanford, Florida.
Business Manager: N. J. Lillard, Sanford, Florida.

2.—That the owners are: (Give names and addresses of individual owners, or, if a corporation, give its name and the names and addresses of stockholders owning or holding 1 per cent or more of the total amount of stock.)
Herald Printing Co., Sanford, Florida.
R. J. Holly, P. F. Dutton, H. A. Neel, N. J. Lillard, T. E. Wilson, Ed. Bourke, Deane Treadwell, Sanford, Florida.

Mrs. O. R. Taylor, Indianapolis, Ind.

3.—That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are:
Mergenthaler Linotype Company, New York.

4.—That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, partnership, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

N. J. LILLARD,
Sec.-Treas.

Sworn to and subscribed before me this 7th day of October, 1921.

(REAL) MINNIE BAKER,
Notary Public.

My commission expires, October, 1924.

NEW SUBDIVISION WILL BE STARTED SOUTH SANFORD

MEANS MORE LOTS SALES AND MORE BUILDINGS IN A FINE SECTION OF SANFORD

Sanford is growing so rapidly that the home builders are pushing out from the more congested parts of the city and getting out in the suburbs which means a bigger and better Sanford.

Among the many new sub-divisions contemplated and that will be thrown on the market in a few days is Lane's Sub-division in the Southern part of the city and the subdivision extends from Sanford avenue to Oak avenue comprising some forty fine building lots at prices that will range from \$150 to \$750 on very easy terms and the success of the sub-division is already assured on account of the location and the very reasonable prices of the lots.

The Sanford avenue lots face the new subdivision of Rose Court and have the advantage of facing the East and extend for three blocks South to Oak. The lots are high and dry and healthy and in a part of the city that is experiencing a phenomenal growth.

Mr. Edward Lane, the real estate man, is putting on this new subdivision and he will use the Herald to exploit the sales of the lots in a few days telling the public all about them and giving the exact locations, prices, terms, etc.

The surveyor is busy today laying off the streets and lots and corners and arranging the plat and as soon as this work is finished many of the lots will be cleared and put in first class shape for the inspection of the public. Mr. Lane is to be congratulated upon putting this fine piece of property on the market at a time when lots are in such great demand. Watch for the advertisements in the Daily Herald.

NEW STORE OPENS TODAY RAFFELD-HONIG CO. IN THE SWOPE BUILDING.

Another new store threw open its doors today in Sanford, being the Raffeld-Honig Company, Inc., that opens at 213 and 215 First street in the Swope building opposite the post-office. The Raffeld-Honig Company is a new firm here, although A. Raffeld is not new, and is known to the trade, having been in business here for some time. The new store opened today, as scheduled, although much of their goods has not arrived as yet, but the new goods are coming in daily and each day will bring you many surprises in the beautiful new line of ladies and gents clothing and furnishings.

The slogan of the new store is "The Store That Saves You Money," and Raffeld-Honig Co. want you to come to the new store and watch them make good on the slogan. Representing the manufacturers, the new firm will sell direct to the consumer, and give the public a big saving on every article of merchandise in the store. A glance at the stock of goods and the prices, will convince you that the "Store Will Save You Money." Open today for business. Read their advertisement in this issue.

NOTICE

Notice is hereby given that the Board of County Commissioners in and for Seminole County, Florida, will receive bids at their next regular meeting to be held Tuesday, November 8th, 1921, at 10 o'clock, a. m., in the Court House at Sanford, Fla., for one year of metal culverts, or vitrified sewer pipe, sizes from 12" to 24", same to be delivered in Sanford, Fla.

Board reserves the right to reject any or all bids.

E. A. DOUGLASS,
Clerk Board of County Commissioners, Seminole County, Fla.

ACME-JR. Power Cultivator

Here is a machine that is bound to increase your profits. Compact, easily handled, yet substantially built, it will do the work of many men and do it better at less cost.

You will find it thoroughly reliable; and as all moving parts are dust proof and run in oil, it will give many years of service at low cost of upkeep. Write today for description, showing construction and attachments that may be had with it.

NOTICE OF MASTER'S SALE

Notice is hereby given that under and by virtue of a final decree of foreclosure and sale entered in that certain cause pending in the Circuit Court of the Seventh Judicial Circuit of the State of Florida, in and for Seminole County, in Chancery, wherein George E. Granger is the complainant, and Della M. Brown, and L. C. Brown, Little Tumbull Tyner and W. C. Tyner, Artie Elizabeth Tumbull, Alice May Tumbull and George A. Tumbull are defendants, entered on the 6th day of October, A. D. 1921, the following described real estate lying and being in Sanford, Seminole County, Florida, will be sold at public outcry to the highest and best bidder for cash, before the Court House Door in Sanford, Florida, during the legal hours of sale, on the first Monday in November, A. D. 1921, to-wit: Lot One (1), of Block Eight (8) of Tier Eight (8) according to E. B. Trafford's Map of the Town of Sanford, Florida, to satisfy the decree entered in said cause. Terms of sale: cash.

SCHIELE MAINES,
Special Master.

E. F. HOUSHOLDER,
Attorney for Compt.

NOTICE

Notice is hereby given, that on Friday, the 25th day of October, A. D. 1921, at the hour of 10 o'clock a. m., at the Court House at Titusville, Brevard County, Florida, the annual meeting of the owners of the lands situated in the State of Florida, in and for Seminole County, in Upper St. Johns Drainage District will be held for the purpose of electing one member of the Board of Supervisors, who shall be a land owner of said District, to serve for the term of three years and to succeed Ames A. Barlow, now a member of said Board, whose term of office expires on said day, and to transact such other business as may properly come before said meeting.

At such election each and every acre of land in the district shall represent one share and each owner shall be entitled to one vote in person or by proxy in writing duly signed for every acre of land owned by said owner in said district.

The person receiving the highest number of votes at said election shall be declared elected as said supervisor.

Dated this 1st day of October, 1921.
By order of the Board of Supervisors,
ERNEST H. EVERY,
Secretary.

In the Circuit Court of the Seventh Judicial Circuit of Florida, in and for Seminole County.—In Chancery.

CITATION

Lilybel Haynes, Complainant,
vs.
Paul Haynes, Defendant.

To Paul Haynes, Residence Unknown: It appearing from an affidavit filed in this cause that you are a non-resident of the State of Florida, therefore, you Paul Haynes, are ordered and required on the 5th day of December, A. D. 1921, to appear to the bill of complaint exhibited against you in this cause.

It is ordered that this notice be published in the Sanford Herald once a week for eight weeks, and required on the 5th day of December, A. D. 1921, to appear to the bill of complaint exhibited against you in this cause.

WITNESS my hand and the seal of said court on this 3rd day of October, A. D. 1921.

E. A. DOUGLASS,
Clerk of the Circuit Court,
Seminole County, Florida.

GEO. A. DECOTTES,
Solicitor and Counsel for Defendant.

NEW RETAIL MERCHANTS COMMITTEE

At a recent meeting of the Board of Governors it was decided to continue the good work accomplished by the Trade Extension Committee and the suggestion was made that a permanent committee, consisting of the retail members of the Chamber, be organized to handle not only the work previously assigned to the Trade Extension Committee, but any question, effecting the retail interests of the city.

The Retail Merchants Committee of the Sanford Chamber of Commerce will continue the Trade Extension and will work to bring a greater volume of business to Sanford from the immediate trade territory which now goes elsewhere. This will be accomplished through the inauguration of Dollar Days, Buy-at-Home Campaigns, Special Sale Days, Gala Days, and besides these recognized features will inaugurate original ideas for attracting those in adjacent communities to Sanford.

It is also the intention of this committee to bring to Sanford prominent business lecturers who have made an exhaustive study of the retail business. It will be recalled that last year the lecture, "Getting the Most Out of Retailing" was brought to Sanford under the auspices of the Chamber of Commerce, and proved of great interest to the retailers here.

A. E. Yowell will continue as chairman of the Retail Merchants Committee, which consists of all the retailers in Sanford who are members of the Chamber of Commerce.

DANCE AND PROMENADE

A delightful event of Friday evening was the dance and promenade given by Miss Carolyn Spencer at the home of Mrs. Allen Jones, in compliment to Misses Lillie Ruth Spencer and LaClaire Jones.

The rooms of this spacious home were most artistically decorated with quantities of ferns and pink vine, baskets and vases of these graceful vines were effectively placed in the various rooms and on the porch.

Dancing on the porch and promenade were enjoyed until a late hour when the guests were invited into the dining room, where they found the table beautifully decorated, the pretty motif of pink and white being carried out. On either end of the table were large birthday cakes, one in white topped with seventeen tapers for Miss Spencer, whose birthday anniversary it was, the other iced in pink topped with fifteen candles for Miss Jones, who shared honors with Miss Spencer. The cutting of the cakes afforded much merriment, each cake having the lucky symbols in it. A delicious salad course was served by Mrs. Jones assisted by Mrs. Claude Herndon.

There were about thirty-five members of the younger set who enjoyed Miss Spencer's charming hospitality.

Will You Spend 65c on Rat-Snap to Save \$100?

One 65c pkg. can kill 50 rats. The average rat will rob you of \$100 a year in feed, chicks and property destruction. RAT-SNAP is deadly to rats. Cremates after killing. Leaves no smell. Comes in cakes. Rats will pass up meat, grain, cheese to feast on RAT-SNAP. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Ball Hardware Co.—Adv.

FLORIDA WATER TRAFFIC LEAGUE MET LAST NIGHT, ELECTED OFFICIAL BOARD

By-Laws Were Adopted and Much Work Done

MOVEMENT GROWS

AND ENTIRE STATE IS BEING INTERESTED IN THE SHIP BY WATER PROGRAM

A small but very enthusiastic crowd attended the Florida Water Traffic League meeting at the Valdez Hotel last night but what they lacked in numbers they made up with the dispatch of important business and the manner in which they went about perfecting the organization. President S. J. Sligh occupied the chair and his enthusiasm and mature judgment on all matters pertaining to shipping were an inspiration to the meeting. The by-laws as compiled by the committee appointed for that purpose at the last meeting were read and adopted and the following officers were elected for the ensuing year:

S. J. Sligh, of Orlando, president; Geo. W. Knight, of Sanford, vice-president; W. M. Tarpley, of Orlando, secretary and treasurer.

The following representatives from various sections of the adjacent territory were elected as directors: Geneva, K. S. Reed, Endor Curlett, H. H. Pattishall; Osceola, P. J. Feitner; Palatka, J. W. Hart; Orlando, W. M. Tarpley, S. J. Sligh and E. A. Fleurnoy; Lake county, Willis B. Powell; Sanford, D. C. Marlowe, J. G. Ball, A. P. Connelly and G. W. Knight; Oviedo, O. P. Swope, C. S. Lee and W. J. Lawton.

Many good talks were made by those present from the various points and the reports showed that the organization is gaining strength everywhere and more people are now shipping by water than ever before since the early days when there were no railroads. Secretary Powell, of the Lake County Chamber of Commerce, stated that his people were greatly interested in the movement but did not understand much of the intricacies of the traffic and the manner in which the goods could be transported to Lake county and said that if the next meeting could be held in Tavares he could promise two hundred people from Lake county who are enthusiastic over the project but want more information about it. Secretary Cox of the Orlando Chamber of Commerce also told about the leaven working in his city and that many merchants have decided to cut out the express and railroad and give all their business to the Clyde Line and that now two, or three trucks were kept busy every day hauling freight from Sanford to Orlando and in a few more weeks these trucks would be coming to Sanford loaded with fruit thus making the truck line pay both ways as well as the Clyde Line.

There were many good talks made by various representatives and the meeting demonstrated that this movement is not a one-day or one-week or one-year movement but that it will last as long as the state endures and from this movement will come government aid for the rivers and harbors of Florida, and Orlando and points in Lake county will some day have their own canal from the St. Johns river and enjoying the regular water rate right to their doors or there will be truck lines established everywhere or the trolley lines will take their place. It means so much to all of Florida and especially this section of Florida that the more one discusses the possibilities the larger they loom upon the business horizon. The representatives made it plain that regardless of whether the railroads ever lowered the freight rates or not the League would keep right on using the water routes and use them for all their shipments all the time. Before adjournment it was decided to hold the next meeting at Tavares on next Wednesday night, October 12th at the pavilion at which time there will be a rousing campaign to interest all of Lake and adjoining territory to ship by water.

TO GUARANTEE BEES

GAINESVILLE, Oct. 7.—The State Bee Keepers' Association will hereafter act as guarantors for its members in the sale of bees, it was announced today. The bee keepers' adjourned their annual meeting this afternoon after a two days session.

Among the many new homes being built is that of Dr. Puleston at Rose Court which will be a two story stucco home with all the modern conveniences and up to date in every particular. Rose Court promises to be one of the most popular subdivisions in Sanford.

HURT IN AUTO ACCIDENT.

(From Tuesday's Daily)
Miss Lucy Bird Smythe was injured Saturday in an auto accident while riding in the Butte car coming from the football game at Orlando. It was thought at first that she was fatally injured, but she is better today much to the gratification of her many friends.

LIST ALL VACANT ROOMS WITH THE C. OF COMMERCE

The Chamber of Commerce intends to keep on file a list of all available rooms, apartments and houses, furnished or unfurnished, that any individual may have for rent. A particular request is made of those having available rooms, which can be rented during the coming season, to list them promptly with the Chamber of Commerce.

The number of inquiries received by the Secretary's office so far this season is greatly in excess of those received for a corresponding period last year, and once the season is well under way it is not difficult to imagine the large number of people who will be making inquiries as to the possibilities for securing accommodations in Sanford this winter.

Despite the extensive building program which has been carried on during the past summer, accommodations for tourists are woefully inadequate. It is absolutely necessary that every citizen who is interested in the growth of Sanford should make particular effort to provide accommodations for those visitors who are contemplating a trip here this winter.

It would be very discouraging to the officials of the Chamber of Commerce and to the public spirited men who comprise this organization to know that any one was forced to leave the city due to inability to secure housing accommodations.

Among these tourists will be investors in larger numbers than ever before visiting Florida. Sanford, as a result of the publicity now being carried on by the Chamber of Commerce, will be investigated by a great many who, through this publicity have become cognizant of the great possibilities Sanford offers for investment.

Listing of available rooms can be made by calling the office of the Chamber of Commerce, Phone 25-W, or by letter. Please give the following information:

Name of individual renting.
Location.

Accommodations offered, furnished or unfurnished.

Weekly and monthly charges.

Whether accommodations are suitable for light housekeeping.

Whether board is furnished and the price for same.

In the event that these rooms are subsequently taken, it is requested that the secretary's office be notified so that they may be taken from the list of offerings.

The Chamber of Commerce hopes that the citizens of Sanford will be public spirited enough to make every sacrifice necessary to assist the organization in its plans for providing for the great number of people who will be with us this winter.

ST. AGNES GUILD

(From Tuesday's Daily)
The members of the St. Agnes Guild held a very enthusiastic meeting yesterday at the home of Mrs. Raymond Key, on Park avenue. The regular monthly business session was held and much old business was disposed of, and several things of importance were discussed, among them being an entertainment to be given the first Tuesday in November.

Following the business a social hour was enjoyed, Mrs. Key served delicious refreshments of ice cream topped with whipped cream and cherries, cake, bon-bons and salted nuts. The next meeting will be held at the home of Mrs. Julius Takach.

Among the members present were: Mesdames John Leonardy, S. M. Lloyd, M. Minarik, George Welland, Thomas F. East, Fred Daiger, Frank Akers, Howard Overlin, A. W. Lee, Clifford Pnabody, Archie Betts and Julius Takach and Rev. A. S. Peck.

James Stucky Says, "Rat Cost Me \$125 for Plumbing Bills."

"We couldn't tell what was clogging up our toilet and drains. We had to tear up the floor, pipes, etc., found a rat's nest in basement. They had choked the pipes with refuse. The plumber's bill was \$125. RAT-SNAP cleaned the roden out." Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Ball Hardware Co.—Adv.

AN OLD RECIPE TO DARKEN HAIR

SAGE TEA AND SULPHUR TURNS GRAY, FADED HAIR DARK AND GLOSSY

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick, and glossy and you look years younger.—Adv.

WILLIAMS DIED TODAY, MAN SHOT BY MARTIN IN PERFORMANCE OF DUTY

PALATKA, Oct. 11.—Arthur Williams, a tramp, who was shot by Special Agent J. L. Martin, of the A. C. L. R. R., near here Friday while he was aboard an Atlantic Coast Line train as an unauthorized passenger, died yesterday as the result of his wounds.

A negro riding on the train was also wounded at the time and Officer Martin had to be taken to the Sanford hospital with a badly shattered wrist. Martin is said to have grappled with the man while the train was in motion in an effort to remove them. Williams is said to have fired on him at close quarters and the special agent returned the fire, shooting Williams through the left wrist and abdomen.

In the absence of any information concerning his relatives, the expenses of Williams' funeral here will be borne by the local post of the American Legion, Williams having said he served with a Pennsylvania regiment during the war. He gave his home as Philadelphia.

MERKER GRASS BRINGS BIG PRICE

LAKE WALES, Oct. 8.—A crop valued \$1,000 was produced on one acre of ground here in four months this summer, according to Edwin Spencer, of Lakeland, county attorney for Polk county, and owner of the land. Merker grass was the crop with which Mr. Spencer believes a record was established. Joe Oallman, a Rumanian farmer, of Peace Valley, about four miles from here, produced the crop which was purchased by the Valparaiso Development Co. Merker grass is a native of South Africa, where it is known as "Elephant Grass." It grows to a height of from 12 to 15 feet in four months and is regarded as an excellent stock food, the elements it contains being similar to those of alfalfa.

TEMPLE PIPE ORGAN CLUB

(From Tuesday's Daily)
The Temple Pipe Organ club met Monday afternoon at the home of Mrs. G. M. McGahagen, 613 Magnolia avenue. The president being absent Mrs. Schelle Maines was asked to occupy the chair and conduct the meeting. Roll call of members was responded to by names of American composers which added much interest, and while there were only fourteen members present, some new business was transacted. The name of Mrs. Farrell was presented and accepted as a new member for the next meeting, which will be with Mrs. Kent Rossiter on Celery avenue. Bazaar gifts were discussed and some articles agreed upon. After adjournment to social hour. By special request Mesdames Phillips and Maines sang "Wyoming," which was very much enjoyed. Delicious refreshments of grape juice and cake was served by the hostess.

For office supplies, stationery, etc., come to the Herald office.

NEW WHOLESALE CONCERN SECURED FOR SANFORD BEL-JAR COFFEE COMPANY

Wholesale Coffee Roasting Plant Located Through C. of C.

WILL ADD TO CITY

THE WHOLESALE DISTRIBUTION AND MANUFACTURING PLANTS—START TODAY

(From Tuesday's Daily)
W. A. Snyder, head of the Bel-Jar Coffee Co., with headquarters in New York, and a branch in Jacksonville and Miami, has decided on Sanford as the best possible location for a new branch of this business. This concern has secured a location in the new building and has already begun operations.

During a visit to Florida last winter, Mr. Snyder made a thorough investigation of the advantages the different cities in this section of the state had to offer. In an interview with the Herald Mr. Snyder stated that at the time of his previous visit he was very favorably impressed with the many inducements Sanford had to offer in the way of natural advantages. He left, however, undecided as to which city in the central section of the state would be the most logical for the location of a branch such as he proposed. Subsequently upon receipt of further data from the local commercial organization, containing freight differentials, distances from other cities, etc., he again returned to Sanford, at which time he definitely decided to locate a new branch of his business here.

Mr. Snyder is an experienced coffee man, having been in this business over thirty years. During the past five years he has established a chain of wholesale coffee roasting plants in other states and has been uniformly successful. The Sanford branch will be under the management of his son, Gilbert R. Snyder, who will locate here with his family.

The plant is equipped with up-to-date automatic roasting, grinding and packing machinery, and the blends of coffee packed under the brands of the Bel-Jar Co., are imported direct from Brazil and Central America in a raw state.

Mr. Snyder will immediately start two salesmen out to cover this territory and has secured the services of Jerome T. Kimble, of Petersburg, Va., a coffee salesman of considerable experience. The Bel-Jar Coffee Co. will employ about eight people and it is their intention to increase their plant in proportion to the volume of business obtained.

This concern is strictly wholesale but their product can be purchased from any of the local retail grocers. They have signified their faith in Sanford by making a large investment here. Consequently they are entitled and should receive strong support from our local people. The Chamber of Commerce, only after repeated effort succeeded in locating them here and obviously desires to see them de-

A Tonic For Women

"I was hardly able to drag, I was so weakened," writes Mrs. W. F. Ray, of Easley, S. C. "The doctor treated me for about two months, still I didn't get any better. I had a large family and felt I surely must do something to enable me to take care of my little ones. I had heard of

CARDUI The Woman's Tonic

"I decided to try it," continues Mrs. Ray. "I took eight bottles in all. I regained my strength and had no more trouble with womanly weakness. I have ten children and am able to do all my housework and a lot outdoors. I can sure recommend Cardui."

Take Cardui today. It may be just what you need. At all druggists.

velop into one of the largest concerns in that line in Florida.

Mr. Snyder extends a cordial invitation to the people of Sanford who are interested to personally inspect and acquaint themselves with the different processes through which coffee passes from the raw state until it is packed and ready for the consumer.

Langley Supt. of New Division Established at Lakeland

Gives Lakeland Two Division Heads Instead of One

Effective the first of November another division of the Atlantic Coast Line Railway will be established in Lakeland.

On the date F. D. Langley, who has been train master at Sanford for some time, will open his office in the Coast Lines station building here in the quarters at present occupied by the roadway department which department will move to the wooden structure on Missouri avenue formerly used for office purposes.

The new division has been established because of the growth of the Coast Line's mileage in Florida and the ever-increasing business enjoyed by that railway. After November 1st the main line from Sanford to Jacksonville will be operated as a separate division while the South end from Sanford to Port Tampa with the branch line from Haines City to Moore Haven and the Coast Line's Tampa Southern branch to Bradentown will all be under Superintendent Langley.

Superintendent J. F. Council will continue in charge of the West Coast division, covering all the territory between Fort Myers to the South to High Springs to the north, including several branch lines. Mr. Council will, of course, continue his headquarters in Lakeland but the division here will house two superintendents instead of one.

The establishment of the main line southern division will bring to Lakeland at least a dozen families who will become permanent residents. They will be seeking housing accommodations within the next few days, since the new division will be in operation in three weeks. There will be five train dispatchers, one chief clerk and four clerks, in addition to the superintendent and trainmaster.—Lakeland Telegram.

Baptist Temple Issues Newspaper Every Month Now

The Baptist Temple among other good publicity stunts issues a four page newspaper every month called the "Temple Report" and while it is small in size it makes up in real news. There is everything that the members of the church want to know in the Temple Report. It takes up the finances, the attendance, the deacons' report, the Sunday School report, the building report and everything of interest and each month the members of the church have a complete and most comprehensive report laid before them. And aside from the facts and figures there are many other good items, much news, much live matter and on the back page the advertisements of four merchants of the city who make it possible for the Temple Report to come out in such fine form each month.

The number this month will be the Eighth Anniversary Number. Of course the Herald Printing Co. does the printing.

PORCH PARTY FOR CIRCLE NO. 3

(From Tuesday's Daily)
Mrs. R. L. Griffin and Mrs. E. L. Shinholser entertained the members of Circle No. 3, of the Methodist church at a porch party Tuesday afternoon at the home of Mrs. Griffin on Myrtle avenue.

The afternoon was pleasantly spent with needlework for the Christmas bazaar. Plans were perfected for a Harvest Moon party to be given Monday night at the home of Mr. and Mrs. T. W. Williams.

At the close of the meeting the hostesses served ice cream and delicious home made cake.

Those present were: Mesdames J. M. Moye, D. D. Newberry, E. G. Dan, R. P. Terrance, Brodie Williams, T. B. Dobbins, S. D. Parker, J. H. Spurling, O. T. May, P. M. Elder, Virginia Coney, R. L. Griffin, R. L. Shinholser, J. E. Courier, H. L. Gibson and D. A. Kelly.

GIBBS STILL LEADS AT TRAP SHOOT

(From Friday's Daily)
One-tenth of one per cent is not much, but it is enough to put L. H. Gibbs in the lead over Col. G. W. Knight in the season's trap score at the Rod & Gun Club.

Twenty-six men were out yesterday and participated in the shooting at the grounds of the Club on Union avenue. The scores of yesterday were a little under the general average owing to the wind. The top score is being hotly contested by L. H. Gibbs, G. W. Knight and J. H. Cowan, there being but three points between the highest and the lowest of the trio. Col. Knight rose yesterday from the fourth place to second place by a score of forty-one out of fifty pigeons.

On account of the discontinuance of the Thursday afternoon closing several were unable to be out yesterday. The score follows:

Name	Yest. Score	Season Pct.
Gibbs, L. H.	50-34	.788
Knight, G. W.	50-41	.785
Cowan, J. H.	*	.733

WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills? Sanford people recommend Doan's Kidney Pills. Ask your neighbor. Could you ask for stronger proof of merit?

A. W. Wathen, farmer, 400 W. First street, Sanford says: "I have used Doan's Kidney Pills off and on for several years and they are the best kidney remedy to be had. I have suffered a lot with my back and kidney weakness. On several occasions Doan's Kidney Pills have come to my rescue when I was completely down and out with kidney trouble. Whenever I feel their need now they always bring the same quick results." (Statement given May 23, 1914).

On March 19, 1915, Mr. Wathen said: "I am still as strong in praise of Doan's Kidney Pills as ever. I haven't needed Doan's since giving my last endorsement."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wathen had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

HOG CHOLERA SERUM FOR FLORIDA

TALLAHASSEE, Oct. 8.—The State Live Stock Sanitary Board, has awarded a contract to a firm in Waco, Texas, for large quantity of hog cholera serum. The amount involved is approximately \$30,000, it is understood.

"These rats wouldn't eat my Best Grain," Says Fred Lamb.

"It's hard to keep rats out of a feed store. Tried for years. A neighboring store sold me some RAY-SNAP. It works wonders. Gathered up dead rats every morning. Bought more RAY-SNAP. Haven't a rat now. They wouldn't eat my best grain when I threw RAY-SNAP around." Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Ball Hardware Co.—Adv.

When some men start to tell a story it's hard for a busy listener to tell whether deafness is an affliction of a blessing.

Sell it with a Herald Want Ad.

It took YEARS and YEARS to develop CAMEL QUALITY

We worked on Camels for years before we put them on the market. Years of testing—blending—experimenting with the world's choicest tobaccos.

And now, EVERY DAY, all our skill, manufacturing experience and lifelong knowledge of fine tobaccos are concentrated on making Camel the best cigarette that can be produced.

There's nothing else like Camel QUALITY. And there's nothing else like Camels wonderful smoothness, fine tobacco flavor and FREEDOM FROM CIGARETTY AFTERTASTE.

That's why Camel popularity is growing faster than ever.

A better cigarette cannot be made.

We put the utmost quality into THIS ONE BRAND.

Camel

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

Contracts have been let for the erection of a \$10,000 new school building at Ponce de Leon, in Holmes county. Bonifay contractors have the contracts. With an active cotton market, at around 18 cents a pound, many farmers have sold both this and last year's crops. This has meant a great relief to many.

STRAWBERRY PLANTS FOR FALL PLANTING from my Tenn. farm. Varieties: Klondike and Missionary. Prices: 100, 75c; 500, \$3.00; 1,000, \$5.50, delivered. CABBAGE PLANTS, ready October 15th, and after at \$2.00 per 1,000 delivered. Orders booked now. Address: H. Lightfoot, Altoona, Fla. (Lake Co.)

What Henry Ford Says About Machine Power Farming

"In the tractor the farmer now has a machine in which is harnessed one of the most adaptable, efficient, economical sources of power in the world—the internal combustion engine.

"The tractor will multiply the productive capacity of each individual farm worker from three to four times over.

"It will put the farmer on a par with the city manufacturer. It will put his produce-producing factory—for that is what a farm is—on an efficient production basis.

"It will enable each worker to earn so much more that he can be paid more and still leave a greater profit for the man who hires him. It will enable the farmer to work fewer hours in the day, giving him more time to enjoy life.

"I believe the tractor will make farming what it ought to be—the most pleasant, the most healthful, the most profitable business on earth."

The brave go where duty leads, even when it is a tariff duty leading to the poorhouse.

The city of Kissimmee is now a "Bird Sanctuary." We are glad to see this. "Thorn" will now be safe.

Congressman Will Uphaw wants all the secret orders in the United States investigated. He is right. Let them all come under the yoke.

A Florida paper says that running a business without advertising is like winking at a girl in the dark. You know what you are doing but no one else does.

Hugh Sparkman, of the Daytona Journal is not in love with State's Attorney DeCottes any more and says DeCottes will not play in his backyard as formerly.

Audrey Munson, the actress, says she will "quit her profession if she can't pose nude." Well, in that case we would think the profession would quit Audrey, the naughty thing.

The Tampa Times says the health officer is checking the dairies. The health officers inspecting the dairies is one of the biggest jokes ever perpetrated on the people of Florida.

Wish we could attend that meeting of the South Florida Press Association at Lakeland Friday and Saturday and see the ladies pin the prize on "Thorn" for being the ugliest man in the world.

Another bank holiday. Friday, October 14th is Farmer's Day, although just what the farmers are going to do with the day is beyond us. Maybe it will give the bankers a day in which to farm.

Frank B. Shutts, of the Miami Herald has been appointed on the governor's staff with the title of Lieut.-Colonel. Bet he will be unable to keep any buttons on his coat after he starts swelling up.

Who is Governor Hardee, anyway that he should stand in the way of progress, says a speaker in Miami. Well, all we can say is that he is GOVERNOR, ALL RIGHT.

Those so-called "Farm Loans" are wonderful. They wanted to loan Sanford farmers at one time \$100 an acre on \$1,000 land. If they make all their loans on that basis some of the lands would be worth as much as fifty cents an acre.

The weather is cooler, trade is picking up, the merchants should get busy and advertise. Special sales are now the order of the day in every city in the land and Sanford should be bringing the people here to trade. You can't do it by standing in the doorway looking for trade.

We want to add twenty more daily subscribers this week to bring up our list to an even thousand daily subscribers. We set this mark for the first of January but we did not anticipate the rush of new people and the fine support of the home people. Twenty more this week makes an even thousand.

At the Good Roads Meeting in Orlando Saturday it was discovered that the State Road Department was in politics. Impossible! All of which reminds us that it has always been in politics and always will be as long as the members are appointive. And what public business in Florida is not in politics, we pray?

The Sanford Chamber of Commerce is making a record of which the people of Sanford can well feel proud. If there are any in the city who do not know what the Chamber of Commerce is doing let them attend the weekly meetings at the Valdez Hotel and find out. There are none so blind as those who will not see.

The St. Johns river traffic has more than doubled and we want to call the attention of our senators and representatives to this fact and we also want to call their attention to the fact

that no money is being spent at the present time on the St. Johns river from Palatka to Lake Harney, although we are supposed to have a small appropriation.

We want to congratulate the City Commissioners upon their purchase of a new fire truck with pumping apparatus. This will mean the right kind of fire protection and save the tax payers many dollars aside from reducing the fire insurance rates.

The Reporter-Star tells of a window display in Orlando of a mountain lion shot near Fort Christmas. We suppose the "mountain lion" was shot with one of the big guns that are mounted at Fort Christmas in preparation for the uprising of the Indians near there, yes. And we would like to ask if the "mountain lion" had any literature on his person relative to Asheville and Hendersonville and Apopka and Orlando, and other mountain resorts.

Unless the laws are changed in this and other counties, the making and selling of liquor will go merrily on. Of three cases in this county for selling and making liquor, none of the accused are on the road, and on account of that same old "technicality" the offenders are enjoying their freedom. There is no use for the officers to capture moonshiners or blockade runners. The law does not seem to hold them after being caught. Why is it?

That "squawk" in the Tampa Tribune about the hunters being pulled in Seminole county for having high powered rifles on them is certainly funny. Their dogs were running deer, the men had rifles, they were pulled for having rifles in their possession and fined and yet they say they were not hunting. Well, that's what they all say, but they could not pull this stunt in Hillsboro or any other county in the State, and certainly they will not be allowed to pull "it" in Seminole.

Willis Powell has been elected by the Lake County Chamber of Commerce to serve another year as secretary. An honor worthily bestowed—an honor, nit. It is a job that makes Willis work all day and part of the night and he does it and he has brought so many new people into Lake county that the old settlers are ready to move out and give them more room. But an honor nevertheless and it demonstrates that those Lake county people know when they have a good man and purpose to keep him.

Goode Guerry, of the Palatka News, has started a campaign to save the Ocklawaha Valley Railroad from the sale and he has started something for the good of the community. The state could do nothing better than buying the road that is in the hands of a receiver and that will be sold for taxes. Under the proper management the state could make money out of this

road that traverses some of the best farming land in Central Florida and is close enough to the St. Johns river to make water and real transportation meet in the proper manner.

The Florida Water Traffic League is growing and enlarging its scope and it will do more for this section and the state as a whole than any movement ever started in the South. It means not only cheaper and better transportation but it means the development of the rivers and harbors of Florida, and government aid for the same. The government spends money where traffic warrants it and the traffic on the St. Johns river right now warrants a deeper channel, a wider channel and much improvement all along the route from Jacksonville to Lake Harney. Our representatives in Washington are requested to wake up and see that we get it.

Boys are not looking to the trades any more. They all want to be lawyers or doctors or something of the sort and they are turning away from the trades that would mean a good living for them the balance of their lives. Take the printing trade for instance. When the editor started to learn his trade he received \$1.50 a week. You ask a boy now to come into a printing office to learn the trade for less than \$10 a week and he would give you the merry ha, ha. And yet it takes years to perfect a youngster in the trade up to the point where he is really valuable. It seems that trades of all sorts will soon be forced to install machinery to take the place of hand work as there is no one willing to come in and take a position where they might soil their hands.

What is the matter with Miami? asks the Tampa Times. We do not think there is anything the matter with Miami in the school closing episode. It is the Florida legislature that is to blame for not passing a law that would have relieved Miami schools and all the schools of the State. If the law prevents going over a certain millage for school purposes and a city doubles in population it is certain that the schools will need double the amount. If the amount is not forthcoming from the school fund—well, there you are.

"It takes Florida people to be lucky. A Jacksonville man threw his money belt containing twenty thousand dollars into a garbage can by mistake. A few hours afterward he went back and searched the can and got the money."—Perry Herald. How many of the get-rich-quick fellows who read the above item will proceed to search the garbage cans, hoping that some other man has been careless as to where he put his money?—DeLand News. We know a man who threw \$50,000 in an oil well and when he went back to look for it the money was gone. But of course this was in Texas, and not in Florida, where everyone is honest, yes.

NEW YORK WORLD IS AFRAID TO PRINT THE TRUTH

Some time ago the New York World through Roland Thomas, worried the editor of the Herald to death with wires every hour asking about the masked men. It seemed that the World was obtaining articles from all over the South in reference to the doings of the Ku Klux Klan and where-ever a band of men committed any breach of the peace and it could be laid at the door of the Klan the New York World proceeded to fasten it there. They wanted an article from Sanford derogatory to the Klan, of course, and when they obtained the true facts in the case of this man who had committed enough offenses to put him in jail and yet he could not be put there, the World did not like the facts. They sent a special representative here who spent a day or more investigating and he said the report of the Herald was true in every particular. He sent his report to the World in full and as yet we have never seen either of these reports that gave the true facts in the case of the man that was whipped in Sanford.

The New York World should print the truth whether it suits their particular policy or not. They asked us for a report and we sent them the truth. Since we are not a member of the Klan and hold no brief for the Klan we do not know whether the whipping was done by the Klan or not but we do know that the whipping was needed and it was a step in the right direction and wherever the law cannot touch certain offenders here in the South they will be touched by others whether they be members of the Klan or not.

If the New York World wanted the truth and nothing but the truth why don't they publish the truth as it is given to them and not throw out all reports that smack of a duty well performed by the Klan. Roland Thomas needs to come South and investigate the doings of the Klan for himself. He needs to come South and find out some things that would give him a better insight into the workings of the "invisible control" that does not rest in the Klan or any other organization but rests in the hands of the real Anglo-Saxons who intend to keep it regardless of the New York World or any other Northern newspaper who know so little about the South that they only print the news that coincides with their policy. Why don't the World print what Jack Hughes sent them and what the editor of the Herald sent them?

ELECTION TIMES.

There is an air of expectancy in the air, the politicians scent the battle from afar and gather 'round the festive board to watch the turn of the wheel, some for the interests of good government, some for the political crumbs that they think they will pick from the table after election, some from the mere fun of being in

another political campaign. Too much time is usually wasted on the elections in the city and county and state. Every man and every woman should post themselves on the various candidates and pick the man or woman who in their estimation would make the best official—and women will soon offer themselves in this city and county for office.

It should be a friendly race always. There is nothing in the whole political situation that calls for charges and counter charges in this city election that approaches. Both of the candidates are well known to most of the people of Sanford. Both of them have been in the public eye in politics and in private life. Both of them are financiers, successful in their chosen lines of endeavor, they have been in the high places and their works are known. They are residents, they are tax payers, they have received honors, they have served the city as aldermen as mayors, and as private citizens in many ways that progressive citizens find to serve their city. There is no need for any adverse opinion to be passed upon either of them. As officials of the city, they will have their limitations just as any other man will have. Beyond certain lines they cannot go and if any of their supporters are looking for anything aside from service they will be sadly mistaken and no man should question the motives of either of the candidates or of their aspiring and persevering friends.

It is just a friendly rivalry among two candidates and both of them are Sanford citizens. The election and the campaign should be short and sweet and clean and then get down to real business of making Sanford the great city that it should be. Politics can be played to the exclusion of everything else. Politics can be played unfair. Politics can be played in such a manner as to disgust the fair minded voters and cause them to eschew the right of franchise altogether. The Herald hopes there will be nothing said or done in this city election that will ruffle the tempers of the most ardent supporters of the commissioners in the race. The office belongs to the people and not to any man or set of men. Look them over. Weigh their qualifications. Think before you vote and then go quietly to the polls and vote as you please. It is your blessed privilege and no man's business but your own.

FAIR FLORIDA.

Major J. J. Kennedy, of Los Angeles, Cal., who recently purchased property near Haines City, and proposes to make his home there, has written the following enthusiastic tribute to the state to his friend, W. T. Brooks, who gave it to the Haines City Herald for publication:

"Dear old Florida! She's the tall that wags the dog; she is the finger in the map of the United States that points to prosperity; in the anatomy

of states she is the thumb, the equal of all the rest combined, and without which the glad hand of happiness would be a sorry thing indeed. Next of all the sister states, in that she has recently arisen from the ocean, she is fairest and cleanest and loveliest. If scientists are right, she is the baby of the family of states; and allow me to say that as usual the baby is the flower of the flock and as yet unspoiled. But she is growing and developing and capitalists from the frozen north and west are stirring with her; the young and able-bodied are coming to Florida to grow up as she grows; the old and infirm from every state in the chilly north are going to Florida to spend their winters, little knowing that they are to fall in love with the state and stay on and on watching the sun come up out of its bed of glory in the great Atlantic, smile down on thousands of happy homes and myriad crystal lakes and orange groves and grapefruit and green, cool forests, and drop regretfully down behind the palms into the placid waters of the Gulf of Mexico. Ah, Florida, how grateful am I that no upheaval of nations severed you from the galaxy of states. Poor faded would we be without you! You are bound to us by a firmer and more enduring tie than that of mere earth; yes, you are bound to us by the ties of blood and kinship, the ties of love, the bonds of material and financial prosperity. Wondrous state, you little dream that you are to be the playground of a tired and nerve-laded country. Little think you now that soon all of your lovely places are to be inhabited, and you may not know that the time is soon to come when people are to value you at something like your true worth, casting in their lot with you before it is too late. You have been modest, little sister, and you have not told your virtues; you have been the flower that bloomed in woodland solitudes, and I will say that if you the press agent organization of your distant sister on the Pacific coast, you could scare entertain the people who would come to your shores. Do I love you, Florida! You shouldn't ask me, for you know I do. I've flirted with nearly all your older sisters. Some were fatter, some leaner, some richer and many poorer. Some were longer and many were shorter. None gave me the thrill that you alone can give. Why, do you know that before I met you, dear girl, I had become cynical and hardened and skeptical, and wondered why I was on earth."

A man said yesterday that his idea of being badly mistreated would be to marry a woman who couldn't cook anything but liver.

Jack Dempsey does not like to be called a prize-fighter. "I am a boxer," he says. Perhaps draft evader sounds more dignified to him than slacker, too.

Satisfied Customers
how accumulated over
a period of years by
Florida Citrus Exchange

When the growers' own co-operative marketing organization began business more than a dozen years ago it started with a clean slate.

It was a new institution, with new aims and ambitions. It told northern jobbing concerns what it intended trying to do, and it won friends.

It went ahead successfully with the project of standardizing, grading and packing to give unvarying values. It made more friends.

It since has stood resolutely for the square deal, both to growers and to purchasers of their fruit. Each year it has gained many new friends in the trade.

The Florida Citrus Exchange brands have established reputations. Its Sealdsweet trade mark, which features good fruit, whether brights, goldens or russets, is known by hundreds of thousands of consumers who demand it of their retailers, they in

turn specifying it to the wholesalers from whom supplies are secured.

It maintains a large chain of representatives, covering practically every possible carload market for citrus fruits in the country, men who have devoted years to this business of making better known the fruit shipped by growers of the Florida Citrus Exchange—gaining new customers and keeping old customers satisfied.

As a natural result, the Florida Citrus Exchange has built up a line of customers for citrus fruits of its packing which covers the markets where freight rates and other things permit of profitable operations. These customers conservatively may be held to be the biggest single asset of Florida's citrus industry. They are a big individual asset to each grower who is a member of any one of the local associations of the Florida Citrus Exchange. Why not benefit by them?

Ask the manager of any local Association, or of any Sub-Exchange, or write to the business manager of the Florida Citrus Exchange, Tampa.

MEN'S CLUB HELD MEETING LAST NIGHT

DECIDED TO BUILD ADDITION TO PARISH HOUSE AND START BIG SEASON

The Men's Club of the Parish House met last night at the Parish House, this being the first meeting of the fall and a large attendance greeted President Whitner when he called the men to order and explained the nature of the club and the work that they intended to do this year.

Refreshments, consisting of choice cheese sandwiches, pickles, bottled ketchup and hot coffee were served and while filling up on the viands the question of enlarging the Parish House was discussed and committees were appointed to finance the project and start the new work at once.

The Men's Club is one of the real live organizations of Sanford and they are doing a great work here looking after the welfare of the young men and giving them the right sort of amusement. Edward Ward has been retained for physical instructor for the new year and will give the business men and the young men and the boys the proper kind of exercise and treatment to bring out the best there is in them.

No Cure For Dry Rot In Yellow Pine Lumber According to Experts

After Fungus Once Sets in Difficult to Save Lumber

ST. PETERSBURG, Oct. 11.—"No cure has been found for 'dry rot' in yellow pine timber, according to C. J. Humphrey, pathologist of the University of Wisconsin, who replied to a letter by Building Inspector McDevitt, addressed to the Department of Forestry. After the fungus has once set in, Mr. Humphrey says, heroic measures are necessary for its eradication.

"Following this," Mr. Humphrey's letter continues, "you should secure a suitable antiseptic like coal tar cresolite or sodium fluoride and paint this or spray it upon the timbers adjacent to the infected area, which timbers, although they may appear sound may lodge spores on their surface. I should have mentioned that in removing the decayed material the carpenters should cut back into what appears to be sound timber for a distance of one or two feet to be sure that all infection is removed.

"In addition to applying antiseptic to the remaining adjacent timbers it should also be applied to, adjoining masonry and also to the soil immediately under the timber. If sodium fluoride is used I recommend a 3 per cent solution as it is not soluble in much higher concentration.

OVIEDO

O. L. Harper, of Ocoee, has bought from Dr. Weathers the stock of the Oviedo Pharmacy and has just put L. M. Dowdy in charge of the store for the coming season. A new soda fountain will soon be installed, new stock put in and many improvements made. Dr. Weathers left Wednesday for Macon, Ga., from which place he will go to some college of pharmacy.

Mrs. W. B. Young entertained the Ladies Bible Class of the Methodist Sunday School Tuesday afternoon. Fourteen members were present and a most delightful afternoon was spent. The class voted to pack a box next Tuesday for the orphanage at Enterprise.

Mr. and Mrs. W. M. Wright returned Saturday from a visit to Mrs. Wright's family in south Georgia. Misses Elizabeth Lawton and Mable Swope spent the week-end with their parents last week.

Mr. and Mrs. Frank Norris, of Greensboro, Ala., have purchased the Womble place and will move there as soon as possession can be given. The Woman's Club is observing this week as clean-up week, trying to get the weeds pulled up, and all the trash burned up.

Roy Williams, of Sanford, spent Sunday with his parents, Mr and Mrs. W. B. Williams. Mr. and Mrs. S. W. Swope, Miss Mable Swope and Mr. and Mrs. Frank Norris spent Saturday afternoon in Sanford.

EAST SANFORD

Rev. J. P. Hilburn presiding elder of this district, will be at the Moores Station church this coming Sunday, to preach in the afternoon and evening. Rev. W. T. Rancher, of Apopka, who has the charge here, will be here to assist with the services.

Dr. and Mrs. James Purvis, of Tampa, are here for the winter. Dr. Purvis has bought some land near Crippin's crossing and is building a house and will farm this season. J. W. Miller, of Charlotte, N. C., is here to spend the winter at the home of his son Brown Miller, on Celery avenue.

Mr. and Mrs. Alex Watts arrived here last week from Melrose, Scotland, and are guests of Mr. Watts' sister, Mrs. Brown Miller. Mr. and Mrs. Watts expect to make their future home here.

N. C. Frazier is here from Charlotte, N. C., to remain during the winter with his son and wife, Mr. and Mrs. L. I. Frazier, at their home on Celery avenue.

Mr. and Mrs. W. A. Raynor, Mr. and Mrs. Will Raynor and little son, have returned from several months spent at Good Ground, Long Island.

Mr. and Mrs. Will Rowe and little son, have gone back to town after the summer at the Raynor home, and moved into their new home on West First street.

Miss Emma Scholl is returning here this week from several months spent with her aunt at Lakewood, Ohio.

Miss Hoskins Jones left Sunday night for a trip north and will visit points in Virginia and will be with friends in New York city a week before returning home.

Mr. and Mrs. D. L. Long have bought ten acres of land on the corner of Beardsall avenue and Marquette Road, and will build themselves a home at once.

Much sympathy is expressed for Mr. and Mrs. Henry McCaskle. Their dear little daughter, 15 months old, died of bowel trouble after an illness of two weeks. A dear sweet little one, Mr. and Mrs. McCaskle have both been ill.

Tanlac has made life worth living for millions of people who had almost given up hope. It will do the same for you. Union Pharmacy.—Adv.

PERSONAL NOTES

(From Wednesday's Daily) Miss Teague Simmons, of Mountville, N. C., who is attending Stetson University at DeLand, spent the week-end with her aunt, Mrs. W. Theodore Langley.

A. A. Prevatt, of Wilson, N. C., was among the out of town visitors in our city yesterday. W. A. Jordan, of Live Oak, spent the day here yesterday attending to business and mingling with friends.

Mrs. A. C. Smith and little son, Cornelius, have returned home from a delightful three weeks visit with relatives and friends in Green Cove Springs.

J. W. Dickson, of Ocala, was in the city yesterday transacting business. C. L. Stokely and son, of Mt. Dora, were among the business visitors here yesterday.

Miss Marian Packard and Miss Seidler, of Detroit, are the guests of Mrs. Sherman Routh. Miss Marian is a former resident and her many friends are glad to have her back in Sanford again.

The many friends of Mrs. B. G. Smith, of Oviedo, will be glad to learn that she is recovering from an operation for appendicitis. She was taken while on a visit in Arcadia, and was rushed to the hospital there for the operation.

(From Thursday's Daily) W. L. Adams, representing the Equitable Life Insurance Co., left this morning for Lake Wales, where he goes on a business mission.

E. Bundy Kenlaw, of Richmond, Va., was in the city yesterday transacting business. W. W. Vickery, of Alabama, is registered at the Montezuma while in the city attending to business.

W. B. Rhodes represented Tampa here yesterday. W. B. Alsop, of Dublin, Ga., one of the prominent business men of that city, is spending several days here mingling with friends and attending to business.

Mr. and Mrs. Stanley Walker, sister of Mrs. Wilcox of Front street, and mother-in-law, Mrs. Goodhue of Florida are visiting at the Wilcox home. Mrs. Goodhue leaves Saturday for Washington, D. C., to join her husband on their journey home.—Bainbridge (N. Y.) Republican.

Frank L. Woodruff, Jr., returned home Tuesday evening from Greensboro, N. C., where he spent the past ten days. "Hof-Mac" the "buy-word for better batteries for less money." 9-11p

Mrs. Robt. Walthour returned home Tuesday evening from Tifton Ga., where she has been the guest of her parents. D. L. Thrasher, George Speer and party of friends, are spending the day at Daytona Beach, fishing.

Mrs. E. L. Ferran, of Eastis, is spending several days here as the guest of her daughter, Mrs. D. L. Thrasher, at her home on Park Ave. A. K. Brokaw motored to DeLand last evening to visit his sister.

Messrs. Harry and Carl Ferran, of Eastis, joined Messrs. D. L. Thrasher and George Speer, on their fishing trip to Daytona Beach. Why punish your battery with your generator out of order? See Hof-Mac Battery Co., "Foot of First St." 9-11p

Mrs. Alfred Lija returned home Tuesday evening from a delightful visit with relatives in Tampa and Lakeland. Mr. and Mrs. H. R. Stevens spent the day yesterday in Lakeland.

Tanlac now has the largest sale of any medicine in the world. There is a reason. Union Pharmacy.—Adv. Commissioner L. A. Brumley and O. P. Swope, attended the meeting of the Volusia and Brevard county commissioners yesterday at DeLand and made arrangements to build the bridge at the head of Lake Harney on the new Titusville road.

"Tanlac made me feel younger." "It put me back on the payroll." "I can eat whatever I want now." "I no longer suffer from indigestion." "I gained weight rapidly." These and many more expressions are now heard daily as people tell of their experience with Tanlac. Union Pharmacy.—Adv.

Mr. and Mrs. Earl Brown, and little daughter, of DeLand, were in the city today visiting friends. Mr. Brown is the efficient secretary of the DeLand Commercial Club and one of the live wires of that thriving city.

"EXIDE" BATTERIES, the Great that lives in a box. We can now furnish six Volt Batteries at \$24.50. We buy, sell, exchange, recharge and repair all makes Batteries.—Ray Brothers. Phone 548. 6-11c

CARD OF THANKS To the many friends who were so kind during the recent illness and death of my husband I wish to express my heartfelt thanks. MRS. MARTHA DOANE AND FAMILY. Geneva, Fla.

DRY WEATHER INJURES ORANGES AND GRAPEFRUIT

CROP TAKES A TUMBLE AND ESTIMATES COME DOWN

GAINESVILLE, Oct. 11.—With Citrus fruits ripening rapidly and the movement to market under way in South Florida, condition of the crop has taken a tumble as a result of continued dry weather in September, says the monthly review of the Federal Bureau of Crop Estimated here here on crop conditions in Florida the first of October.

The condition of oranges was lower than it has been at that time in three years, being 81 per cent of normal as compared with 85 per cent of a month ago and 91 per cent last year. Grapefruit showed a condition of 80 per cent as compared with 85 a month ago and 79 per cent last year. The condition of limes showed very little change with the bulk of the crop harvested.

Indications are that a larger than usual percentage of the Florida citrus crops will be lost this year from splitting and dropping, says the bureau. Harvesting is well advanced, corn, cotton, peas and hay crops under weather conditions which have been almost ideal. Yields of corn and hay are showing up better than expected.

Sweet potatoes, sugar cane, sorghum for syrup and other late summer crops have deteriorated sharply in condition on account of dry weather over most of the state.

Condition of rice, tobacco at time of harvest are below usual and production of tobacco will run under last year. Rice production will show an increase because of extensive planting in several localities.

The quality of the state's limited production of oats was little lower than usual and yields are reported to have been the lightest in some years. A preliminary inquiry on velvet beans indicates that yields, expected to run about 76 per cent of normal with only sixty per cent of the usual acreage for harvest.

Pastures ranged from poor to fair over the state with improvement expected since the recent rains. D. A. R. TO HAVE C. A. R. AUXILIARY.

The Sallie Harrison Chapter, N. S. D. A. R., of Sanford, has caught the spirit of its home town "Advance never be discouraged," they are to have an auxiliary to their chapter, Mrs. B. J. Starling has been appointed organizing president of the C. A. R. (Children American Revolution), and has received letters from the national officers in the highest praise of our regent, Mrs. W. E. Watson, for efficient and prompt work.

The St. Petersburg Times says: "You can win the favor of some women by praising their babies. To win others you must praise their poodle dogs." But dogged if we try to win the favor of the others!

A large Chicago cigar manufacturer, says man will move his factory to Tampa in the near future which will increase Tampa's output of between 6,000,000 and 7,000,000 a year.

PERSONAL NOTES

(From Monday's Daily)
Mrs. W. E. Watson leaves tomorrow for Macon and Milledgeville, Ga., where she will visit until the last of this month.

Miss Rineau and Walker Dickson, of Longwood were the guests yesterday of Mr. and Mrs. Chris Matthews.

Mr. and Mrs. Chris Matthews, Miss Rineau and Walker Dickson motored to Eustis and Mount Dora and Orlando, and while in Orlando they were the guests of Miss Mildred Dickson at the Jefferson Court Apartments.

Allen R. Lee, of Baltimore, Md., was among the out-of-town folks registering at the Montezuma Saturday.

Mr. and Mrs. G. E. Chichester, of Denberry, Conn., are spending some time here at the Montezuma.

Dr. J. C. Deen left last week for Baxley, Ga., where he was called by the death of a relative. He will also visit in Douglas, Ga., before returning home.

Mrs. Dan U. Wilder, nee Virginia Brady, left Saturday evening for her home in Jacksonville after spending several days here with her parents, Mr. and Mrs. John T. Brady. Mrs. Wilder was tendered many social courtesies while here.

Robert Robinson leaves tonight for Norfolk, Va., he being a delegate for the Holy Cross chapters of the Brotherhood of Saint Andrew, which is holding its 37th annual convention in that city from the 12th to 17th of October.

Mrs. Howard Overlin returned home Saturday evening from Evansville, Indiana, where she spent the past month with her father.

Mr. and Mrs. Sherwood Harvard and family motored to Orlando yesterday.

Messrs. Howard Smith, E. A. Douglas and R. R. Deas were business visitors in Arcadia for the week end.

Mr. and Mrs. Howard Overlin were among the Sanford folks motoring to "The City Beautiful" Sunday afternoon.

Dr. and Mrs. J. N. Robson and children motored to Orlando Sunday afternoon.

Misses Eleanor and Margaret Roberts, Mrs. J. D. Roberts and Ernest Gormerly were a congenial party motoring to Orlando Sunday afternoon.

Mr. and Mrs. Harry Herren and party of friends motored to Orlando yesterday where they spent the afternoon very pleasantly.

Dr. L. R. Phillips has returned home from St. Petersburg where he attended a meeting of the Wesley Brotherhood classes.

Mrs. Howard Smith, Mr. and Mrs. L. C. Kolb, Miss Louise Kolb and Bryn Higgins made up a congenial party motoring to Orlando yesterday afternoon.

Mr. and Mrs. R. J. Holly, Robert Holly and Mr. and Mrs. Henry McLaughlin went to Eustis, Mt. Dora, Aopka and other points yesterday afternoon, making the trip in the Holly Ford.

Mrs. M. Minarik and children returned home yesterday from Lakeland where they spent several days as the guests of Mrs. Tom Getzen.

Mr. and Mrs. W. Belding, and Mr. and Mrs. Baker spent the day yesterday very pleasantly at Daytona Beach.

Mrs. Tom Getzen left Friday for her home in Lakeland after spending some time here with her mother, Mrs. H. B. Connally.

Misses Clara Miller and Sara Madre are spending the winter at the Temple's Girls Home.

Mr. and Mrs. O. D. Farrell are pleasantly located at the Temple's Girls Home on Park avenue.

Lieut. A. Bivins, of Arcadia, spent the week-end here as the guest of Mr. and Mrs. B. W. Herndon.

Mrs. S. G. Messer, Miss Violet Messer and Herbert Messer, of Sistersville, W. Va., are spending the winter here at the Temple Girls Home.

Dr. J. C. Deen returned Sunday from Barley and Douglas, Ga.

(From Tuesday's Daily)
Howard P. Smith went to Jacksonville yesterday on a business mission, returning home this evening.

Mrs. J. C. McMillan and daughter, Mrs. Alston, of Charlotte, N. C., who are spending a month in Orlando, were the guests yesterday and today of her brother and wife, Dr. and Mrs. J. M. Robson. Mrs. McMillan and Miss Edith Stewart arrived in the city yesterday from Philadelphia, coming here to nurse her mother, who has had an operation in the Fernald-Laughton Hospital.

Mrs. Alston will return to Sanford soon to spend the winter.

Mrs. C. W. Speer is in West Palm Beach visiting her daughter, Mrs. Ingram.

Dr. C. J. Marshall, wife and mother, left this afternoon for St. Petersburg, where the Doctor will attend the Medical Association. They will return Thursday morning.

W. T. Roberts and family from Grayson, Ga., have moved to Sanford and will be at home at 308 Park avenue. Mr. Roberts will represent the New York Life Insurance Co., in this part of the state. We welcome the Roberts family to Sanford.

The many friends of Mrs. O. L. Taylor are giving her a warm welcome to Sanford where she will spend the winter months. Mrs. Taylor is a former resident of Sanford and will be the guest of Dr. and Mrs. Brownlee for some time. Mrs. Taylor is now residing at Indianapolis.

Mr. and Mrs. N. J. Lillard returned this afternoon from Okeechobee City, where they spent several days the guests of H. A. Neel editor of the Okeechobee News. Mr. Lillard was greatly surprised at the wonderful Okeechobee country and the wonderful new city of Okeechobee, and says that the News is being made into one of the best weekly papers in the state and has a wonderful future.

A. P. Haggard, of Twin Cities, Idaho, is in the city on a visit to his buddies, Dr. Ralph Stevens and Col. G. W. Knight. Mr. Haggard was in the engineer's corps in the world war and fought under Col. Knight and was with him and Dr. Stevens in many scrimmages and the boys are having a fine visit together. He is in love with Florida and especially with Sanford. He has been engaged in engineering work on government work on the big irrigation dams in the west.

Harry Heeren has offered to donate a silver cup to the winner of the canoe race in the big American Legion armistice day festivities. There will be canoe races and yacht races and all kinds of races and the lake front will be a scene of excitement all afternoon. Mr. Heeren is an enthusiastic yachtsman and wants to see more boats on the lake at Sanford. The House of Heeren in Pittsburg is one of the largest wholesale jewelry houses in Pittsburg and Harry will give the boys a cup of which they can well feel proud.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.—Adv.

Post cards—local views—1c each at the Herald office.

Mr. Tourist

Ever Think of
Owning Your
Own Home in Florida
—instead of Renting?

Ever think of the solid comfort and freedom of your own home, so essential to real quietude and rest?

Ever think of the economy possible in and resulting from the erection of a small, winter bungalow?

For these and other convincing reasons

QUICKBILT HOMES

are popular as the logical winter home in Florida.

An investigation will give ample proof of their stability, beauty and practical method of construction.

Our illustrated catalogue sent free on request shows a number of attractive designs, one of which should appeal to you.

Everyone Should Drink Hot Water in the Morning

Wash away all stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean inside; no sour bile to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headache, colds, rheumatism or gassy, acid stomach; you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify and freshen the entire alimentary tract before eating more food.

Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless. Drink phosphated hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.—Adv.

New Crate Company Incorporated Here, to Make Folding Crates

Among the many industries to be started in Sanford in the past few days is the Universal Folding Crate Company, articles of incorporation of which appeared in Friday's Daily Herald. The Universal Folding Crate was fully explained in a previous article in the Herald and means just what the name implies—a folding crate that can be shipped knocked down, taking up but small space in the cars and being made so solid and substantial that it has made a great hit among the growers of every state where it has been introduced.

The officers of the new company are as follows:

Phillip Simmons, president; D. C. Marlowe, vice-president, and John E. Wade, secretary and treasurer and the place of manufacture will be in this city. The company is incorporated in the sum of \$25,000 and have the right to manufacture the various folding and collapsible crates and packages of the Universal Folding Crate Co., of New Orleans which is the parent company.

The new company being composed of local capitalists means that another industry has been added to Sanford and one that will advertise this city in all the places where the crates are used and Sanford is fast becoming the recognized center for the manufacture of crates and fruit and vegetable containers of all kinds.

ACME-JR. Power Cultivator

Here is a machine that is bound to increase your profits. Compact, easily handled, yet substantially built, it will do the work of many men and do it better at less cost.

You will find it thoroughly reliable; and as all moving parts are dust proof and run in oil, it will give many years of service at low cost of upkeep. Write today for description, showing construction and attachments that may be had with it.

Woman's Club Book And Year's Program Comes From Press

The Woman's Club book and annual program came from the press last week and is one of the neatest and best Year Books that the club has ever obtained from the printers. This year the copy was in early, the proof was read in time, the book was printed on time and the work was most satisfactory in every respect and called for many complimentary remarks from the club at their last meeting.

Yes, the Herald Printing Co., did the work.
