**U. S. Seeks Prisoner Exchange - Harriman**

MADRID (AP)—U.S. presidential envoy W. Averell Harriman said Sunday night that the United States plans to send some sick or wounded North Vietnamese prisoners of war home.

Harriman indicated that the United States would like to have a prisoner exchange, but that the U.S. plan was not conditional on any reciprocal action from Hanoi.

number involved. The release, he said, would be undertaken through the International Red Cross and not by direct approach to North Vietnam.

Harriman, who arrived Sunday from Algeria, told newsmen of the plan in conversation during a reception at the U.S. Embassy. He is on a tour of various nations to explain the U.S. position on Vietnam and the decisions of the recent Manila conference.

Secretary Dulles has submitted legislation for a nationwide system of trails to include major long-distance scenic routes such as the Appalachian Trail as well as Federal, state and metropolitan area paths.

78 of those confirmed captured in the north and south. Thus far attempts to arrange a prisoner exchange with North Vietnam have been unsuccessful.

The Saigon government has custody of most North Vietnamese captured in fighting, including nearly 600 seized by U.S. forces. Premier Nguyen Cao Ky has been said to be willing to "offer an uneven exchange" for U.S. airmen held in the north.

**'Christmas Company' In Phoenix From War**

PHOENIX, Ariz. (AP)—The "Christmas Company," 51 Viet Nam veterans straight from the battlefields—have due in at a plush hotel in Phoenix for a week of relaxation and forgetting.

The relaxing came easy. The forgetting was difficult. "When a good buddy gets hit, you want to cry. But you can't, you've got work to do," said Army Spec. 5 Ives Mosley, 21, of Redville, Ga.

He looked up at the 10-foot Christmas tree and some of the other men were decorating and the former medic used the old Airborne Division shock his head.

"The war seems a long time ago, a long way away," said Mosley, who left Viet Nam about a week ago. "I've seen enough action for a lifetime, for a dozen lifetimes," said Pfc. Michael Passaro, 19, of Chase Park, N.Y.

Looking from windows of the Camelback Inn, Mosley, Passaro and their buddies shielded their eyes as the bright Arizona sun reflected from leaves of a palm tree and the glittering swimming pool beneath it.

# Easter Division FL Title Still Up For Grabs

By THE ASSOCIATED PRESS  
 "Does anybody want to start the new year with the Green Bay Packers for company?"  
 The Dallas Cowboys, given a clear shot at making a New Year date with the Packers in the National Football League championship game, inadvertently backed off Sunday, bowing to Washington 34-31 on a Charley Gogolak field goal with eight seconds to play.  
 Neither St. Louis nor Cleveland, however, profited from the Dallas setback. Atlanta's surprising young Falcons upended the puntless Cards 16-10 and Philadelphia, sparked by Al

Nelson's 100-yard touchdown drive, ended the Browns' title hopes 23-21.  
 The three team reversals left the Eastern Conference title still up for grabs going into the final weekend of the campaign.  
 The Cowboys, assured of no worse than a first-place tie, can take their first division crown if second-place St. Louis stumbles against Cleveland Saturday.  
 Should the Cards beat the Browns, Dallas must either win or tie at New York next Sunday to avert a playoff with St. Louis.  
 Green Bay clinched its second straight Western Conference

title by downing Baltimore 14-10 Saturday and will be the visiting team in the NFL championship battle.  
 In Sunday's other action, Pittsburgh crushed the defenseless Giants 47-28; San Francisco drubbed Chicago 41-14 and Minnesota trounced Detroit 26-16.  
 Gogolak's 29-yard field goal decided a free-wheeling offensive duel between the Redskins, led by veteran passer Sonny Jurgensen, and the explosive Cowboys.  
 The Cowboys, who had nipped the "Skins 31-30 in their first meeting on a last-ditch field

goal by Danny Villanueva, appeared to have the rematch sewed up when Don Perkins' six-yard touchdown bolt sent them ahead 31-24 with less than five minutes to play.  
 But Jurgensen struck back immediately with his third TD pass of the game, a 65-yard bomb to Charley Taylor, and the Redskins pulled it out when A.D. Whitfield broke loose on a 30-yard run to set up Gogolak's soccer-style boot.  
 Randy Johnston hit Ernie Wheeler with a nine-yard scoring pass, Lou Kruoc kicked three field goals and Al

lania's defense held the sagging Cardinals touchdown-less until the final 64 seconds as the Falcons won their second game in a row and third of the season.  
 The Eagles eliminated Cleveland from the Eastern race, scoring three touchdowns — including Nelson's 100-yard goal with a missed Lou Groat field goal try — in the second period. Sam Baker added four field goals as Philadelphia climbed into a third-place dead-end with the Browns.  
 Bill Nelson fired two touchdown passes and Bill Asbury and rookie Dick Lettridge each ran for two scores in the Steel-

ers' victory over a New York club that now has yielded 484 points — an all-time record. Tom Kennedy passed for four Giant touchdowns, but the Pittsburgh point-barrage doomed New York to the Eastern cellar.  
 Defensive backs Kermit Alexander and Alvin Randolph wrecked the Bears as San Francisco scored in the running for second-place in the West. Alexander scored twice, going 14 yards with a fumble and 44 with a punt, while Randolph sped 94 yards with a pass theft for another touchdown.

## Latrobe, Pa. Wizard Breaks Dollar Mark

### How Palmer, Nicklaus Won The Marbles

PALM BEACH GARDENS, Fla. (AP)—Arnold Palmer, favorite son of Latrobe, Pa., will be honored at a Chamber of Commerce banquet there today, and for an official earnings go—money man in PGA-sanctioned tournaments only—the 26-year-old Nicklaus still is king with \$147,750.  
 The Palmer-Nicklaus combination clipped three strokes off the team championship record with a 72-hole of 256-32 under par, in rounds of 65-66-64, which shattered the 1965 mark of defending champions Gay Brewer Jr. and Butch Baird, who came in 26 under with 250.  
 While they have teamed to win three Canada Cup competitions, it was their first U.S. win as a team, and they now stand a

most-possible 4-1 as partners. And they plan to stay together in team play.  
 "I'm not going to let him (Palmer) get away," said Nicklaus. "But I had a lot of confidence in every shot I hit because I knew Doug would be right there to save me if I missed."  
 The two said they enjoyed the idea of team competition, "It is a fun tournament," said Nicklaus. "This is the type of play where both of us can contribute." The PGA team championship was inaugurated last year with purses worth \$125,000.  
 Palmer and Nicklaus came seventh and pocketed \$2,100 each. Doug Sanders and Al Bessie, who collected \$13,500 each

for second place, three strokes back at 259, said they relied on each other in the tight spots.  
 "I played the best golf I've ever played," said Nicklaus. "But I had a lot of confidence in every shot I hit because I knew Doug would be right there to save me if I missed."  
 Sanders said if it had been in individual competition, "Bessie would have won this tournament by a wide margin." He carded rounds of 65-62-67-66.  
 Ray Floyd and Billy Maxwell tied for third, sharing \$5,500, with a score of 67-66-65-62.  
 The Cupit brothers, Jacky and Buster, tied for best round of the tournament on the third day when they combined for 67

and set a record on the difficult, 6,800-yard east course.  
 Jacky, 26, established an individual mark on his own ball up to 48 going into the final period. Ovielo let up on their full-court press but still out-scored Citrus in the fourth.  
 The Lions had four players in double figures with Simon Harper leading with 27 points, followed by Wally Jarnigan with 21, Joe McCellan added 15 and Ted Janson 10. Citrus' high scorer was Steve Keller with seven points.  
 Saturday Duncannon proved to be better competition for the Lions but not quite good enough as Ovielo tucked another victory under its belt, frustrating the Duncannon Tigers in a 94-60 decision.  
 The layup of pivot man Simon Harper was the sparking element in the Lions' offensive attack, dunking 16 field goals and eight free throws for 40 points.  
 Ovielo had three other players in double figures, No. 3 Monroe State 29.7 in the Camellia Bowl at Sacramento, Calif.; Tennessee State, No. 2 small college player, trounced Sewanee in the Ole Miss attack during the regular season, rushing for 670 yards and five touchdowns.  
 Texas, 64, gets its big offensive punch from tailback Chris Gilbert. The sophomore fullback is the first man in Southwest Conference history to rush for more than 1,000 yards in a season, running for 1,088 and six touchdowns.  
 Houston smashed Hawaii 93-70, New Mexico trounced Texas Tech 86-59 and Brigham Young walloped St. Mary's of California 106-57. All three were home court victories.

Evansville, Ill., in another key game Saturday night. The victory followed an overtime defeat by Illinois.  
 Two other ranked teams had trouble before winning Saturday. No. 4 Louisville led by two overtime on its home court before beating Southern Illinois 70-66 and Cincinnati, No. 10, needed an extra period to edge Miami of Ohio 45-44 on its home floor.  
 The other three members of the Top Ten to see action — No. 5 Houston, New Mexico and No. 9 Brigham Young — won easily. No. 8 North Carolina won idle. ## New Smash Hit In Cage Wars

BY THE ASSOCIATED PRESS  
 Unbeaten Texas Western, which despite its national championship, has found itself crowded off college basketball's main stage by the new smash hit on the West Coast, gets its chance for the spotlight again this week.  
 The second-ranked Miners from El Paso, Tex., meet No. 6 New Mexico at home Friday and play Kansas at Chicago Saturday.  
 Monday, top-ranked UCLA's Lee Aldinger and cast have an intermission until Dec. 22 when the Bruins meet Colorado State University at home.  
 Texas Western, playing on the road for the first time this season Saturday night, won its fifth straight by downing Southern Methodist 71-62 behind Dave Lattin's 21 points, which were again the raw notices went to UCLA.  
 The 7-foot-1 Aldinger and his mates ran their record to 24 by downing SMU 71-62 Saturday, completing a hat-trick of seven straight wins at Los Angeles, 107-87.  
 Friday night, the Blue Devils tripled teamed Alcindor, and he scored just 19 points but passed off for many others as the Bruins won 88-84. Saturday, the sensational sophomore was only double-teamed and scored 26. He scored 36 against Southern California in his varsity debut.  
 Following Saturday's game, Alcindor did little to help opponents choose sleep by saying:

"I am seeing some of the mistakes I'm making on defense and I hope I am correcting them."

Patriots On Way To AFL Title  
 Associated Press Sports Writer  
 A man from a Buffalo radio station sat in the cold outside Rice Stadium, its electric sign hopefully flashing encouragement to the Houston Oilers, who were inside doing battle with the Boston Patriots.  
 "It was a futile gesture. If Buffalo is going to get any help in overcoming the Patriots for the American Football League's Eastern Division championship, it will have to come from New York. The Oilers just weren't equal to the task."  
 Boston's 26-14 crumpling of Houston was as solid a game as the Patriots have put together this season. They piled up 31

first downs and never had to punt. Quarterback Babe Parilli completed 15 passes for 170 yards and three touchdowns.  
 And Jim Nance, already the top ground game in the history of the league, wasn't exactly idle. The big fullback gained 146 of Boston's 185 yards on the ground including a 57-yard touchdown dash in the third quarter.  
 Only 17,100 braved the cold weather that a bitter wind had blown into town to watch the Oilers drop their seventh game in a row. Buddy Humphrey started his first game as quar-

terback for Houston. It was not an auspicious beginning.  
 In other AFL games, Kansas City edged Miami 19-16, San Diego crushed New York 47-7, and Oakland took Denver, 26-10.  
 For Boston to clinch the Eastern Division title it has only to beat or tie the Jets in New York Saturday. Should New York win, Buffalo could win the crown by beating Denver on Sunday.  
 Kansas City, which has already clinched the Western Division title, had all kinds of problems with the Dolphins, who have won just two games all year. It took a 25-yard ac-

rossing pass from Len Dawson to Chris Burford with just 2:10 left in the game for the Chiefs to pull it out.  
 John Hadl threw for two touchdowns passes and ran for another in San Diego's triumph over the Jets. Joe Namath had his troubles, having three passes intercepted and all of them leading to Charger scores.  
 Art Powell set two AFL records for the Raiders grabbing touchdown passes of 46 and 42 yards. With those catches the big end became the first man in the league to catch 10 or more touchdown passes and gain 1,000 or more yards on pass receptions five years in a row.

Ovielo Enjoys Good Weekend With 2 Wins  
 The Ovielo Lions Varsity basketball squad led by Simon Harper had a busy weekend, knocking off both Citrus and Duncannon.  
 Friday night the Lions belted Citrus 84-52 for an easy victory. The Lions took an 18-point lead in the first period and built it up to 48 going into the final period. Ovielo let up on their full-court press but still out-scored Citrus in the fourth.  
 The Lions had four players in double figures with Simon Harper leading with 27 points, followed by Wally Jarnigan with 21, Joe McCellan added 15 and Ted Janson 10. Citrus' high scorer was Steve Keller with seven points.  
 Saturday Duncannon proved to be better competition for the Lions but not quite good enough as Ovielo tucked another victory under its belt, frustrating the Duncannon Tigers in a 94-60 decision.  
 The layup of pivot man Simon Harper was the sparking element in the Lions' offensive attack, dunking 16 field goals and eight free throws for 40 points.  
 Ovielo had three other players in double figures, No. 3 Monroe State 29.7 in the Camellia Bowl at Sacramento, Calif.; Tennessee State, No. 2 small college player, trounced Sewanee in the Ole Miss attack during the regular season, rushing for 670 yards and five touchdowns.  
 Texas, 64, gets its big offensive punch from tailback Chris Gilbert. The sophomore fullback is the first man in Southwest Conference history to rush for more than 1,000 yards in a season, running for 1,088 and six touchdowns.  
 Houston smashed Hawaii 93-70, New Mexico trounced Texas Tech 86-59 and Brigham Young walloped St. Mary's of California 106-57. All three were home court victories.

Hurricanes Romp Over Osceola Quint  
 The South Seminole Hurricanes romped to their third consecutive victory in Ocala Saturday dumping the Osceola Colts 107-87.  
 Steve Cochran continued his high scoring for the Canes, lagging 18 points. Forward Ricky Brown contributed 16 points with Seminole ease while Handy Smith with eight and Bob Olsen with six were the other top scorers.  
 Coach Dave Miller complemented his team on the improvement they have made and emphasized the fact that they are learning with each game.  
 The Hurricanes will play Ft. King of Ocala Wednesday night before returning home for a contest with the Tampa Dons Friday.

Rangers Set Torrid Pace In Hockey Loop  
 BY THE ASSOCIATED PRESS  
 In just one game the Rangers and Michigan Stars are interesting New York Ranger fans today about who's No. 1.  
 Midway through the third period of New York's 4-2 victory over Montreal Sunday night, the balcony fans at Madison Square Garden started chanting "Who's No. 1?"  
 And about an hour later, after Detroit had whipped Toronto 4-1 and Boston had lashed back to the Chicago 2-2, the Rangers were indeed No. 1.  
 The Rangers have lost just two games in the last 15 and have shot from last place to top of the league. They are one point ahead of the Black Hawks and Maple Leafs, who are tied for second.

SOKC 'Inaugural' Set Friday Night  
 Only two more nights of schooling races remain at Sanford. Ocala's racing secretary Ch. D. Davis selects the starting field for the Friday night inaugural handicap. Several two-time winners are listed as starters tonight and could grab off a berth in the opening night classic with impressive victories.  
 Dogs to watch include Dakota Girl in the fourth, Robust Robin in the fifth, Lotta Vim in the seventh and L.G.'s Area in the 10th.  
 Stella Sango, already named as an inaugural starter along with Bob White and Fairman Day, runs in the sixth race.  
 Forty-one events are set to begin tonight at 7 p.m. Schooling events will be concluded Tuesday night and the track will be dark Wednesday and Thursday nights to prepare for the Friday night opening.

SEMINOLES Lose Opener, 61-55  
 The Seminole High cagers opened the basketball season here Saturday night on a sour note as Osceola of Kissimmee eked out the hosts, 61-55.  
 The Baby Seminoles revenge the loss suffered by the varsity by spanking the young Kowboys 41-19 in the opener.  
 Frank Whigham led the Seminoles in his losing effort with 21 points and 15 rebounds, followed by sophomore Bobby Lundquist's 15 markers and Loren Moore's 10 points. Larry McMillan proved to be a snarl for part of the Seminoles' down fall. The ratty Kowboy controlled the boards and hit the hoop for 22 points.  
 Seminole High led for the first few minutes, but the Kissimmee Kowboys took the lead at the end of the first period of play and then struggled to keep their winning margin. Coach Mack Hylth's Seminoles will visit Lyman High Tuesday at 8 p.m. in their losing effort with the Ocala Ski Club says it still is awaiting word from several Ocala's 15 markers and Loren Moore's 10 points. # Stars Will Bring Christmas To GIs In Viet Nam

NEW YORK (AP) — As Christmas draws near a different sort of holiday is taking place in Vietnam. It's an entertainment escalation, and the "old soldiers" heading for the combat zone include Bob Hope, Martha Raye, Frances Langford, Anita Bryant and Johnny Grant.

Hope, who ought to rate as many high marks as a 30-year

sergeant, is making his 15th Christmas tour. "You should have seen me at Apomattox," he said, "it was a smash there."

Phyllis Diller, making her first trip to Vietnam as a member of the Hope entourage, said she is helping Lady Bird Johnson's Keep America Beautiful! try. She is taking along a half-million pieces of bubble gum, which ought to set a few jaws wagging.

The USO shows lined up for Vietnam over the holidays in-

clude the Bob Hope show, Martha Raye, Frances Langford, and the Clara Ward Singers, a Gospel group.

Hope leaves Hollywood about Dec. 16 for two weeks, but his exact itinerary overseas is a military secret. The American high command in Vietnam figures the Communists wouldn't pass up an opportunity to ambush the entertainers if they knew his schedule.

Despite any personal qualms some entertainers may have about American involvement in

Vietnam, there have been no difficulties recruiting performers for the tours.

"We offer the performers the motivation that a lot of young Americans are over there and they need help, regardless of any personal feelings about the war," said Col. Jerome Corey, director of shows for the USO.

Corey said Grant is doing "what we call a 'visitation,' which means the stars mingle with the military personnel, visit hospitals, sign autographs

# Shop At Home

The Christmas season is in full swing and we have one common to make on the subject.

Perhaps you get a little weary of hearing this, but we feel that the "shop at home" pitch can't be overdone. Keeping our dollars in Seminole County is too important to the continued prosperity of our community.

Sanford and Seminole merchants are a selection of items for Christmas shoppers; they offer friendly, hometown service with a smile and on a first-name basis, and their prices are right.

Furthermore, if an item isn't in stock, they'll order it for you, and let you know when it arrives. And they're right around the corner when the annual post-Christmas rush to exchange gifts rolls around.

Yes, there are many reasons for shopping in Sanford and Seminole. But the very best reason is that spending at home means that the money stays at home — and has a direct bearing on your own personal economy.

So shop at home.

# Dr. Crane's Worry Clinic

Both faces a widespread sexual dilemma so you wince better scapbook this case. And order the sex booklet below in order to prevent the need for such "patty-cake" games as Beth describes. Beth sent a copy to the wife of her husband to nip this dilemma in the bud!

Case B-507: Beth T. aged 27, is an attractive nurse.

"Dr. Crane," she began, "my employer is my problem. He is a top-notch surgeon. But he always wants to put his hands on me."

"Although he has a wife and grown children, for he is 55 years of age, he wants to play patty-cake on my gluteus maximus."

"Should I quit my job or tell his wife or what?"

IGNORANT WIVES

Many virtuous wives in the neighborhood immediately go to the support of the doctor's wife.

"Is it a hell?" they would probably exclaim.

"She has been a perfect wife to him for 30 years so she is 100 per cent to blame for his philandering!"

But that is not so.

God almighty endowed the human male with a greater gastric as well as erotic hunger than the female possesses.

The average wife thus realizes that her husband not only was created to require far more calories at the dinner table. But also a much greater erotic men in the boudoir.

Wives gleefully try to whet their husbands' gastric hunger by recipes.

They scallor the edges of the grapefruit and do other frilly things to salads and desserts to tantalize their husbands' table appetite.

Oh, that awful Dr. Crane! He always takes the side of the men! He just tries to break up homes!

You know doggone well that you are wrong. For in this column we try to show you wives how to AVOID divorce!

And God Almighty created man with his greater gastric as well as his phenomenally larger erotic hunger than you women possess.

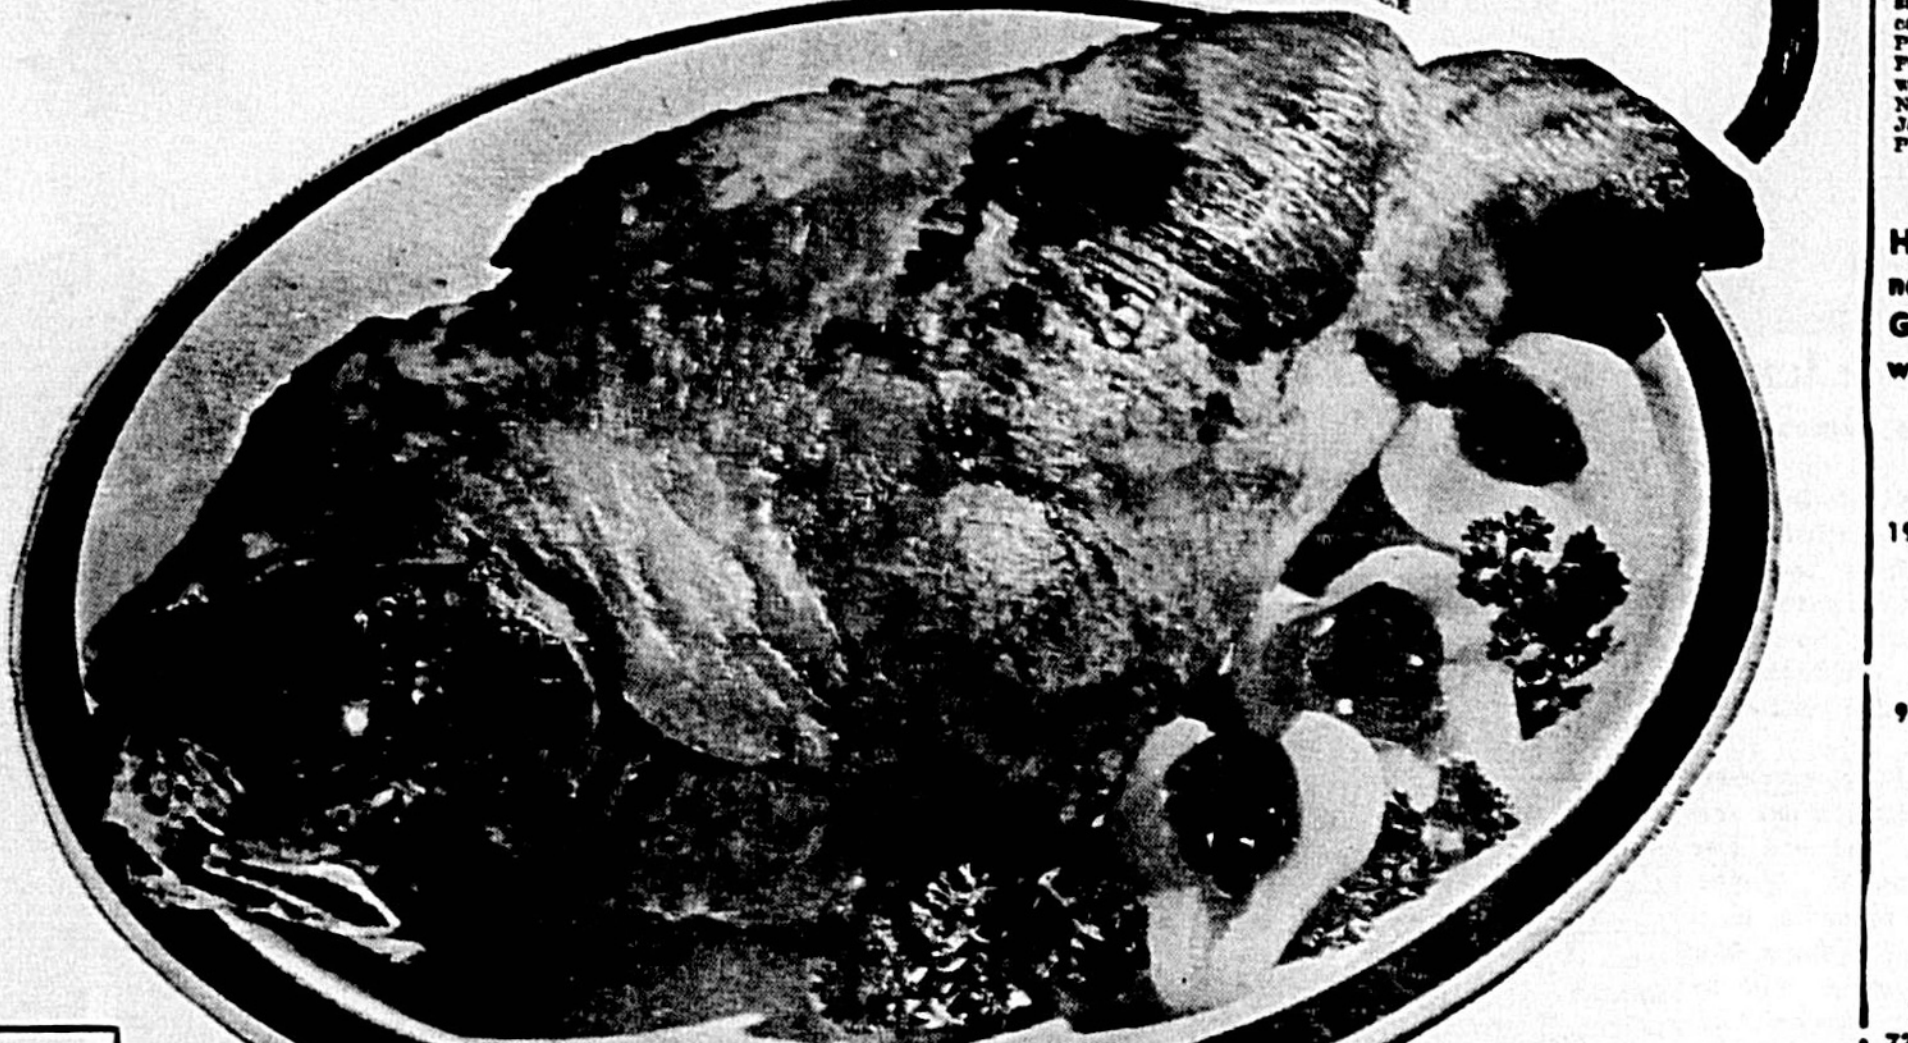

So blame God if you don't like to face the frank facts of life.

But if you wish to stop your husband's patty-caking with other damsels, then send for my booklet, "How to Prevent Platonic Marriages," containing a long stamped, return envelope, plus 20 cents.

# Hospitals Need Efficiency

There is no doubt that there is an acute shortage of nurses in America, as well as unrest within the present ranks of R.N.s, yet many of the hospital care problems occasioned by the shortage could be relieved simply by using the nurses we have more effectively.

This is the conclusion reached by Donald D. Thompson, a management consultant on the staff of Ernst & Ernst, the international accounting firm, after conducting a series of studies for almost 100 hospitals over a period of seven years.

While nursing labor often accounts for as much as half the total labor cost of a hospital, many hospitals schedule nurses without analyzing how the available nurses can be used to their maximum efficiency.

"The staffing of nurses in many hospitals is very erratic, with the result that the correct scientific measure of patient care taught in nursing schools cannot be applied under actual conditions," Thompson asserts.

In one of his studies for a hospital, he found that a 12-hour operating suite was in use for only 18 per cent of normal working hours, even though patients were waiting two to three months for surgery.

"Nurses and doctors using the operating rooms reached their peak of efficiency at 9:30 a.m.," he observed. "By 2:30 there was little going on, and the nurses were sitting around talking about how hard they had worked that morning."

# Analysis Of The News

WASHINGTON (AP) — Michigan Gov. George Romney is a national figure but his national ideas look pretty thin.

Esteemed for high character and moral overtones, he is running ahead of President Johnson in public opinion polls. But what does he stand for?

Romney says he hasn't made up his mind on running for the presidency but he is beginning to scamper around the country like a man taking the Republican pulse on his prospects for representing the party in 1968.

# James Marlow

Because Johnson didn't put in a tax increase last year, Romney said, the economy is now leeching on the brink of a slow-down. But that is a fact of agreement among economists on that and on whether one is needed at all.

And Romney, whose only experience in government has been on a state level and who has been against too much big federal government, has offered what political scientists might call a kind of utopian concept of government:

CAO LANH, South Viet Nam (NEA) — There is evidence that Gen. Du Gault's France is securing \$150 million in gold per year through the war in South Viet Nam.

This contributes seriously to the American gold drain. The French operations also help the Viet Cong and seriously hinder U.S.-Vietnamese efforts to win the war.

This French profit in part explains Du Gault's unwillingness to co-operate with the United States in Southeast Asia. Co-operation would cut into his profits.

The information in this column comes from French bank sources, the Vietnamese people and military and the Viet Cong.

In some instances, the Cambodians take over the French cargoes at Phnom Penh. The goods then go into standard smuggling channels across the Cambodian-South Viet Nam border. Medicines and pharmaceuticals are prominent in this trade.

In other instances, French ships plying the Mekong regularly rendezvous with small Viet Cong boats at night. The hot cargo is loaded directly onto the VC craft or dropped through markers ready to be picked up by Viet Nam or Viet Cong agents lurking on the river banks and pinpointed the drops. But the French ships and Viet Cong agents have excellent lookouts. By the time police launches arrive, type illegal activity has ceased.

"I'm now building a civilian, covert craft with powerful motors," a police captain told me. "When the boat is finished I'll follow these French ships myself."

In Saigon and other major South Viet Nam cities, French-Chinese trading firms openly import goods into South Viet Nam, then sell through covert middlemen to the Viet Cong, with a substantial markup. The Viet Cong then tax

# Political Notebook

away a chunk of these illegal exchange earnings of that same South Vietnamese government.

They scallor the edges of the bolting because of the bolting are used for the benefit of France and to the detriment of the dollar.

The legal activity is one thing — the illegal another. Lists of French trading firms engaging in covert activities are being compiled. Their sources, methods and agents abroad and in South Viet Nam and Cambodia are now being studied. When intelligence on these operations is sufficient in detail, U.S. agents will attempt to root out the operations.

# THANK YOU

To all the citizens of Sanford, I wish to sincerely thank you for the vote of confidence in electing me your City Commissioner for the next three years.

I feel that the citizens at large were fully satisfied with the manner in which the commission has been handling their city government, especially since they did not secure a candidate to run against me.

It is certainly gratifying to me personally that you substantiated this feeling by going to the polls Dec. 6 and officially electing me your commissioner.

Thank You—

We wish to express our thanks to the voters of Longwood for their confidence in returning us to the offices of City Clerk and Tax Collector.

Successful Broadway play to Sanford. It is going to be terrific and all supporters of the Roundabouts are asked to please give the fledgling group support. You are needed!

Ever been entertained in a beautiful home at 1:30 in the afternoon with your charming hostess attired in a dazzling ball gown and serving refreshments as if this were SOP in the household?

This is exactly what happened on a recent promotion for the Champagne Ball. I photographed JERRY KIRK and MARGE SCHELBERGER at the Kirk home with both gals dressed in formal attire for the photo. Jerry invited Marge and me to stay and would you believe the atmosphere was regal as the gracious hostess served us coffee with the air of an empress. Quite frankly Marge and I were respected as queens and greeted reluctantly for the usual chores which career gals are saddled with on Saturdays. Thanks, Jerry. It was most relaxing and refreshing.

I would also like to thank personally all the other gorgeous gals who graciously posed as photographer's models for the promotion. So touché to MIL DRED STEMPER, PAT LARSEN, JAN JOHNSON, JAN MCKELING, LIZ D'AVERSA, NICKI MCKIBBIN, CAROLYN NE-SMITH and ELIZABETH MERRITT. You were all magnificent!

JO ANNE GARDNER, chairman of the walk at the recent Lake Mary School Winter Festival reported that the cakes which all the anonymous donors made for the event were perfectly beautiful and the eye catching and delectable goodness were responsible for the tremendous success of the cake walk.

TO CECILE HEARD—Decid-

ed I would omit asking lovable old Santa for glittering gifts. Maybe out of the list of prospects "I'll just invite one to stay. Think I'll be a winner?"

Cecile reports that seven post offices in the U. S. have names synonymous with the Yule season. They are North Pole, Alaska, North Pole, Colo., North Pole, N. Y., Santa Claus, Ind., Santa Claus, Calif. and our own Christmas in Florida.

Speaking of Christmas, DR. ROBERT SMITH and family are delighted to have their BETTYE home after surgery at Massachusetts General Hospital in Boston, where she remained for six weeks. They will gladly dispense with Santa this year and settle for their Christmas angel.

Bettye is recuperating nicely at home following the lengthy ordeal. She confided she is a complete lady of leisure, but hopes to be accompanied again next spring for the Sanford Male Chorus concert, with rehearsal beginning in January. Welcome back home.

BETTYE SMITH!

MISS ANGELA HURT, a sophomore at Florida State University, has been elected to "La Petite Corps," auxiliary unit of the Army ROTC Brigade of FSU at Tallahassee.

Angela is the daughter of Mr. and Mrs. J. L. Hurt Jr., 1322 Forest Dr., Sanford, and she is a '65 graduate of Seminole High School.

She has been appointed to the rank of "Little Major" and will serve as the sponsor of "La Petite Corps" in an auxiliary unit of the ROTC. Members serve during the year as unit sponsors and assist with cadet social functions including the annual Military Ball. The 26 members were selected for their poise, beauty and interest in the ROTC program.

Had a nice visit recently with RUBY CONDER and adorable little daughter, BUFFY. The Conders, who formerly lived in Sanford where Cdr. Conder was

stationed at SNAS, are now living in Clermont and hope to retire there in the early part of next year.

RUBY reports that PAUL WEINER has been promoted to Captain and that he, SONI, and the kiddies will soon be leaving for Washington, D. C., after finally getting comfortably oriented in San Diego.

CANDI CONDER, Sanford cover girl and beauty queen, is still a stewardess with National Airlines and still being every minute of it, according to Ruby.

TO JOHN KRIDER — So you think I'm fresh! Well, sir, that comment could be a downright insult, but from you I consider it a compliment. You made my day—thanks!

TO J. RICHARDS — Better get to the ball, Ladies, 'cause you got competition! Get Big Daddy Larree-to to show you the transcript a Sanford Junior High student recorded following an interview with him as a signment for his Civics class. It's neat, sweet!

ANNE CRAPPS, who was home on leave from Delta Airlines for the WIGHT-SANDERSON wedding, was the epitome of high fashion at the bride's luncheon for Pat and her attendants, at which Anne and her mother, Caroline, were hostesses.

Spotting a new cropped-off coiffure, Anne was stunning in a white silk sheath enhanced with bands of cocoa trim. Bubbling with her usual enthusiasm, the lovely blonde stated that she is having a ball while getting paid for it.

MEMO TO MR. V. FROM PENNSYLVANIA: FEN PAL — A Russian couple, Rudolph and Nikita, were having an intense argument as to the outcome of the weather, with Nikita insisting it was going to snow.

## New Designs For Holiday

By HELEN HENNESSY  
Women's Editor  
Newspaper Enterprise Assn.  
NEW YORK (NEA)—The second act of the "fashion revolution" has begun. Our heroine, who has anticipated this new thinking, Umbra of Donle is one designer who, judging from his latest collections, has anticipated this new thinking.

He offers no fads, no gimmicks. The clothes are sophisticated by day, luxurious for late day—gay, lively but ladylike.

One new look for daytime is the "caged" skimmer in solid color with a shirred top and a checked tunic jacket in the new three-quarter length. Another, the doublet dress, is a long-sleeved gray wool skimmer worn under a loose-fitting doublet, not unlike a very fashionable a n d w i c h board.

The look for evening is great for the coming holiday festivities. Cocktail dresses with square-cut or softly draped necklines have fullness in the back, caught up in butterfly detailing. The soft fabrics add to the feminine, stay-away illusion.

At holiday gatherings where the room will glitter with gimmicks and gowns, soft simplicity will catch every eye.

MAKING THE HOLIDAY circuit from cocktails on the skimmer (left) is in a vanilla beige rayon blend with square neck and cuffs handed in gold and tiny pearls. Theater suit (right) in a diamond-patterned brocade teams with a sleeveless, double-breasted skimmer and cardigan coat. These are Umbra of Donle, a division of Dorothy Robbins.

From the staid couture of other seasons women want the liveliness of the new kookie clothes, but we want to look and feel beautiful, too. Today's woman doesn't want any of the grotesqueries. But neither does she want fashions so understated that they fade into the background.

The revolution in fashion which is the next year's trend is an abomination after another in the name of "design" did serve a purpose. It implied new concepts, new silhouettes and it shook up the establishment.

From the staid couture of other seasons women want the liveliness of the new kookie clothes, but we want to look and feel beautiful, too. Today's woman doesn't want any of the grotesqueries. But neither does she want fashions so understated that they fade into the background.

How long does an average American woman to buy a pound of meat? He need work only about 20 minutes, the least time he has ever spent in the history of the country.

## Draped Candelabrum Rare Yule Centerpiece

There is nothing in this world more romantic and glamorous than the gentle flicker of candle flames at Yuletide. But lovely fresh flowers combined with candles really add to their glow.

A candelabrum draped with a rope of laurel dotted with tiny rosebuds would make an interesting and unusual centerpiece.

A wide variety of centerpieces may be concocted from this single idea. The candelabrum may be of slim, modern design with slender tapers. It might be an heirloom of baroque silver. It might be oriental porcelain.

The range is as wide as one's pocketbook.

Whatever the choice, draping the candelabrum with twining ropes of greenery will add that special Christmas feeling. The fresh flowers intertwined with the green may be of any variety desired. Mistletoe might be substituted for the flowers—or a combination of mistletoe and flowers might be used.

Flowers and candles and Christmas are a trio that should never be separated. Add a Christmas carol or two and you've a Christmas that will bring light and joy into all gathered around the festive board.

## Remember the first time Dad took you fishing...

What a big day in your life that was. A couple of men going off on a new adventure (well, you felt as big as him). Come to think of it, he really pulled in that big one, didn't he? But that wasn't all he gave you credit for. Or taught you. Dad really had quite an influence on your life, didn't he? On Christmas, let him know just how much he's meant to you.

## Christmas Tea Highlights DeBarry Garden Club Meet

By MRS. JOHN LEONE  
The DeBarry Garden Club met Dec. 2 at the DeBarry Community Center for their annual Christmas Tea and meeting.

Guest speaker was Mrs. Carrol Griffin, first vice president, Florida Federation of Garden Clubs from Orlando.

Mrs. Griffin spoke on "Making Our Image Grow" in the community and state.

Mrs. Ardo Winkler, chairman of conservation, gave a brief talk on pure water. Mrs. E. Shaptaugh, chairman of beautification, thanked all for their help on the recent successful Bazaar.

Mrs. M. Lambert, chairman of garden tours, has arranged a tour for Jan. 26.

Mrs. Lynn Reed, chairman of membership, presented one new member, Mrs. Clara Vincent. Two other new members were unable to be present.

On the Thursday morning prior to the first Friday meeting of the club at the Community Center, Mrs. James V. Richards, is working with the members getting their cuttings and plants in order for the Spring Flower Show. They meet at the Conference Room and members interested should attend these informative sessions.

President Laura Arrington presided and thanked all for attending the tea. Presiding at the tea table were Mrs. E. B. Hahg and Mrs. Charles Billings. Hostess were Mrs. Mima Morrison, chairman assisted by Mrs. Alta Clark, Mrs. Bertrum Strommer and Mrs. Gladys Woodard.

A social hour followed the meeting.

## Knit Knacks

Proper pressing of your completed handknits will make a big difference between a truly professional-looking garment and you know what!

Before you sew the various pieces of your garment together, pin each piece to the proper size right on your ironing board, with rustproof pins.

For larger pieces, use a bamboo towel placed on your carpet. Be sure and put the right sides down.

Cover each handknit piece with a damp cloth. "Press" by holding a hot iron above the cloth—near enough to draw steam, but not touching your pressing cloth. If you want to emphasize cable designs and other heavily textured patterns. Always give your knits plenty of time to dry. Walk at least one day before pressing the pieces before sewing them together.

## Spirit Of Christmas Sparks Democratic Women's Party

Business was set aside and the spirit of the Yule season prevailed as members of the Democratic Women's Club of Seminole County gathered with their guests at the Capri Restaurant Friday for a Christmas party.

Approximately 50 persons enjoyed dinner and dancing.

The occasion was also used to celebrate the birthday of Dr. W. Vincent Roberts, husband of the club president, Mrs. Sheila Roberts.

A huge cake, decorated with red and green in keeping with the season, was presented to the honoree.

Helping out and serve the cake was Mrs. Martin G. Roberts of Augusta, Ga., mother of Dr. Roberts, who was a special guest for the gala evening.

**TOWEL STACKERS SAVED STORAGE SPACE**

Apartment dwellers often lack storage space in their bathrooms. A convenient way to store towels is with a towel stacker. This is an inexpensive wall unit either of chrome or plastic-coated wire with open shelves. It stores six folded bath towels or more, depending upon size. This proves a decorative asset to the bath when towels are in pretty colors or patterns and folded neatly.

## Annual Champagne Ball Spectacular

Glamour, gaiety and grandeur reigned at the glittering Champagne Ball Saturday night at the Sanford Civic Center as the Seminole County Mutual Concert Association staged the second annual gala.

Sparkling champagne, elegantly gowned socialites on the arms of their impeccably tall-couture escorts, superb cuisine and a pot pourri of dinner and dancing music combined to create a frank atmosphere for the ball revelers.

Frank Mohane Jr., overall chairman of the eminent event, and Mrs. Mohane greeted the celebrants as they entered the imposing auditorium through doors ornamented with two brilliant troyal trees created in swiftness of red paper and satin ribbons.

The red carpet was rolled out and the assemblage strolled under an arch embellished with foliage and glimmering lights to the elaborately decorated cocktail lobby. A champagne fountain bubbled from a centrally located table with two accompanying tables laden with trays of picturesque and delectable hors d'oeuvres. Adorning the festive tables were stately, antique gold candelsticks and unique miniature Christmas trees.

Following the congenial cocktail hour, the entourage assembled in the main auditorium for dinner and dancing. Surrounding the ballroom area were beautifully appointed, candle-lit tables where the guests dined sumptuously on the four-course dinner.

Suspended from the ceiling of the vast auditorium were revolving litanic pinatas, vivid in color and splendid in design, which reflected the ultimate in cosmopolitan decor.

And it was a night for the swingers! Everyone — yes, everyone danced to the enchanting beat, beat of the Renegade Brass Band who staged a rousing performance with medleys of old favorites and a round of the latest pop crazes. They all had a ball!

Regrettably the knights in shining armor and their beautiful belles departed from the enchanting atmosphere of the spectacular ball. As the ladies draped their furs casually over their shoulders, and many sneezing back into their sparkling slippers, the universal comment was heard, "This is the greatest ball Sanford has ever had!"

DEAR ABBY: My husband and I have been separated for three months. We have five children under 6 years old, and I am seven months pregnant now. There is this tramp in town who has been spoiling my husband. She bought him about \$300 worth of new clothes, a new rifle, a fishing rod and reel, plus she keeps him in liquor and cigars, and has furnished him with a car and gas. He hasn't even been working because she gives him spending money.

DEAR ABBY: I may be old-fashioned, but I think it's very poor taste to give money for Christmas. My mother-in-law sends my child a check every Christmas, and I get furious over it. I have been so tempted to send it back or find out that not only were they invited, but my husband had been accepting another man's wife and introducing her as his own.

DEAR ABBY: I feel I should check to see if my husband didn't take some other "wife." I feel I should check to see if her husband didn't take some other "wife."

The winning play had to be a trump return at trick two.

Polly's Pointers

DEAR POLLY—Rebecca can wash her textured hair with any shampoo. The cloth chews to bits if she uses a paint roller. I have just finished house cleaning and washed the texture-painted walls and ceilings all over the house with a roller. Mix your favorite cleaning solution, roll it on, then rinse with a cloth, towel or sponge that has been dipped in clean water.

My husband says textured paint can be removed with a sander but I hope Rebecca uses her wall for awhile before changing. We like ours so well, especially when we have just been "rollered" clean.

On a recent plane trip to London there was most interesting man in a party who has just had a much-needed book published.

Today, we all seem to be entertaining informally and wine belongs in both serving and cooking. It can make a dull meal start really sing and I find that when I add wine to my entertaining, it adds an extra added bit of goodness.
