Fire Prevention Week Said Complete Success

Committee Adopts Decree Opposing Legalized Betting

At the regular monthly meeting of the executive committee of the Christian and Missionary Alliance Church, Friday the matter of gambling and the referendum concerning pari-mutuel betting in the county were discussed and the following resolution was unanimously adopted:

"Whereas, we believe that gambling is a moral evil, and

"Whereas, we are sure that its extension in Seminole County will bring more corruption than benefit, and

"Whereas, we believe that every one of moral integrity should oppose all degrading influences in the community,

Be it therefore resolved: That the Christian and Missionary Alliance Church is opposed to granting any franchise to legalize pari-mutuel betting in Seminole County, and

Be it further resolved: That we shall by every proper means endeavor to discourage a favorable vote on the referendum to permit gambling at the Seminole Raceway to be decided on Nov. 6, 1936, and

Be it further resolved: That notice of this resolution be given to The Sanford Herald, and The Orlando Sentinel-Star, and radio station WTRR.

Adopted by the Executive Committee

Friday, October, 12, 1936

Rev. David S. Carnes, pastor (Mrs.) J. R. Brooks, secretary.

Among other items of business, the pastor reported that the work on the building was practically completed under the terms of the contract with Sam Lawson. Interior painting will be done in the near future by volunteers of the church.

Plans were approved for a Dedication Service on Sunday afternoon, Nov. 11 at 3:00 o'clock. The Dedication Address will be given by the former pastor, The Rev. Glenn Smith, who was well known during eight years of ministry in Sanford, prior to 1933.

During the week of Nov. 11-18 (Continued on Page 10)

Oct. 14-20 Named As Oil Progress Week In Sanford

"Fire Prevention Week" in Sanford and Seminole County was a complete success," said G. Andrew Speer, president of the Seminole County Junior Chamber of Commerce today.

The entire week's events were under the chairmanship of Bob Crumley, Jaycee and local insurance man.

Starting off the succession of events was the signing of the proclamation by Mayor F. D. Scott setting aside the entire week as "Fire Prevention Week" in Sanford.

The fire truck, secured by the local Jaycees for use in the Fort Mellon Park Elk's Playground, was moved to the corner of First St. and Magnolia Ave. to demonstrate, according to the sign placed on the retired truck, that "I have done my part, have you?"

The truck, retired from the city's modern equipment, is used as a jungle trapeze for the playground's visiting children.

Fire Prevention check sheets were distributed throughout Seminole County's schools to be taken home, checked, signed by parents and children, and then used as a free pass to the local Hitz Theatre with the compliments of Sanford's Fire Insurance agents.

Thursday's luncheon meeting of the Seminole County Jaycees was held at the Sanford Fire Station where Fire Chief Mack N. Cleveland Sr. and his staff of firemen served as hosts. Jaycees were shown the entire plant where they were shown the modern fire fighting methods used.

Also, at the luncheon, a discussion relative to the construction of Fire Station No. Two planned by the Board of Sanford City Commissioners, was held.

To climax the successful and eventful week, children from all over Seminole County, 800 of them, were entertained at the Hitz Theatre with a free movie. Check sheets calling attention to Fire Prevention were used as passes.

Following the movie, at 12:10 Saturday, the book and ladder fire truck was moved to its permanent location in the Fort Mellon Park Elk's Playground from its exhibition spot at First St. and Magnolia Ave.

Jaycee President Speer said, "We've already retired one trophy which we have in our possession, from the State Jaycee organization, for conducting three annual Fire Prevention campaigns in Sanford and Seminole County for which we were recognized."

"This year," said Speer, "under the chairmanship of Bob Crumley, we hope to again win this award for the third consecutive year and receive another trophy to add to our permanent collection."

"We want to thank everyone who played a part in making Fire Prevention Week here such a tremendous success," the Jaycee President said.

Mayor F. D. Scott today issued a proclamation officially designating the week of Oct. 14-20 inclusive as Oil Progress Week in Sanford.

The brief ceremony in Sanford was attended by all of the oil company representatives, J. C. Davis, Oil Industry Information Committee representative in Sanford, and spokesman for the group said that "Oil Progress Week is one of our most important annual events." He called attention to the fact that Florida is now consuming more than 2,916,000 gallons of petroleum products annually, an amount equal to 823 gallons per person. This, he added, represents a growth of almost 72 per cent since 1918.

Mayor Scott pointed out in his proclamation that "the history of the American people stands as a testimony to the advantage of freedom and individual initiative over regimentation."

"For nearly a century," the Mayor said, "the men and women of the oil industry have championed the freedom, initiative, and individual liberty on which our nation was founded. Through the practice of these principals the oil industry has come to symbolize the attainment of a standard of living previously unknown."

Mayor Scott said, "The week of Oct. 14-20, inclusive, has been designated Oil Progress Week, when the citizens of this community engaged in the oil business will report to their neighbors on their achievements to date and their plans for the future."

"I invite the attention of our citizens to the many and varied contributions of our business to modern living, and to those freedoms which are the special heritage of this nation, and without which neither the oil industry nor the progress it signifies could exist."

Mayor Scott in his proclamation, and around Sanford will mark the progress of the week.

A number of speeches were made at the oil company meeting, and Mayor Scott said, "We're proud to be able to tell our proud story of service and progress."

J. C. Davis, Chairman of the Seminole County OIC said:

Spaghetti Supper On Menu Tonight At Legion Session

Spaghetti and meat balls are on the menu tonight at the American Legion meeting—a real Italian spaghetti supper served by George DeMatteo.

Commander Lynn Lyon said today that the supper will get underway at 7 o'clock with the business meeting to follow at 8 o'clock.

A full agenda is expected to confront the Legionnaires at this evening's business meeting. However, bids for the new Fair Building will not be received and opened until Oct. 22, which delays further planning on the Legion Fair Grounds.

A pre-meeting report from the Grounds Committee revealed that the new site has been completely cleared and is now ready for sowing grass seed.

Commander Lyon urged a full attendance at tonight's meeting.

Weather

Increasing cloudiness today with scattered showers during afternoon and tonight; Tuesday partly cloudy low tonight 60-65.

Additional Local News On Page 10

Storm Drifting Toward Miami

MIAMI (AP)—A stormy area of squalls and rain drifted slowly toward Miami today as weathermen scanned it closely for signs of growth into a hurricane.

It lacked most of the characteristics of a tropical storm but it was partly the cause of 60-mile winds that buffeted South Florida all yesterday.

Sea under the disturbance, centered in the Florida Straits a short distance off the Cuban coast, are rough. Tides are expected to be two feet above normal with some flooding along the Southeast Florida Coast and Keys.

Storm warnings posted for yesterday's winds were lowered at Miami this morning. They remained up, however, at other sections of the coast from Melbourne around the Keys to Fort Myers.

Sanford Herald Endorses Congressman Herlong

Central Florida has been literally "bursting at its seams" — and the trend now leads in the direction of the greatest growth of all time.

Such tremendous strides in economic accomplishment for the area and for individual counties and communities can be attributed to the leadership in those positions of trust where progress gets its first stimulation.

The Sanford Herald endorses the candidacy of Congressman A. S. "Syd" Herlong Jr. for re-election as Congressman of the Fifth Congressional District, based solely on the accomplishments during his already brilliant career in the House of Representatives.

Congressman Herlong's activities in Washington and the program he has followed are above reproach.

Sanford and Seminole County have benefitted beyond estimate from his representation in our Nation's House.

On issues involving projects, Congressional action, basic law, and other matters pertaining to our city and county, to which Congressman Herlong's attention is called, he has "gone to bat" for us and accomplished for us those things we could not do alone.

We believe that Congressman Herlong has been, and will be, fair and impartial — doing as much for one as he would do for the other.

We know how "Syd" Herlong stands on the big issues confronting our state and nation and we know that he "stands pat" on these issues and will not be swayed one way or the other as he represents the people of his district.

As our problems here in Sanford and Seminole County become greater, which undoubtedly they will as we enter one of the most aggressive and progressive growth eras in history, we have the faith and confidence in "Syd" Herlong that he will give us the help and leadership that will be necessary to solve them as their magnitude necessitates action in the top echelons of our government.

Congressman Herlong's record of achievement, and his service on the Ways and Means Committee, is long and brilliant — too lengthy to present to our readers in one discourse.

It would be well, however, for Sanford and Seminole County citizens to know of some of Congressman Herlong's accomplishments.

He secured Congressional approval of inclusion of omitted portions of Brevard, Seminole and Volusia counties in the Central and Southern Florida Flood Control district, a bill that was vetoed by the President.

Of utmost importance to Seminole County, he secured funds to carry on research in citrus diseases and handled the appearance before the House Appropriations Committee of Florida witnesses and secured matching funds for eradication of the Mediterranean Fruit Fly.

Congressman Herlong supported appropriations for the expansion of the Sanford Naval Air Station.

And in his understanding of the far reaching problems concerning the elderly people of Florida, introduced legislation on two instances which affected the Social Security laws and widened the earning capacity of these important people to our community and state.

In his interest in the farm problems of our community and state, he introduced legislation which resulted in the exemption of farm gasoline users from federal tax on gasoline.

Outside of his regular Congressional duties, Syd Herlong has formed friendships with business leaders which have been influential in leading them to consider and select sites for new enterprises in the Fifth District. He constantly maintains contacts with interests which are considering new locations in Florida.

We believe that The Sanford Herald's endorsement of A. S. "Syd" Herlong is in the best interest of Central Florida, Sanford and Seminole County. Our Congressional leaders, those on whom we depend to work toward securing all that is best, profitable, and economically sound for our area, must be men in whose experience and background there is built an innate desire to serve his people.

'Mr. Speaker' Lauds Herlong

'We Will Win Smile' Displayed

By J. MARION HARMAN, Sr.

It was like a grand and glorious "homecoming" Friday night in Leesburg with Democrats from all over Central Florida gathered to honor Congressman A. S. "Syd" Herlong, Jr. and to meet his guest "Mr. Speaker," Sam Rayburn, himself.

The evening led off with an elaborate buffet supper, served at the Leesburg Elk's Club where County Democratic delegations were introduced to the nation's "Number One gavel rapper," Sam Rayburn.

News photographers had a heyday as they moved with the crowd taking photos of the bigwig as they conversed genially and informally with "Mr. Speaker".

Sam Rayburn seemed to enjoy being close to Congressman Herlong, Democratic following and betting his many years experience among the nation's political circles, felt at ease as he answered questions piled to him from every side.

"Mr. Speaker" displayed his smiling of the joy as the rim of a sunburn caused by a sheltering hat showed off an untouched head.

About the largest delegation attending the Democratic Pow-Wow, other than the Leesburg and Lake County group, was from Sanford.

Jim Lee, of Ovidio, "Mr. Democrat" of Seminole County, and longtime chairman of the Seminole County Democratic Executive Committee, with Mrs. Lee headed the delegation.

Other members of the delegation were: Mr. and Mrs. W. W. Warren, Mr. and Mrs. W. W. Warren, and Mr. and Mrs. Clifford McKinlin.

In evidence, throughout the (Continued on Page Ten)

Methodists Burn \$10,000 Mortgage

A \$10,000 mortgage, dated Nov. 10, 1933, on the parsonage of the First Methodist Church was burned by its original signers, L. P. Hagan, Chairman of the Board of Trustees and Z. B. Ratliff, treasurer of the church.

The mortgage was originally made on the basis of a ten-year loan, repayable at \$85 per month. However, in the three years, the mortgage has been paid and a certificate of satisfaction received by the church officers.

Ceremony for burning the mortgage followed Rally Day exercises held at the church and Sunday school, and a "dinner on the grounds" which was concluded just prior to the affair.

Rev. Milton Wyatt, pastor of the First Methodist Church, spoke briefly to the large group gathered to witness the ceremony and named the officials appointed to head the committee.

The Parsonage Committee, named by R. U. Hutchison, Chairman of the Church's Board were: W. B. Nicholson, chairman, M. R. Strickland, Judge R. W. Warren, J. C. Davis and Frank Adams. They were named in Sept., 1933.

Those burning the mortgage were: Z. B. Ratliff, who set fire to the paper, and L. P. Hagan, who held the burning document until it was reduced to ashes.

C. Redman Named To DeBary CofC Board Of Directors

DE BARY—At an Oct. 3 meeting of the Business and Professional Division of the DeBary Chamber of Commerce, Curtis E. Redman was nominated for membership on the Board of Directors of the local CofC, according to an announcement made by the secretary of the De Bary Chamber of Commerce, Mrs. Edythe S. Peterson.

Redman's nomination was approved at the regular meeting of the Board on Oct. 7, with his term of office running to Jan. 1, 1938, according to the announcement.

The secretary calls attention to the next meeting of the Business and Professional group to night at 7 o'clock in the Chamber of Commerce office.

Purpose of the meeting, said Mrs. Peterson, in her announcement, is to consider reactivating the work for the Division.

However, A. L. Lincoln, President of the DeBary Chamber of Commerce, will address the Business and Professional Division tonight and then retire from the meeting previous to the deliberations.

Farm Bureau Will Elect Directors At Monthly Meet

The Seminole County Farm Bureau's monthly membership meeting will be held tomorrow night at the Seminole High School agricultural building.

A covered dish supper will be served at 7:30 p. m. with the farm bureau furnishing the main course. Families are asked to bring a covered dish of their own choice, said W. W. Lint, president of the Seminole County farm group.

At the business meeting of the bureau which follows the supper at 8 o'clock there will be an election of directors for the next year. Also to come up will be a discussion of the proposed agricultural resolution to be presented at the annual Florida Farm Bureau Convention in Fort Myers at the end of the month.

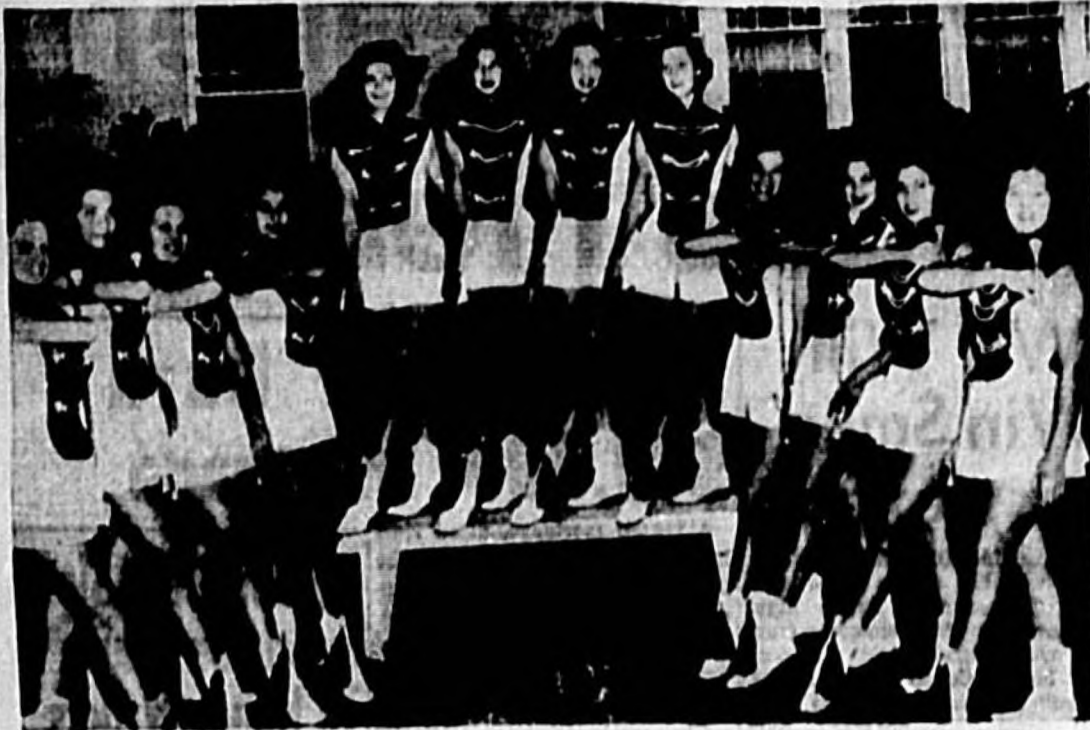

A \$10,000 MORTGAGE is burned yesterday at the First Methodist Church. L. P. Hagan holds the burning document as Z. B. Ratliff sets fire to it and atop to the right. Both were signers of the parsonage mortgage. Others taking part in the ceremony are: (left to right) R. U. Hutchison, Chairman of the Board; the Rev. Milton Wyatt, and J. C. Davis. (Staff Photo)

OIL PROGRESS WEEK proclamation is signed by Mayor F. D. Scott. Looking on are (left to right) M. R. Strickland, Louis Diakins, and J. C. Davis all local oil men. (Staff Photo.)

(Sanford Herald Photo)

Gossip Clouds

Have you seen ever seen Ann Davis trying to twirl without her baton? It's really a sight. She has such form, ahhh! such vigor.

Helen Price keeps stubbing in Glee Club. It seems that she's always doing something wrong just when Miss Whittle's looking.

It looks as if everyone feels a little bit better since the six weeks' tests are over. They're even smiling again.

The Sully Staff had a distinguished visitor Thursday afternoon. He is Mr. Lewis, who prints and publishes our annual. Questions were asked by the staff and many helpful suggestions were given by Mr. Loug.

To begin the gossip this week I have a request. The "Gammies" dedicate "We'll be loving you, Always" to all the boys at SHS.

I've heard and seen that a certain senior boy named Bill Kirschhoff is changing his ways. No longer pals with the girls-right Bill?

Three rags for Cushing! She finally chased her pony tail away. From what I hear if you pony tail in you can get a free date with Elvis Presley. Is that what you did Nan?

Kenneth Hoanck is really quite a guy! He has a way of aggravating Maggie Jane to death in Psychology. Grin and bear it Mag!

In speech class Thursday, Mrs. Coleman made the remark, "Let's go home this afternoon and practice breathing with our diaphragm. The reply from one of the students was, "Can we do it now? I brought mine with me."

As the gossip singers, Kaye J., Shirley A. and Bobbie C., say: "You may think that this is the end, well it isn't." I saw also well, it isn't.

Hey, Don Mathieux, what happened to you? You used to be quite the lover or maybe I haven't seen you at work recently.

It seems as though Teddy Walker was taken down a notch the other day after assembly by a senior named Pat for leaving behind the seniors were completely out — Shawne, Teddy.

After every football game a group of juniors and seniors each have a party. What do you find interesting at these parties girls?

I hear through the grapevine that the fifth period English class is really a riot! To give a hint why — Bobby Little, Brantly Schirard, Porky Scott, Phillip L. arol, and Pat are all members. Poor Mr. Ray!

Pat sure is happy these days — Besides going with Teddy her father bought her a 1949 black Mercury and guess what? It has a radio!

Be sure to go to Pinecrest Tuesday night to see "Picnic", the annual variety show given by the girls.

Hear solos by Shirley Anderson, Pat Harrington, Carol Nutt, Teddy Walker, Phillip Byrd and many others and see the majorette corps perform. It's going to be a great show so come one, come all. It starts at 8:00 p.m. and the price is — adults 50c and students 30c.

We sure were proud of all the Sanford people, who braved the rain and followed our TEAM to Apopka.

Two guys were at the game were: Carol McNeil and Don Mathieux, Connie Brown and Pete Nash.

Who is that cute red head Jimmy Cordell has been eying? Better be careful Jimmy.

Who is that cute blonde boy on the loose. Wake up girls

SHS Majorettes 'One For All; All For One'

The SHS majorettes have been working since August 21. Whew! That's a lot of hard work. I don't think they'll ever regret it, though.

The majorettes of last year made a Superior in both District and State contest. So that gives the corp this year, a lot to work on. This year's corp seems to catch on a lot quicker. They have really got the "spirit-to-learn."

Most of the majorettes are covered with blue marks from one end to the other.

The first time the corp ever performed, was in assembly one morning. Most of the new girls were frightened stiff. But they are getting over that as time goes on.

The corps has a new uniform (as you see in the picture above) and they are very proud of it. The uniforms were made by Mrs. H. S. Duggar, and Mrs. W. H. Jennings and some of the girls mothers. They did a very nice job, don't you think so?

I know that no one expects the 12 majorettes to get along fine together when they see each other from 8 to 10 a. m. and after school, they will be the first to admit that they have their little "spats," but they all stick together no matter what. They are all "One for All; and All for One."

If you'd like a good look at the corp, be at the game Friday night in Melbourne. Oh Yes, yell real loud for our team. Give the majorettes a big hand. They're doing a fine job!

Seminole FFA Wins Superior Award In National Group

By A. J. CLEMENTS

The Seminole F. F. A. Chapter received a Superior Chapter Award for accomplishments of their Supervised Farming program for 1955-56. This award was presented by the National F. F. A. Organization. The Chapter showed outstanding accomplishments in their program of activities and in providing valuable educational experiences for the boys in the chapter. This outstanding award is based on the degree of achievements of the local chapter in carrying out its progress of work.

The Chapter show cattle are being taken to the livestock show in Ocala by Mr. Edwards, the farm foreman. These cattle will be shown in the livestock show by Bill Thompson, Bert Baxter and Randall Priest. We hope to win many ribbons there and in other shows to come.

Teacher Of Week

The teacher of the Week is Miss Edna Chittenden sure deserves a lot of credit for her loyal service to the students of Seminole High for the past 21 years.

Besides the tremendous job of caring for the Library, Miss Chittenden is on the Faculty Advisory Committee. She has all Scholarship information, and schedules all films for Visual Aids.

Miss Chittenden lives at 1684 Palmetto Ave. with her sister Miss Laura Chittenden.

Miss Edna Chittenden (Staff Photo)

Fred: The jokes in the last edition weren't very good.
Bill: That's funny I put them in the fire and the stove roared.

Athlete: A dignified bunch of muscles unable to rake leaves or mow grass.

DCT Officers Named

The first meeting of Seminole High School D. C. T. Club was held on Thursday, Oct. 4.

The meeting was opened by Mr. Girard, the coordinator. Virgil Spivey was elected temporary chairman to conduct the election.

Louis Allman was elected the first president of this new high school organization. Virgil Spivey was elected vice president; Norma Evans, secretary; Tommy Russell, treasurer; Don Baly, Sargeant-at-arms; Roy Weirmann, reporter; Nell Michals, parliamentarian; and Earl Owens, Chaplin.

Employees of the members of the D. C. T. Club have become associated members of the organization along with the school administrators that are direct supervisors of the program.

The members of the club are looking forward to attending the annual district meeting of all the D. C. T. Clubs of District Five, of which the local club is a member. This meeting will be held after the Christmas holidays. It is usually attended by all the D. C. T. Club members of the district.

Any bottled mint sauce in the house? Pour it over cooked green peas and chili. Serve on crisp greens as a salad with lamb chops.

Plastic sponges that become dirty from heavy cleaning may be laundered in a washing machine — for extra freshness and longer wear.

D.C.T. CLUB OFFICERS for 1956-57. Shown (left to right) as they took over their duties are: Louis Allman president; Norma Evans, secretary; Tommy Russey, treasurer; and Virgil Spivey, vice president. (Sanford Herald Photo)

EVERYBODY HAS A PART in "Picnic" and part of the cast appearing in the Seminole High School Musical at Pinecrest school tomorrow night at 8 o'clock seem to be going over their particular lines. Shown above are: Henry Cason, Teddy Walker, Murray Nance, and Bill Lyre. (Sanford Herald Photo)

Must We Drive Fast?

In the last ten years the teenager in these United States has taken on an unparalleled economic importance of which is the necessity for using good judgment.

Here in Sanford there are a great many children who seem to enjoy playing in the streets more than anywhere else. The next time any of us have an impulse to speed in a residential area we'd better stop and think what it would be like to cause the death of a child. . . even if it were not our fault.

Until the male driver is 21, he must pay almost double insurance premiums because of his recklessness. Girls don't. Of course this doesn't mean that girls are much better drivers, but it does mean that they don't have such a high accident rate.

Perhaps we boys can take a lesson from the girls and slow down.

Another good point of careful driving is that it will earn for us more respect from some adults who think a hotrod is just a common criminal. . . and maybe they have a point. We'll have to answer that.

Speech Group Presents 'Nautical Approach' Tuesday

The speech department of the Junior class presented a 1 act play called, "The Nautical Approach," in assembly Tuesday morning. It was under the direction of Mrs. Coleman.

Let's give them a hand, because they really did do a good job and we certainly enjoyed it.

The characters were as follows: announcer, Helen Alams, policeman, Jim Blythe; sailor, Al Collins; head nurse, Nancy Robb; assistant nurse, Linda Cannon; janitor, Berry St. John; student nurse, Sandra Lee and Evelyn Bennett.

Triple Trio Makes First Appearance Tomorrow Night

By KAYE JENKINS

The Triple Trio makes its first appearance Tuesday night, with the Glee Club's annual "Variety Show". The girls are: first soprano, Pat Harrington, Kaye Jenkins, Bobbi Crutchfield; second soprano, Carol Nutt, Sylvia Price, Lois Barineau; and the altos, Ann Davis, Shirley Anderson, Iris Causey.

Every Tuesday night the girls meet to hold a practice from 7 o'clock to 8 o'clock. The girls all enjoy music and put a lot into their songs.

The girls will sing three selections in the "Variety Show", "Little Willie", "Sleepy Lagoon", and "Mr. Wonderful."

They have worked very hard to make this year as successful as the preceding ones.

Thank You, Maggie Jane

We of the Journalism Staff would like to thank Maggie Jane Lawson for the outstanding job she did on the Indian figures for the Smoke Signals.

Maggie Jane is taking art in school and is going to apply for an art scholarship to college. Lots of luck to you Maggie Jane, you really deserve it.

He: "Please"
She: "No"
He: "Oh Please"
She: "Positively no"
He: "Aw ma all the other kids are going to the show!"

Borrower: A person able to swap hot air for cold coin.

Cannibal: A heathen who never works but lives on people.

Teddy: "I'll bet you felt it in your toes when I kissed you last night."
Pat: Yes you were standing on my feet.

Dust: Mud with the juice squeezed out.

COURTESY WINS FRIENDS...

for FLORIDA and YOU!

Time for your Fall courtesy check-up!

COURTESY CHECK CHART

Let's Put a Permanent Smile on Florida's Map!

- SMILE... it's contagious!
- Answer questions cheerfully!
- Drive responsibly. It's safe, isn't it?
- Do all things... DO UNTO OTHERS!

In the next few months, Florida will play host to the greatest influx of visitors in our history. They're our biggest business...let's show them we appreciate them. This check list is a good start in the right direction.

It's the same old Golden Rule, but when put to work it not only makes us happier, it also is good business!

FLORIDA POWER & LIGHT COMPANY

Agricultural News

D. CECIL A. TURKER, II
SEMINOLE COUNTY
AGRICULTURAL AGENT

The word seems to have gotten around pretty well that Seminole County has a new Agricultural Agent, for so far almost everyone he has met has either said "I heard we had a new Agent" or "I've been wanting to meet the new Agent." Maybe in time the "new agent" might meet you, even though Seminole County is small in land area there is a lot of people and a lot of agriculture in the county; so consequently don't feel left out if the "new agent" doesn't visit your place right away.

The County Agent's office is on the ground floor of the Courthouse, Sanford (phone 470). Please feel free to drop by any time.

At the present time no particular time except Friday has been set aside as an office day. The other day the agent may be in the office or in the field, but you can always leave word with the secretary what you want or where you can be reached by phone.

We are in the process of getting the various producers mailing lists up-to-date. So farm letters have been sent to the cattlemen, poultrymen, nurserymen, and citrus growers in an effort

to bring the lists up-to-date. If you did not receive a letter, and would like to be on the County Agent's mailing list (for his use only) to receive the various news letters, either drop a card with your name and address, and growing interests or call at the

office. From time to time the agent will use this column to bring agricultural events and materials to your attention.

I've had a few calls recently by home owners that are having

trouble with chinch bugs in their improved bermuda, etc. except St. Augustine grass lawns. It is in dry weather or under extreme heavy infestation. There is a bulletin available from this office, Circular 8-50, on chinch bug control. Chinch bugs will not bother the other grass varieties such as centipede, their small size. One of the best

methods to find them is to use a tin can with the top and bottom removed into the edge of living turf and brooded areas, and fill with warm water. If chinch bugs are present they will float to the top in 5-10 minutes.

THE SANFORD HERALD Mon., Oct. 15, 1955, Page 3

The control for chinch bugs is If dust is used water the lawn thoroughly, allow the grass to dry, and then dust. The area may then be watered again lightly to give good coverage.

DEMOCRATIC Presidential nominee Adlai E. Stevenson swings through Pennsylvania by auto and train (bottom), the latter called the "Joe Smith Express." He left the train in Scranton for a speech and motorcade through smaller towns. At top, Stevenson signs autographs in Pittsburgh, where, in a nationwide address, he accused the President of "gross misstatement" in charging Democrats with "wicked nonsense." (International)

Continued Growth Of Our City, County Depends Upon Citizens

The circle of prosperity seems to be weaving itself tighter and tighter around Sanford and Seminole County.

However, the thread that forms the cloak of growth and increased economic conditions, must be twisted into the finest yarn of loyalty that can possibly be turned out on the looms of time.

The stability and unprecedented growth must be dependent upon the citizens of Sanford and Seminole County — for it would be useless to banter, trade, work and strive, for those things that would create business, industry, and commerce, unless those who live within the community itself support those neighbors who form the backbone of the city.

Merchants are dependent upon their neighbors for trade, support and loyalty. They cannot be expected to pour their taxes into a mushrooming community government unless they have the shopping faith of the citizens who live within our boundaries.

Many many of our citizens deplore the conditions that exist on an international and national level—the pouring of billions of dollars into foreign countries with no return for the investment except what they call "the good will" of the nations into which these shipments of dollars and goods are funneled.

So it is with our own situation — we cannot expect thousands upon thousands of dollars poured into foreign shopping fields, dollars on which there is no return to the community.

To be sure — the local shoppers are attracted by lights and glamour, by boats and come-ons, by "plenty of room" to park and all of the other promotional foil de rol that one listens to and reads — but what of the price tag?

The cost of transportation far exceeds the possible savings of a few cents since, according to transportation experts, it costs the traveler ten cents per mile to operate his car.

Then there is the friendly greeting of your hometown clerk who welcomes you to the local merchant's store — the guarantee that when merchandise doesn't meet the highest standards a neighbor represents it will be exchanged or traded.

There are the streets which must be paved in front of your home — from the tax you and your local merchants pay. The police protection you receive each day and night whatever the day of week — the fire protection — the water you drink — the

parke which serve you — the sanitary facilities — are all dependent upon the support of local citizens.

One of the greatest futures — greater than even the biggest in any Florida city — is in front of Sanford and Seminole County if local area citizens would but band together to make it possible. This future cannot be accomplished by those who pull apart instead of with — those who are attempting to bring to a reality such projects as the "Capital Improvement program" — the "docks and terminals" — the "Sanford-Titusville Canal" — a new "airport" to serve the community — the "causeway and 17-52" — and a myriad of others that are being placed into the achievement hopper.

To be certain—Sanford and Seminole County is out to achieve big things—and in spite of what some may say, these projects will become real.

But most of all—the biggest boom in Sanford would come to pass if local citizens would but trade with their neighbors — a "Trade At Home" spree would create smiles that would circle the city because hometown folks would be happier — would receive more for their dollar spent — and would realize a bigger and better city in the final analysis.

America became a great nation because of the loyalty of its citizens — and so can Sanford and Seminole County become great communities because of the loyalty of its citizens.

It is a pure and honest determination that Sanford's growth and prosperity can be improved tremendously with the tide turning back to "home town loyalty".

Do as others have done — when you hear a neighbor or friend speak of shopping in foreign communities — remind them that "they can find their needs here at home" — and you will make friends, close friends, and valued friends by your efforts. That has been proven!

Each citizen can play a very important part in the complicated network of prosperity that is being woven about us. As the needle of success weaves in and out, each person has a particular place in it to form the mesh closer and closer around Sanford and Seminole County to create the cloak of security and success.

Let's each one do his or her part in making the Sanford and Seminole County area the most important in Florida. It can be done!

Voting is more than a privilege of our citizens — it's a duty and an obligation. And that's something to remember in these coming pre-election days. As individuals, we don't owe anything to the politicians — our obligation is to secure the highest type of good government at local, state and national level.

Honestly, though, don't you sometimes wonder where this great country of ours is headed for? Regimentation seems to be the answer whether we like it or not. The great American spirit which was for so long a shining example to the rest of the world, held in envy and awe, seems to be disappearing under an avalanche of promises of security from the cradle to the grave.

Conseau 'Father Of Free Diving'

NEW YORK (AP) — If fish hate men, the man they hate most is a French naval officer named Jacques-Yves Cousteau.

He turned the world's seas into a goldfish bowl by co-inventing the aqualung in 1942. Since then the oyster in his pearly bed on the ocean floor has enjoyed no more privacy than a flagpole siter.

Cousteau, a slender athletic man of 46, is the acknowledged "father of free diving," a sport followed by half a million enthusiasts in America alone.

Since he put on a face mask and submerged for the first time in 1936, Cousteau has made more than 10,000 dives, including a 28-hour descent of 303 feet in 1947.

"But altogether I have probably spent a total of two months under water," he said. "That isn't very much, is it?"

Cousteau wrote a book of his amazing submarine adventures that sold 2,650,000 copies. He also produced for Columbia Pictures, for Silent World, a wondrously beautiful film of ocean life that won a grand prize in the 1956 festival at Cannes.

What began as a sport for Cousteau has become a serious career. He wants to spend the rest of his life solving the secrets of the sea, particularly the mystery of the continent shelf.

"This shelf, an average of 1,000 feet below the surface," he said, "extends out from every continent from one or two miles to hundreds of miles. Beyond it lies the ocean abyss."

"Very little is known of this shelf, yet it covers an area greater than Europe. It is my dream to conquer it."

Cousteau has a mild distain for both amateur spearfishers and professional fishermen who go down to the sea with nets.

"Fishing is a thing I hate," he said positively. "I feel that in 30 years fishing will be prohibited in every sea."

But the fish themselves can take little consolation from this prediction. Cousteau simply regards present day fishing methods as wasteful and destructive.

He would mine the oceans of their mineral wealth, turn them into waters for industry — which fish are ranches as scientifically as cattle are on dry land now.

"The sea is our greatest resource," he said. "It can sustain double the world's present population."

Cousteau has assembled a staff of 50 specialists in plan and man.

Engagement Rings For Men Popular

By MAL BOYLE

NEW YORK (AP) — Guess what's new in diamond engagement rings? The answer: Male fingers: You mean men are actually beginning to wear engagement rings?

"Yes more every day," said Henry Peterson, the nation's largest diamond ring manufacturer.

"But in the case of men we don't call them engagement rings. We call them acceptance rings."

"When a woman becomes engaged, she naturally wants to give her fiancé a present. And there is no earthly reason why she should not buy him a diamond ring, no she too, can have an everlasting proof of her love and affection."

There is also another advantage in this trend for the bachelor. If his girl throws him over for another guy, he can hock the ring he gave him to court a new flame.

Peterson said that while acceptance rings for men are still only a small part of booming diamond ring industry, it is growing steadily.

"Matched foursomes—a set of diamond engagement and wedding rings for both the husband and wife — are also becoming popular," he remarked, adding: "particularly in Texas—on up."

Peterson, who is promoting the idea that a diamond ring is a boy's best friend, is a top figure in the glitter field who started from exactly nothing.

VOTERS OF SEMINOLE COUNTY

The undersigned Democratic nominees for Seminole County public offices in the General Election on November 6, 1956, urge the voters to support the Democratic Party on the local, state and national level.

It is our belief that only through the election of a Democratic Congress and a Democratic administration can we maintain a voice in national affairs and reflect our views in government.

Our own United States Senators and Representatives from Florida, together with their colleagues from our neighboring states, occupy important chairmanships and positions on the influential committees of Congress. They likewise hold high positions within our own Democratic Party.

Their voices, speaking for us as our representatives, can best be heard in Washington by the party of which they are members — the Democratic Party.

Senators Holland and Smathers, Governor Collins, Congressman Herlong and our six other Democratic Florida Congressmen, have endorsed the nominees for the Democratic Party. We join them in urging the election of a Democratic administration and a Democratic Congress in November. In this way, and in this way only, do we have a chance to make our voices heard.

DOUGLAS STENSTROM for State Senator, 37th District
MACK N. CLEVELAND, JR. for State Representative Seminole County
GORDON V. FREDERIC for State Representative, Seminole County
O. P. HERNDON for Clerk of the Circuit Court
J. L. HOBBY for Sheriff
MARY E. EARLE for County Assessor of Taxes
JOHN L. GALLOWAY for Tax Collector
RAYBURN T. MILWEE for Superintendent of Public Instruction
C. F. HARRISON for Member of School Board
CAMILLA D. BRUCE for Supervisor of Registration
ERNEST HOUSHOLDER for County Judge
KARLYLE HOUSHOLDER for County Prosecuting Attorney
JOHN KRIDER for County Commissioner, District No. 1.
LAWRENCE SWOFFORD for County Commissioner, District No. 3.
HOMER LITTLE for County Commissioner, District No. 5.
THEO AULIN for Justice of the Peace, District No. 3.

Seminoles Tie Bolles 6-6

Crooms Takes Early Lead; Ties Game With Northwestern

The Crooms Academy Panthers, game penalties carried the Northwestern 20 yard line, and it seemed the Crooms team was on the march. They picked up a first-and-goal-to-go on the Northwestern nine yard line, but that was all the big boys from Miami would allow. The Panthers lost the ball on downs at the 14.

Crooms made three serious first half threats, but were unable to shove across more than one score through the mammoth NW defense.

In the opening seconds of the

repelled the attack and took over the ball on their own 20 yard line.

The third threat by the Panthers carried to the Northwestern 28 yard line before the defense could ward off the aggressive Panthers. When, in the closing minutes of the first half a series carried the Panthers to the 25 yard line, they would not be denied. They drove to the 4, where Melvin Ruth carried through the line for the tally.

Crooms, completely dominating the first half of the game, could not stand up under the superb reserve strength of Northwestern. The hard line plunges by Miami's Fred Seymour and James Hopkins began to pay off, and Northwestern penetrated to the Panther four. There, on a fourth down, Nathaniel Ingraham tugged to Robert Johnson, who made a spectacular one handed catch to tie the game.

The Yardstick

Northwestern	Crooms
10 First downs	8
113 Rushing Yardage	87
76 Passing Yardage	0
12 Passes Attempted	0
7 Passes Completed	0
1 Passes Intercepted by	1
2-38.5 Punts	2-21.5
1 Fumbles Lost	0

120 Yards Penalized	10
Individual Yardage	
Northwestern: Seymour 57; Carey 10; Hopkins 24; Hedmon 1; Rohling 4; Green 15; Daniels 5; Sniper -5.	
Crooms: Ruth 40; Robinson 28; Lancaster 11; Abney 7; Lanier 1.	

A dazzling 87 yard run by Joe Vigil for a TD on the first play of the second quarter, four serious Seminole scoring threats that failed to materialize, and the final whistle, allowed the Bolles Military Academy Cadets of Jacksonville to tie the much improved Sanford Seminoles 6-6 in a rain marred Kwanza Benefit game Friday night in Memorial Stadium.

On the last play of the first quarter Seminole punter Joe Russell made a perfect punt for 43 yards and defensive end Eddie Barbour carried through the play with a perfect tackle to nail Cadet Hayward Hall on the Bolles 12 yard line. But on the next play Vigil dashed the crowd by spinning around his left end for a brilliant 8 yard spree to paydirt to tie the Seminoles on the defensive.

Al Stanley. The warpath Seminoles sparked a drive that carried for 62 yards and paydirt was culminated in a 14 yard crack through the middle by Schirard. The all-important extra point kick was wide by inches. The game was deadlocked 6-6.

Byrd, making fine punt returns all evening, took a fourth quarter punt and raced down the sidelines for a return of 50 yards before he was finally hauled down on the Bolles 20 yard line. Again the Seminoles were declaring war, and they pried up a first and goal at the Cadet 2 yard line. But three penalties and four plays later the ball went over to Bolles at the 20.

The Seminoles, definite dominators of the second half, went on the march in the dying seconds of the game. The final whistle ended the threat with Johnny Williams snagging a Stanley pass and going for a first-and-goal at the Bolles 8 yard line.

Offensively, Byrd made his best showing of the year. He hit the line for good, consistent gains and made breath-taking punt returns that threatened to go all the way. Schirard was the offensive and defensive giant for the Seminoles.

Bill Tyre and Eddie Barbour played outstanding games for Sanford. Tyre successfully stopped the plays through the tackle slot, and Barbour made sparkling tackles that brought the fans to their feet.

The break of the game for Bolles was a fifteen yard penalty against Sanford that threw the Seminoles from the two to the

Greyhounds Upset Edgewater 12-6 In Saturday's Game

Jim Hopkins and David Stevens both did their turns at scoring Saturday night in Longwood to lead Lyman to their third win in four games as they upset the Baby Eagles of Edgewater 12-6.

After a scoreless first quarter of see-saw defensive battling, Hopkins circled right end on his own 43 yard line and made a breath-taking 35 yard ramble for paydirt to lead the way for the victorious Greyhounds.

The rest of the game was centered around the forty yard until the final stanza, when both teams were beginning to show signs of slowing down defensively. Outstanding performances were turned in for the Greyhounds by Alton Boone and Pete Van Horn to give the Lyman eleven the upper hand during this period.

Midway in the fourth period the Greyhounds began to threaten, but the Baby Eagles held firm on their own ten yard line. After the Eagles regained possession of the ball they moved out in the fifteen on the next play, then on the following play Eagle halfback Bill Gridley brought fans to their left end that circled around his left end that carried for 85 yards and dead-

R.T. MILLWEE, Superintendent of Public Instruction takes ticket from Mrs. C. E. Hittell of Lake Monroe at the annual Kwanza Benefit game Friday night in Memorial Stadium, F. A. Palmer waits to give Mrs. Hittell her free program. Under from the game will go to the Kwanza Benefit Fund for Underprivileged Children.

"BUSINESS REPORT"

Dr. Friedenau's Weapons Law, Legal Justice

BERLIN (AP)—On a quiet tree-lined street in free West Berlin lives a man who strikes fear

into the hearts of East Germany's communist rulers—through subtle, complicated weapons. He is Dr. Gheo Friedenau, a soft-spoken lawyer whose weapons consist of law and legal justice. Friedenau operates through the League of Free Jurists which he founded and heads. It is one of the world's most original and respected anti-communist underground movements. It has the backing of the United States and financial aid throughout the free world.

Let us tell you how you can still apply for a \$1,000 life insurance policy to help take care of final expenses without burdening your family. You handle the entire transaction by mail with AMERICAN OF KANSAS CITY. No obligation. No one will call on you! Write today for free information. Simply mail postcard or letter (giving age) to OLD American Ins. Co., 3 W. 9th, Dept. L1007 Oct. 15, Kansas City, Mo.

Volunteer informants throughout East Germany keep the league advised on the doings of communist officials. Whenever one of the officials does something that could be considered a crime against humanity or justice, it is recorded in the files of the free jurists. The aim is to gather enough evidence so these officials could be convicted on criminal charges should they ever fall into Western hands. The organization has become so effective that the communists have twice attempted to kidnap Friedenau. They failed but in

1952 they did succeed in kidnaping Dr. Walter Lins, head of the free jurists' economic division. Lins was dragged into a waiting automobile and driven into East Germany. Although both the Russians and the East Germans have denied knowing anything about Lins, returning prisoners have reported seeing him in Soviet labor camps. Ever since the kidnaping, Friedenau has lived a careful life. His home telephone number is unlisted. He sleeps within reach of a pistol and a police alarm button. An armed guard keeps a constant vigil in front of his home which stands less than a mile from East Germany territory. Friedenau drives to his office in a car equipped with a two-way radio and an armed chauffeur. Once in the office, Friedenau sits at a desk that contains not only a pistol but another police alarm button. Interviewed in his office, the 45-year-old Friedenau shrugged and smiled when asked if living under tension doesn't make him nervous.

"Not necessarily," he replied. "You get used to it. What makes me nervous is the responsibility for the people who are working with me."

"I think I got the first idea for my present job in prison," he says. "The Nazis put me there after the July 20th 1944 attempt on Hitler's life. I had nothing to do with this plot but I did know some of the people involved." "While in prison, I learned that could be influenced if you forget about politics and talked to them about legal justice and legal rights." Friedenau believes East German communist officials can be influenced the same way. When enough evidence has accumulated, a formal legal indictment is drawn up. It goes into the files of the jurists, to West Ger-

Passport to Happiness By MAYBIE GREIG

CHAPTER 15 VAL DIDN'T see Dirk again until the following day. The good weather had definitely set in. There was brilliant sunshine and the sea was a clear sparkling blue. She would have liked to take a turn on deck directly after breakfast, not only to enjoy the sunshine and the gentle sea breeze, but to walk the anxiety and emotional confusion she felt out of her system. But Mrs. Featherstone was more than usually exacting that morning. Val didn't mention the unpleasant incident on the floor and she prayed Mrs. Featherstone would never learn of it. But, as though some sixth sense had told the woman something of the nature of what had occurred, she kept questioning Val about the previous evening. "Whom had she lanced with? How often had she danced with Dirk? And she asked angrily, 'I hope you didn't dance with that dreadful man, the ship's doctor.' 'I did once, and I don't think it a dreadful man,' Val answered quietly. Mrs. Featherstone snorted indignantly. 'You're just another silly girl taken in by his vulgar good looks.' 'What do you mean by another silly girl, Mrs. Featherstone? Do you mean that your daughter, Eliza, once liked him very much too?' Mrs. Featherstone's small dark eyes positively glared at her. 'Oh, so you've been listening to gossip, have you? Who's been telling you all this?' That wretched Bruce Harridan!" "I'm sorry if you disapprove of my talking to Doctor Harridan, Mrs. Featherstone," Val returned quietly. "I know you're paying my passage in return for my looking after you, but I scarcely think that gives you the right to choose my friends." "You're insolent, Nurse," Mrs. Featherstone choked out. "I've a good mind to wash my hands of you for good and all." "Val managed to smile. 'I'm sorry, Mrs. Featherstone. I can't help it. I'm a law enforcement agency, and is distributed in East Germany with at least one copy going directly to the person indicted. 'This makes them very nervous,' Friedenau reports. "In fact, some of them become so worried that they send relatives or friends to us to plead that they really aren't such terrible persons. Sometimes the indictments help bring about a change in communist policy." So far, the jurists have drawn up indictments against 300 East Germans. But there are voluminous files on thousands more and some day, when enough evidence is in, there will be indictments against these, too.

Mr. Speaker

(Continued from Page 1)
Evening, was the "we will win" smile displayed by "Mr. Speaker" Sam Rayburn. To young and old alike, "Mr. Sam" had a warm and friendly handshake, a big smile, friendly greeting, and an assuring word that the "Democrats" are in.

By Herlong was kept busy, second to second, greeting friends from "all over", all coming to Leesburg to wish him well and to offer services in his campaign for Fifth District's Congressmen. However, "Mr. Speaker" to keep fairly near "Mr. Speaker" to be sure that all of his friends had an opportunity to meet the man who had guided the Democratic National Convention through its most exciting moments.

Close to "Mr. Speaker's" side throughout the evening, was Florida's Democratic Executive Committee Chairman, James Milligan of Orlando. And it was Milligan and Herlong who led "Mr. Speaker" to the speaker's rostrum at the Lake County Armory in Leesburg where a formidable crowd had gathered to hear what Syd Herlong said, during his introductory remarks "no political doctrine."

One of the state's Democratic leaders, J. Hardin Peterson, a long-time friend of Speaker Sam Rayburn, was on hand to offer his philosophy about the forthcoming general election.

It was Peterson who first praised Congressman Herlong when he told the Army audience—all of them having personally met "Mr. Speaker"—"I have observed his loyalty, his kindness and his generosity. Syd Herlong has made you a great Congressman, he has served you well."

Congressman Herlong used his best "homelown manner" when he introduced his visitor "of sort of 'led' into his introduction when he said "It's a nice, warm feeling to have people come to see you." And then—with his Democratic emphasis—"I want you to meet the man who has served as speaker longer than any other man in the history of our Congress, one of the greatest living Americans, 'Mr. Speaker' in the House of Representatives, Honorable Sam Rayburn."

And that started the ball rolling. Sam Rayburn minced no words. He didn't do any arm waving—gave poundings—or call to orders. He spoke quietly, easily and frankly—such as his explanation "I am, without prefix, with out suffix, and without apology, a Democrat!"

"Mr. Speaker" praised, but beat down his praises as he rapped the policies of the Republican administration—he built them up and dropped them with a "bang" without any effort to pick them up.

And never did "Mr. Sam" pass up an opportunity to claim the successes of the Republican Administration for the Democratic Party. For example, he said

"Social Security and every additional amendment belongs to the Democrats."

Safety Talk Heard By Longwood ColC

By MRS. RUTH LAYO
Sixty members and guests were present at Sunnyside Park last evening when Corporal Charles "Chuck" Saunders of the Florida Highway Patrol spoke on "Highway Fatalities. What Are You Doing About Them?" Corporal Saunders was also to show a movie, but it was not available at this time and he will return at a later date to present the film. Saunders, talk brought home to many, the carelessness of which too many of the drivers today are guilty, and what they can do to prevent the casualties on the highways. The statistics quoted and the facts presented to substantiate them brought to thought, that all drivers must exercise more care in their driving to make the highways safer for all.

Russell Grant was appointed Chairman for the Longwood Annual Christmas Party for the school children. Mr. Grant, now to contact all other organizations and town churches to assist in the plans.

Linton Cox, Committeeman of the Medical Building, reported that the electrical work in the Building has been completed and was now ready for the wallboard to be installed. Also that the Longwood Volunteer Fire Dept. was donating their meeting evening this week to assist in installing the wallboard.

Plans have been completed for the Auction to be held October 20, at 7:30 p. m. in Sunnyside Park. Larry Jones has offered his services as auctioneer for that evening and Mrs. E. Black announced that her committee will have in readiness, that evening all through the Auction, hot dogs, cake and coffee.

Mrs. Russell Grant, Membership Chairman reported sixteen new members and with most of them attending the meeting they were introduced to the group.

Attending from the Lake Mary Chamber of Commerce were two of their members.

Suggestion of a Halloween parade for the children was discussed but was tabled for this year so that funds could be used to further the Medical Building. Dick Zartman and F. Gamble were named to head the Christmas Float program.

Refreshments were served at the social hour that followed.

It was a big shindig in Leesburg Friday night. Democrats did themselves proud—demonstrating, in the most part, the strength of Congressman Syd Herlong in his District. Central Floridians were soon forget the little man who wields a big gavel, Mr. Speaker, Sam Rayburn, of Texas.

Next Monday night, at the Seminole County Court House, local Democrats will have an opportunity to hear Congressman Herlong as he climaxes an all-day visit here with a Democratic Rally staged by the Seminole County Democratic Executive Committee.

Light Bulb Sale Kickoff Scheduled Tonight By Lions

The Sanford Lions Club will hold its regular meeting tonight at the Yacht Club at 8:45 p. m. Tonight's meeting will be the third in the series of evening meetings which replaced the noon luncheon sessions.

Stated tonight as the principle speaker for the occasion will be Cecil Tucker, Seminole County Agent who will talk on "Highway Plans, the 4-H Club, and other County Agent's activities."

Also, tonight, the kickoff for the week-long light bulb sale will take place. President Dallas Zoep said that members of the local club will canvas the entire Sanford area for the sale of bulbs from which funds will be derived for the sight conservation program carried on by the local Lions Club.

Ben Wade, chairman of the "Light Bulb Sale" said that the sale of the light bulbs will be continued throughout the week.

Many Awards To Be Presented Tonight

By MRS. RAYMOND MORRIS CASSELBERRY
Boy Scouts of America of the St. John's River District will conduct a Court of Honor tonight at 7:30, at the Community Methodist Church, according to Walter J. Krohne Jr., scoutmaster of local troop 311.

The district comprises the towns of Pierson, DeLand, Sanford, Oviedo and Casselberry and scout troops and cub packs will assemble here tonight from the entire district.

According to Krohne, many awards will be presented and many scouts will be upgraded in rank. Members of the Lions Club Boy Scout committee, sponsors of the local troop will assist Krohne and district officials in conducting advancement tests.

Interested persons can assist the troops in their point system of scoring by attending the court.

Hebert Battling In Western Open

Four tournament professionals, including a playing pro from Sanford and the Mayfair Inn Country Club, are battling it out today in a four-way playoff for the \$3,000 top money in the Western Open at San Francisco after usually steady Doug Ford Yonkers, N. Y. blew his chances to take it all.

Ford came apart on the last three holes yesterday to finish in a 2nd dead heat with Don January, flashy Lampassas, Tex., youngster; Jay Hebert of Sanford, and Mike Fetichik of Mahopah, N. Y.

Coming off the 15th hole, Ford was sailing along four under par. Then he took three straight bogeys. January came in yesterday even par, one stroke higher than Ford. Hebert carded a final round 69 and Fetichik a 70.

Panel Discussion On Youth Program

The American Home Department of the Sanford Woman's Club will feature a panel discussion tomorrow night on "Driving Toward Securing A Youth Program for Sanford" following their regular business meeting which starts at 7:45 p. m.

Moderator of the panel discussion will be Mrs. Margaret Reynolds, Principal of Pinecrest School.

Taking part in the panel, and discussing various phases of securing a youth program, will be Housholder C. Y. Warner Warren E. Knowles, J. Marion Harman Sr., Executive Editor of the Sanford Herald, and Captain Archie Williams of the Sanford Police Department.

Hostesses for the evening's meeting tomorrow night will be Mrs. Robert Karna, Mrs. John Carlton, Mrs. John Sauls, Mrs. Raymond Bass and Mrs. J. T. Bozard.

The panel discussion and meeting is open to the public and anyone interested in a Youth Program for Sanford may attend.

Party Honors Barbara Brown On 8th Birthday

There was much noise and merriment in the neighborhood of Mr. and Mrs. R. L. Brown who live at 2043 Washington Ave. when they entertained their daughter Barbara at a party honoring her eighth birthday.

The noise resulted from one of the games the children played in which they rode their bicycles around and blew horns which were furnished by the hostess.

The merriment was a result of the normal high spirits of the youngsters as well as the Peanut Hunt, at which the winners were Vinnie Atkinson and Eddie Tilton.

A Halloween theme was carried out in the decoration and refreshments, with the children served small Halloween candies, cupcakes, icecream and birthday cake.

Those present were Duane Anderson, Debby Brown, Valerie Atkinson, Vinnie Atkinson, Carl Atkinson, Eddie Tilton, Susan Brown, Pamela Adams, Gary Winn, Jackie Morrison, Stephen Harris, Beth Morgan, Betty Odham, Patsy Kader, Pat Harris and Linda Harris.

Mrs. H. W. Rucker Wins Bible Quiz At Gleaners Meet

Mrs. A. J. Walker was hostess to the Gleaners Class of the First Baptist Church when they held their regular meeting Tuesday.

Co-hostesses were Mrs. J. F. Lewis and Mrs. H. C. Echols.

The meeting was opened with a prayer by Mrs. C. A. Anderson Jr., after which Mrs. W. C. Rumley gave the devotional, using as her theme "The Road to Happiness" and closing with a prayer.

The minutes of the last meeting were read by Mrs. J. L. Jackson, followed by the installation of officers, conducted by Mrs. Fred Myers. Mrs. Jackson closed the regular business session with a prayer.

A bible quiz was conducted by Mrs. C. A. Anderson Jr., with Mrs. H. W. Rucker answering the most questions.

Delicious refreshments were served by Mrs. W. C. Rumley, Mrs. H. W. Rucker, Mrs. Fred Myers, Mrs. C. A. Anderson Jr., Mrs. Willie B. Pippin, Mrs. J. E. Hemmerle, Mrs. Azalee Barineau, Mrs. Thelma Steele, Mrs. Helen Carter, Mrs. Eva Couse, Mrs. Alice Boradores, Mrs. A. Kendall, Mrs. J. L. Jackson, Mrs. Berta Cottrell, Mrs. A. J. Walker, Mrs. J. F. Lewis and Mrs. H. C. Echols.

Miss Andersen, E.J. Rafferty Wed Thursday

In a quiet wedding ceremony, performed by Father Lyons, Miss Eileen Andersen, daughter of Mr. and Mrs. Rolf Anderson, of Waccabuc Lake, N. Y., was married to Edward J. Rafferty, son of Mr. and Mrs. Edward J. Rafferty, also of Waccabuc. The wedding took place Thursday at 3:30 p. m. at the All Souls Catholic Church. Mrs. Geneva Van Buskirk was Miss Andersen's only attendant and John E. Schwab AN, Haddon V. attended Mr. Rafferty.

The new Mrs. Rafferty is a niece of Mrs. Van Buskirk's son-in-law, A. C. Anderson, and arrived in Sanford, by plane, on Oct. 5, to spend the week prior to her wedding at the house guest of Mrs. Van Buskirk.

The groom is stationed at SNAS with Haddon 2.

The newlyweds are at home to their friends on Orange Ave. in Longwood.

Educational System Comparison Of U.S., English Heard

A young man who received his early public school education in Sanford, graduated from Phillips-Exter and Yale University and then was selected as a Rhodes scholar at Oxford University in England, gave the members of the Sanford Rotary Club a comprehensive comparison of the educational systems of England and this country.

Bobo Dean, son of Mr. and Mrs. Roland L. Dean, former resident here, told his hearers in detail about life at Oxford and held the attention of his audience by his well prepared and delivered address. His talk gave local Rotarians an insight to the customs of the tutorial system of teaching in vogue at the university where he spent the last two years. He will leave soon to enter military service at Ft. Sill, Okla.

In the absence of president club secretary, Dr. R. W. Ruprecht, Charles Wagner and Harry Simpson are attending the district conference at Winter Haven, past president Bill Bush presiding. Announcement was made of the meeting next Monday at the Episcopal Parish House when Congr. A. S. (Syd) Herlong will be the speaker at an inter-club meeting of all local civic and service clubs.

Smathers May Visit Here End Of Month

Senator George Smathers will, in all probability, be in Sanford and Seminole County on either Oct. 31 or Nov. 1, according to a schedule released late yesterday from Washington.

According to Senator Smathers, he will be in the Central Florida area with Congressman A. S. "Syd" Herlong for two days, along with his two-day campaign trips with other Florida Democratic candidates in various corners of the state.

He said that he would make a statewide television talk sometime late in October in an effort to move Florida back into the Democratic fold.

The Republicans didn't put a candidate in the field against Sen. Smathers D-Fla and that has helped him become one of the most active Democratic campaigners.

As chairman of the Democratic Senatorial Campaign Committee, Smathers is just about everywhere these days. One of his big jobs is to raise money. Another is to speak.

He's been in California, Oregon, Washington, Illinois, Iowa, New Mexico, West Virginia, Pennsylvania, Maryland, Connecticut, later to Texas, and to some other states he couldn't recall momentarily.

Now he's about to campaign in his own state which went Republican in 1932. He says it's going to be a close presidential race but says the Democrats' registrations outnumber the Republicans there seven to one "and if the Democrats get out and vote Democratic," the state should return to its normal column.

This time Smathers is going to (Continued On Page 3)

FRED WILSON accepted in Navy OCS. (Staff Photo)

F. Wilson Enters Naval Officer's Candidate School

Fred Wilson, son of Mr. and Mrs. A. L. Wilson, 168 Bonalla Drive, has been accepted into the Naval Officer's Candidate School. He left Sunday night to report to recruiting officers in Marion, Ga. where he was inducted into the Navy yesterday.

The Navy flew Fred Wilson from Marion to Newport, R. I. where he will undergo a four month training period. On his completion of the training at the OCS, he will receive his designation as an Ensign.

From the Officers Candidate (Continued on Page 3)

SHS Glee Club Will Present 'Picnic' Tonight

The Seminole High School Glee Club presents its first performance of the season this evening at 8 o'clock from the stage of the Pinecrest School auditorium.

Miss Ollie Reese Whittle, director of the Glee Club, said that the musical, "Picnic" is a take-off on election year.

"Throughout the mirth provoking show, a tribute will be paid to all of the states in the union," she said.

A huge cast of both boys and girls will take part in the show with Henry Cason at the microphone as Master of Ceremonies.

Miss Nancy Cash is the accompanist for the musical that will include solos and group numbers.

Soloists, Miss Whittle said, will be Richard Fagan, Carol Null, Teddy Walker, Pat Harrington, Phillip Bond, Kay Jenkins, Iris Causey, Shirley Anderson, Al Collins and Tony Gaerman.

"The costumes are stunning," said Miss Whittle, "adding much to the musical which is enjoyable and entertaining from the music standpoint alone."

The cast has been preparing for "Picnic" over a period of several weeks, every member working hard to make his or her part in the musical a "perfect one."

"We hope that there will be a large crowd on hand for tonight's performance," Miss Whittle said, "to see how much these young ladies and young men have done to stage a show that is humorous, serious, musical, and entertaining."

Already, plans have been formulated to attract one of the most formidable shopping crowds to Sanford. Merchants are readying their window displays, their display banners, and their stock making showards in order to direct local shoppers to the hundreds upon hundreds of specially priced merchandise throughout the stores.

Sales clerks and stock personnel have already been trained for the coming event and special price tags to be attached to regular stock and specially purchased merchandise are being prepared.

Practically every need will be taken care of during this gigantic sale, according to committee members who have been constantly working on the fall and winter sales event to be staged.

Merchants are prepared to offer sale-priced merchandise for the home owner, the housewife, the hobbyist, the garage owner, the car, and for men, women and children.

Merchants are preparing to take care of the enormous crowds expected to visit the Sanford stores this coming weekend.

Banner Days is a sale that we want our local people to remember one of the biggest and best sales ever featured in Sanford. Merchants Association president Perkins said today.

"We believe that Banner Days will offer a real treat for everyone in Sanford and in the Sanford shopping area," Perkins said.

Banners will be flying up and down the Sanford shopping area Friday and Saturday, revealing the thousands of downtown priced items of merchandise arranged for fall and winter buying.

Banner Days have been geared to present-day needs, the Sanford Merchants Association revealed this morning.

"We have been advocating (Continued On Page 3)

Merchants Complete Plans For Citywide Sales Event

Up-To-Date Bargains Offered

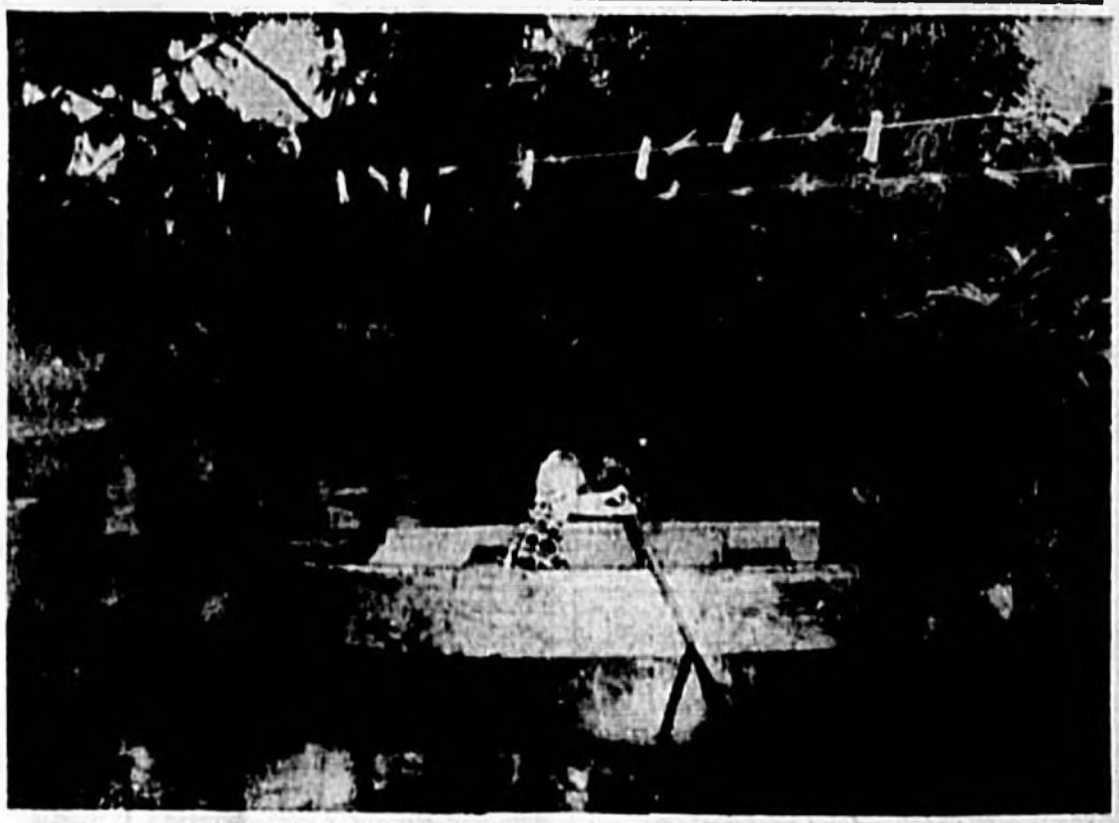

The Sanford Merchants Association today announced that their plans have been completed for one of the biggest sales events ever to be presented in Sanford.

B. L. Perkins Jr., president of the Merchants Association, said today that "Banner Days" will be a two-day event of Friday and Saturday, Oct. 19-20.

The Merchants Association president emphatically emphasized, "This is not a stock clearance event for Sanford Merchants, but an event that will convince Sanford shoppers that local stores are featuring up-to-date merchandise at the lowest possible prices."

Committees of the local Merchants Association organization have been busily engaged in completing plans for this event for a number of weeks and the formal announcement of the event comes on the heels of store owners and operators beginning to put their stores in shape for the coming weekend.

Banner Days will be a citywide event with all of the merchants joining hands to make it one of the most memorable sales occasions ever staged here.

JUST TAKING A RIDE, said Miss Shawn Whittle this morning as she ventures out on a lake of water in her uncle's back yard, at the home of J. E. McAlexander Jr. on Sanford Ave. The pond was caused by the downpour of rain through the night. (Staff photo)

Big Crowd Attends Annual Barbecue For City Employees

More than 750 pounds of barbecue, prepared by Carl Williams, was served to employees of the City of Sanford, their families and friends Saturday night.

According to preliminary estimates, more than 500 people passed through the serving line to receive generous helpings of barbecued pork and beef, salad, pickles, beans, and all the trimmings that go to make such a meal complete.

Serving as hosts to the City employees were the Board of Sanford City Commissioners.

Attending the barbecue which was prepared and served at the Farmers Auction Market at 17 1/2 was members of the various city organizations as well as commissions and committees, along with the legislative delegation, Board of Seminole County Commissioners.

However, feted at the annual event were the City employees who attended full force.

At the head of the serving line, greeting the employees, their families, and visitors, was City Manager Warren E. Knowles.

Steady Rains Are Furnishing Relief Sought By Farmers

Drenching rains that have steadily fallen in the past 48 hours have furnished the relief farmers have been asking for for months.

Most agricultural men have said that six or seven inches of rain would be needed to actually relieve the draught situation.

Geodetic experts reported recently that the water level in the St. Johns river is at a higher point than that reached during the time of the "dry months."

The broad squall front that has fairly blanketed Florida with a steady downpour of rain has not done any damage except in isolated areas where 25 to 30 mile an hour winds created some havoc.

In the Sanford area, winds have been moderate with little or no damage resulting from them.

Sanford streets have not been flooded to the extent that a flash downpour would have caused. Some streets in the SanLanta section were covered with water but the greater part of the rains are being drained off rapidly.

One road was washed out this morning just off 20th Street in the Loch Arbor section. A hole 10 feet wide was caused by the rain apparently from a culvert that had caved in.

On Sanford Ave. at the corner of 16th St. rains had flooded the yard of J. E. McAlexander Jr. Water was 12 to 24 inches deep, deep enough to launch a boat which provided entertainment for children until school time. A niece of McAlexander, Shawn Whittle at 9 o'clock this morning was enjoying the pondlike water formation.

Throughout the state wind and rain storms which hit Florida appeared diminishing today.

Only light rainfall was reported (Continued On Page 3)

No Decision Reached On Road Controversy

"I'm not satisfied with that trouble," said County Commissioner B. C. Dodd as discussions this morning centered around the paving of a road in the Bear Lake section.

Seminole County Engineer M. C. Hagan said, "I've never referred to that road as being 1,200 feet. It was a half-mile."

However, no decision was reached as to whether or not the road should be paved with the county furnishing the materials and Commissioner Olin Fouracre accepting the contract at \$1 a square yard, or if the county should do the paving with its mixed in place machinery.

Clerk O. P. Herndon requested commissioners to turn in their lists of clerks and inspectors who will man the polls during the General Election on Nov. 6.

Two new sub-divisions were approved at this morning's meeting when plans for Cool-More, a 31 lot site next to Lake O' The Woods just off Highway 17-92 in the south end of the county, Albert D. Cooley was shown as the owner on the plat.

A resolution recinding the motion to appropriate \$12,500 from secondary road funds for the engineering survey of a causeway crossing Lake Monroe from French Ave. was approved following the reading of a letter addressed to the Boards of County Commissioners of Seminole and Volusia Counties from William H. Dial.

Next meeting of the Seminole County Board of Commissioners will be held on Nov. 6, day of the general election. However, the board did not change the date of the meeting.

This morning's meeting of the Commissioners was adjourned before noon after considering a light agenda.

Evangelistic Team To Appear At Local Church Tomorrow

The Church of the Nazarene, located on the corner of W. Second St. and Maple Ave., announces special services beginning Wednesday evening at 7:30.

The Rev. R. H. Spear, Jr., pastor of the local church, is happy to present the Carlen Evangelistic Team to the Sanford area. The Carlens are talented instrumentalists playing an accordion, violin, vibra-harp, solovox, Hammond organ, sleigh bells, Swiss cowbells, and xylophone. The Carlens also have a choice selection of readings, vocal numbers. Mrs. Carlen is one of the country's outstanding gospel pianists and has been in demand as pianist with well-known American evangelists who have toured Europe.

The Carlen's have been in demand by church groups of other denominations sympathetic with their convictions. They have worked assignments given them by the United States Army which have carried them to several of the country's Army camps.

The public is cordially invited to attend these special services each evening this week beginning tomorrow. The Rev. Carlen will be preaching each evening and both services Sunday.

NARLYLE HOUSEHOLDER, Seminole County Prosecutor, (center) and State Troopers T. Mark Mack, (right) and Carl Williams, (left) discuss the decreasing number of traffic violations suffered by personnel of Sanford Naval Air Station, since the "Safe Driving" lectures were first presented to men based at the NAS, five months ago. Since the lecture, overall traffic violations have dropped 47 per cent. Householder presented lectures during the month of August, while Troopers Mack, and Williams, gave talks in July. Other speakers heard include Volle Williams, Assistant State Attorney, and Bill France, President of the National Association for Stock Car Racing. These lectures were arranged by the NAS "Safe Driving Council," according to W. E. Giles Safety Engineer. (Staff photo)

Sanford Rep 2nd Place Winner In Western Open

Jay Hebert, playing pro of Sanford, for the Mayfairs Golf Country Club, placed second in this four way tie play-off late yesterday, being topped by Mike Feteckik.

"That was the toughest round of golf I ever played," said 205-pound Mike Feteckik after decisively winning the \$3,000 top prize in the Western Open Tournament in a play-off with three other pros.

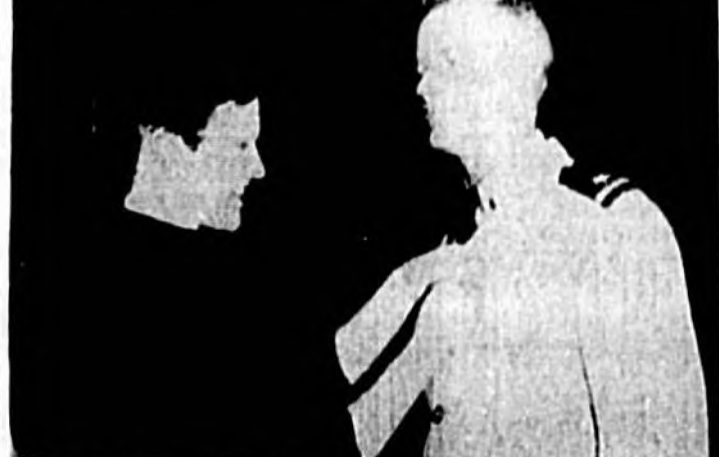

"I didn't tie up, but I have to admit there was a little butterfly in my stomach," he declared yesterday after shooting a 5-under-par 67, five strokes better than any of his opponents. "I've had lower scores, but no round was ever harder."

Second place—just a matter of prestige since the three others all received \$2,000—went to Jay Hebert, 33, from Lafayette, La., representing Sanford. He carded a 71.

Next came Doug Ford, playing out of Feteckik's home town of Yonkers, N. Y., with a 72. Don January, the 26-year-old cumber from Lampasas, Texas, finished with a 75 over the 4,200-yard Presidio course.

Feteckik fired seven birdies and went over par on only one hole, the eighth, when he seemed to baby an approach from the tall grass on the fringe of the green. His longest birdie putt was 25 feet.

Ensign Clause Gets Wings Of Gold

WINGS OF GOLD are pinned on Naval Ensign William C. Clause Jr., by his wife at the Naval Air Station, Corpus Christi, Tex.

Navy Ensign William C. Clause Jr., received his "Wings of Gold" of a Naval Aviator at ceremonies at the Naval Air Station, Corpus Christi, Tex.

Ensign Clause' "Wings" were pinned on him by his wife, the former Miss Norma Faye Harvey of 1403 W. First St.

He is the son of Mr. and Mrs. W. C. Clause of 2529 Narragansett Ave., Sanford.

Ensign Clause received his designation as a Naval Aviator on Sept. 21 after more than 18 months of flight training.

He has been assigned to the Naval Air Station, Jacksonville.

Weather
Cloudy with showers today; becoming partly cloudy Wednesday; low tonight 66-62.

Mrs. Howden Will Explain Changes

ALTAMONTE SPRINGS—Mrs. Jack Howden of Winter Park, president of the Orlando Winter Park League of Women Voters, and members of the Citizens Constitution Committee, will be at the Community House on Mainland Ave., Altamonte Springs tonight at 8 o'clock to explain the 11 amendments to the State Constitution, which will appear on the ballot in the Nov. 6 election.

All persons interested in learning more about these amendments are urged to attend this meeting.
