# Engineer Defends Canal's Turndown

Prospective benefits from the Sanford-Titusville Canal would return only 56 cents on each dollar invested, the U. S. district engineer in Jacksonville said today in defending the unfavorable report rendered recently.

Col. Paul D. Trotter said the "unfavorable findings" of the district and division engineers, sustained by the Board of Engineers for Rivers and Harbors were "justified by the facts."

Elimination of the proposed \$6 million lock at Titusville "still would not justify, economically, the canal," Trotter said.

He said that the unfavorable report had resulted in a number of inquiries from newspapers, the public, civic organizations, and others in the affected area. Due to the nature of inquiries, Col. Trotter said he felt "some answering comments are in order."

"I can understand the feelings of disappointment on the part of persons supporting the Sanford-Titusville Canal," Trotter said. "The principal claims of canal supporters are that benefits attributable to recreational boating and military use have not been included.

"Others claim that an expensive and unnecessary navigation lock has been included, which caused the economic ratio to fall into the unfavorable category. Use of the canal for recreational boating was fully considered in a report by the Corps of Engineers, which investigated the feasibility of providing the canal as a federal project."

Trotter said the same standards were used for evaluating recreational benefits that are applied by the Corps of Engineers throughout the U. S.

On the matter of the Navy saving hundreds of thousands of dollars annually on fuel transportation costs, Trotter said: "We are prevented from including military benefits on civil works projects, as are all other engineer districts throughout the nation."

He added that, presumably, if a civil works project being considered has "appreciable national defense aspects," the higher military echelons charged with strategic planning will add these benefits, or would actively support construction of the project as a defense requirement.

"Such support has not developed for the Sanford-Titusville Canal," he said.

The much-discussed lock near Titusville would be a necessity, Trotter said. Even if it were not included, however, the remainder of the work still would not be justified economically, he added.

"Our reports show that the prospective average annual benefits over the life of the project would return only 56 cents for each dollar invested," Trotter said.

We have taken a liberal view of the prospective development of commerce in the region as we were able to justify by exhaustive field research and analysis. It just isn't economically justified."

**Decision Affirmed**

WASHINGTON (UPI) — The Supreme Court affirmed today a lower court order permitting Negroes to use facilities of the New Orleans city park.

The brief order will permit a 1957 decision desegregating the park to become effective.

**Hoop Craze Spreads**

TOKYO (UPI) — The hoop boom came to Japan. Twelve ballet school students dipped and gyrated at the Imperial Hotel. Saturday in Japan's first demonstration of the new craze which has swept the United States and Europe. An American toymaker introduced the toy for sale in leading department stores.

**Howard Anderson Dies; Rites Held**

Howard Anderson, 32, Miami, died at Seminole Memorial Hospital at 11 p.m. Friday.

Mr. Anderson had lived in Miami for the past two years. Born in Kearney, Neb., he was employed by the Howard Johnson Restaurants in Miami, Orlando and Connecticut. He was a veteran of World War II, having served in the Fourth Marine Division. He later served in the honor guard under Gen. Lucius D. Clay in Berlin.

Surviving are his mother, Mrs. Lucy Anderson; five sisters, Mrs. Robert Van Noy, White Water, Wis.; Mrs. L. M. George, Mrs. Walter Godin, Miami; Mrs. Donald Shaffer, Winter Park; Mrs. Clifford Lundberg, Leesburg; three brothers, Richard B. Lubbock, Orlando; Willis Anderson, Vero Beach; Charles Anderson, King, N. C.

Funeral services were held at 8:30 p.m. yesterday at Brinson Funeral Home, the Rev. A. G. McInnis officiating. Burial was in Oaklawn Memorial Park.

## Weather

Generally fair and mild through Tuesday. Low tonight 60 to 63. North and northwest winds 10 to 20 miles per hour.

## Local Nurse Chosen

Mrs. Mary D. Detwys of Sanford was elected chairman of the Institutional Nursing Service Administrators Section of the Florida Nurses Association at its annual convention in Miami.

# The Sanford Herald

AN INDEPENDENT DAILY NEWSPAPER

VOL. XLIX Established 1908

SANFORD, FLORIDA

MONDAY, OCTOBER 20, 1958

United Press Leased Wire

NO. 286

URGE OF SUPPORT — George Touhy (left) and Roy Mann today renewed their pleas for support of the Seminole County United Fund drive. Mann is UF treasurer. Touhy had charge of publicity during organization of the drive. (Herald Staff Photo)

## United Fund Lag Cited By Leaders

Seminole United Fund leaders today renewed their pleas for contributions.

As matters now stand, the goal is some \$31,000 away. In the opinion of at least one UF worker, that goal could be very difficult.

Jack Benny Named Funds Chairman Of 'Heart Sunday'

LOS ANGELES (UPI) — Veteran comedian Jack Benny has been named national chairman of the American Heart Association's "Heart Sunday" drive to collect funds for medical research, it was announced today.

Benny, who has worked with the association since 1949, will direct some 1,500 volunteer workers who will solicit contributions from their communities throughout the nation during February, 1959. Heart Sunday has been set for Feb. 22.

Oct. 20, the comedian will be presented with the "Heart and Torch" award in San Francisco for his efforts in fund drives.

## Childhood Group To Meet Thursday

The Seminole County chapter of the Association for Childhood Education will meet Thursday night at Lyman School, Longwood.

An invitation was extended to organizations and churches interested in working with elementary children. Mrs. Margaret Golt and Stewart Gatchel are in charge of the program.

A chicken supper will be served for a slight charge at 6:30 p.m. Reservations must be made by calling FA 2-2248 by noon Tuesday.

**Junior Varsity To Host Eustis**

The Seminole Junior Varsity will meet the Eustis JV's at Sanford Municipal Stadium at 7:30 tomorrow night.

Sanford's junior team is undefeated and is probably the best JV team in school history. The JV's have two victories—13-0 over Deland and 7-0 over Seabreeze. The game with Leesburg resulted in a 0-0 tie.

**History Repeats**

SYRACUSE, N. Y. — (UPI) — When some 200 Baptist ministers met here for three days recently, one of them pointed out how closely the group was imitating a trip described in the Bible. He quoted the Book of Acts, Chapter 20, verse 12: "Putting in at Syracuse, we stayed there for three days."

**One Killed, Two Injured, One Jailed In Accidents**

Weekend accidents in Seminole County killed one man, sent two victims to a hospital and one to jail on charges of leaving the scene of an accident.

Frank D. Brechin, 43, whose address is listed as Celery Ave., Sanford was killed early Saturday when the vehicle he was driving apparently hit the shoulder of Highway 44 about one and one-half miles east of Lake Jessup Bridge.

Brechin was driving a flat stake bed truck owned by Oldham and Tudor. Officials believe that when the truck hit the shoulder the driver attempted to return it to the road and slipped on wet pavement and overturned.

Officials of the Seminole Sheriff's office revealed that Brechin would ride in the bushes until an eastbound car would pass, then he would attempt to hitch-hike a ride. One eastbound car did stop. It was driven by Constable Calloway, who delivered Brechin to Volusia County jail.

## Red Cease-Fire Shattered

### Butler Tells South To Leave Party; Smathers Hits Talk

WASHINGTON (UPI) — The Democrats' smoldering civil rights fight broke into open today with a blunt invitation by Democratic National Chairman Paul M. Butler to antiright rights Democrats to quit the party.

Butler, interviewed Sunday on ABC-TV's "College News Conference," said the racial issue requires "moral leadership" and predicted there will be "no compromise" on a strong civil rights stand in the Democratic platform in 1960.

"These in the South who are not deeply dedicated to the philosophies of the Democratic Party will have to go their own way," said Butler. "If they don't want to go along on the racial problem and the whole question of human rights, then I think they are going to have to take political asylum wherever they can find it, either in the Republican Party or a third party."

**Smathers Hails Butler**

I would say anyone who is unwilling to accept the platform of the Democratic Party in 1960, and anyone who is going to stand up in America today and say we are going to resist the decisions of the Supreme Court, and we shall not recognize the principles of law and order upon which this nation exists, then I certainly would hope they would take leave of the Democratic Party."

Sen. George A. Smathers (D-Fla.), in charge of the campaign to elect Democratic senators Nov. 4, promptly accused Butler of dividing the Democratic Party at a time when its primary need is to unite.

"I think the time has come when the chairman of the Democratic National Committee should start spending his time policing up the unity of the Democratic Party rather than its division," Smathers told United Press International in an interview.

"A leader is supposed to gather his forces, not divide them. I think his (Butler's) time would be better spent assisting our candidates to get elected than his continued pontificating about what's going to happen in 1960. What we need is unity, not divisions. We who need are peace makers, not agitators."

**Car Dealers Told To Oppose Taxes**

WASHINGTON (UPI) — Dean Chaffin, president of the National Automobile Dealers Association, described the federal excise tax on new automobiles as 10 percent luxury tax "for a human necessity preceded only by food, clothing and shelter."

Chaffin urged auto dealers and motorists to campaign for removal of the tax as the "quickest and most direct method of reducing the cost of a new car." He said the tax was imposed to discourage auto buying during wartime and "these conditions do not apply now."

**Absentee Ballots Available Today**

Absentee ballots for the November general election now are available at the registration office in Sanford.

The deadline for casting absentee ballots is Oct. 30. The registration office is located in the Chamber of Commerce building.

NEW CHAMBER MEMBER — Bob Crumley, second from right, accepts a check from Boyd Coleman, left, as his partner in Gator Lumber Co., Jack West, looks on. Gator Lumber now is completing its warehouse and offices, just off French Ave. This was one of the first new businesses in Sanford to join the Chamber, which now is staging its annual membership drive. (Herald Staff Photo)

### White Students Register For Little Rock Classes

LITTLE ROCK, Ark. (UPI) — More than 300 white high school students started registering for classes today in private, segregated schools opened by the University Black Private School Corp. and Ouachita Baptist College.

There probably are around 2,700 white high school students and 700 Negroes for whom public schools have not opened this year because of the integration dispute. Six or seven hundred students are registered in integrated schools out of Little Rock.

Officially, the corporation's classes, for white students only, will start Tuesday in a three-story building that formerly housed the University of Arkansas graduate school. It was Gov. Orval E. Faubus' answer to Supreme Court orders to integrate.

About 150 seniors were regis-

tered there. About 300 students

### Attack Surprises Convoy On Beach; Artillery Answers

TAIPEI, Formosa (UPI) — The Chinese Communists shattered the Quemoy cease-fire today with a saturation bombardment that caught a Nationalist supply convoy on the beaches. Nationalist artillery thundered a reply in full-fledged renewal of the "little war."

The Red guns began blasting with Secretary of State John Foster Dulles was flying here from England via the North Pole. Dulles was flying here from England via the North Pole.

Officials of Phaleran Smith and Shorter Negro colleges scheduled meetings today to see what can be done about setting up private schools for Negroes.

Dr. Thomas J. Laney, president of the private school corporation, chased reporters and photographers off the school grounds. They were tolerated until Tatar Island, which is perched in the mouth of Red China's Amoy harbor and often considered a likely invasion target. The first shelling of Quemoy lasted two hours and 40 minutes.

The Communist action appeared to be a direct slap at Dulles. The order of the day by Communist Defense Minister Peng Tehuan ending 15 days of quiet in the Formosa Strait noted Dulles' imminent arrival and accused him of interfering in internal Chinese affairs.

Peng's announcement over Peking Radio was monitored here an hour before the heavy shelling resumed. But there apparently was not time to warn the Quemoy garrison and the intense shelling came as a deadly surprise, catching a number of landing ships on the yellow sand beaches.

Peng said the Communists were breaking the cease-fire because U.S. warships had "intruded" in Chinese Communist waters in a serious breach of Chinese sovereignty. He said destroyers and other craft penetrated waters near Quemoy and Matsu.

### Bride, 14, 'Tired' Of Mate Who's 68

FIRST of Three

MILWAUKEE (UPI) — A tiny 14-year-old runaway told authorities here that she is tired of her 68-year-old farm owner husband of two months.

Police found the young bride, whom they described as "kind of a tomboy," living in a Milwaukee rooming house with a 15-year-old girl. The 15-year-old was returned to a Lutheran children's home in Iowa from which both girls had run away.

But the child bride was another problem. Police said she produced a marriage license, dated in August, leaving "no question" that she was married. She said her wife-tattooed husband had given her a round-trip ticket so that she could accompany her 15-year-old friend to Milwaukee.

Authorities said the girl told this life story:

She entered the children's home at the age of 10 when her mother's third husband allegedly involved her in a marital charge.

She escaped repeatedly from the home, the last time meeting a truck driver who told her of a farmer looking for a housekeeper.

The trucker drove her to the farmer, who hired her. A one-month employment ended in May. December marriage in August. The wedding certificate showed the youngster's age as 18.

The girl was held on a petition charging her with acting in a manner dangerous to the health and morals of herself and others.

**Lions To Hear Talk**

Mr. Thomas L. Thordorn, city health officer, will speak to the Sanford Lions Club at its noon luncheon meeting Tuesday at the Civic Center.

**Citizens Council To Meet Tonight**

The Seminole County chapter of the Citizens Council of America will meet at the courthouse tonight at 8 o'clock.

Guest speaker will be the Rev. George Davis, Orlando. A spokesman said this would be an organizational meeting for the Citizens Council.

**Chamber Will Organize Committee For Industry**

The Seminole County Chamber of Commerce plans to organize a "Committee of 100" in an effort to conduct a more vigorous campaign to secure industry.

Mark Cleveland, newly installed Chamber president, now is making appointments to the committee.

In a letter to prospective members of the committee, Cleveland said:

"In a recent survey of Florida cities which have been successful in attracting new industry, it was learned that an enlarged Chamber of Commerce Industrial Committee is of tremendous help."

"Usually called the Committee of 100, this representative group of business and professional men and women from the area are very important in any regulations, mainly because they indicate to industrial prospects that the community itself, not just the Chamber manager, is solidly in favor of the promotion work."

"The organization of such a committee here has been under-

consideration for some time and, since industrial promotion in Florida is constantly growing more competitive, we feel that there should not be any further delay.

I am, therefore, asking your assistance with the committee by serving as a member."

At the same time that Cleveland announced plans to form the Committee of 100 to work for industrial expansion in Seminole County, Clifford McKibbin urged local business and professional firms to secure their memberships in the Chamber as soon as possible.

The annual membership drive now is under way. Chamber leaders have set a \$10,000 goal for dues for the next 12 months.

Formation of the Committee of 100 was one of the reasons cited for the urgent need for record membership in this drive.

McKibbin said a "strong Chamber of Commerce is essential to the progress

# Editorials

## Worth \$1 Per Year? It Is Your Decision

Would you, as an individual, give \$1 for the services provided by the Society for Crippled Children?

in the local U.S.A. worth \$1? Do you, as an individual, think \$1 is too much to pay for the Boy and Girl Scouts each year?

Add to the above-mentioned organizations the Red Cross, Salvation Army and Mental Health. These seven organizations are financed in Seminole County by the United Fund.

A \$1 contribution to the United Fund would be about 15 cents for each of these seven organizations. It would seem that 15 cents is very little for each individual to pay for the services of any of these groups over a 12-month period.

"Dollars For Democrats" and "Dollars for Just About Anything" will bring the funds from the average man or woman. It is somewhat strange, therefore, that the UF appeal fails to bring "Dollars For Health, Welfare, Charity and Children."

UF leaders have appealed time and again for money to finance the activities of these organizations. Local business firms, as usual, have opened their hearts, and pocketbooks. Those same businesses who have contributed the lion's share of the money also are contributing their time in an effort to collect the UF goal of \$36,000.

Just \$1 from each man, woman and child in Seminole County would put the drive over the top. A \$1 contribution from a family of five shouldn't be too much to ask. Especially when you consider that this same family well might be calling on the Red Cross, Mental Health, Boy and Girl Scouts or Crippled Children's Society during the year.

Consider the fact. Mr. and Mrs. Average Citizen, is \$1 too much to expect from you? The decision is yours. The UF mailing address is: Howard McNulty, Florida State Bank, Sanford.

## Bombing Case Solved With Hike, Post Office Still In Red

Atlanta detectives, the Fulton County grand jury and the State of Georgia deserve commendation for the speedy arrests and indictments against those charged with dynamiting a Jewish synagogue.

The grand jury handed down indictments that could possibly send the five to the electric chair.

Such incidents as the bombing of schools and churches have no place in America. We firmly believe that such acts stem from ignorance. Perhaps not the type of ignorance that is associated with lack of education, but ignorance of the ramifications of such acts.

These very foolish, dangerous and uncalled-for crimes add fuel to the flames already burning in the South.

Perhaps we are asking too much, but we wonder why all of the South's detractors who deplored such acts haven't had some commendation for the authorities who did a fine job in this case?

## Youth Group Gets Council, Officers

The newly-organized youth council will be sworn in at meet for the first time last week with Ronald W. Davis, director of operations, Clifford McWhorter, executive director, and Robert Williams, treasurer.

The group representing most of the six grades using the school wing of the Civic Center, will meet monthly. Purpose of the new group is to

encourage will be to serve as a sounding board for classroom and to promote discipline of those using the facility.

Those now are endeavoring to win more participating discipline and use of facilities, which will be passed to junior and senior high levels.

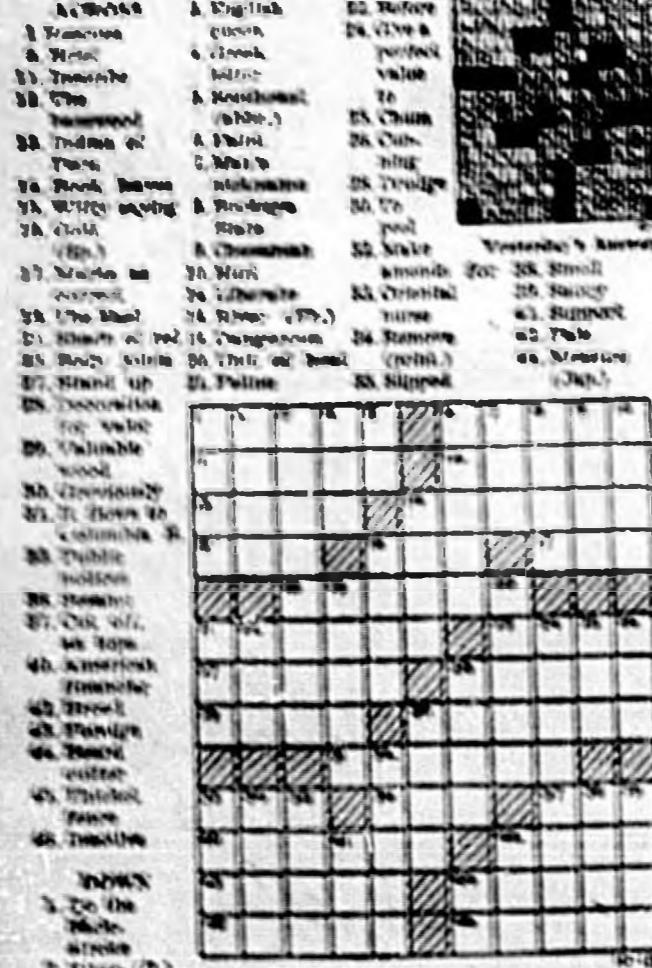

Serving on the council are from the six grades: Clifford McWhorter, Vice Chairman; 10th grade, James Tolson; 8th grade, Lowell Williams; 9th grade, Shirley Phillips; John Strode; 10th grade, Fred Johnson; Johnson, Dennis Young; 10th grade, James Johnson; and Mike Gandy.

**Zoning Meet Slated**

PALM BEACH — The Florida Planning and Zoning Assoc.

will hold its annual convention in Lakeland Nov. 1-2. Headquarters for the convention will be the new Florida Hotel.

# Seminole Win, 9-8, On Carter Field Goal

By Jerry Covington

Big Don Carter put the ball back into football in Fort Myers Friday night, giving the Seminole Seminoles a thrilling come-from-behind 9-8 victory on the strength of his field goal in the waning minutes of the game.

Carter missed a field goal attempt earlier in the game. As the final stanza drew to a close, however, the husky linemen calmly booted the ball squarely between the uprights for the victory.

Carter was the hero for his field goal. He also had a big hand in events leading up to the kick. He intercepted a Fort Myers pass and returned it eight yards to put the ball in Fort Myers territory. In addition, he played a great defensive possession until the final gun.

In the opening period, Carter received but the ball was kicked into a Seminole lineman and the Greenies took over. They drove hard to the six, but the forward wall, led by David Stanley, Kelly Lake and Duke Schirard, dug in and shook the ball loose. Carter pounced on it and the Seminoles took over. After failing on two plays up the middle, Dandridge elected to run wide but was trapped and thrown for a safety. These two points looked pretty

big on the scoreboard until the final period.

The rest of the first period found the Seminoles deep in their own territory and they just couldn't get any running room. Each time it looked as though they were starting to move, there would be a costly penalty.

At the beginning of the second period the Seminoles had their backs to the wall as Fort Myers took over and moved to the six. After an unsuccessful pass attempt, halfback Mike Watson broke around left end for the Green Wave tally. The Seminoles stopped an attempt to run the PAT and the score read 8-0.

Receiving the kick, the Seminoles finally had some operating room and business began to pick up. Dandridge sent his "pony" back to work. The "Little General" hit Cliff McElroy in the flat and the outstanding defensive back showed that he can run with the ball too. The play carried 23 yards to put the Seminoles in Fort Myers territory for the first time of the evening.

On the next play, John Lovelace pounced on the steamer and picked up 12 more yards and another first down. The speedster needed just another step or two and he would have been on his way. On the next play, junior fullback Ray Lundquist took the pitchout from Dandridge and went around end for 17. With the ball resting on the eight, the Seminoles began to dog down.

After moving the ball to the two, the Seminoles received a tough break, picking up an off-sides penalty which put them out once again. On the final down, Carter attempted a field goal but it was wide and the end of the half found the Seminoles in the hole.

In the first half, the Seminole line did a great job by holding the Green Wave to a slim 21 yards rushing. The entire forward wall really went to work and was determined not to give an inch. Stanley played his usual great game, crashing through all night and throwing the speedy backs for good losses.

Swain and Walter Middleton held the Green Wave in tight and practically held them yards around the ends. Schirard was also a standout all evening with his defensive work and played a big part in this great team effort. Charlie Bogan and Ross Neely were also right there with Lake and Stanley and didn't give many holes for the Greenies to run through.

The Seminoles kicked off to start the second half and this is where the defense really went to work. The great effort completely stopped the attack of the Green Wave and they were forced to punt. Dandridge took the punt on the Seminole 13 and proceeded up the sidelines for 30 yards.

The Seminole offense showed a little spark when Lundquist again took a pitchout from Dandridge and went 14 yards for another first down but, the Green Wave also dug in and they took over on their 20. After two plays, Watson fumbled the ball and Stanley recovered on the Fort Myers 23.

Then Dandridge and Jerry Jones put on their show. The little quarterback hit the big end in the flat and he took two men with him for 12 yards and a first down. Then the power runners went to work. Harold Stone and Lin Herter hit up the middle for short gains and then Vernon Kirk carried for the first down.

With the ball on the eight, Dandridge threw a jump pass to Jones who bailed his way through the

## SET UP VICTORY

End Allan Swain grabs a

pass from Quarterback Cecil Dandridge late in the fourth quarter. This eight-yard gain put the ball in position so that Don Carter could attempt — and make — a field goal that brought the Seminoles a 9-8 victory. (Photo by Jerry Covington)

## Track Study Made

CHICAGO (UPI) — England's Cyril George Jones, a running track builder, has started a survey of Soldiers' Field to determine the best type of track to be laid for next year's Pan American Games.

## Lawyers To Appeal Ban On Don Fuell

BIRMINGHAM, Ala. (UPI) —

The Alabama Supreme Court

apparently will be asked to restore the Southeastern Conference athletic eligibility of Auburn's football hopeful Don Fuell.

Attorneys gave notice of appeal

Thursday when Circuit Judge J. Russell McElroy upheld demurrers to their amended petition and dismissed the suit.

Fuell was banished from SEC

athletic for allegedly receiving

inducements for enrolling at Au-

burn. The amended petition

claimed the SEC deprived Fuell

of property and contractual rights

in barring him from sports par-

ticipation.

McElroy previously had denied

a request for a writ of mandamus

sought to force the SEC and SEC

Commissioner Bernie Moore to

give Fuell a hearing on the

charges and reinstate him. Atte-

neurs for the SEC contended Fuell

bound himself to abide by SEC

regulations when he signed his

grant-in-aid.

Auburn was placed on three

years probation by the National

Collegiate Athletic Assn., and the

penalty was upheld by the SEC

executive committee.

## 12 Starters Named

CAMDEN, N. J. (UPI) — Twelve starters, including the supplemental nominations at \$10,000 each, are in prospect for next Saturday's Garden State stakes, the world's richest horse race. The mile and a sixteenth championship event was assured a \$25,250 gross Sunday, with confirmation that Resilient Wind, Winsome Winner and Modest Count will compete.

BOOSTERS TALK IT OVER — Seminole Boosters Club members discuss the team's chances just prior to boarding the football special for Fort Myers. Left to right, Peter Schaal, Orlando advertising executive and former sports editor of The Sanford Herald; Pete Schirard, Schaal's Boosters Club president, and John Schirard. Schaal each year gives an award to the outstanding Seminole gridironer. (Photo by Jerry Covington)

**SEMINOLE DEFENDERS CLOSE IN** — Fort Myers' Mike Watson (40), big star for the Tropical City eleven, attempts an end sweep, but gets only as far as the line of scrimmage. Allan Swain (80) and Duke Schirard (63) put the stopper to Watson. Seminole's line play was outstanding in the Friday night victory.

## Gators Next Foe Of Unbeaten LSU

By DAVID M. MOFFET

ATLANTA (UPI) — The Florida Gators, boasting the nation's second-best ground defense, are next in line to try to stop the unbeaten Louisiana State Bengals who in five weeks have swept away from security to the position of favorite in the Southeastern Conference.

The Tigers, considered a .500

team of worse in previous predictions, have now won five straight for the first time since 1936 — and won big. Saturday night's 32-7 route of crippled Kentucky gave LSU a 10-2 scoring

edge over its opponents.

Florida, which has lost only to Mississippi State, had to score all

the last eight seconds Saturday

to earn a 6-6 tie with Vanderbilt but deserved a better fate. The Florida defense held Vanderbilt to a

7-7 tie with Georgia Tech will be

at home against Mississippi State

Tech will be at Southern

one yard passing. Rain, wind and Methodists; Tennessee will be host a 30-yard punt return by Florida State; Tulane will be at

quarterback Baye Smith combined to hurt Florida.

There are two other intraregional games this weekend but neither figures to affect the title race. Georgia, winless within the conference, will be host to Kentucky which is now 13 in the SEC. Mississippi State, a 13 out

of 14, will be at home against Alabama which has two losses and a tie.

In non-conference games, Mississippi, sporting a 5-0 mark and a conference co leider, will be at Arkansas, the Rebels' annual nemesis. Auburn, which maintained its slate as the nation's defensive giant but lost face in a

7-7 tie with Georgia Tech will be

at home against Mississippi State. Tech will be at Southern

Major, scoring two touchdowns.

Mississippi extended its streak

with sophomore tailback Billy Majors scoring two touchdowns.

Deadline for entering is Saturday.

Deadline for entering is Saturday.

All persons interested in registering may do so between 1

and 3:30 p. m. at the recreation department office, Fort Meade Park.

Categories will be junior division, 13 and under; 13 and under;

junior-senior division, 17 and under; 21 and under; senior division (strictly amateur); amateur and a category for 40 and over.

### Pilots Observe Founders' Day; Attend Church

The Sanford Pilot Club joined with Pilots throughout the world in celebrating Founders' Day, Oct. 18. As is customary the Sanford club attended a local church, Holy Cross Episcopal Church this year, in a body Sunday.

Founders' Day is observed in honor of the women who organized the first chapter of Pilot International in Macon, Ga., on Oct. 18, 1921. "Pilot" was chosen as the name because it means "leader and guide." There are now over 400 clubs throughout the world.

The local Pilot Club was organized in 1940. At this time it has 26 active members. Mrs. Walter L. Carter is president. Many local projects have been sponsored by the club. These included the Milk Bank, a room in Seminole Memorial Hospital, hostesses for the USO, mental health, Crippled Children's Association, delegates to Girl's State, and other civic projects.

**Understanding—Our Hope for Tomorrow** was chosen by Pilot International president, Mrs. Mildred L. Braiphaw, as theme of Pilot International for 1958-59.

Miss Dawn Ann Pearson, daughter of Mr. and Mrs. James C. Pearson, Sanford, and John David Powell, son of Mr. and Mrs. F. L. Powell, Ft. Lauderdale, were married at 3 p. m. Saturday. The double ring candlelight ceremony was performed by Rev. T. C. O'Steen at the First Methodist Church.

Baskets of white gladioli and potted palms decorated the church. Two standing candelabra held seven white tapers with trailing fern. The stained glass windows were also decorated with white tapers and ferns. The family pews were marked with white satin bows and gladioli.

Traditional wedding music was played by Mrs. Albert Hickson. Roger Harris was the soloist.

The bride, given in marriage by her father, wore a full length white gown, covered with tulle and chantilly lace. The bodice of the gown was fitted lace with long sleeves pointed over the wrists, round collar, and self-covered buttons down the front. Her veil was Queen Anne style with seed pearls. She carried a white Bible topped with white orchids and satin streamers.

Miss Verne Ann MacGillivray was the maid of honor. She wore a rose infeta dress with scalloped neckline and full bou in back ending in a bare skirt. She wore long white gloves and a pink flared headband, and arched a colonial bouquet of deep pink carnations. Other attendants, Miss Jackie Ashby and Miss Gail Rehlebenreiter, wore light pink gowns identical to that of the maid of honor. Their bouquets were of light pink carnations.

Best man was Don Huie. Ushers were Jack Haire, Terry Edger, Almond Head, brother-in-law of the groom, Robert Baker and Bud Fraser.

The bride's mother wore a rose lace dress trimmed with satin ribbon and rose accessories. Her corsage was an orchid.

The mother of the groom wore dusty blue lace with pink accessories and an orchid corsage.

Following the ceremony a reception was held in McKinley Hall. The bride's book was kept by Miss Sue Haye at a table decorated with a memory candle and fern. The bride's table was decorated with white tapers held

at 8 p. m.

**Tournament Planned**

The Stanford Duplicate Bridge Club is planning a four week individual play tournament for the Fred Sible Trophy. The tournament begins Thursday, Oct. 20.

Winners in last Thursday night's play were: first, Clyde Raines; and Charles Bone, second. Mrs. Clyde Ramsey and Mrs. F. E. Anderson, third; and fourth, Mrs. George McCall and Mrs. Stewart Brown. Dr. Leonard Munson and Cecil Rivers.

The club will meet again this Thursday at the Community Center, corner of Magnolia and 16th, at 8 p. m.

### Evening HDC Meets

The regular monthly meeting of the Seminole Evening Home Demonstration Club was held last Thursday night at the Hall on 23rd Street.

The demonstration for the evening, entitled "Stretching the Food Dollar," was presented by Mrs. Naomi Forbes and Mrs. Sarah Kate Myers. It stressed importance of wise buying and food nutrition.

At the close of the meeting refreshments were served by Mrs. Verna Frank, Mrs. Ramona Bridges and Mrs. Bonnie Richards, hosts.

To retain a full ham flavor, do not freeze the meat. Cured and smoked meats lose flavor when frozen, but regular or skinned ham may be frozen as long as 60 days. Do not freeze canned meat.

A short business meeting and craft workshop, Wednesday at 7:30 p. m. at the Hall, was announced. All interested persons are invited.

# Army Retains Grid Poll Lead

**By EARL WRIGHT**  
NEW YORK (UPI)—Army was No. 1 in the United Press International college football ratings today for the second straight week but Ohio State replaced Auburn in second place in the wake of a wave of upsets.

Of the first 10 teams, only Army remained in the position it held last week. Iowa and Oklahoma moved back into the select group and Northwestern made its first appearance of the season in

## Braves, Bucs Lead National All-Stars With Three Each

**By FRED DOWN**  
United Press International  
NEW YORK (UPI)—The champion Milwaukee Braves and second-place Pittsburgh Pirates placed three players each today on the United Press International's 1958 National League all-star team.

Pitcher Warren Spahn, catcher Del Crandall and outfielder Hank Aaron were the Braves honored while pitcher Bob Friend, second-base man Bill Mazeroski, leadoff baseman Bill Mazeroski and third-baseman Frank Thomas were the Pirates chosen.

The remainder of the 10-man squad, eight regulars and two pitchers, was composed of first-baseman Stan Musial of the St. Louis Cardinals, shortstop Ernie Banks of the Chicago Cubs and outfielders Willie Mays of the San Francisco Giants and Richie Ashburn of the Philadelphia Phillies. The Los Angeles Dodgers and Cincinnati Redlegs were not represented on the squad.

Spain, Banks and Mays were unanimous choices and Aaron missed by only one vote in the poll of 24 baseball writers, three in each city in the league. Crandall was named on 22 ballots, Friend and Mazeroski on 20 each, Ashburn on 14 and Musial on 14.

The closest vote was for the third baseman, Thomas winning with 13 votes compared to nine for Ken Boyer of the Cardinals and two for Ed Mathews of the Braves. Orlando Cepeda of the Giants polled 10 votes for first base to make the best showing of any rookie.

The three unanimous choices—Spain, Banks and Mays—were in the headlines practically daily in the league's first coast-to-coast season.

## Florida Stresses Offense In Drills

GAINESVILLE (UPI) — The University of Florida, hoping to turn tables on high-flying Louisiana State Saturday, concentrated today on sharpening its offense and finding ways to stop the LSU attack.

Coach Bob Woodruff described LSU Monday as "the leading team in the conference."

In Southeastern Conference standings, the undefeated Tigers are tied with Mississippi for first place.

But Woodruff said "LSU is offensively ahead of other teams in the league." The Tigers have scored 132 points while holding their opposition to just 22.

A homecoming crowd of 47,000 is expected in Baton Rouge when the Gators invade the Tigers' den from out of town."

## Kansas Jack Blasts Grid Officiating

COLUMBUS, Ohio (UPI)—Coach Woody Hayes of Ohio State, obviously pleased that his "dirty football" charges have brought officials under public scrutiny, had a companion today in Kansas coach Jack Mitchell. The Jayhawk coach Monday

charged the officiating in Saturday's Oklahoma-Kansas game was "pathetic." Last week Hayes blasted the officials for permitting the defense to play "dirty football" while watching the offensive team too closely.

Mitchell said "never in my

playing or coaching days have I witnessed such an exhibition." Oklahoma beat Kansas, 43-0.

Hayes, meanwhile, said he thought he was "on the way to getting it straightened out." He said he was "encouraged" by the officiating in the Big Ten last Saturday, with the possible exception of the Indiana-Ohio State game.

During his own game, the fiery Hayes rushed onto the field to protest alleged roughness on the part of the Hoosiers. The officials quickly marched off a 15-yard penalty against Ohio State, Ohio State downed Indiana, 43-8.

Kipkuth, the world famous coach's son and chairman of the Yale athletic board of control, announced Wednesday night his father would step down and also said a successor would be appointed "soon after Nov. 5."

The athletic board is scheduled to meet on that date.

Kipkuth, born Nov. 17, 1890 at Tonawanda, N.Y., said he will

remain in an advisory capacity at the university which he served for over 49 years. Kipkuth became Yale swimming coach in 1914 and became a living legend on the campus because of the succession of great teams he produced.

Kipkuth, who insisted on the hardest-conditioning program possible for his swimmers, won over 500 meets and lost only 32 during his 40-year career. He had 175 meet winning streaks from 1924 to 1937 and last lost to Army in 1945.

He coached U.S. Olympic swimming team in five olympics.

Asked to pin-point the most important factor in making a great swimmer, the barrel-chested Kipkuth replied, "Mileage."

A stern task master, Kipkuth forced his candidates to spend long hours at calisthenics and muscle-building before he even permitted them to enter the water. So difficult was this conditioning program that it was said on the Yale campus that the two pools in Pauley Whitney gymnasium are filled completely with the sweat of his swimmers.

Tim Jekko, John Marratt and Sandy Giuliano were among the great swimmers he produced.

**'Most Successful' Coach Will Retire**

NEW HAVEN, Conn. (UPI)—Bob Kipkuth, perhaps the most successful coach in the history of college sports, will retire as Yale's swimming coach on Nov. 17 when he reaches the mandatory retirement age of 68.

Delaney Kipkuth, the world famous coach's son and chairman of the Yale athletic board of control, announced Wednesday night his father would step down and also said a successor would be appointed "soon after Nov. 5."

The athletic board is scheduled to meet on that date.

Kipkuth, born Nov. 17, 1890 at Tonawanda, N.Y., said he will

remain in an advisory capacity at the university which he served for over 49 years. Kipkuth became Yale swimming coach in 1914 and became a living legend on the campus because of the succession of great teams he produced.

**Seminole Work On Single Wing**

TALLAHASSEE (UPI)—Florida State faces a new kind of problem this week in Tennessee's single-wing offense, and the Seminoles are working hard to get ready for it.

The team spent Monday acing

the smart duck takes early precautions against freeze-up. In fact, just about the smartest thing you can do is take your car around to your Phillips 66 Dealer today for guaranteed anti-freeze service! Here's what we guarantee:

Bring your car in and tell us the temperature protection you want—even down to 40 below. We'll fill your radiator with the right amount of Phillips 66 Anti-Freeze (permanent type). Then, if at any time during the winter you have to add anti-freeze to maintain this level of protection, we add it at no expense to you.

Could anything be fairer? Get this guaranteed anti-freeze service at any Phillips 66 Station.

## Gators Prepare For SEC's 'Best'

**United Press International**

The Florida Gators are practicing this week under a theory that they are about to meet the best offensive team in the Southeastern Conference.

Louisiana State, the Gators' opponent this weekend, does not lead in offensive statistics (Mississippi now holds that honor).

but Coach Bob Woodruff rates the Tigers as tops. "They have scored an amazing lot of touchdowns against a lot of good football teams," he said.

Monday the Gators ran through a short session, concentrating on offensive line play.

Vanderbilt, to date the "youngest" team in the SEC, began contact work Monday and began doing out defenses against Virginia's potent passing attack.

Six players were reported on the injury list at Tennessee, but trainer Mickey O'Brien said should be ready to go against Florida State Saturday. Monday

the Vols had a look at Seminole College.

Craig will miss contact work

this week because of a lip infection. But Trainer Dave Wike predicts he will be ready to go at full speed when the Hurricanes invade Boston.

The traveling squad departs Friday morning.

A round of offensive scrimmages was on tap today. Coach Andy Gustafson said he was pleased with the team's progress in defense since the 41-0 loss to Louisiana State two weeks ago.

He said today's drills should give him a line on whether the offense also has improved. The Hurricanes failed to score in two of their three outings this year. They had an open date last Saturday.

## CURTAILED BUYING SLOWS PRODUCTION; NORMAL BUYING KEEPS IT HUMMING ALONG!

### Trio Deadlocked In Lineman Vote

JACKSONVILLE (UPI)—Three linemen tied this week for Florida's "Lineman of the Week" honors, the Florida Sports Writers Assn. announced today.

Cited for outstanding performance last week were Doug Fleming of Florida, Tony Romeo of Florida State, and Ken Belliveau of Tampa.

Both Fleming and Romeo have been named Lineman of the Week previously.

This was the first time there

has been a three-way tie in the balloting.

### Gifford In Hospital

NEW YORK (UPI)—Frank Gifford, 205-pound all-National League selection for the last two years, is in St. Elizabeth's Hospital with torn ligaments in his right knee and will be lost to the New York Giants for two or three weeks. Gifford suffered the injury in Sunday's 23-6 loss to the Chicago Cardinals.

### On Comeback Trail

PORLAND, Ore. (UPI)—Johnny Saxon, ex-welterweight king on the comeback trail, was

knocked out

last night.

## President Mounts New Demo Attack

By MERRIMAN SMITH

**LOS ANGELES** (UPI) — President Eisenhower today mounted a new attack on the Democrats, accusing them of everything from economic pocket-picking to being political prostitutes.

The Chief Executive, as he called the Republican congressional campaign up the West Coast north to San Francisco, seemed convinced through his choice of unusually tough words, that Vice

President Richard M. Nixon had the right idea in letting the opposition have it with both barrels. Not since his own 1956 re-election campaign had Eisenhower employed such harsh labels for his political opposition as he did here Monday night in the first major speech of his current cross-country tour.

He said the Democrats were suffering from "political schizophrenia." He said they were dominated by "left-wing, radicals" given to "demagogic excess."

**Aks Financial Help**

Furthermore, he told an audience of 6,700 GOP precinct workers — and the state Republican campaign slate — that unless they put more effort and money into the current campaign, the Democrats would be unchecked in "pursuing economic and political goals at odds with American tradition."

"The opposition record is one of ever higher taxes — of dollars worth fifty cents — of sky-high prices — of an economy harassed into producing fewer jobs, chronic unemployment, labor strife and fear of the future," he said. "If you don't want that kind of government again, work for a Republican victory."

**Asks For Harmony**

Eisenhower did his best in personal contacts and in his speech to smooth relations between Sen. William F. Knowland, running for governor, and Gov. Goodwin J. Knight, seeking Knowland's vacated Senate seat. Both candidates applauded when the President said, "let's have no more family bickering," but there was no sign of a working Knowland-Knight alliance coming out of Eisenhower's two days in California.

Golden is accused of fatally shooting Deputy Burton Adams and wounding three other persons June 13. He is charged with first degree murder.

Rale Atty. Ed Wicks used up his challenge Monday in barring persons who obstructed capital punishment, and selection of a jury was completed. The trial was due to get underway today at 9:30 a.m.

The shooting allegedly occurred when Golden returned to Pensacola after taking Jessie Jernigan, 29, on a weekend trip to get married. When the couple failed to get married as planned, an argument broke out between Golden and the girl's parents, Mr. and Mrs. Pearce Jernigan. The girl's mother summoned county officers when Golden showed a gun.

Golden and the girl were inside his locked car at the time, it was reported.

As Adams and another deputy, Eddie Brock, advanced toward the car, investigators said, Golden panicked and fired several times.

Adams was killed and Brock and the Jernigans were wounded.

Golden pleaded not guilty at a preliminary hearing. He has been held without bond in jail since the shooting.

## Canaveral Budget Highest Since '50

**CAP CANAVERAL** (UPI) — The Air Force Missile Test Center estimated Monday it will spend \$86,000,000 during the 1958 fiscal year—the largest sum since the center began operating in 1950.

Of this sum, officials said, about \$115,000,000 will be spent in Brevard County and Central Florida. Another \$31,600,000 will be spent in other parts of Florida.

The figures were disclosed in a "study of projected expenditures" for the fiscal year starting July 1, 1958, and ending June 30, 1959.

In other parts of the United States the test center will spend an additional \$33,200,000 and will pay about six million dollars in personnel manning the 5,500-mile Atlantic missile tracking range.

The anticipated expenditures include payrolls, non-construction, maintenance, and supplies and services used by the test center and its missile contractors at Patrick, Cape Canaveral, and the tracking range.

Since 1950 and through the 1959 fiscal year, the Air Force said,

the government will have spent an estimated \$15 million dollars on payrolls alone in Brevard County. Officials said the center's monthly payroll now comes to more than \$14,500,000.

## Urge Write-In, Alachua Democrat Opposing Holland

**TALLAHASSEE** (UPI) — A surprise "write-in candidate" started campaigning for the U.S. Senate last week in Florida's Nov. 4 general election.

Democrat George Bennett of Alachua reported to the secret U.S. Senate Monday that he spent \$12,50 for political broadcasts in Gainesville.

Bennett said he will oppose the incumbent Sen. Speare Holland and Republican challenger Leeland Myer of Miami.

Holland reported expenditures of \$10,029 last week, with contributions of \$13,600 and contributions of \$1,478.

## Conflicts Delay Legislative Party

**JACKSONVILLE** (UPI) — An annual party for members of the state Legislature, scheduled here this weekend, has been postponed because of several conflicting meetings.

Gov. elector-nominee Wayne E. Fly said, "It will be impossible for many of our guests to attend our party here because of previous engagements."

Ripley indicated the event may be held between Jan. 1 and April 1, prior to the convening of the biennial session of the Legislature.

**CALIFORNIA CAMPAIGN**—President Eisenhower and wife are shown as they arrived in California aboard the Columbine. Eisenhower now is on a 5,300-mile political expedition in an effort to help Republicans in the November election. (UPI Telephoto)

## Bidding For Sixth Term, Soapy Williams Favored

By GEORGE WEEKS

**LANSING**, Mich. (UPI) — Gov. G. Mennen Williams is favored to win an unprecedented sixth term two weeks from today if a Democratic tide that could weaken GOP control of the Michigan congressional delegation and the state Legislature.

That's how most observers are betting late in a dull campaign that just now is beginning to quicken for the first time since Democrats swept in their biggest primary landslide in state history Aug. 3.

The GOP, however, claims its chances are getting better as outside Republicans rally around a polio-crippled college professor and a legless war veteran.

**Williams Faces Test**

Williams, whose stature as a double amputee whose bid for a second term is jeopardized by Lt. Gov. Philip A. Hart, a father of eight who often campaigns from a helicopter flown by his wife.

Both Williams and his protege, Hart, have endorsement of Michigan's vote-disciplined United Auto Workers Union.

Williams has been forced to wage his first defensive campaign because Republicans charge his alliance with UAW President Walter P. Reuther is chasing industry and jobs out of Michigan.

## Elephant Invades Bar, Drinks Beer

**CHESTERFIELD**, Eng. (UPI) — That was no pink elephant in the bar at the Portland Hotel.

That was a 1½-ton, eight-year-old Burmese elephant.

She walked into the bar, sat down at a table and drank a pint of beer.

"She loves beer," said trainer Gisela Kruse. "She often has it at the circus."

Kruse said it was the first time he had ever taken the elephant into a public house.

It was not known how many bar customers were off drinking.

**Sees Khrushchev**

**LONDON** (UPI) — War Minister Abd el Hakim Amer of the United Arab Republic conferred with Soviet Premier Nikita Khrushchev at the Kremlin Monday, Radio Moscow reported. Relations between the two states was discussed, it was said.

## No Marriage Plans

**LONDON** (UPI) — Actress Eva Bartok says reports that she plans to wed an Indian prince are "a little premature." Prince Shiv of Paltana, 25, has been seen with the actress at London night spots recently.

**SCIENCE IS ORGANIZED KNOWLEDGE**

**"The Health Team"** is waging a continuing battle against disease. Research physicians are exploring every possible method that can diagnose and treat sickness better.

Working closely with them are the pharmaceutical chemists who are creating new chemicals. Many of the drugs now in your prescriptions were invented because of the necessity to solve a particular problem.

Our chief duty, as pharmacists members of "The Health Team", is to make certain that when any particular medicine is needed we are prepared to dispense it.

**Groom, 19, Bride, 15, Found Dead**

GAFFNEY, S.C. (UPI)—A 19-year-old college sophomore and his 15-year-old bride of three days were found dead Sunday night, the boy's hand clutching a pistol.

The bodies of John Stephenson and his wife, Carol Parker Stephenson, were found by his mother parents' home. The young couple's wedding flowers still were in the family refrigerator.

Coroner Jack Millwood said they were sprawled on the floor. The girl had been shot twice, in the left temple and over the heart.

Her husband had died of a single bullet wound over his right ear.

Both were fully clothed.

The youngsters had been married Friday at Spartanburg, S.C., with the parents of both present. Millwood said the parents told him the couple had "seemed happy" and were at a loss to explain the tragedy.

Stephenson was a sophomore at Limestone College here and had attended The Citadel last year. His wife was a junior at Gaffney High School.

# Gary Backers Plan Campaign

County politics warmed up today following yesterday's announcement that Oviedo Mayor Lee Gary had agreed to allow his name to be entered as a write-in candidate for the District 4 seat on the County Commission.

Oviedo citizens who are spearheading the Gary campaign said today that Gary did not plan an active drive for votes. Spokesman for the group, however, said they "will do everything we can to get Mayor Gary elected because we think he is the best man."

Gary's supporters are attempting to beat Vernon W. Dunn, Democratic nominee. Dunn made no statement about the move. But the man that he beat in the Sept. 9 Democratic primary, R. C. Dodd, today gave his blessings to Gary.

In a prepared statement, Dodd said that he had been asked to run as a write-in candidate and that he had considered such a venture.

"After serious thought, I feel that I should retire and take care of my business, in which I am needed," Dodd said. "But I do think the county needs a real businessman to help run the county's business, a large and growing business. I do think Lee Gary, mayor of Oviedo, has these qualities."

The group backing Gary said that an all-out effort would be made in behalf of their candidate. At the same time, the group said "there has been no great secret" about plans for a write-in campaign.

A spokesman today said the group "was shopping for a good candidate" when it ran two advertisements in The Sanford Herald, advising the voters to get ready for a write-in campaign.

"We went shopping for a good, solid candidate and we found one in Mayor Gary," the spokesman said. "We believe Mayor Gary has the stature needed on the County Commission. He does not plan to campaign, but we will campaign for him, actively and openly."

In his statement, Dodd thanked the voters for allowing him to serve for 12 years. He said the "decision to retire from my business" had been circulating about my intentions."

Several hours before the Gary announcement was released, Dunn had denounced the write-in movement as "illegal and back-hand-ed."

**Elvis Presley Park**

TUPELO, Miss. (UPI) — Ground was broken here Tuesday for a \$200,000 municipal park named for singer Elvis Presley. The 12-acre park site is near the rock 'n' roll entertainer's birthplace.

**Closer Link Needed**

ROME (UPI) — Italy must strengthen its links with the Arab world and Africa, a government report said Tuesday. The report on the Foreign Ministry budget said Italy could not "fall to take note of the Arab awakening."

**Ex-Premier Failing**

BUDAPEST (UPI) — The health of Mattias Rakosi, 66, former Hungarian premier and Communist Party chief, is rapidly deteriorating following a serious heart attack suffered in Russia earlier this month, diplomatic sources said today.

**Harry Blasts GOP**

WASHINGTON (UPI) — Former President Truman, praised by top Republicans last week for soft-pedaling foreign policy in politics, attacked the Eisenhower administration today for "blunder, bluster and brinkmanship in foreign affairs."

**Big Battle Raging**

ALGIERS (UPI) — A French paratroop division is using artillery and air attack to smash some 400 rebels trapped in the Saida Mountains of eastern Algeria, it was reported today. Informants said the battle has been raging for a week. No estimate of casualties could be obtained immediately.

**Ike's Son Starts Third Duty Tour**

WASHINGTON (UPI) — Maj. John Eisenhower, the President's son, is beginning his third tour of duty at the White House.

Young Eisenhower will help Brig. Gen. Andrew J. Goodpaster, the President's staff secretary, on liaison activities connected with national security.

**Service Utilized**

MEMPHIS, Tenn. (UPI) — Mrs. Vernon Dew was waiting for her clothes in a self-service laundry here when a woman entered her stocking feet, carrying a pair of rain-soaked shoes which she put in dryer.

**He Could Stand It**

BOSTON (UPI) — In only a few weeks of playing football, Fran (Kayo) Kehoe, a 6-foot-5-inch, tackle on Boston University's freshman squad, lost 10 pounds. But he still weighed 315 pounds.

TOP 4-H AWARD — Cecil Tucker (left), county agricultural agent, presents the top 4-H achievement award to Owen Cannock, Geneva, during ceremonies at the vocational agriculture building. The trophy is presented each year to the outstanding 4-H'er in Seminole County. The event took place last night. (Herald Staff Photo)

## 4-H Members Receive Achievement Awards

and many other types of accomplishments.

Guest speaker for the occasion was Cecil Tucker, county agricultural agent, who told the Farm Bureau and 4-H members that "farming and farm life are becoming more important to the American way of life."

He stressed the importance of 4-H work, calling attention to the varied experience that 4-H members get while working on projects.

Jerry Arndt described a trip to short course at the University of Florida and Miss Myrtle Wilson, county home demonstration agent, gave a short talk. Film on 4-H work were shown.

Following are the boys who won awards:

Achievement: Gerry Fore and Carl Stubbings; agricultural: Jerry Arndt; Charles Fox; Owen Cannock; Tommy McLain; dairy: Jimmy Wiedeloh; Dave Thomas; electric: Gene Bullard; Scott Womble; entomology: John Norden; Charles Rabun; forestry: Robert Miller; garden: Billy Frank; Karl Wolff; leadership: Charles Fox.

Poultry: Billy Fulford; H.-race Johnson; safety: Michael Testins and John Jakubinski; tractor: Tom Wiedeloh; Bob Risner; Gerry Fore; Jerry Oakley; and public speaking: Loy Caldwell.

Following are the 4-H girls who won awards: Dolanne Wagner, home improvement; Amy Pippin; canning; Jessie Pippin, food preparation; Gail Reeder, dress review; Bette Jeanne Robinson, achievement; Shelia Grant, public speaking; Catherine Cannock; dairy: Sheila Best; home economics: Virginia Stanka; dairy foods: Dorothy Duda; dairy foods: Sylvia Miller; frozen foods: Jo Anne Wolff; recreation: Maureen Pitts; clothing: Linda King; dress review: Christine Ventry; dress review.

Leaders are Mrs. J. R. Grant, Mrs. Ralph Stewart, Mrs. George Otto, Mrs. Stephen Miller, Mrs. R. B. Forbes, Mrs. W. L. Seig and Miss Myrtle Wilson.

## Directors Named By Farm Bureau

The Seminole County Farm Bureau last night elected its board of directors. From this group will come the Bureau's officers.

Named to the board were Roy W. Murphree, W. W. Love, Charles Lawson and R. E. Buhle, Sanford; Charles R. Morris, Longwood; Jack Sykes, Gold Coast, and J. Tommy McLain, Geneva.

Directors will elect their own president, vice president and secretary treasurer. The group will take office on Jan. 1.

## Car Crashes Van; Driver Is Injured

Catherine Preston Lightfoot was injured and her 1955 convertible demolished when she hit a parked truck on Highway 17-92, just south of the city limits near Pinecrest Inn late Tuesday night.

Authorities from the Seminole Sheriff's office revealed that the truck, a 1954 van type, was parked in the proper parking area when hit by the car. The impact knocked the truck several feet forward before turning it completely around in a north-bound position.

Hazlett made the first trans-Atlantic flight in the 10-mile-per minute, swept-wing bomber "The Skywarrior."

He and Mrs. Hazlett are planning to leave Sanford shortly for the Patuxent River Test Center,

the present VAH-7 in Sanford. In addition to special weapons training and test pilot training, the commander has also attended the general line school. Before receiving his orders as executive officer of VAH-11, Harris served as special weapons officer on the

Admiral Brown gave the Sanborn squadron a "Tip of the Brown Derby" and Captain A. R. Matter, skipper of the USS Saratoga, stated that VAH-7 had surpassed all previous efforts by a heavy attack squadron.

Commander Hazlett leaves the squadron in a high state of readiness. VAH-11 under Hazlett progressed from just a squadron of new personnel with new equipment and new aircraft to a veteran combat ready outfit, who have proven themselves well in naval aviation.

Hazlett made the first trans-

Atlantic flight in the 10-mile-

per minute, swept-wing bomber

"The Skywarrior."

The driver of the car is charged with failure to control the vehicle to avoid an accident.

### Counseling Service Now Available For Sanford Residents

Got family problems that an experienced counselor might solve, or eat? This service now is available to Sanford residents.

A Family Counseling Service, headed by Mrs. Sidney Lee III, is available for those who wish to discuss such problems as family relationships, marital difficulties, parent-child problems, individual personality adjustments, unmarried parenthood and many others.

Mrs. Lee, former student counselor at Seminole High School, has had much experience and training in the field, according to the Rev. W. P. Brooks Jr., a member of the group's advisory committee.

"We now have a very fine family counseling service," Rev. Brooks said. "It has been in operation for some time and isrend

ering a very fine service to the entire community. Mrs. Lee is very efficient and well-trained."

There is no charge for the counseling service, Rev. Brooks said.

There is no charge for the counseling service, Rev. Brooks said.

Rev. Brooks said 16 cases were serviced last month. A total of 10 new consultations have been requested thus far this month.

Anyone interested in the service may call FA 2-6268. The office is located at 50 Magnolia Ave.

On the advisory committee, in addition to Rev. Brooks, are Rev. T. C. Osteen, Judge Wilson Alexander, Mrs. A. R. Key, Mrs. C. L. Park Sr. and R. F. Coop-

### 30 Persons Dead In Air Collision

ANZIO, Italy (UPI) — Naples-based British European Airways Viscount airplane collided with an Italian jet fighter plane over this world-war II battlefield today. All 30 persons aboard the airliner were killed.

BAE spokesman in London said all 25 passengers and the five crewmen were killed. The plane was destroyed.

The pilot of the Italian air force F-104 jet parachuted safely into the Mediterranean and was picked up by a motorboat.

Unconfirmed reports said an elderly Italian civilian on the ground was killed by falling wreckage.

At 5 p.m. 27 bodies had been recovered.

BAE announced that the airline pilot was Capt. Frank Foster, a well-known pilot who had flown with BAE since it was started 12 years ago.

A Netuno public security agent said that after the collision, an exploding rocket hit the airliner and it plunged to earth with a force so great that it was shattered into pieces no more than a yard across.

Part of the wreckage landed in the restricted area of the Italian air force range.

Capt. Giovanni Saverelli, pilot of the Italian jet, parachuted into the sea, where he was picked up by a motorboat. At Netuno hospital, it was reported he was not injured but was suffering from shock and could make no statements.

One witness said the jet plane continued on course over the sea for a few seconds after the collision. Then Saverelli was seen to catapult out of the cockpit in his ejection seat. The Viscount went down immediately.

Milroy was en route from Copenhagen to Berlin at the time. He was arrested at the town of Neur-Schleife, 20 miles north of Berlin, while driving his automobile.

American efforts to win his release were complicated by the fact he was traveling on an East German visa. The United States does not recognize East Germany and it wants tourists they travel through the Communist zone on East German visas at their own risk.

Milroy's arrest became known because an officer of the U.S. liaison mission to the Soviet armed forces in East Germany was in Neur-Schleife when he was arrested.

Herlong will visit the three oil refineries, banks and business houses in Sanford from 10 a.m. until noon. At 2:30, he will attend a luncheon with working committee members at Jim Spencer's.

Following the luncheon, he will be in Orlando from 3:30 p.m. C. E. Chotz will be in charge of the Orlando tour. At 4:30, he is scheduled to arrive in Altamonte Springs, where Mayor Lawrence Sautter will be the official host.

Lee said today that Dan Wright will be the master of ceremonies at the luncheon. Due to the lack of space, Lee said the luncheon guest list would be confined to members of the Committee for Herlong.

Following the luncheon, he will be in Orlando from 3:30 p.m. C. E. Chotz will be in charge of the Orlando tour. At 4:30, he is scheduled to arrive in Altamonte Springs, where Mayor Lawrence Sautter will be the official host.

Lee said today that Dan Wright will be the master of ceremonies at the luncheon. Due to the lack of space, Lee said the luncheon guest list would be confined to members of the Committee for Herlong.

Home Buyer Gets 'Payment' Break

The schedule for U. S. Rep. Sid Herlong's tour of Seminole County on Friday was released today by Al Lee, campaign chairman.

Herlong will visit the three oil refineries, banks and business houses in Sanford from 10 a.m. until noon. At 2:30, he will attend a luncheon with working committee members at Jim Spencer's.

Following the luncheon, he will be in Orlando from 3:30 p.m. C. E. Chotz will be in charge of the Orlando tour. At 4:30, he is scheduled to arrive in Altamonte Springs, where Mayor Lawrence Sautter will be the official host.

Lee said today that Dan Wright will be the master of ceremonies at the luncheon. Due to the lack of space, Lee said the luncheon guest list would be confined to members of the Committee for Herlong.

Office Is Moved

The Sanford Recreation Office has been moved from East Melton Park to the Youth Wing at the Civic Center, Ronald Perry, director, said today.

Office hours remain 1:30 p.m. to 4:30 p.m. The telephone number remains the same.

**Commission Sets Priority On Roads**

The priority schedule for construction of county roads was set at the Tuesdays meeting of the Board of Seminole County Commissioners.

The building of Big Tree Road was adopted as a county-wide project. This and others in various districts will be constructed during the remainder of 1958 and during 1959. Tentative plans are to begin around Nov. 1. These are all to be first class paved roads.

In Commissioner Dold's district, number one priority is the Red Bug Lake Road; 2, Charles Lee Blvd.; 3, Tuscarilla; 4, Bridge on Citrus Ave.

County Clerk O. P. Herndon submitted a complete financial report for the year showing that no budgets were exceeded.

The Commission granted approval of a permit to Lipsey Appliance Co. to construct a building at 28th street and Sanford Ave.

## Blood Bank Donors Accepted At Elk's Club Annex, 2-6:30 P. M. Thursday
