Congress his second mestage of the present year on schooling of the passage of th

The Herald cannot let this opportunity peas without saying a word in commendation of the splendid public services rendered by Leon LeRoy and his associates during the past four years in preserving the golf course. Now faced with an exhausted treasury and unable to secure anything like adequate revenue from either the City or the public, no other avenue was open to the officers and directors of the Sanford Country Club, Inc. but to resign and cancel their without disclosing their feetime.

Sanford Country Club, Inc. but to resign and cancel their without disclosing their neutral lines. After several contrary relienced in this connection, however, it should be recalled that Mr. LeRoy took over the management of the golf course at time when it was generally supposed that Sanford was in a time when it was generally supposed that Sanford was in lours by automobile during the largest their consultations. The City was just then contallment of operation expenses, the abandonment of the municipal links was a very grave possibility. Mr. LeRoy or Breckinridge carried a suitease and essary two-thirds vote for susganized the club at a very critical time and soggetlated ala blanket when they entered the pending was easily obtained. All ganized the club at a very critical time and adjustance a solution of the club at a very critical time being was quite sat-

Since then, however, the financial affairs of the City, and business conditions generally, have gone from bad to worse. Tax collections have steadily declined and personal appropriations in the individual budget for such matters as To a hideaway slong the coast? sport have constantly been curtailed. Operating a golf course in a town the size of Sanford under these conditions and about the colonel's first trip since mandatory provisions which to win. without appreciable contributions from tourists, is, to bor- the kidnaping-a wack-end jourrow an expression from Queen Mary, a pain in the neck ney-brought this response: and well nigh impossible. That Mr. LeRoy has kept the golf course open as long as he has, indicates akmost that an impossibility has been achieved.

It has been necessary for him to devote a large part of check-up or accounting. his time in making personal solicitations and in appearing repeatedly before the City Commission in appeals for funds statements he will be glad to do to take care of only the most vitally essential part of the so through Trenton and in accordcost of maintenance. In his further effort to make both ance with the established system ends meet, he has reduced his working crew to such a minimum that he has often found it necessary to don overalls himself and assist in repairing machinery and in perform-

ing other laborious duties about the course. At the same time we would point out in this connection is the ways this taken off the that Mr. belloy har never received one cant in compensa- Massachusetts coast and those that Mr. belloy has never received one cant in compensa-tion for his work and has given his time and ability freely that Lindbergh halv and cheerfully out of a community spirit which puts service above self and gets its reward in the personal satisfaction of an unselfish work well done. Often at the sacrifice nel Brechinidge, his counsel, of his personal affairs, he has brought the golf course landed at Hasbrouck Heights, N. through four attenuous years, and has preserved, at least J. early resterday evening flew it to every foreign eye. for this length of time, one of the City's most valuable as-pver Martha's Vineyard and Stimson, former governor

That the day has now come when he must relinquish this prodigious undertaking is no reflection on him or his ion of the word "transpire"? If splendid efforts and we know that he joins with us in hopyou do, you will find that it means | ing that some way may even yet be found to save the golf course in the present emergency.

The Fruits Of Saving

With the anti-hoarding drive under way and with the Hole denied a report that the panublic being urged to spend freely, any suggestion as to trel boat CG-133 had landed a ci the merits of saving money may appear a little out of place villan passenger at Chilmark Sunat this time.
