YE-YE GIRL, France's Francoise Hardy, is a house-hold word in her own country, but relatively unknown in the United States. An in-stant success in 1962 at the age of 18 as a distinctive guitar-playing singer, she will be introduced to via the MGM-Cinerama pro-duction "Grand Prix," the much-touted movie about auto racing.

Capitalize On The Sea Around Florida—Kirk

MIAMI (AP) - Gov. - elect Claude Kirk wants Florida to capitalize on the sea around it and has named an advisory council of specialists to help. "The sea around us shall be studied to the maximum and its resources developed fully," Kirk said in naming the seven-man panel Tuesday. "With more than 1.300 miles of coastline. . .we have unequaled natural advan-

Appointed to the council were Dr. Jacques Piccard, Swiss oceanologist and deep - diving submarine pioneer; Edwin A. Link, an authority on underwater research; John H. Perry Jr., submarine builder and publisher of 27 Florida newspapers; Dr. F. G. Walton Smith, president of University of Miami's Institute of Marine Science; Dr. Athelstan Spilhaus, former dean of University of Minnesota's Institute of Science and Technology: Fred Learey, newly appointed chairman of the Florida Council of 100, and Billy Burns, chairman of the Ocean Sciences and Engineering Council of Palm Beach County.

There is no doubt about it - the top news story of 1966 was the Sanford marina . . or the lakefront development plan as it is more properly called.

The action started in January when city commissioners gave the project the green light. In March they signed contracts with marina and motel operators and a dredging firm.
