U.S. Put On Notice To Prepare For Higher Federal Spending

OKLAHOMA CITY (AP)—President Eisenhower put America on notice today to prepare for considerably higher federal spending if this country is to keep abreast of the space age—and Russia.

Whether the substantially higher price tag on national security would mean higher taxes was the billion dollar question before the nation.

The President, in his nationally broadcast and televised speech Wednesday night in the Municipal Auditorium here, did not once mention the possibility of higher

taxes. But at seven different points in his speech he stressed that substantial additional costs would be involved in bringing America's arsenal up to scientific date with Russia, raising military pay, increasing the educational production of scientists and keeping foreign aid at about its present level.

Immediately after his speech in the auditorium to an audience of more than 6,000 persons, the President raced back to Washington during the night by air to preside this morning at his second meet-

ing of the National Security Council this week.

Pledged Economy

The President, while forecasting markedly higher spending for defense in his Oklahoma City speech, pledged his administration to every possible economy in current federal costs in areas less important than security and scientific achievement.

He said, however, that he had come to the "clear conclusion" that some civilian programs of the government, "while desirable, are not absolutely essential" and prob-

ably would have to go, under the weight of satellites, missiles, dispersing the Strategic Air Command to additional bases and other mounting security costs.

The President refrained from telling Congress where to cut domestically, but he was specific on where cuts should not be made.

He said the answer to economic demands did not lie in cutting his mutual security program of economic and military foreign aid.

Agrees Cost Cuts

Eisenhower said it also would

be a mistake to cut costs by "any misguided attempt" to eliminate conventional military forces and rely solely on retaliation.

"This course would be completely self-defeating," he said.

The Chief Executive expressed the hope that Russia ultimately would cooperate with the West in seeking "peace with justice." Until there is concrete evidence of such cooperation and a cessation of threats from the Communist orbit, he said this country would have to maintain a mighty nuclear retaliatory power "as a primary

deterrent to war."

The President announced a four-part plan for increasing the retaliatory power of the Strategic Air Command:

—A speedup in dispersal of SAC to other bases.

—A speedup in improving warning systems protecting the nation, because "with missiles and faster bombers, warning times will grow shorter."

—Development of an active missile defense against missiles through "intensive research and development."

Should Add Missiles

—The addition of long-range missiles to American forces on land and sea.

He said additional sums will be provided for the plan "where needed. Moreover, it is clear that production, deployment and installation of missiles over the period ahead will be costly."

The President said his scientists advised him "above all immediate tasks" is increasing the production of scientists. The problem will be in its most critical phase for the next 10 years, he said.

He said the federal government cannot take on the full load of stepping up education of scientists and engineers, but must cooperate with state and local governments.

The President discounted Soviet claims of an accurate intercontinental ballistic missile. He said it will be "some time" before either the United States or Russia has a long-range missile to equal "even a small fraction of the total destructive power of our present bomber force."

Weather

Partly cloudy to cloudy with few showers today and tonight. Partly cloudy Friday.

CONSTRUCTION IS STARTED on the Goldboro Swimming Pool when Mayor David Gatchel turns the first spadeful of dirt to get the project underway. At the brief ceremonies this morning were (left to right) City Commissioner Merle Warner, A. L. Wilson and Earl Higginbotham, Mayor David Gatchel, Commissioner F. D. Scott, Architect John Hurton IV, and Leroy Robb representing Carroll-Daniel Construction Co. to whom the contract was awarded. (Photo by Bergstrom)

1,200 Witness SR-415 Dedication Yesterday

The new Campbell Thornal Highway was officially opened and dedicated yesterday amid the applause of at least 1,200 Central Floridians who gathered at Osteen for the ceremonies shortly after 2:30.

The ceremonies were interrupted briefly during the afternoon by a shower that drove spectators under cover.

Supreme Court Justice Campbell Thornal, for whom the highway was named, turned the ribbon cutting ceremonies over to his mother, Mrs. B. C. Thornal of New Smyrna Beach, who smiled broadly throughout the afternoon as she watched her son take part in the dedication event.

Justice Thornal, flanked by dignitaries from many surrounding counties, members of the State Road Board, State Senators and representatives told the huge crowd who listened intently "When a man does the job expected of him he deserves no special recognition."

He said "We see here community cooperation in action," and

speaking of two plaques erected at each end of the newly constructed highway bearing his name and the date of the dedication, he said "... rather I would construct there a plaque listing the names of community leaders, public spirited citizens, and other officials. And along with them the names of instrument men, designers and planners, roadmen, and the engineering men of the State Road Department."

Turning to members of the State Road Board nearby, Justice Thornal told the audience that if you work with them they will give you one of the best planned road programs our state could enjoy.

He concluded "I accept with great humility the honor you have bestowed upon me."

Senator Bill Gautier introduced Justice Thornal, immediately following the brief address by Justice Thornal, Senator Gautier presented him with a copy of the bill naming State Road 415 the Campbell-Thornal Highway.

A pair of gleaming scissors was presented Justice Thornal's mother with which she cut the ribbon officially opening the new highway linking New Smyrna Beach and Sanford.

Dignitaries from Volusia County, (Continued on Page 8)

Kiwanis Speaker Reminds Club Of Education Week

Members of the Sanford Kiwanis Club were reminded at their noon luncheon meeting yesterday that this is American Education Week.

Prior to introducing a large group of youthful singers from Seminole High School R. T. Mill, vice Superintendent of Public Instruction for Seminole County invited Kiwanians to visit schools here. As you see them, he said, "I hope you will do everything possible to make your schools stronger and better."

More than fifty members of the Seminole High School Glee Club sang for Sanford Kiwanians yesterday. In the direction of Miss Dilla H. White, the Triple Trio, double Quartet and The Melownones rendered musical numbers for the noon luncheon group.

Emceeding the program was Peggy Lundquist, vice president of the local high school glee club.

The Triple Trio chose for its numbers "I'm Gonna Wash That Man Right Outa My Hair" from South Pacific and "June Is Bustin' Out All Over" from Carousel.

The Double Quartet, for its musical numbers, chose to sing "We Ain't Got Dames" and "Whale of a Tale."

The Seminole High School Melownones did themselves proud with more melody a second than anywhere else songs were being sung. Doing three numbers "Do Lord", "A Bushel And A Peck" and "Oklahoma" their biggest applause came on the first number when two solos were featured.

School Board Considers Financial Aid Requests

Requests for financial assistance in four projects at Seminole County schools were taken under consideration this morning at a meeting of the Board of Education.

The Seminole High School P-TA requested assistance in providing a paved area for recreational and other uses. The area, R. T. Millwee, Seminole County Superintendent of Public Instruction, said, would be 100 by 100 and of concrete construction.

Other requests included a 30 by 30 recreational area at Southside School which was submitted by the Southside School P-TA. Another Southside School request was for sidewalk areas on the Palmetto side of the school.

The band masters of Seminole County Schools requested financial assistance of approximately \$2,000 a year in order to purchase equipment. "The present situation is below standard," a letter to the Board of Education said.

Millwee requested that the Board of Education give him an opportunity to study the financial situation before "committing ourselves for any definite amount."

The Board of Education members stated "We are willing to assist but we are in no position now to say for how much."

Deputy Sheriff H. H. DeWitt said that the drivers of the two cars were Howard Arthur Miller of Pinecrest Dr. and Richard Kermit Escudier of South Sanford Ave.

The cars were traveling east when Miller stopped for a school bus. According to Deputy Sheriff DeWitt's report, Escudier's brakes failed and he smashed into the rear end of Miller's car.

Approximately \$100 damage was estimated to Miller's Chrysler and \$150 damage to Escudier's Jaguar coupe.

Sanford Mayor Endorses Sale Of Christmas Seals

The high cost of tuberculosis was emphasized by Mayor David Gatchel in his official proclamation approving the 51st annual Christmas Seal Sale which will open here tomorrow.

"Since the first Christmas Seal was sold in 1907, more than seven million lives have been saved from this tragic disease," he said, "but it still costs this nation over \$600,000,000 a year."

Tuberculosis costs this nation and this community much more than money, he pointed out. "The cost in worry and heartache, in families separated, in lives crippled by this debilitating disease cannot be measured."

"Christmas Seal dollars spent now are an investment in human lives. They will also mean tax dollars saved in the future," the Mayor said.

Mayor David Gatchel's official proclamation reads:

Whereas, the cost of tuberculosis is heavy burden on the people of (Continued on Page 8)

2 Cars Collide; Stopped For Bus

Two cars collided this morning shortly before 8 o'clock as they stopped for a school bus.

The accident, on Onora Rd. just west of the Sanford Naval Air Station, resulted in property damage estimated at \$250 but no injuries were reported.

Deputy Sheriff H. H. DeWitt said that the drivers of the two cars were Howard Arthur Miller of Pinecrest Dr. and Richard Kermit Escudier of South Sanford Ave.

The cars were traveling east when Miller stopped for a school bus. According to Deputy Sheriff DeWitt's report, Escudier's brakes failed and he smashed into the rear end of Miller's car.

Approximately \$100 damage was estimated to Miller's Chrysler and \$150 damage to Escudier's Jaguar coupe.

MAYOR DAVID GATCHEL signs a proclamation this morning calling attention to the TB Seal Sale Drive which starts tomorrow. Don Fletcher, 1957 Seal Sale Chairman for the Seminole County Tuberculosis and Health Association looks on. (Photo by Bergstrom)

Navy Man, Family Injured As Auto Crashes Into Truck

A Navy man, his wife and two children were injured about 6 o'clock last night on the Lake Mary Road just south of the Mayfair Country Club when the car carrying the family crashed into a truck parked on the side of the highway.

Injured but treated and dismissed were Donald M. Merritt of VAIL-7 at the Sanford Naval Air Station and his two children.

According to the report this morning from the office of the Seminole County Sheriff, Mrs. La Verne Merritt was held at the Seminole Memorial Hospital suffering from a lacerated face, broken left ankle and possible concussion.

Damage to Merritt's automobile was estimated at \$900.

Deputy Sheriff L. J. Kriz reported that Merritt was traveling south when he crashed into a truck driven by Blinnie Worthy of Sanford. The truck is owned by Henry McAllister.

Charges were filed against the driver.

Construction To Start Monday On New Industry

Construction will begin Monday on the building to house Allen and Company, a new industry locating in the Sanford area, on Nov. 18, according to H. W. Kane, attorney for the firm.

The building will be located just off the Highway 17-92 on a site acquired from the City of Sanford about one mile south of the city limits.

Kane said this morning that construction will take about 90 days and the firm hoped to start production in about 120 days.

Allen and Company will use their facilities for the hardening of metals to be used in the construction of missiles and other government materials.

Seminole County Chamber of Commerce manager John Kridler has been negotiating with the firm to locate in this area for several months.

Offices of the firm are now located in Ravenna, O.

The building will be constructed in two parts. One portion of the structure will be used to house heavy equipment used in the process of hardening metals. The other building will be used for administrative offices, packing, shipping and assembly.

Franco-American Relations Tense

PARIS (AP)—Foreign Minister Christian Pineau said today he would fly to Washington Wednesday to try to straighten out a crisis in Franco-American relations over U. S. arms to Tunisia.

Pineau warned that the supply of American arms to the one-time French protectorate would amount to a breach of Atlantic solidarity.

His statement underlined the gravity of a situation which sent U. S. Ambassador Amory Houghton calling on Premier Felix Gaillard at 2 a. m. today and again at 7 a. m.

Pineau told the National Assembly Foreign Affairs Committee the French government formally requested the United States and Britain not to give arms to Tunisia.

France is afraid any arms received by Tunisia will be used to support the nationalist rebellion in neighboring Algeria. Tunisia said it needs arms to protect itself against French border incidents and said it would go to the Soviet Union if the West does not provide the arms.

A member of the foreign affairs committee said Pineau told the committee the United States had not yet sent arms to Tunisia. Other sources said Houghton informed Gaillard a Russian ship was now en route to Tunisia with a shipment of arms.

So far, Pineau said today, the United States has only the intention of arming Tunisia.

"But if the United States did send Tunisia arms against our protestations then we would consider it a gesture running counter to the principle of Atlantic solidarity."

He then told the committee he would leave for Washington Friday to inform the State Department in person of the storm that blew up in France over Houghton's information that Tunisia soon would receive western arms.

Additional Local News On Page 8

City, County Delegation Will Discuss Docks Project Tonight

The City of Sanford begins looking in earnest tonight for an answer to its problem of securing funds with which to construct the Docks and Terminals project.

Heralded as possibly the most important project in the history of Sanford and Seminole County by most civic and business leaders of the Community, the actual interest in getting the project underway has lagged somewhat over the past decade.

In a recently completed feasibility report prepared for the city by Geo and Jensen of West Palm Beach, the engineers pointed out that possible funds for the project's construction could be made available from the state's Internal Improvement Fund.

Several commissioners who refused to budge from their stand of "no action until complete reports have been received" have now been furnished with a rate analysis from the engineering firm employed by the City of Sanford to study the project's feasibility.

Tonight, members of the Board of Sanford City Commissioners will meet with the Seminole County delegation to talk over possibilities of the commission's next move.

Commissioner Merle Warner suggested the meeting with the delegation in order that the board of commissioners might arrange a meeting with the Cabinet of the

State to Talk Over Possibilities of Financing Project With State Funds

State to talk over possibilities of financing the project with state funds said to be available for such improvements.

Invited to the meeting tonight are Senator Douglas Stenstrom, Representative Mack N. Cleveland Jr., Representative Gordon V. Frederick and J. Braley Odham.

Commissioners meeting with the delegation are Mayor David Gatchel, Commissioner Merle Warner, Commissioner A. L. Wilson, Commissioner F. D. Scott, Commissioner Earl Higginbotham, and Commissioner-elect Robert Brown. Also at the meeting will be City Manager Warren F. Knowles and the City's Finance Director H. N. Sayer.

THE PHANTOM

BEETLEBAILEY

FLAME GORDON

MICKEY MOUSE

Seminole Smoke Signals

Tom Tom Talk

Gang, I'll let you in on a little secret. Quite a few girls are directing their glances toward a certain sophomore boy, namely Brad Vaino. Whatcha say about this, Brad?

Of course, Peggy Jane and Billy are still going great guns and the more we see of these two, the better we like it.

Hey gals, why are you dragging out your best formal? Is something special coming up, eh Shirley, Annette, Faye, and Ellen? By all means, tell us about it.

What is this mystery thing David Stanley keeps jabbering about? Doesn't anyone know?

Carol Petty, tell us what happened to you last Thursday night at the rock and roll show. What was Bob's last name? Hmm?

Angelo denies having a girl, but why does he keep talking about Lulu? Just who is Lulu, Angelo?

Johnny Whajehel, where in Japan was the first atom bomb dropped? We got a real hang out of the way you pronounce it!

Faye Noel and Harold Stone are going steady at long last. All the luck in the world you two!

It seems Judy has forgotten that Cadet Lindsay Carr for Roger—and completely! We think you made a good choice, although you could kind of direct Lindsay our way and you would hear no complaints.

Faye Garner happened to see a picture of one of her old flames in Glee Club, and from the look in her eyes, there are still some sparks left—uh Faye?

It was nice seeing Billy Bishop home from FBI school last week. Audrey Bolger was one of the fortunate few who dated him and they made a cute couple! Lucky girl!

We saw Kathy Carlos at the rock and roll show with a dream. Could this be Roy, the Roy? It looks as if this is romance again. Kathy seems to have a little secret... tell us about it, gal!

We find that Jimmy and Evie are doing quite well. Lot's luck!

What is this mad club called the Coody Doody Club? Some of the members are Teddy Walker, Diana Fieisher, Evie Kratzert, Jimmy Moya, Roger King, Judy Herron, Johnny Barley, Lynda Yeackle, Pat Donahoe, Joyce Benton, and the honorable president, Pete Nash.

Say, Barbara Colbert, we hear you have a boy from Pfeiffer College on the hook. Is his name Sammy?

Charles Hall, could you be from Boston by any chance?

Pat Donahoe, how do YOU spell Pennsylvania? Seems to me that... what was her name again?

Richard, we see you flirting with a certain chick called Carole! Watch it, boy!

We hear the Majorettes had a ball at their Slumber Party! Deloris was their honored guest.

Ask Jane Williams about her date Friday night and she'll just go sigh, sigh, sigh. Is that the effect that Bob Reely produces on girls?

Gerald, we hear you and Connie are hitting it off pretty good also. You don't let girls bother you, do you? I don't blame you, not after what happened this summer.

SHS Students Proud To Be From Sanford

By Kathy Carlos

We're from Sanford, couldn't be prouder—and we mean every single word of it!

I guess it's only natural for us to complain every now and then, but when we peek around, we certainly do realize that we've got the best school anywhere. And we're proud I tell you! PROUD!

Whether our football team is on top (which is definitely the case this year) or not, they ARE with us, and we'll stand behind them all the way.

When we have had assembly you know you've seen something worthwhile, not just a lot of nothing. The same goes with a public performance.

Pardon my boasting, call me prejudiced if you like, but there is a lot of truth behind my loud shouts of rejoice and praise! My praise must reach even beyond the big wide doors of S. H. S., though. I must reach to every door of the townpeople, every door that has been opened so willingly to encourage and support our dreams and ambitions.

That's why we shout, "We're from Sanford, couldn't be prouder!" And we really couldn't—not one cottonpickin' bit!

"ENOUGH'S ENOUGH"
CHICAGO — A destroyer seaman of cockleshell proportions is getting his steam up over being arrested by the shore patrol. John Kennelly, who's only 3 feet 3 inches tall, has been arrested by authorities 14 times on charges of impersonating a sailor.

New Student

By Delores Bailey

A member of the DCT class is our new student of the week, Eugene Elliott. Eugene is an accountant trainee for John Fitzpatrick. He came to Sanford from Lake Orion, Mich., where he attended school last. Being a senior, Eugene is looking forward to graduation when he can become a full-time accountant.

Like all males, Eugene enjoys hunting and fishing. Bowling interests him, also. He likes listening to records. "Treat Me Nice" is his favorite.

According to Eugene, the students and faculty of Seminole High School are very friendly and polite. In his book, the students have more school spirit than any other school he has attended.

Speaking for SHS, welcome, Eugene. We're glad to have you in Sanford!

Welcome Back! To Vil Barks

Everyone was glad to see Orville Barks back at school and to know Ronnie Whitten is home from the hospital and feeling much better. We all missed Vil and were very pleased to have him back with us. Although Ronnie won't return to school for several months, he is feeling much better and can have visitors.

We all wish you a speedy recovery, Ronnie.

SURPRISE
ALTIMONT, Ill. — Otto Mall has again found a place in the sun—but he had to wreck his car to do it. Mall's sunglasses, missing for more than a year, were found under the seat of his car when he traded it in after a recent accident.

Assembly Program

By Kathy Carlos

Three weeks ago last Tuesday we had a terrific assembly program that seems to have been neglected in Smoke Signals. (We extend our most humble apologies.)

The show began with our own Johnny Cash, Henry Russell and Jerry Steakly. The two last-named fellows let go with some downright party numbers, folks. It was a pleasure just listening to them. They really got us in the mood for the following attraction, a new colossal singing group known as the "Cavaliers", consisting of Pat Donahoe, Richard Phagan, and Wally Phillips. Folks these fellows have "it". They were dressed in the coolest, catliest red and black outfits you've ever layed (or is it lain?) eyes upon! The student body went for their act in a big way, and I'm sure you would also, if you can feel the slightest beat, because these guys really get you rocking.

Their most recent performance was at the Band's rock and roll show, Nov. 7, and I just hope all of you were fortunate enough to be there. Cavaliers, we wish you the best of luck and we hope to hear from you again in the VERY NEAR future. We are just crazy over "Jegely, Digely!"

BIG DEAL
WINNETKA, Ill. — Photographer Darwin Curtis, disdaining a light meter, snapped a picture of London's Hyde Park which won him a nationwide photography contest. He won a light meter.

'College Night' Scheduled Nov. 19

BETTY LYNN SKLVIDGE

Attention, seniors! One of the most complex problems which confronts you is that of choosing the college most suited to prepare you for your future life. In order to help you solve this problem, a "College Night" is being sponsored at Edgewater High School, in Orlando on Nov. 19, at 8 p. m.

Representatives from many colleges will be present and will be prepared to answer any questions concerning college entrance requirements, scholarships, courses offered, etc.

Both parents and students alike are invited. By attending the "College Night", many will have a better understanding of college life and be able to avoid last minute planning.

Wouldn't It Be Funny!

If Judy were Blue instead of Gray?

If Sandra were McDay instead of McKnight?

Congr. Herlong Speaks At SHS

By Pam M. John

We were honored last Wednesday by a visit from Representative A. S. (Syd) Herlong from the Congress of the United States of America. It surely made us proud to have a Congressman at our school.

He talked to us about what a Congressman does and how a bill is passed through Congress to become a law of the land. I don't know about you, but I really understood all that government stuff (finally), the way he told it.

He left pictures of Washington, D. C. (two of which are hanging in Mrs. Wray's room), some pamphlets and two records for our school.

He was supposed to visit us Tuesday morning, during our regular chapel period, but words or wires got crossed somewhere, and he thought that he was due here Wednesday. The mistake really didn't bother too many people, except maybe the freshmen.

We certainly appreciated the visit and I know we all hope he comes again.

English

By Anon E. Muse

In this world the greatest blunder is English, the seventh wonder. I ponder, you ponder, we ponder. "Shouldn't we dump English under that ten ton train travelling yonder To be trampled and torn asunder?" We can all devise a hundred

If Helen were Sale instead of Price?

Question Of Week

By Shirley Jones

The question on the freshman forum this week is, "How did you feel Tuesday in assembly when Sidney called all the freshman boys on the stage? Did you think it was Rat Day?"

Judy Petty—I was really scared and from now on till Rat Day the upper-classmen are my friends—I hope!

Pat Heron—it was funny at first, but when the boys were called on the stage, I felt like crawling under the seat!

Betty Williams—I thought I heard my mama calling me!

Annette Yair—You bet I thought it was Rat Day, and I felt like a rat being chased by a cat!

Ethel Lee Riser—I had more goose pimples than I could count!

Sandra Kader—SCARED TO DEATH!

Jeanette Hardison—Scared for a while; then it was funny.

Rosemary Southward—I felt sorta like maybe I'd better go home!

Angie Stewart—I wished I had stayed home.

Judy Gray—I felt like running out the side door!

All our efforts run a-grounder! English is the greatest blunder; its absence would make my heart grow fonder!

FFA Initiation

By Burke Wynn

November FFA meeting was called to order, Thursday, the 7th, at 3:45. After the regular meeting, the Greenhand ceremonies were held to initiate the boys who

have joined the FFA this year. The boys who became Greenhands were Richard Smith, Freddie Teslo, Linden Kelly, Don Jimenez, Tommy Jacobs, William Herman, Bobby Bowen, Robert Myers, Allen Mathews, Al King, Frank Jennings, Charles Koke, James Hobby, and Curtis Lee.

IN 58 DAYS A '58 PLYMOUTH RAN 58,000 MILES—EQUAL TO

MORE THAN TWICE AROUND THE WORLD

AND IT DROVE EVERY INCH OF THE WAY!

We know this car was tough.

We designed it that way.

That's why we weren't afraid to give Plymouth the toughest, true test run of all time...with all America as the "track."

We didn't coddle this Plymouth. Didn't crate it and ship it carefully from place to place. Instead, we aimed it out of Los Angeles one misty morning and sent it through a course that ran 58,000 miles through 37 states.

The time limit? Only 58 days.

A thousand miles a day!

The equivalent of 6 years' driving crammed into little more than 8 weeks!

Three times this car crossed the Rockies. Three times it wound its way across the country... passing through more than 1200 cities and towns. Whipping over turnpikes... creeping through city traffic... arrowing down super-highways... feeling its way through rutted detours. At the end, it still looked, ran and rode like new.

This is what lasting value really means. The ability to take everything that American roads and weather can dish out—and come up grinning. Why don't you give Plymouth a test drive yourself—today? You'll see what we mean.

That's the Plymouth "track"... and just look at that route! Every possible road and weather condition. Plymouth ran every inch of that murderous route 3 times in just 58 days. What greater proof of lasting, built-in stamina!

Star of the Forward Look... **Plymouth** ahead for keeps!

TOUGHTON DRUG CO.

Conning The News

By VIRGINIA CONN, Society Editor

You may have time enough to jump in the buggy and dash to McKinley Hall before everything is gone at the W. S. C. S. bazaar still in progress at the First Methodist Church. There should be time to enjoy dessert with the Methodist ladies anyway. A nursery is open to take care of the children while you browse, should you wish to keep your arms free. Hot dogs are also available.

Marge and Bill Hill are still entertaining Marge's parents. The Hills went to Key West last week and Marge's mother came back to Sanford with her arms full of driftwood and shells. They are returning to Washington Friday.

Treta Michel did herself proud Tuesday night when she entertained her guests a delicious dinner, spiced before with glimpses of tiny Treta Trail, who is as pretty a baby as one may see. Mike was the perfect host, as always, and

DOING THE "KEE-CHEE" song in this group in the Girl Scout Basic Leadership course. The song is one traditionally sung around camp fires. Girl Scout Leadership Will Meet At Belair Friday

Due to a pressing need for additional Girl Scout leaders in Seminole County, a course in basic leadership has been in progress for the past two weeks. Thirty-two women registered with Mrs. Randall Chase for the course.

Classes have been taught by Mrs. Lew Millsaps, with the aid of Mrs. Caesar Fernandez Jr., Mrs. D. W. Linker and Mrs. James Buckler. This is the first time the course has been taught here with no professional help, although Mrs. Millsaps is more than qualified for the task.

The Civic building on East First St. has been the scene of the course. On Friday the members will gather at Bel-Air, the Chase residence, where they will be awarded their certificates and enjoy a cook-out.

Mrs. D. W. Linker and Mrs. James Buckler have recently completed a course in troop camping and have helped the new leaders considerably in planning men-

Mr. and Mrs. George Cyrus Harden Jr. announce the birth of a daughter Kimberly Conc, Friday, November 8 at the Seminole Memorial Hospital. Mrs. Harden is the former Miss Mildred Miller, daughter of Mr. and Mrs. Robert C. Miller.

Gourmet Cookpot

- INDIANA CREAM PIE**
 - 2 cups cream, thin
 - 1/4 cup brown sugar
 - 1/4 cup granulated sugar
 - 1/2 cup sifted flour
 - 1/4 teaspoon cinnamon
 - pinch of allspice
 - one 8-inch baked pie shell
 - 1. Scald cream; stir in combined sugars and flour.
 - 2. Cook in double boiler until thick; add spices; cool to room temperature.
 - 3. Pour into baked pie shell. Serve with Marshmallow Whip Topping or spread Meringue sprinkled with finely chopped nuts and bake in 325° oven for about 15 to 20 minutes.
- KENTUCKY TRANSPARENT PIE**
 - One 8-inch pastry shell (not baked)
 - 1 cup grape jelly
 - 1/2 cup butter
 - 3 eggs, well beaten
 - 1 cup sugar
 - 1. Spread jelly on bottom of pastry shell.
 - 2. Cream butter and gradually add sugar; fold in well beaten eggs and mix thoroughly.
 - 3. Spread butter mixture over jelly; bake for about 30 to 35 minutes at 375° until center of pie is almost firm.
- RHODE ISLAND CREAM PIE**
 - 1 cup sifted flour
 - 1 cup sugar
 - 1/4 teaspoon salt
 - 1 cup commercial sour cream
 - 3 eggs
 - 1/4 teaspoon cinnamon
 - 1/4 teaspoon ground cloves
 - one 9-inch baked pie shell
 - 1. Combine flour, sugar, salt in top of a double boiler; stir in sour cream; cook until thick.
 - 2. Pour mixture slowly over eggs, stirring constantly; return to saucepan and cook another 3 minutes.
 - 3. Remove from range and fold in spices and raisins. Cool. Pour into baked shell.

Top row, left to right, Mrs. Conn, Mrs. Lewis, second row, Cynthia Kenarue, Mary Ann Melinnis, Harla McNair, Janet Lewis, Melissa Drake. Bottom row, Joan Shaffer, Dixie Holmes, Kathy Todd, Mary Margaret Reynolds, Joyce Jones.

Pinecrest Brownie Troop Holds Investiture Ceremony Tuesday

In an impressive ceremony Tuesday afternoon, a group of Pinecrest School second-graders were invested into their brand new troop. The troop has not yet received a number.

Mothers of all the girls were present to see their daughters as they performed the flag ceremony and said the Brownie promise.

After the Brownies had served their mothers refreshments, the

Circle Plans Xmas Projects At Meet

Evening Circle No. 1, of the First Presbyterian Church, Mrs. Floyd G. Case, ch., met with Mrs. Gertrude Gilbert, 709 Palmetto Ave. Co-hostesses were Mrs. C. S. Lind and Mrs. W. S. Brumley. Mrs. W. J. Hartley opened the meeting with prayer, followed by the business meeting. Christmas projects were discussed.

A special request from Mrs. J. F. Nichols asked for pencils, men's suits and costume jewelry to be left in the church building for boxes to Korea. Mrs. C. M. Boyd, Bible teacher, gave an inspiring lesson for the month.

Refreshments were served to 26 members and two guests, Mrs. H. G. Lehman and Mrs. Lewis C. Merrill.

Methodist Circles

CIRCLE NO. 6
Circle 6 W.S.C.S., First Methodist Church, met at the home of Mrs. Joe Terlap, Monday, Nov. 11. There were fifteen members present. The meeting was called to order by the ch., Mrs. Albert Jarrell. Mrs. L. P. Hagan conducted the devotional and led the circle in prayer. The study book was given by the chairman, Mrs. T. F. McDaniel. This was thoroughly enjoyed by everyone. Roll call and the minutes were read by the secretary, Mrs. W. B. Moye.

The Sunshine chairman, Mrs. Herndon, reported that sunshine and birthday cards had been sent to Mrs. M. E. Moye, Mrs. David and Mrs. Lloyd. A social hour followed the meeting. Delicious refreshments were served by the hostess and co-hostess Mrs. Pearl Lynch, to Mrs. Jarrell, Mrs. T. F. McDaniel, Mrs. W. V. Bitting, Mrs. L. P. Hagan, Mrs. John Gilliam, Mrs. G. W. Bailey, Mrs. M. E. Moye, Mrs. Mabel Blount, Mrs. R. M. Mason, Mrs. Bessie Greek, Mrs. Joe Terlap, Mrs. Claude Herndon, Mrs. Pearl Lynch, Mrs. W. B. Moye and Mrs. Timmis.

WEDNESDAY
Prayer Meeting will be held at the First Baptist Church at 7:30 P. M. and at 8:15 P. M. a Sun. School cabinet meeting will be held.

Winter Festival At All Souls' Event Of Saturday

The All Souls Winter Festival is completing final arrangements for their annual festival which is put on to raise funds for the Parochial School.

The festival will open at noon Saturday and will close at 10 p. m. It will be held on the church grounds on Oak Avenue between 8th and 9th sts.

A spaghetti dinner will be available for \$1.00 for adults and 50¢ for children. There will also be a snack bar on the grounds.

Tickets are still available at the Celery City Grill, Echols Bedding or contact any member of the All Souls Catholic Church.

Reports from the various booth chairmen indicate that things are all set for a bigger and better festival. Many articles suitable for Christmas and gift giving will be on sale as well as groceries and home baked cakes, pies, candy, etc.

There is no admission and the public is cordially invited to visit this festival.

Royal Arch Widows Have Dinner With Masons Tuesday

The Royal Arch Widows and Royal Arch Masons enjoyed a supper Tuesday night at 6:30 in the Masonic dining room. Hostesses were Mrs. A. F. Ramsay, Mrs. F. Hasky Wright, and Mrs. Irving Pryor.

The tables were decorated with small shocks of fodder, small yellow squash resembling pumpkins, and candy corn. The serving table was centered with Duranta berries and Citron leaves.

While the men were in their meeting the ladies held a business and social hour. In the absence of the president, Mrs. Doris Sline, Mrs. Irving Pryor had been asked to preside. Four new members were introduced: Mrs. George Carver Jr., Mrs. Aaron Wootton, Mrs. Samuel Faron and Mrs. R. C. Hearick.

Plans were made for the next meeting on December 10th when hostesses will be Mrs. Rudy Sloan, Mrs. J. E. Blackman, and Mrs. George Carver Jr. The ladies will exchange small gifts at that meeting.

Pinecrest 4-H Club Makes Sewing Kits

The Pinecrest 4-H Club met Tuesday afternoon, with 18 members present. Pat Rabun completed her huck towel. The girls made sewing boxes for themselves. Fifteen have finished them. Two new girls were welcomed into the club.

DeBary Club Will Have Full Program

Twenty-eight new members will be welcomed Friday when the DeBary Woman's Club meets at the Civic Building at 2:00 p. m. Mrs. Harry Seller will conduct the meeting. Guest speakers are Mrs. W. L. Robertson and Mrs. George Cox of New Smyrna Beach.

The DeBary Choristers, under the direction of Ethel M. Bertsch, will sing three numbers. Each new member is presented with a pot-pourri, the "club flower." The club theme song "Violeta" will be sung by members. The song was written by Mrs. Chris Butler and Mrs. Adam Muller.

After a short business meeting, refreshments will be served. Mrs. Vivian McCalley and Mrs. Mary Chivers head the serving committee. Fouring will be Mrs. Frank Mildenberger and Mrs. Arthur Gray. Assisting will be Mrs. Helen Bruce, Mrs. Joe Callahan, Mrs. William Canaday, Mrs. Clyde Wright, Mrs. Sidney Wilkes, and Mrs. Frank Woodruff.

Corner Stone Laid At DeLeon Church

DELEON SPRINGS—The annual homecoming of the DeLeon Springs Methodist Church was held Sunday, Nov. 10. The laying of a corner stone for the new parsonage made the day especially notable.

The Rev. Robert M. Baker, former Sanford resident, is pastor of the church. Rev. C. A. Webb, former pastor, delivered the morning sermon. The Rev. Webb is at present pastor of the Orlan Vista Church. Other former pastors present were Rev. R. J. Caldwell of Tavares, Rev. C. C. Cain and Rev. Ernest Wood of DeLand.

A covered dish luncheon was served to those present. At 1:45 the cornerstone ceremony was held. Robert Strawn placed the stone, assisted by church officials. Mrs. Strawn represented his family, who have long been benefactors of the church.

The parsonage was filled with beautiful arrangements of crysanthemums and gladioli in fall shades. During the afternoon punch and cookies were served from an attractively appointed table.

Presbyterian Circles

CIRCLE NO. 3
Evening Circle No. 3, First Presbyterian Church met at the home of Mrs. Warren Adams Monday evening.

The meeting was opened with the Lord's Prayer. After the business session Mrs. W. R. Anderson presented the Bible lesson. Mrs. Sacy King gave a program on "Let's talk about" on your time, talent and money.

The pleasant task of dressing 12 dolls for the Salvation Army is being completed this week.

A social hour followed and refreshments were served to the following: Mrs. Sacy King, Mrs. Joe Garrett, Mrs. Merle Warner, Mrs. Warren Adams, Mrs. W. R. Anderson, Mrs. Bert Hollingsworth, Mrs. Leon Walker, Mrs. Barnes, Mrs. Harvey Hale.

The Sanford Herald SPORTS

Seminole Face Biggest Test Tomorrow Night

By JERRY COVINGTON
Tomorrow night is the night! The team that is able to take advantage of the breaks should come out on top. The Melbourne Bulldogs have had a very successful season to this point and if they are to upset this season San-

ford is the team to do it. Melbourne's only defeat this season was by a strong Vero Beach team and they have a 3-0 OBC record. In the conference, Sanford has defeated Apopka and Leesburg while playing Winter Park to have a 2-0-1 record. The winner

of tonight's contest will have all but wrapped things up. Melbourne goes into this tilt sporting one of the strongest lines in central Florida and if the Seminoles move the ball it will be wide or by air. They have two 220-pound tackles and a 185-pound center that have bottled up the middle completely in past contests.

BOB JOHNSON, left, star fullback and Claude Hittell, star defensive end will see action tomorrow night for the Seminoles. (Photo By Bergstrom)

Arizona State Has Total Offense, Scoring Lead

Coach Of Week

By CARTER BRADLEY
United Press Sports Writer
NORMAN, Okla. (AP) — He says "we hope we will be good enough to win, but if we play the best we can we don't mind losing."

NEW YORK (AP) — Arizona State of Tempe clung to the national college football lead in both total offense and scoring although defending champion Oklahoma was starting a 14th-season rush to retain both crowns.

Arizona State's Sun Devils, unbeaten and untied in seven games, actually increased their lead in both vital statistics during a week-end that saw them crush Texas Western 43-7.

State boosted its scoring average to 36.6 points per game, against 33.0 for second-place Army, and increased its total offense average to 437 yards per game against 421.4 per game for Army.

But Oklahoma, which won both titles for the past two seasons, made impressive strides as it trounced Missouri, 39-14. The Sooners moved up from 10th to fifth in scoring and up to ninth in total offense — perhaps still too far behind in both to catch up in the time remaining.

However, the Sooners racked up 424 yards rushing against Missouri to drive from seventh to third in rushing yardage, another department they have led for two straight years. Mississippi retains the lead in rushing with 327.8 yards per game to 320.3 for Army and 300.1 for Oklahoma.

Utah, with ace Lee Grotscup doing most of the pitching, now has virtually wrapped up the national title in passing. The Redskins gained 318 yards through the air against Army last Saturday to boost their average to 201.4 yards per game to 174.0 for second-place Holy Cross.

The clash between air-minded Utah and rushing-conscious Army, which was won by Army, 39-33, produced the second wildest ground-gaining game of the year. Together the two teams piled up 840 yards, a sum topped only by the 921 compiled by Colorado's and Kansas St. Oct. 19. Utah's 33 points was the second best losing total of the year, topped by Colorado's 34 against Kansas' 33 on Oct. 3.

Sports Parade

By OSCAR FRLEY
United Press Sports Writer

NEW YORK (AP) — Frley's Felines and the weekend football "winners" — while all about us because this is the 12th.

Game of the Week
Oklahoma over Notre Dame — The Sooners have had a couple of close scrapes but possibly because they were looking ahead to the Irish. This is a battling Notre Dame team and yet Oklahoma would seem to have the horses.

The East
Army over Tulane — Sure I'm superstitious.
Navy over George Washington — Run from Mack cats.
Penn over Columbia — Don't walk under ladders.
Princeton over Yale — And how come these smart colleges all have mascots?

Also: Dartmouth over Cornell. Harvard over Brown, Penn State over Holy Cross, Syracuse over Colgate and Boston College over Marquette.

The Midwest
Michigan over Indiana — Ben Johnson wasn't on my team.
Michigan State over Indiana — He had a line for us guys.
Ohio State over Iowa — "It's better to be dumb than superstitious."
Purdue over Northwestern — So I win a doubleheader.

Also: Wisconsin over Illinois, Dayton over Miami, Iowa State over South Dakota, Missouri over Kansas State and Colorado over Nebraska.

The South
Georgia Tech over Alabama — Edmund Burke spoke bravely.
Auburn over Georgia — No rabbit feet for him.
Duke over Clemson — "Superstition is the religion of feeble minds."
Tennessee over Mississippi — My straightjacket fits well.

Also: Florida over Vanderbilt, West Virginia over Wake Forest, Kentucky over Xavier, Mississippi

Rountree, Parrish Top Statistics Column For Uoff

GAINESVILLE, Fla. (AP) — Jimmy Rountree and Bernie Parrish, Florida's two first-string halfbacks, are back where they belong at the top of the statistics column for the Gator backfield.

Rountree, from Miami, was hobbled with an ankle injury for more than a week. But he picked up 73 yards to 10 carries against Georgia Saturday to take over as leading ground gainer on the team with an average of 4.9 yards per try for 54 times he has carried the ball this year. Florida beat Georgia, 23-0.

Parrish, who doubles as the main extra point kicker, took the lead in scoring with 28 points for the season. He caught a touchdown pass Saturday and kicked two extra points.

Rountree has scored 24 points for the season, all by touchdowns, while Parrish has scored three touchdowns and converted for 10 points.

Quarterback Jimmy Dunn held on to his lead for yardage and scoring among the Gator passers, but he was being given a run for his money by Mickey Eilenburg. Dunn has thrown two scoring passes and has passed for 168 yards in all. He has completed 11 out of 25 for a 44 per cent average. Eilenburg, however, while only attempting 22 passes, has completed 13 for a 59 per cent average and a total gain of 140 yards.

WINNERS BY GEORGE PAWTUCKET, R. I. (AP) — George Gibb was aboard three winners at Narragansett Tuesday, including Rockie Creek, which won the featured allowance.

State over LSU, North Carolina over WFL, South Carolina over Virginia and Miami over Maryland. The Southwest
Texas Aggies over Rice — See a job and pick it up.
Arkansas over ISU — All the

F. J. Mayette Dies Last Night

Frank J. Mayette, 71, died suddenly at 8 p. m. last night at his home at 120 West 52nd St.

He was born March 23, 1866 in Ontario, N. Y. He had lived in Sanford for 12 years coming here from Watertown, N. Y. and was a retired carpenter.

Mr. Mayette was a member of Post 128 American Legion of Watertown, N. Y.

Survivors include his widow Mrs. Mattie K. Mayette of Sanford; one daughter, Mrs. Mary Wager, Alton, N. Y.; nine grandchildren; nine great grandchildren; several cousins, nieces and nephews.

Funeral services will be held at 2:30 p. m. Sunday at Erlson Funeral Home with the Rev. H. F. Bowers officiating.

Burial will be in Evergreen Cemetery.

Junior Class Play Next Monday, Tuesday

The Junior Class of Seminole High School will present their class play next Monday and Tuesday nights in the school auditorium.

The play is under the direction of Mrs. Boyd Coleman and features a cast of 17.

"The Birds and the Bees" is by William Devotion.

A brief synopsis of the play reveals the cast:

Adam Harris (Gerald Jones), the devoted and at times unappreciated husband of Cricket (Erica Krastert); Cricket, whose marriage has brought from the Southwest to a model home in a small Midwestern City; Tex (Gregory Walker), the mayor of Youthville, who arrived there from Texas by way of East Esterville, Iowa and who hopes to take Debbie (Jane Williams) to his second dance; Eyes (Tommy Tille), from Brooklyn, who proudly boasts of the Dodgers' ability to steal bases; Debbie, whose faith in Tex is rewarded; Beanie (Helen Price) her little sister and by no means a mean ball player; Mrs. Barker (Diana Maye), their mother, who sees "an evil influence over every lamp post"; Mrs. Kluckstein (Edith Dodson), a chair-bound invalid for whom a telescope is a substitute for legs; Mibe (Jerry Cook) and Hank (Frankie Jimmenes), classmates of Debbie and members of the girls' quartette; Sassy (Richard Powell), formerly

There will be homemade baked goods, hotdogs, doughnuts, popcorn, peanuts, coffee and cold drinks. The money raised will be added to the funds for the recreation court.

Friday, Saturday, Monday November 15, 16, 18

The Friday night game is being sponsored by the Kwanza Club for the Underprivileged Children. Mrs. John Schirard Jr., president of the Seminole High School P-TA, urges parents and children to support both good causes.

Dartmouth College played its 77th season of intercollegiate football in 1937.

Stevenson To Be Arms-Length Participant At NATO Session

WASHINGTON (AP)—It was the old maestro, Franklin D. Roosevelt, back there in the year of the third term ruckus and fear of war, who revealed an old saying to make a read like this:

"If you can't lick 'em, get 'em to join you."

So President Eisenhower has invited Adlai E. Stevenson to become an arm's-length participant in next month's consideration in

Paris of the North Atlantic Treaty Organization NATO.

Stevenson knows his way around the world and possesses political prestige, perhaps enough to blunt some of the Democratic criticism of administration foreign policy and national defense achievement.

All is not well with the administration on those fronts.

FDR was a master hand at getting the enemy to join up with

him. It was in June of 1949 that he shell-shocked the Republican Party by announcing two new members of his cabinet: the late Henry L. Stimson is secretary of war and the late Frank Knox to be secretary of Navy.

Served Taft and Hoover.

Stimson had held cabinet office under Presidents Taft and Hoover.

Knox was the Republican vice president nominee in 1936. The 1949

Republican National Convention was meeting in Philadelphia on the bright summer day that the Stimson-Knox appointments were announced.

The announcement jarred the assembled Republicans, none more so than AH H. Love, the party's 1948 presidential nominee.

London thought he had an agreement with Knox that neither would enter FDR's cabinet. The offer had been made to them and

had been rejected some months earlier. Your correspondent caught London with the news by means of a telephone call which interrupted his lunch in the cafe shop of a downtown Philadelphia hotel.

The man from Kansas was still standing there by the cashier's desk, a far away look in his eyes when your correspondent arrived from across town to discuss the

Knox appointment further.

FDR also kidnapped the late Wendell L. Willkie whom the Republicans nominated for president in that third term year. Willkie was painfully inducted into the Roosevelt team in 1943 almost before he knew it. FDR later biographers claim the old master had political plans for his new boy, but nothing came of that.

Roosevelt's use of big-time Re-

publicans was so notable, however, for the man he ignored as for those he chose. Former President Hoover never was given an opportunity by Roosevelt to participate in the war effort, despite some obvious qualifications. It remained for President Truman soon after Roosevelt's death to summon a living former president back to public life.

And when Roosevelt de-

was shopping around during World War II for administrative talent he somehow overlooked James A. Farley, the man who brought off the first Roosevelt nomination in 1928. Farley had what it took to run a big war agency but never got the call. Back there in 1949 Farley made a rocky decision. It was to oppose a third term. FDR always was a better hater than

Khrushchev: 'Soviets Will Never Start War'

By HENRY SHAPIRO
United Press Staff Correspondent

MOSCOW (UP)—Nikita Khrushchev today claimed that the Soviet Union has won absolute world rocket and missile superiority but he said the Soviets "will never start a war."

to "dispose of bases in Europe, Asia and Africa."

6. If the Americans doubt Soviet claims in rocketry, "let's have a peaceful rocket contest just like a rifle shooting match and they'll see for themselves."

7. A third world war would not necessarily mean the end of mankind but that it would mean the death of capitalism and the triumph of communism.

8. The emergence of another

Stalin and the development of a new cult of personality in the Soviet Union is now impossible. Former Soviet Defense Minister the president and the central George Zhurkov was removed by (Continued on Page 8)

Pilot Club Official Addresses Local Group Last Night

Mrs. Eileen Rosensthal, 1st Lieutenant Governor of District Four, Pilot International, of Ft. Lauderdale, speaking before members of the local club at a meeting last night, noted that there are now 400 clubs in Pilot International with some 12,000 members in clubs in the United States, Canada, Japan, England, Bermuda, Hawaii and France.

The meeting presided over by Mrs. D. K. McNab, president, was held at the home of Mrs. V. C. Messenger on Elliott Ave., following a buffet supper honoring the lieutenant governor which was held at the home of Mrs. George A. Stine.

Mrs. Rosensthal stated that there are 1200 members in the 40 clubs in Florida which comprise District Four. There are 280 clubs in the U. S., 15 in Canada, four in England, one each in Bermuda, Honolulu, Japan and France. These members include business and professional women holding executive positions in their fields of endeavor.

Declaring that the Pilot theme of "Friendship and Service" is the furtherance of the principles for which Pilot stands, Mrs. Rosensthal admonished these present to always strive to promote that theme in their daily contacts.

A charter member of the Ft. Lauderdale Pilot Club, Mrs. Rosensthal is very active in all civic affairs in her community and serves as chairman of the Park and Recreation Board of Lauderdale-by-the-Sea where she and her husband operate an apartment house. She has held all of the offices of the Pilot Club and is immediate past president of her club. (Continued on Page 8)

CONTRACT IS SIGNED for the Brahman Bowl game! Seminole High School Principal Andrew J. Bracken signs the contract for the Brahman Bowl Game while members of the commission look on. (Left to right) C. Montie Bush, chairman of the commission, Mel Willis and Joel Moore, members, and Fred Ganas, Seminole High School Athletic Director are all in good spirits at the signing. (Photo by Bergstrom)

Seminole 11 To Play In Brahman Bowl Game

Seminole High School will meet Bishop Moore in the third annual Brahman Bowl on Dec. 7 in Orlando, according to an announcement made yesterday afternoon in Sanford by C. Montie Bush, chairman of the Brahman Bowl Commission.

Contracts for the post season game were signed yesterday with the Seminole High School contract signed by Principal Andrew J.

Bracken in Sanford. An announcement over the school's public address system, made shortly before 3 o'clock when the contract was completed, drew roof-ringing applause from throughout the school building.

The Brahman Bowl Commission in Sanford to sign the contract, and to make the announcement of the selection said "We feel that the teams are pretty evenly matched

which should provide an exciting game."

Seminole High School is undefeated this season with one game (6-0) with Winter Park. Bishop Moore has lost only one game during the season and that one to Mount Dora.

Immediately after the signing of the contract Athletic Director Fred Ganas and Coach Jim Pigott said the coaches and all officials are delighted to be selected to play in the Brahman Bowl."

The third annual football classic will be played in the Brahman Bowl on Dec. 7 at 3 p. m., sponsored by the Grand Gratio of Orlando. Proceeds from the game are contributed to the Grotto's humanitarian projects which are principally crippled children in Florida.

Sanford was the first team to be selected for the annual football classic.

Bush, chairman of the commission making the selection, said that the Seminole High School Band will participate in half-time and pre-game activities. Tickets may be purchased in Sanford from any member of the local high school band.

In Sanford to sign the contract with Seminole High School were Bush, Mel Willis and Joel Moore. Other members of the commission are: Harold Bremer, John G. Cooks, James E. Sims and Robert Shugart.

4-H Dairy Show Will Be Held Here Saturday

The first Seminole County 4-H Dairy Show will be held tomorrow morning at the Sanford Farmers' Auction Market.

Seminole County Agricultural Agent Cecil Tucker II said entries would be received for the show between 8:30 and 9 a. m.

Animals will be tied up, settled down, brushed and cleaned up in readiness for the show which gets underway at 10 o'clock.

C. W. Reaves, Extension Dairy Specialist of Gainesville will be the Judge, Tucker said.

Four-H Club members who have dairy projects and will probably enter animals in the show include: Dave Thomas, Ovidio; Jimmy Wiederhold, Lake Mary; Barney Johns, Sanford; Jerry Arndt, Ovidio; Vinson Hoke, Matiland; Owen Cammack, Geneva; Tommy Wiederhold, Lake Mary; Leon Jones, Sanford; and Jerry Oakley, Orlando.

Each 4-H Club member entering an animal in the show will bring with him the complete records kept. This would include all feed, medicine, hay, brushes, halters and other equipment and supplies purchased.

Tucker told prospective entrants in the show that their record books would be "the most important single part of the story."

Reaves will arrive in Sanford this afternoon to visit with dairy-men of Seminole County.

Problems In Near East To Be Rotary Speaker's Subject

"Some Of The Problems In The Near East" will be the subject of a talk by J. Thomas Gurney, prominent Orlando attorney, before the Sanford Rotary Club at its weekly meeting Monday noon at the Yacht Club.

Gurney, former member of the State Board of Control and its chairman for a period of four years, visited many countries in that section of the world last summer and, according to Robert Lamont, program chairman for the day, had some interesting and, at times, exciting experiences. His talk, Lamont said, will be factual and will be based on what Gurney saw and heard there.

Osceola Strip Not Under Consideration

The Board of Sanford City Commissioners pointed out last night that the mention of the Osceola Air Strip as a possible local airport at a recent meeting of the board was merely "the commission looking into the possibilities of an airport location."

"There was no move on the part of the Board of Sanford City Commissioners to obtain the Osceola strip without first consulting the Navy," a spokesman for the group said.

Possible locations of an airport in various sections of the county are being studied relative to a local airport and the "mere possibilities" came up in informal discussions relative to a location when the Osceola strip was mentioned.

"We have no intentions of carrying the matter any further without first contacting the proper local Navy authorities to determine the feasibility of such a location or any other location that might be selected," the spokesman said.

City Manager Warren E. Knowles said yesterday that the Osceola air strip "is out of our plans since there is a remote possibility that it might be in conflict with future Navy plans. We haven't contacted Naval authorities and intend to take no action at all until we do talk with Navy officials," he said.

Milk Board Issues Subpoenas

SANFORD (AP)—The Florida Milk Commission has served notice it will try to knock down the price of milk by three cents a quart by breaking up "under the table rebates" between distributors and super-markets.

Commission Chairman J. Bralley Odham charged Thursday that the illegal rebates amount to from eight to 12 million dollars a year in "hidden costs" which the public is required to pay when it buys a bottle of milk.

He said he has issued subpoenas to 28 distributors and supermarket executives to appear at the Nov. 19-20 public hearing in Tallahassee. Odham said it is a common practice for distributors to give big discounts to major milk buyers for quantity purchases.

The long-time foe of milk price controls pointed out that the minimum wholesale price for milk is 25 cents per quart. But he said "the chain store boys" know the distributors tell us "distributors" for 20 per cent less so they work out deals to get their milk at a discount.

Odham said if the commission can "smoke out" and halt the practice, it possibly could save the inflation-harried housewife three cents or more a quart.

"Our goal," he said, "is to overhaul the retail pricing system and eliminate discounts and rebates by establishing a lower, more realistic minimum price."

Among those subpoenaed were A. D. Davis of Winn-Dixie; Abe Maloff and Sam Friedland of Food Fair; A. C. Kirk of Big Anolis super-markets; Charles Jenkins of Public Super-Markets; Richard Lawrence, Ben Setzer, Alton L. Bagley and H. B. Pownall of Veda Ice Cream; W. J. Barrett of Borden's Dairy; and Wellington Paul and Claude Kelly of Forest Dairies.

Objectives Sought In Band Education At High School

(In recognition of National Education Week)

Why do we have band in the curriculum of our schools? Some may think that the primary reason is to entertain the public and for self enjoyment to the band members. These are but two of the many reasons for instrumental study, said Bandmaster Ernest Cowley today.

It is the belief of bandmaster Cowley that a member of the Seminole High School Band through his constant striving for a fine performance, develops a keen sense of values. He should gain a broader concept of living, and this is motivated throughout life by a desire to do good things.

"In life, when we stumble we must go on, else we are left behind," he said. So it is in band. Different from many other sub-

October Sales Tax Collections Grow

Sales tax collection in Seminole County for October, 1957 (based on September sales) increased nearly 80 per cent over the same month a year ago.

According to Ray E. Green, State Comptroller, the collections for October 1957 are \$38,761.49 as compared with \$24,494.97 for October 1956.

However, the sales tax collections dropped off slightly for October as compared with September collections. October collections were \$354.30 less than the September collections.

The Seminole County collections were greater percentagewise than the balance of the state. Increase in Florida, according to the State Comptroller's report, is 46.9 per cent.

However, the same percentage of decrease was prevalent over the entire state compared with last months collections.

According to Green's report, October sales tax collections, based on September sales, totaled \$10,175,253, an increase of \$3,360,529, or 48.9 per cent, over the \$6,925,684 collected for the same month last year, and a decrease of \$23,118 under the \$10,448,371 collected the previous month this year.

The decrease is normal due to a drop in tourism during September, the month in which school opens, Green said.

A similar decrease is reported in gas tax collections.

THIS IS THE PARADE ROUTE! Chairman Bob Cushing (right) of the Jaycee Parade Route Committee points to the proposed parade route for the gigantic Jaycee-Merchants Association Parade Dec. 1, Chief Roy G. Williams of the Sanford Police Department and Sheriff J. L. Hobby help Cushing arrange the line of march for the coming event. (Photo by Bergstrom)

Nov. 20 Float Entry Deadline

Plans for the 1957 Jaycee-Merchants Association Christmas Parade are progressing satisfactorily. John Alexander, general chairman for the event said this morning.

Already many organizations are planning their floats and some have started construction. However, Nov. 20 is the deadline for receiving entries in the gigantic parade that will be longer than ever before, said Alexander.

Getting together yesterday to plan the parade route were Sheriff J. L. Hobby and Sanford Police Chief Roy G. Williams. They conferred with parade route Chairman Bob Cushing and the expected line of march is expected to be announced in the immediate future.

Theme of this year's Christmas Parade is "Christmas Seen Through the eyes of Children." Alexander announced earlier and

from the plans for many of the floats it will be one of the most exciting shows we've seen in Sanford in a long time, he said.

"It is our hope that this year's event, when Santa Claus pays a brief visit to the children of Seminole County and the Seminole County area, will be bigger and better than ever before," Alexander said this morning.

As has been our custom, bands will form an important part of our Jaycee-Merchants Association parade and already we have ten bands that will be seen and heard in the more-than-a-mile-long gigantic Christmas show, Alexander said. We have been told that the bands are more colorful, the majorettes have learned new steps and dances, and the band members will add that special thrill

folks always listen for near Christmas time.

"We haven't heard from Santa Claus yet," said Alexander. "So we don't know just what method of transportation he will use this year to make his trip to Sanford for the brief visit." However, we know that plans are made to cooperate with the jolly old gentleman and he will be received in style.

Schools will be dismissed on time for every boy and girl to see the parade and to allow time for those who are participating to get ready. "The schools are really cooperating nicely," Alexander said, "so we know all of the boys and girls here will be lined up along the street and side-walk to get a glimpse of every band, float and most of all—Santa Claus."

5 County Mayors Support Bond Issue

The Mayors of Seminole County unanimously supported the \$25 million school construction bond issue in a resolution signed today. Five mayors, David Gatson of Sanford, M. L. Gary of Ovidio, Don Willison of Casselberry, O. R. Elgin of Longwood, and Lawrence Swift of Altamonte Springs, signed a joint resolution calling on the people of their communities through Seminole County to support and vote for the bond issue next Tuesday.

The resolution came as a surprise move on the part of the mayors of the county to create additional support for the "much needed bond issue to bring Seminole County schools up to par with the state and nation."

Each mayor has issued a personal appeal to citizens throughout the county and to citizens within their respective communities to visit the polls Tuesday, Nov. 19 and cast a ballot in favor of the bond issue.

"Each one of our communities will benefit individually and Seminole County will benefit as a whole from the school construction proposed from funds derived from the bond issue," the Mayor pointed out in the resolution.

"It is necessary that we provide the facilities necessary to educate the children of the county and to give them every advantage children in other communities are provided," the five mayors pointed out.
