due to excess acidity in the urine, be glad you're reading this:

Three generations ago Dr. Kilmer, a famous doctor, found hundreds of his patients with this trouble. Painstakingly he made a medicine of 16 herbs, roots, vegetables, balsams—Nature's own way to relief. He called it "Swamp-Root" and millions of grateful men and women have taken it—often with amazing results.

Swamp-Root goes right to work to flush out kidneys...increases the flow of prine, helping to relieve excess acidity... the irritated bladder gets a good flushing out, too. Many report getting a good night's sleep after the first few doses Caution; take as directed.

### A CHURCH THAT EXCELLS

A canvass of churches in America shows; Ten percent cannot be found

Twenty percent never pray. Twenty-five percent never read the Bible Thirty percent never attend church services. Forty percent never give to any cause.

Fifty percent never go to Sunday School. Sixty percent never go to church on Sunday night. Seventy percent never give to Missions. Seventy-five percent never engage in any church

Eighty percent never attend prayer meeting. Ninety percent never won a soul to Jesus Christ. The above is alarming but we are glad that

Each member listed exists. Each member is known personally to the pastor.. Ninety percent are regular prayers. The youngest member is twelve years of age-the

led upon will fall to knees and lead in prayer. Every member reads the Bible. Every member attends church services (90 percent regularly).
