Jax the manatee dies at SeaWorld

Jax, the 7-foot, 655-pound manatee found injured in Monroe Harbour Marina, died Wednesday.

Officials at SeaWorld Orlando said the manatee was euthanized after it failed to respond to treatment for a severe laceration, mostly likely the result of being struck by the hull of a boat. Veterinarians had been tubefeeding the manatee and administering antibiotics. On Tuesday Jax's condition began to rapidly deteriorate and the decision was made to euthanize the manatee.

This was the second time Jax had been rescued. In April 1998, SeaWorld's manatee rescue team nursed Jax back to health when he was found emaciated near Jacksonville.

Deputies find missing infant

The Seminole County Sheriff's Office recovered Tuesday night a six-monthold child who had been the subject of a parental abduction Tuesday, which occurred Monday near Altamonte

The Seminole County Sheriff's Office was searching for the child, as well as two suspects, Shantee Koger, 18, who is the child's mother, and Eliezer "Elijah" Robles, 18, who is Koger's boyfriend but not the child's father.

Koger reportedly abducted her daughter, who was in the legal custody of a relative. Koger was visiting the residence where the child was staying, when she allegedly took the child.

Robles and Koger have been arrested and are accused of interference with child custody and concealing a child contrary to an order of the court. Koger has also been charged with delinquency of a minor.

Vacation Express lands at Sanford airport

By Dan Ping Editor

SANFORD — "We're back!" Those two words, spoken by Pace Airlines CEO Darrell Richardson, were music to the ears of Orlando Sanford International Airport (OSIA) officials.

The North Carolina-based airline operates 737-300 lets for Vacation Express, one of the nation's largest tour operators which announced in January it would moved its hub operations to Sanford from Atlanta.

Friday marked the beginning of a 7-year contract between

Vacation Express and OSIA. To celebrate, local dignitaries welcomed airline officials during a ceremony in the international terminal.

This is a tremendous boost to the airport," said Larry Dale, president and CEO of the Sanford Airport Authority. "We expect Vacation Express to bring in 250,000 to 300,000 people a year to Sanford."

Vacation Express will use OSIA as its hub, linking seven of its major gateway cities to Aruba, Cancun (gateway to Cozumel and the Riviera Maya), Costa Rica, and Puerto Plata and Punta Cana in the

Dominican Passengers originating in central Florida can access non-stop service to tropical destinations plus domestic service to all hub feeder cities. For the 2004 season, the cities in the hub program are: Atlanta, Baltimore, Cincinnati. Charlotte, Louisville, and Nashville.

The move to Sanford is actually a return for the Atlantabased Vacation Express. The company operated its hub out of OSIA from December 2001 to January 2003 before switching its hub to Atlanta. During that

City eyes smoking ban at parks

By Christopher Patton Managing Editor

LONGWOOD — A debate to ban smoking from public parks in Longwood fumed Tuesday night as city leaders debated the merits of another. Central Florida city's action that recently outlawed the habit in its recreational areas.

Port Orange last month made it illegal to smoke in city parks when children are present during youth activities. Longwood commissioners considered going one-step further as to ban all smoking in public parks, but two com-missioners that occasionally light up a cigarette lobbied for a less stringent prohibition.

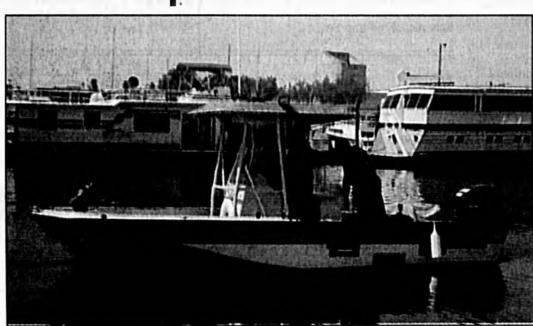

"I'd be scared to death to accidentally have a cigarette in my mouth under all these rules," said Commissioner Mike Holt as he looked over the Port Orange ordinance.

"How far are we going with it," he added. "I agree with I don't want to sit next to someone smoking a cigarette in a bleacher full of children, but I just understand when someone wants a cigarette there should an area designated to do that. If you don't want to breathe it don't go over there.

Butch Bundy agreed with Holt, "If you don't have at least a designated area where smokers can go parents may be reluctant to take their kids

Lynx adds 7th bus line in Seminole

By Christopher Patton Managing Editor

SANFORD - It took nine years for a bus line to be added to Seminole County's five existing routes, but already in 2004 Lynx has unveiled two new lines, including one last week at the Sanford airport.

"Having two new routes is a big deal," said Brian Martin, Lynx media relations manager, about the airport and Lake Mary bus lines.

Similar to the Lake Mary Boulevard route that was started at the beginning of the year, the new airport bus line is expected to increase the ability for potential employees to travel to an expanding business area of the county. Choral group to inspire grand opening crowds

From Staff Reports

SANFORD — Community residents are joining together with one voice to help celebrate the grand opening of the Sanford RiverWalk.

The RiverWalk Community Choir is the combined effort of

singers from churches and musical groups throughout the city. They will perform at

"Gather at The RiverWalk," a Sunday sunrise service capping the three-day celebration on the shores Lake Monroe in downtown Sanford.

The event will begin at 6:30 a.m. on Sunday, May 9 (Mother's Day) at Memorial Park. The choir will perform a mixture of patriotic songs, hymns and traditional/contemporary gospel music, and there will be a special tribute to mothers.

Rehearsals for the choir began last week, but it's not too late for people to join. The next rehearsal is 6 p.m. Tuesday, April 27, at Sanford's First

Baptist Church. Already, choir members from 10 churches

ty groups have attended practices, and last week five choir directors were on hand to help the group tune up for the performance.

Those interested in singing in the choir don't have to be in a choir already. Of course, if

SEMINOLE SUMMARY

A GLANCE AROUND OUR COUNTY

Crazy for parking: For those readers who still doubt whether I have lost my mind, I'm about to give you the ammunition you need to declare your favorite Clock Keeper certifiable: The city of Sanford should begin charging for parking downtown.

Yep, you read that right. The city should Install parking meters and "park in a box" features at selected lots in downtown.

City officials believed they had a comprehensive plan for downtown parking. When James McCuen ordered a towing company to remove cars from his Wachovia Bank building property two weeks ago, it became clear there were some holes in the plan. Though the city had printed brochures and signs indicating that McCuen's two lots were available for public

******************* **Around the Clock**

by Dan Ping

parking, no one had bothered to get McCuen's signature on a contract agreeing to the deal. (By the way, those signs are still up and the brochures are still in City Hall.)

Word from the McCuen camp is he is amicable to the city using his lots if they will assume liability for accidents, all the city has to do is ask. I don't know if City Manager

Al Grieshaber has made that request to Mr. McCuen, but I could understand why the city would be hesitant to agree. They would assume all the liability risk with little to no monetary reward.

What if, however, the city agreed to assume liability and leased the parking lots from McCuen? To cover the costs of some additional insurance and to pay for the lease, the city would then charge to park in those lots. If you had 70 parking spots that generated \$4 per day, that's a little more than \$100,000 per year.

But why stop there? The city owns a lot at the corner of Park Avenue and 1st Street. Charge for parking. Put meters up and down 1st Street and start charging there, too. (If you're tearing up 1st Street for renovations, there would be no problem to add a few parking meters.) What about that big city-owned parking lot to the east of the Seminole County Courthouse? Bingo, charge to park. At \$4 per day per spot, the city could easily approach \$300,000 or \$400,000 in revenue per year, more than enough to bond money to pay for the fancy parking garage Bill Kirchhoff has been trying to convince the city to build.

Who'll monitor the parking meters and lots?

How about the parking lot attendant the city is going to use to enforce the new parking rules at City Hall? Even if you checked the City Hall lot every hour, you still have 55 minutes of thumb twiddling left.

Downtown private property is appreciating in value. In my opinion, the city's parking spaces are undervalued. City officials need to start considering the city's parking spaces as an asset, just like they do the RiverWalk. It's an asset because convenient parking is necessary if downtown is to flourish. (By convenient I don't mean everyone will be able to park in front of the Colonial Room.) The city's parking spaces are also an asset because it could generate revenue that could be used to create a long-range parking plan, be it a garage or some other option.

Who'll pay for parking? Ask Jeno Paulucci, Sanford's only billionaire. As with most things business oriented, Jeno has set the trend for paid parking downtown. The lot on the corner of Commercial Street and Park Avenue (directly behind the State's Attorney's office) belongs to Jeno and he charges a monthly fee to park He's been doing it for years.

If you think I'm crazy to suggest paid parking downtown, then you've got to put Jeno in that same boat. I could live with that, though Ieno might have second thoughts about sharing an idea with a dim-witted editor.

Odor relief?: With the RiverWalk open for business, the smell wafting over from the water treatment facility is becoming a nuisance. Help is on the way, however.

The City Commission will consider Monday night a contract with CPH Engineers to design "odor control facilities and biosolids management system improvements." It all has to do with "microbial oranisims" in the "digested aludge" and something about "aerobic digesters." I'm not sure what it all means, and I don't care. Just make it smell better.

Bad drivers: The city commission will also consider a recommendation to terminate the garbage collection contract with Florida Recycling Services Inc. (FRS) if the company does not supply the city with a certificate of

Might I suggest the city take it a step further and revoke the contract if FRS continues to hire drivers who drive like madmen? Twice last week I was run off the road by FRS trucks. In both cases, the drivers ignored stop signs and blew through the intersection. Keep it up FRS, and my heirs will have a nice monetary reward courtesy of your insurance company, that is if

you already sing in a choir, you're encouraged to bring your entire group to participate in this community event. People of all ages are welcome to join.

In addition, pastors of local churches are encouraged to bring their church families to the event. Organizers of the event said the service will conclude by 7:45 a.m. so that everyone can attend their normal worship services.

The sunrise service will be part of the RiverWalk grand opening weekend May 7 - 9. It will be a busy weekend in the city with live music, entertainers, fine food, carriage rides and artists at work on Saturday, May 8.

A special salute to veterans will be held Friday, May 7, at Memorial Park, All local residents are invited to the ceremony, and if you know of a soldier or veteran who should be honored in the ceremony, e-mail info@adeomediagroup.com, or call 407-688-8788.

The Sanford RiverWalk is 12foot-wide pedestrian pathway stretching 1.2 miles from Mellonville Avenue on the east to French Avenue (U.S. Highway 17-92) on the west.

time, nearly 350,000 Vacation Express passengers traveled through OSIA, accounting for 26.4 percent of the airports' total domestic and international passengers.

Atlanta's Hartsfield-Jackson airport is the busiest passenger airport in the world, and some Sanford officials predicted the company might return OSIA.

"The reason they're leaving is because the airline and the tour operator believe they can generate more traffic from Atlanta than they can from Orlando," Larry Gouldthorpe said at the time. Gouldthorpe is the president of TBI Airport Management Inc., which manages the domestic and international terminal in partnership with the Sanford Airport Authority. "Do we agree with that? No. It will be more costly for them to operate from Atlanta, and there are, of course, the hidden costs like flight delays."

Cary Evans, executive vice president of FlightServ, which owns and operates the Vacation Express, agreed v Gouldthorpe's assessment.

"They say the best thing about Atlanta is seeing it in your rearview mirror," Evans said. "The delays and obstacles we encountered in Atlanta don't exist (in Sanford)."

"In addition, Orlando Sanford International Airport provides us with service to the No. 1 family vacation destination," Evans added. "And it's more convenient to Daytona Beach — the world's most famous beach - than the Orlando airport."

Evans said the airline expects to add six additional domestic destinations in the next year.

"This is the building block for the airport's domestic growth," Gouldthorpe said. This will not escape the notice of other airlines looking to serve Central Florida. There is no longer a question of whether Sanford will be an alternative to using the Orlando airport. We are a viable alternative and the industry is recognizing that."

Vacation Express and west coast sister company SunTrips are both wholly owned subsidiaries of FlightServ (a division of RCG Companies Inc. Vacation Express has been a leading tour operator from the Southeast and Mid-Atlantic region of the country for 15 years.

there."

Mayor Dan Anderson said setting up a permitted smoking area with possibly a bench and ashtray in the city's larger parks such as Candyland and Reiter could work, but it probably wouldn't be feasible in the smaller recreational areas. Commissioners rejected the idea of establishing the parking lots as the designated smoking area, Commissioner Brian Sackett said he entirely disagreed with the idea of areas set aside for smokers.

"There is no smoking at high schools and there are no designated areas, and parents show up in groves there," he said. "They know the rules."

OPINION

Writing for publicity

In the newspaper business, we puter with access to the Internet. receive many letters, e-mails and fax communications requesting help in promoting a particular event, or announcing a specific activity, including a possible upcoming sporting event. When it affects the local area, we are pleased to cooperate and present the material in an appropriate venue.

For many organizations, the communications are written by persons charged with publicity or the person coordinating a particular event. The problem in many of these communications however, is the lack of sufficient information or misspelled words or sentences that confuse everyone, such as one I recall that said "The event is free of charge. Admission is \$10."

Pfeifauf The basic ingredients in promoting an event include • what, when, where, why, and often, how. You would be surprised to find out how many of these fail to include all the information. In many cases, the letters will omit one or more of these items, and we end up having to make phone calls - generally to people who "are unable to come to the phone right now, please leave a mes-

While this is probably my responsibility, to find out all of the details, the problem extends to other areas of concern as well. Brochures promoting particular events are often printed up and plastered all over town. They may also fail to add all of the ingredients. One in particular comes to mind. While it announces a fund-raising event, gives the time, date and explains how the profits will be used, it fails to say where it will be held other than naming the sponsoring organization. The people who made this brochure (and probably paid much for it), apparently believe everyone knows where it will be held. I don't, and probably many others don't as well, especially those who may not be familiar with this area.

Billboards often have messages which make me squirm. Along Interstate 95, there are several large billboards advertising a particular men's club. In large letters, possibly three feet tall, it advertises a "Gentlmen's Club." Surely someone goofed, and no one caught the error. It makes the club appear as though it is not attuned to much culture or is operated by persons who are under-educated. Even so, you'd have thought the billboard people would have noticed the error.

The inclusion of telephone numbers is always essential. (This is probably classed under the "who" category.) In recent cases, people have suggested only an e-mail address for further information, apparently assuming that

Another bone of contention is the use of acronyms in press releases. For example, "the XYZ Club will meet (etc.)" Perhaps the people who are already members of the club know what XYZ stands for, but the rest of us don't. If they want to attract new members, or at least explain the purpose of

the organization, one would think they would explain the acronym. The proper usage is to explain an acronym, at least when it is first used. From that point it can be used again without an explanation. I had one case late last year when this took place in a press release. Would you believe, when I called to find out what the acronym stood for, I was told it was a secret society and only members knew the meaning of it. Were they so secretive no one was

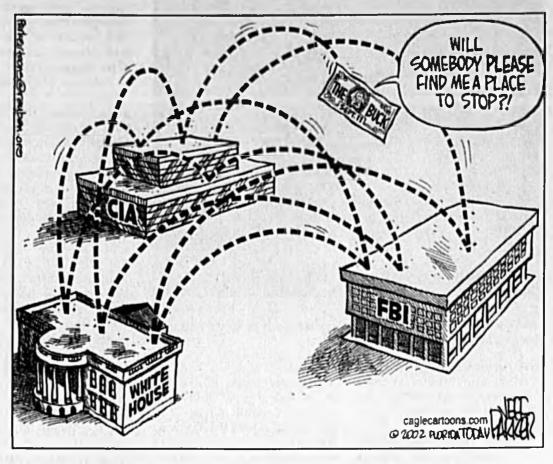

bother with a press release? Businesses often send us press releases they hope we will publish free of charge. Most of them are really ads for the business, under the guise of "information." Some we receive have a dateline. Recently, an item was sent to us slugged "LAKE MARY." Upon reading it, it had absolutely nothing to do with Lake Mary, and was a national business ad disguised as a "local news story." Another one I recall was slugged "SANFORD." It was about an increase in productivity at the General Motors Cadillac Plant in Michigan. Just to find out why it was given a local designation, I called the writer of the press release. "Why did you slug it "Sanford" Lasked. The response — "Well, don't

to know anything about them? Why

people in Sanford buy Cadillacs?" (I received two such items disguised as news stories just this past week, both

were slugged "Sanford.") The best way to submit publicity is to put yourself in the place of a stranger who knows nothing about your activities. You want them to read about them and hopefully take part. Start with WHO — "The XYZ Club of (city or area) will hold a meeting (the WHAT) to examine the problems of (The WHY)...at the PDQ Club located at ... (the WHERE)....on April .. (the WHEN). Then, if appropriate, list the speaker or other information which may entice people to attend and/or become involved. If the meeting is restricted to attendance only by certain people, (political party, men only, senior citizens, etc.), explain it.

Writing a press release isn't difficult, but it must include proper information to be effective. Failing to include all the necessary ingredients is the same as baking a cake and not including all of the ingredients. It may look good, but

Jones opines First St. redevelopment should focus on parking

To the editor:

Subject: Inadequate parking in Downtown Sanford.

Perhaps the fact that there doesn't seem to be quite enough money for the First Street renovation should be taken as an omen. An omen that the project is really a bum idea.

The present brick streets and brickto-macadam connections are already so bumpy that driving in downtown Sanford is quite unpleasant. Having the whole of downtown First Street bricked is an added honor.

As for wide sidewalks and parking you just don't seem to get it. The people you are trying so hard to have come to Sanford to stroll those wide sidewalks will have to come by car and if they are going to shop, buy, stroll or take part in activities, they will have to find a place to park those cars. Decreasing First Street parking is

one blow. The (Helen) Stairs Theatre patrons are denied the grass lot which, though unofficial, was a great boon. Where will they go? And now, casually, 75 spaces are quietly withdrawn from daytime Courthouse/City Hall use.

How about less mess and disruption of downtown businesses and less money on wide sidewalks and de-

bricking downtown First Street and a little more money spent on finding and developing adequate parking?

CPH employee upset about snippy photojournalism comment

To the editor:

We had been waiting 15 months for our fellow employee to return from service in Iraq. While he was gone, we kept in touch with his family and sent constant reminders to him and his fellow soldiers letting them know they were in our hearts, thoughts and prayers. When we finally learned he was coming home, we planned a real celebration. We were so excited. We wanted everyone to know he was home and to hear his stories about the positive impact the USA is making in the lives of the Iraqi people.

We invited local newspapers, we decorated, we made welcome-home signs, we couldn't wait to see him, hear his story and celebrate his return. The ceremonial yellow ribbon that had been field around our free for over 15 months was cut. Thanks were expressed, some tears were shed, pictures were taken and we were happy! Everyone anxiously waited for the

articles to appear. We were so proud of our soldier and our company's support of him. The article that appeared in The Sanford Herald was great. Something for our scrapbooks.

Then, the shoe dropped and our experience was spoiled. Sunday's "Around The Clock" carried a snippy report about the photographs that were taken during the celebration, that they were staged to appear candid. As an eyewitness I can tell you there was nothing phony or staged about the photographs, merely an attempt to capture the spirit of the moment.

While the comments were clearly directed to the Orlando Sentinel and not to our celebration, the fact is that something that was special, genuine and positive was spoiled by newsprint competition. If there was a complaint about photojournalist etiquette, it would have been better handled directly with the competition as opposed to casting a shadow on a wonderful experience.

By the way, your candid photographs and article were great. I'm just disappointed that you didn't stop there. I don't think that anyone cares that folks were asked to "hold that pose," or "hug again and let's get another picture." The comments were petty and unnecessary and took away from your previous positive story.

The Way We Were: Plenty of reunions in 2004

The majority of items in this column are concerned with news of upcoming events for Seminole High School alumni. If your high school class or group is planning a reunion, give me the information and I will print it. I also know that locating classmates can be a problem and printing their names in The Herald sometimes helps.

SHS Class of 1954 to reunite The Seminole High School

Grace Marie Stinecipher

hold its reunion on June 25 and 26. The reunion committee, chaired by Grace Marie

1954 will

Stinecipher has been hard at work making plans since last

August. Others on the committee are Paulette Cason White, Anne Ransbottom Dorton, Jay Jacobs, Billy Park, Sandra Dunn Parker, Louise Benton Elliott, Patty Walker Speer and Frances Lawson Meeker.

Plans include a reception to be held at the Mayfair Country Club on Friday night. Saturday, the group will gather for brunch at the Colonial Room Restaurant, after which they will tour the former Mayfair Inn, (now NTM Headquarters) and visit the Sanford Museum. That night there will be a dinner dance at the Orlando Marriott, Lake Mary.

Our class has been deeply saddened by the sudden death of Tricia Tooke Stenstrom on March 31. She began the journey with many of us in first grade at Southside Primary School in 1942. She is one of only 10 who are deceased from this class; five of whom actually graduated with us. These are Rodman Brumley, Gordon Toll, Maxine Holcomb Harrell, Forrest May, Gibson Bates, Mark Galbreath, Bobby Taylor, Janie Oglesby Jacquet and Vernon Brown.

There are only three classmates who cannot be located; Gwen Coppinger, Lynn Sellers and JoAnn Flipse. If you have any clues as to where these persons are located, contact me at 407-322-4381.

This class always invites anyone to its reunions who attended school with them any time during its 12 years of school. If you are one of these and would like to attend the reunion, contact me for further information.

Celery Fed reunion lives on The annual Celery Fed Beach Reunion is still alive. Tommye Johnson and Joan Anderson of the SHS class of 1950 had to give up sponsorship after 25 years, and last year we just gathered with-out any planned events.

However, the Class of 1954 has volunteered to take over its sponsorship with Jay Jacobs as chairman. Helping him this year are Paulette Cason White and Grace Marie Stinecipher.

The reunion will be held on Sept. 17-19 at a different hotel, which is the Inn On the Beach, 1515 S. Atlantic Ave., Daytona Beach. The hotel phone number is 800-874-0975. All rooms are ocean front and we have an excellent special rate.

Late Friday afternoon there will be snacks on the pool deck and Saturday night, a Polynesian Buffet.

Anyone who claims to be an SHS Celery Fed (the name was charged to Seminoles in about 1958) is invited. For more information, call Jay Jacobs at 407-328-2766.

If its spring, it must mean that every weekend is packed with more activities than can possibly be attended in that space of time.

As the song says in 'The Lion King': "There's more to see than can ever be seen, more to do than can ever be done ... it's the circle of

If your circle takes in the Geneva area this weekend or the next, you'll find the following activities happening there.

April 23 - "Steamboat Days of Geneva" Slide Presentation: Back by popular demand, Mal Martin is again presenting "Steamboat Days of Geneva — with special emphasis on the Upper St. Johns from Lake Monroe south to Lake Washington."

More than 100 slides will be shown depicting the excitement of steamboat trips on the river, the history of steamboating on the St. Johns, and a rare 1883 Nautical Map. There is even the sound of steamboat whistles and calliope music to add spice to the presenta-

Come out to learn about Central Florida's wildlife. There will also be exhibits and door prizes. For more information or reservations, call 407-665-7352. (Remember to bring a hat, water, sunscreen and insect repellent!)

This day is sponsored by the Seminole County Natural Lands Program and is just one of several tive members who can trace their programs at the Ed Yarborough Nature Center. Bones and Fossils Day happens June 26 with Native Plant Appreciation Day coming Nov. 20. Both run from 9 a.m. to 1 p.m. and are also sponsored by the Seminole County Natural Lands Program. For more information, log onto www.seminolecountyfl.gov/natland.

April 24 - Confederate Memorial Day Service: will be held at the Geneva Cemetery at 10 a.m., sponsored by the Sons of Confederate Veterans of Geneva.

The group expects to have a bugler, members on horseback with one "vacant saddle" to remember fallen heroes and more. Everyone is welcome. If you need a folding chair, please bring one.

There are 15 Confederate soldiers buried in the Geneva Cemetery. The Sons of Confederate Veterans Camp 1709 meets the second Sunday of each month at 3 p.m. at the Geneva Community Center.

Crooms memorabilia wanted for museum

The Sanford Museum is

looking for memorabilia from Crooms High School. Particularly wanted are copies of the Panther yearbooks and photographs of school activities and groups such as sports, teachers, band, glee club, etc. Also welcome are items such as graduation invitations, programs from plays and other events, etc.

Look through your closets, drawers, trunks for items you may have stored away. If you are willing to donate items to the museum so that others can enjoy them, call Alicia Clarke, curator, at 407-302-1000 or stop by the museum at 520 E. First St.

Post Relay For Life Note: I was unable to participate in this past weekend's American Cancer Society's (ACS) Relay For Life in Geneva, due to the fact that I have stitches in one foot.

The ironic fact that those stitches are there because of the removal of a pre-cancerous mole is not lost on me, however, and I plan to do my part for the ACS another way. As I walk about with not just one place stitched. but rather four, I am frequently asked about the scarthat so vividly graces my forehead.

Almost without exception, when I tell the inquiring person that I have had a mole removed, the respond with "Oh, I really need to get checked too. I have several places like that." Well, I would have said the same thing as recent as last December.

One of my 2004 New Year's resolutions, however. was to take care of all those medical issues that I had been putting off. The fact that I had waited to have the spot on my forehead checked allowed it to grow and develop into what my children refer to as a "very, very bad mole."

Having it and its spreading cells removed was a bit traumatic, but I am very, very glad that I did. And even though the plastic sur-

geon and I are now on a first name basis, and I have lost "weight" in a way that I had not anticipated, I am grateful that my procrastination did not lead to more damage than was already done.

So please, if you need to get checked (and anyone who lives in Florida - or especially who grew up in Florida during pre-sunscreen-play-all-day-outsidehave-a-constantly-peelingnose days needs to be checked) make the appointment now. Waiting will not make it go away. Need statistics or help, log onto www.cancer.org.

We need you to tell us what you know that is good about Geneval Please share your information, ideas and comments by calling 407-349-2140, via e-mail at darlas@mpinet.net, (please put "Stetson's Corner" in the subject line), or with a fax to 407-349-1311. Thanks!

Lynx board selects new executive director

The Lynx Board of Directors County Chairman and Lynx approved moving forward with the selection Thursday of a new executive director. They selected Linda S. Watson, general manager of the Corpus Cristi Regional Transportation Authority,

"We reviewed five outstanding candidates for the Lynx Executive Director position." said Richard Crotty, Orange Board Chairman, 'The competition was fierce. And we are excited about bringing Ms. Watson on board. She will be an outstanding leader for Lynx."

"I'm thrilled and excited," said Watson, "I'm ready to get everything worked out."

Lynx will enter into negotiations for a contract with Ms. Watson immediately.

If Watson does not accept or LYNX cannot negotiate a contract with her, the second candidate identified by the board as the next best candidate will be contacted and offered the position. The candidate that was identified as the next best candidate is Joe Marie,

Assistant General Manager for rail operations for Metro Transit in Minneapolis.

Third land opens on Interstate 4

A third lane on eastbound Interstate 4 from Lake Mary Boulevard to the State Road 46 exit ramp was to be opened Friday night or early Saturday morning.

The third lane on eastbound Interstate 4 will continue to be opened in segments, as the construction crews complete the roadRiver Bridge to Dirksen Drive.

Efforts to widen the remaining eastbound and westbound roadway to three lanes from Dirksen Drive to Saxon Boulevard in Volusia County will continue until late summer.

grant that was secured by a partnership of Lynx, the Congressional delegation from Central Florida and the city of Sanford.

"This route is the culmination of a cooperative effort of the business community and government," said Seminole County Commissioner Carlton Henley, who also sits on the Lynx Board of Directors.

"Economic viability in this region is dependent on public transportation," he added. "It's important that we realize the vital service Lynx provides."

According to Henley, Seminole County ridership last year increased by 36 percent for a total of 2.6 million trips. About 60 percent of those bus passengers were riding to or from work.

"You may not ride the bus, but somebody you depend on does," he said. "It's important to get out to the citizens how vital a public transportation system is."

The new airport bus route, Link 33, connects to other main bus routes in the coun- ping center, the bus travels ty at the Seminole Centre on U.S. Highway 17-92, including the recently added Lake Mary route, Link 45.

From the Wal-Mart shopeast on Lake Mary Boulevard making a stop at Sanford Avenue and then it continues on to the airport Red Cleveland Boulevard. The next two stops for the new line are at (Sanford/Midway), 39 (U.S. the intersection of Sanford

Avenue and 25th Street, and the Central Florida Family Health Center on State Road

"Link 33 will greatly improve the ability of residents and visitors to get to the airport while reducing vehicular traffic," Sanford Commissioner Velma Williams. "A lot of people could not get to the health center and now they can so it's also improving the quality of life."

Notice is hereby given that the Seminole County Department of Fiscal Services will conduct a public hearing on April 27, 2004, beginning at 1:30 p.m., or as soon thereafter as possible, in the County Services Building, 1101 East First Street, Sanford, Florida, Room 1028 (Board Chambers). The purpose of this public hearing is to amend Resolution Number 2003-R-160 by adjusting Fiscal Year 2003/04 budgeted revenues and expenditures by \$35,400,252 to reflect prior year cash balances and other adjustments.

NOTICE OF PUBLIC HEARING

April 27, 2004 1:30 P.M.

Additional information regarding the proposed amended resolution is available for public reviewing 1101 East First Street, Sanford, FL 32771, Room 3325, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, excluding holidays. Persons with disabilities needing assistance to participate in any of these proceedings should contact the Human Resources Department ADA Coordinator 48 hour in advance of the meeting at (407)665-7941. Persons are advised that if they decide to appeal any decisions made at this hearing, they will need a record of the proceedings, and for such purpose they may need to ensure a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is based (Florida Statutes, Section 286,0105)

UCF holds Belmont scoreless in sweep

From Staff Reports

Lake Mary's Kyle Bono tossed a two-hit complete-game shutout and Darren Newlin came within one out of a no-hitter in leading No. 26 UCF to a doubleheader and series sweep of Belmont Saturday afternoon at Jay Bergman Field.

Bono pitched his fourth completegame shutout of the season to defeat the Bruins 3-0 in game one, while Newlin finished with a one-hitter in UCF's 2-0 game two victory.

In the series opener on Friday, Matt Fox tossed his second complete-game shutout of the season to lead the Golden Knights past Belmont 3-0 Friday evening at Jay Bergman Field.

With the sweep, UCF improved to 32-8 overall and 17-4 in the A-Sun. Belmont dropped to 23-14 overall and 9-9 in the conference.

Kyle Bono hurls fourth shutout to improve to 6-0

With the three shutouts over Belmont, it marked the first time in school history that UCF has shutout an A-Sun opponent in a three-game series and gives the Golden Knights 11 on the season, which sets a new school record. The 2004 team was tied with the 1995 and 1977 teams that each posted seven shutouts.

Belmont had just five hits in three games without scoring a run.

Fox was dominant all night long, limiting the Bruins to just two hits and three base runners on the night in a game that lasted just one hour and 57 minutes.

Fox won his ninth straight start of the season to improve to 10-0, becoming the second pitcher in two years for the Golden Knights to post a 10-0 record. Bo Hall ended the 2002 season with a win over USF in the NCAA regionals to finish at 10-0.

UCF scored one run in the first for all of the run support Fox would need. Lake Mary's Ryan Bono drove in a run with a RBI-groundout in the first for a 1-0 UCF lead.

The Golden Knights added single runs in the third and fourth to close out the scoring.

In game one on Saturday, Kyle

Bono was in control all day long, finishing with six strikeouts and one walk. UCF scored single runs in the fourth, fifth and sixth innings for all of the run support Bono would need. The win raised Bono's record to a perfect 6-0 on the year. UCF outhit Belmont 11-2 in the game one win.

In game two, Newlin was masterful in his first career start. The junior right-hander from Tallahassee cruised through the Belmont lineup, holding the Bruins to just one hit with four strikeouts. With two outs in the seventh, Belmont's John Brummett hit a single over the outstretched glove of Matt Ray at second base to spoil the no-hit bid.

The Golden Knights were to have hosted the University of South Florida on Tuesday and then be off

Weird week for Rams

Events cost Lake Mary district bye

By Dean Smith Sports Editor

What happened? What began as a great week for the Lake Mary baseball team turned into a nightmare and Lake Brantley was more than willing to take advantage as regular season district play wrapped up on Thursday.

When Ryan Richardson drove in the winning run in the bottom of the eighth inning to give the Rams a 5-4 victory over the Patriots in a crucial Class 6A-District 3 contest last Friday night at Allen Tuttle Field, it appeared Lake Mary had secured at least a tie for the district title.

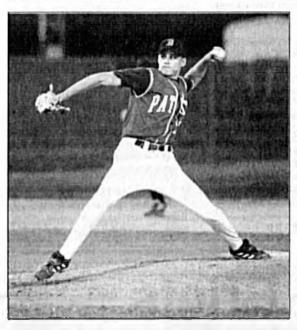

Joey Lubonty led the Rams at the plate, going 3-for-4 with a double, as the hosts avenged an earlier non-district loss to the Patriots and kept them undefeated in district play heading into the final game with oncebeaten Winter Park.

Lake Mary then opened this week with another eight-inning contest, edging Winter Springs, 4-3, in a makeup Seminole Athletic Conference game at the Wayne D. Epps Sports Complex on Monday. Sophomore Josh Smith

went the first six innings, striking out seven, while Scott Eckard came on to get the pitching victory. Justin Hart drove in a pair of runs to pace the offense, while Harrison Bruns went 2-for-4 with a

run scored for the Bears. The two teams then squared off in their regularly scheduled game on Tuesday at Tuttle Field and the Rams prevailed again, 4-0, behind a four-See Boys, Page 13A

losing by a score of 10-4. Twentieth win eludes Lake Mary in softball

By Dean Smith Sports Editor

This is not a good time to hit a bump in the

Just when it looked like the Lake Mary softball team would cruise past the 20 win mark on the season, the Rams stumbled in their final two regular season games, not the direction you want to be going with the district tournaments beginning Monday.

The battery of Olivia Toporowsky and Kelsie Richardson did the damage last Friday night as the Lake Mary softball team won its 19th game of the season, 2-0, over Lake Brantley in a Class 6A-District 3 contest.

Toporowsky hurled a two-hitter and struck out eight, while Richardson went 2-for-3 as the Rams improved to 19-4.

Jessie Sadlowsky and Marla Stevens had the hits for the Patriots.

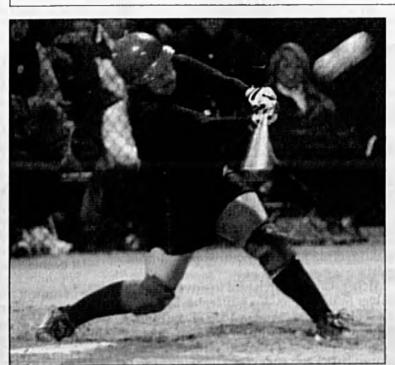

Lake Mary was coming off a big Seminole Athletic Conference win on Thursday as the Rams had slowed a hot Seminole squad, 8-4. Toporowsky turned offensive in that win, going 2-for-3 with two RBI, but it was Caitlin Mahoney that had the big night at the plate, going 3-for-3 with a triple and a double and driving in two. Crystal Saufley (2-for-4) and Ashley Tabor (2-for-4, double) paced the Fighting Seminoles.

But this week has been just the opposite as Winter Springs' Lauren Starcher (1-for-2) lifted a sacrifice fly to left in the fifth inning on Monday as the host Bears edged Lake Mary,

Caitlin Mahoney had a big night at the plate for Lake Mary in the Rams' 8-4 victory over Seminole last Thursday, going 3-for-3 with a triple and a double and driving in two runs.

Girls-

Continued from Page 11A Springs, holding the Rams to five hits over 6 1/3-innings with three strike outs before Davis came on to get the save.

Mahoney went 2-for-3 with a double to account for much of the Lake Mary attack.

The Rams were then shut out again on Thursday as Sara Anderson hurled a twohitter and struck out five as

Oviedo (17-4) won 3-0. Ford had a double and two RBI for the Lions, while Richardson went 2-for-2 for Lake Mary.

Oviedo had been struggling but got back on track by edging Winter Springs, 3-1, on Monday.

Anderson hurled a threehitter for the Lions, while Perez was 2-for-3 and drove in two of the runs. Hinkle was 2-for-3 for the Bears.

Oviedo had also won a big district encounter with DeLand, 4-0, with Harrison going 3-for-3 and scoring a run to back the two-hit, six strike out pitching of Tomasetti.

The Lions then tuned up for the win over Lake Mary by edging Lake Highland Prep (15-9), 4-3, on Wednesday.

Perez (2-for-3) and Irimar Hernandez (2-for-4), led Oviedo past the defending state champions.

Winter Springs (15-10) won its second 1-0 victory of the week as Davis and Wisniewski combined to shutout Winter Park (9-13) in eight innings on Thursday.

Davis gave up just two hits over five inning and Crystal Bullock had a double and drove in the winning run.

Lake Brantley (14-11) has been very busy, and very good, of late.

Last Thursday the Patriots had a 3-1 win over Winter Springs as Nikki Hall went 2for-3 and drove in all three runs to back the three-hit pitching of Maria Stevens.

Lake Mary then routed a very good Trinity Prep (15-7) squad, 9-1, on Monday with Sandel (3-for-4, double, two RBI) and Uvino (2-for-4, two RBI) leading the way. Burdeaux was 1-for-3 and drove in the run for the

Tuesday, the Patriots edged Lake Howell (5-18), 6-5, behind 2-for-4 efforts from hall and Uvino, who drove in the winning run.

Farrell had a double and two RBI for the Silver Hawks. Lake Brantley suffered a

tough loss on Wednesday, falling 5-4 in 10-innings to powerful West Orange (16-6). Jessie Sadlowsky hit a home run for the Patriots, while Sandel was 2-for-5.

But the Pats got right back on the winning track on Thursday as Stevens hurled a one-hitter, striking out seven, and Uvino went 4-for-5 with two RBI in a 10-0 thumping of Mount Dora (13-10).

Seminole (15-8) has also had a quite a week, knocking off a pair of very good Orange County teams.

The trio of Amy Joyce (2for-4, two runs scored, RBI), Tabor (2-for-4, RBI) and Dorianne Torres (2-for-3) carried the offense as the Fighting Seminoles outscored Timber Creek, 6-2, on Monday.

But the big win came on

Wednesday when Sheena Ware hurled a three-hitter and struck out 12 as the Tribe handed Colonial (14-1) its first loss of the season, 5-2.

Amy Joyce backed Ware by going 2-for-4 and scoring two runs.

Trinity Prep (16-7) ended its regular season on a high note with a 2-0 victory over Father Lopez (15-6) on Thursday. Burdeaux drove in one of

the runs and also hurled a two-hitter, striking out four. Burdeaux was coming off a big game in which she went 2-for-3 with a home run and a

double and two RBI to lead Trinity Prep to a 3-1 victory over powerful Osceola. Bushika drove in the other run for the Saints last Friday.

Lyman got a big district win over Lake Howell, 8-5, last Wednesday with Beaudoin and Leslie Buchmann each driving in a run, but then lost a pair of decisions to Volusia County powers. Samuels and Farrell both doubled for the Silver Hawks.

The night before (Tuesday), Liz Cashman threw her first career no-hitter and struck out 12 as Flagler Palm Coast (15-3) wrapped up the topseed in the upcoming district tournament with a 1-0 victory

over the Greyhounds. Stephanie Elrod was just as effective for Lyman, allowing only one hit on a hanging breaking ball in the fourth inning, and finishing with nine strike outs.

Unfortunately for Elrod, Nicole Sciola got hold of the 'hanger' and smashed a double to the gap in left center. On the next pitch, Erika Ramming slapped the ball the other way and it went between the second baseman's legs for an error, allowing Sciola to score and handing the Greyhounds just their second district loss of the sea-

On Monday, Deltona also edged Lyman by a run, nipping the Greyhounds, 2-1. Elrod again was the toughluck loser, while Jessica Brace

and Katie Bulger were both 2for-3 at the plate. Lyman (9-14) then closed out the regular season on a high note on Tuesday with a

Apopka (20-5). Elrod had a big game, driving in the run and allowing just two hits and striking out seven in hurling the shutout. Wheeler also had a hit for the

Greyhounds. Lake Mary Prep (3-7) closed out its season with a split, dropping a 16-3, five-inning decision to The Master's Academy on Monday, but then coming back to outscore Geneva Christian, 13-10, on Thursday.

The Griffins' Burney hit a grand slam to back a nine strike out effort from winning

pitcher K. Taricano. Orangewood Christian (10-4) finished the week with a win and two losses, getting a 3-for-5 effort from Garatta and a 2-for-5, two run scored evening from Conte, but it was not enough as the Rams were outscored by Pine Castle Christian (8-8), 17-12, on

Monday. OC was coming off a 10-4 defeat of The Master's Academy on Friday in which Garaffa hurled a five-hitter with 17 strike outs. Ci.

Romaldo was the offense for the Eagles, going 3-for-3. On Tuesday it was West

Oaks (11-4) rolling over the Rams, 11-1 in five innings. TMA also lost a later game that evening as the Eagles fell

to Bishop Moore, 8-2, despite a single and run scored by Nooft.

But Master's (12-6) finished strong as Munyon went 3-for-3 with a triple and a double and drove in five runs and Ch. Romaldo went 3-for-4 with two RBI in the win over Lake Mary Prep and then Laferriere was a one-woman show, getting the pitching victory while going 2-for-3 with a double, a run scored and two RBI in a 9-8 defeat of Pine Castle Christian (9-10) on Thursday.

The lacrosse playoffs began on Monday but prior to that, Winter Springs (6-9) had whipped St. Augustine-Nease (0-6), 14-4, with Wick scoring three goals and Harris two.

The playoffs actually began for the local teams on Tuesday with Lake Brantley and Lake Mary both flattening Flagler County foes.

The defending state champion Patriots crushed Flagler Palm Coast from Bunnell, 16-3, with Lerch scoring three goals, and the Rams clobbered St. Augustine-Nease, 13-5, with Benoit and Imlay scoring two goals each.

In water polo, the Seminole Athletic Conference champion Lake Mary Rams got four goals each from K. Shulz and Ryan in a 16-6 whipping of Lake Brantley.

The girls also wrapped up the tennis regular season last week with Winter Springs (7-8) besting Lyman (1-13), 6-1, and losing to powerful Trinity Prep (15-1), 7-0; Lake Brantley (8-4) getting a split, beating Winter Park, 4-3, and losing to Dr. Phillips (10-6), 4-3; Lake Howell (9-5) thumping Oviedo (2-6-1), 6-1; and Crescent City upsetting Orangewood Christian (11-3),

The district tournaments were held on Monday and Tuesday with Trinity Prep, Orangewood Christian, Lake Brantley and Lake Howell all winning titles to advance to huge, 1-0, win over powerful, Friday's regionals,

Hart was the big man with the stick again, doubling and driving in two runs. Chris Mester only allowed five hits and struck out nine on the hill for Winter Springs, while Vinny Cucci was 2-for-3 at the plate.

Lake Brantley did not take kindly to the loss and unfortunately, Lake Howell was the recipient of the Patriots' wrath.

Jason Bush went 2-for-3 with and RBI, Jeff Dietz went 2-for-4 with two RBI and Lamar Guy had a pair of hits, including an inside the park home run, as Lake Brantley crushed the Silver Hawks, 11-0, on Monday in another SAC make-up contest.

Chris Belcher went the first three innings, striking out three and Ryan Kelley closed out the shutout.

Nick Farkas went 2-for-3 for Lake Howell.

The teams met again on Tuesday and the result was nearly the same with the Patriots routing the Silver Hawks, 11-2.

Dietz had a big game, going 2-for-2 with a home run and three RBI, while Jason Lauridson also drove in three for the winner's.

Montgomery Bunda was 2for-3 for Lake Howell. Then came Wednesday and

everything changed. It was discovered the under FHSAA rules, Lake Brantley's earlier 5-4 victory over Lake Mary should have counted as a district game and not the second meeting between the two teams, therefor throwing the district race into a threeway tie between the Rams. Patriots and Wildcats with 3-1 records and Apopka just a game back at 2-2 heading into the final district game for

each school. Winter Park (18-6) stuck a dagger in Lake Mary's hopes with a convincing 6-1 victory at Tuttle Field on Thursday, dropping the Rams (19-3) into third place in the district race and out of a bye in the first round of the tournament, which will be played at

Winter Park. Tyson Auer (2-for-3, double, RBI) drove in Lubonty (2-for-2, double, run) to give Lake Mary a 1-0 lead in the bottom of the second inning, but the Wildcats responded with single runs in the third, fifth and sixth innings and then put the game out of reach by getting to Eckard (nine strike outs) and reliever Smith for three

runs in the top of the seventh. Meanwhile, Lake Brantley (16-6) was taking care of its own business, knocking off Edgewater (16-6), 5-2, to earn a tie for the district top spot.

Bush had another big game, going 3-for-4, while Ray Allen was 1-for-3 with an RBL

If Lake Mary had beaten Winter Park, the Rams and Patriots would have gotten the top two spots, but with the results, Winter Park and Lake Brantley both finish district play 4-1 and will get first round byes, but the Wildcats get the No. 1 seed because it owns a win over the Patriots. Lake Mary and Apopka are both 3-2, with Rams getting the third seed because of their win over the Blue Darters. Edgewater (1-4) and University (0-5) round out the

In other baseball action. Seminole (10-12) continues to build momentum toward the district tournament, posting back-to-back 7-1 wins over

Lyman and Eustis this week. On Monday, Luke Kimmig hurled a six-hitter at the Greyhounds, striking out four. Diener (2-for-3, two RBI) and Walden (2-for-4, three RBI) did the offensive damage for the Tribe.

The Fighting Seminoles then picked up a very impressive win on Thursday, knocking off the two-time defending Class 4A State Champion Panthers (17-6) at Stuart Cottrell Field.

The game was scoreless until the top of the fifth inning when Seminole exploded for five runs.

Sophomore John Ilgen started the outburst by driving in the first run of the game, then capped off the scoring with a two-run homer in the sixth inning. Ilgen finished the game 3-for-4, while Diener was 2-for-4 with two RB to back the five-hit pitching of Matt Hines, who had seven strikeouts and only allowed two Eustis runners to reach third base. The only run off Hines, who raised his record to 5-2 and lowered his ERA to 1.60, came in the bottom of the fifth inning on a bunt single and a bloop single down the right field line.

Lyman (10-12) finally got off the schnide over with a 4-3 win over Lake Howell on Wednesday after dropping a 9-1 decision to Oviedo last Friday, with Parker (3-for-4, double) and Gonzalez (2-for-3, RBI) leading the way for the Lions (14-7), and then falling to Seminole on

Monday. Clint Franklin drove in the only run against Oviedo and Harmon threw out three Seminole base stealers, while on Wednesday its Justin Cokecroft scattering eight hits, striking out 10, and Danny Kava going 2-for-4 to lead the Greyhound attack

against the Silver Hawks. Lake Howell (9-13) also picked up its first win in a while on Thursday as Taft (8-1) threw a five-hitter and struck out nine in an 8-3 victory over Mainland (11-10).

Farkas (double), Grant Berman (2-for-4) and Chase Parsons (two RBI) led the Silver Hawk offense.

Despite playing its third game in as many days, Winter Springs (14-9) got back into the column in a big way, romping over Evans, 11-0, in five innings on Wednesday.

Kory Wick was the winner, allowing only one hit and striking out eight, while Sam English went 2-for-2 and drove in three runs.

Orangewood Christian (10-8) broke a losing streak with a 9-2 victory over Lake Mary Prep (3-11) on Thursday.

Ben Rupp went five innings on the hill for the Rams, allowing two hits and striking out six, while Nick Porta led the offense, going 2-for-4 with a triple and an RBL Breum was 3-for-3 for the Griffins.

LMP was coming off a big, 8-5, victory over The Master's Academy on Monday.

The Eagles (9-11) came into the game with back-to-back wins, 7-4 in nine innings over Deltona Trinity Christian (5-9) last Saturday and 3-2 over Orangewood last Friday.

In the win over Trinity, Curran allowed two hits and struck out eight over six innings and Lee (3-for-5) and Dafonso both homered, while Clark threw a two-hitter, allowing no earned runs and striking out 11, and Curran was 2-for-3 with an RBI at the plate against the Rams.

Trinity Prep won two of three games to even its record at 11-11.

Last Friday, Cox was the winning pitcher, allowing one hit and striking out 12, and Reinke led the offense with a monster 4-for-5 effort at the plate that featured a double, a run scored and an RBI in a 9-2 victory over The First Academy.

The Saints then got over .500 with a 9-3 win over Holy Trinity on Tuesday led by the hitting of Auld (2-for-3, four RBI), Mitchell (home run, two RBI) and Lapp (2-for-4, double).

The team then moved up in class on Thursday and was blanked by Deltona (13-8), 3-

Cox was the leader for TP, going 1-for-3 at the plate and allowing only five hits over six innings.

The tennis teams wrapped up the regular season last week with Winter Springs (13-4) getting split, rolling past Lyman (6-8), 6-1, and getting edged, 4-3, by powerful Trinity Prep (14-1); Lake Howell (6-9) keeping Oviedo (0-8) winless, 6-1; another power, Dr. Phillips (14-1) waltzing past Lake Brantley, 7-0; and Lake Mary Prep (9-4) shutting out Foundation, 7-0.

The district tournaments were then held on Monday and Tuesday with only the Trinity Prep boys still alive heading into Friday's regional playoffs.

The lacrosse playoffs opened on Monday, but it was Winter Park (13-3) topping Lake Howell (7-8), 13-6, in the regular season finale last Thursday.

The opening round of the playoffs found Lake Mary (7-7) falling to Lake Howell (8-7), 7-6, with B. Johnston scoring three goals and A. Johnston posting 10 saves for the Silver Hawks, while the Rams got four goals from Crowe and a combined 16 saves from Rauch and Kurir.

Oviedo (10-3) romped over Lyman (1-10), 18-0, behind Noonan (five goals, one assist) and Wilkens (three goals, three assists). Greyhounds goalie Barco made 14 saves.

Top-seeded Winter Springs (12-2) romped past Seminole (4-7) with Pike scoring three goals and handing out two assists and Rushing dishing out five assists. Byrna and Timpano scored the goals for the Fighting Seminoles. In boys volleyball:

Lake Mary (17-2) won twice, topping Seminole, 25-17, 25-9 and 25-12, on Tuesday behind 12 kills from Tim Spencer and 20 assists from Rob Green, and Lake Howell, 25-18, 26-24 and 29-27, with Spencer (25 kills) and Green (40 assists) again leading the way.

The Silver Hawks, which got 10 blocks from Sutter and 14 kills from McCallister against the Rams, are struggling against tough competition, also falling to Winter Springs, 26-28, 25-20, 25-16 and 25-11, and powerful Timber Creek (18-1), 25-15,

25-20 and 25-22, this week. Roberts had 10 kills against the Timberwolves.

The Bears (15-9) have been going the other way, also beating Bishop Moore (12-8), 25-19, 21-25, 25-22 and 25-18, and Seminole, 25-19, 25-16, 24-26 and 25-11, this week.

Brian Smith (42 assists) and Ryan Hennessey (8 blocks) did the damage against Lake Howell; Smith (43 assists) and Mickey Sayre (17 kills) leading the way against the Hornets; and Addison Duke (19 kills) and Joey Elston (15 kills) pacing the attack against the Fighting

Seminoles. Lyman (18-5) rolled past DeLand, 25-15, 25-15 and 25-9, behind Brickelmaier (33 assists) and Gamboa (15 kills), and Oviedo (8-11) outlasted Lake Brantley, 29-27, 25-22 and 25-20. Columbus (12 kills) and Herren (seven blocks) led the Lions, while Rosen (nine kills) and Santos (27 assists) paced the Patriots.

Once again: 1st Street project goes to bid

Redevelopment agency recommends downtown

By Dan Ping Editor

SANFORD — Renovations to 1st Street will be delayed as city officials have decided to put the project out to bid for a second

Bids for the project came in substantially higher than the Downtown Community Redevelopment Agency's (CRA) budget of \$1.7 million. Gomez Construction of Winter Park was the low bidder on the project with a \$2.7 million bid.

In order to meet budget, CRA board members instructed city staff to work with Gomez on "value engineering" the project. One of the savings Gomez and city staff suggested was to close

project be put out to bid for the second time 1st Street during construction, a bid, not because I want to, " said

major change from the way the project was put out to bid. In its project specifications, the city had requested 1st Street remain open

After studying the proposed changes, City Manager Al Grieshaber recommended the project go through the bid process because the project specs had changed so significantly he was concerned with legal issues. The CRA unanimously approved the recommendation.

CRA chairman Bob Parsell, "but because city staff feels more comfortable rebidding."

Parsell said depending on how quickly city staff act, the project could be under construction by mid summer.

Renovations to 1st Street include replacing stormwater and electrical infrastructure under 1st Street from Sanford Avenue to Oak Avenue. The project also includes extensive streetscape work including rebricking por-"We're putting it back out to tions of the street, widening side-

walks and installing landscaping and street lights. In addition to Gomez,

Wharton Smith of Sanford submitted a bid on the project. Wharton Smith's bid was \$3.4 million, double the CRA's \$1.7 million budget.

When the bids came in over budget, the CRA had two options: scale back on the project or find additional revenue sources. Reducing the scope of the project has be difficult because CRA members, particularly Parsell, has been adamant

about installing enough infrastructure underground to serve downtown's needs for at least 20

"We don't want to dig up the street five years from now because we didn't provide enough electrical or stormwater capacity," Parsell.

Likewise, Parsell said the CRA doesn't want to skimp on the above-ground amenities

"We want this to be a first-class project," Parsell said, "There is no way I would agree to do this job halfway."

Gomez had identified \$515,000 in cost savings and Grieshaber was working to find additional revenue sources. Grieshaber has yet to identify which, if any, sources may be tapped.

County schools foundation makes a difference

By Steve Paradis Herald Correspondent

SANFORD — A Pinecrest Elementary teacher wanted to purchase a cash register to educate her first graders about the concept of money. She turned to a program offered by The Foundation for Seminole County Public Schools and received a small grant.

This past year that same teacher, Deborah Partridge, received another foundation grant. This time the money bought a couple of word processors so students could practice spelling, write book reports and improve typing

"The foundation truly takes funds and disperses them meaningful ways, Partridge

said. The person charged with monitoring the distribution of funds is Executive Director Tina Calderone. She said every school in Seminole County benefits from the non-profit foundation, but not everyone knows it.

The foundation sponsors the program that names the teacher of the year as well as awards for principals and school-related employees of the year, for example.

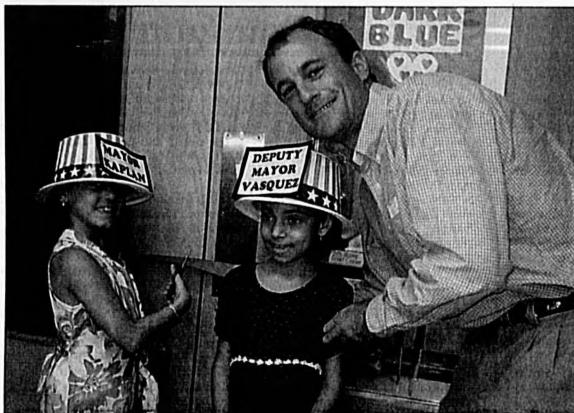

The organization also raises and disperses money to enhance what Calderone calls the "superior performance" of our teachers and students. The foundation helps low-income students, but also rewards those who excel, Calderone said.

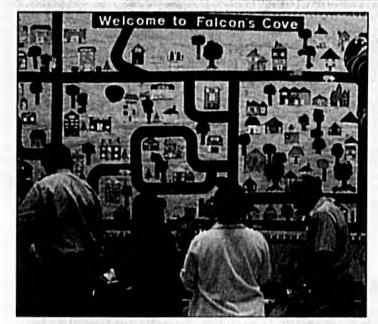

She calls donations to the fund "phenomenal." She points to a long list of corporate sponsors. Corporations such as Progress Energy and Darden Restaurants give more than half o the sponsorships, gifts and donations taken in by the foundation. Individuals donate about a quarter of the money with government contributing another 15 percent.

Idyllwilde class creates a 'fake' city with mayor, bank & chamber of commerce

By Nick Pfelfauf Staff Writer

Idyllwilde Elementary School's second grade hosted Community Day on Friday, April 23. It all centers on the city of Falcon's

Cove. "Each year, students in the second grade, studying communities, create a fictitious city," said Principal Dave Scott. "This year, named after the school's mascot, the falcon, they chose the name Falcon's Cove, and base their studies on what makes a community such as this exist."

The day's events will began at 10:45 a.m., with the "mayor" of Falcon's Cove, Angela Kaplan, welcoming visitors to the city. "The children elect the mayor for their city," Scott explained. "The second graders have created the city and mayor for this unique social studies and math project."

Following a ribbon cutting ceremony, visitors went to the Falcon Cove "Bank" to withdraw money (Monopoly style) then proceeded to the businesses the students had set up in their classrooms for

'Smash and grab' robber suspect sought by SCSO

From Staff Reports

Late Sunday evening, April 25, Investigator Jeff Bean of the Seminole County Sheriff's Office responded to a convenience store at 5690 W. State Road 46, just outside the city limits of Sanford.

A white male reportedly entered the store and purchased several pieces of candy. He then requested change for a quarter. When the clerk was making

change, the suspect jumped on top of the counter, pushed the cash register drawer open, and grabbed the money. He then ran from the store with an undisclosed amount of money.

The suspect is described as a white male in his 30's or 40's, approximately five feet ten inches tall, weighing about 160 pounds. He was wearing a gray T-shirt, blue shorts and a dark baseball cap. He also had a moustache.

Bean questioned the clerk and two customers who reported seeing the incident. The clerk reported that the man had told her he had a wife and 3-year-old daughter waiting for him outside the store at the phone booth.

One customer was entering the store when the robber was making his escape. He said he tried to stop the man, but was holding his daughter at the time. The suspect reportedly ran into him which

knocked the suspect into a newspaper rack, but he recovered and ran out of the store heading toward Orange Blvd.

Another witness told the deputy she heard the man yelling to someone to hurry up, that the police were on the way. She then said she heard a car's engine rev up and the squealing of tires as the vehicle drove away.

Citizens to supply input on Lake Mary's park project

By Christopher Patton **Managing Editor**

A series of small parks in the Lake Mary's downtown are subject to change over the course of the next year as the public is invited to comment Monday, May 3,

on the proposed restoration plan. The five parks averaging about one third of an acre apiece were originally laid out in 1916 as part of the Crystal Lakes Winter Homes plat. They extend in a diagonal row from north of Crystal Lake Avenue, across Wilbur and Lake Mary avenues to about the city community center on North Country Club Road. In conjunction with revitalized

downtown development, the stair-stepped park restoration plan was developed over the past year by city staff. City officials are now soliciting comments from the community at a scheduled public meeting to incorporate any concerns or changes from citizens.

"We sat down as staff and developed a plan for each one of the parks," said Shannon Suffron, senior planner with the Lake
