

SHS Cagers Gain 4th Win

By PETE LEVQUE
Herald Sports Editor

Without scoring ace Bubba Davis, Coach Bud Leyer's undefeated Sanford cagers managed to turn their second bout of the season with Titusville here Friday night into a second win as the Seminoles squeaked by the Terriers 59-57 in a three minute overtime to wrap up the fourth straight win for the Sanford five.

The Seminoles seized an early advantage over the Terriers with layups by Barry Brown and Mike Woodruff for Sanford to take a nine point scoring lead at the end of the first quarter. Don McMurray and Tom Hinson each dunked in a two-point shot in the first period with McMurray making three free throws to give Sanford a first period lead 16-7.

In the second quarter Titusville sparked to the defensive to slow the Sanford scoring party with Wade Whitson and David Anderson catching the rebounds for the Terriers. In the second period and midway into the second half, San-

ford was almost stalemated by the Terriers who reduced the scoring margin two points to pull the Seminoles into the final period with a seven point lead.

Sanford's Mike Woodruff held scoring honors for the Seminoles with six field goals and five free

throws for a 17 point total, with Barry Brown taking the number two berth with five field goals and two free throws for 13 points. Other Sanford scorers were Butch Riser with nine points and Tom Hinson with eight points for the night.

Scoring leaders for the Terriers were Wade Whitson who lobbed in eight field goals and seven free throws for a 23 point total and Ray Whitson with six field goals and three free throws for 15 points for Titusville.

SIX-FOOT-TWO SEMINOLE enger Ken Gustavson hits the basket for Sanford as Titusville tries for the rebound.

THROWS FOR A 17 POINT TOTAL, WITH Barry Brown taking the number two berth with five field goals and two free throws for 13 points. Other Sanford scorers were Butch Riser with nine points and Tom Hinson with eight points for the night.

Miss Shoots For 6th Straight Bowl Win

United Press International

Mississippi looked for its sixth straight bowl success today while Minnesota, Alabama and Louisiana hoped to return to winning ways in post season classics. All were favored to win their New Year's Day football games.

Ole Miss was a three-point favorite against Texas in the Cotton Bowl (televised by CBS at 2:30 p. m. EST). Both teams entered the game with 9-1 records. Mississippi relied on the air arms of quarterbacks Doug Elmore and Glynn Griffing to offset the ground attack of Texas All America Jim Saxon.

Minnesota, beaten in the Rose Bowl last New Year's Day by Washington, hit the revenge trail against UCLA and was the eight-point choice to come out smelling like roses. All America quarterback Sunday Stephens, the passing whiz from the hills of Pennsylvania who runs as well as he kicks and throws the pigskin, was expected to provide the difference. UCLA's single wing formation featured tailbacks Mike Haffner and Bobby Smith for the televised game (NBC, 5 p. m. EST).

In the Sugar Bowl at New Orleans, Alabama fought its national champion team and perfect 1961 record against Arkansas. The Crimson Tide was a 13-point

choice, with its rock-ribbed defense led by All America tackle Bill Neighbors. Alabama hasn't won a bowl game since its 61-6 win over Syracuse in the 1933 Orange Bowl. NBC televised this one at 1:45 p. m. EST just prior to the Rose Bowl telecast.

Louisiana State, beaten by Ole Miss in post-season play last time out, also was a 13-point choice to win its Orange Bowl encounter with Colorado, the Big Eight champion. The game, televised by ABC at 1 p. m. EST, displayed a couple of opposing All America linemen — Roy Winston of LSU and Joe Romig of the Buffaloes.

The four major bowls eliminated a weekend of college football that began on Saturday when the West beat the East, 21-8, in the annual Shrine game; Penn State walked Georgia Tech, 30-13, in the Gator Bowl; Villanova surprised Wichita, 17-9, in the Sun Bowl; and the Major School All Stars shut out the Small College Stars, 31-0.

Welsh Moves Into 1st Place

In the Handspurs League Wednesday night, Welsh Tire Shop moved into first place by winning three games from Stempers Agency. Stempers Agency moved into second place by winning only one game.

High scorer for Welsh Tire Shop was Phillip Lefel with 100-470 scratch series. Mary Lou Danyuk with 453 and Vicki Carter with 406 were high for Stempers Agency.

Jet Inn won all four games from Robson Sporting Goods, leaving Robson in third place by only 1/4 a game. Peggy Steward with four strikes in a row made a 212-528 scratch series for Jet Inn. Alice Anderson made a 180-466 series. Robson Sporting Goods' Lili Ogden made high series with 443.

Alix of Sanford came through again to take four games from McRoberts Tires. Rolling high for Alix was Jane Adeock with 429 and Mary Leighty with 432 scratch series. High for McRoberts Tires was Midge Woods with 404 and Helen Kaelin with 446.

Spits were made by Peggy Stewart, Virki Carter and Phillip Lefel who got the 3-10. Glad Plinter and Jane Adeock picked up the 5-7-9, with Alice Anderson making the 5-5. Dora Meshan made the 6-7 and Mary Leighty, the 5-7.

Welsh Tire Shop has won 35 1/2 games in the standing with Stempers Agency in a close second place with 35. Robson Sporting Goods takes third place with 33 1/2 wins with Jet Inn holding 33 wins. Alix of Sanford has 30 1/2 wins and McRoberts Tires, 22 1/2.

Bravettes Place High In Contest

The Sanford Junior High Bravettes placed several twirlers in the winning ranks of the Tanager Bowl's Baton Twirling Contest held prior to the bowl game to choose a grand national winner.

Girls on the Junior High Twirling squad include Susan Perkins, Sylvia Williams, Gay Stanley, Sharon Drum, and Sharon Booth.

Sanford placed seven medals in the Baton Twirling contest. In the beginner class were Linda Stappler, a fourth place award; Vickie McArdle, a third place award; Gay Stanley, a first place award.

In the advanced group were Susan Perkins with a seventh place award, Sharon Drum with a fifth place; Gays Stanley with a fourth, and Vickie McArdle with a fifth.

Packers 'Greatest' Team In History - - - Lombardi

GREEN BAY, Wis. (UPI) — Nearly 42 years of frustration came to an end for professional football fans here Sunday, and as a result this city is nursing the biggest hangover in its more than 200 years history.

The home town Packers of Coach Vince Lombardi clinched a three-year reign-to-rites rise by winning the National Football League championship in a big way — trouncing the big town New York Giants, 37-0.

"This is the greatest team in the history of the National Football League," said Lombardi. And few people, especially those playing for the Giants, would argue with him. "They've got a helluva offense and a helluva defense," said Charley Conery, Giant quarterback who at 40 is the oldest active player in the NFL.

The Packers, held scoreless by the Giants in the first period, literally exploded in the second. With halfback Paul Hornung, whose 19 points established a championship game scoring record, showing the way, the Green Bay boys scored 21-points in 15 minutes to virtually wrap up their first NFL championship since 1941. It was the first time in the 42-year history of the team that a championship was played here, and turned into an occasion the fans will find hard to forget. They celebrated into the wee hours of the new year in their homes, at bars and on the streets.

Hornung opened the scoring in the second quarter as he banged over from six yards out and then added the extra point. Interceptions by Ray Nitschke and Hank Greenminger set up two more scores, with Bart Starr tossing 13 yards to Boyd Dowler for the

Hatters Rout Beavers Here In Cage Tilt

Coach Glen Wilkes' Stetson Hatters made good their second Sanford showing here Friday by routing the Blackburn Beavers of Carlinville, Illinois by the rousing score of 106-80 to give the Hatters a (7-3) record for the season.

A capacity crowd in the Fleming Gymnasium watched the Hatters jump off to a big lead in the first period and from then on they were never threatened.

Dalton Epting and Joel Hancock led the attack for the Hatters with Epting contributing 26 points and Hancock adding 21. Frank Shelton, Floyd Gladden, and Lamar Deaver each added eight points to account for the bulk of the scoring.

Marsh Kaiser led the Beavers in the scoring department with 21 points while Jim Eisenhardt contributed 18 with Joe Keenan and Steve Schroeder adding 17 points each.

The first few minutes of the game revealed the possibility of an end of the first period, the game had an entirely different outlook, with Stetson nearly dominating the first half. The half ended with

Hatters Rout Beavers Here In Cage Tilt

the Hatters in front by the score of 56-37. Epting contributed 25 closely fought contest, but by the points in the first half for the Hatters coming in from under the basket.

The second half saw the Hatters score 50 more points with Epting continuing to hit from in close and Hancock ripping away at the cords with jump shots from the outside. The Beavers countered with 43 points in the second half, but this was far from the number needed to keep up with the fast pace being set by the Hatters. The game ended with Stetson in front 106-80.

Battle Royal Set For SOKC Tonight

The two kennels who are having a battle royal for the top spot in the victory chase at the Sanford-Orlando Kennel Club will both be trying for a feature win in tonight's ninth race of a splendid New Year's program tonight.

Through Saturday's matinee the greyhounds of Charles Lovely have presented him with 15 firsts and he will be represented in the top attraction tonight by Pansy Cross, who will be making her local debut. She has schooled three times to a fifth, a second and a first.

In a nip and tuck battle with Lovely for the most wins is Tom Sweeney, who was on top Friday but dropped one point behind Lovely Saturday afternoon. Sweeney will be represented in tonight's main event by George McLain who has one Grade B win to his credit but missed the money in two Grade A starts.

Rounding out the feature field will be O. B. Mortgage, Kaseo Bossman, Big Calhoun, Roger Phillips, Brunica and Refael.

Much interest is manifest in the First Tri-City Match Race ever staged at the Sanford-Orlando track. It is scheduled for Friday, Jan. 18 when greyhounds from Sanford-Orlando, Tampa and Jacksonville will compete on the local oval. Previously the same six stars will meet at Tampa this Saturday night and the last race of the series will be in Jacksonville, Jan. 20.

WEATHER: Frost or freezing warning tonight. High today, 50-58. Low tonight, 32-40.

VOL. 53 United Press Leased Wire Established 1908 TUESDAY, JANUARY 2, 1962 SANFORD, FLORIDA NO. 357

Freeze, Frost Forecast Tonight In County As New Cold Hits

A very strong cold front, the third severe one of the winter, dropped temperatures to chilly lows over Seminole County today and threatened a widespread freeze tonight.

The weather bureau here predicted frost over some areas in the county with temperatures expected in the low 30's tonight and early Wednesday.

However, County Agent Cecil Tucker said today that early morning lows of 33 were not severe enough to threaten crops, but Seminole County residents and visitors were reaching for heavy wraps again.

Tucker said that from 25 to 30 percent of the citrus crop suffered leaf drop but there was no "severe damage to the wood and no change as far as the fruit was concerned."

Tucker estimated that temperatures would have to be considerably below 30 to really hurt the county's \$11 million dollar agricultural industry.

Around the state, Pensacola reported the lowest reading, a 32. Miami Beach had 49, Miami 46, Daytona Beach 43, Tampa 46, Orlando 43, and Key West 63.

The Miami Weather Bureau called the front which moved into the state Monday "very strong," and forecast "frost or freezing temperatures" over much of Florida tonight.

Lows were predicted for Wednesday morning ranging from 25 to 32 in the northern part of the state to 32 to 40 in South Florida.

Intermittent showers fell in Miami from the freeze was "no need for alarm."

On the tourist scene, Dick Pope Sr., chairman of the advertising and tourist development division of the Florida State Chamber of Commerce, said he would call an emergency meeting of all tourist industry leaders in the state for Jan. 10 at Miami Beach.

Pope said the cold weather in the state had brought the tourist trade to a "grinding halt."

He said that last week the state was "bursting at the seams" with out of state visitors, but that Thursday there was a "flood of them out of the state."

"The leaders of the tourist industry must adopt and carry out an emergency plan to retool our state to the Northern vacationers," Pope said.

Monday, Florida Citrus Commission Chairman Key Stiles called for a special meeting of the commission this afternoon to evaluate damage to citrus crops caused by Friday night's freeze.

Preliminary county-by-county surveys had indicated damage

MRS. MARTHA ASHBY, clerk in the county auto tag office, is shown filling out papers for one of the early purchasers of a 1962 Florida license tag. The new plates went on sale this morning at the Seminole County Courthouse.

City Commission To Reorganize Tonight

The City Commission will meet in special session tonight to be reorganized for the coming year. Indications are that J. H. (Jimmy) Crapps will be elected mayor to succeed Joe Baker.

In other business, the 1960-61 audit will be presented to the board and a survey by the Herald revealed this morning that it shows the past year's operations to be "very good."

Key indicators point to a surplus balance of \$40,599 as compared to the 1960 balance of \$12,600.

The utility department budget shows a surplus of \$140,633 as compared with \$59,923 for Dec. 30, 1960. This indicates a sound fiscal operation, according to City Manager W. E. Knowles.

Knowles, in a memo to the board, will say that this is a radical change compared with eight years ago when there were deficits, over-expenditures, and unpaid bills.

Knowles this morning said he also will ask the commission, at its 8 p.m. meeting, to give the green light to proceed with a sewage treatment plant.

The State Health Department has assured the city that federal funds are now available for construction of the \$400,000 sewage facility.

Chamber of Commerce President Richard Deas today announced committee chairmen for the new year.

R. J. Hauman was named chairman of the finance committee. Also serving on that committee are Jack Green, John Ivey and George Touhy.

Other chairmen named were Andrew Carraway, Armed Forces; Cecil Tucker, Agriculture; Vernon Mize, Legislation; H. W. Lee, Waterways; George Touhy, Advertising; J. H. Van Hoy, Education; Tom McDonald, Industrial; Bob Sheddin, Tourist; E. C. Harper Jr., and Charlie Robinson, Merchants, and Douglas Stenstrom, Planning.

31 Killed In State Over New Year's

By United Press International

The 78-hour New Year's weekend came to an end Monday night, but not before Florida registered a toll of 31 accidental deaths.

A United Press International survey showed traffic deaths headed the list of accidental deaths with 21, followed by six deaths from fires, two from drowning, and one each from accidental shooting and carbon monoxide poisoning.

The traffic toll exceeded the 17 predicted by the Highway Patrol before the weekend began at 8 p.m. Friday.

Chamber, County, School and City officials today looked forward to 1962 with an air of optimism and a cautious warning for all administrative bodies to work together and "eliminate sectional jealousies" to assure the progress and welfare of the county.

Chamber of Commerce manager John Kridler said 1962 "presents a tremendous challenge to our leaders."

He said that long range planning is a "must" if "we are to take advantage of the expected benefits from the Nova project. He emphasized the desired objectives are always quite impressive. However, Kridler added to achieve our goals "we must eliminate sectional jealousies and work together."

Kridler said the chamber is looking forward to its most productive year.

Supt. of Schools R. T. Milwee said he felt the next six months will be the busiest time he has ever experienced in the County School office.

"A great deal of planning must be done to accommodate the growth expected from the Nova Project in the County with much of it beginning next fall. At the present time the county office is preparing plans for the use of Public Law 815 Funds, the Federally impacted Area Law, for the construction of a new building and additions to the various schools in the county," he said.

The County Staff, Principals and teachers are reviewing and will continue to review and study the new State Dept. of Education Accreditation Standards which will go into effect next school year.

plus balance of \$40,599 as compared to the 1960 balance of \$12,600.

King-Sized Snow Hits Dixie Areas

By United Press International

A Yankee-style eight-inch snowfall closed Dixie schools and highways today and a new cold weather threat brought an exodus of tourists from Florida's winter vacationlands.

Western North Carolina got the heaviest snowfall—eight inches in Swain and Jackson counties and as much as seven inches along the Blue Ridge Parkway. Bryson City had seven inches.

South Carolina had seven inches of snow Monday but much of it was melted by ensuing rain. However, schools were closed today in Greenville, Spartanburg and Cherokee counties.

At least five North Carolina counties closed schools.

Northern Georgia got up to three inches of snow and some roads were closed. All major roads were reported open in North and South Carolina, but driving was hazardous.

Eastern Tennessee got as much as six inches of snow.

Alabama had light snow mixed with rain. Western sections of Virginia had four or more inches of snow.

Western Samoa Newest Nation

AUCKLAND, N.Z. (UPI)—Western Samoa, a country with only one town, no army, no railways and no political parties, is the world's newest independent nation.

The New Zealand flag was lowered Monday and Western Samoa's red, white and blue flag was raised—ending 46 years of New Zealand administration which began during World War I when New Zealand forces seized the onetime German territory.

Churches were packed for the independence services and church bells pealed at midnight.

Moments after the bells stopped ringing, thousands of firecrackers were set off and singing, guitar-strumming crowds thronged in Apia throughout the early morning hours. Europeans danced with Samoans at an unofficial ball.

Newly Sworn Mayor Upsets Altamonte's Applegate

Mayor Lawrence Swofford of Altamonte Springs will recommend the appointment of Grady Hall, Seminole County district six constable, as the town's police chief and acting fire chief at a meeting of the city council called for 7:30 p.m. today.

The resignations of Police Chief Tracy Sullivan and Fire Chief Dick Young were handed in early Monday morning after Swofford and Councilmen Frank Gerhardt and Keith Nixon, all elected Dec. 6,

were sworn into office within minutes after the New Year rolled in.

In other action of today's meeting, Swofford said that he will ask that the council veto the new zoning ordinance adopted last Friday night at a called meeting of the old council. All members of the

Planning and Zoning Commission which drew up the controversial ordinance dividing Altamonte Springs into geographical zoning districts had submitted their resignations prior to the Friday meeting, Swofford said.

Veto is permissible according to the town's ordinances if action is taken within five days.

The new mayor said early this morning that he does not expect to recommend any committee appointments at the meeting tonight.

Holiday Death Toll 476: Traffic 331

By United Press International

The nation's New Year's holiday death toll equaled the advance estimate today and the National Safety Council feared it might climb above the 1961 figure when United Press International counted 330 highway fatalities.

However, it appeared the total would fall well short of the record 374 deaths for a three-day New Year's weekend set in 1959.

The National Safety Council had estimated in advance that 330 persons would be killed in traffic during the holiday period.

There were two deaths in Seminole County due to burns but no traffic fatalities.

A United Press International count showed 331 persons dead in traffic during the 78-hour holiday period between 6 p.m. Friday and midnight Monday.

The death breakdown: Traffic 331, Fires 54, Miscellaneous 87, Total 476.

As usual, California led the nation with 42 highway deaths. Texas had 31, New York 23, Florida 21 and Oklahoma 19.

2 Church Breakins Here Investigated

Police today are investigating two church breakins sometime Monday night.

Chief Hoy Williams said that the poor box at Holy Cross Episcopal Church on Park Ave. was entered while the Church of the Latter Day Saints was also broken into.

Williams also said that the money box at the city zoo was pried open and a small amount of change stolen.

New Dominican Junta Starts Work

SANTO DOMINGO, D. R. (UPI)—The new Dominican junta government starts work today on a long list of tasks assigned by prospective president Rafael Bonnelly.

Bonnelly expressed confidence that other western hemisphere nations would soon end diplomatic and economic restrictions on the Dominican Republic, paving the way for President Joaquin Balaguer to resign and surrender full power to Bonnelly.

He also promised "ample liberties" to political parties and guaranteed "unrestricted exercise of all public liberties," specifically including freedom of the press and of the radio.

Bonnelly said immediate study and planning were necessary in the fields of farming, business, industry, education and taxation.

He said the junta will solicit the aid of the United Nations, the Organization of American States and "any foreign nation or government" which is willing to offer assistance.

Thompson was accompanied by Kempton B. Jenkins, second secretary of the U.S. Embassy here.

The U. S. Ambassador declined to discuss details of the conversation. But he said he will report to Washington immediately and wait for instructions for the next meeting.

Navy Flier Killed

JACKSONVILLE (UPI)—Lt. Nils Swenson, 29, was killed Monday night when his Navy A4D Skyhawk crashed into the woods south of Middleburg near here.

The Navy said Swenson of Virginia Beach, Va., was on a routine training flight from Ocala Naval Air Station in Virginia. Cause of the crash was not determined.

Cooperation 1962 Theme For City, County

Chamber, County, School and City officials today looked forward to 1962 with an air of optimism and a cautious warning for all administrative bodies to work together and "eliminate sectional jealousies" to assure the progress and welfare of the county.

Chamber of Commerce manager John Kridler said 1962 "presents a tremendous challenge to our leaders."

He said that long range planning is a "must" if "we are to take advantage of the expected benefits from the Nova project. He emphasized the desired objectives are always quite impressive. However, Kridler added to achieve our goals "we must eliminate sectional jealousies and work together."

Kridler said the chamber is looking forward to its most productive year.

Supt. of Schools R. T. Milwee said he felt the next six months will be the busiest time he has ever experienced in the County School office.

"A great deal of planning must be done to accommodate the growth expected from the Nova Project in the County with much of it beginning next fall. At the present time the county office is preparing plans for the use of Public Law 815 Funds, the Federally impacted Area Law, for the construction of a new building and additions to the various schools in the county," he said.

The County Staff, Principals and teachers are reviewing and will continue to review and study the new State Dept. of Education Accreditation Standards which will go into effect next school year.

Bulletin

BEIRUT, Lebanon (UPI)—Army troops, sweeping the country in a purge of rightwing supporters of Sunday's abortive attempt to overthrow President Fuad Chehab, have arrested some 1,000 persons, Lebanon radio said today.

First 1962 Baby Is Son Of Proud Longwood Couple

The first baby born in Seminole Memorial Hospital this year is Jason Jay Varnum, son of Mr. and Mrs. Ira L. Varnum of Longwood, who tips the scales at six pounds and five ounces and is 19 inches long.

He joins four sisters and a brother at their Longwood home, and has brown curly hair.

An entry stating the exact time and day of his birth and any other child who may have been born in the county on New Year's Day must be filed on a delivery doctor's or hospital's statement by the legal parents of the baby, with the Sanford Herald before midnight, Friday. Entry must list the place of birth, sex, weight and name, the name and address of both parents, and be signed by the doctor who delivered the child.

Along with abundant good wishes and blessings the first baby will receive a beautiful silver bank from Kader's Jewelry; a feeding nursery chair from Wilson Maier Furniture Co.; a feeding spoon and rattle from Wer's Jewelry; a nursery chair from Furniture Center; two contour crib sheets from Kell's Dept. Store; a pair of baby shoes from Store's Shoe Store and a \$3 certificate from Toy Corral.

The parents will receive a year's subscription to the Sanford Herald, 25 premium birth announcements from Progressive Printing Co., and a chicken dinner from Pincroft Inn. His mother will enjoy a professional shampoo and set for her hair from Harriett's Beauty Nook.

3 Mark New Year By Escaping West

BERLIN (UPI)—The new year was ushered in by West Berliners on a cheery note with no serious border incidents reported.

Three East Germans managed to escape to the West unharmed. One of the refugees was a 14-year-old girl who crawled alone under barbed wire. The others were young men in their early 20s who also slipped across the border without being seen by the Red sentries.

West Berlin police reported the border was extremely quiet. There were no clashes.

East German Communist boss Walter Ulbricht said Monday that the signing of a German peace treaty is a vital task for 1962, but he did not set a deadline.

Ulbricht, in a speech to East Berlin's diplomatic corps at a New Year's reception, demanded direct negotiations between East and West Germany, according to the East German news agency ADN.

Berlin's Protestant Bishop Otto Dibelius, who was prevented from delivering his annual New Year's sermon in East Berlin, spoke instead over West Berlin radio stations.

"The wall through Berlin is a daily reminder of the danger of sinking in blood and tears in the darkness of a new barbarity," he said.

Hunt Stray Dogs That Killed Girl

PORT ARTHUR, Ont. (UPI)—Lumbermen today hunted a pack of stray dogs that killed a 6-year-old girl as she walked home from Sunday school.

Provincial police gave the permission to hunt down and kill the dogs shortly after little Deborah Jane Richards, of Auden, was clawed to death. It was believed the dogs—all from an Indian village—got the scent of the girl's German shepherd dog on her clothes.

The stray dogs hung around the village often for food and frequently fought with the Richards' dog, police said.

Cugats Robbed Of Gems, Furs, Cash

NEW YORK (UPI)—While bandleader Xavier Cugat and his singer wife, Abbe Lane, were busy entertaining New Year's celebrators early Monday, burglars slipped off with more than \$50,000 in gems, furs and cash.

The couple told police the loot included about \$46,500 in jewelry and furs and about \$500 in cash.

Tough Battle Looms Between Banks, Loan Groups

WASHINGTON (UPI) — Competition between banks and savings and loan associations for depositors entered a new round today. It promised to be a tough fight.

Whichever way the tide of battle for savings deposits goes, one thing appeared certain: Savers will be able to earn more interest and some borrowers will have to pay more.

On this first business day of 1962, government and industry officials began a close watch to see how the public would react to higher interest rates being offered by an important handful of the nation's 12,400 commercial banks.

The government a month ago boosted from 3 percent to 4 percent the maximum rate on savings accounts in commercial banks, effective Jan. 1, 1962.

Banks offering these rates will be more competitive with the nation's 8,200 savings and loan institutions, which usually have paid more than banks.

How much of a shift in deposits will here be? That question worries both savings and loan management and bankers trying to hold the line on rates as well as government officials.

Some government officials fear that a shift of money to banks would diminish the supply of home loan money from savings associations. That, plus higher savings and loan dividend rates, could push up mortgage costs and crimp home building and related industries.

Only a relatively few banks have announced they would pay a higher interest rate on savings accounts. The American Banker Daily has estimated the number at 3 percent of the total, or about 400. But this includes big banks in New York City and some big institutions elsewhere. Moreover, they are advertising their new rates in newspapers and on the air.

Under the new rule, the banks may pay 3 1/2 percent on all savings deposits and 4 percent on funds left undisturbed for a year or more.

Savings and loan associations have been paying roughly from 3 1/2 and 4 percent in the East, to 4 1/2 percent in the West. There is no limit on the dividend rate of federally chartered savings associations.

Famed Hollywood Attorney Dies

BEVERLY HILLS, Calif. (UPI) — Attorney Jerry Gleaser, defender of Hollywood's glamor girls and leading men for 30 years, died at his home of a heart attack Monday. He was 75.

No longer will movie stars be able to shout, "Get me Gleaser," when troubled by the law.

For it was the famed attorney who came to the rescue of such celebrities as Marilyn Monroe, Robert Mitchum, Charles Chaplin, Lana Turner and Errol Flynn.

In a career that spanned almost 30 years Gleaser became a legendary figure in California courts, winning almost all his cases.

The heart attack was the sixth suffered by the attorney in a year. He had returned from Mt. Sinai Hospital last Nov. 19 where he was recuperating from a heart seizure.

At his side when the end came was a nurse, and his wife of 30 years, Ruth.

He also is survived by a son, Michael, and two daughters, Jerry Lee Wright and Mildred Lee Donnelly.

ARMY MAJ. Gen. Alfred D. Starbird (left, top) has been named by the Defense Department in Washington to head Joint Task Force Eight. The new unit has been set up to prepare for future nuclear atmospheric tests when authorized by President Kennedy. Top right is Maj. Gen. Robert H. Booth, chief of the Defense Atomic Support Agency. At bottom are: Adm. John S. Samuel (right), representing the Air Force, and Rear Adm. Lloyd Mustlin.

Full Impact Of Bus Strike Hits New York

NEW YORK (UPI)—A strike by two private bus lines tangled the community habits of 1.8 million New Yorkers and suburbanites returning to work today after the long holiday weekend.

Adding to the woes of riders of Fifth Avenue Coach Lines and two subsidiaries was a forecast of light snow, which could foul increased automobile traffic movement on the city's busy streets.

And today appeared to be only the beginning of the ordeal. Neither the bus companies nor the Transport Workers Union (TWU), which walked out at 12:01 a. m. EST, New Year's Day when contracts expired, scheduled any negotiations.

Buses and subways operated by the New York City Transit Authority and five other private bus lines—which carry nearly 7 million daily riders—were running normally. The transit authority and the other companies settled a contract with the TWU last week.

Hardest hit was The Bronx, which now has no bus service, and Manhattan, where Fifth Avenue Coach and subsidiary Surface Transit, Inc., provide much of the service. The two lines carry 1.3 million riders daily. About 200,000 patrons of another subsidiary, Westchester Street Transportation Co., in suburban Westchester County also had to find alternate ways of reaching their jobs.

The transit authority scheduled maximum service on Manhattan-Bronx subway lines, but still expected a worse than normal jam of riders. It also put on more buses.

The public school system ordered classes to start an hour later today and end an hour early today.

All-time high-score basketball game occurred Feb. 27, 1959, when the Boston Celtics defeated the Minneapolis Lakers 115-110.

Dear Abby:

DEAR ABBY: What do you think of a man who tells you he wants to go to jail? He says he is thinking up a way to get in. He says he is planning to throw a brick through a window, or talk back to an officer, or do something that he can get arrested for. He tells me he can't stand the noise around here. We do have six little ones. I can't tape their mouths shut but, if I can stand it, so can he.

He says he is fed up with me, married life and the children, and the only place for him is jail where nobody can bother him.

DEAR WORRIED: I've heard of men trying to break OUT of jail but never INTO one. If your husband is joking—laugh. If he is serious, call a doctor. He should have his head examined.

DEAR ABBY: Every year my husband's favorite aunt comes to visit us for about two weeks. She is very jolly and pleasant but she has one fault that bothers me. She keeps her suitcase locked and sews the key to her girdle. I don't know what she has that is so valuable, but certainly no one in this house would take anything. I think this is an insult to a hostess. How would you feel about a guest who locks everything up while visiting in your home?

By Abigail Van Buren

DEAR HURT: We all have our little peculiarities. Security is hers. Overlook it.

DEAR ABBY: My mother and I have a difference of opinion or something, and want your advice. My boy friend is going to give me an engagement ring very soon. My mother thinks he should give it to me in front of everybody at the engagement party she is going to give. I think he should give it to me in private. What is your opinion? IN THE CLOUDS

REAR IN: Have him give it to you in private, and announce it at the party.

DEAR ABBY: I burst into tears as my lover of ten years (a lawyer) told me he had decided to go back to his wife. He said, "I have no contract with you."

Please warn other stupid women about this phrase.

Respectfully, "TEN YEARS SHOT"

Are things rugged? For a personal reply, write to Abby, Box 3365, Beverly Hills, Calif., and don't forget a stamped, self-addressed envelope.

For Abby's booklet, "How To Have A Lovely Wedding," send 50 cents to Abby, Box 3365, Beverly Hills, Calif.

We The Women:

It looks as though science has now fixed things so that nobody—not even a newborn babe—is going to ever have to listen to the "sound of silence."

By Ruth Millet

For any baby entering today's world. Silence is what nobody seems to be able to stand any more. Once the infant outgrows his wired for sound sandman he can move right in front of the TV set and start listening to TV advertising jingles.

Jacoby On Bridge

The Corpus Christi tournament was the scene of one of the luckiest hands of 1961. It did not matter whether South opened one no-trump or one heart. At all tables except one, he wound up playing a four-heart contract. Due to the fact that South had the same number of spades and diamonds as his partner and because clubs failed to break, no one made four hearts.

By Oswald Jacoby

Little hope of making his contract, but miracles sometimes happen at bridge. His next play was to throw West in with a diamond. West promptly cashed four diamond tricks and the miracle came to pass. Joe discarded down to the ace-nine of clubs and a spade in dummy and East had to go down to three cards also.

Highlights

8-530 p. m. (CBS) Password. (Premiere). The daytime audience participation show gets its first nighttime airing with host Allen Ludden and guests Garry Moore and Carol Burnett. Whether or not you like this type of show, the antics and wit of Moore and the unpredictable Miss Burnett make it a half-hour well spent.

DeBary WSCS

Presents Christmas Program

The Naomi Circle of the WSCS of the DeBary Community Methodist Church held the December meeting and Christmas party in the Social Hall of the church, with Mrs. Wesley Sankamp in charge of the devotional program.

Mrs. William Bownet and Mrs. Adam Muller sang several selections as duets and members joined in singing carols, accompanied by Mrs. Everett Switt, at the piano.

Mrs. Frank Blaha, hostess, served refreshments of cake, ice cream, candies and nuts. Other members present were Mrs. Ray Higgins, Mrs. J. Perry, Mrs. Hugh Booth, Mrs. H. Campbell, Mrs. O. Steerman, Mrs. Damon Scott, Mrs. Fred Arter, Mrs. LeRoy Haslam, Mrs. Julia Opiola, Mrs. Orville Jones and Mrs. E. Cooper.

Church Calendar TUESDAY

Daughters of Wesley Sunday School Class of the First Methodist Church meets at 7:30 p. m. in McKinley Hall with Mrs. L. E. Estes and her group serving as hostesses.

MRS. HARRY WEIR, right, said goodbye to more than 100 friends at a farewell coffee in her honor, at the home of Mrs. Fred Ganas, recently. From left are co-hostesses, Mrs. J. E. Terwilliger Jr. and Mrs. Vann Parker, Mrs. Ganas and Mrs. Weir. Mrs. Roy Mann assisted the hostesses in serving assorted pastries, wafers and coffee. The Weirs will be leaving this week for their new home in Arizona. (Herald Photo)

Indiana Couple Visits Family In North Orlando

By MONA GRINSTEAD

Mr. and Mrs. Henry A. Ward Sr. have returned to their home in Indiana, after a holiday visit with their son, Henry A. Ward Jr., and his family, in North Orlando.

The Wards engaged in extensive sightseeing while on the way to Florida. They stopped in Kentucky and visited in Manchester, Tenn., and Lookout Mountain near Chattanooga. They were interested in the long needle pines of the Southern states, as Indiana has fewer pines of a different variety.

They spent some time in Griffin, Ga., and enjoyed watching workers picking pecans. After staying overnight in Lake City they went to Silver Springs and made the tours in the glass-bottom boats.

Mrs. Ward stated that her greatest thrill was seeing the oranges growing on the trees. She was fascinated with the many beautiful flowers in this section. Her hobby is flowers and she said that "her flowers could never compare to the ones in Florida."

Catholic Women Plan Meeting Next Monday

The All Souls Catholic Women's Club will hold its regular monthly meeting Monday, Jan. 8, at 8 p. m. in the Parish Social Hall.

The ladies are requested to bring their arts and crafts and any hobby they might have along, as it is hoped we can have a large arts and crafts display.

All ladies of the parish are cordially invited.

First completely enclosed starting gate in thoroughbred racing was introduced at a Vancouver, B. C. track in 1939.

Mr. And Mrs. W. M. Haynes Observe Golden Anniversary

Mr. and Mrs. W. M. Haynes, 314 Magnolia Ave., celebrated their golden wedding anniversary Dec. 28. No formal celebration was held but they attended a family reunion at the home of Mr. and Mrs. D. B. Watkins in Pahokee the day before.

The couple was married in Jacksonville, Dec. 28, 1911 and have lived in Sanford ever since.

They have three children, Mrs. J. A. Sands, Orlando; Mrs. D. B. Watkins, Pahokee, and Dr. Walter Haynes, Columbus, Ohio. They also have seven grandchildren and two great-grandchildren.

At the time of their marriage, Mr. Haynes was business manager of the Sanford Herald where he remained until 1920, when he sold his interests and with Z. B. Ratliff opened the Celery City Printing Co. Since 1937 he has operated the Rayner Office Machine Co., of Sanford.

Mrs. Haynes served as organist for the local Eastern Star for many years and Mr. Haynes is past president of the Sanford Rotary Club, of which he is a charter member.

He is also past master of the local Masonic Lodge. Both are members of the First Methodist Church.

MR. AND MRS. W. M. HAYNES (Herald Photo)

Past Noble Grands Name New Officers

The Past Noble Grands Club met at the home of Mrs. Eileen Rector on the Old Orlando Hwy. for their December meeting and annual Christmas party.

The meeting was opened by Mrs. Eileen Rector, president. Mrs. Mae Myers gave the devotions, "The Masterpiece," a story of the writing of Handel's Messiah and closed with a Christmas prayer. Mrs. Rector reported on her recent visit to the Odd Fellows Home in Gainesville and stated that each guest had been presented a gift from the Past Noble Grands Club.

Officers for the coming year were installed by Mrs. Virginia Anderson, installing officer, Mrs. Mae Myers, installing marshal and Mrs. Essie Cole, installing chaplain.

New officers are Mrs. Clarence Snyder, president; Mrs. Henry Jameson, vice president; Mrs. May Rubow, secretary, and Mrs. D. C. Howard, treasurer.

Mrs. Rector, retiring president, was presented a lovely gift by the club.

Under the new president, plans were made for the banquet to be held Feb. 22 to entertain the president of the Rebekah Assembly.

Following the business meeting Christmas carols were sung and gifts exchanged. Also gifts from the secret pals whose names were revealed.

Delicious refreshments were served by the hostess whose home was beautifully decorated for the season. A large Christmas tree

was in one corner of the room and two net trees were on the piano. Other arrangements were throughout the room.

Others attending were Mrs.

Brodie Williams, Mrs. Howard, Mrs. Mary Jameson, Mrs. Henry Jameson, Mrs. Rubow, Mrs. Delany Beecher, Mrs. Nancy Dohbins, Mrs. Nell Furell, Mrs. Ma-

ble Browne, Mrs. Snyder, Mrs. Beulah Thurston, Mrs. Minnie Taylor and two guests, Mrs. Virginia Roche and Mrs. Eva Heckham.

OFFICERS AND INSTALLING OFFICER of the Past Noble Grands Club are from left, Mrs. D. C. Howard, Mrs. May Rubow, Mrs. Clarence Snyder, Mrs. Virginia Anderson and Mrs. Henry Jameson. (Herald Photo)

Lake Monroe Club Plans Meeting Thursday Night

The Lake Monroe Home Demonstration Club will meet Thursday night at the home of Mrs. Louise Thompson, Palm Terrace Rd.

Mrs. Mable Carroll will serve as co-hostess and the program, presented by a Sanford attorney, will be a discussion on legal matters.

All members and their husbands are urged to attend. The program will start at 7:30 p. m.

Osteen

Personals

BY MRS. CLARENCE SNYDER CWO and Mrs. S. G. Brooke and children Barbara and Sammy, who are stationed at the Air Force Base at Charleston, S. C., spent the holidays with his mother, Mrs. Lois Brooke and sisters, Mrs. Don Stowell of Sanford and Mrs. Edwin Braddock of Enterprise.

Christmas dinner guests of Mrs. Sam Brooke were, Mr. and Mrs. S. G. Brooke and children, Barbara and Sammy, Mr. and Mrs. Don Stowell and children, Maxine, Corky and Vince, Mr. and Mrs. Edwin Braddock and children, Danny, Jimmy, Alan and Crystal. Guests of P. H. Jones and Mr. and Mrs. L. W. Jones over the Christmas weekend were, Mr. and Mrs. Lula Baris and Mr. and Mrs. R. A. Davis and son Randle of Bamberg, South Carolina; Mr. and Mrs. Gene Sargent and children Ronnie and Reatha of Atlanta, Ga.; Mr. and Mrs. John Snivley and Mr. and Mrs. Joe Snivley of Philadelphia, Pa. and Mrs. Clifton O'Quinn of Branchville, S. C.

Altamonte Springs

Personals

BY SHIRLEY WENTWORTH Mr. and Mrs. Milton Tinsley of Altamonte Springs spent Christmas Day with Mr. and Mrs. Ralph Peter, also of Altamonte Springs. The group enjoyed a delicious dinner to climax a pleasant day together.

Wood-block printing was invented by the Chinese perhaps as early as A.D. 770. The King of Korea established a foundry for the casting of movable type about 1403 but Koreans probably learned the process from the Chinese.

Mrs. Sowell Named CPO Club President

Nominations and election of new officers for the CPO Wives Club was the main item on the agenda when the group met for the final meeting of the year.

Mrs. William Sowell was elected president. Other officers named to serve with her for the next six months were Mrs. Roy J. Morris, vice president; Mrs. William Marsh, secretary, and Mrs. Wayne Snyder, treasurer. The installation luncheon will be held Jan. 8 at 12:30 at the Tiki Restaurant.

Mrs. Rex King, retiring president, presided at the meeting. Elvera Laurence, central committee representative, reported that Capt. Henderson suggested that various Navy Wives Clubs sponsor the decorating of rooms in the dispensary. It was voted that the CPO Wives Club would paint and fix up the isolation room as their part in the project.

Joyce Edvardson reported that she and Edna Murray had attended the monthly business meeting of the Little Red School House. The club voted to send a donation each month to help the financial responsibilities of this school. The annual Christmas dinner

Mrs. E. L. Blocker of Chipley and Mrs. G. A. Tyler, Osteen, were holiday guests of Mr. and Mrs. W. L. Tyler and Linda. Linda has been visiting with relatives in Green Cove Springs the past few days.

Longwood

Personals

Mr. and Mrs. Johnny Johnson and family spent the holidays with relatives in Panama City.

Mrs. Mary Martin is visiting relatives in Cullman, Ala. Harold Wilaier of Charleston, S. C., and Terry Sellers of McMill Air Force Base, Tampa, were holiday guests at the home of Mr. and Mrs. Kirby Sellers.

Mr. and Mrs. W. T. Bennet of Athens, Ga., and Mrs. C. A. Adams and Mrs. Elizabeth Sharon of Sanford were recent guests of Mrs. Bertha Hardin and Miss Sarah Burns.

Mr. and Mrs. Bennie Keigans of Pasadena St. had as their guests for Christmas dinner, Mr. Keigans' father, and his aunt, Mrs. Addie Bryant, and Mrs. Keigans' mother, Mrs. Jane Labree and her sister.

Underdogs

It's a commonplace to say that Americans like underdogs, in everything from sports to politics.

Do they really? Some elements of the sporting public have always been notoriously fickle. But in recent years increasing numbers of sports viewers seem to be insisting on having a winner at all costs. The loser—and his coach—are quick to feel verbal and occasionally even physical abuse.

The Michigan State football coach, Duffy Daugherty, whose team played a rugged 1961 schedule, properly tore into critics who stormed at him and his players for "merely" winning seven of nine games played.

Dare we ask to examine the week-to-week performance of the students, alumni and general public who do the criticizing? The chances are that their average "winning" percentage is not so hot.

What they need is a little more recognition of human frailty, and a great deal more fundamental loyalty—a commodity in shorter and shorter supply as the years pass.

Dr. Crane's

Worry Clinic

Progressive newspapers are taking the lead in teaching young people sane sex knowledge. Indeed, your newspaper is doing as much to present the unbiased facts as probably all other agencies combined.

CASE L-402: Johnny X, aged 15, is a high school sophomore.

"Dr. Crane, I am a steady reader of your CASE RECORDS," he recently informed me after my address before his high school assembly. "I have found your subjects very interesting and helpful. Sometimes I use them for ideas to develop in my English themes."

"I am fifteen years of age, and feel that I should know something about sex. My parents have never talked to me about it and probably never will, unless I ask them."

"But I can't do that, regardless of how hard I try. Oh, I know a lot about the subject, since I have picked up a great deal from my pals, but I don't think all I've heard is the truth."

"So, Dr. Crane, I wish you'd discuss this problem in your column. A lot of us boys in high school are watching for it. But don't use my right name in the case, for I don't want anybody to know I asked you."

Sex Facts

So I've called him Johnny X, and have decided the case is so universal among youths as to warrant discussion.

Millions of teenagers are needlessly confused, terrified or obsessed with guilt complexes, just because their parents or teachers have never given them the full and unprejudiced story of sex.

As a physician, I've had teenage girls come to me in terror because they thought they were dying.

And boys who had been preyed upon by quecks, have consulted me, thinking they had venereal disease, when they had nothing of the sort.

Moreover, young people by the tens of thousands still have guilt complexes in this realm and worry lest they are going to lose their minds or go insane. Why? Because they have occasionally indulged in self-sex practices.

Newspapers Spread Truth

While the current debate goes on as to whether parents or teachers or clergymen or physicians should give young people a little sane scientific counsel on the important subject of sex, the newspapers are coming to the front as

one of America's chief educational forces.

With their war on venereal disease, their support of medical examinations prior to marriage, and their sponsoring of such scientific columns as this one, they are methodically educating a people while others are still quibbling about how, when, why and where.

Self-sex practices are not wise, but they do not lead to insanity. It is criminal, therefore, to terrify youth and drive them to patent medicine quacks just because some numbscull of the past visited an insane asylum and witnessed self-sex practices among the inmates.

The self-sex practices did not produce the insanity even though the insane may engage in them. In fact, monkeys and apes at the zoo also practice self-sexual stimulation, as do babies and most boys and girls until marriage eliminates the need.

I have hundreds of records in my files of men and women who are very bitter toward their parents because the latter failed to give them correct sexual information early in life.

But I have no record of anybody who has protested because his parents gave him too much sound sexual information, or because they gave it to him too early!

If you are in doubt, therefore, give your child too much information instead of too little. Give it too early instead of too late. And don't flush or act embarrassed. You are prudent if you cannot discuss sex casually with your children.

Send for my bulletin on SEX PROBLEMS OF YOUNG PEOPLE enclosing a 4 cent stamped envelope, plus 20 cents.

Every boy and girl should have a copy. Send one to your niece or nephew if you have no children of your own, or pass it along to the leader of your church's Boy Scout Troop.

(Always write to Dr. Crane in care of this newspaper, enclosing a long 4 cent stamped, addressed envelope and 20 cents to cover typing and printing costs when you send for one of his booklets.)

First day nursery in the U.S. opened in New York City in 1854, according to the Encyclopedia Britannica.

Marriage of Inconvenience

Henry McLemore

The United States is out of step with the rest of the world. We are old-fashioned, not up to date.

This could well be the cause of many of our troubles and headaches.

We lend and give away money when it is fashionable to borrow or steal it.

We bend over backwards trying to make friends, while others seem to do their best to create enemies.

We are patient, while others are impatient. We turn the other cheek, others double up their fists.

We make concessions, while others grab. We make much of our weaknesses, others boast of their strength.

We talk, others act. India's neat tidy overrunning of tiny Goa is the latest example of how America needs to change its way of behaving in order to join the main currents of the world.

India got tired of being pestered by Goa, so India stormed into Goa and took it. That was last week, and already the incident has all but been forgotten.

People yelled a bit, but the noise soon died down and India has Goa. India paid no more attention to world opinion, if there be such a thing, than if it were the mooing of a sacred cow under a banyan tree.

East Germany built a concrete walk through Berlin, said the world think what is chosen, and added a few more bricks just to make sure.

China nibbles away at India without even making a pretense at being sorry.

Russia resumes nuclear bomb testing with a 50-megaton bang, says what a whopper that was, boys, and tells the world to mind its own business.

This sort of thing has been going on for years now, and the United States has sat patiently

and quietly by, handing out money with both hands, flirting with every country under the sun with a population of more than 150, and winding up unpopular in many parts of the world, and downright disliked in others.

There should be a change of behavior on America's part.

We need a little spirited, unwarranted, illegal action to bring us up to date. What about, say, a sudden attack on Nova Scotia?

We could justify it in some ridiculous way, and Halifax would be ours in a day—and with few casualties. World opinion would be outraged, of course, but only for three days at the most.

The United Nations would boil for half an hour or so, and Dean Rusk would be kept busy issuing reasons for the attack, but then all would be finished, and the U. S. would be right up there as up to date as the next country.

Let's try it!

Less Work, More Pay Seems The General Idea Now

By RICHARD STARNES

The year 19 and 62, which will be upon us before you can say soid lang syne in Swahili, may mark the date when everything started to stop.

It will take several years before everything stops completely, of course, but the trend is unmistakable. Everywhere you turn (everywhere I turn, anyway) evidence is at hand that we are dying up, slowing down, creating less, demanding more. Pretty soon, if I can read chicken entrails, everything she is going to stop.

In New York the gents who book up electric wires are clamoring for a 20-hour week, and the chaps who drive the subway trains are demanding a 22-hour week. Both trades threaten to tie the city up tighter than a Salvation Army collar if they don't get what they want, so they'll likely come within shouting distance of their goals.

The trend is not peculiar to labor either. Not long ago the President, hard put to make a speech without tackling any tough issues, chewed out American youth for being spectators instead of participants. It was right—the average American kid today has all the fire and enthusiasm of a boiled rutabaga. Ask one o' t'ole in a few sticks of firewood, for example, and you'll think you are witnessing the demise of a road company Camille.

If you doubt that aloth is the outstanding characteristic of our young 'uns, walk past any school at gathering time. You will be appalled at the number of sudy tots who are hauled thither in motorcars. Or walk a mile to the railroad station, as I do frequently, and your neighbors will quickly assume that you've gone crackers or had your auto repossessed.

Colonial hornbooks taught that idleness led to vice and it's as true now as it was then. Kids nowadays don't chore for their money; they shamelessly gouge it out of their cringing elders. Ask them to do a few modest household tasks in exchange for their stipend, and you'll encounter passive resistance that would wring cackles of glee from the skinny spook of Gandhi himself. The subway drivers and the elec-

trical workers could learn from today's children.

There is more support for my theory that someday everything is going to come to a shuddering stop. The Administration is urging something called a wilderness bill on us, and if it becomes law it will, in effect, interdict the development or profitable use of any land which is now wilderness.

And fully half of the Agriculture Department's tame zoologists spend every waking hour trying to figure methods of taking tillable land out of cultivation.

I have supported myself since age 16, and each year I work a greater percentage of time for the government—which is to say that each year more and more of my toil goes in part to support various shiftless clods who are not worth the bribe to pickle them. Why should an electrical worker expect to support himself with 20 hours of work a week? Why should some malarious, flyblown peasant out of pestilential, God-

forsaken "emerging" nation be a lifetime charge against me and every other productive human in this country?

I don't hold with the hard-posed types who makes a religion of productivity, but I do believe there is an inextinguishable relationship between useful toil and a man's (or a nation's) standard of living.

I couldn't care less if all the electricians in creation want to spend 85 percent of their time sitting on their hunkers and only 15 percent of it creating short circuits. But what they are really asking is that society (which is me) subsidize a life of near-idleness from toil.

The only way that can be done is by increasing the burden of productive society, which in the instant case will be done by higher building costs and, of course, higher rents. But, shucks, when everything stops, as it must, we'll all become vegetables and it won't make any difference anyway.

Seaboard Freight Train Derailed

LIVE OAK, Fla. (UPI)—A 150-car Seaboard Air Line freight train hit a broken rail Sunday and 20 cars were derailed, touching off a fire that lasted for 12 hours. No injuries were reported.

Five of the derailed cars were loaded with highly explosive butane gasoline, but firemen kept the flames away from these cars and averted an explosion.

Derailement of the big train, drawn by five diesel engines and headed east toward Jacksonville, forced diversion of traffic on nearby U.S. 90 to other roads.

Political Notebook

WASHINGTON (NEA)—When the United Nations General Assembly reconvenes Jan. 15 for what is intended but may not turn out to be a limited session, many critics maintain that it will be a waste.

The contention is that the UN is dying, if not dead—but doesn't know it. When the will is read the estate will be revealed as bankrupt and the survivors will get nothing.

The pessimistic view is that the spirit of the deceased may hover around for some time, sounding alarms and tapping out resolutions. But they will be uninterpretable and unenforceable.

That's the way the old League of Nations passed into history. The judgment is that the League, born in 1920, was mortally wounded 11 years later when Japan marched into Manchuria and nothing was done to stop it. Japan and Germany quit the League in 1933 as a result of world indignation.

But the league kept on meeting. What is not generally remembered is that it settled some 40 international disputes. Half might have led to wars, but were not allowed to.

The League was still alive when Italy marched into Ethiopia in 1936 in another naked aggression. That year Hitler and Mussolini formed the Rome-Berlin axis, later joined by Japan. Two years later Hitler annexed Austria and Sudetenland.

Then in 1939 Russia invaded Finland, Germany invaded Poland and the infamous Hitler-Stalin pact came into being. The League, still functioning in Geneva, expelled Russia. But the organization that was to keep the peace was whittled down from 60 to 46 small nations, powerless to prevent World War II.

The League itself did not go out of business, however, until 1946. That was when the new United Nations took over its surviving health, labor, welfare, refugee and trusteeship projects.

It is useful to recall this brief history of the old League before pronouncing its successor United Nations dead. It can still be a pretty live corpse. And it might get well.

The UN has surmounted obstacles the League was not able to deal with. It prevented a Communist take-over of South Korea. The UN has sent peace forces into the Near East to maintain an uneasy truce between Israel and the Arab countries. It has forces in the Congo trying to bring order out of chaos.

It may succeed in spite of dire predictions of failure. The United Nations was unable to do anything about Russian suppression of freedom in Hungary and East Germany, or about Red China's take-over of Kashmir.

The list of problems the UN has been unable to solve is long. But its failures are more the fault of individual bad actors among the nations than of the UN organization as a whole.

The major problems which confront the world as 1962 begins are hangovers from World War II, which supposedly ended 16 years ago. Or did it? Perhaps this is just a long armistice.

Against the Indian take-over of tiny Portuguese enclaves the UN will apparently be helpless to take corrective action. If this sets a precedent for Indonesia to move

against New Guinea and for Red China to move against Southeast Asia and even Taiwan, then general war may be in the making.

And if this does indeed mark the beginning of the end for the UN, as Ambassador Adlai Stevenson forewarned, it is not necessarily the end.

If history should repeat itself—which it seldom does—and if the UN is to follow the pattern of slow demise set by the League, it might be six or eight years before there would be a World War III. History has a way of moving more precipitously in this day and age than it did a generation ago, however. So the time might be less.

But there is time. There is life in the United Nations yet. The United States needs a work organization—not for protection, but

to help it in its leadership for peace.

If this UN dies, another, better one will have to be created. And there is hope, though courage is required to believe in it. This is the optimistic view.

By JOHN A. SPOLSKI
Happy New Year to all of my better lads and lassies!
My New Year's wish for one and all, may your average climb by at least ten pins prior to the end of the current bowling season.
May I be the one to present someone from this area with a \$500 Savings Bond as a result of bowling the perfect game—a 300 score.
Other wishes include George Touby presenting some of his Federal Savings and Loan Association trophies to any man or woman rolling a 700 and 850 series, respectively.
Another wish is for the men's and women's associations to have a tremendously successful city wide tournament.
And, oh how I wish that a couple of the men continue to improve to the point that they achieve their 200 or plus averages. There are a few whom I consider "200 Professional Category Bowlers."
Don't be too surprised to see a professional bowler or two doing well on the national scene representing Sanford in the not too distant future.
Whatever and however many there are of them, I hope that each and every wish comes true for you in '62.
Looking at the abbreviated league schedule this past week, immediately brings to my mind the success of the Junior Christmas Tournament. Gee, but it's stimulating to see the excitement and enjoyment of these youngsters as they compete in a tournament for the first time.
Bear in mind that many of these youngsters had never bowled a year or so ago. Lots and lots of "em look like they'll be whipping their parents in the next couple of seasons or so. And I'm particularly including myself into this group. Now I'm really starting to understand what they mean by the lyrics, "Daddy, you are growing older."
Oops and a million pardons, Hardy. Must have been some of that holiday cheer which made my fingers tingle Harbee Rodgers instead of Hardy Rogers in last week's column. Just for that you may call me Spot-it-spill-it-skill.
Bowling in the Sissy Scotch Doubles last week, Shirley Conkey defeated the difficult 4-7-10 split, Nice girl Shirley.
A couple of really, really big ones in the Thursday Nite Mixed Lg. Marge Woods (Troy State Ins.) and Dot Powell (Powell's Office Supply) each smashed home a 212. Eddie Michalek pounded "em way back into the pits with a whopping 230. Ed bowls for Wilson-Maler.
Series highs were by Powell—881 and Michalek—592.

The Friday afternoon Spare Ribbers had F. Rice shoot one of his better series, a 204/551. It was the lone Big Deuce of the afternoon.
Say, how nice to see Bonnie Szeckey bowl a 174 to tie with Grace Chickinski (add Spolski to those two names and I think you'll have a good backfield for Notre Dame) for the hi game in the Mr. & Mrs. Lg. Grace also led the women in series with a 463.
Don Dorman just couldn't miss as he showed "em all how with a 245 for hi singles honors and dependable DePalma same thru with a 611 set.
Talking about not being able to miss, you should have seen Carl Von Herbulis on Tuesday nite in the Businessmen's Lg.
Carl certainly had one of his better nights of bowling as he exploded the pins to the tune of 249/634. Atta boy, Carl.
Haven't seen John Burton's name in the news for a while so I guess he figured it was just about time for me to put it back into the column.
John lead all men in the Charles Music/Mer Mac Singles Classics with a winning combo of 222/598. Good to see him bangin' 'em home again.
Peggy Stewart of Jet Inn team in the Sandspurs Lg rolled a nifty 212/526 to be high not only in this lgr, but also topped many of the men in the All Star Men's lgr, which bowls alongside of the Sandspurs on Wednesday evenings.
Duffy's Ed Gonzalez had one of those good nites when you have a pocket anywhere at all between the 7 and 10 pins and he shoved home a 245, hi for the nite.
Handy Food Stores Johnny Wright continues to bend 'em around that head pin as he stormed home with a 635 set. I think he's now averaging well over the 190 mark.
Bob Steele (Gene's Cleaners) won the jp in the City League with a 218/576 nite. Looking thru the score sheets I see where this was one of those nites when the "Charmed Circle" was invaded too often.
There were only six games of 200 or better rolled on Wednesday night in this league. And get this, only five men out of a possible fifty made these six big games. Oh well, there's always next week, John!
That'll just about take care of her this week my friends and neighbors. Here's hoping you don't have too much difficulty in hitting your spot in the coming week's action.
I know that my New Year's Cheer won't (hic) affect me (hic) at all!
Shee youse all nesh week (hic Hic)!!!!!!

GREYHOUND CAGER LaRue Balmer will be in the lineup tonight when Lyman travels to Kissimmee for the 'Hounds second game of the season.
(Herald Photo)

Lyman Cagers Clash On Road With Kissimmee

Cochs Walt Dzurus and the Lyman Greyhound cagers attempt their second win of the season today at 8 p.m. as the Longwood players travel to Kissimmee to meet Coach Ralph Moore's Kowboys of Osceola High.
In Lyman's opener of the season the Greyhounds stopped South Sumter 58-48 after turning back an early tide for the Sumter players in Bushnell.
The Greyhounds are the favored team in tonight's clash between the two schools, with the Kissimmee defense sparked by only two returning lettermen, Roger Hadlock, six-foot-zero forward, and Bill Wilson, six-foot-two at center.
Last year the Kowboys managed to finish with a (9-11) seasonal record, but with only two returning varsity lettermen, Kissimmee's main problem is inexperience. That problem may turn out to be Lyman's asset.

LYMAN	POSITION	KISSIMMEE	POSITION
Ferris	forward	Haddock	forward
Shadix	center	Flater	center
Williams	center	Wilson	center

Seminoles - Wildwood Tonight

By PETE LEVEQUE
Herald Sports Editor
Seminole Coach Bud Laver sends his undefeated Sanford cagers up against Byrd Whigham's wild and wooly Wildwood Wildcats today at 8 p.m. as the Seminole start the New Year off with a trip to Wildwood for a game that sees the Sanford players as predicted eight-point underdogs.
Laver's Seminole finished out the cage activity for 1961 with a four game winning streak by blasting Oviedo 53-37, clipping New Smyrna 68-60, and edging by Titusville twice, in the first game by a score of 65-62 and in the second, 59-57.
As the Sanford basketball season gets well under way and a new year arrives, hope far exceeds the outlook for the Seminole cagers. What 1962 has in store for Coach Laver and the Sanford Varsity will be seen tonight in the Wildwood gymnasium.
Coach Whigham's Wildcats have the advantage in one of the most important assets of a good cage team—height. Six-foot-five Ronnie Thomas and his brother, six-foot-four Robert Thomas, supply the height for the Wildwood team and a surprising amount of the baskets.
The Seminole also will be at their strongest tonight with both Bubba Davis and Butch Riser in the starting lineup for Sanford. Davis leads the varsity in number of assists while Riser is tops in field goal percentages.
Here are some scoring statistics on the Seminole at the end of their four game victory spree:

FIELD GOALS	FGA	FGM	PCT
Davis	25	10	23.6
Woodruff	28	30	34.0
Brown	40	20	50.0
Gustavson	25	10	40.0
Riser	50	25	50.0
McGillis	4	1	16.7
Stephans	2	0	00.0
Johnson	4	1	16.8
Boniface	1	0	00.0
Williams	2	0	00.0
McMurray	11	2	18.1
Middleton	9	0	00.0
Hanson	4	4	50.0

FREE THROWS	FTA	FTM	PCT
Davis	11	4	36.4
Woodruff	20	10	50.0
Brown	14	8	57.1
Gustavson	8	4	50.0
Riser	8	5	62.5
McGillis	0	0	00.0
Stephans	5	2	40.0
Johnson	0	0	00.0
Boniface	1	0	00.0
Williams	3	1	33.3
McMurray	4	3	75.0
Middleton	0	0	00.0
Hanson	1	0	00.0

JUNIOR BOWLING LEAGUE Christmas tournament winners receive their awards from Mrs. Bettye Smith on behalf of her husband, Dr. Robert Smith, who donated the trophies. Front row from left are Paul Bakke, John Foster and Steve Berneberg. Second row, Butch Maki, Glenda Bowman, Judy Beauchamp, Theresa Cainza, and back row, Carl Cunningham, John Jernigan, Mrs. Smith, Lowry Rockett, George Mason and Dave DePalma.
(Herald Photo)

Stephens Rated Tops In Bowl Classics

United Press International
Fifty million Frenchmen can't be wrong, but maybe most of the pro scouts are when they say Minnesota's Sandy Stephens won't do.
Those scouts are in for a long argument from 98,214 Rose Bowl fans who saw the talented 20-year-old quarterback do everything but lead the band in a convincing 21-3 victory over UCLA at Pasadena, Calif., on New Year's Day.
Stephens was the unanimous choice for "Player of the Game" and his performance, seen by millions of others over national television, was such that he also wound up player of the day.
The second distinction takes in quite a bit of territory inasmuch as three other quarterbacks also gave fine accounts of themselves in different bowl games.
Pat Trammell led Alabama's national champions to a 10-3 victory over Arkansas in the Sugar Bowl at New Orleans, Mike Colton sparked Texas to a 17-7 upset over Mississippi in the Cotton Bowl at Dallas, and Jimmy Field was the standout in Louisiana

State's 25-7 win over Colorado in Miami's Orange Bowl.
Stephens, however, overshadowed them all.
The rap against him, among the majority of professional scouts, anyway, is that his arm isn't strong enough to make him the kind of dependable passer a front-line quarterback in the pros ranks should be.
Maybe so, but that certainly wasn't apparent in the Rose Bowl.
The slick 215-pound All-America from Uniontown, Pa., batted 1,000 with his passes in the first half, hitting 5-for-5. He wound up completing 7 of 11 for 75 yards.
Stephens juggled the ball over himself for the Gopher's first touchdown from the one-yard line in the first period and then connected on passes of 12, 9 and 9 yards to pace a 75-yard second-quarter touchdown drive.
He cleared 46 yards rushing, scored Minnesota's final TD in the fourth period from the two-yard line and, just to keep his foot in, averaged 40.6 yards on three punts. Stephens' one-man show was too much for the outclassed Uclans, who scored their only points on a 28-yard field goal by halfback Bobby Smith in the opening period.
The victory enabled Minnesota to avenge its 17-7 loss to Washington in the 1961 Rose Bowl game.
And if Stephens is looking to prove those scouts wrong, he'll have a chance to do so with either the Cleveland Browns of the National Football League or the New York Titans of the American Football League. Both clubs have drafted him — despite what the scouts say.
A record crowd of 82,910 at the Sugar Bowl saw Alabama clinch the game by scoring all its points in the first half.
Alabama coach Paul Bear Bryant wasn't at all disappointed by his team's narrow margin of victory.
"I'm as proud as if the score had been 100-0," Bryant said.
The Crimson Tide scored the first time it got its hands on the ball in the first period, Trammell racing over from 12 yards out, and sophomore Tim Davis added a 23-yard field goal in the second period. Billy Neighbors, Alabama's 230-pound All-America

tackle, was the game's defensive star.
Five pass interceptions killed any chance Mississippi might have had against Texas in the Cotton Bowl. Colton supplied the winning touchdown with a 23-yard pass to halfback Jim Collins in the second period after Jim Saxton went over from the one for the Longhorns' first score in the opening period.
Mississippi, a three-point favorite, went into the game with a record of five straight bowl victories, including a 39-7 Sugar Bowl triumph over Texas.
The Rebels proved something of a disappointment to the Cotton Bowl crowd of 75,503, mustering their only sustained drive in the third period when Glyn Griffing's 20-yard pass to Reed Davis capped an 86-yard march for a touchdown.
Mississippi coach Johnny Vaught summed up: "Those five interceptions killed us."
Field's passing and running for Louisiana State was more than Colorado could cope with in the Orange Bowl, where 62,391 fans sat through a steady drizzle.
The Tigers from Baton Rouge, La., didn't waste any time. They returned the opening kickoff from their own 33 to Colorado's 14, and after the losers held, Wendell Harris booted a field goal. LSU added a safety in the first period, a touchdown in the second and Field scored one of two more touchdowns in the third period on a nine-yard rollout.
Colorado gained only 21 yards on the ground, scoring its only TD in the second period on Loren Schwenger's 59-yard gallop with an intercepted pass.
A 6-3 season to date has lifted University of Miami's head football coach, Andy Gustafson, into the top 25 major coaches in percentage of victories. Andy now has a .612 winning percentage with 104 wins and 66 losses. His Miami record is 82-53.

'Lovely Boy' Heads Top Field At Kennel Club

Grady Lumpkins Lovely Boy, Glacier Park Derby winner and holder of two track records there, heads an all-star field in tonight's featured ninth race at the Sanford-Orlando Kennel Club.
The 66-pound red brindle looked good when he made his debut on opening night, winning the Grade A ninth with 2 1/4 lengths to spare. He missed the money in his next two starts but finished second in the main event Thursday night.
In this same contest, Sandy Emma, owned by Frank Pierce, will be trying for her third straight win having already triumphed in her last two starts in Grades C and B.
Rounding out the feature field will be O. B.'s Deacon, Driving Dude, Discredit, Russell Stone, Saddle Mark, and Step in Style.
Russell Stone is owned by Tom Sweeney, who is battling it out for the top spot in kennel standings.
This is a busy week at the track. There was a special matinee Monday while the usual daylight cards are on tap tomorrow and Friday and Saturday, making a total of four.
Friday will be the first charity matinee of the season with profits going to the Seminole County Juvenile Council.

Buckeyes Retain Top Cage Spot

NEW YORK (UPI) — College basketball's holiday tournament champions received their merited recognition today when Ohio State and Cincinnati retained the 1-3 spots in the United Press International ratings and Villanova and Oregon State moved up among the top 10 teams.
Ohio State, which ran its record to 10-0 by winning the Los Angeles Classic, and Cincinnati, winner of the Holiday Festival in New York, thus clung to the two top rankings for the fifth straight week. In points, Cincinnati narrowed the Buckeyes' lead from 15 to 41.
However, whereas Ohio State was a unanimous choice for the No. 1 rating last week, the Buckeyes had one point less than a perfect score this week as one member of the 35-man UPI coaches board switched his first-place vote to Cincinnati. The Bearcats' record is 8-1.
Villanova, which won the Quaker City Tournament in Philadelphia for its 11th victory without a loss, and Oregon State, which took the Far West Classic at Portland, Ore., jumped from obscurity into the No. 6 and No. 10 rankings, respectively.
Kansas State's Big Eight Conference Tournament champs remained in third place and Southern California, beaten 75-66 by Ohio State in the final of the Los Angeles Classic, held fourth place. Kentucky, winner of two non-tournament games, moved up a notch to No. 5.

Oviedo Cagers Meet Oak Ridge Five Today

Paul Mihler's Oviedo Lions travel to Oak Ridge today at 8 p.m. for their eighth game of the basketball season as they attempt to win their second game from the Oak Ridge Pioneers.
The Lions are now sporting a (2-4) record after dropping their last regular game two weeks ago to Cocoa 42-37.

Oviedo is the favorite tonight as the Lions are now back in condition after being hampered with a bout with flu-stricken cagers.
In the second round of the invitational Elks Bowl Tournament, the Oviedo Lions were clobbered by the Leesburg Yellow Jackets 59-31 to be eliminated from the competition early in the play.
Thompson was the player who missed the cage action in the tournament and caused the Lions heavy defensive casualties as the Yellow Jackets romped over the flu-bitten Lions.

Packers Not 'Standing Pat'

GREEN BAY, Wis. (UPI) — The youthful Green Bay Packers, who refused to stand pat after losing the National Football League championship game last year and this year won the NFL title, will probably have the "help wanted part-time" sign up when 1962 drills open next July.
The Packers, who trounced the New York Giants Sunday, 37-0, to win their first world crown since 1944, had eight newcomers on their title game roster this year. But unless the league acts next week to increase the player limit to 38, there probably won't be that many next year.
Two current Packers are considered possibilities for retirement. Booting Ben Agostinian, the 42-year-old place kicker, came to the rescue when Paul Hornung was called to active Army duty in mid-year, it is almost certainly.

Arcaro Second Enters Sprint

ADELAIDE, Australia (UPI) — Veteran Eddie Arcaro finished second aboard Goglio in Monday's International Invitation Stakes, which was won by Kilvin Valley, ridden by Pat Glennon, Adelaide's leading jockey.
Los Angeles (UPI) — Frank Budd of Villanova, world record holder in the 100-yard dash, will compete against teammate Paul Drayton and former Oregon star Roscoe Cook in the Los Angeles Invitational Track meet's 60-yard sprint Jan. 20.

Army Interested

WEST POINT, N. Y. (UPI) — Army is "very much interested" in signing Paul Dietzel of Louisiana State as its head football coach, an Academy spokesman admitted today.
Joseph Cahill, director of sports information at West Point, said about seven men "are in the run-

Is Chuck Conerly Ready To Quit Pros?

NEW YORK (UPI)—Coach Al Sherman said today he hoped all his New York Giants old-timers would be back in 1962 for another season of pro football, but it was believed that 40-year-old Charlie Conerly is ready to call it quits.
"I've been playing a long time," commented grey-haired Conerly, who completed his 14th pro season last Sunday when the Giants were routed, 37-0, by the Green Bay Packers in the National Football League's championship game.

"I hope to be back again, but there are a lot of things that can happen between now and July," he added. "I'll wait a while before I make up my mind."
It is known that Conerly has been offered more than one college coaching job.
Sherman denied that the Giants' playoff debacle could be blamed on too many older players in the lineup.
"I've said all along that this team isn't as old as some people make it out to be," Sherman said.
"I haven't talked to any of them about their future plans," he continued, "but I expect Kyle Rote and Andy Robustelli to be back and hope Conerly is, too."
Conerly played a much better game against the Packers than did Y. A. Tittle, who is five years younger than Charlie and had beaten him out of the quarterback job in most of the games this season.
Despite Sherman's comments, the Giants are an old team, as pro football clubs go, and some changes appear necessary for next season if they are to repeat as Eastern Division champions.

Quints Taking Belated Holiday

By United Press International
Now it's time for college basketball's top teams to take their belated holiday vacations.
Ohio State, Cincinnati and Kansas State—who are running 1-2-3 in the UPI ratings—will get a chance to catch their breath after winning major tournaments during the weekend.
The top-ranked Buckeyes, who ran their record to 10-0 by capturing the Los Angeles Classic, are idle until Saturday when they visit Northwestern. Second-ranked Cincinnati, which won the Holiday Festival at New York, swings back into action Thursday night against St. Louis.

Alworth Inks San Diego Pact

NEW ORLEANS (UPI)—Arkansas football stars Lance Alworth and John Childress signed professional contracts Monday shortly after the Razorbacks lost the Sugar Bowl game, 10-3, to Alabama. Halfback Alworth, drafted by both San Diego of the American Football League and San Francisco of the National League, signed a two-year contract with the AFL team. He said he would "have a chance to grow" with the young league.
Childress, a tackle, signed with Washington of the National League in the Arkansas dressing room after the game. He and Alabama tackle Billy Neighbors—who charged at each other throughout the Sugar Bowl game—might end up on the same professional team.
Neighbors was drafted by Washington and also by Boston of the AFL. He said after the game that he was still undecided.

Favored In Race

AGUA CALIENTE, Mexico (UPI)—T. V. Lark remained the opening favorite at 4-1 in the Caliente future book on the Santa Anita Handicap. Oink has been dropped from 12 to 1 to 8 to 1 and Speck John from 100 to 1 to 20 to 1.

FORT APACHE, 15 DEGREES AND SANDSTORMS... FORT BENNING RAIN AND MUD... AND HERE AT CAMP SWAMPY, RAIN, SNOW, SLEET AND GALE WINDS

NOW TURNING TO CIVILIAN WEATHER: LOS ANGELES, FAIR AND WARM... NEW YORK, SUNNY AND COOL... DETROIT, FAIR AND PLEASANT...

MORTY MEERLE

YOU'VE GOT TO SEE TO IT THAT I STAY ON MY DIET... I DON'T CARE HOW YOU DO IT, BUT BE FRISK!

HAVN'T THAT YOUR THIRD SLICE OF BREAD AND BUTTER, FATSO?

I MIGHT HAVE KNOWN IT WAS TOO GOOD TO BE TRUE.

PRICILLA'S POP

DON'T OPEN IT IN THE HOUSE, PRICILLA! IT'S BAD LUCK!

POOF! MY MOM SAYS THAT'S AN OLD WIVES' TALE!

GUESS WHAT, MOM? THAT OLD WIVES' TALE WAS RIGHT!

BLONDIE

I'VE SHOWN YOU EVERY SHOE IN MY SHOP I LIKE

REALLY, I'M TERRIBLY SORRY FOR ALL THE TROUBLE I'VE PUT YOU TO

IT WAS NO TROUBLE AT ALL, MADAM... IT WAS A PLEASURE

IT GAVE ME THE CHANCE TO TAKE MY FIRST-OF-THE-YEAR INVENTORY, WHILE I WAS WAITING ON YOU

CAPTAIN EASY

WHILE WE KNOCK OURSELVES OUT TO WIN UNCLE SHERIDAN'S CONSIDERABLE SUMMERS SEE THAT SHE'S OUT THE BANK LOOT!

I GUESS WE OBTAIN TO NOW, I'M A LITTLE BIT DA UNCLE SHERIDAN'S CONSIDERABLE SUMMERS SEE THAT SHE'S OUT THE BANK LOOT!

DUN-H-HEE! UNLESS WE DO, UNHOOK DA BEDDING AN' WELL TAKE 'EM OUT WHERE NOBODY WONT HEAR!

BEATS ME WHY DA OLE GOAT STILL GOT 'EM!

FRECKLES AND FRIENDS

GOLLY, THIS BUS SURE LOST A LOTTA OOMPH AFTER PICKIN' UP THAT LAST BUNCH!

HEY, DRIVER... STOP AT THE NEXT CORNER FOR MY FRIEND!

HUH?

ISN'T HE GOING TO SCHOOL?

HELL BE LONG!

AS SOON AS HE GETS SOME GAS!

ALLEY OOP

HERE IN A PLACE LIKE THIS, I'D BETTER BE SERIOUS.

BETTER BE UP SOME KINDA THING UNTIL I CAN FIND MY OLD ONE OR MAKE A NEW ONE!

MARTHA WAYNE

CLARE, I'VE DECIDED I'M NOT GOING TO KISS WITH YOU!

WHY? BECAUSE OF THAT WOMAN PSYCHIATRIST YOU MENTIONED?

WHEN IS SHE GOING? WHAT IS SHE GOING TO DO? HAVE I LOST MY POWEE OVER HERE?

LATER...

I MUST TALK TO YOU, DR. WOOD. I DO NEED YOUR HELP!

THE PHANTOM

SLEEVER! YOU GOT US INTO THIS, REMI!

WHAT! YOU'RE ALL IN IT TOGETHER NOW!

WHAT CAN WE DO? WE'RE IN THE MIDDLE OF NOWHERE!

I WILL HELP YOU TO ESCAPE, ON ONE CONDITION, ANYTHING!

THAT YOU ALL RETURN TO BOONSBY PRISON AND FINISH YOUR SENTENCES!

Needy County Children To Benefit From SOKC Race

Annual Charity Matinee Slated On Friday

Seminole County's needy children from broken homes will hold all the winning tickets for the matinee races Friday afternoon at the Sanford-Orlando Kennel Club.

The third annual charity matinee benefiting the Seminole County Juvenile Council, Inc. is on tap for Friday and track Gen. Mgr. Jack Ledoux hopes that the profits from the afternoon races will exceed the \$823.00 turned over to the organization last year. The first year's donation amounted to \$620.

Ben Fairless, Former Head Of U.S. Steel, Dies

LIGONIER, Pa. (UPI)—Benjamin F. Fairless, who began a business career selling newspapers when he was five and rose to head the world's largest steel-making firm, died Monday at his home here.

The 71-year-old retired board chairman of U. S. Steel Corp. had been a patient in West Penn Hospital in Pittsburgh from early November until late last month. His ailment was diagnosed as pleurisy.

On Dec. 20 he was granted a final divorce decree from his second wife, the former Mrs. Hazel Hatfield Sproul of Huntington, W. Va. The couple was married in 1944.

Fairless' son, Blaine, is married to the daughter of his father's second wife. Four grandchildren also survive. The first Mrs. Fairless, the former Jane Blanche Trubey, died in 1942 after a marriage of 42 years.

Funeral services have been scheduled tentatively for 12:30 p.m. Thursday at Trinity Episcopal Cathedral in downtown Pittsburgh. Burial will be at St. Michael's of the Valley Cemetery at Ligonier, Pa.

The son of a coal miner, Fairless exemplified the American success story in the Horatio Alger tradition. He was born in Pigeon Run, near Canton, Ohio, May 3, 1890. He was one of four children of Mr. and Mrs. David D. Williams.

Mrs. Williams suffered an accident which drained the family funds and Benjamin was sent to live with an uncle and aunt, Mr. and Mrs. Jacob Fairless of Justus, Ohio.

He was adopted legally and began his schooling in Justus. He

Some Dogs Have All The Luck: Not Butch!

LONDON (UPI) — "Butch" the boxer, who underwent psychiatric treatment to stop him from biting other dogs, has been condemned to die for nipping a poodle and its owner.

The 6-year-old confirmed dog-hater got every break in the book from British authorities, including 18 months of psychiatric treat-

ment. But Butch's string ran out when a court ordered the dog put to sleep.

"We have our duty to the public," the court chairman, Sir Arthur Howard, told Butch's tearful owner, Mrs. Constance Gamble, 42. "Most of us here own dogs and love dogs and we do not make orders for destruction lightly."

When Butch was first brought to the attention of the authorities for repeatedly taking nips out of fellow canines, the case was found to be so unusual that Butch got the "couch" treatment. From Mrs. Gamble, the psychiatrist learned that when Butch was only a puppy he had been attacked by a large dog. This puppyhood trauma had made Butch a confirmed dog-hater.

Early in 1960, Butch was sent to the Canine Defense League's training center at Hampton to un-

400 Prisoners Stage Giant Riot; Damage Over \$1 Million

MONTREAL (UPI) — Officials at Bordeaux today were surveying the damage caused by about 400 prisoners who rioted for five hours Monday night.

The rioters, most of them awaiting trial at the provincially operated jail on the north end of Montreal Island, were brought under control after police firing automatic rifles and firemen using water hoses stormed the star-shaped gray-stoned building.

At least three prisoners and one fireman were injured. The riot was described as the worst at the prison since 1952. In that year prisoners caused property damage in excess of \$1 million.

Acting Gov. Lt. Col. Leon Lambert told United Press International late Monday night it would be at least a day or two before any estimate of damage could be arrived at.

dergo psychiatric treatment. There under the supervision of men who know and love dogs, Butch was placed in the company of other dogs and made to obey orders not to attack them.

Every day, Butch's mental rehabilitation went forward — his psychological needs being attended to as if he were human.

Mrs. Gamble missed Butch and became impatient for his homecoming. When she could no longer stand being separated from her pet, Mrs. Gamble went to a court and obtained Butch's release before he was pronounced cured.

Realizing that her love for Butch may have sealed his fate, Mrs. Gamble vowed: "I'll fight to the last for his life."

The Canine Defense League's psychiatrist said they are willing to have another crack at Butch.

Gainesville Adds 20,000 Residents

GAINESVILLE (UPI) — The city of Gainesville added 20,000 new residents and 17 square miles of land area today as an annexation bill passed by the 1961 legislature went into effect.

The annexation boosted the city's population to 49,723 its land area to 23.38 square miles.

The annexed area lay in a ring around the city. The municipal airport was included.

West Can't Afford Open Split—Dulles

WASHINGTON (UPI) — Allen W. Dulles said Sunday night the differences between Russia and Red China "run very deep" but the West cannot count on an open split between the two Communist powers.

Dulles, a former director of the Central Intelligence Agency (CIA), said the basic disagreement between the two countries are over methods of achieving a Communist "master program for taking over the world."

City Sewage Plant Gets Off Ground

The Sanford Herald

WEATHER: Fair not so cold tonight. High today, 65-70. Low tonight, 40-45.

VOL. 53 United Press Leased Wire Established 1908 WEDNESDAY, JANUARY 3, 1962 SANFORD, FLORIDA NO. 558

By LARRY VERSHEL.

(A few shots in the dark and some left over remnants from 1961.)

All last week City Manager W. E. Knowles has been telling the press: "Make sure you bring your camera to the City Commission meeting Tuesday." It seems Pete had a surprise for the fourth estate but apparently it fizzled out. After a careful investigation, we discovered that the city had purchased a 20 month old chimp and Pete had prepared to bring him to the meeting. Oh, well, to make a long story short, the chimp bit someone yesterday and was confined.

O yes, Pete isn't telling who he bit.

Beautification project of 1961—Sid Richard's rock garden on Park Ave.

There's no doubt that the city plans to concentrate on a sewage treatment plant and hold up action of water improvements.

Mystery of 1961—In which warehouse did Richard put the downtown clock?

Zoning Director Robert Brown tells us that a three-man committee of J. H. Van Hoy, County Engineer Carlton Bliss and himself is currently working on rearranging courthouse offices and moving the county agent's office out of the courthouse.

Brown says the final report will be ready in about a month and that the special committee report on courthouse needs is being used as the basis for the study.

Showman of 1961—City Commissioner Earl Higginbotham who fished out a \$100 bill from his pocket last week, put it on the table and told the rest of the board to match it to give the chamber extra money.

Dog revenue in the city is way down under the previous year, according to the latest audit. Last year only \$288 was collected as compared to \$463 the previous year. "No one wants the job of taking care of the dogs," says City Manager W. E. Knowles. The commission Tuesday night asked Knowles to come up with some recommendations possibly of paying someone a little more money to handle the dogs. Earl Higginbotham suggested: "Pay 'em on a commission rate."

How come Harold Johnson hasn't got his county attorney's name plate yet in the commission chambers?

County Commissioner Vernon Dunn was a visitor at the City Commission meeting Tuesday night. "Just free lancing," said Curly. "Misery loves company," said Al Wilson.

Oops, forgot to mention yesterday that Bill Hemphill and Scott Burns were named to the membership committee of the Chamber of Commerce.

Mayor Al Lormann said today that the city would file an injunction against the county to stop work on SR 434. Citizens protesting all those ditches.

Working for several months on a surprise service for the town, Longwood's volunteer firemen finally are okayed to let the cat out of the bag. Chief Claude Lavo reported today that approval of a permit to operate a two-way short wave radio system connecting all city departments was received Tuesday.

Altamonte Veto Challenged

Completion Of Major Highway Jobs In '62 Seen

County Engineer Carlton Bliss reported today that the road department hopes to accomplish the major projects included in the massive five-year road rebuilding program during this year.

Bliss said that work will start this year on rebuilding two miles of the Pineway Bypass south of the Naval Air Station and the rebuilding of one and three-quarters of W. Lake Branley Road.

Both projects are expected to cost \$40,000.

Other major construction this year will be the rebuilding of Dodd Rd. bridge and the Smith Canal Bridge. Cost of these two projects has been estimated at \$20,000.

Discussing state projects for this year, Bliss remarked that he is hopeful that bids will be let on SR 436 from Hwy. 17-92 to Red Bug Rd. and the start of Interstate 4 through Seminole County.

Bliss also said the road department plans to stabilize 20-40 miles of road and institute a new set of specifications and rules for the road department to spell out more clearly what the county road standards are.

Bliss is also hopeful of getting more cooperation from property owners regarding rights of way to carry out road programs throughout the year.

Recordings Rise Sharply In County

The recording of instruments in Seminole County has tripled over a 10-year period and a sharp increase is expected for the next decade, Clerk Arthur Beckwith Jr., reported this morning.

Beckwith said 17,986 instruments were recorded in 1961 while in 1951 only 5,531 were recorded. This is an increase of over 325 percent for the 10 year period, Beckwith said.

At the same time, Circuit Judge Volle Williams Jr., said that cases in Circuit Court from 1957 to 1961 showed an increase of 264 percent.

Judge Williams reported that in 1957 there were 386 cases while last year there were 1,017.

Discussing the rise in instruments records, Beckwith said that for the next 10 years he expects some 56,484 instruments to be recorded by 1971.

Oviedo Selects Fire House Site

Oviedo's new fire house will be built on property adjacent to the Town Hall and the architecture will conform to the Town Hall. This was decided Tuesday night at the monthly meeting of the Town Council.

Sanford's F. Wade Tye was designated as the architect for the fire house after he had presented preliminary plans for the structure.

A two man committee of Councilmen W. R. Clontz and T. L. Lingo was appointed to work out the final details of the fire house and work with the architect in getting them ready for actual construction.

The young Negro couple who lost two children when their home burned to the ground New Year's Day are desperately in need of help from the people of Sanford. Besides their children's lives, everything else that they had was lost in the fire. They escaped only

E. B. CARTER has retired from the local selective service board after 20 years of service. It was reported today. The other members of the board include E. C. Harper Sr., John Krider and W. H. Martin. Examinations for the position of clerk to replace Carter will be given under civil service. Applications will be accepted until Jan. 8 and application blanks can be secured from the local post office.

City Opens Paving Bids Thursday

Bids on the \$25,000 Sanford street resurfacing program will be opened Thursday afternoon at City Hall, City Manager W. E. Knowles said today.

The bid opening will be held in the commission chambers at 2 p.m.

Six projects have been included in the resurfacing program for the 1961-62 year.

They are 24th St. from French Ave. to Park; Myrtle from 24th to 25th St.; Sanford Ave. from First St. to Fifth St.; First St. from the railroad to 20th St. and Palmto from Seventh to 20th St.

Knowles said that \$25,350.20 has been set aside in the budget for this improvement program.

Oviedo Swears In Mayor And Council

The mayor and council of Oviedo were sworn in Tuesday night at the first meeting of the year and also the first since the election in December.

Sworn to two-year terms were Mayor M. L. Gary and Councilmen B. F. Ward and T. L. Lingo Jr. Sworn in for one year terms were Ben Jones, W. R. Clontz and W. H. Martin.

Councilman Ward was elected president of the council succeeding Young Harris, who did not run for re-election to the council. Councilman Clontz was re-elected vice president.

All members of the council were re-elected unopposed except Lingo, who was elected for the first time, but who also was unopposed.

Following the swearing in ceremony Mayor Gary reappointed George Kelsey as police chief and Mrs. Dorothy Courier as town clerk.

Meet Set

The Women's Auxiliary of Welkwa Lodge 878 will meet today at 7:30 p. m. in the Oddfellows Hall on Magnolia Ave. All members are asked to make an extra effort to attend.

MOSCOW (UPI)—U. S. Ambassador Llewellyn E. Thompson today was expected to tell the British and French envoys here what progress was made, if any, in preliminary talks with Soviet Foreign Minister Andrei Gromyko on the Berlin question.

Morale Check
TALLAHASSEE (UPI)—A delegation headed by State Adjutant General Mark W. Lance will visit U. S. Army camps in three states next week to check on the morale of Florida National Guardsmen and reservists called to active duty.

Appeal Set
NEW HAVEN, Conn. (UPI)—Two Planned Parenthood League officials will appeal their conviction of violating Connecticut's 1879 anti-birth control law.

Hodges Calls For Legal Ruling On Swofford's Move

Mayor Lawrence Swofford's veto of the new zoning ordinance for the town of Altamonte Springs in a special meeting of the new council Tuesday night brought a request from Councilman Jeff Hodges that Attorney Joe Davis prepare a written opinion on the legality of the new mayor's action.

Hodges was chairman of the Planning and Zoning Commission which worked most of last year preparing the controversial ordinance finally passed in special session of the old council last Friday night. Backing him in the request was Frank Gerhardt, new councilman for Ward Two.

Swofford, in a prepared statement, said that it was regrettable to have to veto an ordinance. However, he explained that he was doing so because he felt the people who objected to the zoning plan were not given due consideration. He contended that the ordinance had not been properly advertised or posted and said that some parts of it prohibit the use of property and that additional legislation is needed before certain parts could become operative.

He based his power of veto on Section 24 of the Town Charter which permits such action within five days of the original passing.

"I'll never recognize this ordinance unless I'm advised through litigation that I must reverse my position. This is the most controversial ordinance ever adopted in Altamonte Springs and probably the first one ever to be vetoed and I say it is vetoed," he concluded.

Swofford's appointment of Grady Hall as Altamonte Police Chief and acting Fire Chief also came under question since applications for the police job were bypassed at the special meeting which dispensed with routine order of business including reading of correspondence.

Rod W. Tetrault asked that his application be read and also made of the Dec. 12 date. The application of James Watt also was read as was a letter of explanation from Tracy Sullivan, former police chief, stating that his original resignation was to have been effective at the Jan. 8 regularly scheduled meeting when, as a rule, the new council takes over. His only reason for resigning was to give the new mayor an opportunity to make his own appointments, the letter stated, pointing out that ordinarily it would not have been opened or read until the regular meeting.

A protest also was heard from Dick Young, former fire chief, who said that he had not resigned and was surprised to read it in the papers. He asked for a public retraction from Swofford who told him, "I'll retract no statement which I did not make!"

Swofford advised the volunteer firemen through John Morrison, assistant chief, that they were to continue operations as usual but did definitely clear that the equipment is to stay within the city limits until the council makes arrangements for outside coverage.

Mayor Swofford also made some of the routine committee appointments at Tuesday night's meeting.

Revenue Certificates For \$400,000 Job Authorized

The reorganized City Commission, under the leadership of newly-elected Mayor J. H. (Jimmy) Crapps, Tuesday night authorized Fiscal A. Loomis Leedy to proceed with arrangements for the issuance of revenue certificates to finance a \$400,000 sewage treatment plant.

Indications are that the city would have to borrow only some \$200,000 to construct the plant with the city getting an "outright grant" of \$150,000 from the federal government to build the facility.

City Manager W. E. Knowles emphasized that this was a grant and not "any kind of loan."

Preparation for fiscal arrangements include determination of costs, rate studies and adjustments and preparation of a bond ordinance.

Knowles also told the board that the commission would be "pleasantly surprised" as he felt the plant would cost under \$400,000.

The discussion of the sewage treatment plant was the first order of business of the new year.

Prior to this, Crapps was unanimously elected mayor and promised to the "utmost to uphold the dignity of the job."

Crapps succeeded Joe Baker as mayor.

In other business, the board denied a request from photographer Henry Jameson for a waiver of the city occupational license.

Tabled action on the condemnation ordinance.

Set Jan. 22 for a public hearing on the new zoning ordinance.

Third Cold Wave Of Week Holds Florida In Grip

By United Press International
Florida's third cold wave in a week put tourists to flight and threatened crops today but chinook winds banished polar air from most other parts of the nation except the Northeast.

Sections from the Great Lakes to the Atlantic had a new veneer of snow. Fog shrouded much of the corn belt. Heavy rain pelted the Pacific Northwest.

The arctic air mass dropped temperatures into the 20s in northern Florida and near freezing along the state's normally balmy Gulf Coast today, threatening citrus and truck garden crops.

The Florida Citrus Commission held an emergency meeting Tuesday but decided against embargoing shipments of frost-killed fruit because damage from the first two cold fronts since Christmas was light.

Michigan dug out from under six inches of new snow. Maryland measured seven inches Tuesday. The same storm dropped four inches of snow on Long Island and three inches at Nantucket, Mass.

Warm winds blowing off the Rockies raised temperatures to the 50s and 60s in the great plains. Denver had a high of 61 degrees and the temperature climbed to 58 at Rapid City, S. D.

Fog lifted in the Northwest after closing the Spokane, Wash. airport for 60 hours. Rain moved into the area and Seattle measured .83 of an inch.

At Raton, N. M., rescuers planned another search today for a 13-year-old boy missing on a hiking trip since last Thursday. One of his three companions survived the ordeal on a snowy mesa.

In Atlanta, the Communicable Disease Center identified respiratory ailments which have struck in California, Oregon, Colorado, Arizona, Missouri and Florida recently as type B influenza virus.

Citrus Embargo Ruled Out
LAKELAND (UPI)—The Florida Citrus Commission voted Tuesday against imposing an embargo to prevent freeze-damaged citrus fruit from reaching the market.

The commission decided there was not enough fruit damaged in the current cold snaps and that which was damaged could be culled by the State Fruit Inspection Division.

Commission Chairman Key Seale Jr. of Weirsdale, however, promised that the commission would see to it that consumers and growers would be protected from damaged fruit going into commercial channels.

Under the citrus code, the commission can order an embargo up to two weeks in duration to keep cold-damaged fruit off the market. It also has the power to set standards for such fruit used by producers of frozen orange concentrates. And it can use the unwholesome fruit law to keep the fruit out of chilled orange juice and single strength canned orange juice.

Father Of 12 Dies In Plant Accident
PANAMA CITY (UPI)—T. H. Rochefort, 40, father of 12 children, was killed Tuesday night when he fell into a smoke pipe at the International Paper Co. Plant Manager J. W. Lowry said the exact cause of death had not been determined, but an investigation was under way.

Clear Sailing
WASHINGTON (UPI)—Rep. Carl Albert of McAlester, Okla., a one-time Rhodes scholar, received a clear field today for election as Democratic leader of the House.

Reds Blamed For Portugal's Revolt
LISBON, Portugal (UPI)—The Portuguese government today blamed the unsuccessful New Year's Day revolt on the country's outlawed Communist party. Well-informed circles said the uprising was the first step in a Red plan to overthrow the regime of Prime Minister Antonio Salazar.

A communique issued by the army said the attack by 40 or 50 rebels on the army barracks at Beja in southeastern Portugal "was an act planned and carried out by the Communist party as part of a general strategy, the details of which the authorities are now unravelling."

Couple Who Lost Home, Children In Desperate Need

The young Negro couple who lost two children when their home burned to the ground New Year's Day are desperately in need of help from the people of Sanford. Besides their children's lives, everything else that they had was lost in the fire. They escaped only

with their third child, an 18 month old girl, who is in the hospital suffering from critical burns, their own lives, and the clothes they were wearing at the time.

A former employer of Mrs. Joseph's, Cotton Brown, manager of

the Pig and Whistle, has the sizes of the couple. Mrs. Joseph is a slender young woman, about 23 years old and wears a size 11 dress and seven and a half shoes. She is five feet four inches tall and weighs about 123 pounds.

Edgar Joseph is of medium height, about five feet eight or nine, weighs about 150 pounds, has side 22 waist, 15 1/2 shirt and 35 coat, size 7 1/2 D shoe.

They are much in need of warm clothing of all kinds, shoes, bed-

ding, blankets, and all household equipment.

Cotton Brown has volunteered to receive all clothing and bedding contributions at the Pig and Whistle, and articles of household furnishings will be taken care of if you will give him a call.
