VISUAL NEWS of the WORD IN PICT

LOUISIANA'S LATE GOVERNOR AND HIS OFFICIAL FAMILY

Above is the last newspaper photograph of Governor Oscar K. A'len of Louisiana who died suddenly yesterday, and members of his official annuy. The picture was taken shortly after the count of votes in the primary of a week ag. Tuesday showed that Allen had been swept into office as the late Huey Long's successor in the United States is one. He is shown at the left end of the back row. Next to him is Earl Long, Huey's brother, nominated for governor, and at the right is Governor-Designate Leche, In the front row, left to richt, is Mrs. O. K. Al'en, wife of the late governor; Mrs. Earle Long, Mrs. Huey Long, wife of th. late Louisiana dictator; and Mrs. Lech, wife of

THE COLDEST SPOT IN THE UNITED STATES

Throw a log on the fire—and then take a look at the coldest place in the United States during the wave of far-below-zero weather that swept down from Canada. It's international Falls, Minn. where the mercury sank to 56 below. The photographer put on all the clothes he could find and stepped outside long enough to take this snow scene. (Associated Press Photo)

Business 'Scouts' Scan Legal Skies, See 'Uncertainty'

By HERBERT PLUMMER WASH NGTON, Jon 20. --(AP) -Representatives of business and industry who privately keep their bosses 'nformed about the situation in Washington are serving up some rather pess. mistic information.

They're detailing eny number of coming events that they be lieve may lead to uncertainty. One such representative frankly has advised his clients they need not expect anything resembling a "breathing spell" for some time to come.

Here are some of the more important questions which, pendfne Bettlement in their opinion, make for "uncertainty"-1. The bil sponsored by S na-

for Welsh of Massachusetts re quiring those firms securing contracts with the federal gov ernment to conform to principles. set up under NRA. 2. The new Wheeler-Rayburn

bill, empowering the federal trade commission to invest gate complaints of fraud and "lee p tive practices" in business and industry. The phrase "de epti e practices" goes much further than anything yet suggested along this line.

3. The position the Suprem Court will take on the new pay roll taxes now mounting for so clai insurance. Will they go the way of NRA codes and AAA

xcise taxes to take the place

Court will take on the new pay roll taxes now mounting for so cial insurance. Will they go the way of NRA codes and AAA processing taxes?

4. What will be decided on as to future relief policies and how much money will be spent?

5. If the Guffey coal net is irralidated by the Supreme Court will it bring on a strike among the soft coal miners?

4. The ultimate set-up under the new farm control program. Will the Administration be able to offsee the demands of the instance of the instance of the demands of the instance of

LANDON ENDORSED

WHEN THE MERCURY SANK OUT OF SIGHT! BR-R-R-R

Pigs in the parlor and thermometers with the mercury sunk out of sight were sights to be seen when Arctic weather swept down from the north and selzed; the middle west. After six of her pigs froze to death, Mrs. J. A. Peters of Des Moines, lows, moved the survivors into her home while 20-below prevailed outside. And when the mercury went down to a record low of 33.5 at Minneapells, an old-timer gazed at the thermometer, hardly able to believe his ewn eyes. (Associated Press Photos)

SONS OF GEORGE WALK IN FUNERAL PROCESSION

Sadly following on foot, the sons of King George V are shown in the funeral procestion as the body of Great Britain's monarch was taken from the royal estate at Sandringham to the village railway station for the train trip ta London. Left to right in the foreground: The Duke of Kent, the Earl of Harewood, the Duke of York, King Edward VIII, fermerly Prince of Wales; and the Duke of Gloucester. The picture was radiced from London to New York. (Copyright, 1936, by the

THE PRESIDENT SPEAKS

Talking by telephone to a dinner meeting of the National Commi tee for the Birthday Ball for the President at the Waldows-Astoria on Jan. 18th, President Roosevelt's words were picked up by radio and broadcast to the nation. The address marked the first time in Birthday Ball history that the Chief Executive spoke to the nation previous to a birthday ball, urging support for the benefits to raise funds for a nation wide war on infantile paralysis. Col. Henry L. Doher,y, chairman of the National Committee, presided at the Waldorf dinner, attended by nearly one hundred of the nation's leaders, Millions of Americans listened in.

Races Are Held Notwithstanding

The strong Orfendo Tiger quintet met the Seminole High School Celery Feda here last night and handed the local quintet their eighth defeat this season.

The game started with the Tigers opening with 14 points to the Celery Fade' two points in the first quarter. The second quarter proved to be the big one for the local lade as they came out of their alump and scored 12 points against the Tigers' four points and the first half with the Tigers leading 18-14. In the third quarter the locals scored only one point while the Oriando quintet scored 10 to lead 28-15 as the play went into the third quarter. The final quarter found the Tigers making a goal at any time they wanted to and the Celery Feds fighting to get possession of the ball. The Tigers scored 8 points to the Celery Feds' 4, which placed the Tigers in the win column by he score of 19-36.

Rayborn, flashey Tiger forward, scored a total of seven field goals to lead with points, Maynard, Oriando center, turned out the outstanding performance on the Long-wood track as usual last night, though electric current was discussed in the Long-wood track as usual last night, though electric current was discussed in the power line leading to the first as usual last night, though electric current was discussed in the power line leading to the frack and that delayed the opening of the races as his hour, and then the lights falled again right in the middle of the second right in the middle of the second Trace.
