County Pledges Co-Operation

Seminole County's Board of Commissioners Tuesday afternoon assured the State Board of Control that it will have this county's complete cooperation in establishing zoning controls in the area immediately north of the Adamucci site where the East Central Florida University will be located.

Dr. J. Broward Culpepper, executive director of the Board of Control, appeared before the commissioners and outlined a general plan for zoning within a quarter of a mile and a half a mile of the site.

After the conference, several commissioners agreed that much of Seminole's cooperation would depend upon the success Culpepper would have in working out a cooperative plan with the State Board of Control.

Highway System To University Is Outlined

Seminole County Commissioners Tuesday afternoon heard Dr. J. Broward Culpepper, executive director of the State Board of Control, discuss general plans for a network of roads leading to the proposed East Central Florida University.

The road network will be required, he said, to provide the largest possible number of students with suitable access to the school by the most direct route.

He called on the commissioners to give consideration to providing a direct highway to Sanford and another to serve the Daytona Beach area.

Dr. Culpepper also proposed that the commissioners consider a road from Oviedo south to the Adamucci site. James P. Avery, chairman of the board of commissioners, reminded Dr. Culpepper that these roads would not only cost a considerable amount of money, but also that the cost of rights-of-way would pose a serious problem.

Dr. Culpepper said the State Road Department has been very cooperative within budget limits and he felt the County could be assured that the department would assist in any way it could. He said that roads on the campus would be provided and maintained out of special Road Department funds.

The importance of the road network was emphasized when Dr. Culpepper revealed that no tax-supported college in Florida can house more than half of its students. He said that the number of students housed on the campus of the University of South Florida is hardly 25 percent.

He added that it was his opinion that State Road Department funds for providing access highways to state schools are allocated on a statewide level and not charged to a particular district.

Seminole's commissioners advised Dr. Culpepper that the county would do the best it could with available funds to comply with the Board of Control's request.

Orange County commissioners. "Developing a college campus," Culpepper declared, "is like developing a new city." Seminole County, he said, will find that the high grade citizens associated with the school will contribute much to the economy and the culture of the county.

He pointed out that Adamucci, was only four miles south of Oviedo and seven miles east of Winter Park. "In my opinion," he said, "I feel that Oviedo will be the first community in the area to really feel the impact of the university."

Culpepper said that the highest land in the school site is in the western half and that its slopes to the south and east. There is a lake in the northwest section. "Therefore," said the director, "the first units probably will be centered on the west side from the middle of the property."

With reference to zoning, Culpepper said that the Board of Control has a specific interest in what occurs within a quarter of a mile around the site and a general interest in what goes on within a half a mile. "Our objective," he stated, "is to have a clean, beautiful area around the campus."

He asked Seminole's commissioners to give consideration to what might be permitted in the quarter-mile area. He envisioned housing in the area along with fraternity and sorority houses, religious centers, motels and small business activities such as barber shops, office supply and book stores, drug stores, cleaning and pressing plus laundries.

Culpepper suggested that a program of zoning be established so businesses would develop in a group. He also envisioned churches, banks, schools, hospitals, professional offices within the quarter-mile range.

Within the half-mile range Culpepper said he would imagine that there would be theatres, service stations, auto sales, drive-ins, a post office and bus stations.

The least desirable types of businesses could be kept out of the half-mile range. Gen. J. C. Hutchison suggested that a program of joint cooperation be established between the Seminole and Orange county commissions and that the program be guided by the wishes of the Board of Control. Culpepper asked if the commission could freeze the area but local officials revealed that under the county's present zoning laws this could not be done legally.

St. Petersburg Lawyer Barred
TALLAHASSEE (UPI) — The State Supreme Court today suspended St. Petersburg Beach attorney Charles K. Ingalls from the practice of law for 18 months on charges of professional misconduct.

The Florida Bar said Ingalls was asked by clients to sell 1,183 shares of stock at the best price he could get. He told the clients he sold the stock for \$33,194 when he actually sold it for \$38,637.

Hobby Seeks 4th Term As Sheriff
A fourth four-year term as Sheriff of Seminole County will be sought in this year's elections by J. L. Hobby, who today said: "I would like to announce my candidacy for reelection to office."
Sheriff Hobby continued: "Since 1952, when I was first elected to this office, I have never forgotten, during these years of service, that the office belongs to the people. I have tried to operate the office in the best interests of all of our people."
"Over the years, we have tried to bring our equipment up to date and to install modern methods of crime detection and law enforcement. I am proud of my staff. All of us have worked diligently and dutifully to carry out the responsibilities of the office."
"I have always appreciated the kindness with which the people of Seminole County have treated me, both before

and after my service as Sheriff, and I will deeply appreciate your continued support in the May, 1964, primaries."

Court Order Bars Picketing By Rail Union

CAPE KENNEDY (UPI)—The space center's construction workers returned to work today after a federal judge Tuesday night temporarily halted picketing by striking railroad workers that paralyzed \$313 million in construction for two days.

"They're beginning to come back this morning," a spokesman said. "As the word spreads, more are showing up."

Nearly 3,400 workers were turned away by picket lines Monday and Tuesday. There were no signs of pickets today and traffic flowed smoothly into the spaceport.

U. S. District Judge George C. Young issued the stop-picketing order, good until 8 p.m. Thursday, after an unusual late-night hearing in Orlando. The order went into effect at 6 a.m. today and a union lawyer said it would be obeyed.

The restraining order was issued at the request of the National Labor Relations Board (NLRB). The government claimed Local 85 of the Order of Railroad Telegraphers was acting as agents for four striking rail unions in promoting an illegal boycott and trying to force the Kennedy space center to stop doing business with the Florida East Coast Railway.

Young will hold a full scale hearing on the NLRB's request that the order banning picketing be extended until the full board disposes of the case.

Eleven non-operating unions went on strike against the FEC Jan. 23, 1963, in a wage dispute. The line is now using non-union labor to move freight only.

The secondary boycott charges were filed with the NLRB last fall by three construction firms when two days of picketing, caused by truck deliveries of FEC-traded goods to the spaceport, interrupted space building.

The NLRB kept the case open. Kennedy appointed a fact-finding board but the NLRB kept the case open. "This is a matter of high importance to the national interest," said NLRB General Counsel Arnold Ordsman.

Retired USAF Officer Seeks Board Seat

A Seminole County resident since September 1958, Col. Jess Gregory, USAF (Ret), today announced his candidacy for County Commissioner for District 3.

Two years before September 1958, Colonel Gregory purchased a home in the Loch-Arbor-Lake Mary area. But he was no stranger to Florida and its problems for over the years he had served on extended military assignments at Pensacola, Key West, Orlando and on the faculty of the University of Florida at Gainesville.

On retirement, Colonel Gregory had accumulated 28 years of active military service in both an enlisted and commissioned status. His major assignments were in the fields of policy, plans, programming, education, intelligence and communication. In addition he is a graduate of the University of Alabama with a degree in engineering.

"I have found this experience and education to be most useful in helping to solve the many civic projects on which I have worked while residing in Seminole County," said Colonel Gregory.

Mrs. Gregory is active in the Lake Mary Woman's Club and is a past president of the Sanford-Seminole Art Association. She also is an art teacher. Colonel and Mrs. Gregory have two sons, Jess O., a student at Florida State University, and John Kent, a senior at Seminole High School.

On announcing his candidacy for Fifth District Commissioner, Colonel Gregory released the following statement:

"I believe that my education, training and experience uniquely qualify me to represent and represent the interests of all the residents of Seminole County, whether they be old, new, retired, business, military or space age oriented. I hold rather strong convictions on most political issues and I propose to discuss these freely during my campaign for election. For example: I oppose deficit financing and propose instead that we plan ahead and use pay-as-you-go budgeting."

"I believe that our county government must become much more responsive to it's public service commitments to those communities which are geographically and often 'informationally' remote from the court house door. We need better understanding, wider citizen interest, and more public discussion of the problems which confront us. Only in this manner can we achieve unanimity of purpose and dissolve the pettiness, lack of trust and jealousy which sectionalism within Seminole County and competition from without tends to breed."

SEMINOLE HIGH School students who have won State Board of Education teacher scholarships are (from the left) Susie Halback, Carol Oxford, Jennifer Thompson and Paulette Nor-

mand. The girls will receive \$400 annual scholarships for four years and may attend any university of their choice in Florida. (Herald Photos)

Bulletin

Donald Felman, 18, of Texas, was killed instantly this morning when thrown from a horse at Seminole Park Raceway, Casselberry, it was learned at press time.

Coroner Hugh Duncan ruled death by a broken neck was accidental. Felman, a groom employed at the race track, was dead on arrival at Seminole Memorial Hospital.

Pigott Explains His Position
Jim Pigott, Seminole High football coach and candidate for county school superintendent, told the Board of Public Instruction Tuesday that he is not running against present superintendent R. T. Milwee but that he was running for the office.

He told the board that some people were surprised when he announced, but he explained that this was an ambition he has had for some time. Calling it a big venture in his life, Pigott said he had made no promises.

Pigott made it plain that he was opposed to the appointive superintendent plan and immediately ran into opposition. Chairman Dan Wright said he favored the plan and referred to the procedures of the Florida Citrus Commission. Wright said it would have been impossible for the commission to have made the progress it has if its chief executive officer were elective rather than appointive.

After outlining his qualifications for the office, Pigott pledged a fair campaign. "Victory would be shallow," he said, "if he won the office in an improper manner."

Killer Of Girl, 16, Is Hunted
DES MOINES, Iowa (UPI) — The manhunt stretched out of state today for a man who stalked a high school girl and gunned her down on an icy street to die.

Police would not tell what they believed to be the motive in the outwardly senseless killing of pretty, popular Diane Lynn McConnell, 16, only hours before she was to have gone to her first student council meeting at Technical High School.

An all points bulletin was issued for the arrest of her stepfather, Doyle Hileman, 30. It was believed he was in Minnesota, although there were several reports that his 1959 pink and white Dodge sedan had been seen in Des Moines and elsewhere in Iowa.

LYMAN HIGH School students who have won scholarships are Barbara Daniel, Longwood, a teacher scholarship, and Patrick McLaughlin, Matland, an academic scholarship of \$700 at Rollins College.

County Considers New Oviedo School

Plans for a new high school to serve the Oviedo area were discussed Tuesday afternoon at the County School Board meeting.

It was the board's opinion that a new school must be built in the near future as the population continues to expand. The present plant, the board said, would be used for grades one through six.

Also discussed was the need for repairs of the old gymnasium. The board authorized the purchase of six new school buses which will be placed in operation at the start of the next school year.

Preliminary plans for additions to three schools are now being studied by the State Board of Education. The proposed projects are a music room for Crooms Academy, classrooms at Lake Mary and also at Oviedo.

E. S. Douglass, director of the County Vocational School, reported that initial information from a survey being made to estimate employee requirements by Central Florida firms during the next few years indicates a need for rapid increases in the vocational program. Douglass listed new courses which could be offered plus others which could be made available if new facilities could be obtained.

Straightening Of SR 426 Slated
County commissioners Tuesday afternoon took the first step toward straightening Road 426 from the Orange-Seminole county line to Oviedo.

The county engineer's office was authorized to begin a land paralleling the centerline title search of 130 parcels of as set up for the improved roadway.

Restrictions also will be made to balk any building attempts along the right-of-way. The commission will enlist the aid of the Chamber of Commerce's long range planning committee in the project. The program involves a 6.73 mile stretch of road. Money is limited for the project but commissioners decided the first steps should be made at once. Commissioners also tentatively set the March 3 meeting for the start of a county-wide road program.

Former Head Of County Home In Constable Race

Announcement of his candidacy for constable in District 4 was made today by Grady Scott, former superintendent of the Seminole County Home.

"I have lived in Seminole County for the last 19 years," said Scott. "I was the superintendent of the Seminole County Home for 24 years and was with Home, Little in the used car business for 10 years. Also owned and operated a grocery store on Ninth Street for the past three years."

"If I am elected I will cooperate with all law enforcement officers and perform my duties to the best of my ability. I will serve the people of Seminole County as a public servant. I will also exercise my authority when necessary."

"I would like to help make Seminole County a more safe and better place to raise our families in."

Area Volunteers Plan Annual Heart Sunday Drive

By Jane Casselberry
Heart Fund volunteers met last Thursday afternoon at the home of Mrs. Luther Miles, newly appointed chairman for the drive in the South Seminole area, to make plans for Heart Sunday, Feb. 23.

Mrs. Dottie Austin, public relations director of the Florida Heart Association, was present to assist the volunteers in organizing the drive.

Area captains are Mrs. Sarah Sue Gates and Mrs. Esther Johnson, Forest City; Miss Ann Cerami and Mrs. Lawrence Harky, Mrs. Charles U. Crowell, Longwood; Mrs. William Eckard, Altamonte Springs and Mrs. R. D. Wesley of Casselberry.

Mrs. Miles is personally indebted to heart research as she was confined to a wheelchair before undergoing open heart surgery five years ago. She is now able to lead an active and useful life.

Miss Cerami also had this operation seven years ago and, like Mrs. Miles, is particularly enthusiastic about the heart fund which will enable others to benefit from modern research and surgical techniques as they have.

All of these volunteers are members of the South Seminole Welcome Wagon Newcomers Club. More workers are needed in the South Seminole area and anyone wishing to volunteer may contact Mrs. Miles or any of the other captains.

G. W. Arthur, 64, Dies In Hospital

George W. Arthur, 64, died Tuesday morning in the Lake City Veteran's Hospital where he had been a patient since Feb. 1.

Born June 17, 1899, in John's Pass, he had lived in Sanford since early childhood. For the past three years he had made his home with his brother-in-law and sister, Mr. and Mrs. Harry Herbish of North Lake Montrose. He was a member of the Methodist Church.

Other survivors are his brother, Claude Saunders of Winter Haven; niece, Mrs. George Farris of Tampa and Miss Sandy Herbish of Lake Montrose and a nephew, T. W. Saunders of Winter Haven.

Funeral services were to be held at 4 p. m. today at Feaster Memorial Chapel in Largo. Burial was to be in the Largo Cemetery.

Ty Cobb, Walter Johnson, Christy Mathewson, Babe Ruth and Honus Wagner were the first five men elected to the Baseball Hall of Fame.

Institute On Judaism To Be Held Thursday

An Institute on Judaism for the Christian Clergy will be sponsored Thursday by the Congregation of Liberal Judaism, 301 North Fern Creek, in cooperation with the Orange County Association of Churches.

Guest speaker will be Rabbi Murray Blackman, spiritual leader of the historic Rockdale Avenue Temple in Cincinnati, Ohio, and lecturer at the Hebrew Union College, oldest Jewish Seminary in the Western Hemisphere.

Topic of the morning session will be "Jewish Life in the Time of Jesus." Following a question and answer session those attending will be guests of the Congregation's Sisterhood for luncheon.

In the afternoon meeting, Dr. Blackman will speak on "The Jewish Idea of the Messiah and Jesus" which also will be followed by questions and answers. At the close of the session ritual objects of the Jewish Faith will be on exhibit to the ministers and explanations of their usage and meaning will be given.

Dr. Ben M. Wallach, rabbi of the Congregation of Liberal Judaism, has explained that "this institute will no way be apologetic or polemic in nature; rather, on a high academic plane, it will be a means to explore our common heritage for better understanding and greater cooperation between all faiths."

Personal endorsement of the institute was given by Rev. F. Vernon Quigley, president of the Orange County Association of Churches.

Due to space limitations only ordained ministers can be accommodated at this time. It is hoped that they will return the information received to their own pulpits and congregations.

Forest City Group Installs Officers At Dinner Meeting

By Maryann Miles
Officers of the Forest City Community Association were installed at the February dinner meeting held last week at the Trade Winds Cafeteria in Casselberry.

Those taking office are John R. Bethea, president; Alen Forward, first vice president; R. B. Lashley, second vice president; Bill McGinnis, treasurer and Mrs. Atlanta McGinnis, recording secretary.

Highlights of the program were talks from announced and prospective County Commission candidates for district 3 and a liar's contest which was won by Adolph Juhl.

The meeting was attended by 25 persons and welcome was extended four new members, Mrs. Esther H. Johnson, Dr. Robert Hoover and Mr. and Mrs. James H. Joyce.

During the business session the group voted to request that the sign post for Forest City be moved back to its original location in Precinct 12 and to begin an immediate drive to build a community center which would provide a meeting place for many adult and youth organizations. It also is planned to develop recreational facilities in connection with the Community House.

General aims of the Forest City association were stated to include improving and developing the area with special attention to be given zoning and roads.

Total goal for the Community House building fund is \$5,000. A sum of \$500 toward this goal was pledged at the meeting.

The next meeting of the group, scheduled for March 2, also will be held at the Trade Winds.

Shirley Goodman and Sherry Kee converted the 4-5-7. Phyllis Freeze got the 7-8. Pat Siple Rose Patrick and Suzy Reno got the 8-10. VAH 3 "W" wives are still in first place with 60-23.

VAH 3 "R" Wives remain in second place with 52-28. In third place are the Mixed Mates with 49-31.

Platters, Hot Plates Split

League at Jet Lanes saw the Hot Plates and the Platters splitting even at two wins apiece but the second place Hot Plates and the Platters to gain a game on the first place Turkey Trotters because the Trotters dropped a three-point decision to the Cold Cutters. Mary Faust rolled a 168/433 high series for the league while pacing the Hot Plates in their split decision. Dot Johnson was high for the Platters with 445. Lorraine Spotts just missed high game for the league as she spun a good 173/440 series while her teammates, the Tomatoes were splitting two and two with the Meathalls. Lorraine also picked up the 3-10 and 4-5 splits enroute to her fine series.

Marvell Gonderman won high game honors with a 174 game. Betty Church was the high bowler for the Cold Cutters with 138/418. Peggy Deoley shot a 109 game to help the Toothpicks to a single win against the Bib and Tuckers in other league play.

Quite a few splits were picked up by the girls this week. Pat Siple converted the 5-7, the 5-6 was picked up by Dot Johnson. Jane Waime made two splits including the tough 5-6-10 as well as the 3-7. Gonderman converted the 2-7 to complete the split making for the day.

Bryant Assailed For Appointing 'Political' Pal

GAINESVILLE, (UPI) — Rep. Earl Faircloth of Miami has accused Gov. Farris Bryant of naming a "close political crony" to the post of state attorney general.

"It might be good politics for an outgoing governor to hand over such a sensitive and important office to his political crown prince, but it is not good government," said Faircloth, who is a candidate for the position.

Bryant appointed his administrative assistant James W. Kynes to the post when Richard Ervin was named to the state supreme court.

Faircloth told a civic club luncheon, Tuesday in a prepared speech, "the important office of attorney general should not be passed on by the governor to his close political crony who has practiced only politics, not law."

Faircloth announced Jacksonville attorney Linder Smith would be his campaign manager for Duval county.

George T. Wilson Dies In Hospital

George T. Wilson, 56, died Tuesday afternoon at Seminole Memorial Hospital.

Born August 1, 1907, in Sanford, he had made his home at 910 W. 20th Street for the past four years. He formerly had lived in Tampa and was a member of the Hyde Park Presbyterian Church there. A retired engineer with the Florida Steel Corporation, he was a member of the Hillsborough Masonic Lodge 25 of Tampa and a member of Zenadah Grotto of Tampa.

Survivors are his wife, Mrs. Clara Wilson of Sanford; three sisters, Mrs. Sydney [Name] and Mrs. Thomas Burleigh, both of Sanford and Mrs. Franklin Hardaway of Orlando; a brother, John W. Wilson of Gainesville and several nieces and nephews.

Funeral services will be held at 2:30 p. m. Friday at Brison Funeral Home with Dr. E. S. Campbell of Tampa officiating. Assisting will be Rev. Grover C. Sewell of the First Presbyterian Church of Sanford.

Gravestone services at Evergreen Cemetery will be conducted by the Sanford Masonic Lodge. All Masons are asked to meet at the lodge hall at 1:45 p. m. Friday.

The family has requested that donations be made to the Heart Fund or Cancer Fund in lieu of flowers.

Crash Laid To Engine Failure

WASHINGTON (UPI) — Preliminary investigations indicate an engine failure may have caused a South Central Airlines plane to crash after taking off from Gainesville Feb. 3, killing all 10 aboard.

A Civil Aeronautics Board (CAB) spokesman said Tuesday early evidence indicated one of the Beechcraft's two engines failed at an altitude so low the pilot could not maintain control.

Free Methodist Sets Service

A special observance of the World Day of Prayer will be held at 7 p. m. Friday at the Free Methodist Church, corner of Laurel Avenue and Fourth Street, Sanford, Rev. Eugene Shelton, pastor, announced today.
Participating will be the Paola Wesleyan Methodist Church.
The public is invited to attend.

Vikings Keep Van Brocklin

MINNEAPOLIS — ST. PAUL (UPI) — Norm Van Brocklin will stay on as head coach of the three-year-old Minnesota Vikings of the National Football League.
Van Brocklin, who has been head coach since the Vikings started, has decided not to consider a possible offer to become general manager of the Philadelphia Eagles, a team he quarterbacked to the championship in 1960.

South Seminole Church Women To Conduct Prayer Service

By Donna Estes
Five churches of South Seminole county will hold a joint World Day of Prayer service Friday at the First Baptist Church of Longwood from 10 until 11:30 a. m.
The theme of the program, which has been planned by the women of the churches of the South Seminole Ministerial Association, will be "Let Us Pray."
The women, the churches they represent and the parts their committees will take in the program are:
Mrs. B. R. Gray, First Baptist Church of Longwood, the opening, scripture and invocation; Mrs. William Tilford, Casselberry Community Methodist Church, prayer of thanksgiving and the meaning of the World Day of Prayer; Mrs. C. W. Miller, Altamonte Community Chapel, act of repentance in preparation for intercession; Rev. E. Ruth Grant, First Pentecostal Church of Longwood, prayers of intercession; Mrs. Leonard Jones, Prairie Lake Baptist Church, benediction, rededication to service of others and closing talk by Rev. Jones.

'Daytona Cobra' To Be Shown

DAYTONA BEACH (UPI) — Sports car builder Carroll Shelby plans to unveil a 200 mile an hour Cobra prototype here next Sunday in the grueling 2,000-kilometer "Daytona Continental" sports car race.
The aluminum-bodied car, the "Daytona Cobra," is powered by a souped up Ford and was designed to conform to the Gran Turismo specifications.
The Daytona Cobra is Shelby's latest effort to smash the Ferrari domination of the Continental. The car clocked 175 m.p.h. at the Riverside track in California during trial runs and Shelby said there was "plenty of pedal left."
Idaho officials counted a \$27,000 drop in January over previous Januarys, but state tax collector Floyd West noted that cigarette smoking seemed to be on the rise again. Wretens the drop amounted to 15 per cent after the U. S. Public Health Service report Jan. 11, the decrease now is only 6 to 10 per cent.

Another Try

NEW YORK (UPI) — Fordham sprinter Sam Perry will make another attempt to defeat world-record holder Bob Hayes in the 60-yard dash during the New York Athletic Club meet in Madison Square Garden Thursday.

WHEREAS, the Town Council of Altamonte Springs, Florida, deems it advisable to grade, stabilize, improve and pave Second Street, in said town, from its intersection with Hermitas Trail, East to its intersection with Sanford Avenue to a width of 20 feet with a six (6) inch bituminous road mix and application of one (1) inch plant mix wearing surface; said improvements to be done in compliance with plans, specifications and estimates now on file with the Town Council of Altamonte Springs, Florida; said plans, specifications and estimates have been heretofore approved by the Town Council and constitute the plans, specifications and estimates for this work.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF ALTA MONTE SPRINGS, FLORIDA:

That the Town Council of Altamonte Springs, Florida, deems it advisable to make and carry out improvements to grade, stabilize, improve and pave Second Street, in said town, from its intersection with Hermitas Trail, East to its intersection with Sanford Avenue to a width of 20 feet.

That all said improvements shall be done in strict compliance with plans, specifications and estimates now on file in the office of the Town Clerk of the Town of Altamonte Springs, which said plans and specifications and estimates shall be open to the inspection of the public; and the Town Council of the Town of Altamonte Springs does hereby declare the necessity for the paving of said street as a necessary public improvement.

BE IT FURTHER RESOLVED:

That the total cost of said improvements is estimated to be \$60,000.00, and the sum of money necessary to pay for the total cost of said improvements is hereby authorized.

That the cost of said improvements shall be assessed two-thirds against all lots and lands adjoining and contiguous to the improvements or specially benefited thereby and further designated by the assessment plan now on file in the office of the Town Clerk of the Town of Altamonte Springs, which said assessment plan

Council Inters Cemetery Offer

Action by the town of Casselberry to take over a proposed cemetery being offered by Hubbard Casselberry Monday night was tabled indefinitely until such time as the matter is presented again "in a proper manner by the proper authorities with a proper deed."
Question arose at a Jan. 27 meeting of the Board of Aldermen over status of the property deed which was given by Casselberry some time ago to the Casselberry Community Methodist Church and which still is in possession of the church.
A letter read Monday night from the church board of trustees, dated Jan. 29, advised that the deed would be turned over to the town if and when the town agrees to accept full responsibility for the cemetery operation. This agreement also stands subject to approval from state authorities who already have indicated that approval would be forthcoming.
In other business at Monday night's regular meeting of the board, a public hearing on the proposed comprehensive zoning ordinance was set for 7:30 p. m. March 2, in the Women's Club on Overbrook Drive.
Changes in the ordinance have been completed and copies of the reworked ordinance will be posted in three locations prior to the hearing.

Thinking Out Loud

BY JULIAN STENSTROM

Lyman Statistics
Lyman's Greyhounds in their initial season as members of the Orange Belt Conference, have fared fairly well among the competition they've met. The 'Hounds have posted a record of 11 victories against nine setbacks. In the OBC they've come up with a five and five record. This isn't too bad when one considers the 'Hounds have played clubs like DeLand, Leesburg, Apopka, Lakeview, Oak Ridge, Oviedo, New Smyrna, to mention a few.

The Greyhounds have been led this season by Donnie Smith and Bill Tolson. Tolson has racked up a total of 227 points while Smith, who missed several weeks of play due to an unfortunate injury, racked up 115. But taking second place behind Tolson was Joe Asher who had 126 points.

All of the figures we have compiled do not include Monday night's contest with the Leesburg Yellow Jackets. The club as a whole has averaged 43 points per ball game. They've dumped in 52 percent of their shots from the floor and 88 percent of their attempts from the free throw line.

Tolson has the top scoring average. He's netted 16.4 points per contest, Smith has 15 and Asher came in third with 9.3.

In the rebounding department for Coach Walt Dumas, Smith averaged 14 per ball game. Tolson had 10, Dave Matis eight, Richard Grant seven, Gene Winkelmann 6.5, Jim Shuster four, Jim Gopin 3.5 and Asher one. In total rebounds, Smith grabbed 183, Tolson 155, Winkelmann 119, Grant 114, Matis and Gopin 60, Asher 57 and Shuster 24.

In seasons to come, there's no doubt but that the Greyhounds will have their up and down years as they participate in the cage sport. However, the future looks bright for the 'Hounds and Seminole County hardwood fans can be assured that Lyman will be a contender most of the time for the OBC title.

Mechanics Or Drivers?

A handful of expert auto mechanics hold the key to almost \$4 million in stock car racing prizes, including "The Big One," the Daytona "500," Feb. 23.

The work of Bill Struppe, John Holman and Ralph Moody, Ray Nichols, "Smoky" Yunkel, Everett Owens and other top mechanics is described in "Will Mechanics Make the Difference at Daytona?" in the February issue of Popular Science.

These men tear down a stock car and put it together again. When they get through, only a resemblance between the original and theirs is purely coincidental. The results of this process are aimed at boosting speeds in the "500" to about 170 miles per hour, the fastest oval-track racing in the world.

Auto companies are pouring millions into their cars to correct last year's faults and make their products winners in the brutal competition.

Ford had transmission failures in a 400-mile race in Riverside, Calif., in November. Now gears are bigger, and better metallurgically.

Plymouths, did fine on the short tracks. But while they and Dodge, too, produced prodigious torque coming out of turns, they wheezed on the straightaways. So both intake and exhaust manifolding have been refashioned for more horsepower.

Chrysler, this year will run aerodynamically refined two-door hardtops, instead of sedans, to cut down drag. A modified heavy-duty suspension will reduce the Dodge's height two inches.

Ford and Mercury will remove the rain gutter from the top windshield, cover an oblong (air-cooling) hole under the radiator, and block off air to the engine compartment with a screen guard to keep oil and water temperature within operating limits.

The companies make these changes and get the best mechanics available because they are openly in the business of winning and money spent exceeds the purse.

The skill of drivers with the glamour names will count in the races, but it'll be the crack mechanics who will be mostly responsible for the victories.

Asliga, Iriarte Finish Strong

Asliga and Iriarte came on strong after a slow start to take the feature eighth game doubles in Tuesday night's Jai Alai action at the Orlando Seminole Fronton.

Bowes Scores 29 Points To Lead Tribe

Mike Bowes continued his scoring spree Tuesday night and led Head Coach Ralph Stumpf's Seminoles to a 56 to 54 victory over the Bishop Moore Hornets in a Metro League tilt at Sanford's Fleming Gymnasium.

Bowes had 29 points. He has dumped in 87 points in the last three games played by the Seminoles and this should put the youngster near Gary Preiser of the Hornets for top scoring honors in the Metro circuit.

The Tribe grabbed an early lead and banged their way to a 11 to 7 margin over the Hornets at the end of the initial period. Both clubs came up with 14 points in the second quarter as the Hornets came to life. But Seminoles led at intermission 25 to 21.

In the third stanza the Seminoles continued to set the pace and led 40 to 34 when the wild, final frame got underway. Bishop Moore began hacking away at the Seminoles margin until they knotted the affair at 48-all with three three minutes remaining to play.

Bowes came through with a jump shot that put the Tribe into the lead once again and they managed to hold onto it despite the last minute efforts of the Hornets.

The Tribe's leading scorer, Preiser, was defeated by Ken Tyre who did a commendable job in limiting the Orange County all-star-everything to only three points in the first half. Preiser came to life in the final half and dumped in 15 points.

Behind Bowes, Barry Berks and Tyre came up with nine points each. Mel Martinez sank 14 points to follow Preiser.

Seminole "busted" a four-game losing binge and now has a record of five wins and 12 losses for the season. In Metro play they are now four and eight. Bishop Moore is nine and 10 for the season and five and eight in league competition.

John Colbert's Baby Seminoles hacked out a 41 to 34 win over the little Hornets in a preliminary affair.

Joe's Laundry, Stenstrom Tied

Stenstrom Realty was three points from Southern Air putting them back to the Joe's Laundry for the first place position in the Hill-nomers league. Joe's Laundry split their points 2-2 with M. & R. Bar.

Shoemaker Construction made a clean sweep against Hunt Realty; DeBary Debs won three points from the Acey Deucey Wives. The Grapevine Nursery team upset the Art Brown Pest Control with three wins and the C.P.O. Wives split the points 2-2 with Cook's Corner.

The split circle is headed by Connie Ringo, Cook's Corner captain, who converted the 2-10; 6-7; and the 5-10 splits. Latha Ward splattered the 5-7 and the 3-10; Frances Cross 5-10; Dot Johnson 3-10 and the 5-4, and Virginia Skelly the 5-7. The 4-3 fell for Etta Dorman and Libbie Whitehead while the 5-10 proved easy picking for Rita Glaser, Doris Hock, Mildred Nicholas and Pauline Steves. Dot Sutton and Doris Hock rolled turkeys.

Doris Hock, bowling for Art Brown Pest Control rolled high game of 203 while Dot Johnson, Cook's Corner anchor gal, turned in high series of 200. The league welcomes Suzy Reno who is replacing Cathy Poulter on the Shoemaker Construction team.

The Jet Lanes representatives had Spolaki leading the group with a 220/228 followed closely by Pete Peterson's 225/203 set. Other scores were Garry Fox 180/166; Harry Pentecost 181/168; and Johnny Wright 186/171.

Another challenge match will be rolled in Titusville Sunday at 5 p.m.

ENTERPRISE'S BIDDY BASKETBALL CHEERLEADERS this season are (left to right) Patti Swenney, Roberta Murr, Milana Crawford, Lynn Schröder and Vonnice Smith. The girls were introduced recently at a meeting of the Enterprise Parent Teacher Council meeting.

Stake Qualifying Races Set Tonight

Qualifying heats for the third annual racing king stake is scheduled tonight at the Sanford-Orlando kennel club with the track's top 16 male Greyhounds running in the featured 8th and 10th races.

The ninth race shapes up as the tough one with Sarasota Suncoast, Denny Mac and delectable Champ Cherokee Liulou vying for positions in Saturday night's racing king stake.

The top four finishers in each race will garner the eight berths in Saturday's big race.

Probable favorites in the 10th event will be Ball Ahead and O. B.'s General. Ball Ahead—winner of the \$60,000 Phoenix Futurity in November—drew the favored No. 1 box and will be hard to catch if he gets a fast start.

Young O.B.'s General has won three straight in gaining grade A status and appears to have the speed to become a real good sprinter.

Other starters going against Sarasota Suncoast, Denny Mac and Cherokee Liulou in the ninth are O.B.'s Torpedo, Rank Son, Larry Kasha, Gale Man and Ryndale.

Rounding out the field in the 10th will be Big Trade, Ed's Corky, George Jet, Wide Gap, James Rock and Much Time.

The top four finishers in Saturday night's racing king stake will run in the king and queen championship Feb. 22. Already lined up for action for the female runners in the big event are queen El Paso Lass and her court of Bella Adams, Extra Rock and E.A.'s Little Sister.

Tonight's Entries:
FIRST RACE — 8/16 Mile — Grade A — 1. Material, 2. Nito, 3. Rock Flight, 4. Wall, 5. Tall, 6. Tony Rock, 7. Tom's Flight, 8. Ulla Adams, 9. Circus Wonder, 10. Hank Parrish.

SECOND RACE — 8/16 Mile — Grade B — 1. Doe Robbie, 2. Kaseo Lady, 3. Dashing Dan, 4. Willie, 5. Gladys, 6. Bobbie Ponda, 7. Shanda Lee, 8. Earl's Mac, 9. Foxy's Polly, 10. Tom's Rock, 11. Wanda's Hop.

FOURTH RACE — 8/16 Mile — Grade D — 1. Betty Hobbs, 2. Willie, 3. Gladys, 4. Charlene Helen, 5. Larry Kasha, 6. Hank Son, 7. Danny Mac, 8. O. B.'s Torpedo, 9. Ryndale, 10. Sarasota Suncoast.

FIFTH RACE — 8/16 Mile — Grade E — 1. Galt Man, 2. Charles Helen, 3. Larry Kasha, 4. Hank Son, 5. Danny Mac, 6. O. B.'s Torpedo, 7. Ryndale, 8. E.A.'s Corky.

SIXTH RACE — 8/16 Mile — Grade F — 1. Mambury, 2. Al Passum, 3. Betty Babe, 4. Muncaster, 5. Fallacy, 6. Jill Betty, 7. T. G. B's Doll, 8. Bealling.

SEC's Top Rebounders Square Off Tonight

ATLANTA (UPI)—The top two rebounders in the Southeastern Conference meet for the first time tonight and the outcome of their duel in the Commodore juggle will have a definite bearing on the conference basketball race.

The game itself has Georgia Tech, No. 2 team in the SEC, as host to seventh-ranked Vanderbilt, the No. 3 team. But almost of equal interest will be the battle between six-foot-nine sophomore Clyde Lee of Vandy and six-foot-ten

Junior Jim Caldwell of Tech. Lee leads the SEC in rebounding with an average of 15.4 per game. Caldwell is second at 14.1. Lee leads the Commodores in scoring with his 19.4 average—fifth best in the league. Caldwell is tops for Tech at 13.4.

Big 670 Series Chalked Up By Honeycutt

The up and coming young bowler of Sanford came through with another big series, just three weeks after rolling a 714. This past week, while bowling in the All Star League at Jet Lanes, Gordon Honeycutt rolled games of 213, 237 and 200 for a huge 670 total. This fine bowling by Gordon helped his team; Mardors Marvin to take a clean three game sweep of their match with Bob's Restaurant and knock Bob's out of first place. John Wright was high for Bob's with a 205/592.

In other league action, Island Materials moved into first place with a clean sweep from Larry's Mart who dropped to fourth place. Jack Kanner was high for Island with a 200/577 while John Kneeland was high for Larry's with a 200/547.

Allied Van Lines salvaged two wins from Betty Anne's as the high flying rural mail carrier, Bob Steele, rolled a 200 game and a 500 series to help Allied while Archie King was high for Betty Anne's with a 532 series.

Bowlers rolling those magical 200 games this week were Gordon Honeycutt with three — 213, 237 and 200 followed by Ed Callan with a 210, Wright 205, Phil Roche 207, Harry Pentecost 201 and Steele, Kanner and Kneeland with even 200's.

Evans Champs Of Metro League

The Evans Trojans captured the Metro Conference title Tuesday night when they blasted out a 61 to 51 victory over the Winter Park Wildcats.

Edgewater High's Eagles nosed out the Braves of Boone High, 73 to 71, and the Colonial High Grandsters took the Pioneers of Oak Ridge into camp, 69 to 54.

In Sanford, Seminole whipped Bishop Moore, 56 to 54.

Out For Season

ARCADIA, Calif. (UPI) — Crimston Satai, the star Thoroughbred of the Crimston Farm, will probably be sidelined for the entire racing season as the result of an ankle injury suffered in the Jan. 24 San Pasquale Handicap. Ranked 13th on the all-time money-winning list, Crimston Satai had been a prime contender for the \$145,000 Santa Anita Handicap.

The second-ranked Kentucky Wildcats lead the SEC at present with an 8-2 conference record. Georgia Tech is 7-2 and Vandy 6-2 going into tonight's game. Tennessee, also 6-2, will be at Vanderbilt Saturday night.

Wright Leads League With 613 Series

In the City Bowling League at Jet Lanes, John Wright led the league with games of 177/247 and 189 for a 613 series. Not too far behind was Richard (Shilling) Murphy with games of 180, 233 and 193 for a 606 total.

In team action Michael's Elk Gas took three wins from the Knights of Columbus. Carl Von Herbulis was high for the Knights with games of 236/210 and a 586 total. Lake Monroe Inn led by John Kneeland's 574 series continued their winning ways with a clean four-games sweep over Harry's Bar and Package.

Jet Lanes continued its hot pace just three games behind Lake Monroe Inn with a four-point win at the expense of Wisdom God Service. Sweney's Bar and Grill and Sanford Manufacturing Co. came out with two points each in the won and lost columns with John Bridges being high for the Manufacturers with his 309/535. Pete Peterson was high for Sweney's with 210/555.

In the only other league match American Legion Post 53 and Fryer's State Farm Insurance had a close match with the teams coming out even with 2-2 records. The first two games were close as both teams came up with the same total pinfall but wins went to the Legionnaires to get total pins point and win a split. Phil Roche was high for Fryer's with a 548 series while George Swann was high for the Legionnaires with his 550 total.

This week found the 200 games plentiful with John Wright leading the pack with his 247, followed by Von Herbulis with games of 236 and 210, Rich Murphy 223, Garry Fox 220, Paul Hoptocky 216, and 202, Harry Pentecost 211, Pete Peterson 210, John Bridges and Kuznicki 209, Gerald Behrens 204, Eddie Kirchoff and George Klein of the commission, George Swann 203, Dave Dearolph 203, and John Kneeland with 200 games.

Dundee Protests '3-Knockdown'

MIAMI BEACH, Fla. (UPI) — For once, someone else did the shouting for Cassius Clay today.

Trainer Angelo Dundee phoned a protest to the Miami Beach Boxing Commission against use of the "three-knockdown rule" in the Feb. 25th title fight between local-mouthed Cassius and heavyweight champion Sonny Liston.

The three-knockdown rule provides that if a fighter is floored three times in one round he automatically loses the match on a technical knockout.

"That rule never has been used in any kind of a world title fight anywhere before," Angelo told Chairman Morris Klein of the commission. "That rule has been waived for title fights everywhere."

Team No. 3 Tops Dick's Appliance

The two top teams in the Businessmen's League toed the mark last week in the match of the night, and Team No. 3, by the closest of margins, emerged the winner over Dick's Appliance by virtue of a nine-pin victory in the total pins race to snare the third point of the match. It allowed Team No. 3 to take a five-and-one-half game lead over the second place teams, Dick's Appliance and Konrad's and Cline's Sinclair, this being the largest advantage enjoyed by any team so far this season in this closely matched league.

It was Dick Zuckerman and Clarence Wallis' night to shine for Team No. 3 as they shot series of 207/513 and 181/528. Ralph Betts supplied his usually reliable bowling for Dick's Appliance with 186/548 as he took high series honors for the night although Dick Schaffer was close on his heels with a fine 204/534 series.

Konrad's and Cline's Sinclair stormed through to a three point win over Smith's Amoco Service and thereby gained a tie for second spot in the league. Curt Abney with 200/502, Dick Morrison 186/511 and a newcomer to the league, Steve Barnes, 212/547, were the shooting stars for the Sinclair's as they continued their bid for the first place slot. Marshall Willshire did some steady bowling for Smith's Amoco with 189/508.

The Faron Builders and Team No. 4 battled to a two-and-two stalemate as Al Faron raced his mates with a good 202/529. Vergil Anderson was high for Team No. 4 with a 180/504. Sam Faron did some fancy shooting for the Builders by converting the difficult 4-6 split.

In the final match of the night Cavanaugh Tire Service climbed a rung up the league ladder by taking a three point win over Team No. 3.

Juniors Beat Their Adults

Leave it to the kids to come through when it counts. This week, a challenge match between the junior bowlers of the Titusville area as well as an additional match between the adults of the Sanford area and those of Titusville had the wins going for the juniors with the adults tasting defeat.

Leading the Sanford Juniors was John Jernigan with games of 199, 182, 187 for a big 568 series. The other Sanford scores were Jim Woods 187/222; Jim Brewer 178/228; Don Nicholas with an off day rolled 130/228 and Steve Bassett 194/268.

The much touted Stan Tommaselle of Titusville, who carries a 194 average, shot a three game series of 538.

The Sanford adults could salvage only one win from their opponents whose lowest bowler averaged over 180 for the three game match. The high for the Titusville group was that of Ron Thurlow — 210/203. Former Sanford, Bobby Borodorf, rolled 221/273.

The Jet Lanes representatives had Spolaki leading the group with a 220/228 followed closely by Pete Peterson's 225/203 set. Other scores were Garry Fox 180/166; Harry Pentecost 181/168; and Johnny Wright 186/171.

Another challenge match will be rolled in Titusville Sunday at 5 p.m.

Lord's Concert Lives Up To Advance Billing

By Dorothy Austia
An enchanting, tiny theater, alive with dozens of "little people," delighted a large audience at Seminole High School, Monday.

Daniel Lord's concert theater, as done by marionettes, is a standout in the world of puppetry, partly because all of the background music is of the classical variety, and partly because of the amazing versatility of the concert master himself.

As promised by advance billing, there were many startling effects, including an Indian rain dance, where lightning flashed and the rain came down; the scene from Faust, with the Mephistopheles wrestled in billowing puffs of smoke; with flashing lights and flickering shadows.

During much of the show, the audience was kept wondering just how concert master Lord is operating all the lights, special effects and the many puppets that he had on stage. In one case, eight peasant puppets danced a polka-like number all at the same time.

Lord himself has single-handedly constructed and costumed over 700 marionettes, designed all his own sets and effects and operates the entire presentation by himself.

This talented young man made his debut at the age of seven years playing as a guest soloist with a professional symphony. He has also been a singer, a designer for theatrical and opera companies and an actor.

The performances of the puppets was to interpret in Lord's own way several musical masterpieces including scenes from Faust, Rimsky-Korsakov's Capriccio Espanol and Variations on Strings, which included Mozart, Verdi, Scott, Fisher and others.

This is the final concert of the year presented by the Seminole County Mutual Concert Association. However, several shows can be seen in Cocoa this month and in March.

Plans for next year's program will be announced soon, concert officials said.

honor of Mrs. John MacFarlane, president of the club, Monday evening at the church social hall.

Mrs. MacFarlane and her children are leaving the area on Friday to join CPO MacFarlane who has been transferred to Iceland.

Rev. William J. Trainor, pastor of the church and spiritual director of the club, commended Mrs. MacFarlane and her husband for their numerous efforts in promoting the advancement of the parish since its founding three years ago. He praised Mrs. MacFarlane in particular for the excellent job she has done as president of the Women's Club.

Father Trainor wished the family, whom he characterized as being an ideal Catholic one, Godspeed and stated that they would be long remembered in the parish.

The honoree was presented with gifts of a National Council of Catholic Women's gold pin with a small gold gavel attached and a silver memento bracelet.

Ninth Grade To Be Added In Slavia

By Bernice Kelsey
The executive board of St. Luke's Christian Day School in Slavia has announced that it has recommended to the Church Voters Assembly that a ninth grade be added to the school beginning next September.

The course of study as recommended by the State Department of Education will be used in cooperation with the Oviedo school program. Classroom space for the new grade addition already is provided.

Oviedo Students To Register For Photos

By Bernice Kelsey
Oviedo school officials announced today that students wishing to have photographs made at Saturday night's Valentine Dances should register in the school library by Friday.

The 5 by 7 inch photographs will be in color and will be made upon registered request at the Senior High dance in the school cafeteria and the Junior High dance at the Oviedo Woman's Club.

Since their purchase by the U. S. in 1917, the Danish West Indies have been known as the Virgin Islands.

What natural aging does for fine cheese and fine wines, it also does for the fine beef you get at Winn-Dixie. It mellows and enhances the flavor of W-D Beef, and increases its tenderness, without destroying the fine beef texture or making it soft and spongy; as artificial tenderizers sometimes do.

All cuts of W-D Brand Beef are close trimmed of bone and fat before weighing and packaging. You get more, lean, tender beef per pound at your friendly Winn-Dixie.

Qualifying Petitions Available In Village

Announcement that qualifying petitions for candidates who wish to seek office in the March 17 North Orlando general elections are now available was made today by Mrs. Barbara Peters, village clerk.

Defector Holds Valuable Data On Disarmament

GENEVA (UPI)—Information possessed by Soviet defector Yuri Nosenko could be very valuable to the West in devising strategy for the 17-nation disarmament talks, Western officials said today.

Nosenko, who was a state security officer on the Soviet delegation here, is thought to have secret information on whether the Kremlin really wants an agreement on general and complete disarmament.

If the West knew the lines on which Soviet leaders are thinking, the officials pointed out, Western negotiators could adapt their position accordingly in the hopes of finding areas of possible agreement.

This certainly would be the case if Nosenko has top-secret data on Soviet nuclear weapons production and defense plans, as some sources have believed he has.

Nosenko, 36, was an agent for the KGB, the all-purpose Russian intelligence and security agency. He came to Geneva with Soviet chief negotiator Semyon K. Tsarapkin, but defected to the West last Tuesday.

The United States said Nosenko had asked for political asylum, but it did not disclose his whereabouts. Informed sources said Nosenko used his possession of secret information as a bargaining point in seeking refuge.

What effect Nosenko's defection would have on the future course of the conference here was uncertain. Disclosure of his flight surprised most delegations, and first reaction of the Russians was one of silence.

Shell Club To Exhibit

A shell collection from all parts of the world will be on exhibit Sunday afternoon, Feb. 16, by the Shell Club of the Central Florida Museum.

This exhibit supplements the Museum's current exhibit of paintings by Eleanor J. Mathews depicting the natural history of the Florida and Bahama coasts.

Of particular interest will be the collection of fossil shells from the Okeechobee area which is used in a comparison between Pliocene and present day shells.

Take-Home Pay Lift May Come Next Month

WASHINGTON (UPI) — Quick agreement by House-Senate conferees on a withholding rate in the new tax cut bill could mean more take-home pay for most Americans as early as the first week of March.

The negotiators agreed Monday to include in the final measure a Senate-passed provision to drop the present 18 per cent federal withholding rate to 14 per cent this year.

The House-passed bill would have lowered the rate to 15 per cent next Jan. 1 but President Johnson asked for the 14 per cent rate immediately to pump a quick \$800 million a month into the U. S. economy in higher take-home pay.

Library Site To Be Appraised

Appraisal of the former public library property, for possible sale, was ordered by the City Commission Monday evening.

Commissioners discussed interest expressed by First Presbyterian Church in the property, pointing out the Church is considering making an offer and, in turn, would exchange the old library building for the Woman's Club property on Oak Avenue.

The Church, it was said, is interested in the Woman's Club property in its long range building program for a new edifice.

Dawn Barnes Honored With Shower

Miss Dawn Barnes of Casselberry, who is planning a Valentine's Day wedding, was honored at a bridal shower Wednesday night given by Miss Linda Hedges and Miss Terri Valice at Miss Hedges' home in Winter Park.

The honoree was presented with many lovely gifts and the table centerpiece was in the form of two large rings with the engagement ring set with a large pink carnation. The color scheme was pink and white as these are the colors Miss Barnes has selected for her wedding.

Refreshments included a white cake decorated with pink wedding bells and punch. Those attending were the bride-elect's mother, Mrs. Donald Barnes, the bridegroom's mother, Mrs. Robert McGrew, Mrs. Thomas Pratt, Mrs. Nell Mullinix, Miss Shirley Killingsworth, Mrs. Doris Schultz, Mrs. Ruth Nevius, Miss Barbara Nevius, Mrs. Doris Hedges and Miss Alice Hedges.

Valentine Party Planned By Xi Beta Eta

Mrs. Ed Peterson was hostess to members of Xi Beta Eta Chapter, Beta Sigma Phi Sorority, Monday evening, at her home.

Mrs. E. C. Harper Jr., Mrs. G. Andrew Speer and Mrs. Clark Brustle were elected to the nominating committee for new officers.

Mrs. Peterson reported the Baptist Children's Home had sent the members the name of a child, to replace the one they had been supporting but had left the home. Money was sent to the home for the child's allowance.

Plans for a Valentine party were completed. The party will be at the Capri Friday evening.

Mrs. Speer gave a program on "Europe" and later conducted a contest, dividing members in two groups. Questions on the program subject were asked and both groups were well informed the contest ended in a "tie."

During the social hour a white elephant sale was enjoyed. Mrs. Jane Saxon, first president of the chapter, is visiting in the city and was a guest at the meeting. Others attending were: Mrs. John Alexander, Mrs. Clark Brustle, Mrs. Hal Chapman, Mrs. Gordon Frederick, Mrs. Vernon Hardin, Mrs. E. C. Harper Jr., Mrs. Glenn McCall, Mrs. G. Andrew Speer and Mrs. Dot Richards, a transfer member.

Sharon Williams Gets High School Honor

Sharon Williams is Seminole High School's 1964 Betty Crocker "Homemaker of Tomorrow." She achieved the highest score here in a written knowledge and attitude examination given Dec. 3, 1963.

General Mills, Inc., sponsor of the program, will award her a "Homemaker of Tomorrow" pin to signify her achievement, and her test paper will be entered in competition for state honors.

The state "Homemaker of Tomorrow" will be awarded a \$1,500 college scholarship and will be named a national finalist. Her school will be presented with a set of Encyclopaedia Britannica, awarded by Encyclopaedia Britannica, Inc. The state's second ranking girl will receive a \$500 scholarship.

In the spring, state "Homemakers of Tomorrow," each accompanied by a school advisor, will enjoy an expense-paid educational tour to Colonial Williamsburg, Va., Washington, D. C., and New York City. The trip will be climaxed with the naming of the 1964 Betty Crocker All-American Homemaker of Tomorrow.

More than 484,000 girls in 14,000 of the nation's schools participated. Since the program was launched, more than three and a half million girls have participated and scholarships approximating one million dollars have been awarded.

Leslie Jones, Bride-Elect Complimented With Tea

Mrs. Jim Leonard, Mrs. Bess Herman and Mrs. Harold Appleby entertained, at the Appleby home on Virginia Avenue, with a tea for Leslie Jones, bride-elect.

Mrs. Frank Voltoline greeted the guests as they arrived and in the receiving line were the hostesses, the honoree and her mother, Mrs. A. G. Jones, and Mrs. T. A. Best.

The tea table was covered with a white cloth and set with silver appointments. A floral arrangement of red and white mums centered the table and was balanced with three-branched candelabra holding red candles. To accent the Valentine theme red punch was served, the petit fours were decorated with red hearts and the dainty tea sandwiches were trimmed with red flowers. Anna Lee Herman served the punch and Mrs. Roger Harris poured the coffee.

The bride-elect, lovely in a yellow sheath, was given a piece of china in her chosen pattern, as a reminder of the occasion, from the hostesses. They also presented her, Mrs. Jones and Mrs. Best with white orchids.

About 150 guests called during the appointed hours of 3 p.m. to 5 p.m.

Gamma Lambdas Write Impromptu Prose

Mrs. Jim Jones, Valentine Girl for Gamma Lambda Chapter, Beta Sigma Phi Sorority, will be honored at the covered dish supper the members will have Saturday night. Mr. and Mrs. Joe Corley will host the party, for members and their husbands, at their home on Cameron Avenue.

Mrs. James Dlythe was hostess for the regular business meeting of the chapter when a nominating committee was elected. Mrs. J. W. Carter, Mrs. LaStar Meridith and Mrs. Gil Daigle will serve on the committee. Plans were made for the "Spring Rush" and names of prospective rushers were submitted.

Mrs. Jo Kampf presented a program on "Prose," gave a definition of the subject and excerpts from famous works of prose. Mrs. Larry Mann and Mrs. Don Hammer gave a program on vers-making, explaining the essential components of verse.

Mrs. Mann read several poems written by her father-in-law. Members were asked to write a verse containing their name and the roll call was answered with the verses. They participated in making a continuous poem with each member adding one line.

The hostess served custard pie and coffee during the social hour. Others attending were: Mrs. Billy Wynde, Mrs. Jerry McCabe and Mrs. Joe McCarty.

MRS. ROGER HARRIS serves coffee to Mrs. T. A. Best, Leslie Jones and Mrs. A. G. Jones at the tea given for Leslie Saturday by Mrs. Jim Leonard, Mrs. Bess Herman and Mrs. Harold Appleby.

Altamonte Club Hears Talk By Dr. Douglass

By Julia Bartos
Dr. Paul Douglass, professor of political science at Rollins College and guest speaker for the Altamonte Springs Civic Club last Wednesday, advised that there still is time for Altamonte to develop in the correct manner if plans are begun immediately.

Members at the meeting agreed to have an old-fashioned food sale on March 14 in the Community House from 10 a.m. until 1 p.m. Contributions of all good foods will be accepted for this sale.

Mrs. Eugene Taylor, Heart Fund chairman for the area, asked for volunteers for the Feb. 23 Heart Sunday drive. The hat and dress sale project brought in some \$30.

Announcement was made that a meeting will be held at the Woman's Club in Sanford on Thursday, Feb. 27, beginning at 10 a.m. Those planning to attend are to bring a covered dish.

The Valentine motif was carried out in decorations for last week's meeting by Mrs. Milton Tinsley and members of her hostess committee, Mrs. Clare Reitter, Mrs. Leslie Bryan and Mrs. Jane Wellborn. Floral arrangements of pink and white camellias were used throughout the room.

Altamonte Garden Club To Meet

By Julia Bartos
The regular monthly covered dish supper meeting of the Altamonte Springs Garden Club will be held at 6:30 p. m. Thursday at the Community House on Matland Avenue.

Speaker for the evening will be A. T. Colthe, who for 25 years was head of the Orlando Parks. A graduate of Kansas University of Manhattanville, Kan., in the school of architecture, he now is semi-retired serving as a consultant.

The garden club has issued a public reminder that it will sponsor a fish fry on Friday, Feb. 28, from 5 until 7 p. m.

PTA Council To Meet

By Julia Bartos
The executive board of the Seminole County Council of Parent-Teacher Associations will meet at 9 a. m. Thursday at the Altamonte Elementary School.

The following Thursday (Feb. 20) the general meeting will be held at 9 a. m. at the Altamonte school with the program theme to be in celebration of Founders Day. School representatives attending will be from Bear Lake, Lyman, South Seminole Junior High and Pinecrest.

Purposes of the meeting will be to work together as a unit to organize plans for the coming months.

Board To Meet

The executive board of the South Seminole Welcome Wagon Newcomers Club will meet at 11:30 a. m. next Monday at the Trade Winds Cafeteria at Seminole Plaza in Casselberry.

Dear Abby: By Abigail Van Buren

DEAR ABBY: I am 31 and, after three years of marriage, am proudly awaiting the birth of my first child in June. My mother is expecting around the same time. The problem is Mom. She is 60, unmarried and mad at the world. In her case there's no chance of marriage. She gets angry with me when I show any signs of happiness over the baby. I feel guilty even mentioning it because she is so miserable about her condition. I'm so happy about mine. Mom has lived with us since our marriage. She's been self-supporting but will have to quit work soon. My friends and relatives have given me baby showers, but they treat Mom like an outcast. She feels so bitter and left out. I told her she ought to go to a Home For Unwed Mothers, but she says, at her age, she'd feel foolish with all those young girls. What about Mom too?

ately on request. She may use her correct name without fear or embarrassment. All inquiries are strictly confidential. Good luck!

DEAR ABBY: Please tell that mailman's wife, who is afraid she'll lose her husband to one of those awful women who comes to the door in her bathrobe, something for me. Yes, I do have a passionate love for my mailman. He brought my children home when they followed the garbage truck down the street and got lost. He pulled a little boy out from the path of an on-coming car right in front of my house one day. He caught our runaway dog and held him until the boys got there with the leash. He's paid my postage due small out of his own pocket when I had no change. (I repaid him.) He has walked through sprinklers to get to my mailbox. Sure I love him. Who wouldn't? But a great affair we would never have. He has four children and I have seven. Besides, he doesn't have time for it, and neither do I.

Mrs. F.

DEAR ABBY: My husband and I disagree on

something we hope you will settle for us. When Christmas cards come trailing in a day or two AFTER Christmas (and some of them are "airmail"), don't you think it proves that the senders really didn't intend to send you one, but after getting one from you they felt cheap and tried to make up for it? I do. And I think those people should be dropped from our Christmas card list next year. My husband says that some people are just "behind" with their cards, and it shouldn't matter when their cards get there, as long as they do. Well?

MR. AND MRS. DEAR MR. AND MRS.: I agree with your husband. Better late than to be ignored. And who counts?

Highlights

7:30-8:30 p.m. CBS. Chronicle. "A Trip to the Moon." The original cast of Broadway's "Beyond the Fringe" (Jonathan Miller, Peter Cook, Dudley Moore and Alan Bennett) star in a nutty adaptation of Jules Verne's novel undertaken by Miller and Robert Goldman. This will not be to everyone's taste, but we liked it and it does represent somewhat of a departure for this series.

9-10 p.m. NBC. Espionage. "The Frantic Rebel." Ernest Kinoy, one of television's few social dramatists, takes a crack at comedy here and comes up with what is fundamentally his version of a bawdy restoration comedy. The spying is all on the loving side, but the play is not the thing. An English cast headed by Roger Livesey as Johnson and Stanley Baxter as Boswell (it's set in the time of the American Revolution), plus Jill Bennett and Pauline Boty, takes whatever honors there are.

9-9:30 p.m. CBS. The Beverly Hillbillies. The best laughs in this one are provided by Nancy Kulp in her four-faced Jane Hathaway role. She and Banker Drysdale (Raymond Bailey) prime a moon-faced bank clerk (Bobs Watson) as a suitor for Ely May. The scheme works smoothly all the Clampetts are distracted by an unwelcome visit from former hillbilly neighbor Lela Crick (Peter Whitney), who's still determined to get a cut of the Clampett bank account. Starring as the Clampetts are Buddy Ebsen, Irene Ryan,

TV Time Previews

Hour. "The Only Remaining Copy Is In The British Museum." Forget the stupid title. This hour offers you the opportunity to see Roddy McDowall give a brilliant, virtuoso performance as a quixotic young genius who escapes from mundane realities by assuming wildly varied character impersonations. It's an inconclusive story, but the role is a fine one, hampered only by the limitations imposed on it by the regular characters and format. McDowall shouldn't be missed.

10-11 p.m. CBS. The Danny Kaye Show. Two very funny sketches, both involving actor Peter Falk as guest star. The opening sketch has Danny as a terrified hospital patient, cowed by a menacing psycho (Falk) as his roommate. A closing spoof of "Lawrence of Arabia" sees Danny as a dauntless secret agent matching cunning with Falk as a ruthless sheik. In between, there's some rousing Dixieland jazz provided by clarinetist Pete Fountain and his group, plus a fair vocal solo of "Once In A Lifetime" by Michele Lee. Kaye closes his show with a stirring rendition of "Gonna Build A Mountain."

10-11 p.m. NBC. Eleventh Hour. "The Only Remaining Copy Is In The British Museum." Forget the stupid title. This hour offers you the opportunity to see Roddy McDowall give a brilliant, virtuoso performance as a quixotic young genius who escapes from mundane realities by assuming wildly varied character impersonations. It's an inconclusive story, but the role is a fine one, hampered only by the limitations imposed on it by the regular characters and format. McDowall shouldn't be missed.

Jacoby On Bridge By Oswald Jacoby

Another innovation in my 1953 book "The Four Aces System" was the three-card minor suit opening. The wording in describing it was, "The three-card minor suit bid is a general utility man. It is neither used nor intended as a psychic and is employed only with a hand which is a compulsory bid and when there is no other satisfactory opening bid."

We qualified this bid further by explaining that we only bid it with one of the three top honors and when we could bid either three-card minor or opened one club.

The three-card minor is a part of every system and every expert's kit of bids today.

al concept. It is only used headed by an honor. It is only used when there is no convenient other bid and it is not a forcing bid. If partner has a bad hand partner passes a one club opening just as he would pass a one diamond, heart or spade opening.

North's opening club bid is standard today. Not that it matters much. The final contract of four spades would be reached by almost anyone.

It also would be made by almost anyone. All South has to remember to do is to go after hearts before he releases dummy's ace of clubs. Eventually he discards one club on the king of hearts so as to hold his losses to two diamonds and one heart.

Keep track of how much sleep he is getting (and see that he gets more if he isn't getting enough).

Take his word as to whether she is planning too hectic a social life for them as a couple.

Listen if he says she is spending too much money, and cut down on expenses wherever she can.

Quit dreaming up household chores for him when he comes home tired, try to handle as many family problems as she can without involving him.

If you consider this preserve - your - husband idea as sound, go right to work preserving your own — but for goodness' sake don't organize a club and make a big deal of it.

We The Women: By Ruth Millet

Preserve - your - husband committees are springing up all over Europe, according to a recent news story, as European women are becoming increasingly alarmed about the way wives are outliving their husbands. (Among Europeans over 65, there are two women for each man.)

I'm a bit hesitant about mentioning these preserve-your-husband organizations for fear the idea will catch hold in America where, if

there is anything women DON'T need, it's a new club to join.

But it would be a fine idea if American women became alarmed enough at the way women are outliving men in this country to decide to preserve their husbands strictly on their own.

Surely no wife has to join a committee to figure out how to do her utmost to safeguard her husband's physical health and emotional well-being. All she has to do:

Keep track of how much sleep he is getting (and see that he gets more if he isn't getting enough).

Take his word as to whether she is planning too hectic a social life for them as a couple.

Listen if he says she is spending too much money, and cut down on expenses wherever she can.

Quit dreaming up household chores for him when he comes home tired, try to handle as many family problems as she can without involving him.

If you consider this preserve - your - husband idea as sound, go right to work preserving your own — but for goodness' sake don't organize a club and make a big deal of it.

College Offers Horseshoeing

WILBURTON, Okla. (UPI) — Eastern Oklahoma A & M College has added an unusual last art to its curriculum. It has set up a four-hour short course in horseshoeing.

The number of horses has declined in Oklahoma, but those remaining are of high quality and value. Many owners depend on traveling farriers to keep their mounts shod. College officials hope to provide enough local talent to do some of the work.

Hudson's Fate

On his last voyage to the New World, the men of explorer Henry Hudson mutilated against him and placed him, his son and seven loyal sailors adrift in a small boat. They were never heard from again.

How to save for a rainy day and help your country now

Sometimes you may have an emergency which will affect the future of your family. It's kind of comforting to have a fund standing by to help you meet that emergency.

Your country also has emergency to meet in the day to day job of keeping peace and standing up for freedom.

You can help meet both needs with U. S. Savings Bonds.

Your fellow Americans are already holding \$47 billion in Savings Bonds—for rainy days, and sunny days, too. Why not join them? And use it if you don't feel pretty good about it.

Buy Bonds on the Payroll Savings Plan where you work. Or at any bank, no charge for the service.

ALFREDA MAYO

Mrs. Inez Mayo announces the engagement of her daughter, Alfreda, to Leon Burrows, son of Mrs. Ruthie Nathan.

The bride-elect was graduated from Crooms High School. She is matriculating at Volusia County Community College, Daytona Beach, in her freshman year.

Her fiancé, was graduated from Crooms High School and attended Oakwood College, Huntsville, Alabama. He is presently employed at Cape Kennedy. The wedding has been set for Easter Sunday at First Shiloh Baptist Church on West 15th Street.

Lula Lester, Third grade Lovelace Bryant, Ahnetta G. Cummings and Brenda J. Manley imparted selected readings.

Annye Louise Refoe, president of the student body, imparted some timely information to the faculty and students. She said, "There is a purpose for your life. Each one has something to live for. Stamp that thought firmly in your mind, and it will drive out all feelings of jealousy, one of the most destructive of all emotions. Jealousy breeds hate, prejudice, greed and envy, and probably it is the chief cause of an inferiority complex. Each of us should work toward forming in his own mind a clear picture of the person God created him to be. God had that picture in his mind before we were born, and let us pray that his mind will be in us. Ask your-

ANNYE REFOE

self again and again, why was I born? What can I best do and be? Focus the picture sharply and fix it firmly."

Midway Elementary School PTA met last Monday night. The Rev. Willie J. Moore conducted the devotional service. Projects for the month of February were listed and dates announced. The Silver Tea was held last Sunday in the school auditorium. This Tea was sponsored by Mrs. Sarah Cambridge. (Mrs. Kendrick will sponsor a program at St. Matthew's Church Sunday at 5 p.m. All proceeds will be donated to the Midway Volunteer Fireman Association.

On February 22 at 8 p.m. Mrs. L.A. Kilgore, Mrs. B. Jackson and Mrs. E.C. Pringle will sponsor the Founders Day Program.

Following the business session, Professor Hamilton related some of the highlights of the district PTA conference in Winter Park. Rev. E.E. Williams, president of the Midway Volunteer Fireman Association on ways of improving the Midway community.

Mrs. Claudia Hughes was elected delegate to the state PTA convention in Gainesville, Florida. Willie C. Cummings is president and Mrs. Lee Anna Kilgore is reporter.

The general committee of the March of Dimes wishes to thank the citizens of Sanford and Seminole County for their support and service in making the drive a satisfactory success.

Alma J. Hurston Chapter, Future Teachers of America of Crooms High School, attended the sixth annual Florida State Future Teachers convention last Saturday at Miami.

The first general assembly was held at 9:15 a. m. in the Carver High School auditorium as a welcome to all delegates.

The second assembly was held in the school's cafeteria with lunch and talent. Crooms High School had two contestants participating on this program. They were: Annie Ruth Jackson, instrumental solo and Carolyn Mobley, solo, accompanied by her sister, Eleanor Mobley, pianist.

The convention then assembled into committees with the voting delegates from each school participating. Our voters were Brenda Jordan and Janice Davis.

BEUNYCE MORRIS

Joie Allen, wife of the late Roy A. Allen, was presented with a gift in his memory. Mrs. Beunyce H. Morris, teacher at Volusia County Community College, gave an inspiring message. She spoke of being "An Ideal Person." "All men are created equal but some are better than others," she said. She cited an example of using the yardstick. The evaluation of men and the measurement of individuals show that some are better equipped with faculties than others.

The 160 members of the Junior class of Crooms High School held their first class meeting on January 30. Objective of the meeting was the election of class officers for the 1963-64 school term. The officers are: John T. Mitchell, president; George Hagler, vice president; Shirley Rhodes, secretary; Dolores Adams, assistant secretary; Georgelina Fudge, treasurer; Martha Debois, parliamentarian; Brenda Shaw, reporter. The Junior class sponsors are Mrs. D.A. Thomas, Miss E.D. Anderson, Mrs. D. F. Humphrey, C. B. Franklin and R. L. Evans. The class has selected as its motto "We have climbed 11 steps, yet there are many more."

W.L. Hamilton, principal of Midway Elementary School, presented an "Impromptu Talent Program" last Wednesday. Stephanie Jenkins, of the seventh grade read the scripture. Prayer was by Arthur Brown, of the eighth grade. Gladys Hall recited a reading. Oseola Jones sang "He." There was a piano selection by

'Pogo' Study Adds To Space Knowledge

HOUSTON (UPI) — Engineers spent more than \$3 million to calm down the "pogo-stick" vibrations in America's Titan-2 rocket—but it could mean an extra margin of safety for astronauts on future rides into space.

It started off as an emergency project to eliminate, or at least reduce, vibrations in the Titan-2 that could prove annoying and possibly dangerous to the two-man space teams it will lift into orbit. The program not only toned the Titan-2 down to safe levels, but also paid off in knowledge that can—and should—be applied to the bigger and better space boosters of the future, Jerome B. Hammack, chief of launch vehicle launch systems integration for the National Aeronautics and Space Administration (NASA), said.

"We shouldn't just let this work stop now," Hammack said. "Other vehicle systems can benefit from it, so let's don't be selfish about using it."

He suggested that giant super-boosters, such as the 1½ million pound thrust Saturn-1, the Saturn-5 moonrocket and the Air Force's mighty Titan-3, might find some useful chapters in what now amounts to a veritable encyclopedia on the so-called "pogo-stick" problem.

"Pogo-stick" is the nickname applied to vibrations that shake a rocket from nose to nozzle at a certain point in flight. All liquid-fueled rockets suffer from it, some worse than others.

On Titan-2, technicians discovered a "pogo-stick" bounce of 11 times a second with such force that, it was feared, an astronaut could be shaken so badly that he could not keep his eyes on his vital instrument panel.

The space agency chose Titan-2 to lift its two-man team of Gemini astronauts into orbit starting late this year or early in 1965—but it told the Air Force the vibrations would have to be reduced.

The Air Force poured its own money into the "first-aid" program and came up with a solution that involved adding a surge chamber to the oxidizer line and a piston-and-spring accumulator to absorb some of the force.

Coming Events Listed For Art Club

By Mrs. Adam Miller
The February meeting of the DeBary Arts and Crafts Club was held last Thursday morning at the Mansion Home with Chester Eldridge presiding. Mrs. E. Dawson, secretary, was welcomed back after a long illness.

Members were reminded of the Monday morning workshops in ceramics and the Tuesday morning workshops in painting.

Announcements of upcoming events included: A dessert card party to be sponsored by the Federation at 12:30 p. m. Wednesday at the Mansion; a Potluck to be held at Cypress Gardens from Feb. 15 through Feb. 22 and the Art Show to be sponsored by the Seminole-Stanford Art Association at the Civic Center in Sanford from 2 until 4 p. m. this Wednesday.

It also was announced that the Winter Park Sidewalk Art Festival will be held March 6-8 and that artists wishing to exhibit must register in advance.

Vegetables To Be Inspected

Patches of lettuce, celery, celery and cantaloupes will be observed by Seminole County growers at the annual Vegetable Field Day at 1:30 p. m. Thursday at the Central Florida Experiment Station on East Celery Avenue.

Latest research reports also will be made on sweet corn, peaches, grapes and blackberries.

Orcil A. Tucker II, county agricultural agent, will preside. Speakers and their subjects will be:

- Thurs. Dr. J. W. Wilson, "Control of Cabbage Looper"; Dr. P. J. Westgate, "New Crops for Central Florida"; Dr. J. F. Darity, "Diseases of Vegetable Crops"; Dr. W. T. Scudder, "Wood Control"; Dr. E. E. Forbes, "Plant Nutrition"; Dr. H. L. Rhoades, "Nematode Control"; and R. F. Whittier Jr., "Vegetable Breeding."

Longwood Church Sets Banquet

By Donna Estes
The Intermediate and Young People's Departments of the First Baptist Church of Longwood will sponsor a Sweetheart Banquet for teenagers of the church at 7:30 p. m. this Friday in the educational building.

A Valentine King and Queen will be elected preceding the steak supper.

Following the program and supper, Rev. Jack Lindsay, pastor, will show a 16 mm. sound film entitled "Teenage Challenge."

Geneva Citizens To Sponsor Barbecue

The Geneva Citizens Association will sponsor a chicken barbecue dinner and an afternoon of entertainment this Saturday at the Geneva Community Hall. Proceeds will be used to repair the roof on the building and excess, if any, will be for modernizing the kitchen.

Preparing the barbecue will be W. G. Kilbee, W. E. Dibble and E. W. Yarborough. Serving will be from 8 until 7 p. m. Takeout dinners will be available.

Ponies and horses will be on hand from 2 p. m. until dark for the children to ride and after the dinner a concert will be presented by the Geneva Community Band.

The public is invited to attend.

Farm Brief

Total milk production in 1964 will be about the same as for 1963. Total consumption of dairy products will increase but per capita use will be lower in 1964.

Lincoln Still Lives

Abraham Lincoln still lives. Almost a century after his death, his memory is familiar and comfortable as the penny which bears his likeness.

Lincoln is a car, a school, a monument, a city, a bank. His biographers are legion. Lincolniana fills our libraries. Politicians routinely quote him in speeches, almost every schoolchild, at one time or another, memorizes the Gettysburg Address.

Abraham Lincoln has counseled us for 100 years, yet we have too seldom listened. He has shown us the road to brotherhood, yet we have too often set our faces against it.

For too many of us, Lincoln has been an abstraction, a school holiday, a head carved in the rocks of the Dakotas.

But last November all America touched Lincoln and we really knew him for perhaps the first time. Abraham Lincoln can no longer be merely a figure in history.

For the fourth time in century, our country's faith in reason and the basic humanity of man was cruelly shaken by the bullet which took the life of a president.

We were bewildered, saddened, angered. Later, numbly, we thought back to Lincoln and to the legacy that lives in his words. With John Kennedy's assassination, those words were more clearly understood.

Abraham Lincoln's eloquent wisdom has been carefully and reverently passed to us. It still makes our minds soar and our heartbeats

quicken, but unless it makes our hands move, it is empty sound upon the air.

Can we not help but hope that the sobering events of the past year have given Lincoln's words a new vigor?

We have touched Lincoln and, in turn, have been touched by him. Remembering this, perhaps we can make his memory more meaningful, now and in the future, by sharing and working toward his cherished hope that "by the best cultivation of the physical world beneath and around us, and by the best intellectual and moral world within us, we shall secure an individual, social and political prosperity and happiness whose courage shall be onward and upward and which, while the earth endures, shall not pass away."

Thought For Today

"With the Lord on my side I do not fear." Psalms 118: 6a. RSV
All of us want to be able to feel that "the Lord is on my side." The real question is, "Am I on God's side?" Am I — in the places I go, the things I do, the way I talk?

"If ye know these things, happy are ye if ye do them." John 13:17 KJV

Happiness does not come from knowing but from doing. It does not come from books or bottles, but will always be the coveted prize of those who walk in the Christian way. Happiness is a by-product of righteousness.

Truer Than Ever

"With malice toward none; with charity for all..."

Phil Newsom Says . . .

Panama To Be Expensive

Unpopular though the thought may be, the indications are that the flag-raising incident which triggered off anti-American riots in Panama is going to be expensive for the United States.

Panama, obviously feeling that it is dealing from a position of strength, is demanding at the most that the United States give up the Panama Canal or consent to its becoming an international waterway and at the least that the United States agree to a revision of its treaty rights over the canal.

Pressing its attack, Panama has brought charges of aggression against the United States before the Organization of American States (OAS).

On its own part, the United States has maintained that its forces acted with "restraint" against mobs "incited and led by violent extremists, including persons trained in Communist countries" and that at no time did these forces leave the U.S. Controlled Canal Zone.

There are unfortunate circumstances on each side. President Johnson has termed "imprudent" those American high school stu-

dents of the Canal Zone who raised the American flag in their school yard in violation of a U.S.-Panama agreement which decreed that American and Panamanian flags should be flown side by side. Thus, these students in their teens managed to take over U.S. foreign policy.

It needed no great foresight on the part of U.S. civilian and military leaders in the zone to see that Panamanian nationalists and Communist infiltrators were awaiting only an excuse to repeat the mob action of 1959 which was triggered by the same issue.

Further, there was the attitude taken by the 50,000 zone residents against the Panamanians across the line. Unfortunately for both sides was the fact that this is an election year.

Unfortunate also was the fact that the United States never had made concessions in the Canal Zone except under pressure and that it has operated under no declared policy.

Ranged on the other side was this: An oligarchy of ruling families for years has ruled the destiny of Panama. Any U.S. agreement to give back land no longer necessary to operation of the canal or to permit Panama business firms to operate within the zone more than probably would go to the benefit of the oligarchy than to the Panamanian people.

A Panamanian president who sought reforms, almost automatically found himself ousted from office.

For years, the controlling families successfully fought a raise in minimum wages. Only eight per cent of the farmers owned the land they worked and only about three per cent of all the land was under cultivation. The country desperately needed houses, roads and public health measures.

Although \$48 million in U.S. funds had been made available to Panama under the Alliance for Progress, the government has been accused of deliberately blocking projects in order to protect family monopolies. A controlled press limited information available to the people and in the present dispute has been accused by the United States of deliberately inciting the people to "attack and to violence."

With emotions removed, either side can be credited with actions that are almost pure. The OAS has been stalling for time to prevent a split that could become hemisphere-wide. And time is needed. But in the end, both sides will negotiate because they must.

Letters To The Editor

The Herald welcomes letters from its readers on public affairs. The writer may use a pen name provided the letter also carries the writer's true name and address. Letters of fewer than 250 words will be given preference. Letters addressed to others are acceptable provided they do not deal in personalities. Poetry is not published by The Herald.

Editor, Herald:
We have been taking The Sanford Herald for about five years. At first we got it in the mail, then about three years later we got a delivery. We started getting it mainly because we wanted to know what was going on in our county. We would also like to know something about the Bear Lake area.

I was noticing that Bear Lake doesn't even have a correspondent. Is The Herald trying to ignore Bear Lake? or what?

I haven't seen anything about Bear Lake in many months. I would like to see more about this area because it is in Seminole County, Valeria Norris

(Editor's Note: See Monday's edition of The Herald. We announced that Mrs. Maryann Miles will be our correspondent for Forest City and Bear Lake. Anyone in those areas having items of news value are requested to phone 838-6378.)

Editor, Herald:

Dr. Crane's Worry Clinic

Diane is a "twin" for Biblical Esau sold out because of his gastric hunger but Diane is about to do likewise because of her desire to remain the reigning belle of the Senior Class for a few more months. Girls, get wise to the facts of life, so send for the booklet below.

CASE R-481: Diane D., aged 16, is a high school senior, "Dr. Crane," she began, "I have been going steady with the president of our Senior Class."

"He has been a wonderful boy and also the captain of our basketball team. But the last few weeks he has been demanding more liberties than I think are right."

"He says I am old-fashioned and my parents are 'squares' for thinking that sex should be reserved for married people."

"So he has threatened to drop me and start dating another girl. For he says all the modern girls indulge in premarital affairs. Is that true, Dr. Crane?"

"No, that is definitely NOT true! Her boy friend is employing the usual childish hasty generalization in logic that grammar schoolers also use to coerce parents."

"For instance, when a child in the 5th grade asks his parents for a bicycle, they usually veto the idea, due to danger on the streets."

"But ALL the other other kids in my room at school have bikes!" comes the typical reply, for children quickly learn to generalize and use exaggeration to club parents into submission.

"That's the same hasty generalization employed by Diane's boy friend. Diane is at the same crossroads of many teen-age girls. Should she "sell out" like Biblical Esau?"

You will remember that Esau sold his birthright for a mess of pottage. That means he let his acute stomach appetite at the moment becloud his brain.

Many modern girls let their social appetite do the same. In order to "buy" the continued attention of the social leader in her senior class, Diane is thus tempted to surrender.

Morality is based on mathematics, so analyze the facts, pro and con. That which does the most good for the most people for

the longest period of time, is right!

But be sure you add that final phrase "for the longest period of time."

Russia thought by looting the wealth of the Czars in 1917 and passing it around, such action would do the most good for the most people.

But in so doing, she drove out the white collar engineers and doctors and scientists and business leaders, so she grew frantic by 1928 and had to bribe American scientists to get her back on the beam.

And without the kidnaped German rocket scientists in 1933, she'd not yet have the simplest atom bomb!

So think in terms of the long range goals of life. If Diane gives in to her boy friend, what happens?

She may get infected with venereal diseases—for there are two very hazardous germ infections, namely, syphilis and gonorrhea.

Despite all our modern drugs, these diseases can produce sterility, insanity and many other dire results, so beware!

She may also become pregnant and even be forced to drop out of school early. And she'll lose her spunk or independent spirit, which is womankind's greatest charm.

The Bible recognized this fact, too, for it describes such a girl as "humbled."

So Diane may break her parents' hearts, and suffer all those dire results just mentioned—for what? A dozen more dates in the senior year!

It isn't worth the price, don't you agree? So send for my booklet "Sex Problems of Young People," enclosing a long stamped, return envelope, plus 20c.

Use it in high school hygiene classes, too!

By Hal Cochran

Sometimes it's as hard for parents to do with their youngsters as it is to do without them.

Don't feel too proud of yourself if you get ahead only on New Year's eve.

In winter autos, like people, don't get anywhere just stalling around.

A Georgia girl was arrested for driving while under the influence of liquor. A branded peach.

It's too bad that dollars and cents don't always travel together.

Being on speaking terms with the head waiter doesn't make you a man-about-town.

Any middle-aged man is an optimist when he tries tea skating with a flask on his hip.

Teen-age boys who drive carelessly need a safety belt—and not only around the waist.

It's funny how a keeppake is given to a person by someone the person has forgotten.

10,274 Acres Of Hyacinths Killed In '63

TALLAHASSEE — During a six month period from July 1 through December 31, 1963, the hyacinth control division of the Game and Fresh Water Fish Commission killed approximately 10,274 acres of hyacinths and other noxious vegetation.

According to a report released by V. W. Myers, assistant chief of the Commission's hyacinth control division, eleven control crews operating airboats, and one airplane crew, treated 105 bodies of water located in 21 counties. The spraying operation required 5,997 gallons of chemicals which is mixed at a ratio of one gallon of water or other carrier fluid.

Myers said, in addition to the spraying operation, the hyacinth control crews spent approximately 725 hours assisting other fish management projects, 489 hours removing obstructions from rivers and waterways, and 285 hours cutting trails with underwater weed cutters. Personnel of the hyacinth control division also spent approximately 229 man days assisting Florida's wildlife officers in enforcing the game laws during the early days of the hunting season.

Florida's rivers received maximum attention during this spraying period. A total of 3,641 acres of hyacinths were treated on the Withlacoochee River in Citrus, Marion, Sumter, Hernando, and Pasco Counties; 1,011 acres on the Apalachicola River in Franklin and Gulf Counties; and 774 acres on the Suwannee River in Dixie, Gilchrist, Lafayette, and Levy Counties. The Myakka River in Sarasota and Manatee Counties received treatment on 705 acres, followed by the Peace River in Charlotte, DeSoto and Polk Counties with 482 acres being sprayed. Other rivers receiving treatment were the Hillsborough River in Hillsborough County, Ochlockonee River in Wakulla County, St. Johns and Sebastian Rivers in Brevard and Indian River Counties, and the St. Lucie River in St. Lucie County.

Misunderstanding

MIAMI (UPI) — Reigning Miss Universe Queen Ieta Maria Vargas was charged last week with stealing girdles and panties from a discount store, but her attorney said the charges against her were withdrawn Monday because "it was all a misunderstanding."

VOL. 56 United Press Leased Wire Established 1908 THURS., FEBRUARY 13, 1964 SANFORD, FLORIDA NO. 125

Though the evidence is not concrete, all indications are that Lake Monroe was named for President Monroe.

We do have evidence, however, that the lake was not named Montezuma. It was named Valdez. Prior to that time it was known as Second lake or pond. Through the courtesy of Hill Jordan, 404 Maple Avenue, Sanford, we have copies of an abstract which reveals quite a bit of highly interesting information.

A 12,000 acre tract was granted in the name of the Kingdom of Spain by Don Jose Caprigger, Spanish governor of Florida and a colonel of the royal armies, to Philip H. Yonge on Feb. 22, 1818. The royal order was dated March 29, 1815.

Yonge conveyed the land on Dec. 22, 1820, to William Travers whose claim was confirmed by a commission appointed by Congress to ascertain the titles and claims to land in Florida.

In August, 1824, Travers decided the land to Moses E. Levy, according to records of St. Johns County, which, with Escambia, were the state's first two counties.

It became the property of Joseph Finegan in January, 1851, and in May, 1851, the parcel was deeded to John Bellechasse. When Bellechasse became the owner records show this was the first reference to Second Lake as Lake Monroe. Incidentally, this instrument also makes the first reference to Lake Jessup which, prior to this time, was known as Long Lake or Long Pond, Indiana, however, called it Mud Lake.

Additional information in the abstract indicates that Lake Monroe got its name between Nov. 5, 1849, and May 17, 1851. In view of President Monroe's important role in the history of Florida it is logical to suppose that the lake was named for him. Does this settle it?

The County Commission has adopted a resolution requiring the county to use, whenever possible, products manufactured in Florida. The resolution was proposed by the Florida Manufacturers' Association. The commission also adopted another resolution requesting the return to counties of all surplus land from control of the Southern Florida Flood Control District.

Francis Roumillat's new Chamber of Commerce Port Authority Committee will meet Monday in an effort to get some wheels turning toward the development of an official port authority established by the Legislature. It'll be a luncheon meeting at Spencer's.

If you could have heard Dr. J. Broward Culpepper, executive director of the State Board of Control, explain the potential development on and off the campus at the proposed East Central Florida University, you'd never vote to maintain the invisible "telephone wall" between the South Seminole and Sanford areas.

Today's Chuckle— "Ever had your ears pierced," she asked? "No," replied the other gal, "but I've often had 'em bored."

A mediocrity lady was walking along First St. deeply engrossed in thought. An American flag posted near the sidewalk was waving in the breeze. She changed and the cloth touched the side of her face.

The response to being so awakened was startling, to say the least. Have you ever seen Police Chief Roy Williams' collection of photos of former Sanford mayors? If you'd like to relive a few moments of Sanford history visit the lobby of the City Police Station. We guarantee you it will bring back memories.

5,000 Riot Over Jailing Of Coed

Allamonte To Longwood 427 Paving Slated

Bids will be sought and contract let some time in April for a complete road improvement to SR 427 between Allamonte Springs and Longwood, it was announced today by James P. Avery Jr., chairman of the County Commission.

The project has received top priority from the County Commission for three years. Avery said he was referred this morning by the State Road Department at Deland the delay has been caused by the large number (more than 150) of property owners involved in obtaining necessary right-of-way.

Condemnation suit information has been forwarded to Tallahassee on Jan. 28 and should be returned to Deland by Feb. 20, Avery stated, allowing for the filing of the suits and order of taking. This will permit asking for bids and letting the contract in April.

FEC Appeals Ouster Suit

JACKSONVILLE (UPI)—The Florida East Coast Railway brought to the U. S. Court of Appeals Wednesday its fight to oust two officials of the Jacksonville Terminal Co.

The railroad asked the three-judge court to reverse a District Court decision that said the federal courts had no jurisdiction in the case.

The FEC has sought the dismissal of Terminal Company President M. C. Jenette and general counsel Elliott Adams. It contends the officers of the company can serve only with unanimous consent of the four railroads using the terminal.

Southern Railway Co. and the FEC wanted the two removed, while Atlantic Coast Line and Seaboard Air Line opposed the removal.

The court took the appeal under consideration.

Tag Deadline Today A Week

A week from today is the expiration date of 1963 automobile tags and long lines of motorists are expected to be in vogue until that time.

Local tag sales personnel predicts the lines as the deadline approaches.

To help cope with the situation, the local office in the Courthouse will remain open Saturday until noon.

Ohio Students Storm City In Protest

COLUMBUS, Ohio (UPI)—Five thousand Ohio State University students demonstrated for hours Wednesday night and early today, blocking streets and damaging property, after learning a 19-year-old coed had been jailed for failing to pay \$5 ticket for jaywalking.

City and university officials hastily called meetings this morning to determine what stirred up the students to stage the hours-long demonstration which erupted on campus and then moved four miles to this city's downtown area and back to campus.

The unruly crowd formed after it became known on campus Wednesday that Margorie Cocozello, a sophomore from Paterson, N. J., was locked in a cell for an hour and a half Monday for not paying the jaywalking fine.

The campus newspaper played the story under a bold page one headline and the university president charged the publication was partly responsible for the demonstration.

In Paterson, John Cocozello, girl of the jailed girl, threatened a law suit against the state of Ohio. He said the jailing was "unethical, unfounded and unfair" and demanded an apology from authorities.

"It's a terrible thing," Cocozello said. "They put her (Margorie) in a cell with a prostitute and the prostitute even propositioned her. Is that any way to treat an innocent young girl?"

Miss Cocozello was released from jail after friends posted a \$20 fine and charges subsequently were dismissed.

The demonstration began on the campus and then some 500 of the students marched four miles down heavily traveled High Street to the central police station where they milled about for two hours. Marching with them was Miss Cocozello, but while the other students jaywalked back and forth in the streets, she remained on the sidewalk.

Rock 'n' Roll Disc Zany At Any Old RPM

WASHINGTON (UPI)—The government has given up trying to figure out what the rock 'n' roll record "Louie Louie" is all about.

There were complaints that the platter, recorded on the Wane label by the Kingsmen, had off-color lyrics which could be detected when the 45 r.p.m. disc was played at 33's.

The Federal Communications Commission, the Post Office Department and the Justice Department started an investigation, but finally gave up after listening at speeds ranging from 16 r.p.m. to 78 r.p.m.

"We found the record unintelligible at any speed we played it," an FCC spokesman said.

Tax Assessor Announces For Re-Election

Mrs. Mary Earle Walker, veteran head of the county tax assessor's office, today announced her candidacy for re-election to that post.

In her announcement, Mrs. Walker said: "I wish to announce to you, the people of Seminole County, my candidacy for re-election as your county tax assessor."

"It is with pride I point to the improvements and work accomplished under most trying circumstances during my terms of office."

"Due to the heavy schedule and the need for close supervision of the work, it has been impossible for me to personally see and assist each of you. However, I feel the proper training of personnel was of utmost importance in order that the many phases of the office work could be properly performed, and this of necessity consumed much of my time."

"I appreciate the spirit of co-operation and the understanding which you have shown in the past and invite your careful consideration of my many years of experience in the assessor's office."

"With your approval in the forthcoming elections, I will welcome the opportunity to serve you for another four years in the same courteous and efficient manner to which you have been accustomed in the past. I assure you I will continue to work for the best interest of the people of Seminole County."

Thief Could Go Bowling

Trouble ran in bunches for an Orlando man Wednesday night.

Robert Florer reported to the sheriff's office that his car conked out on Highway 17-92. He parked it beside the road and when he returned someone had swiped a bowling ball and two pairs of bowling shoes.

Grass Fire

City firemen were called to a grass fire at 11:15 a. m. today in the 2100 block of Melville Ave.

Probably next time music is played in Carnegie a leftover howl will be jarred loose and strike a first violinist.

Their damage done, the Beatles leave for Miami, Fla. today to tape one television show and prepare for a live one Sunday in living noise.

Carnegie Hall, which opened on May 3, 1801, has never heard anything like it and neither had a pert unbrette in a green uniform who selected her occupation because she likes classical music. She said she thought the Beatles "are funny" but she wasn't laughing.

The Beatles performed twice, each time before audiences of 2,600 which spilled onto the stage. The first audience came with love offerings of jellybeans.

Some of the jellybeans hopped a policeman who stood at the footlights he didn't mind; he munched.

The second audience was older and included some ladies in mink, accompanied by husbands in frowns.

Also there was Mrs. Happy Rockefeller, wife of the New York governor, who in April of 1960, joining the fight to save Carnegie from progress, had declared: "The historic and cultural value of Carnegie Hall is such that it should not be permitted to be torn down merely to make way for another office building."

Mrs. Rockefeller, accompanied by a bevy of children, said she came because Wendy, her daughter by a previous marriage, was "just as excited as any child."

Cuba Charges U. S. In 'New Provocation'

MIAMI (UPI)—The Cuban government charged the United States with a "new provocation" today, claiming a U. S. plane intercepted a fishing boat in Cuban waters.

The charge, broadcast by Havana radio, said the vessel "Lauda 28" was intercepted by a U. S. amphibious plane near Cape San Antonio, on Cuba's west coast.

It did not say when the alleged incident occurred.

"The plane made several passes, flying low, and then disappeared," said the broadcast, heard here today.

"The crew was not frightened by this new provocation of the Yankees," said the broadcast.

The vessel, according to Havana radio, was returning from a fishing trip to the Gulf of Mexico.

The Lambda type boat, a sleek, modern vessel, is the same type that was seized by the Coast Guard in Florida waters two weeks ago.

The two Lambda type boats in the four-boat party found near Dry Tortugas were powered by Russian engines and carried electronic instruments from other nations.

Youngsters in tow, she left before the Beatles could finish. Diplomatic, she said the evening had been enjoyable.

S. J. DAVIS JR.

Joe Davis Seeks Re-Election To State House

State Representative S. J. (Joe) Davis Jr., announced today that he will seek re-election as a member of the Florida House of Representatives from Seminole County.

Davis, a Sanford attorney, is currently serving his first term in the Florida Legislature, having served in the special and regular sessions of 1963.

During his first regular term in the Legislature, Davis was appointed to and served as a member of several committees including Judiciary "A", Higher Education, Constitutional Amendments, Safety, Public Lands & Parks, Industrial Development, and Motor Vehicles & Carriers.

He was selected by Speaker of the House, Mallory Home, as Vice Chairman of the Judiciary "A" Committee.

Davis is now serving as a member of the Special Commission studying the question of abolition of the death penalty. This Commission is to submit a report of its findings to the 1963 Session of the Legislature.

Davis said: "I am appreciative of the opportunity to have served the people of Seminole County as their State Representative and have a sincere desire to continue to serve in this capacity. The State of Florida is a leader in this nation of ours with a dynamic future, and Seminole County is a vital part of the development of this State."

"Our County is progressive and has potential opportunities for development which will create a climate of economic stability and afford cultural and social opportunities elsewhere. My concern is a government of integrity aimed at the elimination of fiscal excesses with adequate and essential services where a definite need is found."

"I feel my experience as a member of the Florida Legislature will be of great value if chosen again to represent the citizens of Seminole County. I will continue the policy, which I have adhered to, of representing all of the people and all areas of Seminole County with equal vigor without being unduly influenced by special interest groups or individuals."
