Announcement

On account of damage to stock and building sustained during the recent storm we will be unable to carry out our plans in connection with the DOLLAR DAY SALE.

However, building equipment is being rushed in and temporary repairs are being speedily made.

Although the majority of our enormous stock of high grade furniture was saved from damage. we are compelled to place it along with the damaged goods on sale at prices far below the wholesale cost.

Our sale will start WEDNESDAY, AU-GUST 4th, and our entire stock must be sold within ten days to save it from further damage while permanent repairs are being made to the building.

The Sanford Herald A Money Saving Event For Central Florida

For the first time in the history of Sanford, the merchants of the city are staging a community sales event in Intered as Second Class Matter the nature of Dollar Days. Tuesday and Wednesday of October 27, 1919, at the Postoffice next week, people of Central Florida will be offered unheard of opportunities to save money by buying needed and useful goods at prices in many instances that will be far below the wholesale cost to the merchant.

The thought back of the Dollar Days is to make Sanford the retail trading center of Central Florida and in order to day 232,000 shares of steel sold acquaint the people with what our merchants have to offer, forced the price to \$146: 392,600 and with their ability to sell for less, the merchants have shares of General Motors sold in united in their efforts and are working shoulder to shoulder while since it was \$118. Buyers

With lower rents than are to be found in other cities, iron beams at the top of akyserapwith cheaper freight rates on incoming merchandise, with ers, a long distance to drop if you do drop. But at least they are numerous other reasons why they can sell their goods buying, not selling, and that's comcheaply and still make a reasonable profit, the merchants of mon sense in this country. this city are in an enviable position in the merchandising, world, and as far as The Herald can see, there is no good Samuel Insull, who controls elecreason why this city cannot become recognized as the shop- tric power in Chicago, contributed ping center of inland Florida.

Well organized is the committee in charge of this first Mr. Insulatorkholder community project, which in all probability will be the elected to the senate, and everyforerunner of others. No stones are to be left unturned body asks for money. If you reto make Dollar Day a bona fide proposition with real hon- fused one, he might be elected. to make Dollar Day a bona line proposition with real non-est-to-goodness values offered on the two days of the sales. Senators are powerful. Corpora-tion gifts to candidates are really Everyone of the participating merchants will make special jaccident insurance. inducements to shoppers on those days.

Tuesday and Wednesday will find Sanford stores packed POWERFUL IS hab. In Japan with eager buyers from throughout central Florida. Dollar anese men placed female roles Lay will find such bargains as have never been offered here. Now Japanese women act and the before. Our streets and business houses will be packed public demands that they imitate, and jamined and thousands of dollars will be put into cir- in every detail, the female imporculation those days. Tuesday and Wednesday will mark the an acties must learn how a man beginning of a new era for Sanford as the trading center of justs when he pretends to be a chis part of the state.

Wise shoppers will make up their lists of purchasers from a HERE. If a man wants to buy the ads which appear in The Herald Monday and Tuesday in seat in the senate, he must learn and will be found in the stores bright and early each morn, how old senators used to act, when

A Wonderful Showing Anyway

Out of a population of 116,000,000 the United States had 46,883,000 church members at the close of 1925. The church PRAYER-O Thou King Etern- records show that the churches gained 800,000 members in the "third term idea" would not al, we will remember. The love, 1925, with the Methodists making the highest increase.

Those nearly forty-seven million church members could be doing some wonderful things for the betterment of their country if they happened to be actually working Christians. Volved. President Coolidge has not the hmelight of publicity be for Canton, like other municipals living according to the teachings of their Master.

As it is, many thousands out of those millions are truly led States once. George Washing of one of the newspapers in that But what good are they it not put serving their churches and their God, but think what it ton's iden was that a president in municipality. This man, who was to work when occasion demands? would mean to the world if every man and woman whose to cause his re-election continuous of night, as he was about to enter that other cities have made at name is enrolled as a confessed Christian should start now by. He felt that two elections in home, apparently was fighting times and is paying the price. The to live a consistent Christian life!

In Sanford, for instance, there are creditable membership probably will have two elections, gle handed. His murderers are them through the courts, of what Thus fur be has had only one. believed to be of the underworld was going on. Then three or four rolls in every church. If each of those church members should set out tomorrow morning to follow the Golden Rule, just what would happen to Sanford?

This is just a fancy, to be sure. The Herald is well aware new laws against the Catholic to redeem Canton from its vice-If strength must die as time goes that the term "church member" means precious little. In church, forbidding religious teach and generally corrupt con likely to happen in any city or comby then let the strength de- every church there are a group of earnest workers who ing in schools, confiscating church daton was death, administered, manity where the people are unity to be let the strength depart.

The will to laugh and dance and carry practically all the burdens of the institution. The The rush to the great cathedral those who profit by the vice and responsibility for lawlessness and sing shall flourish in my rest of the members contribute a little money, get what in Mexico City continues, for bap entertainment they can out of the church services, and then tism, confirmation and confession. go about their week's business with no thought at all as tells this story: "Ten thousand to whether they are following the ideals of the Man of Gal- were waiting in and around the

It is wonderful that nearly half the people of the United her way through the crowd, and It is wonderful that nearly half the people of the Chivel with desperate force pushed others. States belong to church organizations. It would almost aside, until she came to a priest seem that the great task now is to see that these church and said: You must haptize my R. Mellett is commerced. Now the rightcousness. It is all very well, members are working Christians.

That East Coast Trap Again

Another broken automobile, and the injury of an old dead." lady passenger in the car, are reported by travelers on the East Coast highway just north of Eau Gallie.

Some exceedingly smart-alec engineer decided to protect a concrete bridge on the fine highway north of Eau Gaullie, ico, will be issued presently, in anso without any kind of warning to travelers on the road, swer to Mexico's religious laws. he has left a dip at each side of the bridge presumably, to induce people to slow down as they cross the structure.

Because the depressions are not visible at all until a church in a country so long Cath-But As old Hill Meyers says, motorist is almost upon them, everybody who crosses the olic structure for the first time has the dangerous experience of being nearly thrown from the road. At a speed of twentyis almost certain to hang himself. five miles an hour, crossing that bridge is extremely dangerous. And few people drive as slow as twenty-five miles an hour along that beautiful concrete road.

The Herald has called attention to this dangerous place er-book. In the absence of priests before. Has the State Highway Commission investigated no masses can be said, and there the trap, or is the plan to wait until some one is fatally in-

REVENUES OF THE Atlantic Coast Line continue to And still there are some people show an improvement. The June freight car movement was in Sanford who are putting up a about 10 percent ahead of last year. Large movement of marriage sacraments. their bills. It's an interesting show that is passing. leading the other southern states in this respect, there being married three times said he was no slackening in its road building program.—President J. R. labsent-minded and torget his may-The Herald has never received a Kenly, Atlantic Coast Line, in Wall Street Journal.

SANFORD GROVE

"Amid Majestic Pines"

The manner in which any development is handled presages its success or its failure. Unfulfilled promises have done more to injure the various towns and cities of this state than all other things combined.

The successful development is that one which has promised progress within reason, and then gradually carries out its promises to the satisfaction of the majority of the property owners.

Watch Sanford Grove--see it today--and then see it this time next year.
