Libraries closed Dec. 12 for staff training day

All Seminole County Public Libraries will be closed on Friday, Dec. 12 for a staff training day. Library staff from all branches will be attending an 8 hour training session.

At all other times, library employees work shifts in order to keep the five branches open 7 days a week, 68 hours a week. Last year for the first time Seminole County Libraries were closed one day for staff training which proved to be so successful that another day is planned this year.

Other Central Florida library systems also follow this practice. Management selected Dec. 12 for closing because the 2002 statistics showed lowest checkout activity and attendance by the public on that day.

The online library catalog will also be out of service from 12:30 to 1:30 p.m. on Dec. 12 due to the installation of a software upgrade.

Staff will be instructed on the upgrading of the library's computer system.

Presentations and discussions will include the topics of customer service, team building, storytelling, working with teens, computer upgrade and working with the public.

All library branches will resume regular operating hours on Saturday, Dec. 13, at 9 a.m.

Sanford police issue warrant for shooter

By Christopher Patton

SANFORD — Police issued a warrant Tuesday for the arrest of Levoris W. Hickman, 19, of 2180 Church St., in connection with a premeditated murder attempt Monday morning on the east side of Sanford.

Shortly before 10:30 a.m., Sanford investigators believe Hickman shot Danny Wimberly, 20, of 615 E. Third St., Sanford. According to eyewitnesses, Wimberly was shot near his home and then stumbled out into Third Street between Pine and Chapman avenues.

19-year-old wanted for Monday shooting incident at Pine Avenue and Third Street

Hickman was allegedly drove to the area in a white minivan. Police found and towed the suspected vehicle on the opposite side of the

city shortly after the shooting occurred. Investigators questioned the driver at the corner of Seventh Street and Avocado Avenue, but did not arrest him as he apparently was unaware of Hickman's motives.

Wimberly was airlifted to Orlando Regional Medical

Center and is reportedly in stable condition. Residents of the area were rather disturbed by the incident as many came out into the streets to watch police investigators rope off more than 100 feet of Third Street to establish a

crime scene. "It was loud. It woke me out of my sleep," said Jessica Mitchell, an area resident who said she remembered hearing three shots ring out. "It's always been pretty quiet around here," she said, adding that she hoped none of the senior citizens at nearby

Fatal robbery saddens pizzeria

LONGWOOD — An armed robbery attempt turned fatal Saturday night for a loved Longwood pizzeria owner.

Amici's Italian Kitchen & Pizzeria owner Jose "Gary" Garibaldi Dantas, 35, of Longwood, was shot and killed inside the restaurant, located at S. 525 Ronald Reagan Blvd., when a gunman tried to rob the business. The suspect, described as a 5-foot, 10-inch tall black male with a slim build, made entry into the pizzeria through the rear exit when an employee tried to bring trash out to the dumpster in the back alley.

The gunman reportedly forced the employee back into the business, and after a series of commotion, he fired several shots. The suspect was wearing a black ski mask, dark shoes, black pants, dark shirt and black cloth gloves. He was last seen fleeing the rear of the building.

"The employees that were inside ran out the

Fake \$5 found at Geneva school

By Nick Pfeiffauf
Staff Writer

Seminole County Sheriff's deputies are perplexed. Were the passing of counterfeit five dollar bills at Geneva Elementary School a major crime or just pranks by two fourth-grade, 11-year-old boys.

One counterfeit bill was reported taken in at the school during a purchase at the PTA book store, and two others were reportedly received in the lunch room. The bills were said to have been received during the past few weeks.

The bills were said to have been poorly made, possibly with a copy machine.

"We hope the making of these bills was only a minor incident," said Steve Olson, sheriff's spokesman, "but if investigators prove they were part of a major counterfeiting (ring), you can be assured we will crack down on this."

School personnel said at the time the bills were taken in, they were not immediately determined to be counterfeit. The fact only became known when the bank

Hopper ESE Center celebrated American Education Week, Nov. 17-21. Principal, Dr. Barbara Kirby-Bentley and staff planned an informative exciting week of community volunteers to speak to the students.

Madonna Whittaker, attorney at law, spoke to the students about her experiences as an attorney in general practice, civil, criminal, juvenile, family law commercial and construction litigation public housing and landlord-tenant

law, incorporation and partnership formation, living wills and power of attorney.

Students asked Whittaker many questions about her law practice, such as "what is house arrest?" They also asked many personal and job related questions about her life as a young girl growing up in Iowa, and as a student at the University of Florida Law School.

Tuesday, Sanford Police Chief Brian Tooley spoke to the students along with Capt. Jerry Hargrett. Students were given information about their life's experience and they

were encouraged by the officers to excel as students, also to work as a team in school.

Vernon McQueen of the Goldsboro Front Porch, Inc., a community activist and youth leader, spoke to the students of Hopper and encouraged them to stay focused, stay on task and look forward to their success in school and in life.

Friday, to close out the educational week of fun, education and directions for their lives, Rev. Ronald Merthie of the New Life Word Center spoke to the students about

11 Nov. 2003 We had our awards ceremony at Battalion. This evening we attended the patch wearing ceremony at the "Hilton." Let me give an idea what this was like. The "Hilton" is a high-

rise building on Camp Marlboro where the HQ of 2nd Squadron, 2nd ACR live and conduct their business. The center part of this building is a round open area with balconies on each of the five floors. The speakers were at a podium located on the ground floor with each of the balconies filled

to capacity. The 72nd commander of the 2nd ACR, Col. May, gave a speech. Then the squadron CSM [command sergeant-major] gave a speech about the 2nd Cavalry history and the significance of the cavalry saber used to cut the cake. Then the squadron commander, Lt. Col.

Hoffman, gave a speech and, with Colonel May's blessing, issued the orders for all of us to officially wear the 2nd Armored Cavalry Regiment patch as our combat patch and the ceremonial combat spurs.

Following this, every floor sang the Regimental song and the Army song and cheered upon being honored to wear the 2nd ACR patch on the right shoulder.

This makes my fifth combat patch. Not many veter-

ans can claim five combat patches. That's more than Dad has, but now we both have earned cavalry combat patches.

The ceremony was very good with a lot of tradition. Some cavalry guys wore their Stetson hats and spurs as part of the ceremony. The 2nd Cavalry really puts on a great award ceremony that includes reciting their entire lineage all the way back to Fort Mellon.

SEMINOLE SUMMARY

IN BRIEF

Seminole County Grand Jury indicts Crowder

The Seminole County Grand Jury returned an indictment Tuesday charging Willie E. Crowder, 59, with first-degree premeditated murder in the Nov. 2 shooting death of Ann Home Savage, 44.

Crowder

The shooting occurred shortly after the conclusion of church services conducted at Peaceful Zion Baptist Church, 1164 Pine St., Altamonte Springs.

Savage, of Sanford, allegedly desired to end the abusive relationship with Crowder when he shot her several times in the head as she left church.

Despite the attempts of family members and church parishioners to stop the violence, Crowder reportedly shot her in the head once in the church parking lot and then several times again as she fled to the church annex. The violent act reportedly took place in front of almost two dozen that had attended church services.

Before Seminole County Sheriff's Office deputies could arrive, Crowder fled the scene. Orlando police captured him later that day at the Orange Center Apartments, just off Orange Center Boulevard. According to police, a citizen telephoned in a tip that led to Crowder's arrest.

The grand jury heard from a witness to the shooting and a major crimes investigator from the Seminole County Sheriff's Office before returning the indictment.

New Lake Mary theater makes generous donation to Seminole Sheriff's Office

The Seminole County Police Athletic League was the recipient of a big check Wednesday, thanks to AmStar Theaters in Lake Mary.

AmStar has adopted the Seminole County Police Athletic League (PAL) as its local charity and partnered with PAL to raise money. The theaters, located at 950 Colonial Grand Lane, Lake Mary, near Interstate 4 and International Parkway, had their grand opening on Saturday, Nov. 1. From Nov. 1-3, AmStar Theaters gave out thousands of tickets, which allowed the presenter a free movie and popcorn, for a \$1 donation to PAL.

AmStar president and chief operating officer Steve Colson, Sr., agreed to match donations. Over the three-day period, nearly \$2,200 was brought in. Sheriff's Jr. Cadets and Sheriff's Explorers also used the opportunity to recruit new members. Combined with the \$2,200, and the generous matching funds from the theater, nearly \$4,400 was raised from this event, which will go to the PAL program.

For more information about this partnership, PAL and the Explorers' program, call Sgt. Dwayne Johnson at 407-328-3762.

A new exhibit recently made a debut at the Sanford Museum and it is simply magic. The new display shows off props and memorabilia from 80 years of performances by Sanford's Harry Houdini, or better known to all as "Mr. Magic." Houdini recently retired from touring with his magic show. Shown with Houdini is Charlie Carlson, a member of the museum advisory board. Motorists dial 511 for I-4 information

From Staff Reports

The Florida Department of Transportation (FDOT) encourages Central Florida area Thanksgiving drivers to dial 511 for real-time traffic conditions before braving holiday congestion this year on Interstate 4. The 24-hour voice-activated 511 service does not charge for information, although some cellular networks charge for minutes used.

According to AAA, an estimated 2.1 million Floridians and 31.1 million Americans nationwide plan to travel at least 50 miles from home by automobile this Thanksgiving, a 2.5 percent increase over last year. Before driving I-4, travelers can dial 511 for voice-activated

updates. The latest information will be provided by FDOT's Regional Traffic Management Center in Orlando, where more than 70 roadside cameras and data from hundreds of roadside traffic sensors on I-4 and other major highways in Central Florida are being monitored around the clock, all year long.

Callers can ask 511 for a quick summary report or request information on cross streets, towns, counties or areas such as downtown or the attractions.

Should motorists on I-4 and other interstates in Florida need assistance on the road during the Thanksgiving holiday or anytime during the year, FDOT's Road Rangers program is available for free. Nine Road Ranger vehicles

and 18 crew members are devoted to I-4 alone driving the interstate and offering assistance 24 hours a day except for Friday nights from 10 p.m. until Saturday at 10 a.m., and Saturday evenings from 10 p.m. until midnight.

In the event of a crash on I-4 or malfunction, FDOT suggests, if possible, motorists move their vehicle out of the travel lane.

The Seminole, Orange, Volusia and Osceola county sheriff's offices will maintain a heightened alertness during the extended weekend, looking for speeding vehicles and impaired drivers. The Florida Highway Patrol will also increase its numbers to put every available officer on the road.

More travelers for 2004 holiday

From Staff Reports

Americans are projected to travel in greater numbers than last year for this Thanksgiving holiday according to AAA Auto Club South. That means more than 2.4 million Floridians will be traveling during the Thanksgiving Holiday weekend.

Nationwide, AAA estimates 36 million Americans will take a trip of 50 miles or further from home, a 2.4 percent increase over last year. In Florida, slightly over 2.1 million residents are expected to drive, while about 335,000 will be traveling by plane.

"The volume we're forecasting reflects the traditional holiday travel pattern," said Kevin Bakewell, senior vice president of AAA Auto Club South. "Although gas prices may be slightly higher than last year, this isn't likely to interfere with anyone's travel plans."

Where are they going during this Thanksgiving holiday? An estimated 38 percent will be going to a city; 31 percent in rural areas or small towns; 10 percent to the ocean or beaches; eight percent to mountains, and the rest to theme parks, national parks, or simply don't know at this time.

Of the 56 percent of the travelers will stay overnight with relatives or friends; 26 percent will stay at hotels or motels, and the rest will be camping or don't know at this time.

On tour around Seminole County this past week was the C-SPAN School Bus. The 45-foot mobile production bus stopped off recently at Lake Mary High School to show students the variety of public affairs programming found on the C-SPAN Networks and to let them explore the many features of the rolling studio. The bus also stopped at the Casselberry Senior Center Nov. 25. The bus is primarily used as a demonstration tool, and is one of two touring the nation. To playback videos and to perform other educational activities, the buses tout state-of-the-art demonstration equipment, such as two high definition plasma screens, two playing decks, two DVD players and two computers with remote keyboards. However, the two buses will play an integral part in covering the 2004 presidential election for C-SPAN. As a mobile production studio, the buses feature two robotic-controlled television cameras, an audio board and studio lights. Demonstrating the buses capabilities to LMHS students (left to right) Velda Bannister, Christine Jenkins and Rosandra Naults were C-SPAN representatives April Knighton and Karta Morgan.

Murder

Continued from Page 1

front door," said Investigator Herb Stewartson, a Longwood police spokesman. "The owner went out the front door and collapsed in the parking lot (of the Wildmere Plaza). Then there was a customer out there that tried to do CPR and then one of our sergeants arrived on scene and took over CPR until the fire department arrived."

The suspect was able to make off with an undisclosed amount of cash. Longwood police are working with several different agencies to investigate the crime. It is the second murder in Longwood this year, but they are the only murders in the city during the last five years, Stewartson said.

Dantas recently purchased the Longwood pizzeria to accompany his other Orlando location at 1718 Goldenrod Road. Of Portuguese descent, the pizzerias for Dantas were a family business. His family has more than 30 years of experience in the restaurant business with the majority of it in the state of New York.

Closed for business on Sunday, the Longwood pizzeria opened again Monday morning. Customers and friends came by to pay their condolences.

"I'm really, really disappointed. It's sad," said Hakan Guvenc, a distributor of the soda products to the pizzeria, as he visited the restaurant Monday.

Similar to the other Longwood murder earlier this year police are short on suspects. However, they were able to obtain pertinent

information in the death of a well-liked Church Avenue Kwik Mart clerk from the community, which eventually led to an arrest of a suspect. Police are hoping someone from the community will come forward with information about the suspect that left two children without a father, Stewartson said.

"We're going to be doing some reenactments of the crime because one of the big things we're having a problem with is a language barrier," he said. "We are going to have a reenactment to try to clear up some of those details."

Under the previous ownership of the pizzeria, a similar armed robbery occurred with a masked black male entering the rear of the restaurant with a handgun. The crime went unsolved, but police are comparing the two cases to see if there are some similarities. With the reenactment, police hope to understand why perhaps the

gunman didn't shoot during the previous robbery but fired several shots during Saturday's crime. "Originally, it seemed like everyone was really trying to comply with his orders, no one was trying to resist him, no one

was trying to tackle him or anything of that stuff," Stewartson said. Information revealed later through a third-party interview that the wife might have been reaching for a panic button, which may have led the robber to shoot, he said.

To deter robbers entering the rear of a business, Longwood police advise owners to provide a well-lit alley, remove overgrown bushes where people can hide, have more than one person take out the trash and install surveillance equipment.

"I'm really, really disappointed. It's sad."

Keller Williams Realty celebrates grand opening

Herald photos by Tommy Vincent

To introduce the community to Keller Williams Realty at the Lake Mary office grand opening (left) earlier this month were (above) Patricia Kant, team leader and managing partner of the Lake Mary office and Stephen Korshak, owner of the Orlando franchise of Keller Williams Realty International.

Lake Mary office is one of seven opening in Central Florida

On Tuesday, Nov. 18, Keller Williams Heritage Realty in Lake Mary held their grand opening celebration with about 200 guests, including realtors, business associates and clients.

Guests enjoyed live music performed by Thom Chambers, and great food and wine provided by Pierre's Wine Cellar of Lake Mary.

The Lake Mary office of Keller Williams Realty is just one of seven Keller Williams offices that owner Stephen Korshak, Orlando real estate

attorney and developer, is in the process of opening. Other already existing Keller Williams offices are located in Winter Park, Windermere and Hunter's Creek.

During the past two-and-a-half-years, Keller Williams Realty has become one of the fastest growing real estate companies in Central Florida. Korshak attributes the company's growth to its generous commissions, profit sharing and the fantastic on-going training for agents at all levels.

Patricia Kant, a 16-year veteran in the real estate industry is the team leader and managing partner of the Lake Mary office.

"It's such a refreshing change to work with a company that's all about the agents," Kant said. "After more than 15 years with a very traditional real estate company, (it is) so great to be a part of a company that encourages agent growth and allows them to take their business to the next level by following the proven Keller Williams' model."

Lighthouse Seafood: A 'wave' of fresh variety

By Michelle Donahue
Herald Correspondent

LAKE MARY — A determined commitment to providing truly fresh, consistent quality in retail seafood is what sets Lighthouse Seafood apart from other local seafood markets.

Started in January 2003, the market offers an array of in season selections for even the most sophisticated seafood lover.

Clams, oysters, several varieties of shrimp, lobster, fresh fish, and crab cakes, as well as other seasonal favorites, are arranged appealingly in classic counter cases.

Lighthouse Seafood fillets everything in-house, which accounts for extra freshness of their select cuts. They also offers several homemade items for purchase that are precooked, such as clam chowder, conch stew, and key lime pie.

"We are committed to providing the freshest seafood on the market," said owner Tim O'Leary, "and refuse to stock any items that is sub-standard. Our philosophy is that in order to succeed we will have to maintain happy customers. Selling high

quality product insures that."

O'Leary grew up in Jupiter, Fla., and the ocean has always been a big part of his life. A certified diver and former commercial fisherman, O'Leary knows fish and seafood. He also spent many years dealing with boat sales and repair, before deciding to start Lighthouse Seafood as a family business.

"I couldn't find retail seafood markets that carried the fresh products that I had grown up with," O'Leary explains. "Even larger name stores left me frustrated with their low quality. So I decided to open a

seafood market that would fill that void."

O'Leary says that in most central Florida seafood markets, nearly 80 percent of all the product is imported from other countries. Lighthouse Seafood is exactly the opposite, with the majority of their items caught locally.

"We prefer local items because they are fresher, as well as help the local econo-

my," O'Leary explains. "When we can't get local, we opt for domestic. And we only go for international product for those fish that are not available in the US."

In addition to their pledge to food quality, their commitment to cleanliness is also immediately evident upon entering.

"I couldn't find retail seafood markets that carried the fresh products that I had grown up with. Even larger name stores left me frustrated with their low quality. So I decided to open a seafood market that would fill that void."

Tim O'Leary
Lighthouse Seafood owner

"We are highly inspected for cleanliness and temperature according to government regulations, in addition to our own high standards," O'Leary stated. "That's why the smell of fish is just barely detectable when a customer walks in here, as compared to other markets that have an overpowering fishy aroma."

O'Leary's hope is to expand his current facility, and to continue to expand his assortment of seafood specialty items, such as rubs, spices, marinades and unique utensils.

Lighthouse Seafood is located at 101 N. Country Club Road in the Shops of Lake Mary shopping center, directly behind 7-Eleven.

AmStar theater opens at Colonial TownPark

With spotlights circling above, the new AmStar Stadium Cinema 12, located in Colonial TownPark at the corner of County Road 46A and International Parkway, opened earlier this month as the first tenant of the retail complex.

The \$8 million project is feature anchor of the 200,000-

square-foot center in unincorporated Seminole County.

The theater is AmStar's first in Florida and fifth in the Southeast.

Loving memories never die. As years roll on, and days pass by, Deep in our hearts a memory is kept Of one we loved and will never forget. Friends may think we forget you When at times we seem to smile, Little do they know our sorrow That the smiles hide all the while. We think of you in silence No eyes can see us weep But many silent tears are shed While others are asleep. A smile, a tear, a thought sincere How often we wish that you were here. Lake Mary standout linebacker Keith Rivers was named the Gatorade Florida High School Boys' Football Player of the Year on Tuesday.

Rivers receives honor

Named Gatorade Florida Football Player of the Year

Special to the Herald

Honoring the nation's best high school athletes for 19 years, Gatorade® Thirst Quencher, in partnership with Scholastic Coach & Athletic Director magazine, Tuesday announced its State High School Boys' Football Player of the Year award winners.

The athletes, representing 50 states and the District of Columbia, are the latest inductees into the Gatorade Circle of Champions and are finalists for the prestigious Gatorade National High School Boys' Football Player of the Year award to be announced in early December.

Gatorade has awarded the Florida

High School Boys' Football of the Year award to Keith Rivers of Lake Mary High School.

"Keith is one of the finest young men I have ever coached," said Lake Mary head coach Greg Stanton. "He's an excellent role model for young and old. Words do not do him justice. Keith is a great athlete, player and person."

Academically, Keith maintains a B average. USC, Florida, Florida State, Miami and Oklahoma are among the school interested in him.

Rivers, a 6-foot-3, 220-pound linebacker is the second Seminole County athlete to win the award.

In 1990 Lake Howell running back Marquette Smith, who went on to star at FSU and UCF and be drafted by the Carolina Panthers before seeing his career ended by two knee surgeries, was not only named the Florida High School Boys' Football Player of the Year, he was also chosen as the

Gatorade National High School Boys' Football Player of the Year.

The Gatorade High School Player of the Year program recognizes one winner in each of the 50 states and the District of Columbia in football, volleyball, baseball, softball and boys and girls basketball, soccer, and track & field. Each state winner, selected by a panel of sport-specific experts as well as a National Media Advisory Board, is chosen based on athletic performance, the award's criteria include the athlete's achievements in the classroom and overall character.

Rivers joins recent Florida High School Boys' Football Player of the Year winners, Ernie Sims (2002, Jacksonville-North Florida Christian High School), Gavin Dickey (2001, Tallahassee-Lincoln High School) and Adrian McPherson (2000, Bradenton-Southeast High School) in the Gatorade Circle of Champions.

Midnight strikes

'Cinderella' Bears fall in final minute

By Dean Smith
Sports Editor

The slipper didn't fit again this week.

Winter Springs (7-5) mounted a big rally but could not quite pull off another upset as they fell 26-20 to 10-2 Hillsborough in the Class 5A-Region 2 Semifinals at Chelo Hurt Field in Tampa last Friday. In the other 5A-2 game, Plant City-Durant rolled over Kissimmee-Osceola, which eliminated Lyman last week, 27-13.

The Bears, who won six of seven starts after opening the season 1-3, pulled off the biggest upset in the state this season when they rallied twice to defeat the No. 3 nationally-ranked Pirates of Palm Bay High School, 21-19, in the Class 5A-Region 2 Quarterfinals.

Palm Bay (9-2), the defending Class 4A State Champions, had not lost in the first round of the playoffs since 1996. The Pirates had gotten at least to the state semifinals five of the past six seasons.

In Tampa Winter Springs was forced to rally from behind twice again, but this time host Hillsborough made the final rally to hand the Bears a bitter defeat.

Trailing 19-7, Bears' junior quarterback Brett Hodges, who completed 19-of-33 pass attempts for 266 yards and two touchdowns, rallied his team in the fourth quarter with scoring drives of 58 and 62 yards to take a 20-19 lead with 1:46 to play on a one-yard run by Pat Cucci.

But led by quarterback Jarred Fayson and running back See Bears, Page 11

A goal-line stand by the Winter Springs defense (bottom) kept the Bears in the game and when Pat Cucci (top) plowed in for his second touchdown of the night, it looked like Winter Springs would pull off its second road upset in a row. But host Hillsborough drove down the field for the game-winning touchdown in the waning seconds and ended the Bears' season, 26-20, in the Class 5A-Region 2 Semifinals last Friday.

Rams can't win on defense alone

By Dean Smith
Sports Editor

There is an old coaching adage that defense wins championships.

And while that is proved true time and time again, the Lake Mary football team found out last Friday night that offense and special teams is important too.

In the Class 6A-Region 1 Semifinals in Jacksonville the Rams dropped a heart-breaking 7-6 decision to the Saints.

That win, coupled with Edgewater's 14-3 victory over Oviedo, sets up a championship game between Edgewater and Sandalwood

in Orlando Friday and denied SAC fans what would have been a spirited rematch between Lake Mary and the Lions and a team in the Final Four.

The Rams (7-5) showcased their outstanding defense, which the Sandalwood coach called the best in Florida prior to the game, keeping Saints standout running back Maurice Wells in check for much of the night.

But the only sustained offensive threat for Lake Mary came early in the first quarter when a drive resulted in a three-yard touchdown run by Keith Rivers.

See Rams, Page 10

Lake Mary's defense played one of its best games of the season, holding Sandalwood star running back Maurice Wells to only 85 yards on 27 carries, but it was still not enough as the Saints ended the Rams' season with a 7-6 victory in the Class 6A-Region 1 Semifinals last Friday night in Jacksonville.

'Noles reach finals

By Dean Smith
Sports Editor

Sanford is going to be more than well represented in Miami this weekend as the SYFA will fill two of the four spots available to north Florida teams.

This past Saturday at the Division II Playoffs at Lyman High School's Carlton D. Henley Sports Complex in Longwood both Sanford Seminoles squads earned the right to advance to the fourth level of the playoffs, the State Championships.

The Sanford Seminoles Pee Wee's improved to 11-0 on the season with a 27-8 drubbing of Jacksonville Beach.

The Junior Midgets, who also improved to 11-0, were equally as impressive with a 28-14 triumph over the Orange Park Raiders.

The only dark cloud on the day was the elimination of the host Lyman Greyhound Midgets, which fell to Ponte Vedra, 34-22. The Greyhounds had come into the contest unbeaten at 10-0.

The other game at Lyman saw the East Manatee Junior Pee Wee's get past Orange Park, 14-8.

But advancing in the playoffs comes with a cost, literally.

With the season being extended and the teams having to travel each weekend funding is urgently needed to assist the Sanford teams in their "Journey to Success."

At this time the SYFA is pleading for any type of financial support for the children.

Donations can be sent to SYFA, P. O. Box 2895, Sanford 32772-2895, or you can contact Brenda Hartsfield at (cell) 321-262-9075 and leave a message. She will call you back.

UCF Volleyball captures third straight A-Sun title

Special to the Herald

For the third straight season, the UCF volleyball team captured the Atlantic Sun Championship with a four-game victory over Georgia State. The Golden Knights topped the Panthers 30-21, 30-23, 25-30, 30-25 for their 11th A-Sun title, the most of any conference member.

During its remarkable stretch of three straight conference crowns, UCF has won 15 consecutive matches vs. A-Sun schools and 29 of its last 30 vs. A-Sun competition.

Sophomore Emily Watts was named tournament MVP as she drilled an A-Sun Tournament record 29 kills to lead UCF to the win. Watts also totaled 12 digs while hitting .441 to pace the Knights.

Two other all-tournament selections, Amanda Stoutjesdyk and Jenny Frank, also led an inspired UCF team to the title. Stoutjesdyk pounded 20 kills and hit a blistering .459 while adding six blocks for the victors. Frank, the 2003 A-Sun Player-of-the-Year, totaled seven kills, 60 assists and four blocks for the Knights.

Junior outside hitter Tanya Jarvis also had a strong match, ending the contest with 14 kills and 17 digs. Senior libero Lindsey Whalen chipped in with 17 digs for the Knights.

The Golden Knights took charge in game one winning 30-21 behind eight kills from Watts and five kills from Jarvis.

The Knights couldn't be stopped in game two with a .455 team hitting percentage. Junior Amanda Stoutjesdyk led the way with eight kills while hitting .800 for the game. Jarvis chimed in with seven kills to lead UCF to the game-two victory.

UCF only hit .143 in game three, which resulted in a 30-25 loss.

Watts led the Knights in game four with 12 kills and a .667 kill percentage to seal the victory.

The Golden Knights will make their third straight trip to the NCAA Volleyball Championships and their seventh trip overall. The NCAA Volleyball Selection Show will be aired live on ESPN News Sunday, November 30.

FOOTBALL TO END SEASON FRIDAY

Seven seniors will play their final game for UCF as the Golden Knights host No. 15 Miami (Ohio) Friday, November 28. The 1 p.m. kickoff will conclude the 2003 season for UCF while Miami will play for the MAC Championship December 4.

UCF lost its first nationally televised home game last

Wednesday to Marshall, 21-7. The Thundering Herd also spoiled the coaching debut of interim head coach Alan Gooch.

The RedHawks continued to dominate the MAC with a 49-31 blowout victory at Ohio last Saturday. Miami has won 10 straight games since losing its season opener at Iowa (21-3).

Live coverage on the UCF ISP Sports Network begins at 11 a.m. with the pregame show.

Miami is just the third ranked team ever to play UCF at the Florida Citrus Bowl. The RedHawks are ranked No. 16 in the ESPN/USA Today Coaches Poll and No. 15 in the AP Top 25.

Magic sign free agent Rod Strickland

Special to the Herald

The Orlando Magic have signed free agent guard Rod Strickland, General Manager John Gabriel announced Tuesday. Per team policy, terms of the deal are not disclosed.

Strickland will wear #31 and be available for tonight's game vs. Boston. In addition, Orlando has waived guard Derrick Dial.

Strickland (6-foot-3, 185-pounds, 7/11/66) appeared in 47 regular season games with Minnesota last season, averaging 6.8 points per game, 4.6 assists per game and 2.0 rebounds per game in 20.3 minutes per game.

He started in eight outings, averaging 7.9 ppg., 5.8 apg., 1.8 rpg. and 1.13 steals per game in 24.0 minpg. during that span. Strickland scored in double fig-

ures 15 times and dished out 10-plus assists three times. He scored the 14,000th point of his NBA career vs. Portland on Jan. 18.

"Rod (Strickland) brings us some valuable experience and fortifies our backcourt," said Gabriel. "We're looking forward to his contributions."

Originally selected in the first round (19th overall) of the 1988 NBA Draft by New York, Strickland has appeared in 1,017 career games with New York, San Antonio, Portland, Washington, Miami and Minnesota, averaging 13.8 ppg., 7.6 apg., 3.8 rpg. and 1.55 stlpg. in 31.7 minpg. He has also appeared in 52 career playoff outings, averaging 13.4 ppg., 7.5 apg., 4.0 rpg. and 1.08 stlpg.

Strickland enjoyed his finest professional season in 1997-98, when he averaged 17.8 ppg., a career-best 10.5 apg.,

5.3 rpg. and 1.66 stlpg. for Washington. He led the NBA in assists and was named to the All-NBA Second Team. That season, Strickland became the 25th player in NBA history to record 10,000 points and 5,000 assists. He has finished in the league's top six in assists six times during his career. Strickland was also named to the NBA's All-Rookie Second Team in 1988-89.

The Orlando Magic is celebrating its 15th Anniversary throughout the 2003-2004 season. Cameron Bateman (running the ball against Boone) had a super senior season, but he and his other offensive mates could get very little going as Lake Mary lost to Sandalwood, 7-8.

Rams

Continued from Page 9

An omen of things to come came after the touchdown, however, as the extra point was missed.

The Rams kept Wells, who came into the game averaging 30 carries a game and 2,889 rushing yards on the season, bottled up in the first half, holding the star back to less than 20 yards as the visitors led 6-0.

Sandalwood (8-4) scored its only touchdown 25 seconds into the second half.

John Jones returned the opening kickoff 82 yards to the Rams' 10. Two plays later, Matt Earnest combined with Wells, who eluded Rivers to score the Saints' only touchdown. Kyle Manners converted the extra point for a 7-6 lead.

The Rams did not come close to the end zone the rest of the game, but still had chances to take the lead as they got within range to attempt field goals.

But three missed field goals, including a very long 52-yard attempt on the last play of the game, kept Lake Mary from pulling off its second straight road upset. Several fans said it appeared from the stands that both of the earlier attempts

were good, so the kicks must have been just wide.

Wells was held to 85 yards on 27 carries, the first time he had been held to less than 100 yards in a game in over a year, the last time coming against Lake Brantley in October of 2002.

But the senior still became Northeast Florida's single-season rushing leader, as he surpassed University Christian's Willie McClendon's record of 2,969 rushing yards in 1987. Wells ran his season total to 2,974 yards, gaining five yards on his 27th and final carry of the night to break a tie.

Statistically, Lake Mary dominated the game, outrushing the Saints 115-to-87 and also gaining more yards through the air, 67-to-60. The Rams also ran 13 more offensive plays, 55-to-42, but just could not get the score that would have won the game.

The loss was a caper on a frustrating season for Lake Mary, which opened the season with great promise only to drop three of its first four games. The Rams then got it together and looked as good as anyone in the state, winning five in a row and

outscored its opponents, 133-9.

Then came a humbling, 35-6, regular season ending loss to Winter Springs and a 25-16 upset of No. 1 seeded Boone, in Orlando, to open the playoffs.

SCC women return home

By Dean Smith
Sports Editor

The Seminole Community College women's basketball team showed this past weekend that it can play with anyone.

Despite dropping two of the three games in the Central Florida Community College Shootout in Ocala and seeing their record fall to 3-3, the Raiders of coach Lisa Nuxol slugged it out toe-to-toe with three of the best teams in Florida, if not in the nation.

SCC will host Hillborough Community College from Tampa at the SCC Health and Physical Education Center at 7 p.m. this Saturday (Nov. 29). Admission is free.

The Raiders had to open the tournament last Friday against defending National Champion and two-time defending State Champion Gulf Coast Community College from Panama City and held their own before falling, 73-62.

"We played great," said Nuxol. It was a five point game with 2:30 to go — they were just too tall and we struggled on the boards and had trouble scoring in the paint like we usually do."

Sophomores Nichole Bennett and Rosanna Davis led SCC with 13 and 12 points, respectively, while freshman Kirsten Harris also had 12 points and sophomore Natalie Emmanuelli chipped in with nine points against the Commodores, who are currently ranked No. 1 in the state and No. 4 in the nation and won all three of their games to improve to 7-0 on the season.

The Raiders then took on Miami-Dade Community College on Saturday, a team they had beaten at home to open the season, and built a 10-point halftime lead, 47-37.

But Shavonder Clarke scored 33 points and Essence Greer added 16 as the Sharks rallied to avenge the earlier loss, 86-81.

"We fouled too much," said Nuxol. "M-DCC shot 14 more free throws than we did and we only made 54-percent from the line and 40-percent from the field."

Davis had a huge game with 18 points and 12 rebounds as five Raiders scored in double figures.

Kirsten Harris added 14 points and six rebounds, Danielle Jenkins dropped in 12

points and had four rebounds, Emmanuelli netted 11 points and handed out five assists, and Lake Mary's Bryn Mosler added 10 points and three assists.

SCC, which got scoring contributions from all nine players, got a super floor game from Winter Springs' Missy Guadagnino as the ex-Bear handed out eight assists and took an amazing six charges.

Artalsha Waters added 13 points for the victorious Sharks.

In a battle of Lady Raiders on Sunday, SCC salvaged a Shootout victory as Jenkins scored 16 points and handed out three assists and Emmanuelli added 12 points, including a pair of three-pointers, and six assists to pull away for a 60-48 victory over Okaloosa-Walton Community College from Ft. Walton Beach, the No. 4 ranked team in the state and No. 14 ranked squad in the country.

"The score was tied at the half, 22-22," said Nuxol. "We played great defense and executed our transition and half court offenses to near perfection."

In addition to Jenkins and Emmanuelli, Marlana Spencer chipped in with seven points and 10 rebounds and Davis hauled down 13 boards.

Lady Jones scored 15 points and Nacarrus Hudson added 11 for Okaloosa-Walton.

Wayne Anderson wins 38th Annual Governor's Cup

Special to the Herald

The 2003 Governor's Cup is over but fans will long remember the grandeur of this year's race. Forty two of Florida's best Super Late Model drivers gathered for one reason and one reason only, to win the Governor's Cup.

Jimmy "Mr Excitement" Cope qualified 21st but set the lap to beat with a 17.970 lap. Second fastest time was set by Jacob Warren with a 17.988 followed by Aric Almirola in third with a 18.046, David Rogers in fourth with a 18.105

and Jamie Skinner in fifth with a 18.125.

A consolation race had to be run with the top six going into the main feature. Making the race was Daniel Keene Jr., Brock Oglesby, Chris Turner, Chuck Hiers, Matt Griffin, and Phillip Rook. The field was set with 36 of Florida's best.

Jimmy Cope sat on the pole and when State Senator Daniel Webster waved the green, it was Cope who took the point followed by Jacob Warren, David Rogers, Aric Almirola and Jamie Skinner. The race went yellow on lap 2 as a car spun up in turns 1 and

2 involving a number of drivers. Joe Fitos, Phillip Rook, Fain Skinner, Michael Williams, Gary Chapman, Rich Prait and Chet Morrison. Out of the race before it even really begun was Joe Fitos, Phillip Rook, and Gary Chapman.

On lap 8, the race was restarted with Cope on the pole followed by David Rogers, Jacob Warren, Aric Almirola and Jamie Skinner. But it was another short green as Bruce Lawrence brought out the yellow as he spun on the backstretch. The race went back green on lap 15 with

Cope in the lead but once again the yellow came out within a few laps.

Lap 18 saw the yellow as Chris Turner spun in turns 1 and 2. The race goes back green on lap 20 but one lap later, the yellow came out again for Daniel Keene Jr. who spun on the frontstretch with Bruce Lawrence hitting Keene as he had no place to go. Both drivers were fine and able to continue racing. The race restarts on lap 24 with Cope, Rogers, Warren, Almirola, Skinner, Fritts, Willoughby, Drawdy, Powell and Dick Anderson in the top ten.

Lap 30 sees Fritts right on Jamie Skinner's tail taking over fifth with Skinner sliding to sixth. Lap 33 Chet Morrison brings out the yellow as he spins on the backstretch. Lap 37 sees the restart with Cope, Rogers, Warren, Almirola and Fritts in the top five followed by Powell, Drawdy, Dick Anderson, Willoughby, McLeod, Bigley, and Brian Finney.

The race goes green until lap

64 when Chris Turner spins on the backstretch. Pitting under the caution for some crew service was Fain Skinner, Jay Middleton, and Brock Oglesby. Lap 67 sees the green again as Cope, Rogers, Warren, Almirola and James Powell lead the way.

Lap 72 Powell puts the pedal down and passes Almirola for fourth with Almirola going to fifth. Eric Black brings out the caution on lap 77 when he spins and hits the turns 1 and 2 wall hard.

The race goes green on lap 82 as Cope has the lead followed by Rogers, Powell, Warren, and Almirola. By lap 85, Powell is definitely showing his strength as he takes over second from Rogers as Rogers slides back to third. By lap 92, the top ten are Cope, Powell, Rogers, Warren, Almirola, Fritts, Drawdy, Dick Anderson, Bigley, and Barry Willoughby.

Lap 99 Brian Finney spins in turns 1 and 2 but is able to continue racing. Lap 100, a number of cars pit for gas and

tires for the next 100 laps. Not pitting was David Rogers who now holds the number one spot followed by Aric Almirola, Fritts, Drawdy and Willoughby. The race restarts on lap 105.

Chris Fontaine brings out the caution on lap 114 as he spins at the top of turns 1 and 2. The race restarts on lap 116 but one lap later, Mike Good, Dick Anderson, Jimmy Cope and James Powell all get together in turns 3 and 4. Out are Good and Anderson.

On lap 191, Rogers tried one more time to pass Bigley for second but this time Bigley is prepared and does not give up second. Anderson crosses the checkered and takes the 38th Governor's Cup win.

In Victory Lane, Anderson expressed his pleasure of winning his second Governor's Cup race and having his name added to the Golden Cup trophy once more. Anderson also took the FASCAR Sunbelt Super Late Model Championship with his win.

UCF MEN POUND P.R. MAYAGUEZ 92-59 TO OPEN THE SEASON

Josh Bodden scored a career high 21 points and was one of five UCF players in double figures as the Golden Knights cruised to a 92-59 win over Puerto Rico Mayaguez in their season opener Saturday evening at UCF Arena.

Bodden paced the Knights in the first half hitting 5-of-8 from the field and went into the intermission with 13 points. UCF shot 54 percent in the opening stanza and went into halftime with a 49-34 advantage. Gary Johnson, who scored 18 points in his UCF debut was perfect on three shots from long range and finished the half with 12 points.

UCF never trailed and stretched its lead to 18 with just over four minutes in the opening period following an alley-oop by freshman Josh Peppers from an assist by Johnson, one of his team high eight. The fast-break opportunity was set up following a steal by Rob Ross Peppers finished the game with 11 points.

Dexter Lyons scored 15 of his 17 points in the second half and gave the Knights a 29-point cushion with just under eight minutes remaining after a thunderous alley-oop after hauling in a pass from Peppers. Lyons finished the game a perfect 7-7 from the field.

Marcus Avant rounded out the double-digit scorers with 11 points.

Bodden led the Knights on the glass as well snaring team-high eight boards. UCF out-rebounded P.R. Mayaguez 44-28.

The Knights finished the game hitting 56 percent from the floor and knocked down 11 shots from long range (11-27). UCF also forced the Tarzans into 22 turnovers, while notching 17 steals.

Flor Melendez led Mayaguez with 21 points, which included five treys. Jose Rivera was the only other player to reach double figures finishing with 18, including 6-6 at the free throw line. The Tarzans finished the game shooting 30 percent from the floor and hit seven of 19 three's.

The Golden Knights will hit the road for a pair of games as they travel to Charleston, S.C. to take on the College of Charleston tonight (Wednesday) and The Citadel on Friday, Nov.

28. Tip off against the Cougars is set for 7 p.m. and the game against The Citadel beginning at 7:15 p.m.

UCF WOMEN FALL IN SEASON OPENER

Rosalee Mason scored 21 points and had 14 rebounds leading the Manhattan College (1-0) women's basketball team to a 68-47 win over UCF (0-1) on Saturday afternoon at Draddy Gym. The game was the season opener for both teams.

UCF kept things close in the first half until Manhattan's Nikolett Deutch found her range and connected on three of four three pointers. The Lady Jaspers went up by five at the 7:18 mark of the first half until UCF worked its way back and took a 21-20 lead off a layup by Takira Allen. Two turnovers by the Golden Knights gave Manhattan the opportunity to retake the lead (22-21) with 2:11 left in the first half. The Lady Jaspers went into the locker room at the half with a 27-21 lead.

In the second half UCF could not get its offense going and was unable to hold off Mason defensively. Mason scored 18 of her 21 points in the second period, pushing the Manhattan lead to as much as 23 points.

Allen and Ali Roberts each scored 11 points for the Golden Knights while Shelby Weber pulled down a team-high eight rebounds.

UCF will return to action Friday in the Golden Knights Classic when they take on No. 5 Purdue at 7 p.m.

STETSON MEN TOP UPR-MAYAGUEZ 74-60 FOR SECOND STRAIGHT WIN

Stetson rallied from a seven-point second-half deficit to defeat Puerto Rico-Mayaguez 74-60 Monday night at the Edmunds Center. The Hatters improved to 2-0 on the season while the Tarzans remained winless at 0-8.

UPR-Mayaguez hit eight three-pointers in the first half including six by Flor Melendez to take a 34-30 halftime lead. Melendez hit another three pointer to start the second half as the Tarzans built a seven-point advantage.

The Hatters rallied with an 11-0 run to take a lead they would not relinquish. After UPR ended their scoring drought, Derrick DeWitt answered with a pair of three-pointers and Anthony Register added a short jumper to give Stetson a 53-44 lead. The Tarzans managed just one more three-pointer the rest of the game and Stetson held on for the 14-point victory.

"I did not think we came ready to play," Hatter head coach Derek Waugh said. "DeWitt gave us a nice lift, but we didn't play well offensively except for that five minute spurt. The only positive stat is that we did a nice job rebounding."

Stetson owned a 55-24 advantage on the boards, which included 20 offensive rebounds that resulted in 19 second-chance points.

For the second straight game, five Hatters scored in double-figures. Borislav Djordjic led the way with 15 points, while E.J. Gordon added 14 points. Both Djordjic and Gordon narrowly missed a double-double with nine rebounds a piece. Josef McNeal led all players with 10 rebounds.

For Puerto Rico, Melendez scored 20 of his game-high 28 points in the first-half. The Tarzans, who were playing their eighth game in 10 days, seemed to run out of energy in the second half.

"We always take a lot of shots - good shots - but they don't seem to go in," Mayaguez head coach Johnny Flores said. "But our kids are heroes and they play hard every night."

Register (13 points), Mark Stiles (11 points), and DeWitt (10 points) also reached double figures for the Hatters.

Stetson will visit the Miami Hurricanes next Tuesday night at 8 p.m.

Kevin Harris (with ball) caught a 26-yard touchdown pass from Brett Hodges to help ignite a rally, but Winter Springs fell in the end, 26-20, to Hillsborough.

Bears

Continued from Page 9
back Ricky Ponton (159 yards rushing in the game), the Terriers (10-2) took the ball on its own 35 with 1:42 to play and marched 65 yards on 10 plays to end Winter Springs' amazing season at 7-5.

The key play on the drive came when Hillsborough narrowly converted a third-and-10 with a 10-yard connection between Fayson and receiver Darrius Davis. Ponton contributed two runs of 15 yards each and Fayson scored the game-winner when he dove to the pylon after running 15 yards on a bootleg play.

The Bears had one desperation shot at the win, and receiver Chris Sienko did go behind the Terriers' prevent defense, but the heave came up short and the Cinderella season was over.

Hillsborough took a 7-0 lead in the second quarter as one of the five major penalties called on the Bears kept a 41-yard drive alive. Ponton got the touchdown on a six-yard run. The Terriers had a chance to

extend the lead when they marched to the Winter Springs one-yard line.

But the Bears stuffed Hillsborough on three straight plays and then the Terriers got hit with a holding penalty on fourth down, forcing a field goal try.

Darryl Ely then burst through to block the attempt and the score remained 7-0.

Winter Springs was able to even the score right before halftime as the Bears went 48 yards in just 13 seconds to tie the game at 7-7 with 30 seconds remaining in the half. The drive consisted of pass plays by Hodges, the final one a nine-yard touchdown strike to Pat Cucci, and a roughing-the-passer penalty against Jason Brockhaus-Kahn.

The hosts quickly regained control to start the second half as in the span of 90 seconds the Terriers got a 95-yard kick-off return from Ponton to open the third-quarter and defensive back Stephan Knight picked off one of the

few errant passes by Hodges on the night and ran it back 38 yards for a touchdown, giving Hillsborough a 19-7 lead.

But Hodges rebounded quickly from the interception to rally his team in the fourth quarter with Kevin Harris capping a 58-yard drive with a 26-yard touchdown catch and a Brockhaus-Kahn extra point before Pat Cucci put the Bears ahead momentarily.

ANGELS TURN LOOSE CHANGE INTO LASTING CHANGE

 They're not your stereotypical vision of angels. But at the sound of a bell they reach into their pockets and produce small miracles. Shelter for a family that has no home. A second chance for someone who has lost their way. A path out for a child with nowhere to turn. Thank you for giving to The Salvation Army. You're an angel.

COLONIAL BANK.

Participating Sponsors: Realty Executives Orlando
The Seminole Herald
Colonial Bank
Wells Fargo
and other local businesses

What: Gift Certificates, Toys, Clothes,
In-Kind Services, etc.

How: Realty Executive Orlando is teaming up with local area businesses to help the families of our troops serving in Iraq during this holiday season. Gifts will be collected at various sites in the Orlando area and distributed to those families in need.

Here's How It Works:

The Seminole Herald will run a weekly series of stories beginning Sunday, November 16. Each week the featured family will share the kinds of challenges they face now that their family member is away in Iraq. Since the troops are expected to be there indefinitely, these stories will focus on the immediate needs of these families left behind to take care of themselves. For example, some of the National Guard Troops overseas have incurred large salary decreases to fulfill their commitment to our country. Meanwhile their families are left short on cash and some having to take on second jobs just to provide the basics. Please help us help these families.

All participating locations will have a special christmas tree set up ready to receive gifts for Operation Red, White and Blue. If you'd like to participate please buy an unwrapped toy, gift certificate, etc. and place it under one of the christmas trees for a family of our troops overseas.
