Ohio May Be Cut Off From Federal Funds For Aged

Hearing Set To Decide On State's Failure To Comply With Act

HYDE PARK, Aug. 20.—(AP)—President William Green of the American Federation of Labor said today that he and President Roosevelt, "are in accord on the necessity of making some changes" in the National Labor Relations Law. The labor official conferred with the President at the latter's home today.

Green said he had called attention to the "present complaints against the administration of the labor law by the Labor Relations Board." In a letter to Henry J. Berding, chief of division of aid for the aged of Ohio department of public welfare, the board said its investigations "indicate that in administration of the Ohio plan for old age assistance there is a substantial failure to comply with the provisions of Title II of the Social Security Act."

Officials said, the hearing would also cover Berding's part in the unsuccessful campaign of Governor Davey for re-nomination.

Visiting Boatman Endorses Proposed Titusville Canal

The proposed St. Johns-Indian River canal received the enthusiastic endorsement of yachtman L. E. Spalding of Jacksonville who is visiting in Sanford with members of his family.

Mr. and Mrs. Spalding, L. E. Spalding, Jr., Miss Portia Spalding and Miss Beatrice Larson arrived in Sanford late yesterday afternoon in Mr. Spalding's houseboat "Acheson III" and docked at the Municipal Pier.

The "Acheson III" is an old visitor at Sanford having put in here many times in past years when owned by Capt. Wm. W. Acheson of Jacksonville, yachting enthusiast and author of many articles that have appeared in "Motorboating" and other publications.

Mr. Spalding, who recently purchased the craft from Capt. Acheson, plans to change its name to "Portia" in honor of his daughter.

The party plans to remain in Sanford several days before returning to Jacksonville, though Mr. Spalding reported this morning to Chamber of Commerce officials that he expects to pay Sanford a longer visit during the winter months.

Cocoa-Cola Plant Is Raided By Robbers

The Coca-Cola bottling plant on East First Street was broken into last night but nothing of value was taken. Police Chief Roy C. Williams revealed this morning.

Chief Williams said that the intruder or intruders had broken in through a side door and had knocked the combination off the company safe but had been unable to penetrate it.

He said only a small amount of loose change and an electric fan were taken. Officers are investigating the case.

Home Demonstration Clubs Hold Sessions

The Altamonte-Forest City Home Demonstration Club met Wednesday, Aug. 17, at the home of Mrs. W. D. Ballard at Altamonte for the purpose of beginning a Fall re-organization program. Mrs. Gladys Kendall, Seminole county home demonstration agent, announced today.

The Longwood Club met Thursday at the Longwood library to effect their Fall re-organization program. A program was also given on using foundation patterns.

Wounds Inflicted By Husband Are Fatal

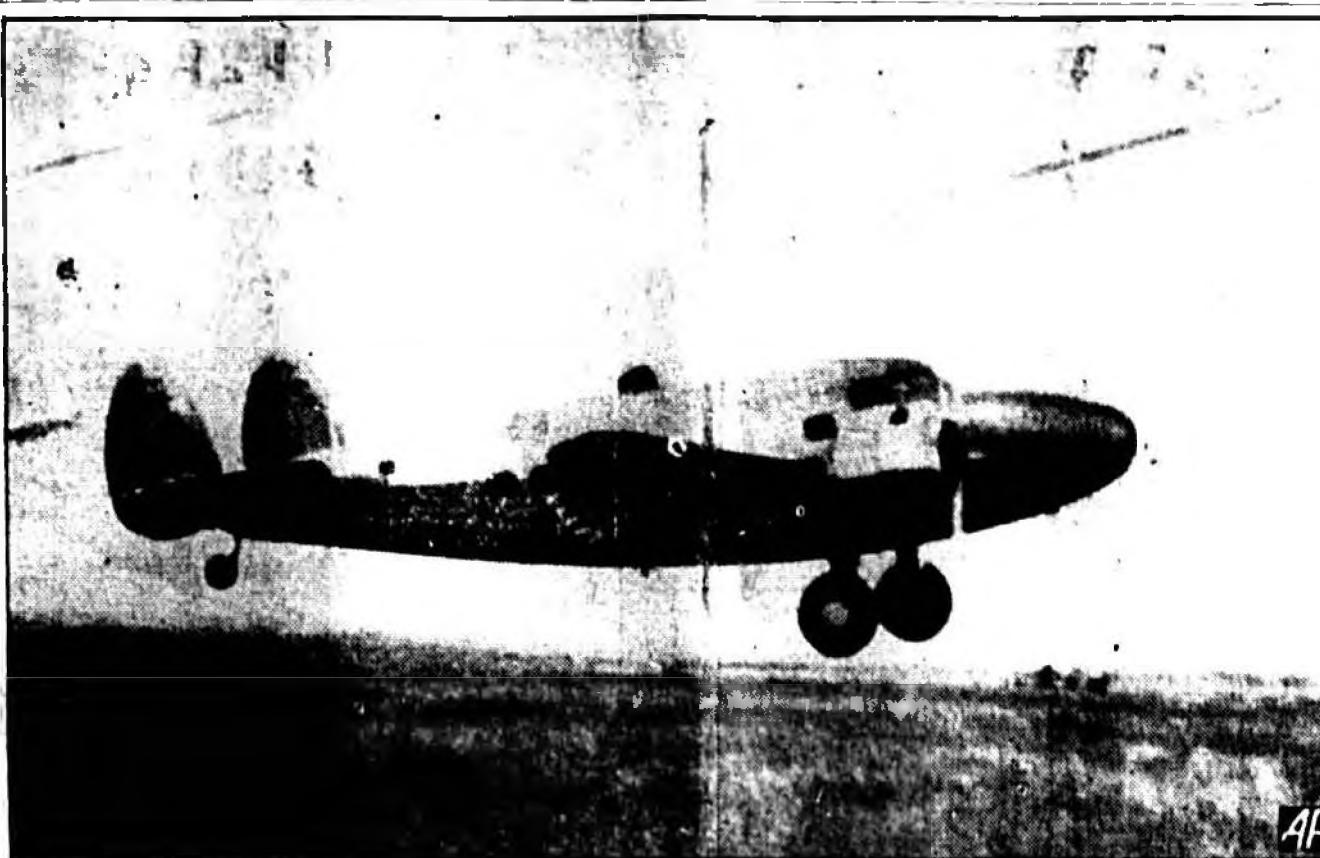

BOOKSVILLE, Aug. 20.—(AP)—Mrs. Charles Eiland died today of bullet wounds which Sheriff Nell S. Low said were inflicted by her estranged husband Charles Eiland yesterday.

Eiland, 54, was shot to death by Deputy Collier Brown and a coroner's jury, held that Brown acted in self-defense.

SOVIET VISIT

MOSCOW.—(AP)—Colonel Charles L. Zemanski found the day in Moscow without knowing the outcome of his flying trip from the Soviet Union.

HUGHES TESTS NEW OXYGEN MASK IN "FLYING LAB"

Howard Hughes landed at Floyd Bennett Airport in New York this morning after a high altitude flight from Los Angeles during which he tested a new type of oxygen mask. His elapsed time for the trans-continental hop was 10 hours, 20 minutes. Hughes used his "flying laboratory" in which he made his record breaking flight around the world last month. A picture of the plane is shown above.

Report Of Work Of Welfare Board For Year Given

Director Says 296 In Seminole Receive Old Age Pensions

After completing what Mar-

garet Windau, district director of the State Welfare Board, termed an unusual volume of work, the State board concluded its first year of operation on June 30.

Mrs. A. G. Wagner, of Okaloosa, the Seminole County member of the board.

The district director reported

that during the fiscal year the board approved 296 new cases for

old age assistance while rejecting 126 cases. The report also stated that at present 296 per-

sons were receiving this assist-

ance in Seminole County.

It was also pointed out that in addition the board had ap-

proved the eligibility of 296 per-

sons for old age assistance and

that a total of 137 cases were

awaiting approval. During the

year the board approved 11 cases

for blind assistance in this county while rejecting one application.

Ten applications are pending

action, the report said.

The district director pointed

out that the workers of the State

board also spent a large amount

of time on other federal pro-

grams. During the past year,

she said, a large number of per-

sons were made eligible to re-

ceive commodities. The present

number of certified clients at

present for this county is 318,

the report showed.

The State board also approves

all persons for WPA, NVA and

CCC enrollment. A CCC enro-

lment will be held in October for

which the board is now taking

applications, it was pointed out.

The State Welfare Board

handles all services and relief

cases in this county through a

staff of four workers, it was

pointed out. Funds for direct re-

lief to needy are provided by

the County Commission.

Jewish Names Are Decreed For Jews

BERLIN, Aug. 20.—(AP)—Na-

tionalists acted to give all Jews

names easily recognizable as

Jewish by decreeing yesterday

that after Jan. 1 every Jew with

a non-Jewish first name must

add Israel or Sarah to his name.

After the first of the year,

every government official and

every business man will know

from a man's signature whether

he is dealing with a Jew.

Nazi officials who do not want

to shake hands with Jews or

sharpen their claws toward

and certainly in the future will

be spared the possibility of what

they might feel to be an em-
barassing situation. One gained

as a signature will disclose a man's religious affiliation.

BIBLE VERSE FOR TODAY

ALL MUST PASS THROUGH STORMS: Then they cry unto the Lord in their trouble, and he brings them out of their distress. He maketh the storm a calm so that the waves thereof shall then they glad be when they be quiet; so he bringeth them unto their desired haven.—Psalm 107:28-30.

The man who will ultimately pay for the WPA is PA.

Federal Employee Dodge Heat Waves headline. What about that? RFC attorney in Atlanta who supported Senator George?

It got so hot in Sanford the other day that it really made us appreciate how much better off we are than those folks who live up north in the heat belt.

If the Federal government really wants to do something to aid the South, it could sweeten up Florida's economic outlook considerably by increasing the sugar quota.

"Dad, You Get Your New Dress, It Is Here, For You..." Headline in central Florida newspaper. That's a sweeping offer, Titusville Independent.

"Germany Wants Peace," reads newspaper headline. Yeh, a lot of Czechoslovakia, Hungary, Romania, and Russia, not mention Poland and perhaps one or two other countries.

Cotton is no longer the biggest cash crop in the South, as Senator George may find out in the September primary. The biggest cash crop nowadays is unemployment relief.

We don't blame Jimmy Roosevelt for being sore over the inscriptions which have been cast in his insurance agency. That's the way we felt when this old man jumped on the newspaper.

Because the State is unable to find \$50,000 which it owes to the State Re-employment Service, Florida is liable to lose \$8,000,000 which the employers of this state have contributed to the Federal government for unemployment relief. During the past year Florida business men paid over \$3,000,000 in new excise taxes, in addition to all the other taxes they have to pay, and the State is more than \$100,000,000 dollars behind in its bills.

The Titusville Star-Advocate explains why President Roosevelt doesn't want Senator George re-elected to the Senate. The reason? Not because the veteran had not served his state ably and with distinction. Not because he has been disloyal to the party which sent him there. But, he does not measure up to the Chief Executive's definition of a "liberal" Democrat. Senator George doesn't want to be sent to the White House.

Due to the Florida weather roads in Florida are accidents by one. Good roads in this same places, but we always traveled high. Roads are narrow and winding. We have lots of railroad crossings which ought to be intersections, where a car can practically nothing. We have bridges over rivers, more than the road, which are risky.

Cheap Sunglasses May Serve As Well As Expensive Ones

By BETTY CLARKE

NEW YORK.—(AP)—What's all the noise about cheap sunglasses?

All sunglasses should serve one or both of two purposes, says Joseph S. Halpert, former president of the Guild of Prescription Opticians of America.

These are glasses for those who need visual aid and glasses for those who only want protection from strong sunlight.

If you need sunglasses for long distance while you're using your eyes as a good deal, or if you buy cheap sunglasses and find that your head aches you should get glasses with ground and tinted lenses.

But there is no reason why you should not buy a cheap pair in case the glasses may not be ground or polished. If you know what to look for and how to buy, Mr. Halpert explains.

In like manner among the cheap glasses there are good glasses. There are also awful bad poor ones. You get what you pay for.

It should give you pause.

There are four things to watch for: Steady extraneous matter that keeps the glass from being clean; matter which may be found in glasses as places of bubbles, distortion due to scratches, treatment of the glass, and manufacture of inferior lenses.

Here's how to test a pair of glasses:

Hold them tall and look at light through them, make them up and down. If the object you're looking at moves around as it would in a Coney Island distorted mirror don't buy. If, however, there isn't distortion (tint), if the colors of the lenses match and if the glass is clear, you're doing all right in your bargain hunt.

De Vincenzi Leads Hitters For Contest While Davis Turns In Best Performance For Lookouts

Behind the four-hit pitching Lags of doubles, Davis set the heat with the bat for the Lookouts as he got two of the four Stanford hits and scored the lone run for a 10 to 1 victory at the Municipal Ball Park last night before several hundred hundred ladies.

Helms pitched masterful ball and was never in trouble at all times. He struck out 10 men and walked only once and was able to control his bats when he counted.

The G-men scored two runs in the third, three in the fourth, added another in the seventh and concluded in the ninth with four runs.

Sanford's lone score came in the seventh. Eddie Davis, left fielder, upped to left and made a second and on Helms' drive to left came home. Gainesville made three free two runs in the third on three singles. In the fifth, the Lookouts got three runs on a walk, two doubles and a single. The one run scored in the seventh came in as the result of a walk and a single by De Vincenzi. Four runs scored in the ninth inning came in as the result of three walks and two errors.

Coming into the game with a lead of 6 to 0, Gainesville decided to take no chances of his being in the Lookouts' bats, and putting the best pitcher available, Helms, to pile up four more runs. First, Helms' two-run double to center, followed by a two-run triple to right and on Bracy's double to center both runners scored. Bracy scored again when Helms' base hit to right field was getting out.

De Vincenzi was the best man at the plate for the G-men, edging a pair of singles and a

"DEAD END" KIDS GET BEST ROLES

A realistic human drama of the tragedy, laughter and heartache found on a big city's streets, Universal's thrilling document of modern youth, "Little Tough Guy," shows at the Ritz Theatre Thursday and Friday with the famous "Dead End" kids: Helen Parrish, Jackie Searl and Robert Wilcox featured.

Filled with elemental emotions, filled alive and throbbing from life itself, the picture offers Billy Halop and the other youthful stars of "Dead End" their most important opportunity since "College School."

Helen Parrish, the "meanie" Dennis Durbin's film, "Mad About Music," has the role of the

sister, Robert Wilcox is seen as her loyal friend and Marjorie Main is cast as the mother. Jackie Searl plays the role of a rich boy who turns to a life of petty crime "just for the thrill."

Written by Brenda Weisberg and Gilson Brown, the story is a simple and powerful narrative of what takes place in the lives of a mother, son and daughter when the father is sent to prison and the family moves to a sordid tenement district.

The boy becomes involved with a tough lot of young hoodlums. Encouraged by his father's conviction, he takes over leadership of the "mob" and is soon the most ruthless and daring of the

lot. Captured while trying to hold up a theatre, the boys are sent to a reform school, where for the first time they learn the true values of life.

Directed by Harold Young and produced by Ken Goldsmith, "Little Tough Guy," presents the "Dead End" kids in a drama that is as human and significant as it is thrilling.

FHA Loans Reach All-Time Monthly High During July

The number of Proper Improvement Credit loans reported for insurance to the FHA by qualified private lending institutions reached an all-time monthly high during July, FHA officials announced.

The total number was 34,605, a gain of 137 over the previous month for June when lending agencies reported 34,468. Although the dollar volume in July, amounting to \$16,637,638, was under the June total of \$17,461,788, FHA officials considered the gain in number of significance in that it points to a wide use of the FHA's facilities in behalf of property maintenance, modernization, and repair.

Almost \$830,000,000 of private capital has now been insured under the Federal Housing Administration's Property Improvement Plan which was designed to make more attractive and enhance the value of homes, small business establishments and institutional properties. At present, several thousand private lending agencies are reporting loans of nearly more than \$4,000,000 each, with the average loan amounting to \$461.

Federal Housing Administration's original authority to make modernization loans expires April 1, 1937, at which time \$431,000 notes amounting to less than \$600,000,000 had been issued for insurance. It was last February 8 through grants to the National

Ameche Stars In Drama Of World-Famous Ellis Island

A thrashing drama of world-famed Ellis Island is "Gateway," the 20th Century-Fox classic vehicle for Don Ameche and Arleen Whelan.

The production, which comes to the Ritz Theatre Tuesday and Wednesday is tense with violent emotions and keyed-up suspense bright with the lightness of hearts buoyed up with hope and colorful with its people from all lands.

Of its timeliness there is no question.

Don and Arleen are thrilling with the strong, young romance of two who feared they had met too late. Their support is cast of actors and actresses worthy of such a stirring story in the most dramatic place in the world.

Don is a homecoming newspaper correspondent. Arleen is a young lass in the second cabin who is to meet her fiance in America. Her beauty has attracted not only the newspaperman but a gangster (Gilbert Roland) and a politically minded mayor (Raymond Walburn). A famous divorcee (Binnie Barnes) has aided the romance between Don and Arleen.

In the scenes in question, Holles Brooks and Anthony Hollies are feeling around the set by the time Director Tim Whelan found a certain scene for London Film's "Actress for Slender" coming to the Ritz Theatre, sufficiently realizable to shoot.

HEADING FIESTA CAST—Some of Hollywood's best-known stars sparkle in Paramount's new musical romance, "Tropic Holiday," which opens Sunday at the Ritz Theatre. Heading the cast of this Mexican fable are Bob Steele, Martha Raye, Dorothy Lamour and Ray Milland.

"Reformatory" Grads Willing To Advise

When "Reformatory" was announced by Columbia studios as its next Jack Holt starring vehicle, letters were received from several men who, as boys, had been sentenced to a "reform school" and were eager to serve in a technical capacity. Holt and director Lewis D. Collins sought an advisor acquainted with modern reformatory methods, but investigation revealed that each writer's experience had been gained in institutions outmoded by modern humanizing penal reforms. The advice the star and director sought for "Reformatory," which is coming to the Ritz Theatre, was finally obtained from the warden of a similar California reformatory.

Louise Stanley, who plays the leading female role in "Thunder in the Desert," Bob Steele's latest western Republic release, which is coming to the Ritz Theatre, is noted in Hollywood for her unique taste in clothes.

Mrs. Stanley, essentially an out-of-doors girl, selects an essentially out-of-doors wardrobe. Many of her most striking ensembles are patterned after clothes designed for use in western films.

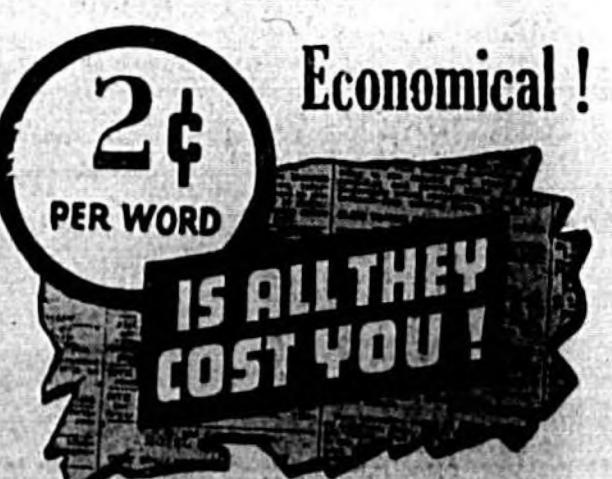

In addition to Miss Stanley, Don Hartley, Ernie Adams, Lew Methan, Horace Murphy, Charlie King, Ed Brady and numerous other well-known action players support Steele in "Thunder in the Desert." Sam Newfield mega-phoned this A. W. Hackel Production.

WPA Chief Discusses Reports Alliance Is Seeking \$50,000; Doesn't Like Idea

Fund To Be Used Against O'Connor

Petition To Permit Maverick To Run As Independent Denied

HYDE PARK, N. Y., Aug. 22.—(AP)—Harry Hopkins, WPA administrator, expressed a sharp criticism today that the reported effort by the Workers Alliance to raise campaign funds from New York relief workers.

Hopkins discussed with newsmen reports that the alliance was seeking to raise \$50,000 to fight Rep. John J. O'Connor, sharp Administration critic who is seeking renomination in New York.

Hopkins spent the night with President Roosevelt here. He said the Workers Alliance had a legal right to ask funds from the WPA employees but he added: "I just don't like the idea."

O'Connor recently was criticized by the President as being one of the "most effective obstructivists in the lower house."

AUSTIN, Texas, Aug. 22.—(AP)—Secretary of State Edward Clark today overruled the petition of friends of the New Deal congressman Maury Maverick that the latter's name be printed on a ballot as an independent in November.

Clark held that Maverick, a strong supporter of President Roosevelt, could not run as an independent because he participated in the Democratic primary.

Maverick was defeated by Paul Kilday by less than 1,000 votes.

Sharon Speaks At Church In Absence Of Rev. J. B. Root

Using as his subject, "The Strangest Battle That Was Ever Fought," James G. Sharon spoke Sunday morning at the Congregational Church in the absence of the Rev. J. B. Root.

Mr. Sharon said he had felt a timidity when asked by the Rev. Root to deliver a sermon but had overcome this timidity with the conviction that he should always do what he could "for the Master."

Citing the Puritan Fathers, who came to this country to worship and "not to feel gold and material gains," Mr. Sharon said "they did not care for material prosperity." He quoted Calvin Coolidge, former president, and described him as a good man, who was not visionary, and who could be trusted "with good common sense."

The speaker called attention to the fact that when the nation was new, and there were not the good roads of today, the people made more of an effort to worship God. "Stumps and obstacles did not interfere with their church going."

Judge R. W. Ware will be the speaker at the morning service next Sunday at the Congregational Church.

Crowds In Trains Are Swept By Near Panic As Lights Go Out And Blaze Starts

NEW YORK, Aug. 22.—(AP)—Two subway cars which were held up for about 10 to 15 minutes in a collision between two trains on the Fulton Street line on Avenue B.

The subway, both southbound cars, were filled with hundreds of passengers, mostly residents of the Bronx on their way to work in downtown offices. Many persons swept the crowded trains when the lights went out and a short circuit started a fire.

Charles C. O'Conor, chairman of the subway, was summoned in a fire call when it reached around the rear coach of the train.

He was still alive an hour later when he was cut in half by a metal pipe. Two dozen spectators, his wife and a police and fireman pulled him out. He died in a hospital an hour later.

The body of Emanuel Averbach was taken from the same train. Hours after the crash an acetylene torch crew said they believed the body of a negro still was in the wreckage.

The plan of maneuvers which took place in Mississippi Monday morning, which was to be followed by the club members, was described as follows:

Flays Nationalism

Pope Paul VI, above, emerged from his summer vacation yesterday to tell Italian students and missionaries that they exaggerated nationalism as a valuable asset. The Pope left his papacy for the first time since April and returned to the Summer school of the club of Peasant Union of the Earth where he was received by officials for a meeting of 30 minutes.

Cone's Condition Still Unchanged, Doctor Reports

Physician Says Cold Is Not Serious Set-back To Governor

JACKSONVILLE, Aug. 22.—(UPI)—Dr. Roy Cowan, physician and today the chief executive, continues "completely unchanged" at the hospital here.

The Governor suffered a heart attack July 29 but Dr. Stanley Evans has reported a steady improvement since that time.

Today night the physician said his patient had taken a cold but that had not caused a serious attack. Both the doctor and Mr. Cone said the Governor continued to be in good spirits and was anxious to get back to office in Tallahassee.

Keep under an oxygen tent a week, Dr. Evans said the Governor's condition was critical at that time but that he had been rapidly recovering.

In town to visit his son, Dr. Cowan, described the Governor's cold as "not much of a cold."

Youth Congress Asks Permission To Testify

POUGHKEEPSIE, N. Y., Aug. 22.—Asserting the house committee investigating "un-American" activities is "wasting taxpayers' money" and its "wasteful time," the World Youth Congress yesterday requested that its representatives be permitted to testify before the group in Washington.

The action was in reply to statements made by Dr. J. M. Matthews, writer and educator, who told the Dies committee yesterday that the World Youth Congress was Moscow controlled.

Man's Arm Is Found In Shark's Stomach

MIAAMI, Aug. 22.—Police asked Federal aid yesterday to identify a rope-bound man's arm found in the stomach of a shark caught by a professional fisherman in the Gulf Stream.

Stuart K. Smith, assistant State attorney, said the arm had been sawed off halfway between the elbow and shoulder. It was the right arm of a white man with hairy hair, he said, and the finger nails had been well cared for.

Final plans for the annual camp of Scout Troop 14 will be made at the regular meeting in the room of the First Baptist Church tonight at 8:00 o'clock.

Scoutmaster W. E. Kader announced today, and urged all members of the troop to be present.

The weekly meeting of Boy Scout Troop No. 5 will be held in the Junior High School tonight at 8:00 o'clock, Scoutmaster H. E. Morris said today.

The members of the troop leave tomorrow morning for a week's camp on Silver Lake.

Violators of City ordinances will be tried before Judge Frank L. Miller in a session of the Municipal Court at the Police Station this afternoon at 4:00 o'clock.

A rope around the wrist and forearm, Smith said, was tied with sailor's hitches.
