## **NO Directory** Is Unveiled A **Gala Dinner**

The North Orlando Police and Firemen's directory for the village was unveiled at a gala buffet dinner at Ann's restaurant in Casselberry. It was a sell-out affair with 120 Central Floridans on hand to kick-off the directory distrib-ution. Turning out for the Florida Directory Publisher's award presentation for this rectory were many dignitaring and introduced State Rep. Joe Davis who emceed the program. George Fuller, vice mayor of North Orlando, exthe assemblage. The Lamp-lighters Three from Orlando presented a suite of folk songs and music during the entire evening was supplied

Sen. Mack N. Cleveland Jr. essisted by Miss Flame of Seminole County, Bobbi Lee Watkins, unveiled the North Orlando Directory. Senator Cleveland stated that he was quite familiar with what the firemen are exposed to day and night since his own father was a fireman most of his life. He commended the North Orlando Department in rising from a group of six men to a complement of 23 men in a short period of time. He congratulated North Orlando Fire Chief William Publisher Award. Chief Hahn expressed delight that the first of any community awards to North Orlando was won by the Fire Department. Chief Deputy State Fire Marshal W. Thomas Knight, keynote speaker, said that when he first took office, he was advised by Fire Chief Mack N. Cleveland Sr., to earn his men for without their support, he would be ost. Knight took the advice. He learned them. "The more I know about them, the more positions, but all are dedicated to the common cause-Hahn introduced his Firemat-Capt. Bob LaFoliette, and Lt. Charles Holsman, President Malvin Campbell, Secretary James Schnell and Treasurer Chuck Rowell. He praised the department and thanked neighboring departments of Casselberry and Longwood

Will be sold to gourmet and fine food shops so that many enec? Joe and Zelda are both drop in and annoy you, Once realise they owe the young surprised that Joe wasn't accept them, we'll have to I've worked with boys in

sleeping man lie. No good DEAR ABBY: I read with late.

year's European bridge championship tourney employed a weak no-trump when not ulnerable. Thus, South, who held a normal strong notrump opening, had to open with one club. North responded one heart and this gave East a chance to stick in a one-spade overcall. South showed that he held normal strong no-trump

spades, and Kuklewics in the

first and decided to attempt to arrived at four hearts, only to find them but they were collect one heart trick. He to lose two spades, a ruff in the parking lot eating a Britain, led the jack of hearts from and the ace of trumps.

Newspaper Enterprise Assn.

DEAR MRS. LAWRENCE:
My husband's mother is trying to make us take her into our home by threatening to enter a Golden Age community. But we are, frankly, terrified to do it. Though we see her every weekend, by Monday aba's on the phone of the terror they felt as children of unreliable parents. They had to become dominators because they couldn't trust their parents to insure their safety. As the many need is your saying to her:

"Let's be truthful. You to adopt the dominator's terrified children, they had don't really want to live to adopt the dominator's terrified. by Monday she's on the phone don't really want to live to adopt the dominator's tra-telling us how lonely she is with us. You're as scared as gie solution to the problems and asking us to see her that we are of the hurts we may

damages, claiming negligence on the part of the county.

Also named in the suit is the Braumer Development Company, builder of Eastbrook.

Withelm claims it is due to an "unprotected and unfenced" area that his son was drowned. He claims the county and Braumer are responsible.

County Attorney H a rold Johnson has filed a motion to dismiss the suit, claiming there is no cause for action and the county is immune to suits of this nature.

There have been no hearings

He said testing of a new fuel cell electrical system that was installed in the spacecraft Thursday was put off until Saturday because of the sproposed but never generally accepted method of appointing instead of electing county superintendents.

We believe that county school superintendents should be appointed by county school superintendents and that qualifications of the Seminole County school superintend. County school superintendents appointed rather than elected.

Eight Florida counties out of 67 follow this procedure now. Efforts in the Legislature to impose the appointive method statewide have failed time and again.

The platform adopted by the PTA also calls for school boards made up of members with an election of the Seminole County school superintendents.

Company and union leaders was put off until Saturday because of the often proposed but never generally accepted method of appointing instead of electing county school superintendents.

"We believe that county school superintendents and that qualifications (Appointment rather than election of the Seminole County school superintendents.
