But Victim's Mother Says He Should Get Chair

Defense Ready To Argue For Preston's Life

Herald Staff Writer First of three parts

Attorneys for a Forest City man convicted in the brutal slaying of a convenience store clerk in 1978 are expected to present at least a dozen reasons why he should not die in the electric

The hearing for Robert Anthony Preston Jr. is scheduled Tuesday and Wednesday before Circuit Judge S. Joseph Davis Jr., who sentenced Preston to die in 1981 after a jury of seven men and five women recommended the death sen-

'If anyone ever deserved the death penalty, he does."

> -Esther Sams, victim's mother

tence seven to five.

Preston, 28, is the first and only defendant Davis has sentenced to die.

Ester Sams of Orlando, mother of Earline Walker, 46, Winter Park, who was killed by Preston Jan. 9, 1978, told the Evening Herald she and her daughter will sit through the hearings just as they sat through Preston's 1981 murder

"You want my honest opnion? I think he needs to be done just like she was done. I know exactly what was done to her," Mrs. Sams said.

Her daughter was kidnapped from an Altamonte Springs convenience store by Preston in the early morning hours of Jan. 9, 1978, and killed when the 200-pound man slit her throat

Her nude and mutilated body was found about 12 hours later by police. Within 24 hours of the

killing Preston was in jail. "I was shocked. She was a good woman. She watched kids during the day at church and worked at night," she said.

"I was there for the entire trial. He got a fair trial."

She said she would not insist that he be executed if there was any doubt in her mind that he might not have been her daughter's killer. But See PRESTON, page 10A

Offering Of Franks

Grilling hot dogs Friday at a cookout for workers of the Seminole Work Oportunity Program in Sanford were, left, Jack Holt and Curtis Moore turning the franks. They are members of the Southern Bell Telephone Pioneers of America club. The club

sponsors the once-a-year cookout for the sheltered work shop participants. At right, Sissy Thomas, administrative assistant for S.W.O.P., serves fare for worker Susan Crosby. The cookout was held at S.W.O.P. headquarters, 3422 U.S. Highway 17-92.

Soviets Expel 5 American Diplomats

MOSCOW (UPI) - The Soviets ordered five American diplomats expelled apparently in retaliation for the U.S.-ordered expulsion of 25 members of the Soviet mission to the United

In Washington, Secretary of State George Shultz in a television interview said the United States "will protest and we will take some action" in response to the expulsion of the five Americans. Shultz did not elaborate.

The expulsions were announced Sunday. The Soviet official news agency Tass said the "attention of the U.S. Embassy was again drawn to the

fact of the continuing use of American diplomatic missions in the U.S.S.R. for illegal activities against the Soviet Union.

"A statement was made to the U.S. Embassy in Moscow today on the impermissibility of the activities of a number of workers of the American diplomatic mission in the Soviet Union," Tass reported Sunday.

The statement said U.S. Embassy First Secretary William Norville, whose term was drawing to a close, Third Secretary Charles Ehrenfried, and attaches Gary Lonnquist and David Harris, and Leningrad consular attache Jack Roberts "were engaged in those activities in the territory of the U.S.S.R."

Although the statement did not state that the diplomats were spying, the wording generally refers to espionage.

"A firm protest was lodged with the U.S. Embassy in this connection," Tass said. "For the actions which are incompatible with their official status. the above mentioned workers of the embassy and consulate general were declared to be personae non gratae and were asked to leave the U.S.S.R.

Captured Flyer's Trial To Begin

Nicaraguan President Hints At Leniency

captured American who says he was running guns to U.S.-backed rebels, but prisoner may be home by Christmas.

Eugene Hasenfus, 45, of Marinette, Wis., could receive a 30-year prison sentence, the maximum penalty in Nicaragua, from a People's Tribunal one of the Nicaraguan judicial forums U.S. diplomats have dubbed "kangaroo of a network of Contra supply missions courts.

The government maintains Hasenfus broke national security laws. The charges were to be read when the trial opens today.

Hasenfus was captured Oct. 6, a day after he parachuted from a U.S.-made C-123 transport plane shot down over southern Nicaragua.

The plane was loaded with guns, Hasenfus said were intended for the Contras - U.S.-backed rebels fighting to oust the leftist Sandinista govern-

ment of Nicaragua. "This is not my war, and I don't believe it's America's war," Hasenfus said in an interview broadcast Sunday one of the nine leaders of the Sanon the CBS News show "60 Minutes."

Hasenfus, interviewed Saturday at a prison yard in Managua, said smuggling weapons and supplies to the Contra rebels from El Salvador was just a way to make \$3,000 a month.

"I am down here as a job. I'm not a freedom fighter," he said, echoing President Reagan's term for the Con-

Ortega, also interviewed by CBS News, said "anything is possible" regarding Hasenfus's future, even if he is found guilty.

Nicaragua. And we wish that he could as Felix Rodriguez. also be in the company of his wife and

Asked if Hasenfus could be released by Christmas, Ortega replied, "Any-

thing is possible." Hasenfus's wife, Sally, returned to

MANAGUA. Nicaragua (UPI) - An Managua Sunday night. She was met by U.S. consul Donald Tyson at the just doing his job faced trial today for airport and declined to talk to reporters. Mrs. Hasenfus first came to Nicaragua President Daniel Ortega hinted the following her husband's capture and has met with him once since then.

Hasenfus was the only survivor of the plane crash. Two American pilots and a third person - an unidentified Hispanic man - were killed.

Hasenfus has said the flight was one run out of a Salvadoran military base by two Cuban Americans with ties to the CIA. Some of his statements have been substantiated by documents aboard the plane, Sandinista intelligence and published statements from Salvadoran officials.

The White House, CIA and State Department denied official government involvement with gunrunning to the rebeis, which was banned by Congress in 1984.

"This was obviously a covert operation, and covert operations are designed to hide direct links with a government." said Commandante Luis Carrion, deputy interior minister and dinista Front.

Hasenfus's trial will give the Sandinistas a platform for airing their charges of direct U.S. interference in Nicaragua, and more details of an intricate rebel supply network that Hasenfus participated in could come to

Sandinista officials were happy to see the Hasenfus scandal nagging at the highest levels of U.S. government. Vice President George Bush has admitted having met one man named as a coordinator of the supply missions, Bay 'We wish he weren't in jail in of Pigs veteran Max Gomez, also known

> The other man named by Hasenfus as a coordinator of the missions. Ramon Medina, has been identified by Sandinista intelligence as fugitive Luis Posada Carriles, also a Bay of Pigs

 Keogh trial to begin, 3A Hotel misses deadline for parking lot

work, 5A Scientists to report on hole in ozone,

Starting early Tuesday a.mn., Seminole County residents can forget the various telephone numbers for emergency aid in the different cities and

The county's new emergency 911 telephone system comes on-line at 2 a.m. Tuesday. For emergency law enforcement, fire, or medical aid anywhere in Seminole County, the three numbers, 911, are the only numbers that need to be dialed for help.

Because the telephone system is computer enhanced, callers won't even have to know where they are. Operators will have a computer screen in front of them, which will list the location and phone number from the place the call originates, including residences, businesses, and even pay phones. The requested assistance will then be dispatched.

That feature will enable help to be dispatched even if a caller cannot speak. and will also make it possible to instantly trace prank calls. If 911 is dialed, and there is not response from the caller, the law enforcement agency that serves the area where the call originates will be dispatched to investigate.

Ceremonies to mark the initiation of the 911 emergency telephone system are scheduled for 9:45 a.m. Tuesday in the county commission chambers of the County Services Building, 1101 East First Street, Sanford. -Paul C. Schaefer

Rescue Workers' Persistence Credited With Saving Woman

A Sanford woman nearly died three times in a First Street shop Saturday, but thanks to rescue workers' persistence, she is recovering today at Central Florida Re-gional Hospital. Nancy Lambert, 61, 106

Nancy Lambert, 81, 108
McKay Blvd., is in the hospital's intensive care unit following '57 minutes of resuscitation she received after suffering a heart attack in Mc-Crory's Saturday marning.

"We almost lost her three times," said Sanford firemen and Emergency Medical Technician Paul Keith. "The lady was dead when we got there and every time we got something going, we couldn't keep it steady."

Keith and his partner, Greg Lemieux, were called to the scene by the store's manager. They arrived within two minutes and were joined

minutes and were joined moments later by Rural Metro paramendic Paul Bowman and his partner, Keith Kroker.

Credited with turning the odds in Mrs. Lambert's favor is that firefighters' maintained CPR efforts and a portable defibrillator the Rural Metro technicians set up in an siele technicians set up in an aisle
"to shock her her back to life,"
Bowman said, "It's because of

the cooperative effort that she's slive today."

"The woman was clincally dead, but we were able to get her blood pressure up from zero to 180/90, and then she started breathing on her own," Bowman said, "The only thing better would have been if ahe had gotten up and walked away."

Keith said he knew when he arrived at McCrory's Mrs. Lambert "wouldn't have had a chance" if immediately taken to the hospital, about a mile

Instead, "We cleared the area and got to work," he said.

Only after 57 "frustrating" minutes was Mrs. Lambert stable enough to be placed in the ambulance, Keith said. "It took us so long because every time we started getting herready we lost her and had to start CPR again."

Keith called the hospital Saturday night to check on Mrs. Lambert's condition. "Well that's great," he said to the nurse who took the call. "I'm glad to hear that because she had no code when we started this morning. We almost lost her.

-Karen Talley

NATION

IN BRIEF

Report: Police Shootings **Decline Dramatically**

WASHINGTON (UPI) - Big-city cops killed half as many people in 1984 as they did 14 years earlier, with the drop in fatal shootings "due almost entirely to fewer black people killed," a new study shows.

In turn, fewer police were shot despite somewhat higher levels of crime, said the survey of 50 cities by the non-profit Crime Control Institute.

In 1984, the study found that only 172 people were killed by police in the 50 cities, while at least 353 citizens were

killed in 1971. Police shootings accounted for one in 20 homicides in the

cities in 1971 and only one in 42 in 1984, said the study, One reason the report cited was a national trend since 1972 toward administrative policies banning police

shooting at non-violent fleeing suspects. Clinics Re-Using Dialysis Devices?

WASHINGTON (UPI) - Thousands of Americans who undergo kidney dialysis could die or suffer infection because clinics are re-using single-use devices since "the cash register shows it as the most profitable" method, a senator says.

The report by the Senate Special Committee on Aging accused the government Sunday of misleading the panel by describing re-use of the devices as safe and acceptable,

The report showed that re-using the devices has caused deaths, serious injuries and costly hospitalization of patients, including outbreaks of infection among patients in Texas, California, Florida and Georgia last spring.

New evidence of hazards caused by improper or inadequate use of disinfectants - most often formaldehyde, a known carcinogen — also are documented in the report.

Soviets Said Reconsidering SDI

WASHINGTON (UPI) - President Reagan is seeking clarification of some post-summit signals from Moscow that indicate a possible willingness to bend on "Star Wars" research with regard to testing outside the laboratory.

Deputy press secretary Larry Speakes said Sunday he does not know whether there have been "private signals" from Soviet leader Mikhail Gorbachev in the aftermath of the Oct. 11-12 superpower talks in Iceland.

"We're anxious to find out," he said. The reports of more Soviet flexibility follow a week of a relentless administration public relations blitz, with top White House advisers appearing nearly everywhere to explain the summit results in "on-the-record" interviews.

The talks in Reykjavik generated a sweeping arms deal melding sharp strategic weapons cuts, an elimination of intermediate-range missiles from Europe and progress on curbing nuclear tests, but foundered when Reagan rejected Gorbachev's demand that SDI work be confined to the

Dems Say Economy Top Issue

WASHINGTON (UPI) - In the last 16 days of the fall re more worried about the economy than "Star Wars", despite President Reagan's plea to make the space-based defense a leading issue, Democratic

"The things that will be binding this country is the economic downturn. The voters have the opportunity to reject the policies that have failed," said Democratic National Chairman Paul Kirk.

But Republican National Chairman Frank Fahrenkopf accused Democrats of creating a campaign furor over "Star Wars" by publicly opposing Reagan on what should be a bipartisan issue.

Kirk and Fahrenkopf appeared Sunday on ABC's "This Week with David Brinkley" with Democratic political consultant David Sawyer and GOP political consultant

Scientists Present **Ozone Hole Report**

WASHINGTON (UPI) - An extraordinary news conference has been called today for scientists in Antarctica to report via satellite on their study of an alarming "hole" in the atmospheric ozone layer above the south polar region. The study, sponsored by the

National Science Foundation, is examining the puzzling thinning that was first detected above part of Antarctica last year by British scientists and confirmed earlier this year by American satellite measurements.

The phenomenon is a seasonal event but the depletion has worsened during the past several years. Scientists are concerned because the thin blanket of ozone in the stratosphere is Earth's primary barrier from dangerous amounts of ultraviolet radiation from the sun.

Concern about the ozone 6 to 60 miles high was first raised in 1974 when two University of California scientists discovered that chlorine released from widely-used Freon-type gases called chlorofluorocarbons can

of the atmosphere.

pected, the science foundation sponsored a "National Ozone Expedition" to Antarctica in August to study the situation.

National Oceanic and Atmospheric Administration, the State University of New York at Stony Brook, the Jet Propulsion Laboratory at Pasadena, Calif. and the University of Wyoming

Scientists believe the ozone thinning is associated with the lack of sunlight in the Aptarctic winter but some researchers are particularly concerned because the extent of the ozone depletion has worsened every year since 1978.

Sherwood Rowland, one of the scientists who first raised the ozone-chlorofluorocarbon issue 12 years ago, said Friday that the annual drop in ozone over Antarctica corresponds to the annual increase of chlorinecontaining chemicals in the atmosphere.

Adding to the increased concern about the global ozone situation was an analysis last month of satellite data that suggested the total amount of ozone in the upper atmosphere has decreased about 3 percent

over the past six or seven years.

Meese Unveils Plan To Beat Pornography

WASHINGTON (UPI) — Attorney General Edwin Meese, under pressure from critics to make good on his promises to crack down on pornography, says he plans to create a team of prosecutors that will specialize in

Meese, responding to a recommendation from his Attorney General's Commission on Pornography, is expected to announce the formation of the obscenity task force today at a noon news conference.

He may also announce the establishment of a national data base for pornography to serve as an information clearinghouse for state, local and federal law enforcement officials.

Such steps, however, fall far short of the panel's call for a virtual nationwide law enforcement crackdown.

Barry Lynn, a lawyer for the American Civil Liberties Union - which has condemned the commission's conclusions as unscientific - said it appeared the Justice Department had decided to respond with only limited proposals.

Critics, including the heads of antipornography groups nationwide, have charged that Meese has delayed implementing any of the panel's recommendations after he promised in July to move on them within a month.

Some of the groups are expected to argue

that Meese's plans do not go far enough. The controversial commission, which issued a 2,000-page report in July, called for a revamping of federal and state laws to more rigorously pursue pornographers.

The new task force will be based in

A THE STATE OF THE

Washington, officials said, and will provide instruction to prosecutors and the FBI on how to handle investigations involving pornography.

Meese, however, says the brunt of the battle against smut must be borne by local communities. In a recent speech, he said, "I think a great deal of the effort against pornography has to be handled at the local level. A lot of it is what communities themselves want to do.'

The commission, charged with assessing the impact of the \$8 billion-a-year pornography business on American life, spent one year and \$500,000 on the lengthy report with 92 recommendations for new government and private action.

It urged citizens to guard against the sale of sexually explicit material, whether magazines or videotapes, by establishing "citizen watch groups" across the country. It also called for tougher application of existing obscenity laws and a crackdown on child pornography and urged closer coordination by local, state and federal enforcers to break up the smut industry.

Golden Eagle Debuts Today

NEW YORK (UPI) - Interest in the Eagle, the first U.S. legal tender gold piece minted in a half-century, surged before the first day of sales today and traders predicted the coin could wipe out

its foreign competition.
"Of course there is no way of knowing until orders come in," said Donns Pope, director of the U.S. Mint. "But the degree of interest by our distributors, dealers and the public has just been beyond what

we expected. "If this is any indication, our goal of selling 2.2 million ounces within the first year (is) certainly reachable and may be a conservative figure." Pope said in a telephone interview.

The Eagle will be sold at coin dealers, banks and brokerages.

"It's tremendous, and calls are coming from all over - retail customers, banking institutions, jewelry dealers and wholesale coin dealers," said Michael Kramer, chief coin trader at Manfra Tordella & Brookes Inc., one of the nation's largest wholesale and retail coin

The front of the coin features a modified Augustus Saint-Gaudens Double Eagle design of Liberty and the reverse is entitled "Family of Eagles."

Each coin will have a dollar face value but will be a "bullion" coin, meaning it will be worth the amount of gold each contains - plus a premium. Gold now sells for around \$425 an ounce.

There are four sizes: a \$50 coin containing 1 troy ounce of gold, a \$20 half-ounce, a \$10 quarter-ounce and a \$5 tenth-ounce.

Experts said the market is signaling the Eagle will wipe out competition in the United States. Dealers said customers are selling Canadian Maple Leafs and South African krugerrands to switch to Eagles.

Keogh was scheduled for trial in September but did not have a lawyer and was acting on his own behalf. He requested a

public defender and Circuit Judge Robert B. McGregor complied. McGregor is the judge scheduled to hear the case.

Keogh is accused of taking the money from the Lake Mary Cemetery Association, which he chaired. The association maintains the city's oldest cemetery and sells plots. Keogh took over the chairmanship from his grandfather.

Keogh was arrested June 20 and charged in the criminal case with one count of grand theft. His arrest came 13 months after the association filed a civil sult against him demanding that the money be returned. The

suit alleged that on April 23, 1985, Keogh converted the money for is own use. Keogh has denied this. He told the Evening Herald he has committed no crime nor any breach

When he was first charged, Keogh said he put the money in certificates of deposit, but couldn't remember in which banks.

Keogh was a one-term city commissioner in Lake Mary and left office in September 1985, a month before his term was to end. He said he resigned because he was missing commission meetings for employment

Suspect Charged In Check Passing Used Police Identification Card

A 27-year-old Sanford man. who allegedly stole and cashed checks with a combined value of about \$830 on the account of a Walter Hickey, also allegedly used a North Miami police identification card when cashing four forged checks at Sun Bank.

The checks were cashed Sept. 9 and 12 at the bank on U.S. Highway 17-92 in Sanford. The man cashing the checks presented a police identification card in the name of John L. Riggs Jr. Sanford police said that name is one of several aliases reportedly used by the suspect.

The checks cashed were stolen from Hickey's at Georgia Arms Apartments, Sanford, where the suspect worked as a maintenance man, police reported.

The checks were made out to and endorsed in the name of John L. Riggs Jr., police said. The photo and fingerprints on the "Riggs" police identification card match when compared with that of the suspect, police said.

John Leon Montagne of 2100 S. Sanford Ave., Sanford, was arrested at 3:22 p.m. Wednesday at Gerogia Arms Apartments. He has been charged with four counts of forgery, uttering a forgery and grand theft. He has

Educator: Career Development Programs Needed For Pupils At Earliest Possible Age

By Kathy Tyrity

Schools 'need ' career' development programs for students at the earliest possible age," a state education official told educators and students from fifth grade up participating in Business and Education Day at Lake Mary High School Friday.

Pat Schwallie-Giddis, state coordinator for career development with the State Department of Education, told the children, "Believe me. If you can dream it and think it, you can get there."

The 110 students from throughout the county were specially chosen to participate in a day of programs and visits to area businesses and government offices.

It was a day when other students had a day off from school. But the auditorium at Lake Mary High was nearly full with about 350 educators, business executives and students. It was the 12th annual Business and Education Day sponsored by area chambers of commerce and business hosts.

Ms. Schwallie-Giddis said it was exciting to come to a school "where you feel like something is happening, and something is happening here." She said the day when we won't have as tional and career education

Parole Granted In Bizarre Mutilation Case

HUNTSVILLE, Texas (UPI) -A former petroleum engineer who served one-third of a 15year sentence for using radioactive pellets to castrate his son was released from prison in an action his son called "a cheap trick.'

Kerry Andrus Crocker, 56, was released from prison Friday and refused to be interviewed by reporters waiting outside the prison for him, said Texas Department of Corrections spokesman David Nunnelee.

Crocker served five years of a 15-year term and is scheduled to live in a Salvation Army halfway house in Fort Worth under mandatory supervision. He was released on special parole conditions forbidding him from contacting his son, Kirk Crocker, a

Houston real estate agent. Authorities said another special provision of Crocker's release bans him from taking a job that would give him access be returned to prison if he violates the terms of his release.

Trial witnesses said that in the early 1970s, Crocker placed pellets of radioactive cesium 137, which is used in oil field exploration, in a sock and placed the sock on his son.

Kirk Crocker was 14 when his district court in 1975.

A Challenge In Nation's Interest

Why do we laugh at the rabbit attacking Jimmy Carter while he fished, and forget the Camp David agreement he negotiated?

The Carter Presidential Library in Atlanta will remind visitors of the accomplishments of the Georgia peanut farmer who became a Navy nuclear engineer, a governor and U.S. president.

Presidential libraries are gifts to the American people from private individuals. They can be monuments to monumental egos - the Lyndon Baines Johnson Library at the University of Texas at Austin comes to mind. They can be focuses of controversy, as the Richard Nixon Library.

The idea behind presidnetial libraries is noble. But the reality often falls short. It's hard for the taxpayers to say no thank you for a library donated by private fund-raising committees. Maintaining the libraries is inordinately expensive for the public.

Jimmy Carter, at 62, is too young, too knowledgeable, too bright and too committed to be shelved in his own library, or anywhere

His expertise should be used by this

Herbert Hoover was not a popular man during the Depression which, some thought, his policies had helped cause. But that didn't stop President Harry S. Truman from calling Hoover back into service after World War II. as head of the Hoover Commission on reorganization of the executive branch of government.

President Carter's major accomplishment was in the Middle East. The Camp David Treaty halted the state of war between Egypt and Israel. It attemped to deal with the Palestinian situation. But the peace process ended in acrimoney.

In the vacuum, Palestinian terrorists struck innocent victims. Israel marched into Lebanon and shot itself in the foot. The West Bank has become a focus of Jewish settlements and Arab resentment.

Carter has written a book on the Middle East. He has hinted that he would like to go buck to the region to further peace.

At the library dedication, President Reagan. spoke eloquently about Carter's contributions toward peace. It would be statesmanlike for Mrs. Reagan to offer Carter a role in the Mideast. More importantly, it would be in America's interest if Carter took on this challenge.

Cleanup In Sight

Congress is about to require that the nation's schools move sensibly and safely to resolve their asbestos problems. Both houses have agreed on language that mandates the safe cleanup of this hazardous material.

Once commonly used in construction, asbestos can cause serious health problems if particles present in the air are inhaled. Despite the dangers, current regulations have not always encouraged remedial action. Schools are required to inspect their facilities and report findings to parents and employees. but no particular actions are required. The result is that often nothing is done or risky actions are taken. Improperly removed, asbestos is dangerous.

The bill requires the Environmental Protection Agency to develop a model program that states may use in helping school districts develop their own programs. States will have to adopt programs at least as stringent as the EPA model, but may go beyond it.

The cleanup process will take time and be costly, but further delay will simply prolong the problem and the danger. Children are at risk with the clock ticks.

BERRY'S WORLD

BEN WATTENBERG

No Vanishing Act, But Where Is Middle Class

There has been a great hullabaloo recently about an idea called "the vanishing middle class." Simply put, the argument goes roughly like this: There are more rich people than before and the rich are getting even richer — and there are more poor people and the poor are getting even poorer.

Therefore, it is said that the middle class is vanishing, shrinking, disappearing, squeezed or stagnating. You may choose your own adjective because no expert has ever come up with a definition of "middle class" that other experts will agree upon.

For that matter, no experts seem to have ever agreed upon a definition of what "rich" is, either. It's been counted as a family income of about \$40,000 or \$50,000 or \$100,000 or even much more. It has also been measured by accrued wealth rather than annual income.

Interestingly, the only definition where there is any agreement at all concerns poor people. There is an "official" poverty line and the Census Bureau each year duly records how many Americans are poor, after adjusting for inflation. The current level for a family of four is

\$11,000 per year (\$10,989 to be precise). Below that, and you are officially poor. That figure includes only cash income.

Moreover, for the past seven years, the Census Bureau has also developed nine different statistical series that measure "non-cash" income for poor people. These non-cash items include things of true value like food stamps. rent supplements, Medicaid and Medicare. Remarkably, the non-cash disbursements involve about two-thirds of all government help to poor people!

What does all this have to do with the middle class that is allegedly vanishing, shrinking. disappearing, squeezed or stagnating?

This: Within the last month, the Census Bureau has issued two poverty reports. One measured how many people fell below the cash-only poverty threshold. The second measured how many people are below the poverty threshold if you count in the value of the non-cash items.

The verdict of the two poverty reports are clear and consistent: In the two years since the end of the big double-dip recession and the fall

of unemployment rates in 1983, poverty has come down. Measured at the official level, the drop has been from 15.3 percent in 1983 to 14 percent in 1985: When the non-cash items are counted in, there has been a similar sort of drop in all nine ways of measuring it. Of the nine choices, the one I think makes the most sense shows a two-year drop from 10.6 percent to 9.3

Question: If there are fewer people in poverty, what does that tell us about the idea that the middle class is vanishing, shrinking or disappearing?

Answer: If it's happening, it's good! Why? Well, if there are fewer people in poverty. where could they have gone? Only up.

Most likely, they made their way into the lower rungs of the middle class. And if the middle class is statistically shrinking (as is maintained), where could they possibly have gone? Only up — to the upper class. That's good — not bad.

In fact, there used to be a much-used phrase to describe this process: "upward mobility." It defined American life. It's a phrase we should start using again. It's still what's happening.

DON GRAFF

Patriots Sing The 3rd Verse

GUMMERSBACH, West Germany (NEA) - There was a brief item in the paper the other day about the effect of television on the German

in a word, soporific. Close to half the viewing public falls asleep with some frequency before the small

The finding turned up in a public opinion poll. The Germans are big on polling. Another recently reported survey, on a subject that probably couldn't be of less interest to Gallup and Roper, turns out to be a matter of some controversy here.

The question was: Should schoolchildren be taught all three verses of the national anthem?

The public, as the report noted. was "vehemently" of several different minds on the issue. At present, only the third verse is heard on public occasions and. apparently, taught in the schools.

A plurality - 40 percent - of those polled wanted change. The anthem in its entirety, especially the first verse, should be taught.

justice and freedom for the German fatherland!" It doesn't translate very well - or maybe I don't translate very well - so I'll give you just a rough idea of the rest: All Germans should strive together toward these goals.

The second verse is so totally innocuous as not to have merited specific attention in the poll. It cites the renown of "German women, German loyalty, German wine and German song" - I'm not kidding. that's how it goes - all of which inspire Germans to noble deeds.

You may be familiar with the first verse, the one that is the cause of all the Sturm und Drang. It starts: "Deutschland, Deutschland ueber alles, ueber alles in der Welt." That translates as "Germany, Germany above all, above all else in the world.'

The song was Germany's national anthem during World War II and many people associate it with German ambitions for world con-

In their survey, the poll takers found a significant connection between the age and the opinions of respondents. Older people were far more likely to favor the teaching of the entire anthem than younger

A Privatized War

WASHINGTON (NEA) - According to the White House, in 1985, during a swing through El Salvador. ident Bush to recommend a counterinsurgency expert. Bush turned to Donald Gregg, his national security adviser and a retired CIA official.

Gregg suggested Max Gomez, Cuban-American veteran of the Bay of Pigs who had worked for the CIA in Vietnam. Gen. Juan Bustillo, The seet split evenly 60 percent head of the Salvadoran air force, each — between negative and un then hired Gomez as a consultant.

ecided.

If, as it is now alleged, Gomez was The third verse starts: "Unity and behind contra supply flights, it's news to the White House. Yes, Bush says he met Gomez three times, but there were only quick hellos and a few questions about El Salvador.

Welcome to the wonderful world of deniability.

There is another "unofficial" version circulating that is hotly denied by official spokesmen. It is the story of how the Reagan administration organized a private war in Nicaragua. If not technically violating U.S. law, this would certainly stretch the law to its limit.

According to this second version. two years ago, after Congress banned military assistance to the contras - and warned the CIA accordingly - orders went out from the Oval Office that White House staff should create a plan to turn privately raised funds into weapons for contra fighters.

The effort reportedly was organized by Gregg. Marine Lt. Col. Oliver North - a key National Security Council staffer - and Nestor D. Sanchez, deputy assistant secretary of defense for inter-American affairs, another former

The reportedly three enlisted several former government and milltary officials, including retired Army Maj. Gen. John Singlaub:

retired Air Force Maj. Gen. Richard Secord, who had been an assistant secretary of defense before his Salvadoran officials asked Vice Pres- retirement in 1983 and who had served in Vietnam with Singlaub overseeing secret CIA operations: and Robert Lilac, who had served on the NSC staff with North and conservative activist businessman Robert Owen.

The crash of a C-123 cargo plane loaded with small arms in the mountains of Nicaragua has provided a look at how this group has been waging its "privatized", war.

flown planes in Southeast Asia for the CIA or for cargo carriers like Air America, a reported CIA front.

It appears, at least officially, that Cooper owned the aircraft. It was purchased by a Panamanian company, Corporate Air Service Inc. Cooper told the aircraft broker from whom he bought the plane that he owned this company. (Cooper had earlier been broke and seeking work. He told family members he was going to work for Gomez.)

The plane was a U.S. Air Force cargo plane that has suddenly been declared surplus. It quickly passed through the broker's hands into Cooper's possession at bargainbasement prices. The same broker had previously sold aircraft to former general Secord and former NSC staffer Lilac - aircraft that ended up in the "contra air force." which operates out of the Salvadoran air base at Ilopango. where Gomez is assigned under his counter-terrorism "contract."

The plane's co-pilot, Wallace Sawyer Jr., a 1968 graduate of the Air Force Academy, had resigned from the Air Force to fly mysterious cargo missions for shadowy small freight carriers, most recently for the Miami-based Southern Air Transport, another reported CIA

WASHINGTON WORLD

Would Wilson Approve?

By Arnold Sawislak

WASHINGTON (UPI) - When Woodrow Wilson began campaigning for "open covenants, openly arrived at." sophisticated diplomats smirked at the naivete of the notion that treaties could be written in

It is hard to say Wilson's idea was as foolish as many professionals in the field thought because it never really was tested by major countries on issues of vital interest to themselves.

Some say the United Nations proves the cynics were right - that public discussion of the differences between nations produces only theatrical posturing and abusive rheto-

Using the United Nations as an analog for Wilson's League of Nations might be logical, but most of the time it seems that the noise at the United Nations is over ideological, religious or other issues the countries would rather yell about than solve.

Really tough problems between The pilot, William Cooper, 62, had, big countries seldom go to the United Nations anyway. More likely. they will be taken to Geneva or some other pleasant neutral site to be leisurely and secretly negotiated by professional diplomats who would grow faint at the idea of the public watching them work.

> As we are reminded from time to time, there are several such secret negotiations between the United States and the Soviet Union now. The big one is the Geneva arms control talks, the progress of which we knew little until President Regan and Soviet leader Mikhail Gorbachev met in Iceland.

> In two days, despite something called a "news blackout." any citizen (in the United States, at least) could learn from the papers and the television more about what really was on the negotiating table than had come out of Geneva. Washington or Moscow in a year.

> The negotiations in Reykjavík were called a failure because no agreement was reached. But both sides went away saying the chips were still on the table and for the most part refraining from the kind of name-calling that passes for international discourse these days.

We now know that a trade is possible in arms control.

JACK ANDERSON

Energy Dept. Pats Self On Back

By Jack Anderson And Dele Van Atta

WASHINGTON - When a complaint about official incompetence is turned over to the offending bureaucrats to answer, it's not surprising that the response is less than hard-hitting.

But Rep. John Dingell, D-Mich., was hardly prepared for the effusive praise that National Security Adviser Adm. John Poindexter heaped on the Energy Department officials Dingell had criticized for lax security at nuclear weapons plants. Poindexter's letter to Dingell all but nominated the officials for medals.

"I must say that we are impressed with the progress being made and the commitment of Secretary (John) Herrington and his staff to the safeguards and security program. and have very high confidence in his approach to this problem." Poindexter wrote. It turns out, though, that the pat

on the back was self-administered

by the Energy Department.

Dingell's complaint to the National

Security Council was bucked over to

Energy officials to handle, according to an internal department memo obtained by our associate Stewart "The NSC staff has asked that we

develop a draft letter for Adm. Poindexter's signature that recognizes Dingell's concerns. addresses the NSC's oversight of DOE's safeguards and security program and assures continued monitoring of the program," the memo stated. Poindexter then put his signature

on the glowing tribute that the Energy pr staff produced. An aide explained that the National Security Council has a staff of only 40 people, and said it "depends on the circumstances" whether Poindexter lets his replies to congressional inquiries be prepared by other. presumably better-staffed agencies.

To his credit, Poindexter did make one significant deletion from the Energy Department's selfcongratulatory draft. This was a paragraph that assured Dingell of the National Security Council's 'aggressive oversight program of DOE's safeguards and security ef-

forts." The admiral evidently knew better, and struck that reference from his letter to Dingell.

The staff of Dingell's subcommittee on oversight and investigations. in a memo to the congressman. spelled out their dissatisfaction: "While this fox-in-the-henhouse way of doing business may be acceptable for Adm. Poindexter, the subcommittee staff does not believe that the subcommittee should be expected to place much reliance on Adm. Poindexter's assurances when they are really DOE assurances prepared on White House stationery."

Dingell was doubly upset because the original of the complaint he sent to Poindexter had gone, as protocol demands, to President Reagan and apparently sank without a trace. A White House spokesman refused to say whether Reagan had actually seen Dingell's stern warning about nuclear weapons plant

security problems. Dingell has tried to jar the Energy Department out of its complacency over security, pointing out how easily weapons-grade plutonium and highly enriched uranium can be stolen from the department's weapons plants. In security tests last year, he noted, mock terrorist teams succeeded in stealing radioactive material from the DOE's Savannah River plant in South Carolina and the Pantex plant at Amarillo, Texas.

Guards at Savannah River behaved like Keystone Kops: One machinegunner didn't know how to load his weapon. Another couldn't clear his machinegun when it jammed. A group of guards piled into a helicopter to chase the mock intruders, only to realize that they had forgotten to bring any weapons.

In a lengthy response, Secretary Herrington said the department's security forces are learning from their mistakes, and that "one individual failing to clear a machinegun does not indicate that the entire DOE training program is inadequate."

Dingell's subcommittee staff has since warned Poindexter that the secretary's assurances are "misleading.

Lawyer Wants Hearing For Client To Build Funeral Home In Longwood

By Jane Casselberry Herald Staff Writer

Gary E. Shader, attorney for Cy J. Case, president of the company which owns Garden Chapel Homes for Funerals, will ask Longwood City Commission Monday night to resurrect a conditional use request submitted by his client. He is asking that another public hearing be scheduled in December on the controversial request, which has already been turned down twice by the commission.

The meeting will be held at 7:30 p.m. in city hall at 175 W. Warren Ave., following a work session at 6:30 p.m. for staff to brief commissioners on the agenda.

Case's property is located on the north side of State Road 434, 100 feet east of Oleander Street, and is zoned C-2 Commercial, and he wants to build a funeral home there.

Case was not present on Aug. 18 for the first public hearing, and later asked for another hearing because he was not properly notified it was going to take place. The hearing was held on Oct. 6 and the request turned down because of concerns about the traffic problems it was expected to create on State Road 434.

Those opposed to the funeral home, including Dr. James J. Hynick, whose office is at 301 State Road 434, and several of his patients were at both meetings to say a funeral home would be depressing to patients and bad for business as well as compounding traffic problems.

Case said the proposed funeral home would be for visitation and services only, and there would be no embalming, cremation or other body processing there.

A public hearing and final action are scheduled on an ordinance adopting the agreement between the city and the Episcopal Diocese of Central Florida signed on Sept. 8. The ordinance was tentatively approved on Oct. 6.

Under the pact, the city agreed to pay the church \$125,000 over four years and grant other concessions in order to resolve and quiet interests of the diocese in the property, which it conveyed to the city in 1938. The deed had a reverter clause that if it was not used as a park, it would revert to the church. The property in question is west of Christ Episcopal Church between Church Avenue and Jessup Avenue and is the site of the new police building scheduled for completion in December.

The city has already paid \$50,000 as per the agreement.

Also on Monday night's agenda ordinances establishing exclusive residential and non-exclusive commercial garbage collection franchises will be up for tentative approval. Public hearing and final action on the residential franchise will be scheduled for Nov. 3. Under the proposed ordinance, residential garbage service will be mandatory.

Under the commercial ordinance, a non-exclusive franchise will be granted to the low bidder, and other qualified commercial garbage collectors willing to meet the low bid may also obtain franchises. A public hearing on that ordinance will be delayed until details for bidding specifica-

tions can be worked out. Other agenda items include: Resolutions setting the time and date for equalization board hearings for paving projects on West Warren Avenue, S. West Lake Street (S. Milwee), S. Wilma St., Short Avenue, Park Avenue, Georgia Avenue and West Lake Street (S. Milwee) north of State Road 434.

 Petition from owners of property on Evergreen/Scott Avenue to set aside recent name change.

Hotel's \$250-A-Day Fine Begins

A \$250-a-day fine began against the owner of Sanford's Florida Hotel when she missed a Wednesday deadline the city's code enforcement board imposed for completion of the hotel's off-street parking lot. The 11-car lot must be mulched and the city had yet to be notified that the necessary work was completed as of Monday morning, said City Building Official Gary Winn.

Also continuing is the \$25-a-day fine Sanford has been license and then impose a fine if charging the property owner doesn't get one by that date, or since Sept. 17, Winn said Mon- the board could set an imday. The \$25 daily fine is being assessed while the owner works the 26-room hotel, he said.

Winn also said the owner may be appealing to city commissioners for permission to avoid replacing the doors through installation of a sprinkler system. The request would necessitate commissioners grant the hotel owner a waiver because city building codes call for the doors to be fire-proofed, rather than system. Winn said.

How About The Hawks!

How about the Hawks!

In what has to be considered the biggest victory in Lake Howell coach Mike Bisceglia's coaching career, the Silver Hawks dominated Winter Park Friday for a 31-14 victory.

The Hawks were so dominating that it was almost scary.

Lake Howell, 5-1 overall and 2-1 in District 5A-5, is playing with a relentlessly aggressive defense and an offense that is executing its plays to perfection.

The Howell offensive line, a montrous collection of beef which averages 240 pounds per man, blew the Wildcats so far off the ball that they were having second thoughts about going up toc-to-toc.

The offensive line is one part of a football team that is often overlooked but no one can overlook this wall of humanity. Tackles Jack Benedict (6-5, 287) and Mike Schaefer (6-4, 273) are simply crushing their opponenets. The play of guards Steve Valada and Kenny Joseph have been nothing short of spectacular. Center Jason Kotar has also played extremely well.

With an offensive line as dominating as Lake Howell's, it is easy to see why hard runners like Nate Hoskins and Cornell Rigby have been so successful. The dynamic dup combined for all four of the Lake Howell touchdowns on Friday. Hoskins meet which is a foreshadowing piled up 162 rushing while of the state competition.
Rigby marked up 97 yards. The Silver Hawks ba

Hoskins credited the play of the line with the victory. "Those guys blocked just great." Hoskins said. "They are really

One aspect of Hoskins' running style is his ability to find the On Saturday. DeLand operated open area. When the diminutive two separate chutes for the senior sees and opening or a crease, he'll cut back immediately. On Hoskins' 45 yard touchdown run, he broke up the middle and made a sharp cut to his left beating the Wilcat defenders to the end zone.

return when he made a sharp cut leaving the Wildcat defenders dumbfounded. Lake Howell is undoubtedly the most balanced team in the area.

Defensive tackles Marty Golloher and Craig Wagner kept the pressure on the Winter Park offense. The thing that makes Golloher and Wagner above average players is their speed. Both are baseball players and both pursue very well, too.

The win was an emotional one for Bisceglia. He and his staff have worked hard to develop a Central Florida power the hard work is paying dividends. A dominated team like this is what Bisceglia has been waiting for. that accompanied his team carrying him off the field after the victory.

Lake Howell is idle this week. Next Friday night the Hawks will play their biggest game of the season when they travel to Evans to take on the Trojans.

Apopka's 17-14 upset over Evans, the state's top ranked team, made the District 5A-5 standings even. Winter Park, Apopka, Lake Howell, and Evans are all tied for the District lead with 2-1 records.

will go to the playoffs. Now that the Hawks are sky high after a big win, the idle win could hurt them. Rigby doesn't think so

"I don't think that the off week will hurt us," Rigby said. "We are going to have a long time to get prepared for the Evans game. We are going to work very hard in practice these next two

• Seminole, 2-4 overall and 0_12 in 5A-4, gave fifth-ranked Daytona Beach Scabreeze all It could handle before falling, 10-7. in overtime. The Tribe dropped out of the district race but will concentrate on the SAC chase where it trails Lake Howell and Lyman (both 2-0) by one-half game with a 2-1 mark.

Seminole junior linebacker Earnie "Sackman" Lewis turned in the defensive play of the game when he picked up a lateral and

See SANDER, Page 9A

Red Sox Romp; Take 2-0 Edge

NEW YORK (UPI) - Talk about a Tale of the Unexpected. Game 2 of the World Series featured a matchup between

fireballers Dwight Gooden and Roger Clemens. That was a bust. Gold Glove first baseman Keith Hernandez played for the Mets and committed the crucial

error Sunday night. And Wade Boggs, the AL batting champion helped save

the day for the Red Sox - with his glove. In fact, Boston's 9-3 victory

over the Mets was somewhat of a shocker, for it sends the American League champions home to Fenway Park with a sweep of the first two games at Shea Stadium.

The Red Sox, two triumphs away from their first world championship since 1918, will send Dennis "Oil Can" Boyd against former Bosox left-hander Bob Oleda in Game 3 Tuesday

"Hey, we're happy to be up 2-0," Clemens said. "But we know there is a lot of work to be done. You won't see anybody doing cartwheels around here."

Though it is hard to believe, history is at last on the side of the normally snakebit Red Sox, who have lost their last three Series appearances in seventh

Thirty-six teams have taken 2-0 leads in the Series and 27 went on to win. On 10 occasions, the visiting squad has gone up 2-0, winning nine of those times. Only last year's Cardinals

You don't have to look far to see what happened to St. Louis last year," Red Sox first baseman Bill Buckner said. "But 2-0 is a big edge. I like our position."

failed to accomplish that feat.

Boston's most prominent position Sunday night was on the bases. The Red Sox, behind "I've got to go back to doing three hits apiece from Spike the things I did with five days Owen, Jim Rice and Dave Henderson, collected 18 hits off five pitchers.

That included Gooden, who was rocked for six runs and eight hits in five innings. All of that came after he was asked to remove a band-aid from his glove hand after Boston Manager butt of jokes all summer, pitched

World Series

John McNamara had come out to talk with plate umpire Jim

"I don't think I had the best fastball of my career," Gooden said. "I have won games where the fastball was less than what I thought. It was just a case of location being off.

Clemens was not much better. Pitching on three days rest for the third consecutive time - he has thrown 451 pitches over the last 12 days — the right-hander lasted just 4 1-3 innings, allowed five hits, walked four and struck out just three.

rest," Clemens said. "I'm feel-

ing fatigue in my legs." For a change, the Red Sox didn't need Clemens — they received fine relief pitching from their much maligned bullpen. Steve Crawford hurled 1 2-3 innings and Bob Stanley, the

the final three for a save. "They did a pretty good job," McNamara said.

Gooden walked Spike Owen leading off the third inning after getting ahead 0-2 - and that was the first sign the 1985 Cy Young Award winner might be

Clemens followed with a bunt and Hernandez, an eight-time Gold Glove winner, charged. fielded the ball cleanly, and looked to second baseman Wally Backman. But his throw was in the dirt and the Bosox had runners at first and second with none out.

"I had the ball in the palm of my hand and didn't make a good throw," said Hernandez, who had made only five errors in the regular season, "I was just thinking about getting the lead

Boggs then doubled off an 0-2 pitch for the game's first run and Marty Barrett and Buckner added consecutive RBI singles for a 3-0 Red Sox lead.

Chute Mix-Up Doesn't Hurt Howell's Run

By Mark Blythe

Herald Sports Writer A mix-up in the chute for the boys Class 4A race at the DeLand Invitational this past Saturday at the DeLand Airport left many coaches shaking their

The Lake Howell Silver Hawks weren't complaining, though. When the confusion died down, they finished with a third place performance in the prestigious

The Silver Hawks battled the 20-mile per hour cross winds to compile a team score of 143, 24 points behind meet champion Lauderdale Lakes Boyd Anderson, one of the top ranked teams in the state.

finishing runners with a cut-off after the top 40. The runners who finished below 40th were then sent into a separate chute to let the runners walk safely and casually through.

The chutes, though, somehow Hoskins' displayed the same ended up merging, putting all move on an 85-yard kickoff the participants out of order and causing confusion on the final team scores.

> Seminole coach Sid Blackwell. who did not run a full team, was one of the coaches aggravated with the procedure.

> "We ran to see how good of times we could run," Blackwell said. "The conditions were so bad I just told the team to run competitively."

Seminole High was led by both are fast for their size. They John Skees who ran 17:25 and was thought to have placed 35th but he was given a 50th place card. David Johnson linished with a time of 18:08 and his place was unknown.

"We didn't take the meet all that serious," Blackwell said. "We're getting ready for the SAC He deserved the great feeling run and the bigger meets that follow."

Chuck Buster led the way for Lake Howell with an eighth place finish and a time of 16:27. Buster was followed by Jeff Van Buskirk who ran 16:37 for 13th

Kavan Howell (31st, 17:03). Steve Steffy (40th, 17:17), and freshman Jason Springhart scorers for the Silver Hawk time of 16:26. Eric Petersen junior varsity race.

Brad Smith finished 10th Saturday with a 16:26 three-mile clocking at the prestigious DeLand Invitational.

Lake Howell has come on in its last two meets, winning the Seminole County Postal Run on Monday and then weathering the conditions at DeLand to give Athletic Conference Champion-Lake Mary High School.

"We've been gaining some confidence over the past couple of weeks." Lake Howell coach Joe Corso said. "We're defending champs (SAC) and we will definitely be challenging for the win on Thursday."

The Lake Mary Rams placed two runners in the top 15, but could not back them up as the next runner came across for the Rams around 60th place. Brad Smith led the Lake Mary team

came in next for the Rams at 15th with a time of 16:42.

'Eric (Petersen) and Brad (Smith) have been up front for us all year," Lake Mary coach Mark McGee said. "I'm glad to see it momentum for the Seminole they ran with the top ten all race Saturday. We need to close the ship to be held this Thursday at gap between those two and the rest of the team. Hopefully in the smaller meets they will be closer together."

> Lyman coach Fred Finke gave his team a chance to relax Saturday. The Greyhonds were to run in the Westminster Invitational in Atlanta, but chose to remain home.

> 'We're getting back to the basics," Finke said. "We'll be running Thursday (at Lake Mary) and Saturday at the University of Florida Invite."

The meet Thursday will begin (50th, 17:40) rounded out the with a 10th place finish and a at 4 p.m. starting with the girls

Largo Drafts Past No. 1 Lady Hawks

By Chris Fister **Herald Sports Writer**

Despite almost gale-force winds, Largo High drafted top-ranked Lake Howell and second-ranked Winter Park to take first place in the Class 4A division of the DeLand Invitational Saturday at the DeLand Airport.

Largo, ranked third going into the meet, placed four runners in the top 10 and finished with a team score of 51 compared to 60 for top-ranked Lake Howell and 83 for Winter Park.

"You hate to lose but you have to look at things in perspective," Lake Howell coach Tom Hammontree said. "It was our third meet in eight days and it's hard for distance kids to run tough meets back to back. But it's good reinforcement to know that there's always somebody else out there who can beat you on any given day. It keeps the mind sharp and helps keeps the consistency up."

Meanwhile, Lake Brantley's Lady Patriots made a run at the rankings by finishing sixth in the 20-team meet which attracted many of the top teams in the state. Brantley finished with a team score of 208, 30 points better than sixth-ranked Coral Springs Taravella.

"The girls did a super job and I think we deserve to be rated in the state," Brantley coach Mary Littlebrant said. "It would be a big boost for us for the conference and district."

Largo's Jenni Soles, only a ninth grader, won the individual title but had to hold off a hard-charging Lisa Samocki at the finish. Soles came in at 12:08 while Lake Howell's Samocki finished at 12:09.

"If she (Samocki) had 10 more yards, she would have caught Soles," Hammontree said. "Lisa came through the first mile at 6:04 and ran the second mile at 6:05, that's how hard she worked."

Martha Fonseca dropped from fourth to fifth in the last 400 yards of the race due to a ditch in the course. Fonseca's time was 12:25 while Winter Park's Kim Bovis was fourth at 12:17. "Martha (Fonseca) ran a great race but she misread the ditch

Cross Country

and fell and Kim (Bovis) kept driving an passed her.'

Completing Lake Howell's top five were Jenny Bolt (11th at 12:52), Mary Fonseca (18th at 13:15) and Bonnie Oliver (24th at 13:27). Also running varsity were Tammy Bolt (32nd at 13:39) and Michelle Lee (46th at 14:16).

Lake Brantley did not have one of the top 20 individuals, but its team packed close enough together to give the Lady Patriots a solid sixth-place finish. The Lady Patriots' top five included Heather Camino (29th at 13:37). Jennifer Josephs (40th at 14:04). Colleen Lievertz (43rd at 14:12). Kristin Longmire (49th at 14:22) and Kristin Avery (51st at

Another reason Littlebrant was bubbling with enthusiasm was the first-place finish of her junior varsity team. The JV Lady Patriots finished with a team score of 31 with Lake Howell second at 40.

Brantley's JV had five of the top 11 finishers including Dee Decker (second), Michelle Herbst (fifth), Lisa Frizzell (sixth), Chelsea Trotter (ninth) and Sue Topefer (11th).

Lake Howell had the individual champion in Diane Madison who ran a time of 13:42.

Lake Mary came in 13th in the meet with a team score of 341 but its fourth and fifth runners. both of whom cramped up. combined for 194 of those points. Leading the way was sophomore Heather Heikkila who is starting to round into form after being slowed by illness. Heikkila finished 41st with a time of 14:05 including mile splits of 6:55 and 7:10.

"She (Heikkila) ran the most even race of any athlete I've ever had on the DeLand course," Lake Mary coach Mike Gibson said. "We ran lousy times but were competitive as a team."

Behing Heikkila in the Lady Rams' top five were Allison Snell (44th at 14:11), Tabatha Gano (68th at 14:51), Debi Smith (94th at 16:20) and Lisa Shelby (100th at 16:44).

The game could decide who The players Now that Mayes' 172 Yards Silence Bucs, Bennett

NEW ORLEANS (UPI) - Rueben Mayes, a rookie selected by the Saints in a choice acquired from Tampa Bay, rushed for 172 yards and two touchdowns in the Saints' 38-7 victory over the Buccaneers.

Mayes' performance Sunday was the second-best ever by a Saint, eclipsed only by George Rogers' 206-yard performance in 1983 against St. Louis. The Washington State product's 172 yards on 24 carries almost tripled the Bucs' 60 yards on 20

Mayes was the Saints' 3A draft selection this year, acquired in a 1985 trade for the rights to safety David Greenwood.

Tampa Bay coach Leemann Bennett wouldn't talk about Mayes after the game. "You don't really need my thoughts," Bennett said after the game. "The yardage

kind of speaks for itself." Saints coach Jim Mora though did want to talk about his prize rookie. "It was great, it was an obvious great

performance by Rueben," Mora said. Mayes gained the bulk of his yards - 133 on 18 carries - in the first half simply by sprinting outside and outrunning the Buc-

the same of the sa

Football

caneer pursuit.

"We picked up some of their weaknesses on film and took advantage of it going to the outside on the sweeps," Mayes said. Bennett found little consolation in his

team's performance. "It was by far the worst game we've played this year," he said. "We were bad on offense and defense, no bright spots at all."

New Orleans improved its record to 3-4. while the Bucs fell to 1-6. The Saints could do no wrong in the game, with quarterback Dave Wilson completing 14 passes on 23 attempts for 185

yards and a touchdown. Wilson drove the team down the field at the start of the game, connecting on four straight passes. Mayes took a pitch and followed blockers in for a 9-yard touchdown. his first in the NFL.

Wilson picked up where he left off in the Saints' second drive, moving the team to the Tampa Bay 14 before the drive stalled and Morten Andersen was called in to kick a 31-yard field goal for a quick 10-0 lead.

Tampa Bay penalties and a 34-yard burst by Mayes aided the next Saints drive. After the Bucs were called for two penalties and 29 yards. Mayes went over the top from the 1 to give the New Orleans a 17-0 lead.

The Saints added a touchdown late in the third quarter to push their margin 24-0 when Dalton Hilliard leaped over the top for a 1-yard scoring plunge.

New Orleans added two more touchdowns in the final quarter - one on a 21-yard pass from Wilson to Martin and another on Hilliard's second rushing TD of the game, a 7-yard spurt.

The win marked the largest margin of victory in the Saints' 20-year history and the 38 points was the fourth highest output in franchise history.

Tampa Bay's lone score came at the 4:38 mark in the fourth quarter when Steve DeBerg anuck in from the 1-yard line. On the previous play, Saints cornerback Dave Waymer was called for interference at the goal line and DeBerg took advantage of the 46-yard penalty with his score.

NPL SCOREBOARD

Boston Aware Of Cards Collapse After 2-0 Edge

NEW YORK (UPI) - Only a year ago, the St. Louis Cardinals lost the World Series after winning the first two games on the road.

"I'm excited, sure. I want to yell and scream but you can't," Boston reliever Bob Stanley said Sunday night after the Red Sox took a 2-0 lead in the World Series with a 9-3 victory over the New York Mets. "Funny things can happen."

Those funny things happened to the Cardinals in last year's Series. The National League champions beat Kansas City in the opening two games at Royals Stadium, only to lose the Series in seven games.

By avoiding a similar collapse, it without making any more road trips. The next three games will be played at Fenway Park.

Kansas City was in last year," Hernandez said. "It can be done. showed up." We're not just going to lay down and die."

"It was frustrating tonight."

Hernandez

Mets third baseman Howard Johnson said.

BOGGS TURNS GAME

NEW YORK (UPI) - Wade Boggs led the American League in hitting in three of the last four years. His fielding has been another story.

However, on Sunday night Boggs made three sparkling plays in the third inning to help Boston preserve an early lead and eventually rout the New York Mets 9.3 to take a 2.0 lead in the World Series.

"You make it sound so dramatic," Boston eatcher Rich Gedman said. "He's been doing It all year.'

Boggs's fielding numbers in previous years are what supplies the drama. He led all AL third baseman with 27 errors in 1983 and tied for the lead with 20 the following season. This year, he had 19 errors, and tossed in two more during the playoffs.

But I've been getting better defensively every year," he said. "I take pride in that. I've worked hard all year. It doesn't come as casy as the hitting,"

LAKE BUENA VISTA (UPI) - Ray Floyd's been so good for so long, it's hard to begrudge him a little luck.

The 44-year-old U.S. Open champion received his fortune on the first playoff hole Sunday as Floyd sank a 6-footer for par and Mike Sullivan and Lon Hinkle both bogeyed at the \$500,000 Walt Disney Classic. Floyd, who sank a 20 footer at 18 to form a trio at 13 under-par 275, carned \$90,000 for his 21st career PGA triumph.

Pat McGowan (68), Gary Koch (69) and Payne Stewart, the third-round leader who skied to a 74. all finished at 12-under-par 276 as a field of 72 battled wind gusts of 30 mph that made club selection a guessing game. Andy North shot a 69 to tie Phil Blackmar (70) at 278 and defending champion Lanny Wadkins finished at 287 after a

The playoff began and ended on the 15th hole at the Magnolia course, a 203-yard par-3.

'It looked like I didn't have much of a chance, being two behind with two to play," said Floyd. who had three birdies and two bogeys in a 71 that helped push his career earnings to \$3,234,900, "I made a wonderful putt at the 72nd hole to get into the playoff and then all three of us missed the fairway at 15. Lon actually hit the best second shot and after I made par, I never expected Lon to miss his putt. He hit it just a speck easy and I was in the right place at the right time."

Hinkle took the lead on the 12th hole when Floyd bogeyed to slip to 12-under. A birdie at 16 put Hinkle at 14-under and gave him a two-shot lead with two holes remaining as he sought his

Golf

first PGA triumph since 1979. Hinkle, however, bogeyed 17 to bring Sullivan and Floyd within a stroke and a three-way playoff was forged when Hinkle took a par-4 at 18 for a 71 and his two pursuers both sank pressure birdle putts.

Stewart started the day at 14-under, leading Floyd, Hinkle and Sullivan by two shots, but the 1983 Disney champion suffered bogeys at No. 3 and No. 8 to go to 12-under at the turn. Stewart had a bogey and a birdle on the back nine to finish one shot back.

Sullivan had four birdies and three bogeys to shoot 71 before his missed 12-footer for par in the playoff. He sank an 18-footer at 18 to reach 13-under but played the first extra hole poorly.

"My shot off the tee in the playoff just kept drifting to the right, which it shouldn't have done," said Sullivan, who was seeking his second PGA victory. "Hinkle and Floyd both hit into the bunker. I was pin high and I thought I hit a pretty good chip shot, but it ran past. The missed putt for par was typical of my play here all week. When I was thinking speed, I'd hit the ball well. but when I thought basically about the line of the putt, I missed.'

Bob Tway, a 4-time winner this year, did not play the Disney but wrapped up the Vantage Cup title, earning another \$500,000 to supplement his \$647,780 won on Tour.

Lanham, Grayson Shine

But EKU Spears Knights

'Canes (7-0), Gators, FSU Give State 'Major' Sweep

United Press International

The top-ranked Miami Hurricanes jumped out to an early 28-3 lead over Cincinnati, then post a 45-13 win over the Bearcats and raise their record to 7:0, the first time in school history a Miami team has won its first seven games.

The Hurricanes were not the only state school to roll over a lesser opponent as Florida State routed Wichita State 59-3 to improve to 3-2-1 and possibly move back into the Top 20. In other games involving Florida schools, Florida deseated Rutgers 15-3, Florida A&M broke a five-game losing skid by de-feating Alcorn (Miss.) State 33-30 in the Orange Blossom Classic, Eastern Kentucky arubbed Central Florida 51-24. and Delaware State beat Bethune-Cookman 34-17.

In Cincinnati, Miami got its Gators, 3-4. points on a 5-yard pass from Vinny Testaverde to Warren Williams, a 34-yard return with a blocked punt by Bubba McDowell, runs of 15 and 3 yards by Alonzo Highsmith, a 16-yard pass from Testaverde to Michael Irvin, a 34-yard field goal by Greg Cox, and a 6-yard run by J.C. Penny.

"Overall, we did what we had who completed 24 of 35 passes for 262 yards and 2 scores.

At Doak Campbell Stadium in Coach Ron Chismar's worst fears became reality.

19-yard McManus pass to Herb through it."

Football

coasted home Saturday night to Gainer, a 22-yard McManus toss to Scott DiMare, a 30-yard pass from Peter Tom Willis to Lewis, a 27-yard run by freshman quarterback Alan Stewart. a 13-yard run by Victor Floyd, runs of 1 and 2 yards by David Palmer, and a 41-yard field goal by Derek Schmidt.

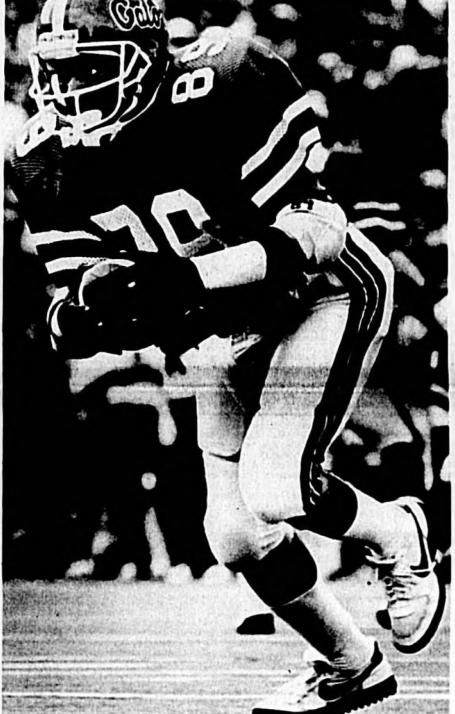

> "The best thing you can say about this game is that we're 3-2-1 and we got to play a lot of people," Seminoles Coach Bobby Bowden said. "I can't think of any negatives."

> At Glants Stadium in East Rutherford, N.J., Florida and quarterback Rodney Brewer gained a measure of revenge for last year's 28-28 tie with Rutgers by defeating the Scarlet Knights. But it wasn't an easy win for the

Florida got field goals of 36, 33 and 34 vards from Jeff Dawson and a 36-yard pass from Brewer to Ricky Nattiel. Brewer started for the injured Kerwin Bell.

In last year's game, Brewer entered with the Gators ahead 28-7 at Florida Field, then threw two interceptions - one which was returned for a score and the to do to win," said Testaverde, other set up a touchdown - and fumbled as the Knights railled to tie Florida.

"We didn't care what the win Tallahassee, Wichita State looked like," Brewer said, "We didn't want to come in here and have a repeat of last year. I The Seminoles led 38-0 at the didn't have the greatest of games half and 52-0 after three and I didn't say before the game quarters. FSU's scoring came on 'I'm going to make up for last a 40-yard pass from Danny year, but I got out of it alive this McManus to Ronnie Lewis, a time. I faced a nightmare and got

Ricky Nattlel snares a pass and heads for the end zone. Nattlel and Apopka quarterback Rodney Brewer combined for Florida's only TD in a 15-3 win over Rutgers Saturday.

McDowell said the Knights were convinced that they could play with any team in Division I-AA. After all, they had beaten a pair of I-AA teams already (Bethune-Cookman and Murray State), and lost a pair of games by a total of 6 points to Division I-A Wichita State and Division I-AA Akron.

By Scott Sander

Herald Sports Writer

Just when the University of

Central Florida football team

thought that it could play up to

tucky Colonels handed the

Division II Knights a shocking

The Colonels embarassed

UCF, 4.3, had played every

team tough coming into Satur-

day's game. Coach Gene

UCF, 51-24, before 12,200 fans

at Hanger Field in Richmond,

Kentucky.

Saturday's game figured to be the perfect opportunity for UCF to prove once and for all that it could compete with a solid I-AA squad.

It just wasn't to be as UCF's quest to upset the Colonels, 3-2-1, faded quickly. UCF has lost nine consecutive games on the road dating back to last year. The Knights, ranked 19th in the Division II NCAA poll this week, are desperately trying to make the playoffs.

The 51 points that the Knights gave up was not entirely the defense's fault.

But EKU got the big plays. Three UCF interceptions led directly to 17 EKU ponts. A kickoff return for a touchdown gave the Colonels another easy score.

If there was a bright spot in the game, it was the play of quarterback Tony Lanham. Lanham, who started last year but has taken a back seat to starter Darin Slack this season. has been impatiently waiting for an opportunity to prove himself. He got that opportunity in the second quarter when Slack was forced to leave the game with a

rib injury. Lanham came in and threw for a career-high 302 yards. Lanham was 21 for 33 with a pair of touchdown passes. Lanham was picked off once.

Lanham is hoping that his solid performance may have

Football

earned him his starting job back. Slack went 5 for 9 with a pair of interceptions in limited duty.

For Lanham, it was a homecoming of sorts. Lanham is, a native of Lousville, Ky, and has family ties with Eastern Kentucky. Lanham's father, Tony Sr., was a stellar quarterback with the Colonels in the early 60s. Lanham's cousin, Ken McMillan is a sophomore defensive tackle for the Colonels.

UCF backup tight end Donald Grayson, formerly one of Harry Nelson's Lake Mary Rams, had a superb game as Grayson led all Knight recievers with 8 catches good for 102 yards. Starting tight end Mac Lantrip, a Lake Brantley product, also contrib-

uted with 4 catches for 60 yards. Things started off badly for the Knights immediately. EKU's Danny Copeland took the opening kickoff and raced 97 yards for the early lead. Dale Dawson's PAT made the score 7-0 with just 14 seconds gone.

The Colonels extended their lead to 10 points when Dawson kicked the first of his three field goals, a 37-yard boot.

UCF retaliated when Davis plunged over the goal-line from the one. The touchdown was set up by Ted Wilson's 52-yard catch. Wilson finished the game with 4 catches good for 102 yards. Eddie O'Brien's PAT pulled UCF within 10-7.

A roughing the kicker penalty gave EKU a first down and the opportunistic Colonels took full advantage of the mistake. James Crawford scored on a 13-yard touchdown run. The PAT made the score 17.7 after one quarter.

EKU blew the game open in the second quarter. Dawson made the score 20-7 when he kicked a 20-yard field goal. Pat Smith then returned a Lanham pass 39 yards for a touchdown for a 27-7 advantage.

UCF will return home this Saturday when the Knights return to Division II action. UCF will host Wofford in its homecoming game. Immediately after the game, the Beach Boys will play in concert. There are plenty of tickets still available at all Select-A-Scat outlets. Tickets

Alabama, Penn State Rev Up For Showdown

United Press International

Alabama and Penn State, both holding national-championship aspirations, revved up for their showdown next weekend with impressive romps. Bobby Humphrey rushed for 217 yards

and three touchdowns, and the No. 2 Crimson Tide gained 457 yards on the ground Saturday to break a four-year losing streak against Tennessee with a 56-28

Penn State held the Orangemen to just 92

Football

yards rushing and rolled up 434 yards on the ground and six touchdowns to improve to 6-0 with a homecoming-game, 42-3 victory at University Park, Pa.

Quarterback Mike Shula scored on a 1-yard bootleg and threw two touchdown passes as the Crimson Tide improved to 7-0. Tennessee dropped to 2-4.

At College Station, Texas. Baylor jumped to a 17-0 lead before No. 11 Texas A&M rallied behind quarterback Kevin Murray for a 31-30 triumph. Murray threw three TD passes, including a juggled 4-yard flip to Tony Thompson with 3:48 left, as the Aggles improved to 5-1 overall and 3-0 in the Southwest Conference.

Fourth-ranked Michigan, 6-0, edged No. 8 lowa 20-17 as Mike Gillette converted a 34-yard field goal on the final play of the Big Ten duel at Ann Arbor, Mich.

Lady Patriots, Lyman Boys Share Spotlight With Elite

By Chris Fister Herald Sports Writer

Sometimes, when superpowers meet, the results aren't too impressive. Not much more than encouragement for the future came out of the Reagan-Gorbachov summit in Iceland. And the Harlem Globetrotters on Gilligan's Island pretty much put to rest the premise of past successes

combining for a prime time smash. This past Saturday, however, the state's elite got together for the National Spa and Pool Institute Invitational at the Justus Aquatic Center in Orlando. And what transpired was the most awesome spectacle in 1986

Florida prep swimming. The perennial powerhouses from Class 3A and 4A were on hand Saturday for what was the biggest and fastest swim meet of the year. And the vastly improving Seminole County programs found a space in the

spotlight as Lake Brantley's girls and Lyman's boys had excellent performances.

Lake Brantley's Lady Patriots finished third with 171.5 points behind 3A dynasty Fort Lauderdale Pine Crest (322) and 4A state favorite Boca Raton Spanish River (307). Brantley finished ahead of some strong teams in Jacksonville Bolles (120), Clearwater (114). Winter Park (99), Tallahassee Maclay (96) and defending 4A champi-

on St. Petersburg Seminole (73). "Considering who was at this meet, it was great for us to finish third," Lake Brantley coach Clay Parnell said. "The caliber of competition was higher than at any high school meet I've

Lake Brantley got superb performances from its fantastic four. Christy Bridgewater, Manda Davis, Lisa Moon and Kristen Pauley and also got a big boost from freshman Jodee Lake.

Swimming

Bridgewater finished fourth in the 200 freestyle with her best time ever and was only about a second out of first place according to Parnell. She also took fifth in the 500 free, an event won by 1984 Olympic silver medalist Michelle Richardson of Spanish River.

Moon took fourth in the 50 free and fifth in the 100 free with Pauley seventh in the 200 individual medley and fourth in the 100 breaststroke and Davis took second in the breaststroke and 14th in the 100 butterfly. Dani Ohnsman gave Lake Brantley three of the top 16 finishers in the breaststroke.

Lake came through with a lifth in the 50 free and an 11th in the 100 free. "She had a really super meet," Parnell said of Lake. "She's a ninth grader who has only competed for three months so I think she's going to be real good down the road."

Moon, Bridgewater, Paulcy and Davis teamed up for third in the 400 free relay with Brantley's best time of the season and the 200 medley relay team of Karl Kosich, Ohnsman, Jill

Spiller and Lake came in 11th. Lake Brantley has a triangular meet with Seminole and Lake Mary Wednesday at the Sanora Pool in Sanford. The Patriots will travel to Fort Lauderdale Saturday for the Woodson

Invitational at Pine Crest. Lyman High, despite being without a few of its top swimmers, came in fifth in the boys meet with 99 points, only one point behind fourth-place and defending state champion Winter Park. Bolles took first place at 314 with Pine Crest second (246) and Maclay third (162.5). All of the top three teams

are in Class 3A. The highlight of the meet for the

'Hounds was a pair of tremendous! relay races. The 200 medley relay team of Charlie Rose. Tom Mooney, John Jones and Chuck Reinighaus finished third with a time of 1:42.9 while the 400 free relay squad of Mooney, Rose, Reinighaus and Dave Bandy came in fourth at 3:19.9.

Rose also took sixth in the 100 fly at 54.0, Reinighaus was sixth in the 100 free at 49.3 and Mooney finished eighth in the backstroke at 56.0.

"This meet was the biggest high school meet I've ever seen," Lyman coach Don Clark said. "All the powerhouses were there. The competition was unbelievable and that's one of the reasons our girls didn't even

get a top 16 finish." Lyman has a dual meet at Winter Park Tuesday, then hosts Orlando Boone in a dual Thursday before departing for the Woodson Invitational.

Broncos, Jets To Test Ground **Games Tonight**

EAST RUTHERFORD, N.J. (UPI) - The Denver Broncos and New York Jets, the AFC's top two defenses against the rush. will test each other tonight with ground games that have emerged in recent weeks.

Sammy Winder has helped alleviate some of the burden from John Elway's powerful right arm by averaging 85 yards rushing over the past four games. His running mate, Gerald Willhite, carries a lot less. but averages 5.1 yards a rush and is the leading receiver for the Broncos, who, at 6-0, have tied their best-ever start.

They will challenge a Jets kick), 1:30 defense that is yielding 3.0 yards per rush and has allowed just one opponent to average over 3 yards per attempt. Last week. New England gained 17 yards on 10 carries.

'We've worked and worked." Winder said. "It's like anything else; when you work that hard, it pays off. We've been trying to stop the rumor that we don't have a running game."

The Jets counter with a running attack that should be boosted by the return of Freeman McNeil. New York Coach Joe Walton said he would activate McNeil from the injured-reserve list before tonight's 9 p.m. EDT start at Giants Stadium. McNeil had suffered a dislocated elbow Sept. 11 against the Patriots.

While McNeil was out, Johnny Hector provided more than capable relief. The Jets won all four games while McNeil was sidelined to improve to 5-1. Hector played in three of those games, missing one with a sprained foot, and rushed for 342 yards and five touchdowns. For the season, he has 409 yards - second in the AFC.

Last week, with quarterback Ken O'Brien out with an injured lest knee, Hector set a team record with 40 carries and a personal best with 141 yards. He also tled a glub mark with three rushing touchdowns in the 31-24 victory over the Patriots.

Jets offensive coordinator Rich Kotite said Hector's success means New York will team McNeil and Hector more often. though both are true halfbacks.

"Whatever you lose, you gain in confusing defenses." Kotite said. "When a defense prepares for you, they prepare for formations and the people you put in those formations. If you have Johnny Hector and Freeman McNell, you have double trouble if you are a defense trying to pick them up."

But the Jets also believe they'll have trouble with the formations posed by the Broncos' veteran defense. Denver defensive coordinator Joe Collier freely substitutes.

GAMEBREAKERS

LA Raiders' Marcus Allen rushed for 14 yards on 21 carries with 2 TDs.

LA Rems' Eric Dickerson had 130 yards on NY Giants' Joe Morris rushed for 116 yards on 24 carries.

Washington's George Rogers gained 118 yards on 30 carries with 1 TD.

Passing
Bulfalo's Jim Kelly completed 39 of 31
passes for 252 yards with 1 TD.
Detroit's Eric 'lipple was 31 of 50 for 316 yards and 1 TD.
Green Bay's Randy Wright completed 21 of
27 masses for 277 yards with 1 TD.
Alinnessia's Tommy Kramer was 13 of 18
for 239 yards with 2 TDs in 3 queriers of

New England's Slove Gregan completed 18 of 26 passes for 243 yards with 2 TDs. Washington's Jay Schroeder went 13 of 23 for 232 yards and 3 TDs.

Cincinnati's Cris Collineworth had 4 catches for 97 yards with 1 TD.
Detroit's Horman Hunter caught 9 passes

for 67 yards. Houston's Ernest Givins had 5 catches for Miami's Mark Clayton caught 4 passes for

189 yards and 1 TD. Miamit's Mark Duper hauled in 5 passes for San Diego's Trumaine Johnson caught 8 asses for 91 yards.

Sen Diego's Cherlie Joyner had 7 catches for 90 yards.

Washington's Clint Didler caught 4 passes for 96 yards and 1 TD.

All-Round Cincinneti's James Breeks rushed for 133

yards on 16 carries and 2 TDs, including a game-winning 21-yarder with 43 seconds left, and caught a passes for \$2 yards.
Philadelphia's Randell Cunningham cam-

pieted 8 of 15 passes for 137 yards and gained 80 yards on 5 carries with 1 TD. . San Diego's Gary Anderson had 11 catches for 92 yards with 1 TD and 26 yards on 7 carries with ITD.

ndividual Delense Dallas' Jim Jeffcoat had 3 1-2 sacks for 26 yards in losses.

Kansas City's Lloyd Burruss Intercepted 3 passes and returned them for 121 yards, including TDs of 56 and 47 yards. Seettle's Jacob Green had 4 sacks for 27 yards in losses.

Cleveland's Ozzie Newsome caught a pass in his 185th straight game, tying him for fourth place on the all-time NFL list with Dan

Kramer's Revenge: Vikings Rout Bears

The Minnesota Vikings had the Chicago Bears, especially Jim McMahon, right where they

wanted them Sunday. McMahon spent the game sitting on his helmet on the sideline because of a sore shoulder, and the Vikings offensive line kept the Bears from sitting on Tommy Kramer like they did two weeks ago.

Kramer threw for 239 yards and two touchdowns, and ran for another to lift Minnesota to a 23-7 upset over the Super Bowl champions. The Bears, 6-1, lost a 12-game winning streak and their aura of invincibility.

"We were whipped soundly, Bears Coach Mike Ditka said. They played very good and made us look very bad. Our concentration was very poor and we had people worrying about what they are supposed to do on the field."

The Bears had beaten Minnesota 23-0 two weeks ago at Chicago, sacking Kramer seven times and holding Minnesota to 159 yards. Sunday, the Vikings sacked quarterback Steve Fuller seven times. Chicago quarterbacks had been sacked only six times in the first six

"It's kind of a reversal from what happened last time," said Kramer, who was not sacked. "Over there, they made the big plays and we didn't. This time, we made the big plays and they didn't.'

The Bears had not lost since last Dec. 2 in Miami. They have won in each of McMahon's last 21 starts.

"I was happy when I saw him sitting on his helmet," Minnesota Coach Jerry Burns said. "There are a lot of people who will say 'Hey. McMahon didn't play and it's not the same,' but we did the job," Vikings de-

time he would come in.' McMahon was hoping the same thing. "I would have liked a chance. I would have liked to play,

fensive lineman Keith Millard

said. "We were hoping the whole

McMahon said. "Steve didn't play a bad ballgame. Our whole offense had a bad ballgame." The Vikings, 5-2, pulled within

a game of the Bears in the NFC

Central. Chicago's loss leaves the Denver Broncos as the NFL's last unbeaten team. The Broncos, 6-0, play the New York Jets tonight.

The NFL was left with one winless team too Sunday, when the Green Bay Packers upset Cleveland 17-14 for their first triumph. Indianapolis is the lone 0-7 team.

At Cleveland, the Packers rebounded from a 14-3 halftime deficit by scoring on Gerry Ellis's 2-yard run and Randy Wright's 47-yard TD pass to

Phillip Epps in the third quarter. "I knew this would happen sooner or later," Green Bay Coach Forrest Gregg said.

Rodskins 28, Cardinals 21

At Washington, Jay Schroeder threw a career-best three TD passes to help the Redskins take a 21-0 lead. Neil Lomax rallied

Football

the Cardinals with three scoring drives and took St. Louis to the Redskins 14 with less than 20 seconds remaining. But he left the game with an injured right knee, and backup Cliff Stoudt threw a 3-yard pass as time expired.

Seahawks 17, Giants 12 At Seattle, Bruce Scholtz's interception return to the Giants 19 led to Curt Warner's 1-yard TD run with 10 minutes left and gave the Seahawks a 17-9 advantage. The Scahawks accumulated seven sacks and intercepted Phil Simms four times. Bengals 31, Oliers 28

At Cincinnati, James Brooks's 21-yard TD run with 43 seconds left lifted the Bengals. The TD helped Cincinnati overcome a 93-yard, fumble-return touchdown by linebacker Robert Lyles with 1:26 to play that had staked the Ollers to a 28-24 lead. Falcons 10, 49ers 10

At Atlanta, David Archer threw a 39-yard touchdown pass to Sylvester Stamps with 1:33 left in regulation to enable the Falcons to tie the 49ers. The Falcons are 5-1-1 and the 49ers are 4-2-1.

Cowboys 17, Eagles 14 At Philadelphia, Rafael Septien kicked a 38-yard field goal with two seconds left. Dallas had 10 sacks and Danny White, who did not start because of an injured hip, had to bail the Cowboys out in the final minutes. White replaced injured Steve Pelluer on the final drive and hit Timmy Newsome for 18 yards to the Philadelphia 18 with 34 seconds

At Anaheim, Calif., Eric Dickerson rushed for 130 yards and a touchdown and Nolan Cromwell returned an interception 80 yards for a score to lift the Rams. The Rams, who had 22 net passing yards, improved

to 5-2 and are within a half-game

of first-place Atlanta in the NFC

West. Bille 24, Colts 13

Rams 14, Lions 10

At Orchard Park, N.Y., Jim Kelly, playing with a sore right arm, fired two touchdown passes to Andre Reed to lead the Bills. Kelly, Buffalo's \$8-million quarterback, connected with Reed on scoring strikes of 6 and 13 yards to help the Bills snap a three-game losing streak and

improve to 2.5. Patriots 34, Steelers 0

At Pittsburgh, Steve Grogan passed for 243 yards and three touchdowns, and the New England defense scored one touchdown and set up 17 points to lead the Patriots. Tony Franklin kicked field goals of 31 and 36 yards to help the Patriots, 4-3, move within 1 1-2 games of the AFC East-leading Jets.

Chiefs 42, Chargers 41 At Kansas City, Mo., Lloyd Burruss tied an NFL record by returning two interceptions for touchdowns to lead the Chiefs. Kansas City survived a lastminute scare when the usually accurate Rolf Benirschke missed

a 25-yard field goal.

Raiders' Fierce Rush Derails Miami, 30-28

MIAMI (UPI) - The most deceptive statistic in the Los Angeles Raiders 30-28 win over the Miami Dolphins was the one that showed the Raiders sacking Dan Marino twice.

The Raiders only managed to tackle Marino two times, but their defensive line was in his face all day Sunday, pressuring him into bad throws and disrupting the timing of a Miami passing game that was the league's best at the beginning of the afternoon.

"Our offensive and defensive lines were not competitive,' Miami Coach Don Shula said. "Their line was in Marino's face the entire game and he was running for his life. He didn't have time to set up and throw at all."

The win was the fourth straight for the Raiders after an 0-3 start and lifted Los Angeles to 4-3 while Miami fell to 2-5. The Raiders now own a 15-3-1 record against the Dolphins, and

a 6-3-1 mark in the Orange Bowl.

Miami last beat the Raiders in Marcus Allen, making his first start in four games, rushed for 96 yards and scored three touchdowns to lead the Raiders. and Chris Bahr added field goals of 32, 33 and 40 yards. Allen

16-yard pass from Marc Wilson. Miami scored on Marino passes of 18 yards to Bruce Hardy, 5 yards to Dan Johnson, 68 yards to Mark Clayton, and a 2-yard run by Lorenzo Hampton.

scored on two 2-yard runs, and a

Football

Clayton's touchdown came on the last play of the game when a desperation pass from Marino was deflected by Raider defensive backs into Clayton's hands, and he ran in for the

Marino's quick release saved him from being sacked on most occasions, said Raider defensive end Howie Long, who had one sack for an 8-yard loss. "On five or six instances I beat

my man in 1.1 seconds, but he got the ball off," said Long, who lined up all over the defensive line. "Marino is a pure passer and he's got the quickest release I've acen.' Marino completed 20 of 32 passes for 286 yards, and had

two interceptions, one of which was caused directly by the Raider pass rush. On the play in question, Marino was hit as he threw, missing an open Mark Duper and throwing the ball right to L.A. cornerback Sam Scale.

His other interception went through Duper's hands and was picked off by Vann McElroy.

Allen sprained his ankle in a 14-9 loss to the New York Giants Sept. 21 and rushed only six times last week in a 14-10 win over Scattle.

"I was just happy to get out there and play," said Allen, who thought as late as Thursday he would not be able to play.

SPORTS

Polk: Entries Continue To Swell For Swallows Open Golf Benefit

The entries continue to swell — both from some of the country's better but lesser-known golf professionals, and area businessmen who will be sponsors for the forthcoming 7th Annual Swallows Open Wednesday, Nov. 5 at the Glen Abbey Golf Course in DeBary.

Many of the pros are competing as members of the North Florida Section of the PGA a part of the winter tour.

Seminole County Sheriff John Polk said the net proceeds of this tournament are directed for the benefit of the Florida Sheriff's Association Youth Fund. Polk said there were 52 sponsors last year and \$2,672 went towards the Boys' and

For an entry fee of \$100, sponsors are entered into the PRO-AM on Wednesday Nov. 5 and they also get to play a free practice round of golf," Polk said.

Sponsors also receive a golf cap, a sleeve of premium golf balls, a bag tag, a towel, and the company or individual name on the billboard which is located and displayed at Glen Abbey for one year.

For those who would be interested in being a sponsor, or are in need of additional information, call the Glen Abbey Golf Course at 668-4209 or the Seminole County Sheriff's Department, 322-5115, ext. 190.

Association Cites Hammontree

Lake Howell cross country coach Tom Hammontree was selected Florida's representative for National Coach of the Year for cross country at the National High School Coaches Association convention held in June.

In the past four years, Hammontree has had one of the most successful programs in the state. He has won 26 meet championships, including three conference titles, two district championships, two regional championships, one district runnerup and one regional runnerup.

In Class 4A State Meet competition, Hammontree's Lady Silver Hawks finished third in 1983, fourth in 1984 and second in 1985.

Hammontree's 1986 varsity team has won every meet it has entered and is currently ranked number one in the state. Hammontree also coaches girls track at Lake Howell

Rookie Baird Wins First Seniors

HILTON HEAD ISLAND, S.C. (UPI) - Butch Baird, a rookie on the PGA Seniors Tour, shot a 2-under-par 69 Sunday to win the \$200,000 Cuyahoga PGA Seniors International.

Baird, who led entering the final round, earned \$30,000 after finishing with a 210 total in the 54-hole tournament at Harbour Town Golf Links.

Chi Chi Rodriguez, who fired a 67 in the final round, finished second, four shots back; at 214, and earned \$18,000. Joe Jiminez finished third with a 217 after carding a final-round 70.

Tied at 218 were Lee Elder, Orville Moody, Walt Zimberski, Gay Brewer and Miller Barber. At 219 were Arnold Palmer, Harold Nenning and Charles Owens.

Kookaburra III Coasts To Win

FREMANTLE, Australia - Kookaburra III triumphed over Alan Bond's Australia III by a huge 4 minutes, 30 seconds Monday for its third straight victory, placing the golden-hulled boat as a real threat in Australia's struggle to defend the America's Cup.

Australia IV, Bond's latest entry into the fray, just managed to ward off the older Kookaburra II, 2-1, by 20

Bonnett Wins Nationwise 50

ROCKINGHAM, N.C. (UPI) - Neil Bonnett was willing to drive his car upside down to win the Nationwise 500 NASCAR race at North Carolina Motor Speedway Sunday. All he needed, though, was a strong finish.

"Once I got out front and breathing that fresh air of what it takes to win, I was going to run my car sideways, upside down, backward - whatever it took to win," Bonnett said. "That internal drive to win was rejuvenated by a little bit of hard luck."

Bonnett came on strong late and roared to a 2.5-second win over Ricky Rudd to earn the \$46,000 first prize. The victory was his first since April 1985 in North Wilkesboro, N.C. His Chevrolet zipped to a track race-record speed of 126,381 mph, breaking the old mark of 122.931 set by Bobby Allison in 1984.

Darrell Waltrip, Bonnett's stablemate at Junior Johnson Racing, took third ahead of Harry Gant and Buddy Baker. Dale Earnhardt finished sixth and saw his Winston Cup points lead over Waltrip trimmed by 15 with two races remaining.

"After I got past Harry, I stretched the car out. Tim (crew chief Brewer) told me that Ricky and Darrell were busy racing each

Auto Racing

other and that gave me a chance to ease up a bit," said Bonnett, who became a record 13th victor on the year. "Once they got to racing, it was just leing on the cake for me."

Bonnett was not one of the dominant forces in the race. Polesitter Tim Richmond led all but one of the first 133 laps of the 492-lap event, but fell out of contention when an axle broke on lap 166.

The leader's role was then shared by Earnhardt and Morgan Shepherd, but they were also struck by mechanical difficulties. Earnhardt lost two laps when he pitted on lap 381 to have an ignition problem solved and Shepherd's flywheel exploded on lap 402 after he had built an 11-second lead over Waltrip.

Although he gained on Earnhardt, Waltrip's chances of passing the Kannapolis, N.C., native dimmed. Earnhardt has to finish only 10th or better in the remaining two races to capture his second driving championship.

PHOENIX (UPI) - Most Indy-car drivers would like to have a backup car like Michael Andretti's. Some would even like to have a primary car like that.

Andretti, forced to qualify his backup car because of a crash, easily took the checkered flag Sunday to win the Fiesta Bowl 200 at Phoenix International Raceway.

Andretti crashed his primary car during practice Saturday, and went to his backup car to qualify fourth on the starting grid. Sunday, he was barely challenged. He took the lead on lap 29 and had the rest of the field lapped shortly after the midway point of the race. Only when he let up on the accelerator to conserve fuel did he allow Danny Sullivan to finish on the same lap.

"I really didn't get a feel for this car on how many laps we could run before we ran out of fuel," Andretti said. "It was a bit of a gamble and we got a bit lucky."

Andretti finished 20.24 seconds ahead of Sullivan, posting a record speed along the way. Running the race under just two yellow flags, his average speed was 134.681 mph. That shattered the old track record of 120.345 mph, set at April's Phoenix 200 by Kevin Cogan.

Continued from 6A

rambled 69 yards for a touchdown. Lewis credited a key block by Ron Blake for springing the TD.

The Tribe's problem once again was an offensive attack. But Scabreeze's defense was giving up just three points a game, so TDs were expected to be tough to come by.

The 'Noles have a big SAC game Friday at Lyman.

• Lyman Greyhounds, meanwhile, showed last Friday that they have got some backbone. The Greyhounds 19-16 come-from-behind victory over Oviedo was very impressive.

Faced with the unenvieable task of going 70 yards in four minutes down by four points. the 'Hounds showed that they never say die.

The winning play came when quatterback Darren Boyeson threw a short pass to tight end Jim Lamb. Lamb pitched the ball back to tailback Robert Thomas and Thomas raced 18 yards completing the flea-flicker. giving the 'Hounds a 19-16 Seminole Athletic Conferece win. Lyman is 3-2 overall and 2-0 in the SAC.

Bill Scott called the same play in the 'Hounds 21-14 overtime loss against DeLand. Thomas took the pitch from Lamb and appeared to have scored. An official, however, ruled that Thomas stepped out of bounds. Scott later said it was the

on the sideline for that game and disagreed with the official, too, overtime win over Spruce Creek Thomas fumbled on the next play costing the 'Hounds.

It was ironic that Scott used the same play and the touchdown counted this time.

Lyman ate up the Oviedo defense on the ground as the Greyhounds rushed for 292 yards. Thomas had a great game as he rushed for 162 yards on 28 carries including a pair of touchdowns.

Lyman was idle the week before the Oviedo game and it apparently helped the 'Hounds. 'We worked on our blocking during that off week," Scott said. "I guess that it paid off."

Oviedo's loss was a tough one for the Lions to swallow. It drops the Lions to 3.2 overall and 1-1 in the SAC. Also, the flea-flicker is one of Oviedo consecutive game Friday night. 5A-5 game next Friday. coach Jack Blanton's favorite plays. Oviedo won its opening game when Willie Gainey scored on a flea-flicker giving the Lions a 16-14 win over Lake Brantley. Blanton probably didn't like the play being run against him, though.

The Oviedo offense. meanwhile, only managed to amass 119 rushing yards. The week before in the Lions 13-3 win over Cocoa, Willie Gainey rushed for 192 alone. But the Lyman defense is tough, and the Lions found that out last Friday first hand. Oviedo's thunderfoot. Gordon King, boomed a 47-yard field goal, longest in the county this year.

Oviedo travels to Lake Mary on Friday for a SAC game.

• Lake Mary finally got on the

incorrect call. This reporter was winning track after three dropping a 6-3 heartbreaker to straight losses. The Rams 7-0 was costly.

Lake Mary may have lost the services of quarterback Shane Letterio for the rest of the season. Letterlo was hit late in the fourth quarter and suffered a broken collarbone. Letterio sald he's "be back in three weeks," but coach Harry Nelson wasn't so sure.

The Lake Mary offense has been virtually invisible this year and the Rams could only manage 150 total yards. The Rams won the game when John Curry scored from three yards out in overtime.

Lake Mary is 2.3 overall and return to SAC on Friday when they host Oviedo.

Winter Garden West Orange in 5A-5 action. The Pats are 0-6 and 0-3 this year.

It was the seventh consecutive loss, dating back to last year. Brantley beat Lake Howell in its ninth game and lost to Boone in the season finale. The Pats are 1-15 over the course of the past two seasons under coach Fred Almon.

"We outplayed them in every phase of the game," Brantley coach Fred Almon said. "We just made the big mistakes again."

The big mistake this time came when the Pats were trailing 6-3 but had the ball at the Winter Garden 4 with just under two minuted to play. Tailback 1-1 in District 5A-4. The Rams Johnnie Griffin fumbled extinguishing Brantley's last hope.

Brantley is idle this week and • Lake Brantley lost its eight will host Apopka in a Diastrict

THE COST OF BETTER CATARACT CARE N'T HAVE OF SIGI

In the past, cataract surgery was often put off as long as possible. Patients became "nearly blind" before cataracts were treated and sight restored.

Same Day Surgery

Today, cataract removal is comfortable, safe and convenient. In hours, you are on your way home and on your way to clearer vision.

Highest Quality Care

Board certified Ophthalmologists provide total care for your eyes. Cataract surgery is performed using the advanced

medical facilities of Central Florida Regional Hospital, backed with the security of a full operating room staff.

No Cost Cataract Care

Cataract surgery will cost you absolutely nothing. Medicare and supplementary insurance is accepted as payment in full.

Open your eyes to a brighter tomorrow. Call Dr. Jon Day or Dr. Howard Sakowitz for free cataract information. 323-0023. On Lake Monroe — Sanford, Florida.

IN BRIEF

Crash Kills Mozambique Chief; **ANC Blames South Africa**

JOHANNESBURG, South Africa (UPI) - A plane carrying Mozambique President Samora Machel crashed, killing Machel, two members of his Cabinet and more than 30 other people, officials said.

Machel was returning from Lusaka late Sunday after meeting with the leaders of South Africa's neighboring black nations to discuss reducing their dependence on

The South African government, which gave the first report of Machel's death, gave no reason for the crash of his Soviet-made plane in mountains about 200 miles west of

In Denmark, a leading official of the African National Congress immediately charged that the South African government was responsible for the plane crash that killed Machel.

Machel frequently has accused South Africa of supporting and supplying anti-Marxist Renamo rebels, who have waged a 10-year bush war against his administration.

Alfred Nzo, secretary-general of the outlawed ANC said. "Either the South African government itself is guilty of this helnous crime or its henchmen the Mozambiquan guerrillas."

Nzo is on an official visit to Denmark. South African President Pleter Botha, in the first official confirmation of Machel's death, expressed his "deep regret

and profound shock."

Shamir, Peres Switch Jobs

JERUSALEM (UPI) - Israel's parliament approved a belated leadership switch today, making Yitzhak Shamir the prime minister and Shimon Peres foreign minister in keeping with a historic power-sharing agreement.

The 120-member parliament - the Knesset - voted 82-17 for a motion of confidence in Shamir's new Cabinet after a five-hour debate. Three Knesset deputies abstained and 18 were absent.

Shamir, 71, presented his new government to the Knesset with a call for peace with Israel's Arab neighbors. praise for U.S.-israeli relations and a demand for the Kremlin to allow greater emigration of Soviet Jews.

"The government will continue to initiate and seek ways to peace and we shall not let the initiative fall from our hands." Shamir said in a speech to the Knesset.

Suspects Jailed in Grenade Attack

JERUSALEM (UPI) - Israeli security forces arrested three Palestinian suspects in a grenade attack that killed one person and wounded 69 near the Wailing Wall, police

"Our investigation was very thorough." Jerusalem police spokesman Rafi Levy said after the men were arrested Sunday. "We are confident that these are the ones who committed the act."

The grenade attack last week on a group of soldiers and their families was the bloodiest terrorist attack in Jerusalem in nearly three years.

The suspects, residents of Arab neighborhoods of Jerusalem, are in their early 20s, he said. Their names were not released.

FLORIDA IN BRIEF

Soviet Made Armaments Wash Ashore At Jupiter Beach

JUPITER (UPI) - A mystery arms shipment that washed ashore on Florida's Atlantic Coast was manufactured in the Soviet Union, military and police officials said Sunday.

The 47 fuses that have been recovered so far, normally are used with 122mm high explosive rockets. The detonation fuses, with Russian and Czechoslovakian markings, were the type manufactured in the Soviet Union, said spokesman Mike McNamee.

About three dozen explosive devices and several wood crates and metal munitions boxes were found along beaches in the Jupiter area Saturday and Sunday.

Two more boxes were recovered Sunday afternoon. One was found in a mail parking lot and another was returned by a person who found it on the beach. McNamee warned other people who took boxes from the beach that the armaments are dangerous.

Vigilante Acts Supported In Dade

MIAMI (UPI) - Nearly 50 percent of Dade County residents believe they need to arm themselves against violent crime and three out of five say they should have the right to kill intruders without knowing whether or not they have weapons, a poli reveals.

The Miami Herald poll, released Sunday, was conducted following a wave of vigilante acts since Aug. 22 in which private citizens have fought back against suspected criminals, killing six people and wounding three.

In the most celebrated of those cases, Liberty City shopowner Prentice Rasheed is charged with manslaughter and setting a mantrap in the death of Odell Hicks. Hicks, a suspected burglar, was found electrocuted by a booby trap in Rasheed's general store Sept. 30. Rasheed said he had been burglarized seven times before he set the trap.

The Miami Herald poll showed overwhelming support for

Fernandez Test Results Expected

MIAMI (UPI) - A man charged with first-degree murder in the beating and shooting death of his neighbor over an alleged land dispute has undergone psychiatric tests to determine whether he should be awarded bond.

A bond hearing is scheduled today for Baldomero Fernandez, 62, who has been in jail since Wednesday, a day after he was indicted for first-degree murder in the death James Escoto, 30.

Dade County Circuit Judge ordered the tests to determine whether Fernandez should be released on bond and the results are expected today.

Escoto, a male nurse for Marc Buoniconti, a football player who was paralyzed from the neck down last year while playing for The Citadel, taunted Fernandez Oct. 4 and hit him over the head with a bicycle chain, a police report said. Fernandez shot Escoto and when his gun was empty he beat the victim in the head with it.

Vest Protects Deputy

DAYTONA BEACH (UPI) - A Volusia County deputy sheriff was in fair condition today. spared serious injury when a gunman's bullet that struck him in the chest was deflected by his badge and stopped by a proand I think these things qualify tective vest.

Sgt. Robert Bosco, who escaped with only a painful bruise, is the second Florida law enforcement officer in two weeks whose life possibly was saved by protective vests able to stop most pistol bullets.

Florida Highway Patrol Trooper Harry Dennard, 28, also suffered only a bruise when shot at close range Oct. 9. Jerry

Cliver, a former Indiana state trooper, is held in Orlando, Fla.. awaiting trial for attempted murder.

Bosco, 32, was on patrol late Saturday night when he decided to check a car parked on a dead end street off Beville Road just west of Interstate 95. When the officer got out of his car, a man got out of the parked car and fired at Bosco before speeding away, investigators said.

"I'm just fine," Bosco said Sunday from his hospital bed at Halifax Medical Center Hospital. "I alway have been a believer in the vests."

...Preston

she has no doubts.

"If anyone ever deserved the death penalty, he does. That was a horrible death," Mrs. Sams said. Preston's attorneys will ask that the sentence be changed to life in prison or that a new trial be held. Preston was scheduled to die Nov. 4, 1985. but received a stay four days before the sentence: was to be carried out.

Preston has never admitted publicly that he

killed the woman. Scheduling for the hearing has taken nearly a year because of budget and personnel problems in the state Office of the Capital Collateral Representative which is providing Preston legal counsel. The state is scheduled to be represented by Assistant State Attorney Steve Plotnick.

One of defense attorney's prime arguments is that Preston was taking a hallucinogenic animal tranquitzer, also known as PCP or angel's dust, at the time of the murder. The substance can induce violence and blackouts, according to the attorneys. If those aspects of the drug were brought out at the trial the jury might have recommended life not death, his attorney's believe.

They are also expected to challenge the testimony of a hair analysis witness who testifled for the state.

That witness' testimony in at least one other separate case has been the basis for vacating the sentence, according to the lawyers. Her testimony was important because some of the victim's pubic hair was supposedly found on Preston's belt.

Preston's lawyers maintain that the hair witness "...misled counsel, the court and jury as to her qualifications and the significance of her testimony and has since been determined to be incompetent as an expert laboratory techniclan..." They say the hair could have been Preston's.

evidence against Preston. That evidence is the expert opinion that food stamps found in Preston's room were torn from a particular booklet at the store before Ms. Walker was

Medication Available To Control Epilepsy

22, and started to have grand mal seizures at 15. At that time, my doctor put me on 300 milligrams of Dilantin daily. Since then, I've had little trouble controlling my epilepsy. However, this year I've started to get infections of my index finger and nose. I've heard that Dilantin can produce these side effects. Is this true?

DEAR READER - Dilantin is an effective treatment for seizures; however, like many other medicines, it can affect the blood-forming organs. Reduction in infection-fighting white blood cells is a recognized but rare complication. You need a blood count to make sure that the drug is not contributing to your new infection. You may get more information from the Epilepsy Foundation of America (4351 Garden City Dr., Landover, MD 20785).

To give you more information about epilepsy in general, I'm sending you a free copy of my new Health Report, EPILEPSY: THE 'FALLING SICKNESS.' which explains the causes, treatment and types of epilepsy. Others who would like a copy should send \$1 and their name and address to P.O. Box 91428. Cleveland, OH 44101-3428. Be sure to mention the title.

DEAR DR. GOTT - We've had a terrible infestation of fleas. Even after seven months of having our house treated by a reputable pest company, the fleas are still hatching. Can a person get fleas in the hair and puble area? How can we treat this problem?

DEAR READER — Fleas prefer animals, but will settle for humans in a pinch. Commercial fumigation will rid a house of fleas. If you have a continuing problem, the fleas are probably being reintroduced into your house by pets. Sometimes wild animals — such as squirrels, rats and mice — that live in or near the house can be the source of flea infestation.

Humans can have fleas any-

DEAR DR. GOTT - I am male, where on the body, but the parasites are easily killed by anti-flea powder or lotions.

you should know all you can about it. Dr. Gott's new Health Report, AN INFORMED APPROACH TO SURGERY. covers everything from second title.

If you're having an operation, opinions to outpatient surgery. For your copy, send \$1 and your name and address to P.O. Box 91428, Cleveland, OH 44101-3428. Be sure to mention the

WIN AT BRIDGE

By James Jacoby

cards in the suit led, you He could not have more than wouldn't think it matters which two clubs. So the correct play card is played. But sometimes there's an important distinction between an eight and a deuce.

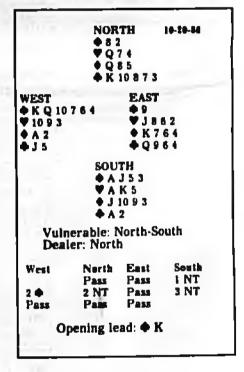

After the brave two-spade overcall by West, North-South got to game. Declarer allowed the opening lead to hold, playing low from both dummy and his own hand. West now switched to hearts. Declarer won and played a diamond. East took the king and continued hearts. Declarer won dummy's heart queen and played another diamond. West won the ace and played a third heart. Declarer now played his two good diamonds and West discarded spades. The West hand was easy to count. He had started with six spades turned a spade after winning the eventual end play.

diamond king) and had shown When dummy has two small two diamonds and three hearts. was obvious.

0019

South cashed the ace and king of clubs, ending in dummy, and led the eight of spades. When East showed out, declarer played low. West could win the trick but would have to play back into declarer's A-J. All well and good, but suddenly something strange happened. West allowed the spade eight to win, leaving the lead in dummy. The last two tricks now had to be surrendered to East.

The hand was lost at the first trick. Since dummy's eight of spades was not doing declarer a bit of good, South should have got that nasty spot-card out of the way immediately. Then West lotherwise East would have re- could not have avoided the
