

Sanford Seeks Revenge With Orlando Here Tonight

Murray Byrd To Seek Win No. 3; Leonard Hikes Average To .420

By KENT CHITLAIN
In 1941 the Nazi war machine almost overran the massive forces of the Soviet Union, but the expanding war of attrition, cold winters and over extended supplies took their great toll of the Prussian onslaught and in three years the Russian hordes were crossing over into Germany. While it might not be analogous to compare the Russian-German struggle with Sanford's sagging Cardinals, it might prove in the end to be truer than anyone now suspects.

The local Redbirds, with a hand of hustling rookies, who are for the most part improving in their fielding and in general being tested to separate the men from the boys, may fall in the next couple of weeks.

Last night Sanford repeated its trick of outlasting the opposition only to lose. The Orlando Senators and the Sanford nemesis, Joe Valmas, turned back the Cards, 8-5, last night in Tinker Field, Orlando. In the first inning Sanford lost in its bid to vacate the Florida State League.

Jax Beach, Cocoa Tie For Lead In F-S-L Flag Race

By The Associated Press
Things at the top of the Florida State League were pretty hot today with Cocoa and Jacksonville Beach once again tied for the lead and DeLand in full pursuit a mere half-game off the pace.

Daytona Beach clinched down Cocoa, 9-2, on the 16th hit of Monday night, ending Jacksonville Beach, a 12-9 victor over Palatka, to crowd onto the top.

DeLand also gained a full game on Cocoa, defeating Leeburg, 5-3. In the other game, south-pole Orlando spanked last-place Sanford, 8-5.

Leftfielder Dick Zarato led Daytona Beach's attack on Cocoa, his accomplishment including three home runs and a single in four trips to the plate, four runs batted in, and two runs himself.

Jacksonville Beach shot out Palatka on Ray Smith's five-hitter. The Sea Birds collected 17 hits, including a home run by Harmon Young and doubles by Tom Foster and Manager Red Treadway, off three Azalea pitchers.

Two hits by Clete Briggs ran the Sea Bird's leftfielder's consecutive game hitting streak to 21, 15 shy of the record.

Jim Clark limited Leeburg to five hits while his DeLand teammates sewed up victory quickly with four runs in the first three innings. Gail Pensa drove in two runs and scored another himself.

Joe Valmas, making his final start for Orlando before leaving for military service, pitched a four-hitter for Sanford, striking out 13 and kept 13 Sanford hits fair game.

Murray Byrd, 2-2, owner of the lone Sanford win over Orlando will be starting on the slab for the locals at 8:00 p. m. The Washington Senators farm hurlers from the Orange County seat have won exactly half their games this year at the expense of the Cards.

Byrd, who posted a 14-16 record with the Seminole Blues last year, will be trying to harness his power ball. The slender Carolina right-hander pitched a record most home run pitches last season in the F-S-L.

Last night's game was fine from an individual standpoint. Sanford's Leonard, the Cards' rambunctious punch hitter, pounded out two singles, double and triple to elevate his season's average from .395 to .420 and put him back in the F-S-L hitting scramble.

Leonard also drove across three more runners last night to increase his total on the club. Tommy Nix, light hitting key-ster from Columbus, Ga. got his break when several of the Sanford rookies missed the base.

Leonard's teammates, including Bill Batty, Nix slammed two singles in five tries, but it didn't help much. Nix is batting .470 now.

Bill Silverthorne reached the

Sanford Cards To Play Benefit Game For Boy Scouts On May 16

Chimney Annual Forces Day, Saturday, May 16, will be a benefit game for the Seminole County Boy Scouts between the Sanford Cardinals and the Orlando Senators beginning at 8:00 p. m. at the Memorial Stadium. The diamond club will be a regularly scheduled Florida State League championship contest between the two traditional clubs.

John Pierson, county Scout chairman, has distributed over 2,000 tickets to Boy and Cub Scouts throughout the county for this big game. Tonight, he will direct the sale of tickets in the Memorial Stadium during the Sanford-Orlando game. The Junior High band will be on hand to kick-off the sales with a brief concert.

"We will try to sell tickets to Orlando fans who will be here this evening," he said. "We hope that everyone will at least buy a ticket, whether they go to the game or not. It will benefit both the Scouts as well as the ball club."

The county-wide drive is being spearheaded by the scout troops and packs in every section of the county. In Orlando the sale is being pushed by both the Boy and Cub Scouts. In the Casselberry, Fern Park, Altamonte Springs and Longwood areas, the Casselberry Lions Club is assisting the southern Seminole County Scouts in the sale of baseball tickets.

Locally, the Boy and Cub Scouts are combining to sell while all three scout town drugstores are co-operating by selling the tickets. "We receive 35 cents for every 70-cent ticket sold in advance of the game," Mr. Pierson pointed out. "The Sanford Cardinals have been kind enough to give us the same expense free. The Club is even paying the state and federal taxes on the tickets, which leaves them only 14 cents for every ticket we sell out of their 35-cent cut."

However, all tickets sold that night at the game will go to the benefit. He added: "So it is important that the fans purchase their tickets before the game from the Boy Scouts or at Touchton's, Faust's or Roundell and Anderson's."

JOE ADCOCK (bottom, center), 25, first baseman for the Milwaukee Braves, notes the home run ball he knocked 475 feet into the center-field bleachers of the Polo Grounds in New York, a feat never before accomplished. At top, fans scramble for the history-making ball (center) which was finally recovered by Bob Eitelman (bottom, right), of the Bronx N. Y., who presented the souvenir to Adcock and was rewarded with \$25 and a new ball by Braves manager Charles Grimm.

Gene Bass Swats 2 Homers To Give Giants 5-3 Win

Gene Bass wound up the Rotary League's Junior Baseball season with a bang, crashing out two homers to pace the second place Giants to a 5-2 win over the rest place Tigers, last Friday afternoon at the Ninth Street Diamond.

Cubs TO PLAY ROTARY ALL-STARS
The Rotary League pennant winning Cubs will play an All-Star team made up of the rest of the league for the second annual night game at the Memorial Stadium Thursday evening beginning at 7:30 o'clock. It was announced today by Bill Bush, vice-president.

Bass' last homer came with the bases loaded in the third and final frame, sailing over French Avenue to end the Rotary season in a story book finish. Petty drove out three hits in three trips while Bass and winning pitcher Jimmy Hawkins were rapped two hits apiece to lead the 12-hit Giant hitting attack.

Hawkins twirled two-hit ball for the winners while John Carter was being tagged with the loss for the Tigers. The Tigers were so short of players they employed their manager Sonny Powell at short stop. Powell handled himself admirably, committing two errors and being called out on strikes for the only time at bat.

Ben McLaughlin Will Leave As Head Of Game Commission

TALLAHASSEE — (Special)—Ben L. McLaughlin, director of the Game and Fresh Water Fish Commission, has submitted his resignation as head of the Game Agency, to become effective on the date of the first meeting of the new Commission.

In his letter of resignation to the Commissioners, McLaughlin stated that he was leaving because of the press of private business and other personal reasons. McLaughlin told the new Commissioners that they will probably find the business and management of the Game Commission to be one of the most interesting problems they have ever undertaken. He said that handling the two-million dollar-a-year business of the Commission would require much thought from all the members.

"I would like to advance several suggestions in the sincere belief that you will find these suggestions of merit in accomplishing the tasks which are entrusted to the director in his letter of resignation."

The suggestions included the establishment of a policy that would clearly define and separate administrative and policy-making functions as intended by the constitutional amendment. McLaughlin said that the lack of such a clear-cut policy was probably the most disturbing and disorganizing factor in the overall game and fish conservation program.

Another suggestion asked that the new Commissioners maintain the Seminole and on Thursday afternoon the Cubs meet the Cardinals in the league finale before the All-Star game.

Ingram, Palmieri To Pitch Against Palatka Tomorrow

Clarence Ingram, 19-year-old control ball specialist with an even 2-2 record this season will team up with Ernie Palmieri, another 19-year-old flinger with an 0-2 mark, will be the starting pitchers for the Sanford Cardinals tomorrow night in the double-header with the Palatka Azaleas at the Memorial Stadium, beginning at 6:30 o'clock.

Manager J. C. Dunn stated he would send Palmieri to the hill in the abbreviated training opener. The deliberate working Palatka looked only just Sunday against the Sea Birds in Jacksonville Beach, Fla. Ernie told only five innings before being scolded.

Ingram worked last Saturday and his fine performance backed by an 11-run assault ended Sanford's 1-1 record in the game. The deliberate working Palatka looked only just Sunday against the Sea Birds in Jacksonville Beach, Fla. Ernie told only five innings before being scolded.

While Ingram's record is only 2-2, he has pitched the best and most consistent ball for the Cards this year. The native of Albany, Ga. has had only one bad game and that was a loss to the Azaleas in Palatka. Ingram has fanned the most batters this year on the Redbird staff, 21, and worked the most innings, 37. Clarence has appeared in five games and in that stretch on ten walks, he worked only three in his first 23 innings this year. Ingram's success has been due to his fine change of pace, curve and fast ball.

Palmieri, who boasts of a major-league follow through and works confidently on the hill has fanned 12 in 24 frames and passed 15. Skipper Dunn will be relying on both these chunkers to put the skills to Sanford's slumping Cardinals tomorrow night.

Cardinals Pound Out 17-5 Victory Over Lions' Sox

A band of slugging Cardinals cut down their 4-game margin separating them from the third place Red Sox as the Cards administered a 17-5 lopping to the red hose in Friday afternoon's Lions' game at the Lakefront Diamond.

The Cards fanned Clarence Ingram of the Red Sox for 20 hits while the maroon hose were collecting only seven off Hudson Ken McMurray. Dale Goinz, Behren and Hudson each led the hitting onslaught with three apiece. The Redbirds are now 3 games out of third place as the circuit enters its last week.

The lowly Seminoles with but one win in 11 games will battle the pennant winning Cubs today at 1:00 p. m. on the Lakeland Diamond.

CUBS TO PLAY ALL-STAR THURSDAY
The Lions' League pennant winning Cubs will play the 26th annual classic with the rest of the league All-Stars next Friday night at 7:30 o'clock under the lights at the Lakeland Diamond. It was announced by Jack Morrison, president.

Tomorrow the Red Sox battle the Seminoles and on Thursday afternoon the Cubs meet the Cardinals in the league finale before the All-Star game.

MARITIME MIRACLE

Hundreds Rescued At Sea Following Collision Of Ships

Nearly 500 Saved As Ferry Is Rammed

HARWICH, England (AP)—Nearly 500 persons, including dozens of Americans, were rescued at sea today after they abandoned a Holland-England ferry severely damaged in a pre-dawn collision. The ferry, the 4,190-ton Duke of York, lost her bow in the collision with a U. S. government freighter, the Haiti Victory. The freighter, with minor damage, plucked up scores of the Duke of York passengers, and made port here.

A total of 430 passengers and 57 crewmen were saved from the Duke of York. Her operators, the British Railways, said the skipper and a skeleton crew of 15 remained aboard as she moved toward port tonight behind two tug boats.

There was a report that a woman passenger was still trapped aboard her. But there were no known fatalities.

No one was missing from the Haiti Victory, which was out of Bremen bound for U. S. ports.

Most of the Americans on the Duke of York were service men stationed in Germany and on their way to England on leave.

County Refuses To Pay Hobby's Monthly Bill

Sheriff J. L. Hobby plans no immediate action in connection with the County Commissioner's refusal to pay a monthly bill yesterday during their regular session at the Court House.

Mr. Hobby's request for payment for work done by his office during the month of April totaling \$4,212.95 was turned down by the County Commission yesterday afternoon.

The Sheriff said his office has enough money on hand to pay salaries of the employees and that he was sure the action was a result of a misunderstanding which might be rectified before the County Commission meets again May 19.

"This is nothing to get excited about," declared the Sheriff. "I'm sure it will all be straightened out."

Commissioner John Meisch leading the Commission in its action, challenged three items in particular and promised the Army's 10th Corps in the European command, was rescued from the Duke of York along with his wife.

The general and Mrs. Monroe both got away in the same lifeboat and were among the 90 survivors picked up by the B. S. American, which was the first to reach the wreck. Survivors were landed at both Harwich and Dover.

British Railways said there were six casualties—only one listed as serious.

Survivors were landed here and a Dover after a quick transfer of passengers 40 miles off Harwich on England's east coast averted a major sea disaster. But a woman and possibly a child reported still trapped in the listing steamer.

All of the passengers—most of them British Army families returning home from Germany—were rescued from the 4,190-ton Duke of York.

The steamer, bound from the Hook of Holland to Harwich, and the 7,600-ton American freighter Haiti Victory rammed into each other near Gallipoli light ship. The Duke of York had 47 passengers aboard and crew of 72, officials said.

The Haiti Victory brought the bulk of the passengers ashore here despite a howling eight-foot gale in her bow six feet above the waterline. She was the Duke of York in tow for a while but that task was taken over later by tugs at the scene.

The 10,800-ton American-Hawaii Steamship Company's vessel, the American, took 91 survivors aboard and hurried to Dover with (Continued On Page Four)

Final Plans To Be Made Tuesday For Armed Forces Day

Final plans for the Armed Forces Day celebration in Sanford May 11 will be drawn during a meeting at 8:45 p. m. next Tuesday in the City Hall.

That decision was reached during a session yesterday of the special committee handling details of the affair.

The Sanford Naval Auxiliary Air Station will probably lead the way among all the groups participating.

Some type of air show with the details being left up to the military is being planned to start off the day's activities stressing preparedness.

A color guard and two marching platoons were promised by Lt. J. Cleveland representing Capt. J. L. Chittenden in yesterday's meeting. A third platoon from the Air Station may be added.

The Seminole High School band will have first position in the show with bands from Crooks Academy, Sanford Junior High and Oviedo also set to participate.

Several veterans organizations plan to take part including four American Legion posts and the Disabled American Veterans.

Brig. Gen. J. F. Morarity, director of Civil Defense for the Central Florida area, will be the main speaker during the program following the parade. The speaker's platform and reviewing stands will be located at the intersection of First Street and Magnolia Avenue.

The parade which starts at 10:00 a. m. will proceed on First Street to Oak Avenue, thence south to Second Street, east on Second to Magnolia Avenue, where floats will continue on to Sanford Avenue while marching bands turn north and disband at the speaker's platform.

Construction Begun On New School Unit

Construction has already started on a new building to house some of the primary grades at Lyman High School in Longwood, says T. R. Milwee, superintendent of public instruction, announced today.

When completed, there will be four new classrooms of the most modern design and with the latest in equipment. Two restrooms are also included.

As principal, the new rooms should meet all requirements for next year. He said the school had a peak enrollment of 677 this year while during the previous school year the highest figure was 536.

He estimated total enrollment for the school term commencing in September would reach 740 with the new addition taking care of the boost. But, he added, additional rooms will probably be needed in the future.

The Jarvis Corporation of Orlando is handling the construction at a bid cost of \$14,750.

New owners of the Sanford Herald are R. H. Haskell, Jr., owner of the Martinsville (Va.) Daily Bulletin, R. H. Fackelman, vice president of Southern Newspapers, Inc. and publisher of the Cleveland, Tenn. Banner, and Carmel Walter, president of Southern Newspapers, Inc., owners of the Spartanburg, S. C. Herald-Journal and the Tuscaloosa, Ala. News.

SANFORD INDUSTRIES SCORE

New Clothing Manufacturer Will Locate In Sanford Within 3 Weeks

Another new industry for Sanford became a definite reality today with an announcement by John Pierno, clothing contractor of Flushing, Long Island, that he expects to have his dressmaking operation here within three weeks.

Sanford Industries, Inc. has been negotiating with Mr. Pierno for about two months with the view to interesting the Long Island contractor in locating a branch factory in Sanford, Ralph Cowan, president, stated this morning. "It is our hope," he added, "that their arrangements here will prove satisfactory that before long they will transfer their entire operations down here."

BPOE Will Initiate 21 Candidates At Tomorrow's Rites

Twenty-one candidates will be initiated into Sanford Lodge No. 1241, B. P. O. E. tomorrow night at 8:00 o'clock, Exalted Ruler Robert S. Hillmeyer announced today.

He said it was the largest class in recent years and will be the first to be initiated by the new officers.

Membership Committee Chairman Julian Ponder was given credit for the fine class to be initiated. Mr. Ponder asserted his goal is a total of 100 new members by the end of July, E. year which concludes April 1, 1954.

A steak dinner will be served at 8:30 preceding the regular initiation meeting. John Cameron heads the feed committee and promises juicy steaks with all the "fixins."

Motorist Lands In Lake After Losing Control Of Sedan

A 35-year-old DeLand woman driving toward Sanford on Route 17-92 along Lake Monroe, escaped a serious injury when she lost control of her car and went rolling over the bulk head into Lake Monroe, State Trooper R. D. Harrison reported today.

Mrs. Isabelle Hillery Chivers was driving southeast on the lake shore highway when she veered off the road, she lost control of the vehicle and shot across the highway, slid, and rolled over the concrete sea wall to plummet into four feet of water.

"Fortunately, Mrs. Chivers' car landed upright in the water," State Trooper Harrison commented after his investigation.

Mrs. Chivers suffered only minor bruising and shock. Damage to her 1947 sedan was estimated at \$700. She was assisted from the accident lock place about 8:15 o'clock this morning. Trooper Harrison said.

Bids Are Submitted On Oviedo School

The School Board took no action on bids for a new five room elementary school at Oviedo yesterday, because, as Superintendent of Public Instruction R. T. Milwee explained, the bids were so close that the Board decided to take them under advisement for study.

However, definite action will be taken when the School Board convenes in a regular session on May 14.

Mr. Milwee said that the School Trustees will hold an afternoon meeting in his Court House office on Monday.

40 AND 5 TO MEET

The American Legion's 40-and-5 Society will hold a special promenade and supper at the Legion Hut on Thursday night at 7:30 o'clock. Following the supper, the society will hold its annual election of officers. Delegates to the Orlando convention, May 21, will also be selected. Chef De Gare J. R. Wells urges all voyagers to attend.

Rev. Thompson Of Methodist Home Talks To Kiwanis

People in the world today need the courage, a deeper conviction, and a sincere willingness to live by the things they believe in, declared Rev. Charles Thompson, superintendent of the Florida Methodist Children's Home in Enterprise, while speaking before today's meeting of the Kiwanis Club.

The Rev. Thompson, who stated he would return to the preaching service in a location yet to be named next month, said a man's religion is the thing or things he lives by, but too often today men and women follow the god of materialism while continuing to seek after what is profitable.

"The Golden Rule is the ethic by which we should govern our lives. We must recognize the fatherhood of God and the brotherhood of man," he asserted in his address.

The Rev. Thompson drew the analogy of a country called "Everywhere" in which people recognize the necessity of sinners, and in fact worship them over a week in a beautiful edifice. How many the residents of this country don't take advantage of the shoes by wearing them today men and women follow the god of materialism while continuing to seek after what is profitable.

Lions Entertained By Tumbling Class Of Boys And Girls

A tumbling and trampoline class of nine boys and two girls from Seminole High School staged an outdoor act in front of the Yacht Club following the Lions Club luncheon today. The club members gave a brief explanation preceding the act and made the introductions.

Assisting Mr. Ganas was Weedo Tambor, a Stetson University intern now assigned to the local high school. The trampoline was borrowed from Stetson, Mr. Ganas explained.

"Few people know anything about our physical education program at the high school," the SHS coach said. "We have a well rounded program for all our boys and girls. It is very essential that each student should have some type of physical education and exercise every day."

"A University of Illinois coach recently stated that daily exercise was a means of prolonging the life span and an aid to developing healthy bodies, cutting down on circulatory disorders later in life."

Smoke House Sold To Walter Harmon

The sale of the Smokehouse at 108 First Street by C. E. Stonecipher to Walter Harmon was made known today.

Mr. Harmon, whose place of residence for the past five years was in Hishawaka, Ind., will operate the business.

PLAN NEW 'PIRATES' SHIP

TAMPA (AP)—Gasparilla pirates are planning a new steel pirate ship for their 1954 invasion of Tampa to replace the waterlogged old wooden schooner Jose Gaspar. The Krewe of Gasparilla decided Tuesday to spend up to \$100,000 to build a fast, modern, three masted ship about 130-135 feet long 35-40 feet wide and drawing 4-5 feet of water.

FIRES PUT OUT

City firemen answered a small grass fire alarm at 2:10 o'clock this afternoon near the corner of Twenty-fourth Street and Elm Avenue. It was reported today by Fire Chief M. N. Cleveland. Last night a pine grass blaze caused by a flow wire was put out at the intersection of Dade Street and Pine Avenue.

Legislative Move On Seining Bill Seen As Spelling Death Knell

BARGAINS ARE COMING

Merchants Plan Huge Sales Events To Attract Customers To Sanford

Sizeable Cuts In Foreign Aid Are Seen By Dulles

WASHINGTON (AP)—Secretary of State Dulles told Congress today that he could foresee "considerable reductions" in future appropriations for foreign aid. "Substantial" cuts, he said, are planned in economic assistance.

Dulles testified before the House Foreign Affairs Committee on the administration's \$3,828,000,000 foreign aid program for the year starting July 1. At the same time Harold E. Stassen, mutual central director, presented the case to the Senate Foreign Relations Committee.

Stassen said that on March 31 nearly 12 billion dollars of production appropriated for foreign aid were unused and more than four billion unobligated.

A barrage of questions fired at both officials made it plain that reductions planned by the new administration were not big enough to suit many lawmakers. The program as outlined to Congress yesterday is \$1,800,000,000 below the foreign aid program set by former President Truman.

Dulles, under questioning by the House members, set forth the case in favor of the proposed spending cuts in the future.

1. Congress probably will have to consider the bill without knowing whether an international European treaty, which would be signed by the United States, does not have an "adequate" foreign policy for vast areas of the world, he pointed out. The treaty is being bogged down in administrative detail.

2. The Eisenhower administration does not think the danger from Russia has diminished at all," he considers it "a continuing danger."

3. Cuts in the foreign aid bill (Continued on Page Four)

House Votes To Send Bill To Committee

TALLAHASSEE P — Rep. Mack Cleveland of Sanford today introduced H.R. 8181 authorizing the Longwood town council to act as a municipal delinquent tax adjustment board.

TALLAHASSEE (AP)—The House refused by voice vote today to send a bill aimed at ending control of fresh water fish back to committee.

The measure was approved Tuesday by the Game and Fresh Water Fish committee. Rep. Dowda of Putnam County, who had appeared before the committee to oppose the bill, moved that it be sent to the Judiciary Committee for its study.

He told the House his committee would give the measure "the attention it deserves." He simply repeated the statement when asked if that meant his committee would kill the bill.

Supporters of the measure, which forbids sale or purchase of fresh water fish, said Dowda's motion was aimed at defeating it.

Dowda called the bill a "slap at the Game and Fresh Water Fish Commission."

Commission spokesmen told the game committee Tuesday the bill would in effect end its controlled seining experiment.

Commercial fishermen carrying on seining under game commission supervision are allowed to sell the game fish they take in the seining nets along with the profligate. The Commission said it is the income it gets from selling the game fish to the commercial men which finances the controlled seining program.

SPORTS FIVES HIT

TALLAHASSEE (AP)—The sports fives bill, which would subject 10 years in prison and a \$10,000 fine under terms of a bill passed by the Florida Senate today. The House has passed a similar measure.

The bill makes it a felony to offer a bribe in the state to influence the result of an athletic contest.

The Senate also approved a bill which would provide an additional year's imprisonment for anyone who escapes or attempts a prison break.

A bill providing penalties for persons who knowingly allow a vicious animal to come near enough to a person or animal to cause bodily harm was passed 21-13. It also goes to the House.

The owner of the vicious animal could be subject to a maximum annual term of one year and a fine of \$2,000. Anyone who knowingly permitted a vicious animal to roam at large would be liable to six months in jail.

Present law provides a penalty only if a vicious dog as the result (Continued on Page Four)

Deerized Skunk Is Offered Sanford Zoo

Sad it's hard, director of the Sanford zoo, had spotted a chuckle out of a letter he received yesterday from Holmes A. Fay of Orange City. Mr. Fay, an antique dealer, wrote:

"I have in my possession one deerized skunk, I can do without it if you can use him. Let me know and you may have him for me. I will pass you my way No charge."

Mr. Fay had, who takes advantage of an opportunity to entice the local attraction, told Mr. Fay up on his offer. Shortly the zoo will boast the addition of one skunk—deerized that is.

2 Negroes Sentenced On Entering Charge

Two Negroes were given sentences in the state penitentiary and the five civil cases were continued while another Negro had his sentence postponed by Circuit Judge M. B. Smith at the Court House this morning.

Walter James, operator of an Orlando tavern, was committed to a two-year term at Raiford state prison for entering the property of Clayton Thomas, owner of the Club 436 in Altamonte Springs.

Sylvester Wade, who pleaded guilty to accompanying James to the entrance of the club, received a one-year prison term in Raiford. Otis D. Jenkins, also involved in the crime, had his sentence withheld by Judge Smith.

The five civil suits pending on today's opening of the spring docket were continued until tomorrow.

SHRINE CLUB

The Sanford Shrine Club will observe Ladies' Night Friday evening at 7:30 o'clock at the Seminole Country Club. Reservations should be made immediately by calling B. G. Harriman, chairman of the entertainment committee, at 732 or 1099.

According to President Roy Heron, the dinner will be free to the Noble and his lady.

TODAY'S BIRTH VERSE

Modern merchants understand this principle. It is intelligent practice. It wins friends and general respect. By none is better than you. The liberal soul shall be made fat.—Pr. 11:25.

President Eisenhower is reported as keeping track of what goes on in Congress by reading the Congressional Record. Another good way to read the newspapers, as Governor McCarty does.

All justices of the peace would have to be lawyers under a bill introduced by Rep. Okell of Dade County. This is just another way of saying that Mr. Okell doesn't want any justices of the peace.

Highway traffic between Sanford and Orlando has grown to such an extent that the elapsed traveling time between the two cities is now so great the situation makes it extremely uneconomical to trade in our neighboring metropolis, everything else being equal.

According to dispatches from Tokyo the natives think Marilyn Monroe's rear view is something to laugh about. If they only knew she made a million dollars a year for certain magazines, their humor would assume a different aspect.

Sanford's beautiful swimming pool has paid for itself many times over in terms of sheer enjoyment for the countless children bathing in the cooling waters during the hot summer weather. Many towns ten times the size of Sanford are envious of us for having this wonderful asset.

A little early perhaps, but better early than never comes a letter addressed to "Santa Claus, North Pole." It contains all the hieroglyphics on the typewriter and a fairly comprehensive list of what purports to be childhood expectations. The letter is signed by Art Kader. Well, it's the early bird that catches the worm.

There is an old saying to the effect that "Them that has gets." And so we are not surprised when Stetson trustees vote to move the law college to Jacksonville or Tampa where law students will have the advantages of a more metropolitan area. The change will not add much to the commercial growth or development of either of the two larger cities but the loss will be felt in Deland where the law college has been one of the major assets of the University.

People like to travel by airplane especially on long hauls in spite of airplane accidents and unfavorable attendant publicity. Last year Pan American carried 1,426,000 passengers or 11 percent more than the previous year for an average distance of 1,267 miles, with revenue passenger miles reaching all time high of 1,807,000,000. For this service carried on virtually all over the world Pan American charged \$205,245,000 with 646 earnings reported at \$6,573,000. Nearly \$30,000,000 were spent by the company during the year on capital investments.

We have often heard that Shakespeare's plays were not written by Shakespeare himself, but by others by the name of Shakespeare. But it did come as a surprise to a surprise to read Sunday where a University of Tampa professor has it all figured out that "Shakespeare and Julius." "As you like it" is not to mention all the rest of Shakespeare's plays were written by a Tampa professor. Dr. Francis Drake visited Tampa Bay in 1592 and the University of Tampa is now a fact.

Pursuit Of Happiness

"We hold these truths to be self-evident. That all men are created equal; that they are endowed by their Creator with certain inalienable rights that among these are life, liberty and the pursuit of happiness."

These immortal words from the Declaration of Independence are generally attributed to Thomas Jefferson. Lately Prof. Howarf Alunfova Jones of Harvard University in his new book "The Pursuit of Happiness," has advanced the view that the third of these three rights may have been inserted through George Mason, a Virginian who was a close friend of Jefferson and Washington and active in the Revolution, had read much in 18th century philosophers who often discuss the concept of happiness as a natural goal. He is thought to have stressed this view in conversations with his friend and to have made it familiar to Jefferson.

Life and liberty are universally desired benefits. Not until the birth of the United States did the advancement of the citizen's happiness become a stated goal for a government. That so much has been achieved along this line, is a prime cause of our government's stability. Credit for forwarding the idea would be a feather in anyone's cap. Perhaps it belongs to George Mason.

Three-D TV

In recent months Hollywood has become publicly excited about three-dimensional movies. Some motion picture companies believe that "3-D" pictures may help to win back some of the audiences that have been lost to television. Those who hold that view may not be too enthusiastic about the report that television has made considerable progress in attempts to broadcast three-dimensional programs. Recently an audience of broadcasters and newsmen assigned to cover the event watched the first three-dimensional television program in history. Although there are still many flaws in the technique the reporters were impressed by the possibilities of adding another dimension to TV.

Three dimensional pictures are not new. In the 1830's movie novelties were filmed, which, when viewed through special glasses, gave an illusion of depth to the picture. The idea was forgotten for a long time until the motion picture companies revived it recently.

It is a remarkable age we live in. Hardly in one scientific miracle unveiled than another and even more startling ones is announced. Three-dimensional television may not be available for a long time for practical use. But it will come.

Hardened Lawbreakers

Every third person you meet may be a lawbreaker. That conclusion was reached by an investigator who checked the ordinances of one of our large cities. He broke several of them, fortunately without being arrested. His day of crime could have cost him hundreds of dollars, plus time in jail.

Here are some of his dastardly deeds. He dropped the wrapper of a candy bar on the sidewalk. He parked his car within a foot of another parked car. He lay down to rest on a park bench. He blew his horn, not as a danger or warning signal. He blew a whistle in a public park. He dropped off for a moment's duty in a barber shop. He was a hardened character indeed.

All these actions and many more of equal unimportance are set down as misdemeanors on the statute books. This is true in most cities and states. Of course, no one pays attention to them, and that may be one reason why more important laws are disregarded.

Occasionally some sensible legislator devotes his time to getting foolish and obsolete laws repealed. There is plenty of opportunity for such work. More lawmakers should interest themselves in this.

There used to be a saying, "When a new book is published, read an old one." There should be a motto, "When a new law is passed, repeal an old one."

Yes, Florida Grows Celery
 By HELEN THIERKELDRON
 Florida Magazine

It was somewhat of a ritual for many years to make a trip into the everglades' truck crop growing areas during the planting time. At this period the rich dark wetland soil and much solis are turned into furrows as far as the eye could see, often a mile long. Farming here is on a big scale, hundreds of acres of this or that vegetable being the usual thing. Some of the furrows would already carry a fine line of pale green while others planted earlier, would have started well grown.

Here one could see his favorite vegetable or salad green thrusting forth from this wonderfully rich soil to bank under Florida's winter sun.

Celery, that crisp, crunchy, nutty flavored salad is comparatively a newcomer, but here in the glades there are more than 2,000 acres each season. In planting time the long delicately marked rows present a green and black pattern of the land. In places it will be varied with that of the seed beds covered with white cloth, bent like to protect the baby plants until ready for transplanting. Here celery not only enjoys the rich soil but plenty of water in growing season. It was a farmer from Sanford who started the now great celery industry there. Inheriting by way of a mortgage, some 40 acres of rich black land, he was puzzled as to what to do with it, so with a peck of that good soil, he went to the largest seed house in Philadelphia. There he learned that his black earth would grow the best of celery. He shook his head in bewilderment. "Why there ain't enough water to sat with that much celery." But finally convinced, he went back to Sanford with celery seed in the bag that had contained the dirt.

The man who recommended celery to the Sanford grower, also recommended it years later, about 15 years ago, to the truck grower in the everglades so that the might have more diversified plants for an all year crop and was disastrous when freezes and heavy rains came.

\$69,500 In Loans Are Made Here By FHA

Several farm families in Seminole County are enjoying better homes this year than ever before, it was announced today by Curtis J. Green, local FHA Supervisor.

Mr. Green stated that the Farmers Home Administration had made out of his office loans totaling \$69,500.00 since July 1, 1952. This amount represents loans made for construction of new homes, purchase of farm machinery, purchase of livestock, operating expenses and other essential farm needs. Several additional loans are now being processed.

The Farmers Home Administration makes loans to full time farmers who are unable to secure the needed financial assistance from other sources. The loans are supervised and disbursed given the farmer in making arrangements or improvements needed to get his farming operations on a profitable basis.

Further information and application blanks can be had by contacting the Federal Office, Seminole County Court House or by writing to P. O. Box 1160, Sanford.

Special Home Service Begun By FP&L Co.

A special service will be available to homemakers, starting this week and extending through June, H. H. Coleman, FP&L's Sanford manager, announced today. On request, home service representatives of Florida Power & Light Co. will visit individual homes or group meetings to explain in detail how to get the best possible service and greatest economy from use of home freezers.

The offer is open to homemakers already owning home freezers and those contemplating a future purchase. The demonstrations are part of a statewide program planned to show homemakers the new leisurely way of life made possible by fullest use of the freezer.

Interesting booklets giving full details on the care and use of home freezers are also available to the public free of charge at company offices, at 207 Magnolia Avenue, Mr. Coleman said.

Washington Letter
 By Senator George Smathers

WASHINGTON: M I K I V I N G S about developments in Asia are being made in the United States. The hope and prayer for world peace overshadow all other thoughts.

We all realize that there are many other factors of importance, that the government must give attention to stabilizing our economy, providing for national progress, and protecting the rights of all our people. We must work for better democratic processes, a cause I was seeking to serve last week in speaking for presidential election reforms.

But the cause of national security is paramount. It has raised many questions in my mind: President Eisenhower should be able to judge, but is it possible for one man to have the sure knowledge absolutely to justify a five-billion-dollar military budget reduction? Will the government exist in its present form, but are we endangering our security to meet the pressures for tax cuts? Hope for peaceful settlement of differences between the United States and Russia is in the air. The United States and Russia are in a delicate position, but are we correctly estimating the Oriental mind which for centuries has been in a state of suspicion? The Russian realities or building for ourselves a fool's paradise? Are we restoring sound government or undermining our path in the future?

Whatever the answers to the questions, I for one do not intend to try to make political capital out of apparent indecision. It is entirely possible that we could destroy the present administration, but we would be sure to have an election in 1960.

CAPITOL HILL NOTES—Senator Holland and I are to fly on the same plane to Washington, D. C. on Sunday May 7. I will be in Florida and the opportunity to address the state Jaycee convention at Daytona Beach and to be in a dedication at the Palm Beach International Airport Sunday. . . . happy that we finally worked out a formula for settling the state-federal dispute which had brought this part of our housing program to a halt. . . . enjoyed a visit here the other day with Charles F. Williams (I believe) a special assistant to President Eisenhower. Charley and I were at Gainesville together and I am presenting him this week in an interview on my weekly radio broadcast.

STETSON SCHOLARSHIP
 DELAND (Special) — Scholarships at Stetson University are open to graduating high school students of the Sanford area who plan to continue their education this fall.

Last year 200 students received help toward their education at Stetson. Two new classes of scholarships are available for the first time this year.

NO GAMING IN CRABVIEW
 CRABVIEW — Sheriff Isle Knott says there is no organized or commercial gambling in Oklawaha County and that there won't be any while he's in office.

Knott was removed three years ago by former Gov. C. L. Dyer. Knott's charges he failed to enforce gambling laws. He was re-elected in 1952.

The sheriff's statement came after a report of a county grand jury which said it found no evidence of "commercial gambling on a public scale."

THE WORLD TODAY
 BY DON WHITEHEAD
 (For James Marlow)

WASHINGTON — They seem almost incredible now, those happy and exciting days eight years ago when Americans and Russians found it easy to be friends on the banks of the Mulde River in Germany. That was on the eve of the Nazi surrender May 7, 1945.

For a few days, there was no cloud of suspicion or distrust. Ivan and Joe found pleasure in each other's company. They had no trouble getting along.

They had met at the town of Torgau in the role of victors near the end of the long and bitter march into Germany. As far as these soldiers in the ranks were concerned, there was no reason why they shouldn't be friends. They accepted each other on even terms.

There on the Mulde, we correspondents watched them throw their arms about each other and whoop with delight. They toasted with champagne in beer mugs and talked in sign language when they couldn't without each other's spoken words. They exchanged invitations to parties and swapped gifts. They insisted they wanted to live at peace. And they meant it.

But then came a subtle change. The Russians who had been so friendly withdrew into a shell. The Russian officers—undoubtedly acting on orders from above—began to cut themselves and their men from association with the Americans. They gradually strangled the thriving spirit of friendship even while the world cheered the defeat of Hitler's hordes as the way to peace.

The show of friendship at first had extended even to the generals. Russia's Gen. Ivan S. Konev invited America's Gen. Omar Bradley to his headquarters, for a feast. Tables were laden with caviar, sturgeon, mounds of other food and wines filled with vodka and wine. A soldier's chorus sang magnificently—they even sang the "Star Spangled Banner" and brought the American guests to their feet cheering.

Bradley returned the courtesy, laying on an American-style feast for Konev and members of his staff. The Americans weren't going to be outdone in hospitality.

Bradley has recounted how he took Konev into his war room and showed him the Allied military maps he was reading. The Russian was treated as an ally.

Later Bradley told me: "The war was over so far as we were concerned. I didn't see any reason why he shouldn't see my war map." Then Bradley added wryly: "But Konev didn't show me his war map."

And so it was in many ways—small and some large—that the Russians began to roll down their iron curtain. But not before the Russian soldiers had shown they were ready. It left alone—to be friends with the Americans.

Many a Russian must have gone back home to tell his family and neighbors about those days of friendship. It is a delicate question whether peace with America seems so difficult when he found friendship with Americans so easy. That is the real tragedy of this event of the eighth anniversary of victory in Europe.

Although the year in which many European wars were produced is important to our flavor, this usually is not true of California wines because of the uniformity of the climate.

Miss Sunshine Has Bad Day In Traffic

CORAL GABLES — Miss Anne U. Sunshine, 37, didn't exactly live up to her name Tuesday. Police said her automobile went through a stop sign and hit a squad car, injuring two officers. One policeman got a broken nose and the other was bruised and shaken.

Miss Sunshine was taken to Doctors Hospital to be examined for possible internal injuries. No charges were filed pending out come of her condition.

WINE AS MAYOR
 ST. PETERSBURG — Mayor Samuel G. Johnson polled almost twice as many votes as two opponents in the city primaries Tuesday.

Unofficial returns gave him 6,420; Col. Hugh J. B. McElgin, retired Army officer, 2,144; and John W. Wickling, an accountant, 1,476.

McElgin will oppose Johnson in the city's biennial election May 19.

Social Events

Calendar

WEDNESDAY
The Ladies' Society of the B. of L. F. and E. will meet at 7:30 p. m. at the Odd Fellows Hall.
Circles No. 7, 8 and 9 of the First Methodist Church will meet jointly in McKinley Hall at 7:30 p. m. for a covered dish supper.
The Mid-Week Prayer Service at the First Baptist Church will begin at 8:00 p. m. We will continue with the study of Paul's letter to the Romans.
A special convocation of Monroe Chapter No. 15, R. A. M., will be held at the Masonic Hall at 7:30 p. m. when Mark Master and Past Master Degree will be conferred.
The W. S. C. S. of the Ebenezer Methodist Church will meet with Mrs. B. E. Hamey on South Sanford Avenue at 7:30 p. m.
THURSDAY
The Semitropic Baptist Association of Sunday Schools will sponsor a Vacation Bible School clinic at the Central Baptist Church from 10:00 a. m. to 3:00 p. m. A covered dish luncheon will be served at noon.
The Junior and Intermediate Royal Ambassadors will meet at the First Baptist Church at 7:00 p. m.
The Junior Brotherhood will meet at the First Baptist Church at 7:30 p. m.
The Assis Garden Circle will meet at the home of Mrs. Henry Russell at Lemon Bluff for a fish fry.
Central Circle of the Garden Club will meet at 4:30 a. m. at the First Methodist Church where they will go to New Smyrna Beach for a covered dish luncheon at the home of Mrs. J. H. Nicholson. Mrs. M. C. Hagan will serve as co-hostess.
The Parent-Teacher Association of the South Side Primary School will meet at the school at 7:15 p. m.
West Side Parent-Teacher Association will meet at 2:00 p. m. at the home of Mrs. J. H. Nicholson. Installation of officers will be held.
FRIDAY
The Jacaranda Circle of the Garden Club will hold its final meeting of the year at 10:30 a. m. at Carey Avenue and Mellonville Avenue to go to Mrs. W. B. Brinson's camp at Lake Harney for a covered dish luncheon.
The Mimosa Circle of the Sanford Garden Club will meet at 11:00 a. m. at the home of Mrs. Floyd Palmer, 632 E. Valencia Drive. A covered dish luncheon will be held at noon and the guest speaker will be Mrs. C. R. Kirtley.
Sally Harrison Chapter, daughters of the American Revolution, will meet with Mrs. R. E. Tolar at 807 Magnolia Avenue at 8:00 p. m. Hostesses with Mrs. Tolar will be Mrs. E. Wiggins, Mrs. Dora G. Campbell, Elizabeth Nance and Mrs. P. J. Campbell.
The Home Circle of the Sanford Garden Club will hold its home of the Garden Club at 9:45 a. m.
The Diet Gardeners Circle of the Garden Club will meet with Mrs. C. E. Hinton, 1719 Sanford Avenue, at 10:30 a. m. A covered dish luncheon will be served following the business meeting.
The Iona Garden Circle will meet at 2:30 p. m. at the home of Mrs. David Gatchel, 410 West Nineteenth Street.
MONDAY
Circles of the Women of the Presbyterian Church will meet as follows: Circle No. 1, Mrs. Charles Wilke chairman, with Mrs. Wilke, 420 Summerlin Avenue, at 2:30 p. m.; Circle No. 2, Mrs. B. Wallace chairman, with Mrs. J. N. Gillon, Palmetto Avenue, at 3:00 p. m. with Mrs. Wallace as co-hostess; Circle No. 3, Mrs. L. F. Boyle chairman, with Mrs. D. C. Wheelchel, 1015 Magnolia Avenue, at 3:00 p. m.; Circle No. 4, Mrs. W. H. LaPetra chairman, with Mrs. H. C. DuBois, 400 Oak Avenue, at 3:00 p. m. with Mrs. D. C. Howard as co-hostess; Circle No. 5, Mrs. F. T. Meriwether chairman, with Mrs. Wilson Newman, Lake Oona, at 3:00 p. m.; Circle No. 6, Mrs. E. L. Redding chairman, with Mrs. E. V. Turner, 147 Melonville Avenue at 3:30 p. m. with Mrs. J. F. Greene as co-hostess; Circle No. 7, Mrs. F. T. Weeks chairman, with Mrs. F. T. Williams at 3:00 p. m. with Mrs. B. S. Rowan as co-hostess. Evening Circle No. 1, Miss Lettie Caldwell chairman, with Mrs. C. H. Boyd, Loch Arbor, at 8:00 p. m. with Mrs. Stanley Veray as co-hostess; Evening Circle No. 2, Mrs. Jack Armstrong chairman, with Mrs. David Bacon, 810 Holly Avenue at 8:00 p. m. with Mrs. Curtis Hughes as co-hostess.

Swanson Home Scene Of Philathea Meet

The Philathea Class of the First Presbyterian Church met with Mrs. H. A. Swanson, Lake Mary, Monday evening with Mrs. R. W. King as co-hostess. Mrs. H. G. Behrens presided in the absence of the president, Mrs. G. A. Stone. Mrs. W. S. Brumley gave the devotional on "Flowers Mentioned in the Bible." Continuing the flower theme, Mrs. W. R. Jennings demonstrated the making of modern corsages of gladiolus. Mrs. A. G. McInnis closed the meeting with prayer.
A social hour followed and refreshments were served by the hostesses.
Those present were: Mrs. W. S. Brumley, Mrs. H. G. Behrens, Mrs. Floyd Case, Mrs. K. W. Fite, Mrs. J. N. Gillon, Mrs. Marguerite Gramham, Mrs. V. M. Green, Mrs. R. E. Herndon, Mrs. L. L. Hunter, Mrs. W. R. Jennings, Mrs. F. T. Meriwether, Mrs. Annie McArthur, Mrs. A. G. McInnis, Mrs. C. H. Stafford, Mrs. W. A. Wallace, Mrs. Charlotte Sman and Mrs. Byrd.

Talented Students To Perform Tomorrow

The weekly student program will be presented tomorrow night at 7:00 p. m. over Radio Station WTRR under the direction of Mrs. Sidney Vickers and Mrs. G. Walker. Featured on the program will be Margaret Jones, nine years old, who will give a recitation entitled "Somebody's Mother" and will sing the Lord's Prayer accompanied by Mrs. Lulu Bailey.
Next on the program will be Terry Gumbel, 13 years old, who will entertain with an accordion solo; Allison Lee will then render a piano solo "Impromptu" by Franz Schubert, Opus 142. Allison is eight years old and is at present studying piano at Rollins College.

Methodist Church Circles

Circle No. 1 of the First Methodist Church held its last meeting of the fiscal year at the home of Mrs. W. P. Chapman on Monday at 12:00 o'clock beginning with a covered dish luncheon.
Mrs. W. A. Hunter, chairman, opened the meeting and welcomed three visitors, Miss Thelma Long, Mrs. M. V. Farmer and Mrs. E. G. Smith. Miss Mable Chapman, who is spending a vacation at the Chapman home, was also present.
Contributions were received for the leper colony, partially supported by the group; and annual reports were heard from the officers. The mission study was led by Mrs. Carl Williams who read the last chapter of the book "Toward Understanding the Bible." She also conducted a quiz program.
Mrs. J. P. Thurmond presented the chairman, Mrs. Hunter, with a gift from the circle in appreciation for her work in the group. Those attending were Mrs. R. E. Futrell, Mrs. Smith, Miss Ella Bolton, Mrs. Hunter, Mrs. W. W. Dawson, Mrs. Willard Tucker, Mrs. Nevada Stoffer, Mrs. J. B. Crawford, Mrs. Williams, Mrs. Carrie Draper, Mrs. Charles Tate, Mrs. J. M. Hayes, Mrs. C. A. Ponder, Mrs. Thurmond, Mrs. A. C. Starke, Mrs. A. M. Remusat and the hostesses, Mrs. Tate Chapman, Mrs. L. M. Swain and Mrs. W. P. Chapman.

Methodist Church Circles

Circle No. 2 of the First Methodist Church held its last meeting of the fiscal year at the home of Mrs. J. A. Ponder, 100 Elliott Avenue, was hostess to Circle No. 2 of the W. S. C. S. of the First Methodist Church, with Mrs. M. L. Nichols as co-hostess, at a covered dish luncheon on Monday May 4.
The meeting was in charge of the chairman, Mrs. Carl Chorpeng, and was opened with a devotional followed by a prayer by Mrs. Eva Harkley, devotional chairman. After a brief business meeting, this being the last meeting of the fiscal year, Mrs. Chorpeng was presented with a gift from the members, after which the group was invited in the dining room for a delicious luncheon.
Members were delighted to have with them the president of the Society, Mrs. J. C. Davis.
Those in attendance were Mrs. J. H. C. Morgan, J. L. Clark, Louise Knowles, Harkey, Clark Leonard, S. G. Harriman, Ray Horton, J. O. Laney, F. H. Adams, Ponder and Nichols.
Melt two squares of unsweetened chocolate with a half teaspoon of butter, then drizzle around the top edge of a white-frosted cake; let the chocolate run down the sides of the cake in uneven lines.

Washington Ceremony Honors Cox Ancestor

Friends of Mrs. Robert Cox of Enterprise will be interested to know that she is a fifth generation descendant of John Witherspoon, whose meeting was honored last Sunday in Washington when President Eisenhower laid a wreath at the Witherspoon statue. John Witherspoon was the only clergyman to sign the Declaration of Independence.
The ceremony, arranged by the Washington St. Andrew's Society, took place across the street from the National Presbyterian Church. Both the President and Mrs. Eisenhower were present for the ceremony.

Golden Circle Meets At Campbell Home

Mrs. E. C. Campbell and Mrs. Clyde Percy were co-hostesses for the regular meeting of the Golden Circle Class held at the Campbell home at 109 Highland Avenue. The meeting was conducted by Mrs. Roy Britt and for the devotional hymn, introductions by E. C. Campbell, principal of the school, a "Spring Song" and Maypole dance. The following dances will be presented: "Shuffle on Through," the "Virginia Reel," and "Buffalo Boy." Narrator for a group of international dances will be Miss Luella Campbell and the dances will include a Hungarian dance, rattle picker, Tarantella, Minuet, Irish Jig, Little Dutch, Ox-dansen and the Highland Fling.
Games were enjoyed and prizes were won by Mrs. J. H. Nicholson, Mrs. Thomas, Mrs. Fred Broyles and Mrs. W. W. Horne. Refreshments consisting of open faced sandwiches, potato chips, olives, salad, nuts, cookies and Coca Cola were served later in the evening.
Those attending were Mrs. Koke, Mrs. Ergle, Mrs. Thomas, Mrs. R. T. Harrison, Mrs. G. E. Von Hoff, Mrs. Broyles, Mrs. W. G. Walton, Mrs. Horne, Mrs. F. L. Woodruff Jr., Mrs. N. C. Booth, Mrs. Britt, Mrs. W. L. Crain, Mrs. T. G. Bonney, and the hostesses. The next meeting will be held on June 8 at the Harrison home at 1500 Park Avenue with Mrs. Kathleen Egan as co-hostess.

Lake Mary Group Host To Convention

Sunday afternoon and evening the Westminister Fellowship of the Lake Mary Community Church were hosts to the Westminister Fellowship Spring Convention of the North Presbytery, U. S. A. More than 50 attended representing the churches of Weirsdale, Eustis, San Mateo, St. Augustine Memorial and Orono as well as Lake Mary.
The Lake Mary group had charge of the afternoon devotions and Rev. Charles Marx of Lakeside was the speaker. Following supper on the church lawn, the Rev. Russell Carr of Howey in the Hills and Center Hill made the address. The evening was a social group taking charge of the devotions.

SEMINOLE HI BY BEVERLY GRAY

Report cards were issued recently, which reminds us that this is the time to get ready for the year. Really doesn't seem possible.
An exciting event for the weekend is the Student Council-sponsored May Day Ball, with the King and Queen. The committee is now planning now to go and have a grand time. Out to Weirsdale group taking charge of the devotions.
Randall Ferrell seen dating more and more now. . . . The same goes for David Leonard and Miller Chabert. Out to Weirsdale the week this time will be two fresh. . . . Mettie Crissy trying out the pony tail hairdo and looking lovely. . . . Gladys Bates, Jimmy Brown, and Billy Lee suffering through these hot hours in Chemistry. . . . Helen Nichols and Marilyn Calhoun were the winners of the library recently. . . . But there will be plenty of couples at the Ball, so watch for the data on dates!
Whispers around that this is the month for the "Ball" and every one's on pins and needles waiting for it!
Seems as though everyone enjoyed the Emory Flier Club which sang for us Monday. . . . Love to have 'em return, too. . . .
Baseball is the sports hub now and we do seem to be doing so well. Holding our breath regarding the tournaments, in hopes Sanford will come out on top and we know it will!
That's all for now! Be seeing ya!

St. Catherine Group Meets At New Smyrna

Mrs. W. A. Leffer entertained with a luncheon at her New Smyrna Beach home on Monday for members of St. Catherine's Chapter of Holy Cross Episcopal Church. A short business meeting was held following the luncheon and swimming was enjoyed later in the afternoon.
Those enjoying the event were Mrs. E. Kirtley, Mrs. Ed. Worsell, Mrs. W. A. Pitts, Mrs. Leffer, Mrs. B. L. Perkins, Mrs. C. L. DeWolshi and Mrs. Thomas Vaughan.

Teachers' Club To Hold Annual Picnic

County teachers, superintendents and supervisors are invited to the annual picnic and meeting of the Seminole County Teachers' Club to be held on Thursday at Oviedo Community Hall. A chicken platter dinner will be served by the Oviedo faculty between 7:00 and 8:00 p. m. in the City Hall and will be presided over by Mrs. E. M. Olive.
Stewart Gatchel will conduct the business meeting during which time the group will adopt a new constitution. A program of singing and dancing has been arranged by Paul Miller of Oviedo and the singing will be accompanied by Miss Olive Reas White, director of the Emory Flier County singing group for us Monday. . . . Love to have 'em return, too. . . .
Baseball is the sports hub now and we do seem to be doing so well. Holding our breath regarding the tournaments, in hopes Sanford will come out on top and we know it will!
That's all for now! Be seeing ya!

Teachers' Club To Hold Annual Picnic

Circle No. 3 met Monday afternoon at 3:00 o'clock at the home of Mrs. J. H. Nicholson. Mrs. J. M. McCaskill conducted the devotional, her scripture lesson being taken from the 10th Psalm. She also read a poem "Little Things" by Mrs. E. M. Olive.
Mrs. J. C. Davis, who thanked the circle for their part in her gift of membership pin. Mrs. Kilpatrick thanked the officers and members for their cooperation and help during the past year.
Mrs. J. H. Nicholson presented with an appropriate gift by Mrs. L. J. Hughey from the circle. Mrs. R. F. Turner read "How to Live by Faith" by Mrs. T. H. Hinton. Mrs. Morgan served refreshments to Mrs. Hughey, Mrs. R. F. Robinson, Mrs. W. M. Mays, Mrs. G. K. Goff, Mrs. J. J. Hays, Mrs. Kilpatrick, Mrs. Dora Gatchel, Mrs. M. E. Mays, Mrs. Turner, Mrs. McCaskill, Mrs. Nellie Vaughn, Miss Mary Farris and Mrs. Morgan.
Circle No. 4 met on Monday afternoon with Mrs. Cyril Butler at her home on Douglas Avenue with Mrs. Roy Tillis presiding. Miss Beadie Zachary led the devotional using a selection from the "Upper Room" and closing with a prayer.
Annual reports were given and Mrs. Tillis received a gift from Mrs. Claude Herndon on behalf of the circle. Refreshments were served at the conclusion of the meeting to Mrs. Ella Irish, Mrs. J. H. McCall, Mrs. Zachary, Mrs. E. B. Boyin, Mrs. Butler, Mrs. M. F. Wright, Mrs. Tillis, Mrs. Herndon, Mrs. L. P. Hagan, Mrs. R. F. Cole, Mrs. L. P. Duffy, Mrs. Schultz and Mrs. Hardesty.
Circle No. 5 enjoyed a covered dish luncheon and meeting at the home of Mrs. Ned Smith on Silver Lake on Monday at 12:00 o'clock. The blessing was sung and after the lunch Miss Louise Siple opened the meeting by welcoming two visitors, Mrs. J. E. McKinley and Mrs. F. H. Alexander.
Annual reports were given by the officers and Mrs. W. H. Kirby and Mrs. J. N. Gillon were praised

Personal

Mrs. R. H. Walthour has returned from a two weeks' vacation in Washington and Baltimore.
Mrs. G. E. Rollins of Florence, S. C. has arrived to visit Mr. and Mrs. O. S. Tolar.
Friends of Mrs. W. H. Brown will be sorry to learn that she is ill at the home of her parents, Mr. and Mrs. T. N. Dillard, 1027 Seris Street.
Friends will be glad to learn that Mrs. Bill Harvey has returned to her home at 800 Magnolia Avenue from Jacksonville where she underwent an operation at Riverside Hospital.
Mr. and Mrs. D. E. Strubaker of 2101 Palmetto Avenue, have returned from Waycross, Ga. where Mr. Strubaker has been in the Atlantic Coastal Hospital for the past four weeks.
A. D. Bountree and Sherill J. L. Hobby plan to leave tomorrow to attend a barbeque held every two years in Monticello for the governor, senators and representatives. The event is sponsored by the Monticello Nursery.
Mr. and Mrs. Frank Shames and daughter, Phyllis of Long Island, N. Y. have been spending a few days in Sanford and Orlando with relatives and friends. Mrs. Shames and Phyllis left by train yesterday afternoon to return home but Mr. Shames remained to attend to business in Florida.
Friends will be glad to learn that E. Chester Daniels is now at his home on Lake Harsham. He was brought home by ambulance yesterday from St. Vincent's Hospital in Jacksonville where he has been since a serious automobile accident near Cross City. He will be unable to have company for ten days.

Mrs. Epps Hostess For Apopka Circle

The home of Mrs. A. W. Epps on Lake Minnie was the setting for a meeting of the Camellia Garden Circle of the Apopka Garden Club held yesterday. Upon the arrival of the guests, Mrs. Epps served cold drinks by the lake after which she conducted a tour of her gardens. The visiting club evidenced much interest in Mrs. Epps' use of native plant material in landscaping.
A picnic dinner and meeting followed the tour. Those from Apopka enjoying the event were Mrs. Norman Hickerson, Mrs. James Mahaffey, Mrs. Edwin Fy, Mrs. Francis Gieger, Mrs. John Tallon, Mrs. D. A. Meyer, Mrs. Calvin Grossbacher, Mrs. Raymond Anderson, Mrs. Barney Waters, Mrs. Clarence Conway, and Mrs. Thomas McEliffey with Mrs. Epps.
Quick company dessert: Cut peeled oranges crosswise into thin slices and arrange in a glass bowl; sprinkle with sugar. Add a layer of sliced bananas; sprinkle with sugar. Fill up the bowl in the same way, then top with a generous layer of moist shredded coconut. Chill, then top with whipped cream (sweetened and flavored with vanilla) just before serving. Makes a refreshing ending to a meal!

BIRTH ANNOUNCEMENT

Mr. and Mrs. Gordon Sweeney announced today the birth of a son on May 6 at the Fernald Laughton Memorial Hospital.
Mr. and Mrs. W. R. Moore announce the birth of a daughter Elizabeth Jo Anne born today at the local hospital. Mrs. Moore is the former Margaret Cullum.
Green rice is pretty to make with any meat or fish. To make it, just mix a quarter cup of minced parsley and a quarter cup of minced green onion tops into about four cups of hot cooked rice. Toss the greens into the rice with two forks so as to keep the grains separate.
When you broil shoulder lamb chops, be sure to place their edges in several places to prevent curling.

Admitted Forger Is Arrested In Daytona

DAYTONA BEACH (AP)—Chief of Detectives A. G. Layne reported Tuesday night the arrest of a Knoxville, Tenn., man, who admitted stealing a check-writing machine and making a business out of forged checks.

Layne said Jack L. Field, 24, told him he stole the check-writing machine and ran out of the Florida Shrimp Exchange from the Miller Press in Jacksonville, passed numerous bogus checks there, 13 or 14 in Daytona Beach and others in St. Augustine and Orlando.

The detective quoted Field as saying he was released from prison in Knoxville Jan. 15 after serving three years for forgery.

Negro With Knife And Bible Shot To Death

PANAMA CITY (AP)—A 45-year-old Negro prisoner from Opp, Ala., a Bible clutched in one hand and a butcher knife in the other, was shot to death as he sought to escape from the Bay County Jail today.

Chief Deputy Sheriff Anell Messer said he shot Conroy Bush, 45, here on a charge of assault with intent to murder, when he threatened him with the knife. Messer was exonerated by a coroner's jury.

Messer, Deputy Joe Simons, and witnesses gave the following account of the shooting to the jury:

Bush, who had served time in Alabama and Florida prisons, ran from his cell while another prisoner was being removed.

He slashed Goddard Gainsy, white trustee, with a razor; then grabbed a butcher knife from the kitchen and ran out the door. When Messer ordered him to halt, he threatened him.

No explanation could be given for his having the Bible.

Rescue

(Continued from Page One) them. Four were reported seriously injured.

Survivors crowded the decks of the Haiti Victory as she came slowly into the harbor at Harwich. Her damage appeared superficial to that suffered by the Duke of York. Everything forward of the superstructure had disappeared on the Duke of York. Capt. R. B. Adams, her master, and a skeleton crew of 15 remained aboard to work the vessel, which was reported taking some water.

The Haiti Victory, with a crew of 50 U. S. civil service personnel, was bound from Bremerhaven, Germany, to an American port.

The collision occurred in darkness, just before dawn. The Duke of York was about 60 miles along her regular 106-mile run from the Hook of Holland to Harwich. She is operated by the state-owned British Transport Commission.

Cannon for the siege of Vicksburg were cast from iron taken from Rinwood, N. J. mines.

INVITATIONS FOR BIDS
The Board of Public Instruction for Seminole County, Florida, will receive bids for the furnishing of all labor, materials, equipment and services required for the construction of a school building at Oviedo, Florida, consisting of one one-story five-room wing, including heating and miscellaneous furnishings and work, until 10 a. m., Tuesday, May 9, 1933, at the Court House, Sanford, Florida, at which time and place the bids will be publicly opened and read aloud.

Proposals and specifications may be obtained by depositing \$10.00 with the architect, Elton J. Moughton, 411 Sanford Atlantic National Bank Building, Sanford, Florida, for each set of documents, obtainable upon deposit of the same amount to each person who returns the documents in good condition within 10 days after the bid opening.

A deposit check, payable to the Board of Public Instruction for Seminole County, Florida, or a satisfactory bid bond executed by the bidder and acceptable to the board, in an amount equal to five percent of the bid shall be submitted with each bid.

The successful bidder will be required to furnish and pay for satisfactory performance and payment bond or bonds.

The Board of Public Instruction for Seminole County, Florida, reserves the right to reject any or all bids or to waive any informalities in the bidding.

John L. Bramley, Chairman
Board of Public Instruction
For Seminole County, Florida
R. T. Milnes, Secretary
Superintendent of Public Instruction.

Blues In The News

The Sanford Navy Sleet Team came through in fine style in the Florida State Sleet Shoot held at Gainesville, Saturday and Sunday. The State Meet included civilian and service teams and the five best Navy teams from Gainesville took honors in civilian competition while placing a class second in competition with other service teams. It is especially interesting to note that one of the civilian teams in the contest included a member who has long been an "all-American" in the art of sleet shooting.

The Sanford Navy team turned in a final score of 478 out of a possible 600 "birds". Sleet shooting is similar to trapshooting. Each of the five men on a team fire at 100 "birds". The individual scores are then added to arrive at a final team standing in a contest. The word "sleet" is derived from a Scandinavian word meaning "to shoot".

The five members of the Sanford Navy Sleet Team and the scores they made out of a possible 100 in the State Meet are as follows: Russell Beckley, ADC, VC-9, (Capt.), 97; J. A. Fuller, AMC, VC-9, 98; L. A. Leitner, ADC, FABRON 51, 94; and Richard Kora, AMI, FABRON 51, 93.

The team used 12 gauge ammunition and were in competition with 18 teams. The Sanford team also won the Class "C" and Class "D" Individuals Championships. Each man on a sleet team is in an individual class based on previous scores and Chief Leitner's score of 98 gave him the Class "D" championship while Chief Leitner's score of 94 took individual honors in the Class "C" division. Chief Beckley and Fuller are both in class "D".

Now that the Sanford Navy team has shown their skill in the art of sleet shooting, they are looking forward to many more meets in the future, both with service and civilian teams. Congratulations to our future men and good luck in all your future meets.

Seven NAAS men passed the examination for advancement to seaman and firemen yesterday and soon will be donning that third stripe on their uniforms. Five of the men will be advanced on May 16 while the remaining two will take the step up on June 1.

State Farmers Market

Legislature

(Continued From Page One)
of an attack by a vicious animal.

County Consolidation
TALLAHASSEE (AP)—A House committee today approved a proposed constitutional amendment giving the Legislature power to create, abolish or consolidate county offices.

Similar to the "home rule" amendment which was defeated in the 1932 general election, it also would permit establishment of county manager form of government and alter powers of county officials.

Rep. Murray, Polk County, who explained the bill introduced by him and Rep. Dowds, Putnam County, said the proposed amendment met objections of the "home rule amendment" which many thought was badly drafted.

The proposed amendment also would permit the Legislature to combine municipal and county offices. However, the committee added a provision to provide that in cases of municipalities, county changes they would have to be approved by votes of both municipal and county voters.

Tax-free Clothing
TALLAHASSEE (AP)—A bill which would raise the ceiling on tax-free clothing purchases to \$40 today was introduced by Sen. Rogels.

Clothing purchases over \$10 are now exempt from the three per cent sales tax.

The Rogels bill also would require payment of the sales tax on the full purchase price of machines and heavy equipment. Purchasers of machinery now pay sales tax on only \$200.

A two per cent tax on gross receipts from premiums on ball bonds was proposed in a bill introduced by Sen. Madison, Atty.-Gen. Ervin proposed such a tax to finance the statewide crime fighting force he recommended to the Legislature.

The Senate adopted a resolution calling for appointment of three senators to study and report to the 1935 session the advisability of the state furnishing serums and

Foreign Aid Cuts

(Continued From Page One)
"would require in the very near future spending more money in terms of our own national defense."

Rep. Battle (D-Ala.) asked the secretary if there is "any possibility of us working out of this foreign assistance in some future."

Dulles replied: "I see the possibility, indeed the probability, of a considerable reduction in the contributions we are going to have to make."

Stinson explained that the \$1,221,467.72 of funds listed as unobligated on March 31, actually is earmarked to meet military requirements. He said contracts had not been completed.

Sen. Byrd (D-Va.) meanwhile demanded that the administration "get down to brass tacks" and tell how much it actually intends to spend on foreign aid, as distinguished from how much it wants appropriated.

Board of Health. The Board would make safety and sanitary inspections of such homes with an eye to preventing such catastrophes as the recent fire at a Largo old folks home which took 33 lives.

Also put on the House calendar with committee approval was a bill which would have the effect of halting the Game and Fresh Water Fish Commission's controlled seining program.

It would prohibit sale of fresh water fish taken in Florida waters. Commission representatives said it would make it financially impossible to continue seining. A program aimed at co-ordination of state agencies dealing with agriculture, natural resources and the prison system was proposed in the Senate.

The plan's sponsors, Sens. Collins, Tallahassee, and Carlton, Wauchula, said there is interagency overlapping in these fields.

Byrd Racks Up 3rd Win Of Year; Palatka Plays Two Here Tonight

By RENT CHETLAIN
There was once a time when the indomitable Orlando baseball club used to make the day-long journey up the sandy rutted trails to Sanford in horse drawn wagons and gasoline buggies for the "automatic" victory over the "Coley City" diamond representatives. This went on until 1909, when Sanford won its first game from the Orlando Titans.

J. C. Dunn

There was once a time when the indomitable Orlando baseball club used to make the day-long journey up the sandy rutted trails to Sanford in horse drawn wagons and gasoline buggies for the "automatic" victory over the "Coley City" diamond representatives. This went on until 1909, when Sanford won its first game from the Orlando Titans.

Byrd scored his second win over the Solons of the season while notching his third triumph in five starts this year. Byrd came in with two more popper balls and yielded 10 hits to the lifeless Senators in going the entire route.

Hardly one fan of the 413 cash customers left the Memorial Stadium before the massacre was finished, sitting back and enjoying every pitch and play. It marked the end of the Sanford losing skid which reached the one-win and nine-loss mark in the last 10 contests before last night's glorious triumph.

Murray Byrd scored his second win over the Solons of the season while notching his third triumph in five starts this year. Byrd came in with two more popper balls and yielded 10 hits to the lifeless Senators in going the entire route.

Palatka pitched for 17 hits against the victors. Glenn Prescott led in hits with four for five, and Dick Fidler also did some heavy slick work, slapping out two triples to drive in three runs. DeLand's Dick Dotson gave up 11 safeties, all singles, but kept them scattered.

Daytona Beach forced the decision with Coena in the first inning with three runs on two hits, a walk and two errors, and from there on the Islanders never were threatened. They combed Bill Cooper for 16 hits, including two home runs by Manager Ed Lewis.

Sanford had lost nine of its last 10 games before taking Orlando. Murray Byrd went the distance for his second victory of the season and his third in five tries.

Red Hats Snare First Place In F-S-L Flag Race

By The Associated Press
DeLand, the defending champion for two years, edged past Coena and Jacksonville Beach Tuesday night and took over the lead of the Florida State League.

The Red Hats climbed to the top on a 14-4 victory over Leesburg while Daytona Beach blasted Coena, 12-1, and Palatka gave Jacksonville Beach the skins, 8-5.

Until those returns were in, Coena and Jacksonville Beach had held joint possession of first place. They share second today.

The Red Hats raked three Leesburg pitchers for 17 hits against the victors. Glenn Prescott led in hits with four for five, and Dick Fidler also did some heavy slick work, slapping out two triples to drive in three runs.

Daytona Beach forced the decision with Coena in the first inning with three runs on two hits, a walk and two errors, and from there on the Islanders never were threatened.

They combed Bill Cooper for 16 hits, including two home runs by Manager Ed Lewis. Jacksonville Beach's defeat was its first on home grounds this season.

Clude Briggs, however, ran his consecutive game batting streak to 23, a sheet of the record. The victory boosted Palatka from sixth to fifth place, replacing Leesburg.

Sanford had lost nine of its last 10 games before taking Orlando. Murray Byrd went the distance for his second victory of the season and his third in five tries.

Sanford had lost nine of its last 10 games before taking Orlando. Murray Byrd went the distance for his second victory of the season and his third in five tries.

All-Star Classic To Start At 7:30 P. M.

Thursday night the Rotary Club's Junior Baseball League will stage its second annual All-Star classic under the lights at the Memorial Stadium.

The pennant winning Cubs will be seeking to annex its second straight triumph in the post-season classic against the All-Star team composed of the best players from the other three teams.

Tomorrow night's tilt will get underway at 7:30 o'clock. Co-presidents Sonny Powell and Bill Bush will supervise the contest.

Climaxing the league play will be a Rotary-sponsored picnic for the Memorial Stadium while the Redbirds are playing in Palatka.

George Stine, manager of the Cubs exercised his option to select the All-Star players from the other three teams in the circuit—Giants, Tigers and Pirates.

The Rotary loop received consent from the Sanford Cardinals to play at the Memorial Stadium while the Redbirds are playing in Palatka.

Players drafted from the three clubs are as follows: Giants—Jimmy Hawkins, Gene Bass, Nick Schiraldi, Tiger—Swann, Bowen Carter, and Thomas; Pirates—Clark, Morris, Shoemaker and Dorsey.

The All-Star classic climaxes the six-week Rotary Boys Baseball League played at the Ninth Street Diamond for boys between 13 and 16 years of age.

St. Louis Sends 2 Infielders To Sanford Redbirds
Two more infielders are due in from the vast St. Louis Cardinal farm chain. It was reported today by Sanford General Manager Jim Gray.

Gray carried with his outstanding free record in Atlanta. The 5-foot-11, 165-pounder was named to the All-Star and All-City baseball team in 1959 and 1961. He was also selected All-State in 1951. Gray is an all-around athlete, excelling in football, basketball and golf.

DeLand's Vickery Paces F-S-L With Dazzling 0.57 E.R.A. Mark

SILVER SPRINGS — (Special) — On the basis of his present early season form, right-hander Jim Vickery of the defending DeLand Red Hat entry in the Class D Florida State League may this year set a new all-time earned run record—perhaps even in all organized baseball.

This broad prediction is based on the fact that through games of Sunday night, the little hurler had allowed only 12 runs, only three of them earned, in 48 innings of play, for the most remarkable earned run record of .57 per game!

The veteran Don Urquhart of Leesburg was close behind him with a .93 average after 58 innings during which 11 runs came off his delivery, six of them earned.

The league record of 1.32 earned runs per game was set by the veteran Myril Hoag for Gainesville in 1948, while the all-time organized baseball record of .75 earned runs per game was set by Bert Humphries of Tampa of the 1920 Florida State League.

Through Sunday, Urquhart, and Joe Angel of Jax Beach were undefeated with six wins each, while Virgil Frazer and Manager Bama Reeser of Coena, and Ernie Craumer of Daytona Beach were undefeated with four wins each.

Urquhart had appeared in the most innings—68, had started and finished six games while relieving in two, and had fanned the most men—55—one an inning.

Craumer had walked the most, 44 in 45 1/2 innings, but with Vickery was second only to Urquhart in number of men fanned—51. Coena's smart reliever, Dave Exter, and Jax Beach's unpredictable rookie left-hander, John Martin, had hit the most men—five each.

DeLand Dick Dotson, and Coena Leo Simard had given up the most home runs—four each.

Here are semi-official records, released at League headquarters here today, for all hurlers appearing in 21 or more innings since opening day, and through Sunday night, May 8:

Yankees Perk Up After Lambasting Cleveland, 11-1
BY BEN PHLEGAR AP sportswriter
Until last night the Cleveland Indians hadn't met the New York Yankees since they were in the city. They were wishing they had let well enough alone.

The Yankees limped into Cleveland yesterday feeling mighty low. They were at the end of a rough losing streak, and they knew which they had had to scramble to break even against second division teams. Their pitching staff was shot. The hitters were hitters in name only.

The club was led for the league lead. This was the big chance for Cleveland to take over. At least that's the way it looked to the Indians fans.

Slugging Pirtle Is "Big Bertha" In Azalea Attack

The Sanford Cardinals, fresh from their 22-5 holocaust victory over the Orlando Senators last night, will be seeking to extend their winning ways in seeking wins No. 2 and No. 3 in a row when the Palatka Azaleas invade the Memorial Stadium for a doubleheader tonight.

The first contest, starting at 6:30 p.m., will be a make-up for the rained out game here 10 days ago. Ernie Palmieri, tough luke righthander with an 0-2 record this year, in Cardinal Manager J. C. Dunn's mound choice for the hill.

Leading the Palatka Azaleas will be rotund Al Pirtle, slugging right fielder, who smashed two homers in his initial appearance here this year. Incidentally, this same barrel-shaped catcher whacked out a pair of homers in the season's finale at the Memorial Stadium last year.

Pirtle ranks as the all-star great Florida State League hitter, holding the highest batting average in the circuit for a single season, .383 in 1949 while playing with Gainesville.

The short, husky lefthanded swinger has played with DeLand, Gainesville and Palatka since first entering the FSL in 1948.

Battling in the clean-up spot, Pirtle will be the big bertha in the Palatka hitting attack this evening. He will receive able support from Mike Kasaban, sawed-off flycatcher who hit .362 for the A's in 1951 and .324 last year.

Jumping Joe Ducker, converted pitcher from Coena, has been Manager Baird's most pleasant surprise of the season, batting well over the .500 mark and seeking that long ball on occasions.

6,933 Paid To Watch Cardinals In 9 Memorial Stadium Contests

Despite a last place team, baseball fans in Sanford cannot be accused of not supporting the team. For the first nine home games at the beautiful \$200,000 Memorial Stadium, the Cardinals have played to 8,400 fans with 6,933 being paid admissions.

Included in the total attendance figure are 992 women admitted free in two Ladies Night games thus far. The average attendance for ladies night games has been close to the 1,100 mark.

The average paid gate per contest is 770 as compared to last season's 590 for 65 games. By taking the total attendance figures, the Cards have averaged an even 900 fans per game.

Last year the total attendance including ladies nights and merchants night hit the 47,713 point for an average of 734. The 1952 attendance in the Memorial Stadium doubled the 1951 gate in the old Municipal Stadium, 38,360 to 19,289 paid.

Gen. Vandenberg Will Retire June 30, To Be Succeeded By Twining

President Announces First Staff Change

WASHINGTON (AP)—The White House announced today Gen. Hoyt S. Vandenberg is retiring as Air Force chief of staff and will be succeeded by Gen. Nathan F. Twining.

Twining at present is vice chief of staff. Assuming the Senate confirms his appointment, he will step up to the top Air Force post June 30 when Vandenberg's term expires.

This is the first change in the joint Chiefs of Staff since Eisenhower took office, and the White House gave no indication whether it would be followed by other changes.

Nominated to succeed Twining as vice chief of staff was Chief of Staff Thomas D. White, who would get a fourth star.

Twining's appointment is for the usual four years.

In advance of the White House announcement, the Air Force released an exchange of letters between Vandenberg and Secretary of Air Harold E. Talbot in which Talbot said that he had approved Vandenberg's retirement "with reluctance."

Vandenberg was originally appointed chief of staff for a four-year term which ended April 30, 1952. At that time his tour of duty was extended for 18 months.

Vandenberg served in the Air Force during the last five years of his life. He was a member of the Joint Chiefs of Staff.

Vandenberg, now 54, pointed out in his retirement request that he has served more than 34 years and that the last five have been as chief of staff.

Vandenberg's retirement is the first announced by a member of the present Joint Chiefs of Staff.

The chairman, Gen. Omar N. Bradley, will complete his second two-year term on August 15.

The remaining member, Adm. William M. D'Amico, will complete his four-year term on the same date this summer.

The remaining member, Adm. William M. D'Amico, will complete his four-year term on the same date this summer.

The remaining member, Adm. William M. D'Amico, will complete his four-year term on the same date this summer.

TB Unit Will Be Here On May 12, Jaycees Are Told

Mrs. Clara Jobe, executive secretary of the Seminole County Tuberculosis Association, announced today that state-owned chest x-ray units would be in Sanford and Seminole County beginning Tuesday, May 12, through Saturday, May 23.

Mrs. Jobe outlined the county association's plans for the forthcoming chest x-ray campaign in her speech before the Junior Chamber of Commerce in the Yacht Club.

The mobile x-ray unit has not been to Seminole County since 1931, she said. "When it was here, only 51 chest pictures were taken, and out of that number 28 suspects were found."

"We hope to take pictures of at least one-third of the county's 35,000 population. We have already printed 10,000 handbills and have been receiving fine publicity from the newspapers and radio."

The permanent x-ray unit will be located at Mather's Furniture Store in downtown Sanford for the entire period while a mobile unit will be touring the county, she added.

At the present time we have 14 TB patients in the hospital with four more on the waiting list, including two white women and two Negroes.

In conclusion, Mrs. Jobe asked the Junior Chamber for its wholehearted support in publicizing the x-ray unit. President Douglas Stenstrom thanked her and pledged the Jaycees' support.

The Sanford Jaycees snared two first places and a second place ranking in its scrapbook entries at the State Junior Chamber convention held in Daytona Beach last week.

In addition, Valle Williams was elected district vice president in a three-way race. President-elect Cliff Able revealed.

William Hutchison Jr. reported that Sanford's Douglas Stenstrom was selected as one of the five "Most Outstanding Young Men" in Florida.

Mr. Kader also said the Florida Wildlife Magazine will have a feature story concerning Sanford and Seminole County fishing in its issue next month.

Judge Stenstrom announced that the Jaycees will have a float in the annual Armistice Day parade, slated for Saturday, May 10. Lt. Comdr. Charles Atkinson is in charge of building the float.

Joel Moss, Seminole High School junior, will be sponsored by the Jaycees for the American Legion's Boys State trip to Tallahassee.

Don Rieder announced that Francis Moore, 20-year-old, is a contestant in the Miss Florida Contest at Daytona last week, will be sponsored again by the Junior Chamber in the Watermelon Festival in Leesburg.

Cliff Able suggested that the club sponsor her in the Dixie Frolics at Daytona on July 4.

Cliff Able suggested that the club sponsor her in the Dixie Frolics at Daytona on July 4.

Mighty Naval Craft Shell Korea Harbor

Attack Follows Softening By Aircraft

By WILLIAM WAUGH
SEOUL (AP)—The mighty battleship New Jersey and the cruiser Bremerton steamed boldly into Wonsan harbor, Korea, east coast today and bombarded the battered Communist port and communications hub for the second time in three days.

Big guns of the two warships and an escorting destroyer opened up a few hours after dive bombers from the carriers Princeton and Valley Forge heavily damaged an important Red metal processing plant in Northeastern Korea, only 100 miles from Siberia.

Sea and air forces provided virtually the only action. Fighting along the twisting 153-mile coastline was at a virtual standstill.

The New Jersey's 16-inch rifles cleared shell after shell into Communist artillery positions, raining the rubble city. The Bremerton and destroyer Twining bombarded communications targets as well as anti-aircraft.

Planes from the Princeton and Valley Forge Wednesday demolished the main transformer which currently exists as a semi-processed plant northwest of the Communist port of Songjin. The Navy announced.

Cruisers and Skyraiders flew through line of anti-aircraft fire "so heavy we could get out and walk on it" to bomb the key metal plant.

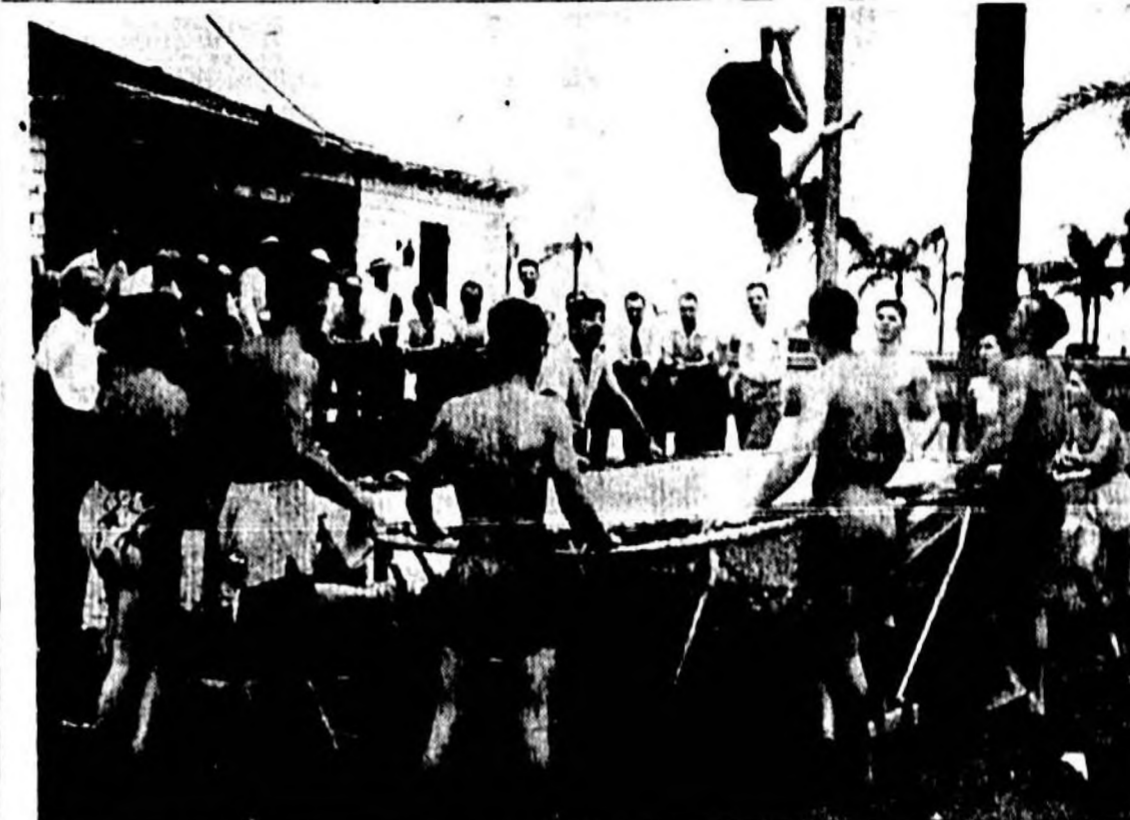

Pilots said bombs landed squarely on several buildings and touched off three secondary explosions which could have been ammunition stores.

Low clouds grounded many Allied warplanes Tuesday, but 23 Sabre jet fighter-bombers bombed a Red troop concentration at Singye, northwest of Choron in West Korea. Pilots reported 20 buildings destroyed.

Fourteen Japan-based B29 Superforts dumped 140 tons of bombs on a 150-acre troop and supply area at Tokchon in northwest Korea Wednesday night.

The ground force was an elite 8th Army briefing officer said only 30 Communist soldiers were killed or wounded in the 24 hours ending early Thursday. U. N. divisions on the Western Front reported hitting only one Chinese in overnight skirmishes.

Communists Unveil New Plan As Compromise Designed To Break Korea Truce Deadlock

Sue Ann Bradford demonstrates a backward flip on the trampoline for the Lions Club in front of the Yacht Club. Sue Ann was one of a group of nine boys and two girls from the school playing an exhibition following the Lions Club's luncheon meeting. High school teaching at Stetson University and has been used by the local high school in physical education classes recently. Included in the prep tumbling group were Junior Vets, Ray Davis, Joe Paken, Clarence Hittell, Hughes Julian, John Bowen, Luther Muse, Bob Taylor, Mar Rosen, Charlotte Wain.

Important Concession Is Granted By Reds

By ROBERT H. TUCKMAN
PANMUNJOM (AP)—The Communists today unveiled a new compromise plan to break the Korean truce deadlock and the Allies immediately asked time for top-level study.

The eight-point proposal flatly accepts an insistent Allied demand that 48,000 Communist prisoners who refuse to go home be left in Korea after an armistice rather than sent to a neutral country.

And it offers other concessions. Even though the Reds made it clear the Allies must accept all or nothing, this appeared to be the first major break since the truce talks reopened April 25 in an effort to agree on exchange of prisoners, last major barrier to an armistice.

It also offers other concessions. Even though the Reds made it clear the Allies must accept all or nothing, this appeared to be the first major break since the truce talks reopened April 25 in an effort to agree on exchange of prisoners, last major barrier to an armistice.

WASHINGTON (AP)—State and Defense department officials began a searching study today of the Communists' new eight-point plan on prisoner exchanges. The plan on the surface appeared to offer some important concessions toward getting a truce in Korea.

Washington authorities in recent days have become highly skeptical about whether the Reds really want a Korean armistice, however, and their skepticism and suspicion of all Communist moves dominated initial reaction to this latest proposition.

Soon after the Red plan was received here from Lt. Gen. William K. Harrison, senior U. S. trustee negotiator, by way of Gen. Mark Clark's headquarters, State and Defense policy makers went to work on it. The only word given out from these quarters initially was that it was much too early to say whether the new plan had appreciably brightened truce prospects.

It proves to mark real progress, however, it could mean taken together with news from Laos that government is exceedingly gloomy outlook in the Far East approaching major crisis, proper, but suddenly lightened. The news from Laos which could contribute to the improved Communist forces which had driven into the little Indochinese kingdom.

Both House and Senate worked mainly on bill of minor interest and proposals pending in the afternoon to hear addresses by U. S. Sen. Spessard L. Holland and George A. Smathers.

Williams and the milk prior bill should be agreed out on the House floor where all members could participate.

It would like to know if we have a time factor for all a man who should sell articles he produces to be declared "Shouldn't he have the right to sell whatever he produces at the price he wants?"

Opponents of Williams' motion (Continued on Page Three)

State Seeks Bids On Paving Road To Navy Air Station

TALLAHASSEE (AP)—The State Road Department today called for contractors' bids to be opened at Tampa May 21 on paving an approach to the Lower Tampa Bay Bridge and 19 secondary projects throughout the state.

The Lower Tampa Bay Bridge job will be paid for with money obtained through sale of the bonds which financed the project. The money for the other jobs will come from the road department's secondary road fund.

The Lower Tampa Bay Bridge job was advertised as the paving of State Road 55, Pinellas County, from Maxine Point on the mainland to structure C.

Other projects included: Paving, Seminole County, between Sanford Ave. and the U. S. Navy Air Base. Paving 8-231, Alachua County, between a point about one mile north of the Levy County line and road 229. Surfacing road 8-542, Polk County, from Hillsborough County line east to Winston. Paving road 8-399, Escambia County, on Santa Rosa Island. Paving road 8-912, Monroe County, on Summerland Key. Paving road 715, Palm Beach County, from Pahokee State Farmers Market north to road 15. Paving road 8-115, Palm Beach County, from road 80 south to existing pavement. Paving road 8-005, St. Lucie County, from road 8-112 to south city limits of Ft. Pierce.

Storer Elected As President Of Dixie Baptists

HOUSTON (AP)—Dr. J. W. Storer of Tulsa, Okla., today was elected president of the Southern Baptist Convention.

The 66-year-old minister was chosen in a runoff with Dr. C. C. Warren of Charlottesville, N. C. The election dominated the second day of the convention. The total vote was not announced.

Dr. Storer held a plurality over Dr. Warren and three other candidates on the first ballot.

While voters were counting the nearly 15,000 ballots, the convention elected a 17-member committee to study the question of membership in the Southern Baptist Convention. The committee will report to the convention on the first ballot.

Officials of the convention told reporters the resolution was "revolutionary" in that Southern Baptists in the past have been among the leaders in opposing federal social security for ministers.

HOUSTON, Tex. (AP)—Four ministers and one layman were nominated today for president of the Southern Baptist Convention. Nearly 16,000 official messengers to the 90th session of the convention began casting secret ballots at 10 a. m.

Dr. T. L. Holcomb, Memphis, Tenn., retiring executive secretary of the Southern Baptist Sunday School Board.

Dr. Wallace Hasset, pastor of Cliff Temple Baptist Church, Dallas.

Judge Eugene Siler, Williamsburg, Ky., wholesale grocer.

Dr. C. C. Warren, pastor First Baptist Church, Charlotte, N. C., and first vice president of the convention.

The Rev. J. W. Storer, pastor First Baptist Church, Tulsa, Okla., had three other men were nominated but asked that their names be withdrawn.

They were Dr. W. Douglas Hudgins, Jackson, Miss.; Dr. W. A. Criswell, Dallas, Tex.; and Dr. W. R. White, president of Baylor University, Waco, Tex.

Bill Abolishing Price Fixing Power Of Milk Commission Fails In House

TALLAHASSEE (AP)—Senator Bayle of Sanford introduced Senate Bill 818 amending Chapter 321 relating to automobile transportation companies. It was referred to the Transportation and Traffic Committee.

TALLAHASSEE (AP)—An attempt to revive the bill abolishing price fixing power of the Florida Milk Commission failed in the House today by a vote of 41-28.

The bill was reported Wednesday by the Transportation and Traffic Committee in favor of another measure which would let the board keep its price fixing power but give milk consumers more representation in the agency.

Rep. Williams, Seminole County, sought to override the committee's action but failed by a vote of 10-10.

Both House and Senate worked mainly on bill of minor interest and proposals pending in the afternoon to hear addresses by U. S. Sen. Spessard L. Holland and George A. Smathers.

Williams and the milk prior bill should be agreed out on the House floor where all members could participate.

It would like to know if we have a time factor for all a man who should sell articles he produces to be declared "Shouldn't he have the right to sell whatever he produces at the price he wants?"

Opponents of Williams' motion (Continued on Page Three)

Negroes Begin Terms As City Councilmen

CHARLOTTE, N. C. (AP)—At least five Negroes started terms yesterday as councilmen in five North Carolina towns. Four were the first to hold such positions since Reconstruction days.

Hubert S. Robinson, a junior at the University of North Carolina, led the vote in Tuesday's election for three of six members of the board of aldermen at Chapel Hill. Robinson, a former employee in the home of Dr. Frank P. Graham, former president of the university, polled 571 votes. The runner up with 500 votes was Dr. Paul Wager member of the university faculty.

Most town elections were non-partisan. The other Negroes were elected in Greensboro, Wilson, Gastonia, and Durham.

People Interested In Working In New Plant Are Sought

Ralph Prescott, manager of the Florida State Employment Office located at 114 South Palmerton Avenue, today requested all experienced persons interested in working in Sanford's new dress-making establishment register with his office immediately.

An immediate need exists for sewing machine operators, pressers, and packers with operators the prime necessity.

Piero Giuseppe, who is making machines to arrive either today or tomorrow they were shipped from New York on Monday. Being installed in the establishment on the second floor of the Kent Garage are cutting tables, while plumbing, electrical, and gas services are being connected.

Once the plant starts operating, all help will be local except for Mr. Piero, who will remain here while an assistant operates the New York portion of the business. Prescott said that those who were previously registered with his office should report.

Easter Seal Drive Is Still Short \$114

The Easter Seal drive is still \$114 short of the \$1,000 mark and although the campaign is officially over, Mrs. Harold Appleby, Seminole County chairman, is still hopeful of reaching that amount.

An immediate need exists for sewing machine operators, pressers, and packers with operators the prime necessity.

Piero Giuseppe, who is making machines to arrive either today or tomorrow they were shipped from New York on Monday. Being installed in the establishment on the second floor of the Kent Garage are cutting tables, while plumbing, electrical, and gas services are being connected.

Once the plant starts operating, all help will be local except for Mr. Piero, who will remain here while an assistant operates the New York portion of the business. Prescott said that those who were previously registered with his office should report.

Longwood Group May Serve As Tax Board

TALLAHASSEE (Special)—The Town Council of Longwood in Seminole County could act as a delinquent tax board, according to terms of a bill introduced by Rep. Cleveland Williams today.

It would authorize the board to receive applications for adjustments of taxes and assessments and could make such compromises regarding settlement of any municipal tax sale certificate or unpaid taxes on city property prior to 1950.

Hobby Defends His Fee For Returning Prisoner To State

Sheriff J. L. Hobby today defended his office's action in returning a worthless check writer from Ohio for prosecution, which was one of the terms on his monthly bill submitted to the County Commission on Tuesday which caused that group to hold up payment.

The Sheriff's request for payment of his bill for his office during the month of April totalling \$4,218.53 was turned down by the Commission during its regular session.

Mr. Hobby declared in a written statement today that: "The Justice of the Peace issued a warrant for violation of the criminal law of passing a worthless check which is a felony under Florida law. Two worthless checks were passed, but the Justice of the Peace issued only one warrant in order to save the County double costs. One check was for \$400 and the other for \$150."

"I was authorized by State Attorney H. E. Grigas to bring the accused back to Seminole County in order to pay the \$150 to the man he defrauded. This is not the case. He was returned to be prosecuted, he was prosecuted and he is now in jail."

"I regret that Commissioner Melch has no need to bring criminals to court. However, as long as I am Sheriff of Seminole County, I will do my duty and since I believe this is exactly what the good citizens of the County want me to do."

"I ran for this office on a platform of enforcing the laws and bringing criminals to justice. If we are to let people get away with violations of our criminal laws, there is no need for having a sheriff."

Plans Are Revealed For New Cemetery

Plans for a modern perpetual care cemetery to be located on the country club road just west of Twin Lakes were revealed today by W. B. Williams, president of the cemetery corporation.

The cemetery will be the first of its kind in Seminole County according to Mr. Williams, who stated that at the present time only about three acres of the tract will be opened. However, he pointed out there is ample space available for many years to come.

Funds for the cemetery's care and maintenance will be placed in irrevocable trusts in a bank. These funds will increase monthly by a percentage amount from the sale of each lot.

The corporation is composed entirely of local people with Mr. Williams serving as president and Ray Mason as secretary-treasurer. No date of the opening has yet been announced.

A temporary office has been set up at 116 North Park Avenue.

The Seminole High School band plans to make its annual appearance in Daytona Beach tonight in conjunction with National Music Week. Bandmaster Ernest Cowley is in charge of the group.

The band made its final home appearance Sunday afternoon on the lawn adjacent to the Court House.

RECEPTION MEETING A devotional meeting of the Chamber of Commerce has been held at 7:30 p. m. Tuesday at City Hall. It was announced by the Chamber of Commerce.

Jailer Of Dade's Escape Proof Jail Resigns His Post

MIAMI (AP)—Lee C. Sanders, veteran police officer, resigned as head jailer Wednesday with an "utter confusion" in the office of Dade County Sheriff Thomas J. Kelly.

Sanders, 42-year-old former police officer and deputy U. S. marshal, said he felt recent Kelly appointments had relieved him of any responsibility for two jail breaks from the maximum jail when nine prisoners fled.

"I have no desire to make Sanders a whipping post," Kelly said. "I can take all the heat that goes out from this office."

Sanders rapped Kelly's appointment March 16 of Deputy George J. Washington as administrative assistant in the charge of all jail personnel. He said Washington at no time conferred with him and that he had no part in supervision of jail personnel.

"I regret that it has become necessary for me to make this decision but in this department and its personnel is an utter confusion from lack of training, supervision, leadership and from divided authority—a condition which makes it impossible to determine who is responsible for conditions as they now exist," Sanders said in his letter of resignation.

Sanders had been slated for replacement as warden of the system here on May 15, Arthur I. Scrabble, but Kelly said he hoped to retain the veteran officer in another capacity.

Sanders said the department had "too many chiefs without any Indians."

TO PROMOTE CURE JACKSONVILLE (AP)—The FBI said Wednesday it plans to conduct for Florida officials, regarding a steady increase in highway and other crimes involving interstate commerce. Conferences are scheduled here Oct. 7, at Orlando Oct. 10, Tampa Oct. 13 and Miami Oct. 16.

QUINTELLS LOW BID JACKSONVILLE (AP)—An apparent low bid of \$600,000 for the construction of a new prison at Quinteills, Fla., was announced by the state today.

GRAND JURY PICKS A grand jury of 12 members from the 1st judicial circuit was selected by the state today.
