

COUNTY HAPPENINGS

A BUNCH OF INTERESTING ITEMS FROM CORRESPONDENTS—EVENTS OF SEMINOLE COUNTY—EFFICIENT REPORTERS FOR THE HERALD

OVIEDO

On Wednesday night, July 14th, Richard Vernon Strange, son of Mrs. R. R. Strange died at the home of his parents in Oviedo. Richard had a very severe attack of diabetes in December from which he never recovered. He was a splendid child of fourteen years and his death was a source of grief to his friends in Oviedo as well as the sorrowing family. Besides his mother Richard leaves three sisters, Mrs. J. M. McDewitt and Miss Naomi Strange of Jacksonville, Miss Inez Strange of Oviedo and one little half sister Dorothy Mae Strange and his step father R. R. Strange. Miss Naomi Strange attended the funeral returning to Jacksonville Sunday afternoon.

N. F. Lezette returned Saturday from Daytona Beach, where he has been spending the past month.

Miss Virginia Wright left Saturday afternoon for a week's visit to Miss Olive Lezette at Daytona Beach.

Miss Edith Stockin returned Thursday from Bridgeport where she had been spending a few days with relatives and friends.

R. W. Lawton left Thursday for Washington, Baltimore and New York.

O. P. Swope and son Sidney spent the week end with Mrs. Swope and children at Daytona Beach.

Miss Nell Williams spent Wednesday in Longwood, the guest of Mrs. L. T. Hunt.

Mr. and Mrs. Joe Stevens, Miss Myrtle Stevens and Mr. Charles Cavass of Bridgeport visited Oviedo Sunday afternoon.

Mr. R. R. Strange and family have moved to the Hunt place.

Mr. and Mrs. Roy Ellis and children spent Sunday in Oviedo.

W. E. Young left Saturday for Tampa and Sarasota. During his absence Mrs. Young is visiting Mrs. Featherstone in Orlando.

L. C. Shupe and family have moved to the Mathers place formerly occupied by C. D. Shupe.

Mr. and Mrs. R. E. Kelsey are the proud parents of a fine baby boy born Tuesday July 20th.

Mrs. J. B. Jones and son Malcolm returned Sunday from Orlando where little Malcolm has spent several weeks in the hospital.

T. J. Brannon left Tuesday morning for Bainbridge and Thomasville, Georgia.

Mrs. Mary Lawton returned Wednesday from Jacksonville and will spend several weeks with her son, T. W. Lawton.

Mrs. A. K. Crawford and son George are visiting Mrs. Z. Spang in Leeper.

Melle Marshall is spending a few days at home this week.

W. M. Haynes and Sabelle Maines of Sanford were welcome visitors to Oviedo Tuesday.

Mr. and Mrs. C. A. Brewer, Miss Mary Leinhardt, Miss Mary Brannon and W. M. Wright were visitors to Orlando Saturday.

Mrs. L. R. Mitchell and Miss Edith Stockin spent Saturday in Orlando.

S. L. McDavid spent Sunday in Plant City and Tampa.

G. G. Jacobs of Chuluota was a guest at the Oviedo Hotel Tuesday. Misses Catherine and Elizabeth Lawton returned Wednesday from a visit to Jacksonville.

Mrs. L. T. Hunt and children visited Oviedo Monday.

Mr. Daniels of McDonald spent a few days in Oviedo this week.

Miss Wren of Oakland is visiting her sister Mrs. T. C. Shupe.

News has been received in Oviedo of the birth of a son to Mr. and Mrs. E. L. Jordan at Starke, Fla.

LONGWOOD PICK-UPS

Last Wednesday evening Mrs. C. W. Entzinger entertained the young people at her new home. Dancing being the feature of the evening. A delicious punch and cakes were served.

Mrs. Mobley returned to her home in Lakeland on Saturday after spending several days with relatives.

Dr. Holly returned to Tampa on Saturday.

Mr. and Mrs. Partin of Maitland are the guests of Mrs. McCloud on Sunday.

Greenwood Lake is becoming quite a popular place for swimming parties. Mr. Geo. Stewart returned from Pease on Saturday. He says there is no place like Florida.

Lennie Hartley and Bill Lewis were visitors in Orlando on Friday.

Mrs. Tullis was shopping in Sanford on Tuesday.

Miss Margaret and Anna Bell Allen of Orlando spent the week end with home folks.

Mrs. W. S. Entzinger and two children returned to their home in Plant City on Monday after a very pleasant visit with relatives and friends.

T. J. McGahey has returned from

Jacksonville where he spent several days.

Mr. Short is remodeling his house and it is making it very attractive.

J. S. Dinkel was transacting business in Sanford on Monday.

Last Friday Mr. and Mrs. F. J. Neimyer, Mrs. Geo. Stewart, Miss Margaret Stewart and Master Geo. Stuart motored to Coronado beach for the day.

Friends of Mrs. Rineau will be sorry to hear of her continued illness.

Beeman Springs is more popular than ever this summer.

Miss Williams of Oviedo was the guest of Mrs. Berta Allen last week.

Mr. Rineau was transacting business in Orlando on Monday.

UPSALA AND GRAPEVILLE

Andrew Bertleson has returned from Boston, Ga., and is again at his work at the shops. He was a caller at his sister's home Mrs. Magnuson, on Tuesday.

Elmer Tyner who is a pipe worker apprentice at the A. C. L. shops is off for 15 days taking his vacation on Lookout mountain, Chattanooga and later with relatives at Grays, Georgia.

Cyril Boyd brought his grandmother, Mrs. Woods of Eustis from Orlando, Saturday, where she was staying for a few days visit here with Mrs. Canada and Mrs. Cruise. On Tuesday she went to Wekiwa to see Mr. Boyd.

Mrs. George Benton of Rochester, N. Y. is making a short visit at the home of her brother, A. F. Westerdick and niece, Mrs. Barney Beck. She likes it so well here she has decided to purchase a winter home here for her family and they hope to come down this next Fall for a few months. We are glad to hear of Mr. and Mrs. Hall and son of Miami came up by auto spending Tuesday with their friends Mr. and Mrs. A. L. Campbell and they saw a number of Upsala and Grapeville folks enjoyed the evening at the lake.

Mrs. Ballinger was a caller at the homes of Mrs. Magnuson and Mrs. Augie Swanson where she enjoyed the afternoon with the ladies.

Mr. and Mrs. Barney Beck and children returned with their cousin, Bucher Beck to Ocala, Thursday to pay a long promised visit with their relatives there, returning home Tuesday. They made the trip in their auto.

Mr. and Mrs. Alfred Ericson and children and Mr. and Mrs. Magnuson took a pleasant auto trip Sunday afternoon to Orlando.

Clarence Bergquist spent the week end here with his friend, Archie Swanson, taking them all for a ride to Mt. Dora and returned Sunday, and also Mr. and Mrs. E. F. Lundquist and little ones.

We are in hopes that it will be possible to hold the service next Sunday evening—if the rain holds up it is sure good for sweet potatoes.

Mrs. Edwin Peterson and daughter and her nephew of Holly Hill left Sunday to visit her sister in Knoxville, Tenn. Her friends here will be glad to hear they are going by auto.

EAST SANFORD

Mrs. E. M. Galloway is at Battle Creek, Michigan in a sanitarium, taking treatment for asthma. Mr. Galloway will join her there in a short time while on his vacation.

Mrs. B. E. Squire is at home from Coronado recovering from a short but serious illness.

G. C. McDougal is at Asheville, N. C. taking a vacation from his duties at the Lakeland A. C. L. Shops.

I. D. Martin is leaving this week to join Mrs. Martin at their summer camp near Bridgton, Maine. Mrs. Martin having decided not to go to England this year.

A party composed of Mr. and Mrs. A. Company, Mr. and Mrs. C. E. Chorpensing and young people and Mr. and Mrs. W. E. Prevatt and son drove over to Coronado beach Sunday morning and had a dip, and lunch and drove back to New Smyrna where Mrs. Chorpensing and Alys took the train for South Jacksonville to visit Mr. and Mrs. Bryan Squire and children for a week.

Mrs. Boston Steel and young sons George and Robert expect to leave soon for their old home at Manassas Old Virginia for a visit of some length.

Miss Virginia Long accompanied her aunt Mrs. B. E. Colein to Jacksonville Sunday for a visit.

Mrs. Walter Raulerson is at home from a visit with her people at Lake City.

Mrs. Mary Raulerson is here from Lake City visiting her daughters Mrs. Mitchell and Mrs. Warren and other friends.

Mr. Singletary and Lee Kinard and their families of Cameron City are both driving new Ford cars.

Mr. and Mrs. Ross Long have bought 10 acres of land on the West Side of Richmond avenue from E. E. Brown south of the place they first sold to Mr. Henley.

Mr. Morella was unfortunate in

ELDER SPRINGS WATER

THOMAS D. BAKER, Ph. D.
Analytical and Consulting Chemist, Professional of Natural Science
Emeritus, Rollins College, Florida
Private Laboratory of Rollins College, Winter Park, Fla., Nov. 25th, 1938

Mr. T. O. Charles, Sanford, Fla.
Dear Sir: I have completed careful chemical analysis of the sample of water that you brought me early last week, and have obtained the following results:

Color	Clear	Chlorine	1.75 parts per million
Hardness	Neutral	Total solids	4.60 parts per million
Free Ammonia	0.0 parts per million	Hardness	22.01 parts per million
Albuminoid ammonia	Trace	Nitrate	Trace

The absence practically of free and albuminoid ammonia in this water and its very small amount of chlorine indicates its excellent quality for household purposes. In addition to the good quality characteristics of superior household water, it possesses special features of much value, especially those of excellent natural aeration and LOW degree of hardness.

The bacteriological analysis, resulting in an average total count, in four samples of the water, of 3 bacteria per cent, and in finding no coliform, or other harmful bacteria, fully confirm its good quality indicated by the CHEMICAL analysis.

If the many waters of this and other regions that I have analyzed, I have found none superior in all good qualities to that of the "Elder Water."

Yours very respectfully,
THOMAS D. BAKER

T. O. CHARLES, Distributor
TELEPHONE 311-W 111 PARK AVE. SANFORD, FLORIDA

they smash the whole caboodle with an axe—and the "cordial interest" runs on the law-maker's lawn. And the negroes, seeing the broken bottles right through th' gunny stuff, eagerly seize the larger pieces of the bottles and suck up what enthusiasm and "interest" remain there until the glittering glass calls for th' p'lice! But at weddings—well, no; not one drop.—Palm Beach Post.

Bryan Disappointed
San Francisco, July 7.—"My heart is in the grave with our cause and I must grieve until it comes back to me," said William J. Bryan today, in giving his reason for not making any extended statement on the work of the democratic national convention. "My views on the convention's action with reference to prohibition are known," said Mr. Bryan. "I regard it as a very serious mistake; it opened the door for the nomination of a wet candidate. I need not repeat here what I have said before regarding the evasion of other issues."

Mr. Bryan said he had no selection in mind for the vice-presidency. When asked if he would have anything to do with the third party movement which begins its organization in Chicago July 15 or a day earlier, he said: "I do not care to discuss any other movement. I took the time to design a candidate and to make a speech in support of the question. I do not care to say anything about congressional plans, but the press has suggested a subject which the people cannot overlook, namely, the possibility of electing a senate and a house of representatives to have the same interest in passing legislation of any other kind."

SANFORD'S RIVER TRIPS

Many Places of Amusement In And Around This City

There are many places of amusement around this city and what with the springs, and lakes and water trails and rivers and lakes the folks who wish to spend the summer at home can find plenty of amusement and pleasure and much more solid comfort than those who rush to the crowded cities of the north with the mistaken idea that it is cooler. There are many beautiful spots on the St. Johns river and many others could be made if some one with capital would only get hold of them and improve them just a little bit. The upper St. Johns river has many beautiful spots for camping and fishing and hunting and the lower St. Johns river has equally as many. Among the sport trips that can easily be made is the day-long party which starts with equipment going and coming and several hours after landing is the trip to Blue Springs which is about twenty miles from Sanford and near Orange City Junction. The trip down the river is all that can be desired and upon arriving at the mouth of Blue Springs the transfer from the river to the near time water of the spring is a revelation to those who see it for the first time and never gets old to those who see it often.

L. G. Lovelless is now operating a launch on this and other pleasure runs from the city and has fixed up the boat most comfortable in every way. He and Mrs. Lovelless were hosts to a party Monday that went to Blue Springs and thoroughly enjoyed the day fishing, bathing, boating and eating. In the party were Mr. and Mrs. R. J. Hoop, Mr. and Mrs. W. W. Birchfield, Mr. and Mrs. Mag. Holly and Helen Gonzales and Mr. and Mrs. Lovelless.

Mr. Lovelless will make a specialty of taking out parties this season and expects to add another boat to his fleet to take care of the tourist trade this winter.

Fine Business Block

The work on the finishing up of the elegant Welaka Block is progressing and will soon be done. The store rooms are having the plate glass and mirrored glass placed and the apartments are being put in shape. This block since it has received the stamp is undoubtedly one of the finest blocks in this part of the state and Messrs. Symes and Douglas, the owners are to be congratulated upon their progressive spirit that saw the future greatness of Sanford and build upon it regardless of expense or the croakings of the pessimists. It seems to be the opinion of some that the new apartments will be high in rent but anyone interested will have their minds disabused in this respect by applying to the owners as the rates on these elegant apartments will be very reasonable considering the excellent service and equipment.

The new store rooms are being occupied as soon as finished and all of them will soon be rented thus proving that wherever a good building is made ready for occupancy it will find a tenant.

Have A Beautiful Home
Mr. and Mrs. Roy Symes who recently purchased a fine orange grove and home on the shores of Lake Osceola at Winter Park are entertaining many of their Sanford friends these summer days. The Symes have long been noted for their hospitality and since acquiring this magnificent estate at Winter Park their many Sanford friends are taking advantage of the "latchstring hanging on the outside" and every afternoon sees a merry throng gathered there for the excellent bathing in the lake, the ride on the aquaplane and other sports. The summer house on the lake shore is a great place for the picnic lunch providing you do not scatter any refuse on the clear waters of the lake shore and the beautiful grounds are as near an earthly paradise as one could wish in this fair state of Florida.

Buy Crate Mill
News of one of the biggest business transactions in the state in recent years comes in the formal announcement by President J. H. Ross of the Florida Citrus Exchange, and its affiliated organizations the Exchange Supply Company, of the purchase by the Exchange Supply Company, of the Warnell Lumber Company and Veneer Company with headquarters at Plant City. The transaction involves the ownership of properties valued at approximately a million dollars or more through the purchase by the Exchange Supply Company of all the outstanding capital stock of the Warnell Company. It includes the big veneer and crate mill at Plant City, together with various mill buildings, warehouses, lands, lots, and other buildings, the saw mill at Fort Green, the privately owned Warnell logging road with four locomotives and rail equipment, some forty miles of log wagons and much miscellaneous equipment.

EXCHANGE SUPPLY COMPANY

The Exchange Supply Company announces the acquisition by purchase of the Warnell Lumber & Veneer Co., with headquarters at Plant City. The properties thus acquired will be operated by the Exchange Supply Company for the production of boxes for the shipment of citrus fruits by the various local associations and members of the Florida Citrus Exchange, which this company exclusively serves.

Exchange Supply Company
J. H. ROSS, President

Through purchase of all the outstanding capital stock of the Warnell Lumber & Veneer Company all the properties of that company are acquired, including the large veneer and crate mill at Plant City, together with warehouses, mill, and other buildings situated upon the company's timber holdings and sawmill at Fort Green, with the privately owned Warnell logging road, four locomotives, log wagons, mules and miscellaneous equipment. It is estimated that these facilities added to those already in operation by the Exchange Supply Company will amply meet the requirements for box manufacture of the members of the Florida Citrus Exchange, while the timber reserves at present owned or under option will supply material for this purpose for many years to come.

FLORIDA STATE LEAGUE NEWS

CHAS. L. BRITT
SPORTING EDITOR

IT TAKES REAL PEP SANFORD HAS IT

Any town that owns a franchise in an organized league and starts off well with a winning club, either winning the pennant or putting up a strong fight for it, for them sailing is easy. The fans are all worked up and their interest runs high and while things are running that way they all attend the games, work up the attendance and their money at the gate together with their help on the side keeps things going financially.

Last year we were in that fix and for us everything was nice sailing. The crowds were there at all the games, they had their interest worked up to top notch and the financial problem was one of the easiest things the club had to combat with.

This year, however, things have been different. Every thing that could have been done was done to make Sanford a pennant contender but of all the hard luck and other things that could come up, did come up, Sanford has tried everywhere to get the very best that we were allowed to use in this league, but owing to the fact that all over the country there is such a big demand for ball players, we have been unable to get together an aggregation that could leave a trail of smoke.

Our pitching staff has had a lot to do with the number of games we have lost, because we never have been able to get the kind of pitchers necessary. We have had good ones here and we have several good ones now, but for an all round good pitching staff we have just been out of luck.

These, with several other good reasons have kept Sanford down, and caused us to end up in next to last place the first half. This second half is now on its way and so far the showing we have made has not been a whole lot better than in the first half.

We have good ball players, some of the best in the league, but we just haven't hit our stride. There is still plenty of time to make a creditable showing in this second half, and Manager Gafney, Vice President Spencer, the entire team and club is going to, from now on put every ounce of steam that they have into the thing and show them all that we have got what it takes to be right up there when the thing is over.

And when all the hard luck that we have had this season, the majority of the fans have thrown the team and club down. They haven't shown that old time fighting spirit and come out to the games, win or lose, and their absence at the park has made a great big hole in the gate receipts.

True, their have been a loyal bunch that have stood by the guns and there has been a loyal bunch that have dug into their pockets until it began to hurt and came across with the money to carry things on so far, but the absence of the majority at the ball park has made it doubly hard as there is less and less cents that depends on that sixty-five cents a head at the gate.

Sanford is not a quitting bunch. The fans of Sanford are just as good sports as there is in the league and now with the double efforts that the club and team is putting into this thing from now on, and the good showing that we are bound to make should make all these old timers, get busy, get out their rusty horns, bring their megaphones and be right there with their sixty-five cents a piece.

And remember, we say it again, Sanford is not the bunch that lays down and runs when defeat stares us in the face. We have plenty of time to win this second half, and now lets every darn one of us get together, lets the whole bunch of us stay right there, and then you just watch us beat them.

Be at the next game.
And then be at the one after that.
And then again be at them all.

CELERY SEED
EDITED BY
CHAS. L. BRITT

Lakeland loses seven games and then they win one. And they broke their losing streak on Orlando. Orlando can't be beat for helping folks break a losing streak.

The umpire situation in this league of ours seems to be getting worse

all the time. The big trouble now is that they just can't get umpires.

And the umpire situation the way it is now is bound to make trouble. When no umpire shows up it is necessary for two players to umpire and no matter how good a player they may be doesn't mean that they are good umpires.

St. Pete claims that Schweitering took that 16 inning game away from them when he called Bigelows knock over the fence a foul ball. If Schweitering did make a mistake it just evened up the bone that Monohan pulled in the same town when he took one from Sanford.

We hear a lot from Tampa about new records they are always making. Wonder why they don't say something about the longest game without a run being scored. Maybe they say nothing about it because Sanford had something to do with it.

And again we wonder why it is that all the papers get Sanford's score and standings mixed up. There is never a mistake unless it has something to do with Sanford.

About that same question of attendance at the games here at home, we just can't help but feel that the local fans are not doing the club and team justice by staying away, because there are ever so many that don't come just because Sanford loses a few games. And the team needs the help of the fans. And the club just has to have their financial support.

When Daytona plays here they bring over a larger crowd than we turn out ourselves. To a stranger it would sound like the fans were rooting for the visiting team, because Daytona is there strong and does all the big noise.

And the ladies, they don't turn

out like they used too. There are a few of the "old regulars" amongst the fair sex that have been sticking right along, but just a few.

We have been noticing Red Davis in his "Amateur Dope" in the Times-Union and we notice that he still talks about the good old days when it used to just Sanford and Orlando. We often wonder whether or not it would mean big times to have it that way again. We are afraid it wouldn't be for Orlando, because the way that Sanford handed it to Orlando last year and the way they handled them the first half this year goes to show that it would be somewhat lop-sided and we know Orlando wouldn't like that, and of course Sanford would get tired of beating the same club all the time.

Sanford is one of those towns that has always had a winning club. This year we just can't hit our stride, but take it from us we are not the

quitting kind and we will battle with them right up until the last minute and we are liable to give 'em—you know,—yet.

Club Standing—Wed. July 21.	
Daytona	6 2 .750
Tampa	6 2 .750
Bradentown	5 2 .714
Orlando	4 4 .500
St. Pete	4 5 .444
Sanford	2 5 .286
Bartow	1 3 .250
Lakeland	2 7 .222

Nutmeg Once a Perfume.
In other times the ladies in England used nutmegs as a perfume. The nutmegs were set in silver and ornamented with pearl and precious stones, and hung from a lady's belt like a modern day brooch.

Redeemed Early Failure.
Thomas Chambers, the noted missionary and preacher, was the despair of his school teacher. Another famous preacher, Isaac Barrow, was so slow and quarrelsome that he was counted a disgrace to the school.

RAIN CUTS OUT GAMES BARTOW IN LUCK

Rain, just a few minutes before playing time Wednesday broke up Sanford's chance of copying one from Bartow who was scheduled to play here. A double bill was then staged for Thursday afternoon and again just before playing time rain stepped in and blocked us.

The club is playing at Daytona to-day and will be there to-morrow. They then come home to play all next week with the exception of Wednesday at which time they will play in Orlando. St. Pete is here Monday and Tuesday, Sanford at Orlando Wednesday, Orlando here Thursday and Tampa will be here for Friday and Saturday.

Gafney Bats Second
The unofficial averages released by Peter for the entire first half show that Elliot of Bradentown leads with an average of .357 with Gafney following close on his heels with an average of .354. Lavity really leads the league in so far as average is concerned as he was batting .370 at the close of the first half but he had only participated in 15 games while Elliot played in 53 and Gafney played in 51.

These are the only three hundred batters that we had at the end of the first half, with the exception of Goodwin who was with us a short while. He closed the first half, played in 38 games with an average of .313.

We have two men on the club now that we are looking to see them away up near the top at the close of the second half and they are Burke and Riley.

Below is the how they stood at the wind up.

Additional Locals

A card from Prof. Claude Ogilvie from Edinburgh, Scotland, is as follows: "Landed over here June 20 and am having a wonderful summer. I have been over on the continent visiting the battlefields. Hope you are having a pleasant summer and will see you in September."

Hon. Forrest Lake and daughter Serita returned last night from a ten days trip to New York and other eastern cities.

Mrs. W. A. Blackman and two sons and Miss Norma Shearson of Orlando were Friday guests of Mr. Mrs. W. D. Gillen. Mrs. R. C. Williams spent the week with Mr. and Mrs. Gillen returning by steamer to Jacksonville on Sunday.

Mr. C. H. Piplar has returned from his vacation spent pleasantly among the mountains of North Carolina.

Mrs. Al Holden of Orlando is the guest of her sister, Mrs. Will Shelly.

Essex Endurance Race

As will be seen from the page advertisement in this issue the endurance race of the Essex cars that has attracted so much attention in other parts of the state will be staged here next Tuesday morning starting from the Essex show rooms in the Welaka building at ten o'clock. The run will include the territory that is covered by the local dealer W. E. Walthall and composes the counties of Seminole, Orange, Lake, Osceola and Volusia. This endurance run will attract much attention here and elsewhere in this territory and will demonstrate the wonderful power and endurance of these staunch cars. Read the advertisement in another part of this issue and be there to see the run.

SALE

This Time It Is

Hats - Suits - Raincoats

Beginning Saturday July 24th, Ending Saturday Night, July 31st

It does not take much space to let you know what this sale really means. Just ask any one that attended the SHOE Sale, they can tell you. And this sale is going to be even better than the shoe sale. Look over the following prices and see for yourself the big savings.

We are going to make room for the goods that will be coming in next month and we are going to close out our present stock of Suits and Hats regardless of prices.

SUITS

\$80.00	Suits, Sale Price	\$67.50	\$37.50	Suits, Sale Price	\$30.50

More food is the cry from the big cities.

And much of this food will be raised in the south.

There is plenty in the south that is available for farms and these farms will raise not only staple crops but many winter vegetables as well and almost every kind of fruit.

Sanford wants tourists and the tourists want amusement so in the ordinary course of events it is up to Sanford to furnish the amusements and the tourists will come. The

B. & O. Motor Co.
Auto doctor says

To get good service from your car See your ignition's up to par.

A LOT of people and some not so people have considerable trouble getting started. Whatever your auto trouble is you ought to report to this repair shop. Tire troubles don't tire or trouble us. We're auto-matic workers.

Let the B. & O's. Auto Doctor look after your car's health

B. & O. MOTOR CO.
209 PARK AVE.
SANFORD - FLORIDA

tourist crop is the greatest crop in the world and Sanford should go after them strong.

The crew of a big White Star liner refused to wash or be washed upon arrival at New York, thereby holding up the docking of the boat and costing the company \$20,000 a day. We sailed with some crew that would have pushed the whole bunch overboard for less than that.

It is with a feeling of pride that the average citizen now walks about Sanford and notes the many changes that are taking place. Not only does he note the new buildings but he notes the appearance of the lots and the homes and streets. The city is taking on a most neat and attractive appearance and this fact will also be noted by the strangers in our city. There is nothing like a clean and well kept city which includes the parks and the homes and the public places.

With Lake Monroe, Lake Jessup and Lake Harney all near Sanford for boats and fishing, with the upper St. Johns river and the lower river and the Wekiwa river and many other tributaries in and around Sanford, with the many beautiful clear water lakes all around Sanford and the good roads and many other advantages this city really has more to offer the tourists than any other city in the state. Our amusements are diversified and the visitors are not forced to confine their attention to any one form of amusement. And best of all this city will offer them first class accommodations and that is really the last word.

Mr. Cox as "Jimmy" as all us fellows who are looking to him for appointments call him—says if he's elected he's going to put in a real "dirt" farmer as Secretary of Agriculture. That's us, Jimmy—look at these honest corns on our horny hands, acquired by faithful plantings year after year of Congressional garden seeds—and you'll have to admit that we qualify.—Lakeland Telegram

We're for you, old friend. The newspaper men who have been sentenced to read the Congressional Record and distribute free garden seeds for embryo Congressmen for many years are entitled to something.

Mr. and Mrs. Saul Robbins and their New York guest have motored over to Daytona last Sunday and enjoyed the day at the Beach. Mr. Bromberg was very warm in his praise of Sanford and altho he will return to his home within a fortnight, expects to come back again as soon as he can liquidate his business in New York.

Order your new Buick now and you will not lose any time on the new car load coming in soon. 46-1tc

Mrs. Saul Robbins had a narrow escape on Thursday evening July 21st, when driving in her Lexington

While crossing Ninth St. and Park avenue the white milk truck coming up Park avenue hit the Lexington amidship pushing it up against the curbstone. Driver of the car said he was trying to get out of the rain and was going to fast to avoid hitting the car. Mrs. S. Trager and baby of Eustis were in the car at the time and all were badly shaken up. Damage to the Lexington consisted of both front and back fenders were crushed, right headlight broken, axle bent and hood dented.

WANTED — OLD CLEAN RAGS, ANY KIND EXCEPT OLD SOCKS, COATS, PANTS, OR BED SPREADS. AT THE HERALD OFFICE. 59-1f

At present there is an opening for several pupil nurses in the Gordon Keller Hospital, Tampa, Fla. Young ladies desiring to enter training should notify Superintendent of Nurses. Advantages there compare favorably with the large hospitals of our country and with the enlargement of the Institution in view they offer an opening to suitable applicants. Write today. 49-3tc

A card from Miss Muller from Mt. Lowe California shows a snow scene and she says "Come up and make some snowballs. We are having a fine time." Miss Muller is the lady who sells us stamps at Phil Elder's Postoffice.

IN SOCIETY'S DOMAIN

(Continued from page 6)

has accepted a position as book-keeper and stenographer with the Allen Seed Co.

Mrs. Fannie Lee and Mrs. Geo. Hull have returned from a pleasant visit with relatives in Jacksonville.

Mrs. Aylett Fitts and children have returned from New Smyrna and Coronado Beach.

Miss Helen Kennedy left Sunday for Georgia and North Carolina to visit her sister, Mrs. Dunnivin at Augusta and her father Mr. Kennedy in Wilmington.

Births

Mr. and Mrs. John W. McCally announce the birth of twin daughters, July 11th. They will be called Mary Jane and Florence Jeanette.

In Honor of Travellers

Mrs. J. S. Wilson entertained with a pretty dinner party on Tuesday evening in honor of Mr. and Mrs. T. W. Jones who are leaving Sunday for New York, en route to England. The rooms were charming with a profusion of red roses, the same fragrant flower adorning the table. Guests came in for the evening hours.

Attractive Pridge Party

Mrs. Donald Smith entertained charmingly on Saturday evening with a small and informal bridge party in honor of Mrs. D. C. Marlowe who left this week for Chicago. The rooms were most attractive with

quantities of summer flowers in graceful arrangement with ferns. The guest prize presented to Mrs. Marlowe was a lovely cut glass knife-rest. For high score, Mrs. Reginald Holly received a pretty fern vase and the consolation prize was cut by Mrs. David Caldwell to whom was given a set of crystal ice-tea spoons. After the game, a dainty salad course was served with wafers followed with ice-tea and devils food cake. Mrs. Smith was assisted by Mrs. Sherman Lloyd. Other guests in addition to those already mentioned who played bridge were Mrs. F. E. Roumillatt, Mrs. A. B. Wallace, Mrs. Ed Lane, Mrs. Chas. Britt and Mrs. J. C. Smith, Mrs. R. J. Holly was also present.

Script Dance

The Script dance at the Valdez last Friday evening was especially enjoyable at there have been so few dances of late. Camping and beach parties have superceded the dances, this summer, therefore the dance on Friday was a pleasing variety. Young people from Eustis, Orlando, Kissimmee and DeLand added a goodly quota to our own dancing set. Excellent music and a good floor completed the pleasers of the evening.

Informal House Dance

In honor of Miss Helen Gonzales the attractive young guest of Mrs. Deane Turner, Miss Gladys Wilson entertained Monday evening with an informal house dance at her home on Ninth street.

The young hostess was assisted in looking after the pleasures of her guests by her mother, Mrs. Harry Wilson and sisters the Misses Katherine and Esther Wilson. Besides the honoree those present were the Misses May Holly, Marion Hand, Kathleen Brady, Anna Dulrose, Lillian Shinholser, Joe Gonzales, Ed Moye, Harvey Parrish, Billy Parks, Locke Meriwether, Hampton Dulrose, Ralph Woodruff and Leslie Hill.

Shopping Party from Sanford

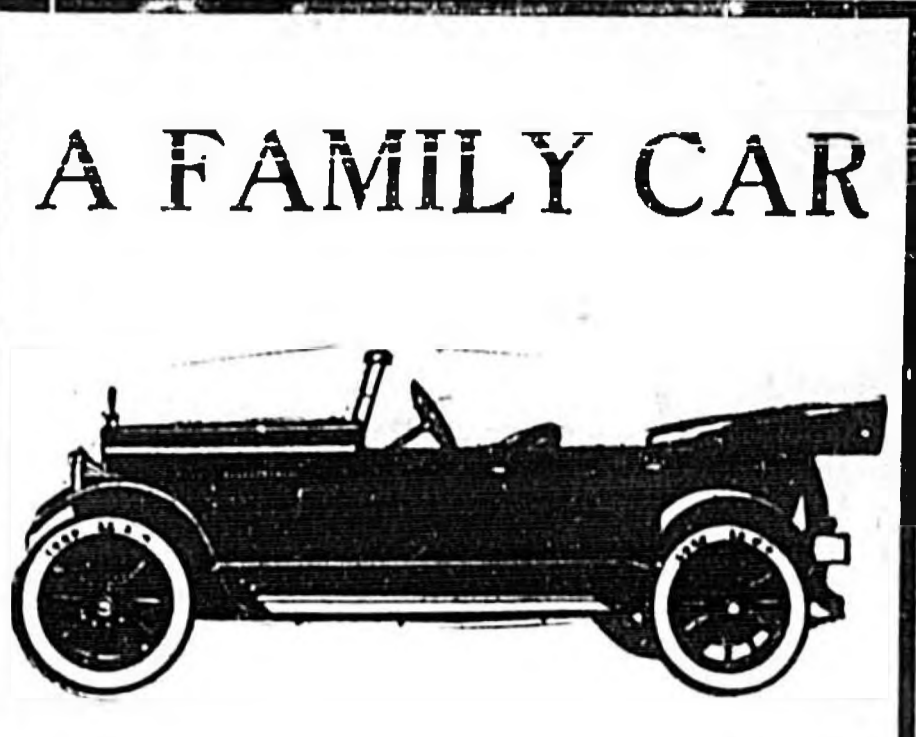

Mrs. J. A. Harrold of Sanford brought over with her in her car Friday Mrs. Robinson of Sanford Mrs. Fisher of Charleston, S. C. and Miss Mary Codrington, who is nursing in the Sanford Hospital. The ladies spent the day shopping in the DeLand returning in the cool of the evening.—DeLand News.

Higgins - Kolb

Cards have been received here announcing the marriage of Mrs. Gelsy Butt Higgins to Mr. Leonidas C. Kolb at Jacksonville Saturday, July seventeenth, nineteen hundred and twenty.

Both young people have many friends here who will be interested in the news of their marriage.

The bride has been a resident of this city for a number of years. The groom for the past year has been indentified with the Peoples (Continued on page 8)

A FAMILY CAR

THE LEXINGTON IS TRULY A FAMILY CAR. ANY MEMBER OF THE FAMILY CAN DRIVE IT WITH EASE. IT WILL GO ANYWHERE YOU ASK, WHETHER IN CONGESTED CITY TRAFFIC OR ON ROUGH COUNTRY ROADS—YOU NEED TAKE NO ONE'S DUST.

WHEN YOU DRIVE A LEXINGTON YOU MAY FEEL THAT YOU'RE JUST A LITTLE BETTER OFF THAN THE OTHER FELLOW

We have had the Lexington agency only five months, a part of the time, not being able to secure cars, but have sold and delivered fourteen, several of these owned by Sanford citizens. You can ask any Lexington owner about the Lexington, and he or she will tell you that the LEXINGTON is the only car that they ever intend to own. We can show you today LEXINGTONS that have run 15000 miles, that have the original tires, which show very little wear, and as far as up-keep is concerned, has been practically nothing.

NOW IS THE TIME TO GET YOUR LEXINGTON. WE RECEIVED LAST WEEK ANOTHER CAR LOAD AND CAN MAKE IMMEDIATE DELIVERIES.

It's a pleasure to demonstrate.

Bank. Mr. and Mrs. Kolb will spend their honeymoon at Brevard, N. C. after which they will go to Alabama to make their home.

Launch Party

Mr. and Mrs. Loveless were hosts on a delightful water picnic Monday on their launch. Leaving the city in the early morning the party were taken to Blue Springs where bathing fishing and a delicious picnic lunch were among the days pleasures, returning here in the evening. Guests of the happy occasion were Mr. and Mrs. R. J. Holly, Mr. and Mrs. Reginald Holly, the Misses Mae and Mildred Holly and Helen Gonzales and Robert Holly.

Farewell Party

Delightfully pleasant and happy was the farewell party given on Wednesday evening in honor of Rev. Father O'Riordan by the members of his congregation at the parochial building. The evening was pleasantly spent in the enjoyment of a variety of games and charming informality. Delicious refreshments were served by the ladies of the parish. Father O'Riordan is very popular among his people and leaves for Ireland with the warmest good wishes for a happy vacation and safe return.

Resolutions of Respect to Alma Eugenia Shinholser

And he showed me a river of pure water, clear as crystal proceeding out of the throne of God, and the Lamb.

On either side of the river was there the tree of life and the leaves were for the healing of the nations.

There shall be no night there, for the Lord God giveth them light, and they shall reign forever and ever. Rev. 22:

To-day as we gather here in our monthly business meeting of the Woman's Missionary Society, our thoughts were turned toward this land where, no storm clouds ever o'er shadow for through faith we can see her there. Who recently occupied her place here with us, God in his infinite wisdom has called Alma Eugenia Shinholser, to this home beyond the stars.

Our hearts are sad, we loved her, and we miss her genial spirit of cooperation and helpfulness.

And as we recalled her valuable service in our Lord's work among us we bow our heads in the lush, and

say, we cannot understand. But as it is not for us to know, and understand Our Heavenly Father's way, we as his children bow in humble submission to his will, nor question his wisdom.

And be it Resolved:

1st. That we the members of the Woman's Missionary Society extend to the bereaved family our deepest sympathy, and commend them to our heavenly Father who is able to comfort in sorrow and keep us in all the pathway of life.

2nd. That a copy of these resolutions be sent to the family a copy to our local paper for publication, a copy preserved with the minutes of our society.

MRS. C. H. SMITH,
Committee.

A Fine Old Place For Sale

In this issue is the advertisement of A. E. Phillips calling attention to the fact that his old home place known as the J. Wofford Tucker place is for sale. The property is well located and has a large yard almost an entire block, the house is all that could be desired and the place will be sold at a very reasonable figure. It has orange, guava, peach and other trees on it and will make some one a fine home. L. R. Phillips, City Clerk will give you full particulars about this fine property.

Mar. Like Our Town

Norfolk, Va. July 19, 1920

Dear Mr. Phillips:
I have just looked over the Bureau's release for the population of Sanford and it certainly gives me a great pleasure to note the increase of 2,018 people since 1910, being an increase of 55 per cent in 10 years, and it is within about 100 of the increase in population in 1900 to 1910 which goes to show that the good old town is full of "peeps." If it keeps up like it has been going for the last 4 years, and I am making this observation on account of the way it looked to me when I was with you in June, it won't be long before we will have a larger population than St. Augustine. The figures for St. Augustine, released at the same time, shows that city to have only 6,192 against our 5,588. If we had the financial support of St. Augustine has I think we might look forward to about 20,000 people in the next ten years.
Chas. McLaughlin.

Call Lakeland Pastor To One Of Largest Churches In South

Lakeland, July 14.—When the congregation of the First Baptist church assembled for their prayer meeting they were shocked at the announcement of the pastor, Rev. Louis Enzinger, that he had decided to accept the call to the First Baptist church at New Orleans, his resignation to take effect here as soon as a successor is secured.

During his pastorate here he has added close to five hundred new members, in a little over a year, has built a three-story brick Sunday school building and he is considered one of the most successful and energetic pastors and Sunday school workers in the South.

Labor Endorses Democratic Platform

Washington, July 14.—Weighed against specific demands of organized labor, the Democratic platform adopted at San Francisco "more nearly approximates the desires and declarations of human rights than do the planks found in the Republican platform," Samuel Gompers, chairman of the special committee appointed by the American Federation of Labor to present labor's demands to both party conventions, said today in reporting the result of the committee's work.

With the report was made public an analysis of labor planks in the Democratic platform and a comparison of these with the program adopted at the annual convention of the Federation at Montreal.

"In summarizing it is but to say that the Democratic platform makes a measure of progress not found in the platform of the Republican party," the report asserted. "Men and women of labor of the United States and all liberty loving people must judge between the declarations of these parties."

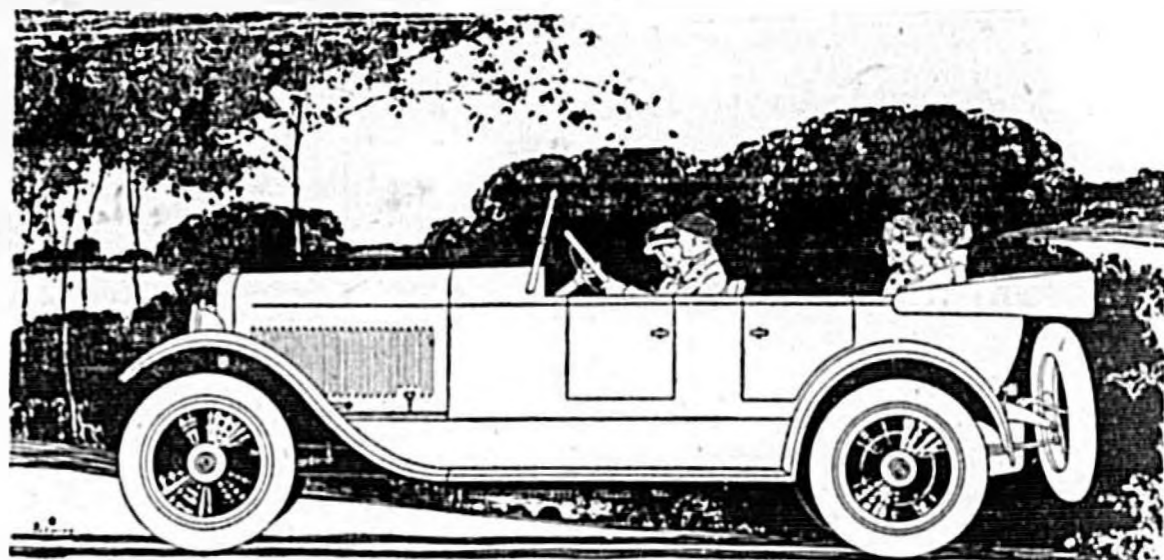

"Labor of America is not partisan to any political party. It is partisan to principles of justice and freedom," the report said.

Colonel James E. Alexander is home from San Francisco, where he attended the National Democratic convention as a delegate from the State of Florida at large. Mr. Alexander was one of the nine Florida delegates who stuck with Cox for many ballots before his nomination. —DeLand News.

No Danger.

CHANDLER SIX Famous For Its Marvelous Motor

The Chandler Dispatch Car Has First Preference

The automobile industry has produced no distinctive model more popular than the Chandler Dispatch, a car reflecting in its lithe lines the character of its service. It is the first preference among those who want a four-passenger close-coupled open car. Its comfort, its beauty of line and finish, and its dependability are typical of the established Chandler quality.

of its trim design and its beautiful Rainbow Blue finish, but is due quite as much to the standard Chandler chassis upon which it is mounted. It seats four persons with utmost comfort. The driver's position is restful. The cushions are deep, well tilted and trimmed in the best of genuine hand-buffed leather.

The popularity of the Dispatch, which reaches to every corner of the world, is based not only on the grace

With its wonderful flexibility of power, its ease of driving and real comfort, characteristic of all Chandler models, everybody likes the Dispatch.

FORDSON SERVICE

"Great is the value of Service.

Though the product that a man sells has a wonderful reputation behind it for inherent worth, though it has the enduring qualities of the eternal hills and its appearance is a delight to the eye, if the seller thereof is not able to give you along with it that part of his own self and interest we call Service, it profiteth little.

A tractor may have the power to pull twenty plows through black gumbo without a slip, it may be able to run your largest grain separator and it may be a beautiful piece of Machinery—when it runs—but unless it is backed up by the Service of the dealer and the manufacturer it is a poor investment.

Ten thousand dealers from Canada to the Gulf, from Maine to the Golden Gate, are ready to serve the Fordson purchaser. We use the word Serve in the fullness of its meaning for they are the same men who have Served the owners of the Ford automobile for years. The name of Ford has made good service commonplace in the light car field and the same set of men who have performed this miracle are now doing the same in the tractor field.

Much more important is it that your tractor be ready and working at all times, when seed is to be put into the ground before spring rains, or harvest must be hurried, than that your auto should be ready for a pleasure trip.

That's what Fordson Service means—keeping your tractor running. No long waits for repairs are in store for the Fordson owner. Every one of the ten thousand Fordson dealers carries a complete stock of repair parts in his store."

FORDSON—SERVICE. Ask a Fordson Owner.

The tractor today is in the same position as the automobile ten years ago, the owners are inexperienced and the help incompetent. Fordson Service is the only safeguard a purchaser has.

I have the parts in STOCK, expert tractor repairman and instructor in any employment and a service car for the exclusive use of the Tractor Service Man.

Purchasers and owners of Fordson Tractors are going to be satisfied with their purchase because I have the organization and volume of business to see that they are. There is no other organization in the country today equipped to give the Service that the Fordson dealer is giving Fordson owners.

Order Today, Tractors may not be available when you need them.

BLACKMAN'S WEKIWA RANCH

(Continued from page 1)

I have about 375 head of cattle of purebred Aberdeen-Angus, half and three-quarters Angus and native stock.

"We have about 200 hogs and most of these are on the range and are mainly highgrade Duroe Jersey with a few natives. The hammeck range is ideal for hogs. Perhaps there are 100,000 cabbage palms to trees or more, whose berries are about the same as corn in feeding value and thousands of oaks bearing a large amount of acorns.

"I have 400 acres in 'tame pasture' made by burning and frequently mowing the prairie, originally covered with switch grass, and using in Bermuda and joint grass stems. It is really a wonderful pasture. Also, some flat woods pasture made by ploughing or mowing the wire grass land, which then is taken possession of by carpet grass and various pq palms.

"I have usually planted fifty acres in corn this year on account of the wet spring. I planted no corn, but am reserving this field for sugar cane which will be planted in November and December. I have enough cane now growing (and growing splendidly) to plant 50 or 60 acres this fall. I expect to erect a syrup mill next summer, if all goes well and I hope to have 200 acres in cane the following year. Live stock and cane are a fine combination. When it becomes necessary to replant the cane I will plant the old field to corn for two or three years, coupled with velvet beans, cowpeas, peanuts and beggarweed and hog them off with cattle and swine, also cow penning the land with several hundred cattle at night during the winter after they have eaten all the legumes, thus preparing it for another crop of cane with manure.

"I have fifteen acres in Para grass for meadow, a few acres of Rhodes grass. I have bought no hay for horses, mules or milk cows

since my first year on the place." "This I call a pretty good record as the place has been self-sustained from the first year to the present.

In a letter received from Dr. Blackman a few weeks ago he wrote: "I am butchering several range hogs each week and they net me from twenty to forty dollars each, and they never cost me a penny for food."

During the time that Dr. Blackman was president of the State Tick Eradication Association he was obliged to maintain his office in Jacksonville. His two sons, Berkley and Worthington, were both serving their country in the "world war" and Mrs. Blackman was left with the responsibility of the large ranch. From early morn until late at night Mrs. Blackman was in the saddle spending her time in the work, apparently with as much success as when the doctor was on the ground himself. During all this time Mrs. Blackman did not neglect her own work, going weekly to Winter Park to attend the meetings of the club. Mrs. Blackman is a most enthusiastic club woman, holding an important office in the state federation of women's clubs. During these years she has learned the ins and outs of the live stock industry and is as enthusiastic over it as she is over the cults of which she is a member.

At present Dr. Blackman is absent from home a great deal of the time as he has accepted the presidency of the Florida Syrup Association and during his absence Mrs. Blackman continues the supervision of the ranch and what is more she enjoys the work.

In the work of the syrup association Dr. Blackman is greatly interested and a little later will push the planting of cane and the erection of syrup mills in different parts of the state. The object of this association is as follows: 1. To promote the growing of sugar cane and the production of pure cane syrup in Florida. 2. To assist in the erection of community mills. 3. To establish and maintain a uniform grade of product that will neither ferment nor crystallize. 4. To provide for the co-operative and countrywide marketing of the same.

This in connection with the live stock industry is considered one of the most important movements in agriculture, a movement that when once placed on its feet will make Florida one of the richest agricultural states in the United States. In order to bring about a general movement of this kind it will take co-operation, the farmer and the capitalists working together.

Dr. and Mrs. Blackman are looking forward to the future of Wekiwa Ranch with a great deal of interest and a few foreodings of failure along any of the lines laid out. Past experience has taught them that they have one of the most valuable ranches in Florida; that cattle, sheep

and hogs thrive well on the feeds provided for them; that no disease has appeared among his herd of cattle; that his hogs have made a most remarkable growth, without the aid of concentrates, hence he is sure that there is a bright future for the Wekiwa Ranch.

His aim is to have on the ranch 1,000 purebred Friesian cows, which would drop at least 800 calves yearly, that would come to maturity of which the best specimen among the heifers would be kept on the ranch, the rest sold. He expects to keep forty purebred Friesian cows, 1,000 to 2,000 head of Duroe Jersey hogs and at least 1,000 sheep, probably of the Shropshire breed.

This is not only his aspiration but his determination and determination to this end his energy is being poured into the farm and the stock.

Walthall Discovers New Motor Post

The popular art of motoring has produced quite a variety of posts, among whom may be mentioned is the guy who rises the middle of the road, the man who neglects to dim his lights, the fellow who stops to change a tire in the center of the road or refuses to let you pass him. But W. E. Walthall, Essex and Hudson and Ranger dealer, claims to have discovered the meanest man in the motor post tribe. He discovered him but was unable to trail him up to the time of going to press.

"I was in Jacksonville last week attending to business when I had occasion to stop in front of a bank," said Mr. Walthall. "I was lucky enough to find a space to park very near the bank. It was near a fire plug, but there was the full amount of space which the law demands between the car and plug."

"I came out of the bank and to my utter surprise my car was moved directly opposite the plug, with a formal invitation from the traffic officer to visit police headquarters. Where my car once stood a diver was serenely resting."

Rapid Growth Of Florida Shown By Assessed Values

That Florida is enjoying a rapid growth along all lines is indicated by the rapid increase of real estate, personal property and railroad and telegraph lines from 1903 to the beginning of the present year.

Real estate values as assessed for the entire state in 1903 totaled \$68,247,312, while at the beginning of the present totals for the state were \$246,202,781, an increase of more than 300 per cent. in 16 years.

Personal property valuations increased from \$79,000,000 in 1903 to \$98,500,000, or more than 400 per cent in the same time. The railroad and telegraph lines assessments increased in total valuations of the three divisions combined for the 16 years is from \$111,343,745 in 1903, to \$178,350,287, at the beginning of 1920.

A Tonic For Women

"I was hardly able to drag, I was so weakened," writes Mrs. W. F. Ray, of Eastley, S. C. "The doctor treated me for about two months, still I didn't get any better. I had a large family and felt I surely must do something to enable me to take care of my little ones. I had heard of

CARDUI

The Woman's Tonic

"I decided to try it," continues Mrs. Ray. "I took eight bottles in all. . . I regained my strength and have had no more trouble with womanly weakness. I have ten children and am able to do all my housework and a lot of outdoors. . . I can sure recommend Cardui."

Take Cardui today. It may be just what you need.
At all druggists.

"All right, Bill - You can stop reading 'em"

BILL TOLD me, HE HAD a good joke, ON THE maker, OF A well-known brand, OF CIGARETTES. LAST NIGHT, Bill said, HE READ an ad. OF THIS cigarette, IN A magazine, IT SAID "They Satisfy," AND THIS morning, IN HIS newspaper, HE READ "They Satisfy," AND ON a billboard, AND ON a card, IN THE street-car, AND IN the dealer's window, AND ON the counter, HE READ "They Satisfy."

AND HE bought a pack, OF THESE cigarettes, AND I asked him, "WHERE'S THE joke, BILL?" AND BILL said, "WHY THE darn fools, SPENDING THEIR money, PICKING ON me." SO I said, "You bought 'em, DIDN'T THEY satisfy?" AND BILL said "Sure, BUT HERE'S the joke, FOR OVER a year, I'D ALREADY been smoking, THAT BRAND."

WE admit it, the joke's on us. And over three million other smokers are "in on it" with Bill. But the real joke is on anybody who looks for "Satisfy" anywhere but in Chesterfields—for the Chesterfield blend can't be copied!

MORE LIVESTOCK IN FLORIDA NOW

Armour Packing House Shows Big Increase In Hogs Killed.

That livestock interests are developing in Florida cannot be questioned. This is especially true of the hog industry, says J. M. Scott, of the Florida Experiment station.

The following figures supplied by Armour Co. give a good idea of the change in the hog industry that has taken place in their packing plant in Jacksonville, Fla. during the past three years. In 1917 Armour & Co. killed at their Jacksonville plant 40,069 hogs averaging 1555 pounds. In 1919 they killed 68,731 hogs averaging 165 pounds live weight.

These figures are not guess work. They are actual facts. This shows over 100 per cent increase in the number of hogs and nearly 20 per cent increase in live weights, all in three years' time.

That is not all. During the past five years there will be another 50 per cent increase in the number and size of the hogs. A large factor in the development has been the swine growers' association organized in January 1918, which has been a live wire so far as the hog interests of the state are concerned. The results of these efforts are seen in the big improvement made in quality of the hogs of the state since that time. They also started the swine show at Atlanta, Ga., the thing was in October of this year.

Mr. Z. C. Herlong of Montgomery Fla. carried off grand champion honors with one of his Poland China

sows at the international at Chicago last December.

Mr. Burdett Lewis Jr., manager of Highland Oaks Farm, Pierce, Fla. made the announcement at the recent state swine growers' meeting that during the past nine months he had sold \$30,000 worth of pure-bred Duroc Jersey hogs from his farm. One of the sales was 50 sows to one Florida farmer.

The livestock interest of Florida are certainly looking up. Florida will be reckoned with in the same shows this fall.

STATE JEWELERS MEET

Tampa Is Host To Retail Jewelers Of South Florida

Retail jewelers from all parts of South Florida were in attendance at the opening session of the first annual convention of the Florida Retail Jewelers' association at the Desota in Tampa this week. In the absence of President Ralph Payne of Jacksonville, the meeting was presided over by F. A. Walker, of Miami. After a social hour, the business session was called to order at 12 o'clock this morning and adjourned for lunch shortly before noon.

Mayor Gordon made the address of welcome to the visitors. The mayor said that he couldn't give an inspiring address on the jewelry business, because his end of the business had been to pay the bills. He assured the jewelers that the gates of the city were open to them and that Tampa would do her best to make them a profitable business. Walker responded to the mayor's address.

Secretary L. C. Hull of Plant City announced that President Payne would be unable to attend the convention because of a recent operation. Mr. Hull read the president's report and then made his own report to the convention. Arrangement was made of a "question box" at the dinner hour tonight at Garcia's restaurant, when the jewelers will discuss their mutual problems and endeavor to solve them.

The following delegates registered: L. Coles, Gainesville; H. McLaughlin, Sanford; Mr. and Mrs. F. G. B. Wieke, Ocala; Earle L. Middleton, Miami; William O. Stubbs, Tampa; O. L. Henderson, Tampa; M. Sessler, Tampa; William W. Cherry, New Orleans; J. E. Allred, Fort Myers; H. R. Herr, Wauchula; J. M. Morris, Arcadia; J. L. Wash, Bartow; P. A. Peterson, Zephyrhills; T. C. Morgan, King, Winter Haven; W. Weston, Palm Bay; F. A. Whitner, Miami; L. C. Hull, Plant City.

The officers of the association are: R. L. Payne, president; J. M. Morris, H. E. Archer, Tampa, 1920-1921; secretary; L. C. Hull, Plant City, vice-president; L. C. Hull, Plant City, cap. secretary; Arnold Hess, Jacksonville, treasurer; directors, R. J. Riles, Jacksonville; Leon Rowe, Daytona; Henry McLaughlin, Sanford; T. S. S. McLaughlin, Winter Haven; J. A. Elebash.—Tampa Times.

City Commission For Tampa
Tentatively deciding that the new city charter shall contain provisions for five city commissioners, who shall choose a city manager to handle the affairs of Tampa, the municipal

charter board at a session which lasted until midnight last night, began the actual task of constructing the new instrument, which, if approved by the citizens, will be the future "constitution" of the city. The members of the charter board, after much argument pro and con, voted favorably on a proposition by Judge Drumright to remove the police jurisdiction from the control of the municipalities, by providing that a police judge shall be elected by a man elected by the voters of the city. Judge Drumright favored the plan for electing the police judge, rather than having the appointment upon the expressed belief that the judges, if elected, would be more responsive to the will of the people.—Tampa Tribune.

Weather and Crop Conditions in Florida For The Week Ending July 6, 1920

Temperature: Temperature averaged 74 degrees, with maximum 82 degrees and minimum 64 degrees. Windy with much of the week. No station, however, reported 100 degrees.

Precipitation: Showers, mostly light and local, occurred in the several districts, but they were insufficient on islands, where more or less droughty conditions prevailed. The rainfall was heaviest on the east coast. Quite a number of stations received no rain.

Conditions of Crops: The absence of rain of moment and the high percentage of sunshine were favorable to the production of farm crops. The cotton crop is excellent, now in the middle of the season, and moderately heavy general rains would be beneficial. The last day of the week, and since the main crop is more or less white, distributed showers, which were continued at the close of the week. The cotton crop made good progress in some localities; in others the crop is less promising. The wheat is in evidence, but only a few places report much activity. The weather during the last ten days was unfavorable to the pests. Cane and peanuts are mostly good, although both would be benefited by rains, especially on high lands. Showers of melons, tomatoes, and other fruits continue. The weather was rather dry for citrus fruits, although the condition of trees is generally good, and fruit is holding well. Much of the tobacco crop has been damaged. Rain in the south and central portions need rain.

The July Motorist

The July Florida Motorist, the monthly magazine of the Florida State Automobile Association, is now on hand, and in looking through it we are impressed with its general beauty, high grade and quality. The front cover design shows St. Petersburg on the Bay is on the Bay in silhouette and is very artistic. The inside pages are devoted to featuring St. Petersburg and to the important Good Roads propaganda of the day.

Under caption of the "How of State Bends for Florida" is printed for the first time in the State a table showing total registrations of automobiles in all states for the

past five years. Florida increase is shown at 500 per cent for that period, and 42 per cent increase of 1919 over 1918, and a total number registered in 1919 of 67,000. The Automobile Association is to be congratulated on getting out such a splendid Good Roads magazine as the "Florida Motorist", and we predict for it a bright field in the Promotion of Good Roads in Florida. Progress in Legislation, an other departments, the staff, and a dedicated.

The number of the Motorist carries a general invitation to all Good Roads workers to attend the "Big Rally" at St. Augustine on the 29th and 30th instants, when the Constitutional Amendment will be voted on in November. The discussion in all its details. This day picnic affair will be under the auspices of the Legislative Committee of the Florida State Automobile Association, and is for the purpose of getting full and free discussion from all organizations and individuals interested in the future of Florida's road building.

Some More Abbreviations

The Sanford Herald in telling about the meet of the State Press Association at Pensacola seems to run short of type for it says: West Fla. visited by South Fla. Editors. Seems to be a place to flout and flout itself.

The gang was there; at every fee. No power on earth could stay 'em! With day folks and west day

What a place to day 'em!—each 100.

Meri an Legion Dance

The advertisement in this issue of the Sanford Herald to the fact that the Meri an Legion of Lake County will give a dance at the Meri an Legion, July 27th and 28th. The Meri an Legion Band will furnish the music. Everybody invited and a big crowd is expected from Sanford and vicinity.
