### THE WEATHER

Fair and colder this afternoon and tonight. Lowest tonight 30 to 35 and scattered frost in north portion, and 50 to 55 in interior of extreme south. Increasing cloudiness and slightly warmer Saturday.

## Pope Pius Seeking Mercy For Atomic Spies Facing Death

### Pontiff's Action Believed To Have Occurred Before Decision Of President

VATICAN CITY (AP)—The Vatican newspaper said today Pope Pius XII has interceded for Julius and Ethel Rosenberg, the atomic spies sentenced to death under a law passed by the United States, seeking mercy for them.

Vatican sources said they believed the pontiff's action occurred well before President Eisenhower rejected clemency for the Rosenbergs on Wednesday.

Previously, the pope interceded for the Soviet spy, Klaus Fuchs, in an announcement in L'Osservatore Romano. The U. S. has no diplomatic representation at the Vatican and President Eisenhower's press secretary said in Washington "neither the State Department nor the White House has received any notification on this subject." He said he did not know whether such a clemency plea had been received by the Truman administration.

Emmanuel H. Bloch, attorney for the Rosenbergs, said he welcomed news of the pope's intervention. The Rosenbergs are Jews and the Communist press has been claiming that their sentence for their death is to be set soon.

Papal intervention on their behalf was disclosed in a brief, top of page one, item in L'Osservatore, which the Vatican often uses to release information it wishes made public. The wording made clear the pope's action was being discussed because of Communist press insinuations that the pope was not interested in the fate of the Rosenbergs.

While the pope not uncommonly intercedes on charitable grounds to try to save human lives, normally such intervention is kept secret, Vatican informants said.

"The Vatican never cited two reasons why it was almost certain the pope's action came some time ago—well before President Eisenhower's final refusal of clemency. They said the pope often uses to release information it wishes made public. The wording made clear the pope's action was being discussed because of Communist press insinuations that the pope was not interested in the fate of the Rosenbergs."

## Israel Blames Red Intimidation For Latest Rift

### First Official Reaction To Diplomatic Break Is Revealed

TEL AVIV (AP)—Israel's first official reaction to the rupture in Soviet Union's diplomatic relations today blamed the rupture on a Kremlin desire to intimidate the estimated 2,500,000 Jews still behind the iron curtain.

Rebelling an earlier press comment here, a foreign office spokesman declared:

"The true purpose is the utter desecration and intimidation of Soviet Jewry, for whose fate grave anxiety is felt."

The Soviets, in a sharp note to Israel, had blamed the rupture on the bombing of the Russian legation in Tel Aviv, in which three Russians were injured—none fatally. They also accused Israel leaders of inciting hostile actions against the Soviet Union.

Israel Prime Minister David Ben-Gurion previously had denounced the bombing as a "senseless outrage" and offered apologies and compensation. The Moscow note, however, dismissed these offers as attempts by Jewish officials to cover up their responsibility.

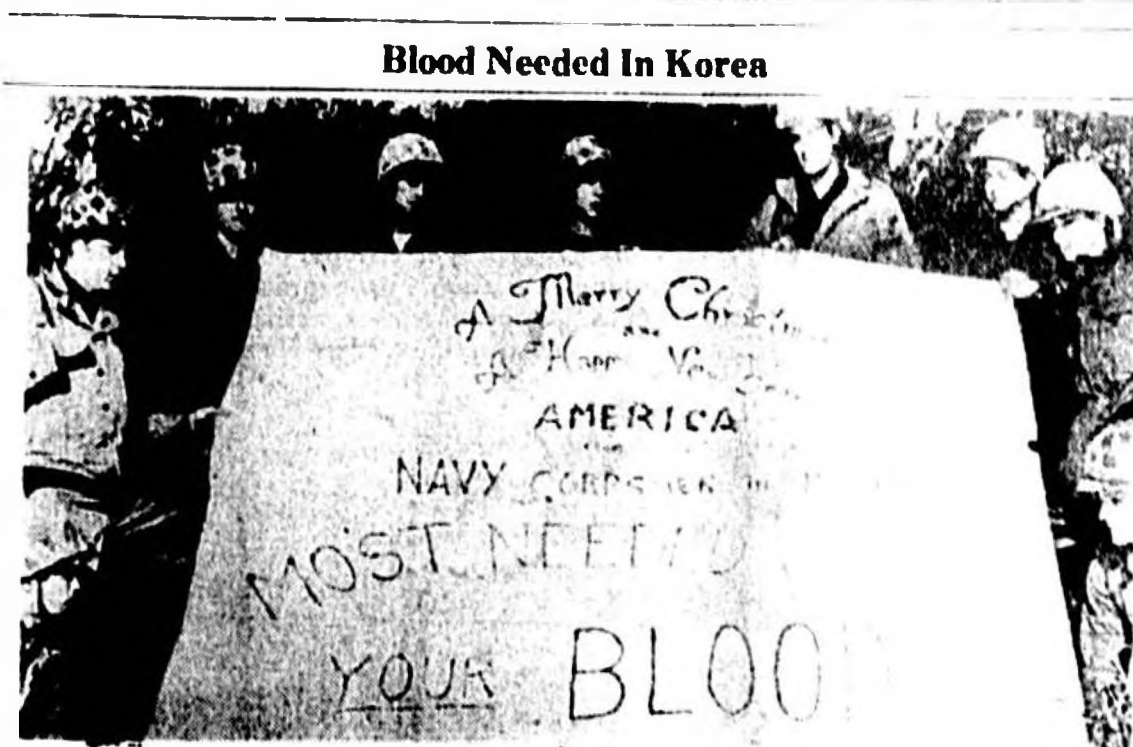

The foreign office spokesman said the Russian decision to break relations was "in effect the culmination of a campaign of virulent slander and outspoken hostility against Israel, the Zionist movement, Jewish organizations, and Jews as such, which has been conducted within the Soviet bloc for a long time past, and has within the last few months been ominously gaining momentum."

By mid-morning, the Soviet legation here still had made no application for exit visas and given no indication when its staff and family members would be permitted to leave the Kremlin's call here.

However, Mrs. Claudia Yershov, the Soviet minister's wife, made a midnight visit to Ben-Gurion, a small village on the outskirts of nearby Jaffa where most of the legation staff live.

A covered dish supper and the regular business session will precede the flag ceremony at the tourist building at 6:30 p.m. Group singing and games will follow the ceremony.

A report of the recent shuffleboard tournament and the results of the contest Longwood and Sanford teams which will be given Tuesday afternoon will be given.

Navy hospital corpsmen in Korea dramatize the need for blood from people back home. They realize the inestimable value of blood donations because it is their job to save the wounded in Korea. The monthly Armed Forces blood donor day will be held here Tuesday with hours from 8:00 a.m. until 1:00 p.m. Prospective donors may contact the American Red Cross office, telephone No. 50. Drawing of blood will be conducted at McKinley Hall. Another blood-drawing will be held next week on Thursday at the Sanford Naval Air Station for Navy personnel and civilian employees at the base.

## Bomber Crashes Near Labrador Killing 3 Men

### Another Wreck Near Tokyo Claims Lives Of Eight Americans

FORT WORTH, Tex. (AP)—A Caravel - based B-26 bomber crashed and burned 16 miles from Eastland last night, Labrador, just before midnight last night, Labrador.

Three crew members were killed, six suffered major injuries and eight others were slightly injured, Caravel Air Force base officials said here today.

The giant bomber returning from a flight to England, was making a scheduled stop en route to Caravel.

First reports from Goose Bay indicated the bomber was preparing to land when the accident occurred.

The weather was reported to have been clear and unobstructed. A C-47 flew to the scene and a two-man rescue team jumped to render aid.

Deep snow prevented the landing of aircraft and early Friday morning Air Rescue Service helicopters evacuated the dead and injured.

The plane was one of 14 returning to Caravel. Two others remained in England as planned.

## Fresh Barrage Of Criticism Turned Loose On Secretary Of Agriculture

WASHINGTON (AP)—Democratic senators turned a fresh barrage of criticism on Secretary of Agriculture Benson today. Sen. Eastland (D-Miss.) said farmers had not voted for a crusade to "pull the rug" from under them.

Hardly was the senate session underway this afternoon before Eastland hit into a speech Benson made in St. Paul, Minn., last week, outlining the new administration's farm policies. It already had come under attack from other members of Congress.

Benson said that government price supports should be used as insurance against disaster and not to encourage uneconomic production. He, however, pledged to carry out price guarantees provided by law.

Eastland observed that Benson had stated his goal by saying that "the great crusade" pointed by President Eisenhower in his election campaign now was underway.

But Eastland and very many farmers in the reported Eastland speech, the "crusade" to reduce farm price supports by that date, was underway was to pull the rug from under the farmers.

Sen. Maybank (D-S.C.) took it to remark that the election returns were no mandate for a program of insurance against disaster. Agreeing, Eastland said that what was promised was partly of it.

But Eastland said, "I am sure that the election returns were no mandate for a program of insurance against disaster. Agreeing, Eastland said that what was promised was partly of it."

## Three New Members Initiated Into Elks

Three new members were initiated into the Elks Club at their meeting last night, Leo Butler, secretary, said today, which was attended by the vice-president of the Florida State Elks Association, William Knight, Coosco.

New members are John J. Mueller, Charles E. Meeks and Earl H. Allen.

At one, chairman of the association committee, made a report concerning plans for a benefit concert which will be conducted at the club Tuesday night at 8:00 p.m. The concert, headed by Joe Carroll, will be held at 8:00 p.m. Mr. Butler said.

Proceeds of the concert are to be used for the Elks crippled children's home at Umatilla, he said, where 60 children reside.

An Easter egg hunt is being planned for a later date. Tentative plans are to have another for children of Sanford.

## Fire Control Tower At Longwood Ready

Seminole County now has more adequate protection from forest wildfires with the recent construction of Longwood Tower, Ranger Joe Carroll said today.

Completed with modern two-way radio and commercial telephone, Longwood is the second tower and supplements Seminole Tower in the spotting of wildfires in the county.

G. H. Otto was appointed as towerman and began work on Jan. 23.

Ranger Carroll asked for the cooperation of residents of Seminole County, who he said can help by calling one of the following persons if they see a woods fire, or if they are planning to do burning on their land:

G. H. Otto, towerman, Longwood Tower, phone 26-2060, Winter Park; Joe Ramey, ranger, phone 198-70, Sanford; Alvin Johnson, towerman, phone 4151, Oviedo.

## Only One Showing Of "Enterprise" Film

Only one showing of the short feature, "Enterprise," which deals with industrial progress of a small Georgia community will be made tomorrow at the Ritz Theater, Robert Harris, manager, said today.

The film which lasts about a half hour, will be shown, free of charge to the public, tomorrow at 12:00 noon.

The short feature, sponsored by the Sanford Industrial Board and brought to Sanford through the efforts of the Chamber of Commerce, shows how Buchanan, Ga., with a population of 540, raised \$20,000 to put up a building which later was leased to the Arrow Shirt Co. as a factory site. Resultant improvements in the town also are shown.

## White House Charged

MUNSAN, Korea, (AP)—Red liaison officers at Panmunjom today charged that an Allied patrol broke into the neutral zone surrounding the truce site last night and shot a Communist security guard in the hand.

They also charged that another U. N. patrol invaded the neutral zone Tuesday night and shot and burned an occupied house and two sheds.

Col. William Carlisle, U. N. command liaison officer, told the Reds to produce evidence and the U. N. C. would investigate.

Panmunjom has been virtually deserted since truce talks were broken off last October.

## Shrine Speaker

Ray Kennedy former big league baseball player, now operator of the Automatic Laundry, will be the guest speaker tonight at the meeting of the Sanford Shrine Club, slated for 7:00 o'clock at the Montecarlo Hotel.

## On Rollins Program

WINTER PARK (AP)—Gov. Earl L. Wente, India's ambassador to the United States, writer and former editor and shipping executive, will be among speakers on the Rollins College Animated Magazine Feb. 28.

## Controls Scrapped On Steel, Copper and Aluminum Products

### Pat Ward Says Jelke Beat Her Scores Of Times

### Witness Declares Her Love For Him Kept Her From Leaving

NEW YORK (AP)—Red-haired Pat Ward said today that she had loved Mickey Jelke beat her scores of times but she wouldn't leave him because "I was very much in love with him."

Jelke, 25, is on trial charged with forcing Miss Ward and two other young women into prostitution today and then being off Miss Ward's profitable earnings.

General sessions Judge James L. Valente has barred the press and public from hearing testimony today. So witnesses can't hear what the courtroom into the corridors.

Today's scene was the same as nearly each day in the week-old trial. Miss Ward, 19, entered wearing a demure smile and simple costume with peler pin collar. She was accompanied by nearly 200 reporters, a hotel manager named J. Roland Sala who likes to be called "Joke" and is intensely interested in the trial and acting as a witness.

Both were immediately engaged in a wave of reporters.

Sometimes Miss Ward talks to the press and Jelke beats her "scores of times." Today he let her talk. She made the statement about Jelke beating her "scores of times."

Reporter: "How many times did Mickey Jelke beat you?"

Miss Ward: "I never kept count. Hundreds of times."

Sala, explosively and waving his hand: "How many times? Innumerable times hundreds of occasions."

Reporter: "That would average more than one a day during the period Miss Ward and Jelke reportedly were together."

Sala: "With amusement." Well, scores of times."

Reporter: "Why did you continue to stay with Jelke?"

Miss Ward (shuddering): "I was very much in love with him. And I was afraid I received many threats. He threatened (shudders) I don't want to talk about it any more."

One of Jelke's attorneys, Martin Benjamin, declared that Miss Ward had testified Jelke forced her into prostitution by repeated beatings. There has been no specific testimony on this point.

### Relentless Tide Threatens New Loss In Europe

### Critical Phase Being Reached In Effort To Hold Back Seas

LONDON (AP)—A relentless tide thundered against Britain's price and wage controls today as the Netherlands and Belgium today threatened a new battle for the price and wage controls.

On both shores of the North Sea, the battle to hold back the tide of inflation against the price and wage controls of the month-old wartime act, until this day.

Britain, asked by the United States and eight other nations to take over a similar system of controls, has refused to do so. Millions of tons of goods are being shipped to the United States and other nations, but the controls are being held back.

Not only have controls been held back, but the tide of inflation has been held back. The tide of inflation has been held back.

Not only have controls been held back, but the tide of inflation has been held back. The tide of inflation has been held back.

### Three Basic Metals May Now Be Unreservedly For Civilian Economy

WASHINGTON (AP)—The Eisenhower administration today announced that it would unreservedly release production of three basic metals—steel, copper and aluminum—for civilian use.

The announcement was made by the office of Defense Mobilization. It marked a shift in emphasis in the rapid dismantling of the war controls program which Eisenhower has promised to scuttle as part of the new Republican administration's pledge of a free market economy.

It is expected that only critical defense allocations and some rent controls will remain when the dismantling of controls machinery is completed by the end of April.

Effective at once, the three basic metals released may be sold by mills and used by civilian contractors without restraint.

The ODM action also means that production ceilings, such as the 1-million limit on passenger jet production on each quarter, are ended as of today.

The "controlled materials plan" of allocation system will continue on this "open order" basis until June to allow Director Arthur S. Flemming to study the situation.

Nevertheless has announced some completed machinery will be established to insure deliveries of the three basic metals to military and some energy claimants.

The order will mark another step toward a free economy and free markets.

And with these moves toward dismantling the controls system, the government had laid some 200 price control workers for dismissal.

## Hobby Named Head Of Freedom Fund Campaign Effort

Sanford, Fla. (AP)—Sheriff Sheriff Hobbs has been named head of the campaign to raise funds for the Freedom Fund, a permanent fund for the defense of freedom and to resist aggression, and launched the famous "Winds of Freedom" balloon operation which raised millions of dollars with messages of friendship to Poland and Czechoslovakia. The program also has provided a medium-wave broadcasting station in Munich.

Products from the transmitter in Europe are entirely in terms of the interests of the imprisoned people behind the Iron Curtain designed to keep alive their hope of freedom and to continually remind them that the Free World has not forgotten their cause. Sheriff Hobbs stated.

The broadcasts are aimed at hitting hard behind the Iron Curtain.

Persons interested in contributing to the program may forward their contributions to Sheriff Hobbs at the Court House.

## Another Sanford Industry

City Manager Tom Lemon, right, made good his endorsement of the new garbage can rack, which was invented recently by Sanford's Tim Crawford and Alex Smith, by making the first purchase from Gordon Sweeney, center, in front of Sweeney's Gift Shop on Magnolia Avenue this week. Forrest Brockenridge, left, manager of the Seminole Chamber of Commerce, expresses his pleasure with a broad grin as the initial sale is made of the Seminole County invention. Mr. Smith and Mr. Crawford have distributed about 50 of these racks for sale on an experimental basis in Sanford and Orlando. They are constructed in Smith's garage on Route 17-92 and built by the same Mr. Smith who created the famed "Snapping" Turtle power mower.

They are constructed in Smith's garage on Route 17-92 and built by the same Mr. Smith who created the famed "Snapping" Turtle power mower.

## Funeral Services Held For Mrs. Peck

Funeral services were held on Tuesday afternoon at 3:00 p.m. for Mrs. A. S. Peck, who died on Feb. 8 in an Orlando hospital. The services were conducted at her home at 818 Palmview Avenue. She had lived for approximately 60 years. Interment was in Lakeview Cemetery.

## Flag To Be Given By Mrs. Carl Eisenhower

Three Scouts in uniform, Cub, Boy and Explorer, and John Pierson, Scout chairman of the Seminole district, will present a gift American flag Tuesday night from Mrs. Carl Eisenhower, Williamsport, Pa., to Roderick McDonald, president of the Sanford Tourist Club.

## Herbert Prevatt To Attend Convention

Herbert C. Prevatt, Sanford representative of the Interstate Life and Accident Insurance Company, has qualified to attend the annual convention of the company being held Mar. 4, 5, 6 and 7 in New Orleans. The group will meet at the Hotel June. In order to participate in this yearly convention an agent must produce a specific amount of new business and have a high average of collections during the year.

## White House Plans To Have All Democrats In Congress for Lunch

Washington (AP)—President Eisenhower plans to have all the Democrats in Congress for lunch at the White House, sooner or later, in addition to all the Republicans.

It's just coincidence that the first of a series of bipartisan bread breaking comes on Friday the 13th.

Invited today were 10 Republican and 10 Democratic House members. The luncheon was the new President's only appointment today. The White House said he hoped to catch up on paper work.

White House ushers said Eisenhower has started the heaviest flow of legislators to the presidential table since the days of another Republican chief executive, Calvin Coolidge.

Coolidge had scores of senators and House members of both parties to the White House at a long series of breakfasts. A thirty-verse member, he once remarked to the meeting of the House at a long which costs least to serve.

Eisenhower's original announced plan was to limit his congressional luncheon guests to members of his own party. But the White House announced yesterday that he now hopes to include all the House members and all members in the Senate.

He had about twice a week.

## Movie Time Table

RITZ  
"The Story of Robin Hood"  
1:08 - 3:11 - 5:21 - 7:32 - 9:40  
MOVIELAND  
"Indian Uprising"  
6:40 - 7:17 - 8:32, last feature 9:19

**CHURCH NEWS**

All Church Notices must be presented at The Herald office by 4:00 P. M. on the day before publication.

**Bullocks To Attend Assembly Council**

Rev. and Mrs. Harold E. Bullock will attend the annual district council of the Assemblies of God next week. The council, composed of some 120 churches in South Florida, convenes at the district campground tabernacle adjacent to Lake Bonny near Lakeland. Mr. Bullock serves the district as a member of the Sunday School committee and as sectional Sunday School representative. Mrs. Bullock is sectional director of the Christ's Ambassadors (young people) activities.

**Alliance Church To Have New Leader**

David S. Carnefix of Miami has arrived to assume his duties as head of the Christian and Missionary Alliance Church at Fourteenth Street and Park Avenue to fill the vacancy caused by the departure of the Rev. Glenn E. Smith who has now gone to Daytona to take over a new pastorate.

Mr. Carnefix graduated from the Missionary Training Institute in Nyack, N. Y., which is sponsored by the Christian and Missionary Alliance Church. He received a Bachelor of Theology degree at the Institute. He has been working in Miami for the past nine months as an assistant pastor. He is married and has three children, Randy, Cathy and Debbie.

**FIRST CHURCH OF CHRIST SCIENTIST**  
800 East Second Street  
Sunday School 9:30 a.m.  
Church Service 11:00 a.m.  
Wednesday Service 8:00 p.m.  
Reading Room Tuesdays and Fridays 3:00 to 5:00 p.m.

That joy, freedom, and health result from the power of spiritual understanding is emphasized in the Lesson-Sermon entitled "SOU" which will be read in all Christian Science churches next Sunday.

One of the Psalms (130:4) furnishes the Golden Text: "My soul waiteth for the Lord more than they that watch for the morning." Jesus' admonition concerning prayer as found in Matthew (6:10) is one of the Bible selections: "When thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly."

Among corresponding citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is this: "Prayer can't change the Science of being, but it tends to bring us into harmony with it" (p. 2).

**GREATER THAN THE ATOM'S POWER...**

Everyone these days talks and thinks about atomic energy. To most of us it is the most remarkable and powerful form of energy yet discovered.  
One of the world's outstanding scientists does not agree. He points out that the most powerful form of energy is not mechanical. It is not electronic, or even atomic energy. It is, he says, prayer energy.  
This little family, then, is tapping that source of amazing power—whether the children utter the simple words, "Now

I lay me down to sleep—" or a special prayer straight from their hearts.  
When you see a family united in prayer, you know it is a family united in all things.  
And you know, too, that the Church is an important part of its life.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

 By BOB ANTHONY

A Station baseball team is in the process of being formed aboard NAAS even though the basketball season is still in full swing. Membership on the proposed baseball team will be open to all men from Composite Squadron 9, FASRON 61, Photographic Squadron 62 and Station personnel.

The first meeting to discuss plans for the team will be held Monday morning at 11:00 a.m. in Room 30 of Building No. 3. There is plenty of baseball talent aboard the station and with combined effort on the part of Station personnel and personnel of the fleet units attached to NAAS, a Sanford Navy baseball team

**Legal Notices**

could be formed that would be hard to beat. If you've had some experience in baseball and would like to play again, be sure to be at the meeting Monday morning.

Warren F. Katen, seaman apprentice, left NAAS yesterday for Norfolk, Va. where he will attend a course in the Motion Picture Operator's School. After learning all the techniques of operating motion picture projectors, Warren will return to duty here where he is attached to the Special Services Department.

The NAAS basketball team led up their championship hopes Wednesday night by defeating the Responder Motors team in an Orlando Class "A" League game to the score 65-31. High man for the night was Barney Ramsey with 19 points while Jerry O'Brien and Lee Yelvington were second and third with 11 and 9 points to their credit respectively.

Bob Webb hurt his ankle in the game and is being treated at the Station Dispensary. The Sanford Navy five has now won 2 games in the league while losing only one and they will now have some time to rest before their first chance to move into first place next Wednesday night. Their next league game will be against the leaders of the league, Hughes Sporting Goods, Wednesday night and a victory for NAAS will mean a first place tie with three league games left to play.

The joint chapter of the Fleet Reserve held their monthly meeting last night at the Fifth Bell Men's Club. Some people have the idea that you can't be retired from the naval service to belong to this organization. That is not true. If you are on active duty with the Navy now and have been in the Navy over six years you are eligible for membership in the local chapter of the Fleet Reserve. For further information contact Dan Taylor, personnel man, second class, in the Station personnel office.

It doesn't take long for dinner to add up to hundreds of dollars in that is exactly what happened in the case of the recent March of Dimes campaign held aboard the station. Figures that have been released show that a total of \$2,200 was contributed to the March of Dimes by the men aboard the station, including Station personnel and members of all fleet units.

There will be a special Valentine Dance tonight at your Navy Center. Mrs. Ed Lane has prepared one of her famous evenings of entertainment to celebrate St. Valentine's Day and there will be games, dancing and refreshment for all. Stag or drag, you'll have

**McCarthy To Discuss TV Education Angles**

GAINESVILLE (AP) Gov. Dan McCarthy began a two-day conference on educational television at the University of Florida today.

He called the conference and leaders to explore opportunities and obligations of education via TV.

Florida must take up by June 2 options on state channels allotted for educational use or the channels will revert to commercial availability. Cities affected are Pensacola, Panama City, Tallahassee, Gainesville, Orlando, West Palm Beach and Miami.

The Florida channels are part of 12 channels set aside in the nation but barely two dozen had been spoken for. Of these, the Federal Communications Commission has granted 11 seven of them in New York state.

Part of the discussions will be technically, other points will be given over to how TV might help spread educational advantages.

Average annual wage and all tax payments in U. S. private industry have been estimated at \$2,281 in 1951 compared with \$1,108 in 1929 and \$1,019 in 1933.

#### Boy Admits Spiking Plates On ACL Track

AUBURNDALE 6P — A railroad detective says a 14-year-old boy confessed spiking iron plates to the Atlantic Coast Line tracks near here "to see what would happen."

A train was due within an hour. The boy, an Auburndale High School student, was turned over to juvenile authorities on charges of putting obstructions on railroad tracks.

Ladouce Sutton, a small man, spotted the plates near a highway crossing. Carlton said he found the boy five miles from the scene.

#### TOURIST SEASON GOOD JACKSONVILLE 6P —

Although some tourist facilities are reporting vacancies, Harold Cole, executive vice president of the State Chamber of Commerce, says Florida is having a record tourist boom. "Where facility vacancies are reported, it appears to be clearly recognized locally that the condition is due to new construction, and very likely not enough advertising," Cole said in a statement Thursday.

#### Price Control Doors To Close At 2 Cities

JACKSONVILLE 6P — Florida's price control offices here and at Miami, which at the peak employed 160 persons and administered the national controls on most cost of living items, will close March 18.

A. Reid Mann, Florida OPS director, announced the closing Thursday night after President Eisenhower decontrolled several items. Mann said remaining controls, mostly groceries and metals, are expected to be lifted by week-end.

#### Chinese Lunar Year Is Being Celebrated

HONG KONG 6P — Exploding firecrackers echoed through the streets today as gay crowds awaited a midnight celebration ushering in the year of the snake and ending a year of the dragon.

A holiday air prevailed in the occupation of the Chinese lunar year 1954. Costumed merry-makers exchanged gifts both here and at Tientsin, Peking.

Baskets of red paper flowers and treats, bright lanterns and vivid decorated bamboo stalls lined Hong Kong streets for the three-day festival which begins tomorrow.

Despite the quiet a survey indicated this year's celebration would be far less extravagant than usual.

Merchants complained of too many window shoppers and too few customers.

#### Pat Ward

(Continued From Page One) many about beating so far in the case, he said.

Jerke, judge and plaintiff's attorney, said Benjamin, adding: "She's twice his size."

Jerke's attorney, Sam Segal, has said he will file subpoena men listed as Miss Ward's paying lovers. Originally he thought he would file a charge but he did not.

Meanwhile the fact that the trial is closed was up for argument in State Supreme court today.

March 18. The Florida OPS staff now is 28 at Jacksonville and seven at Miami.

When large game animals in Eisenhower decontrolled several items. Mann said remaining controls, mostly groceries and metals, are expected to be lifted by week-end.

### Length Of Life

Life expectancy of the average American wage earner has risen to 70.4 years, according to the 1952 Industrial Policyholders of the Metropolitan Life Insurance Co. This is a gain of slightly more than 1952, and of about 22 years in all.

Life expectancy at birth, however, was 68.7 years in 1952. The 1952 showing was made possible by the fact that the death rate dropped to 11.5 per 1,000 in 1952, and the ratio of deaths to population now only one half that of 1951.

The improvement in life expectancy is very noticeable in the case of those who are still in their prime. Life expectancy at age 20 is 54.3 years, according to the Metropolitan Life Insurance Co. reports.

A new experience was established in 1952, when the life expectancy of pregnancy and childbirth, pneumonia and influenza and from other causes of childhood were equal to those of the general population.

The Metropolitan Life Insurance Co. reports that the life expectancy of each of the major chronic diseases has risen, with mortality from diabetes, heart disease and kidney disease showing a decrease of 100 per cent in 1951 to 122.5 per cent in 1952.

The life expectancy of those who had an increase of 9 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 1 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 2 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 3 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 4 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 5 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 6 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 7 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 8 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 9 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 10 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 11 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 17 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 18 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 19 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 20 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 21 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 22 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 23 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

The life expectancy of those who had a decrease of 24 percent in 1952 was 68.7 years, according to the Metropolitan Life Insurance Co. reports.

### WEATHER: THREATENING INDEFINITELY

### THE WORLD TODAY

By JAMES MARLOW

WASHINGTON — Through the last four years of the Truman administration organized labor refused to settle for anything less than full repeal of the Taft-Hartley Act, which was passed by a Republican Congress in 1947.

But President Eisenhower was elected on the Republican platform, which would go no further than offering some unspecified changes in the Taft-Hartley Act.

The changes which labor wants are, in the view of some, the same as wanting full repeal. For example, the AFL and CIO want one of the most important and most controversial parts of the act dropped.

That is the 80-day injunction provision by which the government can shut down a strike which it declares would affect national welfare.

For most of American history until 1932 there was no law preventing an injunction against a strike in 1932 Congress passed the Norris-LaGuardia Act. That for the first time put a ban on such injunctions.

Labor's immunity to strike injunctions lasted 15 years, since 1947 gave the government, at least the right to step in. Labor unions have never stopped protesting.

Yet even if Congress listened to organized labor and eliminated the injunction, the basic question would not be settled. It would come up again if a country-wide strike wrecked the country. A national strike is one extreme example.

A complete railroad shutdown, if it lasted long enough, would bring chaos and perhaps revolution in the cities which needed food and supplies. It isn't hard to believe that the government law or no law, would stop a strike from reaching that point.

The continuing question for the government, now and in the future, is dealing with labor and managing what would be done to let both sides have the maximum freedom, with a minimum of government interference, and still protect national welfare.

Labor unions have attacked the changes which Sen. Taft, co-author of the Taft-Hartley Act, suggested for his law. Their position is that Taft proposals are too meager. Maybe Congress will work out a middle

ground solution. Meanwhile, the National Association of Manufacturers has sounded an alarm to businessmen to offset labor pressure in Congress by going up to the Capitol and testifying on the kind of labor law they want.

This conflict, plus the eventual congressional debate, should be given the months ahead. The House Labor Committee has already begun hearings on T.H. The Senate Labor Committee begins next month.

But what may be the most important factor influencing Congress on the T.H. changes it makes is what happens between big unions and big corporations in the next few months. Most that must price and all wage controls are gone.

### Land Hunger

Private ownership of large land areas is contrary to the public interest, said the Honorable Member of the U.S. House of Representatives, Philip H. Burton, of Michigan.

Large estates have ruined Italy. This condition has never been remedied there, until now, when the De Gasperi government is seriously trying to break up the huge land holdings.

Bishop Larrain has put his finger on a sore spot of the economy throughout the world. Some 2,000 years ago the Roman historian Livy said, "Large estates have ruined Italy." This condition has never been remedied there, until now, when the De Gasperi government is seriously trying to break up the huge land holdings.

Vast land possessions by a few, with tenantry for the masses, did much to bring about the Communist overthrow of the old regime in Russia. Those of a former generation will recall the great part that desire for widespread land ownership played in Irish unrest.

The United States has some great estates, but so far it has been possible for the small farmer to operate profitably. It would be a sad day for America if that should become no longer true.

Sanford Soldier Is Aiding Korean School

WITH THE 7TH INFANTRY DIVISION, U.S. Army, the soldiers of the 32d Regiment are giving part of their monthly pay to the building fund of the school in Pusan, one of the best-hit cities in the Republic of Korea.

A city of 35,000, Pusan had 123 school classrooms before the Korean outbreak. Now it has only four. The 32d Regiment is helping to build a new school in the city.

He has been awarded the Congressional Distinguished Service Medal and the Korean Service Medal with one campaign star.

More than 85,000,000 square feet of clay floor and wall tile, or enough for 80,000 average-size bathrooms, was produced in the first three quarters of 1952, according to the Tile Council of America.

From Roman times until quite recently a wicked ship belonged to the king and it is believed the regulation was developed to prevent the destruction of the property of the shipwrecked.

'Pay As You Go' For Health  
By W. V. Ditting  
Touchton Drug Co.  
As medical science increases its knowledge of diseases and their effects on the body, tests and instruments to detect disease are developed. Medical care to this type must be given in a hospital usually, where these instruments are utilized every hour of the day to benefit the most people.

At one time or another one or all members of your family may require such attention. Then the cost will be easier to stand if you have enrolled in a hospital or medical group plan where the protection is provided by monthly contributions.

Ask your doctor about medical group plans.

### Congressman Herlong Reports

By SID HERLONG

A combination of circumstances which has the House in a state of suspended animation this week has also given Congressman Herlong the chance to go home for a few days, and the staff a chance to write the weekly report to you.

The whole legislative program had to await the President's policy statement in his State of the Union message, and the committee haven't had time to consider the bills introduced for the purpose of carrying out the program. Since committee clearance is necessary before the House can take up bills, this week has been completely devoid of floor action.

Some of the committees are working on bills out the Agriculture Committee but no meetings scheduled this week so Congressman Herlong drove home, taking with him his daughter, Mary Alice who has been visiting him here between sessions at the University of Florida.

Last week Congressman Herlong had a conference with the Secretary of Agriculture, and when he returned from this meeting he said that Secretary Benson was anxious to cooperate with the Congress, and especially with the Agriculture Committee, which is a nearly non-partisan committee in the House. The Congressman was much encouraged by the prospect of cordial relations between the Executive and Legislative branches on agricultural matters.

From where we sit, which is about halfway between being on the inside looking out and on the outside looking in, it looks like the mutually cooperative attitude between the Congress and the Executive branch is fairly general. There seems to be a genuine desire on all sides for the new Administration to have a chance to carry out its program. Certainly the Southern Democrats, while disagreeing strongly in part, go along with many of the objectives the Administration envisions—or you could say that the Administration is stressing objectives for which our Representatives have been fighting all along. Whoever way you look at it, there should be harmony on the points at least.

It is noticeable that the press also, with a few outstanding exceptions, is maintaining either a commendatory or a "wait and give 'em a chance" attitude. Of course the advocates of the Welfare State, of whom there are still few around, obviously don't intend to give 'em a chance if they can help it, and continue to deprecate any effort toward decentralization and the exchange of a managed economy for the good old free enterprise system.

### DEPENDABLE USED CARS

In order to make room for the used cars that we are trading in on the new 1953 Buicks, we are going to sell the following cars at greatly reduced prices.

- 1947 Chevrolet 4 Door Sedan \$795.00
- 1948 Chevrolet 2 Dr. Sedan \$995.00
- 1949 Mercury 4 Dr. Sedan \$1150.00
- 1950 Studebaker Champion 4 Door Sedan \$1295.00
- 1950 Pontiac 2 Door Sedan \$1395.00
- 1950 Buick 2 Door Sedan \$1395.00
- 1949 Buick Super Sedan \$1395.00

The above cars are also clean cars in good mechanical condition. Some of them are equipped with radio, heater, windshield wiper, and bumper, and others with radio, heater, and dynamo.

We Have Several Other Used Cars in Stock

NICHOLSON BUICK CO. TELEPHONE 1031 SANFORD, FLORIDA

THE GREATEST BUICK IN 50 GREAT YEARS

This you will discover: No other car gets away from a standing start with the combined quickness, quiet and smoothness of a 1953 Buick with Twin-Turbine Dynaflow Drive.

With two turbines instead of one—and with engineering advances all through this miracle automatic transmission—you can get from zero to 30 mph before you take two breaths—and with more silence and efficiency than ever before.

Beyond this, there's new power that makes the entire range of performance more electrifying.

In every 1953 Buick SUPRA and ROADMASTER you'll find the world's most advanced V8 Engine—the first Fireball V8. In every 1953 Buick SPECIAL you'll find the famed F-365 Fireball V8 Engine redesigned to provide record horsepower and compression for this budget-priced Buick Series.

But all this fast-getaway, this new quiet, this stepped-up efficiency, this more spirited performance, can be judged only at the wheel of a Golden Anniversary Buick with Twin-Turbine Dynaflow.

Will you stop by and try one—with our compliments? \*Standard on Roadmaster, optional at extra cost on other Series. Telephone Buick—the BUICK CIRCUS HOUR—every fourth Tuesday

Mrs. Boyle, Galloway Honor Miss Collum

Mrs. Lloyd F. Boyle and Mr. John L. Galloway entertained on Saturday with an afternoon coffee honoring Miss Sue Collum who will be married on Saturday night to E. C. Harper Jr. The guests called at the Boyle home on McKinley Avenue at 4:00 o'clock.
Forming lovely decorations in the home were azaleas and plum blossoms in shades of pink.
Miss Collum was attractive in a burnt orange off-shoulder costume frock with which she wore black accessories.
Presiding at the coffee service during the afternoon was Mrs. E. C. Harper; and assisting with the guests were Mrs. James Crapps, Mrs. Gerald Loring and Mrs. Bill Tyre. About 50 guests were invited to be with Miss Collum.

R. A. Pierson Will Marry Deland Girl

Of interest to friends in Sanford is the announcement of the engagement of Miss Florida Pierson, daughter of Deland and Robert Andrew Pierson, son of John Pierson and the late Mrs. Pierson of this city. She is the daughter of Mr. and Mrs. E. D. Woodard of Deland.
Miss Woodard was born in Washington, D. C., and attended schools in Washington, Maryland, and New York. She is a graduate of the class of 1922 at the University of Florida and is now employed by the University as secretary to Dr. R. H. Pierson, Director of the Unit and Cooperative Education Dept.
Mr. Pierson was born in Orlando where he attended grammar school. He completed his high school education at Valdosta High in Valdosta, Ga., and attended the Naval Academy in Annapolis, Md. He received his Bachelor's degree from the University of Florida in 1928. He is now employed as a chemist in the Sanford plant of the General Electric Co. He is now attending Stanford University, majoring in business administration.
The wedding will be at a private home in Deland on Saturday, Feb. 19. Friends of the couple are invited to the ceremony.

Garden Circle Meets With Mrs. Russell

The Magnolia Circle of the Sanford Garden Club met recently at the home of Mrs. Miriam Russell on South Avenue. The meeting was opened with the Lord's Prayer and was presided over by Mrs. E. H. Leske, chairman, who announced the general business meeting and annual luncheon to be held at the Plymouth Hotel Feb. 19. There will be a tour of estates in Winter Park Feb. 20. Cars will leave at 1:00 o'clock and 2:00 p.m. She also stated the State Convention will be held in Miami Apr. 30. Mrs. C. H. Coghlan was elected delegate.
Plans were discussed for the annual flower show to be held at the Emory Mar. 6. Magnolia Circle will be in charge of rose specimens at show and all members are urged to have rooted plants for sale at flower show.
Mrs. J. E. Nichols was selected as horticulture chairman for the remainder of the year.
Mrs. L. P. Hagan invited all members to visit her gardens at her home at 292 East Avenue. He sees the roses, dogwood, and azaleas now in full bloom.
A round table discussion was conducted by Mrs. Clyde Dickerson, guest speaker.
Delicious refreshments were served to Mrs. Coghlan, Mrs. Joel Field, Mrs. R. W. Herson, Mrs. Leske, Mrs. Joe Mosler, Mrs. Nichols, Mrs. H. B. Othman, Mrs. Bradley Othman, Mrs. E. S. Rockey, Mrs. H. C. Hartzel, and Mrs. Russell.

Beauty Notes

By BETTY CLARKE
AP Newswriter Beauty Editor
It's just being girl-humor in expectation of Valentine's Day. After all, for some girls there are just a few days in the year when their romantic swains or husbands will come forth with a gift. Other girls may be luckier with thoughtful males who even produce a quality wrapped package on Washington's birthday. But these are few and far between, we are told.
So it behooves every young princess to take advantage of the social hint or slight nudge that says men need to prove that to a girl count on Valentine's Day.
Scented and expensive for the budget shopper is a package containing a pair of hearts in which are included two chesapeake bottles containing perfume. One striking, shocking pink "book of hearts" opens to reveal a half-ounce of perfume. Heart-shaped soap comes packaged in a shocking pink box.
Or choose your very favorite fragrance, even if it is not especially packaged for Valentine's Day. If your beau has that "I'm-going-to-surprise-you" look in his eye you'd better give him that extra-special "whammy" hint, he'll know your favorite scent when he gets to the perfume counter.
Valentine's Day is an excellent opportunity to get that little gift your heart desires. If your grooming accessories budget is low and you desire a new compact, hair brush, stamper, clothes brushes, lingerie bags or shoe bags, now is the time to put in your bid. The luxury gifts you wouldn't buy for yourself, such as bath oil, dusting powder and bubble bath, also are fine gifts.

Tampa Garden Club

Mrs. W. H. Havel will be the guest speaker at the meeting of the Tampa Garden Club on Feb. 19. The meeting will be held at the home of Mrs. Havel at 8:00 o'clock at the Federated Club Bldg., 800 Rosalia Street.

Past Matron's Club

The meeting of the Past Matron's Club of the Order of Eastern Star scheduled for Monday has been postponed until further notice.

De Bary Doings

The meeting of the Plantation Fraternity Women's Club on Wednesday started at noon. Members brought their lunches and coffee and tea were served. Lunch was followed by a sewing bee.
Next Thursday evening, Feb. 19 the De Bary Democratic Club will hold a meeting at Christlenger Manor. Everybody is invited to attend to hear the speaker, County Commissioner Ed Stone.
Don't forget the picnic on Saturday, Feb. 21, sponsored by the De Bary Civic Association. It will be held at 1:00 o'clock on the grounds of the Valentine home on Medina Road. Bring your lunch. Coffee will be served by the Association. Everybody will be welcome.
There has been quite a good deal of illness but we are glad to say that many are well again and comparatively few of the illnesses were of long duration.
There was a great house warming recently at the home of Mr. & Mrs. Samuel Carter. About 100 guests were their house guests. Mr. & Mrs. Joseph Brunner of Clinton, L. I. and Mr. & Mrs. Edwin Dock of Patterson, N. J. who were dining with the Carters for several days. Other guests were Mrs. Carl Braun and family, Mrs. Frank Schlam of De Bary, Mr. & Mrs. C. Hartline of Sanford, Mr. & Mrs. Frank Bateman of Altamonte Springs, Mr. & Mrs. W. E. Scott of Westborough, L. I., and Mr. & Mrs. Dan Chichester of Raleigh, N. C.

Philatheas Meet At V. Williams' Home

Mrs. V. Williams was hostess for the Philatheas meeting of the Philatheas Club of the First Baptist Church held recently at her home on Laurel Avenue. During the meeting Mrs. Williams presided and a white refreshment table was held after which refreshments were served by the Philatheas. Mrs. Williams presided and a white refreshment table was held after which refreshments were served by the Philatheas.
The Rev. & Mrs. Clarence Vinson of East Orange, N. J., and Mrs. Vinson's parents the Rev. & Mrs. J. H. Vinson of De Bary, N. Y., were guests of honor at the meeting.
Mrs. & Mrs. Lawrence Rothman of De Bary, N. Y., were also present.
David Waters and Robert Christian of Ocala, Florida are and Mrs. Paul Wurthner of Bogota, New Jersey, who are staying at Daytona Beach for several months.
There was a number of card parties on the week of the Homecoming this week. Mr. & Mrs. S. P. Porter stopped in on their way to Orlando. Mr. & Mrs. Richards and Mrs. J. E. Nichols of New York City, who are on their way to Winter Park. Mrs. Richards and her son, who are on their way to Winter Park. Mrs. Richards and her son, who are on their way to Winter Park.
Mrs. J. E. Nichols was selected as horticulture chairman for the remainder of the year.

Joanne Williams Is Honored At College

MONTGOMERY (Special) Joanne Williams, of Sanford, Fla., was presented on the Huntington College stage Wednesday night as "Miss Charmant of 1933". Miss Williams was selected for this honor by vote of the students, the result of which were kept secret until she stepped through a moon gate into the stage for the presentation.
"Miss Charmant" was dressed in ruffled white organdy and carried a bouquet of red roses. Her honor words were told by her in a clear, melodious voice. Her honor words were told by her in a clear, melodious voice.
Following the presentation Miss Williams and her attendants were honor guests at a formal dinner in the college dining hall. Their escorts were Robert Daniels, Jr., Dickson Robert Byrd Mitchell, Henry C. Hewlett, William J. P. Rice, Ed. Kirsch, John Gandy, and Robert W. Pennington.

Miss Blackman Wed To Donald LeFils

An South Catholic Church wedding for the marriage of Miss Blackman and Donald LeFils was held at 8:30 a.m. at the home of Mrs. and Mr. G. C. LeFils of Sanford.
A program of musical music was rendered by Mrs. P. E. Rossini and her family. The bride and groom were accompanied by the bride's father, who wore a gown of white tulle. The bride was escorted by the groom's brother, who wore a suit of white tulle.
The bride and groom were accompanied by the bride's father, who wore a gown of white tulle. The bride was escorted by the groom's brother, who wore a suit of white tulle.

Mrs. Ley Is Hostess For Garden Circle

Mrs. F. I. Ley was hostess for the regular meeting of the Garden Circle of the Sanford Garden Club held on Thursday night at the home of her daughter and son-in-law, Mr. and Mrs. George Williams Jr. at 409 Edith Circle. Mrs. H. C. Oakes, chairman, conducted the meeting and welcomed two new members, Mrs. James Fields and Mrs. W. W. Dawson into the circle. She also welcomed the two visitors Mrs. S. C. Dickerson and Mrs. Pritchard.
Tickets were distributed for the general club luncheon to be held on Feb. 19 at the Mt. Plymouth Hotel. Plans for the flower show, scheduled for Mar. 5, were discussed. Mrs. Dickerson described the care of camellias and azaleas for this section of Florida and her talk was followed with a question and answer period. Refreshments were served at the conclusion of the meeting to Mrs. W. H. Dwyer, Mrs. H. H. Duncan, Mrs. W. H. Garner, Mrs. W. W. Lutz, Mrs. Oakes, Mrs. Robert Miller, Mrs. John D. Carlton, Mrs. Gibson Bates, Mrs. H. B. Parker, Mrs. Morris Ferguson, Mrs. J. H. Lee Jr., Mrs. Dawson, Mrs. Dickerson, Mrs. Fields, Mrs. Pritchard and Mrs. Ley.

Mrs. Pearson Leads RWA Circle Meeting

Mrs. O. T. Pearson, chairman of the R. W. A. Circle of the First Baptist Church, conducted the meeting of the group held recently at the home of Mrs. Pearson. The meeting was opened with a devotional by the group and during the meeting plans were made for a birthday party during March. Committees were appointed for the group.
A social hour followed the business meeting and prizes for games were won by Mrs. V. H. Garthman, Mrs. W. C. Tison and Mrs. Robert Brink. Refreshments were served by the hostesses, Mrs. Brink and Mrs. Chandler. Mail to Mrs. Charles Grooms, Mrs. Tison, Mrs. K. K. Kosh, Mrs. Donald Miller, Mrs. Garthman, Mrs. Pearson and Mrs. Ralph Rubin.

Oviedo Woman's Club Has Large Meeting

OVIEDO (Special) One of the largest groups of members and visitors to attend a meeting and luncheon of the Oviedo Woman's Club this year gathered at the City Hall Memorial Building Friday at noon.
Hostesses included Mrs. James W. Wilson, chairman, and Mrs. M. E. Galt, Mrs. F. J. Talbot, Mrs. E. King, T. L. Long, Jr., and Mrs. Ruth Davidson. Mrs. King, being confined to her home because of flu, was unable to assist with the luncheon. Mrs. J. H. Galt, Mrs. George C. Means, did the pinning in this capacity.
Following the luncheon a fashion show, with Mrs. James Patten as director, was given. Mrs. William Henry Martin acted as narrator for the occasion, being interrupted by the displaying of the lovely ensembles.
Models included Misses Roy Clants, Jr., B. F. Wheeler, Jr., B. W. Estes, Max Lombard, H. F. Wheeler and Leon Mosier.
Misses Patsy Newcomer and Mrs. Norma Jean Rivers of Orlando entertained with dance and musical numbers. Jim Torrance, also of Orlando, accompanied them at the piano.
Mrs. James Merritt Staley presided over the business meeting that followed. It was announced that a benefit for the Seminole County Federation of Women's Clubs will be held in Oviedo at the City Hall Mar. 5 from 3:30 to 6 p.m. Mrs. George C. Means, social chairman, will have charge of the arrangements.

Philatheas Meet At V. Williams' Home

Mrs. V. Williams was hostess for the Philatheas meeting of the Philatheas Club of the First Baptist Church held recently at her home on Laurel Avenue. During the meeting Mrs. Williams presided and a white refreshment table was held after which refreshments were served by the Philatheas. Mrs. Williams presided and a white refreshment table was held after which refreshments were served by the Philatheas.

Plans Complete For Animated Magazine

Plans are completed for the annual Animated Magazine. A final meeting of the Sanford Woman's Club on Wednesday, Feb. 25, Mrs. C. E. Welch, associate editor, announced today. Serving as editor-in-chief for the magazine is Mrs. J. H. Galt. The theme for the magazine is "World Today" and "What's Going On". The Sanford Herald will deliver the editorial 1000 copies. Mrs. J. H. Galt will appear on the magazine. The theme for the magazine is "World Today" and "What's Going On". The Sanford Herald will deliver the editorial 1000 copies. Mrs. J. H. Galt will appear on the magazine.
Another interesting feature of the program will be the presentation of the "Stage" address of Orlando, interior decorator of note who will speak on "What's New in Interior Decoration". Other interesting addresses will be given by Mrs. W. C. Tison, Monument formerly of Sanford and now librarian of Winter Park, and Robert Bennett, local television engineer.

Shakespeareans To Be Presented At Rollins

WINTER PARK (Special) Shakespeareans, the seventh annual program of songs, scenes and dialogues will be presented at Rollins College by Mrs. Roland Dealy's Shakespeare club during Founders' Week in the Strong Hall patio Feb. 18. The program, which will begin at 4 p.m., is an example of cooperation between the English and theatre departments and the college's conservatory of music.
The atmosphere will suggest that of 16th century Globe Theatre, with a flag run up before Strong Hall to show a play is in progress. There will be places in the galleries for the occupants of the box and tickets for a trumpet will announce the opening. The "groundlings" in the "patio pit", however, will be orchestra-treated with chairs, and, instead of English oranges and camellias will be sold for the Rollins Diamond Jubilee fund. The performance is open to the public.

Legion Meeting

The regular supper meeting of Campbell Rossing Post 53, will be held at the Legion Hut Monday, at 7:00 P.M. Tickets may be purchased from Jim Singletary, Slim Galloway, Gordon Frederick and George Mayberry. Regular business meeting will follow.

**Meeting Is Slated To Spur Drive For Navy Center Funds**

Mrs. Selwyn Lindo, State Director of the United Service Organization, will be in Sanford tomorrow to meet with the local committee of the USO, headed temporarily by Mack Cleveland, in the City Hall at 1:30 p. m. It was announced today by Mrs. Dick Aiken, locally chairman of the Sanford USO.

Mrs. Lindo's visit will be in connection with the first local drive to supplement national funds for the Navy USO Center at the Chamber of Commerce building, Mrs. Aiken stated.

The Navy Center requires \$200 a month to operate with \$100 being supplied by the National USO and the other \$100 being provided locally.

Prior to this year, the Chamber of Commerce matched the National USO \$100 allocation, but this year the Chamber will be unable to finance the local share. Thus, as R. L. Perkins, president and member of the Sanford USO committee, said, "It is our duty to raise this money in order that we may make these boys stay in Sanford as pleasant as possible."

"It is not only our duty but a necessity since the presence of the Navy affects everyone of us either directly or indirectly," he asserted.

According to Mrs. Aiken, unless the local drive can raise the necessary \$1200 annual total, the National USO will not give the Navy Center its \$1200 allocation this year.

"This drive is not going to be one that will be repeated throughout the year," Mr. Perkins declared. "We are going to raise this money at once and then that will be all for the year."

The local USO committee, which is headed by Jack Halligan, was in a league of about 200 cities providing Navy men from the Sanford Naval Auxiliary Air Station with two weekly dance events, plus one big monthly party at the Navy Center.

In addition, a fully equipped writing room is furnished the sailors complete with stationery envelopes and ink. A radio has been donated for their use in the center as well as a free juke box, ping pong tables, cards and kitchen facilities.

The Navy Center is open every day and night of the week to furnish the Navy personnel with a place to go while on leave or pass. There are a wide assortment of books and magazines stocked for the reading entertainment of the boys, Mrs. Aiken added.

Women from 16 local civic organizations serve as hostesses for the Navy men at the various social functions throughout the year.

**Fish Estate**

(Continued From Page One)  
 Neill was as follows:

"That Mr. Wilson, General Counsel for the Trust, and Mr. Arthur Roswell, Assistant to the General Counsel, be directed to prepare appropriate legal documents which will, in effect, seek authority for the Bert Fish Trustees to set aside and at the appropriate time transfer to the County of Seminole a minimum of \$250,000.00 cash from Trust funds, or equivalent assets; also that the Sanford Trustees be requested to inform the Board of County Commissioners of this action and recommend that the Board concur with the dispatch to obtain from the Florida State Improvement Commission a transfer of the location of \$270,000.00 heretofore made to the Trustees of the Bert Fish Testamentary Trust, or the grant in aid in the construction of

 STATE OF FLORIDA  
 ALICE P. BAILEY is alive and her unknown spouse is deceased, and if dead, the unknown heirs, legatees, devisees and grantees of said Alice P. Bailey, all claimants under such party, and all parties having or claiming to have any right, title or interest in the following described land, or any part thereof, located in Seminole County, Florida, to-wit: Lot 10 of subdivision (11) of the public records of Seminole County, Florida.

You are hereby notified that a suit has been brought against you in the Circuit Court of Seminole County, Florida, in Chancery, by C. M. Lott in an appearance in this proceeding and required to serve upon you a copy of the complaint, on or before Wednesday, March 11, 1953.

If you fail to do so, a decree pro confesso will be entered against you for the relief demanded in the bill of complaint.

The nature of this suit is to transfer title to the above described land to the plaintiff, ALICE P. BAILEY, et al. defendants, pending in the Circuit Court aforesaid.

WITNESSES my hand and seal of said Court at Sanford, Seminole County, Florida, this 11th day of February, 1953.

C. P. HARRISON  
 Clerk of said Circuit Court.

**Plane Crash**

(Continued From Page One)  
 "It is possible that the pilot of the airliner was attempting to make it there or somewhere along this coast for an emergency landing," he said. "Land was less than five minutes flying time from the spot where the plane crashed."

It was the first fatal crash of a U. S. domestic airliner since a National DC6 fell at Elizabeth, N. J., Feb. 11, 1952.

At Miami, Fla., National's vice president in charge of operations, Capt. E. J. Kershaw, said the DC6 in Saturday's crash may have met "tornado conditions."

Kershaw noted that Capt. E. A. Springer, pilot of the DC6 met turbulent weather conditions about the time of his last report, causing him to descend from 14,000 feet in 1,500 feet.

**Income Taxes**

(Continued From Page One)  
 estimate the bill would trim close to 1 1/2 billion dollars from federal revenue for the fiscal year starting July 1.

For that reason it presents important and timely problems for Eisenhower, who has pledged strongly to raise enough revenue to balance federal spending. He has put spending cuts ahead of tax cuts in his fiscal policy.

As a possible solution to the which-comes-first dilemma, Senate Republican Leader Taft of Ohio suggested a delayed action tax cut up to 13 per cent effective in the fiscal year starting July, 1954.

House leaders, including Speaker Joseph Martin R. Mace, have said they will try to hold off floor action on the fiscal bill for two months or more. But eventually, barring new developments, they expect to send the measure to the Senate, where its future is more uncertain.

**Rotary**

(Continued From Page One)  
 He then described four men he had known who he said had demonstrated in their own lives the true meaning of manhood. One was a college athlete with a brilliant future who went blind and had to earn his living for his wife and children selling newspapers, but who still found time to serve others in many organizations.

Another was an immigrant miner from Wales who came to this country and made a great record as a mediator between management and labor. Another was a man named George Lott who could do more things than anyone else, whether as mechanic, musician, artist or on a secret mission in World War I and was always ready to help other people at all times.

The fourth was Arthur H. Roswell, another member, who went to Indiana and helped to establish a modern educational system there. He now has a son who is carrying on the work he started there.

"These are the men who in my book have revealed the true texture of man, not for what they have said about it themselves, but for what they have done."

Visitors included E. W. Lee of Mt. Pleasant, Mich., E. H. Perkins of Newark, N. Y., William Bates Woodstock, Canada, Howard Surgeson of Penn Yan, N. Y., Howard Chadwick of Ft. Pleasant, N. J., Fred Sawwell of Hudson, N. Y., P. P. Dural, P. J. Grant and James Hoyer of Erie, Pa., John Bridges of Morehead City, N. C., Wells Kelly of Dannelton, and Mr. Grant of New York City.

**Rufus Vining Died In Orlando Saturday**

Martin Rufus Vining, 42, died at an Orlando hospital Saturday morning following a long illness. Born July 11, 1911 in Bowling, Fla., Mr. Vining was graduated from Seminole High School in 1930. He was a member of the W. O. W. and the St. James Catholic Church of Orlando.

Formerly employed in Sanford by the Seminole Laundry Company, he later moved to Orlando with the Orlando Linen Supply Company, later transferring to West Palm Beach where he lived for eight years, moving back to Orlando three years ago.

Survivors include the widow and four children—Neil, Kenneth, Mattie and Tony, all of Orlando; two sisters, Miss Gertrude Vining and Mrs. Owen Meredith of Sanford; one brother, Charles Vining with the U. S. Navy in Norfolk, Va.

The funeral will be held at 7:30 p. m. tonight at Carey Hand Funeral Home in Orlando. High mass will be held at St. James Catholic Church at 9:00 a. m. tomorrow. Committal services will be held at Lake View Cemetery in Sanford at 10:30 a. m.

**Execution**

(Continued From Page One)  
 Sing Prison's death house ever since.

U. S. Marshal William Carroll said the date of the electrocution may be March 12, and the hour 11 p. m.

Rosenberg, 34, and his wife, 36, originally had been scheduled to die in the electric chair there Jan. 4.

But the judge postponed the execution to permit time for the President to act on their clemency appeal.

President Eisenhower last week turned them down.

Setting of the new execution date came amid a growing clamor over the case.

Hundreds picketed the White House late last week in protest against the death penalty.

For the second time the Roman Catholic apostolic delegation in Washington last week informed the government the pope has received large numbers of pleas for mercy.

**Ted Williams**

(Continued From Page One)  
 away from the wrecked and blazing plane.

Jahara, from Wichita, Kan., was credited with downing a MIG in the first claim of his second combat tour after 20 or more fruitless missions. On his first tour Jahara destroyed six MIGs, probably destroyed another and damaged four.

Allied warships, meanwhile, began the third year of their bombardment and siege of the Eastern Korean port of Wonsan. The U. S. heavy cruiser Toledo and two destroyers, the Wedderburn and Moore, shelled shore installations.

The siege of Wonsan, the longest in U. S. naval history, it began Feb. 16, 1951, after the U. S. 1st Marine Division and other U. N. units were evacuated in the Eighth Army's retreat from North Korea.

AP correspondent Glen Clemens, aboard the U. S. carrier Valley Forge, described Wonsan as "a city of rubble and death." He said the city, which once had a population of 100,000 and was Eastern Korea's transportation hub, has been reduced to an estimated 30,000 Communist soldiers and a handful of civilians.

On the battlefield Allied infantrymen threw back five small Communist probes in pre-dawn darkness. Temperatures dropped below zero all along the front.

McCarthy told a news conference the 17-nation army is "a formidable military force which has accomplished great things in the past and is capable of further achievements in the future."

He added that he would like nothing better than to meet a Communist offensive. He said also that Korea offered great opportunities for "ingenious and unorthodox commanders." But he did not indicate what unorthodox strategy he might have in mind.

**Storms**

(Continued From Page One)  
 shortened to only a block or two in many cities in the northwestern part of the state.

The dust-laden wind moved across the state in a southeasterly direction headed for Arkansas.

Damage from early reports was listed as light and no injuries were reported, although police in some of the smaller communities said visibility was "zero."

**McCarthy Quiz**

(Continued From Page One)  
 shift in Matson's assignment, McCarthy told Borah, he was "incompetent" and had done "the most inexcusable act I've ever seen on the part of an officer."

McCarthy called on Secretary of State Dulles to discipline the officials involved. He said the subcommittee would do this by contempt proceedings, the department's top men did not act.

**NEW Cough Help**

**FOR LITTLE CHILDREN**

For coughs and bronchitis due to colds you can now get CREAMULSION specially prepared for Children in a new pink and blue package and be sure:

(1) Your child will like it.

(2) It contains only safe, proven ingredients.

(3) It contains no narcotics to disturb nature's processes.

(4) It softens and soothes and soothes and soothes the throat and bronchial membranes, thus relieving the cough and promoting rest and sleep. Ask for CREAMULSION for Children in the pink and blue package.

# Seminole Cagers Lambast DeLand Twice, 56-44 55-25

## Fed JVs Score 9th Win In 11 Games; Varsity Now Has 5-7 Season Mark

By KENT CHELAIN  
Coach John Scott's triumph that his varsity team would start slow and come fast to become a definite state tournament threat is proceeding right along according to schedule. The Seminole varsity "blitzkrieg" kids roared to their

second straight East Florida Conference victory by stunning the DeLand Bulldogs at the HHS gym last Friday night, 56-44.

Meanwhile, those pesky top rung Junior Varsity Seminoles scored their ninth victory in the last 10 games by subduing the DeLand Bulldogs JV's, 55-25, in the opener last Friday night.

This gave Sanford a clean sweep of their four game home-and-home series with DeLand something local fans may remember the last time a Celery Fed team was able to blank the Bulldogs varsity and jayvees in four games.

Coach Scott who has been promoting his charges for that all important state tournament, which pits Sanford against New River in the opener of the Group II class A tourney in New Smyrna next month, is strictly a momentum coach who plays 'em to win like the Yankees do in baseball.

Scott's charges after opening the season with three straight non-conference losses, rebounded back after the holidays and scored victories over DeLand and three East Florida Conference games.

However, the then PEC losses were readily by the mighty Seaboard cagers and regional scores, dropped a nail to St. Augustine while falling to DeLand in a non-conference duel 85-65.

The Seminoles were not to be denied as they took up and defeated DeLand 71-46 to be followed by last Friday night's win which gives the Seminoles 127 points in the last two encounters for an 81.8 point average in the last two tilts.

The Seminoles' erratic crew now boasts of a respectable 5.3 point record and a 5.7 season's count. They are willing to play any challenger, including DeLand or Lyman of Seminole County.

Many local fans and DeLand followers would like nothing better than to see their own team clash for the county title. It certainly would provide Sanford basketball a shot in the arm.

The Seminoles' recent loss to DeLand's game in fine style with Gordon Clark fast breaking a seven true in the final 10 seconds to strike Sanford, for a 2-0 lead which they maintained throughout the clash.

Bubba Hibece, a steady performer who broke into his own team by passing the Seminoles with 16 points. He demoralized 7 rebounds through the hour in the final quarter. Jimmy Krider, dubious referee, returned to the court to notice the note for a second foul out of 13 points, seven minutes after the hour, Junior Motta hit or lay-ups to the tune of 10 markers on five attempts.

# Oviedo Roars On To 11th Straight By Bumping Umatilla, 55-45

## Jones Nets 17 More Points To Raise His Total To 249 In 14 Encounters

OVIEDO (Special) Those high flying Oviedo Lions, probably the best of times Cagers in Florida, pulled on to their 11th straight victory by grinding on the once highly touted Umatilla Bulldogs, 55-45, here last Friday night.

It was the swishing attack of Johnny Jones and his 17 points that paced the Mikklermen to their 11th consecutive CFC win and 11th successive win of the season. Backing Jones was the timely rebounding of Harvey Joe Clayton, a junior center who is more than adequately supplanting the hospitalized Walt Duda.

It was the swishing attack of Johnny Jones and his 17 points that paced the Mikklermen to their 11th consecutive CFC win and 11th successive win of the season. Backing Jones was the timely rebounding of Harvey Joe Clayton, a junior center who is more than adequately supplanting the hospitalized Walt Duda.

The Lions have drawn a live in the opening clash on Wednesday night that they will score into action on Thursday night with a game against the winner of the DeLand-DeLand clash. Oviedo has defeated DeLand and Umatilla twice this season, handily.

Some Oviedo fans blame their cross-country rival Lyman five will furnish the closest threat to their own conference title bid in the tourney. They point to the improvement in the Lyman five, having lost its opener in Oviedo by a 17-point spread while rebounding back later in a narrow win over the Lions, 41-37.

Then on Lyman's most Mount Dora clash on Friday night on the Greyhounds' home court. That is to say, any and all opposing CFC teams at the Mount Dora meet.

Jones' 17 markers raised his Seminole County season total to 249 points, or 101 more points than he scored in his first 14 games. DeLand's Lyman has a low 134 points in his 14 games. Oviedo is now within 10 points of becoming the second Oviedo team to crack the 200-point mark this year. Fred Wharton is tied with 77 markers.

There are no games slated for the Lions between now and their Saturday clash with DeLand. The second round of the CFC tourney in Mount Dora, however, they are a rumor that DeLand could play the Seminoles High School system in the Lion's challenge to the Fed for a non-tourney time on.

Meanwhile, the Lion sits down to a close game without their star. Shilov Jones, 23.97 to DeLand last Friday night. The Oviedo girls will own the CFC meet this week by knocking the DeLand Bulldogs at 8:00 p.m. Wednesday afternoon.

## Lyman Surprises Mount Dora Five In CFC, 44-39

GREYHOUNDS LOOM AS DARK HORSE TEAM IN CFC TOURNEY

Mount Dora (Special) — Coach Tom Payne's hapless Lyman High quintet of Longwood having lost six games by less than six points this year, staged a minor upset in Central Florida Conference play here last Friday night by stunning the Golden Hurricanes, 44-39.

It was the Greyhounds fourth victory of the season and their third CFC in eight encounters this year. Lyman's surprise win over Mount Dora, plus the fact that the Hurricanes have come the closer to beating Oviedo, makes most experts believe the Payne-men will be the dark horse to watch in this week's CFC tourney at Mount Dora.

Lyman will play St. James, a team they have defeated twice handily while losing once to the Panthers by a single point, in the

Strophomere sensation, Bobby Driskill, paced the Lyman victory with a 15-point leading point total to raise his season's scoring mark to 118, second in Seminole County. Charlie Shaw with his eight-point game boosted his high point figure to 125 markers in 11 games.

The victory gave Lyman a 3.5 CFC record while the setback reduced the hosts on Mount Dora's slate to 7-3. The Golden Hurricanes gain some solace in the fact that the girls' squad won the longwood girls, 47-32.

## Fleischer Loses To Bisplinghoff As Edgewater Wins

Despite "Mighty Mel" Fleischer's sterling competition and 75-stroke score, Don Bisplinghoff defeated the able Seminole linkman with a 71 medalist total for 18 holes to pace Edgewater to a shutout, 15-0, victory over Seminole High School at the Mayfair Inn Seminoles Country Club last Friday afternoon.

Don Holler and Mrs. Russell Pearson combined to snare the runner-up low net laurels while Mrs. C. L. Austin and Col. S. G. Harriman join in scoring the low gross victory.

Dr. Harold King and Mrs. Prie-son for the winners. The state high school golf tournament will be held in Sanford next month at the Mayfair Seminoles course.

NEW YORK — Long shots seldom pay off in baseball, but we have had a sneaking feeling for several days now that Paul Richards and his Chicago White Sox are going to pull one for the books this coming summer.

The feeling didn't quite come when Ferris Fain, the two-time batting leader of the American League, changed into a Sox uniform, though it was obvious that the acquisition of such a fighting, fleet first baseman gave Richards another important weapon. It came when General Manager Frank Lane, using some strange new selling agent, talked the Boston Red Sox out of Junior Stephens.

Giving up Little, Lane now has thrown together an infield which must be rated at least on a par with anything in the American League, both defensively and in potential run production. If the knee which Stephens injured last season has indeed completely healed, neither the Yankees nor the Cleveland Indians can afford to feel complacent.

It is certain that Fain, who was not too happy at Philadelphia because of salary differences, will be in there battling his head off for a hustling job with a pennant team in its eye. Our hunch is that the Boston Sox, who have been in Boston too long, will experience a similar upsurge of spirit once he is exposed to Rich-

ards. Junior, you should hold onto your hat. The new Sox first baseman lacks the speed of most of the top leaguers, but he can field and, when he feels like attending strictly to baseball, can blast that apple. Lane, who admits frankly he is shooting for a first place team, has a hunch that the one great shortstop has more big season in his system — if the three pitchers he sent to the minors will win.

Contributing a little to the lurch about the South Stars is the fact that they have a veteran named Jimmie Smith at shortstop. The little Latin had a comparatively poor '52 season, attributable about equally, they say, to eating too well and thinking too great admiration of his own ability.

Both failings are, fortunately, subject to treatment, and the general belief is that Chicago will come back his old peerless self.

gators Included On LSU Grid Schedule

BATON ROUGE, La. — Louisiana State University's 11-game 1953 football schedule includes three newcomers, Florida, Arkansas and Huston college.

## Sonny Powell And Mrs. Vihlen Win Golf Tournament

Sonny Powell teamed with Mrs. William Vihlen to win the low net 18-hole men and women's two-hal tournament at the Mayfair Inn Seminoles Country Club yesterday afternoon.

Ray Holler and Mrs. Russell Pearson combined to snare the runner-up low net laurels while Mrs. C. L. Austin and Col. S. G. Harriman join in scoring the low gross victory.

Dr. Harold King and Mrs. Prie-son for the winners. The state high school golf tournament will be held in Sanford next month at the Mayfair Seminoles course.

Head Whips Musial In Driving Contest

BOCA RATON, Fla. — St. Louis Cardinals' star Stan Musial matched his hitting power with softer Sam Sneed in an exhibition here Sunday but as a contest it was a flop.

Using a baseball bat, Musial drove out golf balls served up by the veteran golf pro, Tommy Armour, but the best he could do was a drive to center measuring about 175 yards.

Sneed said almost that much distance with a No. 7 iron. The veteran White Sulphur Springs, W. Va., pro used his driver to stroke several golf balls beyond the 250-yard mark.

Minute Maid Corporation's seventh year was the most successful in the company's history, says John M. Fox, president. Approximately 60,000,000 more cans of Minute Maid were sold in 1952 than in '51.

## Stay Granted To Execution Of Atom Spies

### Delay In Effect Will Give Supreme Court Chance To Review Case A Third Time

NEW YORK (AP)—Condemned atom spies Julius and Ethel Rosenberg today won a stay of execution until at least March 31, and probably longer.

The stay will be in effect to permit the Supreme Court of the United States to review the case a third time.

They had been scheduled to die the week of March 9.

A three-member United States Appeals Court granted the stay on motion of Defense Attorney Emanuel H. Bloch to give the condemned couple time to petition the Supreme Court for a review.

Elsewhere in New York a state Supreme Court judge today refused to order (General Sessions Judge) Francis J. Valone to open the Minot deke case trial to the public and press.

Justice Benjamin F. Schroeder held that the Supreme Court "has no right or power" to decide whether the judge should or should not have ordered the exclusion of the public and press from the trial.

Five newspapers, two wire services and a feature syndicate had filed a petition to open the trial.

In rejecting their applications, Schroeder said:

"The fact that possible injury to the rights of the defendant may flow from the exclusion order is not a question to be considered because the defendant makes no complaint to this court."

Judge Valone's order, Schroeder said, violated no statutory or constitutional right of the newspapers and wire services. The news organizations had stated that the closed trial was unconstitutional and unwarranted.

He held that Valone had the power to make such an order and said "these motions for an order of prohibition are denied."

## Oviedo Petition Urges Building Of Southwest Road

### Cowan Solicits Support Of Commission For Industry Group

A petition containing 211 names was presented by a delegation from the Oviedo area this morning to the Board of County Commissioners concerning the desire of the people there for the construction of the Southwest road, a secondary highway through the area to the Orange County line.

This construction recently was presented for approval to the State Road Department by the Board of DeLand by the County Commission as a priority project.

The petition reads: "The people of Oviedo have been very anxious for a long time to get this road, the leading road to Orange County and the Cheney Highway. The City Council has made every effort to assist in getting the right-of-way."

"There has been some misinterpretation and a report has gotten out that the people of Oviedo and those on the right-of-way did not want this road to go through. This petition has been drawn for the ones that are in favor of this road to sign as evidence of their wishes and requesting the County Commissioners to use every effort in assisting the people of Oviedo to get this road, and your efforts will be very much appreciated by the following: O. P. Herndon, clerk.

The delegation appeared before the Commission soon after it convened at 9:30 a.m.

The Commission voted to pass the petition and to give the support to the effort of the Sanford Industrial Board in getting Sanford Industries, Inc. established.

Ralph Cowan, chairman of the Industrial Board, who is spearheading the drive for the new corporation, appeared before the Commission and requested representation from the County Commission on the corporation board of directors.

"We wish to invite and urge that either one or two members of your body agree to serve on the board of directors of Sanford Industries, Inc., after all the legal requirements of this organization have been completed with so that its permanent operational set-up can be effected."

The Fish estate trustees declined to contribute \$250,000 at least, toward the project and to recommend to the Florida State Improvement Commission the transfer of an additional \$270,000 to Seminole County which had been allocated to the Fish estate.

Also, Mr. Tucker said, the trustee in effect are transferring the lake front site to the County and are turning over their hospital plans and specifications.

The Commission approved a resolution to request the Fish estate trustees to forward funds, deal to site and plans to the County of Seminole and instructed Benjamin L. Boyce, County Attorney, to start proceedings toward acquisition of the funds allocated by the Improvement Commission. (Continued On Page Four)

## Man Is Arrested; Stolen Goods Are Found In His Room

A tip to the police from a woman yesterday led to the arrest of Thomas Lee Hackley, 408 Cypress Avenue, on a charge of petty larceny and the discovery of a considerable amount of stolen goods in his rented room.

According to a police report, a call came in yesterday afternoon concerning a break-in at Jones Street, from Roosevelt Harris, the owner of the place. J. E. Jones has been in the DeLand hospital the past two weeks, the report stated.

Leola Jones, 108 Cypress Avenue, said that someone residing at the same address stole the keys to the store front of the beer garden. The store room had been entered, the report stated, and several bottles of wine and a gun were taken.

Upon searching Hackley's room, according to the report, police found the following articles: a blue coat, valued at \$20; three pairs of pants, valued at \$27; two bed spreads, \$12; five shirts, \$12; 10 pairs of socks, \$10; 10 pairs of shoes, \$10; 10 pairs of socks, \$10; 10 pairs of shoes, \$10; 10 pairs of socks, \$10; 10 pairs of shoes, \$10.

The pants had been stolen from the car of C. B. Franklin, 415 East Fourth Street, while he was parked at Purple Street and Grand Street, Feb. 3. The car, belonging to Mrs. LeRoy Hickson, was taken from a parked car at Lovett's grocery store on First Street Feb. 3. Hackley was being held in jail today. No bond had been set late this morning.

## Prison Inmate May Claim Wife's Estate

HARTFORD, Conn. (AP)—When James G. Plunkett, 31, gets out of prison, he may claim the \$270,000 estate his wife left him in her will.

He's serving a five to eight-year term because he fatally shot her Nov. 1, 1949.

Plunkett was indicted for second degree murder, but was convicted of manslaughter. Since he was convicted of the lesser charge he is entitled to the inheritance, the Connecticut Supreme Court ruled yesterday.

A Connecticut law prohibits inheritance by homicide but it mentions only first and second degree murder, not manslaughter.

Chief Justice Alvin Brown, who wrote the opinion, said the law "is so clear and free of ambiguity that it can be no mistaking its meaning."

## Queen Elizabeth Returns To Flood Zone

QUEEN ELIZABH II of Great Britain walks across rough planks in the flood-stricken Tilbury area to cheer and encourage the residents who now face a new threat from spring tides in the North Sea. Ten million sandbags from nine nations, including the United States, are being taken to England to help bolster the battered sea walls before the menacing tides reach their peak. (International Radiophoto)

## US "Voice Of America" Seen "Rotten" Deal

### Senator Raises New Questions Whether Broadcast Effort Has Been Subotaged

WASHINGTON (AP)—Sen. McCellan (D-Ark.) today denounced the management of U. S. "Voice of America" overseas propaganda broadcasts as "rotten on the face of it."

He raised new questions whether the broadcasting efforts have been subotaged.

McCellan's remark marked the second day of public hearings in a Senate investigation of the program, marked already by suspension of construction of two huge radio transmitters for the "Voice."

The committee has received testimony these facilities, one near Seattle and one near Wilmington, N. C., are costing to times too much.

Dr. Wilson S. Compton, head of the International Information Administration (IIA) which runs the "Voice" for the State Department, testified he ordered the projects halted because of "obviously preposterous" provisions in the contract.

McCellan, senior Democrat on the Senate investigations subcommittee which is conducting the inquiry, interrupted the testimony at one point with a declaration:

"It seems to me there is a whole lot more than plain stupidity or incompetence attached to this deal."

McCellan said the subcommittee should press the investigation to show whether any of the costs being investigated came about by design.

"This thing looks rotten on the face of it."

Lewis J. McKesson, a former radio engineer for the "Voice," denounced its engineering setup last week. He declared:

"I believe sabotage was behind the decision to locate the two big new stations at the present sites."

Waste in the entire program of building broadcasting facilities for the "Voice" was estimated at \$3 million dollars, unless economies are ordered.

The Washington and North Carolina stations are located in areas subject to magnetic interference, and it would cost to times too much in million dollars to move them to better sites.

McKesson testified that experts from the U. S. Bureau of Standards, Massachusetts Institute of Technology and the Radio Corp. of America agree with him that the present sites are bad.

## Papers Are Signed Bringing To Sanford Makers Of DuCraft Boats

### A Meeting Will Be Held At The Court House Tomorrow Night At 8 O'Clock

A meeting will be held at the Court House tomorrow night at 8 o'clock for the purpose of completing the organization of Sanford Industries, Inc. Ralph Cowan, chairman of the Sanford Industrial Board, announced today. If less of the corporation will be adopted at this time. All stockholders are urged to be present and all those interested in bringing new industries to Sanford are invited to attend.

Yesterday afternoon at 5:00 o'clock Ralph Cowan, chairman of the Sanford Industrial Board, executed an agreement with Clem DuPuis and Ben White, owners of DuPuis boats, located at Port Orange, providing that the Sanford Industrial Board will operate the machine shop building owned by the Atlantic Coast Line between Sixth Street and Ninth Street on French Avenue to be occupied by DuCraft as a boat manufacturing plant.

The Board also agreed to negotiate with the Atlantic Coast Line for a continuing lease on the building for DuCraft, DuPuis and White agreed to move their present plant from Port Orange to Sanford just as soon as the above building is ready for occupancy.

This agreement culminated a month of intense effort and 20 hours of voluntary activity on the part of Mr. Cowan. After working all Saturday night because DuPuis did not call him Saturday as he was supposed to, Mr. Cowan said today he called DuPuis at 4:15 a.m. Sunday morning. He then went to Port Orange for a conference, came back to Sanford and called a special meeting of representatives from various groups to request that they donate material and labor to transform the above building.

"This agreement culminated a month of intense effort and 20 hours of voluntary activity on the part of Mr. Cowan. After working all Saturday night because DuPuis did not call him Saturday as he was supposed to, Mr. Cowan said today he called DuPuis at 4:15 a.m. Sunday morning. He then went to Port Orange for a conference, came back to Sanford and called a special meeting of representatives from various groups to request that they donate material and labor to transform the above building."

After the meeting was over he worked until 11:00 o'clock that night preparing various documents for consideration by DuPuis. Yesterday morning at 5:30 he was knocking on DuPuis' front door in Port Orange. He conferred with DuPuis and White all day trying to reach a working agreement, which was finally completed at 5:00 o'clock yesterday afternoon.

Renovation work will begin just as soon as a lease agreement can be executed with the Atlantic Coast Line. It is planned to have the building ready for occupancy for DuCraft within two weeks. As soon as it is ready DuCraft will move all their operating equipment and materials to Port Orange to Sanford.

They are now employing 20 men at the Port Orange plant and expect to employ at least 50 men just as soon as they have opened their Sanford plant. They are reported to have many orders on hand that they cannot fill because in the present plant they do not have the space to expand any further.

DuCraft also operates a boat and trailer manufacturing plant in Warren, Pa., which is operated by Ben White. However, it is now planned that the general offices and headquarters of the company will be in Sanford. At present DuCraft is marketing its products along the entire Atlantic seaboard. Plans are now being made to increase the distribution to include the entire territory east of the Mississippi River.

DuPuis, a native of New Hampshire, has been in the boat business for approximately 11 years. He came to Port Orange about five years ago because the boating season is too short in New Hampshire. Ben White lives in Warren, Pa. and operates a Drive-In Theatre and Automobile Race Track in Pennsylvania. He first became acquainted with DuPuis when he purchased a boat from DuCraft. Greatly impressed with the capabilities of the DuCraft line, he opened a boat assembly plant in Pennsylvania about a year ago. He and DuPuis together developed a boat trailer, which can be used for transporting boats manufactured by DuCraft and by others. The Pennsylvania plant began manufacturing these trailers in addition to assembling boats manufactured in Port Orange, and has been expanding rapidly.

## Lions Club Told Value Of Faith By M. Harman

During this period of almost unparalleled confusion, fear and uncertainty, one of the most important elements in our country must be a reeducation to and a re-interpretation of the basic beliefs of our forefathers," Martin Harman, program director of the Lions Club, said as he presided at the principal luncheon today at the Lions Club luncheon meeting at the Yacht Club.

"Before we can adequately, successfully and humanely interpret ourselves to others, we must first know and understand what we are and what we represent."

"America's greatest asset and the one which has been most neglected recently is the infinite capacity she has to have faith in God, faith in the moral, national and military strength which God has given to her."

Mr. Harman, introduced by Roy Green, who acted as program chairman, used as the theme of his address, "There must be a turning point, somewhere, back to God's will."

McCall, king lion, conducted the meeting.

The guest speaker pointed out the United States is not only responsible today, but also has the opportunity to control to a great extent the destiny of the world. He also pointed out that greater opportunities than ever before exist for the younger generation, but that care must be taken in their moral and spiritual training.

He brought out that many people have turned away from God as evidenced by empty pews in churches and by numerous arrests. He said we have the properties for moral living, such as churches, schools and recreation, but we have departed from the fundamentals. "We have given physically, intellectually and materially, but spiritually, we have not kept pace."

—He said, "Sin and vice, gambling and drunkenness, Communism and Socialism, all of them come driven out of business within 21 hours in every community in the land where they operate in violation of the law, and in violation of the laws of God, but for the protection which secularism (godlessness) gives them."

"The young people are suffering the greatest from today's faults," he said, and the spirit of parenthood seems to have been superceded by one of secularism.

"The moral fibre of the nation is fastened On Page Four)

## CUB SCOUT MEETING

A meeting of all parents of Cub Scouts is scheduled for Thursday night at 7:30 at the First Methodist Church.

According to Charles Atkinson, cubmaster of Pack 24, the meeting has a threefold purpose. The first is to register all cubs for the new year, the second to reorganize parents and place boys in the nearest practical den, and the third to schedule activities and discuss future plans.

Mr. Atkinson pointed out that parents or guardians must be present at the meeting to register their sons. No cubs will attend the meeting.

## ASKS INTERVENTION JACKSONVILLE

JACKSONVILLE (AP)—The Florida State Chamber of Commerce has petitioned the Federal Trade Commission to intervene in a suit against Florida Circus Mutual, huge circus co-operative accused of illegal price and marketing practices by the government.

## TO DISPLAY LIVESTOCK FT. PIERCE

FT. PIERCE (AP)—Future Farmers of America of the Indian River County Chapter in Ft. Pierce, Fla., will display their livestock today in the annual FFF livestock show and auction.

## President Holds His First Press Parley Since Taking Office

### A Bi-Partisan Handshake

President Eisenhower today held his first press parley, shaking hands with a member of the press, a bi-partisan handshake.

The President, who took office on January 20, held the parley in the White House. He was accompanied by Vice President Richard M. Nixon and Secretary of State John Foster Dulles.

The parley was held in the presence of a group of reporters from various news organizations. The President spoke for about 15 minutes, answering questions and making statements.

He said that his first priority was to get the government's work done. He mentioned the need for a balanced budget and the importance of maintaining peace in the world.

The parley was a significant event, marking the beginning of Eisenhower's public relations strategy. It was widely reported in the news and on the radio.

## Free Trade For World Is Urged By Henry Ford II

Motor Magnate Suggests Scrapping Of All Tariffs

CHICAGO (AP)—Henry Ford II, president of the Ford Motor Company, today urged that the United States take the lead in promoting free world trade by scrapping tariffs and other import restrictions.

He proposed a four-point program including:

1. A new law without loopholes eliminating the most import duties on raw materials.
2. Abandon completely the old tariff system on imports.
3. Abandon the box American act, holding government buyers of foreign goods, and
4. A workable law for simplifying the custom procedures, thus lifting "a virtually impenetrable barrier of red tape."

Ford set forth his free trade proposals in a speech prepared for the Midwest meeting of the Independent Press Association, held here today.

"I am convinced that a considerable growth in our foreign trade is possible as well as exports would be a continuing shot in the arm to the whole economy."

Ford said that a bold move by the United States toward free world trade "would be intensely encouraging to" people abroad.

## Firemen Called To Extinguish Saucepan

What happened here in a home kitchen today in the home of a young woman working here, turned out to be merely a case of an over-heated vegetable steamer, but it did not stop the firemen from being called to extinguish a saucepan.

The fire occurred in the kitchen of a home on ... The fire was caused by a saucepan that had become overheated and started to smoke. The firemen arrived and extinguished the fire.

## FAIR PROGRESSES

J. Denver Corbett reported further progress on the American Legion's forthcoming fair, slated for Sanford the week of Mar. 9-11, at last night's meeting of the Campbell Lumber Post No. 53 in the Legion Hut.

The discussion of the fair project followed a supper served by the women of the Legion Auxiliary. Comdr. R. Z. Johnson presided over the meeting.

## TRUMAN INVITED

KEY WEST (AP)—This southern resort city invited former President Harry S. Truman to be the guest for a vacation but the retired chief executive said he cannot accept it now.

Truman wrote the city commission "We may be able to accept the invitation late this fall, but right now we are tied up with unpacking."

## He's Not Personally Considering Package Of Embargo Against Chinese

### President Eisenhower

President Eisenhower today said he was not personally considering a package of embargoes against Red China, but he said he would consider such steps if they were recommended by several departments.

The President said he would consider such steps if they were recommended by several departments. He said he would consider such steps if they were recommended by several departments.
