Brain Dies First, Heart, Muscles Scientist Reports

8 To 10 Minutes Time Finds Brain Completely Quieted

NEW YORK, Sept. 19.—The human body dies not all at once, but in a definite order, according to a report by Dr. Charles D. Hays, assistant professor of anatomy at the University of Chicago, who has reported the results of his experiments on the death of the brain, heart and muscles.

Dr. Hays, who has reported the results of his experiments on the death of the brain, heart and muscles, says that the brain dies first, followed by the heart and then the muscles.

Ma And Fred Enroute To Jopling Home

MA AND FRED ENROUTE TO JOPLING HOME. A search party for the missing couple was called off Tuesday afternoon by the police.

Thousands Of PWA Projects Scrapped

THOUSANDS OF PUBLIC WORKS ADMINISTRATION (PWA) PROJECTS HAVE BEEN SCRAPPED BY THE FEDERAL GOVERNMENT.

Don't be a Mrs. Rip Van Winkle

These are happening these days that are going to have a vital effect upon your home and perhaps a lasting influence upon your children.

Some day you are going to awaken to the realization that while you were immune to progress, your furniture or your home, became completely out of date and your children lost pride in their home.

Do you know what New Basic Furniture looks like? It's the product of experts to be the finest expression of good and the world has known since the dawn of time.

Do you know what New Basic Furniture looks like? It's the product of experts to be the finest expression of good and the world has known since the dawn of time.

Perhaps these sound like foolish questions to you, but they represent the smartest types of furniture you should be familiar with the average man as the new style in all wraps and gowns.

Don't be a Mrs. Rip Van Winkle!

Know what is happening in all the branches of life that affect you.

And when you find something that your home needs buy it from a reliable store that advertises in this paper and you will have no regrets.

Men who have toured the world assert that America has the finest stores to be found on the globe. And right here at home you will find merchandise more durable and more reasonably priced than you could find in either London or Paris.

Don't be a Mrs. Rip Van Winkle. Visit the stores and become "home conscious." Bring your husband also, if you wish.

Head Geologist Of Ocala Canal Can't See Water Supply Harmed

THE RIGHT ORDER: The right order is the key to the discipline and the control.

THE LEFT ORDER: The left order is the key to the chaos and the confusion.

Tax Increases

Seminole County taxpayers reading a few weeks ago that a 20 percent increase in county taxes is contemplated...

In this millage of approximately three or four cents, there is any comfort in the thought that misery loves company...

But over in Orange county it has been found necessary by the commissioners to increase the millage from 3.4 to 3.7...

And as we see how much worse off the Orange county taxpayer is than the Seminole County taxpayer...

Commenting on this rather unfortunate situation, the Orlando Sentinel says, "Plagued by politicians as the taxer of the taxpayer, the Homestead Adjustment Commission to betray its purpose..."

And on Seminole county, it says, "The county has a number of problems which may be solved by the county commission, but the county commission is not doing its job..."

Hard To Abandon, Once Begun

People are beginning to realize that the county commission is not doing its job...

It is not unusual for the county commission to make a mistake...

It has been said that the county commission is not doing its job...

It is not unusual for the county commission to make a mistake...

It has been said that the county commission is not doing its job...

son to be forced at second and Norwood to fly out to Lopez. Culbreth opened the eighth with a single to left. He stole second and went to third on Kinsey's sacrifice. With one out and an ideal "squeeze" play combination in the field—Harrell at bat and Culbreth on third—Harrell did an expected—laying down a great bunt in front of the plate as Culbreth crossed the plate with the tying run. Fisher struck out. Kinsey had no trouble with the Feds in the eighth and ninth and Lake cut the Indians down in order in the ninth.

Edge opened the 10th with a sharp single through the box. Norwood sacrificed him to second, and Culbreth's infield out sent Edge to third. With the game in his hands, Kinsey fouled seven balls before he smacked a grass cutting liner through Lopez at third, scoring Edge. Harrell was an infield out and, as it developed, the game was won.

Bonner flied out and Winn struck out opening the Feds' 10th but Maxwell brought the crowd to its feet with an amazing triple to right center. With two away and the tying run on hand, Swindell's best effort was a high foul which Smith caught, ending the game.

Fall Officially Begins On Monday

JACKSONVILLE, Sept. 20.—Fall awaits but the toll of the clock at 6:30 P. M. Monday, when the Autumnal equinox ushers in another season. Light and darkness will reign for an equal duration of time on that day.

Walter J. Bennett, senior meteorologist of the Weather Bureau, does not expect an immediate chill in the atmosphere simultaneously with the note of the clock which sounds the arrival of fall, for it is his opinion that temperatures will remain somewhat high over the southern part of the United States yet a while.

The weatherman does not give much credence to the belief that storms are caused by the arrival of the equinox, although untoward weather does develop near that time some years.

Eustis Adopts 1935, 1936 Millage At 28

EUSTIS, Sept. 20.—An assessment of 28 mills, 12 of which are for bonded indebtedness and interest, on an assessed valuation of \$2,451,267, has been adopted by

the Eustis city. Assessed value of real estate was set at \$2,260,649, while personal property to be taxed was appraised at \$191,158.

Though the millage was increased from 27 mills of last year to 28 mills for bonds, the total valuation was reduced. There were reductions on all unimproved property.

V. F. W. Asks Probe Of Hurricane Deaths

NEW ORLEANS, Sept. 20.—(AP)—The Veterans of Foreign Wars

convention here today adopted a resolution asking Congress to investigate the blame for the "loss of lives" of World War I veterans in the hurricane in lower Florida.

Immediately after the convention tabled a resolution floor offered by the veterans of Minnesota asking the convention to go to Washington and urge the President to cause the States for veterans who died in the hurricane to be

Baseball League championship. With the Indians one-half game ahead of the Islanders this morning, everything depends upon the outcome of the Cocoa-DeLand game in Cocoa this afternoon.

If the Indians win today they will go to Leesburg a full game ahead of the Islanders who will be forced to win tomorrow if they want another crack at the post-season series.

If the Indians lose today, they will go to Leesburg in a tie for first place with the Islanders, and the game tomorrow will be the deciding one of the season, with the winner slated to face the DeLand Reds in the post-season opening game at DeLand at 3:30 o'clock Sunday.

In other words, tomorrow's game either will end with Cocoa or Leesburg as winners of the second half, or the two teams in a tie for first place with all scheduled games played.

In that event, and under league rules, a special three game series must be played to decide the second half championship.

The two managers will toss a coin to decide where the opening game is to be played, and there is a bare possibility that the deciding game of this special series may be played here next Thursday afternoon at 3:30 o'clock.

In the event the regular post-season series is forced into a seventh and deciding game, this contest also may be played at DeLand.

Tomorrow's game will probably be the most dramatic of the season and for many reasons. That

it will serve as a test of the prowess of Pepper Martin's superior fastball catcher, who had to get out of a game at DeLand last night and still another game today in the Florida.

It is also a test of the prowess of Tommie Price, who has been hitting home runs since he came to the Florida, and as a result has been called on to pitch in the Florida game today.

It is also a test of the prowess of the Florida pitching staff, which has been doing well since it came to the Florida, and as a result has been called on to pitch in the Florida game today.

It is also a test of the prowess of the Florida batting staff, which has been doing well since it came to the Florida, and as a result has been called on to pitch in the Florida game today.

It had as an interesting feature the presentation by G. W. Spencer on behalf of a small group of fans of a wrist watch to DeLand's popular, right-handed pitcher during the year and his willingness to work early and often for a losing team. The fair crowd applauded Harden's speech after the presentation and he refused to apply to other players.

The game started and ended as a pitcher's battle with Lake having the upper all the way. He gave up only two hits, one of them a single, and struck out six.

However, the Indians, who struck their hits and earned two runs.

Kinsey, who pitched eight innings at DeLand yesterday also had a great performance and might have had a shut out except for a bad pop by Tate.

Smith, Kinsey gave up one hit, struck out seven men and took walks.

The Feds scored with two out in the third when Bonner beat out a sacrifice. He stole second and in the fourth when Smith's throw went into the outfield.

Winn placed a sacrifice bunt back of third base. Bonner before Maxwell struck out.

Maxwell pitched to hit ball in the sixth when Culbreth grounded out a hit into center, on a bunt. He wanted Smith out a sacrifice, but opening the seventh and Maxson was hit on the arm, getting two men on with no outs.

Lake, however, bore down striking out Slaby, causing Glen

to pitch to hit ball in the sixth when Culbreth grounded out a hit into center, on a bunt. He wanted Smith out a sacrifice, but opening the seventh and Maxson was hit on the arm, getting two men on with no outs.

Lake, however, bore down striking out Slaby, causing Glen

to pitch to hit ball in the sixth when Culbreth grounded out a hit into center, on a bunt. He wanted Smith out a sacrifice, but opening the seventh and Maxson was hit on the arm, getting two men on with no outs.
