Weather

Fair through Friday except isolated showers or thunderstorms extreme south portion this afternoon. Little change in temperature.

LEAVING SANFORD—Capt. James E. Vose Jr., USN, left, has been transferred to the staff of Commander-in-Chief of the Alaska Air Command. He will be replaced by Commander Frank R. More, USN, right, who is to assume his duties of acting Commanding Officer of the Sanford Naval Auxiliary Air Station. (Official Photos, U. S. Navy)

Treaty Outlook Better

VIENNA, Austria (AP)—Chances for quick signing of the Austrian independence treaty looked still better today as the Russians dropped their controversial demands on refugees and eased insistence on armament restrictions.

But the Soviets and the West must still agree on the touchy issues of prewar foreign investments and of a declaration guaranteeing Austrian neutrality before the pact will be ready for signing by the Big Four foreign ministers.

Diplomats attending yesterday's meeting of the four powers' ambassadors and Austria's foreign minister said the picture brightened considerably when Soviet envoy Ivan I. Ilyichev accepted a Western-backed, Austrian proposal to drop the treaty article on repatriation and to raise limits on Austrian rearmament.

The disputed Article 16 would have allowed Soviet repatriation teams to enter Austria—once it had won independence—to quiz refugees from communism. Western diplomats had feared this would enable the Reds to spread propaganda inside Austria while the nation was supposed to be neutral.

His Executive Officer, Commander Frank R. More, USN, will assume the duties of Acting Commanding Officer until relieved by Captain Robert W. Jackson, USN, sometime in the latter part of June. Capt. Jackson, a former flight school classmate of Capt. Vose's, is now Commanding Officer of Composite Squadron Eleven at San Diego, Calif.

A veteran of more than 20 years naval service, Capt. Vose took command of the NAAS here on August 30, 1953 following a two year assignment on the staff of Commander, Air Force, Pacific Fleet. The 43-year-old Naval Academy graduate has a husband, the Navy Cross, three Distinguished Flying Crosses and two Air Medals.

Mrs. Lydia Watt, vocational teacher at the Seminole County Vocational School, has entered the nationwide contest for teachers sponsored by the American Legion Auxiliary. Teachers were asked to write an article on the topic, "Why I Teach". This contest was open to teachers with at least 5 years' teaching experience and holding a valid teaching certificate. The American Legion Auxiliary is offering 5 divisional prizes and one grand prize. Winners will be announced July 1.

Mrs. Watt teaches, shorthand, and office practices courses both in the day and evening classes. She will have completed five years of teaching at the Vocational School at the conclusion of this school year.

In a letter received from the national headquarters, Mrs. Watt has been asked to sign a publication release for her article.

HONG KONG (AP)—Owners of the 2,357-ton cargo ship Incharran said today they feared she has been seized in the Formosa Strait. She was en route from Foochow to Shanghai with a cargo of timber for the Chinese Reds.

The owners, Williamson and Co., said the ship radioed yesterday that she was "being boarded" about 10 miles south of Nationalist-held White Dog Island near Foochow.

Her captain is a British, G. A. Angus, and she has three other British officers and a crew of 33 Asians.

Six bomb threats keep cops alert in New York City. NEW YORK (AP)—Six bomb threats in rapid succession kept Manhattan police hopping yesterday afternoon and last night. Exhaustive searches were made. No bomb was found.

The threats were reported in this chronology: Macy's department store; the Romy Theater; Webster Hall, on East 11th Street; the Academy of Music movie theater on East 14th Street; a First National City Bank branch at Canal Street and Broadway; and the Radio City Music Hall.

At Macy's, a woman shopper found a note warning that a bomb had been planted. The rest of the bomb scares were telephoned.

A homemade bomb, with death-dealing potash and a faulty timing device, was found in the Radio City Music Hall Monday morning. A warning had been telephoned the day before, but searchers failed to discover the contrivance then.

LOG CABIN BABIES CLUB IS FORMED. BATTLE CREEK, Mich. (AP)—Lena Pier, who was born 78 years ago in a log cabin, decided to form an exclusive club for log cabin "babies" this weekend. He doubted that more than a dozen Battle Creek residents could meet the membership requirements, but at the first meeting 18 men and women showed up.

National Congress Approves Demand

Twenty Convictions End 3-Day Session

A three-day marathon session of City Police Court, at which 30 lottery and moonshine cases were taken up, ended last night with a score of 20 convictions, five dismissals, three bonds forfeited, and two cases continued.

Yesterday's session was highlighted by the temporary "disappearance" of the prosecution's star witness while two Seminole County deputy sheriffs tried to serve an arrest warrant on him.

The Negro informant, Ollie Anderson, was charged in the warrant with perjury.

His accuser was Annie Ruth Vickers who successfully proved in city court Tuesday that she was in Orange Memorial Hospital April 13, the day she was charged with selling moonshine.

Anderson testified that he made a "bug" from her on that day. Atty. George Andrew Speer produced five witnesses who swore she was in the hospital and Judge John G. Leonard dismissed the case.

The elusive police informant reappeared at noon yesterday after City Atty. A. Edwin Shindler, Special City Prosecutor Gordon Frederick and Atty. Speer conferred with County Judge Ernest Housholder on the size of Anderson's bond.

In the first case of the day Atty. W. C. Hutchison Jr. protested loudly against the door to the chief's room being open and the police standing in it. After a hassle between him and Joe Hickson, Judge Leonard decided the door should be closed.

Anderson, the witness, Anderson, failed to testify in the case against Jesse Abrams for alleged sale of illegal liquor and on recommendation of Prosecutor Frederick the case was dropped.

Anderson attempted to read notes from a paper he had in his pocket and when he admitted he had not written the notes was not allowed to use them.

Judge Leonard dismissed a second count against Jesse Abrams when he ruled the arrest warrant defective.

Atty. Kelly yesterday appealed five cases he lost in city court Tuesday to Seminole circuit court. The cases against Tommy Lee Herring, Marion Herring, Fanny Mae Forman and two against Gertrude Keith all were lottery charges.

Another Orlando Attorney, Sam Murrell Jr., also appealed to the higher court in the case of Helela Smith convicted of illegal liquor sale.

Yesterday's convictions: Gertrude Keith, separate charges of sale and possession of lottery; Mary Gibson, sale and possession of lottery; Eddie Lee Smith, sale of shine; Inez Black, sale and possession of lottery; Lennie Cherry, sale and possession of lottery; Lucille Matthews, possession of lottery; and Willie G. Thomas, sale of lottery.

Rosa Lee Sheffield failed to appear and forfeited her \$200 bond. Cases against Inez Black for operating a gambling house and against Patsy Allen for sale of shine were continued.

Judge Leonard dismissed the possession of lottery charges against Maggie Williams and a resisting arrest charge against Willie G. Thomas.

Revival Will Begin At Church Of God. The Rev. and Mrs. G. L. Stillwell will conduct a series of revival services beginning tonight at the Church of God, 22nd St. and French Ave., the Rev. Harry Henderson, pastor, has announced.

The Rev. Stillwell, now pastoring in Chauncey, Ill., served with the Church of God Mission Department in El Salvador, British Honduras, and the West Indies. Mrs. Stillwell, an accomplished pianist, and their two sons will contribute special music each evening.

The church extends a cordial invitation. Rev. Henderson said, to services at 7:45 each evening except Saturday.

NO TRAFFIC DEATHS. OAK RIDGE, Tenn. (AP)—This atomic city of 20,000 population yesterday completed a full year without a traffic death.

Bao Dai Ouster Sought

Rebellion Flores Over Power Plan

SAIGON, South Viet Nam (AP)—A 4,000-man National Congress gave a thunderous approval today to a demand for removal of Bao Dai as Viet Nam's Chief of State.

In another political assembly, however, rebellion flared over a move to give Premier Ngo Dinh Diem sole power to arrange for national elections.

Two Vietnamese groups were meeting in Saigon and there was no indication of just how their legal responsibilities were distributed. One thing did appear certain—Bao Dai is finished. He did not appear acceptable even in the role of a constitutional monarch, as reported envisaged by the United States.

Ouster of Bao Dai was approved at a "National Political Congress" summoned by the National Revolutionary Committee, which originated the demand for his removal last week.

This colorful group of 4,000 political leaders, revolutionaries, representatives of religious sects, local and provincial officials joined a Vietnamese theater for the meeting.

The second meeting was a 700-member congress, a "States General" of elected local and provincial councilors and tribal chiefs. This body convened in the Presidential palace yesterday.

This morning 22 southern members of the Congress' Executive Committee protesting a proposal to give the Premier sole power to arrange elections for a National Assembly. They wanted the arrangements placed in the hands of a Provincial Assembly of municipal and provincial councilors.

7th Day Adventists Services Planned. Seventh-day Adventists will hold ground-breaking services at the site of their proposed educational building at the corner of Seventh St. and Elm Ave. on Sunday at 3 p.m.

Guest speakers will be Judge Ernest Housholder, Seminole County Judge, H. T. Mikes, Superintendent of Seminole County Schools; and Elder D. H. Hres, president of the Florida Conference of Seventh-day Adventists.

A cordial invitation is extended to the public to attend. It is estimated that the building, when completed, will cost approximately \$25,000. Work is expected to begin Monday morning and to be completed before school opens in the fall.

First Aid Course Completed By 11

Eleven persons have met Red Cross qualifications of a standard course of instruction in first aid and have received their certificates through the Seminole County Chapter, American Red Cross. They are Martha Azarelli, Frances Cobb, Eugenia Conlon, Elsie Farley, Jeanne Olson, Maude Hansen, Mrs. Robert Hovly, Mrs. William Tyte, Gertrude Vining, Mrs. Francis Wilson and Lou Woodruff.

This course was under the direction of Miss Frances Cobb, chairman of the first aid committee of the chapter while instructors were Mrs. Doris Shautest, physical education director at Seminole High School, and Hugh Carlton, principal of the Lake Mary School.

Nautilus To Start Shakedown Cruise

WASHINGTON (AP)—The Nautilus, the world's first atomic-powered submarine, will start on her six-week shakedown cruise in the next few days.

Announcing this today, the Navy in a brief statement also disclosed belatedly that the Nautilus was officially delivered April 22.

Dedication Of Park Will Be Conducted Jointly On May 14

The Seminole County Sportsman Assn., in cooperation with the Seminole County Federation of Women's Clubs, will have a park dedication service, program and fish fry at the newly completed park on Highway 40 at the Wekiva River on Saturday, May 14. Mrs. James Partain of Oviedo will give the address of welcome.

Mrs. W. B. Brinson, Federation park chairman, will present the program with members of the Oviedo Woman's Club, Casselberry Woman's Club, Longwood Civic League, Altamonte Springs Woman's Club, Altamonte Springs Garden Club, Seminole County Council of Home Demonstration Clubs, Sanford Pilot Club, Sanford Woman's Club, Sanford Business and Professional Women's Club, and the Sanford Garden Club taking part in the program which is to begin promptly at 3 p.m.

Judge Ernest Housholder, Navy Chaplain F. W. Kempton, and Porter Lansing will be guest speakers for the afternoon. County Commissioner John Meisch is general chairman of the supper committee, with George Maffett in charge of the public address system.

Ticket chairman is tax collector John Galloway, Mayor Denver Howell is chairman of the cooking committee, and John Cameron is in charge of lighting.

Senate Victory Gives Assurance Of Cutting Power

WASHINGTON (AP)—A 73-13 Senate victory for President Eisenhower's foreign trade bill today assured him of the first new tariff executive in 10 years.

The bill, passed by the Senate last night, now goes to conference with the House to resolve differences. But the two versions both contain the key provisions sought by the President.

Thus he is assured of a three-year extension of the Reciprocity Trade Act to June 30, 1958, plus new authority to reduce tariffs in 5 per cent stages in a one-year extension. These reductions are to be in return for trade concessions from other free world nations.

The Senate ran for 12 hours yesterday and last night to push the bill through after three days' debate. Eight amendments were beaten down. The measure passed almost exactly in the form recommended by the Finance Committee.

Afghanistan Heads Last Night Call Emergency State

KABUL, Afghanistan (AP)—Afghanistan's government at proclaimed a state of emergency last night and called its minister to neighboring Pakistan home.

Radio Kabul also announced mobilization of the army. It said the country was preparing to face aggression from outside, an obvious reference to Pakistan.

The Afghans and Pakistanis have been disputing for years over the rights of Pathan tribesmen living in frontier areas of Pakistan along the border between the two nations. Afghanistan backs the warrior hill tribesmen's demands for independence in a new state.

Anti-Pakistan rioting in which 47 persons were hurt broke out in Kabul in March after the Karzai government consolidated West Pakistan's half-divided states—including the northwest frontier—into a single province of West Pakistan.

Excuse Not Enough

DETROIT (AP)—Mrs. Eppynia Fuller, 23, testified in Traffic Court she was doing 80 miles an hour but only to charge her car battery. The excuse wasn't good enough for Traffic Referee John M. Wise.

She was fined \$75 and told not to drive for two months.

West German Republic Is Sovereign Nation

Ten-Year Allied Occupation Ends At Noon Today In Short Ceremonies

BONN, Germany (AP)—The West German Republic became a sovereign nation in alliance with the free world today. The 10-year Allied occupation ended at noon.

Two short ceremonies wiped out the supreme powers wielded by the United States, Britain and France over the 50 million West Germans since 1945.

In the first, the Allied High Commission repealed all its laws and abolished itself by proclamation.

Then the British and French high commissioners completed the formality of depositing the sovereignty treaty at Chancellor Konrad Adenauer's office. The United States and West Germany did this April 24.

The French and West German governments simultaneously put into effect their agreement to Europeanize the Saar.

"The occupation statute is repealed and the Allied High Commission and the offices of land (state) commissioners in the Federal Republic are abolished," the high commissioners' proclamation said.

Sixty Allied laws and 130 ordinances were repealed by the declaration, which was signed by Dr. James B. Conant of the United States, Sir Frederick Hoyer Millar of Britain and Andre Francois-Poncet of France. They now become their nation's ambassadors to the Bonn Republic.

Sen. Neuberger Says TV Audience Should Know Truth. WASHINGTON (AP)—Sen. Neuberger (D-Or.) asked Congress today to require political candidates to tell television audiences if they use prompting devices of facial makeup.

His aim, he said, is "to eliminate elements of the theatrical and the synthetic from our national political life."

The Neuberger bill would authorize the Federal Communications Commission to take action against any TV station which failed to comply with its terms.

He said his bill would not prevent use of facial makeup or prompters, but added: "A television audience should be told if artificial means are being used to conceal a candidate's looks or bald spot or beard."

Chinese Reports Dwell On Buildup

TAIPEI, Formosa (AP)—Nationalist Chinese reports today dwelt on the Communist buildup near the offshore islands following the busiest day along the west coast front in weeks.

The first battle between planes of the two sides near the Matsu Islands occurred yesterday. Nationalist planes damaged three Red gunboats near Quemoy at the southern end of the coastal front.

Nationalist quarters reported an intensification of air base construction near the Matsu and charged the Communist countries in East Asia are forming a unified military command in Taipei to launch simultaneous attacks on Formosa, South Viet Nam and South Korea.

Women Said Good At Keeping Secret

CLEVELAND (AP)—Says Capt. David Kerr, head of the homicide bureau, women can keep secrets—at least about murders. Giving a talk yesterday on his experience, the detective said women involved in murder cases will "talk about everything under the sun, from favorite food to their most intimate secrets."

PAYROLL HEIST. TULSA, Okla. (AP)—A \$24,000 payroll of an American construction company was stolen by several burglars in a highway holdup. The money was for work on the Tulsa Dam, being built by Morrison Knudsen International.

Symbol Of Peace

President Eisenhower has given evidence in the past of a sincere desire to see atomic energy converted to peaceful uses. This was his purpose in proposing before the United Nations that an international pool of fissionable materials be set up. It was also his purpose in the recent announcement of a plan to build an atomic powered merchant ship.

The idea of using a merchant ship as a dramatic demonstration of the effectiveness of atomic energy when used for peace was inspired. A merchant ship is a thing that anyone can see and understand. Trading vessels have always been symbols of peace and of the exchange of goods and, indirectly at least, of exchange of ideas.

The President's announcement will let the world, troubled and tense by the constant reports of the growing efficiency of atomic weapons as instruments of destruction, know that at least some effort is being made in the other direction. It is a statement that in the midst of a race for superiority in atomic weapons we are able to devote some of our energy and genius to seeking a way to make the world more friendly.

America Is Going Contest Crazy

NEW YORK (U)—America today is contest-crazy.

For every person trying to get rich quick by buying wildcat oil or uranium stock, there must be 10,000 seeking to end all their money problems by winning a big national prize contest.

There are scores of these contests going on all the time, and the prizes are getting so magnificent the sponsors are scratching their heads trying to think up bigger and better ones. So far neither the Statue of Liberty nor the New York Yankees baseball club have been put up as contest prizes, but don't bet they won't be.

Remember the dear dead days when college boys swallowed goldfish and men nosed peanuts up Pike's Peak for pure glory? Not any more. Contests now have to pay off in hard cash.

The Horatio Alger hero of yesterday got ahead by hard work. But the hero of the modern contest world is the guy who in a single evening wins a world tour, a furnished home and a life income of \$500 a month. He does it by sending in a boxtop on which he has scribbled in 25 words why he likes "Blotto, the now wonder-absorbent breakfast food."

The goal no longer is to strive and succeed. Why strive up for a trip to Paris when it is so much easier to win it by breaking the bank, identifying the mystery tune, solving the puzzle, or entering a contest to name a new seductive perfume?

Personally, I entered one of these contests to name a perfume, got nowhere, and now have sworn off being a contestant for life.

(Editor's note: What name did you suggest for the perfume?)

(Boyle's note: "Sooty"—and I still can't see why I didn't win.)

But the contest mania has become so widespread it is ruining social life in this country. People are so busy filling out box tops they no longer have time to talk.

The craze also has infected the business world. In some offices the white collar dreamers are so busy filling in boxtops or contest labels they have no time for their regular tasks. I heard of one annoyed employer who put up a sign on his

Chou At Bandung

In the past Communist leaders and diplomats have been guilty of incredible blunders in dealing with other nations. That charge cannot be made against Chou En-lai, however—at least as far as his behavior at the Bandung conference was concerned.

Many of the delegates spoke bitterly against colonialism and with no regard for Chou's feelings they made it plain that they considered Communist imperialism the very worst kind. Instead of losing his temper Chou listened patiently, spoke softly for the most part and gave the impression of respecting the opinion of the other delegates.

He made no concessions and offered no constructive suggestions but his attitude and behavior were such as to make it appear that that was what he was doing. He made a proposal for negotiations with the United States which he knew would be unacceptable but which put him in the position of seeming reasonable while the United States appeared unreasonable.

It never pays to underestimate an opponent and from the display of diplomatic technique he put on at the Bandung conference Chou En-lai proved that he is a man to be reckoned with.

Sharing The Triumph

President Eisenhower is to be commended for the promptness with which he proclaimed that the latest information from tests of the Salk vaccine will be made available to nations around the world, including Russia and other Red countries. When the supply becomes adequate to meet our own needs the vaccine itself may be supplied to other countries.

The success of the Salk vaccine was the result of the combined energy and generosity of millions of people. Nobility is a much abused word—yet there was something noble about the unselfish struggle to beat a disease that killed and crippled. To have failed to include other nations in the triumph, even nations unfriendly to us, would have been worthy of the high ideals with which the fight was waged.

Salvation Army Has Spiritual Aims

The Salvation Army's paramount purpose is spiritual. Essentially, it is an evangelical organization. Its social welfare program is supplementary, a practical expression of the Army's spiritual motives.

Man's basic need is spiritual. When a person becomes well adjusted spiritually, he becomes well adjusted socially. For this reason, the Salvation Army has its many activities. Very early, the founder of the Salvation Army realized the importance of ministering to the material, as well as to the spiritual, needs of mankind. With these things in mind, the Salvation Army goes about doing its appointed task.

"But as firmly as Salvationists believe men need God in their lives, the Army has never turned its back on those people who

Don't Nurse the Baby If You Have Chronic Ill

By NORMAN H. DUNDEEN, M.D.

JUST about every mother can and should nurse her baby. There are some exceptions, of course.

When Not to Nurse Baby

If you are a new mother, you probably should not nurse your baby if you have tuberculosis or a chronic weakening illness such as heart or kidney trouble, severe anemia, diabetes or cancer.

If you have a contagious disease such as scarlet fever, your baby should be kept away from you entirely. If you are not too ill, you should make every effort to keep up your milk supply. Empty your breasts by hand until you recover from your illness and can nurse your baby.

If you become pregnant again while nursing your infant, it may be advisable to stop nursing him.

Too Great a Strain

Now don't misunderstand. Pregnancy has no adverse effect on breast milk. But many doctors believe that it is too much of a strain for a mother to nurse one baby at her breast and at the same time nourish another with- in the womb.

I think your doctor will also

advise against nursing if you have a breast abscess. He will, at least, tell you not to use the infected breast. You may find an ice bag helpful in checking the infection. If that fails, penicillin usually will clear it up.

Some mothers make the mistake of stopping breast feedings because of menstruation. Usually these monthly periods do not begin until five to seven months after the birth of a baby. No matter when they begin, there is no need to stop nursing.

Nervousness during these periods may reduce the amount of milk in the breasts for a few days. And your baby may become a little restless because of your nervousness.

But he will get plenty to eat from nursing. You won't have to give him any additional milk.

Korea Gives Reds Sharp Insight

WASHINGTON (U)—The Red Chinese, by design or necessity, have played it pretty cute since the Korean War. It's almost as if a public relations man had told them:

"Don't push your luck. Next time don't just jump into war. That's the hard way. Next time give yourself time to see what American public opinion is. That may let you know how far you can go, and what you can get, without war."

The Communists, by stopping United Nations forces in Korea, built up their prestige and self-confidence. But they lost heavily in men and supplies.

Their lack of readiness may be the real reason they haven't started shooting again. But, at the same time, Korea gave them a sharp insight into American thinking:

The Americans not only wanted to get out of the Korean War but were then and thereafter reluctant to get into war in Asia, where they could strip themselves bare in men and resources.

move after Korea was to help Ho Chi Minh and his Communist-led Vietnamese whip the French in Indochina. They could have sent armies in to help him.

But Secretary of State Dulles warned—or maybe it wasn't a warning, because his language was so vague—that the United States would get into the Indochina fighting if the Red Chinese marched in.

Instead of sending in troops, the Reds pumped supplies and expert advisers into Indochina. Ho Chi Minh smashed the French. The United States did not go in. Amer-

ican allies wouldn't go in and the United States would not go in alone.

This was more evidence for the Reds of American reluctance to get into a fight in Asia. It must have been encouragement for them to make push again—which they did—without starting to shoot right away.

Their next move: threats to capture Formosa and the Matsus and Quemoy islands. They made no attempt to do so. By waiting they were able to learn what Americans thought of getting into war over the islands.

Plans Discussed, Officers Installed At SHS P-TA Meet

The Seminole High School P-TA met Tuesday night with Mrs. J. B. St. John, president, opening the meeting after which Mrs. C. W. Ergle presented the devotional. A report was made that 100 per cent of the parents belonged to the P-TA. It was discussed whether to have a family relations course of five days a week for students and two nights a week for parents. Friday night would be used as a joint session of the parents and students. Teachers, ministers or any interested persons may attend either meeting. It was decided to investigate it for next year.

A discussion was held on House Bill 463 to give teachers longer time off for sick leave. They now have six days but would like to have at least 10. It was brought out that the teachers would even be willing to take slight wage cuts in order to help pay anyone's salary who would have to be off. A motion was made and passed to send a night letter to Rep. Volle Williams Jr., to this effect. Parents were asked to contribute money to cover costs of making chair covers for use at the graduation ceremonies which may be turned in to Miss Barbara Ruprecht. It was announced that any parent interested in helping Miss Chittenden in the library is requested to call Mrs. St. John. Mr. Morris expressed appreciation to parents and teachers for attendance at the P-TA meetings and said that he hoped that they would continue. Mrs. St. John thanked everyone for helping to make her year as president a pleasant one after which John Angel presented her with a bar to be attached to a pin she received last year.

Installation of new officers was held as follows: president, Mrs. Byron Smith; vice-president, John Angel; secretary, Mrs. Robert Reely; treasurer, Mrs. Leroy Anderson; historian, Miss Ethel Riser; and delegates to the conference, Mrs. W. W. Tyre and Mrs. Curtis Lavender.

Robert Wiederhold gave a talk on soil conservation. He has won the soil conservation district contest for Seminole County and also the sub-district Future Farmers of America public speaking contest and will compete Friday night in the district event.

The meeting was adjourned and parents were asked to visit the classrooms to see the exhibits of the students. The freshman class won the room count and refreshments were served in the home economics room.
Good Sunday night supper fare. Serve a big chef's salad — assorted greens, thin strips of ham or tongue along with some of Swiss cheese and French dressing. For dessert have thin pancakes filled with hot cranberry sauce and dusted with confectioners' sugar.

MISS FREEDA COLVIN

June Wedding Is Planned For Freeda Colvin, John Peterson

The engagement is being announced today of Miss Freeda Reatrice Colvin, daughter of Mr. and Mrs. W. T. Colvin, to John F. Peterson, son of Mr. and Mrs. W. H. Peterson of Atlanta, Ga.
The bride-elect was born in Maryville, Tenn., and attended schools there until the ninth grade when she came to Sanford. She graduated from Seminole High School as an honor student in 1934 and was a member of the Tri-Hi-Y, a majorite in the band, a member of the band, Latin Club, secretary of the Junior Class, had a lead in the Junior play, was a Thespians and stage manager of the Senior play. While in Maryville she sang in the Glee Club and was a member of the Y-Teens.
She is presently employed by the W. Alice Burpee Co. as an executive and is a member of the First Baptist Church.
Mr. Peterson was born in New Jersey and later moved to Atlanta, Ga.
He entered the U. S. Navy in 1931 and is now stationed at the Sanford Naval Auxiliary Air Station with VC-5. He will be discharged August 20, 1935 after which he plans to enter Georgia Tech University in Atlanta where he will study mechanical engineering.
The wedding will be an event of June 14 with further plans being announced at a later date.

Letter Received From Mrs. G. Otto Head Of Council

During National Home Demonstration Week, May 1-7, 1935 all home demonstration members have the opportunity to acquaint more families with the aims and purposes of the Home Demonstration Program.

"Today's Home Builds Tomorrow's World," is a great challenge for all home demonstration members.

The home is the foundation to better living and understanding. To improve living is the first step towards building tomorrow's world of peace and happiness. Through the Home Demonstration Program 4-H girls have been given the help and encouragement needed for making of better homes, leaders and leaders.

Home demonstration members have the opportunity of receiving leadership training. Families and communities have received benefits through the guidance and help given by the Extension Service workers.

"Through wisdom a house is built, and by understanding it is established." Prov. 24:3 "I wish to extend to you, my heartiest congratulations for your achievements of 1934-1935, and my best wishes for your continued success," stated Mrs. George Otto, president, State Council of Senior Home Demonstration Work of Florida.

Sanford Stops W. Palm Beach, 8-7

By CARL OVERSTREET
Herald Sports Writer

Sanford's Cardinals rallied for three runs in the bottom of the ninth to halt the hot West Palm Beach Seminoles, 8-7, in a Florida State League game here last night.

The Cardinals had a four run third inning featured by a base-clearing double by Terry Terrell but West Palm scored three runs on five hits in the fifth and took the lead with two unearned runs in the top of the ninth.

The play-by-play:

First Inning
Sanford pitcher Roger Cook faced three men and struck them all out. Don Cruz as the first to be retired, with Dave Cortright at third. Four runs, two hits. The

first baseman, and Nat Sharper and Bill Vasata following in that order. No hits, no runs.

Second Inning
Jim Ruiz took the mound for West Palm. Ron Schmitt led off with a double for the Cardinals. D. Cook lined into left field, bringing Schmitt in for the first score of the game, and Connie Burdick, the third man up, struck out. Manager Dan Keith fled out to center field and D. Cook was out at third on the throw-in. Two hits, one run.

Third Inning
Carl Medley, leading off for West Palm, walked. Red Roberts struck out. Bill Garcia, Jack Gross looked at a third called strike, and Juan Doubois struck out. No hits, no runs.

Fourth Inning
Batting first for Sanford was Terry Terrell, who struck out. Frank Yurchak popped out to the

first baseman, and Nat Sharper and Bill Vasata following in that order. No hits, no runs.

Second Inning
Jim Ruiz took the mound for West Palm. Ron Schmitt led off with a double for the Cardinals. D. Cook lined into left field, bringing Schmitt in for the first score of the game, and Connie Burdick, the third man up, struck out. Manager Dan Keith fled out to center field and D. Cook was out at third on the throw-in. Two hits, one run.

Secret Of Brooklyn's Amazing Success Found To Be 'Old-Fashioned' Home Run

The secret of the Brooklyn Dodgers' staggering head start in the National League now is out in the open—and it's not a complicated one. It's nothing more than the old-fashioned home run.

Glenn Hodges, Duke Snider and Roy Campanella hit three

more at Ebbets Field last night to crush the St. Louis Cardinals 12-4.

This was their sixth victory in a row, their 17th in 19 starts. It gave them a 6½-game lead over second-place Chicago.

The Dodgers have hit 32 home runs, accounting for 58 runs. Many of them have come at "clutch" moments.

Right fielder Carl Furilla leads with eight. Snider has seven and Campanella five.

While the Dodgers keep right on sizzling, the other red-hot teams in both leagues run into occasional cool-off periods.

The Cleveland Indians, American League leaders who had won seven of their last eight, were chilled by the New York Yankees,

who scored seven runs in the last two innings to win 11-5. The Detroit Tigers, winners of 9 of 10 and facing a chance to take over the league lead, dropped a taut 11-inning game to the Boston Red Sox 3-2.

The Chicago Cubs saw a four-game winning streak snapped at the Polo Grounds, where an 11th-

inning home run by Whitey Lockman gave the reshuflled New York Giants a 4-3 triumph.

The Kansas City Athletics defeated the Baltimore Orioles 6-5 for their seventh victory in nine games. The Pittsburgh Pirates won their fourth straight, whacking Milwaukee 5-4.

The Washington Senators smothered a late rally to shade the Chicago White Sox 5-4 and Cincinnati's Redlegs walloped the Philadelphia Phillies 7-3 with the aid of two home runs by Wally Post.

MATCH BY MAIL
PEORIA, Ill. (AP) — A 4-year international chess match between Peoria and Germany ended with a 23½ to 18½ victory for the team from Kronach, Bavaria, Germany.

The match was conducted by correspondence.

It began when a German immigrant visited the King's Chess Club at the Peoria YMCA, and gave Hank Cramer, then club president, the name and address of Alfred Joanni in Kronach.

Florida League Games Decided By Slim Margins

Baseball games don't come any closer or hard-fought than those in the Florida State League last night. Each was decided by one run and two went extra innings.

Orlando took a firmer grip on first place with a 7-4 decision over St. Petersburg while second-place West Palm Beach bowed to Sanford 8-7 and third-place Cocoa knuckled under to Daytona Beach 4-3. Gainesville's G-men beat Lakeland 5-4 and pulled the Pilots down into the cellar with them.

Daytona Beach catcher Vern Watercutter singled home the winning run in the bottom of the 10th after the Islanders scored all their earlier tallies on homers; by Jerry Micham and Bill Farias. Cocoa got only four hits off Bob Arendt.

Jim Castano Wins Free Throw Title

For the second straight year, Jim Castano, aviation machinist's mate first class, PASRON-51, NAAS Sanford, has won the National Armed Forces YMCA Free Throw Championship. Castano, who competed in Norfolk in early March, was informed this week of his victory.

Fanas of Anchorage, Alaska, and Lloyd Wood of Norfolk, Virginia, who each posted a 96, Others competing against him included former All-American college players Irv Bemoras of Illinois and Larry Hennessy of Villanova. Castano entered the competition as a member of the Norfolk YMCA team, which was also victorious.

Last year Jim won the national free throw title by setting a new record of 88 in 100 shots. The YMCA has sponsored similar free throw contests for 33 years.

The Norfolk team made good 658 tosses in 700 attempts for a whopping 84 per cent. Entries in the tournament came from all parts of the country, including San Diego, California; Lawton, Oklahoma; Bremerton, Washington; Brooklyn; Charleston, Massachusetts; Astoria, Oregon; Vallejo, California; Columbus, Georgia; and Pensacola, Fla.

OUTCAST NO LONGER

NEW YORK (AP) — Social Outcast was very glad to see Native Dancer retire. The Alfred G. Vanderbilt horse's only claim to fame when the Dancer was around was as the big Grey's workhorse — though he did win five races and \$192,676 in 1954.

Now the gelded son of Shut Out is star of the Vanderbilt barn. His victories in the John B. Campbell at Bowie and the Lincoln Special brought his 1955 earnings to \$164,375.

The first night game in the major leagues was played at Cincinnati's Crosley Field on May 24, 1955. The Redlegs defeated the Phils 9-1 before 30,423 fans.

A home run by Gus Zernial and some tight relief pitching by Tom Gorman accounted for the Athletics' verdict over Baltimore.

Chuck Stobbs did a top-flight relief job for Washington's Bob Porterfield at Chicago. He came into the game in the ninth to stop the White Sox with two men on base and one out.
