

Wallace Party

The climax in Detroit press discussion was reached the following day when the Free-Press, in an editorial said: "It is to be hoped that Henry won't abuse Detroit's proverbial hospitality by bringing his goon squad with him."
At none of our meetings has any new party supporter engaged in violence. The violence has all come from the right, as uniformed boys, inflamed by editorials like that in the Detroit Free Press, have attempted to prevent us from exercising our constitutional right to freedom of assembly.
From time to time our supporters are killed or beaten up in provoked attacks. It was just after the shocking murder of Robert New in South Carolina that we reached Detroit and heard another story of violence.
At Pontiac, near Detroit, an 18-year-old boy by the name of Carl O'Brien, a senior in high school, had organized, completely on his own, what he called a progressive equal club.
Recently he reached the conclusion that what he really wanted was in line with our program, and so he began to distribute new party literature. About two weeks ago he was pulled into a car, driven out of the city, flogged with a strap, and told that this was what a fellow like him deserved.
Labor fears that this incident may portend the revival of the black legion—the Detroit offshoot of the KKK—which was directed specifically against Jews and negroes and caused several deaths.

Jeanne Crow, 20 year old model, will be one of the more than 20 contestants from all over the state in the Miss Florida Beauty Pageant to be held in Jacksonville Beach June 25-26.

made during recent years with the United States and various other countries.
The committee scheduled an afternoon session to discuss it.
Secretary of State Marshall sent the list in response to a resolution sponsored in the Senate by Senator Caphart (R-Ill.).
The resolution asked the details to support President Truman's statement in a message to Congress Mar. 17 that one nation had persistently violated its international agreements and thereby blocked a just world peace.

## Halt Is Urged In Voice Of America Radio

### Solon Makes Proposal As Congress Investigates "Smears" Which Slander U.S.

WASHINGTON, May 28. (AP)—Discontinuance of the "Voice of America," or at least "a breather" in its world broadcasts, was proposed today by Rep. Chenoweth (R-Colo.).

Chenoweth made this suggestion as part of a series of proposals—ordered by President Truman—to begin digging into the rumpus over broadcasts which congressmen say have slandered the United States. The first to begin hearings is a House Expenditures Subcommittee headed by Chenoweth.

George V. Allen, Assistant Secretary of State, had just testified to the committee that the present broadcasts are "inadequate" and that tighter supervision is necessary.

General direction of the short wave "Voice of America" broadcasts to foreign nations is under the State Department. But the program was prepared and handled by the National Broadcasting Company under a contract with the department.

Chenoweth told Allen: "Nothing can be worse than what is going on now. Some members of Congress suspect this program has been very harmful to this country. Certainly we should not continue a program like this."

If the program is continued, Chenoweth said, it might be better to transfer its supervision from the State Department to the Commerce Department.

Allen said that "to discontinue the 'Voice of America' would be to lose a valuable asset."

## Hamilton Bisbee Is Elected President Of Sanford Lions

Hamilton J. Bisbee was elected president of the Sanford Lions Club for 1948 at the regular meeting at the Tourist Center today. R. E. Elsberry, Clifford Altes and Harry Robson were named vice presidents.

Jack Morrison was elected secretary. Edward McCall was named treasurer and J. D. McNeill was voted to be toll taster.

Henry Witte, Jr., and Ted Williams and Jess Locke will be directors for one year. A. L. Lyons and John Metcalf were named directors for two years.

John Meyers of DeLand has been invited to come to the first meeting in July to install the newly elected officers.

At the Harrington, Seminole High School Junior, has been named to represent the local organization at Boys State to be held in Tallahassee in June under the direction of the American Legion.

Joe Moss reported that he has secured the Bath and Tennis Club in Daytona Beach for a social meeting for the group, and it was voted to hold a party at the Daytona Beach club on June 9.

Fred Branchhouse was introduced as a new member and Marcelle Palle, Elford Thompson and J. W. Garretson were introduced as guests.

Tom Trent, accompanied by Harry Kudell at the piano, rendered "Melancholy Bby" as a vocal solo.

Mrs. Maggie Ambrose of Madison, formerly a resident of Sanford for many years, died yesterday at 1:10 P. M. in the hospital in Madison following an illness of more than three years.

Born Jan. 23, 1891, Mrs. Ambrose had made her home with a sister, Mrs. Ted Ralston, in Madison for the past few years. She was a member of the First Presbyterian Church of Sanford where funeral services will be conducted Saturday afternoon at 4:00 o'clock with Dr. E. D. Browland and Rev. Douglas Charles officiating.

## Many Sections Of Southeast Get Rain As Florida Drought Holds

By ASSOCIATED PRESS  
Widely scattered thundershowers have brought welcome relief in many sections of the Southeast.

The welcome drops pattered down at various points in Georgia, Alabama, Tennessee, Louisiana and Mississippi yesterday and last night. But none fell in Florida, where Jacksonville reported its water system taxed by residents trying to save their parched lawns and gardens. Tampa said that unless rain fell before the end of the month, the dry spell would be a record breaker.

Birmingham said that brief showers were reported in some nearby sections yesterday, with scattered thundershowers predicted today. At Montgomery, however, the weatherman said no rain was in sight in that area. No rain has fallen there since May 6 and the month's total to date is only 1.05 inches—a deficiency of 2.13 inches. But crop conditions were not considered critical.

New Orleans reported the total rain there since Apr. 15 was .88 inches—while normal rainfall for the period would have been 8.08 inches. Little Rock said rainfall and apparent crop development is normal in Arkansas.

Chattanooga had its first rain since May 3 yesterday—bringing the month's total to only 1.58 inches. Truck crops are already seriously damaged, and another dry spell would hurt cotton and corn.

Mobile reported about half an inch of rain yesterday which brought relief to cucumbers, gladioli, corn and cotton. From Memphis came word of no rain since May 13, and small crops and gardens suffering.

A good shower Wednesday ended a threatened milk shortage in Columbia, Ga. It was the first rain in 30 days, but came too late to save many gardens, pastures and corn fields from severe damage.

## Jan Smuts Resigns As Prime Minister Of South Africa

JOHANNESBURG, Union of South Africa, May 28. (AP)—Prime Minister Jan Christian Smuts resigned today and Dr. Daniel Francois Malan, victor in Tuesday's elections, was called to form a new South African government.

Malan is an outspoken isolationist and his Nationalist Party advocates segregation of the natives.

Smuts lost his own seat in Parliament in the balloting Tuesday and his party lost its parliamentary majority to the coalition of the Nationalists and the Afrikaners.

## 225 Persons Estimated To Die In Memorial Day Holiday Trips

By ASSOCIATED PRESS  
The nation started an extended Memorial Day holiday today and vacation lands and big cities alike lured millions away from their homes.

All indications pointed to a heavy volume of traffic over the highways, highways and railroads from today through Monday. The Memorial Day holiday, generally regarded as the opening of the summer vacation, is the first long one of the season.

In key cities across the country—except in parts of the South where the holiday is not generally observed—travel inquiries and requests for routings were heavy. Rail, bus and airline ticket offices reported plans had been made to take care of an overflow crowd of holiday travelers. Trains will have extra sections and cars in operation and bus and air lines needed additional equipment for service.

Millions of motorists will crowd the nation's highways. With favorable weather, vacation spots and resort areas will attract many. The National Safety Council estimated that from 100,000 to 200,000 deaths will be on the roads.

The second day of the Memorial Day holiday, Monday, will be the biggest number of travelers during the holiday period.

A survey of the nation's big cities gave similar reports of bookings for travel. In New York domestic airlines estimated air travel will exceed last Memorial Day, from 30 to 40 per cent. Vacation extra sections will be in operation and 60 extra passengers will be carried on each flight.

Dr. Fulton received 100 votes to 183 for Dr. Thompson.

The question of union is expected to come before both the Southern Presbyterian Church and the Presbyterian Church U. S. A. (North). The latter is meeting now in Seattle. Both sessions will continue through June 2.

## Goldsborough Delays Battle On Rail Issue

### Judge Also Extends Temporary Order Preventing Union Walkout Till June 11

WASHINGTON, May 28. (AP)—The White House opened a new effort to settle the railroad labor dispute today. John R. Steelman, President Truman's labor adviser, announced spokesmen for the railroad companies and heads of the three unions involved—the engineers, firemen, and switchmen.

WASHINGTON, May 28. (AP)—Judge T. Alan Goldsborough today postponed until June 10 a legal battle between the government and three railroad unions over whether a ban against a threatened rail strike should be continued.

Goldsborough at the same time extended until June 11 a temporary order preventing the unions from walking out.

This order, signed by Goldsborough on May 10 and already extended once, would have expired tomorrow night.

The three unions and the Justice Department consented to the new extension of the temporary ban.

Goldsborough gave no reason for postponement of the case. The Justice Department is seeking an injunction that would prevent a strike indefinitely—or, rather, as long as the railroads stay under government seizure.

The government took over the railroads May 10 when Goldsborough issued the temporary ban against the strike the three unions had set for May 11.

The unions—the locomotive engineers, locomotive firemen and engineers, and switchmen—filed a motion yesterday to lift the existing ban on the ground that Goldsborough had no right to issue it and President Truman had no right to order seizure of the railroads.

Today Goldsborough ruled that this motion shall be deemed the union's answer to the government motion to continue the injunction. He gave the Justice Department until June 9 to file a reply to the government briefs.

Temporary restraining orders, which are issued without hearing, can be extended only once without consent of the defendants.

The unions' consent to today's ruling was announced on page 10.

## Pavlick Is Made State Officer Of Florida 40 et 8

Frank Pavlick was installed as Grand Sous Conductor for the state organization of the 40 et 8 at a joint meeting of the Volture 478 of Sanford and the Volture 400 of Clermont held in Clermont Wednesday night.

Mr. Pavlick received the appointment from Grand Chief de Gare J. L. Burgess of Orlando.

Mr. Pavlick was also installed as Chief de Gare of the Sanford chapter of the organization.

Other officers installed for the Sanford chapter included: Seth Woodruff, Chief de Train; E. A. Rounton, Correspondent; V. R. Beecher, Conductor; Sidney Richardson, Garde des Prisoniers; J. L. Galloway, Aumonier; H. B. Pope, Commissaire Inspecteur; James A. Wright, Garde in la Portee; James Singletary, Lompiste and R. A. Ed Routh and Chester Miller, Chef de Gare Passe of Sanford also attended the meeting.

## Dr Fulton Is New Moderator Of South's Presbyterian Churches

ATLANTA, May 28. (AP)—Dr. C. Darby Fulton of Nashville, Tenn., who spent many years as a missionary in Japan, is the new moderator of the General Assembly of the Presbyterian Church U. S. (South).

He was elected at the opening session of the 8th general assembly last night and succeeds Dr. John Rood Cunningham, D. D., president of Davidson College, Davidson, N. C.

Dr. Fulton has been executive secretary of foreign missions since 1932. He was born in Kobe, Japan, to missionary parents, and served as a missionary in Japan from 1916 until 1925.

Dr. William T. Thompson of Richmond, Va., and Dr. J. R. McCain, president of Agnes Scott College, Decatur, Ga., also were nominated for the post of moderator. None of the three received a majority on the first ballot. Dr. Fulton and Dr. Thompson tied in the voting, were placed on the second ballot.

Dr. Fulton received 100 votes to 183 for Dr. Thompson.

## Red Pledges Defiance To Curb Measure

### Foster, U. S. Commie Leader, Says Party Will Not Comply If Bill Becomes Law

WASHINGTON, May 28. (AP)—William Z. Foster, American Communist Party leader, said today the party will not comply with the House-approved Communist control bill if it becomes law.

Foster told the Senate Judiciary Committee that the Mundt-Nixon was a Fascist bill that would run the country and his party could not comply with provisions requiring Communist groups to register with the government.

"If the Mundt-Nixon bill were to pass, the Communist Party would not perjure itself by admitting any resemblance to the monstrous caricature of its nature and purposes drawn in this bill," he said.

"It would not dishonor the 15,000 members of our party who fought against Fascism in World War II by giving de facto sanction to Hitler's big lie," he said. "That is one reason why we would refuse to register."

Foster's statement was read by John Gates, who accompanied him. "As a party of patriotic and loyal Americans, we could not and would not become accomplices to the murder of the bill of rights," Foster said, adding:

"That is another reason why we would not register. And finally we would not register because we will never expose our members to political ostracism and blacklisting in employment."

Rep. Vito Marcionis, American Labor Party member from New York also opposed the measure.

Both had a rough time of it. Senator Ferguson (R-Mich.) suggested Marcionis was following the Communist Party line in his arguments.

## Warren Leaves For Extended Vacation For Post-Race Rest

JACKSONVILLE, May 28. (AP)—Fuller Warren, newly-elected governor of Florida, packed his bags and left town today on an extended vacation.

He said he preferred not to say where he was going or when he was coming back, but he was smiling as usual though still a bit hoarse after his extended speaking engagements which preceded Tuesday's election when he bested Dan McCarty of Ft. Pierce by some 21,000 votes in the gun-off primary.

Warren said he had not yet received a letter from Governor Caldwell congratulating him and offering him "the facilities of my office and of the administrative agencies" and "any information touching the state government."

He said he was appreciative of leaving through the press that the letter had been sent, but that he preferred waiting until he had seen it to make a reply. He indicated the reply might be ready tomorrow.

Warren, who will be the state's 30th governor when he takes office in January, was at his tree-shaded home part of the morning getting ready for a newsweek appearance uptown after which he was to leave on his vacation.

### MacArthur Turns Down Invitation To Return To U.S.

### General Says Purpose Would Be Misunderstood As Politics

WASHINGTON, May 28. (AP)—General Douglas MacArthur said today he does not want to return to the United States until after the Republican National Convention.

The Allied supreme commander in Japan advised Chairman Bridges (R-Md.) of the Senate Appropriations Committee in a cablegram. The committee had voted 17-2 to ask him to return from Tokyo and testify on economic matters in the Pacific area.

MacArthur told Bridges: "My return at this time, however sincere its purpose, would be misunderstood and condemned by many as politically inspired." MacArthur added: "On the other hand, following settlement of the political issues to be resolved next month, I should feel free to place myself fully at your disposal should you still desire clarification of my views on this or any other matter affecting the public interest."

MacArthur said he had no instructions from Washington on the British proposal for a four-week armistice.

Because of Russian opposition and no immediate American support, it also was doubtful that the British plan could pass.

U.S. Delegate Warren R. Austin told reporters he had received no instructions from Washington on the British proposal.

Spectators cheered as Austin announced support of the Soviet plan. Austin said no one now could see a threat to world peace exists in the Holy Land.

He said it was clear Arab armies are in Palestine for political purposes.

Canada announced she would oppose the Russian proposal. This made it unlikely that the plan would get the necessary 7 of the 11 council votes.

Austin said he had no instructions from the American attitude toward a British demand for a four-week armistice. The British plan appeared to be doomed by Jewish rejection.

Autrey Egan, representative of Israel attacked the British. He charged the British plan was a poorly camouflaged effort to help the Arabs.

"We have a resolution to paralyze the military strength of Israel, give free rein to the terrorist activities of the Jews."

## 22 Florida GOP To Seek Seats In State Legislature

TALLAHASSEE, May 28. (AP)—Twenty-two Florida Republicans will try to win seats in the state legislature next November against Democratic opposition.

Fishback spurred by the success of Republican Rep. Alex Akerman, Jr., of Orange county two years ago and apparent Florida apathy toward the national Democratic leadership, the GOP has an unusual number of candidates for state office this year.

Akerman, Florida's June Republican legislator in 1947 is attempting to turn the trick again. He is opposed for re-election by Charles O. Andrews, Jr., Orlando Democrat and son of the late U. S. Senator C. O. Andrews.

Other Republicans are running for the state Senate in the third, 11th, 13th, 21st, and 23rd districts, and for the House in Broward, Dade, Duval, Flagler, Pinellas, Polk, Sarasota, and Walton counties.

JURORS PANEL  
Circuit Judge M. B. Smith was expected to be in Sanford this afternoon to draw jurors for Circuit Court cases to be tried next week. O. P. Herndon, clerk of the Circuit Court announced this morning.

Several cases are to come before the court during the next week. Therefore Judge Smith will draw a large jury roster, Mr. Herndon asserted.

CANDIDATES EXPENSES  
Final campaign expense statements by all candidates in the two recent Democratic primaries must be filed in the office of O. P. Herndon, clerk of the Circuit Court, by June 4, Mr. Herndon declared today.

A list of all political work expenses must also be included in the statements, he added.

VALDOSTA, Ga., May 28. (AP)—The Georgia and Florida railroad today announced that trains 17 and 18 between Valdosta, Ga., and Madison, Fla., are resuming their runs after being suspended for about two months because of flood conditions.

Some 18 inches of water still remains over the tracks in the low place, but the route is now considered safe.

Farmers who normally load watermelons at points between Valdosta and Madison were beginning to express concern over prospects of having to haul their melons for long distances to load them.

NOTICE TO DOG OWNERS  
The license tags required in Section 2 of the recently published ordinance concerning dogs in Sanford will not be available until June 15, but dogs are required to be vaccinated now. It was stated today by H. N. Sawyer, city manager. A notice will be published when the tags are available.

FREEDOM FROM ROACHES—ANTS—WATERBUGS—SPIDERS—MOTHS—SILVERFISH

The above picture shows a Sanford home in the process of being fogged. Note the penetration of the fog—how it escapes from closed windows and locked doors.

To prepare your home for fogging, just close all windows and open dresser drawers, clothes closets, and kitchen cabinets. Through a door or window we then fill your home with snow-white fog and you need be out only from three to four hours.

When you reenter your home there is no cleaning up to do. A few open windows will quickly clear out any remaining mist. You now have an insect-free home which will remain, that way—we guarantee—for at least three months.

Fogging rates are reasonable: \$10.00 for the first 800 square feet and \$1.00 per hundred thereafter. For further information and convenient appointments

A WISE MAN WOULD NOT TRIFLE WITH ATOMIC POWER. GOD'S POWER IS INFINITELY GREATER...

How would you like to be a wild animal trainer? A Ringling Brothers circus man practicing his act at a Miami zoo...

Not So Loud

Noise has been taken for granted as an integral part of city living. But realization is beginning to come that this, like other annoyances, can be lessened.

Street hawkers in many municipalities have been banned entirely. Business for customer and vendor seems not to have suffered.

Residents near railroads, and especially switch yards, still must put up with a lot of whistle blasts, making one suspect that locomotive engineers like the sound.

Worst offenders of all, sometimes, are horn-blowing motorists.

For the ill, for night workers sleeping in the daytime, for children taking naps, for plain peaceful living, city sounds need to be softened.

Yanks At The Sorbonne

Observers in Paris declare that the 250 ex-servicemen who are making their homes there while they study under the "G. I. Bill of Rights" are building up a fine reputation for themselves.

One professor claims that they are the most punctual and the best disciplined of the great university's foreign students. They are studying French civilization, literature, history and philosophy...

Their small income gives the Americans little leeway for frivolity, but they are entirely free from supervision outside school hours.

American veterans at the Sorbonne are behaving as they do at the colleges and universities in the United States. They have lost too much time already to be willing to waste any now.

Public Property

The playground in a busy downtown section of a city was surrounded by a stout high wire fence, the gates securely padlocked.

The playground in question, like others in that and other cities, was locked certain portions of each day because funds were lacking for supervision.

The matter was put up to the boys and girls. They thought it was basically due to poor parental guidance, but suggested children using playgrounds be made responsible on a self-government basis.

When destruction of public property is general it needs consideration. Something usually can be done if the approach is sensible.

Philippine Heroine To Be Honored By U. S.

MANILA, May 28. (AP)—Joey, the Philippines' best known war heroine, will get the United States' highest civilian decoration Saturday in a special ceremony.

Joey, in private life is Mrs. Josefina V. Guerrero. During the war she risked her life daily to get food and medicine to allied prisoners.

Her decoration will be the medal of freedom with a silver palm. The U. S. Army commander in the Philippines, Maj. General George F. Moore, will personally decorate her.

The special ceremony will be attended by Cardinal Spellman of New York. Mrs. Guerrero is a prisoner. She is confined to the Tala Leprosarium outside of Manila.

THE WORLD TODAY

By DEWITT MACKENZIE AP Foreign Affairs Analyst

The United Nations seems at long last to be getting ready for drastic action to end the conflict in the Holy Land.

Britain's new proposal in the Security Council last evening for peaceful mediation was coupled with the declaration that if this failed it would be necessary to invoke the strongest measures against the warring Arabs and Jews.

Britain's willingness to take drastic action if necessary is a significant reversal of her previous stand. Heretofore she has stood pat for peaceful mediation.

The British lion certainly has his tail in a cleft stick as the result of the complications surrounding the Palestine war. That is a painful and embarrassing position to be in, and one from which even the smartest lion would have difficulty in escaping without help.

In order to understand England's predicament one must know that way back at the outset of World War I she made treaties with the Saud and other Arab leaders to secure their military aid against Turkey.

Lawrence was regarded as a supplanter by both his own people and the Arabs.

That was the position when, in 1917, British Foreign Secretary Balfour made the historic declaration under which England promised to use her "best endeavors" to establish in Palestine a national home for the Jewish people.

Well, there you have the roots of Britain's present dilemma. She has two solemn commitments on her books and time has demonstrated only too clearly that they clash most dangerously.

It is a difficult problem to solve and its solution probably rests with the United Nations—the peace organization being assisted, of course, by a smoothing out of the difficulties between Uncle Sam and John Bull.

One of the immediate results of such action would be to fulfill the declaration made yesterday by the London Times: "Steps must be taken to ensure that British officers are no longer associated with Arab operations in the Holy Land."

## Woman's Federation Meets In Longwood

The Seminole County Federation of Women's Clubs held its annual meeting at the library of the Longwood Civic League on Thursday morning at 11:00 A. M. Mrs. George Bridge, president, presided over the business meeting. The Lyman School Glee Club, under the direction of Mrs. Bayburn Milnes, accompanied by Mrs. Edgar Mitchell, rendered four selections.

Mrs. Troy Ray explained the work of the State Welfare Board in granting old age assistance and aid to dependent children and to the blind. She stated that in March, 1918 over \$2,000 was given in old age assistance in this county and \$18,000 was given in aid to dependent children and to the blind.

Mrs. Fred T. Williams reported to the group on the convention held in St. Petersburg recently and annual reports of officers were presented. The Federation voted to offer a tract of land on the Wakiva River owned by the County Federation to the State Park Commission to establish a state park for this county.

Mrs. Ralph Austin Smith requested the installation of officers who are: president, Mrs. Clyde Ramsey of Sanford; first vice president, Mrs. C. M. Flowers of Sanford; second vice president, Mrs. Leslie T. Bryan of Altamonte; recording secretary, Mrs. H. R. Hunt of Oviedo; corresponding secretary, Mrs. H. W. Rucker of Sanford; treasurer, Mrs. George Bridge of Longwood; auditor, Mrs. J. A. Bintliffe of Longwood.

## Ellen Meriwether Honored By WSCS

One of the most delightful affairs of the church year was held yesterday when the Women's Society of Christian Services of the First Methodist Church entertained with a tea honoring Miss Ellen Meriwether, daughter of Mrs. Annie C. Meriwether of Sanford and Daytona Beach, whose engagement was announced recently to the Rev. Hans Larsen Autbakken of Stavanger, Norway. The marriage will be an event of mid-summer and the couple plans to make their home in Constantine, Algeria.

Upon entering, the guests were shown to the receiving line composed of Mrs. J. N. Azarelo, president of the W. S. C. S., Miss Meriwether, Mrs. Meriwether and Mrs. J. E. McKinley.

The church annex was beautifully decorated with tall floral displays holding graceful arrangements of bamboo and pink and white hibiscus. At one end of the room stood the tea table which was covered with a white cloth. At one end of the table was a lovely arrangement of gopher daisies in shades of rose and peach and flanked with silver candelabra holding white tapers. Punch was served from the other end of the table from a crystal punch bowl.

Crystal plates held unusual calligraphy and plowhead sandwiches and small cakes laced with pink and white. Greenery and palm trees formed an attractive background for the tea table. About 150 members of the church called between 4:00 and 6:00 o'clock.

## Miss Betty Thurmond Honored With Shower

In a series of lovely bridal parties being given for Miss Betty Thurmond, bride elect, members of her mother's sewing club entertained last evening with a shower given at the home of Mrs. C. E. McKee on West Seventeenth Street. Mixed garden flowers in pastel shades were used in decorating the rooms of the McKee home.

A sewing basket and apron flower theme was carried out in the decorations and game played during the evening. Upon entering each guest was given a tiny basket filled with flowers which were used as prizes. For winning one of the games, Miss Elizabeth Dyon was presented with a large flower. Mrs. Thurmond also won a prize which was presented to her in a sewing basket.

At the conclusion of the games Miss Thurmond received many lovely shower gifts. Refreshments were served in the dining room. The table was covered with a lace cloth and centered with a basket of flowers. The refreshments consisted of small open-faced sandwiches, individual cakes and punch all carrying out the pastel color scheme.

Those invited to be with Miss Thurmond were Mrs. J. P. Thurmond, Mrs. F. A. Dyon, Mrs. A. H. Stevens, Mrs. W. C. Satcher, Mrs. H. R. Heckerbach, Mrs. E. J. Davis, Mrs. W. P. ## Mrs. Rucker Installs Grammar Officers

Mrs. H. W. Rucker, past president of the P. T. A. County Council, installed the new officers of the Sanford Grammar School P. T. A. on Thursday when the group had its last meeting at the school auditorium. New officers taking the oath of office in the impressive installation ceremonies were Mrs. W. D. Forbes, president; Mrs. J. N. Azarelo, vice president; Mrs. James H. Wright, secretary; Mrs. J. A. Calhoun, treasurer; Mrs. C. M. Flowers, historian.

The meeting was presided over by the outgoing president, Mrs. J. H. Stinecoper, who thanked each member and the boards for the splendid cooperation shown during the past year in all the activities of the P. T. A. She commended the association upon obtaining the blue ribbon and for the installation of the new officers.

Following the installation of the new officers, Mrs. J. H. Stinecoper expressed her thanks to the P. T. A. for its work for the school and in behalf of the group presented Mrs. Stinecoper with the P. T. A. pin.

Students of the school were presented in a program under the direction of Mrs. Jack Hornet, Miss Charlotte Moughton spoke to its organization on the new floor and was given a portable radio by Mrs. Wright on behalf of the P. T. A. and faculty in appreciation of the help and time given to the library by the group for the past two months.

Mrs. Wright stated that Miss Moughton has organized and compiled all the books during that time.

Following adjournment of the meeting refreshments were served at the library under the direction of Mrs. Joe Sanders and Mrs. A. D. Broughton. Mrs. Stinecoper commended Mrs. Sanders and her committee for their hospitality during the year.

# Lake Hits Single To Cop 21 Inning 8 To 7 Thriller

## Giants Move To A's Home Ground Tonite Gainesville To Be Here For 2 Tomorrow

Charlie Pepto, Giants third baseman, was resting at his room at the home of E. W. Higgins on Magnolia Avenue today, and was slated to have a restful afternoon to determine if there was any serious damage done, when he was struck by a pitched ball in the contest with Palatka last night.

Manager Buddy Lake declared that Cliff McKendree, rookie right-hander, signed from Jacksonville by Eddie Montague, Giants scout, will pitch the contest tonight with the Azaleas.

By ARTHUR BECKWITH, JR.

Giants will pitch the contest tonight with the Azaleas. The game was a thriller, with Lake's hitting the homer in the 19th inning to win the game 8 to 7.

## Mack's A's Are Riding Top Of American Loop

By JACK HAND

Connie Mack's Athletics are safely home in first place, feeling the wisecracker who said Philadelphia would fade in the west. Winners eight times in 13 starts since leaving friendly Shibe Park, the Mackmen now must be considered bona fide pennant contenders.

It looked bad when their 10-game losing streak was snapped in New York the first day out of Philadelphia, but they rallied and swept a double-header the next day. Cleveland belted them two in a row and Detroit's Freddie Lutzshagen handed them a third straight loss before injured Elmer Valde's rejoiner, but the A's split the next two with the Tigers, swept a pair at St. Louis, two more in Chicago and then smeared Washington last night, 7-3.

Cleveland's ally in the percentage point column couldn't stop the A's from reclaiming the lead last night. They moved a full game in front of the Indians and, more important, nine percentage points to the good.

With the New York Yankees coming in tonight for the first game of an all-night game schedule in the majors, a new Shibe Park attendance record may be set.

Umpire Red Jones found himself in the midst of a shower of boomerangs tonight for the first time at Washington in the ninth inning. He was in the path of a ball thrown to the plate by Mickey Vernon of Washington. Vernon scooped up Pete Suder's grounder and tried to catch Sam Chapman at the plate, but the ball struck Jones' chest protector as he stood in the base line.

This most explosive outburst by Washington fans in recent years didn't end until Jones told the public address announcer to turn the game off because of the noise in the stadium. The game was finished and police escorted Jones from the field.

Stan Musial polished off his sensational eastern swing with two hits, including his 10th home run in the St. Louis Cards' 9-6 victory over the New York Giants.

Red Schoendienst's bases-loaded single was the high blow for the Cards as they scored four runs in the ninth to top the stubborn Giants, 9-6.

Brooklyn Dodgers ended a one-day stay in the National coliseum, climbing to sixth place by shaming Chicago, 4-2. Pee Wee Reese stole home on Russ Meyer with what proved to be the winning run, although it made the score 5-3 at the time. Eddie Branca went all the way for his third success.

Curt Simmons, the Phillies' \$50,000 bonus lefthander, finally hit his stride with a fancy three-hit win over Pittsburgh, 2-1.

Cincinnati and Boston were idle in the National as well as Boston, New York, Cleveland, Chicago, Detroit and St. Louis in the American.

The Annapolis Rams accomplished last night what no other Southern Eastern league team has been able to do this year—whitewash the pacesetter Montgomery Rebels.

The Rams did it, 2-0. Aswatter Scott faced only 28 men.

Pensacola and Vicksburg were rained out in the latter part of the second straight night, and it was the third night in a row for the Flors to be idle. They were washed out at Jackson Tuesday night.

In other games, Gadsden won a wild battle at Selma, 10-9, after eight runs in the ninth inning after the Leafs had scored six in the last of the eighth. The home team rallied with two runs in the ninth but couldn't put over the tying marker.

Rotundo gave the Pilots only eight hits but his mates hurt his cause with four errors. Baskin went all the way for Gadsden but he left the Leafs scoreless from the first inning until the eighth, when the Leafs broke loose for their half-dozen runs.

The result left the teams tied for sixth place.

At Montgomery, Scott blanked the Rebels on one hit to gain an edge over Angel Gonzalez in a pitchers' duel.

Gonzalez got the only hit yielded by Scott, a single in the third, and was the only Rebel to get on base. Scott didn't issue a single base on balls and his mates gave him errorless support.

The Rams got four safeties off Gonzalez, three of them singles, and all were in different innings.

Annapolis scored one run in the fifth when Ernie Davis doubled and completed the circuit on an infield out and a fly ball.

The second run was unearned, being scored on the eighth on two errors and a fielder's choice. Chas. Taylor went all the way to second when Mac McWhorter bobbled his grounder and scored when Bill Spears threw wild to first trying for a double play.

Ambrose Pallek had too much stuff for the Jackson Senators as the Meridian Peeps broke an eight-game losing streak.

This scoured the series at 1-1, and although five of the Peeps runs were unearned, they hit when it counted.

Three-run outbursts in the fourth and fifth innings gave the Peeps the win and charged Mayor Thiel with the loss. Each team had seven hits.

NEW YORK, May 28 (AP)—If New York University is to be de-throned as team titlist in the IC 4A Track and Field championships opening at Triborough Stadium today, it will be up to Penn State, Michigan State or Yale to turn the trick.

Those three appear to be the only teams among the record entry of 47 colleges with enough strength to keep the New Yorkers from grabbing their fourth team title in eight years.

NYU is basing its title hopes on the largest team in the 1947 season headed by national AAU 800-meter champion Reggie Pearman and U. S. Decathlon titleholder Irving Mondshen.

Pearman will shoot for a double in the 440 and 880, a feat achieved by only two other metropolitan champions John Woodruff and Ted Meredith—in the 72-year history of the nation's oldest track meet.

If Pearman can win both events, NYU will have a good chance to repeat, provided the Violets also finish in the money with Mondshen in the high and broad jumps, Stan Lambert in the shot putt, Ira Kaplan in the sprints, Jim Gilhooly in the 440 and Armand Osterberg in the two-mile.

Michigan State, the 1947 runner-up, again has a potent entry led by Fred Johnson, who won both the broad jump and low hurdles and finished second in the century last year; Jack Dianetti, who trailed Pearman by inches in the half-mile, and Tom Irmen, a 9:21 two-miler. Michigan State never has won the title.

Penn State won its only IC 4A title in 1942. Penn State's power rests with its distance ace, Gerald Karver and Horace Aahenfelder, IC 4A indoor champions at one and two miles.

Yale, which won the last of its IC 4A titles in 1924, has concentrated most of its strength in the field events, with Vic Frank and Jim Sachs favored to dominate the shot and discus.

Individual champions will be defending their 1947 titles in nine events.

Birmingham whittled a full game off the Southern Association lead of the Nashville Vols last night as they secured the series at 1-1 by scoring an 11-7 victory. It was the fourth triumph for the Barons in six games this year with the Vols.

New Orleans and Little Rock made a clean sweep for the underdogs last night by beating the Pilgrims and the Travelers, respectively. The Pilgrims triumphed, 3-2, and the Travelers beat the defending champions, 2-1. Atlanta and Chattanooga were rained out in the latter part of the game.

In the game at Nashville, the Vols' Ben Wade suffered his first defeat in five games, and Jim Hedgecock racked up his fourth victory against no losses. The Barons collected 16 hits off Wade and his two successors, while the Vols got 14 off Hedgecock.

The visiting Travelers scored both their runs in the first inning at Mobile and that was all Jillo Johnson needed. He gave the Bears only seven hits but fanned them until the ninth. The Travelers went on from there with two runs in the last of the first and were never headed. Frank Hoerst, the first of three Memphis hurlers, was charged with the defeat. Atkins fanned six.

Fry won five love games, including the final one. The last set lasted 63 minutes.

## Sports Roundup By RUGA PULLERTON, JR.

NEW YORK, May 28 (AP)—If the National Collegiate A.A. decides to rule out "bowling" games for college football—and as smart a guy as Zipp Newman predicts that's what will happen within five years—the Sugar Bowl will sponsor a pro game in New Orleans on New Year's day.

But it's this department's guess that within five years the "safety code" will be buried along with Bulletin 23 of the Carnegie Foundation.

Bill Jurges, Chicago Cubs coach, is talking to major league ball clubs about a plan for realizing profits from the fans' desire for autographed balls. With the players sharing in said profits . . . Story from the South (where else?) concerns a big nine footballer who was told by his prof that he made a "B" in English. "Wait'll me mudder hears of it."

The Duke U. golf team, which recently won the Southern Conference title for the tenth time in eleven years, may find the going rough in the National Collegiate Tournament at Stanford because two of its better players are freshmen and thus ineligible.

The Blue Devils have Art Wall, Jr., who has made 26 holes-in-one, but he'll have to contend with Oklahoma's Charley Cox, who fired a record 64 at Lincoln, Neb., in the big six tourney . . . Incidentally, some scribes in the Midlands say they'll continue calling it the "big six" until Colorado, the seventh member, wins some thing.

## Seminole High Cops Game In District Play

ORLANDO, May 28 (Special)—The Seminole High School Celsery Feds pounded their way into the finals in the Fifth District Baseball Tournament finals here yesterday by trimming the Apopka Blue Darters by a 13 to 1 count.

Eddie Brooklyn went for the run for the Semfordites and limited the hard hitting Apopkans to three well scattered bingles.

This victory sends the Feds into the finals against the Orlando High School Tigers. Orlando nipped the Cocoa High School nine by a 13 to 1 count.

The finals will be played to-morrow afternoon at 3:30 o'clock.

Miss Fry Off Rollins Scores Tennis Upset

PARIS, May 28 (AP)—Young Shirley Fry of Rollins College, scored an upset in the French International Tennis Championship yesterday. She defeated American's ranking star, Doris Hart of Miami, 6-3, 4-6, 1-6.

The 20-year-old fifth ranking United States player moved into the finals by her win and will meet the winner of the match between Mrs. Patricia Canning Todd, La Jolla, Calif., and Mrs. Nellie Landry of France.

Miss Fry, her hair in pigtails, kept away from Miss Hart's touted forehand. The 23-year-old Miss Hart made four double faults.

Fry won five love games, including the final set. The last set lasted 63 minutes.

## 700 Hounds To Race At Volusia Kennel Club Oval

By ASSOCIATED PRESS

More than 700 racing greyhounds, a number of which are ranked among the fastest in the country, will race at Volusia County Kennel Club which inaugurates its 1948 summer racing season next Wednesday night.

While all of the 700 dogs have not arrived yet, a majority of them are at the track and are ready to go. William L. Huntley, president of the new track, announced today. Others will come in during the next few days.

Among the early arrivals are greyhounds owned by the famed Randa Bros. Kennel, which was the best of the leading kennels at the West Flors oval in Miami during the past winter season. Randa is here with 33 racing dogs. Among the Randa group are several Derby and Stake champions. Forever Amber, which ranks as one of the fastest female speedsters in the United States, will continue to lead the Randa pack at the Daytona track. Forever Amber is former National Coursing champion, while this past winter at West Flors the fleet female was a contender in the Flors Derby.

Packets in another Flors Derby contender which will represent the Randa Kennel at the Volusia County track. General Manager Roy Parton has reported. This rapid moving female will be a "strong contender in the Inaugural Stake which will feature the opening program of the 1948 Daytona oval June 2. She ranks as one of the leading distance dogs in the country. Other leading dogs slated to run for the Randa kennel are Gloria Ann, Adora, Wira and Well Remembered. Wira ran in the first \$5,000 Nursery Stake at West Flors last winter.

Tufted Textile Makers Have Meet At Daytona Beach

DAYTONA BEACH, May 28. (AP)—Manufacturers of tufted textile products in Southern states yesterday were urged to resist the temptation to speculate, and to keep prices in line with actual cost of production. This was a part of an address by President O. R. Strain...

Nearly 400 representatives of small concerns making bed-spreads, runners and robes were registered when the convention opened. Although this is only the third annual convention of the TTMA, President Strain in his report to the membership cited the gradual formation of earlier industry associations in the field, which has grown into a yearly business of \$125,000,000...

3 Persons Have Died In Dade Accidents

MIAMI, May 28, (AP)—Three persons have died in Dade County in the last 48 hours as the result of traffic accidents, bringing the year's automobile fatality list to 41. Mrs. Pola Blustein, 24, died early yesterday of injuries suffered Wednesday night while she and her husband, a Miami policeman, were en route to Miami Beach to arrange for a religious marriage ceremony. They were married last Friday by a judge. The other deaths were Clint Dodson, 71, of Miami Beach, hit by a car, and Mrs. Westie Hobbs, 45, who was injured in a crash in March.

Rescuers Struggle To Reach Bodies Of 2 Trapped Miners

SCRANTON, Pa., May 28, (AP)—Rescue workers struggled today to reach the bodies of two anthracite miners, one of whom apparently died 24 hours after being trapped 200 feet underground by a rockfall. The bodies of Anthony Brezak, 34, and Julius Pittara, 27, were sighted by a rescue crew last night. Brezak had talked with diminishing strength to the men trying to reach him. A third miner, William (Ambrose) Ambrucis, 53, was crushed to death in the same rockfall Wednesday night. His body was recovered a short time later.

Northwestern Floods Make More Homeless

By ASSOCIATED PRESS. Flood waters—the worst since 1954—drove new hundreds from their homes in three Pacific Northwest states and Canada today. Damage mounted into the millions and the death toll from the floods, and accompanying storms rose to 13. Newest victim was Ludwig Brunner, 11, who was carried to his death in a flood-swollen stream at Spokane, Wash., while swimming. Worst hit was the Fraser Valley of Western British Columbia. There the Canadian navy was preparing to launch all available small craft for a huge "Dunkirk" evacuation of inhabitants. Scores of persons were being driven from their homes in Washington state and Northern Oregon.

Youth 14, Confesses Slaying Of Girl, 8

CHICAGO, May 28 (AP)—Lieut. Patrick Coughlin said today that a 14 year old boy, seized on a subway train after an all-night police search, orally admitted the brutal slaying of eight year old Nancy Schuler. Nancy, known in her neighborhood as "The Little Doll" because of her beauty, was found smothered to death yesterday in the bedroom of a neighbor's apartment. Coughlin said the boy, seized in connection with the slaying of the tiny, blonde girl, told him he put her on the bed in his apartment and piled blankets on her during a quarrel over some comic books. Nancy was found lying face downward in bed, three big pillows piled on her head. The pillows were weighted down with a heavy chair and a magazine rack.

Stock Market

NEW YORK, May 28, (AP)—Light selling was enough to tip the stock market a bit lower today. Declines ranged to around a point at the outside but most were in fractional territory. Gains were equally small. Trading was unusually quiet and the ticker tape came to a standstill time and again. Leading issues marked down included Youngtown Sheet, General Motors, Goodyear, Douglas Aircraft, American Can, Allied Chemical, Santa Fe, and Mation Corp. Plus signs appeared in front of J. I. Case, Boeing, International Telephone, Southern Bell and Northern Pacific and Gulf Oil. In the curb, where traders were just as inebriated, losses were scored by Copper Range, Glen Alden Coal and Eastman Oil. Consolidated Steel inched ahead. A few rails advanced a trifle to the bond market and in even the counter dealings U.S. government bonds held recent gains. Bond-Only was one of the widest losers, dropping more than a point at one time, following an announcement the directors had changed the dividend to 12 1/2 cents a share from the previous 13 1/2 cents. In the rail section Pennsylvania took a solid drubbing. The big rail system's April earnings report, in common with most other carriers, didn't make very good reading. Pennyp reported a net operating loss last month of \$2,989,472, compared with net operating income a year ago of \$1,920,212.

## Arab Forces Claim Halt Of Jewish Thrust

### Ben-Gurion Says Efforts Are Made To Relieve Encircled Jews In New City

CAIRO, May 31, (AP)—The Trans-Jordan Arab Legion announced today it had smashed a Jewish assault in the Latrun area, which controls the Jerusalem-Tel Aviv highway, and found 114 of the Jews dead on the battlefield.

The announcement came from Amman as Arab armies maneuvered on the north, south and east approaches of Tel Aviv. Jerusalem dispatches told of an Israeli appeal to encircle Jews in modern Jerusalem to stand fast.

The Amman communique said Jewish forces in the Latrun area left behind four armored cars and large quantities of arms, ammunition and trench digging machines. Latrun lies 22 miles southeast of Tel Aviv and 15 miles west of Jerusalem. The legion said its artillery continued shelling Jewish posts and armored convoys in the Jerusalem area.

Premier David Ben-Gurion of the embattled Jewish state messaged his people in modern Jerusalem Sunday that, notwithstanding the loss of the Old Walled City, strenuous efforts were being pressed to relieve them.

The Arab movements upon Tel Aviv, initial capital and military headquarters of Israel, appeared designed for encirclement rather than a frontal assault.

The Jews said Israeli troops were within nine miles at one point. Arab and Trans-Jordan forces were about 20 miles away. Arab shells fell in Jewish sections of Jerusalem.

## Recreation Plans For Youngsters Of City Are Studied

A complete recreation program is in the making for youngsters in the city, according to Fred Ganas, recreational director for the city.

"We are confining our work to children this year, and we are going to offer a well rounded program for every age group," he said.

Two baseball leagues, one for boys from 9 to 12 and another from 13 to 17 will be conducted. Handicraft and arts classes will be held for all age groups.

Playground facilities will be supervised and open for the younger children, Mr. Ganas declared.

Dramatics, folk dancing, cooking, sewing and other crafts will be taught girls, who enter the program.

Swimming will be held twice each week at the Lake Mary P. T. A. swimming park under the supervision of trained instructors, Mr. Ganas declared. All of the recreation staff have completed courses in swimming and are qualified, he added.

A tennis program for all children will be opened, and instruction will be given.

"We have definite objectives for the coming summer, and we hope to teach the youngsters something constructive," Mr. Ganas asserted. At the end of the year the department plans to present a program to show progress made during the summer.

A colored director will be named in the near future, he said, and a program for colored children will be arranged.

Those assisting Mr. Ganas are Herman Brunley, Mrs. Lydia Glindes and Miss Barbara Dampier.

## New 18,000 Kilowatt Generator Dedicated At F. P. & L. Co. Plant

The Florida Power and Light Co.'s new 18,000 kilowatt turbine generator, almost tripling the capacity of the Lake Monroe plant, was dedicated Friday afternoon when company officials and several hundred visitors inspected the plant and the new installation which is part of the company's \$85,000,000 expansion program in Florida.

The capacity of the plant's generator which was installed in 1926 is 10,000 kilowatts while the combined capacity of the two generators now is 28,000. New plants have recently been constructed by the company at Sarasota and Riviera, near West Palm Beach, and three more are under construction or in the blue print stage at Miami, Cutler, and at another site not yet determined.

In dedicating the expanded plant at Lake Monroe, Mayor H. A. Williams congratulated the power company on its "foresight and vision" in expanding its facilities now, and said, "We fully realize the valuable part electric power plays in the growth and prosperity of any community. The Florida Power and Light Co. through this expansion program has placed at our finger tips an unlimited supply of electric power."

Speaking for the company, Mayor Smith, president, pointed out that the plant

## Western Germany Vote Shows Center Party Is Declining

MUNICH, Germany, May 31, (AP)—Western Germany's political party lost almost half its strength in Bavarian cities today.

The party, the Conservative Christian Social Union, (CSU) lost ground to the Communists and right wing parties, final municipal election returns from the U.S. occupied state showed.

Nearly 1,200,000 persons voted in 41 Bavarian cities, yesterday. In some areas, particularly the city of Nuremberg, the Communists showed an unexpected increase in strength.

## Commie, Right Wing Parties Show Increase In Power

The CSU, strongly backed by Catholic and conservative elements, got 35.1 percent of the total vote in 1946 elections in Bavarian cities. Yesterday it dropped to 18.5 percent.

The votes the party lost were picked up by the Communists, who jumped from 9.3 percent in 1946 to 10, and by small right wing parties.

## Dr. Z. J. Jerry Dies At Georgetown Home

Dr. Z. J. Jerry, prominent Georgetown druggist, who had dispensed medicines and prepared prescriptions for the residents of Sanford's colored section for nearly 40 years, died at his home at 317 Sanford Avenue at 8:20 o'clock this morning after a lingering illness.

He was a member of long standing in the Evergreen Lodge No. 23, F. and A. M., and was active in various other civic and fraternal organizations. He was also a prominent member of the Trinity M. E. Church of which the Rev. W. A. Perry is the pastor.

Survivors include the widow, Mrs. Connie Thomas, Longwood; four sons, E. T. Thomas and Leo Thomas, Longwood; L. R. Thomas, Ocala; and Willie Thomas, Clermont; two daughters, Mrs. Verdie Hiers, Live Oak, and Mrs. Irene Sigmund, Sanford.

## Peace Pledges Are Made In Many Lands As U. S. Honors Her Dead

New pledges to preserve peace, freedom and liberty were voiced in many lands yesterday as Americans paid tribute to this country's war dead.

Pope Pius XII interrupted a weekend of Potomac River yachting to place a wreath at the tomb of the unknown soldier in Arlington National Cemetery.

In a radio address he voiced the hope that the Memorial Day celebrations around the globe would underline two things:

"That the government of the United States works only for peace in the world, and in order to attain that peace we must have the ability to enforce it."

In a second ceremony in Washington, Mr. Truman put a rose in a floral anchor that was dropped in the Potomac in honor of his predecessor, Franklin D. Roosevelt.

The President then read a message to the people in which he said:

"We must ever keep in our hearts the need for the understanding and peace among all peoples wherever they may be. Under God, let us hold high the torch of freedom and justice for all people."

## Defense Board Tells Industry Of War Needs

### Message Emphasizes Need Of Planning For Arms, Weapons; Production Speed

WASHINGTON, May 31, (AP)—An industrial primer for total war is going out to factory owners.

The Defense Department's munitions board, which prepared the text, laid its emphasis today on two points:

A. How industry can plan now for turning out the weapons needed in case of war.

B. A strong hint that unless such plans are ready for quick war production the plant may starve for lack of materials and labor.

Board Chairman Thomas J. Hargrave, in announcing to a news conference the handbook for "joint industry-military procurement planning," also presented the latest record on the government's own stake in industrial facilities.

It showed that the government presently owns or has a right to recall to war production 405 of the 3,500 plants it built during the war to produce guns, airplanes, tanks and a multitude of other weapons.

Of these industrial reserve plants, 151 are retained by the Army, Navy or Air Force. Thirty-seven are still in government production. Thirty-one have been sold under a clause which preserves their basic function for production of material and 53 have been leased under similar provisions. The balance are for sale, with the same safeguarding clause.

Hargrave said the new guidebook is not a blueprint for industrial mobilization for war, but is designed to give plant owners some idea of (1) what might be needed, (2) who should be contacted for information, and (3) how individuals, firms and groups can keep up to date their own programs for conversion to war production.

He emphasized the board is trying to avoid any such wild speculation as occurred in World War II, when several other for the output of a factory.

## Polish-American Head Says FDR Sold Poland Down Volga

PHILADELPHIA, May 31, (AP)—The late President Roosevelt "sold Poland down the Volga," President Charles Rozmarek of the Polish American Congress said last night.

But, the Chicagoan added, Roosevelt assured him he would work for Polish independence after the war.

Rozmarek said each year he would Roosevelt as saying he would "take care of Stalin at the proper time."

In a report on his four years as president of the congress, Rozmarek told a convention of the organization that he conferred with the late President twice before the Yalta Conference early in 1945.

At that time, said Rozmarek, Roosevelt stated that he had most of the time been talking up with Hitler. He quoted the four-term President as saying Soviet Premier Josef Stalin had "fooled" him "many times before."

Roosevelt conferred with Stalin and British Prime Minister Winston Churchill at Yalta. Not long after that, Roosevelt died.

Rozmarek said Roosevelt did not appear to be in good health when he spoke with him, but that he apparently fully expected to live out his term and help rebuild the world after the war.

## Funeral Services Are Held For B. Thomas

Funeral services were held at 2:00 P. M. today in the Erickson Funeral Chapel for Brady Thomas of Longwood who died Friday in an Orlando hospital.

Associated with a road construction company, Mr. Thomas had lived in Longwood for one year. He was 61 years old. The Rev. A. L. Butler, pastor of the Church of Christ, officiated at the services and interment was made in Lake View Cemetery.

Survivors include the widow, Mrs. Connie Thomas, Longwood; four sons, E. T. Thomas and Leo Thomas, Longwood; L. R. Thomas, Ocala; and Willie Thomas, Clermont; two daughters, Mrs. Verdie Hiers, Live Oak, and Mrs. Irene Sigmund, Sanford.

## Sizemore Is Held In San Lando Robbery

Guy Sizemore, employee of R. Q. Mills at Ben Lando Springs, was released under \$750 bond for breaking and entering the bath house Friday morning and breaking into a "jock" room and pin ball machine, Sheriff P. A. Mero reported today.

Mr. Mills reported the entry to the Sheriff's office Friday morning, and after investigation a knife and blood were found around the machines.

Sheriff Mero asked if any of the employees had been cut, and Mr. Mills reported that his chief, Sizemore, had a deep gash on his forehead.

Sizemore was questioned and after telling several conflicting stories was arrested and released under bond.

## Probe Made In Death Of 5 Crashed Fliers

MIAMI, May 31 (AP)—An investigation was planned today into the death of five Miami-bound fliers who died when three Navy training planes crashed near Bayport, Saturday night.

Bodies of the men were recovered from the three separate wrecks late yesterday. Searchers found the crashed aircraft at 8 A. M. Sunday.

Lieut. Comdr. Thomas H. Rantz said at Southeastern Naval Reserve Headquarters in Atlanta that four of the men were former combat pilots on inactive duty.

He listed them as Ensign C. L. Askew, Ensign W. G. Fleck, Ensign J. H. Mulkey, all of the Navy, and 1st Lieut. E. D. Russell, Marine Corps, all of Birmingham, Ala.

## Paul Robeson Defies Probe On Curb Bill

### Says He Would Go To Jail Rather Than Answer Whether He Is Or Is Not Red

WASHINGTON, May 31, (AP)—Negro singer Paul Robeson told Senate questioners today he would go to jail before he would say whether he is a Communist.

Senator Moore (R-Ore.) promptly adopted the idea, with the suggestion that "sometimes a year in jail cools some of these people off."

But Chairman Wiley (R-Wis.) of the Judiciary Committee said he doubted that the committee would take contempt action. Robeson was testifying before the judiciary group against the Mundt-Nixon anti-Communist bill when the dispute arose.

Senator Ferguson (R-Mich.) whose direct question Robeson refused to answer, said the committee would decide about contempt later.

The exchange took place after Robeson told the committee he thinks members of the Communist Party "have done a magnificent job in America."

"Are you an American Communist?" Ferguson asked.

"I refuse to answer that question," Robeson replied with emphatic gesture. "This is an invasion of my right of secret ballot."

Ferguson fired back the same question a second time and a third, and Robeson finally broke out.

Fifteen leading Americans are going to jail for refusal to answer that question and if necessary I will join them."

There were some hisses mixed with the audience applause that greeted the singer's statement.

His reference to 19 Americans covered the Hollywood writers and others charged with contempt of Congress for refusal to answer similar questions before the House Committee on an American activity.

TALLAHASSEE, May 31 (AP)—Complete official returns from the 67 counties today showed Fuller Warren had a 23,216-vote majority over Dan McCarty for the governorship of Florida in last Tuesday's Democratic runoff election.

The returns shown on official county canvass reports were totaled and verified by Secretary of State R. A. Gray, but will not become final until the state canvassing board members go through the formality of signing a certificate tomorrow.

Warren received 209,641 votes to 276,425 for McCarty. The total of 486,066 votes cast in the primary set a new Florida election record. It was more than 11,000 above the total vote in the first primary, May 1.

In the special election for the supreme court, Attorney General Tom Watson received 226,408 votes, Justice T. Frank Hobson 141,888 and circuit judge W. W. Walker 128,539. Watson and Hobson ran in a special runoff contest for the nomination. The election will be next Friday.

Richard W. (Dick) Erwin won the attorney general's position by a vote of 275,259 to 188,531 for L. Grady Burton.

In the only other contest on the primary election ballot, Louis M. Anderson of Orlando was named a democratic presidential elector over A. L. Phillips of St. Augustine by a vote of 168,148 to 131,512. The other seven electors were chosen in the first primary.

### President Truman Orders Relief Sent To Stricken Flood Victims

WASHINGTON, May 31 (AP)—President Truman today declared flood-swept sections in the Northwest a "disaster area" and ordered use of surplus war property for relief and rehabilitation.

Mr. Truman acted aboard the presidential yacht Williamsburg where he is spending most of the day.

The White House said the President "expresses his deepest sympathy" for flood victims.

The disaster order covers those parts of the states of Washington, Oregon and Idaho in the valley of the Columbia River and its tributaries.

In northern Idaho, the Kootenai River Valley is included. In addition to surplus property in the hands of the War Assets Administration, the order also permits distribution of large quantities of Army and Navy materials.

Mr. Truman acted upon the recommendation of Maj. Philip B. Fleming, public works administrator, who had received pleas for aid from the governors of the three states.

The White House said Housing Administrator Raymond Foley also is making a check on flood damage.

President Basil O'Connor of the Red Cross set aside \$250,000 to meet the immediate emergency needs of the victims of Vanport, Ore.

In a wire to Governor John H. Hall of Oregon, O'Connor said additional funds will be made available to the extent necessary for meeting immediate needs of families in the area.

O'Connor assured the governor that full resources of the Red Cross are available. He said Raymond Eaton, vice president and manager of the Red Cross Pacific area, has dispatched 34 national disaster workers to the Portland-Washington area to assist thousands of Red Cross volunteers.

The Portland chapter is operating 12 emergency shelters in schools and other buildings to care for the homeless of Vanport.

## Baptist Church Begins Work On \$50,000 Building

Structure Is To Be In Memory Of All World War 2 Dead

Ground was broken at the First Baptist Church yesterday to inaugurate the construction of a new \$50,000 educational building to be erected by the church on the property north of and adjacent to the church, Rev. W. P. Brooks is pastor of the church.

The building will be named the Memorial Educational Building in memory of all those who gave their lives in World War II. Plans for the concrete and steel structure were drawn by Moulton and Lindsey, architects. The F. A. Dixon Construction Company will erect the building, which will be 42 feet wide and 109 feet long.

Rev. Britt, chairman of the board of deacons, turned the first shovel of dirt. He was representing the entire membership of the church.

After Mr. Britt the heads of the various departments of the church each moved a spade of earth. L. B. Biele, superintendent of the Sunday school; O. Douglas Stentrom, president of the church, and others followed.
