

## Seminole Tossed From Tournament By Orlando Five

Tigers Score 24-22 Victory In Thrill Filled Court Game

Leesburg will meet Eustis in the finals of the Fifth District Basketball tournament in Holly Gymnasium, DeLand, at 8:30 o'clock tonight, Palatka and Eustis girls teams will meet at 7:30 o'clock.

DELAND, Mar. 2.—Orlando Tigers smashed their way into the semi-finals of the fifth district basketball tournament in Holly gym Friday night before a shrieking capacity crowd of fans by eliminating the Sanford Celeryfeds in a hair-raising contest 24 to 22.

The Tigers got off to a flying start but began to tire under the grueling pace maintained in the early part of the game and Sanford rapidly cutting down the lead as the game drew to a close.

Hagan, Guernsey and Maynard led the Orlando attack while Herndon and Altman furnished the fireworks for the Seminoles.

The Tigers were functioning like a well-oiled machine, at the start, and executing their plays with speed and precision. Hagan started the scoring in the second minute of play with a beautiful toss through the basket while on a dead run. Maynard taking the ball under the Sanford basket worked it back down the court for three tosses during the first period. Guernsey tipped down the court twice to ring up two sweet oats. The Tigers were holding onto 17 to 6 string of beads at the end of the second quarter.

In the third period the Celeryfeds came in like wild gas well with Altman and Miller making some remarkable shots. As the

fourth quarter bobbed up the Seminole aggregation was clicking perfectly and the Tigers' lead was slowly vanishing. With two minutes to go but two points separated them. The gun sounded as Orlando missed a basket.

True to pre-tournament predictions the powerful Leesburg Yellow Jackets came through in high gear to take a game bunch from DeLand out of the running. The jackets piled up a 26 to 16 score but they were forced to fight for every marker they rang up. Barnett was big for the locals.

This morning the Orlando Tigers will meet the Leesburg Yellow Jackets in the first game of the semi-finals. Dayton will meet the powerful Eustis aggregation. Judging from tournament play thus far the finals Saturday night will find Leesburg and Eustis fighting it out with the edge going to Leesburg.

## Roosevelt Certain Of His Course As He Faces Future

### President Begins 2nd Half Of Term In Office Hopefully

WASHINGTON, Mar. 4.—(AP)—Despite a stubborn Congress and court attacks on his New Deal projects, President Roosevelt yesterday headed into the second half of his Administration apparently confident his major objectives and the country's good are synonymous.

Busy with problems of State, the Chief Executive made no special preparations for observing the day. A quiet day was planned, with only a visit to his residence.

Supporters of the American Legion bonus bill which does not contain Patman's new currency provision are to be heard later.

### ABDICTATES

### Bonus Bill To Be Passed, Says Patman

#### Texas Solon Claims Congress Will Over-Ride Presi- dential Objection

WASHINGTON, Mar. 4.—(AP)

A prediction by Representative Patman of Texas that two-thirds of the House and Senate would vote for a bonus payment bill—enough to override a Presidential veto—was made today at the opening of Congressional hearings on the \$2,000,000,000 bonus issue.

Patman, first witness before the House Ways and Means Committee, appeared after Chairman Doughton of North Carolina said the sessions will be held at night if necessary to complete consideration of the bill by tomorrow.

Striking at critics that his measure, which proposes the issuance of new currency, is inflationary, Patman said, "This is not an inflationary bill. There is no danger of inflation."

He pointed out that under his plan if commodity prices rose too rapidly or the danger of inflation appeared, the Secretary of the Treasury could withdraw other currency from circulation as the bonus money was distributed.

Supporters of the American Legion bonus bill which does not contain Patman's new currency provision are to be heard later.

Local Woman's Son  
Continues Advance  
In His Profession

Dr. William Y. Cox, son of Mrs. Maude M. Miller of this city, continues to advance rapidly in his profession as surgeon, it is indicated in press reports from the Lewiston, Maine daily.

Dr. Cox, well known here, now is resident surgeon at the C. M. Hospital in Lewiston, where he has conducted a clinic at the Eastern Maine General Hospital at Bangor. He also performed an operation for the removal of a meningioma, which is considered as a rather difficult and rare operation.

Before leaving the Bangor institution, he delivered a lecture on "Some Recent Advances in Neurological Surgery."

Dr. Cox is a graduate of the University of Michigan, A. B., of Harvard Medical School, M. D., and has several years of hospital experience, including internship and assistant at Lakeside Hospital in Cleveland and residency in Urology at Peter Bent Brigham Hospital.

He also had general and surgical residency at Lakeside Hospital and general residency in surgery at Peter Bent Brigham Hospital.

Nevertheless, the rebellious attitude adopted by Congress on the work relief bill after the Senate had defeated his World Court proposal, came as a surprise to the Chief Executive. Confusion over his social security program and the antagonistic attitude assumed in Congress against extension of NRA, also were not anticipated in the proportions developed.

Enactment of three propositions, plus passage of the regular annual supply bill, are considered by Mr. Roosevelt's health agents essential to the success of the Administration in the next two years and to the reelection of the President in 1936.

All other propositions, such as broadening authority of the former administration, regulating utility holding companies, placing all forms of transportation regulation under one federal agency, and revision of banking legislation while forming a major part of the President's program, are held in the final analysis by Administration adherents as developments.

Mrs. Hammond Seeks  
Removal Of Long

NEW ORLEANS, Mar. 4.—(AP)—Mrs. Bessie Phelps Hammond, chairman of the Women's Committee of Loyalists, which is seeking the removal from office of Senators Huey P. Long and John H. Bankston, said yesterday she had sent Vice-President Garner petitions from citizens of Louisiana, Kentucky and West Virginia calling for the removal of the senator's charges against the senators.

From this day on the Society of the Red Cross will receive daily the requests of citizens from all parts of the country for a fact hearing," Mrs. Hammond said, in a letter to the Vice-President.

### HE'S A HUMAN BIRD!

Clem Saxon of Lansing, Mich., claims to be the first man to fly with a pair of home-made wings.

He went up in a plane at Daytona Beach, Fla., and stepped out at 12,000 feet. For 2,000 feet he left his wings folded. Then he spread them, and glided, banked and looped until he neared the ground, when he opened a parachute and came down safely. His outfit weighs only eight pounds. (Associated Press Photo)

### Sanford Will Be Sir Malcolm Near Without Baseball Death As Car Hits As Loop Collapses 270 On Single Run

#### Daytona Will Try To Return To North- East Florida Group

The Central Florida Baseball League which was reorganized as an enthusiastic meeting here, Jan. 20 virtually collapsed yesterday afternoon when Bill Campbell, manager who had "miraculously" won the national Bluebird championship who has "made baseball fans at Daytona Beach, announced that he and his backers will apply for entry in the Northeast Florida League at once.

He made this statement after league "Secretary" Peter Schall announced that Orlando had withdrawn from the league because of a lack of interest, and that Leeburg had failed to accept his invitation to become a member of the league.

As a result, the future of baseball in Sanford. This summer is certain—there will be none, and for the second consecutive season.

Saturday it was a defective towline which, with a split-hot and flapping crazily, almost dashed death to take over the steering wheel. Yesterday it was a rough, bounding beach that turned his ride into high-gear and set him sailing along the brink of eternity for miles.

Hammering into the unprepared soil, with his 2500-horse power engine swinging the big rod, heiching his needle to 4200 revolutions per minute, for a speed of 270.472 miles per hour, the car

## Sanford Will Be Without Baseball As Loop Collapses

Continued from Page One  
Yesterday's meeting, presided over by League Secretary Peter Schaal in the absence of President Francis Whitehair, was attended by representatives of clubs at Cocoa, Sanford, DeLand and Daytona Beach.

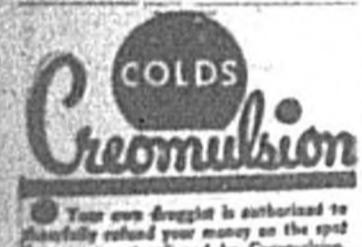

Arthur Newitt, R. C. Dusenberry, Bill Parrish and Mr. Hannigan appeared later to represent a group of Leesburg fans who expressed themselves as ready to enter the league, but they came after it was virtually certain that it will be impossible to line up a ninth club.

Secretary Schaal opened the meeting by reading letters from Orlando and New Smyrna fans, declaring that they are unable to place teams in the league because of lack of interest.

He also reported that, in following up a rumor that major leagues clubs are considering establishing a league in Florida this year, he had learned in conversation with S.
