Sufficient number of motor vehicle inspection stations are in Seminole to handle all vehicles in the county, information provided to the Board of County mission Chairman John Alexander declared yesterday. Alexander further predicted with the "cooperation of the public" the county could inspect some 100,000 cars annually at its two stations located at 25th

and Grandview and at 90 Lake Triplett Drive, Casselberry. The Commission chairman admitted the county probably will not make a great deal of money on the revenues from the inspections as he had first believed and reminded the county went into the inspection business be-
