

U. S. Seen As Sole Democracy Capable Of Military Strength

By DEWITT MACKENZIE AP Foreign Affairs Analyst Britain's drastic decision to reduce its global military commitments, in a further effort to cripple the economic crisis gripping the country, is a sober reminder that the United States is the last of the great democratic countries still capable of fully manning a war machine and that this can be a mighty influence on the world.

It is by way of saying that, after all, England has been America's staunch ally in two world wars, and remains the chief ally of Western Europe for the defense of democracy. It is tough to see her striking-power reduced even temporarily in these emergency days.

This reduction of military commitments was one of the concessions Prime Minister Attlee promised Labor members of Parliament in a secret cabinet meeting yesterday to listen with critical attention to an accounting of his stewardship. He has been under heavy fire, not only from his conservative opposition but from many of his own followers, because of dissatisfaction with the government's progress in dealing with the economic upheaval.

The Prime Minister defended his position with determination, as this column yesterday said he likely would do. The result was that he won a virtual vote of confidence from his caucus.

The Prime Minister is reported not only to have promised to cut down military commitments in Greece, Italy and Germany, but to reduce the number of men under arms and send them back into the ranks of labor to meet the demand for work.

But that wasn't his only promise. It is said that he will call on Britain's coal miners to work an extra hour daily in order to get the production which is so badly needed to stimulate badly lagging industry. Lack of coal is the crux of the economic crisis. It is suggested that the miners get time and a half pay for this overtime.

Advocates of this plan say it would increase the coal output some 300,000 tons a week, to swell the present production of about 2,700,000 tons. The government's target for the year is 22,000,000 tons.

The vote of confidence means that the question of Attlee's resignation, the prime minister's position, at least pending developments. There had been a demand in some quarters that he step down to other leadership, and Foreign Minister Ernest Bevin was mentioned as a possible successor.

However, a high government source says that Attlee may make changes in his cabinet soon. In this connection the political correspondent of the London Daily Mail said yesterday, prior to the vote, that the only concession the Prime Minister was prepared to make would be the formation of a sort of emergency battle group of five senior ministers to tackle the economic problems.

The big five would be Attlee himself, Foreign Minister Bevin, Chancellor of the Exchequer Dalton, Deputy Prime Minister Morrison and President of the Board of Trade Sir Stafford Cripps.

Mr. Attlee's government would seem to have weathered a nasty hurricane. The storm signs aren't yet down yet, though, and won't be until there is marked improvement in the economic situation, a matter of concern not only to the people of Britain but to the world at large, especially America.

BOSTON, July 31. (AP)— Counsel for Douglas Chandler today prepared an appeal for the 68-year-old Chicago-born writer sentenced to life imprisonment and fined \$10,000 for serving as a Nazi mouthpiece during the war.

Red Suspects Freed From Greek Camp

Police Question 3 Bargemen In Slaying

BALTIMORE, July 31. (AP)— Police today questioned three young bargemen in the slaying of Doris O'Brien, 40, whose trussed body floated to the surface of the Baltimore harbor nine days ago.

Henry J. Kris, captain of detectives, said his investigators had concluded the woman had been beaten and thrown overboard Sunday, July 13, from a barge which plies between Baltimore and Norfolk, Va.

One of the seamen was arrested aboard the barge. The other two were returned here last night after being arrested in Norfolk.

Police said they had learned the woman left a tavern late Saturday night and went aboard the barge some time after it arrived here from Norfolk with a load of iron ingots.

The inscriptions told how pleas for clemency were rejected at the "military trial."

The killings, the inscription said, were carried out as "a military execution by the Jewish resistance to the enemies of our homeland."

The contorted features of the two sergeants indicated that their deaths had been caused by strangulation by crudely fashioned nooses. The ropes were looped around limbs close to the trunks of the trees. The men's hands had been tied behind their backs and their feet had been wired together. The sergeants' shirts had been used to blindfold them.

Their underclothing and army trousers were stained with blood which poured from the gashes cut into their necks by the half-inch ropes.

The booby trap exploded as a grenadier guardman attempted to cut down Martin's body. The blast echoed throughout the historic forest of Sharon, scene of many battles of Biblical times.

Natanya's mayor, Oved Ben Ami, who had received information from the moderate underground, Hagana, that the bodies were in the area, was on the scene when the blast occurred.

Tight-lipped and obviously fearing his report city once again would come under military rule, he declared: "This is the most brutal crime they have done yet. All we've built and prayed for now lies in the dust."

Military personnel in the Natanya area, hearing the circumstances in which the bodies were found, hastened to bases.

"There will be some searches," one military source said, "and the populace may be inconvenienced a bit, but no military control is planned, at least for the present."

LONDON, July 31. (AP)— Mrs. F. L. Martin, widowed mother of Sgt. Clifford Martin, who was hanged in Palestine by the Irgun Zvai Leumi underground, collapsed today at her home in Coventry and was reported in a serious condition.

"We do blame the government," said her son-in-law, Frederick Kemp. "Surely they know how desperate these people are and they could have waited until our boys were safe before executing the terrorists."

Marlin and another sergeant were hanged after three Irgunists were executed.

The Florida Senator told a reporter he thinks one of the chief questions for the Senate group is whether young Roosevelt was justified in recommending that work on the photo ship be continued.

He also remarked, "I have no doubt that it will be shown that Elliott Roosevelt accepted entertainment from representatives of Hughes."

The contract for the photo plane is entirely separate from that for the flying boats, but it is also under investigation.

One point of committee interest is why work was continued as the war drew to a close and it was apparent that fighting would end before any planes were received.

"In that connection, Senator Pepper asked Lovett if the latter believed there was anything corrupt, fraudulent or contrary to the public interest in the late President Roosevelt's 1944 decision to continue the Hughes flying boat work after the WPB had ordered the contract cancelled.

Jesse Jones, former Secretary of Commerce, told the committee yesterday that Mr. Roosevelt had decided in favor of the completion of one plane at an additional cost of about \$5,000,000 after \$13,500,000 had been spent on the then cancelled contract.

"On the facts as you state them, Senator Pepper," Lovett said, "a decision of that kind would call for a very careful exercise of judgment."

He added that the President had not consulted him on the decision.

Howard Hughes and his globe-trotting publicity man, John Meyer, will take the stand side by side tomorrow in the senatorial investigation of Hughes' wartime plane contracts. Senator Ferguson (R-Mich.) announced today that arrangements have been made for the joint appearance of the Hollywood millionaire and the man who said he spent lavish sums to entertain government officials in Hughes' behalf.

Ferguson's announcement was made after a session in which the Senate War Investigating committee heard testimony that top military leaders turned down a mass flying boat program in July,

Campaign Starts

(Continued from Page One) The West, which looms as the major 1948 battleground, also is beckoning to others.

In Washington, Senator Claude A. Pepper, Florida Democrat, announced he plans a cross-country speaking tour in the fall in an effort to "keep our democratic party liberal."

Perhaps tipping off what he intends to tell the voters, Pepper said in an interview that the record of the G.O.P. Congress has buried "any hope or idea that the Republican Party might become the people's party, or liberal."

Taft has said he intends to discuss Congress' record and all issues, domestic and foreign, on his trip. He has called on other G.O.P. leaders to speak out.

This has been widely interpreted as an indirect argument that Dewey, the 1944 nominee, is not speaking out. Friends of the New Yorker say they believe Dewey will have plenty to say in due time. He took only joshing recognition of Taft's call, telling reporters:

"What am I supposed to say, 'Don't shoot until you see the whites of their eyes?'"

He also said he would not be in the public interest to award this contract for a new type of plane to be made from non-strategic materials," Pepper asked, "he

U. S. Correspondents Kept From Red Zone

VIENNA, July 31. (AP)— American sources said today that for almost a month Russian authorities had refused to grant clearance papers for American newspaper correspondents seeking to cross the Soviet occupation zone en route to Budapest, Bucharest or Prague.

The source said Refuse Minister Attlee and his cabinet took that decision at a meeting in which the entire Palestine situation was considered.

Under the plan, the Exodus of 1947 refugees would remain temporarily in the British zone of Germany while the British cabinet picked a place for them in some other British-controlled area of the world, notably an African colony, the source said.

The Jewish refugees arrived off France Monday. Three British ships brought them from Palestine waters, where their ship, the former President Warfield, renamed Exodus of 1947, had been intercepted and rammed by the British.

Jewish Refugees May Be Sent To Germany

LONDON, July 31. (AP)— An authoritative source said today Britain would send the 4,500 Jewish refugees of the B. S. Exodus of 1947 expedition to Germany, and perhaps later to Africa, if they persisted in refusing to disembark at Fort-De-Bouc, France.

The source said Refuse Minister Attlee and his cabinet took that decision at a meeting in which the entire Palestine situation was considered.

Russia Hits U. S. Offer To Mediate Fight In Indonesia

Gromyko Calls For Immediate Action On Issue By UN Security Council

By MAX HARRISON
LAKE SUCCESS, Aug. 1 (AP)—

Russia charged today that the United States offer to mediate the undeclared war in Indonesia was a "means of circumventing" the United Nations and demanded that the Security Council itself take "binding" action.

The surprise Soviet move seriously complicated the mediation plan which already had been accepted by the Netherlands government.

Soviet delegate Andrei A. Gromyko agreed with the United States that the council should act immediately to order a cessation of hostilities, but he urged the council to go slow on the question of mediation.

Although not stating definitely that he would oppose mediation, Gromyko raised strong objections, including his charge that the move would be "by-pass" the UN. He said it also would give the Dutch an advantage over the Indonesians from their present military positions.

"The Security Council must seriously study the question and must take its own decisions," he declared.

He charged that the Netherlands government with a clear "breach of peace" and said the Security Council would be "betraying" its mission.

One-Stop Flight From Tokyo Made By 7 Superforts

WASHINGTON, Aug. 1 (AP)—

Seven B-29 superfortresses with 160 persons aboard flew over downtown Washington at noon today and headed for nearby Andrews Field and the "one-stop" flight from Tokyo, 7,000 miles (flight from Tokyo, 7,000 miles) in 31 hours 24 minutes in the air.

The arrival was timed with slide rule precision, the big bombers having made a rendezvous at 10:32 A. M. at the Washington Navy Yard.

The flight was one of the major features of a world-wide observance of the 40th anniversary of the Air Force, which a week ago was accorded equal status with the ground and naval forces by enactment of the military unification law.

FVC To State Need For Farm Laborers

ORLANDO, Fla., Aug. 1 (AP)—

Florida's need for several thousand Jamaican and Bahaman laborers to help harvest the 1947-48 vegetable crop will be taken before a meeting of governmental agencies in Washington Tuesday.

Lamonte Gray, manager of the Vegetable Committee, said today. He said FVC representatives would ask officials of the U. S. Immigration Service, the State Department, Department of Agriculture and cooperating farm groups to route from 2,500 to 3,000 Jamaicans and Bahamans to Florida this winter before returning them home.

Cut In British Food Rations Is Predicted

Nation Reported Asking U. S. To Relax Loan Provisions Limiting Imports

By JACK SMITH
LONDON, Aug. 1 (AP)—

Immediate large-scale cuts in Britain's meager food rations were forecast today as cabinet ministers studied plans to combat the nation's economic crisis.

A well informed source close to the government said Prime Minister Attlee would disclose the details in announcing his crisis program in the House of Commons next Wednesday.

Meanwhile the Daily Express and Daily Telegraph, persistent critics of the Labor regime, said the cuts would be between 25 and 50 per cent in some foods already rationed more than in wartime.

The newspapers foresaw deep cuts in meat, butter, grain and tinned foods, especially fruit and vegetables. The source confirmed that sharp reductions were coming, but declined details.

Meat already is rationed to one shilling and two pence (about 21 cents) worth per week, about enough for one meal. The butter ration is 2½ ounces per week. Canned food distribution is restricted by a stiff point rationing system.

While the people awaited details of the cuts, a government source said Britain was pressing the United States to relax provisions of the American loan (Continued on Page Two)

Report Reveals 8 Percent Coal Production Drop

WASHINGTON, Aug. 1 (AP)—

The National Coal Association today estimated bituminous production in the week ended July 26 at 11,800,000 tons and said on the average between 8 and 10 per cent less coal is being mined under the new contract which private operators signed with John L. Lewis' United Mine Workers.

Output the previous week was 12,000,000 tons. In the corresponding week of 1946 it was 12,603,000 tons.

"It is yet too early to make an accurate comparison," the Association said in a footnote to its weekly production report, "but any statement to the effect that more coal is being produced generally under the shorter work time than under the previous arrangement is not true."

The new contract signed July 7 gives miners \$13.05 for an eight-hour day. They had been getting \$11.85 for a nine-hour day under the pact signed with the government after it took over the mines in the spring strike last year.

Noting that production figures for the weeks ended July 19 and July 26 were about a million tons below normal, the Association (Continued on Page Six)

Mayfair Inn Donates \$300 To Jaycee Drive

The Seminole County Junior Chamber of Commerce drive to raise funds on which to operate the tourist information booth on the Seminole Boulevard has gotten under way and is gaining momentum as many companies and organizations are making known their desire for a prosperous tourist season for Seminole County for the coming winter by giving to the project.

Manager Lind Weber of the Mayfair Inn made a donation of \$100, Chase and Company contributed \$100, the Yowell Company added \$100. Walter of Sanford donated \$100. Randall Chase gave \$25 and Dr. Harry Z. Silby gave \$20 toward the operation of the booth.

These donations had been reported at noon today and there are others that have not yet been reported in Sanford. Being in contributions for the first day of the active interest in the Jaycee project, Charles Lutz reported.

Britons-Jews Clash Again In Palestine

Regimental Station, Funeral Procession Are Attacked In New Violence

JERUSALEM, Aug. 1 (AP)—

A British regimental headquarters here was attacked today with grenades and mortars and one attacker was killed, while in Tel Aviv several Jews were reported wounded by gunfire from a British armored car which escorted a funeral procession of 5,000 Jews.

Five grenade and mortar explosions heralded an attack on headquarters of the Hampshire Regiment, only 200 yards from the Jewish agency.

Two suspected attackers were captured alive. No casualties among the Hampshire were announced.

Alarm sirens summoned troops to action stations and the area was cordoned off as "police" began rounding up men for questioning. About 200 persons were held for screening.

In Tel Aviv, private sources said three bursts of gunfire from an armored car manned by policemen wounded several persons in the funeral procession of five Jewish victims of reprisal shootings last night.

A score of Jews were wounded in last night's shooting, which a reliable source attributed to Tommies bent on revenge for the hanging by Irqun Zvai Leumi, Jewish underground organization, of two British sergeants at Natanya. Palestine police have begun an investigation of the shootings.

As the funeral procession, led by the chief rabbi and the city councilors, approached the great synagogue, an armored car manned by British soldiers moved forward. The British gunners manned and swinging in arcs. The informants said shots came from the car as it withdrew.

The Tel Aviv incident touched off a series of sharp clashes. Eight young Jews were wounded by gunfire and 95 others were reported injured in clashes with the police and military. A private source said troops opened fire when a group of young Jews stormed Barclay's Bank and other groups overturned an army truck and stoned the general post office building.

The attack on the Hampshire regiment headquarters here was made against the entrance to the perimeter of its defenses. The attackers threw two mattresses over the barbed wire and tossed in a grenade in an attempt to breach the defenses. One of the attackers was shot four times, and he was found lying in the street, a grenade clutched (Continued on Page Six)

Tract At Lake Mary Is Sold To Ohioan

C. P. Brasington, printing ink and chemical manufacturer, of Cincinnati, Ohio, has purchased several tracts of land including the C. B. Emerson home in Lake Mary, and plans to erect a fine brick home facing Crystal Lake. It was announced this morning by Raymond Ball, realtor, who handled the transaction.

Other real estate deals announced by Mr. Ball are: purchase by Mr. and Mrs. Carl H. Kruger of Danbury, Conn. of the vine home and grove on the south Paola Road west of the Country Club for \$9,500. He also stated that Mrs. Morris L. Vins has purchased the H. M. Haven home on West Fifteenth Street for \$6,750.

R. L. Glenn has sold his furnished home at 613 West Twenty-fifth Street in the Dreamwood Addition to Arthur Williams for \$7,500.

Bricker Receives 2 Threatening Calls

COLUMBUS, Ohio, Aug. 1 (AP)—

Police disclosed today that Senator John W. Bricker (R-Ohio) had received two threatening telephone calls yesterday and that a result of the calls was a precautionary evacuation of the senator's home last night.

One of the telephone calls, which police said they believed were made by "cranks," was made from the Bricker home in suburban upper Arlington a few hours before the senator was to take part in a statewide dinner honoring Senator Robert A. Taft (R-Ohio). The call was taken by Mrs. Maud Bricker's mother-in-law, Mrs. Maud Day, who reported that the caller said:

"This time we're going to get him."

Czech Minister Relates Motives Of Meet Boycott

PRAGUE, Czechoslovakia, Aug. 1 (AP)—

Foreign Minister Jan Masaryk said today high Russian leaders had "pointed out" the awkwardness of Czechoslovakia's acceptance of the invitation to the Paris conference on the Marshall proposal.

Masaryk, who returned recently from Moscow, told this reporter he had "needed no guidance" to realize, even earlier, that his country might have to withdraw from the conference.

(Czechoslovakia first accepted a British-French invitation to discuss the Marshall proposal of U. S. aid in restoring European economy. The country later withdrew its participation in the Marshall proposal talks, as did Russia and all other Eastern European nations in the Russian sphere.)

Masaryk, son of the founder of the republic and himself educated in the United States, gave the first detailed account of his trip to Moscow early in July.

He asserted that he and Communist Premier Klement Gottwald were not "sent for" and that had he realized even before he talked with Prime Minister Stalin and Foreign Minister Molotov in the Kremlin that, under existing circumstances, the (Continued on Page Six)

Hughes Plane Chosen After Elliott's Okay

General States Air Force Had Rejected Job Previously; Brewster Attacked

LOS ANGELES, Aug. 1 (AP)—

A deputy U. S. marshal called at Howard Hughes' Beverly Hills apartment and three of his plane today, but was unable to find the millionaire industrialist to serve him with a subpoena demanding his appearance in Washington before a Senate War Contracts Investigating Committee.

WASHINGTON, Aug. 1 (AP)—

Major General Oliver P. Echols testified today that Elliott Roosevelt picked a Howard Hughes plane as the best available for wartime photo-reconnaissance work after the Air Force high command turned it down in 1943.

Echols, wartime chief of the Air Corps Materiel Command, told the Senate War Investigating Committee that the son of the late President Roosevelt in effect reversed the decision of the Air Corps' best experts.

The general agreed that if the plane could do a claimed 450 miles an hour it then would have been the Air Corps' latest plane of the type.

Chairman Ferguson (R-Mich.) commented that the committee has been unable to find any Air Corps records dealing with the experimental plane between July, 1942, and the end of June, 1943.

Echols said that he probably would have been more forthcoming in conducting his own development. He added that late in June 1943, he made a report on performance and possible production of the Hughes plane at the request of General H. H. Arnold, the commanding general of the Air Force.

While the general was testifying, committee aides told reporters that young Roosevelt has been scheduled to testify before the committee on Monday.

Echols, now retired from the Army, related that Elliott was summoned before him from his post as chief of reconnaissance work in Europe to look over various types of planes. He said the airplane was taken after complaints (Continued on Page Six)

Senator Taft Is Seen As Dewey's Leading Contender

By the Associated Press

Senator Robert A. Taft (R-Ohio), endorsed by Ohio Republicans for the 1952 presidential nomination, hammered at President Truman's foreign and domestic policies in an address at Columbus last night. He also announced that he would make a definite decision whether to run on Oct. 3 when he returns from his western speaking tour.

Meanwhile, Gov. Thomas E. Dewey of New York wound up a western tour today which friends confidently declared increased his backing for the 1948 Republican presidential nomination.

As the New Yorker's train reached Albany, associates told reporters they believe about 400 voters are now assured for Dewey on the first ballot in the G. O. N. nominating convention. It will require 547 to nominate.

They also made it clear they regard Senator Taft at this stage as the leading prospective contender against Dewey.

Along that line, they said Dewey probably will not go on a tour outside New York again this year unless it appears that support for Taft is making strong headway.

Neither Dewey nor Taft has yet said he definitely will be a candidate. The only avowed candidate is former Governor Stassen of Minnesota.

Senator Holland Pays Short Visit Here

Senator Spessard Holland, en route home to Bartow to attend his daughter's wedding, paused a few minutes this afternoon during the train stop at the depot to chat with a local group of greeters that included Mayor H. J. Gut, Edward Higgins, H. B. Pope and Andrew Carraway.

"Hope you didn't mind that extra \$100,000 we added to the St. Johns River appropriation," Senator Holland is said to have told Chamber of Commerce Manager Higgins. Senator Holland also indicated that he will be in Sanford for the Labor Day celebration on Sept. 1, said Mayor Gut.

Celery Feds To Meet Islets Here In Twin Bill Tomorrow

St. Augustine Plays At Local Park On Sunday; Sanford Won Two Last Nite

By ARTHUR BECKWITH, JR., Herald Sports Editor

Big Bill Stanton is slated to haul tonight's tilt against the Daytona Beach Islets and Johnny Tomat and Carl Kettles will receive the call for hill assignments against the Islets here tomorrow night in the twin bill. Manager John Krider announced this morning. Krider has not yet decided who will handle the mound chores here Sunday when the locals meet the St. Augustine Saints.

The Sanford Celery Feds continued their bid for the first division by taking a twin bill from the sagging Leesburg Pirates, who were making a decided bid for league leadership a month ago, by 8 to 1 and 6 to 4, margins.

Tonight the locals invade City Island Park in Daytona Beach for a single tilt, and tomorrow evening the Islets return to the Municipal Park for a twin bill, which is slated to get under way at 8:45 o'clock. Sunday afternoon the Feds will entertain the St. Augustine Saints in a single contest, that is scheduled to start at 8:00 o'clock.

Tonight in Daytona Don Murray will be allowed a public hearing to determine if the \$100 fine tacked on him by the league president was justified. Murray is reported to have used obscene language heard by the Daytona Beach fans. Several league officials and fans are expected to attend the meeting.

Last night the Feds rattled the boards with 11 hits in the twilight contest to paste a 3 to 1 defeat on the Pirates.

First baseman Ralph Satterfield paced the Fed attack on the Leesburg mound staff as he banded out six safeties in seven appearances at the plate in the two tilts.

Carl Kettles worked on the hill for the Feds in the opening game and limited the Bucs to five scattered knocks. The Pirates scored their only tally of the contest in the eighth frame after Grunwald doubled to left centerfield, an error by Kettles and a passed ball brought Grunwald across the plate.

Sanford drew first blood in the second inning on a two ply poke by Satterfield and a single by Bill Lewis. The final Fed tallies came in the sixth. Satterfield singled, and Dave Bride doubled to score Satterfield. Lewis jammed a two base blow into right field, scoring Bride.

Jack McCammon opened on the hill for the Feds in the second game, and gave plenty of evidence that he is going to make the Feds a mighty potent hillman.

McCammon worked 5 2/3 innings and allowed the visitors but one safety during his tour of duty. However, the big right-hander weakened slightly in the sixth, and gave away to Charlie Blasen who was relieved by Johnny Tomat in the sixth in an attempt to stop an uprising by the Bucs.

The Feds tallied three runs in the third frame on two hits and a pair of Buc boos. In the fourth inning a hit, an error and a misplay netted the Feds two more runs and the margin of victory.

The sixth inning uprising by the Pirates was the result of four free tickets, two hits and an error.

Red Hats And Sens Divide Twin Bill

The DeLand Red Hats and the Orlando Senators continued to battle for the third slot in the Florida State League standings last night as they tangled in a twin attraction at Conrad Park.

The Red Hats tripped the Senators in the opener by a 4 to 3 margin, but the Senators bounced back in the night cap to chalk up a 5 to 3 victory. Chuck Aleno reappeared in the Hat lineup and went hitless in eight trips to the plate in the two tilts.

The lowly Daytona Beach Islets trimmed the sixth place Palatka Azaleas in a pair of contests at Daytona Beach. Wally Gaddis tossed a three hit shut out, 3 to 0 in the opener and Stubby Stabelfeld won a 5 to 3 decision in the after piece.

The St. Augustine Saints chopped another game off the Gainesville G-Men's league lead by drubbing the pace setters in a 10 to 3 tilt.

The line scores: Orlando 030 000 0 - 3 - 4 - 1 DeLand 001 021 X - 4 - 10 - 3 Major and Batts; J. Perez, Bardin, Alonzo and Madjeski.

Celery Feds To Meet Islets Here In Twin Bill Tomorrow

St. Augustine Plays At Local Park On Sunday; Sanford Won Two Last Nite

By ARTHUR BECKWITH, JR.
Herald Sports Editor

Big Bill Stanton is slated to hurl tonight's tilt against the Daytona Beach Islets and Johnny Tomat and Carl Kettles will receive the call for hill assignments against the Islets here tomorrow night in the twin bill, Manager John Krieger announced this morning. Krieger has not yet decided who will handle the mound chores here Sunday when the locals meet the St. Augustine Saints.

The Sanford Celery Feds continued their bid for the first-division by taking a twin bill from the Leeburg Pirates last night for league leadership a month ago, by 8 to 1 and 5 to 4 margins.

Tonight the locals invade City Island Park in Daytona Beach for a single tilt, and tomorrow evening the Islets return to the Municipal Park for a twin bill, which is slated to get under way at 8:45 o'clock. Sunday afternoon the Feds will entertain the St. Augustine Saints in a single contest, that is scheduled to start at 8:00 o'clock.

Tonight in Daytona Don Murray will be allowed a public hearing to determine if the \$100 fine tagged on him by the league president was justified. Murray is reported to have used obscene language heard by the Daytona Beach fans. Several league officials and fans are expected to attend the hearing.

tend the meeting. Last night the Feds rattled the Leeburgs with 11 hits in the two-high contest to paste a 3 to 1 defeat on the Pirates.

First baseman Ralph Satterfield paced the Fed attack on the Leeburg mound staff as he banded out six safeties in seven appearances at the plate in the two tilts.

Carl Kettles worked on the hill for the Feds in the opening game and limited the Bucos to five scattered knocks. The Pirates scored their only tally of the contest in the eighth frame after Grunwald doubled to left centerfield, an error by Kettles and a passed ball brought Grunwald across the plate.

Sanford drew first blood in the second inning on a two ply poke by Satterfield and a single by Bill Lewis. The final Fed tallies came in the sixth. Satterfield singled, and Dave Bride doubled to score Satterfield. Lewis jammed a two base blow into right field, scoring Bride.

Jack McCammon opened on the hill for the Feds in the second game, and gave plenty of evidence that he is going to make the Feds a mighty potent ballman.

McCammon worked 5 2/3 innings and allowed the visitors but one safety during his tour of duty. However, the big righthander weakened slightly in the sixth and gave away to Charlie Bissen who was relieved by Johnny Tomat in the sixth in an attempt to stop an uprising by the Bucos.

The Feds tallied three runs in the third frame on two hits and a pair of Buc boots. In the fourth inning a hit, an error and a mis-

cue netted the Feds two more runs and the margin of victory.

The sixth inning uprising by the Pirates was the result of four free tickets; two hits and an error.

Red Hats And Sens Divide Twin Bill

The Deland Red Hats and the Orlando Senators continued to battle for the third slot in the Florida State League standings last night as they tangled in a twin attraction at Conrad Park.

The Red Hats tripped the Senators in the opener by a 4 to 3 margin, but the Senators bounced back in the night cap to chalk up a 6 to 3 victory. Chuck Aleno reappeared in the Hat lineup and went hitless in eight trips to the plate in the two tilts.

The lowly Daytona Beach Islets trimmed the sixth place Palatka Azaleas in a pair of contests at Daytona Beach. Wally Gaddis tossed a three hit shut out, 3 to 0 in the opener and Stubby Stabelfeld won a 5 to 3 decision in the after piece.

The St. Augustine Saints chopped another game off the Gainesville G-Men's league lead by drubbing the pace setters in a 10 to 3 tilt.

The line scores:
Orlando 030 000 0 - 3 - 4 - 1
Deland 001 021 X - 4 - 10 - 3

NLRB Appeals To Labor Management

WASHINGTON, Aug. 1-AP—The new five-man National Labor Relations Board today pledged "deep determination" to make every provision of the Taft-Hartley labor act "work as effectively as possible."

The board issued that statement as its first act after two new members, Abe Murdock and J. Copeland Gray, and a general counsel took their oaths of office this morning.

TERROR ANT KILLER
WORN OUT FROM GETTING UP NIGHTS?
If you get up nights - have frequent desire to pass your water - you, and have backache, due to excess acidity in the urine, by day you're reading this.
Three generations ago Dr. Kline, a famous doctor, found hundreds of his patients with this trouble. So he made a medicine of 15 herbs, which he called "Kline's Kidney Pills." He called it "Kline's Kidney Pills" because it was a "kidney pill" and because it was "Kline's" medicine.
Kline's Kidney Pills work to keep your kidneys in good shape and to get rid of the excess acidity in the urine. It's the only medicine that does this. Many report getting a good night's sleep after the first few doses. Write for free literature to: Dr. Kline's Kidney Pills, Box 1113, Stamford, Conn.
