Talmadge Moves Into Executive Chambers

Liner 'America' Hits Rough Atlantic Crossing

SMASHING INTO THE GIANT WAVES, the luxury liner America dug her bow under and tossed the spray high as she pounded along New York, delayed more than two days by North Atlantic storms of near-tropical hurricane violence. The ship's skipper, Commodore Harry Manning, described the crossing as the roughest he could remember in 34 years at sea. The vessel brought in 1,005 passengers from Europe. (International)

Herman Takes Over Arnall's Office; Explosion Causes Minor Disturbance

ATLANTA, Jan. 16.—(AP)—A state highway patrolman said today that a small tear gas capsule had exploded in the governor's reception room at the state capitol. The patrolman, G. W. Harrison, said that a minor disturbance had been caused, but not enough to force evacuation of the room.

Meanwhile the Talmadge forces staged a coup d'etat in the battle of the governors.

Bright and early this morning, Herman Talmadge moved into the executive office of his rival, Ellis Arnall. He announced: "As Governor of Georgia, I have taken complete charge of the executive offices at the state capitol."

The Talmadge forces struck during the night. They had the locks changed on the doors of the governor's offices in the capitol building at Atlanta. Then the vanguard moved in around 7:30 this morning with Talmadge, himself, commanding Arnall's inner office at 9:00 A. M. The Talmadge crowd said that when they came in they found all the desks cleared and empty, but it was not clear whether Arnall had removed his belongings before leaving the office last night or whether some one had done it for him.

\$495,575 Was Put Into War Bonds In Seminole In 1946

JACKSONVILLE, Jan. 16.—(Special)—People of Florida invested \$495,575 in U. S. Savings Bonds during 1946, an average of \$40.29 per capita, according to a report released today by Ralph E. Bagwell, State Director of the U. S. Savings Bonds Division of the Treasury Department. Of this amount \$52,200,063 was in Series E Bonds and \$38,436,222 in Series F and G.

Seminole County sales of E, F and G Savings Bonds during 1946 totaled \$495,575 in this \$327,745 was in E Bonds. The total sale ranks 25th in volume for the counties in Florida whereas Seminole County stands 19th in population according to 1945 census figures. The per capita purchases for Seminole County stand at \$20.14 compared with the state average of \$40.29 and ranks 35th in this respect for the 67 counties in Florida.

Despite price increases and disruption of production in this first full year of peace since 1941, Savings Bonds sales have far exceeded the production of a year ago. Mr. Bagwell commented: "Nationally more E Bonds were sold in 1946 by half a billion dollars than the total of the similar series A, B, C and D Savings Bonds sold in the six years between Mar. 1, 1935 and May 1, 1941 when the E Bond first went on sale as the Defense Savings Bond."

Howard Faville To Head Savings Group

Howard Faville, local contractor, was elected president of the First Federal Savings and Loan Association of Seminole County at the annual meeting yesterday of members.

J. C. Harper was made vice president and Sanford F. Droun, vice president. Mrs. Robert Chapman was re-elected secretary and Lee S. Lister was named assistant secretary.

Directors named are: J. C. Harper, Sanford F. Droun, Lee S. Lister, Howard Faville, E. O. ...

Yugoslavia Wants Land From Austria

Tito Urges Council To Cede Total Of 1,000 Square Miles From 2 Austrian States

LONDON, Jan. 16.—(AP)—The office of the four-power foreign ministers decided today to give the Austrian government to present its case in regard to which would be ceded to Yugoslavia as an independent state. The action was taken in the first place after Yugoslavia put forward a claim to 1,000 square miles of Austrian territory.

LONDON, Jan. 16.—(AP)—The Deputy Foreign Ministers Council today received a demand from Yugoslavia for 1,000 square miles of Austrian territory. Marshal Tito's regime urged that 950 square miles of Slovenia, Carinthia and 50 square miles of Styria be ceded to Yugoslavia on the grounds that most of the inhabitants there are Slovenes.

Yugoslavia also wants to recover 20,000 German living in Bessarabia, Eastern Austria, near the Hungarian frontier. Tito's government asked whether autonomy for this group or the right to be exchanged for Austrians from Yugoslavia.

The Deputy foreign ministers of the Big Four have yet to decide on Austria's demand that Yugoslavia and 17 other small nations that fought Hitler be permitted to join in drafting the German and Austrian peace treaties.

Bert Sackett To Have New Florida Novel Published

Bert Sackett, writer of two novels, met with immediate success among youthful readers and received national recognition at the Junior Literary Guild books sale in San Francisco, his publisher, that saw his new novel, "Everglade Gold," to be excellent and are destined to publish it.

Miss Sackett's third novel, with a Florida background, is the exciting story of the discovery of oil in the Everglades. He hinted that several of his well known characters of "Everglade Gold" and "Hurricane Treasure" in the preceding novel would take an active part in "Everglade Gold." The two former books are listed in "Florida" at Rollins College.

License Tag Receipts Are \$10,354 Last Day

Automobile license tag sales have been brisk for more than a week reaching a peak yesterday with the day's receipts amounting to \$10,354.40. Jan. 15, \$10,354.40, and Wednesday, \$10,354.40.

Receipts for license tags for January totaled \$452,215 for January, \$10,354.40 and Wednesday, \$10,354.40.

Bird Powers He Is Master Magician By Escaping From Nailed Wooden Box

At a very tight rally, was able to break the box open with his beak when Birch appeared suddenly from the wings of the cage. An additional novelty was that the box was nailed shut by a man who was

secretly called about the bird's escape. The bird was seen to be in the box when it was nailed shut and when it was opened the bird was seen to be in the box.

Caldwell Fears Apathy Of Public Toward Politics

Gov. Millard Caldwell said today he is concerned about what he calls the modern trend toward government centralization. In a speech before the eighth General Assembly of the State, Governor Caldwell said that strong and effective local government is the basis of a democracy.

He deplored what he called the present tendency of the people to allow back into indifference and look to some higher authority for the solution of all their problems. The governor said that citizenship must be renewed in a sense of civic responsibility and the exercise of civil energy; and that if democracy is to survive, the citizen must be able to do his duty.

Earl V. Turner Is Given Service Pin By Phone Company

Earl V. Turner, well known and highly respected Sanford telephone manager, yesterday observed the 40th anniversary of his career with the Southern Bell Telephone Co.

Mr. Turner's telephone experience dates from 1907 when he entered telephone work in Georgia. During the early part of his career he served in various capacities in Southern Bell's plant department in Georgia and Louisiana.

In 1935, Mr. Turner was made manager at Ft. Lauderdale, which position he held for several years. He came to Sanford as telephone manager in 1936 and has served here in that capacity ever since.

In recognition of his long and loyal service to the company and to its members, Mr. Turner will be awarded a gold pin containing eight stars, one for each five-year period.

Loud Ties, Sox Contest Held At Jaycee Luncheon

A spectacular display in technique in the form of lurid neckties and Sox darts, the eyes of all beholders today at the Motor Inn as the Jaycees staged a "loud tie and Sox contest."

Jaycee President Jack Ratigan, one of the instigators of this sartorial atrocity, and wearing an orange colored conflagration around his neck, was disqualified from the contest which was judged by Father William Nachtstrab, Miss Gladys Pence and Mrs. John Holder.

Beauty Queen To Enter Palatka Show; Drop Tampa Plan

Gordon Bradley, city hall employee, won the necktie contest with his bright red tie on which was embroidered a howling wolf.

The Sox contest was close, with Dan Wright and Sam Martina having to stand on a table top in their stocking feet for a second time, but the crimson brilliance of Dan's red Sox finally won him the prize.

Charles Vodopich was the third winner for the loudest combination of tie and Sox. Cliff Ables, one of the runners up, had a tie with a whole hunting scene on it. C. H. (Abis) Luke had a tie which rivaled the Mather Store neon sign effects, according to Mr. Ratigan.

Other lurid neckwear and Sox were displayed by Alvin Odham, D. Swann, E. Campbell, and Dick Payne. There was plenty of noise and lots of fun for everybody.

C. H. Luke reported that he had been informed that no more hosts were available for the Tampa Gasparilla and therefore Sanford will be unable to enter its beauty queen in the parade.

He announced a hotel and housing shortage for guests at Palatka, but said that the Jaycees will go ahead with their state conference there on Feb. 15 and 16, and asked how many would attend.

The Sanford beauty queen will enter the Palatka contest and cetera from Seminole County will be given away, he said.

Guests introduced were Father William Nachtstrab of All Souls Catholic Church, Father Basil Doyle of the Parish Fathers who is conducting a mission in DeLand, E. P. Payne of the J. H. Payne and Son grocery, Donald Bishop, Jr. Paul Ellis and Steve Benjamin, rider shot, who will perform flying stunts for the Jaycees when they meet at the airport next Thursday noon.

Two Chambers Of Commerce Lead Aid In Financing Meet

The Seminole County Chamber of Commerce has allocated \$5,000 toward the expense of the 40th anniversary of the Board of Commerce and the Jaycees have secured additional subscriptions to cover the event to the extent of \$1,700. It was reported at a meeting of the Board of Commerce of the Chamber of Commerce at the Hotel Center last night.

George Toney, chairman of the committee which is promoting the anniversary, said that the committee has secured \$5,000 from the Chamber of Commerce and the Jaycees have secured \$1,700 from the community.

The anniversary will be celebrated with a luncheon at the Hotel Center on Friday, Jan. 17, at 12:30 p.m. The luncheon will be held in the ballroom of the Hotel Center and will be presided over by W. A. Billing, president of the Chamber of Commerce.

Clean Living Is Stressed In Talk At Umpire School

70 Men Attend Opening Lecture Given By League Arbitrator

By WILLARD CONNOLLY
Baseball fans of America who are worried about the threat of the gambling interests to the national sport would have received a lot of reassurance about the future of the game at the opening of the Umpire School at Rollins College, Jan. 15.

The school was opened by a lecture given by Mr. Madry, a former umpire and now a member of the National League of Professional Baseball Umpires. He stressed the importance of clean living and the importance of the umpire's role in the game.

More Babies

More than 8,350,000 babies, the biggest bumper crop in our history, were born in the United States in 1945, according to an estimate by the Metropolitan Life Insurance Company. The number of births during the year was 450,000 greater than that in 1944, and exceeded even the previous high record of 1943 by 500,000.

The new record is accounted for very largely by the consequence of the rapid demobilization of the armed forces and the subsequent sharp increase in the marriage rate. The increase in births in 1945 was virtually country-wide, reports the Metropolitan. In general, the largest increases were noted in the northeastern and mid-western regions.

At the same time that the record high number of births was being established, the Metropolitan report continues, the country's death rate fell to a new low of 10.2 per 1,000. As a result, the natural increase of our population—that is, the excess of births over deaths—also reached an all-time peak of 1,000,000.

The report notes that the rate of natural increase of the population for 1945 was close to 1.4 percent, or practically double the annual average observed during the prewar decade and that the year was the sixth in succession in which the rate of natural increase reached or exceeded 1 percent.

The outlook for population growth is much brighter than it was in 1944. The Metropolitan report states: "Less than 10 years ago it was estimated that the population of the United States would reach its peak of less than 155,000,000 in 1955. It would now appear that this peak will be reached in about 15 years, and that our population will reach a maximum of 155,000,000 about the year 1960."

Sane Economics

For the first time in years the customer is having his innings. Retail stores are offering bargains. The holiday interval on the calendar brought sales in many department stores. In food markets prices are definitely on the down grade, with buttermilk for a luxury item. Dropping to a point almost within sight of the average purse.

There was a brisk post-Christmas spending of gift checks, but that slackened off within a few days. Retailers report that buyers are still hunting for mark-down goods, and this will continue for some time.

The law of supply and demand has been freed of war-time shackles and the consumer has developed a keen eye for high prices. This is wholesome economy, if the cost of living can be brought within reason, for a big argument for wage-increase, and the consequent threat of strikes will be wiped. The adjustment will give opportunity for true values to emerge, and for certain wage levels, like those for teachers, for example, to catch up with those of other economic groups.

The Glass Is Down, Sir!

It is by no means fully established by weather experts that bad years come in sevens or any other dependable number, but the government prophets at Washington seem to have thumbs down on 1947. Last year, it seems, was too good to repeat. The rather grim picture of 1946, and so we may as well expect to get what's coming to us in the next two months.

The boss forecaster at Washington is not indulging any illusions. We have had the event in recent years, but even in normal periods the weather god seems to have it in for us, and almost inevitably a lot of evil things happened.

So it is necessary to take the attitude of National Weather Expert I. R. Rannall, who says "even in an average year a lot of terrible things happen" and it will probably be all the worse now for the unusually fine weather which has been experienced in the winter. We must expect exceptional years, too. Normally the world has 65,000,000 thunder storms, and there's no reason to think we can avoid what is awaiting us. The problem is one of adjusting ourselves to take all weather gracefully.

TOO LATE TO CLASSIFY

George Barr's School For Umpires Opened Yesterday

Over 70 Present For First Class At City Airport

Orientation Lecture And Study Outline Given In Session

By ARTHUR HECKWITZ, Jr.
 The George Barr school for umpires, with approximately 70 young men enrolled and attending, opened its first week of intensive training at the Municipal Airport yesterday.

In opening lectures to the young hopefuls, Barr stated that he is sincere in his attempt to train his students and develop real talent so that they will be a credit to the umpiring profession. "Umpiring is a profession and should not be entered lightly," Barr declared.

Barr started the school sessions with an orientation lecture, at which time he outlined a few simple rules under which the school will be operated.

"I expect stress to be put on too much," Barr said. "Baseball games, part of a scheduled time, and practice must be on hand for the start. For each time any man is late to a class, or if he skips

SPORTS LAUGH

By ARTHUR HECKWITZ, Jr.

Golfers James Guilford, who was quite a lousy back in the twenties was competing in a British tournament one day. He was having a hard time getting along with his caddy.

They had been backing back and forth most of the time. Guilford claims he took most of a good natured until they came to a decisive hole in the match. He sized up a shot carefully and set himself. Just as he reached the hole he heard his caddy say, "I say, old chap, couldn't we bargain a bit more about my wages?"

A class he will be fined ten cents. These fines will be placed in a fund and a party will be held after the session is over," Barr added.

An outline of the schooling sessions were given. The boys will be shown pictures of umpires in action, positions analyzed, and explained and mistakes pointed out.

A complete discussion of the baseball rules will be held and quizzes given to determine how well the students are learning the regulations.

Barr emphasized to his students that no drinking, smoking or gambling will be tolerated either on or off the field.

Seminole High Cagers To Meet Jackets In Twin Bill Tomorrow

Coach Fred Gaines' Seminole High School Cagers, Fred will take to the road again tomorrow night to meet the Leesburg Yellow Jackets in the Lake County city.

The Fed "B" team will tangle with the Jackets in the main event between the two "A" squads following immediately.

The Seminole squad opened its season Tuesday with a tough fight against Leesburg. Gaines' team, coached by Fred Gaines, defeated the Jackets by a 27 to 25 margin.

The Fed basketballers show great promise in being one of the best teams in the conference after playing a few more games. Against Leesburg the Fed markers made 32 field goal shots and missed five throws, and controlled the ball a majority of the time.

INSIDE SPORTS REPORT

By ARTHUR HECKWITZ, Jr.

Fed Baseball Team
 What kind of baseball team will Sanford have this year? Five say "good," and five say "poor." Why has every team in the league announced their intention except Sanford? Can our association cease to function? Will the whole ball club be rebuilt, how many players have been signed? Does Sanford have a manager? When are they going to announce some plans?

The writer encounters these questions daily in conversations with baseball minded Sanford townspeople. Some of the questions can be answered, but very few.

Sanford has been slow in releasing information concerning the ball club simply because there is no news to make public.

As we have stated in a previous column everyone knows that nearly every team in the loop has definite plans for the coming year. Daytona is the only other team that has not given definite commitments, but news from the coast city promises that arrangements concerning a five set up will be forthcoming shortly.

Sanford has not so far as we can find out, hired a manager or set for that matter hired its first ball player in an attempt to rebuild the team.

Last year's manager, Ed Levy, will not return since he will play for the Orlando Maple Leafs this season. From the very start the Fed director will have to hire a new manager. This far no announcements have been made concerning the managerial post.

Sanford was told that the best prospective manager in the whole league now resides here and played for the Fed last year. This information was given the Fed by those teams at the recent league directors meeting in Daytona. Those teams stated that they would hire Buddy Lutz as their manager without hesitation if it were possible to get him.

Without going away from the confines of our own city we can get a manager for whom the other teams in the league are clamoring. It is generally known that St. Augustine has tried since last year to get the Sanford manager to go to the Ancient City. Our neighbors to the south have tried to induce Lutz to pull stakes and venture into the Washington fold. The Fed director has never considered Lutz for the job of the Sanford club.

Last year, due to late season organization of the league all clubs opened the season with approximately the same caliber players. This year the story will definitely be different.

Some clubs already have nearly a full team under contract. If Lutz has announced that they

Hunting Mishaps Ink Maine Legislature

BOSTON - Twenty-seven hunters were killed and 57 others wounded in New England hunting accidents while the first session of the legislature was in progress.

Maine authorities said 23 of the 17 hunters shot to death there were mistaken for deer. Maine showed the heaviest toll of all six New England states and the state legislature may do something about it.

Maine politicians said they may propose that the legislature make laws to prevent and control the use of woods or conduct training in these for hunting hunters.

In Massachusetts, one hunter was killed and another wounded accidentally when they mistook each other for deer and fired almost simultaneously.

Two Sets Of Brothers Box For Virginia

CHARLOTTESVILLE, Va. - The University of Virginia boxing team will visit its opponents in the state of Virginia.

The team consists of two sets of brothers.

Jimmy Mitchell, of Charlottesville, Va., who went to war after winning the 194-pound championship in 1934, is back and he is fighting with his two freshmen brothers, Hall and Joe, both high school champions.

SALLY, LOOK! LOOK AT WHAT THE MASKED MAN'S WEARING!

THE BADGE OF A LAW MAN

YES, IT'S TRUE, SMILEY. SHERIFF POTTER MADE ME A DEPUTY. NOW WE'RE READY TO ACT AGAINST BOSS BARTON.

AND I WANT INFORMATION!

BARTON RUNS A CAFE, BUT THAT'S JUST A COVER-UP FOR HIS CATTLE RUSTLING. YOU SEE, THIS TOWN'S AN OVERNIGHT STOP --

"FOR CATTLEMEN ON THE WAY TO THE RAILROAD."

"THEY SPEND THE EVENING IN BARTON'S CAFE. BARTON QUESTION THEM AND GETS FACTS --"

THEN WHILE BARTON KEEPS THE COWMEN BUSY, HIS GANG RUSTLES THE CATTLE.

CAN YOU PROVE THAT BARTON IS THE LEADER OF THE CATTLE RUSTLERS?

I DON'T EVEN KNOW WHERE THE STOLEN CATTLE ARE HIDDEN.

JIM, YOU KNOW SOME HONEST MEN IN THIS TOWN GET THEM TOGETHER. READY TO ACT. CAN YOU DO THAT?

YOU BET.

WE'LL SEE IF BOSS BARTON'S BIGGER THAN THE LAW.

DOGGONE IT, TONTO, YOUR MASKED FRIEND HAS SURE PUT ME IN HOT WATER OVER MY HEAD!

YOU NOT WORRY.

I'LL GIT THE SAME AS THE OTHERS GOT THAT TRIED TUH FIGHT BOSS BARTON!

WE SEE.

YOU BET WE'LL SEE! HERE COMES BARTON NOW, AND HE'S MAD AS A WET HEN!

NOW HOLD ON, MR. BARTON. BEFORE YUH START SCOLDIN', LISTEN TUH ME --

I DIDN'T HAVE NO CHOICE, MR. BARTON. THAT MASKED MAN MADE ME SWEAR HIM IN AS DEPUTY.

NOT A CHANCE!

I JUST DROPPED BY, POTTER, TO TELL YOU THAT YOU AND YOUR NEW DEPUTY HAD BETTER GIT OUT OF TOWN, FAST!

YOU! SHERIFF POTTER WANTS LAW AND ORDER IN GOPHER CITY! I'M GOING TO HELP HIM GET IT. NOW GET OUT! WE HAVE WORK TO DO!

YOU'LL HEAR FROM ME AGAIN!

SIT DOWN, SHERIFF. WE HAVE SOME WARRANTS TO PREPARE!

HI!

DAD HELPED ME WITH MY CAMPAIGN SPEECHES. I'M GOING OVER TO THE MUSIC SHOP AND MAKE RECORDS OF THEM!

NEAT IDEA! I'LL TIDDLE ALONG!

I'D LIKE TO CUT A FEW DISCS!

RIGHT OVER THERE, MISS! THE RECORDING MACHINE IS IN THAT SOUNDPROOF BOOTH!

OH, NO! YOU WAIT OUTSIDE. THIS IS A SOLO - NOT A DUET!

ARE YOU KIDDING, GIRL?

NO, I'D LIKE TO MAKE RECORDS WITH THE RECORDING MACHINE!

SHE HAD SOME RECORDINGS MADE AT THE MUSIC STORE!

ONE OF THE BOYS WENT ALONG WITH HER! WHILE SHE MADE THEM!

THESE MUST BE SOME OF THEM!

I'LL PLAY ONE TO HEAR HOW HER VOICE SOUNDS!

DEAR FRIENDS! IF I AM ELECTED - RICKY! STOP IT! YOU'RE MESSING UP MY HAIR! - IF I AM ELECTED, I PROMISE TO LISTEN, DON'T BE A WOLF!

I HOPE NONE OF THEM WENT ALONG AND MADE RECORDS!

I HOPE I WENT ALONG WITH HER! WHILE SHE MADE THEM!

DO I SWEAT SWEAT SWEAT THAT MUCH? IT AIN'T MEANINGFUL TO ME! I'LL BE A SHODDY TO GRAB THE TOP SEAT ON THE COTTON TAIL!

OF COURSE I HAD TO CHANGE IT A LITTLE!

8 Are Killed, 55 Injured In Train Wreck

Train Traveling Sixty Miles Per Hour As Cars Are Derailed In California Crash

BAKERSFIELD, Calif., Jan. 17.—Eight persons were killed and at least 55 injured early today when a Southern Pacific passenger train hit a broken rail 12 miles north of Bakersfield, Calif. The train, the Owl, was en route from San Francisco to Los Angeles.

Eleven cars left the rails, with four coaches and a tourist sleeper overturning.

The train was traveling at a speed of about 60 miles an hour. Rescue workers searching the twisted wreckage found eight persons dead and many others crushed beneath the cars. One witness said an uncounted number of passengers were hurled through windows as the cars turned over.

Rescue workers said of a grisly scene, legs and arms torn from some of the victims. At least 55 injured have been removed from the wreck. Most of them were taken to a Bakersfield hospital, where doctors, nurses and interns worked frantically on them. One hospital attendant said: "The halls are full of injured and we are working on them desperately."

The locomotive and ten cars of the 3:58 a. m. express remained upright. The Owl had left San Francisco at 11:30 p. m. last night and was due in Los Angeles this morning.

Three Persons Are Killed In Blaze At Hotel

WATERTOWN, Jan. 17.—(AP)—Three persons died today and six others were injured during a fire in a three-story hotel in Watertown. Twenty-two other persons fled to safety as the blaze raged.

The fire broke out this morning in the second floor of the hotel, which is a three-story structure and is used as a boarding house. The fire started in the lower part of the three-story structure.

Two elderly men were killed in the flaming wreckage. Another man, also more than 60 years of age, died later of injuries received in the fire, and a fourth victim, who is 24 years old, is described as in serious condition.

Nineteen persons managed to get out of the burning hotel and fifteen others were rescued from the third floor. One man spent several anxious moments hanging from a ledge before the firemen got to him.

After the fire had raged for about an hour, the roof caved in. Cause of the blaze was not definitely determined.

Rabbi Morris Skon Addresses Men's Club

Democracy is based upon ideals of brotherhood and the American people had better begin thinking of these ideals, Rabbi Morris Skon, rabbi of the Temple Beth Shalom, told a group of men at the Men's Club today. These are our country, these are our people, these are our responsibilities, he declared. Rabbi Skon, a stop of the Orthodox rabbis, addressed the group on the occasion of the club's annual dinner.

The club members, who were gathered at the club house, listened to the rabbi's address with interest. The rabbi's address was the highlight of the evening.

Russia May Ask U.S. For Loan Of 5 Billion Dollars

Deal Would Be In Return For Lowering Reparations Claims

LONDON, Jan. 17.—(AP)—British sources at the deputy foreign ministers conference in London said today that Russia may ask to scale down her reparations claims on Germany in return for a \$5,000,000,000 loan from the United States.

The deputy foreign ministers are working on treaty drafts for Germany and Austria for presentation to the Big Four ministers in Moscow in March. One of the thorniest issues facing the deputies is the question of German reparations.

In commenting today on the possibility that Russia may ask an American loan in return for scaling down her claims on Germany, the influential London Economist said this today: "Prime Minister Stalin has on two occasions recently referred to Russia's need for an American loan. The whole atmosphere of the coming Moscow conference might be changed if successful loan negotiations had already been completed in Washington."

Paul Ramadier Named Premier Of France

PARIS, Jan. 17.—(AP)—A 50-year-old economist and lawyer, Paul Ramadier, was nominated today as French Premier by France's new parliament, Vincent Auriol.

Ramadier is a Socialist, and recently was Minister of Justice. Leon Blum, who served as president and premier of the caretaker government, declined the nomination as permanent premier because of ill health. Blum is 74.

Blum's deputy, President Auriol, said he had offered the premiership to Edouard Herriot, a pro-war premier. But Herriot's friends said he turned down the job because he felt he could not form a cabinet.

House Group Gives Approval Of Luxury Tax

Voting Is Unanimous; Senate Group Gets Report On Ways Of Reducing Budget

WASHINGTON, Jan. 17.—(AP)—The House Ways and Means Committee today approved legislation continuing the war-time tax rates on such things as liquor, jewelry and furs, for an indefinite time.

The bill was okayed by a unanimous vote. Committee Chairman Harold Knutson of Minnesota said he expects the House to pass the measure early next week.

Knutson said another bill will be introduced continuing the war-time postal rates which raised the local mailing charge from two to three cents. The Minnesota Republican expressed belief that the bill continuing the postal rates will get quick approval.

Meanwhile, the Senate Appropriations Committee received its report showing that some law to provide one and one-half billion dollars off President Truman's budget estimates for the Army and the Navy.

The report to the committee was written by a group of former Army and Navy officers who are described as knowing their way around a budget.

Their study indicates that approximately \$1,000,000,000 could be lopped off the War department's spending estimate of more than \$6,000,000,000. The former officers said \$500,000,000 could be slashed from the Navy's allotment of \$4,500,000,000.

The United States Chamber of Commerce today waded into the conflict over postal-to-portals pay. It charged that the claims would wipe out any concern.

The chamber stated its case in a brief submitted to a Senate subcommittee by Thomas W. Howard, manager of the Department of Manufacture of the chamber. Howard said that the claims for labor unions for last year would be a body blow to the nation's economy, and a staggering setback to production. The claims now total more than \$4,000,000,000, which various unions say should be paid to workers for time spent on company property getting ready for work.

Ye Olde Trading Post Opens Saturday

Another new business has been added to Sanford in the form of "Ye Olde Trading Post," an antique shop which will be formally opened Saturday morning in the Touchton Building.

Mr. and Mrs. Bob Magnusson, owners, will operate the shop which has been attractively decorated and is filled with beautiful selections of furniture and bric-a-brac.

Mrs. Magnusson, well known in Sanford, is the former Frances L. Rayson. Mr. Magnusson, a native of Worcester, Mass., was formerly stationed at the Sanford Naval Air Station. He served in the U. S. Navy for six years, 22 months of which were spent in the Pacific theater.

Patrolmen Pass Civil Service Examinations

Five Sanford patrolmen successfully passed civil service examinations taken last evening. It was announced this morning by N. O. Carter, assistant secretary and examiner of the Civil Service Board.

Patrolmen who passed the test were Ralph H. Greer, Harold R. Hillingsley, Paul E. Trued, John H. Patterson and Herman Hartlett.

Membership Drive Planned To Further New Hospital Project

T. W. Lawton was elected yesterday as president of the Ferrell-Lough Memorial Hospital Association for the 28th time since its founding in 1920 at a meeting at the Court House. Plans were discussed for outfitting and making ready the former Navy dispensary at the Municipal hospital to which the patients and facilities of the present hospital will be moved within a few weeks, and it was resolved to launch a membership drive at \$1.00 per member, and \$10 per honorary member to raise \$10,000 needed to further the new project. The moving date was tentatively set at Feb. 2.

Mr. Eudor Curlett was re-elected as vice president. O. P. Herndon was named as auditor, Mrs. R. E. True as recording secretary and S. F. Doudney as treasurer. Elected as members of the executive committee were Randall Chase, chairman, Mrs. Curlett, Mrs. True and Lea R. Lester. Dr. E. D. Brownler, A. B. Peterson and Mrs. Raymond Ball served on the nominating committee.

Mr. Chase reported that the principal activity of the executive committee during the year had been to get the dispensary ready for occupancy. There is still some delay in securing full title, he said. Officers formerly used by the Navy are being outfitted with the plumbing necessary to establish a maternity ward and delivery rooms which will be separate from the rest of the hospital, he declared. Dents are being put through, and former storage room is being converted into a hospital kitchen. New equipment includes a 60-gal capacity refrigerator and a new gas range to supplement old cooking equipment.

Due to the fact that use of the central heating plant at the station is now only on a part time basis by the Fellowship College, also the fact that the hospital needs facilities for such a plant at all times, a new boiler and heating plant is being installed in a concrete block water near the building, he pointed out. Plumbing will be complete in a few days, and

Arnall And Talmadge Supporters Fight It Out

Fists flew briefly in the governor's office as the Georgia State Capitol in Atlanta, when supporters of Herman Talmadge and supporters of Gov. Arnall disagreed as to who was Georgia's Chief Executive. Talmadge was elected as Governor during the 13-hour session of the joint House and Senate, but Gov. Arnall refused to recognize Talmadge as the new Chief Executive, and accepted Talmadge as being a "pretender." (Inter-Atlanta Staffphoto)

E.M. Armitage Is Speaker At Lions Club Lunch Meet

A summary of activities of the Sanford Tourist Club was today given to the Lions Club by E. M. Armitage, director of tourist activities, who said that the club is getting along fine and "is putting Sanford on the map."

It was reported that in spite of a small evening crowd to see Birch, manager, magician, the Lions had about broken even on the show and after deducting expenses may have a small profit contribution to the high school library fund.

Mr. Armitage told of the organization this year of the Tourist Club with a meeting of 25 to 30 members at the start, and of how attendance has grown until at the recent supper, extra chairs, tables, wooden plates and eating utensils had to be borrowed to accommodate the more than 175 visitors.

He added that plans had been considered to take the tourists on a boat trip but that due to the fact that only one boat operator, Fred Bell, was available for such trips, the idea had been postponed. From 12 to 20 inquiries a day are received from visitors for places to stay, as people are very much impressed with Sanford and its cleanliness, he said, as were Mrs. Armitage and himself when they first drove into Sanford a few years ago. He told of present difficulties of securing accommodations for visitors.

Mr. Armitage suggested to the Lions tourist entertainment committee that they have an evening of games at the Tourist Club. John Ivey suggested that the Lions cooperate with Kiwanis and Rotary in furnishing oranges and celery to visiting Chattanooga ball players. He also suggested the clubs put on a barbecue for George Barr and members of his umpire training school. Lion Ivey and Lion Joe Meisch were named as a committee to further these suggestions.

Clarence Welsh was welcomed back to the club, and Daryl Swan of the Mather Furpigeon store was welcomed as a new member. Secretary H. J. Ribbe reported he had received a letter of thanks from the Elks for Lion aid in the children's Christmas tree program.

Parachute Jump To Take Place At Airport

There will be a parachute jump, wing-walking exhibition and various other airborne stunts performed at the Municipal Airport on Sunday at 2:00 P. M., it was announced today by Roy Browning, airport manager.

Irvin W. Davis, stunt flyer, Eddie Bergida and Dick Shotwell, ex-paratroopers, will participate in the events.

There will also be a glider demonstration by Mrs. Virginia Benis, he declared.

There will be no admission charged, but a free will offering will be taken and the public is cordially invited to attend.

British Seek Jewish Attendance At Meet

LONDON, Jan. 17.—(AP)—A last-minute effort was made today to have Jewish representatives attend the London conference on Palestine. The Jewish Agency announced that Chairman David Ben-Gurion will arrive from Jerusalem on Sunday. British sources said he will be invited to confer with Colonial Secretary Arthur Creech Jones on the question of participating in the formal conference scheduled to start Tuesday.

The Zionist conference in Basel last month rejected Jewish participation under existing conditions. Syria, Arab states, Trans-Jordan, Iraq, Lebanon, Iraq, Yemen and Saudi Arabia and the Palestine Arab Higher Committee have accepted conference invitations.

Talmadge Has Control Over State Capitol

Arnall Is Forced To Vacate Entirely; Herman Is Served With Court Papers

ATLANTA, Jan. 17.—(AP)—It still is not known today whether Herman Talmadge will appear to answer court papers ordering him to show cause on Feb. 7 why he should continue as Governor of Georgia.

Talmadge has control of the state capitol, and the other claimant to the governorship, Ellis Arnall, has set up shop in an office building in Atlanta.

A new move in the bitter fight over the governorship of Georgia came this morning when Herman Talmadge seized the temporary office of Ellis Arnall beneath the state capitol dome. State Representative Jimmy Dykes, a Talmadge lieutenant, moved into the chair which Arnall had occupied yesterday.

The desk at which Arnall sat yesterday and Dykes sits today is used for the capitol information clerk, Mrs. Ida Mae Evans. Mrs. Evans said when she arrived this morning, the telephone had been ripped out and Dykes told her he was talking over.

Talmadge, who holds possession of the executive offices and the executive mansion, held a news conference this morning. He announced that he had assigned four state troopers to as he put it "protect" Arnall whenever Arnall appears at the capitol. This, said Talmadge, is so that "we may have no violence."

He added: "The temper of the people is such that anything might happen. Someone might haul off and slap him, and we don't want anything like that to happen."

Head Of Lookouts Arrives Here For Schooling Sessions

Mr. Joe Eagle, president of the Chattanooga Lookouts, arrived last night from Birmingham, Ala. where he has been attending the Southern League directors' meeting.

Single plans to remain in Sanford until after the Chattanooga schooling sessions are over on Feb. 20 at which time he will go to Winter Garden to complete arrangements for the arrival of the Lookouts for their Spring training season.

The Chattanooga school will open here Monday morning and approximately 128 youngsters are expected to report for the five weeks' session.

Training activity for the Lookout prospects will be held at the Municipal Airport, where the men will be quartered, and at the Municipal Ball Park.

Most of the Lookout training equipment has arrived and is in readiness for the schooling period.
