# Remember the Golden Rule during the holiday season

This is it! We've run out of the month of November and according to tradition head on with December—the month of holidays, home and city decorations, snow, and probably cold weather. Much more of these happenings will require a great deal of imagination, patience and courtesy from everybody.

### Deputy Chief Belfore honored

Lake Mary was well represented, as well as the State Attorney's Office, friends and family. All those who attended expressed their admiration and respect for the deputy chief's service to the community.

During the City Commission meeting, I read a proclamation declaring Nov. 22, 2001, as "Deputy Chief Robert Belfore Day in Lake Mary." We all appreciate Bob's 23 years of service to the citizens of Lake Mary.

# Mailing tips to avoid holiday glitches

Unhappy holiday season with no mail in hand may be one of the worst things you can experience. Here are some tips to help you avoid the frustration of a holiday season with no mail in hand.

- Always use complete addresses. Incomplete addresses, such as Ave. 11th, will not be delivered. Use the apartment or suite number as well as street address. Use the ZIP and ZIP+4.
- Don't put return addresses on holiday mail. The Postal Service will not return mail to you if the return address is not on the envelope. Use a separate return address on a separate envelope.

# Keep your pets happy and safe during the holiday

As many who know, the holiday season is a busy time for pets and their owners. Here are some tips to help you keep your pets happy and safe during the holiday season.

- Avoid giving your pets human food. Many human foods are toxic to pets, so avoid giving them any human food.
- Keep your pets safe from the fire. Pets are curious and may be attracted to the lights and decorations. Make sure they are safe from the fire.

# New entertainment scheduled to perform during Holiday in the Park

This year, the city has some things new to offer for their citizens.

The Jackson Creek String Band, a fiddle folk band, will be performing beginning after Santa's arrival. Also new to the festival is the very girl group, Extreme 3.

Extreme 3 is a group of middle school students who write their own music and have written a Christmas song just for Holiday in the Park. The Christmas song is "A Little Bit of Christmas."

Believe me, understanding the Lake Mary Herald and the Lake Mary Herald Department.

Department will play holiday music on a double bass, a self taught double bass player. Mike is getting this original instrument the afternoon of the festival.

The Lake Mary High Drama Department always does a great job whenever they stage a play in the Park. Also, our farming will be local. Call Service, 324-2647.

The Lake Mary Herald is excited about the festival that is a new way to spend your year-end shopping.

May Koppel

There is always a critical need for items for older children and seniors.

And if you can't decide what kind of food to give, a gift certificate to any grocery store will show appreciation to the Lake Mary City Department to provide a wonderful meal.

The Lake Mary Historical Society will have a booth at the festival. Call 324-2647 for more information.

Lake Mary Historical Society and the Historical Commission will feature trees donated by local businesses and other organizations.

Some of the trees will be part of a silent auction. Other trees will feature ornaments you can purchase on the spot.

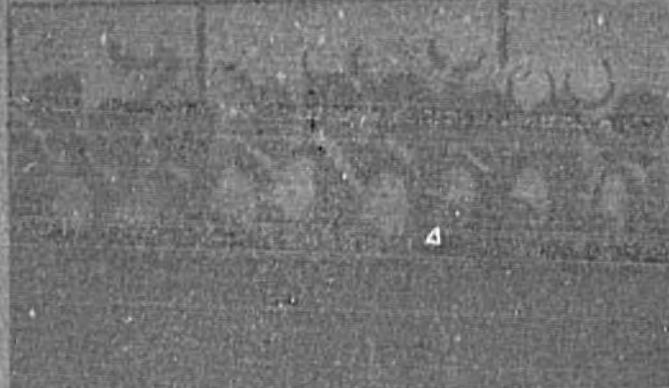

These trees of trees will be featured, miniature, small and large. The Society is still accepting applications for trees. If you're interested, contact President Peggy Miller at 324-2647 or email [peggy@lakemaryhistorical.com](mailto:peggy@lakemaryhistorical.com).
